

## April 28 Is Proclaimed Clean-Up Day

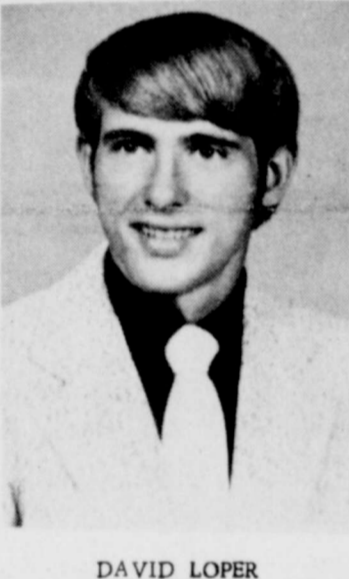

Mayor J. Pete Thompson has proclaimed the 28th day of April as "Keep Abernathy Beautiful Day" at the request of several local organizations.

Beginning at 10:00 a.m. on this date, the local units of Abernathy's Boy Scouts and Girl Scouts of America, along with the local unit of the Cub Scouts of America, will begin a clean-up campaign which will include the right of ways along both service roads and Avenue D running through Abernathy.

These organizations and their leaders encourage and challenge other organized groups to also take an active part in the campaign to clean and beautify Abernathy. KEEP ABERNATHY BEAUTIFUL.

MAYOR J. Pete Thompson signs a Proclamation declaring Saturday, April 28, as "Keep Abernathy Beautiful Day" at the request of several local organizations.

## Bray, Loper Get Texas Tech Scholarships

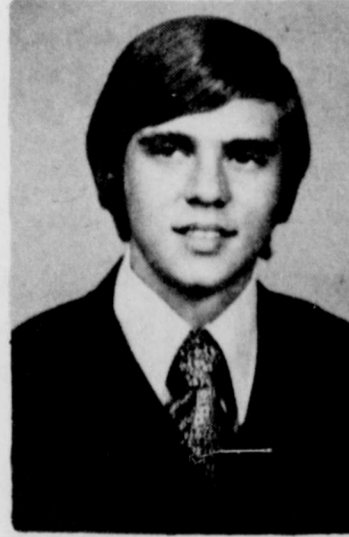

DAVID LOPER

Two Abernathy High School seniors have been granted scholarships in music from Texas Tech.

David Loper and Bruce Bray were granted scholarships in voice and band, respectively. The pair tried out for the scholarships April 14.

David is the son of Mr. and Mrs. Mayo Loper. He was a member of the All-Region Band and Choir, is vice-president of the Drama Club, a member of the Future Teachers of America, drum major of the high school band, and a member of the basketball and track teams.

Bruce is the son of Mr. and Mrs. Joel Bray. He is the president of the Drama Club, a member of the Science Club, a member of the high school band, a member of the All-Region Band and co-editor of the high school news publication.

BRUCE BRAY

Hugh Vaughn underwent surgery last week at West Texas Hospital, Lubbock.

Tim Hill has undergone surgery on one of his hands that was badly damaged when a gun accidentally discharged. Recoil of the gun also caused some internal damage.

## "Postal People Day" Set in US For April 30

### UNITED STATES POSTAL SERVICE INFORMATION

Postmaster General E. T. Klassen today announced the design of a unique postal tribute in the form of 10 special postage stamps to honor the nearly 700,000 employees of the U. S. Postal Service.

"These stamps are designed to emphasize to the American people the important duties performed by the men and women who are responsible for moving almost 90 billion pieces of mail a year," Mr. Klassen said.

Ten eight-cent commemorative stamps on the same sheet, each depicting a service performed by postal people--from window clerks selling stamps to workers on the workroom floor to letter carriers--will be issued simultaneously at more than 40,000 U. S. Post Offices, stations and branches on April 30, 1973.

Postmaster General Klassen also announced that the week of April 29-May 5 will be Postal Week and that the local first-day ceremonies will be a highlight of the week's activities.

For the first time in history, the stamps will bear printed matter on the reverse side under the adhesive. The first stamp, for example, shows a window clerk selling stamps and the text reads: "Nearly 27 billion stamps are sold yearly to carry your letters to every corner of the world. People Serving You." The ink on the reverse of the stamp has been approved by the Food and Drug Administration.

"Many Americans can readily identify the role of their letter carriers, window clerks, and postmasters," Mr. Klassen said. "But too often they are not aware that it also takes thousands of mail handlers, clerks, motor vehicle operators, rural letter carriers, special delivery messengers, maintenance employees, supervisors, and many other specialized people to move the mail."

Fifty million of each of the 10 stamps in the series will be printed for a total of one-half billion stamps. Normally, 150 million stamps in a commemorative series are printed. The stamps were designed by artist Edward Vebell of Westport, Connecticut.

"We could not depict every type of job performed in the Postal Service," Mr. Klassen said. "There are hundreds of vital duties performed in the process of handling our enormous volume of mail." He added, "These stamps and the Postal Week observance are both aimed at highlighting the important role performed by postal people as they serve the citizens of the communities where they live."

The stamps, in words and pictures, portray these statistics:

- Nearly 27 billion U.S. Stamps are sold yearly, enough to stretch around the world more than 16 times.
- Mail is picked up from 313,485 collection boxes and from individual mail boxes.
- Almost 90 billion letters and packages are handled yearly--almost half the world's total volume of mail.
- About 300 million are handled on an average delivery day.
- Postal employees handle more than 500 million packages yearly, eight million of them for delivery outside the United States.
- Postal Service maintenance people are responsible for the operation of nearly 1,500 mail-sorting machines and equipment, 42,254 postal buildings, and a fleet of 227,607 vehicles.
- Fifteen percent of the national volume of some 49 billion pieces of first-class mail is received without ZIP Codes and must be sorted manually by postal people.
- Specialized letter sorting machines, operated by skilled personnel, can sort more than one million letters during a normal 20-hour operating period.
- Postal employees expedite 13 billion pounds of letters, special delivery messages and packages yearly.
- Home delivery service was extended last year to an additional 1,320,435 urban and 440,000 rural families, increasing the total served to 53,932,137 urban families and 11,888,780 rural families

## Sunshine Group In Monthly Meet

The Sunshine Group met April 19 in the City Hall with our president, Floyd Shipman, presiding. Our program started with Mr. Wilson leading us in our theme song, "You Are My Sunshine." Mrs. Susie Anderson offered a beautiful prayer. We all enjoyed singing as a group with our leader "Sunshine in the Soul" and "I Feel Like Traveling On".

Our secretary, Dorothy Shipman, read the minutes. We had a little business which we kicked around and got in shape.

We settled down to listen to our special guests, provided by our program chairman, Mr. Wilson. First Mr. Bobby Miller, youth director of the Baptist church, and Mrs. Oliver sang a duet, accompanied by Mrs. Brewer. It was an Easter special, "The Third Man", with Mrs. Oliver doing the reading.

It seems Mrs. Brewer is teaching Bobby to play the piano. Last night she taught him to play "No Name Boogie Woogie" which he played for us. He must be a good student! Then he played and sang some of his music, "All His Children" and a special arrangement of his "Blessed Assurance." Then "Wherever He Leads I Will Go", finishing with "He is My Lord." We enjoyed him very much.

Mrs. L. A. Suttle gave a devotional in the Easter theme covering the crucifixion and resurrection. I can't begin to cover all she said but it was wonderful.

Our special guests were Mr. and Mrs. Bobby Miller and Mrs. L. A. Suttle. Our regular members were Mr. and Mrs. L. S. Wilson, Mr. and Mrs. Floyd Shipman, Mr. and Mrs. H. C. von Struve, Mr. and Mrs. R. R. Knox, Mrs. N. A. Oliver, Jack Camp, Vera Cargile, Mrs. F. A. Goebel, Mrs. Calie Nunn, Mrs. Susie Anderson, Mrs. Bertha Hunt, Mrs. Ollie Seike, Mr. and Mrs. H. E. Richter, Mr. and Mrs. A. O. Hood, Mrs. Barbara Arnold, Mrs. W. Talbot, Mrs. J. W. Brooks, Mrs. T. O. Brown, Mrs. J. A. Givens, Mrs. Reba Greenlee, Vera Hawkins, Ruby V. Hill, and Maybelle Glass. We enjoyed a delicious lunch and a lot of good visiting.

The next meeting will be at 11 a.m. Thursday, May 17, at the city hall clubroom.

plus 9 million businesses.

-Postal employees cover four million miles each delivery day--roughly eight round trips to the moon.

The Postal People stamps will first be printed on unguimed paper for use on the Androfit press. The printed rolls will then be transferred to the Cottrell press where the adhesive will be applied. There will be 50 stamps to the pane. The selvage of each pane will contain five plate numbers and the words: "Postal People include Postmasters and Supervisors, Letter Carriers, Clerks, Mail Handlers, Motor Vehicle Operators, Rural Letter Carriers, Special Delivery Messengers, and Maintenance Employees All Serving YOU."

A special souvenir envelope honoring Postal People with a cachet (a design printed on the left corner of the envelope) will be offered free to the public at each local post office on April 30th as long as the supply lasts. The envelope will be large enough to accommodate the set of ten stamps and they may be entered into the mail to receive a local cancellation. There will also be handback service at the window counter of each local post office.

The first day of issuance will occur at each local post office, branch and station.

The Postal Service will also offer the complimentary cacheted envelopes, with ten stamps affixed, by mail order to collectors for \$1 (80 cents worth of stamps, plus 20 cents handling charge). Two cancellations will be used for each strip of ten, each cancelling half the strip.

The cancellations will read "United States Postal Service, April 30, 1973, First Day of Issue." They will have the U. S. P. S. emblem with the words "People Serving You." Collectors also may submit their own cover bearing the stamp or stamps of their choice for cancellation. This cover should be self-addressed and

## TICKETS FOR HALSE'S TALK IN AUDITORIUM

Abernathy Chamber of Commerce is placing tickets on sale this week for the Auditorium program to be given by Astronaut Fred Haise, Jr. These tickets will make it possible for those who would like to hear his address but not attend the banquet portion of the program. The tickets are on sale by members and can be bought at the door on a first come basis. The adult tickets will sell for \$1 and the student tickets for 50¢. All proceeds above the expenses will be donated to charity. This part of the program will start at 8:30 p.m.

President Jim Bob Smith and the arrangements committee are making final plans for the recognition and honoring of the Prisoners of War from both the Viet Nam war and World War II. These men and their wives will attend as guests of honor in the name of our entire community.

Should you know of a POW who has not been invited we ask that you please contact Jim Bob and give him the information so that all these men will be properly honored.

If you have not purchased your banquet tickets please contact Hoppy Toler who will assist you in locating available tickets.

A news wire service dated Houston last week indicating that Haise will resign his present position. He will become an executive in NASA's new and exciting space venture, the Space Shuttle and Space Lab program, the report predicted.

## BEN G. HANEY'S FUNERAL IS HELD

Ben G. Haney, 82, a longtime Abernathy resident, died early Monday in Ray's Hospital Home in Lubbock.

contain a filler of postcard thickness.

The second service is offered for collectors who place covers in albums, since the complimentary envelope is too large for most albums.

Requests for either type of mail order service should be sent to "Postal People Stamps, Postmaster, Boston, MA 02109," postmarked no later than May 7.

## Fish Fry Set For C. L. Co-op Gin Stockholders

The Annual Meeting of Stockholders of County Line Co-op Gins is scheduled for May 4, in the Shallowater Community Clubhouse. Dinner will be served starting promptly at 6:30 p.m., and the business meeting will be called to order at 7:30 p.m. All stockholders and their families are urged to attend.

Main course of the dinner will be boneless cat fish. Also, other meats will be available. Drawings for door prizes will be held during the dinner.

Gin activities for the year will be discussed, the there will be an election of two directors during the business session. Terms of G. W. Gates and Tom Johnson expire this year.

Holdover members of the Board of Directors are Lindell Myatt, president; R. L. Howard, secretary; Leroy Gray, under.

For further information on the May 4th meeting, see Manager Richard Lackey's official announcement published elsewhere in this issue of The Abernathy Weekly Review.

## 2 Are Re-elected Directors By Gin Stockholders

Harvey Lutrick and Billie Harrison were re-elected to the Board of Directors of Abernathy Farmers Co-op Gin in the recent Annual Meeting of Stockholders. They will serve on the Board along with the following, who are holdover Directors: J. L. Miller, Jr., Vernon Bartlett, Clyde Benn, J. F. Buske and Ralph Davis.

Leland Phillips has been manager of the gin organization since 1951.

Other business at the annual meeting included the audit report, manager's report and distribution of dividend check.

## BEEF RAISERS FIGHT BACK WITH POTENT WEAPON

Beef raisers and firms in allied industries are fighting back with a potent weapon that may make some of the boycotters think twice before they pass up the meat counter in the food stores.

Reprinted below is a note that people in the beef industry are clipping to check they send out to pay bills:

The money that pays this bill comes from the sale of Beef. I am your customer. Are you a customer of mine? Support the Beef industry and you can make me a better customer.

If television, radio and daily newspapers would quit featuring the meat boycott in their news presentations some of the publicity-seeking boycotters would shut up. The meat industry and supermarkets should withhold their advertising from TV, radio and newspapers until they quit highlighting the boycott in their news casts and stories. This would bring the news media to law faster than any other action the beef industry and supermarkets could take.

## LOCAL WINNERS AT STRUVE'S AND HOPPY'S

Juan Dominguez, Jr., who is employed at Freeman's 66 station in Abernathy, was the winner of the sports jacket given away at Hoppy's Shop Saturday, April 21.

## RESIDENCE FIRE

A residence, owned by Mr. and Mrs. H. H. Moss at 209 Ave. D, received considerable smoke damage Tuesday afternoon. The fire broke out in the living room where a radio shorted out, burning up a chair and slightly scorching one corner of the room. Quick thinking on the part of Mrs. Moss, who remembered having a fire extinguisher in the house, saved the residence from possible heavy fire damage. The local fire department was on the scene in excellent time, but were needed only to clear the house of smoke.

**POLYSTEEL** CUSTOM POWER CUSHION TIRE

**Steel belted tires so tough Goodyear backs them with a 40,000 mile tread life expectancy policy**

**GOODYEAR**  
40,000 Mile Tread Life Expectancy Policy

With proper care and normal driving, you will get at least 40,000 miles of tread wear from new, first-class Custom Power Cushion Polysteel tires on your car.

If you don't get 40,000 miles -- and provided you were the original buyer of the tires and they are still on the original car -- bring the tires and the policy booklet (with recorded mileage readings) to any Goodyear Service Store or Dealer in the United States or Canada. They will give you credit for mileage not received on the purchase of new Custom Power Cushion Polysteel tires, based on Goodyear's "Pre-determined Price for Adjustment".

A small service charge may be added. Copies of this policy are available at all Goodyear locations.

Goodyear builds it with two belts of steel cord for long-lasting resistance to impact and penetration. (You wouldn't run over steel cleavers the way we did here -- but the demonstration illustrates how tough the steel belts really are.) Then Goodyear makes the long mileage easy to take, with a flexible polyester cord body to seal up the shocks.

**PUBLIC NOTICE**

**NOTICE OF PUBLIC HEARING** CORRIDOR (LOCATION) AND DESIGN (COMBINED HEARING)

The Texas Highway Department will conduct a public hearing on June 1, 1973, at 7:30 p.m., in the Abernathy High School Auditorium for the purpose of discussing the construction of Interstate 27 from 1.5 miles north of Monroe Overpass to 0.5 miles north of north city limits of Hale Center in Lubbock and Hale Counties. The proposed highway project will pass through the towns of New Deal, Abernathy and Hale Center.

The proposed construction will consist of improving the existing four lane divided highway where required to conform to Interstate standards, developing 24 foot travel roadways with surfaced shoulders -- multi-lane, controlled access facility with frontage roads, grade separations and interchanges. No additional right of way is anticipated in New Deal, Abernathy and Hale Center. The general right of way width on the remaining sections will vary from 340 to 360 feet.

Maps and other drawings showing the proposed location and geometric design will be displayed at the public hearing and together with environmental studies and any other available information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office on Loop 445 in South Plainview, Texas, and the District Office of the Texas Highway Department at 601 Slaton Highway in Lubbock, Texas.

The State's Relocation Assistance Program, the benefits and services for displacees and information concerning the relocation assistance office, will be discussed.

Tentative schedules for right of way acquisition and construction will be discussed. All interested citizens are invited to attend this public hearing. Written statements and other exhibits may be submitted to the Resident Engineer's Office, but must be received not later than 10 days after the public hearing. (4-26 & 5-2)
