Building Boom In Phillips Addition Here

The Phillips Addition in North Abernathy may experience a residential building boom, including brick homes in the price range of \$26,500 and up. Developer will be Wayne Williford, who has moved here from Mineola, and has purchased an interest in the corporation that owns about 25 residential building sites in the Phillips Addition.

Mr. and Mrs. Williford and their two daughters, Rita Beth 5, and Rose Mae, 2 1/2 years old, reside at 305-B Ave. F, in Abernathy. Williford plans to build a large duplex on North Ave. F. He and his family will occupy one of the units and will rent the other.

Williford already has four houses in various stages of construction, with one complete, in the Phillips Addition, Dan Ryan and his family bought, and moved to, the house that has been completed.

Another Williford house, just north of the Lewis Lutrick home, is nearing completion. It has been sold to James Friesen, who with his wife and two children, will move here from Starkville, Mississippi, early in June. Mr. Friesen, an engineer, will be employed at the Texas A. & M. Experiment Station south of New Deal.

Before going to Mineola, Williford resided in Floydada and built 66 homes in that town during a five and one-half period. He also built houses in Plainview and other South Plains towns while living in Floydada.

Also coming from Mineola is V. O. Carnes, foreman, who has worked with Williford since 1960. Currently, Carnes and his family reside east of Lubbock.

Mrs. M. L. Seay is in Hi-Plains Hospital, Hale Center.

Chambers ambulance took G. M. (Pappy) Carr to West Texas Hospital, Lubbock, Friday.

Lewis McGee of Lawton, Okla., visited Mr. and Mrs. Lacy Terrell at their home in County Line Thursday night. A retired veteran of 20 years of Military Service, Mr. McGee is a civilian employee at Fort Sill.

Mrs. F. A. Goebel has returned from El Paso, where she visited in the home of her daughter, Mrs. Bobby Collins, and family.

TALK IN PRINT

Residing in a town divided by a county line has created some odd situations for Abernathians. Some reside in Lubbock County and have their places of business in Hale County and vice versa. Residents of the Lubbock County portion vote in two counties. They have to go into Hale County to vote in city and school elections. The town has had two U. S. Representatives in Congress, Republican Bob Price for the Hale County part and Democrat George H. Mahon for the Lubbock County portion. (This has been changed by redistricting. Mr. Mahon will also have Hale County.)

The Glen Robertson family is "scattered" into three counties. Their home is in Hale County and their nearby farm buildings are in Lamb County. They receive their mail on Rural Route One out of Anton, Hockley County. Their telephone, 233-2532, is in the Spade Telephone Exchange. The Robertson children attend school at Cotton Center, and the family goes to church in Littlefield. And, Mrs. Robertson has been attending South Plains College in Levelland, where she recently completed a course in journalism.

Last Rites For John J. Reagan

Last rites for John J. Reagan of 3111 46th St., Lubbock, were held at 10 a.m. Monday in Ford Memorial Chapel of Lubbock First Baptist Church with pastor Dr. David Ray officiating.

Burial was in Resthaven Memorial Park, Lubbock.

Pallbearers were Carl Sanders, H. C. Hamilton, Ben Whitaker, Roy J. O'Donnell, Grover Rowlette and Thomas Thaxton.

Reagan died Friday in Methodist Hospital, Lubbock.

A resident of Lubbock since 1955, Reagan, 51, moved there from Abernathy where he was born.

He was a civil service employee at Reese Air Base and a veteran of World War II.

Survivors include his wife; a son, Brandt of the home; his mother, Mrs. Alice Reagan of Abernathy; three brothers, George of Carlsbad, N.M., Glen of Abernathy and Ralph of Dallas; and three sisters, Mrs. Addie Turner and Mrs. Betty Riley, both of Abernathy, and Mrs. Marie Gaylor of Abilene.

Spiritual Renewal Is Planned Here

A Spiritual Renewal Week and Youth Rally have been scheduled at the First United Methodist Church here, Friday, Saturday and Sunday, according to Billie Harrison, Chairman of the coordinating committee.

Lay speaker Dwayne Lynch of Ralls will be bringing the messages, and the song-fest each evening and Sunday morning will be led by McMurry students, Freddy Kunkle of Lamesa and Jeff Walters of Hobbs, N.M.

A meal will be served at the church beginning at 6:30 Friday evening, with the service scheduled for 7:30.

Saturday's scheduled includes a Youth Rally with a youth meal of hot dogs and Cokes scheduled for 12:00 noon. The Rally will begin at 1:30 p.m. in the church sanctuary. All local youth, as well as young people from 31 area churches, have been invited. Adults who wish to attend are welcome. The Kunkle-Walters team will lead the Youth Rally.

A meal at the church will be served at 6:30 p.m. Saturday, to be followed at 7:30 with the evening service.

Sunday morning's activities will include the mixing of various ages (from 6th grade up) in the Sunday School classes. The congregation will assemble in the sanctuary at 9:45 and then be divided into five Sunday School groups. These groups will be led by visitors from area churches.

The Sunday morning service is scheduled for 11 o'clock. Everyone--all ages--is extended a warm invitation to attend any or all of these services.

Sunshine Group In Monthly Meet

Abernathy's Sunshine Group held a monthly meeting at City Hall Clubroom Thursday, April 20, for fellowship and lunch. Floyd Shipman, president, welcomed the group then led in singing. Mrs. Henry C. von Struve, program chairman, called for the group to sing "America" then asked Choe Brewer and Mr. Shipman to play their French harps, accompanied at the piano by Mrs. Brewer. They played "Red Wing" and "I Would Not Be Denied."

The Rev. U. S. Sherrill brought an inspirational devotional. Mrs. Susie Anderson gave the invocation. Games were enjoyed in the afternoon, and Aunt Manna Struve, who will be 96 in June, played the harmonica for the day. Forty-four persons attended.

The Sunshine Group meets on the third Thursday of the month at the city hall. The next meeting, a luncheon, will be held May 18. All Senior Citizens are invited to join the Sunshine Group organization. -- Reporter.

Just Your Nerves

Many have been told, "Your trouble is nerves, just nerves, that's all." Nerves are too important to the body to be dismissed so easily. Nerves make possible all movements, nerves transmit all sensations to the brain. Nerves make possible sight, smell, taste and hearing. Nerves maintain balance and keep the body temperature at 98.6 degree. Nerves control blood pressure, stomach action, blood flow, speech and breathing. Nerves make the bowels move. Nerves make it possible to swallow. In fact, all functions are under control and coordination of the nervous system... It's nerves, see—

NEW P-A-G 511 sorghum proves you can get high yields with short water

Because of the water shortage, many High Plains farmers planted drought-resistant P-A-G 511 in 1971. Many had higher yields than full season varieties planted under the same or better conditions. In the 1971 High Plains Research Foundation tests at Halfway, Texas, P-A-G 511 ranked number 2 of 40 Hybrids tested in Single Forty-Inch Spaced rows with a yield of 7,740 lbs. per acre.

1 All data are a mean of five replications.
2 Yields calculated at 14% moisture.
3 Any two hybrids having a common letter are not significantly different at the .05 probability level.
4 Seed Company maturity designation: E = early; M = medium; L = late.
5 Number of days from planting to date when majority of heads were in half bloom.
6 Score rating 1-5: 1 = none; 5 = severe.

PROVED ON FARMS IN 1971

Last year many farmers found P-A-G 511 to be more drought resistant and higher yielding than other medium-medium late and some full season varieties. Carl Kleuskens of Hereford won 2nd place in the 1971 P-A-G Yield Contest with New 511 and P-A-G 516 with an average yield of 8,455.9 lbs. per acre on a 100+ acre field.

BUY NOW & BE SURE OF ALL THE 511 YOU NEED

511 is a medium-medium late hetero-yellow endosperm hybrid grain sorghum with MDM tolerance and smut resistance and has complete seed treatment. No one can predict what the supply will be at planting time, but right now you can be sure of all the P-A-G 511 you need by seeing your P-A-G dealer.

Special Meet At Neighborhood Center April 27

There will be a most important meeting at the Abernathy Neighborhood Center Thursday April 27 at 7:15 p.m. Every citizen who has an interest in the welfare of his community is cordially invited to attend.

Candidates who are seeking office in Hale County for sheriff will be present to meet you and so you can meet them. They will also give a short talk on their background and experience in the work of the law. Most important, they will be glad to answer any question you may have in regard to the system of law in Hale County.

We hope to see a good group of people present for this meeting. We especially urge the

Gerald Shires of Rochester, New York, visited here in the home of his parents, Mr. and Mrs. Royse L. Shires. Also visiting in the Shires home were Mr. and Mrs. Leroy Keithley of Reseda, Calif.

Mrs. Douglas Chapman was on a petit jury in a district court in Lubbock early last week.

Mr. and Mrs. Alvin Hardin and Mrs. Douglas Chapman, accompanied by Mrs. Cecil Faulkenberry of Seagraves, visited in the home of Mr. and Mrs. Otto Curry in Monroe, Louisiana, last weekend. Curry is a brother of Mmes. Hardin, Chapman and Faulkenberry.

Produce carloads of sorghum with NK 222G

Growers report 1,000 to 1 return

Leon Stoval produced over 1,000 lbs of grain from every pound of NK seed he planted. Seeded at the rate of 8 lbs per acre. Stoval averaged 8,400 lbs of grain at harvest.

Excellent quality grain. The large yellow endosperm berries build a high test weight. Reports of over 60 lbs are not uncommon. Cattlemen say NK 222G makes top quality feed. Threshes clean with a minimum of dust. Strong standing.

NK 222G stalks are extremely tough. A huge root system defies root lodging. Plants are short and compact to withstand high winds.
