MR. & MRS. HARDY BRIDGES

MR. & MRS. HARDY BRIDGES TO BE HONORED ON GOLDEN WEDDING ANNIVERSARY

COUPLE HONORED: Mr. and Mrs. Hardy Bridges will be surprised and honored Sunday, October 9, 1977, marking their 50th wedding anniversary from 2 p. m. to 5 p. m. in the banquet room of City Hall in Abernathy. All their friends are invited to help celebrate and surprise the couple. Hosting the event will be their children, grandchildren, and families of the couple, Mr. and Mrs. Dean Bridges of Abernathy, Ms. Jean Evans of Lubbock, Mr. and Mrs. Mack Bridges of Lubbock, Mr. and Mrs. Johnny Bridges of Little Rock, Ark., and Mr. and Mrs. Kenneth (Wanda) Jordan of Fort Worth.

They have 14 grandchildren and five great-grandchildren. The former Ollie Mae Rhodes and Bridges were married in 1927 in Clarksville, Texas. They moved to the Abernathy area in 1948 where they farmed until 1963.

Dwayne Lynch, Waldeen Thomson To Speak Sunday

Dwayne Lynch of Lubbock will be the Lay Speaker at the morning service at the First United Methodist Church here Sunday, Sunday, October 9, is Laity Sunday in Methodist Churches throughout the Northwest Texas Conference, with special emphasis toward participation of lay men and women in the services that day, pointing up the work and responsibilities of the laity of the church.

Sunday evening's speaker will be Mrs. Carlton (Waldeen) Thomson of Plainview, wife of the District Superintendent of the Plainview District.

Lynch is no stranger to area. A former Ralls businessman, he coordinated numerous Lay Witness Missions, including the one in the Methodist Church here seven years ago, and has also held weekend Renewal services in the local church. He was also host for The Lay Witness, a Lubbock-based television series which featured area lay men and lay women sharing their faith in Christ with others.

Dwayne and his wife, Carla, and children are active members of the Oakwood Methodist Church in Lubbock, where Dwayne teaches a Sunday School class. He is now director of the MBFA Foundation, a health care organization for the aged.

SUNSHINE GROUP MEETS OCT. 20

Abernathy's Sunshine Group will meet in the city hall clubroom at 11:30 a. m. Thursday, Oct. 20. A luncheon will be held and a program will be given. Floyd Shipman, president, urges all members to be present, and he extends an invitation to those who may want to become members of the Sunshine Group. The organization is open to all who may want to join and to those who may want to attend meetings on a visitor basis. For further information, call Mr. Shipman or Mrs. Henry C. Von Struve.

Antelopes Stubbornly Hold Mules To Only 14 Points in Losing Effort

Playing their best defensive game of the season, the AHS Antelopes held the highly-rated Muleshoe Mules to only 7 points up until the last play of the game Friday night, and lost the hard-fought encounter 14-0. Against stout resistance, the Mules had scored a TD and extra point late in the first quarter of play, but the 'Lopes' defense held the hometown boys outside the Abernathy 35 for the remainder of the contest, up until the last time the Mules had possession of the ball.

With just over six minutes to play, the Mules had taken over on downs at their own 20 1/2 yard line when the Antelopes failed to pick up enough yardage for a first down at that point. The leather was still popping, as it had done throughout the contest, as the young Antelope defenders continually blasted the Muleshoe runners with bone-jarring tackles, but the Mules managed to continue downfield as the time ticked away.

With only 2 seconds showing on the clock, big fullback Dean Northcutt found running room from the 10 yard line and rambled over as time ran out, scoring his second TD of the night. George Villareal kicked the extra after each TD.

Sophomore fullback Roger Lindsey was again the leading ground gainer for the Antelopes, picking up 88 yards, much of it on "second effort." Teammate Lon Mason also picked up good yardage, as the 'Lopes penetrated deep into Mule territory three times but could not push across a score.

The Antelopes' passing attack was nil, as the 'Lopes failed to connect on any of the 7 attempts.

Penalties hurt the 'Lopes at crucial times, especially during the second half. And the 'Lopes still had three starters sidelined by injuries...

...fullback Lee McCune and linebacker-center Mike Hill with knee injuries, and linebacker David Kennedy.

Still, the young team showed gallant aggressiveness and on numerous occasions throughout the game, either held the Mules on downs or forced them to punt.

139-pound junior defender Rusty Powell was in on numerous tackles and recovered a fumble early in the fourth quarter. Defensive tackle Eric Harkey, playing his usual heads-up game, also recovered a fumble, giving the 'Lopes possession just outside the Mules' 10 yard marker late in the third period.

However, two no-gainers, a 15 yard penalty against Abernathy, a 15 yard loss on a pass attempt, and a missed screen pass, forced the Antelopes to punt.

Midway in the fourth quarter, Muleshoe quarterback Danny Wilson hurled a high pass down the middle to Northcutt. The lanky fullback reached high with one hand and actually batted the ball back behind him and right into the arms of defender Wade Henderson who made a 12 yard return before being hauled down.

Late in the game, defensive back Kelly Mills broke up a pass, which he almost intercepted. Other defensive backs Joe Barrera, Ted Heard, and Lee Knight also played heads-up ball. Mark Pope Ruben Olguin, Joe Jack Connell, Gregg Gibbs, Jimmy Rannels, Micah Blalock, and Harkey and Company were "pains" in the Muleshoe line all evening.

To Play Littlefield The 'Lopes will be on the road again this Friday evening, traveling to Littlefield to take on the Wildcats in the final non-conference battle of the season. Game time is set for 7:30 p. m.

The Wildcats of District 3-AA are 3-2 for the season, having lost to Floydada, 9-7, last Friday evening on a last-second field goal by the Whirlwinds.

Club members observe 4-H Week activities

COLLEGE STATION----- National 4-H Week Oct. 2-8 provides Texas youth an opportunity to become involved in their communities while furthering the 4-H effort across the United States.

More than 100,000 boys and girls throughout Texas are among the 5.8 million youth across the nation enrolled in 4-H activities, points out Dr. John Pelham, state 4-H and youth leader with the Texas Agricultural Extension Service.

Also, special interest 4-H groups involve more than 37,000 youngsters, primarily through television programs.

Young people between the ages of 9 and 19 are members of the 2,050 organized Texas 4-H clubs who will try to increase membership and leadership during the week-long national observance.

"National 4-H Week is scheduled annually by the Cooperative Extension Service to bring public attention to the values of 4-H as an informal, youth educational program that stresses the development of practical skills, leadership and citizenship," emphasizes Pelham.

But youngsters aren't the only ones involved in 4-H. Volunteer adult leaders number just over 15,000 in Texas.

And there are more than 6,500 teen leaders helping younger members in project groups and special activities.

"The 14 Extension Service districts in Texas will have different activities planned during National 4-H Week to attract new members as well as to expand the involvement and learning experiences of current members," adds Pelham.

The 370 members of the Hale County 4-H Clubs are joining 5.8 million youth from throughout the United States in celebrating National 4-H Week, today through Saturday.

"4-H - Freedom to Be" is the '77 theme which incorporates the American free enterprise system and the responsibilities of 4-H members in special activities planned during the national celebration.

The week's activities in Hale County began Saturday with the annual 4-H Achievement Inquest and will continue throughout the week with store window displays. Today, 4-ers will be attending church together as a group and will be recognized. Place mats have been distributed among local restaurants to advertise 4-H and members will be wearing 4-H ribbons during the entire week.

Watch for our bake sale scheduled for October 22 and also for our Dog Vaccine Clinic set for October 26, time and place for these events to be published at a later date.

We would like to encourage ALL women to attend this meeting.

MASON MEET HERE OCT. 13

A stated meeting of Abernathy Lodge No. 1142 A. F. & M. will be conducted Thursday, Oct. 13, starting at 7:30 p. m. Thomas Pettit, Worshipful Master, urges all local members to be present, and extends an invitation to visiting Masons to attend the meeting.

CIRCLE NAMED FOR AUNT JESSIE HARDIN: The newly formed Aunt Jessie Circle of the First Methodist Church honored Aunt Jessie during the morning worship service Sunday, Oct. 2. The secretary Mrs. Jim Waits gave some of the history of Mrs. Hardin's activities and she was presented with a corsage.

Mrs. Hardin Honored Sunday

The United Methodist Women have started a new Circle that meets the third Wednesday mornings of each month at 10 a. m. The Circle members decided to name the Circle the Aunt Jessie Circle, in honor of Mrs. Jessie Hardin.

Aunt Jessie Hardin is a long time member of the First United Methodist Church. She was received by certificate March 10, 1920. Over the years she has served the church well, as a children's Sunday School teacher, member of the Missionary Society, President of the Sunday School Class and is now a member of the Fidelity Class.

Aunt Jessie Hardin is not only known for her church work and attendance, but a community worker as well. The Hardins were known and loved by many young people. Their home was always open

and used as a meeting place. They gave their home to young people to finish school, and school teachers were also given a home while teaching.

Aunt Jessie is a charter member of the Blue Bonnet Quilting Club. These ladies meet once a week. Proceeds are made by quilting for the public and then donated to different charities.

Aunt Jessie, thank you for your many contributions and the use of your name for our circle.

Those attending the first meeting to plan programs and choose a name were: Frankie Mills, Vicki Havens, Mona Toler, JoAnn Pope, Don Evelyn Fondy, Lelaine Waits, Kathy Black, Virginia Jennings, and Thelma Waits.

The program of study will be "A Gracious Woman." The circle will meet in the Carlton Sunday School Class.

AHS Twirlers Win First At NBTA Contest

The Abernathy Antelope High School Twirlers competed in the South Plains Fair contest held Saturday, October 1 in the Fairpark Coliseum, in Lubbock.

They brought home a first place trophy in the Majorette Line Division.

The AHS twirlers were able to win over high school twirlers from Floydada, Ralls,

Monterey, Petersburg and Cooper (second place winner).

The judges judged on appearance, variety, dancing, unison, originality, audience appeal, difficulty.

AHS twirlers are Gerri Booth, Mary Lane, Gay Hobgood, Sherri Adams, Cindy Gragg and Shana Toler, head twirler.

MR. & MRS. GARY DON HENLEY

Miss Nelda Kay Rogers, daughter of Mr. and Mrs. Bob L. Rogers, and Gary Don Henley, son of Mr. and Mrs. Dewey Henley, exchanged wedding vows on Saturday, September 24 at 7:00 p.m. at the First Baptist Church. The couple were united in marriage during a candlelight ceremony by the pastor, Rev. Jacky Newton.

Miss Pam Rogers, sister of the bride, served as Maid of Honour. Other bridal attendants were Miss Cheryl Rogers, cousin of the bride, and Miss Cindy Coaway.

Roddy Shipman was best man, with Wayne Riley and Kent Abbe serving as groomsmen.

Flower girl for the ceremony was Kandle Wilson, niece of the groom and daughter of Mr. and Mrs. Johnny Davis of Lubbock.

Ring bearer was Dan Evans, son of Mr. and Mrs. Randy Evans of Abernathy.

Bobby Dean Rogers, Rodney Mahagan, Jerry Dees and Ken Davenport were ushers.

The bride, given in marri-

age by her father, wore a formal gown of silk organza under chantilly lace styled with an empire waistline, high neckline and long full gathered sleeves. Her veil was a chapel length mantilla trimmed in chantilly lace.

She carried a cascade bouquet of yellow and white silk roses accented with sprigs of baby's breath which were made and designed by the brides mother.

The bridesmaids wore formal length dresses featuring puffed sleeves and ruffles accenting the neck and hemline. The maid of honour was gowned in lime green, while the other attendants and the flower girl wore matching dresses of yellow. Each carried white baskets filled with yellow rosebuds.

Background for the ceremony was formed by two arrangements of yellow silk roses laced with greenery which were made by Mrs. Bob Rogers and Mrs. R. D. Slough. Garlands of ivy were draped along the chancel rail on which were placed nine

yellow candles. An anniversary candle was at the front of the church which the couple lighted together after repeating their vows.

Miss Patsy Tucker played traditional wedding selections and accompanied Mrs. Gerry Hunter, sister of the bride, as she sang "The Wedding Song" and "The Wedding Prayer".

Mrs. Bobby Dean Rogers registered guests. Special recognition was given to Mr. and Mrs. Burrell Conaway as honorary parents of the bride for their long and deep affection for the bride.

A reception was held immediately following the ceremony in the fellowship hall of the church. Members of the house party were: Mrs. Burrell Conaway, Mrs. Bobby Thomason, Mrs. Billy Beard, Mrs. Kenneth Rogers, and Mrs. Randy Evans.

Serving at the bride's table was Mrs. Scott Lutrick, Cathy Rogers, and Kerri McClendon. At the groom's table were Mrs. Penny Pierce, Tammie Conaway and Sonya Wortham.

Following a honeymoon trip to New Mexico the couple will reside in Abernathy.

FIRE PREVENTION WEEK IS OCT. 9-15

COLLEGE STATION--- Fire Prevention Week is "observed"--not celebrated--in the United States each October. This year the date is Oct. 9-15, notes Dr. Gary S. Nelson, safety engineer with the Texas Agricultural Extension Service.

The Oct. 9 date is the anniversary of "The Great Chicago Fire" of 1871 which marked the real start of community effort to prevent fires instead of concentrating only on putting them out, says the engineer.

Woodrow Wilson, in 1920, was the first President to issue a national proclamation in observance of what was then Fire Prevention Day. This tradition has been officially recognized by every successive President to this day.

The toll of the Chicago fire of 1871 was monumental in terms of the young frontier city and of the economy of those days: 250 lives lost, 17,430 buildings destroyed, and an estimated \$168 million in property lost.

Today, fires continue to kill an average of 32 persons in the U. S. each day, adding up to more than 10,000 lives lost each year, points out Nelson. About 30 percent of the victims, or 3,500, are youngsters through age 15.

Fires cost the U. S. about \$4.4 billion in property loss annually. This means the average annual price of fire waste is \$20.40 for every man, woman and child in the nation. Estimates by the National Commission on

Fire Prevention and Control place the total cost of fires--including lost wages, sales and production as well as buildings and contents destroyed--at \$12 billion annually.

Fire tragedies will continue, says Nelson, until Americans learn how not to burn through adherence to recommended fire prevention practices and through the use of fire prevention building and equipment designs.

HALE 4-H COUNCIL MEETS IN PLAINVIEW

The Hale County 4-H Council met Saturday, September 24 at the Agriculture Center, according to Vicki Winter, Assistant County Extension Agent. Donald Ebeling, Council Chairman, called the meeting to order. The roll was called and minutes were read by Carrie Lee Lutrick, Secretary. The money-making project committees gave their reports to council. Vicki Winter reminded the council of the Achievement Banquet on Saturday, October 1 and National 4-H Week, October 2-8.

The Council voted by secret ballot on the recipient of the Monty Stair Award

which will be announced at the Achievement Banquet. The program was presented by Mr. John I. Bowling from Hale Center. He has just returned from a trip to Washington D. C. where he attended the dedication ceremonies of the National 4-H Center. Mr. Bowling had the privilege while attending the ceremonies to meet Mrs. J. C. Penney, an active supporter of 4-H.

Following the program, the meeting was adjourned by Donald Ebeling, Chairman of the Council. Those attending were: Alan Pettit, Patsy Davis, Carrie Lee Lutrick all of Abernathy; Kevin Stout, Chris Cummings, Rhonda Well, Melody Marshall, Tanya Tyer all of Hale Center; Beverly

"THE ELECTRIC SAVINGS MACHINE"

3 ways energy can be saved in the home.

1 By improving the thermal integrity of the structure itself: by adding insulation, installing double glazed windows, reducing hot and cold air infiltration.

2 By installing efficient energy-saving systems and appliances.

3 By adopting wise use habits.

EFFICIENT USE OF FUEL RESOURCES.

The heat pump uses electricity efficiently because it can deliver as much as two units of heat for every one heat unit of electricity it uses during the heating season. The heat pump makes efficient use of fuel resources because it uses electricity for heating and cooling, and thus allows use of the nation's more plentiful fuels like coal. Southwestern Public Service is now reducing its dependence on natural gas as a fuel and is building plants that use coal to make electricity. Using fuels like coal preserves the nation's scarce petroleum resources for other uses. The heat pump saves electricity... and saves you money. It's the electric savings machine!

There are only two powers in the world God and Satan!
And no marvel; for Satan himself is transformed into an angel of light. (II Cor. 11:14)
Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour. (I Peter 5:8)
The thief (satan) cometh not, but for to steal, and to kill, and to destroy; I (Jesus) am come that they might have life, and that they might have it more abundantly. (John 10:10)
You are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world. (I John 4:4)

Introducing **FORD'S BETTER IDEAS FOR '78**
featuring the new Fairmont...the Ford in your future.

The Fairmont idea. Fairmont... a new car built for today, but designed for the years ahead. Fairmont combines fuel efficiency, space efficiency and cost efficiency. It's trim outside, and easy on gas, yet it's roomy inside. Stylish, but it doesn't cost a lot. With impressive ride and handling. That's Fairmont—a whole new line of better ideas.

Fuel efficient. Fairmont sedans offer the best mileage ratings in their class.

4-Speed Manual	Automatic Transmission
33 MPG (Hwy)* 23 MPG (City)*	33 MPG (Hwy)* 22 MPG (City)*

*EPA estimates with 2.3 litre engine. Your mileage may vary depending on your car's condition, optional equipment, and how and where you drive. California and Wagon ratings are lower.

Space efficient. More than 90% of the head room, leg room, shoulder room of most large cars. Fairmont is not a little car. It's engineered to be space efficient with 90% of the room in key areas of most large cars. And Fairmont's roomy trunk holds ten assorted pieces of luggage.

Cost efficient. Fairmont sticker prices will be competitive. And Fairmont is designed to keep scheduled maintenance costs down. Compare Fairmont's excellent combination of high mileage ratings, roominess, and low sticker price with any other car sold in America. You'll see why we call it the Ford in your future.

More new 1978 ideas to brighten your future driving.

1978 THUNDERBIRD. The new Thunderbird is ready for takeoff. With all the styling, luxury and fine engineering that you expect in a Thunderbird. Most surprising is its down-to-earth price—even with V-8 power, automatic transmission, power steering, power front disc brakes, AM radio, standard.

1978 FORD PINTO PONY. Pinto Pony offers American style and comfort at a sticker price competitive with the leading imported economy cars.

NEW FORD FIESTA. Europe's most successful new car... imported from Germany. During Ford Fiesta's first six months of sales, it outsold every new nameplate ever introduced in Europe. Engineered to give its driver dramatic performance. With front-wheel drive.

1978 FORD LTD. The only Ford that many families need. If you're one of the millions of people who need a standard-size car, the Ford LTD could be just the car for you. It has a deep-well, easy-to-load trunk. And stretch-out comfort for six that you expect from a Ford LTD.

NEW GRANADA ESS. Can you tell its looks from a \$20,000 Mercedes-Benz 280SE? Our new ESS is styled in the tradition of expensive sports sedans. With special luxury inside and exquisite touches throughout. And five-passenger comfort. It's the flagship of our popular Granada line.

1978 MUSTANG II. Your Ford Dealer's price news covers the T-Top, elegant Ghia and 3-door Hatchback. Go Mustang. Catch the sporty spirit.

TEST-DRIVE THE NEW FAIRMONT AND ALL FORD'S BETTER IDEAS.

Wedding Solemnized

MRS. BILL BYBEE

Wedding vows for Marilee Echols and Bill (Buck) Bybee were repeated on Saturday, September 24 at 7:00 in the evening at the Garden and Arts Rose Garden in Lubbock. Rev. Dudley Strain officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Lee Echols of Abernathy. The groom is the son of Mr. and Mrs. Bob Bybee of Lubbock.

Wedding music was an arrangement of contemporary songs selected by the bride and groom. Junior Vasquez taped and presented the music.

Mrs. Duggan Wood, sister of the groom, registered guests.

Escorted by her father, the

bride wore a formal gown of ivory organza and Nottingham lace, featuring a low oval neckline outlined with a lace ruffle and long slender sleeves overlaid with pearly lace with the ruffled lace at the wrist. The a-line skirt was centered with a panel of pearly lace from the empire waist line to the ruffled hemline. Lace appliques bordered the lace panel. A matching chapel length veil of imported illusion and edged with ruffled Nottingham lace was attached to a matching hatlet of lace.

The bridal bouquet was of orchids, baby's breath, pheasant feathers and greenery.

Mrs. Mary Arenas of Hous-

ton served as maid of honor. Mrs. Sue Davis and Mrs. Carrie Bacon served as bridesmaids.

They wore identically styled floor length dresses featuring a low oval neckline and long slender sleeves. Mrs. Arenas' dress was of pale gold, while Mrs. Davis wore apricot and Mrs. Bacon wore rust. They all carried smaller bouquets of orchids and pheasant feathers.

Brice Wicker of San Marcos was best man. Brad Bybee and Bryan Bybee, the groom's brothers, both of Lubbock, served as groomsmen.

Guests were seated by Terry Echols and Duggan Wood, both of Lubbock.

A reception followed the wedding ceremony at the South Park Inn. Members of the house party were Mmes. Dean Huffaker, Chris Waters, Betty Albers, Doris Durrett, Pauline Weeks, Barbara Echo's, Brenda Wood, and Laura Gill. The reception table was covered with a pale apricot cloth. Two silver candelabras were on either side of the three tiered wedding cake. Punch and champagne fountain were on either end of the table.

A dinner was hosted by the grooms parents at the South Park Inn following the rehearsal Friday evening.

The bride and groom are employees of Mr. Tom's as hairstylists.

Following a wedding trip to Tres Ritos, N. M. the couple will reside in Lubbock.

The Jim Byers family has moved to this address: Gall Rt. Box 60, Big Spring, Texas 79720. Byers was manager of the meat market at Smith's Thriftway Supermarket for the past several years. Max Martin follows Byers in that position at Smith's.

MARILYN STONE

YOUNG HOMEMAKER OF THE WEEK - MARILYN STONE

Marilyn Stone has been teaching homemaking at Abernathy High School for three years and she serves as advisor for the Abernathy Chapter of the Young Homemakers of Texas. She feels that YHT is a great group to be involved with and enjoys the friendship of all the members.

Marilyn and her husband, Roy, live at 1008 15th St. in Abernathy. Roy is a saddlemaker and owns Stone Saddlery. Roy makes and also does repairs. Marilyn helps by doing the leather tooling on saddles, belts, and other leather goods. Her other interests include spinning and weaving wool. She hopes to start weaving Indian style saddle blankets for the saddle shop.

Marilyn feels that professionalism is an important part of her job and she is actively involved in promoting Homemaking Education. During the State Homemaking Teacher In-Service Conference in July, she was elected for a two year term on the Area I advisory council representing AA schools. She was also selected

as the membership chairperson for Area I, District 5 of the Vocational Homemaking Teachers Association of Texas.

"I hope that more homemakers in the Abernathy area will join Young Homemakers this year," says Marilyn. The Young Homemakers of Texas is an organization for people who are interested in improving the quality of the home and life for family members. YHT provides fellowship and an opportunity to serve the family and community in worthwhile projects and activities. Any person, married or single, out of high school, and not over 35 years of age can become a member. Anyone interested in more information may call Marilyn Stone at 298-2563 or 298-2187.

Becky Via Is Rodeo Club Officer

(Written especially for The Abernathy Review)

WTSU-- Becky Via, a senior animal science major at West Texas State University, has been elected secretary of the WTSU Rodeo Club for the 1977-78 academic year.

The club is affiliated with the southwest region of the National Intercollegiate Rodeo Association (NIRA). Club members must maintain at least a C average and carry 12 or more semester hours per semester to compete in NIRA rodeos. Approximately 12 NIRA rodeos are held each year in western Texas and eastern New Mexico.

Miss Via is the daughter of Walter Via of 1605 Ave. F, Abernathy.

COUNTY LINE COMMUNITY CLUB

County Line Community Club met Tuesday Sept. 27 with Bobbie Embry presiding. Thirteen members and guest were present.

You ladies that have not been lately are missing some good programs and fellowship. Next month we need everyone present to vote on changes in our by-laws and constitution. Also the officers for 1978 will be presented. Bring a friend or neighbor. We need new members and lots of interest in our club.

Betty Price and Gladys Allen were hostesses. Betty told us about her trip to Europe. She also showed some films about the different places they traveled. Betty, her mother, a daughter and friend went together. They had a book telling you how to travel for \$10 a day. This turned out to be quiet untrue. For awhile they went by the book then decided to take guided tours. From then they were able to see the sights. The trip was very interesting. We appreciate Betty sharing it with us.

Members and visitors present were: Bobbie Embry, Betty Price, Gladys Allen, Gladys Cox, Sharon Coffee, Venita Granger, Mary Lynn Rice, Alta Embry, Barbara Teakell, Mary Ruth Manley, Audrey McGuire, Jeri Floyd, and Faye Pope.

4-H PROGRAMS OFFER VARIETY

COLLEGE STATION-The 1977 National 4-H Week theme, "4-H--Freedom to Be", embodies the belief that young people across the United States have the freedom to develop into the person they want to be.

National 4-H Week is Oct. 2-8 and this year's theme will be the core behind the special events designed to promote 4-H and its organizational activities.

"National 4-H Week is scheduled annually by the Cooperative Extension Service to bring public attention to the values of 4-H as an informal, youth educational program that stresses development of practical skills, leadership and citizenship," notes Dr. John T. Pelham, state 4-H and youth leader for the Texas Agricultural Extension Service.

"4-H uses the American free enterprise system through the combined knowledge of 4-H leaders and the involved youngsters to create a better environment to live and grow in," adds the 4-H leader.

According to Pelham, the 1977 theme means the freedom to set goals and reach for opportunities. "While it is the freedom to understand one's own aspirations and needs, it is also the freedom to appreciate people of other cultures and other lands."

As President Carter explained in a message to 4-H members and volunteer leaders: "4-H--Freedom

to Be" is the most appropriate theme for an effort that reaches out to all young Americans--rural and urban--from all racial, cultural, economic and social backgrounds. For many, 4-H is the door to a lifetime of personal growth and self-fulfillment.

Young people with a desire to learn more about their world have the opportunity to participate in a fast growing organization--4-H.

"The 4-H Program offers a variety of activities for youth between the ages of 9 and 19," says Vicki Winter, Assistant County Extension Agent for the Texas Agricultural Extension Service, the parent organization of 4-H.

"Young people can get involved in project groups, special interest groups, or service groups that appeal to their interests."

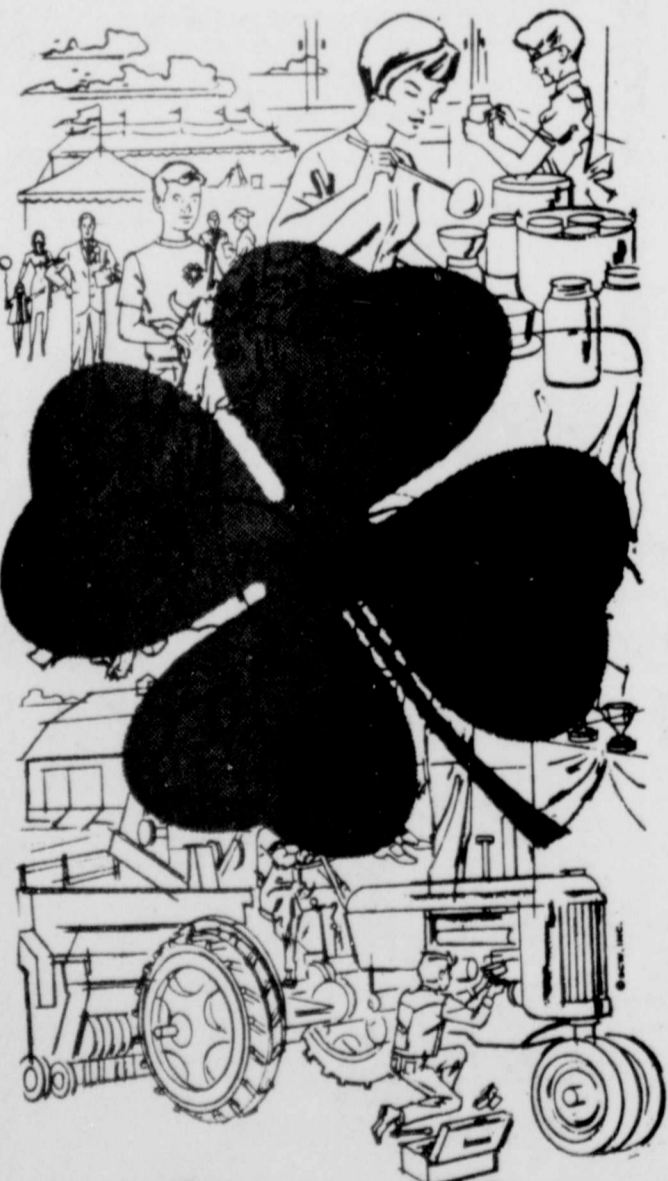

While 4-H meetings cover a variety of subjects and activities and are held periodically, project groups work on one specific subject and last only as long as the project endures.

Among the many project areas are gardening, food and nutrition, raising and caring for an animal, safety, clothing and home environment. "These project groups are usually directed by a volunteer leader."

If you are interested in becoming a 4-H member, contact Vicki Winter, Assistant County Extension Agent, at 296-7466 or come by the Extension office at 6th and Ash, Plainview.

OCT. 2-8

NOW IS THE TIME TO CONGRATULATE OUR 4-H'ers AND THEIR LEADERS FOR A JOB WELL DONE

4-H club work is a kind of training in which youths learn better ways of farming and homemaking. It also stresses the importance of self-reliance, character, and helps in many ways to promote better lives for our young people. We salute our 4-H'ers today.

Rites Held For Father Of Local Man, Mr. McAllister

Funeral rites for Archie N. McAllister, Sr., 81, a resident of Escondido, Calif., the past 20 years, were held at 10 a. m. Saturday in Sanders Memorial Chapel, Lubbock, with the Rev. E. L. Bynum, pastor of the Tabernacle Baptist Church, officiating. Burial was in the City of Lubbock Cemetery under direction of Sanders Funeral Home.

Mr. McAllister died Sept. 26, in San Diego, which is near Escondido.

Survivors include two sons, Neal of Colorado Springs, Colo., Archie N. McAllister, Jr., who resides east of Abernathy; a daughter, Mrs. Darlene McCrummen of 2611 41st St., Lubbock; a brother, Elmer of Tahoka; two sisters, Mrs. Mabel Tyler of Lubbock and Lula McAllister of Mexia; four grandchildren; and four great-grandchildren.

SCRIPTURE: HIS LEADING
"I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye."
Psalm 32:8

BITES HELD FOR D. D. SKIPPER

Services for D. D. Skipper, 69, of Abernathy were held at 2 p. m. Wednesday in Abernathy Church of Christ, with Condy Billingsley, minister, officiating, and the Rev. Jacky Newton, pastor, of the First Baptist Church here, assisting.

Burial was in Resthaven Memorial Park of Lubbock under direction of Chambers Funeral Home here. Pallbearers were Rudolph and Arno Struve, Woody Parker, Anton Wolf, Carl Phillips, Eccell Givens and George Burnett.

Skipper died at his home Monday morning after suffering an apparent heart attack. The farmer was born at Hamby and came to Abernathy from Johnson City in 1926.

Survivors include his wife, Lynlie; four sons, Billy and Johnny, both of Abernathy, Fruit of Midland and Gary of Tucson, Ariz.; two brothers, W. C. of Roswell, N. M., and Aubrey of Arlington; three sisters, Mrs. C. F. Acklin of Amarillo, Mrs. R. C. Baze of Maypearl and Mrs. I. D. Crawford of Alvarado; nine grandchildren and two great-grandchildren.

Dot Von Struve's Brother Dies

HALE CENTER (Special)- Services for James F. Cunningham, 80, of Hale Center were held Tuesday in Hale Center First United Methodist Church with the Rev. Thomas Gee, pastor of Grace Presbyterian Church in Plainview, officiating and the Rev. Lewis Holland, pastor of Hale Center First United Methodist Church, assisting.

Burial was in Center Plains Cemetery under direction of Freeman Funeral Home of Hale Center.

Cunningham died at 3 p. m. Saturday in Hi-Plains Hospital following a sudden illness.

A native of Anson, Cunningham moved to a ranch west of Hale Center in 1903. After retiring from ranching, he moved into Hale Center in 1974. He was a veteran of World War I and a member of the Veterans of Foreign Wars Post 5399 in Plainview and the Ray Blakemore American Legion Post also in Plainview. While serving at Ft. Bliss, Cunningham rode with several expeditions in pursuit of the Mexican bandit Pancho Villa.

Survivors include a brother, Henry S. of Glendale, Calif.; and two sisters, Pauline Cunningham of Hale Center and Mrs. Frances von Struve of Abernathy.

Pallbearers were John Trimmer, Eugene Struve, Bobby Wardlaw, Willie Dyer, Don Cannon and Clinton Redinger.

ENJOYING ELECTRONICS

Tips To Help You

Thanks to modern electronics, there's no need to miss any of your favorite TV shows while you're traveling. Now you can get one of a variety of portable sets that run on batteries or plug into your car or boat cigarette lighters.

When choosing cassette tapes, you should consider well what you need them for. The Electronic Industries Association points out that while the 120 and 180 minute tapes are longer, they may not be as reliable as the 60 or 90 minute tapes that are thicker and have a thicker oxide coating.

You want the best audio equipment for reproducing your favorite music since it will bring you hours and hours of listening pleasure.

("As it now stands, Congress writes the laws and then watches helplessly as bureaucrats issue rules and regulations that frequently go beyond legislative intent." The following is published by The Review as a public service message.)

WEST TEXAS CHAMBER OF COMMERCE POSITION PAPER

ON NEEDED FEDERAL ADMINISTRATIVE RULEMAKING REFORM LEGISLATION

The West Texas Chamber of Commerce Board of Directors has adopted the following position:

That the West Texas Chamber of Commerce support in the strongest manner possible any and all federal legislation that would provide a method whereby the Congress of the United States can prevent the issuance by federal agencies of rules and/or regulations which are contrary to law or congressional intent, or which may go beyond the mandate of legislation which they are supposed to implement.

Such legislation should provide for Congress to review bureaucratic regulations which have been previously adopted and, if necessary, refer them back to the federal agency for consideration.

Legislation for rulemaking reform by Congressman White of Texas, H. R. 708 and Congressman Levitas of Georgia, H. R. 4359 and H. R. 4360 has been introduced and is at present languishing in the House Rules Committee and the House Judiciary Committee. Apparently strong opposition from the federal bureaucracy has kept these bills from being scheduled for hearing before either committee.

If control of the Federal Government by the people, through their elected representatives is to be regained, then such legislation must be enacted and the House and Senate must have veto powers over any bureaucratic agency rules and regulations deemed not in the public interest.

In recent years, the federal bureaucracy has assumed unmerited power and has grown to such an extent that it has virtually become a government unto itself. A government unelected and not answerable to the voting, taxpaying citizens in the private sector. Congress must have the opportunity to have some control over the giant federal bureaucracy.

As it now stands, Congress writes the laws and then watches helplessly as bureaucrats issue rules and regulations that frequently go beyond legislative intent. When that happens, the only recourse for Congress is to rewrite the law, a time-consuming process that must be approved by the House, the Senate, and finally the President.

Administrative rulemaking reform legislation would cut through this cumbersome procedure, save tax money, dampen inflation and help hold down prices consumers pay.

The administrative cost of supporting our army of some 74,000 federal regulators costs approximately \$3 billion a year.

A direct cost to the consumer from government controls is the growing paperwork burden imposed on business firms; the expensive time-consuming process of submitting reports, making applications, filling out questionnaires, replying to orders and directives, and appealing some of the regulatory rulings in the courts. There are now 5,146 different types of approved government forms. Individuals and business firms spend millions of work hours a year filling them out.

The Federal Commission on Paperwork estimates that spending to process forms totals an incredible \$15 billion a year. The cost of the forms alone runs to more than \$1 billion and one department, Agriculture, maintains nearly a million cubic feet of records and spends \$150 million annually on reporting systems.

This is a particularly heavy burden on the small businessman who does not have the financial resources or personnel to take on such responsibilities.

The cost of this effort is eventually borne by the American consumer who already has more government protection than he can afford or wants.

Such proposed federal legislation would at least give the public the chance to challenge a regulation without going through an expensive legal procedure.

Should a citizen decide to balk or challenge the bureaucracy, he now is in for expense, delay, frustration, and probably sanction. The public is angry and frustrated, too often feeling that they have no choice but to obey a burdensome, costly, and perhaps ridiculous regulation promulgated by bureaucrats they do not know, have not elected, and cannot remove.

The public must be given an input, through their elected representatives, in the promulgation of these rules. This is basic to restoring citizen confidence in the government. An unresponsive government is not a government which carries the faith and confidence of the public.

The issue is clear, it is:

The people and their elected representatives versus the bureaucracy. This issue of the control of government by the people, through their elected representatives or by the government bureaucracy unelected, ruling in despotic grandeur and answerable to none must be remedied and this nation once more must have government for the people and not for the bureaucracy.

Signed the 31st day of August, 1977

FREEDOM TO BE... 

4H BUILDS LEADERS

During National 4-H Week Oct. 2-8, 4-H members will be exploring the theme, "Freedom to Be." Over the years, 4-H has helped millions of boys and girls grow into self-directed, productive and contributing members of society. It has done this through an informal, learn-by-doing approach to education, in which young people choose their own projects and set individual goals for achievement.

The strengths of 4-H come from several sources. The Cooperative Extension Service of the land-grant universities, state and local governments, and the U.S. Department of Agriculture provide substantial resources and versatility for the 4-H program. Private sector donors—businesses, foundations and individuals—contribute significant financial and technical assistance. And parents who are involved in 4-H help to reinforce their children's learning experiences in the program.

But the real key to the success of 4-H lies in the hundreds of thousands of volunteers who lead organized clubs and special interest groups or serve as advisors at the local level. It is estimated that for every hour spent on 4-H by a professional extension worker, a volunteer leader spends 10 hours. This amounts to about 20 eight-hour days each year.

Volunteer leaders provide healthy adult-youth relationships, teach skills, and give supervision and encouragement. Although the number of leaders has doubled in the past decade, even more will be needed if 4-H is to offer positive educational opportunities to increasing numbers of youth. We can't think of a better way to invest in America's third century than by volunteering time and talents to help prepare young people for the future.
