

Haskell Hey Day Has 57 Entrants

Over 50 entries have been received for the 1972 edition of the Miss Hey Day Pageant and over 20 entries have been received for the Little Miss Hey Day Pageant. This year's pageants, the ninth annual, promise to be the best ever seen by area residents.

Representatives from Haskell, Rochester, Rule, O'Brien and Weinert are all working in a concentrated effort under the very qualified direction of Mrs. Opal Adkins, Hey Day Chairman.

Committee chairmen are now finalizing plans and looking forward to both pageants. The Little Miss Hey Day Pageant is scheduled Thursday, June 29, and will begin promptly at 8:30 p. m. Miss Hey Day Pageant will be the following night, Friday, June 30, and will also begin at 8:30.

Both pageants will take place in the air conditioned Texas Theatre.

A festive atmosphere is planned for the event to show off

this area's most beautiful young ladies.

Merchants and businessmen from all area towns have gone to great efforts to make sure that all girls who wish to be in the pageants are entered.

Miss Karen Pippin, Miss Hey Day 1971, will serve as Mistress of Ceremonies and will crown this year's winner.

Entertainment for the pageants will include dance routines by Bonnie Adkins, Eugene Lane, Mari Lu McCauley, Jill Ann Adkins, Kim Kemp and Teresa McAdams. Miss Pippin, Pat Harris and Beth Lowery will sing, accompanied by Ellen Walling.

Judges for both pageants will be from out of town.

Practice for the Little Miss Hey Day Pageant will be held Wednesday, June 28, 10:00 a. m., at the Texas Theatre and Miss Hey Day rehearsal will be that evening at 8:30.

Tickets will be \$1.25 and 50 cents and everyone is invited to attend both pageants which should prove to be very enjoyable.

Lake Bids Opened In Munday

More than 200 persons attended the opening of bids on the Miller Creek Lake contracts last Thursday, June 15 in the cafeteria of Munday High School.

After a short welcome by Mayor J. E. Reeves of Munday, Jim Nichols of the engineering firm of Freese, Nichols and Endress of Fort Worth introduced his staff, dignitaries from HUD, Mayors from towns to be served by the lake and several others.

Attending from the engineering firm of Freese, Nichols and Endress, James C. Sells, Robert E. Boykin, R. A. Thompson III and Gary N. Reeves.

Representing the Texas Water Development Board were: W. E. (Buck) Tindsley, Chairman; Marvin Shurbet, Vice Chairman; Ralph Petty, Engineer; Danny Burger, Development fund manager; John Bowen and James M. Perdue.

Mayors, J. Belton Duncan, Haskell; J. E. Reeves, Munday; Buddy Angle, Knox City; and Walter Coffman, Goree, all were present.

Frank McMahon, NCTMWA Fiscal Agent; O. F. Dent, vice chairman, Texas Water Rights Commission; Peter M. Tart, bond attorney; Jim Alexander, program representative for the Department of Housing and Urban Development, and A. F. O'Brien, general manager of the White River Water District, were also present.

Haskell Directors, R. C. Couch Jr. and Tom Watson were also present for the bid openings.

As the first bid was

HASKELL MAYOR, Belton Duncan, and three members of the Board of Directors, including R. C. Couch Jr. of Haskell, are shown taking notes during the opening of bids. Some 200 people

opened the audience grew quiet in anticipation of the long-awaited moment which for so many years had only been a dream. The Board of Directors of the North Central Texas Municipal Water Authority became tense with the realization that many hours of hard work and dreams had suddenly become a reality.

J. H. Strain & Sons was low

bidder on Contract No. 1, the Lake Dam of the six contracts with a bid of \$1,204,960.00. Low bid on contract No. 2 was made by A. J. Jones with a bid of \$488,600.00. Contract No. 2 includes construction of water treatment plant. Contract No. 3, construction of water supply lines, is broken down into four sections which were bid on individually making it imprac-

tical to quote a low bid. Contract No. 4, construction of the pump station, had a low bid of \$267,620.00 made by Elm Fork Construction Co. Low bid of \$74,104.00 on the vertical turbine pumping units, contract No. 5, was made by Alis Chamer Corp. Contract No. 6, furnishing and erection of steel ground storage tanks, was broken down into four structures and some bidders only bid on part of the contract making one low bid impractical.

The next step toward completion of the lake will be for the water board and engineers to meet and review all bids and study specifications from the contractors before any bids can be accepted. Soon after contracts are made the final step of construction on the lake and its facilities should begin.

Gun Club Slates June 25th Shoot

"Haskell Gun Club officials have slated June 25 at 11:00 a. m. as the date for this month's shoot," announced Wallace Wooten, club president. Prizes for the shoot will be re-loading supplies and a new feature has been added for any new shooter.

New shooters including ladies and juniors may shoot for half price provided the shooter joins ATA at this shoot, and juniors are 18 years old and are accompanied by parents or legal guardian.

Three classes of competition, A, B and C, are planned in addition to ladies and juniors. All new shooters, temporary card holders, and anyone not having an assigned yardage will be required to shoot in not less than Class B and not closer than 22 yards.

Classes for singles are: A—95% and over, B—91% thru 94% and C—under 91%. Doubles classes are: A—90% and over, B—80% thru 89%, and C—under 80%.

Events scheduled are: 100—16 yard targets with a prize of 50 lbs. of shot to each class winner, 100—Handicap targets with a prize of 100 lbs. of shot to winner, and 50 lbs. of shot to the runner-up and 50 pair of Doubles in three classes with 1,000 Ljutic wads to each class winner. High Over-All will receive 1,000 Remington primers for the best 300 targets.

The Handicap Committee reserves the right to re-classify

or re-handicap any shooter at anytime during this shoot.

Haskell shooters Wallace Wooten, Charles Thornhill and Steve Ellis competed in the State Trap Shoot held last weekend in Fort Worth. Wooten placed high in the handicap event shooting from the 27 yard line. Final tabulations have not yet been received denoting official place.

Any interested person is asked to contact Wallace Wooten for additional information and details for the shoot.

Jaycees Plan Donkey Game

Haskell Jaycees have scheduled a donkey baseball game July 28 at 8:00 p. m. The game which slates the Jaycees against the Haskell All-Stars will be held in the rodeo arena.

Individuals have voiced the opinion that the game will be a repeat of the game held last year with the final winners being the donkeys. The donkeys will again be furnished by Ralph E. Godfrey of Crescent, Okla. Godfrey has the oldest donkey ball game company in the world.

Trained donkeys make a difficult task even worse by always doing the wrong thing at just the right moment. This fact coupled with the inexperienced participants makes the hilarious event even more enjoyable.

Make plans now to attend. Admission is \$1.25 for adults and 75 cents for children.

LIGHTING DEMONSTRATION

Marvin Smith of Dallas with the Wide Late Corp., will have a lighting display at the Haskell Court House June 26. Sponsored by West Texas Utilities, Smith will light one side of the Court House in an effort to show Haskell residents how much prettier this would make our town. The lighting demonstration will take place just after dark and the public is invited.

HASKELL LODGE 241

The regular monthly meeting of Haskell Lodge 241 will be held at Irby Hall Sunday, June 25 at 3:00 p. m. All members are asked to make an effort to attend.

Joins Staff Of Wichita TV Sta.

MRS. JILL DRUESDOW

Mrs. Jill Druesdow, daughter of Mr. and Mrs. Joe B. Harrison, Wichita Falls, immediately upon May graduation from Midwestern University in Wichita, accepted a position on the news staff of KFDX-TV in Wichita.

Her husband, Gary Druesdow, a former Haskell resident, is serving in the Air Force stationed as a dental technician at the base hospital at Sheppard AFB.

Her degree is a bachelor of science in the field of secondary education with English at the first teaching field and journalism as her second.

This past year she served as news editor and feature editor of the campus newspaper, the Wichitan.

Her entry in the specialized column in Division I took first place in a state-wide competition sponsored by the Texas Intercollegiate Press Association which met in Edinburg this spring.

She also received first place in feature story and the Specialized Journalism Award at Honors Day, an annual spring event at Midwestern. Cash awards for this event are provided annually by a Wichita Falls businessman.

Mrs. Druesdow is also listed in the 1972 edition of Outstanding Young Women of America. As a member of the Gamma Phi Beta sorority she served as rush chairman, Panhellenic Council representative, and alumnae pledge adviser.

Officers Installed At Ladies Night

Banquet tables strewn with long-stemmed multi-colored carnations and fern greeted Lions and their ladies at City Cafe Tuesday evening. Annual Ladies Night activities included a steak dinner with all the trimmings, and installation of new officers.

Miss Ellen Walling, Haskell Lions' lovely sweetheart, played beautiful dinner music while those attending enjoyed the meal. Fifty-five persons attended.

Installing officer Bill Longley of the Stamford Club, challenged Haskell lawyer Joe Williams as new president, along with Gene Long, first vice-president; H. O. Abbott, 2nd vice-president; Doyle High, 3rd vice-pres.; O. W. Tooley, secretary; Wm D. Reed, Lion Tamer; Darold Roberson, Tail Twister; Wallace Cox Jr.; singing leader; and Miss Ellen Walling, pianist-sweetheart. Directors were Bill Comedy and J. C. Yeary for one year terms, and Jimmy Owens and Aubrey Headstream for 2 year terms.

Outgoing president Bud Pogue emceed the affair and welcomed guests from Knox City, Weinert and Stamford. Special guests were Mr. and Mrs. Zeb

Smith of Knox City. He is zone chairman for this area.

Wallace Cox Jr. led in the singing of "America"; Gene Long led the pledge of allegiance; and invocation was given by David Brockus, pastor of First Christian Church.

Mr. A. C. Pierson introduced special guest, talented Miss Alexia Mayfield of Weinert, one of H-SU's "Singer's Ho" group, who recently toured Europe. She very ably entertained with songs such as "Saturday Morning", "On A Clear Day", and "Battle Hymn of the Republic."

Lions Doyle High and George Fouts received special recognition pins for their sponsoring of members. Outgoing president Bud Pogue was presented the past president's pin, and overall the crowd enjoyed a very entertaining evening.

Upon dismissal of the group, benediction was given by Rev. H. O. Abbott, pastor of First United Methodist Church. Pogue then presented the fresh carnations used along banquet tables for decoration, to the Lions' feminine guests.

Haskell Indians Still Undefeated

The Haskell Indians, coached by Sgt. Frank Jircik, defeated Rotan Tuesday night 9-5. This win gives the Indians an undefeated record through the first half of play in the Cotton Belt Senior League.

The Indians, who have never won a State title, have won District for the last 12 years and have won Regional 11 times during the last 12 years.

The winner of this district drew a bye for Regional and will go directly to the State play-offs which will be held in Sweetwater this year. State play-offs will begin the first week in August.

Six games remain to complete the season including: June 23, Aspermont at Haskell; June 27, Haskell at Hamlin; June 30, Rotan at Haskell; July 7, Hamlin at Haskell; July 11, Haskell at Rotan; July 14, Haskell at Aspermont.

All games being at 8 p. m.

Area Red Cross Members Meet

The Haskell Chapter of the American Red Cross met at the Haskell National Bank Tuesday evening. Rev. Troy Culpepper presided. Haskell Hospital Manager, Alfred Turnbow explained that a County Red Cross Chapter had been established because of the help that could be obtained and also given in the blood bank program.

The Red Cross Blood Bank is a better source of all types of blood, and much less expensive than our own hospital trying to have its own blood bank. Not long ago a patient in the Haskell Hospital was able to receive a rare type of blood from the Red Cross that could not be found anywhere else in time to help him.

The chapter funds amounted to \$140.00. The National Red Cross fund has been so depleted by its service during the recent New Braunfels flood, and other floods, that it had to ask county chapters for help. Haskell's share was \$113.00, to be sent to the South Dakota flood victims. The chapter decided to send this amount and have a drive as soon as possible for funds to be used for local needs. Several board members made contributions at the meeting.

Members present were: Mrs. Frank Campbell, Mrs. R. H. Coker, A. D. May, of Rule; Mrs. Coy Hicks, of Rochester; Mrs. Gene Overton, of Paint Creek; Mrs. Jack McAdoo, Mr. R. H. Beauchamp, Bud Herren, Alfred Turnbow and Elbert Johnson of Haskell.

BREAKFAST TREATS FOR LOW-SATURATED-FAT DIETS

Many doctors are increasingly recommending that the daily diets of every member of the family, including the children, be modified to include fewer foods containing saturated fats and cholesterol and more of those rich in polyunsaturates. This means only a slight change in eating habits. But it doesn't mean that low-saturated-fat foods can't be just as flavorful as those high in saturated fats.

In planning low-saturated-fat menus, we should eat less of such foods as butter and whole milk products and fatty meats and more fish, poultry, fruits and vegetables.

An important source of polyunsaturates in the daily diet is a special margarine such as Fleischmann's Margarine which contains almost a cup of liquid corn oil per pound, used in place of butter for cooking and as a table spread.

Planning low-saturated-fat breakfast menus can be quite a challenge for the concerned homemaker. Here are four suggestions: Lean and Light Pancakes, Cinnamon Nut Toast, No-Egg Muffins and No-Egg Jelly Muffins. All are prepared with Fleischmann's Margarine.

Enjoy the benefits of a low-saturated-fat diet without sacrificing your enjoyment of good food with these breakfast treats: No-Egg Jelly Muffins, Lean and Light Pancakes, Cinnamon Nut Toast.

LEAN AND LIGHT PANCAKES
 1 egg
 1-1/2 cups skim milk or reconstituted instant non-fat dry milk
 2 tablespoons Fleischmann's Margarine, melted
 1-1/2 cups un sifted flour
 3 tablespoons sugar
 1-1/2 teaspoons baking powder
 1/2 teaspoon salt
 1/2 teaspoon baking soda
 Mix together egg, milk, and melted Fleischmann's Margarine. Combine flour, sugar, baking powder, salt and baking soda.
 Add liquid mixture to dry

CINNAMON NUT TOAST
 2 tablespoons sugar
 1 tablespoon chopped Planters or Southern Belle Pecans
 1/2 teaspoon ground cinnamon
 2 tablespoons Fleischmann's Margarine
 4 slices white bread, toasted
 Combine sugar, pecans and cinnamon. Spread 1-1/2 teaspoons Fleischmann's Margarine on each slice of toast. Sprinkle about 1-1/2 teaspoons sugar mixture on each. Broil until bubbly. Cut in triangles. Serve warm. Makes 4 slices. 150 cal./slice.

NO-EGG MUFFINS
 1-1/2 cups unsifted flour
 3 tablespoons sugar
 1/2 teaspoon baking soda
 1/2 teaspoon salt
 1 cup buttermilk
 3 tablespoons Fleischmann's Margarine, melted
 In a bowl thoroughly mix flour, sugar, baking soda and salt. Add buttermilk and melted Fleischmann's Margarine and stir just until dry ingredients are moistened. Fill greased medium-sized muffin cups about 2/3 full. Bake in hot oven (400° F.) for 25 minutes, or until done. Immediately remove from muffin cups; serve hot. Makes 1 dozen. 95 cal./muffin.

JELLY MUFFINS
 Fill greased medium-sized muffin cups about 1/3 full. Place 1 teaspoon jelly in the center of each, then fill cups about 2/3 full with remaining batter. Bake as directed above. Makes 1 dozen. 140 cal./muffin.

Nursing Home Has Open House

The Rice Springs Care Home of Haskell, held Open House on Sunday, June 18, and there were over 200 guests registered at this gala event.

Nursing homes are not only a vital part of the health care team in Texas, but are a part of the community. Community concern is vital to the profession because nursing homes care for the mothers and fathers who built the community in which we live. It is everyone's responsibility to add joy to the lives of those who have made life better for us.

Ruth Ann Klose, Administrator of the Rice Springs Care Home, said the community visits to patients in the home are appreciated very much. "It is important for our residents to know that members of the community are interested in their welfare and we want the community to know what the modern nursing home of today has to offer."

Rice Springs Care Home has in its employ, 42 female and three male personnel. Each and every one's aim is to serve the residents to the best of their ability and encourage the community to add to this service with their friendly visits.

Junior 4-H Girls Begin Project

The Jr. 4-H, 11-year-old group started their sewing project Monday, June 19. The group will meet each afternoon at the Home Economics Cottage from 1:30 to 3:30 all week. Members of the group will bring refreshments.

The project will conclude with a dress review July 14, at Haskell Elementary School at 2:30.

Lead by Mrs. Ted Elliott, Home Demonstration Agent, the group includes: Kim Campbell, President; Patricia Arredondo, Vice-President; Kay Campbell, Secretary; Rebecca Green, Reporter; Kerry Kemp; Carla Shelton and Tammera Sorrells.

Mrs. Sallis

Mrs. Mildred Juanita Sallis, 48, of Morenci, Ariz., formerly of Haskell, died June 10 in Morenci of an apparent heart attack.

Funeral was Wednesday in Lewallen Mortuary Chapel in Morenci with the Rev. Ernest Davis, Stargo Missionary Baptist Church pastor, officiating. Burial was in Graham Cemetery in Safford, Ariz.

She was born January 8, 1914, at McLean.

Mrs. Sallis grew up in Haskell County and later moved to Arizona. Survivors are her mother, Mrs. Lillian Spinks of Apache Junction, Ariz.; three sisters, Mrs. Myrtis Walker of Phoenix, Ariz., Mrs. Wanda Sanders of Duncan, Ariz., and Mrs. Dana Cook of Mesa, Ariz.; three brothers, Bill Spinks of Tucson, Ariz., Clifford Spinks of Winslow, Ariz., and Sgt. Jerry Spinks of the U. S. Army in El Paso; one daughter, Mrs. Roberts of Abilene; one son, Mr. Bridges of Abilene; 2 grandchildren. A daughter, Janet Carol Bridges, preceded her in death April 16, 1952 at the age of 4.

Pallbearers were Garland Cole, Boe Hendrix, Travis Derrick, Bill Pounds, John Hampton, Wesley Brooks, and honorary pallbearer Cliff Roberts.

W. M. (Bill) Walker

Funeral services for W. M. (Bill) Walker, who died Wednesday, June 14, after a 4 day stay in Haskell Memorial Hospital, were held Friday, June 16 at the Church of Christ in Weinert, with Cecil Cox, minister officiating. Interment was in Johnson Memorial Cemetery, Munday.

Born February 17, 1887 in Stevenson, Alabama, Walker came to Haskell County in 1908 with his family and settled in the Weinert community where they were engaged in farming.

Walker is survived by five brothers, John and Joe, both of Munday; Grover of Weinert; Dave of Carlsbad N.M.; and Tom of Ft. Worth. One sister, Mrs. Ada Kreger, preceded him in death on Nov. 30, 1964.

Pallbearers were M. R. Boy-

Paint Creek Community News

Mrs. Gene Overton

This first news is just for every Boy Scout who belonged to Troop 48 from 1955 until now. Old Tramp died early Sunday morning. He was getting so old, and his sight and hearing were so poor that we had supposed he would just die of old age. But, no, he had to have one bodacious fight with two other dogs to end his eventful days. One dog was a big black Chow twice his size. We had nursed him over other fights, but he was too old to get over this one. Wallar and Gene buried him up on the hill in the pasture about 6 feet from the Mighty Mites' Patrol hut. Around his neck he wore a brand new maroon and white Troop 48 neckerchief, and on his granite grave marker is "Tramp, A Good Scout, 6-18-72."

Tramp went to Camp Tonkawa with Troop 48 for 12 summers. After the camp awards were presented in 1962, some special friends of Tramp gathered in the dining area and he was made a First Class Scout (one merit badge counselor said he had heard Tramp bark in Morse Code). He was also awarded the Dog Care and the Hiking merit badges. These he had honestly earned. He lived up to a good many of the 12 laws of Scouting. Maybe he wasn't so clean, or reverent, but he was trustworthy, loyal, friendly, obedient, kind and brave. He stood at attention during the pledge to the flag.

and he slept close to scared little scouts on their first camp outs. Sometimes he let a tired swimmer hold on to him as he swam to shore. Often he allowed himself to be bandaged all over during First Aid Classes. He must have hiked more than 100 miles with scouts who were earning their 2nd class hike, or the hiking merit badge, or working on compass problems.

Good Old Tramp

Mr. and Mrs. Gene Fischer and daughters, and Mrs. Fischer's mother, Mrs. Bertha Humphrey, have been on a vacation trip to Colorado and Yellowstone Park, Wyoming.

Mr. and Mrs. Allen Isbell and children had as guests on Sunday Mrs. Isbell's mother, Mrs. Bill Mickler of Stamford, her aunt and cousin, Mrs. Martha Ezell and Mrs. Clinton Carroll of Crane, an aunt, Mrs. T. N. Gillespie of Stamford and a long time friend, Mrs. Bess Bohannon of Austin.

Quala Buerger, Anilyn Pritchard and Melyn Mickler attended cheerleaders' school at Cisco Junior College last week.

Debbie Wells, daughter of Mr. and Mrs. Wayne Wells was a clown in the Ringling Brothers Barnum & Bailey circus in Abilene Tuesday afternoon. Her mother made her clown suit, but she was taken back to Clown Alley and made up by the circus people. This was a part of her reward for winning the "Color the Clown" contest. Her sister, Linda, won a free ticket to the circus in the coloring contest in another age bracket.

the Paint Creek Baptist Church and meet this fine couple the first chance you have.

Mr. Bruce McCain reports that the Democratic State Convention meeting in San Antonio last week was much more harmonious than publicity would lead us to believe. He was most impressed with our Democratic nominee for Governor, Dolph Briscoe. He said Gov. Wallace was the favorite presidential candidate from the very first.

The treatment waiting room at Hendrick's Memorial Hospital lately has looked like a Paint Creek community reunion. Out-patients going regularly for treatment have been Mrs. Raymond Bounds, Mrs. Ralph Weaver, Durward Mickler (now of Snyder), Mrs. Billy Jones of Stamford, and Mrs. Cliff Dunning of Weinert. Some of these are through with treatments now.

Mrs. Gene Overton visited George Dickey at the West Texas Medical Center last Saturday.

Mr. and Mrs. Charles McBeath of Amarillo, who recently visited with her sister's family, Mr. and Mrs. Gene Overton, left for Europe Wednesday where they will attend the World Food Congress in Vienna, Austria. Mr. McBeath is manager of a food store in Amarillo.

VA Questions And Answers

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q—My husband, a veteran, is in a nursing home for a condition not related to military service. Will VA pay for his nursing home care?

A—No. VA is permitted to provide nursing home care only for a limited time for such veterans who have received maximum benefits from VA hospitalization. There is no time limit for veterans who were hospitalized primarily for service-connected conditions.

Q—What can I do about my compensation check since I plan to travel this summer and will not have a forwarding address?

A—VA will send your check to your bank for deposit if you submit a VA change of address form or a letter over your signature. You should also obtain two power of attorney forms from VA. One should be given to your bank as evidence of its right to receive and deposit the checks to your account, and the other should be retained by you.

Kirkpatrick was accented by motifs of lace. The peau de Ange lace was applied with pearls. A mantilla of illusion edged with matching lace fell to chapel length. She carried a cascade of phalaenopsis orchids and stephanotis on a white Bible, a gift from the groom.

Her matron of honor was Mrs. Larry D. Smith, her sister, of Friendswood. Maid of honor was Miss Paula Christian of Houston, and bridesmaids were Miss Kathy Perrin, sister of the groom, of Haskell, Mrs. Joseph Boessen, cousin of the bride, of Temple, and Miss Margi Layden of Dallas.

They wore gowns of sheer red and white dotted swiss fashion-designed to match the bride's gown, and complimented their dresses with white lace picture hats trimmed with red velvet ribbon. They carried nosegays of red carnations and baby's breath.

Best man was Dudley Perrin, brother of the groom, of Haskell. Groomsmen were Paul Reed of Houston, Paul Rumpy of Lubbock, James Brown of Plainview, and Glen Fisher of Lubbock. Ushers were Rex Marion of Bedford, Randy Powell and Jimmy Powell, both of Chattanooga, Tenn.

Candlelighters were Bobby Powell of Chattanooga, Tenn., and Don Pickering of Lubbock. Reception was held in the Houston Racquet Club, hosted by the bride's parents. The rehearsal dinner, held June 20,

MRS. RONALD WAYNE PERRIN
... formerly Nancy Lynn Kirkpatrick

was also in Houston Racquet Club, hosted by the groom's parents. The bride graduated from Westbury High School in Houston and is a graduate of Texas Tech University in Lubbock. The groom is a graduate of Haskell High School, and he attended Texas Tech University.

After a wedding trip to New Orleans, La., and the Southern states, the couple will be at home at 4903-A 5th Street, Lubbock.

CAP NEWS

The CAP summer program is well under way with several activities scheduled and some already in operation. Ten families are participating in the rabbit program and now have about 300 rabbits. The summer lunch program is averaging about 25 persons a day for lunch and 40 for activities. 12 dozen jars of vegetables have been canned at the Center and 2 dozen have been placed in the Center pantry. With gardens still producing more canning is planned. Quilts and other hand works are being made at the Center. A trip to Six Flags has been planned for the first week in August and all interested persons are asked to come by CAP office and register. Children under 12 must be accompanied by a parent or guardian. CAP officials must be notified by June 30 of all persons who plan to make the trip. In order to make the trip, persons must go to the CAP office and sign up and if possible, a deposit is requested.

SCOUT NEWS

Camp Boothe Oaks
Nine Junior Girl Scouts are attending Camp Boothe Oaks near Sweetwater this week. The camp, owned and operated by the West Texas Girl Scout Council, is located in a grove of oak trees that provides a beautiful outdoor setting. The program includes camp craft skills, ecology, crafts, swimming, hiking, outdoor cooking, archery, Indian lore, dramatics, singing, and campfire programs. In attendance are Lynn Weatherly, Janet Phillips, Debra Morris, Jackie Mayfield, Carol Dean, Sarah Cox, Connie Jameson, Kelly Croft and Rena McBroome who is staying for two weeks.

Vickie Daniels and Kim Hale will attend the June 25-July 1 session.

New Service Unit Chairman

Mrs. Kenneth Lane, who will have three daughters in Girl Scouts this fall, is now Service Unit Chairman replacing Mrs. Wallace Cox Jr., who has served for two years in this capacity. Mrs. Lane will be working with three Junior Troops, two Brownie Troops, ten adult leaders and Miss Sheila Moss, Field Director from the council office in Abilene.

"Galloping Gallery"

Haskell Junior Scouts will be attending an arts workshop July 17-18, 9:00-4:00 in Rose Park, Abilene. Girls will participate in music, dramatics, art and dance activities. Instructors will be college students who are majoring in these fields. All girls will receive the "Galloping Gallery" jacket

Parents Help To Mold Children's Personality By Attitudes and Ideas

COLLEGE STATION — "Attitudes of the family, particularly by the parents, begin molding a child's personality almost immediately after birth," said Dorothy Taylor, Texas Agricultural Extension specialist in family life education.

"People are often influenced by the atmosphere surrounding them in the first weeks and months of life," Miss Taylor explained. "Personality problems can hatch during these crucial earliest stages."

According to the Texas A&M University specialist, understanding and influencing the development of man's personality problems begins with a close look at his parents.

"Happiness, a universal goal, depends on the parents' own state of mind," Miss Taylor said. "Emotional difficulties between father and mother will destroy the climate of security and love, which children need to develop normally. But if parents are happy, they will bring up happy children."

The family life education specialist pointed out that deeply felt happiness is mental health. "Men and women who have a sense of well-being, a zest for working and playing and an ability to derive the utmost satisfaction from personal relationships are mentally healthy. And chances are their children will also be mentally healthy."

She said that the first step in dealing with early stages of

personality problems in families is to help parents become happier. The modern American community offers many resources through which family ties can be strengthened and the home atmosphere can be improved.

Twins, Sister All Recent Graduates

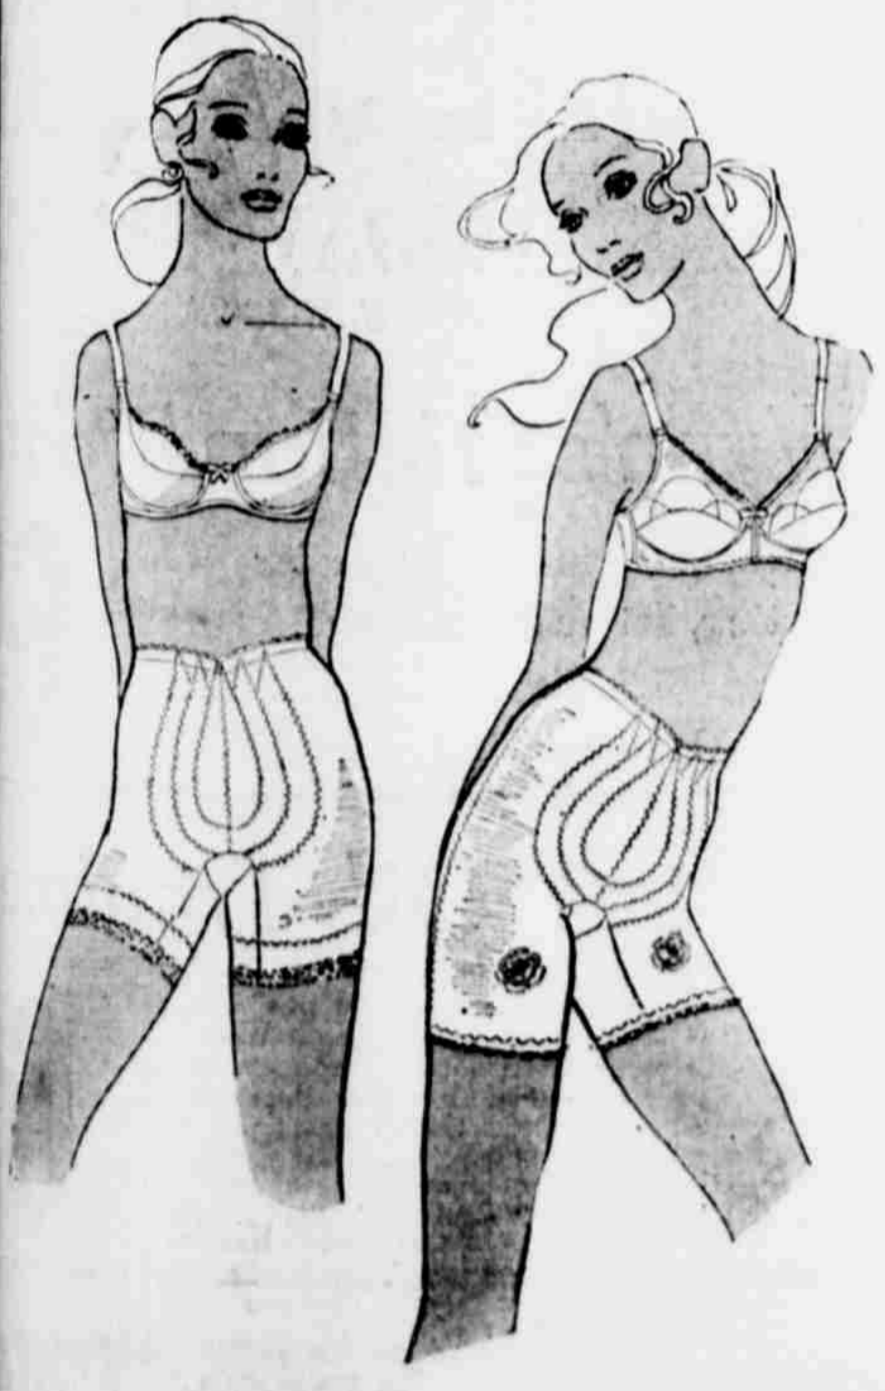

Myers, Christopher and Lisa Gerlane Raymer, children of Mr. and Mrs. G. M. Raymer and grandchildren of Mrs. F. L. Peavy of Haskell, recently graduated from Kerrville High School and are making plans to attend college this fall. Myers plans to attend Angelo State, and Lisa plans to attend Sam Houston State and major in art.

Myers and Christopher, identical twins, and Lisa, younger sister by some 14 months, all graduated at the same time making the events triple happy for both parents and grandparents.

Rotarians Hear Dr. Gaines Post

The Haskell Rotary Club held its regular weekly meeting at the City Cafe at noon, Thursday, June 15th, with vice president Bob Philpot, presiding for the luncheon meet.

The Invocation was given by Rev. H. O. Abott and the singing session led by Bob Herren with Gail Barnett providing accompaniment on the piano. Desmond Dulaney introduced Lary Porterfield, guest of his grandfather Rotarian Stanley Furr as the only out of town visitor.

Haskell Stone, program chairman, introduced Dr. Gaines Post of Haskell, retired University history professor, as his program for the day. Dr. Post selected as his topic for discussion, "Personal reflections on the meaning of history". He then proceeded to present a highly entertaining and most interesting talk on the subject which included the meaning of the origin of many words used by man in talking. "History in itself is nothing, because it never did and never will do anything", he said. "History is really the investigation and research of the growth of human civilization", he continued. He also took issue with many writers who use the expression,

"history repeats itself". "The saying is strictly wrong because history never did repeat itself in the same form and fashion in which it occurred". "Actually the saying would really be a negative approach to the teachings of the Bible", he stated. In a short business session Vice president Philpot read a letter of appreciation written by Danny Smith who was sponsored at the American Legions' Boys State, by the rotary club. He thanked members for making it possible for him to attend the highly educational meeting in the State Capitol. Today's program, June 22nd, will be presented by Rotary Club President, C. A. Thomas Jr., who will bring club mem-

FHA Expands Loan Eligibility

Many additional families in Texas are now eligible for rural housing loans from the Farmers Home Administration, FHA State Director J. Lynn Futch announced today. "In families where both husband and wife are employed," Futch explained, "the new policy permits half of the wife's gross income to be excluded in determining whether the total family income is within the maximum limit for loan eligibility." For example the husband is principal source of income with \$6,000. His wife earns \$4,000. His entire income, plus half of his wife's, or \$2,000, total \$8,000. This is within Texas' moderate income level of \$8,000 so the family may be eligible for a Farmers Home Administration loan. James V. Smith, National Administrator of Farmers Home Administration emphasized that newly-eligible families must demonstrate that they otherwise merit FHA financing, and that credit is not available from regular commercial sources. "The new policy will assist families in which the wife's income is needed to improve the standard of living. Note that if the wife is the principal breadwinner, the rule does not apply. This change will in no way affect our expanding service to low-income families," Mr. Smith said. Loans may be made to families that will buy or build homes in open country or towns of up to 10,000 population, and who are not able to secure credit from regular commercial sources. Complete information is available from the agency's 143 county offices located in county seat towns throughout Texas.

Tax Questions ... And Answers

(This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is a public service to taxpayers. The column answers questions most frequently asked by taxpayers.)

Q Were the filing requirements for 1972 estimated tax returns changed by the Revenue Act of 1971?

A Yes. Under this law, you must file a declaration of estimated income tax, Form 1040-ES, for 1972 if your estimated tax is \$100 or more and one of the following situations applies:

Your estimated gross income for 1972 includes more than \$500 in income not subject to withholding; or

You are single, head of household, surviving spouse or married filing jointly but with only one spouse receiving wages and your estimated gross income exceeds \$20,000; or

You are married filing jointly with both receiving wages and your estimated gross income exceeds \$10,000.

Q Can I have tax withheld on my pension?

A Yes. You may elect to have income tax withheld from the taxable portion of pensions and annuities paid over a period of more than one year by filling out a Form W-4P and submitting it to the payer. The amount to be withheld must be at least \$5 per month and the net annuity payment received may not be less than \$10. Forms W-4P are available at IRS offices.

Q What are the rules for deducting amounts I spent to fix up my old house before I sold it to buy a new one?

A Fixing-up expenses may not be deducted from income on an individual income tax return, nor are they deductible in determining the actual profit on the sale of the old residence. However, they are considered in determining the amount of gain on which tax is

postponed under certain conditions on the sale or exchange of a residence. Just deduct fixing-up expenses from the amount realized on the sale and compare this figure with the cost of the new residence to find the amount of gain on which tax is postponed.

Fixing-up expenses must also meet the following tests. They must:

1) be for work performed during the 90-day period ending on the day the contract to sell was made (the contract to sell must have resulted in a completed sale);

2) be paid within 30 days after the date of the sale;

3) be otherwise nondeductible in computing taxable income; and

4) not be capital expenditures or improvements.

For more on fixing-up expenses, see IRS Publication 523, Tax Information on Selling Your Home. It's available free by dropping a postcard to your local IRS office.

Q I recently started working as a waiter. When do I have to report tips to my employer for withholding purposes?

A You must give your employer a written report on or before the 10th day after the end of each month in which you received cash tips of \$20 or more while working for him. You may use Form 4070, Employees' Tip Income Report, for this purpose. It's available at IRS offices.

Q Do you have a booklet that tells taxpayers what their rights are if they are audited?

A Yes, write your Internal Revenue district office for a free copy of IRS Publication 55, Audit of Returns, Appeal Rights and Claims for Refund.

COG Receives Criminal Grant

West Central Texas Council of Governments, Abilene, was one of 26 regional and metropolitan area planning councils awarded criminal justice planning grants for fiscal 1973 today by Gov. Preston Smith. Amount was \$27,300.

The awards, totaling \$793,713, will come from the Criminal Justice Council, which oversees statewide law enforcement planning and administers funds from the U. S. Department of Justice for crime control projects in Texas.

The West Central Texas grant will be used in implementing action projects outlined in previous plans and in updating the comprehensive five-year criminal justice plan for the 19 counties of the West Central Texas State Planning Region.

Emphasis in the region presently is being given to law enforcement officer training and education, updating and coordinating regional planning; communications; and planning in the fields of juvenile delinquency, probation services, regional corrections and justice of the peace and corporation court judges' training.

West Central Texas COG furnishes professional criminal justice planning services to

each local governmental unit in the region's 19 counties and serves as a regional clearing-house for projects.

These counties are Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Jones, Kent, Haskell, Knox, Mitchell, Nolan, Runnels, Scurry, Shackelford, Stephens, Stonewall, Taylor and Throckmorton.

The region's cash contribution to the criminal justice planning effort for the coming year will be \$3,033.

JODY ELAINE NELSON

Jody Elaine Nelson was graduated from Western Hi School, Las Vegas, Nev. Graduating exercises were held Tuesday evening, June 6th.

Jody is the granddaughter of Mr. and Mrs. Alvin C. Hill of Haskell. Her parents are Mr. and Mrs. Eugene E. Nelson of Las Vegas. Mrs. Nelson is the former Billie Jo Hall.

Attending the exercises were Jody's aunt and uncle, Mr. and Mrs. L. A. Dewolf and family of Denver, Colo.

LUBBOCK, Texas (Spl.) — A total of 359 students in the College of Agricultural Sciences at Texas Tech University qualified for the dean's honor list for the 1972 spring semester, according to Dean Anson R. Bertrand.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 grading system.

The College of Agricultural Sciences is one of six colleges and two schools at Texas Tech University, with a total spring enrollment of more than 19,500 students.

Students recognized for their high academic achievement in the College of Agricultural Sciences include David N. Fischer and Jack B. Melton, both of Haskell, and Robert Whitaker of Sagerton.

JENNYE RUTH LISIE

Jennye Ruth Lisie, daughter of Mr. and Mrs. James A. Lisie Jr., of Rule, received her Bachelor of Science Degree in Business and Economics at Texas Woman's University at Denton. Miss Lisie is employed by an architectural firm in Dallas.

Brenda Griffith, daughter of Mr. and Mrs. W. B. Griffith, of Paint Creek, recently graduated from Hardin-Simmons University with a degree in elementary education. She was also on the Dean's List for the Spring semester. To be placed on the Dean's List, a student must have a grade of "A" on all courses taken that semester.

Stevan Livengood, son of Mr. and Mrs. Homer Livengood of Paint Creek, was on the Dean's List at Hardin-Simmons University. Stevan is a ministerial student.

Two Haskell students qualified for the College of Education Dean's Honor List for the spring semester at Texas Tech. To qualify for the honor list, a student must be enrolled in 12 semester hours or more and have at least a 3.0 grade point average. Listed from Haskell were: Jeannette N. Glass and Vicki D. Thomas.

Mrs. Clint Kimbrough, senior student at Hardin-Simmons University, qualified for the Dean's List for the spring semester. J. F. Cadenhead and Mrs. Kenneth Jarred were both selected for the honor roll for the spring semester at HSU.

ABILENE—Enrollment for the first summer semester at McMurry College includes two students from Haskell.

A total of 641 students are enrolled for the one hundred courses offered by McMurry in the opening warm weather term, says Dr. Joe Humphrey, summer school director.

First term final examinations will be given July 7. Registration for the second McMurry summer semester will be July 6-7 and finals Aug. 11.

First session roll includes: Joyce Griffith of Route 2 and Faye Jarred of 1105 N. Ave. 6, Haskell.

LETTERS TO THE EDITOR

Mr. Editor,

The Editor

Haskell, Texas

Dear Sir,
There are so many worthwhile projects and charities today that it is impossible for families to contribute to all of them. This letter is my special plea for your readers to learn about and contribute to the heart monitor fund at the Haskell Hospital.

Like most of your readers, I have been aware of this effort and have said to myself, "next time I'll try to get around to that." I wasn't even really sure what it was.

Today my father was hospitalized in Stamford with a serious heart condition and was placed in a monitored room. Believe me, we learned in five minutes that that little gadget can't be valued in dollars and cents.

If people will take just a few minutes to find out exactly what it is they would realize, as I do now, that we must have a monitor at our hospital and would gladly help pay the cost. I'm sorry I had to find out the hard way.

Please help.
Yours truly
Mrs. Bob Watson

Five Week Summer Camp At GS Camp Booth Oaks

Camp Booth Oaks, Girl Scout Camp near Sweetwater, has scheduled five weeks of summer camping activities for all girls who have completed the third grade.

Information and registration cards may be obtained at the West Texas Girl Scout Council Service Center, Box 5586, Abilene, Texas 79608.

Each session will have swimming, hiking, cookouts, dramatics, nature study, ceremonies, arts and crafts, singing and archery.

A special canoe venture is scheduled for older girls beginning June 11. This group will explore the river wilderness area of East Texas by canoe.

Regular sessions will begin June 18, and run through July 15. There are four one week sessions scheduled beginning June 18.

Session IA, June 18-June 21 will include a pioneer unit for older girls. Girls must be of Junior High age and have a special liking for rustic camping.

Session IIA, July 2-July 15, will be a two week session for girls 4th through 6th grades. Senior high school girls should enroll in the Counselor in Training program which is offered June 25 through July 2. Girls completing this course are eligible to work as counselors.

The swimming program is conducted by qualified American Red Cross Water Safety Instructors. All campers are taught swimming through Beginner Swimmers through Senior Life Saving.

Fees for the one week sessions are \$26.00 for West Texas Girl Scouts, \$28.00 for out of council Girl Scouts, and \$30.00 for non-Scouts.

Fees for the two week session are \$44.00 for West Texas Girl Scouts, \$46.00 for out of council Girl Scouts, and \$48.00 for non-Scouts.

Religious services will be arranged for two-week campers.

ATTEND CONVENTION
Three Haskell couples left Monday, June 19, to attend the 96th annual State Fireman and Firemarshal convention in Galveston slated June 20-22. Attending from Haskell were: Mr. and Mrs. Tom Watson, Mr. and Mrs. Jackie Daniels and Mr. and Mrs. Jack Speers.

of water per day, and our 1.75 inches of last week will only last us approximately five to six days with daytime temperatures reaching the mid nineties.

This puts irrigation farmers on the spot and causes many to take a hard look at ways to stretch irrigation water. Limited irrigation is a technique involving the use of smaller amounts of water. To be successful, limited irrigation must be timed to the most critical water use periods, making maximum use of rainfall. Limited irrigation does not produce yields as high as full irrigation. If there isn't enough water for full irrigation, water efficiency becomes more important due to the high cost of irrigation.

The USDA Southwestern Great Plains Research Center at Bushland, Texas has done extensive research on three different systems of limited irrigation for over a decade.

Grain sorghum producers can squeeze more mileage from irrigation water by: applying less water at each application; irrigating fewer times; cutting out pre-season irrigation unless absolutely necessary to get a stand; eliminating late season irrigation; and using narrow or double rows.

Proper use of only four inches of irrigation water during the growing season increased yields by 2,500 pounds an acre over dry land, at the Bushland Center. Two, well-timed two-inch applications produced yields close to the best timed single four-inch irrigation.

Brushland Center research indicates that producers can do two things to increase storage and make better use of rainfall. First, cut out late season irrigation which leaves the soil moist at harvest and unable to efficiently absorb and store fall and winter moisture. In other words, stop watering at the milk stage.

Second, eliminate pre-season irrigation. Increase yields from 150 pounds an acre to 400 pounds an acre as compared to no pre-plant application. The storage capacity of the soil was greatly lowered.

For further information on limited use of irrigation water, contact your local Soil Conservation Office. We will be glad to discuss this topic with you.

Texas Cotton Insect Situation

Situation At A Glance

A large scale emergence of first generation boll weevils was noted in the Lower Rio Grande Valley during this past week. Boll weevils were also noted as increasing in South Central and East and Central

Texas this week. Fleahoppers were noted as increasing in North Texas, while thrips remained the most serious problems in the Rolling and High Plains areas of Texas.

Cotton planting is 95% complete in the Rolling Plains area. Fields in the area are not up to a stand and cotton plants are in a 2 to 5 week stage. Some older cotton is in the 6 to 8 week stage. Moisture is in short supply in most counties.

Two Accidents On Haskell Roads

The Texas Highway Patrol investigated two accidents on rural highways in Haskell Co. during the month of May, according to Sergeant Frank Jirick, Highway Patrol supervisor of this area.

These crashes resulted in one person killed and five persons injured.

The rural traffic accident summary for this county during the first five months of 1972 shows a total of 20 accidents resulting in one person killed, and 27 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for May, 1972 shows a total of 517 accidents resulting in 25 persons killed and 329 persons injured as compared to May, 1971 with 543 accidents resulting in 23 persons killed and 354 persons injured.

The 25 traffic deaths for the month of May, 1972 occurred in the following counties: Wise, four; Knox and Parker, three each; Gray, two; Briscoe, Carson, Childress, Clay, Dickens, Garza, Hansford, Haskell, Lubbock, Lynn, Ochiltree, Palo Pinto, and Potter, one each.

4-H Recipes

A first year 4-H member is Kim Lane, daughter of Mr. and Mrs. Ken Lane, who prepared a recipe entitled Cheese Balls which can be served as an appetizer or as a snack. Kim says it's an easy recipe for beginning cooks.

CHEESE BALLS
8 oz. Kraft Old English Cheese
1 stick oleo softened
Mix first two ingredients together.
1 t. Worcestershire Sauce
1 c. flour
dash tabasco sauce
Add last three ingredients to cheese and oleo. Cool in refrigerator. Form balls and fold an olive inside each ball.
Bake 15 minutes at 350 degrees

Carol Dean's favorite recipe for the food show was Cherry Coconut Delight. Carol has been in 4-H for three years and she is the daughter of Mr. and Mrs. Jesse Dean of Haskell.

CHERRY COCONUT DELIGHT
7 3/4 oz. can flaked coconut
1 c. sifted all purpose flour
3/4 c. brown sugar
2 3/4 c. fine cracker crumbs
1/2 c. margarine or butter (melted)
1 21 oz. can cherry pie filling

Combine coconut, flour, brown sugar and cracker crumbs. Stir in butter or margarine. Mix well. Press half of mixture in bottom of 8x8x2 inch baking dish; spread with cherry pie filling. Top with remaining crumbs mixture; press gently. Bake in 350 degree oven for 30 minutes or till golden brown. Serve warm topped with whipping cream or ice cream. Makes 6 to 8 servings.

Bonnie Woods of Rule had a delicious recipe called "Citrus Fruit Salad". Bonnie recommends it be served with pork and says its especially good for a salad luncheon.

CITRUS FRUIT SALAD
Cook and stir until thick the following:
3/4 cup apricot juice
3/4 cup pineapple juice
1 box vanilla pudding mix-regular Cool and pour over the following fruits:
1 No. 2 can apricot halves
1 No. 2 can pineapple tidbits
1 No. 2 can peach slices (fresh if in season)
1 box fresh strawberries (halves)
1 No. 2 can green grapes (canned or fresh)
1 Banana (sliced)
Chill. Serve with ham or pork, or is especially good at salad luncheons.

A favorite recipe at the Walter Burger home is Rebecca's recipe for Gingerbread. Rebecca is a member of the Paint Creek 4-H Club and she has served as president of her Foods Project Group.

GINGERBREAD
1 1/2 cups sifted Swans Down Cake Flour
3/4 tsp. Calumet Baking Powder
3/4 tsp. soda
1/2 tsp. salt
1/2 tsp. cinnamon
3/4 tsp. cloves
1/4 tsp. ginger
1/2 cup water
4 tsp. shortening
4 tsp. sugar
1 egg, unbeaten
*To use all-purpose flour, decrease flour to 1 1/4 cups.
Sift flour once, measure, add baking powder, soda, salt, and spices, and sift again. Combine shortening, add sugar gradually, and cream together thoroughly. Add egg and beat well. Add dry ingredients, alternately with liquid, a small amount at a time, beating after each addition until smooth. Bake in greased 8x8x2 inch square pan in moderate oven (350 degrees F) 35 minutes, or until done. Cut in squares. Serve warm or cold with butter or cottage cheese, if desired.

LOCAL VISITORS
Mr. and Mrs. C. V. Oates of Haskell have grandchildren, Andrea, 5, and Kristen, 4, and daughter-in-law, Gail, visiting in their home this week. Son, Don will join his family for the visit today.

MR. AND MRS. CLAUDE F. NORMAN . . . Married 50 Years

Normans Celebrate 50th Anniversary

The children and grandchildren of Mr. and Mrs. Claude F. Norman request your presence at an open-house honoring their Fiftieth Wedding Anniversary Sunday, June 25, 1972 from 3:00 to 6:00 p. m. in their home in Rule, Texas. They were married in the home of her mother and father, Mr. and Mrs. Winston Wilson, Rule, Texas.

They have lived in the city of Rule all these years. Claude served in the armed forces in France during World War I. Came home in 1919 and went to a barber college in Fort Worth, came home and barbered in Rule until 1934 when he was appointed postmaster at Rule. He served as postmaster until 1949 and transferred to the rural route out of Rule and served until he retired Dec. 31, 1962. Then he started back to barbering and is barbering at the present time in Rochester, still living in Rule. Mr. and Mrs. Norman attend the First Baptist Church, Rule.

Ola Mae (Wilson) Norman was born Nov. 30, 1900 at Anson, Jones County, Texas. Moved to Haskell County with her parents in 1904. She finished

high school in Rule and attended Simmons College in Abilene one year and taught school at Myers, Texas for one year. She worked in the post office as a postal clerk for 15 years.

They have two children, Frances and Patsy. Frances married Don W. Davis and they have three children, Brent, Penny and Mark. Patsy married Jack G. Davis and they have three children, Glenn, Delle and Tommy. Glenn married Phyllis Glover. They all live in Rule. They lost Martha Dell, their youngest, while she was in college at Canyon, Texas in 1951.

Haskell County History

60 YEARS AGO
June 22, 1912

Rain—the glorious, welcome rain! Haskell County, West Texas and many other sections of Texas were visited by a heavy downpour of rain Monday.

Any person found dumping dead chickens, cats or dogs on any vacant lot, alley or street in the incorporate limits of the city of Haskell, will be fined not less than \$5.00.

J. D. Roberts of the Northeast side, was in the city Monday. Mr. Roberts will thresh his wheat and oats and will bale the straw. He says the late rains will make his corn.

Carey Touchstone, who has been attending the Georgetown University, was in the city this week. Mr. Touchstone was once

with Judge McConnell as his stenographer.

S. S. McCord and wife, and Misses Estelle Webb and Beatrice Mabrey of Aspermont, were in our city Friday, purchasing goods from some of our merchants who advertise.

Judge H. G. McConnell and son, Master Monroe, left Friday morning for Fort Worth, where the Judge will attend the session of our Court of Civil Appeals.

Gov. Colquitt passed through Haskell Monday on his way to Seymour to speak. A number of his Haskell friends met the train to see him.

40 YEARS AGO
June 23, 1932

W. W. Johnson, one of Haskell county's substantial farmers, has demonstrated this year that

Irish potatoes will grow in this section. He only planted a very small patch but harvested several bushels this week that he intends to store for home consumption.

Eggs brought to each club meeting has made possible the year's club activities for the New Mid Home Demonstration Club of the New Mid Community east of Rochester.

Miss Irene Reddell was scalded badly on her face and chest last Wednesday evening. She had taken a jar of beans out of a pressure cooker and had the jar in her hand when it exploded, scalding her with hot water.

Frank Elmore and family of Howard visited J. W. Nanny and family Sunday.

Frank Simmons and son, Rob, and granddaughter, Jackie Marie Chamberlain went to Arlington to attend the wedding of Milton Simmons.

Messrs. J. D. Collier, Bill Collier and Jess Collier of Haskell were out seeing about their grain Friday and Saturday.

M. C. Piland suffered a painful accident Thursday evening while riding a blind horse, cutting a deep gash in his leg, but it is better at this writing.

30 YEARS AGO
June 26, 1942

All Haskell County Retailers must file 'price lists of cost of living commodities' with the Haskell County War Price and Rationing Board by July 1st. Men 18 to 20 years old are to register Tuesday, June 30, but will not be subject to military draft until they are 20.

Dr. and Mrs. W. A. Robinson and daughter of Kingsville visited their parents, Mr. and Mrs. S. J. Redwine and Mr. and Mrs. P. J. White this past weekend.

Mrs. Elma Guest returned home Monday after a vacation spent in Mineral Wells.

Mr. and Mrs. Sterling Edwards have returned from Marfa, where they visited in the home of their daughter and family, Mr. and Mrs. R. W. Cole Jr., and with other rela-

tives and friends. While in that section they visited many points of interest in the Big Bend country, including historic Fort Davis.

Mrs. L. L. Stewart of San Antonio and Aviation Cadet Joe Maples of Corpus Christi were weekend guests in the home of their parents, Mr. and Mrs. Joe Maples.

148,813 pounds of scrap rubber has been collected in Haskell county for the June 30 deadline on the nation-wide scrap rubber campaign.

determined just what a loophole is.
Over the years the Congress has written into the tax law certain types of deductions from income tax, which may be taken for various things, including contributions to charitable and philanthropic institutions. This is sometimes lumped in as a loophole with the 50 some odd exemptions now permitted by law.

There is an impression going around that if all these allowances were done away with, everybody's taxes would be lowered. Mr. Edwin S. Cohen, Assistant Secretary of the Treasury for Tax Policy, and an authority on our tax structure, says this is hardly true. As a matter of fact, according to Mr. Cohen, it would not make any big dent in the individual's tax to the Federal Government.

The Chairman of the Ways and Means Committee, which has jurisdiction over all tax matters, has introduced legislation which, in a period from 1974 through 1976 would in effect remove 54 exemptions now on the tax books. After the tax exceptions are eliminated those thought to be justified would then be re-enacted. This is a sort of negative approach and one which would greatly upset every individual business and corporation with plans for the future based on their tax liability.

In place of this type of proposal another bill has been introduced in the last few days

which simply commits the Ways and Means Committee to study and examine the exceptions now permitted with the view of seeing which should be repealed and which should be maintained in the law.

It is being said by quite a few members of Congress and some candidates running for President that the rich do not pay their share of taxes and that they are able to take advantage of "tax loopholes," whereas the smaller taxpayer is unable to do so.

An example of a tax loophole is investment in municipal bonds which bear a much lower rate of interest than other similar investments and on which interest is tax free. This arrangement permits cities, towns and districts to issue bonds and sell them at an interest rate much lower than otherwise would be the case if the interest income was taxable to the purchaser. As a result, people who have voted the bonds on themselves can be charged a lower rate than otherwise would be the case. Many wealthy people invest in these bonds but their income from interest is less.

Of the 54 items which may be considered as tax loopholes are the exemptions for the aged and the blind. Billions of dollars are given to foundations engaged in charitable and educational activities. Certain allowances are made as incentives for economic expansion. An example of this latter is the oil, gas and other minerals depreciation allowances and intangible drilling costs because of the big risk of the venture. The tax deduction is to encourage exploration to increase reserves.

Even the personal exemption of \$750 per dependent comes within the exceptions. Out of between 75 and 80 million individual tax returns, there are 106 cases with income of \$200,000 and on which no taxes at all were paid in 1970. The Internal Revenue still has some of the cases under study but the great majority of them have been checked out and found that the deductions appear to be within the law. Twelve of these cases involve individuals with adjusted gross income of \$8.5 Million, whose principle deduction consisted of charitable contributions totaling \$4.2 Million. Another 17 individuals paid no 1970 Federal income tax because their deductions for State and local taxes exceeded \$4.1 Million, the amount they otherwise would have been charged.

Another 11 persons had losses in 1969 far exceeding the tax to be paid by them in 1970. Another group paid taxes on foreign investments to foreign countries in excess of taxes due on other investments in this country. The income of a number was from tax free municipal bonds.

Whether all deductions permitted under the law are justified many times depends on whose "loophole" it is and how much of it is to be closed.

It is perfectly well that the Congress and the Treasury Department should keep a close and continuous look at the various deductions now permitted under the law. At the same time, Congress should be thinking about means of cutting tax rates by reducing expenditures to the extent of maintaining a balanced budget.

Farmcast

A Weekly Report Of Agri-Business News

Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

Yearly all of Texas . . . Sheep On Feed Up 61 Per Cent . . . Red Meat Production Down 7 Per Cent . . . Texas Farm Prices Show Gain . . . Only the southern tip of Texas

had rainfall above normal during February, March and April, the Texas Crop and Livestock Reporting Service notes. Rains in the Lower Valley were 123 per cent of normal. The Dalhart area had only 15 per cent of normal for the three months.

During May, the Trans-Pecos area had the lowest rainfall total with 1.24 inches. The upper coastal areas had the largest rainfall in May with slightly more than nine inches.

Crops generally throughout the state were making good growth. Wheat harvest is speeding up; oat harvest will soon be in full swing.

Farm prices are up 15 per cent from a year ago. Farm parity at 73 per cent, however, still means that agriculture is more than one-fourth below the rest of the economy.

All poultry and eggs were down from a month ago with the exception of chickens and broilers which were unchanged. All poultry and eggs were the same or down compared to a

year ago. Wool and mohair were above last month and a year ago.

Commodity prices in Texas include wheat \$1.43 bushel, up a penny from 1971; corn \$1.36 bushel, up 17 cents from last year; grain sorghum \$1.95 per hundredweight down 50 cents from 1971; cotton 26 cents per pound, up five cents from 1971; hogs \$24.20 per hundredweight, up \$5.40 from last year; beef cattle \$3.80 per hundred weight; up \$13.06 from 1971; sheep \$11, up \$3.24 from last year; lambs \$32, up \$9.34 from 1971; broilers 13.5 cents per pound, down one cent from 1971; eggs 27 cents per dozen, down 4 cents.

Drylot sheep feeders with a lot capacity of 2,000 head or more had 103,000 sheep and lambs on feed for slaughter June 1. This is 61 per cent above the number on feed a month earlier but 22 per cent below the number on feed June 1 last year.

Placements during May totaled 70,000 head with a total of 12 feeders reporting 1,000 more head on feed June 1.

Marketings during May, 31,000 head, 5,000 head above the intended marketings reported for May 1.

Current intentions to market the 103,000 head are: June, 30,000; July, 41,000 head; and August, 3,000.

Red meat production in Texas during April was down seven per cent from the previous month and 14 per cent below April, 1971. Red meat production in April was 176.3 million pounds. Red meat production during the first four months of 1972 totaled 706.7 million pounds.

Cattle slaughtered during April totaled 285,000 head, 7,000 head below the number slaughtered last month and 41,000 less than April, 1971.

Hog slaughter during April numbered 157,000 head, 45,000 less than April of 1971.

Sheep and lambs killed during April numbered 124,000 head, which is 24,000 less than last year.

Average live weight of cattle slaughtered during April was 883 pounds compared with 888 pounds last year. Hog slaughter averaged 240 pounds compared with 231 pounds in 1971.

Emergency Loans Eligible to Farmers

Washington, D. C.—Congressman Omar Burleson today announced that the Farmers Home Administration may make emergency loans to eligible farmers and ranchers in 243 Texas Counties, including Haskell County, through June 30, 1973.

The Congressman said an extended drought which started in 1970 has caused substantial loss of field and feed crops, and damage to pastures. Many farmers and ranchers will need emergency loans to complete their 1972 operations and for the 1973 operating year.

Farmers Home loans are made to production, replace and for other expenses necessary to restore operations. Applicants may loans at the local Home Administration serving the area. To be eligible a farmer must have sustained damage from the drought or some other disaster. Farmers borrow agree to repay loans as soon as possible with their regular abilities. Loans are not subject to Government's interest rate.

HERBERT RINN RETIREMENT

The familiar and smiling face will be missing from the

Rule Post Office after June 23, when Mr. Herbert Rinn will retire after 25 years in the Postal Service. Always courteous and helpful in many ways, Mr. Rinn did many helpful things beyond his usual duties.

Raised in Old Glory, he operated a grocery store there with his father from 1922 to 1939, when he bought the store and his wife and he operated it until 1944 and again in 1946 to 1950. He served two years in the U. S. Navy in 1941-45. He became Postmaster at Old Glory in 1949 and held that position until 1958 when he transferred to Rule Post Office as Clerk. He has been Postmaster since July 1, 1969.

He is a member of Rule Masonic Lodge and Eastern Star. A former member of the Rule Lion's Club, he received the Service Award in 1964-65. A member of Rule Chamber of Commerce, he served as president in 1966 and again in 1971. In 1967, he received the Chamber of Commerce Man of the Year Award.

His wife, Viola and he, are members of Rule United First Methodist Church where he is active on the church board of deacons and teaches a Sunday School class. They have one son, Louis, of Fort Worth; one daughter, Mrs. Barbara Nauert of Aspermont, and four grandsons, Randy, Ricky and Rodney Rinn of Fort Worth and Michael Nauert of Aspermont.

ROTARY NEWS

All members but one of the Rotary Club were present for their weekly meeting June 12, at the Blue Bonnet Cafe. President Weldon Norman called the meeting to order, Morris Neal led the prayer and Harold Woods the singing. The program was presented by Weldon Norman who showed slides and presented commentary on a recent trip taken to Old Mexico by his wife and he, and Mr. and Mrs. Ernest Simpson.

Accepted for membership in to the Rotary Club was Ronnie Landes. Mr. Landes is formerly from Rotan, and is a co-owner of D&L Lumber yard in Rule. He was presented a Rotary pin and a book entitled "Adventures in Service."

Special guests were Teresa Rhoads, daughter of Mr. and Mrs. Eugene Rhoads and Eddie Briles, son of Mr. and Mrs. Dennis Briles. Teresa and Eddie were selected from the student body of Rule High School by the faculty members to receive the Citizenship Award for 1972, presented by the Rule Rotary Club, which they were presented at this meeting.

Two guests present from Haskell were Chief Escobedo and Rev. H. O. Abbott.

COFFEE

Mrs. Martha Futch was honored with a welcome coffee in the home of Mrs. Reba Mahler June 14 at 9:30 a. m. Mrs. Futch is the wife of Rev. Loyd Futch, pastor of the United First Methodist Church. They come to Rule from Darrouzett. Coffee, punch and cookies were served to: Mmes. Gladys Lawson, Ruth Eaton, Verna

Neal, Nora Macon, Carolyn Mathis, Lou Hisey, Ella Franklin, Jo Simpson, Sena Mae Murray, Nell Ashbrook, Hazel Lewis, Oleta Baird, Dale Lewis, Oleta Cornelius, Juana Lewis, Elieson Mason, Vi Rinn, Bell Turner, Lella Rose, Lucy Williams, Linda Simpson, Henrietta Lott, Gladys Mathis, Faye Simpson, Alma Cole, and Lucille Verner.

AROUND TOWN

Mr. and Mrs. Howard Logan of Knox City, visited last week with Mr. and Mrs. Ols Macon. Mr. and Mrs. Aubrey Hines of Lubbock and Miss Betty Hines of Seguin, returned home with Mr. and Mrs. H. H. Hines, following their visit in Leveland last week.

Attending the installation of officers of Order of Eastern Star at Haskell last Tuesday night were Mmes. Scott White, E. O. Morgan, Lonnie Martin, and Bill Mason.

Mrs. Bobby Milford and children have returned home to Tatum, N. M., following their visit with her mother, Mrs. R. L. Hedgpeth last week.

Mr. and Mrs. T. A. Camp of Mineral Wells, visited recently with Mrs. Bill Gann and other relatives.

Melvin Burleson of Waco visited last week with Mrs. Pearl Burleson.

REUNION

Descendants of the late Mr. and Mrs. Will Hines held their reunion June 12-13, at Veda's Camp at Lake Stamford. Approximately 25 attended. They enjoyed boat riding, fishing and just visiting.

Families were present from Los Angeles, Calif., Haskell, Rule, Knox City, Rotan and Odessa.

Mrs. Novis Pittecock is a patient in Hendricks Hospital in Abilene.

Miss Jackie Eason of Denver, Colo., visited last week in Rule with Mr. and Mrs. Dub Ashbrook, Mr. and Mrs. L. W. Jones Jr., and other friends. Visiting last week with Mr. and Mrs. W. V. Almond was Mrs. Myrtle Wood of Munday and Mrs. Bertha Yarbrough of Ennis.
