The annual Girl Scout Cookie Sale will be kicked off at 4:00 p. m., Friday, February 22, and run through March 9, it was announced today by Mrs. Felix Jones,

Idalou, Caprock Council Chairman.

Profits from the sale are divided between the troops and the Council. Troops sell-

ing cookies receive 10 cents per package or \$1 per case.

Girls will wear their Girl Scout uniforms or pins while selling the cookies and may earn the following awards: for 20 boxes, a certificate; 35 boxes, a poster; 50 boxes, a comb and file set; 100 boxes, a cookie patch; 180 boxes, a campership to Camp Rio Blanco.

Members of the Cookie Sale Committee serving with Mrs. Jones are: Mrs. George Poulson, Lorenzo; Mrs. Othell Meeks, Tahoka; Mrs. Billy Fisher, Lubbock; and Mrs. Bobby Miller, Idalou.

### Antelope Basketball

(By Sam Hunley)

A good crowd of Antelope fans squeezed into the Lockney gym Tuesday night to witness a "do or die" game for the locals. The Antelopes needed a victory to tie Lockney and move into a play-off game to decide the district 4-AA championship.

Lockney had developed other ideas during the week and put them into full swing Tuesday, winning their first district championship since 1962 by defeating the Antelopes 62-50.

The Antelopes stayed in the saddle the first half and it looked as if a play-off game was in the bag. The Longhorns began to turn things around late in the third quarter and gained a sizeable lead that the Antelopes were unable to handle and lost their chance for back-to-back district titles.

**"To save energy and money  
this summer . . . cool your home with  
Gas Central Air Conditioning.**

You save with a gas system because it's a more efficient energy user than its electric counterpart. It's more efficient because gas, unlike electricity, is a direct source of energy. You don't have the energy loss that occurs in electrical generation and transmission.

**We help you save in another way, too.**

In addition to determining the exact cooling requirements of your home, our cooling specialists also check your attic insulation. If it's insufficient, insulation is added and included as part of the job. Proper insulation saves energy and money for both cooling and heating.

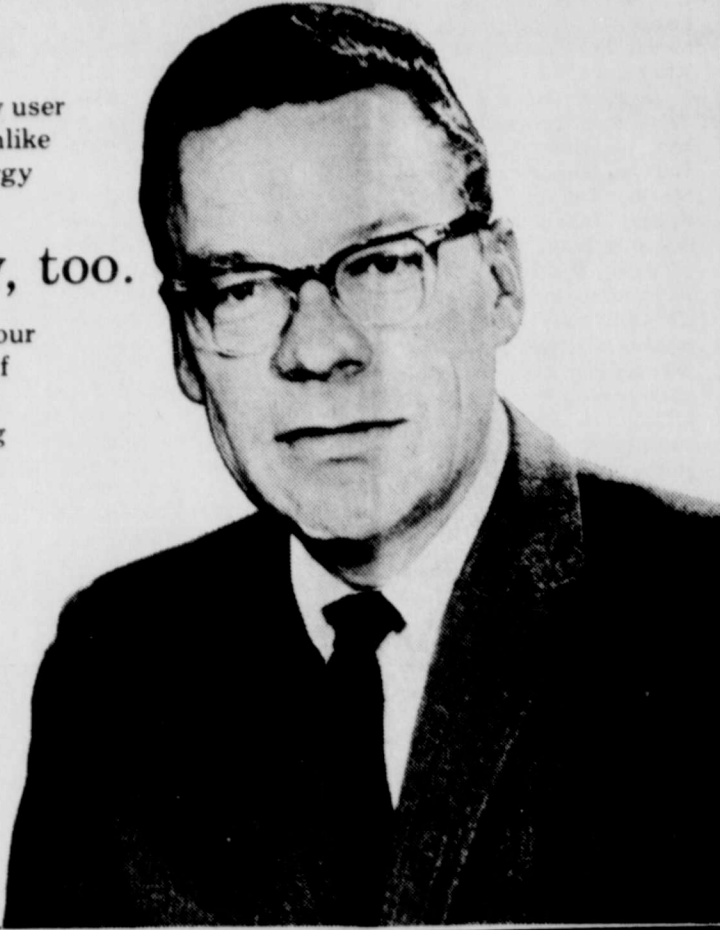

So, beat the summer rush.
