ON HEATING & COOLING COSTS It has been known for some time

that methods existed to insure the building of ENERGY EFFICIENT HOMES. But inexpensive energy in the past made it logical to ignore the extra investment such a home would require. Now with energy costs rising, it becomes more and more important to use effectively every bit of energy we consume. The TOTAL ELECTRIC ENERGY EFFICIENT HOME has construction features which result in savings of 40% or more on heating and cooling costs when compared to previously accepted standards for total electric construction. You'll be hearing more about the ENERGY EFFICIENT HOME. If

structed home, let us work with you and your builder to assure that your new home is designed for maximum comfort and energy savings — THE TOTAL ELECTRIC — ENERGY EFFICIENT HOME.

1 John 2:4-6: "Someone may say, 'I am a Christian; am on my way to heaven I belong to Christ ' But if he doesn't do what Christ tells him to do, he is a liar. But those who do what Christ tells them to will learn to love God more and more. That is the way to know whether or not you are a Christian. Anyone who says he is a Christian should live

1 John 2:7-8: "Dear Brothers, I am not writing out a new rule for you to obey, for it is an old one you have always had, right from the start. You heard it all before. Yet it is always new, and works for you just as it did for Christ; and as we obey this commandment, to love one another, the darkness in our lives disappears and the new light of life in Christ shines.

1 John 2:9-11: "Anyone who says he is walking in the Light of Christ but hates his brother Christian is still in darkness. But whoever loves his brother Christian is "walking in the Light" and can see his way without stumbling around in darkness and sin. For he who hates his Christian brother is wondering around in spiritual darkness and doesn't know where he is going, for the darkness has made him blind so that he cannot see the way.

If we as believers would obey and follow the clear teachings of Christ, we would find that our problems and woes would disappear. John states in verse 8 that the darkness in our lives would be lifted as we are loving one another.

How could this be possible? It's a very simple procedure. As we begin to love others with God's kind of love, the light of Jesus surrounds this love and as it flows through our lives, we experience wholeness and strength in all

We stumble less often as we are walking in the light of the Lord. As we are loving our brothers and sisters in the world, the light of God automatically shines around us.

Also, as we are reaching out to the needs of others seem to be less important. As promised that much will be returned for our lives.

Plans For Celebration Highlight Chamber Agenda

Discussion of plans for Abernathy's annual Fourth of July Celebration to be highlighted this year by an Ex-Students Reunion and other Bicentennial observances, was the main order of business as Abernathy Chamber of Commerce held its monthly meeting last Thursday at Graham's Restaurant, south.

Committees and chairmen

for the event were named. with Hoppy Toler slated to serve as general chairman for the annual celebration, which will bring to a close a long Independence Day weekend for the city. The celebration will take place on Monday, July 5th, following the Abernathy Ex-Students' Association Reunion festivities which are slated for Saturday, July 3rd. David Pinson has been

named chairman of the exstudent activities. Other committee chairmen named at the meeting included Jim Bob Smith and Ed Crow, who will be in charge of planning for the day's meal July 5th; and

Leland Phillips, who will head

the committee concerned

with parade floats and prizes. Robert Garvin was named as July Fourth parade marshal. and Pete Thompson was placed in charge of the annual Old Fiddlers Contest.

Other committee chairmen are Cliff and Lanny Newton and Dick Herring who will be in charge of providing a sound system for the event; Laurin Prather, housing chairman, Dan Ward, publicity chairman; and Mrs. Larry Aldridge, who will spearhead an essay contest for students and adults, centered around a patriotic theme. Mrs. Cal Tucker, who is general chairperson of the Abernathy Bicentennial committee: and other Bicentennial committee heads will also join in making preparations for the celebration, and Mrs. Herman Lambert will head the July Fourth arrangements comm-

NEW AIRPORT--Beginning Sunday, April II, planes of the three major airlines serving Lubbock will start parking on this side of the new terminal at Lubbock Regional Airport. The object extending out from the plane-side of the new terminal with the numeral 4 on the side is one of five jetways that will maneuver up to the door of the airliners so passengers can deplane and board the aircraft without being out in the weather. They will go from the plane through the jetways directly into the spacious waiting areas. The jetway you see here cost \$90,000-plus, as did each of the other four jetways. The sixth boarding gate does not have a jetway at this time, and will probably be used by visiting VIPs, who will enter the terminal at ground level

and be whisked by elevators to VIP rooms on the third floor.

WHAT'S NEW AT NORTHSIDE?

God has blessed beyond all measure this week. We have seen souls added to the kingdom of God, members coming into our church on transfer of letter and the rededication of our people has been tremendous. We had the best singing and the "goodest" preaching anyone ever experienced. Bro. J. D. Mc-Donald and Bro. Buster Kittrell were truly lead of the Lord in the singing and messages allweek. We really appreciate these two men. We welcome into our church fellowship Mr. and Mrs. Bryan McWilliams, Mrs. Mary Henley, fill Havens, Dan Henley and Ignacio Ruiz, Jr. May God bless each one of

Mrs. Dixie Dawson will be having surgery on her legs Thursday at Methodist Hospital, Lubbock. Remember her in your prayers.

Mr. Mark Applewhite and Miss Glenna Jones of Wayland College led the young people in a fellowship Saturday night. About forty young people were present for this time of Christian fellowship.

May we take this opportunity to each of the visitors that attended our revival services last week and to invite each of you that do not have a church home to come back and meet with us

Agriculture Students To Compete In Area Contests At Texas Tech

LUBBOCK, Tex. -- Approximately 1,600 West Texas high school agriculture students will compete in 11 contests Saturday, April 10, in the 49th annual Texas Tech Vocational Agriculture Judging Contest

Competitions in livestock, dairy cattle, milk and dairy foods, poultry, meats and agricultural mechanics will serve as elimination meets for Areas I and II Future Farmers of America state

Five others -- in cotton. wool, crops, land and range and pasture plants -- are known as Texas Tech Contests and have been chosen because of their importance to the South Plains e conomy, according to Dr. Anson R. Bertrand, dean of the college of agricultural sciences.

Contestants will report to their assigned locations at 7:30a. m., Saturday. Coaches will meet at 9:15a, m. in the Coronado Room of the University Center. Coffee and doughnuts will be served, courtesy of the National Farm Life Insurance Co. and the Texas Agricultural Workers Auto Insurance Co.

of Fort Worth. Texas Tech's animal science department, chaired by Dr. Max Lennon, will supervise contests in livestock, dairy cattle, wool, poultry and meats.
