

Southwestern Public Service Reveals Future Improvements

SWPS Annual Report Given

More than \$266,000,000 will be invested in new equipment and improvements during the next five years by Southwestern Public Service Company, Roy Tolk, chairman and president of the electric company, announced today.

New generating facilities to be installed during the 5-year period will increase the capability of the system by almost 1-million kilowatts, bringing the total capability to approximately 3-million kilowatts.

One of the new generating stations included in this 5-year program is the addition to the Nichols Plant, northeast of Amarillo. Construction has just recently started and completion is scheduled for June of 1976. It will have a capability of 350,000 kilowatts and will use coal as its primary fuel. Long-term contracts with the Atlantic Richfield Company have been negotiated for low-sulphur coal from Wyoming, thus assuring an entirely adequate supply of this fuel.

Scheduled for completion in mid-1974 is a 256,000 kilowatt unit at Jones Station near Lubbock. This will bring the total capability of this plant to 512,000 kilowatts and it will become the largest of Southwestern's ten interconnected generating stations.

In the latter part of the 5-year period, projections call for another coal-fired generating unit to be built, probably in the north part of the company's service area. It will be in the 350-450 thousand kilowatt range, depending on the load requirements at that time," Tolk said.

"In order to assure a clean environment when using coal as the primary fuel, it is necessary to spend an additional 30-percent of the cost of the unit for equipment to prevent objectionable products of combustion from reaching the atmosphere. The installation of both electrostatic precipitators and stack gas scrubbers will insure that we equal or exceed applicable stack gas emission standards," Tolk said.

"Southwestern's peak load for 1973 was 1,758,000 kilowatts and that is expected to climb to 2,392,000 kilowatts by 1978. The addition of these new generating facilities will more than take care of that increase," Tolk added.

Conservation of the area's water supply will continue to be a prime consideration at Southwestern Public Service Company's electric generating stations. When the two units now under construction are completed, they will save, on the average day, 14,000,000 gallons of potable water through the use of sewage effluent. That's the equivalent of the daily water needs of a city of 100,000 people.

Another important construction project that is a part of the 5-year program and currently under way, is a 230,000 volt line for the interconnected transmission system and make the movement of power between major generating stations and the areas of greatest use more efficient, reliable and economical. This project is also scheduled for completion in mid-1974.

CITY LEASES FARM PLOTS IT OWNS

The Abernathy City Council met in regular session Monday, December 10, 1973, at the City Hall.

Bids were received and awarded on the three city farms. The successful bidders were C. W. Tatum for the City Sewer Farm; Ronnie J. Myatt for the City Airport Farm; and Tommy Wages for the City Farm. All leases are three years beginning January 1, 1974, and expiring December 31, 1976.

Bids were also received on a new Civil Defense Warning System for the city which will replace the outdated and inadequate system now in use. The new system will provide advance warning should circumstances warrant. Assistance was received from the Division of Defense & Disaster Relief, Texas Department of Public Safety in planning of a system which will provide warning of possible danger or disaster approaching the area. A matching funds grant has been awarded the city in the amount of \$2,555.00 from the state in obtaining and installation of this system.

Three bids were received for the new warning system with Texas Distributors of Police Supplies submitting the low bid of \$4,156.64. Following a review of all bids for compliance with specifications a bid will be accepted.

No bids were received for the city gasoline supply for 1974 because of the present fuel situation. The city will secure gasoline from dealers as it is available. The city has adopted certain policies to help conserve the fuel.

Ordinance #195 was passed and approved by the council which provides for the placement of traffic control devices at intersections indicated by the ordinance.

Two proposed ordinances were tabled to allow further study and review. These ordinances pertain to a revision of the present ordinances regulating dogs and cats within the city, and adoption of City Code and Codification of City Ordinances which has been recently prepared. These will be reconsidered at the next regular meeting.

Attendance at the meeting included Mayor J. Pete Thompson, Mayor Pro-Temp Billy Shipman, Councilmen J. L. Miller, M. S. Stevens, Clifton Newton, Bobby Cunningham, and City Manager Glen Metcalf.

TAX REPORT IS GIVEN BY CITY

City of Abernathy coffers are over \$9,000 richer this week as the state sales tax return check was received. The total amount received for the 3rd quarter ending September 30, 1973, was \$9,319.93. City Manager Glen Metcalf said this check represents approximately a 33% increase over the same period last year and is by far the largest sales tax check ever received by the city. The following is a comparison of sales tax receipts for the 3rd quarter in prior years: 1969-\$6,175.10; 1970-\$6,129.27; 1971 - \$6,135.67; 1972-\$6,249.89.

Rites Held For Mrs. Ollie King

Mrs. J. G. (Ollie) King, 91, of Abernathy died about 8:15 a. m. Sunday in Lubbock Osteopathic Hospital.

Services were conducted Monday, Dec. 24, in Abernathy First Baptist Church with Pastor Murry L. Brewer officiating. Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

Mrs. King was a native of Waller and she had lived in Abernathy since 1915.

Survivors include three daughters, Mrs. Vera Richardson of Lubbock, Mrs. Grace Shaw of Estancia, N. M., and Mrs. Ethel Petty of Abernathy; two brothers, Roy Bennett of Houston and Sidney Bennett of Tucson, Ariz.; eight grandchildren, 19 great-grandchildren; and three great-great-grandchildren.

Grandsons were pallbearers.

MISS JOHNSON IS NEW LVN

LEVELLAND -- The Texas Board of Vocational Nurses has announced that all 15 graduates of the fall 1972 vocational nursing program at South Plains College have successfully completed their state board examinations.

The graduates now will be issued licenses making them Licensed Vocational Nurses (LVN).

Antelope Basketball

(By Sammy Hunley)

The Antelopes were victorious in New Deal last Tuesday night defeating the Lions by a score of 70-53. Ray Martin was high scorer with 28 points, and Wayne Riley was outstanding in his defensive play.

The Lady 'Lopes found the New Deal girls a little hard to handle and lost to them 61-43. Melinda Hufaker had 16 points to lead the scoring for the Lady 'Lopes.

The New Deal junior varsity won both games--the boys losing 57-55, and the girls by a score of 34-33.

OES MEETS JAN. 3rd

A stated meeting of Abernathy Chapter No. 877 Order of the Eastern Star will be held at 7:30 p. m. Thursday, Jan. 3.

Mrs. Charles Hobgood, Worthy Matron, urges all local members to be present, and extends an invitation to visiting Eastern Star members.

WIN TRIP TO SUGAR BOWL

Mr. and Mrs. Carl Johnson will be guests of Motorcraft on an expenses-paid trip to the Sugar Bowl for the New Year's Eve classic between Alabama and Notre Dame. Johnson won the trip for his sales of Motorcraft parts at Sanders Auto Supply. They will make the trip by plane and will be guests at a hotel in the French Quarter of New Orleans. In addition to the game, Motorcraft will treat the guests to a special New Year's Eve party.

Dear Buford, How are things in Abernathy? Fine, I hope. I have moved from Cleveland, Texas, to Waxahachie. I enjoy the Abernathy paper and try to keep up with what's happening around home by reading it. If you could send it my new address I will appreciate it. Enclosed is a check for \$5 for a year's subscription. If it has gone up just let me know. Thank you, Yours truly, Steve Guerrant

Holiday Visitor From Hawaii

Abernathy's Christmas visitor from the farthest away is Miss Jo Ann Lovelace, who is here to spend the Christmas and New Year Holidays with her parents, Mr. and Mrs. Joe Lovelace, and other relatives. A school teacher, Miss Lovelace's address is: Box 933, Paia, Maui, Hawaii 96779. She arrived here last weekend and is expected to return to Hawaii late next week.

SCHOOL HOLIDAYS TO END JAN. 2

Holidays for local teachers and students will end Wednesday morning, Jan. 2. Classes were dismissed for Christmas and New Year at 2:30 p. m. Dec. 21.

CITY ISSUES PUBLIC NOTICE

PLEASE CLOSE LIDS ON TRASH CONTAINERS

In March of this year the City contracted the collection of garbage and trash to Triple C Sanitation Service, Inc. Shortly thereafter containers were distributed throughout the city and the system has worked very well. However, it has been noted by several citizens that some individuals are failing to close the lids on the containers after disposing of the trash.

Compliance with this simple request would prevent trash from blowing out of the containers and littering the alleyways; it would also prevent any animals from entering the trash; it would keep any moisture from entering the containers and, on top of all that, it will probably make your neighbor "litter" happier.

ORATORICAL CONTEST IS ANNOUNCED

The annual oratorical contest for 1974 has been announced by the American Legion. The subject to be used must be on some phase of the Constitution of the United States which will give emphasis to the attendant duties and obligations of a citizen to our government. The length of the speech should be between eight and ten minutes. National contest winners are awarded college scholarships.

Any local student who desires further information should contact an officer of the American Legion.

BRIDGE BUILDERS

For a number of years I have ridden the Highways of Texas and other states and I have finally decided the reason for four years of College training is to be sure the engineers know the exact height to place the banisters on all bridges so no one can enjoy the beautiful sight of water. MRS. JON CHARLES THICKSTUN (Anna Marie Smith)

Miss Anna Marie Smith and Jon Charles Thickstun exchanged double ring vows at 5 p. m. Saturday in the First Baptist Church. The Reverend Murry Brewer officiated the wedding ceremony.

The bride is the daughter of Mrs. H. O. Willingham and the late M. E. Smith. Thickstun is the son of Mr. and Mrs. Dale Thickstun.

Given in marriage by her step-father, the bride wore a formal gown of white maracaine jersey empire accented with re-embroidered aleon lace encircling the high neckline, the waistline and cuffs of the bishop sleeves, and repeated on the front of the fitted bodice. The slender skirt had back fullness and flowed to a brief chapel train.

Attendants were Miss Jana Pope of Abernathy, maid of honor, Miss Barbara Bowen, Miss Dorinda Lovelace, and Mrs. Steve Skipper of Lubbock. They wore formal length gowns of burgundy jersey knit.

The groom's father, Mr. Dale Thickstun, was best man. Randy Kelly, Danny Kelly, and Steve Skipper were groomsmen. Serving as ushers were Carroll Dunn, Bobby Klatt, Larry Pittman, and Phillip Marcy.

Musical selections were presented by Mrs. Bettie Hardin, pianist; Mrs. L. J. Hager, organist; and Mr. Bobbie Miller, soloist.

Following the ceremony the couple greeted guests in the Fellowship Hall of the church.

After a wedding trip to Ruidoso, N. M., the couple will reside at 301-7th Street in Abernathy.

The bride is a 1973 graduate of Abernathy High School and is employed with the post office. Thickstun is a 1970 graduate of Abernathy High School and is employed with Sanitary Linen of Lubbock.
