### ANTELOPES HOST OLD RIVALS, THE HC OWLS, FRIDAY Lose To Tahoka

A friendly rivalry which began before the AHS Antelopes had a sodded field on which to play football will be renewed Friday night when the Hale Center Owls come to Abernathy. The longtime rivals will play on Antelope Field starting at 8 p.m.

(By Sammy Hunley)

The Abernathy Antelopes took on a revenge-minded Tahoka Bulldog team Friday night and found them to be a little mad before the evening was over.

Abernathy got things rolling by kicking off to Tahoka. For the early part of the first quarter the ball exchanged hands without success to either side. With 7:25 left in the first quarter, Tahoka recovered an Antelope fumble on the forty yard line and moved the rest of the way on their first play from scrimmage. Extra point was no good and Tahoka took an early lead, 6-0.

The Antelopes didn't take the Tahoka touchdown sitting down. They immediately began to move the ball and, with a number of good plays, advanced the ball to the "forbidden country" for the Antelopes--the Tahoka one yard line. Ray Martin kept his cool and pushed the ball over for six points with 11:56 left in the second quarter. Rodríguez kicked the extra point, and Abernathy was back in the game 7-6.

Disaster struck the Antelopes late in the second quarter. After stopping the Bulldogs and forcing them to punt, the Antelopes took over on their own 15 yard line. The ball was fumbled and Tahoka recovered, paydirt starting them in the face. Three plays later on a pass in the end zone, the Bulldogs were out in front again 13-7.

The Antelopes came fighting back and advanced the ball deep in Tahoka territory, but were unable to push it over for a score. Tahoka took over. The first half ended with the 'Lopes behind 13-7.

#### SECOND HALF

The 'Lopes opened up with the ball but were unable to move against the Tahoka defense. They punted to the Bulldogs. Taking full advantage of the situation, Tahoka pushed the ball over from the one yard line midway through the third quarter. The score read 19-7 in favor of the Bulldogs.

The Antelopes were unable to generate any fire under the offense and gave up the football on a fumble. The defense dug in and held the Bulldogs causing them to punt the ball back to the 'Lopes.

The ball changed hands a number of times during the early part of the fourth quarter with neither team generating a sizeable offensive punch. It wasn't until the final two minutes of the game that the Antelopes, one might say, got the last laugh. David McClendon scored from the four yard line, extra point was good, and the Antelopes moved to within five points of the Bulldogs. Time ran out and the final score read Tahoka 19 Abernathy 14.

#### HALE CENTER

The Antelopes will once again face a revenge-filled team this Friday night. The Hale Center Owls will come to town in hopes of making up for the defeat suffered there last year. The 'Lopes will have to continue to improve as they have been doing the last two games; because, as they go down the season schedule, things will continue to get rougher. One bright side seems to be coming up for the team. After the Friday night game with the Owls, Abernathy will become the revenge-filled team and start to turn around the final score of the game to suit them.

"The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."

NUMBER NINE ON THE BALLOT (S.J.R. 25)

Article VIII of the Texas Constitution is amended by adding a new Section 2C which:

Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations or cooperatives from all property taxes. The exemption would apply only to such property as is reasonably necessary to conduct the business of a non-profit water supply corporation or cooperative.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or a non-profit water supply cooperative."

Dear Buford,  
Would you put this in your paper for me--

I'll always remember Abernathy as there just aren't many towns so friendly to all. We'll miss you all, and may God bless you very much.

# 1974 Chevrolet A better-than-ever way.

When the wheel belongs to you, the road goes anywhere you say. And it's so much better with a '74 Chevrolet.

**Caprice Classic.** Introducing an elegant motor car, just asking to be enjoyed. Outside: an imposing new grille, and on the Coupe, a distinctive new roof line. Inside: peace, quiet and convenience. With standard power steering to do most of the turning, standard power front disc brakes to do most of the stopping, and a standard Turbo Hydra-matic transmission to do the shifting. If you want the luxury and comfort of a car that leaves little else for you to do but enjoy the ride, you don't have to look beyond the '74 Caprice Classic. However, the freedom of the open road begins with the freedom of choice:

**Vega GT.** This year's version of last year's Motor Trend Economy Car of the Year. (And Car and Driver Readers' Choice as Best Economy Sedan for the last three years.) With a reshaped nose, bigger bumpers, nicer carpeting, new stripes and new colors. Plus more good things to make it better. See what it's like to drive a winner.

**Camaro.** The way it looks is the way it goes. Quick, sleek and nimble. With a low, wide stance, responsive steering. And comfort that's rare in a car that handles so well. Plus classic new styling, and plushness from the cut-pile carpeting up.

**Malibu Classic.** A luxury Chevelle, new this year. With full foam seats. A fold-down front armrest. Wood-grained vinyl accents. Elegant inner door panels. Extremely tasteful upholstery and cut-pile nylon carpeting.

That's just inside. The exterior is just as classic, in character and in detail, as the interior. Yet, it remains mid-size. And, it remains all Chevelle.

With Chevelle handling and at a Chevelle price. Now that you've looked, come and see the new Malibu Classic--and all the 1974 Chevrolets. The ones shown here, plus Impala, Monte Carlo, Nova, Corvette, pickups, vans and all our new cars and trucks.

**Chevrolet**  
Building a better way to see the USA.
