# Petersburg Is Foe For Grid Season Opener

ANTELOPE FOOTBALL by Sammy Hunley

The Antelopes will be trying to improve on last year's 3-7 record; and defense could be the answer. Eight lettermen and six starters will be returning with hopes of producing a winning team.

Defense should be the main factor in the Antelope game plan. David Thomas and Robert Esquivel, a transfer from Idalou, will shoulder most of the responsibility. Both players were All-South Plains tackle and noseguard during the '73 season.

The offensive side will lack experience, but definitely not talent. Wayne Riley will handle the quarterback spot; along with runningbacks Ken Davenport, Armondo Ruiz, Kent Harrison, Mickey Davis and Danny Lopez, it shouldn't take long for them to gain that needed experience. Splitend should be one of the bright spots. Alonzo Ramos, who caught a touchdown pass in all but one contest last year, can be expected to keep the opponents hopping. Ken Hendrix, Usbaldo Trevino and Robert Scott round out a fine group of catchers.

The interior line (both on the defensive and offensive side) will have Israel Garza, Thomas and Doug Rogers at tackle and Ruben Cuevas at center; Mark Burress, Bill Teakell and Victor Garza will hold down the guard spots; Esquivel and Tommy Campbell will control the end position; Davenport, Garza, John Hill and David Rodriquez will battle for linebacker positions.

tions.

The secondary should be made up of Steve Oswalt (if he recovers from knee surgery), Joe Gonzales, Riley, Ramos and Lopez.

Definitely enjoying his job a great deal, Coach Zierlein feels quite optimistic about the 1974 season and is looking forward to improving the football season in

Abernathy.

Barring injury and with a little luck, this could be the year of the Antelope. A lot will depend on the enthus-

iasm and attitudes of the players, coaches, school officials and--most important-the football fan. So get ready, and let's make 1974 the year of the Antelope!

Abernathy will open its season Friday night, September 6, against the Petersburg Buffaloes. The game will take place at Antelope stadium.

THE NEEDLE

The children and grandchildren of Robert and Frances Garvin invite all of their friends to an open house Sunday, Sept. 8, 1974 from 3 to 5 p. m. at 1311 Ave. G. The occasion is to celebrate their Golden Wedding Anniversary. Robert and Frances were married in Hale Center, Texas, on the 7th of Sept. 1924. "Mom" and "Pop" have two children, Eugene Garvin of Tunica, Miss. and Mrs. E. M. or "Joy" Jones of Dimmitt, Texas. They have five grandchildren and four greatgrandchildren.

Mrs. Garvin was Miss Frances Watts before she and Robert married while sitting in a car in front of a church in Hale Center. They have been residents of this area for more than 50 years. Earlier this year, they built a brick home on Ave. G at 14th St. They moved there from a farm about ten miles northeast of Abernathy, where they had resided for some 40 years.

Tim Hill of Joe Thompson Implement Co. and his wife went to Durham, Kansas, last week to get three Donahue goose-neck stock and grain trailers.

# PUBLIC NOTICE

Deadline is Dead; First-Come Policy

After near 40 years of having a deadline of 4 p. m. Mondays to get ads or news in that week's Abernathy Weekly Review, we are abandoning this announced deadline. It has been a source of confusion to the people we serve. Although we have urged to turn in news and ads BEFORE Mondays, some mistook the Monday deadline announcement to mean that we accepted news and ads only on Mondays. Several months ago, one person call-ed on Monday to have us pickup a news report. "I've had it ready for three days but was waiting for Monday so I could turn it in," the person stated.

With this notice there will be no day and hour deadline me thod of handling news and ads. We are changing to a first-come-first-served policy. This means that we will start accepting news and ads on Wednesday afternoons for the next week's Review. When enough news and ads have come in to fill an issue of The Review, all news and ads coming in thereafter will be carried over to the next issue of the paper.

Don't be shut out ... start reporting news and ads on Wednesday afternoons, Thursdays, Fridays and Saturdays. Monday very likely will be too late for that week's paper. Tuesdays WILL

The only news cushion we are leaving in this new policy is to cover sickness, accidents, deaths and other disasters, and there may be times even this cushion will not be in effect.

We Want To Serve YOU. Start turning in news and ads on WEDNESDAY afternoons. Be in the "first-come-firstserved" group. 298-2033

# Allen Will Go To Lorenzo Club As Golf Pro

Dennis Allen, manager of the Abernathy Country Club, has resigned to take a position as golf pro with the Loenzo Country Club October 1, 1974.

Dennis and his wife, the former Joann Klafka, are both native Abernathians and have been with the club for the past five years. Dennis has helped the club grow from 84 member families to 112.

He has done an excellent job of taking care of the golf course and arranging tournaments. He and Joann have kept the swimming pool in top shape for summer fun and have always arranged for swimming lessons for local children. Dennis was also able to handle the club house responsibilities very well, whether it involved booking parties or meetings or a pool game.

Dennis' Pro Shop included the latest in golfing equipment and wear. Joann helped with the concessions and golf bag storage rental along with the patience required of the flexible hours in the 6 day a week job.

The club will miss this valuable asset to our club and community. It will not be easy to fill this loss. The club does wish Dennis the greatest success in his new

Dave Cavitt, president of the club, will be happy to accept applications for this vacated position. Contact Dave at either 298-2030 or 298-2101.
