Dear Mr. Davenport: The TEXAS TECH JAZZ EN-SEMBLE is presently preparing for its annual "Nite of Jazz" concert. This Stage Band concertwi-11 be held November 11 at 8:00 p.m. in the Moody Auditorium on the L.C.C. campus. Tickets will be \$1.00.

Last year, a large group of the Abernathy STAGE BAND went to the Spring 1971 concert. It was a Standing Room Only affair that was held in the University Theatre. Those that attended were well entertained with a great variety of music by a fabulous gro-up. This year, the Tech Stage Band will be better than ever before.

Speaking on the Abernathy 19-71-72 STAGE BAND: this year will be different. There are two Street is a new business in Aberupcoming contest, and we will be going. **City Manager** 

Since this is October and tax paying time, we have had the opportunity to meet more people personally for the first time in the past two weeks than we have for the entire time that we have been here. Like everything else that we have done in Beautiful Abernathy, this chore has been attended to in a business like but friendly manner. We don't mean to imply that evern one person has dashed in and kissed us on both checks for taking their money; but almost no one has actually complained about paying their city taxes.

We believe that this is the result of several good things about our city. First and foremost we have good, public spirited im ey then want to see what you partial elected officals. I guess have accomplished with the mothat old saying is true that no one ney. To date everyone has comcan please everyone, but these plimeted us on the facilities. Th gentlemen come as close as any we have ever had the pleasure of the same as time and business working with. They just do not make arbitrary hasty decisions. They give every idea its just due and then decide to the best of their ability what will be best for all of Abernathy. Naturally some individuals are going to feel the bite sometimes and they will be justified in thinking that they got the short end of the stick. When someone gets, someone else has to give, so there is no way to avoid it.

Secondly you have been blessed with good hard working conscientious employees for many years and you shold be and are proud of them and trust them to do what is best for your interest in the usual work day process that it takes to keep the machinery of City Government functioning. If we can lay claim to a portion of this trust after I have been here a couple of years, I will surely feel that I have accomplishey my goal. I know I am still introduced as the new City Manager, but I am proud to be associated with the fine people who were here when I came.

Thirdly I believe that you have always got 100 cents worth of improvements for every bond dollar that has been spent. Certainly the debt is reasonably high but look around our city and you will quickly see why we always refer to it as Beautiful. It takes 1/3 of the total budget for the year to make the bond and

High's colors of green, white and gold, the Lionettes perform at all of the school's football games and recently marched in the Parade of Bands preceding the Panhandle South Plains Fair. During the past year, the drill team was featured in the Slaton Memorial Day Parade and at one of the Texas Tech University

basketball games. Miss Pam Pendergrast, mathematics teacher at New Deal High, serves as sponsor for the Lionettes. In a daily class meeting, Miss Pendergrast works with the girls on their marching and teaches them new routines. During the summer, 10 members of the marching unit attended a drill team camp in Houston, where they learned eight routines. Currently, the girls are learning two new routines so that they can perform a different drill for each of the 10 games New Deal High will play this year.

Team members' mothers made the two sets of uniforms worn by the Lionettes during performances. Last year the girls' boots were purchased with a community donation. New team members spent the summer hoeing cotton and washing cars to pay for their boots, according to Miss Pendergrast. The drill team is made up of girls from the freshman through senior levels. They will be a featured attraction tonight when New Deal High's football team meets the Wilson High team in Wilson.

### **Bank** Unit **Makes Rule On** Closing

A new amendment adopted by the Texas Bankers Association has revised the statute dealing with bank holidays for banks operating on a five-day week, and closed on Saturdays.

According to Sam O. Kimberlin, Jr., Executive Vice President of the TBA approximately three out of every four Texas banks are presently closed on Saturdays and thus

fall within this category. It is mandatory that all Texas banks close on Sunday, New Year's Day, Washington's Birthday, Memorial Day, July 4, Labor Day, Columbus Day Veteran's Day, Thanksgiving and Christmas Day.

When the dates Jan. 1, July or Dec. 25 fall on Saturday, all banks shall also remain closed on the Friday immediately preceding Saturday and when these dates fall on Sunday, all banks will also remain closed on the next Monday.
