RESOLUTION AND ORDER CALLING BOND ELECTION

THE STATE OF TEXAS |
 COUNTIES OF HALE |
 AND LUBBOCK |

WHEREAS, the Board of Trustees of the ABERNATHY INDEPENDENT SCHOOL DISTRICT is authorized to levy a maintenance tax under the provisions of Article 2786e-1 as the basis of an election held within the District on the 29th day of May, 1972; and

WHEREAS, the Board of Trustees of the ABERNATHY INDEPENDENT SCHOOL DISTRICT deems it advisable to issue bonds under the provisions of Chapter 20 of the Texas Education Code by submitting (at an election called for the purpose) the proposition hereinafter set forth; therefore,

BE IT RESOLVED AND ORDERED BY THE BOARD OF TRUSTEES OF ABERNATHY INDEPENDENT SCHOOL DISTRICT:

SECTION 1: That said election shall be held on the 29th day of May, 1972, at the City Hall, Abernathy, Texas, and the entire District shall constitute one election precinct for said election.

SECTION 2: That the following named persons are hereby appointed officers of the election:

C. E. CROW	Presiding Judge
ARNO STRUVE	Alternate Presiding Judge

The Presiding Judge shall appoint not less than two nor more than six qualified clerks to serve and assist in holding said election; provided that if the Presiding Judge herein appointed actually serves, the Alternate Presiding Judge shall be one of the clerks.

On election day the polls shall be open from 7:00 A.M. to 7:00 P.M.

OTELA CLEMENTS is hereby appointed as the Clerk for absentee voting for said election, and the City Hall in said District, Abernathy, Texas, is hereby designated as the place at which absentee voting shall be conducted for said election. For the period absentee voting is permitted by law, the hours designated for absentee voting shall be from 8:00 A.M. to 5:00 P.M. on each day except Saturdays, Sundays and official State holidays.

SECTION 3: That at said election the following proposition shall be submitted:

"SHALL the Board of Trustees of the ABERNATHY INDEPENDENT SCHOOL DISTRICT of Hale and Lubbock Counties, Texas, be authorized and empowered to issue the bonds of said District to the amount of SEVEN HUNDRED FIFTY THOUSAND DOLLARS (\$750,000) for school buildings purposes, to wit: the construction and equipment of school buildings in the District and the purchase of the necessary sites therefor, and shall there be pledged and levied, assessed and collected annually ad valorem taxes on all taxable property in the District sufficient, without limit as to rate or amount, to pay the principal of and interest on said bonds as the same become due, said bonds to be issued in one or more series or issues to mature serially or otherwise not more than FORTY (40) years from their date, and to bear interest at such rate or rates as in its discretion the Board of Trustees shall determine?"

SECTION 4: That the official ballots for said election shall be prepared in accordance with V.A.T.S. Election Code, so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid proposition which shall be set forth in substantially the following form:

"THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

The word "FOR" and beneath it the word "AGAINST" shall be made to appear on the left of the proposition. A square shall be printed on the left of each of the words "FOR" and "AGAINST", and each elector shall place an "X" in the square beside the statement indicating the way he wishes to vote.

SECTION 5: All resident qualified electors of the District, including those who own taxable property in said District and who have duly rendered the same for taxation, shall be permitted to vote at said election. At said election two separate ballot boxes shall be provided at each polling place. In one box only resident qualified electors who own taxable property and who have duly rendered the same for taxation shall be allowed to vote. In another box all resident qualified electors (who are otherwise qualified but do not own taxable property which has been duly rendered for taxation) shall be allowed to vote. The votes cast in each of said boxes shall be recorded, tallied and canvassed in such manner as will reflect separately the votes cast by the qualified electors who own taxable property and who have duly rendered the same for taxation from the votes cast by all qualified electors (including those who own taxable property and who have duly rendered the same for taxation).

SECTION 6: A substantial copy of this resolution and order shall serve as proper notice of said election and said notice shall be published one time at least ten (10) days prior to the date set for the election in a newspaper of general circulation in the District.

PASSED AND APPROVED, this the 18th day of May, 1972.

School Bond Election Set Here May 29

In a called meeting Monday, May 15th, the Board of Education set May 29th as the day to submit a \$750,000 bond issue to the voters residing in the Abernathy Independent School District.

Action on the resolution by the Board came after months of discussion and study concerning the physical needs of the local school system.

An expression of confidence for issuance of the bond proposal was given by the board by sixty-eight patrons attending a public meeting Thursday night, May 11th. At this meeting, Mr. Loren West, Board President, chaired the meeting and expressed his appreciation to those attending for showing their interest in the school. He then asked Dr. Delwin Webb, Superintendent, to make a presentation to the group and to assist in answering questions concerning the proposal.

Dr. Webb shared some vital educational concerns with the group and asked them to respond to a number of questions that pointed toward individualized instruction. Among the questions asked were these: "Do you believe each child is an individual?" "At what age should a child start to school?" "What is the future of education?" and "How does a child learn?" He then stated that "all students have different needs, wants, desires, expectations, and satisfactions and that the objective of education should be to fulfill, to the best of our ability, each person's potential," and asked, "What is our responsibility in meeting these needs?"

Dr. Webb stated that as a district, we were not growing but in taking care of the needs of students all available building space had been exhausted. Programs that have been added in recent years include Special Education, Vocational Education for the handicapped, bilingual education, kindergarten, power mechanics, vocational academic education, journalism, advanced science, advanced math and others. He also told the group a more serious problem existed - that many of our buildings were in need of repair - that they were no longer "new", the most recent being 12 years old. It was pointed out that the elementary building that houses the fourth and fifth grades, constructed in 1945, had been examined by architects and, in their opinion, renovation into a modern building would be prohibitive in cost as to the worth of the building.

The point was stressed that new facilities and major repairs are needed and that the needed improvements could be made within the present tax structure. Dr. Webb carefully pointed out that the passage of a bond issue would cause little and very probably no additional cost to the taxpayer, depending entirely upon the bond market when the bonds were sold. The superintendent also stressed the fact that his staff could not forecast the future cost of education beyond one year at a time, but stated that should future tax rate increases be necessary, it would be for normal operation and not to pay for the bond issue.

Noting that the \$750,000 would not take care of all of the needs, Dr. Webb said the issue would be adequate to:

- Build a new, preferably, underground school to house grades 6, 7 and 8, then move grades 4 and 5 to the present Junior High building.

Build an Academic Center, the heart of which would be a combined Junior-Senior library and have space and some equipment necessary to meet the individual needs and interests of pupils.

Use the remainder of the money, if there is any, to water-proof, not renovate, the existing 4th and 5th grade building and use it, if necessary, for some small Special Education classes, desperately needed office space, and adult education.

Repair and re-roof the auditorium, some paving, and to generally upgrade the existing facilities within the limits of funds available.

Dr. Webb closed his remarks by stating, "We think that each child that comes to and through our systems should have an opportunity for the best education afforded anywhere, regardless of the size of the school. We strongly believe that when issues are presented to the public and it is known and understood that these are to take care of the educational needs of children,

Changes Made In City Police Department Here

The regular May meeting of the City Council was held in the City Hall Monday evening the 8th. Several items of major importance were discussed and handled.

The Council accepted the resignation of Mr. Clyde Vandygriff with regrets. Several members complimented Clyde for the work that he has done for the City during his employment. Other changes in the Police Department are being made at this time. Frank Russell, who has been acting in the dual capacity of Hale County Deputy and City Police Chief, will now work full time as Police Chief and Elton Sparkman will work as a County Deputy and City Patrolman. These changes will give Frank the opportunity to devote all of his time to serving Abernathy proper and will give Elton experience in a broader field of law enforcement. The Council expressed its appreciation for the manner in which Frank has operated the Police Department as well as his personal devotion to duty.

The tax roll which the Board of Equalization had just completed was accepted and approved by all members of the Council. It was noted that the present Board had spent a great deal of time and effort in making the decisions for this tax year. Making tax rolls, equalizing and approving tax rolls are always unpleasant at best, so any action taken is subject to critical review. Mr. Irvan Rhodes, Mr. Don McKenzie and Mr. C. C. Turpin are to be commended for the manner in which they conducted the business at hand.

Mr. George Ragland was re-appointed City Judge for a period of two years. Chief Russell reported that 17 abandoned vehicles have been removed from the streets during the past month. It was reported that gross receipts tax from Pioneer Natural Gas Co. for the first quarter had been received in the amount of \$1,465.81 and from Southwestern Public Service in the amount of \$1,350.04.

The prospects of having a paving project this summer look very dim at this time. There is a great deal of interest on the part of some individuals, but as has been explained before in a city our size paving districts cannot be created by the Council unless ALL property owners involved are willing to participate. The Council makes a final appeal to interested parties to check with the City Manager if anything is to be done this year.

The Council voted to send two firemen to the Texas A&M University Texas Firemen's Training School. Key rates on all insurance on buildings in the city are affected by this participation. The Council went on record commending our fine Volunteer Fire Department for their degree of excellence in the performance of their duties. The City Manager reported that a training program is now in progress headed by Gene Nunn, who the City recently sent to a training and rescue school at Texas A&M University. The Manager further reported that the "storm watching" section of the Fire Department has recently been reviewed by the State Civil Defense and rated excellent, far above the average for cities in our population bracket. We are extremely fortunate to have these fine dedicated men working for our safety and welfare.

Mr. Truitt Mays, the field representative for South Plains Association of Governments, made a brief visit and expressed their readiness to help in any way possible. --Jim Davis

INJURED IN CAR ACCIDENT

The Rev. and Mrs. James I. O'Neill of Abernathy were involved in a two-vehicle collision at the "death trap" intersection of Quaker and 4th in Lubbock Friday. The Rev. Mr. O'Neill is in St. Mary's Hospital, Lubbock, with serious injuries. Reports said that Mrs. O'Neill's injuries are believed to be minor.

An individual does not vote for or against the issue - the actual votes for or against the children in his community."

A public hearing, open to all, concerning this issue will be held Tuesday, May 23rd, at 8:00 p.m., in the Speech Room, 117, in the High School.

Bands' Public Concert Set Friday, 8 P. M.

The bands from Abernathy have been "buzzing" this week as they prepare for their annual Spring Concert. Bands represented Friday (right) are the Flutophones, Stage Band Sixth Grade, Jr. High, and High School in this order. Highlighting the concert will be the patriotic opening of the High School part of the program. Quotes Jerry Bartley, band director, "I remember well last year at the Spring Concert how impressed the public became over the presentation of The Star Spangled Banner. This year, we feel that the audience will be filled with emotion for their country after participating in a musical ceremony of allegiance." The John Philip Sousa Band Award, along with many other recognitions, will fall into place between numbers by the High School Band. The entire program is planned around pop music released within the last couple of years.

The public is invited. The concert begins at 8 p.m., Admission is free.

Junior High Band Scores In UIL Meet

Screaming and crying ended daylong activities Saturday (13th) at Dimmitt as the Jr. High Band members brought home a Division I trophy in concert playing and a Division I trophy in the sight-reading event. Several members of the band participated in the solo and ensemble events. Nineteen Division I medals were awarded to these people.

The Sixth Grade Band participated in the contest bringing home a Division II in concert playing and a Division II in sight-reading. "The band, I feel, may have also made a 'Sweepstakes' (Division I in each category) had the judges known that the Sixth Grade Band was a first-year band. They were judged as a second-year band."

Winners of the Division I medals in the Jr. High Band are Leslie Jackson (two medals), Melinda Huffaker (two medals), Debbie Knox (two medals), Barbara Barton (two medals), Kirk Snodgrass, Victor Garza, Mark Havens, Pam Bowen, Bobbie Maurer, Denise Harbin, Donna Horne, Kelly Henderson, Lorna Barron, Linda O'Neill and Tom Adams.

Sunshine Group Meets Thursday

Abernathy's Sunshine Group, an organization of Senior Citizens and other retired persons, will hold its monthly meeting Thursday, May 18, starting at 11 a.m., in the City Hall club room. A luncheon will be served.

Anyone wishing to join the Sunshine Group is welcome to this meeting. Those needing transportation to and from the meeting are requested to call Mrs. Dewey Price, chairman of the transportation committee.

To Get Degree From Texas U.

Charles Alan (Buddy) Rhodes is to receive a degree from the University of Texas. Commencement exercises are scheduled May 20. He and Mrs. Rhodes, daughter of Mr. and Mrs. Clayton Enger, are moving back to Abernathy this weekend, and his father, Irvan Rhodes, is going to Austin to help them move.

Co-op Grain Directors Re-elected

Stockholders of Co-op Grain Company of Abernathy and Heckville, in their annual meeting May 9, re-elected the following to the Board of Directors: Lewis Lutrick, Clayton Enger and Ronnie Stanton.

Holdover directors are Fred Crenshaw, W. T. Settle, Willie V. Dunn and Pierce Truett. Dan Ryan is manager.

Services Set For G. M. Carr

Funeral rites for G. M. (Pappy) Carr, 76, who died about 8:30 p.m. Sunday in West Texas Hospital, Lubbock, are scheduled for 10 a.m. Thursday in Abernathy First Baptist Church. Officiating will be the Rev. Murry L. Brewer, pastor, and the Rev. Conrad M. Ryan, pastor of Abernathy First United Methodist Church.

Burial, under direction of Chambers Funeral Home, will be in Abernathy Cemetery, with Masonic Rites at graveside.

Active pallbearers will be Russell Paxton, Bob Adams, Ralph Brock, Chip Elliott, Dick O'Daniel and Pete Laney. Honorary pallbearers will be Frank B. Lovelace, W. K. (Bill) Schreier, Jay Daniel, Aaron DuBoise, T. A. Brewster, J. C. Veach and Furman Shipman.

Mrs. G. M. Carr also was a patient in West Texas Hospital at the time of her husband's death. She was still in the hospital at press time.

Mr. and Mrs. Carr moved to this area from Southland in 1921. They resided on their farm in the County Line Community until a few years ago, when they moved to Abernathy after his retirement.

Mr. Carr, a veteran of World War I, was a member of First Baptist Church. At the time of his death, he held a lifetime membership in Abernathy Lodge No. 1142, A.F. & A.M., an honor accorded all members who have been a Master Mason for at least 50 years.

Mr. Carr was a native of Lexington, Texas.

Mr. Carr, a lifelong, devout Democrat, served as the Democratic Chairman in Abernathy and Hale County for many years.

Survivors in addition to his wife include a son, Galen Carr, of Lubbock; two daughters, Mrs. Travis Powell and Mrs. Weldon Reynolds, both of Brewster, Wash.; a brother, Frank Carr, of McMinville, Tenn.; a sister, Mrs. H. L. Cantelou, of Tucson, Ariz.; and 15 grandchildren.

CL Club Seeks Community Bldg. Pledges

(By Joyce Connell)

The County Line Community Club met April 25 in the City Hall Club Room. Ten members and several visitors enjoyed a program on drug abuse led by Sheriff Tue and deputies. Two films were shown and a question and answer period followed. Our sincere appreciation to these men for the time and effort put forth in this worthwhile program.

Several people and businesses have indicated that they would like to help County Line get their Community Center. We are uncertain as to who and how much would like to donate. If you are interested in making a pledge payable when the construction starts or on completion of the building, please call La Nell Stone, president, at 757-2734. This information will enable us to get the building construction underway.

The names of those donating \$100 or over will be engraved on a plaque in the community building. There will be recognition of smaller donations also. The club has earned through bake sales, bazaars, garage sales and a volleyball tournament a sizeable amount which is in a savings account now. These pledges would give a go-ahead on the construction. We would appreciate having this information by May 25.

A Flea Market was sponsored by the club May 5 & 6. Eight women participated and purchased space for booths. This money was placed in the building fund.

On May 25 the County Line Community Club will meet at Marsha Shafer's home at 1:30 p.m. The group will then travel to Lubbock for a tour of the State School. Vada Shafer, Faucine Horne and Marsha Shafer will be co-hostesses for this meeting.

Waldo Cox, who underwent heart surgery early last week at Methodist Hospital, Lubbock, has been moved from the coronary unit to a patient room. Reports said that he may be able to return home late this week if his condition continues to improve.

Last Rites For W. P. Schoor Of County Line

Last rites for Walter P. Schoor, 75, a long time resident of the County Line Community, who died Saturday in University Hospital, Lubbock, were held at 2 p.m. Monday in the Emmanuel Lutheran Church in Littlefield. Louis M. Wetzel, pastor, officiated. Burial was in Abernathy Cemetery.

Schoor, a resident of Hale County since 1922, moved to the South Plains from Cisco. He was a farmer.

A member of the Emmanuel Lutheran Church in Littlefield, he was married to Miss Olga Seedig Nov. 22, 1922, in Clifton.

Survivors include his wife; three sons, Garland and Randolph Schoor, both of Rt. 3, Lubbock, and Orval Schoor of Rt. 2, Abernathy; two daughters, Mrs. Mildred Griffith of Amarillo and Mrs. Beatrice Flowers of Lubbock; a sister, Miss Matilda Schoor of Rt. 3, Lubbock; 14 grandchildren and one great-grandchild.

C. of C. LETTER TO FIRE DEPARTMENT

This letter was authorized by the Chamber of Commerce at the regular meeting on May 2 and we would appreciate your publishing same.

Abernathy Volunteer Fire Department
Box 263
Abernathy, Texas 79311
Gentlemen:

The Abernathy Chamber of Commerce wishes to express the appreciation of its membership to you as an efficient fire fighting and general service organization.

Our community area has been very fortunate in having such an active group which is interested in the general welfare of our people. This has been true for the many years since the first organizational movement on August 9, 1938. We realize that each member makes a personal sacrifice in fulfilling his responsibilities.

The Chamber of Commerce believes that the definite contribution made by your organization along with our excellent Churches and Schools helps to build a better Abernathy. An exact evaluation is impossible but we feel that we are expressing the opinion of the entire community when we say a great big "THANK YOU" to each and every member for his interest and service in your many activities.

Wishing you continued success.

Sincerely,
Jim Bob Smith,
President

Mr. and Mrs. M. M. Bell visited friends and relatives in Houston, Fort Worth, Wichita Falls, Vernon and Crowell.

Nickerson Gets Post

ABERNATHY (Special) — Luke Nickerson, head coach here for the past three seasons, announced Tuesday that he has accepted the position as head coach and athletic director at District 7-AAA Atlanta High School.

Nickerson resigned at the end of last season with his resignation effective at the end of the school year.

He will be moving to his new assignment this summer. Atlanta, with a population of more than 5,000, is the largest town in Cass County.

"Atlanta has a rich athletic tradition and has some outstanding boys coming back. It looks like a very good situation to me," said Nickerson. "We hate to leave this part of the country — we've been here so long, but this looked like a very good opportunity."

Nickerson was coach at Ralls for six years prior to moving to Abernathy and had a championship club at Ralls in 1968, allowed to bring in three assistant coaches but has not discussed this matter with anyone.

Nickerson and his top assistant, Max Kennedy, resigned at the end of the last football season and Kennedy was recently hired as headcoach at Spur.

Mr. and Mrs. Kenneth Don Clement of Lubbock are parents of a daughter, Kaila Michelle, born May 3, weighing 7 pounds 9 ounces. The baby is a granddaughter of Mr. and Mrs. Grady Rogers and Mr. and Mrs. W. C. Clement, all of Abernathy.

YARN SHOP IS ENLARGED; ADDS SEWING NOTIONS

Mrs. Hugh Vaughn, owner and operator of Vera's Yarn Shop at 406 10th St. in Abernathy, announces that she has added a wide range of sewing notions to her stock of merchandise, and invites those who need yarn, thread or other sewing supplies to come by and check what she has to sell. Partitions in the building have been re-arranged to provide more display room in her store. See Vera's Yarn Shop ad in this paper for further information.

Invitation To SBA Workshop

A Small Business Administration Workshop, co-sponsored by the SBA and the Southwestern Public Service Company, will be held in the Reddy Room of the Tahoka office of Southwestern. Registration will begin at 1:30 p.m. with the first session at 2:00 p.m. on Thursday, May 18.

"Money for Your Expansion Plans" will be the theme for the workshop which is designed to point out to present industries in the area the avenues for financial and technical assistance which will aid them in expanding their operations. The speakers from the SBA, including Phillip J. O'Jibway, district director; Hall T. Martin and Carl Lightner, community economic development specialists; and J. B. Hare, from the procurement and management assistance division, will advise participants on availability of direct government loans and how to get government contracts.

Frank Alagna of the Texas Industrial Commission in Austin will discuss the sources of assistance in employee training and Don Workman, vice president of the First National Bank of Lubbock, will speak on what a banker wants to know.

The West Texas Business Development Corporation, a new industry-financing plan, will be explained by Bob Brummal, chairman of the new corporation. Brummal is Southern Division manager for Southwestern Public Service Company.

Larry Milner, manager of industrial development for Southwestern, said the workshop would be of interest to manufacturer, businessmen and community leaders throughout the area.

"The very heart of industrial development is for area and community leaders to help those industries they already have expand and develop so they can play a bigger role in the economic growth of the region. This workshop is designed to help in that effort by emphasizing the opportunities that are available to existing small industries for financing and technical assistance from governmental and private sources," Milner concluded.

ALL-SPORTS BANQUET IS HELD HERE

(By Morris Wilkes)

"Athletics are a basic part of the American Educational System," said Coach Bert Huffman of Texas Tech, special speaker at the Abernathy High School All-Sports Banquet, Friday, May 12.

"The things I like about athletics," said Huffman, "is that it is a game that is played by rules. To compete you've got to beat somebody doing what you're doing or somebody is going to take you out." He added, "You've got to learn to compete and not let adversity get you down."

Huffman, speaking on "What Coaches Teach", continued saying, "We are teaching character -- win, lose or draw. We are trying to instill challenge, sacrifice, effort, satisfaction, courage, and life. We're teaching you to work, sweat, get tired, hurt a little bit and still carry on, and to go against adversity which cause some people to break and others to break records."

Speaking of the banquet, Huffman said, "This banquet is a glorification of the youth of Abernathy."

Bobby Rogers, halfback for the Antelope football squad, was presented the true Antelope award by Head Coach Luke Nickerson. Rogers has recently signed with Howard Payne College in Brownwood. Receiving the offensive football award was David Lovelace and taking the defensive award was Ruwayne Struve. Lovelace will be going to the University of Houston and Struve has signed with Southern Methodist in Dallas.

A special award was presented to Dr. Kenneth Gregory for his service to the school and football squad, Kathe McClen-

The Gamma Iota Chapter of Delta Dappa Gamma Society met Saturday night, May 6, at Plainview for its annual Founders' Day dinner and for installation of new officers. Officers installed for the biennium, 1972-74, were President, Peggy Tooker, Abernathy; 1st Vice-president, Mildred Martin, Petersburg; 2nd Vice-president, Zula Atwood, Hale Center; Recording Secretary, Florence Sawyer, Plainview; Corresponding Secretary, Bettie Hardin, Abernathy; and Parliamentarian, Gladys Holley, Plainview.

Large, heavy heads

**NK 280
NK 275
NK 222G
NK 270**

This is the only part of the sorghum plant you sell or feed. That's why our grain hybrids have large heads, filled with large berries of quality grain.

And, they have the standability and clean threshing qualities you need to harvest all the grain you've grown.

There's an NK hybrid with the maturity and yield potential to enable you to produce grain sorghum by the carload or trainload. Stop in or call soon while seed supplies are available.

A GAS LIGHT

gives a little feeling of HOME to your house

... adds something to its personality ... feels friendly when you return home at night or guests come over. A gas light casts a gentle glow that doesn't attract insects and adds a touch of safety that can make you feel a little more secure and sleep a little softer. And for lasting beauty, it's crafted from rust-free aluminum.

Call Pioneer Natural Gas Company or ask a Pioneer employee you know about an outdoor gas light.

It's a touch to your home ... you'll like the feel of.

1935 Study Club Installs New Officers

The 1935 Study Club members shared a pot-luck luncheon in the home of Mrs. Ercei Givens Thursday noon, May 11. Floral tablecloths covered the tables where places were marked for the sixteen members attending. After the meal, Mrs. Glenn McDonald, president, conducted a short business meeting. Mrs. J. C. Mills reviewed the book, "Stories of Tanager Lane," recalling past South Plains memories.

The president installed the following new officers for next club year with a very unique installation service: President, Mrs. E. A. Houston; Vice President, Mrs. J. C. Mills; Secretary, Mrs. John Hale; Treasurer, Mrs. Ercei Givens; Parliamentarian, Mrs. John L. Harral; and Reporter, Mrs. Lee Echols.

The new president gave a brief talk with the acceptance of the gavel. The year books for 1972-1973 were passed. The topic of study, "What goes on around and in Abernathy," was discussed.

Mrs. Frank Lovelace drew the door prize, a beautiful floral arrangement.

Mrs. Joe Thompson was welcomed as a new member and Mrs. Paul Harral, a guest. Other members attending were Mmes. Jack Jackson, Dan Ward, Robert Carter, Arno Struve, W. V. Cunningham, J. L. Miller, and Thomas Johnston. --Reporter

Mrs. Louis Spruiell flew to Kansas to be with her daughter, Mrs. Gerald Kennedy, and family in Topeka. Mr. and Mrs. Gerald Kennedy are parents of a new daughter, Heather Lanette, born May 7, weighing 9 pounds 4 ounces.

Just Your Nerves

You have been told, "Your trouble is nerves, just nerves, that's all." Nerves are too important to the body to be messed so easily. Nerves make possible all movements, nerves transmit all sensations to the brain. Nerves make possible sight, smell, and hearing. Nerves maintain balance and keep the temperature at 98.6 degree. Nerves control blood pressure, stomach action, blood flow, speech and breathing. Nerves make the bowles move. Nerves make it possible to swallow. In fact, all functions are under control coordination of the nervous system... It's nerves.

Wayn-Willford is building a duplex on 15th Street at Avenue G in Abernathy. He and his family will occupy one of the units and will rent the other. Our error in a previous report had this construction at Ave. F rather than the proper location, Avenue G at 15th. Willford also is building homes in the Phillips Addition in North Abernathy.

Just Your Nerves

Many have been told, "Your trouble is nerves, just nerves, that's all." Nerves are too important to the body to be dismissed so easily. Nerves make possible all movements, nerves transmit all sensations to the brain. Nerves make possible sight, smell, taste and hearing. Nerves maintain balance and keep the body temperature at 98.6 degree. Nerves control blood pressure, stomach action, blood flow, speech and breathing. Nerves make the bowels move. Nerves make it possible to swallow. In fact, all functions are under control and coordination of the nervous system. . . It's nerves, see—

Becton And Heckville News

(By Mrs. M. A. Waters
Area Youth Members of
Winning Band)

The Idalou High School Band, under the direction of Mike Smotherman, won a three 1 rating at the Band Festival at Six Flags on Friday, May 12. All three judges rated the band 1. Their criticism sheets contained only words of praise for the band.

Members in the Becton-Heckville area are Michael Adrian, son of Mr. and Mrs. Donald Adrian, Kathleen Heinrich, daughter of Mr. and Mrs. J. G. Heinrich, Jimmy Lane, son of Mr. and Mrs. Bud Lane, Raymond Marmalejo, son of Mr. and Mrs. David Marmalejo, Sr., and Dean Waters, son of Mr. and Mrs. Morris Waters. The band enjoyed a three-day trip leaving Thursday morning and arriving back in Idalou at midnight Saturday. They spent one and a half days touring Six Flags after the contest.

Mike Thames is selling cars for Modern Chevrolet in Lubbock and would like to invite everyone from Abernathy to come in for a demonstration ride in a new Chevrolet. Ph. 747-3211
