Premiums will be 3.4 percent on the first \$6,000 of each employee's wages during the first year-and-ahalf to two years, explains Ruesink. Then an experience rating will be applied under which the minimum pre-

Mrs. Zeman Observes WORDS OF WISDOMS

Her 99th Birthday

Mrs. Anton Zeman's 99th birthday was celebrated December 11th in the home of Mr. and Mrs. Alan Aune, 2357 River Oak Circle,

Mrs.Zeman is a long time Abernathy resident. The Anton Zeman's came to Abernathy in 1921 from Melrose, Wisconsin. Anton Zeman farmed awhile, then established Zeman Auto Co. in 1925. The Anton Zemans celebrated their 60th wedding anniversary prior to his death in 1962.

With Mrs. Zeman for her 99th birthday were her three children, Fern Aune, Blanche Cook, and Virgil Zeman. Fern and Blanche both live in Abilene. Virgil lives in Pecos. Weather prevented the other daughter, Vera Martinson of Wheeler, Wi., coming. Alan Zeman of Plainview attended his grandmother's party.

Mr. and Mrs. Rudolph Struve were in Abilene to say "Happy Birthday" to Mrs. Zeman. The Blue Bonnet Quilting Club of Abernathy sent greetings to their long time member. Mrs. Zeman enjoyed all who came and also the many cards and telephone calls from relatives and friends unable to come to her party.

At 99 Mrs. Anton Zeman continues to crochet, write letters, work puzzles, play dominoes and care for herself. In recent years she is at home with her children. She will be in Pecos with the Virgil Zemans for Christmas.

In October Hilda Rasweiler and Donna Carsen visited their grandmother in Abilene. Hilda lives in Long Island, New York, and Donna lives in Saratoga, Ca. Both spent their early years in Abernathy and will be remembered as the Meester girls.

As you raise your cup of kindness on Christmas or New Year's Day, keep in mind that you are continuing a tradition that dates back hundreds of years.

According to legend, the wassail bowl and the Christmas toast started with the same gesture. At the reception for an early Germanic chieftain in Britain, the daughter of the chieftain offered a gold cup filled with wine to the host and said, "Waes hael hlaford Cyning" or "Be of health, Lord King.'

The practice of drinking a wassail quickly became popular. The common people of the Middle Ages, who could not afford the fine wines of the nobility, used a mixture of hot ale, sugar, nutmeg and ginger. Later on, Spanish sherry fortified with brandy became a popular base for the wassail.

Early wassail bowls frequently had toast and fruit floating on the top, and so the custom of drinking to one's health gradually came to be known as a "toast".

On an average, a well-skylighted room could eliminate the need for artificial light during the day for 50% to 60% of the year. And since more light comes in from a window in the roof than from a window in a vertical wall, you can have the same light from fewer square feet of skylights than of windows. This saves energy, too, because the fewer windows you have, the less heat loss in the winter. Skylights have come a long way since the Eskimo started putting a pane of transparent ce in the roof of his igloo. Most skylights today are

When we pray to God with entire assurance, it is Himself who has given us the spirit of prayer.

FAITH IS: Recognizing that God is the LORD of TIME when my idea of timing doesn't agree with His.

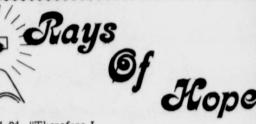

Mark 11:24 "Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them. and ye shall have them.

When you are believing God to meet a certain need in your life, what can you do when you do not see immedlate results from your prayers? God's word is full of promises based on conditions that must be met. When the conditions are met, the desired results will be obtained.

Let me encourage you to always believe God even in the midst of seeming defeat. God can pull you through when it seems that there is no hope.

Against the humble drama of that first Christmas in Bethlehem, the figure of Joseph and his experience of anguish, hardship and heroic devotion are often overlooked. But Joseph played an integral role in the Christmas story; he led Mary to Bethlehem, named the Child "Jesus" as the angel had told him and protected the mother and her Child from danger.

Scriptural accounts are scant on detail about Joseph, but he is referred to as a "just man" in Matthew's writings, and it is implied that he adhered scrupulously to Judaic and civil laws.

You can imagine his horror, then, when, after a 3month visit with her cousin Elizabeth, Mary returned to him, pregnant with a Child he had not sired.

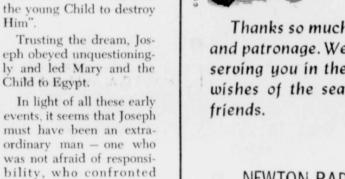

Then, in the height of his desperation, an angel appeared to him in a dream with good news: "Fear not to take unto thee Mary thy wife: for that which is conceived in her is of the Holy Spirit. And she shall bring forth a Son, and thou shalt call His name Jesus: for He shall save His people from

their sins' At that moment, Joseph

must have felt a little bewildered . . . but immensely relieved. From then on, it seems that he trusted Mary wholeheartedly. Even when it was time for him to travel to Bethlehem for the census, he would not leave her. He brought Mary with him, despite the fact that it was a long journey-about eighty miles-and the time for her to give birth was drawing near.

Upon their arrival in Bethlehem, there was nothing but trouble. Think how disappointed Joseph must have been when he could not find a room for Mary to deliver her first Child. After hours and hours of searching, he managed to locate a stable, where she could at least have some privacy.
