Close Race Pits Ladies In June 3 Hale Election

The race for Hale County Tax Assessor-Collector May 6, was about as close as you can get without being a tie vote. Christine Vinson, with 1,723 votes May 6, and Allene Wallace with 1,721 votes, will meet again in the June 3 Democratic Second Primary Run-Off Election. They were the top vote-getters in a field of five candidates. The only other Hale County run-off race is in Precinct 4, the northwest quadrant of the county, between incumbent Commissioner Tom (Jigger) Wheeler and James Belk.

Former Hale County Precinct Two Commissioner Homer Robertson of Petersburg polled 823 votes to defeat the incumbent Precinct Two Commissioner Lloyd Goldston, who received 700 votes. (More election news next week.)

New Business Neighbors Are AHS Graduates

Security Park Shopping Center in Lubbock seems to be a popular place for former Abernathians. The Slide Road center recently rented two of its spaces side by side without either tenant having met the other. One morning a couple of weeks ago both tenants were checking on the progress of the construction of their individual spaces and happened to run into each other in front of their stores. After one look, no introductions were necessary. The two had gone to school together at Abernathy for 12 years and had seen each other only once since their graduation in 1961.

One of the tenants is Ken Durrett, son of Mrs. Pauline Durrett. He is the owner of the Shirt Room. Ken, who has been an accountant in various Texas locations for the past twelve years, decided to open his own business and decided on a retail and customized shirt shop. The other tenant is Keith Beard, son of Mr. and Mrs. Bonnie Beard, former Abernathy residents. He is the manager of Video Systems, Inc. Keith has been

in Lubbock several years after living in Houston a while. Keith sells video equipment to area businesses and schools.

Both men are married to Abernathy graduates. Ken is married to the former Geanie Toler, daughter of Mr. and Mrs. Marvin Toler. The Durrett's have three children. Keith is married to the former Evelyn Dye, daughter of Mrs. Clyde Dye. They have two children.

Manager of Ken's store will be his sister-in-law Margaret Attebury. She is a 1966 graduate of Abernathy and taught here for two years. She is married to David Attebury and they have one son.

Ken will be running an ad in next week's Review announcing his grand-opening, but is now open for business and invites all area residents to drop by and see his complete stock of t-shirts, jerseys, and special women's and children's tops along with a wide assortment of transfers and lettering. Ken emphasized that he is stocking maroon jerseys and t-shirts.

New Addition On Pinson Place

A new addition of residential lots will soon be available in Abernathy. Max Kester, James Pope, and Billy Smyers, all Abernathy residents, are purchasing a 17 acre tract of land from Ray Pinson. The land is immediately west of the Phillips Addition bordered by 16th Street and the Speck Cox property, formerly the Ray Pinson home.

The developers plan to name the addition Pinson Place or Pinson's Prairie. They were to present a preliminary plat to Abernathy City Council May 8 and request that the area be annexed by the city.

The land will be divided into 85' to 125' lots. Max and Sharon Kester plan to build one of the first homes in the new addition.

Crop Seed Going Into Ground This Week

With the good rain last week, measuring from 1 1/2 to 2 inches in this area, and the warm weather this week, planters have started rolling on row crop land this week. Although worth a "million dollars" the moisture received had a lot of dry soil to saturate, making it imperative that planting be done in a hurry to get the crops up from last week's rain.

FRESHMEN CLASS HOLDS ELECTION

The Freshmen Class had a class meeting Tuesday, May 2 in the High School Gym. The purpose of the meeting was to elect class favorites. The two students elected were Ramona Irlbeck and Tony Cox.

ART CLASSES BEGIN HERE

Parents of children who are interested in art will be glad to know that painting lessons will be available during the month of June from one of the outstanding artists in the area. Marilyn Todd has been living in Abernathy this year while working on her doctorate in Higher Education at Texas Tech. She moved here after receiving a Helen Devitt Jones Fellowship for her ability as an artist-teacher. Rather than move to Lubbock, she preferred to live in Abernathy for its schools and small town atmosphere. Mrs. Todd is on leave of absence from Midland College where she has taught painting, design and art history. From 1970 to 1973 she was chairman of Florida Keys Community College. She is listed in Outstanding Young Women of America, Outstanding Teachers of America, World Who's Who of Women.

Winner of over thirty awards for her paintings and graphics, she has had 21 one woman shows to her credit. Some of her paintings can be seen at the Weekly Review during the month of May.

Mrs. Todd feels that the arts are one of the most important ways a child can learn expressiveness and a sense of his own individuality. Any child can enjoy art whether or not he appears to have talent. "I rarely teach art lessons, but felt that since Abernathy has been good to my children, I will provide other children an opportunity to be taught what I know as a professional in the field." Classes will begin June 3, and run four consecutive Saturdays. There will be two sections, one 9:00-10:00 for children aged 6 to 11, and one at 10:00-12:00 for older children from 12 through high school. Materials will be provided. Interested individuals may contact Mrs. Todd at 298-2624. Classes will be limited to 12 in each section.

Come To Chimera

At the Abernathy Public Library young readers will be among more than 100,000 young Texans who will be visiting "Chimera" this summer as participants in the Summer Reading Club. Sponsored jointly by the Abernathy Public Library and the Texas State Library, the Reading Club encourages readers to use the recreational and informational materials they can find at the local library.

Each participant will receive a reading log on which to record what he or she has read. In addition to the list of books each reader completes, the log includes a word puzzle and a maze.

Chimera (Ki-mir-e) has two meanings. It is the name of a monster that has a lion's head, a goat's body and a serpent's tail. It is also a dream or a fantasy where anything you can think of is possible. In Chimera, trees can be pink, dogs can fly, and the sun can be blue. Anything is possible.

Summer is always the busiest time of the year for children's collections in public libraries. Whether summer reading is entirely for entertainment or it also information, it's different from the required reading that students must do during the school year. At the same time, however, it builds valuable reading skills.

The Review Needs You To Help Us With News

NGC--The \$1.00 charge under the heading of "Other" on this month's city water and sewer dept. bill will be on there for six months. The charge was put on to pay for aerial spraying to kill mosquitoes.

NGC--The amount charged under the heading of "Trash" on the monthly bills from the city is one of the very few bargains remaining. I remember back when everyone had to haul their own trash to the city dump. That was costly in time and gasoline. I am the trash man at our house, and it is puzzling to me how two people can generate that much trash.

NGC--Considering solar heating and cooling for your home? Write or call for detailed information. Write: Solar Heating, P.O. Box 1607, Rockville, Maryland 20850, or use the toll-free hotline: 800-523-2929. Information will be provided by the U.S. Agency, HUD.

NGC--Someone told me Lindsey Webb says that peanut butter is a better bait than cheese for a mouse trap. The Dairy Association won't like for this word to get around. The person who took Lindsey's advice says peanut butter bait really works. Lindsey operates Webb Pest Control, Homes, Trees & Lawns, when he is not on duty as a Lubbock city fireman.

NGC--In the event that use of solar energy becomes a practical reality, Washington Bureaucrats will go crazy trying to find a way to regulate the sun.

NGC--Windchargers, which were in common use in the rural area around here before the advent of South Plains Electric Cooperative, Inc., apparently are on their way back on a largescale as energy-savers. Washington Bureaucrats already are "regulating" wind on the South Plains. The Environmental Protection Agency says that because the South Plains has so many dust storms there's already too much pollution in the air. For this reason, a new industry that has any pollutants whatsoever cannot come into this area unless an existing industry will agree to reduce its pollution to the same extent as that created by the proposed new industry. That's like penalizing Florida because it has hurricanes. No section of the U.S. should have its industrial potential hampered by government rule due to its weather. The "sanstorm" EPA regulation is designed to slow down industry's move from the "Snow Belt" States.

Letter To Editor

LETTER: Bowman & Associates, Inc. P.O. Box 708 116 West Johnson Avenue Springdale, Arkansas 72764 AC 501-751-8161 Advertising Agency May 2, 1978

Dear Editor: Several weeks ago we mailed you a news story concerning Pel-Freez Rabbit Meat Inc., of Rogers, Arkansas, and Rabbit Industries, Inc. of Anton, Texas.

The news release intimated that the Pel-Freez company had purchased the entire properties of the Anton company, when in fact only the physical plant and real estate was the purchase.

This is a minor point, of course, and we are not asking for a correction in your paper. We simply want you to have the true information for future reference.

Thank you for using the original release, because, couple with the advertising, the meeting with Pel-Freez representatives and the Texas growers was a real success.

Sincerely, Roy J. Bowman President

PUT ON THE WHOLE ARMOUR OF GOD
Ephesians 6: 10-18

10. Finally, my brethren, be strong in the Lord, and in the power of his might.

11. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. 12. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. 13. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all to stand. 14. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; 15. And your feet shod with the preparation of the gospel of peace; 16. Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. 17. And take the helmet of salvation, and the sword of the Spirit, which is the word of God: 18. Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints:

Wedding Solemnized

Mrs. Steven Sellow Gates nee Suzanne Tooker

Miss Suzanne Tooker, daughter of Mr. and Mrs. O. W. Tooker, and Mr. Steven Sellow Gates, son of Mr. and Mrs. Robert S. Gates of San Antonio, recited wedding vows Sunday afternoon, May 7, at the First United Methodist Church. The Reverend Murry L. Brewer of Lubbock officiated at the double ring ceremony.

Altar rails at the front of the church were covered with lemon leaf and baby's

breath with votive candles among the greenery. Spiral votive candelabras entwined with lemon leaf and baby's breath outlined the area where the wedding couple and honor attendants stood. A large bouquet of white gladiolas and spider mums of yellow, coral, and green in front of entwined votive candelabras provided a background for the ceremony. Pews were marked along the bridal aisle by arrangements of lemon leaf,

spider mums, and votive candles.

Miss Carol Berg of Lubbock provided prewedding music on the harp. She accompanied Mrs. Jerry G. Adams as she sang "The Wedding Song" before the ceremony. Mr. Clinton Barrick provided the traditional wedding marches on the organ accompanied Mrs. Adams as she sang "The Lord's Prayer" at the end of the ceremony.

Escorted by her father, the bride wore a white chiffon gown designed by Bianchi. The moulded bodice featured an open neckline embellished with delicate Alencon lace. The entire bodice was covered in Alencon lace with traces of seed pearls and crystal beading. The double capelet sleeves ended in a floating back panel. The very full circular skirt featured an empire waistline which flowed to a natural waistline in back. The double layered skirt fell to a chapel length train.

For her veiling the bride chose a shoulder length veil that was attached to a fitted Mantilla headpiece covered with Alencon lace and sprinkled delicately with tiny seed pearls. The bridal bouquet that was created for her by Alamo Wooden Roses of San Antonio had a white orchid in the center surrounded by a cascade of white roses and rosebud. Lily of the valley was used for accent.

Keeping traditions, for "something old and borrowed", the bride wore pearls belonging to her maternal grandmother. "New and blue" was the traditional garter. "For good luck", her father placed pennies minted in the birth years of the bride and groom, 1957 and 1955, in her shoe.

Kathi Guerrant of Aber-

nathy was maid of honor. Bridesmaids were Laune Kirksey of San Angelo and Janet Spain of Olton. Michelle and Nicole Grogan of San Angelo, cousins of the bride, were flowergirls.

The maid of honor and the bridesmaids wore formal dresses of Charmessa styled with a fitted bodice with spaghetti straps flowing from an empire waistline into a full skirt. A chiffon capelet in a floral pattern of the bride's chosen colors on a beige background completed the ensembles. Miss Guerrant wore pale yellow, Miss Kirksey, coral, and Miss Spain, sage green. Each carried a bouquet of yellow gladiola florets, pale green and coral spider mums, and baby's breath, tied with ribbon matching her dress.

The flowergirls wore long dresses of Quiana, styled similarly to the other attendants. They also wore capelets of the same floral chiffon. Michelle wore aqua and Nicole, peach. Each carried a white basket of gladiola florets, mums, and baby's breath. Their baskets were tied with ribbon matching their dresses.

Best man was Richard Mechler of San Antonio. Groomsmen were Kevin Gates, brother of the groom, and Paul Allen, both of San Antonio. Guests were seated by Kelly Tooker, brother of the bride, Jeff Gates, brother of the groom, of San Antonio, and Sterling Emens, III, of Cypress.

For her daughter's wedding, Mrs. Tooker chose a long dress of pale blue Quiana, styled with a fitted bodice with cap sleeves and an accordion-pleated skirt. The groom's mother chose a dress of pale apricot, designed with a fitted bodice with cap sleeves, accented at the natural waistline with matching lace, and an A-line skirt. Both wore orchid corsages designed by Alamo Wooden Roses of San Antonio.

Fellowship Hall was the setting for a reception following the ceremony.

Miss Berg provided harp selections during the reception. The bride's table was covered with white bridal satin with a sheer white overlay pulled into drapes by nosegays of gladiola florets and spider mums. Centered on the table was a four-tiered wedding cake, designed and baked by Mr. Ed Graham of Menard, formerly of Abernathy. Each tier was covered with gladiola florets and spider mums in the bride's chosen colors. Three satin bells decorated the topper. Mints made by Mrs. Jerry G. Adams to match the napkins accented the table. Punch and coffee were served from crystal and silver appointments.

Varieties of cheeses and crackers were served at the groom's table. Carnival glass appointments from the collection of Mrs. Ralph Davis graced the table that was covered with a shrimp-colored cloth. Large candles in wooden holders and a dried arrangement emphasizing the colors of the cheeses, the carnival glass, and the cloth completed the table decor.

Members of the house-party included Mrs. Jerry G. Adams, Mrs. Herbert Hardin, Mrs. Delwin Webb, Misses Pam Hartman, Rhonda Webb, and Cathy Williams, all of Abernathy. Also assisting were Mrs. Gary Grogan of San Angelo, Mrs. Richard Mechler of San Antonio, Misses Darla Ragland, Cheryl Riddle, Roxann Rippamonte, Kathy Terrell, Mitzi West, and Karl Wilmon, all of Lubbock.

For a wedding trip to New Orleans, the bride wore a suit of sage green linen with a matching blouse and chose caramel accessories. The orchid from her bridal corsage was pinned to the jacket.

The bride is a graduate of Abernathy High School and a December graduate of Texas Tech University. She is a Systems Engineer with IBM in their Lubbock office.

The bridegroom graduated from Robert E. Lee High School of San Antonio and is a senior chemistry student at Tech. He plans to begin graduate work at Tech in the fall.

The newlyweds will be at home at 2713 63rd St., Lubbock, after their wedding trip.

Special guests were grandparents of the bride and groom: Mr. O. A. Tooker of Abernathy, Mr. and Mrs. F. B. Terrell of Lubbock, Mrs. Alice Gates of Gullford, Connecticut, and Mr. and Mrs. Albert Smale of Palmerton, Pennsylvania.

Guests were registered by Rhonda Webb from Abernathy, Hale Center, Olton, Petersburg, Lubbock, Plainview, San Angelo, Muleshoe, San Antonio, Carlsbad, New Mexico, and Oklahoma City, Oklahoma.

The rehearsal dinner was hosted by the groom's parents Saturday night at the Lubbock Club in Lubbock.

A dinner for the wedding party and family was given Sunday evening after the wedding by Mr. and Mrs. Ralph Davis at their home north of Abernathy.

Mother's Day, May 14th

We want to say thank you to all our visitors who helped us exceed our goal of 500 Sunday May the 7th at the Church of Christ

CARDS OF THANKS

I would like to thank everyone for the cards, visits, flowers, food and other expressions of kindness shown me while I was in the hospital and since coming home.

Betty Smith

A WORD OF THANKS:

I want to thank the good people of Abernathy for trying to make the loss of my wife KATE as easy to bear as possible. Brother Jennings and Brother Coggin made the service so meaningful. The choir sang Kate's favorite hymns. She would have rejoiced as two of her favorite friends sang that duet. The flowers and the food were in abundance. I WILL TELL HER ALL ABOUT IT WHEN I SEE HER. May God's blessings be your richest reward.

George W. Ragland and family

CARD OF THANKS:

We wish to say thanks to everyone for your concern, visits, and calls while in the hospitals and the food brought in since coming home. Thanks again for your generosity. We love you all very much.
