Lopes Stun Tulia, 26-18

(By Sammy Hunley)

ALBERT DOMINGUEZ

ARTHUR BETANCUR

HOW GOOD IT IS! What hadsta ted out as a long winter for the Antelopes football team suddenly blossomed into a beautiful spring day. The Antelopes came out of their dormant state of football tactics to the surprise of everyone Friday night as they put it all together and defeated the Tulia Hornets 26-18.

After losing five straight games to non-conference foes the season outlook grew worse as each Friday contest approached. The fans, as well as the students, had prepared their minds for a "not so good season." And slowly, but quite evident, the enthusiasm began to die out.

Friday night was like a shot of Vitamin B-12 for the team, fans and the town. The old spark was rejuvenated and once again Abernathy believed in football.

The first quarter opened up as usual with the Antelopes giving the ball to Tulia on a fumble. The Hornets took full advantage and scored their first touchdown.

The Antelopes came right back as David McClendon romped up the middle for 52 yards. The score read Tulia 6 Abernathy 6.

Holding the Tulia offensive attack, the Antelopes moved ahead in the second quarter as Ruben Rodriguez kicked a 23 yard field goal. The Hornets were unhappy with the score and stung back late in the second quarter on a 50 yard bomb and went to the dressing room leading 12-10.

SECOND HALF

The Antelopes opened the second half stronger than ever. Quarterback Ray Martin, having a good night throwing the football, connected with Alton Ramos to give the Antelopes a touchdown and a score reading 16-12 in their favor.

A few plays later, Ruben Rodriguez kicked his second field goal of the night and the Antelopes were in good shape leading 19-12.

Tulia came right back with an 80 yard drive for a touchdown to end their scoring for the game. The Antelopes were in front 19-18.

With the momentum moving in their direction, the Antelopes recovered a Tulia fumble on the 20 yard line late in the fourth quarter. A few plays later, Ray Martin hit Artis Betts with a five yard pass for another touchdown. The score, with three minutes left in the game, read Abernathy 26, Tulia 18.

David McClendon intercepted a Tulia pass to add a little extra icing to the cake and the Antelopes won their first of five district games 26-18.

Whatever the reason for the sudden surge of the Antelopes to the winning side of the fence remains to be known. The main thing is they have done it. The taste of long-awaited victory makes a team hungry for the same. Watch out, folks, the Antelopes could get pretty hungry.

Sunshine Group Has Visitors From H.C. Club

The Sunshine Group met October 18 in the Fellowship Hall of the Methodist Church. Let me say right here our thanks to the church for all the room and conveniences. If it hadn't been for that we couldn't have had our guests, the Senior Citizens of Hale County, to meet with us. Dr. Newton came through with his medication. Everybody brought food so every thing was set. Mrs. Selke and Mrs. Coggin decorated our tables with fresh flowers contributed by several of the women. They looked beautiful. Our hostesses were Dixie Pitman, Mrs. Hawkins and Ruby Hill.

We needed a few more chairs so I dashed to the parlor to get some. Just then the first group from Hale Center came in. That is my home town so most of them were old friends. So I went over to greet them and to start them to the party room. There was a well dressed man with them that I thought was our Rev. Ryan. But I had already seen him once so I started to get the chairs. The man kept standing there. I looked -- well, it wasn't Rev. Ryan, so I asked him if he was the preacher from Hale Center. He was, I felt pretty silly.

By 11 o'clock we had two guests from Glendale, Calif., 15 from Hale Center and 44, I think, from here.

President Shipman called the meeting to order and asked Rev. Wyatt from Hale Center to lead in prayer. Then we sang our national anthem, the chorus of "You are my Sunshine" led by Mr. Wilson. The group sang "In My Heart There Rings a Melody". Secretary read the minutes. Bill Schrieler gave a short report on the driving school for Senior Citizens but will have more later. Then Floyd introduced Mrs. Wilson, chairman of the program. She introduced our speaker, Mr. Hobson, who is a layman speaker. He talked on the "Water of Life". It was really interesting and good food for thought. Then we had a quartet of Mr. and Mrs. Shipman and Mr. and Mrs. Wilson with Mrs. Anderson at the piano singing "How Great Thou Art". Floyd returned thanks and there was a dash for the food.

I saw some fellows talking and I went up to compliment the speaker. Sure enough he turned out to be Rev. Wyatt from Hale Center. I got him mixed one more time, then I just didn't speak to anyone that resembled him.

After the dinner we had seven tables of 42. We could have had at least one more but someone slipped up and we didn't have enough dominoes. We played progressive. We were all pretty mixed up and every time the bell rang there was confusion. But before it was over we could do it perfectly. I played one game, Dixie Pitman and Mr. Huffines, Mr. Woods and I. The last hand Mr. Huffines from Hale Center didn't act like he had a very good hand but he got the bid. We got down to two dominoes. I had a double and a high domino. I was counting and was really going to catch him. Well he led a trump, I threw my double, feeling sure I had his one. He played the double ace! Then of all things he just laughed and laughed. The person I was playing for came back so I left. It was fun.

One of the biggest pleasures I had was meeting with some people that I hadn't seen in a long time. They didn't play 42. So we had from Hale Center Sue Maggard, Mrs. Fred Springer, Mrs. Roney, Leah Boggus; from Abernathy Mrs. Nunn and Mrs. Roberson; from Glendale, Calif., my brother and sister-in-law, Mr. and Mrs. Henry S. Cunningham. I was proud to have all these folks but especially my brother and sister. I wanted everyone to meet them but circumstances prevented my introducing them. This little group was talking old times when Henry was little and then growing up. They knew all of our folks so there was a lot to talk about. My sister-in-law fits in anywhere so she enjoyed

Museum More Than Building, Speaker Says

(From The Plainview Daily Herald dated Oct. 16.)

"This campaign is not just to 'build a building.' It is the promotion of an idea, a dream, a common belief that we want to leave the community a better place than when we found it," Dr. Gwin Morris told about 50 persons gathered Monday for a kickoff luncheon for the Regional Heritage Center-Llano Estacado Museum fund drive.

Dr. Morris said "We want to show that we believe in the social, political, religious and cultural foundations of our country and our region" and added that "the building and the programs it promotes will do this."

The luncheon was highlighted by announcement that the J.E. and L.E. Mabee Foundation of Tulia had approved a \$300,000 challenge grant providing that an equal sum is raised locally by Dec. 31. Approximately \$193,000 was contributed or pledged during the advance gifts phase of the campaign.

Commenting on size of the grant, Wayland College President Dr. Roy McClung, pointed out that it is the largest single cash gift in the history of the college not including past gifts of land and income received from land.

He praised the Foundation for its interest in and support of American heritage, which is the theme of the Wayland project.

At least \$100,000 remains to be raised to meet the Heritage Center-Museum goal of \$600,000 and qualify for the \$300,000 grant.

Library Closes For Vacation Of Librarian

The library in Abernathy city hall will close Oct. 29, and remain closed until Nov. 12, when Librarian Miss Nannie Belle Ritchey will be back on duty after her vacation. Miss Ritchey plans to visit in the home of her brother, Spence Ritchey, at Plano and with other relatives in that area. They will include one of her nephews, AHS graduate Mike Ritchey, now a prominent newscaster with a Dallas television station.

After the dinner we had seven tables of 42. We could have had at least one more but someone slipped up and we didn't have enough dominoes. We played progressive. Hale 4-H Club Members Show At State Fair

Hale County 4-H Club members were represented at the State Fair of Texas this past week, according to County Agent, Ollie Linder.

Melinda Huffaker, Abernathy, placed second with her light weight Angus steer. Terry Terrell, Plainview, placed twenty-second with his heavy weight crossbred steer. Rhonda Stephens, Abernathy, placed fifth in the middle weight Duroc class with her Duroc barrow.

Making the trip with the 4-H members were adult leaders, Mrs. and Mrs. Donald Huffaker, and County Agent, Ollie Linder.

CHARLES W. KNIGHT
...DAV NSO TRAINEE

Charles Wesley Knight of Little Rock, formerly of Abernathy, is among a group of recently appointed National Service Officer Trainees. Knight, a son of Mr. and Mrs. Jesse Knight, Jr., of Abernathy, will be a National Service Officer in the National Organization of Disabled American Veterans.

The following is from the DAV Magazine for September, 1973:

Charles W. Knight was born in Lubbock, Tex., May 24, 1948, and attended local schools. He graduated from Abernathy High School in Abernathy, Tex., and attended the Spartan School of Aeronautics in Tulsa, Okla.

Knight entered the U.S. Army April 11, 1968, and served until Jan. 12, 1971. He served in Vietnam, and was injured during his service. He then attended Texas Tech University at Lubbock.

Knight will train at the National Service Office in Little Rock, Ark., under NSO Franklin H. Latta. He will reside in the Little Rock area.

Crosbyton Super-Gin Now Nearing Completion

Construction is nearing completion on a new cotton ginning facility at Crosbyton, Texas, which is hoped to be the first step toward creation of the most efficient off-farm system possible through current technology.

In March of this year, members of the Crosbyton, Wake and McAdoo Cooperative Gins on the High Plains of Texas, voted to join forces to create a new cooperative under the banner of American Cotton Growers (ACG).

The members of ACG recognized that improvements in the present cotton handling system have been difficult to make. With this in mind ACG members created an organization which will have the responsibility and control of all off-farm operations required to get their products to the consumer.

ACG members pre-committed more than 40,000 acres of cotton to the cooperative before planting season. Cotton will be stored on the turnrow and picked up by the gin's fleet of 150, 47-foot containers. These containers can haul 25,000 pounds or more of seed cotton in a single load.

Once at the gin, cotton will be dumped into an elevated hopper (37 feet elevation) and the cotton uniformly in High Plains cotton and result in a better

will be blended. This should solve the problem of lack of market price.

The 30-bale-per-hour gin will press each bale to universal density (U-D) and wrap the bales in clear plastic shrink film. Compression costs will be lowered because no resampling or recompression will be needed once cotton reaches the compress.

ACG will operate a burr pelleting plant as a source of additional income for its members. Burrs will be pelleted and sold as cattle feed.

Seed will be processed by Plains Cooperative Oil Mill while lint will be marketed by Plains Cotton Cooperative Association.

ACG members have agreed to market their cotton through a seasonal pool. Every ACG member will receive the seasonal average price for each quality of cotton he delivers. Through the seasonal pool concept, members do not receive the high for the market year, but they are protected from selling on the low.

By marketing better cotton and cotton by-products for more money and by lowering handling costs between the farm and the customer, ACG members will increase the profitability of cotton farming.

PLAINS GRAIN TO HOST BREAKFAST HERE OCT. 31st

Plains Grain & Farm Supply local dealer for Purina Feeds and animal health items, will host a breakfast at 7:00 a.m. Wednesday, Oct. 31, in Graham's Restaurant in South Abernathy. All farmers and stockmen of this area are invited to attend.

Subjects to be discussed by Wayne Hardy, Purina representative, will be Pre-Conditioning Chow for calves, and Accutration Supplement for cattle on stubble fields and wheat pasture.

CONOCO STATION RE-OPENS HERE

Mr. and Mrs. Archie Allen have moved from Lubbock to 1409 Ave. M, and have reopened the Conoco Service Station & Grocery at the corner of West Service Street and Main Street in downtown Abernathy. The firm name is "8 to Late Conoco."

They will offer all station services, and will have a stock of groceries that will include among other items milk, eggs, lunch meat, ready-to-eat sandwiches.

The Conoco station has an island of two pumps with four grades of gasoline for self service. The other island of pumps will be for full service at a penny a gallon more than the self service pumps.

The station was built by Lee Towns, area Conoco wholesale dealer. Towns is a brother of Mrs. Buddy Rice of County Line.

Mrs. M. M. Evans is in West Texas Hospital, Lubbock. Mrs. Oma Toler is in Methodist Hospital, Lubbock.

ADVISORY COMMITTEE MEETS HERE

The Advisory Committee, recently named by nine local civic organizations, met Tuesday evening, October 16, 1973, at Graham's Restaurant. Interest centered around the various possibilities that applications for Federal school aid funds could be requested. It was decided to meet again on Tuesday, October 23, 1973, at 8 p.m. in the high school speech room to further discuss the existing needs of the school.

Committee members present were: Mrs. Esther Sepeda, Mrs. May Bell Glass, Mrs. Olean Mathis, Mrs. Georgia Garza, Dan Ward, Rev. Joe Rodriguez, Hugh Hill, Carroll Bradley, Israel Garza, L. S. Chen, Harry Mathis, Sammy Hunley, Harold Stillwell, Mrs. Ruth Fulton, Mrs. Carolyn Wade, Mrs. Donna Adams, Charles Bowen, and Dr. Delwin Webb.

MISS LUNA IN LCC SOCIAL CLUB

Iris Luna, daughter of Mr. and Mrs. Martin Luna of 807 5th in Abernathy, has been selected to be a member of Metah Moe women's social club at Lubbock Christian College.

Luna, a 1973 graduate of Abernathy High School, is a freshman Medical Assistant major.

Metah Moe is one of eight women's social clubs at the College.

LCC is a small liberal arts senior college emphasizing high academic achievement in a Christian atmosphere.

RELIGIOUS LEADERS MEET HERE

A group of religious educators met Sunday, Oct. 21, at the John Kveton home. Included at the meeting were Lawrence M. DeFalco, Bishop of Amarillo; Rev. James Guryzinski, Diocesan Director of Religious Education, and members of his office staff; Rev. Larry Hemp of Spur; Clarke Cochran, President of the Amarillo Diocesan Pastoral Council Steering Committee; and Helen Martin and Jean Kveton, Co-chairing the Diocesan Education Commission.

After the meeting and a dinner at the Kveton home, the participants joined other members of the Education Commission for an 8:00 p.m. meeting at Graham's Restaurant. The commission members made plans for programming at the regional meetings of the Diocesan Pastoral Council to be held December 2 and 9 at Amarillo, Plainview and Lubbock.

Hermleigh Woman Dies When Fire Hits Home

(Editor's Note: This is from the Oct. 18, Lubbock Avalanche-Journal. The victim's husband, Foster Watson, is a graduate of Abernathy High School, and is a nephew of Mrs. Ed Hardin of Abernathy.)

A-J Correspondent

SNYDER-Mrs. Foster (Opal) Watson, 62, of Hermleigh, died in a fire early Wednesday at her home. Snyder city firemen received the call to the scene about 5:25 a.m. and quickly controlled the blaze. Fire chief Alfred Kohl said he believed the fire began on a den couch on which Mrs. Watson was apparently sleeping.

The woman's husband also was at home at the time of the blaze, but managed to escape. Justice of the Peace T.E. Shelburne of Hermleigh is withholding a ruling in the death pending an autopsy.

There was heavy fire damage to the six-room brick home particularly in the den and living room. Smoke damage was reportedly heavy throughout the home.

Services for Mrs. Watson were pending late Wednesday with Bell-Seale Funeral Home. Born in Willbarger County.

SHUGART'S PHOTOGRAPHER HERE NOV. 5

Everyone from babies to grandparents will have an opportunity to have color photographs taken November 5, when an experienced photographer from Shugart Studios of Levelland comes to Abernathy. He will be at Pinson Pharmacy during business hours Monday, Nov. 5. See Shugarts two ads in the Review Oct. 25 and Nov. 1.

IS POLICE SERGEANT

Alvin Leach, former Abernathian, has joined the Kemah Police Department of Galveston County as a Sergeant. Alvin transferred from Deputy Marshal of Clear Lake Shores Oct. 1. He and his family reside in the neighborhood of Seabrook. His family in Abernathy are Mrs. Alvin Cecil and Mr. and Mrs. Finus Hill.

Project Plans For Hale Museum At Wayland College

Pride in one's own country, own state, own region and even one's own county is a natural and commendable feeling. Our own rich area has its outstanding characteristics both in its present status and its cultural heritage. Today's hum of commerce has been made possible by those who came, and through hard work and good citizenship, converted a barren land into a prosperous community. It is altogether fitting that we honor those who came and developed what we have today.

To accomplish this remembrance of those who preceded us the Hale County Historical Society has set out, with the help of Wayland College, to establish a first class museum near the present campus of Wayland. Wayland will accomplish its maintenance and continuity, something that would have been too much for a small historical group.

This project will be called a heritage center and will include not only the primary function of focusing on the history of Hale County but also on the broader aspects of the history of our state and country.

It is planned to be finished before the bi-centennial of the founding of the United States and the Heritage Center will be the main element in our local celebration of the bi-centennial, the two hundredth birthday of the U.S.A.

Some of the great educational foundations are ex-

CLOCKS RETURN TO CST OCT. 28

According to Clyde Newberry, local agent for the Santa Fe Railway, the Nation will change from Daylight Saving Time to Standard Time in the respective time zones at 2 a.m. Sunday, Oct. 28.

Central Standard Time will be resumed here at that time.

Set all clocks and other time pieces BACK an hour at 2 a.m. Sunday, Oct. 28 (or, before you go to bed Saturday night, Oct. 27).

When you awake Sunday morning, Oct. 28, Central Standard Time will be in effect in this time zone, replacing Central Daylight Saving Time, which has been in effect since April.

ected to help in the funding of the heritage center, but only on a "challenge" basis. In other words, they will give us the \$600,000 needed, provided we raise \$300,000 ourselves. A fund-raising campaign is planned for this month of October. It is hoped that Abernathy will respond to the call and help make this memorial a reality.

Double Ring Vows Pledged

MRS. DALE GLEN McDUGAL (Vicki Lynn Lykes)

Vickie Lynn Lykes became the bride of Dale Glen McDougal in a candlelight ceremony at St. John's United Methodist Church in Lubbock at 7:30 p. m. on October 20.

Parents of the bride are Mr. and Mrs. Donald Lykes of Rt. 1, Lubbock. Her grandparents are Mrs. Jennie Mae Lykes and Mr. and Mrs. L. Z. Lowry. The groom is the son of Mr. and Mrs. Vernon T. McDougal of Abernathy.

The double ring ceremony was performed by the Reverend Dr. Charles E. Lutrick. The candlelit sanctuary was decorated with bird cage alt-rpieces of white mums and blue satin ribbons.

The bride wore a formal length gown of white chiffon fashioned with a high Victorian neckline and empire bodice. The long lantern sleeves were smocked and accented with pearls. The A-line skirt of double layers of chiffon was gathered into a bouffant that swept into a chapel length train. Her headpiece, a Camelot of matching fabric accented with lace and pearls, held a veil of imported illusion. Her bouquet was of white pom-poms and blue stephanitis entwined with ivy and centered with a white orchid.

Bridesmaids were Misses Paula Henderson, cousin of the bride, Shelly Nunn and Diane McDougal, sister of the groom. The matron of honor was Mrs. Donna Smith. Their gowns were identical with full blue organza skirts gathered on bodices of midnight blue velvet. The Juliette sleeves were of the same paler blue organza. They wore Juliette caps of midnight blue velvet and carried white pom-poms with blue streamers.

David McDougal of Evergreen, Colorado, was his brother's best man. Groomsman were Johnny Petrie, Billy Philpot and Steve Fisher. Johnny and Jimmy Henderson, cousins of the bride, were ushers. Candle-lighters were the bride's brother, Joe Lykes, and Brad Blake.

Little Miss Shannon McDougal, cousin of the groom, was flower girl. She wore midnight blue velvet and carried white pom-poms. The ring bearer was Master Tony Pierce.

Following the reception in the church's Garden Room, the couple left on a wedding trip to Colorado.

They will make their home in Lubbock where both are employed.

Co-ops' Services Cited By A. & M.

COLLEGE STATION -- Co-operatives provide a way for rural people to work together to obtain many different services.

And to provide a better understanding of cooperatives, the month of October has been designated as Cooperative Month across the nation, says Johnny Feagan, economist in organization for the Texas Agricultural Extension Service.

Theme for the month-long observance is "Cooperatives... People with Purpose." According to Feagan, Texas boasts 745 agricultural cooperatives. In 1970 more than 500 of these were marketing, processing and supply associations doing a total gross business of almost \$1 billion and having a membership of 170,000.

In the U. S. at least 23 million families use cooperatives as a way of working together to obtain many different kinds of services. Among these services are marketing farm products; obtaining farm supplies; providing insurance, housing, health care and consumer goods; obtaining credit through credit unions and farm credit and rural utilities financing organizations; and irrigation, electricity and telephone service.

"Cooperative Month is designed to bring local, state, regional and national leaders of cooperatives together to focus on needed changes in priorities and to increase their value to members and the general public as dictated by changing demands, crises, and directions and dimensions of the times," points out Feagan.

Through cooperatives, people are able to speak with a concerted voice and take concentrated action. "I consider the Texas A&M University System specialist. This gives hope to millions of Americans who sometimes feel lost these days, with bigness and complexity confronting them at every turn."

Acting in the general interest of the American people, cooperatives provide for:

- A more prosperous and productive rural America.
- A better informed citizenry, one with experience in leadership and business gained in operating cooperatives.
- Quality food and fiber for consumers, and quality farm inputs and technical advice that help make this possible.
- A better balance to the foreign trade picture because of the large volume of agricultural products they help send abroad.
- Savings due to services at reasonable costs.
- Millions of jobs in cooperatives and related industries and millions of dollars generated.
- Better housing, health and consumer services.
- A stable source of credit that also provides leverage on credit costs for millions of Americans.
- "Indeed, cooperatives have a purpose -- serving their membership in providing quality food and fiber products to all of America," says Feagan.

'FOOD, FIBER MONTH' SET

COLLEGE STATION -- Gov. Dolph Briscoe has officially proclaimed November as "Food and Fiber Appreciation Month" in Texas, and various observances are being planned in the state's 254 counties.

Local chairmen and their committees have indicated that a wide array of activities are being planned to highlight the month-long educational event saluting agriculture's contributions.

Briscoe, in the official proclamation, noted that Texas--long a giant in the production of agricultural products--is third in the nation in total farm and ranch output, yet currently leads the 50 states in annual production of beef cattle, sheep, goats, grain sorghum, cotton, rice, onions and wool.

Texas also harvests substantial amounts of peanuts, vegetables, citrus, fruits, honey, cereal grains, soybeans, turkeys and dairy products, the governor noted.

"The unparalleled efficiency of Texas agricultural producers and associated agribusiness has helped provide food and fiber that allows Texas as consumers to purchase more milk, bread, steak, butter, eggs and other food and fiber products for fewer minutes of work than ever before in recorded history," Briscoe said.

Today, only one-half as much worktime is required to purchase as much food and fiber products as in the "good old days," the governor added.

"Even with a declining farm population, each farmer produces enough food and fiber for himself and more than 50 others. Therefore, it is fitting that November be observed to recognize contributions of Texas agriculture and to encourage renewed appreciation for agriculture by every citizen," Briscoe said.

Briscoe is serving as honorary chairman for the FFAM observance, along with Charles G. Scruggs, editorial director for Progressive Farmer.

Officers for the November observance are Jack H. Barton of Houston, president; Neal Johnson, vice president; Bruno Schroeder, treasurer; and W. H. Meischen, coordinator, all of Austin. There are 13 directors and task force chairmen and four division coordinators, along with 254 county FFAM chairmen.

SCHOOL HOLIDAY SLATED OCT. 26th GREAT SOCIETY HD CLUB MEETS

Students of Abernathy Schools will have a holiday Friday, Oct. 26, while faculty members are attending the Annual Convention of District XVII of the Texas State Teachers Association in Lubbock.

ST. ISIDORE CHURCH

ALL SAINTS DAY, Thursday, Nov. 1, Mass will be celebrated at St. Isidore Church in Abernathy at 7:30 P. m.

THE REV. Rocco Perrone will preach a Renewal Mission Nov. 7 to Nov. 9, in the Catholic Church here. Father Rocco has preached Renewal Missions in several churches in Lubbock and in Slaton.

EDWARD Barreza was elected as Vocal, the local Cursillistas, leader for the 1973-74 year at a recent meeting.

GREAT SOCIETY HD CLUB MEETS

The Great Society Home Demonstration had its regular Monday meeting at the OEO Community Center with fourteen present.

Mrs. L. A. Suttle presided as president in the absence of Olean Mathis. Maybelle Glass opened the meeting with prayer. Mrs. L. G. Montgomery gave the program on decoration of window shades. She laminated a piece of beautiful stripe onto the shade, selecting color and design to suit the decor of the room the shade was to be hung.

Maybelle Glass, Olean Mathis and Imogene Suttle attended council meeting in Plainview prior to the club meeting. Maybelle is chairman of recreation committee and Olean Mathis is chairman of good citizenship committee.

Those present for club were Yosente Garcia, Alice Pace, T. Dominguez, Montnie Riley, Antonia Garza, Mage Rosas, Rosalinda Garcia, Lydia Merezlez, Louise Morales, Petra Mercado, Lupe Barreza, Eufernia Cardenas and Manuel Carnedas.

T. E. L. SS CLASS REPORT GIVEN

The T. E. L. Sunday School class met in the home of Mrs. Eva Miller Friday afternoon for business and social. We decided to have a report of the month read only at the business meetings to give more time for the teaching of God's Word.

Mrs. Eunice O'Neal read from the 74th chapter of Proverbs and some sketches from the Book of Life of how the prisoners were crowded into a train car made to hold 40 but with 80 in it there was only standing room for a long journey. One woman tied a string to her Bible and hung it down her back under her dress, as the prisoners were searched, for some unknown reason, they waved her by several times and so didn't find the Bible. And the prisoners had it to study in.

Mrs. Olga Higginbotham read a poem her sister sent her, "A Lady Had Gone to Heaven" spoke of its beauties and glories and asked why someone never told her of heaven's beauties as she could not describe it herself, she said you will just have to come there yourself to know the beauties of it.

We sang several songs. Some of them were "How Great Thou Art", "Leaning On the Everlasting Arms", "The Land that Never Grows Old", "Farther Along We Will Know All About It" and theme song "Amazing Grace".

Our hostess served good old home baked angel food cake and orange juice, mints and other tidbits to Fannie May Bruce, Olga Higginbotham, Maude Givens, Eunice O'Neal, Sustie Anderson, Barbara Anderson and M. E. Lebow, reporter. Some of our members are bed patients, others were out of state.

Former Abernathians Mr. and Mrs. Walter L. Rutledge plan to move this weekend from Killeen to 5114 46th Street in Lubbock. He is a retired Army Top Sergeant, A Veteran of World War II, he is also a Vietnam War Veteran. During his long career he served in Europe, Vietnam and was stationed in the Johnsons Islands in the Pacific several years ago during the intense testing of atomic weapons. Most of his six and a half duty was at Fort Hood, Killeen. He was on duty there when a circulatory problem eventually resulted in the amputation of both legs. He is a brother of Buford Davenport.

Country Garden Club Meet Held

The Country Garden Club met in the home of Eliza Rea Matthews Oct. 16. Alberta Davis brought a very interesting program on the "Flower Gardens and Traditions of the White House." She gave some facts, such as Pres. Adams had the first rose garden planted in 913. Pres. Kennedy redesigned the Gardens in 1962, and Pres. Johnson established the Children's Garden in 1969.
A social hour followed the program. Mrs. Matthews served delicious refreshments to ten members and one guest, Mrs. Pearl Weems, of Brownwood.

Jimmy Jackson, service manager of Joe Thompson Implement Co., and Earl Hill, mechanic, are attending a John Deere service school in Dallas this week.
Mrs. Chris Benn has returned from a two weeks visit with her daughter, Martha Benn, in New Canaan, Conn., and in New York City.

LEGAL NOTICE

*NOTICE OF HEARING ON SPECIAL BENEFITS TO BE RECEIVED FROM PROPOSED STREET IMPROVEMENTS AND ON OTHER MATTERS WITH REFERENCE THERETO, WHICH HEARING IS TO BE HELD IN THE CITY HALL OF THE CITY OF ABERNATHY, TEXAS, BEGINNING AT 6:30 O'CLOCK P.M. ON THE 5th DAY OF November, 1973.

TO ALL OWNERS AND TO ALL PERSONS OWNING OR CLAIMING ANY INTEREST IN OR LIEN UPON ANY PROPERTY ABUTTING THE STREETS AND AVENUES OR PORTIONS THEREOF OF THE CITY OF ABERNATHY, TEXAS, HEREINAFTER NAMED, WITHIN THE LIMITS HEREINAFTER SET FORTH, AND TO ALL OTHER INTERESTED PARTIES AND TO THEIR AGENTS AND ATTORNEYS:

You are hereby notified that the City Council of the City of Abernathy, Texas, has determined the necessity for and ordered the improvement of certain streets and avenues or portions thereof hereinafter described within the limits hereinafter defined, the nature of which improvements is hereinafter generally set forth; and that the City of Abernathy has approved and adopted the estimate, statement and report of the City's Engineer and has taken other proceedings with reference to the making of such improvements as are of record in the Minutes of the City Council of the City of Abernathy and has by ordinance ordered that a hearing be held, and notice thereof given, NOW THEREFORE,

PURSUANT TO SAID PROCEEDINGS AND SUCH ORDINANCE, NOTICE IS HEREBY GIVEN:

I.

That a hearing shall be given to the owners and to all persons owning or claiming any interest in or lien upon any property abutting the streets and avenues or portions thereof of the City of Abernathy, Texas, hereinafter named, within the limits hereinafter set out, and to all other interested parties, including their agents and attorneys, before the City Council of the City of Abernathy, Texas, which hearing shall begin on the 5th day of November, 1973, at 6:30 o'clock P.M. and shall be held in the City Hall of Abernathy, Texas, at which hearing all of said owners and other interested parties, their agents or attorneys shall have the right to be heard on any matter as to which hearing is a constitutional prerequisite to the validity of any assessment sought to be imposed and to contest the amounts of the proposed assessments, the lien and the liability thereof, the special benefits to the abutting properties and the owners thereof by means of the improvements for which all of such assessments are to be levied, the accuracy, sufficiency, regularity and validity of the proceedings and contracts in connection with such improvements and proposed assessments, or concerning any matter or thing connected therewith. The said hearing may be continued from time to time and day to day until a fair opportunity for hearing has been afforded to all desiring to contest the said assessments or proceedings, and the City Council shall have the power to and shall correct any errors, inaccuracies, irregularities and invalidities, and shall determine the amount of assessments and all other incidental matters and shall have the power by ordinance to close such hearing, and by the same or by a later ordinance or ordinances to levy such assessments before, during or after the construction of such improvements, but no part of any assessment against abutting properties shall be made to mature prior to acceptance by the City by ordinance of the improvements abutting the property for which the assessment is levied. It shall not be necessary to levy all of the assessments at one time or by a single ordinance, and said hearing may be closed as to each portion of a street and/or avenue constituting a unit of improvement (as such units are designated below),

after a fair opportunity for hearing has been afforded to all desiring to contest the assessments proposed to be levied, against the owners and their properties abutting on the portion of each such street and avenue constituting a unit of improvement; and the City Council shall then have the power to levy such

-2-

assessments against such abutting properties and against the owners thereof, as provided herein and in the prior proceedings of the City Council herein referred to. No assessment will be made against any abutting property or the owner thereof in excess of the special benefits to such property and its owner in the enhanced value thereof by means of such improvements as determined at such hearing. All of such owners, claimants and other interested parties, their agents or attorneys, are hereby referred for further information to the proceedings with reference to said improvements on file and/or of record with the City Secretary of the City of Abernathy and particularly to the estimate of the City's Engineer, and to the proposed assessment roll wherein the exact amount proposed to be assessed against each abutting property and the owner thereof is set forth; said City's Engineer's estimate and said proposed assessment roll being on file in the office of the City Secretary.

II.

The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the filling, grading, raising, paving or repaving said streets and avenues or portions thereof in a permanent manner, and by the construction or reconstruction and the realigning of curbs and gutters where there are no existing curbs and gutters which can be utilized in whole or in part in the opinion of the City Engineer and by reconstructing and realigning existing curbs and gutters which can be utilized in whole or in part in the opinion of the City Engineer, and by the construction of such other necessary incidentals and appurtenances as the City's Engineer has found to be necessary or advisable, all as shown by the plans and specifications of the City's Engineer, and by widening where necessary so as to attain the paved width from back of curb which is set out below, said paving to consist of the construction of

-3-

an adequate asphaltic wearing surface on an adequate base, the exact nature of such improvements being more particularly shown in the plans and specifications which are on file in the office of the City Secretary of the City of Abernathy.

III.

The streets and avenues or portions thereof to be improved within the limits fixed by the City Council are listed below as they have been divided by the City Council into separate and distinct improvement units. There is stated in connection with the listing of each street and avenue or portion thereof within the limits herein defined constituting each improvement unit the estimated amount or amounts per front foot to be assessed against the owner or owners of properties abutting such street and avenue or portion thereof and against such properties, the estimated total cost of the improvements as to each improvement unit.

There is included in the estimated amount to be

GOOD YEAR
40,000 Mile Tread Life Expectancy Policy

With proper care and normal driving, you will get at least 40,000 miles of tread wear from new, first-class Custom Power Cushion Polysteel tires on your car.
If you don't get 40,000 miles - and provided you were the original buyer of the tires and they are still on the original car - bring the tires and the policy booklet (with recorded mileage readings) to any Goodyear Service Store or Dealer in the United States or Canada. They will give you credit for mileage not received on the purchase of new Custom Power Cushion Polysteel tires, based on Goodyear's "Pre-determined Price for Adjustment".
A small service charge may be added.
Copies of this policy are available at all Goodyear locations.

Goodyear builds it with two belts of steel cord for long-lasting resistance to impact and penetration. (You wouldn't run over steel cleavers the way we did here - but the demonstration illustrates how tough the steel belts really are.) Then Goodyear makes the long mileage easy to take, with a flexible polyester cord body to seal up the shocks.

SCOUTS FALL RECRUITING IS UNDERWAY

SCOUTS ANNOUNCE FALL RECRUITING PLANS, GOVERNOR'S ROUNDUP

The annual fall membership campaign in the South Plains Council, Boy Scouts of America, began September 1 when 331 Scout troops and Cub Scout packs started enrolling new members.

Called Governor's Roundup, the Scout council expects to give an opportunity to 4500 boys to join the Boy Scouts of America, Jack Baker, Council Commissioner, said.

Governor Dolph Briscoe, Honorary Chairman of the Fall

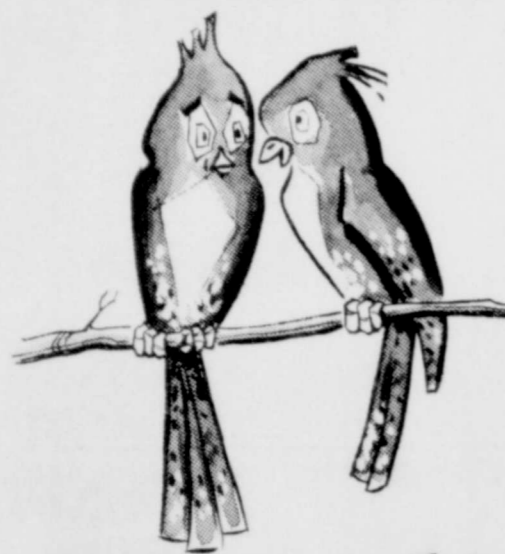

Roundup in the State of Texas, is giving his personal leadership by awarding an individual recruiter patch, which incorporates the Seal of Texas, to each boy that recruits a new member.

Special events scheduled for this fall include School Nights, Troop Rally Night, First-Nighter, Uniform Day, camporees, and individual recruiting.

A boy may become a Scout when he is 11 years old or has completed the fifth grade or a Cub Scout when he is 8 years old or has completed the second grade, Baker said.

In addition to the boys who join existing packs and troops, Baker said, the Scout Plains Council's organization and extension committee expects to organize about 59 new packs and troops in the Council's 22

In addition to the boys who join existing packs and troops, Baker said, the Scout Plains Council's organization and extension committee expects to organize about 50 new packs and troops in the Council's 22

county area.

The Boy Scouts of America provides a program for boys and young adults that is designed to develop desirable qualities of character, to train in the responsibilities of participating citizenship, and to develop personal fitness, Baker said. Cub Scouting is a family- and home-centered program, and Scouting is designed to achieve the BSA objectives primarily through a vigorous outdoor program.

Information about Scouting and Cub Scouting is available from the council service center, #30 Briercroft, 747-2631. For further information, see V. A. Dodson, Bob Parks or Rudolph Struve in Abernathy.
