

**HOMECOMING QUEEN AND COURT** -- Abernathy High School's 1975 Homecoming Queen, Dorothy Chambers, (center), and her court as they appeared last Friday at the AHS downtown Homecoming pep rally. Front row, left to right are Misses Debbie Knox and Melinda Huffaker, queen candidates; Angela Aldridge, crown bearer; Queen Dorothy, and queen escorts Beth Trolinder, Denise Knox and Kathy Shipman. Escorts, from left to right, back row, were Stanley Horsford, Ron Presley, Wayne Riley, Pete Stracener, Kirk Snodgrass, Wayne McGuire and Merle Paterson. (staff photo)

## HISTORICAL SOCIETY AIM IS PRESERVATION OF AREA HERITAGE

The Hale County Historical Society is active in preserving the heritage of our area. Markers are being placed at points of importance to this heritage.

These activities along with other historical preservation efforts have made the Hale County group one of the most successful in the state. The society received its impetus to organize from a law passed by the legislature promoting such county-size aggregations.

The society is financed by membership (\$5 annually per person) and subscriptions to a quarterly publication called "Hale County History" costing \$8 per year. The society also gets some financial support from the commissioners court.

There is a need for more membership support. Anyone wishing to support this project can learn more about how it can be done by calling Mona Toler or Mr. or Mrs. Arno Struve.

One of the more successful projects has been the initiation and now the visible fruition of the construction of a building for the housing of a museum adjacent to the Wayland campus. It is well expected that the ultimate success of the museum will depend on its support by Wayland and its history students.

We would urge you to consider membership and/or purchasing a subscription to the quarterly. The next historical marker project sponsored by the society will be the placing of a marker at 1200 N. Broadway in Plainview this being the location of the Santa Fe Depot.

The marker will read as follows: "The Santa Fe Railroad in Plainview operating in the Texas Panhandle since 1886, the Santa Fe Railroad

about 1900 laid plans to extend its line into the rich agricultural domain of the South Plains. Meantime, Plainview leaders saw the need for better transportation and in 1903 raised \$75,000 to use in promoting a rail connection.

J. N. Donoho, Dr. Lee Dye, W. E. Dyer, L. S. Kinder, L. A. Knight, Charles McCormack, J. H. Slaton, R. P. Smyth and Dr. J. H. Wayland led this endeavor.

The City and the Santa Fe came to terms, and the first train reached here on Dec. 31, 1906. Regular service soon followed, and old-timers rejoiced when train whistles heralded an end to isolation.

Once or twice a week, land agents arrived with trainloads of prospective settlers. Local builders constructed a courthouse, new schoolhouse, new city hall, an electric plant, an opera house, residences and business buildings. Soon the Wayland Literary and Technical Institution was under construction.

Railroad service made a

## Methodist Youth Set Chili Supper

The Youth of United Methodist Church invite you to a Chili Supper on Sunday night November 16th at 7 p. m. They are offering a free turkey to some lucky person who buys a bowl of Chili. The prices for the chili are \$1.50 for adults and \$1.00 for children under 12 years of age. Pie will sell for 25¢ per slice.

This project will help the youth finance some of their special programs through the year.

## SUNSHINE GROUP TO MEET NEXT THURSDAY

The Sunshine Group will have Thanksgiving Dinner early this year as they meet next Thursday, November 20 at 11:00 a. m. in the City hall club room. The group invites everyone to attend and partake in the meal of turkey and dressing.

## COMMUNITY THANKSGIVING SERVICE SLATED

The annual Community Thanksgiving Service has been planned for Sunday evening, Nov. 23rd, at 7:00 p. m. at First Baptist Church Rev. Al Jennings, Pastor of the United Methodist Church, will preach the Thanksgiving message this year. Charles Riddell will direct the music, and Rusty Tomerlin will lead the youth choir.

## ANTELOPES FALL TO LOCKNEY LONGHORNS 15-6 IN DISAPPOINTING HOMECOMING CONTEST

For the most part the 1975 Homecoming activities were staged with great enthusiasm. Beginning with the annual bonfire, downtown pep rally and homecoming queen coronation. It looked as if Abernathy was headed for another successful weekend.

With the preliminary events out of the way, Abernathy fans filed into Antelope

stadium to witness the final and most important act of the show (the football contest).

The Antelopes, chief aim in the final act was to bring home a victory over the visiting Lockney Longhorns. The Longhorns having other ideas, completely stole the show, defeating the Lopes 15-6 to spoil homecoming 1975.

### I QUARTER

The Antelopes received the opening kick-off, but had no luck in moving the football. Lockney took over on downs and promptly showed the home folks they meant business. After 5 consecutive first downs the Longhorns scored the first touchdown of the night. Extra point was good and the first quarter ended 8-0.

### II QUARTER

The Antelopes got on the scoreboard early in the quarter, with an 11 yard run by quarterback Riley. The play was nullified by a personal foul penalty, and the Lopes found themselves a gain in deep trouble. With a fourth down and twenty-five yard situation facing the Lopes, Robby Shipman attempted a field goal. The kick was short and the Lopes gain gave up the football.

The remainder of the 1st half was defense. Stanley Horsford grabbed an interception at mid field, shutting out a spirited Longhorn drive. Neither team could score and the 1st half ended 8-0 in favor in Lockney.

### III QUARTER

Turnover put a damper on the Lopes offensive attack during the last half. The Lopes lost the ball on 3 pass interceptions. One in the 3rd quarter and two in the final minutes of the 4th quarter. Neither team scored during the 3rd stanza leaving the score 8-0 still in favor in Lockney.

### IV QUARTER

Lockney got on the scoreboard early in the final quarter. Extra point was good and the score read 15-0 with 10:07 left in the contest.

The Antelopes only score of the night came when Todd Thompson fell on a blocked punt in the end-zone. Extra point failed and the Longhorns led 15-6 with 3:19 left in

the game. The Antelopes last ditch attempt to pull out the game failed as the Longhorns intercepted the ball. The Longhorns run out the clock to take a disappointing 15-6 win over the Lopes.

### STATISTICS

**TOTAL OFFENSE**  
Abernathy---203  
Lockney----230

**Rushing**

## FIRM HAS NEW SERVICE MANAGER

Les McDowell is now employed as service manager at Don's Chevrolet.

He has a background of years of experience in the automotive business. He was self-employed for five years as owner of McDowell Automotive and Automatic Transmission in Lubbock, and prior to that was employed with Don Crow Chevrolet in Lubbock as service manager. His experience also includes 10 years as a mechanic.

"We feel very fortunate to have someone with Les qualifications to serve our customers," said Don Heath, owner of Don's Chevrolet. "We'd like to invite everyone to come by and meet Les."

Les, his wife Jean and their three children Steve, Shelly and Todd, will be moving to Abernathy shortly and have expressed hopes that they will be able to take part in the community.

With the addition of McDowell to the firm, Don's Chevrolet has created a new department entitled New Vehicle and Used Vehicle Service. Ed Anderson has been named manager of the new department.

"By doing this, we feel that we at Don's Chevrolet can now better serve our customers," said Heath.

## FORMER RESIDENT MISSES FRIENDS IN ABERNATHY

The following letter was received last week at the Review office. It is from a former Abernathy resident Mrs. Billie (Harral) Hines, now a resident of Fountain Hill, Ariz. Mrs. Hines was a resident of Abernathy for many years and has many friends in this community and surrounding communities.

We think it is wonderful how a small community like Abernathy has special roots for people like Mrs. Hines. I know she certainly has had a part in touching many lives around this area.

Nov. 4, 1975  
P. O. Box 480  
Fountain Hills, Ariz. 85268

Dear Vicki and Richard Havens,  
I have been receiving the Abernathy Review for a long, long time, I just would not want to be without it each week.

If you have sent me a statement for this year's subscription I have not received it, so I am sending my check. It is not the right amount, please let me know.

I was in Abernathy only one-half day before leaving on our European tour, and one half day after we returned.

It did me good to see our beautiful little town, and a few of the old friends, but oh! so many are missing! I wish I could be back for a long visit I really would not know where to start, I guess, I would start visiting all the churches, then the clubs, "1935 Study Club," "Country Garden Club," and "Music

Club," Oh well I can't, so I will just read about them all in your excellent Big Weekly Abernathy Review.

I think you are putting out a spirit filled newsy weekly full of your love and faith. This week I thank you especially Vicki, for "Thoughts From Within". I shall be looking for more.

God Bless you both, and all of your little family.  
Sincerely with love,  
Billie (Harral) Hines

Dear Mrs. Hines,  
Richard and I committed this paper to the Lord when we took it over and we give Him the credit for what He is doing. We do appreciate your words and the encouraging words from others. We feel that with all the bad news there is going on, people do like to read good news and it takes everyone in our community to help.

We do urge everyone to help us be aware of news because you that know it are the way we can learn about it. We need "I" of you to help us.

We are thankful to the Lord for sending Lori Hopson to work with us. She does a fine job and we enjoy her friendship and work. We also thank Mrs. Josh Howard who does a good job in setting the type for the paper. She is new at the job and is doing a good job.

Anytime we can be of help to any of you or if you have something for the paper please come by or call us.  
Sincerely,  
Richard & Vicki Havens

## Social Security Representative To Visit November 18

The social security representative, Jan Rackley, from the Plainview social security office will be working in the City Hall in Abernathy from 9:00 a. m. to 11:30 a. m. Tuesday, November 18. Anyone who needs assistance with a social security or Medicare claim, application for a social security number, or information about any part of social security may see her.

If more convenient, contact your social security office at 1401-B West 5th Street in Plainview. A telephone call may save you a trip. Our number is 293-4371.

## FORMER RESIDENT TO RETURN TO CITY

A new home being built in Abernathy will be that of Mrs. Lola Doss, a former resident who plans to return to her home town. The new home is being constructed just north of the Irvan Rhodes residence on Ave. H.

**BACKING THE 'LOPES**--At last week's pep rally were AHS cheerleaders Missy and Rhonda Webb. Shown in the background are members of the AHS football team. (staff photo)

## CHAMBER DISCUSSES BICENTENNIAL PROJECTS IN MEETING THURSDAY

Abernathy Chamber of Commerce met last Thursday at Graham's Restaurant in their regular monthly meeting, with reports on the progress of the city's Bicentennial projects dominating the discussion.

It was reported that the city expects to receive its Bicentennial certificate and special Bicentennial flag either in late December or early January. An official ceremony is planned for the presentation of both.

In addition the chamber members commended students in Abernathy High School art classes for their participation in the city's Bicentennial observance. The students are responsible for repainting local fire hydrants to create patriotic figures.

The chamber voted to underwrite the expenses of the Abernathy Bicentennial observance, and to pay expenses incurred to date in the development of the city's

mini-park at the north end of Ave. D.

Other discussion during the meeting included a commendation of local volunteers for their completion of EMS training, the idea of service as a major selling point for drawing and keeping customers, and the plausibility of developing a more efficient method of keeping chamber records.

In addition, chamber member Laurin Prather reported that the Chamber of Commerce-sponsored Boy Scout group had the second highest number of participants in a recent trail hike event.

The annual Chamber of Commerce spring banquet was tentatively scheduled for March 4, with March 18 set aside in the event that there is some conflict for the earlier date.

The Abernathy Chamber of Commerce will have its next regular meeting Thursday, December 4.

Your number in Abernathy for

is 298-2241

When calling for ambulance service be SURE you observe the following procedures:

1. Speak CALMLY
2. Give your name and telephone number
3. Give the EXACT location to which the ambulance is to report
4. Give the nature of the problem
5. Give the name of the patient or victim
6. If possible, HOLD THE LINE while the ambulance is dispatched

All calls to the ambulance dispatcher will be recorded for reference and to prevent errors.

(Clip and SAVE this checklist for future reference)

## AGRICULTURAL EXTENSION SERVICE SCHEDULES TAX WORKSHOP

The Texas Agricultural Extension Service is cooperating with the Internal Revenue Service in offering 18 Tax Practitioner Workshops across the state reports Ollie Linder, County Extension Agent. The nearest workshop for our area will be held in Plainview on the 20 and 21 of November at the Chamber of Commerce meeting room from 9:00 a. m. to 4:30 p. m. each day.

These two day workshops are specifically designed for tax practitioners who work

## MINISTERIAL ALLIANCE NAMES NEW PRESIDENT

There was a meeting of the Abernathy Ministerial Alliance Tuesday morning. The group elected Rev. Billy Duncan, Nazarene pastor, to serve as president. Rev. Al Jennings, pastor of the Methodist Church was elected to serve as vice-president. Plans for the Community Thanksgiving Service were completed. It will be Nov. 23 at 7 p. m. in the First Baptist Church. The financial report indicates that a generous offering is needed at this service.

The pastors voted to sponsor a food pounding for the Community Food Pantry, to be brought at the time the Christmas Cantata is presented at the Methodist Church. The food will be placed under a large Christmas tree in the sanctuary.

Mrs. Cal Tucker visited with the pastors and shared her enthusiasm about Bicentennial plans. All Abernathy ministers are invited to attend a ceremony in which a Bicentennial flag will be presented to the community.

The meeting was closed with prayer, asking God's special help for Abernathy churches who are without pastors, and for Abernathy pastors who are sick.

extensively with farmers and ranchers. Topics to be covered include What's New for '75, Residential Credit, Soil and Water Conservation, and Land Clearing.

It is necessary that participants pre-register immediately if they wish to attend. Tuition will be \$15.00 and checks should be made payable to the Director's Custodian Fund, and mailed to the County Agents Office.

For additional information please contact the County Agents Office for a brochure explaining more about the program.

## F. F. A. BEGINS ANNUAL SALE

The Abernathy Chapter of the Future Farmers of America met Tuesday, November 4 in the gold auditorium of the Junior High School. The fruit sales were brought to the attention of the chapter and members were given sales books for the selling of the fruit. The fruit will sell at \$5.50 per large box and \$4.00 per small box. The fruit will be delivered in the second week of December and each student is responsible for the delivery of their own fruit.

Bart Scott, who recently was elected as reporter of the Plainview District, received his district officers jacket.

If you would like to purchase fruit, but have not been contacted anyone call any member of F. F. A. See their ad in The Review.

## THANKSGIVING DINNER SCHEDULED

Members of Abernathy Church of the Nazarene will gather November 23 for a Thanksgiving Dinner at the church's fellowship hall.

**ANTELOPE AID**--was the theme used in decorating this car, belonging to a school-spirited AHS student. This, and other autos were decorated last Friday in support of the Antelopes for their 1975 Homecoming game. (staff photo)

## Mowers Stolen From Local Cemetery

It was reported late Tuesday afternoon to the Review office that there was a riding lawn mower, a International 124 estimated cost about \$2,000 and a gas lawn mower was stolen from the building of the Abernathy Oddfellow Cemetery. The mower was used last Friday by the caretaker of the cemetery. It was also reported a 1 1/2 m mower was taken from the Hale Center cemetery.

## SMITHS MOVE TO NEW HOME

Mr. and Mrs. Jim Bob Smith and family have moved to their new home on Ave. H in the Phillips Addition. They sold their home at 608 5th St. to Mr. and Mrs. Hugh Vaughn, who moved there from 411 Ave. D.

**GREAT SOCIETY CLUB SPONSORS  
FILM ON VENEREAL DISEASES**

The Great Society Home Demonstration Club had an audience of 36 to view the educational venereal disease film which they sponsored at the Abernathy Neighborhood Center November 5.

Mary Lou Truesdale from the Public Health Department in Plainview showed the film, and in unambiguous language, answered the very frankest questions.

It is the opinion of the health officials that this film should be viewed by every teenager. It was pointed out by Miss Truesdale that a woman may have gonorrhea for sometime and not know it.

At least 600,000 American females between the ages of 15 and 40 have the disease and are unaware of the fact.

Public health officials call this the "silent reservoir of infection," because many of these symptom-less females will expose a number of persons to the disease.

Miss Truesdale reminded the group that she treats a patient and his or her contacts in complete privacy. A young person maybe treated without parental consent in absolute confidence and for gratis.

It must never be forgotten that untreated venereal disease

can be the beginning of insanity, crippling, paralysis, heart disease, blindness, or deafness, and in some cases may even lead to death.

Mrs. L. A. Suttle, Reporter

**Cottage Construction Announced**

A joint meeting was held Monday, November 3, 1975 by the Lubbock Lion's Club and Texas Boy's Ranch Board of Directors to announce the construction of the second cottage at Texas Boy's Ranch. The Lubbock Lion's Club, one of the largest in the world, consented to fund this 4200 square foot structure which will provide a home for ten more troubled boys.

Texas Boy's Ranch is located 2 1/2 miles east of Lubbock, Texas on Liberty Road. Their first cottage was finished this spring and is the home for ten youngsters from the South Plains area. "There is a tremendous demand for our facility as more and more agencies and organizations are recognizing Texas Boy's Ranch as a possible placement for their children," stated Roger V. Engels, Executive Director for Texas Boy's Ranch.

Mrs. Eddie Austin is a patient in Methodist Hospital, Lubbock.

**HOMECOMING QUEEN**--Dorothy Chambers sits in the place of honor during last Friday's Queen coronation ceremonies. Dorothy is the daughter of Mr. and Mrs. Joe Chambers, and was selected as 1975 Homecoming Queen by a secret ballot vote of the AHS student body. (staff photo)

**AHS NUMBER ONE**--In spite of last Friday's disappointing loss to Lockney, AHS students continue to exhibit the "Number One" spirit which has always characterized the school. Shown here is an example of the support given the "Lopes by the Junior Class, which also was recognized for their Homecoming hall decorations. (staff photo)

**SOUTH PLAINS COLLEGE  
SLATES HOMECOMING ACTIVITIES**

LEVELLAND--Homecoming and Parents' Day at South Plains College, scheduled Nov. 14-15, will feature a full round of activities for SPC students, their parents, alumni and faculty.

Friday's (Nov. 14) activities will feature coronation of the Homecoming Queen during a pep rally at 10:30 a.m. in the Women's Gym, followed by a bonfire at 6:15 p.m. that evening. The Texanettes, coached by Gayle Nicholas, will open their season at 7 p.m. in the Texas Dome against Angelo State University.

A day-long slate of activities is scheduled for Saturday, Nov. 15. Parents' Day registration in the Student Union Building and Texas Hall at 11 a.m. Saturday (Nov. 15) will precede a Parents' Day luncheon at 11:30 a.m. in Texas Hall.

Featured performers for a 1:15 p.m. Parents' Day program will be the Bakers Dozen Stage Band, Blue Grass Ensemble, "Fresh Start," and Progressive Country Band.

Open house of all SPC facilities and a reception for faculty, students and their parents in the S-B will coincide from 2:30 to 4:30 p.m. The Homecoming Queen

and her court will be introduced at the pre-game activities beginning at 7:30 p.m. in Texas Dome. The Homecoming game between the Texans and the Lubbock Christian College Junior varsity will start at 8 p.m. in the Dome.

Halftime activities for the game will include announcement of Parents' Day and dorm decoration awards and a performance by the Tex-Anns, women's drill and dance team at SPC.

A Homecoming dance in the SUB and a reception for SPC alumni in the Sundown Room, both set for 10 p.m., will wind up the festivities. Music for the dance will be provided by "Easy".

**EDWARDS FAMILY  
HAS VISITORS**

Visitors in the home of Mr. and Mrs. Lloyd Edwards last week were Mr. and Mrs. Tracy Watson of Houston. Mrs. Watson is Mr. Edwards' sister. His mother, Mrs. G. A. Edwards of Wolforth, Texas, was also a visitor in the Edwards home.

**LETTER THANKS  
CHURCH  
FOR SUPPORT**

The following letter was sent to the pastor and congregation of St. Isidore's Church by Jesse Duran, who has been selected to represent the church at a National Catholic Youth Congress in San Antonio early this month.

"I, Jesse Duran, Jr., am very grateful that I was chosen to represent St. Isidore's Church at the National Catholic Youth Convention.

I ask from each and everyone of you that you pray that I bring back some useful, important things for the church. I want to thank the people who donated money to make this trip possible.

It is good to know that everyone is working together to help one another. In my heart there is a very special place for Father Corcoran, the Searchers, and you people."

Thank you,  
Jesse Duran, Jr.

Lille Mae Wilson visited in Spur last Saturday to attend a wedding shower in honor of her grandson and his wife, Mr. and Mrs. Dennis Wyatt.

One of the ideas drifting out of the Industrial East is that farmers need to give up tractors and irrigation and return to the horse and mule as power sources. Along with this minor change the farmer could also give up modern pesticides and fertilizers. The thought if there was any behind this nostalgic notion was that the energy saved would alleviate the fuel crisis and that the jobs created would solve the unemployment situation. . . . couple of problems with this idea. First we would have to wait until 1993 in order to have enough horses and mules to go to work. Then there's the matter of 180 million extra acres to feed the 61 million animals required. Then there's 27 million people needed to take care of the 180 million acres and 61 million animals. Top it all off with an overall 150 percent increase in food prices and such a proposal takes on its appropriate designation . . . ridiculous!

**MARINE CORPS FOUNDED**

Two hundred years ago this week the Continental Congress created a military organization that would eventually become one of the best-known and one of the proudest of all American fighting units. On November 10, 1775, Congress authorized two battalions of marines as a component of the navy.

Congress established this unit to assist the sailors in combat since sailors had first responsibility to the ship. At the time no one thought that the unit would develop a pride and character of its own. The corps remained simply a component of the navy until 1789 when it was separately organized, although it was still attached to the navy.

Other significant naval actions also occurred in November two hundred years ago. On November 25 Congress officially declared

British ships open to capture in retaliation for British actions in attacking American coastal towns.

Very quickly thereafter on November 29 an American cruiser, the "Lee," captured the British brig, the "Nancy," which was loaded with arms and ammunition and was bound for Quebec. The capture of the military stores was a welcome addition to the depleted American supplies. Moreover, the "Nancy" was retained by the American navy and renamed the "Congress." It was instrumental later in forcing the evacuation of Boston.

Also in November Congress went further in organizing its naval forces. On November 28 Congress adopted the "Rules for the Regulation of the Navy of the United Colonies."

Even though independence had not yet been agreed to, Congress clearly saw the need for better military defense and the time when separation might actually occur.

In the meantime residents in Spanish Texas were living at a more subsistence level. The Spanish settler, sometimes aided by Indian craftsmen, made or processed most of the necessities of life. When one realizes that cattle and sheep were basic to this existence the danger of Indian raids that endangered the herds and flocks can be more readily appreciated.

The meat, hides, and wool were utilized to the fullest by the Spaniard. Wool was a necessity for the cloth to make clothes while cowhides provided the leather needed for boots, harnesses, and other essential items. Obviously, the meat of cattle and sheep provided a basic part of the diet. In addition, the fat of the animals was used for shortening and candles.

Without doubt, the animals were so basic to survival that their protection was truly a matter of life and death.

EQUAL OPPORTUNITY EMPLOYER

# Former Area Resident Returns; Says Abernathy Is 'Welcoming' Town

As a former resident of Hale Center, Abernathy's latest newcomer says she's glad to be back in the South Plains area.

Mrs. Jack Hicks, who moved here just over one month ago, spent most of her life in Abernathy's neighboring city before moving to Phoenix, Arizona a little over five years ago.

Jean, who is now the owner of Abernathy Floral, gained much of her experience in the floral business as

manager of a shop in Arizona, where her husband was associated with an automobile dealership. He is now employed as salesman for Don's Chevrolet here.

When asked how she became interested in the floral business, Jean says it happened almost "by accident", when she stopped into the shop of a friend in Hale Center "to pay a bill", and stayed to help her friend through some busy hours. Eventually, Jean ended up "helping out" for three years before the move to Arizona.

While in Arizona, Jean says she also became interested in pursuing her hobby as decorating consultant for homes and businesses, in addition to her work in the shop. This is a sideline Jean says she hopes to continue in Abernathy.

A graduate of Hale Center High School, which is also her husband's alma mater, Jean attended Hardin Simmons University at Abilene, where she majored in journalism. Her husband attended the University of Kentucky before serving for three years in the Army during World War II.

Upon his discharge from the service, Hicks returned to

Hale Center where he became engaged in farming. The two were later married in that city.

"I just love it!" says Jean of her new home. "We have never been in a town that was more friendly or welcoming to newcomers than Abernathy has been to us."

"The people seem to like to trade at home here," she continues, "and that's very important to any town. People here are really interested in what happens to their city."

Jean also says that, even though she has no children in school here, she is "very impressed" with the Abernathy school system.

"It seems to be quite a progressive system, and I think that's very important, because the youth of a community is its life."

She continues to commend the churches here, saying that people seem to be "responsive" to their churches.

For these reasons, and others, Jean says that Abernathy is "the place for us."

She adds that she and her husband had been anxious to move back to the South Plains area for sometime before they decided on Abernathy.

"We had been looking at a number of different towns where there was a possibility of becoming involved in the floral business, but Abernathy was the most appealing," she says.

The Hickses, who recently transferred their membership to the First United Methodist Church of Abernathy, have a daughter, Kyle, who is also a new Abernathy resident. She makes her home with her parents, and is currently helping in her mother's shop.

The Hick's son and daughter-in-law, Mr. and Mrs. Chris Hicks, reside in Fort Worth, Texas, where Chris is a mechanical engineer.

Rounding out the Hicks household is Stubby III, the third Boston Bulldog to bear the name in Hicks' history. As Jean puts it, Stubby is "part of the family."

Jean says that when she and Jack aren't busy with work, they're both sport enthusiasts--he as a participant in golf, fishing or hunting--and she as a spectator. Another of her interests is cooking, which she says she loves.

"I should have named cooking as one of my hobbies," she laughs. "But I've been so busy lately, I'm afraid my family might wonder at that!" Right now she's keeping busy with preparations for an open house at the shop.

When she finds time, though, Jean says she'll enjoy making homemade bread one of her family's favorites. Her recipe follows.

**Homemade Bread from the kitchen of Jean Hicks**

1 2/3 cups warm water  
1/2 cup cooking oil  
1/2 cup sugar  
1 package dry yeast  
6-8 cups flour

Dissolve yeast in water, then add sugar, salt and oil. Add six to eight cups of flour until dough is the proper consistency for kneading. Knead dough for about five minutes and place in a greased bowl. Let dough rise, then separate into loaves and let rise for two hours. Bake at 350 degrees for 30 to 40 minutes.

Mrs. Jack Hicks... Newcomer to Abernathy, but not to Texas' South Plains

## "RAYS OF HOPE"

by Pat Stanton

Truth Makes One Free  
John 8:32, "And ye shall know the truth, and the truth shall make you free."

There are countless numbers of people who are living in bondage because they are not living in truth. He is the truth!

When you accept Christ into your heart, you open the door toward knowing his divine truth.

"If the Son therefore shall make you free indeed," (John 8:36) Christ has set his people free. Are you walking in his freedom? Do you know enough about his truth to be totally free?

Christian people can be freed from fear, danger, hurt, pain, and sorrow. You can have this reality in your life if you have learned the whole truth of Jesus through the Bible and the Holy Spirit.

Jesus can be our "joy of living." He can be our life. As we open our lives to his life, we naturally receive more of his light and truth.

The Holy Spirit will reveal the truth of God's promises in your life if you will open your life to his will.

If you have areas of bondage, open all of yourself to the power and filling of God's Spirit.

### What's Cooking

At School

November 17-21, 1975

Monday- "No School"

Tuesday- Tuna salad sandwich, potatoe, English pea salad, fresh apple, 1/2 pt. milk.  
Wednesday- "Thanksgiving Dinner" Turkey, dressing with gravy, cranberry salad, green beans, hot rolls, butter, pumpkin spice cake, 1/2 pt. milk.  
Thursday- Pigs in the blanket, mustard, pinto beans, whipped potatoes, fruit cobbler, 1 1/2 t. milk.  
Friday- Hamburger w/lettuce, onion and pickle, french fries, catsu, cake, 1/2 pt. milk.

### Sorghum Team To Visit Europe

A team of specialists representing the grain sorghum industry will leave Lubbock Nov. 1 for three weeks of seminars in Europe under sponsorship of the U.S. Feed Grains Council.

The seminars are designed to counter the poor image sorghum has in Europe because of high tannin sorghum grown in other countries.

Team members include GSPA-TGSPB executive director Elbert Harp of Abernathy; GSPA-TGSPB research director Jack King of Lubbock; animal specialist John Baumgardner of Texas Tech University and cereal chemist Dr. Lloyd Rooney of Texas A&M.

### LIONS HEAR OF AFRICAN TRIP

Members of Abernathy Lions Club joined Virgil Wade "on safari" as Wade presented slides of a recent African trip to the club. Wade traveled to the East African countries of Kenya and Tanzania last summer with a group of young people from Lubbock, and the surrounding area.

The trip was sponsored by the American Institute of Foreign Studies, and gave the students a view of both the modern and primitive sides of East African culture. The group visited modern cities, such as Nairobi, as well as wildlife sanctuaries where African animals are protected in their natural habitat.

Included in the slide presentation, along with scenes from the African trip, were scenes from London, England, where the group stopped over before continuing to Africa.

### THREE CELEBRATE BIRTHDAYS AT ST. ISIDORE'S CHURCH

Three parishioners of St. Isidore's Church here will celebrate birthdays this Sunday, November 16. They are Rachel Lopez, Helen Trevino and Santos Ramirez.

Death and life are in the power of the tongue and they that love it shall eat the fruit thereof. (Pro. 18:21)

### MISS NAN SHIPMAN IS HONOREE AT BRIDAL SHOWER

Miss Nan Shipman, bride-elect of Steve Riley, was honored with a bridal shower last Saturday, November 8, in the home of Mrs. Lewis Lutrick.

Parents of the engaged couple are Mr. and Mrs. Billy Shipman and Mr. and Mrs. Bob Riley. The couple plans a December 21 wedding at First Baptist Church.

Hostesses were Mmes. Y. F. Snodgrass, Delwin Webb, Joe Orwalt, Donald Huffaker, Joe Lovelace, Harold Thomas, and Dave Cavitt.

Also serving as hostesses were Mmes. Rupert Allen, Hugh Hill, Curtis Davenport,

### LOCAL SCHOOL SYSTEM REPRESENTATIVES ATTEND CAREER EDUCATION WORKSHOP

(Reprinted from the Education Service Center Newsletter.)

The step by step development of a Management/Implementation Model for Career Oriented Education was the salient point of a two-day workshop for teams from five schools September 23-24.

Area schools joining the career education network this year and taking part in the two-day workshop were Abernathy, Borden County, Hale Center, Jayton-Girard Motley County.

Model sections covered in the workshop were orientation and overview, description of the career oriented education component, occupational resources and using resource persons, field trips, needs assessment, infusion and implementation.

The Management/Implementation Model is designed to serve as a model for local school teams implementing the program. All infusion strategies, materials, and staff development techniques have been tested out-of-state and in area schools. The model provides training by ESC staff for local education agency (LEA) teams, who in turn work with the school staff, students and community

in implementing career education.

Career oriented education developed in cooperation with the Region XVII model as described as: 1. school based (operates under local district supervision) 2. comprehensive (at all grades, in all subjects and for all students K-12), 3. infused (complete curriculum infusion), 4. extensive (extends beyond the schools to the total community), 5. coordinated (tied in to the State Plan for Career Education) and the Goals for Public Education).

**FOLLOW-UP**

The five LEA teams made up of 51 educators, attended a follow-up session on October 16, at which time they completed the initial three days of training. Successful completion was measured by a locally developed assessment instrument.

Their next task is "to install" career oriented education in the school system within eight months; its success will be measured by a survey instrument.

It is proposed that within two years students in the district will show a significant mean gain in learner outcomes as measured by locally selected career education assessment instruments.

Following the three-day initial training, the LEA teams will select and adapt career oriented education topics and plan for a second extended training session. Additional curriculum topics will then be developed and adapted for implementation during the remainder of the school year. Other topics can be developed for the following years.

**USE OF TEAM**

The Management/Implementation Model for Career Oriented Education emphasizes use of an LEA team.

The superintendent serves as chairman of the team but may designate a director to assist him in day-to-day operation of the project.

The team functions by utilizing the ESC model, receiving required training provided by the ESC, and organizing, planning, scheduling activities for training

staff and teaching students for a three-to-five year period.

The team also provides for the establishment of resource center, evaluation of the program, dissemination of information to the school district, community and region, and providing of curriculum topics as developed.

Scope and sequence coordination is the responsibility of the team, but suggestions and guidelines are provided the ESC.

**MRS. APPERSON VISITS HERE**

Mrs. Donnie Apperson of Dallas was in Abernathy last weekend to attend Abernathy High School Homecoming activities. She also visited her sister and family, Mr. and Mrs. Buford Conn; and her brother, Verlon Barron and his family.

**CHILDREN'S BIBLE CLASSES UNDERWAY IN LOCAL HOME**

Children aged four to 14 are invited to attend Bible classes each Monday in the home of Mr. and Mrs. Darrell Selke, from 4:15 to 5:15 p.m. The classes are taught by Mrs. Lillie Bell Kramp.

The class met November 10 this week and began a new series of lessons on the life of Christ. In the preceding meeting, (November 3), the youngsters had a review of the Wordless Book series of five lessons.

The children were asked to identify Biblical characters and tell on which color page they had appeared in previous lessons. Then the children each quoted five Bible verses they had learned.

At the end of the lesson, Mrs. Marvin Looney led the group in a "Tic Tac Know" game. The children on each team were asked questions which, if answered correctly, entitled them to place either an "O" or an "X" on the chart. Coby Selke, son of Mr. and Mrs. Darrell Selke, and Shelly Grindstaff, daughter of Mr. and Mrs. Phil Grindstaff, were the winners. Kara Havens, daughter of

**Revival Continues At Northside Baptist Church**

A revival is in progress at Northside Baptist Church and will continue until Sunday night. Bro. Jim Gardner is doing the preaching for the services and the singing is being led by Ben Streiff. Saturday night has been designated as Youth Night and the young people of the church are invited to be present at 6:00 for a hamburger supper and fellowship before the evening service. Sunday services will begin with Sunday School at 9:45, followed by the morning worship service at 11:00 am and Training Union at 6:00 pm with the evening worship at 7:00. An invitation is extended to everyone to attend the services.

Mrs. Ralph Wolf is a patient in a Lubbock hospital.

**CANTATA PRACTICE CONTINUES HERE**

Members of Abernathy's Music Study Club are urging anyone in the community who would like to participate in the city's Christmas Cantata to attend practice sessions for the annual presentation.

The Cantata choir practices each Sunday afternoon from 4:00 to 5:00 p.m. at First United Methodist Church under the direction of George Riddell.

The Cantata will be presented at the Methodist Church, December 14.

**HARRISONS HAVE VISITORS**

Visitors in the home of Mrs. Elizabeth Harrison last week were Mr. and Mrs. Ralph Thornton of Chino, California and Mrs. Bobby Moore of Paramount, California.

**CITIZENS OF TOMORROW**

Mikki 6 year old daughter of Mr. and Mrs. Lindsey Webb.

"RAYS OF HOPE" TV PROGRAM Channel 28—KMCC Sundays at 5:30 p.m.

**CAT LOCATED; NOT BELIEVED TO HAVE RABIES**

The cat which recently was reported to have bitten a local girl has been captured, according to a report by Abernathy city employees.

The cat, a black male Persian, was the object of a search last week after it allegedly bit Miss Rhonda Royal, daughter of Mr. and Mrs. S. W. (Dub) Royal.

City workers stated that the cat apparently did not have rabies, as was feared when it escaped from a city employee last week.

The cat was captured Friday when its owner, Yvonne Colbert, coaxed it from its hiding place in the Abernathy City barn.

The hour is come, that the Son of man should be glorified, (John 12:23)

Brief Mr. and Mrs. Doyle Smith of Ingram visited with friends here last week.

**The Fruit of the Holy Spirit**

Galatians 5:22. But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law.

"The fruit of the Spirit is love." Only as we live in God's love can we fulfill the will of God in our lives. The believer must become love-inspired, love-mastered and love-driven. Without the fruit of the Spirit (love), we are just a religious noise.

"The fruit of the Spirit is love," and it is manifested in joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance: (1.) Love is love's strength. (2.) Peace is love's security. (3.) Long-suffering is love's patience. (4.) Gentleness is love's conduct. (5.) Goodness is love's character. (6.) Faith is love's confidence. (7.) Meekness is love's humility. (8.) Temperance is love's victory.

"Against such there is no law." A Holy Spirit-controlled man needs no law to cause him to live a righteous life. The secret of a Spirit-controlled life is Jesus. Put your all on the altar, and the Holy Spirit will fill your heart with the love of God.

LOVE is the theme of the Bible. The verse I would think is the most well known is John 3:16. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

These thoughts have been coming to me that there are so many people in this world today that have so many needs, but they can't find the answers to the fear, self pity, greed, resentments, anger, depression, grief, hate, unforgiveness, lack of confidence, bitterness, lack of control, restlessness, rebellion.

If your life is tossed about and you need help call upon the Lord. Rev. 3:20 says Behold, I stand at the door and knock: if any man hear my voice, and open the door, I will come into him, and will sup with him, and he with me.

Matt:7:7 says Ask, and it shall be given you; seek and ye shall find; knock, and it shall be opened unto you.

**LOCAL YOUTH GETS PROMOTION**

Marine Sergeant Lisandro Olivares, son of Mr. and Mrs. Joe Olivares of 1008 Jerome SE, Abernathy, Tex., has been promoted to his present rank and reenlisted for six years.

He serves with the 1st Force Service Regiment, Marine Corps Base, Camp Pendleton, Calif.

A former student of Abernathy High School, he joined the Marine Corps in December 1972.

I am crucified with Christ nevertheless I live, yet not I, but Christ liveth in me; and the life which I now live in the flesh I live by faith of the Son, of God, who loved me, and gave himself for me. (Gal. 2:20)

**Mirror, Mirror...**

**Skin Talk**  
By Sally Barrick

Your skin is the largest organ in your body. Stretched from end to end, it would cover, on the average, seventeen square feet of space, and would weigh about five to seven pounds. Your skin is a wrapper; your thermostat; your shield against infection, grit, soot and a shield against sun rays. The top layer replaces itself every 25 to 30 days. In short, your skin is a truly marvelous invention.

What about skin types? One person in ten, I've found, will have a normal skin condition, which reflects good health and a favorable heredity. It can protect itself from the outside and feed and cleanse itself from the inside. It takes the skin producing enough water to cool the surface, to balance the skin chemistry and also to distribute fats over the skin. These fats are produced by oil glands; they soften and lubricate the skin. So it takes two special ingredients, water and oil, to make a perfect skin. Send your beauty questions to:

# SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

An atheist wrote this on a blackboard. "God is no where!" But his little niece said, "Uncle, you've made a mistake." She moved the letter "w", and made the sentence to read "God is now here!"

Wherever we are, God is here. There is no place, there can be no place, where He is not.

Seven billion people standing at seven billion different places can say with equal certainty, God is now here. No one is in distance any nearer to or any further from God than any other person.

God sent Jonah east to Nineveh. But Jonah went west to Tarshish. He crossed half a world to get away from God - and found God still waiting for him.

A king found there was no escape from God. He said in Living Psalms 139:8-11, "If I go up to heaven You are there; if I go down to the place of the dead, You are there. If I ride the morning winds to the farthest oceans, even there Your hand will guide me, Your strength will support me."

Wherever we are - high

above the sky, or in the deepest ocean - nothing will ever be able to separate us from the love of God that is in Christ Jesus!

## CARD OF THANKS

There are just not enough words in our limited vocabulary to express our love and appreciation to everyone who has been so good to us these past two weeks. We will never be able to repay you for your kindness to us, and for the prayers you have offered up for Doug, for the beautiful flowers and cards, and most of all for the love offering that has been given us. Our prayer is that the Lord will truly bless each and everyone of you in a very special way and that as soon as Doug is able to be up and around that the Lord will use us as he has never before, so that in some small way we can repay your goodness to us by working harder for the Lord. Thank you again and again.

Bro. Doug and Frances Gardner and family

NOTICE OF PUBLIC HEARING ON CONTEMPLATED ANNEXATION NOTICE IS HEREBY GIVEN TO ALL INTERESTED PERSONS, THAT: The City of Abernathy, Texas, proposes to institute annexation proceedings to enlarge and extend the boundary limits of said City to include the following described territory, to-wit:

The South One Hundred Fifty Feet (S/150') of Block 20, of the R. M. Hardesty Subdivision to the Town of Abernathy, Hale County, Texas, SAVE AND EXCEPT two (2) tracts out of said Block 20, conveyed to the State of Texas by Deeds recorded in Volume 415, Page 553 and in Volume 415, Page 559, Deed Records, Hale County, Texas, the South One Hundred Fifty Feet (S/150') of said Block 20, R. M. Hardesty Subdivision, being described by metes and bounds as follows: BEGINNING at the Southwest corner of said Block 20, R. M. Hardesty Subdivision;

THENCE East 240 Feet; THENCE North 45' 55", a distance of 198.5 Feet; THENCE West 110 Feet; THENCE South 150 Feet to the Place of Beginning. A public hearing will be held by and before the City Council of the City of Abernathy, Texas, on the 24th day of November, 1975 at 10:00 o'clock a.m. in the City Council Chamber of the City Hall of the City of Abernathy, Texas, for all persons interested in the above proposed annexation. At said time, and place, all such persons shall have the right to appear and be heard. Of all said matters and things, all persons interested in the things and matters herein mentioned, will take notice. BY ORDER OF THE CITY COUNCIL OF THE CITY OF ABERNATHY, TEXAS, this 10th day of November, 1975. ATTEST: J. Pete Thompson, Mayor Mrs. Otelia Clement, City Secretary

The name of the Lord is a strong tower: the righteous runneth into it, and is safe. Pro. 18:10
