### From The Desk of the City Manager

Man is truly God's most exceptional creation. Because of this special ability it is possible for us to smile through our tears and to be sad at the same time we are happy. This is the position we find ourselves in as we sign "thirty" to this our small contribution to the world of writing.

We have resigned our position here and will be moving to Port Neches in the southeast corner of the state where we will be city manager. We said when we came to Abernathy that we were happy and proud to come and we can honestly say that we have enjoyed every minute of it.

We don't mean to say that we have made everybody happy and that we have not had any unpleasant encounters. It is not that kind of a job. But to the best of our ability we have been fair and impartial in our judgments and actions.

Those of you who got to know my Mavis have had a rare and exceptional experience. Those of you who did not have missed an opportunity that will seldom come your way. Obviously, I am a little prejudiced but there are so few like her in this world. There is no way to praise her too much.

We want to thank each one of you who made all this golden time possible. We trust that we have contributed at least a little toward making Beautiful Abernathy a bit more so. You have a marvelous community spirit, Abernathy is right on the threshold of becoming a very special place. Don't ever think for a minute that any place else is better.

We will soon be closing the doors of our beautiful little white house that has been such a source of joy to us. The garden with all its delicious vegetables, the fruit trees (without any fruit this year) and the lovely fresh green grass that was only a weed patch when we started will belong to someone else. But you, the fine people, will be with us wherever we go.

Surprisingly, some of you will be in our area from time to time and we will surely be disappointed if you do not drop in for a visit. We will send an address back when we are settled. So drop us a line.

Remember Beautiful Abernathy is that way because you want it to be. It will only be better or worse for the same reason. Thanks again for all your many kindnesses.

Mavis and Jim Davis

Funeral rites were conducted Monday in Midland's Crestview Baptist Church, Gary Grant, pilot, Don McKenzie, Joe Lovelace, L. J. West and the Rev. Murry Brewer, First Baptist Church pastor here, flew to Midland and back Sunday afternoon to visit with the Webb family.

### WOMAN HURT

### Leo B. Kitten Killed In Slaton Crash

(Special To The Abilene Journal)

SLATON — Leo B. Kitten, 80, a pioneer Slaton resident, was fatally injured about 4:30 p. m. Monday in a two-car accident at the intersection of U.S. 84 and Woodrow Road here. The driver of the other vehicle suffered minor injuries.

Kitten died about 6:30 p. m. in Mercy Hospital, where Sherry Lynn Howard, 23, of Wolfthorpe was treated and released.

### 28th Of Year

Investigators said Kitten was traveling east on Woodrow Road and the woman was driving south on U.S. 84 when the crash occurred. Kitten was the 28th person killed this year in Lubbock County and was Slaton's first traffic fatality of the year. His was the 68th traffic death this year on the South Plains.

### CITY MANAGER RESIGNS; GOING TO PORT NECHES

The City Council met in special session to accept the resignation of Jim Davis, City Manager, who is moving to Port Neches, Texas, to fill the same position there.

The Council expressed its appreciation for the fine spirit of cooperation and achievement that has prevailed during Mr. Davis' tenure. They received the resignation with regrets and wished him well in his new position.

Mr. Davis will start at Port Neches, an industrial city of over 10,000, July 24th and completes his duties here July 21st. He explained that this was a tremendous opportunity at a substantial increase in salary plus several other benefits. The Council said that, although they truly hated to see him go, they felt Abernathy had been honored indirectly by this choice. It was reported that some 45 men had applied for the job which was considered a plum in city management circles.

A new manager will be appointed at an early date. Applicants are being interviewed currently.

### DEADLINE SUBJECT TO CHANGE FOR ADS AND NEWS

From NOW until the fourth week in August, there will be no announced deadlines for turning in news or ad copy, and some issues of The Abernathy Weekly Review will be printed several days in advance of the normal press time. We regret this inconvenience to our readers, but it is the only way that those working on the Review will be able to get some time off. We may not have earned a rest, but we need to get away... it's been a long time... since March 1971.

If you have something scheduled between NOW and the fourth week in August, please turn in your copy TODAY, so we can serve you in the paper coming out nearest the date you want it to appear. Thanks for your co-operation.

meeting. All are welcome to attend.

In addition to this notice the present contributors will be contacted by telephone in order to insure maximum attendance.

The opportunity fund now totals \$2166 and is thought sufficient to help launch some worthy student on a training program.

Mr. Milton Morris, originator of the Opportunity Plan idea, will be present at the meeting.

### BRIEFS

Mrs. Mary Tarver underwent eye surgery Monday in St. Mary's Hospital, Lubbock. Mrs. Lillie Sandig is in Hi-Plains Hospital, Hale Center.

Dear Parents or Students:

Texas now has a new law that requires immunizations for all students enrolled in schools and institutions of higher learning, as shown below:

V A C C I N E S	KINDERGARTEN AND GRADES ONE THRU FIVE		GRADES SIX AND ABOVE	
	Doses Required	Last Dose	Dose Required	Last Dose
POLIO (Oral)	3	Since Age 4	3 (To Age 19 yrs.)	Since Age 4
DIPHTHERIA TETANUS (DTP or Td)	3	Since Age 4	3	Within 10 yrs.
MEASLES (Rubeola)	1 or Illness (Thru Age 12)	Anytime	1 or Illness (Thru Age 12)*	---
RUBELLA (3-day or German Measles)	1 (Thru Age 12)	Anytime	1 (Thru Age 12)*	---
SMALLPOX **	1	Within 10 yrs.	1	Within 10 yrs.

### RAIN IN AREA

Rain hit this area late Monday or early Tuesday morning. Reports range from about two inches west-northwest of town to about one-half inch in other areas. The moisture will be good for grain sorghum and soybean crops. Cotton crops in most areas need hot, dry weather at this stage of growth.

Roy Calvert was scheduled to undergo surgery Wednesday, July 19, in Methodist Hospital, Lubbock.

Mrs. Alex Duke was in room 815 at All Saints Hospital in Fort Worth.

\*None Required Age 13 and Above.  
\*\*Local Requirement.

If the number of doses required have been received, but last dose was before time stated, then an additional dose of POLIO, DIPHTHERIA/TETANUS or SMALLPOX is required.

All immunizations should

be completed by the time school is entered. However, if this is not possible, all students will be allowed to enter their respective school systems during the Summer and Fall 1972 terms, with the provision that their immunizations against at least one of the aforementioned diseases will have been started.

Since many types of personal immunization records are in current use, any document listing each immunization received by year will be acceptable during the 1972-1973 school year for either initiating or updating school immunization records.

If you have any questions, contact your family physician or local health department. We suggest that you take this with you if you contact them in person.

We will appreciate your co-operation in this matter.

Sincerely,  
Delwin Webb, Supt.
