school building then in use. Students are: Gertrude Pool, Hazel Emory, Amy Arnold, Ellene Fox, Agnes Brown, Clay Pettit, Polly Waddell, Bob Pettit, Paul Harrell,

Swan Pettit, Cecil Emory, Harmon Arnold, Leslie Arnold, and Melvin Arnold. There are two girls and one boy in the picture that we cannot identify. (Picture loaned by Clay Pettit.)

PRE-REGISTRATION School Board Holds Monthly Meeting  
SET FOR STUDENTS AT ABERNATHY HIGH SCHOOL

Students enrolled in Abernathy High School will have the opportunity to receive their schedules and individual counseling prior to the start of school. The following schedule has been set:

FRESHMEN: August 11, 9:00 a. m. to 4:00 p. m.

Students are asked to come to the High School Principal's Office on the above listed times and dates. Mr. Bowen, Mrs. Gibbs, and Mr. LeMoine will assist students in the registration process.

New students enrolling in Abernathy High School are asked to come by the principal's office any day August 8 through August 12.

The Abernathy Board of Education met in regular session Monday, August 1st, in the Board Room of the high school. In official action, the board approved the school calendar for the 1977-78 school year with a beginning date for students on August 29th and beginning date for faculty on August 22nd.

In other action, a contract was approved for continuation with the Region XVII Education Service Center for Drug and Crime Prevention Action plan. The board established rules and regulations for Free and Reduced Price Lunches for the 1977-78 school year. Further information concerning this will be published at a later date. Mr. Frank Bartlett was appointed by the Board of Education to serve as Textbook Custodian.

After review and careful consideration, the Board awarded bids to the following companies: Borden Dairy-to supply milk to the school during 1977-78 school year; "66" Butane and Fertilizer-supply gasoline for school vehicles; The bid for fleet policy was awarded to Hubbard Insurance Agency for approximately 23 vehicles.

The Board accepted the following resignations: Sandra Haney-HONDA-Carol Jones-Speech Therapist; Karen Gregory-Junior High Title I; Lois Campbell-Elementary; and Jan Hill-Junior High. The following personnel were employed for the 1977-78 school year: Marty Kinard-Special Education and Elden Benton-Bus Foreman.

Heritage Insurance Managers Company was appointed to write school insurance policy for students.

A preliminary budget was presented and studied by the board; the official date for budget hearing was set for August 18th, 1977.

Those in attendance at this meeting were: Billie Harrison, President; Bob Riley, Vice-president; David Pinson-Secretary; Dan Fondy; Richard Howard; Don McKenzie; and Jerry Oswalt. Also attending were Dr. Delwin Webb, superintendent, Mr. Earl Carter, business manager, Mitch LeMonie, H. S. Principal, and Floyd Galloway.

4-H MEETING

The Abernathy Community 4-H Club met July 28, at 7:30 in the Methodist Church, with President Gary McKenzie presiding. Amy Pettit led the Pledge of Allegiance and Joan Davis led the 4-H Pledge and Motto. JoAnn Stone gave the inspiration. Susan Stone gave a treasurer's report. Carrie Lee Lutrick gave a report on Electric Camp. Dinah Neve gave a report on Dress Review. Betty Neve gave a report on Jr. Camp, and JoAnn Stone gave a report on the Record-Book Workshop. Mrs. Stone discussed the new business. New officers for 1977-78 were elected: President-Gary McKenzie; Boy Vice-president-Don Stone; Girl Vice-president-Carrie Lee Lutrick; Boy County Council Delegate-Alan Pettit; Girl County Delegate-Patsy Davis; Secretary-Cindy Davis; Treasurer-Vicky McKenzie; Reporter-Susan Stone; Parliamentarian-Jimmy McKenzie; Recreation Leaders-Lonnie Howard, Trey Stone, Joan Davis, and JoAnn Stone. The meeting was adjourned.

OUTSTANDING PLAYERS IN THE 28th ANNUAL Greenbelt Bowl Classic were left, Roddy Shipman of Abernathy and Billy Dunk of LaGrange. Shipman was named the outstanding back and received a trophy by Buddy Cordell of the First State Bank. Dunk was picked as the outstanding lineman and his trophy was presented by Morris Higley of The Childress Index.

GREENBELT GAME IS A THRILLER

Two AHS grads and one from New Deal made their marks in the Greenbelt Bowl Football Classic at Childress Friday night. They were on the winning East squad, 14, to 7 points for the West players.

Roddy Shipman's razz-dazzal passing (9 for 14 attempts) to gain 145 yards in the air won for him the Most Valuable Back award in the Greenbelt game. His teammate from AHS, Ken Davenport, and the New Deal representative, Rusty Abbe, were "Outstanding on Defense", according to a report in the Wichita Falls Record-News.

State Inservice Education Conference Held July 25-29

The annual State Inservice Education Conference for Home-making teachers was held at the Dallas Hilton Hotel, July 25-29, 1977. The first general session began at 9:00 a. m., Tuesday, July 26. The theme of the conference was "Homemaking Education--Focus on the Future".

Dr. Betty L. Siegel, dean of the School of Education and Psychology, Western Carolina University, gave the keynote address, "The Gifts That Last All Year." Dr. Siegel's areas of specialization are child and adolescent psychology. The second presentation by Elizabeth Smith, State Director of Vocational Home Economics, identified these parts of new federal and state legislation which have impact on the total homemaking education (cont'd on page 5)

COUNTY LINE FIRST HOMECOMING AND REUNION SET FOR SUNDAY, AUGUST 14

We hope to see all of our old friends and pioneers that have ever lived or worked anywhere near County Line Community. It will be held Sunday, August 14, at the County Line Community Club House which is located right by the County Line Baptist Church in County Line, Texas.

We still have two gins and a country grocery store here in the community. Services will be held in the County Line Baptist Church Sunday morning at 11:00 a. m. If anyone would like to visit bring your lunch for you and your family and if you live close we need to borrow your card table and folding chairs. We also need lots of help on Saturday, August 13, to help drive stakes and put up a tent that we have rented for this big celebration. If you have a big container to hold ice water we would like to have it too. Bring an ice chest with ice in it as we have no way to store ice.

Lunch will be spread together and served about noon. Prizes will be awarded to the oldest pioneer present and the one who has traveled the greatest distance. Sharon Coffee and Peggy Lawson will register guests.

State Requires Closure Of Present Dump Ground

Rules and regulations promulgated by the Solid Waste Division of the Texas Department of Health Resources has required the City to close its dump ground. The present site does not comply with State regulations for a City of the size of Abernathy. Abernathy must operate a "Type II Landfill" as defined by the State as:

- (1) Trash to be placed in pits.
- (2) Trash to be covered with 2 ft. of compacted earth weekly.
- (3) Site to be enclosed by fence.
- (4) Attendant on duty during open hours.

Operation of a landfill requires a permit issued by the State, and a permit for the present site will not be issued. The State has ordered the site closed by September 1, 1977 and an application for a permit for another site be filed. The City has followed compliance procedures with the cleaning and covering of the existing site and an application for permit has been filed.

A pit has been provided for Abernathy residents to dump in, until a new site can be opened. This pit is located on the East side of the present site. Residents dumping should be cautioned to dump only in the pit provided. Persons dumping on the roadway, ditches, or any other unauthorized place, will be subject to a \$10.00 to \$200.00 fine. The City asks for the cooperation of all citizens to dump only in the proper place.

GRAND OPENING FOR FIRST FEDERAL SAVINGS

The public has been invited to register for Lighting Savings Accounts and for a chance at becoming a "Millionaire for a Day" as First Federal Savings and Loan Association continues gala grand opening activities at the newly opened First Federal Plaza 1300 Broadway. The financial institution is hosting a series of open house activities which began with a press party last Wednesday night and will culminate with formal ribbon cutting ceremonies at 9 a. m. Thursday. Open House for the public will continue through August 13.

First Federal purchased the former Dunlap's building last year and has recently completed a million dollar renovation of the structure. The move accompanied the return of interest in the downtown sector; according to officials of the financial institution. Architects for the remodeling project were Maeker & Stephens, Architects and Engineers. First Federal served as general contractor; Claude Martin and Sons, Inc. functioned as construction managers. Drawings will be held on twenty \$25 and fifty \$10 to determine winners of Lighting Accounts and for "Millionaire For A Day" awards. Winners of this award will receive interest on \$1 million for one day compounded at 5 1/2% per annum.

BRIEF: Mr. and Mrs. Gordie Clapp of Sulphur Springs and their grandson, Shan Clapp of Amarillo are here on business and visiting friends this week. The Clapps are former Abernathy residents.

BECTON REUNION SET FOR AUGUST 14

The Becton Community Reunion will be held August 14th at the Idalou High School cafeteria. Everyone is asked to bring a basket lunch to be spread at 12:30 noon. You are urged to contact former residents of Becton area and invite them to attend. Formal organization of the group will be finalized at the gathering. This is the 2nd reunion.

BIDS ON I-27 THROUGH CITY SET AUGUST 18

AUSTIN--A \$5,827,563 state highway project will extend and make improvements on Interstate 27 in Hale and Lubbock counties. The work will grade, erect structures, install storm sewers and provide one and three course surface treatment for the highway from the Lubbock County line to north of Abernathy (1.50 miles) and from 1.30 miles north of Monroe (New Deal) to the Hale County line (.70 miles). The project also will fund water and sewer line construction in the City of Abernathy.

Work should take 400 days to complete and will be engineered by Jack Moore.

Steve and Jan Hill New Owners Of Abernathy Floral

Mr. and Mrs. Steve Hill have purchased Abernathy Floral from Mrs. Jean Hicks on Tuesday, August 2. Jan Hill recently attended the Benz School of Floral Design in Houston. She will continue to operate the Abernathy Floral in the present location at 302 Main St. for a month or six weeks. At that time the business will be moved to a new location at 1312 Avenue D which is the building previously owned by Lovelace's Livestock.

GROWERS SEED FIELD DAY SET FOR AUGUST 24

The Annual Field Day for Growers Seed Association is scheduled for August 24, 1977. The event will take place at our Research Farm located on Highway 62-82, four miles east of Idalou, Texas. Field tours and discussions will get underway at 9:30 a. m. and continue until 2:00 p. m. Highlights will be our Research and Testing Programs on hybrid sorghums, cotton, hybrid corn, forages and hybrid sunflowers. There are many new hybrids and varieties in the program this year for your observation.

SUNSHINE GROUP MEETS AUG. 18

LIBRARY NEWS

The Hale County Summer Library Program of showing (8) films here in the City Hall has closed as of July 29. This program was in cooperation with the Unger Memorial Library of Plainview with Judy Smith, Librarian and Jane Vaughn as the outreach person. The average attendance was sixty one with seventy two as highest days attendance and forty five as the lowest days' attendance. The choices of films were both informational and entertaining. This service helped to increase our library attendance and the number of books used. The Texas State Summer Reading Program continues through August. There are ninety-two persons enrolled and sixteen have finished twenty books as of August 1st. Our community can be proud of the manner in which our public library has been used this summer.

NGC---Notice, young people of South Hale County and North Lubbock County when you register for college, please do a favor for The Review. We'd appreciate your signing the form that will permit the public relations department of the college to send news releases to The Review while you are in college. Due to a privacy law, the college public relations office cannot send out news about you unless you sign to give them permission to do so. In my 40 some years of dealing with college public relations departments not once have they sent us news that would embarrass the students or their parents.

NGC---Time's running out on "Texas". The last scheduled performance of "Texas" in Palo Duro Canyon for this season is 8:30 p.m. Saturday, August 20. This is the 12th season.

NGC---Welcome back "downtown" to Billy Shipman and J. D. Webb of Shipman Real Estate and Burl Hubbard Insurance. The firms now occupy the remodeled building between Lon Fashions and James Graham Restaurant. This welcome also includes their efficient secretary, Donna Hunley.

 PLAINVIEW, TEXAS 79072

August 5, 1977

To Whom It May Concern: If you have experienced or are experiencing difficulty in paying your heating utility bill (electricity, gas, butane, etc.), and if you are an SSI Recipient, or a Senior Citizen of Hale County, please read this notice carefully.

A special one time program that provides assistance in paying overdue heating bill or in receiving credit toward future heating utility bills is being administered by the Texas Department of Community Affairs for Hale County through Central Plains Community Action in Plainview.

As an SSI Recipient you are eligible to participate in this program if you have been unable to pay your heating bills or if you paid your heating bill at a great hardship. To qualify you must have: (1) the heating utility serviced in your name, (2) must be 65 years of age or over, or (3) have a health problem, physical handicap or other disability regardless of age.

Participation in this program will not effect the amount of your payment from SSI, Food Stamps or any other public assistance program in any way.

If you feel you qualify for this assistance it is important that you provide the Central Plains Community Action Program with either a copy of your heating utility bill or official receipts showing the amount you paid. This assistance covers heating bills incurred for service after October 1, 1976 to the present. All bills and copies of income (SSI, Social Security, Food Stamps, etc.) should be presented no later than August 19, 1977, since the program will end August 31, 1977. A payment will be made directly to the utility company upon certification.

You should contact Central Plains Community Action if you need assistance or have questions about any of the above. You may contact the following offices:

## Miss Lovelace To Teach In Exchange Program

Following seven consecutive years of teaching in Hawaii schools, JoAnn Lovelace, daughter of Mr. and Mrs. Joe B. Lovelace of Abernathy, will teach State-side during the 1977-1978 school year. It's an exchange program. Miss Lovelace and a teacher in a Denver suburb school in Colorado will "exchange" everything except personal belongings. The teacher going to Maui, Hawaii, will occupy quarters in which Miss Lovelace stayed, and will use her automobile. In reverse, Miss Lovelace will occupy the Colorado teacher's living quarters near Denver, and will use her automobile while taking over her exchange partner's classroom for the upcoming school year. JoAnn is an AHS graduate. By comparison of distances, it seems like having her "back home" her parents said.

ATTEND THE CHURCH OF YOUR CHOICE THIS SUNDAY

Pernecia Durrett

### ABERNATHY YOUNG HOMEMAKER OF THE WEEK

Pernecia Durrett, the Young Homemaker of the week, is the Club's President for the 77-78 year. She and her husband, Glynn live 12 miles Northeast of Abernathy in the Lakeview Community.

Pernecia and Glynn are both members of the First Baptist Church in Abernathy. Pernecia when asked about the church said that, "It is very important that a family be united with the Lord. It is hard for unity to be achieved when one member of the family is one denomination and the other is of another. I know, Glynn and I have been there. Religion is not the real issue--Loving the Lord as he commands is the key to all religion. We are happy where we stand with the Lord and hope everyone can accept that."

Her hobbies consist of cooking, crocheting, reading, growing house plants, and doing macrame. Pernecia works on these as her time permits. She accomplishes

several of these projects even working full time at the Coop Gin. She enjoys staying busy.

YHT means a lot to her. This is all a new experience for her. She has never held an office for any club in her entire life and was in total shock when they confronted her with the possibility of being elected President. Her remarks were; "I'm looking forward to serving as President for the Club of Young Homemakers. Each individual can feel free to call on me any time. I'd be glad to help with a situation."

"I feel the Club will help me to better understand the role of individual, family, and community needs. My leadership abilities will be strengthened as the trials and tribulations arise before me as the Club President. I hope and pray that I fulfill my duties to each individual and for the Club. I feel I'll be a much stronger and wiser person at the close of my term."

### SUMMER BAND BEGINS MONDAY AUGUST 15

A. H. S. Summer Band practice will begin Monday, August 15 at the Band Hall. Freshmen and new students are to report to the Band Hall at 7:00 p.m. All other students will report at 7:45 p.m.

#### WORDS OF WISDOM...

A rebel's foolish talk should prick his own pride! But the wise man's speech is respected.

LAURA, STEVE & ABEL ARE THE CHILDREN OF MR. & MRS. EDWARD BARRERA.

She will be available at any time to answer any questions that you might have about YHT. If you are interested in joining, give her your name and address. All correspondence will then be sent to you so that you will know when and where each meeting will be held.

**GREEN CHILI CASSEROLE**  
1 lb. hamburger meat  
1 can cream of Mushroom and cream of Chicken soup  
1 sm. can evaporated milk  
1 sm. onion chopped  
1/2 c. velveta cheese cubed  
1 sm. can green chilies  
1/3 pkg. corn tortillas salt, pepper, and garlic to taste

Brown hamburger meat and onions. Add seasoning. Combine with soup and milk, cook until bubbly. Stir cubed cheese into mixture, and add green chilies. Quarter the tortillas and put a layer of these into a casserole and alternate with a layer of meat sauce. Top with grated cheese and put in 350 degree oven until cheese is melted.

### IMMUNIZATION ACTION MONTH NOW IN PROGRESS

Children needing immunizations for entering school or a child care facility are urged to get their immunizations early by Plainview-Hale Co. Health Department.

August is Immunization Action Month, and it's a good time for all parents to review the immunization status of themselves and all their children.

Anyone needing immunizations against such diseases as diphtheria, polio, pertussis, measles, rubella, tetanus or mumps should see their physician or visit one of the public health department clinics.

"Measles and rubella (German measles) have been showing a dramatic increase in Texas this year, and they are two diseases for which immunizations are readily available."

Severe complications and even death may result from measles, and it is senseless for anyone in our society today to go unprotected. These complications can include ear infections, pneumonia, deafness, blindness and convulsive disorders or other forms of brain damage.

Rubella is a disease which has a devastating effect on the unborn. Rubella, sometimes called German measles or three-day measles, can cause babies to be born with abnormalities, or the pregnancy can end in stillbirth or miscarriage. The problem arises when the pregnant woman gets the disease. Some of the common defects of rubella-affected babies are cataracts, deafness, heart defects and mental retardation.

Your health department or your private physician can help young women discover if they are susceptible to rubella through a simple screening test. Young adult females, if they need protection, can be immunized before they become pregnant. These tests will be made during August, September and October in local Health Departments and sent to the Texas Department of Health Laboratories for analysis.

Immunization Action Month activities are sponsored by the Texas Department of Health and First Lady's Volunteer Program.

Abernathy Clinic will be August 19, (Friday) at the Neighborhood Center, from 12:30 to 3:30 p.m.

### Boy's Ranch Rodeo Slated Sept. 4 - 5

At Cal Farley's Boys Ranch, thirty-six miles northwest of Amarillo, 370 pint-sized cowboys are getting ready for their thirty-third annual Boys Ranch Rodeo.

Practice rides on the broncs and bulls have been going on since June with only about 150 riders expected to appear in the Ranch's rodeo arena over the Labor Day weekend. They will be competing in bareback bronc riding, Brahma bulls, steers, calves, and even stick horses for the three-to-six-year-olds. It is the only rodeo of its kind in the nation in which boys riding professional rodeo stock under RCA rules are the only contestants. About 10,000 people are expected to drive to the Ranch for the event.

Approximately 3,000 boys have lived at the Ranch since it was started in 1939, and the rodeo is also a traditional homecoming for the Boys Ranch Alumni Association. Some of the graduates and their families travel long distances to attend.

An added attraction will be Texas-sized barbecue beef plates that will be prepared and sold by the boys for only \$1.50. Reserve box seats at \$2.50 will be on sale at the Boys Ranch Office, 600 West 11th Street in Amarillo. General admission will be \$1.50 for adults and \$.75 for children under twelve. Performances are scheduled for 2:30 p.m. each afternoon, September 4 and 5.

## be your own Meter Maid

You can add up your groceries while you're buying...

You can add up your gasoline while you're buying...

**But** can you add up your electricity while you're buying?

### Yes you can... Here's How!

Learn to read your electric meter. It will let you determine how many kilowatt hours you use in a given period of time... an hour, a day, a month or a year. That's how electricity is measured—by kilowatt hours used.

Your residential electric meter will have either 5 or 4 dials

Electric meters are easily read from right to left as you look at the meter. If the pointer on a dial is between two numbers, write down the smaller number. When the pointer is directly on a number such as one (1) (see center dial above) then read it as 1 if the pointer on the next dial immediately to the right has passed zero (0). However, read it as zero (0) if the pointer on that dial to the right has not reached zero.

The dials above read (from left to right): 9-3-1-5. If, however, the pointer on the second dial from the right above was between 9 and zero then the center dial would read as a zero.

Now let's read the same meter 24 hours later

This later reading is 9-3-1-3-8. Subtracting the first reading, 9315, from the new reading of 93138—the answer is 23. Thus you would have used 23 kilowatt hours in the 24 hour period.

Now you can become a METER MAID and watch your meter like a miser if you choose. WE HAVE A BOOKLET CALLED "MANAGING YOUR ELECTRIC BILL" plus other WISE USE TIPS booklets that help keep you from wasting electricity and so help lower your cost. Any of these booklets are free for the asking at your Public Service office... come by and see us.

**Days Of Hope**

By Pat Stanton  
**"HAVE GOOD COURAGE"**  
 What do you do when you are given a task that seems too big? How do you handle those difficult situations? The Christian believer has an "inner and outer" resource that others do not possess.

A true believer has the indwelling Spirit of Christ, (inner) plus the anointing of the Holy Spirit (outer). We have not been left helpless. We are still the children of God and I believe that He can still speak to our hearts and lives just as he spoke to Joshua.

Moses had died, and Joshua was given the tremendous task of guiding and ministering to the numberless host of Jews. God spoke to Joshua and began to encourage him and to tell him how to be successful. Let me encourage you to take these same verses and apply them for your life. Joshua 1:5b... as I was with Moses, I will be with thee; I will not fail thee, nor forsake thee. V. 7-Only be thou strong and very courageous, that thou mayest observe to do according to all the law, which Moses my servant commanded thee: turn not from it to the right hand or to the left, that thou mayest prosper whithersoever thou goest. V. 8-This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success. V. 9-Have not I commanded thee? Be strong and of a good courage; but not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest.

**Grandson Of Local Residents Places In State Bodybuilding Championship**

(From the Bartlett Tribune)  
 Saturday night, July 30th, seventeen year old Neal Dawson of Bartlett placed sixth out of a field of eighteen tough competitors, before a capacity crowd, in the Teenage Texas Bodybuilding Championship at the Paramount Theatre in Austin.

Dawson who has two more years to compete as a teenager and has been only training for one year was also a finalist in the best arms, legs and most muscular subdivisions.

Neal trains at the University Health Club in Temple and is coached by Mike Cockrell. Cockrell was asked about Neals chances next year and had this to say, "Neals chances of taking this title next year are very good. He is very dedicated and works out hard for at least 2 hours four times a week. With a little more body weight he will become a very competitive bodybuilder."

Bodybuilding which is the ninth most popular sport in the world today is growing rapidly and the competitions are getting better each year, stated Cockrell. Neal is the son of Mr. and Mrs. Jerry Dawson of Bartlett. He is the grandson of Mr. and Mrs. John L. Dawson of Abernathy.

### UNIFIED, MASSIVE FARM PROTEST IN THE MAKING

LUBBOCK, TX. --Stating simply that "farmers are not going to be the whipping boy any longer," the Texas Farmers Union today officially positioned itself for serious protest action to begin in the next few months. Details of that action, possibly a strike or moratorium on supplies purchases as well as rallies and demonstrations, are being formulated at this time.

Official resolution came from the 9,000-member organization's Executive Board, which is asking first for floor rewrites of four-year general farm legislation now before Congress and expected to be finalized shortly after the Fourth of July recess. Second, if amendments are not made, they ask for presidential veto. Failing that, the organization promises some form of a strike or protest action.

Said one farmer, "Farmers across the entire state, raising every commodity, are mad! For years we have asked to be heard... and thought this Administration might listen. But the market is at rock-bottom and the policymakers in government want to keep it that way! We're going to tell these guys, by whatever method it takes, that they can't take advantage of us any longer! We're not going to keep on producing... we can't keep producing... if we don't get our fair share at the producer's price level."

The Farmers Union points its main opposition to the Farm Bill toward provisions which would provide low "floors" and precedent-setting "ceilings," also at low levels in order to keep prices at a world level of trade in addition to preventing food inflation. Farmers claim, however, that they cannot deal with income set at a cheap world level while their own costs for equipment, supplies and labor are at inflationary domestic levels.

Said one farmer, "They are taking the 'boom and bust' out of agriculture by taking out the 'boom'. The problem with that, though, is that it guarantees us a loss and there's no place on earth where we can get money borrowed to operate like that any longer."

Other Farmers Union states besides Texas are expected to take similar action soon, which means the movement could spread nationwide. "Once the other states get into their harvest seasons as Texas has been in wheat and now grain sorghum, they'll be hit in the face with this bankrupting market. You can bet they'll be with us!"

"We're not trying to hurt the consumer with more inflation," said the farmer-spokesman. "Farmers are consumers, too, remember. But it's high time that the supermarket realizes how

### Social Security Representative Due Here Aug. 16

The social security representative, Janice Burns, from Plainview social security office will be working in the City Hall in Abernathy from 9:00 to 11:30 a. m., Tuesday August 16. Anyone who needs assistance with a social security or medicare claim, application for a social security number, or information about any part of social security may see her.

If more convenient, contact your social security office at 1401-B West 5th Street in Plainview. A telephone call may save you a trip. Our number is 293-4371.

Little of that retail dollar goes back to the farmer. They've got to know that we're going broke fast and that those shelves are not going to stay full if we are forced to quit. They've got to see how over-processed their food is and how everyone in-between writes the markup and operating profit while the producer is losing his shirt.

"You can't expect us to set out here in the country and go broke, waiting to return at the consumer's convenience. You can't turn agriculture on and off like a light switch. We're not doing it any more!"

Observers say that individual protest actions will probably start at the county level within a few weeks after harvest. Meanwhile, the state staff of Texas Farmers Union will be working to unify that action as will the National Farmers Union staff when and if any of the other 22 Farmers Union states join the action.

### INSERVICE EDUCATION CONFERENCE (cont' from page 1)

Concurrent interest group sessions took place all day Wednesday and Thursday morning. Twenty two topics were presented allowing participants to attend six sessions which met their particular needs and interests.

The Honorable Eddie Bernice Johnson, Texas House of Representatives, addressed the annual meeting of Vocational Home-making Teachers Association of Texas on Thursday afternoon. Area VHTAT meetings were held immediately following the statewide meeting.

On Friday, Dr. Aleene Cross, chairman, Home Economics Texas Education, University of Georgia, spoke to the conference in general session to identify meaningful ways to measure success and to expand awareness of a accountability as we approach a time of national evaluation. The conference closed with an interaction session led by Dorothy Johnson, a homemaking consultant for the Dallas School District, designed to help each teacher focus on the immediate future to personally determine professional commitments which will enable them to help students cope with their future and improve their quality of life.

Local homemaking teachers attending the Dallas conference were Mrs. Marilyn Stone and Mrs. Jan Montgomery. Mrs. Stone, Area I District 5 VHTAT membership chairperson, participated in registration. She was elected to the Area I Advisory Council to represent Class AA schools for 2 years and take part in a skit at the Area I meeting.

Mrs. Montgomery, Advisory Council member representing VEH, took part in the Area I Council meeting on Monday. She was on the program of the Area I meeting Tuesday afternoon. On Wednesday, Mrs. Montgomery was a presider for the interest group session, Techniques to Conserve Energy, presented by Dr. Mary Wallace Cracker of Texas Tech.

New Deal homemaking teachers participating in the conference were Mrs. Beverly Day (Homemaking) and Mrs. Susan McAlexander (VEH). Mrs. McAlexander will continue serving a term as Area I Advisory Council member representing child development this coming school year. Mrs. Day will assist Mrs. McAlexander in planning a workshop for homemaking service in November. The proposed topic will be "Prevention of Child Abuse." Both teachers participated in a presentation on Wednesday to aid teachers with state report forms. Mrs. McAlexander was elected to the position of Area I VHTAT Alternate Director on Thursday.

## SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

A man can live without air for minutes, without water for weeks, without food for months, but he cannot live without God.

Man is incurably religious. He must have a God. If he does not have the true God, he has a counterfeit god.

Man's spirit abhors a vacuum. He must have someone or something in which to believe. Even the atheist has a faith. He believes in No-god.

There are some who forsake God. When they do they turn to other gods. A god is anything in this life which men worship instead of God.

Those who turn from the

real God to a false god find that one god is too little, two are too many, yet hundreds are not enough. In multiplying gods they multiply griefs.

A man may make a god of his career, of his pleasure, or of his wealth. But they cannot satisfy. "Those choosing other gods," states Living Psalm 16:4, "shall all be filled with sorrow."

What of those who choose the God of the Bible? They find salvation from sin and sufficiency for all of their insufficiency. Choose Him, won't you?
