GROUND BREAKING----- Abernathy First Church of the Nazarene turned the first soil to mark the beginning of work on the 40x64-ft. Fellowship Hall building to be located just south of the sanctuary at 6th Street and Ave. E. The groundbreaking ceremony was held on site

following morning worship services Sunday. In the foreground, from left to right, are members of the building committee: Norris Rogers, Arlie Paxton, Pastor Roswell Brunner, R. C. Patterson, Jr., with the shovel, Louis Spruiell and Lewis Patterson. The residence-type building

on the site was scheduled to be moved this week, and actual construction work will begin soon thereafter. The Fellowship Hall building will have exterior walls of brick matching the sanctuary and classrooms portion of the original structure.

Review Must Have News Copy Early

Our sincere attempt to play the role of accommodating country weekly newspaper people by taking news and want-ads beyond the 40-year-old announced deadline of 4 p. m. is not working. There's a lot of work to be done on a news story and want-ads from the time copy is turned in and it is read in the paper. If you have had dealings with the Lubbock Avalanche-Journal on church news, society news and news to appear on, and the day after, holidays you know it must be in the A/J office four or five days before it appears in print. If the A/J, with its large editorial staff, needs that much time for processing news copy, you can imagine the problems our limited staff has in taking news after 4 p. m. on Mondays and having it in print by noon on Wednesday. The "4 p. m. Mondays" deadline has been misunderstood by many. They think they should wait until Monday to turn in news and want-ad copy. One person told us they had the copy ready several days but were waiting until Monday to turn it in. We urge you to turn in

news and want-ad copy on Wednesdays, Thursdays, Fridays and Saturdays (or mail it when the office is closed on Saturday). Also, turn in news of meetings immediately after they are held, or not later than the SECOND day after. We have received stories of meetings held in the middle of the previous month for publication in the current month. In the future, those late, late stories will not be published. Also, to prevent the "Wait Until Monday to turn in copy" from happening in the future, news and want-ad copy will bear a notation of the day it was turned in. If news or want-ad copy have to be left out due to shortness of time, that turned in on Mondays will be the news and want-ads carried over to the following week, or left out completely. We Want To Serve YOU. Please give us a chance by turning in copy early. Thanks. Mondays, generally, will be reserved for handling of news happening on Saturdays and Sundays. Tuesday morning WILL be reserved for news pertaining to sickness, accident, death and disaster.

New Deal Lions Blank Hale Center Owls, 27-0 In District 4-A Opener Friday

NEW DEAL(Special)---The New Deal Lions avenged a 1975 loss Friday night as they shut out the Hale Center Owls 27-0 in a District 4-A opener here. Paced by Randy Vines' 20 rushing yards and two touchdowns, the Lions, ranked second in the area, showed they had not forgotten last year's 3-2 loss to Hale Center. That loss was the only one for the Lions until they lost out in the state quarter-finals. Vines scored on a 10-yard run in the first period with 5:31 showing on the clock. Then with 7:05 left in the

second period he scored again on a 1-yard plunge. Kerry Miller kicked both extra points. The Lions added 13 more points in the final period beginning with a 6-yard run by tailback Aaron Stark. That play came with 2:53 left in the game, but Stark was not finished. With only 1:06 left, Stark added another touchdown with a 4-yard run. The New Deal attack mustered 21 first downs and 271 rushing yards. The win leaves New Deal with a 3-1-1 record while Hale Center fell to 2-3. New Deal will travel to Spur for a 7:30 p. m. game October 8. It will be a 4-A District conference tilt. The New Deal Lions will have an open date Oct. 15.

Social Security Representative Due Here Oct. 19

The social security representative, Janis Sherrod, from the Plainview social security office will be working in the City Hall in Abernathy from 9:00 a. m. to 11:30 a. m., Tuesday, October 19. Anyone who needs assistance with a social security or Medicare claim, application for a social security number, or information about any part of social security may see her. If more convenient, contact your social security office at 1401-B West 5th Street in Plainview. A telephone call may save you a trip. Our number is 298-4371.

Sunshine Group To Meet Oct. 21

Abernathy's Sunshine Group will hold a luncheon meeting in the city hall clubroom starting at 11 a. m. Thursday, Oct. 21. The organization is composed primarily of retired persons and those in the Golden Years. The Group would like to extend an invitation to all who are interested to become members, including the newcomers to the community. Mrs. Ollie Selke is now at home after being released from St. Mary's Hospital.

Area Residents Invited To Visit With Rep. Mahon

Congressman George Mahon will be in Abernathy on Saturday, October 9. He will be at the Gold Auditorium at 2:00 p. m. This will provide an opportunity for all the people of the area to get acquainted with their congressman if they don't know him or to visit with him. Ray (Shag) Willis has returned to his home in Wichita Falls after undergoing surgery in the hospital at Quanah.

'Lopes Blast Mules, 33-3

By Sammy Hunley

It took the first quarter for both teams to decide who wanted the football but when things finally got straightened out, the Antelopes whipped the Muleshoe Mules 33-3. The contest plagued with a total of 14 turnovers, 5 in the first quarter, saw the Antelopes take charge midway through the 2nd quarter; after the Mules had completed a 35 yard field goal. The score came with 8:29 left on the clock in the second quarter. Scott Cunningham got the ball rolling with a 23 yard gallop for a TD, 7:11 remained in the quarter. Roddy Shipman lighted the scoreboard again with a 1 yard run, with 6:32 left. Shipman tossed a five yard TD pass to Danny Nunn

with 21 seconds left in the half to give the Lopes a 19-3 lead. The Antelopes attempted an on side kick with 19 seconds left in the half, and came up with the ball. Shipman wasted no time, hit Ken Davenport with a 60 yard pass play to the Mules 5 yard line. A penalty rubbed out the play, ending the first half of play.

The defense led by Mike Hill, Dale Odum, Armando Garcia, Mark Pope and Todd quarter. Scott Cunningham got the ball rolling with a 23 yard gallop for a TD, 7:11 remained in the quarter. Roddy Shipman lighted the scoreboard again with a 1 yard run, with 6:32 left. Shipman tossed a five yard TD pass to Danny Nunn

Ray Martin Sells Cotton Gin To Lorenzo Man

Ray Martin, who has operated a cotton gin on FM 54 northwest of Abernathy the past 16 years, announced the sale of the gin and the residence near the gin. Purchasing the plant, home and property is Allen Ross, who has 20 years of experience operating cotton gins. He comes here from the management of the Co-op Gin at Lorenzo. Allen Ross and his wife, Gloria, have two sons, Ken, 19, a freshman student at Texas Tech University, and Bobby, 12, a 7th grade student. Mr. and Mrs. Ray Martin bought the Virgil Wade home at 424 North Drive in the Phillips Addition of North Abernathy, and will move there.

Mrs. Kemp In Hospital

Mrs. Linda Cozart of Las Vegas, Nevada came to Abernathy on September 22 to be with her mother, Mrs. Gene Kemp, who was a patient in Hi-Plains Hospital in Hale Center. Mrs. Kemp has returned home from the hospital. Mrs. Cozart left here to return to Las Vegas on September 29. She traveled by plane. Mrs. Kemp has to go back to see her Dr. in Hale Center on October 5. Then she has to go to Methodist Hospital in Lubbock for further treatments. Mrs. Cozart also visited her brother and families while she was here. They are Mr. and Mrs. Porter Kemp and daughter and family, Mr. and Mrs. Jerry Hardless and son; Mr. and Mrs. Eugene Kemp and boys; Mr. and Mrs. Robert Kemp and Kim; all of Abernathy; and Mr. and Mrs. Wayne Kemp and family of Lubbock. She also visited with her husbands brother and family, Mr. and Mrs. Herman Cozart and children of Hale Center.

Former Pastor In Revival Here Oct. 19-24

Pastor Roswell Brunner reports that a revival will be held at Abernathy First Church of the Nazarene Oct. 19 through Oct. 24. The revivalist will be the Rev. J. Melton Thomas, who was pastor of the local church in 1940-1941. Currently, he resides in Mt. Vernon, Ohio, and is a full-time evangelist. The Rev. Mr. Thomas will preach at 7:30 p. m. weekdays and at 10:45 a. m. and 6:50 p. m. on Sunday during the revival here. The Church and Pastor Brunner invites everyone to attend the revival services.

Brother of Local Man Dies

SNYDER (special)-Services for Mark Vaughn, 67, of Silver City, N. M., and formerly of Snyder, were held Tuesday in the Bell-Seale Funeral Home Chapel here. Burial was in Hermleigh Cemetery under the direction of Bell-Seale Funeral Home. Vaughn died Saturday in Silver City, N. M. The Scurry County native moved to Silver City, N. M., about 10 years ago. Survivors include his wife, Johnnie; a daughter, Bobbie Cummons of Fort Worth; two sons, Mark of Anchorage, Alaska, and Boyce Don of Oklahoma City, Okla.; a stepson, Jack Witt whose address was unknown; his mother, Mrs. Mattie Bowling of Lubbock; three brothers, Hugh of Abernathy, Jay of Idalou and E. H. of Austin; five grandchildren and several great-grandchildren.

Homecoming Activities Set

The AHS Antelopes will carry a 3-2 into their last non-conference tilt of the season Friday night at 7:30 o'clock, when the Littlefield Wildcats come here for Abernathy's Homecoming Game. Starting with this tilt, all of the Antelopes games for the rest of the 1976 season will begin at 7:30 p. m. The Antelopes scored a whopping 33 to 3 over Muleshoe here last Friday night. In addition to this game, the Antelopes have won from Petersburg and Hale Center, and have lost to Olton and Slaton. Littlefield won a close one over the Floydida Whirlwinds, 20 to 19, last Friday. Littlefield lost to AAA Lewelland, 17-25; were beaten 47-7 by Slaton (which beat Abernathy by 40 points, too) and lost to Lockney, 14-18. If Littlefield played Sept. 3, we have no record of the opponent or score. The Antelopes will have an open date October 15, before going to Idalou to start 4-AA District conference play Oct. 22.

City Increases Sewer Rates Holds Tax Line

The Abernathy City Council Thursday night approved the 1976-77 budget proposal, authorized City Mgr. Larry Fields to draw up an ordinance raising monthly sewer rates for commercial and residential users, and went into closed session to discuss the hiring of a new chief of police. Fields said he had 11 applications for the position and had weeded them down to three. No decision is expected before the next council meeting, which is set for Oct. 10. The 1976-77 budget proposal calls for no increased taxes. The sewer rates will be \$2.50 for single-family dwellings, \$2 per unit on multi-family dwellings and a \$3.50 minimum charge per month on businesses. Each fee is \$1 more than the old rate. Left unchanged was the \$25.00 per month charge to industrial users, and a \$15.00 a month per building charge paid by the school system.

Involvement Key To Interest In 4-H

CHICAGO--"Today's young people want to get involved in the planning and decisions that affect their lives and futures," says Kenneth H. Anderson, associate director, National 4-H Service Committee. "And youth can learn to play real, decision-making roles through their participation in 4-H."

The youth education program of the Cooperative Extension Service, 4-H offers young people 9-19 informal, learn-by-doing experiences that contribute to the development of practical skills and citizenship-leadership potential. The program is flexible and geared to members' needs, interests and abilities.

Many private-sector donors endorse the aims of 4-H with financial and technical support channeled through the National 4-H Service Committee. Private resources make possible college scholarships and other awards, expense-paid trips to National 4-H Congress, educational materials that enrich 4-H project work and many other extras.

Some donors sponsor full-scale awards programs that provide incentives and recognition to 4-H'ers at county, state and national levels. Among them are Ford Motor Company Fund, achievement program; Reader's Digest, leadership program; John Deere, conservation of natural resources; Eli Lilly and Company, health; International Paper Company, forestry; General Foods Corporation, food-nutrition; and Eastman Kodak Company, photography.

Each year, six 4-H members who demonstrate effective citizenship are rewarded with trips to National 4-H Congress and 5800 college scholarships donated in memory of Thomas E. Wilson and by friends of Kenneth H. Anderson, Wilson, founder of the meat packing and sporting goods companies that bear his name, was one of the founders of the National 4-H Service Committee in 1921.

Other 4-H'ers can win county medals and trips to the 4-H Commodity Marketing Symposium sponsored by the Chicago Board of Trade. Or they can earn U.S. Savings Bonds donated by Flanco Products Company, A Division of Eli Lilly and Company, if they score among the top ten in the National 4-H Livestock Judging Contest.

4-H members and volunteer leaders alike benefit from grants provided by UOP for the development of local and state environmental improvement programs. And both members and leaders can sharpen their skills in the 4-H sewing machine program, a training course with related literature funded by The Singer Company.

Former 4-H'ers who have set examples of purposeful citizenship, leadership and career achievement can qualify for alumni recognition awards donated by Olin Corporation. Statistics show that approximately 36 million Americans are 4-H alumni.

Several companies provide general support to 4-H through the Service Committee. Some of these are Ski-Doo Snowmobiles, Bombardier Limited; Daisy Division, Victor Comptometer Corporation; E. I. duPont de Nemours and Company; and Purina Horse Chows, Ralston Purina Company.

Private-sector support for 4-H at the national level also is channeled through the National 4-H Foundation, Washington, D.C. In early 1977, functions of the Foundation and the Service Committee are to be unified as the National 4-H Council. During National 4-H Week, Oct. 3-9, 5.6 million 4-H members will rededicate their heads to clearer thinking, their hearts to greater loyalty, their hands to larger service and their health to better living.

Enrollment in 4-H clubs and special interest groups was up 7.8% last year over 1974.

23% of 4-H members live on farms, 40% in rural areas and towns of less than 10,000 population, and 37% in cities, towns and suburbs of 10,000-50,000 and larger.

5.6 million 4-H members will be challenged to broaden their interests and concern for others during National 4-H Week, Oct. 3-9, 1976.

100 young Polish farmers and 25 American youths participate in an agricultural work-study exchange funded in part by a grant from Massey-Ferguson Inc. This is one of several international and exchange programs conducted by the National 4-H Foundation.

In 1975, 180,000 4-H members shared in awards provided by private-sector donors through the National 4-H Service Committee.

Among the new programs offered 4-H'ers in 1976 is the national 4-H gardening awards program sponsored by Ortho Division of Chevron Chemical Company.

Weyerhaeuser Company joined the roster of national 4-H donors this year. The forest products company will sponsor awards in the national 4-H woodworking program.

More than half a million adult, junior and teen volunteers lead 131,720 local 4-H clubs in some 3,000 U.S. counties.

More than 1,600 delegates are expected to attend the 55th National 4-H Congress, Nov. 28-Dec. 2 in Chicago.

Focal point of the National 4-H Foundation's national and international programs is National 4-H Center, a complete educational facility on a 12½-acre campus in Chevy Chase, Md.

4-H gives young people 9-19 "Room to Grow"—opportunities to get involved in the planning and decision-making that affect their lives and futures. Private-sector donors who endorse the aims of the 4-H program, conducted by the Cooperative Extension Service, lend their support to 4-H through the National 4-H Service Committee and the National 4-H Foundation.

SAVE YOUR ALTERNATOR

Did you ever have that red warning light come on telling you the alternator was not charging? Or have you heard a humming sound coming from the alternator? Why has the alternator failed? What may have caused this failure? Could something have been done to prevent this from happening? How much time and money could have been saved if this could have been avoided? These are questions often asked by farm tractor operators according to Speck Cox, Vocational Agriculture Teacher at Abemathy High School.

Mr. Norman K. Waggoner, Tractor Maintenance Specialist with the Agricultural Education Adult Specialist Program at Texas A&M University, offers some suggestions on getting more life out of your alternator. First, an alternator is essentially a high capacity generator. Since it is doing more work than a generator it requires more power to run it. Therefore tension on the drive belt is more critical. But excessive tension will result in side loading of the bearings. Since this tension recommendation will vary with the length of the belt and pulley size it is best to consult the owner's manual before making this adjustment.

Alternator bearings are high quality needle or roller bearings. They are pre-lubricated and sealed and will give a great many hours of service. But when failure does occur, a slight knocking noise will be heard. This is the rotor striking against the stator. This will result in damage to the stator and costly repair. It is, therefore, desirable to replace these worn bearings immediately.

The service life of the diodes can be greatly extended by following extreme caution in the use of jumper cables. That is, being sure to attach the positive battery posts together with one lead and attaching the second lead to the two negative posts. Exercise caution when installing the battery to make sure the appropriate leads are attached to the respective posts.

Additionally, if arc welding is required either on the tractor or on any attached equipment, removing the

ground cable from the battery will protect the alternator from reversed polarity being set up in the system and will thus protect the diodes. Being sure the battery is in good condition and keeping the battery posts free of corrosion will not only assure the battery receiving a charge but will go far in avoiding the alternator from becoming over-heated, causing the stator windings to burn.

Observing a few do's and don'ts will be helpful in assuring good alternator service, according to Mr. Waggoner.

Never attempt to polarize an alternator.

Never disconnect any lead while the alternator is operating.

Never attempt to charge a fully discharged battery with the alternator, rather put it on a battery charger.

Remember an alternator is a battery maintainer, not a battery charger.

By observing just a few cautious and following a few good maintenance practices, the alternator will give many hours of good service.

PEANUTTY FUDGE ICING

2 squares unsweetened chocolate
 6 Tbsp. butter
 3 cups sifted confectioners sugar
 ½ cup chopped Texas peanuts

Melt chocolate over hot, but not boiling, water. Allow to cool. Cream butter. Add confectioners sugar gradually, with electric beater at low speed. Beat in melted chocolate at high speed, mixing until icing is fluffy. Stir in peanuts. Frost Peanut Fudge Cake. Can garnish top of cake with additional Texas peanuts.

For additional peanut recipes send a postcard request to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

Look for Beef Specials: Freeze Now for Later

AUSTIN--Consumers can expect to find many bargains at the meat counter this fall, and some of the best buys should be in the beef section.

The Texas Department of Agriculture home economist advises consumers to look for beef specials and take advantage of them to fill the freezer.

She reminds consumers that special care is required when freezing prepackaged fresh meats from the supermarket display case.

Before freezing, the store wrapping must be removed for two reasons. First, the great amount of air contained in store packages contributes to freezer burn. Second, the clear wrap used to wrap the meat is not strong enough for freezer storage.

With beef supplies so good, many homemakers may want to freeze beef casseroles for those "emergency" meals or when there's no time to cook.

To successfully freeze casseroles, follow these easy tips.

Remember that creamed foods, stews, meat pies, spaghetti sauce and most casseroles freeze well. If stored at zero degrees Fahrenheit, they have a storage life of four to eight months. Undercook any vegetables or pastas since

they finish cooking when the main dish is reheated.

The Texas Department of Agriculture home economist suggests trying Country Beef Stew.

Country Beef Stew

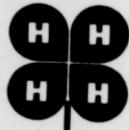

- 2-2 1/2 lbs. chuck roast or stew meat
- 1/2 cup flour
- 3 Tbsp. cooking oil
- 1 medium onion, sliced
- 1 clove garlic, minced
- 2 bay leaves
- 1 tsp. salt
- 1/2 tsp. black pepper
- 1/2 tsp. paprika
- 1/2 tsp. lemon juice
- 1 tsp. Worcestershire sauce
- 4 cups water
- 6 carrots, sliced
- 4-5 potatoes, cubed
- 2-3 onions, sliced
- 4-5 ribs celery, sliced
- 1 (8 oz.) can tomato sauce

Cube meat, coat with flour, and brown in cooking oil. Add next 10 ingredients, cover and cook slowly for 1-1/2 to 2 hours. Add carrots, potatoes, onions, celery and tomato sauce. If stew will be frozen, cook vegetables for 15 to 20 minutes, or until vegetables are partly cooked. If stew will be served immediately, continue cooking about 10 to 15 minutes longer, or until vegetables are done.

Yield: 4-6 servings.

5.6 Million Youth To Observe National 4-H Week Oct. 3-9

5.6 million 4-H members will be challenged to broaden their interests and concern for others during National 4-H Week, Oct. 3-9, 1976.

In 1975, 180,000 4-H members shared in awards provided by private-sector donors through the National 4-H Service Committee.

4-H, the informal youth education program of the Cooperative Extension Service, emphasizes "learn by doing" projects and activities that build character and develop leadership/citizenship skills.

More than half a million adult, junior and teen volunteers lead 131,720 local 4-H clubs in some 3,000 U.S. counties.

Each 4-H volunteer leader contributes an estimated 20 days per year to 4-H leadership responsibilities.

More than 36 million 4-H alumni continue to live the 4-H motto: To Make The Best Better.

4-H circles the globe. Around the world, 4-H and similar youth-serving organizations thrive in more than 80 countries.

In 1975, 5,577,716 youth 9-19 years of age participated in 4-H. 4,033,668 youth were members of 131,720 4-H Clubs and special interest groups, including 2,293,851 in 99,219 4-H Clubs. 1,739,817 in 32,501 4-H Special Interest Groups.

819,329 youth participated in 4-H Expanded Food-Nutrition Education Programs, primarily for Low Income City Youth.

724,679 youth were enrolled in 4-H Instructional TV Program Series.

Of the 4,033,668 youth in 4-H Clubs and 4-H Special Groups--

- 23.2% lived on farms.
- 40.1% lived in towns under 10,000 population and open country.
- 16.8% lived in towns and cities 10,000-50,000.
- 8.2% lived in suburbs of cities of over 50,000.
- 11.7% lived in central cities of over 50,000.
- 56.1% girls.
- 43.9% boys.
- Ages included: 54.1% pre-teens (9-11)
- 32.3% early teens (12-14)
- 13.6% middle and upper teens (15-19)

VOLUNTEERS IN 4-H
559,578 4-H volunteer leaders—adult, junior and teens—were a part of the volunteer staff assisting in 4-H—Youth Programs. In 1975.

353,891—4-H adult leaders.
151,271—4-H junior and teen leaders.
54,416—Leaders assisting in 4-H EFNEP.

The number of volunteer leaders has tripled in the past 20 years. For every hour spent by a professional Extension worker on 4-H, volunteers spent 10 hours—equivalent to 20 8-hour days per year for each volunteer.

There is substantial involvement and assistance to 4-H people by resource people, business, industry, agricultural and civic groups, most of which is not included in the volunteer leadership listed above.

4-H programs are conducted in 3,150 counties of the United States, District of Columbia, Puerto Rico, the Virgin Islands, and Guam. 82 countries have youth programs similar to 4-H, with an enrollment of approximately 5 million.

WHAT THE THEME MEANS

4-H Room to Grow: Like the clover grows, so do youth who are involved in 4-H. They grow mentally, physically and spiritually as they set new goals and respond enthusiastically to new opportunities. 4-H is a viable, contemporary program. It challenges participants to broaden their interests and concern for others. The program encourages youth to grow as they pledge their heads to clearer thinking, their hearts to greater loyalty, their hands to larger service and their health to better living. 4-H provides—Room to Grow.

NATIONAL 4-H WEEK, 1976

I send my very best wishes to the 4-H members and leaders across the country on the observance of 1976 National 4-H Week. A grateful nation takes pride in your accomplishments, and the Bicentennial year gives us a unique opportunity to recognize your many contributions to the vitality of our society.

"4-H—Room to Grow" is an appropriate theme that focuses on the fine way in which 4-H programs have expanded the horizons of achievement and individual self-fulfillment for their participants.

May you continue to grow as you pledge your heads to clearer thinking, your hearts to greater loyalty, your hands to larger service and your health to better living. And may the nation continue to benefit from your experience.

Signed,
Gerald Ford

4-H—ROOM TO GROW

During National 4-H Week, Oct. 3-9, we join in paying tribute to an informal educational program that provides unique opportunities for youth to grow—physically, mentally and spiritually—into productive, contributing members of society.

4-H emphasizes the development of "real life" skills: learning "how to learn" for today and for a lifetime; using one's knowledge to improve the quality of life for self and for others; relating to social, technological, environmental and economic change; and growing through the pursuit and achievement of self-imposed goals.

Some of these "learn-by-doing" activities are achieved through project work in Hale County. Petersburg youth are involved in learning what is involved in the different types of child care—individual and group. They have visited several child care centers to study the operation and facilities.

Hale County youth have recently completed an electricity project in which they studied how electricity is created and managed. They actually made extension cords. Plainview youth will be studying and preparing for the Food Show in November with such lessons as the four food groups, food buying, preparation, and storage.

Halfway youth have been involved in a veterinary science project, studying the normal animal, immunizations, and detecting disease in different types of animals. Cotton Center youth are hoping to start recreation project in the near future, learning games for different types of parties and get-togethers.

Edmonson youth are just completing an entomology in which they have been

studying insects, where and how to find them, and making collections.

Youth in the Abernathy area have just completed a handwork project in which they have been learning to use a needle and thread to create works of art for home improvement.

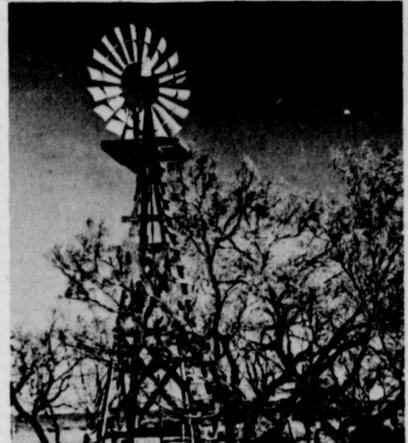

These skills are desperately needed in a society that increasingly must cope with problems of apathy, unemployment, crime, deterioration of the family as a social unit, and crises in health and morals. Today's youth need to be involved in meaningful activities that will affect their lives and society for the better.

As 4-H families all over the world celebrate National 4-H Week, October 3-9, Hale County youth will be doing the same. Each 4-H Club will be preparing a window exhibit for a store window somewhere in their community.

These windows are comprised of many items and ideas shared by lots of 4-H youth and leaders trying to inform the local public of the types of programs and activities 4-H has to offer. It is hoped that the windows will tell a story to the public about the local club and what their members are involved in.

To culminate the week's activities, 4-H members, parents, leaders, and friends of 4-H will be giving and receiving awards at the annual Achievement Banquet. The Banquet will be held at the Agriculture Center on October 9, with the meal being served at 7:30 p.m. The Electric Cooperatives serving this county will be hosting the meal, followed by the Awards Program. 4-H members and leaders will be receiving year pins for service rendered and membership, along with special awards such as the naming of First Year Boy and Girl, the Monty Star Memorial Award, Gold Star Boy and Girl, Kiwanis Club Leadership award, the Spur Clip, the Hale County Farm Bureau Leadership award, I Dare you, and the Holloway Swine Award.

Hosting the Achievement Program will be members and leaders of the Abernathy 4-H Club. They will be decorating the Ag. Center, welcoming guests, and preparing the written programs. Miss Dana Stout, Chairman of the Hale County 4-H

WINDMILLS FOR THE FUTURE—They may trigger memories of the past, but windmills are being considered as a source of power for the future, too. Agriculture Commissioner John C. White points out that harnessing wind power could supply the energy for such agricultural needs as pumping irrigation water and heating and cooling.

Council will be the Mistress of Ceremonies. In providing "Room to Grow", 4-H enables young people to develop the practical skills and citizenship-leadership abilities that contribute to personal growth and to concern for family, community, nation and world. During National 4-H Week we salute the 4-H members, parents, volunteer leaders, and private businesses whose efforts combine to make 4-H a viable, contemporary youth program. If you are interested in becoming a 4-H FAMILY, call Karen Miller, County Extension Agent, 296-7466. 4-H NEEDS YOU.

Join us in saluting the young men and women of our community who have demonstrated a clear sense of mature civic responsibility and purpose as 4-H Club members. To help our nation and world produce future food needs, 4-H Club members are working to become the farmers, ranchers, scientists and research-

ers of tomorrow. 4-H Club members throughout the nation are helping to protect our environment by combining modern technology with ancient methods to build a more successful and responsible food industry. We're proud of our local 4-H Club members who are leading the way to meet the challenges of the future!

"You Can Depend on Him"
"The Lord God is my strength, and he will make my feet like hinds' feet, and he will make me to walk upon mine high places."
(Habakkuk 3:19)

God wants to be our strength. He wants to fill you with all that He is. God is love, power, and peace. All of these words describe the characteristics of Jesus; His life was that of love and peace.

This verse also states that God will make our feet like deer feet. This means that we can keep our balance when things get rough. You can walk up the steep places, and run through life with swiftness and surefootedness. We can also rise above the problems and hurts of life. God can fill you full

of His Spirit that you heart and mind can soar above the burdensome tasks of life.

You can depend on God's love to see you through this life. Reach out to Him—He is already reaching out to you.

Ps. 100:5: "For the Lord is good; his mercy is everlasting; and his truth endureth to all generations."

FOLLOWING BICENTENNIAL THEME, GIRL SCOUTS TO SPONSOR HERITAGE FAIR OCTOBER 9TH

Climaxing a year of Bicentennial activities, Caprock Council will sponsor the Girl Scout Heritage Fair, from 10:00-4:00 p.m., October 9, at Lubbock Christian College Field House.

The program is free and open to the public. Live demonstrations and exhibits of skills of today and yesterday will be featured by Girl Scouts in the four age levels of the Scouting program.

Costumes of the past 50 years will be shown in a special style show presented by Cadette girls from Troop 223. Junior Girl Scout troops will demonstrate the recycling of paper, macrame, paper mosaics, quilting, quilting and puppetry. Troop 55 from Plainview made their own Indian costumes for an Indian chant accompanied by drums which they will present. Nature crafts, corn husk dolls, weaving and other activities from their mother and grandmother's era will be provided by younger Brownie Scouts. Troop 413, under the

leadership of Mrs. Gloria Torres, 605 A, Abemathy, will have an "out of door" display. Mrs. David Watt's Junior Troop 189 will present Indian songs and dances.

Senior Scouts will demonstrate out of door skills learned over the years.

Hostesses for the event will be Cadette Troop 222 under the leadership of Mrs. R. G. Atwood and Mrs. Martin E. Fricks; Troop 324, Mrs. Thomas E. Craig and Mrs. Stephen Payne; and Troop 334, Mrs. Bob L. Hunter and Mrs. Sharon Keith.

Helium filled balloons and clowns will be part of the fun filled occasion.

To climax the event, troops will turn in contributions for the Juliette Low World Friendship Fund. The fund is used primarily to provide Girl Scouts from the United States opportunities to visit Scouts and Guides in foreign countries. Contributions will be made in a special ceremony at 3:30 p.m. Two girls selected from

each troop will take part in the Friendship Parade. Flags of 92 nations, members of the World Association of Girl Scouts and Girl Guides will be presented.

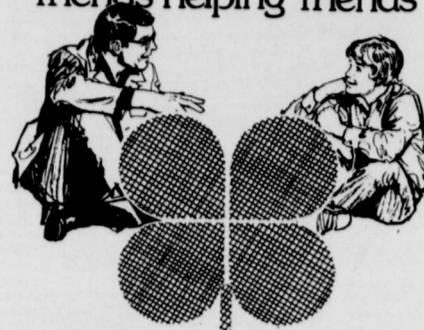

Mrs. Billy M. Hall, Chairman of the Program Committee; and Sharon Washburn, Program Services Director for Caprock Council, are coordinating the event. Mrs. William C. Griggs is President of the Council.

The 1976 National 4-H Week theme, "Room to Grow," inspires 4-H members to set new goals and to respond positively to new opportunities.

Although 1975 statistics indicate high participation in the traditional 4-H project areas of agriculture and home economics, enrollment is increasing in such projects as bicycle care and safety, arts and crafts, community development, safety, photography, public speaking and health.

LET THE WORD OF GOD GUIDE YOUR LIFE

He giveth power to the faint; and to them that have no might he increaseth strength. Even youths shall faint and be weary, and the young men shall utterly fall; But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.
(Isaiah 40: 29-31)

County Line Community Creed (Dedicated To My Community)
 Let us seek contentment and joy in living,
 Let us get rid of all false estimates,
 Let us set up high ideals-- First love our master and know his "will"
 Let us have a comfortable home and a happy family relationship with a strong devotion to the right that will not swerve.
 Let us have a simple religion, empty of bigotry, and full of tolerance.
 Let us have good friends worthy of being loved.
 Let us develop a good neighborly community contact.
 Let us have books full of inspiration.
 Let us have beauty of our own making.
 Let us have innocent pleasures that bring no one pain or remorse.
 Let us be homemakers that love growing knowledge and development.
 Let this be the philosophy which our community impels and promotes.

For in this way our greatness lies.

 The monthly 42 and Domino Club met Friday night. Twenty members and guests were present. Each one brought a covered dish and coffee and punch was furnished by the club. It will meet again the first Friday night in November.

The County Line Community Club met Tuesday September 28. Mr. Don Allford of Lubbock gave a talk on plants and told how to mix the soil for houseplants... 1/3 perlite--1/3 potting soil and 1/3 peat moss. The members bought \$50.00 worth of plants for their homes. Hostesses for the club were Betty Price, Veneta Granger and Faye Ann Nelson. The next meeting will be a luncheon in October and a Thanksgiving dinner for November to be served for the men.

PRESERVED CHILDREN
 Take a large field, half a dozen children, 2 or 3 small dogs, a pinch of brook

and some pebbles. Mix the children and dogs well together, put them on the field, stirring constantly. Pour the brook over the pebbles; sprinkle the field with flowers; spread over all a deep blue sky and bake in the sun. When brown, set away to cool in the bathtub. (Dedicated to all the children in County Line Community.)

How are we ever going to cook when we change the kitchen math over to metric? I do well to follow a recipe in the cook book now. It is coming soon so we just as well accept it as we can't do much about it. Just like the daylight saving time. We got up a petition and sent to Austin and it did not help one bit. It is just about time for it to change again and get us more mixed up than what we are.

I made a new fruit salad and everyone is asking for the recipe so here it is:

Pistachio Nut Salad
 2 packages instant pistachio pudding mix
 1 #2 can crushed pineapple drained (save the juice)
 1 #2 can fruit cocktail drained (save the juice)
 1 cup chopped walnuts (1 prefer pecans)
 2 c. miniature marshmallows
 1 large container of cool whip (or 2 pkgs. dream whip)
 Mix the dry pudding mix with the juice off the fruits. Add the nuts, marshmallows and fruits. Fold in the cool whip. Let stand several hours in the refrigerator.
 I found this in my recipe book the other day and I don't know who gave it to me and I never heard of pistachio pudding mix before. I tried it and it was delicious. I hope you like it too.

National 4-H Week is set annually by the Cooperative Extension Service to draw attention to the values of 4-H as an informal, youth education program that stresses development of practical skills, leadership and citizenship.

The 1976 observance challenges girls and boys 9-19 to examine their personal growth and development in 4-H and, at the same time, to broaden their interests and concern for others.

OUT OF THE MOUTHS OF BABES
 by Mrs. Lillie Belle Kramp

It is an unusual person who has never been embarrassed. God often uses our embarrassments to teach a spiritual lesson. When this teaching comes through children, the humbling is even greater.

A friend of mine wanted to impress some "VIP" kin-folk. She did this by setting a complete serving of silver-ware for the evening meal, using the butterknife.

Her son, Bob, who was seven years old, had never seen a butterknife. After prayer, she began to pass the food. "Mother, what's this funny looking knife?" Bob asked. She tried to hush him by stepping on his foot. "Don't step on my foot," he said. Her embarrassment was complete. She explained the use of the butterknife.

After that, she always set the table using the butterknife. Her son needed to know all the pieces of serving silver.
 A neighbor of mine said that she belonged to the Lord Jesus. Yet He wasn't important

enough to teach her five year old son nor was interested in taking or sending him where he could be taught.

One Sunday she did take to church. When the audience began to sing one of the beautiful hymns, she heard her son singing, "Hi, good-looking, whatye got cooking!" She could have gone through the floor. She suddenly realized that her child knew nothing of the hymns, nothing of Jesus, nothing of God. When the invitation was given, she went forward to open her life to the Lord Jesus and thus start a new pathway for her and her family.

Isn't it amazing how often we pretend to be something that we are not and it often takes a child to expose us. The Lord says it like this, "Wherefore laying aside all malice, and all guile, and HYPOCRISIES... as newborn babes, desire the sincere milk of the word, that ye may grow thereby: I Peter 2:1a and 2a.

4-H-type work began around 1900 as an effort to supplement classroom instruction with practical, out-of-school learning experiences relevant to rural youth. Formal provision for "boys' and girls' club work" - later to be called 4-H - was made in the Smith-Lever Act of 1914 which established the Extension Service.

Farina Fiesta Instead Of Potatoes

When meal planning gets to be a chore, add a new dish to your repertoire. For instance, instead of serving rice, potatoes or pasta, try this tasty side dish made with iron-enriched CREAM OF WHEAT Cereal. You probably keep the cereal on hand anyway. Farina Fiesta is easy to prepare. After the cereal is browned, the recipe needs only 5 minutes cooking. It's assorted just so with onion, green pepper, pimientos and mushrooms.

FARINA FIESTA

- 1/4 cup butter or margarine
- 1 cup Regular or Quick CREAM OF WHEAT Cereal
- 1/4 cup chopped onion
- 1/4 cup chopped green pepper
- 1 (10 1/2-ounce) can condensed chicken broth or beef broth
- 1 (4-ounce) jar DROMEDARY Diced Pimientos, drained
- 1 (3-ounce) can sliced or chopped mushrooms, drained, optional
- 1/8 teaspoon ground black pepper

Melt butter in large skillet. Add next three ingredients; cook over medium heat, stirring frequently, until cereal is lightly toasted. Remove from heat. Very gradually stir in broth. Add remaining ingredients. Cover tightly and cook over low heat, 5 minutes, stirring occasionally. Makes 6 (about 2/3 cup) servings.

LOST HEAT BITES THE DUST

When you buck Lost Heat... you save money on heating bills. The best way is with an electric heat pump. The heat pump is an electric heating system that squeezes warmth from outside air even at very cold temperatures. The electric heat pump is the most efficient way to have clean, modern heating and also save energy. And when you save energy, you save money. Call The Electric Company for complete information on the heat pump.

LIKE UNPLOWED FIELD

Our lives are like an unplowed field. We plant and tend our own crops and reap our own harvests. We erect our own fence rows, but in every meadow there are occasional gopher holes to contend with.

THOUGHTS FROM WITHIN

—BY VICKI

Fear not, for I am with you. Do not be dismayed. I am your God. I will strengthen you, I will help you; I will up hold you with my victorious right hand. (Isaiah 41:10)

The Word of God is powerful and it will never fail us. This scripture from Isaiah has always been a wonderful promise that I have claimed many times.

Before I was to go to the hospital, I had been praying and seeking God and this is the scripture that came to my inner thoughts. I am so thankful that our heavenly Father loves us so very much that He gives us His precious promises just when we need them.

"Fear not, for I am with you." This first line of scripture is so wonderful. God spoke to me not to have any fear because He was with me. God's Word tells us all though that He is with us, Heb. 13:5 in the last part says, "I will never leave thee, nor forsake thee." 1 John 4:18 says, "There is no fear in love; but perfect love casteth out fear; because fear hath torment. 1 John 4:18 tells us that God is love. So we see in these words from the Holy Bible that God was telling me to fear not for He is always with me and God is love and perfect love casteth out fear.

When we read our Bible's that is God speaking to us and we pray that is us speaking to God.

When I went to the hospital I knew I had given everything into God's hands and He is in control of all things. I knew God loves me and Rom. 8:28 says, "And we know all things work together for good to them that love God," to them who are called according to His purpose.

I know God is the Great Physician and I know when I started having problems with my foot, I shared with some friends and had my name placed on the Rays of Hope prayer list that is mailed out each week to men and women who are prayer warriors for the Lord. When I went to the doctor to have Him see what needed to be done, he told me he wasn't

sure what was wrong. (This was a flair up from having surgery to remove a needle from the bottom of my foot two years ago.) My foot was very sore and there was some fluid draining from it. The doctor sent me to x-ray and when I got over there the x-ray people looked at my foot and they really questioned me about how long my foot had looked like that. They really seemed worried. I went back to the doctor's office and he told me he had been concerned that there was some infection in the bone but, the x-ray didn't show anything. I gave the glory to Jesus because I know God hears and answers prayer. This doctor sent me to a bone specialist and he told he needed to do surgery to correct this scar tissue that was raised on the bottom of my foot. He said, he didn't know for sure what all he would have to do until he got in there to see how much was there.

I know God used doctors and I am thankful for them and the knowledge He gives them.

When I am in the hospital I usually sleep most of the time. I prayed and asked the Lord to let me stay awake and read and study His Word and let this time be a renewing in Him. He did just that. I entered the hospital on Sun. Sept. 19. I woke up wide awake on that Monday morning at 5 a. m. and I laid there and talked to the Lord and read the Bible before surgery. I did sleep most of the afternoon. Tuesday morning I again woke up wide awake at 5 p. m. and I was laying there and I just ask the Lord what He wanted me to do and I talked to Him for a few minutes and then I just started singing to the Lord. There is power in praise. Psa. 101:1 I will sing about your loving-kindness and about your justice. Lord I will sing your praises. I sang and talked to the Lord and rested. When the mail came I had two cards from a dear sister in Christ and on both cards she had written some scriptures for me to look up. One of them was Isaiah 41:10. I just rejoiced in the Lord, for it was the scripture the Lord had given to me before I went to the hospital.

I went to physical therapy Tuesday morning and afternoon. There they showed me how to use my crutches right. I met a girl there who was raised in Tahoka and we knew her parents, she just recently started her job as a physical therapist.

I came from therapy thanking the Lord for my health and ability to even raise my hands and being able to move. You can really see many needs in a service such as that. I had a real opportunity to whisper a prayer for others there.

Sometimes we forget how much we should thank the Lord for, the many things we take for granted.

We have such a big wonderful heavenly Father who has so much love for us. He knows all about us and has so much to teach us.

Matt. 7:7 says, "Ask and it shall be given you; seek and ye shall find; knock, and it shall be opened unto you. There is so much to learn from the Word of God. I know I could never get tired of reading and learning something from it whenever I am seeking the truth in it.

I have seen a poster that says, "When life gives you a lemon, make lemonade." I praise the Lord for how He has and is blessing me during this time.

I am so thankful to Richard and the children; my mama and daddy and to all my friends also for all you have done. May God bless you all.

"To God be the glory for all that He has done."

4-H continues to serve a large rural audience, but in recent years it has provided "learn by doing" experiences to a growing number of urban youth. Nearly 20 percent of 4-H members now live in suburbs and cities of more than 50,000 population. 23 percent live on farms, and 57 percent live in open country, small towns and cities of up to 50,000.

1975 enrollment figures show 73 percent of 4-H members belong to organized 4-H clubs and special interest groups — up 7.8 percent over 1974. Other young people participate in 4-H through nutrition education programs, instructional television series, short courses and camping.

Mrs. Struve Hostess For 1935 Study Club

The second meeting in September of the 1935 Study Club met in the home of Mrs. Arno Struve with sixteen members attending. The program for the day on The New England States, continuing the year's study, "Close-up USA", (Places and Things of Interest).

After the usual business session, Mrs. Robert Carter spoke and showed pictures of interest on the states of Maine, New Hampshire and Vermont. Mrs. Lee Echols gave an interesting paper on the states Massachusetts, Rhode Island and Connecticut.

Mrs. Struve showed colorful slides taken on a trip to Massachusetts. A social hour followed with the following members attending: Mrs. Hilburn Barrick, Waldo Cox, Vester Embry, Erceel Giveus, Jack Hackler, John Hale, Frank Lovelace, Robert McAllister, Glenn McDonald, J. C. Mills, J. L. Miller, H. E. Williams, Cal Tucker and Mrs. Carter, Echols, Struve and Mrs. Jack Jackson will be hostess for the first meeting in October.

"RAYS OF HOPE"

by Pat Stanton

There are certain steps to follow if you are needing a miracle from God. Put these steps into practice, and expect your miracle.

1. Know that God is Your Only Hope. a. Look to Him as your total source. "But my God shall supply all your need according to His riches in glory by Christ Jesus." (Phil. 4:19) b. God must have first place in your life. Matt. 5:8: "Blessed are the pure in heart for they shall see God." c. Look to God as a Father. Matt. 7:11: "If ye then, being evil, know how to give good gifts unto your children, how much more shall Father, which is in heaven give good things to them that ask him?"

2. Plant Seeds of Faith a. Have a life style of giving (planting good seeds) b. If you sow good seeds of love, this will be returned to you. Luke 6:38: "Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same

measure that ye mete withal it shall be measured to you again." c. Put your faith action as a seed. Matt. 17:20: "for verily I say unto you, If ye have faith as a grain of mustard seed, . . . nothing shall be impossible to you."

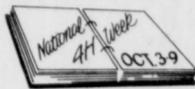

3. Expect the Miracle a. Look for it—thank God for it—continually praise Him. b. Quote God's promises to meet your situation. c. Remember that God wants to bless you and the devil wants to ruin you. John 10:10: "The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly."

When you are praying for God to help you, remember to stay in His teachings of love and honesty.

R. 84:11: "For the Lord God is a sun and shield: the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly."

A stated meeting of Abernathy Lodge No. 1142 A.F. & M. will be held at 7:30 p.m. Thursday, Oct. 14. Steve Jackson, Worshipful Master, urges all local members to be present and extends a welcome to visiting Masons.

A man had been on a drinking merry-go-round and was driving the wrong way on a one-way street. He was then stopped by a policeman who demanded, "Where do you think you're going?" "I don't know," he answered. "But I'm too late. Everybody's coming back." Disregarding the signs on a one-way street may cause an accident. But more tragic are the consequences of taking the wrong way in life. There are only two ways—the way of the righteous and the way of the wicked. We may choose as we please. heaven or on the way to hell. Our Lord said, "Heaven can be entered only through the narrow gate! The highway to hell is broad, and its gate is wide enough for all the multitudes who choose its easy way. But the Gateway to Life is small, and the road is narrow, and only a few ever find it." Many take the broad way. Looking for freedom, they find fetters. Desiring life, they find death. Psalm 146:9 says, "The way of the wicked He turns upside down." Remember that everything goes wrong with the person who goes wrong!

Dear Editor,
During the past summer, our organization took an ad with your paper selling the book, *Facts and Folklore: A History of Hale County by Vera Wofford*. Included is a copy of what was in the ad. In the course of publishing the book, the publisher had a mechanical failure due to ineffective off set printing machine. The book will not be published until a much later date. We would like to make an announcement in your paper to that effect. If this needs to be in an ad, please advise me of the cost of the ad, and bill me.
