

**BASKETBALL GAME SET JANUARY 31 TO BENEFIT LOCAL AMERICAN HEART FUND DRIVE**

The Abernathy Heart Association will sponsor a benefit basketball game at the high school gym on January 31 at 7:00 p. m. to launch the month-long, nationwide Heart Fund campaign.

The game will pit coach Pete Wilson's ex Lady Lopes against faculty women from the city's schools. Coach Wilson, who served as girls' basketball coach in the schools here from 1953 to 1962, will return to coach his former players. Dr. Delwin Webb, superintendent of Abernathy schools, will coach the faculty team.

In announcing the game, Mrs. Ralph Davis, chairman of Abernathy's Heart Fund drive, also reported that this year's goal is \$1,000, as

compared to the \$700 collected in 1975.

"Heart and blood vessel diseases kill more than one million Americans annually," Mrs. Davis said. "The toll is greater than all other causes of death combined. Your Heart Association needs your support in its fight to conquer the nation's number one killer."

Mrs. Davis requested that, since there will be no door-to-door campaign by the local Heart Association this year, those who cannot attend the benefit basketball game should make their contributions to her at Struve Hardware and Dry Goods. No entrance fee will be charged at the basketball game, but representatives of the Heart Association will be on hand to accept donations to the Heart Fund.

It has been announced by Mrs. Ralph Davis, chairman of Abernathy's Heart Fund that there will be an auction during the half-time of the Heart Fund basketball game to be held January 31 at the Abernathy High School gym at 7 p. m. They will be auctioning pies, cakes, homemade bread and coffee rolls.

If you would like to donate a pie, cake, homemade bread or coffee rolls to help raise money for this worthy cause, you can either bring them to Mrs. Davis at Struve Hardware Saturday afternoon or bring it to the game Saturday night. All proceeds will be for the heart fund.

**IN SHAPE?**--Though they may not look to be in fine shape for their upcoming basketball match with Coach Pete Wilson's ex Lady Lopes, members of the women's faculty of Abernathy's schools still find the energy for the "V" for Victory sign as they complete a recent evening of practice. The ladies will meet Coach Wilson's team in a benefit basketball game January 31, at the Abernathy High School Gym, beginning at 7:00 p. m., with donations to the American Heart Association taken at the door in lieu of an entrance charge. Proceeds from a cake and pie auction at halftime will also benefit the city's Heart Fund Drive, which is headed locally by Mrs. Ralph Davis.

**NEWS AND COMMENT by Buford Davenport**

The U. S. House of Representatives spent \$25,000 of taxpayers money last week in a voice vote for the creation of a bust of the late Martin Luther King, Jr., to be placed in the U. S. Capitol building. Noting that it would be the first black person ever so honored, the House cited King's Nobel Peace Prize and his contribution to the civil rights movement as reasons the bust should be created. This brings to mind the walking comment that President Harry Truman gave a following reporter. The newsman asked President Truman what he thought of the naming of Martin Luther King to receive the Nobel Peace Prize. Truman's brief answer: "I didn't give it to him." Proving that mine is not a racist comment, I'd be just as unhappy with our bankrupt government spending \$25,000 on a bust of Billy Graham.

their July issues. The women's rights amendment is four states short of ratification and the July blit is designed to bring the states around to the ERA. ERA is ok, but, tell me, will they expect to continue receiving the "Sir Walter Raleigh" treatment from the men? Likely it will continue for a generation or so out of habit and respect, but my guess is it will dwindle as time goes on.

**TAX REFUNDS MAY PROVIDE RESPIRE FROM AFTER-CHRISTMAS CASH PINCH**

Dallas, Texas--Christmas bills are coming in, winter cold forces the utility bills up and, if you are like most people, there is not a handy supply of spare cash you can get your hands on. What to do?

People do not usually think of the IRS as a source of quick cash, but according to North Texas IRS director A. W. McCaless, the nation's tax collecting agency is willing and eager to help. "The majority of North Texas taxpayers will receive a refund from the IRS this year," Mr. McCaless said. "This is true in most years, but especially this year because of the Tax Reduction Act of 1975, which substantially reduced the tax liability of the average taxpayer."

however, and the wait is likely to be as long as 10 weeks. Make a mistake on the return, such as a math error or an omitted signature, and the delay can double.

"Every year we urge taxpayers to file early," Mr. McCaless said. "With money as tight as it is, it makes good sense to get the return in as soon as possible. When a person sits down to complete the return, it takes just as long in April as in January to do it. Why not do it now?"

The short course at Abernathy is scheduled to begin Feb. 9, 1976 at 7 p. m. in the vocational agriculture building. During the dates the short course is in progress, Mr. Hart will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Jerry Adams and Walter Cox.

Farmers interested in attending the short course should write or call the Superintendent of schools, Dr. Delwin Webb, at 298-2566, or the teacher of vocational agriculture, Mr. Jerry Adams or Mr. Walter Cox at 298-2555. An entry fee of \$10 will be charged. Farm Arc Welding Short Course certificates will be presented to each enrollee who attends the training sessions.

Mr. Hart states that the short course will be adjusted to wishes and interests of farmers enrolled but that he expects to cover such subjects as safety in welding, factors controlled by the operator in running a bead and striking an arc, types of electrodes, preparation of joints, distortion, cutting, hardfacing, and pipe welding.

"Short courses in welding, as well as in other areas, are now available to farmers throughout the state under a cooperative program between the Texas Education Agency and Texas A&M University," stated Bob Jaska, associate professor, Department of Agricultural Education at Texas A&M University, who coordinated this practice.

"This cooperative program," states Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people."

Specialists are available in the fields of beef cattle, farm wiring and safety, farm electric motors, farm arc welding, swine production, tractor maintenance, oxy-acetylene welding, and pasture improvement.

Business, industry, organizations have someone to lobby for them in Washington, D.C. and in state capitals. Monitoring for the 55-and-over people in Washington is the American Association of Retired Persons, an organization dedicated to the interests of the older people. People in the 55-or-over age range can make their voices heard in Washington through this organization. Membership fee is a low \$2.00 per year. Members receive a tabloid newspaper every month (except August) at no extra charge. The paper informs of the legislation in WDC and state capitals of great interest to the older people. Also, the organization provides literature and news about purchases on which members can save money. Members are not pressured to buy, or donate any money above the \$2 membership fee. This has been my experience since joining, and there is no monetary gain for me in touting this organization. I believe it to be good for those who join. ## DISABLED VETERANS; DEPENDENTS MAY CLAIM TAX EXEMPTIONS UNDER 1975 LEGISLATION

Thousands of disabled veterans, will be able to claim property tax exemptions in Texas this year. The exemptions were made possible by the passage of a special law by the Legislature in 1975, according to Herbert Hardin, Veterans Service Officer for Barton-Hood Post No. 500.

Eligible for the property tax exemptions are veterans who have service-connected disabilities which are rated 10% or more disabling by either the Veterans Administration or a branch of the Armed Forces. Also entitled are the widows of veterans who had a service-connected disability of 10% or more in effect at the time of their deaths, and the widows of servicemen who died while on active duty. In addition, minor children of certain deceased veterans and active duty personnel may also be eligible for the tax exemption. This is a Statewide tax, and it applies to every taxing authority in Texas.

The eligible person must contact each tax office where his or her property is assessed. It is the responsibility of the tax collector to determine the evidence necessary to claim an exemption. The Veterans Administration plans to mail letters of eligibility to those veterans and widows who are entitled to the exemption and who

are currently receiving VA benefits. Such letters are to be mailed by the VA within the next two months. Persons who believe they are eligible for the tax exemption, but who have not received their VA letter by April 1, 1976, should make a request for the needed evidence. Those who will not automatically receive the VA letter, and who will be required to submit individual requests for same, will include the widows of veterans and deceased servicemen who are not currently receiving any Veterans Administration benefits. Persons who believe they are eligible for the property tax exemption should be advised to discuss the matter with the local tax collectors, or visit their Veterans Service Officers.

### "RAYS OF HOPE"

by Pat Stanton

Matt. 4:4: "But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceeds out of the mouth of God."

I believe that we as Christians will soon be at a point when we will have to live "by every word that proceeds from the mouth of God." We have not always done this in the past. All Christians don't look to God as their Total Source. It has been easy to look to business, friends, or the church to take care of our needs.

What would you do in the future if you could not find medical help for yourself or your child? Would you have enough of God's Word in your mind and heart to enable you to believe for perfect healing? If you could not buy food or supplies for some reason, would you still confess and believe "My God shall supply all my needs"? (Phil. 4:19) What would you do in the future if everything and everyone suddenly turned against you? Would you still rejoice? Would you still give thanks in all things?

If you are not daily quoting God's Word for your needs, don't expect to be able to do this in the future when the going might really be rough.

How is your faith? Are you resisting the devil with the shield of faith and the sword of the Spirit, which is the Word of God? So many

believers are losing the battle because they are only using part of their equipment. You can pray for days for healing and still be sick. You can submit yourself to God and still fail. The Scripture says in James 4:7: "Submit yourselves therefore to God. Resist the devil, and he will flee from you." You must resist the devil by quoting Scripture directly in his direction. You can read the whole Bible and still miss the source of your problems.

What is the answer? We must first submit completely to God and His teachings, pray without ceasing, and continually give praise and thanks to God. To this we must add a daily quoting of the Word to meet our needs, plus attacking Satan with God's Word. We must rely on the finished work of Calvary to free us from all darkness.

God's Word will keep your mind and heart free from fear. (Ps. 119:9-11) It will also bring health and life to your body. (Prov. 4:22) Hebrews 4 says that we can enter into perfect "rest" if we allow God's Word to be the sword which permeates our entire being. Psalm 1 teaches that a man will prosper in ALL THINGS if he runs from sin, seeks God's wisdom, and meditates (reads and quotes) in God's Word through the day and night.

God's Words are life for His people. If you are failing in any area, check up on your meditation time in the Holy Book.

GOD IS TRUTH-- HIS WORD IS HIS WORD, YOU CAN COUNT ON HIM, CAN HE COUNT ON YOU?

Matt. 24:35: "Heaven and earth shall pass away, but my words shall not pass away."

"WHERE WE SERVICE ALL THAT WE SELL"

THOUGHTS FROM WITHIN

-- by Vicki

Colossians 1:26-27: Even the mystery which hath been hid from ages and from generations, but now is made manifest to his saints: To whom God would make known what is the riches of glory of this mystery among the Gentiles; which is Christ in you, the hope of glory. Whom we preach, warning every man, and teaching every man in all wisdom: that we may present every man perfect in Christ Jesus:

The main idea that comes to me and has become a reality to me the past few years is in verse 27 CHRIST IN YOU, THE HOPE OF GLORY. Until I really came to know Jesus in a real personal way I didn't have the hope of glory. I Tim 1:1 says, Paul, an apostle of Jesus Christ by the commandment of God our Saviour, and LORD JESUS CHRIST, WHICH IS OUR HOPE. Jesus Christ is our hope! I praise God everyday for Jesus Christ and His love for us.

I know I have shared this with you before that I didn't know for a long time that God cared about everything in my life, that there is nothing He isn't interested in and that I cannot talk to Him about. In Matthew 11:28-30 Jesus says: Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart; and ye shall find rest unto your souls. For my yoke is easy, and my burden is light. I Peter 5:7 says, Casting all your care upon him; for he careth for you. Jesus invites us to come to Him, He will not force us but, He invites us and it is up to us if we except His invitation. He says come and He will give you rest. He also says for us to learn of Him. I found out why I never knew much about Jesus was because I didn't spend much time in reading the Bible which tells us all about God and His love and what Jesus has done for us. I still don't read it as much as I want to. The more I read the more I want to read and learn of Him. Also the more I learn of Him the more I realize how much more there is to know and that we can learn more and more everyday as the Holy Spirit teaches us. Jesus also says his yoke is easy and his burden is light. There is a promise in 1 Cor. 10:13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that we are able; but will with temptation also make a way to escape, that ye may be able to bear it. I thank God that He is with us in everything and gives us the strength and courage to face what ever comes our way.

I had a letter recently from a lady whom I have not seen for many years. When I was six years old I was flower girl in her wedding. She now lives in another part of Texas but, has for years taken the paper and she wrote a very nice letter sharing with me the way God has been with

her in the past years. She said, she had had two surgeries for cancer and God has healed her and she gives Him the glory. She also shared with me how God had given her strength and courage to go through some unhappy time during life. She said, she could have never made it without Him.

I have been blessed with a friend here that has been sharing with me and I know others how God is really helping her through a rough time now. She lifts me up everytime I get a chance to talk to her. She says she knows many are praying for her and she knows God is honoring those prayers.

I don't know how anyone can get along without God. So many try to do things themselves but, I know it is a struggle because I use to struggle and found it to be useless. Then I ask God to help me and He does everyday. If you are struggling with something in your life, I urge you to let go and let Jesus come into your life and take care of your needs. He is willing if you are. Just ask Him and give Him a chance. Rom. 10:9-11 says; That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.

For the scripture saith, Whosoever believeth on him shall not be ashamed.

**Employers May Be Able To Gain Tax Credit On Wages Paid to AFDC Employees**

Employers can gain a 20 per cent tax credit on the wages paid employees hired from the rolls of the Aid to Families with Dependent Children (AFDC) welfare program, according to Emil Schattel, Regional Director for Financial Services of the State Department of Public Welfare.

The tax credit applies both to employers of domestics engaged as household workers, and to employers in a trade or a business. There also may be compensation to the employer for training the worker, for erecting training facilities, or for providing day care for the worker's child or children.

"When a person on welfare moves into a job, it's a step up for a lot of people," Schattel said. "The worker's job is more profitable to him than receiving welfare alone. The nation gains in two-fold measure. Welfare payments are reduced and the newly-employed worker starts paying taxes. Now employers can realize personal gain by recovering a sizable share of the employment costs by hiring workers from the welfare rolls."

Further information may be obtained from the State Department of Public Welfare office in the employer's community.

**Area Men On Mission To Peru**

Eleven South Plains men, including two from Lubbock, who volunteered to exchange their businesses, comfort and families for two weeks in a sleeping bag in steamy summertime Peru, left Lubbock Regional Airport Friday on a church-building mission.

The Rev. Walter Crow, pastor of the First Church of the Nazarene in Plainview, will head the delegation on their Men For Missions project. Other volunteers from the South Plains include Dr. Herman Platt of Rt. 8 Box 55-C, Lubbock. Dr. Lyle Eckley of 3616 68th St., Darwin Nelson, Lawrence Lowe and Walter Selcer, all of Plainview. Keith Jackson of Lockney, Bill Gary of Halfway, the Rev. Terry

Connally of Olton, R.C. Patterson Jr. of Abernathy and Harold Roubison of Andrews.

The 11 West Texas volunteers will be joined by 11 others in Dallas before resuming their trip to Jose Calvez, Peru, 13 miles from the heart of Lima where a congregation of 175 has been meeting in a house.

The Rev. Crow and his volunteers, each with a skill ranging from piano tuning to appliance repair, will complete construction of a church in Jose Calvez. The Rev. Crow said Peruvians began the project two weeks ago.

Plans for the project began about a year ago, he said, and more than \$8,000 was raised last summer by pledges in

churches belonging to the West Texas District of the Church of the Nazarene.

"Our primary motivation, in addition to helping the national church there, is for the people of West Texas to discover a sense of the needs of the world and what part we as West Texans can play in helping them to learn their own needs," the Rev. Crow said.

He said the purpose of the project is to give the Peruvians a better standard of living without damaging their dignity.

Plans call for the volunteers to utilize their skills in and around the construction site, he said. Pianos throughout the area will be tuned, appliances will be repaired and a series

of brief welding lessons will be given to Peruvians in the area.

"They are volunteering to give their blessing to the national Nazarene Church in Peru," Eckley said.

## SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

Music is older than man. It was born in the heart of God.

Some music is in the major key, and some is in the minor. Happy and victorious songs employ the majestic major, but sad and tragic songs the mournful minor.

Before the Lord laid the foundations of the earth "the morning stars sang together and all the angels shouted for joy" - Job 38:6&7. They sang and shouted in the triumphant major.

But sin came into the world and everything has been thrown off-key. Every sound in nature is in the minor mode - the crash of the cataract, the surge of the surf, and the wail of the wind.

But sin not only takes away the major - it also takes away the music. God's sons are songless in their sins. Ask the Israeli. They recorded in Living Psalms 138, "Weeping, we sat beside the rivers of Babylon thinking about Jerusalem. We have put away our harps, hanging them upon the branches of the willow trees,

for how can we sing?" Lost your song? Turn from your sin to the Saviour in confession and consecration, and He will tune your heart to sing again.
