Rogers on All-State Cage Team

(By Sammy Hunley)

Running away with just about every honor that can be given to a basketball player during any one season, Dick Rogers has been selected to the All State Class AA Team for the 1972-73 season. Dick, who was picked as Player of the Year for South Plains AA Team earlier this year, was selected on the All State third team--making him one of the 15 top players in the state in Class AA basketball.

Six-foot-eight Dick averaged 19.1 points per game and 16.3 rebounds. His field goal percentage was 72% while shooting 63% from the free throw line.

Dick joins a select group of Abernathy High School athletes who, over the past 25 years, have made an All State team.

PV2 Bruce E. Kinast, right, son of Mr. and Mrs. Leonard Kinast of Abernathy, and Lt. Col. Richard L. McCormick.

AWARD OF THE ARMY COMMENDATION MEDAL

Fort Riley Kansas General Orders #562:

PV2 Bruce E. Kinast 459-04-6349 United States Army was cited for outstanding, meritorious achievement in November 1972, while performing duty as a Military Police Patrolman, 977th Military Police Company, Fort Riley, Kansas.

PV2 Kinast's quick response most probably helped to save the life of a soldier. His quick thinking, initiative and perseverance set an excellent example for his contemporaries to follow. PV2 Kinast's outstanding performance of duty was in keeping with the proudest traditions of the military service and reflects great credit upon himself, Fort Riley and the United States Army.

He received the Army Commendation Medal from LTC Richard L. McCormick January 11, 1973. He is the son of Mr. and Mrs. Kinast of Abernathy, Texas.

He is currently a senior patrolman with the 977th Military Police Company, Fort Riley, Kansas.

CECILIA HARDIN INITIATED INTO HONOR SOCIETY

Cecilia Hardin, a freshman accounting major at South Plains College in Levelland, was initiated into Phi Theta Kappa Honor Society March 20. Phi Theta Kappa is a national honorary sorority for junior colleges. Membership is by invitation only.

Miss Hardin was a 1972 graduate of AHS. She is the daughter of Mr. and Mrs. Virgil Hardin of Abernathy.

Weather Report

M. O. Hood, local weather observer, measured .02 of an inch of rain last weekend, bringing the total for the year in Abernathy to 4.82 inches of moisture.

APOLLO 15 ASTRONAUT CC SPEAKER

The directors of the Abernathy Chamber of Commerce announce a special ticket sale for the lecture of Col. James Irwin on May 2nd. As it is very seldom that a community of this size hosts an acclaimed speaker of this nature, it has been decided to have Col. Irwin speak in the High School Auditorium so more of our citizens will have an opportunity to hear him. Special tickets will go on sale soon for adults and students that will admit them for the program in the Auditorium only. This part of the program will start at about 8:30 p.m. and tickets will cost \$1 for adults and 50 cents for students. Buy your tickets early as the capacity of the Auditorium is only 1000 and 300 reserved seats are already sold to banquet ticket holders.

Banquet tickets may be purchased at Hoppy's Shop, Shoes & Men's Clothing, Don's Chevrolet, Lon Cleaners & Fashions, Newton Radio & TV, Higginbotham-Bartlett Co., Strive Implement Co., Smith's Thriftway Supermarket, Joe Thompson Implement Co., Sav-A-Lot Discount Foods and Pioneer Natural Gas Co.

Ed Nelson, 83, Dies Saturday

A longtime resident of the County Line Community, Ed S. Nelson, 83, died about 4:30 a.m. Saturday in West Texas Hospital, Lubbock.

Funeral rites were held at 2 p.m. Monday in Shallowater First United Methodist Church. The Rev. Max Browning, pastor, officiated. Burial was in Resthaven Memorial Park, Lubbock, under direction of Rix Funeral Home.

Nelson came to the Lubbock area in 1918 and had farmed in the Lorenzo and County Line communities since that time. He formerly resided in Roosevelt County, N. M.

Nelson was a member of Shallowater United Methodist Church. His wife, Zelica, died in 1953.

Survivors include a son, Wayland of County Line; a daughter, Mrs. Nancy White of Plains; a sister, Mrs. Silas McCabe of Elida, N. M.; a grandchild and a great-grandchild.

Palbearers will be Olan Horn, Mike Valdez, Gale Ballard, Chek Hudson, A. C. Henderson and Jack Connell.

Mayor, 2 Aldermen To Be Named Here In Voting April 7

Abernathy's annual election of city officials will have the names of the following candidates on the ballot for the voters' consideration: Candidates for the office of Mayor are: J. Pete Thompson, businessman and farmer, and Joe Chambers, whose term as a city Alderman expires this year. Candidates for two Alderman positions are: Charles Hobgood, Harold Thompson, Sammy Hunley, Clifton Newton, Bobby Cunningham and Ralph Hanes.

Other officials whose terms expire this year are Mayor L. G. Deering and Alderman Lee Echols. Glen Metcalf, city manager, said lines for write-in votes for Mayor and two Aldermen will be provided on the election ballot.

Holdover Aldermen are J. L. Miller, Jr., Morris Stevens and Billy Shipman.

Abernathy city election will be held in city hall from 8 a.m. to 7 p.m. Saturday, April 7.

Absentee balloting will be at city hall from March 19 (starting day) through April 3, Monday through Friday from 8 a.m. to 5 p.m.

STATEMENT FROM HAROLD THOMPSON:

I wish to withdraw my name from consideration as a candidate for the office of Alderman in the Abernathy City Election to be held April 7. It is not that I want to shirk a civic obligation, but it is my sincere belief that this is not the appropriate time for me to offer as a candidate for a city office. I may consider the candidacy in future years if they choose to include my name on the ballot.

After deciding to withdraw from the April 7 election, it was too late for my name to be omitted from the ballot. There is still a field of good men from which to choose two capable aldermen.

Harold Thompson

TRUSTEE VOTE SET FOR APRIL 7

Voters in Abernathy School District will elect three trustees in balloting at Abernathy City Hall Saturday, April 7, from 8 a.m. to 7 p.m.

Terms of trustees Bob Riley, Joe Oswald and L. J. West expire this year. Their names for re-election and those of Ralph Wolf and Mrs. Mayo Loper as candidates will be on the ballot.

Absentee voting in the trustee election will be at Abernathy City Hall, beginning March 19 and continuing through April 3, Monday through Friday from 8 a.m. to 5 p.m.

Holdover trustees are Billie Harrison, Joe Lovelace, Lon Carmickle and David Pinson.

EVERY ONE HAS THEIR OWN LITTLE CHORE

See Them Here April 5

Even Dixie the elephant has a hand in getting the circus ready when it comes to town. Above is shown Dixie helping to set up the big top of the Fisher Bros. Circus. If you are interested in seeing her do her part of erecting the show drop out by the circus grounds April 5. The show is brought to Abernathy by the Abernathy Lions Club for two performances at 6 p.m. and 8 p.m.

You will also see the various members of the circus family doing their various parts in getting the circus ready to entertain you. Some of the actors will be getting their props and equipment inside the tent, others will be washing or cleaning costumes. The property men will be hanging trapeze riggings, setting up the rig curbs, etc. Canvas men will be getting the tent up and the seats in place. The animal men will be seeing that their charges are fed and watered and readied for the performance, and most important to everyone connected, the cook will be preparing tasty meals for all employees.

Many people who come to the circus never stop to think of all the efforts that have been made to make their visit an enjoyable one, others wonder how all this is accomplished in so short a time. If you are one of these persons, you and anyone else who wish are invited down to the show grounds to see Dixie and all the other circus employees get things done in so short a time. Dixie and most of these people will also take the tent down again as soon as the show is over. Everyone has a job to do, everything has a special place to be loaded and seldom is anything ever left on the lot after the circus has left town.

Get your tickets from the sponsor ahead of time and save time, money, and help the sponsor make a much larger amount of money which they use in various civic projects.

BASEBALL MEET SET THURSDAY

An organizational meeting for the Summer Baseball Program in Abernathy will be held at 8 p.m. Thursday, April 5, at Graham's Restaurant, it was reported by Bob Scott. He urges everyone interested in the Summer Baseball Program for the youth of the community to attend this important meeting.

Masons To Honor Past Masters At Meeting April 12

L. L. Duckett, Worshipful Master, announced plans for Past Masters' Night observance during the stated meeting of Abernathy Lodge No. 1142, A. F. & A. M., Thursday night April 12. All members and Past Masters are urged to attend. Duckett extends a welcome to visiting Masons.

A fried chicken supper with all the trimmings will be served at the April 12th meeting. Supper will be served from about 6:30 until 8:30 p.m., when the stated meeting will be opened.

Cecil Pitcock is in Methodist Hospital, Lubbock. Mrs. Mary Soebbe, mother of Mrs. D. D. Skipper, is in Highland Hospital, Lubbock. Barton Scott, son of Mr. and Mrs. Robert Scott, is in Methodist Hospital, Lubbock. Mrs. Louis Schapp returned home Saturday from a Lubbock hospital.

CO-OP GIN SETS MEETING OF STOCKHOLDERS

The Annual Meeting of Stockholders of Abernathy Farmers Co-op Gins is scheduled for 7:30 p.m. Thursday, April 12, in the Abernathy School Cafeteria. All stockholders and their families are urged to attend.

Dinner will be served, and all-cotton door prizes will be given in a drawing. Tickets for prizes will be given to those attending.

Two directors will be elected, and the audit report will be given. Other business will be transacted. Dividend check will be distributed.

See the Abernathy Farmers Co-op Gins advertisement in this paper for further details.

Terms of Harvey Lutrick, president, and Billie Harrison, secretary, expire this year. Other members of the Board of Directors are Ralph Davis, vice president, J. F. Buske, Clyde Benn, Vernon Bartlett and J. L. Miller, Jr.

Leland Phillips has served as manager since 1951.

LIONS CLUB NEWS

Circus tickets are still available today through any member of the Lions Club. The circus will be April 5, 1973. Tickets bought before 6:00 p.m. will be \$1 instead of the \$1.50 for adults and \$1.25 for children at the gate.

Program Chairman Irvin Rhodes introduced Frank Russell, Abernathy Police Chief. Frank gave a fine program concerning the qualities necessary to become a Texas law enforcement officer.

The Lions Club is constantly looking for new members. If anyone is interested in his community and is willing to serve, then he is encouraged to come out and become a Lion.

CIRCUS HERE THURSDAY NIGHT

The Fisher Brothers Circus, sponsored here by Abernathy Lions Club, will play two performances, 6 p.m. and 8 p.m., Thursday, April 5. The circus site will be north of Abernathy Farmers Co-op Gins.

Tickets sold by Lions TODAY, before the box office opens, will be \$1 for children and adults. Tickets sold at the box office tonight will be \$1.50 for adults and \$1.25 for children.

Lovelace Firm Sets Open House Here Monday

An Open House in observance of the Grand Opening of Lovelace's Livestock Supply at 1312 Ave. D in Abernathy will be held all day Monday, April 9. Free coffee, doughnuts and Cokes will be served and there will be free balloons for the children.

The new home-owned business specializes in animal health care products. Owners are Joe Lovelace and Gary Lovelace. They are open for business NOW, and they extend everyone an invitation to come by and see the new store anytime, and especially during Open House April 9.

Struve Thanks Scout Supporters

Thanks to the citizens of the Abernathy Community for the fine way they all contributed to the Scout Program, for which I solicited your financial assistance.

Due to your cooperation, Abernathy has been the first community in the South Plains Scout Council to reach their annual goal for the past four or five years.

Hong Kong Man Employed At Textile Mill

SOUTHWEST TEXTILES, INC., REACHES FAR AND HARD FOR QUALIFIED TECHNICIANS

Over a year ago, seeing that the mill was badly in need of skilled technicians to keep the machine condition up, and there was almost no hope to persuade such kind of personnel to come down to this area from the well established textile centers in the Southeastern states, Mr. L. S. Chen suggested to Mr. Joe Thompson (President and General Manager of the mill) to try to obtain such service from Hong Kong. Therefrom they went on this endeavor, and after over a year of long and tedious immigration procedures, the people of Abernathy recently find a Chinese young man walking on the stretch of the road between the mill and his resi-

dence on Ave. D every morning and evening who is Mr. Shing-kan Hon—one of the two men from Hong Kong whom Southwest Textiles has applied for.

Mr. Chen picked out Mr. Hon from the group of his ex-students. In the early 60's, when Mr. Chen was the Chief Engineer for the newly established Tai Hing Cotton Mill of Hong Kong, a training class was set up to initiate young high school graduates to the trade. Mr. Hon was admitted and underwent a two-year intensive training program before he was recognized as a qualified textile fixer. Afterwards, he attended the night class of Hong Kong Technical College and graduated.

Mr. Hon, in his late twenties, is still a single man. His father and a married sister live in Hong Kong. His mother lives in mainland China. Now as a new immigrant, he has the language barrier yet to overcome. The town people are urged to help him out where ever the occasion may come up.

NEW DEAL NEWS

The City of New Deal was represented at a City planning workshop by Ollie Martin, City secretary, Thursday, March 8, in Plainview. This workshop was sponsored by the South Plains Association of Governments and the Texas Department of Community Affairs.

The topics discussed were selected to assist the elected officials in planning their city's growth and orderly development. Mr. Jay Stern of the Department of Community Affairs, Austin, discussed the community development process and the availability of government programs that will be of benefit to the local cities. He also explained the Block Grant Revenue Sharing that is being considered by Congress and how it differs from the General Revenue Sharing.

Mr. Jim Delashaw, an urban regional planner with the department of Community Affairs, presented an overview of the State's requirements in working with the cities in planning. He discussed the items required by the state and subjects that will be of the greatest benefit to cities in their planning. The private consultant's perspective of planning was presented by H. Bennett Reeves of Parkhill, Smith and Cooper, Inc., Consulting Engineers. He described how a consulting firm can develop plans to fit a particular city's needs and the desires of the elected officials. Mr. Reeves presented city planning from a professional view and how they obtain their information to make recommendations to the cities for their consideration.

N D Homemaking Club Sets Meet For April 9

Big Fish Added To Leon's Tanks

Mike Leon added 2,000 pounds of channel catfish to his tanks east of Abernathy last week. The fish ranged in weight from 5 pounds to 12 pounds. Sneed Prathers said that Harold Newton of Petersburg caught an eight-pound catfish out of one of the tanks Saturday.

The fishing season is underway at the Leon tanks, located 11 miles east of Abernathy on FM 597, then two miles north on FM 400. The fishing tanks are at the edge of the lake south of the red drive-through barn on the west side of FM 400.

(Editor's Note: The above was written for last week's Review, but was crowded out. Couples from Lubbock fishing at the Leon tanks last weekend had good luck, with their largest catfish catch weighing nine and one-half pounds. Others they caught were in the five-pound range.)

Grandmother Dies

(The following is from the April 2nd issue of the Lubbock daily newspaper.)

Services will be at 10 a.m. Tuesday in the W. W. Rix Chapel for Mrs. Alice Mabel (Granny) Bowron, 88, of 6106 Louisville Drive. Mrs. Bowron died about 1:30 p.m. Sunday in West Wind Care Center.

Officiating will be the Rev. O. A. McBrayer, pastor of Forest Heights United Methodist Church where Mrs. Bowron was a member. Burial will be in Resthaven Memorial Park.

Mrs. Bowron had lived in Lubbock since 1913. Her husband, Monte Bowron, preceded her in death in 1956.

Survivors include four grandchildren, Mrs. Harold Ruff of 6106 Louisville Drive, Mrs. Jerry Moorhead of Abernathy, Mrs. Bill Eddins of Fort Worth and Leslie Bowron of 2110 66th St.; and six great-grandchildren.

RAYMOND FLORES

White Grubs Threat To Grain Sorghum

White Grubs Becoming Problem in Hale County

White grubs are becoming a problem in some of the sandy soil areas in Hale County. According to county Extension Agent, Ollie Liner, most reports have come from the Hale Center and Cotton Center areas.

Mr. Liner says that the white grub is the larval stage of the May or June beetle. White grubs, sometimes called "grubworms", have a C-shaped curved body with a brown head. Three pairs of legs are conspicuous on the front part of the body. The body is white in color and digested food or soil can be seen through the shiny and transparent tip of the abdomen.

Damage to Sorghum

Damage to grain sorghum soon after planting results from feeding by overwintered larvae. The depth at which the grubs may be found will vary according to environmental conditions. During cold days of winter the grubs may reach a depth of 18 inches. As temperatures become warmer and at about planting time, larvae are generally 3-5 inches deep. Depending on moisture, sandy or sandy loam soil appear to be preferred by grubs.

Grain sorghum damage occurs in several ways. The most obvious damage and perhaps the most significant is death of seedling plants due to larval feeding on the roots. Seed germination is not hampered by the grubs and a satisfactory stand is usually established, but within a short period of time plants from 4-6 inches begin to die. Plants not killed

as seedlings are severely stunted and may not produce seed. Plants which are able to produce seed-heads usually do not have sufficient roots to prevent lodging.

When to Control

Agent Liner reports that research conducted by Dr. George Teetes of the Texas Agricultural Experiment Station at Lubbock indicates that two grubs per square foot are sufficient to cause economic losses. Sampling must be made before bed preparation and preplant irrigation. A shovel may be used to take square foot samples for examination of the extracted soil. Sample numbers will depend on the size of the field, but take at least one sample per five acres. When the number of grubs per square foot average one or more larvae, control will probably be justified.

Control Recommendations

Difficulty in control stems from ineffectiveness of registered chlorinated hydrocarbon insecticides, such as chlordane or heptachlor, due to apparent resistance by the grub. Presently, diazinon is registered for preplant broadcast application. Diazinon should be applied at 10-15 pounds of 1-G granular or 1-1/2 to 2 quarts of AG-500 liquid per acre. Apply, broadcast and incorporate immediately prior to listing with a disk or other suitable equipment to a depth of 4-5 inches. Listing can be done following incorporation.

Glenn Anderson of Los Angeles, Calif., recently visited his mother, Mrs. Harvey (Susie) Anderson, and other relatives here. He had made a trip to the New England States and was en route back to California.

OVID STINE

MRS. OVID STINE

The Rev. and Mrs. Ovid A. Stine, missionaries in Rhodesia and Botswana since 1950, are among guest speakers for a Missionary Conference April 6-8 at Shallowater Methodist Church.

He will speak at a men's breakfast at 6:30 a.m. and at a worship service at 7:30 p.m. and Mrs. Stine is to be speaker at a ladies luncheon at noon April 7. He also is to lead in worship services at 10:45 a.m. April 8.

Fred Yazzi of the Navajo Mission School in Farmington, N.M., and Mrs. Ed Maxey, a missionary to West Drain, Indonesia, are to lead services at 7 p.m. April 6.

Mrs. Maxey is to show films at

the April 6 meeting and also will participate in the 10:45 a.m. service April 8.

Yazzi and Stine will be speakers for the concluding service of the conference at 7 p.m. April 8.

Other events of the three-day conference include a covered dish luncheon at noon and a cook-out for youth at 4:30 p.m. April 8.

Mr. and Mrs. Stine, who returned to the U.S. earlier this month for a furlough visit, are with the Maun Secondary School in Botswana. From 1950 to 1970 they participated in educational, evangelistic and administrative work in rural and urban mission areas of Rhodesia.

Mr. and Mrs. Joe Stueve and children were in Oklahoma over the weekend.

The Circus will be located North of Abernathy Farmers Co-op Gins.

COUNTY LINE CHIT-CHATS

(By Faye Ann Nelson)

The County Line Community wishes to express sympathy to L. Doyce Newton and family in the death of his father, Henry Newton, of Anton. The funeral was held in Anton Tuesday of last week.

Have you met Miss Billie Wolf of Texas Tech, associate professor in the department of home and family living in the college of Home Economics at Texas Tech University? She is available to speak on windmills. She was down here taking pictures of our old windmill. I went down to see who was intruding on private property and she introduced herself. I asked her to come to the house and visit. We had quite a chat. She wanted to buy our old windmill; but, since I have found out it is so valuable, we want to keep it. Seeing all the windmills come down and ceased to be used led Miss Wolfe into a deep study of windmills. Dr. Grover Murray became interested in her pictures and study of windmills and caused Texas Tech to finance her work. The depth of her work, study and pictures has provided material which will be used for a book. She has some beautiful colored photographs of windmills she has taken from all over the United States, and they are on exhibit in the Tech Museum. She has also been responsible for getting old windmills donated and put in the outdoor exhibit at the museum. Four companies now produce windmills: Air Motor Company of Broken Arrow, Oklahoma; Dempster Co. of Chicago; Heller-Allen Co. of Wisconsin; and Parrish Company of Earth, Texas. The one manufactured at Earth is chain driven and has sealed bearings which will cut down the amount of servicing necessary on the motors. Miss Wolfe said there were three things creating power which do not pollute. They are the windmills, the watermills, and the sailboat. Much interest is being revolved in these because of the pollution problem. She summarized her visit with me by saying, "My personal goal in this study is to leave a legacy for our children so that they will know that the windmill and barbed wire fence won the West."

Have you seen the new magazine "Farm Wife News"? It is put out for the wives and they say more men read it than the women. I am taking subscriptions for it if you are interested in subscribing to a magazine that is published bi-monthly. It is for farm wives--those still actively engaged in farming, and those who have moved from the farm in body but not in heart. Prices are for one year and the Club gets \$1 profit, or \$9 for two years and the Club profit is \$1.50. I have sample copies if you will just call me at 757-2911. This month's copy shows how to make furniture, good down to earth farm recipes, patterns to sew anything, household hints, time savers, how to decorate your mail box, how to make your old toaster into a wall decoration, riddles for the kids, and how to detect cancer. It is full of helps for the family from cover to cover.

What is going to happen to our community since everyone is moving to town? In the past two or three years we

Gordon to Sponsor Indy Race Driver Appearance Here

The Champion Highway Safety Program which features nationally known race drivers, will be presented at Abernathy School April 16, 1973, at 10 a.m., by Fred Agabashian, 12-time competitor in the famed Indianapolis 500-mile race.

Arrangements for Mr. Agabashian's appearance here were made by Gordon Automotive of Abernathy.

In commenting on the program, Mr. Agabashian said, "On the race track or the highway, attitude is the biggest factor in safe driving. By keeping a car in good operating condition, being mentally alert and practicing common courtesy, all of which reflect the proper attitude, we could substantially reduce the annual traffic death toll."

Now in its 18th year, the program has been presented to over 14 million teenagers throughout the USA in over 7,000 high schools. It has brought numerous awards to its national sponsor, Champion Spark Plug Company. Among these are three National Safety Council Public Service awards and the Alfred P. Sloan, Jr., Award for outstanding service to highway safety. Other citations have come from United States Auto Club, Continental Casualty Company and the Public Relations Society of America.

Mr. Agabashian of Alamo, Calif., one of the most talented and popular drivers in the history of the sport, is now retired from competition. In 1952 he earned the pole position at Indianapolis and subsequently led the race in the last diesel ever to compete there. Mr. Agabashian confines his activities to highway safety appearances. He is a member and president of the famed Champion 100 Mile-An-Hour Club, an exclusive organization of men who have completed the 500 miles at Indianapolis.

have lost Mr. and Mrs. Emmett Crow and Mr. and Mrs. G. W. Manley to Abernathy; Mrs. Fred Exum and Robin to Lubbock; Mr. and Mrs. Roy Evans to Abernathy and now we are losing Mr. and Mrs. Joe Connell and family who are moving to Abernathy soon. We also lost Mr. and Mrs. Pete Henry and family to Brownfield. We have lots of new comers to our community, but like our editor says, "Have we gone out of our way to make them welcome to our community?"

Quoted from Guideposts Magazine: You are more than a faceless number buried in a computer. You are a very important person. You plus God equals extraordinary results... share your talents and let this year be an exciting new time in your life.

See you next week,
Faye Ann Nelson

THANK YOU NOTE

I want to express my thanks and appreciation to everyone for the flowers, visits, food, cards and, most of all, for your prayers and concern during my illness. You are wonderful people. May God bless you.
