## SNOW STOPS ABERNATHY ANTELOPES AND TULIA HORNETS AT HALFTIME

(By Sammy Hunley)

Mother nature displayed her winter-time antics Friday night in the best way she knew how—snow and plenty of it. Blizzards conditions that reached a peak during the latter stages of the second quarter, completely stopped the final contest of the year between the Antelopes and the Tulia Hornets. School officials met at half time and decided to cancel the game for the safety of players and fans alike. The contest was considered a draw with the Antelopes gaining a possible victory by way of penetrations and first downs. The game will go down in the official records as a tie for both teams. The first quarter saw the

Antelopes dominate the game, despite the slippery condition. Shipman with a mixture of plays to Ken Davenport and David Hunt moved the ball to the 5-yard line, but Tulia managed to spoil the effort, with a pass interception in the end zone. The weather grew steadily worse preventing both teams from moving the ball offensively. A total of 11 punts came in the first half of play—cold hands and wet football also produced a rash of fumbles. Mixed emotions came after the game was canceled, but the right decision was made. After all the safety and well being of the players, coaches and fans comes first.

## Floydada Wins District 4-AA Championship

The Floydada Whirlwinds, football champions in District 4-AA, will meet Dimmitt, the District 3-AA winner, in the bi-district game.

For the second time this season, the AHS Antelopes had snow interference in 4-AA games. The game with Floydada was postponed from Oct. 29 to Oct. 30. Last Friday night, their 4-AA game with Tulia was called at the half due to snow. Antelope Coach Larry Aldridge said the game counts as a zero-zero tie. The Avalanche-Journal report said Abernathy had the edge over Tulia in the statistics department when the game was called.

The Antelopes ended the season 1-2-1 in district and a 4-AA third place tie with Idalou. Abernathy had a 5-4-1 overall season record. Idalou lost to Lockney, 0-6, in the other 4-AA game last Friday night. FLOYDADA'S District 4-AA record: Beat Lockney, 7-6; won over Tulia, 13-12; downed Abernathy, 14-0; tied Idalou, 14-14. Represents District 4-AA in bi-district game with 3-AA champ Dimmitt.

TULIA: Beat Idalou, 28-7; lost to Floydada, 7-13; downed Lockney, 21-0. Tied Abernathy, 0-0, in game called at the half due to snow.

IDALOU: Lost to Tulia, 7-28; beat Abernathy, 13-12; tied Floydada, 14-14. Lost to Lockney, 0-6.

ABERNATHY: Lost to Idalou, 12-13; beaten by Floydada, 0-14; defeated Lockney, 28-14. Tied with Tulia, 0-0, in incomplete game snowed out. LOCKNEY: Lost to Floydada, 6-7; lost to Tulia, 0-21; lost to Abernathy, 14-28. Defeated Idalou, 6-0.

## Tax Practitioners Serving Farmers To Attend 'Shops'

The Texas Agricultural Extension Service is cooperating with the Internal Revenue Service in offering 23 Tax Practitioner Workshops across the state reports Ollie Linder, County Extension Agent. The workshop for our area will be held in Plainview at the Hale County Agriculture Center on November 30 and December 1 from 8:30 a. m. to 4:30 p. m. each day.

These two day workshops are specifically designed for tax practitioners who work extensively with farmers and ranchers. Topics to be covered include: What's New for '76, Residential Credit, Partnership Returns, Net Operating Loss Carryback, Investment Credit, Soil and Water Conservation, Land Clearing.

For additional information, please contact the County Agent's office for a brochure explaining more about the program and registration information.

## \$500.00 REWARD OFFERED HERE

FOR INFORMATION LEADING TO THE ARREST AND CONVICTION OF THE PERSON OR PERSONS INVOLVED IN THE THEFT OF SEVERAL C. B. RADIOS TAKEN FROM RESIDENTS OF ABERNATHY.

Several local residents are offering a reward to any person who can give the Law Officers information leading to the arrest and conviction of the person or persons involved in the theft of C.B. radios which were stolen recently in Abernathy. A rash of thefts of C.B.'s occurred on Tuesday night, November 9.

## Father-Son Cake Contest At Meeting

The Cub Scouts will have their regular monthly Pack Meeting on Thursday, November 18, at 7:30 p. m. at the school cafeteria. There will be a Father-Son cake baking contest and the cakes will be on sale at this meeting. Prizes will be awarded. The cakes will be judged by a select panel of judges. The public is invited to attend and participate in the event.

## ND Lions Down Chiefs; Win 2nd. In District 4-A

The New Deal Lions drubbed the Crosbyton Chiefs 20-0 Friday to finish the season as runner-up in the District 4-A race.

The Lions upped their district mark to 5-1, their only loss coming at the hands of the 4-A champion, Petersburg, which had only a tie to mar its league record.

New Deal opened the scoring late in the first quarter with a 5-yard touchdown run by halfback Randy Vines, who was the Lions' leading rusher with 55 yards on 22 carries during the snow-blown contest.

The Lions' next score came a quarter later, when fullback Arnon Stark ran 4 yards for a TD, giving New Deal a 14-0 halftime advantage. New Deal's final points were scored by quarterback Mark Bush on a 10-yard carry late in the fourth quarter. Each team had four lost fumbles during the game, the season finale for both clubs. Crosbyton's leading ground gainer was tailback Donald Ray Harris, who had 89 yards on 12 carries. Harris also had the game's longest run—a 63-yard gallop in which he slipped in the snow and was downed before reaching the end zone as the final seconds of the first half ticked away.

New Deal, which record winds up at 7-2-1 for the season, made 13 first downs to Crosbyton's one. The Lions gained 162 yards rushing and 18 passing while the Chiefs had a net gain of just 76 yards—all on the ground. Crosbyton's district slate ends at 2-4. The Chiefs' overall record is 2-7-1.

## Otelia Clement's Mother, 81, Dies

PLAINVIEW(Special)—Services for Mrs. J. B. Masten, 81, a longtime Plainview area resident, were held Tuesday in the First Baptist Church at Plainview with Dr. Roy C. McClung, president of Wayland Baptist College, officiating.

Burial was in Plainview Cemetery under direction of Lemons Funeral Home of Plainview.

Mrs. Masten died Sunday at Central Plains Hospital in Plainview after a sudden illness.

Born in Denton County, Mrs. Masten moved to Plainview in 1905. She was a member of the First Baptist Church here.

She was married to John Bruce Masten Sept. 3, 1911, in Hale County. Her husband died in 1964.

She is survived by two daughters, Mrs. H. R. (Edith) Waits of Lubbock and Mrs. W. C. (Otelia) Clement of Abernathy; three sons, Horace L. Reese and J. D. Jr., all of Plainview; 10 grandchildren, 21 great-grandchildren and four great-great-grandchildren.

## Masons Set Special Program

The Abernathy Masonic Lodge will have a Thanksgiving supper Saturday night the 20th of November at 7:30 p. m. All masons and their families are invited to attend. The wives are asked to bring a salad or desert.

Rev. Jacky Newton, pastor of the First Baptist Church will give a program on a Thanksgiving theme.

## Rogers Is Hale F B Director

Kenneth Rogers of Abernathy was installed as a new director of the Hale County Farm Bureau. A recognition luncheon recently was held in Plainview by Farm Bureau officers with a number of past officials, including Owen Benn of Abernathy, in attendance.

## HALE 4-H FOOD SHOW IS NOV. 20

Interested 4-H'ers will focus on Gourmet Foods when the Hale County 4-H Food Show gets underway November 20 with about 75 youth competing in senior and junior divisions.

Following the Gourmet Foods theme, local youth will prepare main dishes, side dishes, breads and desserts, or snacks and beverages as they choose one of the four entry classes for competition.

Food entry exhibit will be on display for the public from 4:00 to 5:00 p. m.

Senior division competition is set for 1:00 p. m. at the Agriculture Center. Junior competition starting time is 2:00 p. m. at the Agriculture Center. A program for the parents on Christmas decorating and gift ideas will be presented at 2:00 p. m. by Kathy Burk of Lighthouse Electric.

## "Grandmothers" Visit Denton

Two Abernathians, who serve as "grandmothers" at Lubbock State School, recently went with a group of other "grandmothers" to the State School at Denton to observe the "grandmother" program at that school. Going from here were Mrs. Edna Jones and Mrs. Ruth Phillips. Their function is to fill a grandmother role for three or four residents of the Lubbock State School.

## Young Farmers Meet Nov. 8

The Young Farmers had their monthly meeting Nov. 8th and a good program was enjoyed by all. Mr. Jim Horton of Abernathy brought us an interesting program on Texas Water. He has been involved in water for Texas several years. He told of his involvement with water while he lived at Ft. Stockton they worked on it on a state wide basis. He urged the local people to get active in water for Texas.

Then we had our business meeting in which we discussed different types of programs that we will have in the coming months. We discussed our upcoming Turkey Shoot but no definite date was set, so we chose a committee to decide the best time.

We will have our Christmas party with the Young Homemakers on Dec. 13th. We will have bar-b-que goat furnished by Tony Lopez.

We also voted to run Steve Jackson for state farmer again this year. Then our meeting was closed. We urge all Young Farmers to come to our Christmas party. Reporter Bill Waits

Early Deadline Is Set Noon Saturday  
Due to no mail service on the Review's normal distribution day, Thursday, Nov. 25, Thanksgiving Day, the issue for that date will be printed and mailed a day ahead of schedule. All news and ads for the Nov. 25th dated Review must be in The Review office by noon Saturday, Nov. 20.

Youth ages 14-19 will compete in the senior division, while the junior division contest involves ages 9-13, or younger. The annual event is hosted this year by the Hale County 4-H Club.

"Both the senior and junior divisions will offer a first, second and third place ribbon in each of the four entry classes," explains Karen Miller County Extension Agent.

"Because our foods program emphasizes nutrition, contestants will be asked to demonstrate knowledge of nutrition, meal planning, food buying and meal service as well as the ability to prepare food," she added.

Hale County 4-H Food Show is sponsored by the Texas Agricultural Extension Service, The Texas AGM University System and the Morrison-Milling Company, Denton, Texas.

## THANKSGIVING HOLIDAY SET

Schools at Abernathy and New Deal will be closed starting at the end of classes Wednesday, Nov. 24, and ending with the start of classes Monday morning, Nov. 29, for the Thanksgiving Holidays.

Abernathy and New Deal post offices will be closed Thursday, Nov. 25, for the Thanksgiving Holiday. There will be no city or rural carrier mail delivery that day.

Abernathy First State Bank and Frontier Savings Association will observe the Nov. 25 Thanksgiving holiday by closing. Frontier Savings Association also will be closed all day Friday, Nov. 26. Abernathy First State Bank has a night depository to serve customers after hours, on weekends and holidays. It is located at the southeast entrance to the bank.

Most all businesses here and at New Deal will be closed Thanksgiving Day. Exceptions may be firms serving farmers in the cotton harvest.

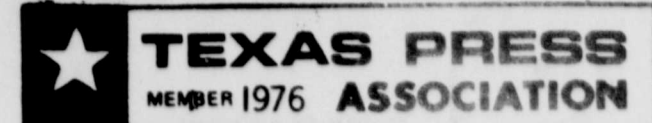

## OES MEETS DECEMBER 2

Friendship Night will highlight the stated meeting of Abernathy Chapter No. 877 Order of the Eastern Star at 7:30 p. m. Thursday, Dec. 2. Myrna Davis, Worthy Matron, urges all local members to be present, and extends a welcome to visiting Eastern Star members. Listed under the heading of hosts: "All Members, Blanche G HB Coggin, Chairman Hostesses."

## PHOTOGRAPHER COMING DEC. 16

An experienced photographer from Shugart Studios of Levelland will be at Pinson Pharmacy in Abernathy during business hours Thursday, Dec. 16, to take color photos. Everyone, from babies to grandparents, may have color photos taken that day.

See Shugart's ad in The Review Dec. 2 and Dec. 9 for details and specials.

## NEWS AND COMMENT By Buford Davenport

In any given number of people from two to two dozen where opinions are stated, views vary on whether the United States' Space Program is worth all it has cost in tax dollars. Differences of opinion in this matter run a close third to those held concerning religion and politics. Until recently I had only two solid reasons "for" and a lesser one... I liked to watch the blast-off and splash-down. Still the major reason, I believe, is military. The U.S. was forced to become knowledgeable in space to survive. Space may be the major battle ground in the future. My second solid reason was the communications satellite. Programs of the National Aeronautics Space Administration now touch our everyday lives more than we realize. The most important of these will be in the field of health as research progresses on findings that were a spinoff of the space program. Many of the new medical instruments and pieces of equipment being used by doctors and in hospitals are a result of findings in the space program. Some of these have aided in detection and treatment and procedures concerning the number one killer, heart disease. Early detection and treatment also will save lives from another killer, hardening of the

arteries. Other health problems that may fall victims to knowledge acquired through research for the space program include respiratory ailments, breast cancer (diagnostic procedure), storing of white blood cells and bone marrow for future use by leukemia patients. To avoid giving false hope for immediate relief, it is stated that a long period of further research is still ahead in many of these procedures, and use of equipment.

Knowledge gained in the space program continues to contribute to more efficiency and savings in agriculture and industry. Savings will be realized by state and federal governments from the findings in space activity... such as a painting process for longer-lasting coating for highway bridges as an example. In some way, most every day, knowledge gained from the space program touches the lives of all Americans.

NGC---Regardless of how you voted and how I voted, we'll have the same president as of inauguration date Jan. 20, 1977. We must make the best of what we have.

NGC---The good news is: Vic Lamb, former Abemathian now residing in Sedona, Ariz., in the near future may visit friends here and in Hale Center. He is a former editor of The Abemathy Weekly Review and Hale Center American. A former Mayor of Hale Center, Lamb was one of the leaders in securing the co-op hospital, now HI-Plains Hospital, for that city. He was editor of The Review from late 1931 to September of 1935, when he took over as editor of the Hale Center American, remaining in that position until late in 1945 or early 1946. In addition to being a great all-around newspaperman, Lamb's "Archibald Says" column was popular with local and South Plains readers. Currently, he is a Sedona businessman.

NGC---A report from the Abemathy School Board October meeting leaves one wondering about the future of the football programs in small town schools. Despite the influx of new families moving to Abemathy since Sept., 1975, the school enrollment dropped some 90 students from Sept., 1975, to the Sept., 1976, count. The main decrease in enrollment was noted in kindergarten through grade six. Enrollment in grades 7-12 remained about the same as Sept., 1975. Apparently, planning of size of families is reducing the enrollment in the lower grades. This trend is expected to accelerate in coming years, and will leave small town schools with lack of players and depth needed for the game. The basketball program will suffer to a lesser degree from decreased enrollment. The problem is not immediate, but the kindergarten-6th grade decrease will have its bearing on the football program within a very few years. Other District 4-AA schools

probably are experiencing similar decreases in enrollment in the lower grades.

NGC---Generally, General is providing pretty good telephone service for Abemathy. However, we are behind in the most advanced method of long distance dialing... having the call handled by computer which automatically routes, times and bills your call, saving time and assuring accuracy. This would save time in dealing with an operator after your long distance number has been dialed. Rural telephone exchanges and many area towns smaller than Abemathy do not have to deal with an operator on their LD calls. This would eliminate LD thefts such as experienced in Abemathy, with a person calling from one number and picking at random the local number they want to give the operator for the LD charge. This practice is an irritant to the customer, and is a loss to the telephone company in tracking down the right number from which the call was placed. Even when they find the right calling number, they may not be able to collect. Until Abemathy goes completely modern on its telephone system, we suggest that you keep a record on all of your long distance calls so you can reject those you did not make.

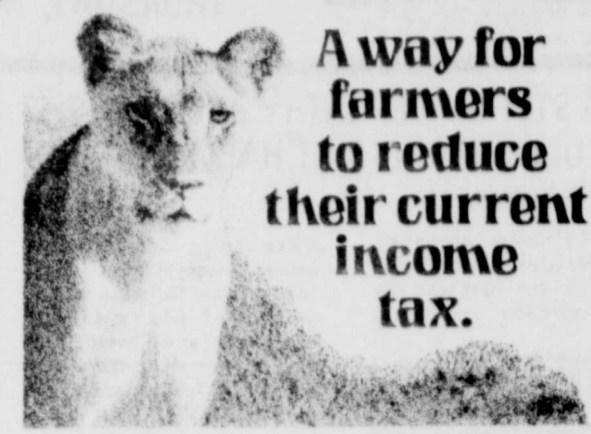

NGC---Another plus for Abemathy is the number of places you can find cafe and a cafeteria service and ready-to-eat take-out food. Some towns our size have trouble keeping good restaurants. Starting in South Abemathy and going north, we have Jack Dilworth's South Graham's Restaurant, with a meeting-party room. Next is Abemathy's newest, the Dairy Queen, owned and operated by Jim and Karen Thomas. Mr. and Mrs. Kenneth Wright operate the Dairy Mart. James and Jewell Graham's Restaurant, with meeting-party room, is downtown. June's Restaurant is in North Abemathy. Local places that offer ready-to-eat take-out food are Davis Grocery, Smith's Thriftway Supermarket, the Minit Mart and Sav-A-Lot Supermarket. Soon to join in this category is an Alsup's Convenience Store, which is located on Ave. D at 6th St. Also, serving the public and school students, there is the Davis Snack Bar across from the campus. Then, there is the school cafeteria that serves several hundred students every school day. And, there is the bakery on West Service Street.

NGC---Hale County Commissioners Court is considering combining Lakeview voting box (Precinct 11, 83 registered voters) and the Happy Union voting box (Precinct 2, 93 registered voters) into one polling place. The law, reports say, requires voting boxes to have a minimum of 100 registered voters. This change would require approval by the state. Initial discussion is considering moving the combined polling place to a central location to serve those now voting at Lakeview and Happy Union.

## CITY GARDEN CLUB MEETS

Mr. and Mrs. N. M. Rogers hosted the City Garden Club in their home Nov. 11 for a Thanksgiving dinner. Turkey and all the trimmings was served on tables decorated with the Thanksgiving theme. These attending were: Mr. and Mrs. N. M. Rogers, Mr. and Mrs. Floyd Shipman, Mr. and Mrs. T. A. Brewster, Mr.

and Mrs. J. O. Pope, Mr. and Mrs. H. B. Coggins, Mrs. Lillie Mae Wilson, Mrs. Bessie L. Waters, Mrs. Cora Shuman, and Mrs. Ruby Hill. Guests were: Mr. and Mrs. W. V. Halford, brother of Mrs. Rogers. Progressive 42 was played after the dinner, which was enjoyed by all. Our President, Mrs. Vera Hawkins is in Highland Hospital with a heart condition. Reporter--Glenna Downs

### A way for farmers to reduce their current income tax.

There's an alternative. As a self-employed individual you have some tax advantages. Under HR-10 you can save current tax dollars while Kansas City Life, The Lioness, helps you create a guaranteed retirement income.

### WHAT'S NEW AT NORTHSIDE?

We are approaching the season of Thanksgiving and all of us will be hurrying around and trying to get all of our important jobs done. Yet, why don't we just slow down and enjoy all that is happening around us. Why not make this season a time of joy and thankfulness for what we have. Let us make this time of year truly a time of being thankful.

At this time of year most of us are so busy that we have so many places to go and yet we have no calendar of these events. So here is one from the people of Northside. On November 20, at 7:30 p.m. we are to have our Thanksgiving Supper at the church. The meat dish will be provided and for those that come can bring the food to go with it. This will be a time of fellowship, food and just enjoying each other. We will also have a puppet show that will entertain and inspire each of us. Also on November 21, at 7:00 p.m. the Community Thanksgiving Service will be held at the First Baptist Church. All the different churches are encouraged of the services. Our services at Northside will be dismissed that Sunday night for our people to attend this service.

We enjoyed excellent services this past Sunday. The weather may have been bad but we still braved the slippery roads and cold temperatures and went to our place of worship. However, the bad weather took its toll but we that were present had a real good time in the Lord.

We would like to invite all the people of Abernathy to join us in this season of Thanksgiving. May God bless all of you in this happy season.

"He saith unto them, Follow me, and I will make you fishers of men."  
-Matthew 4:19

### St. Isidore's Catholic Church

The Pastor and parishioners of Saint Isidore's Church here wish to send their deepest sympathies to the relatives of Mrs. Beverly Moorhead, who was a devoted teacher and friend to many of the young people while they were in the Abernathy schools. Mrs. Beverly Moorhead will be remembered at Mass and our private prayers for her.

### OUT OF THE MOUTHS OF BABES by Mrs. Lillie Belle Kramp

The best way to have good discipline in a class is for every teacher to be on time and see that the room is well arranged and clean.

In one Junior Department, the children began arriving half an hour early. There was no adult present, and soon the pupils, responding to their natural tendencies, began chasing each other, wrestling and jumping over chairs. The time came to begin the session, but no adult had arrived. Finally the Junior superintendent rushed in breathlessly, and the children came out of the pandemonium and settled in their chairs. Immediately they all arose and repeated the verse: The Lord is in His holy temple. Let all the earth keep silence before Him.

A child was heard whispering to her friend, "Oh, He must have just come in with her!"

One by one the teachers arrived, and most of them were present by the time the class period began. A child had brought a bouquet of flowers. The superintendent hastily put them into a well-labeled pickle jar and placed them upon the piano, amidst a chaos of song books, quartettes, and Sunday school papers. She would not have tolerated this in her own orderly home. Every bright child in the room received some indelible teaching that morning.

A teacher, standing in the Intermediate Department with her class of boys, was taking part in the flag salute. She heard the boy next to her say, with his hand on his

heart, "I pledge allegiance to the rag of my church--". She was shocked, and spoke to the superintendent of the department about it.

"I wish," she said, "that you would take that boy aside and give him a good talking to!"

The superintendent looked at the flag, hanging limply from its staff, faded and discolored from years of dust and grime.

"No," he decided, "We will say nothing to the boy. We will have a new flag here next Sunday.

Yes, our children continue to learn by precept!

### HOSPITAL NOTES

**BRIEFS**  
Gertrude Prather remains a patient in Methodist Hospital.

Charlie Brewer is a patient in Nichols Hospital in Plainview. He had surgery there last week.

Billy Deering, son of Mr. and Mrs. Larry Deering, will have surgery on Thursday, in Phoenix, Arizona.

Cindy Allen is continuing treatment in Methodist Hospital.

### "Rays of Hope" by Pat Stanton

God's Word has always taught that God is looking for people who walk and talk faith. One way that we can exercise our faith is by daily making "good confessions" with our mouth. If you will say and believe what God has already spoken, you will find a great release of faith and power for your life.

Quote these "good confessions" listed and see your faith begin to rise:

1. God is my source—I will seek Him first! Matt. 6:33
2. I belong to God—Devil you will not destroy my life. Isa. 54:17
3. I am a child of God—His peace is my gift. John 14:27

**THOUGHT:**  
"Blessed are the poor in spirit; for theirs is the kingdom of heaven." Matthew 5:3  
Prayer is so necessary, and the source of so many blessings, that he who has discovered the treasure cannot be prevented from having recourse to it, whenever he has an opportunity.

4. I will do my best for God—I also expect to receive His best. Ps. 37:14  
5. I expect to prosper and to be in health as my soul prospers. 3 John 2  
6. My body is the temple of the Holy Spirit and I will run from all sin and harm. 1 Cor. 3:16  
7. The Lord is the strength of my life, I will not fear what man can do unto me. Ps. 27:1  
8. I will not live with fear, for God has given me love, power, and a sound mind (peaceful and alert) 2 Tim. 1:7

**BRIEF**  
Mrs. Vera Hawkins is a patient in Highland Hospital where she is under treatment for a heart condition.

**U. M. Y. HAVE BAKE SALE:**  
The U. M. Y. will have baked goods for sale at the Church on Sunday.

**BRIEF**  
Mrs. Glenn Reagans slipped and fell on the ice Monday, and suffered a broken leg. She is a patient in Methodist Hospital.

### REPORTS FROM THE CHURCH OF THE NAZARENE

The Nazarene Missionary Society met Nov. 10 for our monthly meeting. Our service began by singing "Lifting Up Christ".

President Erma Mae Spruiell took charge, giving a good devotional on Abraham.

A "Thanksgiving Gift" has been sent to our missionaries in Haiti, a sum of \$25.00.

Several prayer requests were given at home and for missionary work.

Our monthly emphasis, "Harvest of Souls" was presented.

A film on Korea was shown. The work of the Nazarene Church there is growing very fast, especially since the "Billy Graham Crusades".

Billie Jean Spruiell gave a good lesson on Panama. Our work there began in 1953, but is growing rapidly. Spanish is the official language.

### Shower Honors Zoe Thompson

(From Shallwater Newspaper)  
Miss Zoe Thompson of Abernathy, bride-elect of Steve Hunter was honored with a lovely come and go shower Saturday night, Nov. 6, from 7:00 to 9:00 in the First State Bank of Shallwater party room.

The decorations carried out the honoree's chosen colors of navy blue and white. The serving table was covered with a beautiful white linen cloth, centered with a replica of a miniature open umbrella, enhanced with dainty rosettes.

Refreshments of thumb-print cookies and punch were served from crystal and silver appointments.

Lovely corsages of navy blue conflowers, enhanced in white were presented the honoree, her mother, Mrs. Pete Thompson of Abernathy and the future bridegroom's mother, Mrs. J. T. Hunter.

The honoree was presented a mixer by the hostesses, Mesdames Connie Davis, Billy Hayslip, C. W. Percer, James Reeves, Walter Hutton, Roy Blair, Rocky Blair, Bruce

Cody, Mackie Buck, J. D. Rackler, J. H. Jouett, Orville Lowry, G. W. Gates, Billy Boone, Jesse Hayes and Bill Briant.

The couple will exchange wedding vows on Saturday night November 20, at 8 o'clock in the Cumberland Presbyterian Church in Lubbock.

"In all these things we are more than conquerors through him that loved us."  
-Romans 8:37

# DON'T

# OR DROP OUT!

## DOPE OUT...

**A GOOD EDUCATION MEANS A GOOD JOB... A GOOD LIFE!**

Face it! Those hang-ups you're trying to escape will only get bigger if you drop out of school or get on the drug kick. Think you don't need an education to have money in your pockets? Think again. A diploma will mean greater earning power for you in the years ahead. Think you don't need to be warned about the drug menace? Think again. Many youngsters have found themselves trapped by experimenting with dope "just this once." If you're doping out or dropping out, you're not as cool as you think you are. Play it really cool... stay in school and away from drugs. Now's your chance to build a future for yourself... don't blow it by taking the wrong step. Whenever you start thinking about quitting school or going the drug route — stop — and think again!

### SWINE FLU CLINIC SET NOVEMBER 19

The Swine Flu Clinic which was originally scheduled for Friday, October 15, has been re-scheduled for Friday, November 19th.

The Swine Flu Clinic will be held in Abernathy in the City Hall Clubroom from 8:00 a. m. until 5:00 p. m.

Each person receiving the vaccine will need to have an "Informed Consent" sheet signed at the clinic giving permission to receive the vaccine.

From 8:00 a. m. until 10:00 a. m. the vaccine will be given to High School students, 18 years of age or older, and to the High School faculty. After 10:00 a. m. the clinic will be open to the general public, 18 years of age and older and to children, 3 to 17 years of age, with chronic illnesses.

These persons who are chronically ill will need to have a statement from their doctor to the effect that they need to have the Bivalent vaccine.

### Horne Completes Training Phase

November 4---Navy Seaman Roy Horne, 21, son of Mr. and Mrs. Olen Horne of Route 1, Shallowater, Tex., has completed the Basic Enlisted Course at the Naval Submarine School, Groton, Conn.

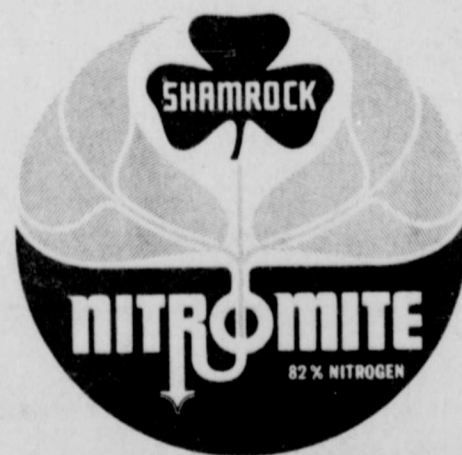

During the six-week course, he was introduced to the basic theory, construction and operation of nuclear-powered and diesel submarines. In preparation for his first assignment, Horne studied shipboard organization, damage control, and submarine safety and escape procedures.

A 1973 graduate of Abernathy High School, Abernathy, Tex., he joined the Navy in May 1976.

**A TRIBUTE**

By ROSE PATTERSON

After an eighteen month battle with cancer, Mrs. Beverly Moorhead passed away last Monday morning at 5 a.m.

She taught the third grade for 25 years and was currently teaching Title I Reading in the fourth and fifth grades.

We have lost a dear friend, a great teacher, and a good citizen of Abernathy.

Beverly was a friend to everyone. I never saw her unless she was smiling and optimistic. She created a happy atmosphere around her. Her most endearing term was "honey" but we were all "honey" to her. She made us feel good about ourselves.

The last two months of her illness she was never complaining about her problems but was always appreciative of life itself.

She was the epitome of a model teacher. She sincerely loved her students. I never saw her angry with a boy or girl, angry maybe at their actions, but never at the child.

Her room was always attractively decorated even the first day of teacher's meeting every August. Her lesson plans were made weeks in advance. She did her homework well.

She served the community and church. If any of us needed rhymes or verses, Beverly was always there with creative

ideas. She sang beautifully and never got too busy to sing or help out with a community or church function. She was a Sunday School teacher.

I hope that I can always be as brave in life's problems as Beverly was.

Our deepest sympathies go to her husband, Bud; Melanie, who is a sophomore at South Plains College; and Mark, who is a senior at AHS.

Mrs. Beverly Moorhead

**Scripture**

Thou shalt call His name Jesus for He shall save His people from their sins. Matt. 1:21

I am come that they might have life, and that they might have it more abundantly. John 10:10

But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name. John 1:12

I am my beloved's, and His desire is toward me. Song of Solomon 7:10

He who diligently seeks good seeks (God's) favor, but he who searches after evil, it shall come upon him. (Pro. 11:27)

If I regard iniquity in my heart, the Lord will not hear me. (Ps. 66:18)

**Golden Anniversary Held By Tech Coeds**

Eleven Texas Tech freshman co-eds — of 1926 — held their Golden Anniversary homecoming Saturday a week before the other ex-students and alumni will get together for theirs next Friday and Saturday.

These former residents of what once was called Mercedes Hall at 2101 13th Street took time out from their "chattering and recalling old times" for a brief photo session at the old hall and a luncheon at the downtown Hemphill-Wells tearoom.

They gathered on the front steps of the building which still is a rooming house for young people, most of them students of Texas Tech University.

On this Golden Anniversary reunion of the ex-students, they had a little trouble agreeing on how many times they have gotten together for unofficial reunions, but the consensus was that this may have been the third or fourth or fifth, according to the one providing the information at the moment.

To be wholly honest about the group, not all were freshmen during that 1926-27 year at Mercedes Hall. A few were transfers to Texas Tech — which had opened only a year earlier — from other colleges and universities; but it was the first year for all of them at the new West Texas institution of higher learning.

The lucky 11 were, with maiden names in parentheses: Ruth (Wheeler) Adams of Ralls; Carrie Lee (Carruth) Bishop of 3707-A 53rd St., Lubbock; Rue (Eubank) Branch of Wichita Falls; Flossie (Burkholder) Brown of 4804 17th St., Lubbock; Bobbie Lee (Rhodes) Embry of Rt. 2, Abernathy; Ruth (Smith) Hart of 3605 47th St., Lubbock; Faye (Coltharp) Kuykendall of 5207 17th St., Lubbock; Floy (Anglin) Nels of 4917 37th St., Lubbock; Miss Rosemary Nels of 2308 26th St., Lubbock; Lola (Wheeler) Smith of Rt. 1, Wilson; and Vera (Hamblin) Witt of Tahoka.

**C. OF C. ISSUES INVITATION TO JOIN GROUP**

Through its officers, including Milt Pope, president, and Mrs. Jack (Tommye) Lane, secretary, Abernathy Chamber of Commerce extends an invitation to local and area residents to become members of the civic organization. It is open to business people, farmer-

and all individuals. "Individuals" includes everyone interested in the betterment of the area, and they do not have to be in business or farming to be members of the C. of C.

Meetings are held on the first Thursday of each month, 7 a. m., at Graham's Restaurant in South Abernathy. YOU are invited to attend the meeting

**Betty Albers Presents Lions Club Program**

The Abernathy Lion's club met Tuesday at noon at the James Graham Restaurant. Joe Thompson was program chairman. Mady Reid introduced Betty Albers, Mrs. Albers works at The Ranching Heritage Center at the Tech Museum.

Mrs. Albers brought a most interesting program outlining history of The Barton Family old Barton site, and the Barton House now located at the Ranching Heritage Center of The Tech Museum in Lubbock. Slides of scenes at the house in the early 1900's as well as more recent scenes were shown. Many photos of the original house under construction and the original wallpaper in the house were shown. Mrs. Albers outlined the process of moving the house to the Museum site and the restoration procedures being carried out by the Center. This part of local history is most interesting and our thanks to Mrs. Albers for bringing this program.

**DEKALB HYBRIDS FIGHT SMUT**

**Proven In 1976 University Test**

The best answer to the head smut problem is simple. But, it's hard to come by. That's corn hybrids with head smut resistance.

DEKALB's got 'em. Hybrids with top yield potential and head smut resistance. It's proven.

A 1976 Texas A&M University Test showed DEKALB can deliver head smut re-

sistance. And better yet, the DEKALB hybrids that demonstrated the most head smut resistance are also delivering top yields to local farmers. That means no yield sacrifice for head smut resistance.

There's no question that there is a difference among corn hybrids when it comes to head smut resistance. So see your DEKALB dealer today. Put in your order for the DEKALB Smut Fighters:

**XL-75**

DEKALB XL-75... It stands great, yields big and fights head smut. Here's the new leader in Texas Corn Country. XL-75 produces big, hefty ears packed with quality grain. It has an outstanding record in DEKALB Performance Tests and in farmers' fields. And, it was found to be extremely resistant to head smut in a 1976 university trial.

**XL-372**

DEKALB XL-372... It's a big eared beauty that fights head smut. A top-performing hybrid with high head smut resistance ratings in a 1976 university trial. Produces large, girthy ears at high or low populations. Excellent stalks, strong shanks. DEKALB XL-372 has an attractive field appearance with its semi-upright leaves and healthy, robust look.

As a condition of sale, please note statement of limited warranty and remedy on DEKALB orders and tags.

**Lifesaving Credited To Year-Old EMS**

By JEFF SOUTH  
 Avalanche-Journal Staff

IT WAS March 29, about 5:30 p.m., when Oren A. Kirk Jr. slumped into a living room chair to relax before supper. He closed his eyes, expecting sleep. But the caller's name was death.

"Daddy's having a heart attack!" Avilene Kirk remembers telling her 15-year-old son, Ronnie. The youngster ran to the telephone and dialed 747-3641, the number for Lubbock County's Emergency Medical Service.

Three minutes later, an EMS team arrived. Kirk's state was pessimistic. His breathing and heart had stopped. He was, for the moment, dead.

The medical technicians supplanted Mrs. Kirk's efforts at mouth-to-mouth resuscitation with a more advanced method called CPR — cardiopulmonary resuscitation. A faint heartbeat, erratic at first, resumed, and became stronger; the man then started breathing on his own.

**Back On Job Again**

Now, after open heart surgery and months of hard work recuperating, Oren Kirk Jr. once again is managing a building components company. His wife credits EMS with saving her husband's life.

"If it hadn't been for the Emergency Medical Service, Oren wouldn't be with us," Mrs. Kirk said. "He'd be dead."

The Kirks' episode was one of 5,600 calls handled by EMS since the system was implemented one year ago today, on Nov. 1, 1975. And Oren Kirk Jr., of 2809 26th St., is one of dozens who wouldn't have lived to witness the anniversary without the quick action of the system's medical technicians.

Its inception was embroiled in political controversy, as some city officials claimed Lubbock's Aid Ambulance Co. was sufficient for the area's needs. Stuart Haggard hopes those opponents have been won over by the first year's operation of EMS.

"Our service, as young as it is, has an average response time of five to six minutes in the city and seven to nine minutes in rural areas," Haggard, EMS coordinator, said.

"In comparison, the national goal for responding to a medical emergency is 30 minutes."

While the response times are important, it is the quality of service that has pleased Haggard. In the service department — which includes delivering babies, administering CPR, and attending to gunshot wounds and other crises — the service previously provided by the private ambulance company cannot compare to the EMS coverage, Haggard said.

Yet, at the same time, the tax-supported EMS system "has not become a bureaucratic monster. People pay more for their garbage pickup in one month than they pay for EMS in a whole year," he said.

EMS is subsidized by county taxes at a rate of about \$300,000 annually — approximately \$1.50 per capita. "By contrast, fire and police protection each cost in excess of \$20 per capita," Haggard said. "As emergency public services go, EMS is a bargain."

And he said it is going to get even better. During this second year of operation, Haggard said, EMS plans to institute:

- A more sophisticated communications network, beginning in May, 1977. An ultra-high frequency communications system is being established to allow the EMS units in the field to speak directly to their hospital destinations. Consequently, EMS technicians will be able to warn hospitals about the status of incoming emergency patients, and doctors will advise technicians on what to do for patients in transit.
- Paramedic training, beginning in February. EMS officials are working with the Lubbock-Crosby-Garza Medical

Society in implementing a paramedic training program for emergency medical technicians. As paramedics, they will be able to administer intravenous solutions and drugs, take blood and sugar tests, administer electrical shock and perform several other highly skilled tasks considered crucial in emergencies.

Together, the two new developments may add up to telemetry — a system by which hospital doctors can monitor a broadcast of heartbeat patterns and other vital signs of a patient at the scene of an accident and radio instructions to paramedics.

**Eight Stations Now**

EMS started Nov. 1, 1975, with one station in the city. It has expanded now to a full complement of three city stations and five rural stations.

Haggard said the EMS operations in Slaton, Abilene, Wolfforth, Shallowater and Idalou are manned by more than 50 volunteers — housewives, police officers, school teachers, welders, businessmen, pharmacists and others — certified as emergency medical technicians.

The 15 fulltime emergency medical technicians who operate Lubbock's three in-city stations also serve as volunteers at special events — such as football games and boat races — and as CPR instructors, Haggard said.

"To me, the most important accomplishment during this first year concerns the development of a close relationship with the medical profession and the local medical society," he said.

With their support, EMS is being developed as an extension of the emergency department of local hospitals in providing primary care to patients," Haggard added.

He said the cooperation of the Lubbock Police Department, the Lubbock County Sheriff's office, the Texas Department of Health Resources and the Texas Department of Public Safety also has been

**Small Farms Exempt From OSHA**

Small farms were exempted by Congress from complying with OSHA regulations during funding year 1977 in an overall Labor-HEW appropriations measure passed September 30. The law prohibits funds for inspecting and citing farms employing 10 or fewer employees (excluding members of the immediate family) except when fatalities or multiple injury accidents are involved.

by OSHA estimates, 87.5 percent of all farms in the U.S. will be included under this exemption.

 May 27-28: School out for students; in service for faculty.

**Joe Smetana, Vice President of the Farm & Ranch Section of the Texas Safety Association, applauded this move by the legislature to relieve small farmers from**

"However," noted Smetana, "this does not exempt small farmers from the responsibility of insuring their employees and farm family members a safe and healthful place in which to work. Voluntary compliance with OSHA standards for proper machine guarding, employee training, and using roll over protective devices is still in order."

**The Superior by Dana Flud**

Our country was not founded by great men. Oh, please don't get me wrong, There were great men to be sure, Yet they were but tools, Imperfect instruments of a being far Superior. The most Holy One on high who sacrificed His son for You and I.

God looked down and saw the British tyranny rule. He saw that the taxation and treatment was cruel. A plan he formed in his magnificent, omniscient mind. A plan that he would use to benefit all mankind.

He guided our leaders through thick and through thin, As they urged their armies onward their battle to win. They would not give up, nor would they bend their knee. To the fancy-talking British with their fine cups of tea, With the Superior as their inspiration, our founding fathers fought on. They fought for "life, liberty, and the pursuit of happiness." From dusk until dawn. Until finally God pushed back the forces of the enemy And, as the British were defeated, they then began to see That no one is a match for the Superior. And still two-hundred years later we need God's helping hand. He must lead, guide, and direct us if we are to continue to stand. So let us pray that God will deliver us from our immorality and lust, And let's remember our nations motto, "In God we trust."

### Vocational Ag Class To SPC

The Abernathy High School Power Mechanical Class recently visited the Auto and Diesel Mechanics Technical School at South Plains College, Levelland.

The purpose of the visit was to allow the Power Mechanical Student to observe a post graduate mechanics course.

The Power Mechanics students were allowed to interview the college students professors, "on the job", and ask any questions they might have about the course.

Each student wrote a complete critique concerning the visit with personal observations of the course.

Mr. Cox's Vocational Ag classes have recently completed work on 4 stroke cycle small gasoline engines. The engines were completely overhauled, which included

disassembly, inspection of component parts, reconditioning, and reassembly.

Each student provided an engine. The students were then divided into pairs and overhauled one member's engine. The second member's engine will be overhauled following the completion of parliamentary procedure study and contest.

### Birthday Party Honors BFD

B. F. D. was surprised with a birthday party in his honor on Monday afternoon in the Review & Pope Ins. Offices. The party was given him by co-workers; Angela Pope, Vicki Havens, & Billie Rant.

He did not state his age but did say he was now "bucking for medi-care". Several guests were present and he enjoyed opening his nice and unusual gifts.

Refreshments were served and a good time was had by all those present.
