NEWS AND COMMENT
 By Buford Davenport

NGC--I learned Saturday that a former Abernathian is serving his fifth year at Huntsville. He is Jimmy McAlister, the younger son of Mrs. R. A. (Irene) McAlister and brother of Bobby McAlister. When people ask them where Jimmy is they follow their reply with a quick explanation that Jimmy is serving his 5th year as the City Manager of the City of Huntsville.

NGC--The Redhead is back on the business scene at Abernathy Floral, the firm she sold to Mr. and Mrs. Jack Hicks about two years ago. She is employed by the Hicks. She is Mrs. Ralph (Dorothy) Stephens, who has been working with Millie and Vernon Petty in their flower shop in Petersburg for the two years since she sold the local florist business. She commuted from here to Petersburg while working there.

NGC--Had a card from former Abernathians Curtis and Chris Lebow dated May 15. They were at JFK International Airport in New York City waiting to depart for Rome. In addition to Italy, they plan to visit in Switzerland, Austria, France, Germany, England, Scotland, and will start the trip home from Shannon Airport in Ireland June 14. They live in Amarillo and he works at Southwestern's new coal-burning electric generating plant. He was at Tuco here before moving to Amarillo. Chris is in a medical records dept. of one of the Amarillo hospitals. Curtis is a son of Mrs. S. H. Lebow of Abernathy.

NGC--Congratulations to Mr. and Mrs. Lamar McKenzie, who are approaching their Golden Wedding Anniversary date. Their children will host a reception for them from 3 to 5 p. m. Sunday, June 5. The event will be in the honorees' home at 809 Ave. E.

NGC--This is a time of the year that farmers develop stomach ulcers. It seems that every Spring, at planting time, some kind of weather problems prevent them from getting the seed in the soil and the crops up to a good start. Then if crops do come up on schedule as they should, we sweat out blowing sand that burns them, or hail that pounds the young plants back into the ground. The financial fortunes of the business community are so closely interlaced with those of the farmers that we, too, have ulcer pains. The planting hazards encountered this Spring...rain...rain...rain...are much more acceptable than those years farmers plant seed in dry ground, hoping for a rain to bring up the crops.

NGC--The most dangerous traffic times in Abernathy are shortly after 3:15 p. m. and 4 p. m. on school days, and after churches dismiss at noon on Sunday. At these times, you'd better "drive to survive." Strangely enough, though, relatively few wrecks or fender-bendings happen at those times.... considering the amount of traffic in action then.

NGC--"TEXAS", a musical romance of Panhandle history by Paul Green, will open its 12th season June 15, at 8:30 p. m. Shows are at that time on weekdays through August 20. The only Sunday performance, July 3, also will begin at that time. The musical is performed in an amphitheater with the beautiful multi-colored cliffs of the Palo Duro Canyon as backdrops. The site is located east of the City of Canyon. At the close of its 11th year of production in 1976, 886, 405 persons had attended the performances. If you want a free brochure on "TEXAS" come by The Review office.

SUNSHINE GROUP MEETS HERE

The Sunshine Group met May 19, 1977 at the City Hall Club Room. Floyd opened our meeting with a few clever remarks, then asked Dixie to lead the song. We had asked her what we were going to sing. She said she had always said when people retired they just rested all the time but we were going to sing "We'll Work 'Till Jesus Comes", which we did. Some one else said they had worked harder since they retired than they ever did. Then we sang another song but I didn't make a note on it. Of course, we started out with our a. t. h. m. Rev. Coggin offered a prayer.

We had one birthday Addie Robertson, so we sang to her. The minutes were read and approved.

Lillie Mae was chairperson of the program this month so she started her program by reading a poem "When The Children Have Grown Up And Gone Away". It was very real, whoever wrote it had sure been through it. Of course we all wanted them to grow up and do well but it sure leaves a lot of quietness and loneliness when they are gone. Then she introduced Rev. Sharp. He said we were all grandparents so he would start out with a story about his and then the rest of us could take turns. His son has several children, so he taught them to answer the telephone, saying, "Sharp's residence, and then give their name, like, "Betty speaking". One day their daddy asked the youngest one to ask the blessing. She bowed her head and said, "Sharp's residence, Betty speaking", and went right on with the blessing.

Mrs. Harrison told about one time they had to go to the cellar during a storm. They lit a coal oil lamp. When the storm was over she told one of her grandsons to blow down the chimney to put out the light. He said, "Why? It would blow it all to pieces."

Dorothy told about sending her little granddaughter to the other room to get her knitting. When she came back with it Dorothy said, "Oh, you dropped a stitch". Away the child went. She stayed so long Dorothy called her. She came back all downcast. Dorothy asked what she was doing. She said "hunting the stitch she lost but she couldn't find it anywhere."

Floyd said one of their grandchildren was visiting them and said "Grandma's nose are wrinkle". Floyd told the child "she doesn't have any nose on". Blanche told about her youngest grandchild just couldn't wake up of a morning so an older one had to shake her. The little one said, "I can't wake up". The older one said "I can't help it if you grew up". Strangely enough I couldn't think of a thing any of mine ever said but I'll be ready the next time the opportunity comes up. So Rev. Sharp started a little talk. After preaching 55 years, and then retiring, he wondered what he could do to be useful. One thing is writing cheerful letters, or doing any little thing that would give a little happiness, joy and peace to others. Get it out of our minds that we are useless. Be useful to some one. Right here Larry Fields came in and said there was a storm approaching with hail and rain and they were not sure what else. Our dinner was all on the table so we elected to stay and eat and maybe it would blow over. So Rev. Sharp stopped right there and said, "lets eat". Mrs. Toler asked the blessing. We all looked at the clouds and then ate.

Maybell came in just before we got the alarm. She was wearing a badge. She had been elected the Outstanding Senior Citizen of Hale County at a meeting held in Lubbock for several counties. We are all proud of her.

We didn't stay for games either. Hope some time Rev. Sharp will finish his talk.

Those present were: Dixie Pittman, Ollie Selke, Dorothy Shipman, Floyd Shipman, Robert Lutrick, J. L. Ellison, C. J. Camp, Mrs. Dora Talbot, Amanda Ellison, Lizzie Lebow, Bessie Waters, Minnie Northcutt, Martha Phillips, Ernie Miller, Mrs. Dewey Price, Rev. J. H. Sharp, Mrs. J. H. Sharp, HB Coggin, Blanche Coggin, Elizabeth Harrison, Addie Robertson, Callie Nunn, Oma Toler, Lillie Mae Wilson, Dot von Struve, Mrs. Choc Brewer, and Maybell Glass. Reporter-Don von Struve
