## Local Volunteers Continue EMT Training

By Milt Pope  
Since our last article we have had three very interesting class meetings. September class was spent studying cardiac arrest and vital signs. We spent a good part of class time watching a film on cardiac arrest and the rest of class time was spent learning skills in taking of vital signs including temperature, pulse, respirations, and blood pressure.

Many of our people have already begun to make emergency ambulance runs. Check with some of them as many have been very interesting. Most notable was the call Pete made in which the heart attack victim they went to pick up ran out the back door when they arrived.

We spent a good part of the 9-8-75 class time discussing the ambulance runs. V.A. also spent some time trying to talk Miss Jackson out of giving us an exam Thursday night, to no avail. The rest

of this class was spent reviewing for exam and practicing skills for the exam.

Most of the group from Abernathy spent Tuesday evening practicing at the Fire Hall also. We wish to thank Southwestern Public Service for loaning us their dummy. Also thanks to Dr. Gregory and Mrs. Cannon for their assistance and cooperation.

The entire class time on Thursday was spent on the

## SENATOR JOHN TOWER OFFERS SUPPORT FOR LOCAL BICENTENNIAL CAMPAIGN

The following letter was received last week from U. S. Senator John Tower, expressing his support for Abernathy's effort to achieve status as a Bicentennial city. Enclosed with the letter was a copy of another letter from Tower to John W. Warner, chairman of the American Revolution Bicentennial Administration, urging the commission's favorable consideration of Abernathy's application. Tower commended the city the second letter, saying "I know their plans will contribute to our goal of celebrating the Bicentennial in a worthy manner."

Mr. Calvin Tucker  
General Chairperson

P. O. Box 810  
Abernathy, Texas 79311  
Dear Mrs. Tucker:

Thank you for your letter informing me that the City of Abernathy has submitted its application to the American Revolution Bicentennial Commission to become a Bicentennial Community. I am most pleased with the interest and dedication of the citizens of Abernathy to participate in this historical event. Certainly Texas will have an outstanding celebration.

Since I wish to be of all possible assistance to you at this time, I am writing to the Chairman of the American Revolution Bicentennial Administration, Mr. John Warner to express my interest in your behalf and request that Abernathy's application be given all possible consideration for designation as a Bicentennial Community.

I will follow the progress on your application and if in the meantime I can be of any assistance, please do not hesitate to call upon me. Best wishes,

Sincerely,  
John Tower

## BOOSTER CLUB URGES LOCAL SUPPORT

Jim Odom, president of the Abernathy Booster Club, urges everyone to support the Abernathy Booster Club.

The club meets every Monday night at 7:00 p. m. in the school cafeteria.

Highlight of the meeting is the showing of a film of the previous week's Antelope Football game, with comments by the coaches. The booster club supports all sports activities and the band. Parents of these students and any other interested persons in the community are invited to join.

Dues are \$5.00 per family and \$3.00 per person. There will be projects in the future to aid in fund-raising. The Abernathy Booster Club needs and wants you for a member.

## 'Lopes Gallop Over Tahoka For Season's First Victory

By SAMMY HUNLEY

The Antelopes put it all together Friday night and whipped the Tahoka Bulldogs 22-6 in a rain soaked contest at Kelly field in Tahoka.

The Antelopes unable to get the ball in the air due to the rain and slippery conditions, established their running game early in the 1st quarter. Ken Davenport running with speed and power produced his second 100 yard game of the season. Ken had 17 carries for 140 yards in the contest. The 1st quarter saw the Antelopes run the ball with authority, but failing to add any points to the score board. The defense led by Smith, Gist, Pope, Hill, Garza, Thompson, Flores, and Odom came to the front shutting off any Bulldog threats. The 1st quarter ended with neither team scoring.

The Antelope defense dug in during the 2nd quarter shutting off any opportunities the Bulldogs could come up with. Davenport blocked a Bulldog punt giving the Lopes great field position, and with 5:36 left in the 2nd quarter Ken scored the first touchdown of the night. Extra point was good and the Lopes led 8-0.

Jimmy Smith put another damper on the Bulldogs attack before the half ended when he pounced on a fumble with 1:11 left on the clock. The first half ended 8-0 in favor of the Lopes.

II HALF  
Davenport, Stracener, and Shipman opened up the second half running the ball for 3 consecutive 1st down situations and with 6:16 left in the 3rd quarter, Ken scored his second touchdown of the night on a 9 yard run. Extra point failed, the Lopes led 14-0. The Antelopes score was set up by a Jimmy Smith fumble recovery giving the Lopes the needed field position.

Tahoka got on the score board late in the 3rd quarter

capping a 48 yard drive. The score read Abernathy 14--Tahoka 6, with 2:12 left in the 3rd quarter.

The final score of the game came with 15 seconds left in the 3rd quarter. The Antelopes moving the ball on the ground overpowered the Bulldog defense and with 15 seconds left; Roddy Shipman scored from the 2 yard line. Roddy also ran for the conversion. The 3rd quarter ended, Abernathy 22-Tahoka 6.

The fourth quarter saw the defensive unit of the Antelopes in full control of the game. Mark Pope recovered a Bulldog fumble early in the final quarter. Dennis Rapstine picked off a Bulldog pass with 4:39 left in the game. Greg Gist grabbed another Bulldog pass with 2:12 remaining on the clock. The offense was unable to cash in on the opportunities provided by the fired up defense. The Antelopes made the trip home, winners by a 22-6 margin.

GAME STATISTICS  
OFFENSE  
TOTAL YARDS-- Antelopes 323 yards to 133 for Tahoka.  
PLAYERS:  
KEN DAVENPORT 17 carries for 140 yards--2 touchdowns and 2 extra point conversions.

PETE STRACENER 16 carries for 91 yards.  
RODDY SHIPMAN 5 carries for 25 yards and 1 touchdown, 1 extra point conversion and 1 pass reception for 15 yds.  
SCOTT LUTRICK offensive tackle was sighted by the coaches as receiving 95% in scoring for his offensive line blocking throughout the game. "Excellent score."

DEFENSE  
GREG GIST led the Antelope defense with 10 tackles and one pass interception  
MARK POPE 9 tackles and one fumble recovery  
VICTOR GARZA 9 tackles and 1 fumble recovery  
KEN DAVENPORT 8 tackles and 1 blocked punt  
TODD THOMPSON 8 tackles  
JIMMY SMITH 8 tackles and 2 fumble recoveries  
DALE ODOM 7 tackles  
MIKE HILL 3 tackles, 1 quarterback sack, 1 (offensive) fumble recovery  
DENNIS RAPSTINE 1 pass interception

The Defense held the Bulldogs to a total of 133 yards for the night.

The coaches felt the team had made a great improvement from last week's game, coming through with an outstanding effort against Tahoka.

## BILLIE HARRISON TO REPRESENT LOCAL SCHOOL DISTRICT ON STATE CONVENTION PANEL

Billie Harrison of the Abernathy Independent School District Board of Trustees has been invited to participate on a panel discussion at the 1975 Joint Annual Convention of the Texas Association of School Boards and Texas Association of School Administrators.

The convention is scheduled for Sept. 27-29, at the San Antonio Convention Center.

Over 3,500 Texas school officials will attend the three day meeting. The program is designed to provide information on the latest educational topics and issues. Included on the program are general sessions with featured speakers, demonstrations of promising practices, topic discussions, public relations mini-clinics, annual membership meetings, and commercial exhibits.

Will D. Davis, president of TASA and Austin ISD school board, member will preside at the Opening Session on Sunday at 10:30 a. m. Baylor University president Dr. Abner McCall will make the opening address. James Horn, superintendent of the Lockhart schools and president of TASA, will preside at the second general session Sunday night. Dr. James Blakely, noted Texas humorist, will

be the banquet speaker. Ross Borrett, school board member from Ysleta ISD and incoming president of TASA, will preside at the final general session on Monday noon. Former U. S. Senator Sam Ervin will make the luncheon address.

Registration for the convention begins at 8 a. m. on Saturday and continues at scheduled times through noon Monday. Exhibit viewing is scheduled from 9 a. m. to 7 p. m. on Sunday, and 8 a. m. to noon on Monday.

TASA has scheduled its Delegate Workshop for 10 a. m. Saturday with the Delegate Assembly at 1:30 p. m. TASA will hold its Membership Meeting at 2:30 p. m., also on Saturday.

Sunday's agenda calls for the opening session, demonstrations of promising practices, public relations mini-clinics, and the banquet.

Topic discussion groups are slated for three times on Monday. The luncheon will be at 12:15 in the Banquet Hall.

Registration is open to both members and nonmembers of the Texas Association of School Boards and the Texas Association of School Administrators. For further information, contact either the TASA or TASA office in Austin.

## Briscoe Names September "Foster Grandparents Month"

As part of the Bicentennial Celebration, Governor Dolph Briscoe signed last Wednesday afternoon in the State Capitol a proclamation, declaring September as the Foster Grandparent Month throughout Texas.

Earlier in the day, Lucy Johnson Nugent, daughter of former President Lyndon Johnson, addressed the Foster Grandparents in front of the LBJ Library and was elected an honorary Texas Foster Grandparent.

Both events were part of the Recognition Ceremony for the Foster Grandparent Program nationwide, initiated ten years ago under President Johnson.

Close to 400 Grandparents and their project directors from Austin, Abilene, Corpus Christi, Denton, Houston, Lubbock, Lufkin, Mexia and San Antonio participated in a day of activities, coordinated by ACTION Agency through the Governor's Committee on Aging.

The Foster Grandparent Program is part of ACTION,

the Federal Agency for Volunteer Services, created by the President and Congress in 1971. It provides senior citizens age 60 or older with income supplements and opportunities to work part-time with children in pediatric wards, homes for deprived youth and institutions for mentally retarded, emotionally disturbed and physically handicapped children. Among 13,000 Grandparents currently serving nationwide, 739 are in Texas.

Present at various activities were Austin's Assistant Mayor Jimmy Snell, State Representative Wilhelmina Delco and City Councilwoman Margaret Hoffman. Jack Leach represented the Texas Department of Mental Health & Retardation, Vernon McDaniel, Richard Thomas and Darrell Carr come on behalf of the Governor's Committee on Aging. Also on hand were ACTION Program Operations Officer in Dallas, Weston Ware, and State Program Director in Austin, Robert Hernandez.

There is a Foster Grandparent Project at the Lubbock State School, established three years ago. Presently, 72 Grandparents, 59 among them women, work with two children each, four hours a day, five days a week, helping them to grow physically, emotionally, intellectually and socially. In addition to satisfaction that comes from being needed and making their children happy through many years of care and affection, the Lubbock Grandparents receive a small stipend, daily hot meal at noon, transportation reimbursement to and from their project, an annual physical examination and insurance against on-the-job accidents. Mr. H. D. Redus is the director of the Lubbock Foster Grandparent Project.

Abernathy residents serving as foster grandparents are Mrs. Francis Howard, Mrs. Edna Jones, and Mrs. Ruth Phillips.

## Ex-Students Urged To Plan For 1976 Festivities

July 3, 1976 is the date named for Abernathy ex-students' activities to be held in conjunction with next year's annual Fourth of July Celebration. All ex-students of Abernathy Schools are urged to begin planning their vacations NOW to coincide with the ex-students' activities, which will begin July 3, and continue through the following day. Official observation in the city of the nation's 200th anniversary and Independence Day activities will be held July 5, according to David Pinson, named by the local chamber of commerce to head plans for the ex-students' reunion.

## Former TUCO Manager Named To Manage Southwestern's Plant X

The promotion of Willie Florence to manager of Southwestern Public Service Company's "Plant X", has been announced by Roy Thomas, superintendent of production for the electric company in Amarillo.

Florence replaces Bob Drake who is retiring after almost 30 years of service with SPS.

Florence started his career with Southwestern at the TUCO Plant, near Abernathy, in 1948. He served in various capacities and in 1961, was appointed plant manager. When the TUCO plant was closed in 1968, Florence was transferred to "Plant X" as assistant plant manager.

Florence is a 1948 graduate of Texas Tech with a degree in civil engineering, has also completed the SPS plant skill improvement course, vocational training program and various other job-related courses. He has attended the supervisors' conference for SPS employees.

**City Garden Club Has First Meeting**

Abernathy City Garden Club had its first meeting of the season Thursday, September 11, in the city hall club room with twelve present.

Roll Call was answered by each member with the description of her favorite annual. Mrs. Vera Hawkins and Glenna Downs were hostesses, and led the group in reading the new club collect.

Those present were Mmes. M. M. Bell, Harland Downs, J. M. Gardner, Ed Heath, R. V. Hill, J. C. Pope, N. M. Rogers, Floyd Shipman, J. C. Veach, and Mrs. Vera Hawkins.

**Local 4-H'er Wins Honors At Floyd County Show**

Ricky Rhodes took top honors in both divisions of the Floyd County Steer Show in Lockney, Saturday.

Ricky exhibited his 860 pound Hereford named "Pete" in the feeder division and his 1200 pound cross named "Big John" fat division. He received "Grand Champion" trophies for each steer.

Ricky will exhibit both steers at the Tri-State Fair in Amarillo on Sept. 20th and then show his crossbred steer at the State Fair in Dallas on October 16th.

Ricky is the son of Mr. and Mrs. Dennis Rhodes. He is an eighth-grade student at Abernathy Junior High School.

For by grace are ye saved through faith; and not of yourselves: it is the gift of God: Not of works, lest any man should boast. (Eph. 2:8-9)

**FFA SWEETHEART; PLOWGIRL NAMED**

Abernathy FFA chapter, in a recent meeting, named Misses Susan Davenport and Melinda Huffaker as chapter Plowgirl and Sweetheart, respectively.

Miss Davenport, daughter of Mr. and Mrs. Curtis Davenport, is a 17-year old senior at Abernathy High School.

She is co-head cheerleader for the 1975-76 school term, and is currently serving as president of the school's National Honor Society. She is involved in Future Teachers of America and in the drama and science club.

Susan will work on the FFA scrapbook for the local chapter, and will attend numerous contests representing the chapter with sweetheart Melinda Huffaker.

Miss Huffaker is the daughter of Mr. and Mrs. Donald Huffaker, and is also a senior student at Abernathy High School.

**Child Abuse Is Topic For HD Club Meeting**

The Great Society Home Demonstration club had its first meeting of the season September 8th at the Neighborhood Center, with 28 members and guests present.

Maybelle Glass, the new president, presided. Roll call was answered with each person relating something they had learned from a child.

Kent Bridenstine, a social worker with the Plainview welfare office, presented the program on child abuse.

He prefaced his lecture with the showing of a film, and told the group that child abuse is divided into three categories: physical abuse, sexual abuse, and emotional abuse. Neglect is divided into two categories; physical and emotional.

He reminded those present that approximately 4,000 cases of suspected child abuse were reported in the state in 1973, and 1974 showed a great increase over this figure.

According to Bridenstine, child abusers are not necessarily psychotic or mentally ill, but are usually characterized by immaturity and insecurity.

The group was also told that Texas law now makes it a misdemeanor to fail to report child abuse. To report child abuse, a party should call this toll-free number, day or night: 1-800-292-5400.

Guests present at the meeting were Rev. Grace Watts of Hale Center, Jean Kveton of New Deal, Dean Westmonland of Hale Center, Mansel Garza, Mary Barion, Julia Costellas, Adella Lopez, Canvina Garza, Presilliane Mejoardo, Maribelda Mejoardo and Lupe Mejoardo.

Members present were Alice Pace, Maybelle Glass, Alberta Wolfe, Nommie Riley, Olean Mathis, Yoseza Garcia, Catherine Martinez, Rosey Honeycutt, Marge Rosas, Georgia Garza, Pauline Cortez, Antonio Garza, Rosinda Garza, and Terry Ann, Imogene Suttle, Mario Bantanco, and Natilidad Torre.

Layton Dorell of Abernathy and his son Glenn Dorell of El Paso were in Mexico last week on a fishing trip.

Robert Adams underwent surgery Tuesday at Lubbock's St. Mary's Hospital.

**"RAYS OF HOPE"**  
by Pat Stanton

The Bible tells us that every chapter, verse, and book written within its pages is inspired by the divinity and nature of God.

Therefore, we can assume that the very heart of God is contained in what we now call the Holy Bible. God created man in His own image in such a way that it is possible for mere man to actually talk and correspond with God.

God's love was so great that He showed his true likeness in the Son, Jesus Christ. His love for his created man was so strong that he allowed his deity to be lowered to that of human flesh and likeness (John 3:16, John 1:14).

The life of Jesus Christ in the flesh is a tremendous story of true love and grace. The grace and flow of God's goodness came to earth on the wings of glory.

Jesus taught all men how to act and re-act in all situations. He was full of grace and truth.

As we read the Bible from day to day, we can actually receive more of the nature and likeness of God. As we meditate and allow the spirit of the scriptures to be more at home in our hearts, we are allowing our spiritual nature to dominate our body, mind, will and emotions.

The Psalmist wrote in Psalm 1 that the man who meditates day and night in the word of God will prosper in all things. This is how powerful and life-changing that God's word is. Psalm 138:2 states that God honors His word even above His name. Proverbs 4:20-22 de-

clares that the reading and application of God's word actually brings life and health.

Read the Bible daily. Apply it's truths and you will find something new and exciting happening in your life. Leave off the study of God's word and you will find your mind filled with fear, anxiety, and the life style of the world.

Now faith is the substance of things hoped for, the evidence of things not seen. (Heb. 11:1)

But without faith it is impossible to please him: for he that cometh to God must believe that he is and that he is a rewarder of them that diligently seek him. (Heb. 11:6)

Mrs. Carlton Clayton and children of Rustin, La. visited her parents Mr. and Mrs. Melvin Johnson recently. Also visiting the Johnson's was Mrs. Johnson, step-mother Mrs. Mertie Snider of Hurst.

Ice cream is easier to serve if it is transferred from the frozen food compartment to the refrigerator shortly before serving.

Jane Goheen and Jim Forbes were the honor attendants, and Condy Billingsley performed the ceremony.

The bride was graduated from Abernathy High School and is employed by the Lub-

bock Avalanche-Journal.

The bridegroom, son of Mr. and Mrs. Charles Nelson of Abernathy, is also a graduate of Abernathy High School, and is employed by Nelson Automotive.

A rehearsal dinner preceded the wedding ceremony September 4 at the Gridiron Restaurant in Lubbock.

Table decorations featured a centerpiece accented by a memory candle, a token provided by the parents of the groom. The candle had been a part of the decor at their own wedding.

**ABERNATHY MOTOR COMPANY IS LOCAL P. P. & K. SPONSOR**

Local youngsters will be "dusting off" their footballs and loosening up their throwing arm soon for the 1975 Punt, Pass & Kick competition, to be held Saturday, October 4 at 9:30 at the football field.

This year the local level of PPKK will be co-sponsored by Abernathy Motor Company in conjunction with

participating Ford Dealers in the area.

Nationally PPKK is celebrating its 15th anniversary. It is sponsored by the Ford Dealers of America in cooperation with the National Football League. Since it was started in 1961, the program has attracted more than 11.5 million youngsters--and participating this year is expected to top the 1,200,000 mark.

Participants in the Punt, Pass & Kick program compete only against others their own age. Any youngster 8 through 13 years of age, accompanied by a parent or guardian, may register to compete in PPKK at any participating Ford Dealer. There is no entrance fee and no body contact during competition. No special equipment is needed and participating does not impair a youngster's amateur standing.

Scoring is based on accuracy and range with one point added for every foot of punting, passing and kicking distance, and a point subtracted for every foot off a center line.

Registration in the local PPKK program ends October 3, and youngsters can register at the Abernathy Motor Company showroom. Registrants should be accompanied by their parent or guardian.

**4-H PROGRAM PROVIDES OPPORTUNITIES FOR YOUTH**

The 4-H foods and nutrition project enables youth to set goals and provides opportunities and activities for achieving these goals in nutrition, food buying, meal planning, food preparation, food safety, and social and cultural roles.

It is the responsibility of 4-H food and nutrition leaders to:

1. Help the 4-H'er set realistic goals for a food and nutrition project.
2. Help provide opportunities for 4-H'ers to learn basic nutrition, food buying, meal planning, food preparation, and storage information through regular group meetings.
3. Attend all 4-H Food and Nutrition leader training meetings conducted by the County Extension Agent.
4. Enlist the help of junior leaders and other project meetings.
5. Invite parents to group meetings so they will understand the program, and you will have an opportunity to enlist their cooperation.
6. Teach project members how to keep records of food and nutrition project work.
7. Provide opportunities for group members to participate in club and county achievement events.

8. Visit the homes of project members to show interest in the child and parent.
  9. Report progress regularly to your county extension agent.
- In preparation for the county 4-H Food and Nutrition program, there will be a leader training meeting on Thursday, September 18. The meeting will be at 9:30 a.m. in the Extension Office conference room. All 4-H leaders and interested parents are invited to attend.
- For more information on the 4-H Food and Nutrition program, contact Karen Miller, County Extension Agent.

## SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

Little Nancy had always lived in the city, and she loved her nursery rhymes. She visited a farm one day for the first time, and she was fascinated by three little pigs. "Look at them!" she exclaimed. "Why are they just lying around? Shouldn't they be going to market or doing something?"

Many pastors often feel the same way. They have read stories of the early Christians who sacrificed to serve the Lord. And they wonder why so many present day Christians are like the three little pigs on the farm - just

lying around and doing nothing. The Christian is not saved because he works. But he works because he is saved. If he is not working one cannot help but wonder if he is saved.

By lip and by life, by works and by our words we should serve our Lord; and not only Him but all who are His.

Long ago one said in Psalm 134:1, "Behold, bless ye the Lord, all ye servants of the Lord."

Only the worker is a blessing. The shirker is a blight.

### BOY SCOUTS INVITE NEW MEMBERS IN "PRESIDENTS ROUNDUP FOR SCOUTING"

Boys in this area are being invited to join Scout troops or Cub Packs as part of the annual fall membership program of the South Plains Council, Boy Scouts of America.

The name of the program this year is "The President's Roundup for Scouting." Boys interested in the Scouting program may contact V. A. Dodson at 298-2882 or Laurin Prather at 298-2790.

Directing the membership program is John Herrer, Council Chairman for the President's Roundup.

The Cub Scout program is a family-centered program for boys who have completed the second grade or will be 8 through 10 years of age. They meet weekly as a den under

the supervision of a den leader. Monthly, all the dens come together for a pack meeting led by a Cub-master. Boys start as Bobcats and through achievements earn Wolf, Bear, and Arrow of Light awards.

The Scout program is for boys who have completed the fifth grade or who are 11 through 17 years of age. It is designed to develop character, mental and physical fitness, and citizenship training. The focus is on rounding out one's physical and mental fitness through a vigorous program of activities. Boys join patrols and elect their own patrol leader. They usually meet once a week as a troop under the guidance of a Scoutmaster. A boy joins as a Scout and can achieve Tenderfoot, Second Class, First Class, Star, Life and Eagle progress awards.

### ADULT CLASSES UNDERWAY AT LOCAL SCHOOL

Free adult education classes, including basic and G.E.D. courses, began for out-of-school youth and adults here September 15, with classes meeting Mondays and Thursdays from 7:00 to 9:00 p.m. in the Academic Center at Abernathy Junior High School.

Instruction includes reading, writing, English, arithmetic, English speaking, and help in passing tests required for obtaining U.S. citizenship papers. Also included are instruction in modern math, arts and crafts, and others.

The adult education program is designed to improve a person's ability to secure employment, qualify for a job promotion, achieve a certificate of high school equivalency, and to become a more efficient consumer and a more active citizen. Charles Bowen is director of the program.

Therefore being justified by faith, we have peace with God through our Lord Jesus Christ by whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God. (Rom. 5:1-2)

Night foundation is a lot of fun. Intensify your make-up. Start with a glosser or moisturizer, then your favorite foundation.

Contouring at night is very effective. Apply a rust color along cheekbones past corner of eye. Sable hair brushes should be in your cosmetic case.

Always use brush strokes when applying color. Light across the forehead and top of cheekbones. Eye shadow can be applied more liberally to give eyes depth. Turquoise and brown shadow will give you the new teal blue.

## Newcomer Expresses Enthusiasm On Move To Abernathy

A newcomer to Abernathy from Page City, Arizona, Mrs. C. C. Williams says she likes her new home "very well" and is glad to be back in this area, where both she and her husband can be near their families.

Wanda hails from Hereford, Texas, and her husband is a former Dimmitt resident. He was branch manager of Mingo Co-op in Page City before their move to Abernathy, where he is manager of local Anderson Grain Corporation facilities.

The couple and their two daughters, Cindy and Raylene Fitzgerald, and son Billy Fitzgerald, have lived in Abernathy for almost one month. Cindy is a sixth grader at Abernathy Junior High and Raylene is a freshman at Abernathy High School. Billy, 19, is employed with his father.

Mrs. Williams also has two other sons, Phil and Gary of Cordell, Okla., and a daughter Kay Stevens, of Tucson, Arizona. She is also the grandmother of seven.

Wanda lists the local school system as a notable reason for her liking for her new home.

"I really like the school system here," she says. "Abernathy, for a long time, has had a reputation for its excellent school system."

Another plus for Abernathy, according to Wanda, is the fact that it's a small town, she says, "but I like to have access to a large town, too."

She says that her two daughters and son enjoy Abernathy, too.

"The girls had their minds made up before we moved not to like it here," she smiles, "but they've already changed them. Billy is really enthusiastic about Abernathy, too."

In addition to sewing for herself, her daughters, and daughters-in-law, Wanda says she enjoys making handbags and clothes bags for others. She also enjoys handcrafts, and collecting antique furniture, of which she has some beautiful examples.

She and her husband enjoy fishing, and playing cards when he has some time off, and the family travels often,

visiting relatives in the area. (They traveled to Cordell Oklahoma last week to visit a brand-new grandson there.)

Wanda will also be working with the local Girl Scouts organization, serving as assistant leader of Junior Scouts troop number 413, which includes fifth and sixth grade girls.

Another project she plans begin soon is the refinishing of her two daughters' bedroom furniture.

Wanda's recipe for this week is one for Butter Nut Cake, which she recommends as "the best you've ever tasted." Its richness and texture made it one of her favorites. She says that butter nut flavoring sold by FFA members at state fairs is the best she's found.

**BUTTER NUT CAKE**  
from the kitchen of Wanda Williams

- 3 cups sugar
- 1 small can evaporated milk
- 2 sticks oleo
- 5 eggs
- 1/2 cup shortening
- 1/3 cup water
- 1/4 teaspoon salt
- 3 and 1/4 cups flour
- 2 tablespoons butter nut

## PUBLIC NOTICE

### SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S.J.R. NO. 11)

#### SPECIAL ELECTION NOVEMBER 4, 1975

### PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

**"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS of the Texas Constitution."**

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

### PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

**"The constitutional amendment revising the JUDICIARY PROVISIONS of the Texas Constitution."**

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

**"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS of the Texas Constitution."**

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

**"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."**

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

### PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present dedication of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

**"The constitutional amendment revising the FINANCE PROVISIONS of the Texas Constitution."**

If adopted by the voters, will become effective on September 1, 1976.

### PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to contribute more than 10%.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

**"The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."**

If adopted by the voters, will become effective on September 1, 1976, except Article VIII, Section 2, Subsections (b) and (c), which becomes effective January 1, 1978, and Article VIII, Section 6, Subsection (c), which becomes

effective January 1, 1979.

### PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

**"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS of the Texas Constitution."**

If adopted by the voters, will become effective on September 1, 1976.

### PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

**"The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."**

If adopted by the voters, will become effective September 1, 1976.

tribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

**"The constitutional amendment revising the GENERAL PROVISIONS of the Texas Constitution."**

If adopted by the voters, will become effective September 1, 1976.

## TEXAS TALK

By Harold Thompson

**Complaining about the cost of food has been an ardent avocation of man ever since Adam found out the price of an apple. Just how much are we paying compared to the rest of the world? Samplings made earlier this year showed when steak was \$1.69 a pound here it was \$3.15 in Rome, \$2.92 in London, \$4.73 in Stockholm and a whopping \$16.00 in Tokyo. What about the price of eggs in Brussels you say? 90 cents there, \$1.29 in Copenhagen, 83 cents in Mexico City while we were paying 74. Our cost of butter was 89 cents a pound compared with \$1.73 in Paris, \$1.36 in Brasilia and \$1.57 in Bonn. Adding bacon to the breakfast table was costing \$3.41 cents in Paris when we were paying \$1.56. At the same time, bacon consumers in Copenhagen were complaining about the price of \$2.71 and the grumbling figure in The Hague was \$3.08. Fact is, we obviously have a pretty good deal when it comes to food prices.**

I was reading a book last weekend and there was a story in it that really has a real truth in it. I would like to share it with you. There was a man standing at a city gate and a man came up to him and ask what kind of people live in your city? The man at the gate said, "what kind of people lived in the city you came from?" He said, "they were not kind, evil, and demon posed. The man at the gate said, to him "that is the kind of people that live here".

Another man came by the man standing at the gate and he ask the man what kind of people live here in your city? The man again answered with a counter question. What kind of people live here in your city? The man answered, "they were kind, helpful and God loving." The man at the city gate answered, this is the kind of people that live here in our city.

I thought this was such a good story because we really do get out of life what we look for. It reminded me of a scripture, in Galatians. Be not deceived; God is not mocked for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting. And let us not be weary in well doing for in due season we shall reap, if we faint not. (Gal. 6:7-9) If we look for the good in people and are kind we will get the same in return. There is a portion of scripture in the fourth chapter of Philippians that I really love to read. It is a real challenge to do what this scripture says each day. The only way I have found out that I can do it is when I really turn the day over to the Lord and ask Him to live through me. When I get to the point that I feel grumpy and out of sorts I think about a scripture that is in Isa. 40:31. But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, not be weary; and they shall walk, and not faint.

I heard a lady explain this scripture that has really helped me. She said, the word renew in the Hebrew is exchange. She said, that when we can exchange it for the strength of the Lord, I think that is so exciting and I know it works because I have tried it. I don't understand why

God would want my weakness but, I know when I ask Him to take them He is faithful to take them and give me a renewed strength. Praise the Lord.

Mr. and Mrs. Tommy Overstreet are the parents of a son, Christopher Tad, born September 10 at Methodist Hospital in Lubbock. He weighed seven pounds, five and one-half ounces at birth, and is the grandson of Mr. and Mrs. Virgil Overstreet.

### WHAT'S NEW AT NORTHSIDE??

By Frances Gardner

We had another good day in the Lord Sunday. We welcome into our membership Mrs. Mary Ann Holliman and Sherry Dilbeck.

Our new pew cushions are on and real pretty as well as very comfortable. We have to nudge our neighbor every once in a while to wake him up, they are so easy to sit on.

Next Sunday, September 21, we will be having a deacon ordination service at 2:30 to ordain Tom Conway and Ralph Hanes as deacons. Everyone is invited to come and participate in this service.

Vicki Gardner spent the weekend here with her parents the Doug Gardners.

For whosoever shall call upon the name of the Lord shall be saved. (Rom. 10:13)
