

TRAVEL TO OLTON FRIDAY NIGHT

'Lopes Open Season With 28-13 Win Over Petersburg

(by Richard Havens)

With a positive attitude, dedication and determination, the Abernathy Antelopes of head coach Larry Aldridge "put it together" here last Friday night to emerge victorious over strong Class A powerhouse Petersburg. Sparked by long runs by senior runningback Lee McCune and a goal-line defensive stand, the Lopes racked up an impressive 28-13 win.

McCune, who missed most of the season last year due to knee injuries, scored on runs of 89, 76 and 31 yards, and set up his 76-yard TD scamper by recovering a Petersburg fumble on the Antelopes' 24. The 188-pounder runner tackled a 5 yard pass reception on for 242 yards on the ground for 12 carries.

Junior halfback Roger Lindsey ended the scoring for Abernathy, capping a 42-yard drive with a 2 1/2 yard plunge for the score. The quick-starting runner carried the ball 18 times for 97 total yards. Also assisting with ball-carrying duties were sophomore halfback Sylvester Dunn and junior flanker Willie Betts. Junior quarterback Gilbert Cuevas kicked all four extra points, and punted three times for a 34-yard average. He failed, however, on two field goal attempts, one from the 37 and one from the 27. Cuevas connected on 1 of 5 passes for 15 yards, while senior quarterback Tony Heath hit 3 of 4 for 21 yards.

The Antelopes' defense allowed the Buffaloes only 293 total yards to Abernathy's 394. Petersburg had 258 ground yards, with highly-rated tailback Mike Jones carrying 24 times for 124 yards and fullback Mike Phillips adding 109 on 14 tries.

COACH'S COMMENTS

(by COACH LARRY ALDRIDGE)

The Lopes Friday night turned the game around in the 2nd quarter when trailing 7-0 they held Petersburg on the one-foot line then went 99 2/3 yards to tie the score. The goal-line defense (Ken Sanders, Lance Honsford, Roger Mitchell, Eric Harkey, Ruben Olguin, David Kennedy, Gilbert Cuevas, Dean McGuire, Jimmy Rannels, Scott Morrison, and Wade Henderson) was superb as their gang tackling allowed the Buffaloes 4 yards in 4 tries inside the 5.

There were many offensive and defensive standouts. Offensively, the line of David Kennedy, Roger Mitchell, Wade Henderson, Buddy Bowen, Lance Honsford, Jimmy Rannels and Dean McGuire opened holes for the Lopes to rush 392 yards and no QB sacks on our passes. Lee McCune rushed for 3 TD's, 250 yards with runs of 89, 76 and 31 yards. The 3 runs went over Kennedy, Mitchell, Henderson, and Bowen and Willie Betts and Joe Barrera got downfield blocks. Roger Lindsey got most of his 106 yards on 18 carries up the middle. The 150 lb. workhorse played with a jammed neck and made several big 3rd down runs. Tony Heath executed the triple option with precision making good reads on the defense. He also completed 2 of 3 passes. Dean McGuire in addition to being a defensive stand-

out had 2 receptions for 22 yards, one a 16 yarder from Gilbert Cuevas who also had 4 punts for a 38.5 yard average and converted 4 of 4 extra points. Defensively standouts were easy to find. The Big Hit weekly award went to Ruben Olguin who had 2 great hits. Linebacker David

Kennedy, Wade Henderson, Ruben Olguin, Rusty Powell, and Dana Flud were in on numerous tackles. Kennedy being the leader with 16. The 3 techniques were Lance Honsford (who might be the most improve player on the team) and Eric Harkey, who was in on many tackles and also had a fumble recovery. Honsford had one blocked pass. The defensive ends were Ken Sanders (who blocked an extra point, blocked a pass and play the quick pitch excellent) and Jimmy Rannels who was his usual consistent self, making very few mistakes.

The secondary was led by the play of Dean McGuire, who filled like a linebacker on the run, Joe Barrera, who had one fumble recovery and an interception, Scott Morrison, the talented junior who plays safety on rover and had one interception, Lee McCune, who in addition to his offensive outburst had a fumble recovery and some big tackles. Kelly Mills, at cornerback kept improving and did a superb job on Petersburg's outstanding split end, Jones. Willie Betts was another Luo who had a big game as he carried the ball twice for 16 yards, had a TD block, and played his sam linebacker position tough. Gilbert Cuevas, at sam linebacker was outstanding taking on the lead blocker on the blast play and playing the pass.

This week the Lopes play Olton who is 1-0 after shutting out Farwell. It's been several years since Abernathy has beaten Olton. Olton is expected to contend for the district 3-AA title this as they return 10 defensive and 8 offensive starters from last year.

TWD APPROVES CITY REQUEST FOR LOAN TO IMPROVE WATER SYSTEM

AUSTIN-----Abernathy received a loan in the amount of \$260,000 from the Texas Water Development Fund Friday, according to an announcement by the Texas Department of Water Resources.

Bond proceeds, along with a \$246,000 Farmers Home Administration drought relief assistance grant, and \$150,000 from bonds sold in commercial channels will be used for water supply improvement project. The money will be used for a 200,000 gallon elevated storage tank, new supply lines, land acquisition for a new well site, and modification of existing wells.

Completion of the loan transaction involved purchase by the Water Development Fund of \$260,000 City of Abernathy Waterworks and Sewer System Junior Lien Revenue Bonds, Series 1978.

"Blood Donors" Needed For AAM

Our pulse is weak and Mr. Carter and Mr. Bergland have already paid their last respects, hopefully. Come and offer your ideas and initiative into this group in order to make it go. You can help revive the sleeping giant if you only care enough to be an influence in this organization and in your own future. We will be lying in state at the Abernathy school cafeteria at 7 PM Tuesday the 19th of September. Bring a friend! Tommy Wages

Mr. and Mrs. Fred Boone have returned from Humboldt, Tenn. They were away over two months, taking side trips from Humboldt, where they formerly reside.

Blood Drive Set For Abernathy

South Plains Blood Service personnel will come to Abernathy Tuesday, September 26, to give local people the chance to donate "the gift of life". Abernathians responded generously in past drives. High school students set something of a record last year, according to Charles Bowen who helps coordinate the blood program in Abernathy.

South Plains Blood Service provides blood and blood components to all area hospitals serving 58 communities when needed. It is a non-profit organization and accepts blood only from volunteers. People cannot sell blood to the service.

Blood needs are increasing due to more open heart surgeries being performed in the area and to the new hospital. This facility expects, in the near future, to do kidney transplants, which will drive blood needs even higher.

People tend to be very generous donors when faced with a special need for family or friends or in case of a disaster. However, hospitals throughout the South Plains need 78 pints of blood every day. Blood recipients are charged only for handling expenses.

There is no substitute for human blood and the human body is the only available source. Since it cannot be manufactured, thousands of people depend on blood donors to assure an adequate supply.

The human body constantly makes new blood. Many people make it a practice to donate blood regularly several times a year with no harm to themselves. They perform a valuable service.

Even first time donors get more than the satisfaction of helping someone. Staff members take careful medical histories of each donor, check temperature, blood pressure, pulse, and hemoglobin levels, test the blood for any diseases, and give donors cards listing blood type—an invaluable aid in case of illness or accident.

Should the need for medical attention show up in the pre-donation check, people are referred to their own doctors.

WHO CAN DONATE? Healthy people between the ages of 17 and 65 who weigh at least 110 lbs. and have not donated blood for 8 weeks.

WHO CANNOT DONATE? People who now have epilepsy, acute heart disease, tuberculosis, infectious skin disease, current infection, rheumatoid arthritis; people who have had major surgery in the past 6 months or been pregnant within the past 6 weeks, malaria or been on military duty in Southeast Asia within the past 3 years; people who ever had viral hepatitis (jaundice) or cancer (other than skin).

South Plains Blood Service will present an information program to Abernathy High School Seniors Friday, September 22. Look for time, place, and other information about the blood drive in next week's paper.

Amendments Published

The State of Texas has placed a Public Notice in this issue of The Abernathy Weekly Review, giving a summary of proposed Constitutional Amendments to be considered by the voters in the General Election November 7, 1978. The legal notice is published in English and Spanish languages. Please read and study the eight amendments so you can decide how you wish to vote on them Nov. 7.

JOHNNY RANTZ GETS SCHOLARSHIP AWARDED BY LOCAL BOOSTER CLUB

The Abernathy Booster Club met Monday night at 7 p.m. at the school cafeteria for a sandwich supper. Following the supper the Coaches recognized them. They are Coaches Ater, Casler, Dearing, Kennedy, Irbeck and Aldridge.

Coach Aldridge presented the film of the Abernathy-Petersburg game. He also recognized 13 varsity players that were present. The Booster Club selected Johnny Rantz as the 1978 Fall Scholarship Award. He is the son of Mr. and Mrs. Hilbert Rantz. Rantz is a Senior Civil Engineering student at Texas Tech University.

The Booster Club has a

Showings Set For 1979 Automobiles

Abernathy's two new car dealerships have announced showing dates for the 1979 model automobiles and pickups. Don Heath reports that the 1979 Chevrolet line of automobiles and pickups will go on display at Don's Chevrolet, Inc., on Thursday, Sept. 28.

The 1979 lines of Mercury automobiles and Ford automobiles and pickups will go on display at Abernathy Motor Co. Friday, Oct. 6, Lloyd Givens announced.

South Plains Electric Cooperative Sets Annual Meeting For Sept. 19

The influence and magnitude of farm cooperative business, and the subsequent impact on the economy of this area will be reviewed at the annual membership meeting of South Plains Electric Cooperative, September 19 in Lubbock Memorial Civic Center.

Business of the cooperative, organized in 1937 and its first line energized in 1938 at Cooper Rural High School, will be conducted at 7 p.m., following a buffet supper at 6 p.m.

The business session will include annual reports and election of two directors of the cooperative from Districts 4 and 6.

Entertainment for children is scheduled while the business session is underway for adults.

Fourteen couples of South Plains Electric Cooperative's Member Services Committee, who plan the annual meeting, will be hosts and hostesses.

The affairs of the cooperative are managed under policies and guidelines set up by an elected board of directors. Each consumer of electric service is a member and has one vote on any matter acted on at the annual meeting.

South Plains Electric Cooperative has grown to be a \$20 million enterprise, a member-owned business serving 18,000 consumers.

PUBLIC MEETING THURSDAY TO DISCUSS MULTI-PURPOSE BUILDING FOR COMMUNITY

Harvey Lutrick, General Superintendent of the Abernathy Stock Show organization, announces that there will be a community meeting Thursday night, Sept. 14 at 8:30 (tonight) in the vocational agriculture department of Abernathy High School. The agenda is on the west side of the high school building.

Lutrick said the subject for discussion will be the need for a multi-purpose building in Abernathy. In addition to a place for holding the annual FFA-4-H stock shows, the building interior should be arranged to provide meeting rooms for various organizations of the community. Lutrick stated what is envisioned is a small version of the Hale County Agricultural Building on the south side of Plainview. That building serves many purposes, Hale County Stock Show, meetings, banquets, barbecues, 4-H and FFA, political rallies, etc. and etc. There is need here for a meeting place for the 4-H Club, Abernathy United Methodist

Church has been kind enough to let the local 4-H Club use a meeting room in the church building.

All persons interested in this subject should attend tonight's meeting.

In a recent meeting of the City Council and School Board, the city brought before the combined session the great need locally for meeting places for a number of organizations. Review staff member Jacquelyn Smyers had a detailed report of the city-school meet in a recent issue of The Abernathy Weekly Review.

DPS TROOPER JAMES WARREN STATIONED HERE

Our new Department of Public Safety officer has arrived. Trooper James Warren started his tour of duty here September 1. He was transferred from Vega.

Trooper Warren is a native of Muleshoe. His wife, Pat, lived in Abernathy as a child with her parents, Mr. and Mrs. Howard Brown, and sisters, Peggy and Sandy. For the information of those who remember this family, the Browns now live in Plainview. Peggy lives in Morris, Minnesota; Sandy lives in Plainview.

The Warrens have a son, Trey, nine months old.

ANTELOPE BAND HAS 98 MEMBERS

The Abernathy High School Antelope Band boasts 98 members this year and all of them are on the field at half time. Band Director George Riddell says he has 84 students in the junior-high band and 65 beginners. This is the first time in Abernathy that Riddell has had a high school band larger than junior high. He said that's the way it should be.

Riddell thought the band wasn't ready for the Petersburg game half time show but there wasn't time enough in only four days of school to do the 100 things that needed doing. They will be done eventually as the younger kids gain more music and marching practice and experience.

Struve Runner-Up For IH's CIVIC Award Selection

(Editor's Note: Rudolph Struve of Struve Implement Company of Abernathy received the following letter from the International Harvester Agricultural Equipment Division in Dallas.)

As you will recall, you were recently given an opportunity to nominate your candidate, who did an outstanding job in Civic affairs in your community, for an IH Civic Award.

Congratulations to Ray Oglesby, Oglesby Equipment Co., Inc., Dumas, Texas, for being chosen the winner in the recent IH Civic Award Program.

Of the many entries received, Ray was picked by a panel consisting of a dealer representative, a local Civic leader, a well known educational leader and members of IH Regional Management.

Runners up in the Region's contest were Rudolph Struve, Abernathy, Texas; Rudolph Schanek, Yuma, Arizona; Riley Godwin, Alvin, Texas; and Al Covey, Austwell, Texas.

Our congratulations to all the entries submitted and again, a very "special" tribute to Ray Oglesby.

COUNTY HEALTH FUNDS AND AIRPORT IMPROVEMENTS HEAD COUNCIL AGENDA

(By Jacquelyn Smyers)

Dr. Gerald Wagner and Dr. C. M. Baldwin represented Hale County Health Department in a discussion with Abernathy City Council at the council's September 11 meeting. As mentioned in past news articles, the City of Plainview wants to cut its share of financial support for the health department and have other towns in the county increase theirs.

The doctors gave councilmen summaries of health department services to towns in the county and pointed out that the department is well worth any effort to keep the services going. They said a check with state health department officials would show how highly the Hale County department is regarded. If county towns do not increase their support of the department, it will have to curtail services in every community except Plainview. County

residents will still be eligible for services but must go to Plainview to get them.

Councilman Hoppy Toler asked what Hale Center and Petersburg have decided to do. City Manager Larry Fields said he was told that the matter and that a vote would likely be against Petersburg rejected the request for funds. The doctors said they understood each town was waiting on the other and if one decided to co-operate, they all would.

Toler pointed out that Abernathy has more population than the other two towns but gets less service from the health unit. A review of each town's health facilities showed Hale Center with a hospital, several doctors, and a clinic which works with the health department. Petersburg lost its doctor recently but has one come out regularly from West Texas Hospital. Abernathy has a doctor but carries too big a work load to help with county services.

Mayor Thompson said he suggested at the last quarterly meeting of county and town officials that the county take over the health department completely and split the support and services equally. The suggestion was not well received.

The doctors asked for the council's feeling on the matter. Councilman Harold Thompson seemed to sum up the other's feelings when he said he would not vote for it because the county won't help the towns financially with fire department and emergency medical service to non-city people. He said Plainview gets most of the county money and services.

Mayor Thompson said he (Continued on Page 2)

Program Set For Masonic Meeting

Dr. Jacky Newton, Worshipful Master of Abernathy Lodge No. 1142 A.F. & A.M., announced that a program will follow the business session at the stated meeting Thursday, Sept. 14, starting at 8:30 p.m. Vernon Bartlett will have charge of the program. Sandwiches will be served.

The Worshipful Master urges all local members to be present, and extend an invitation to visiting Masons.

Blind Caravan Sale Slated

Abernathy Lions Club president Milt Pope would like to remind all area residents that Tuesday, September 19 from 8:00 a.m. till 6:00 p.m. will be the annual Lions Broom Sale. The Caravan Sales for the blind merchandise is sold to benefit the blind people who manufacture the items as well as local Lions Club Charities. The Lions Club has voted this year to send a large portion of the proceeds to Girlstown USA at

Whiteface to be used to purchase a new bus.

Your patronage and support will be appreciated. The sale will be held in front of City Hall. If you cannot come, please call Milt Pope, 298-4127 or Sam Hunley, 298-2505 and we will deliver merchandise to your place.

T.E. Lutrick returned home Sept. 6, from Methodist Hospital, Lubbock, where he had eye surgery.

George Bush, 32 was in Abernathy Tuesday campaigning for the U.S. Congressional seat being vacated by George Mahon.

Bush is an independent oil and gas producer from Midland.

Bush shook hands with local businessmen, farmers, and citizens Tuesday morning.

Bush went to Hale Center, Halfway, Plainview, and Seminole on his tour specifically designed to meet farmers and to discuss his agricultural policy.

NEWS AND COMMENT
by Buford Davenport

NGC--The World Championship Chili Cookoff at Terlingua in the Big Bend area of Texas will be Saturday, November 4. A local man called me for this information, and the only help I could be was a guess that it would be the first weekend in November. However, he could not make do with a "guess" so he called Frank X. Tolbert's Chili Parlor in Dallas, and Frank's son gave him the specific date. Frank X. Tolbert is a moving column-writer for the Dallas Morning News, and one of the founders of the Terlingua chili bash.

NGC--A clever sign on Graham's Restaurant's front door:

"You win
OPEN SUNDAY
6 A.M. to 1:30 P.M."
This was to honor customers' for food service Sundays.

NGC--AHS Antelope fans are lucky on football travel distances. In our District 4-AA, Tullia, at near 50 miles, is the farthest. In non-conference, Muleshoe is only 60 miles away. This year, however, Muleshoe comes to Abernathy on October 6. Cotton Center will have a long trip to Guthrie for a grid game Sept. 15.

NGC--Are you fishing with an expired fishing license? All Texas Fishing License expired August 31, 1978. In previous years, fishing license expired a year from date of issue. The standard expiration date will be August 31, this year and in future years until further notice. Struve Hardware in Abernathy issues hunting and fishing licenses. Struve's also has copies of "Texas Hunting and Sport Fishing" and dove hunting regulations.

NGC--The calendar says that we will have a Harvest Moon Saturday, Sept. 16, and that the autumn equinox will be Saturday, Sept. 23, the day Autumn begins. Michaelmas Day will be Sept. 29. What is Michaelmas Day?

NGC--The City of Olton's new trash compactor last week was badly damaged because someone put forbidden articles in the city trash containers. Concrete and objects of iron tear the compactor up and slows down trash pick-up. Let's cooperate with the Abernathy trash pick-up contractor and not put damaging items in the dumpsters.

NGC--After reading and re-reading the "litter" item in this column last week, I believe that some repair work is needed. I assure our non-resident readers that litter does not "cover" our streets from curb-to-curb. There is a low percentage of "coverage" but there is too much. The town, under the sponsorship of a civic organization, should have a thorough Clean-Up Drive. The alleys, too, need to be cleaned of litter. They are not "covered" by litter, but there is too much. The City of Abernathy has only one street-sweeping machine, and it has many miles of gutters to sweep and it can't possibly sweep the two gutters on every paved street every week.

NGC--A news item in the Plainview Daily Herald last week prompts this warning to local parents to refuse rides offered them by strangers. Since school started in Plainview, there has been two such incidents. In one, the man said "Will you get in the car with me. Your Mother told me to pick you up." The morals of America have degenerated to the point that parents also should warn their young sons against accepting rides offered by strangers.

NGC--Several weeks ago this column said that the Warren Commission report on the assassination of President John F. Kennedy should be accepted. Instead, the U.S. House Investigating Committee went through a time-wasting goof-off of taxpayers' money, and it appears that it will come out like this headline in a daily paper: "New Report Backs Warren Commission."

NGC--Lonnie D. Brown, an Abernathy High School graduate, and a son of Mr. and Mrs. Jack Brown, now residents of Crosbyton, was pictured and headlined: "Lonnie Brown, Scourge of Welfare Cheaters Becomes A Million-Dollar Baby" in a Maryland newspaper August 10. As a Maryland assistant state's attorney, Lonnie, since 1975, has been waging a one-man war against welfare fraud. Recently, the amount of restitution ordered as a result of his efforts reached \$1 million dollars. The million-dollar mark was reached as a result of his investigation of a 30-year-old case worker who pled guilty of welfare fraud involving the falsification of food stamp applications. Brown, 40, is an ex-police man, who quit that work to earn his law degree. However, he teaches law enforcement courses at a community college in Maryland in addition to his assistant state's attorney career. In denying that he is "going after poor people," Brown says 95 percent of the cases do not involve poor people. He cited the case of an Internal Revenue Service worker who was convicted of welfare fraud. The IRS worker was making \$12,000 a year and had a new car and home. Lonnie married the former Shirley Davis of New Deal, and they have two sons and a daughter. Shirley is the daughter of Mr. and Mrs. Clarence Davis of New Deal.

NGC--It took years for our across-the-street neighbor, Brother Coggin, to convince me that it was HB, not "H.B." Most of the time now, it appears in The Abernathy Weekly Review correctly as HB. Last week we received a news release from Lubbock. A footnote said "Copy Editor please note: In the fourth paragraph above, BJ Hefner is spelled correctly. Mr. Hefner prefers that no periods be used between BJ, Please, Thank You." Mr. Hefner is with KMCC-TV News.

NGC--Welcome to the new Abernathy resident DPS Trooper James Warren and his family who were transferred here from Vega. And, it is welcome back home to Mrs. Warren, Pat, who resided here as a child with her parents, Mr. and Mrs. Howard Brown, now of the Lockney area. (See news story in this paper)

NGC--In Attorney General John Hill's Sept. 1, "The Consumer Alert" column, he warns consumers to be very careful in buying bulk meat. He points out that some bulk meat operations are engaging in "bait and switch" tactics in which consumers were enticed to shop at a particular store as a result of low advertised prices. When

liked to compare the situation with Hale County Airport. He said they could turn it into a cow pasture for all the good Abernathy and the other towns get from it, yet the whole county is taxed to support it.

Mayor Thompson said the towns will probably discuss the matter again at their next quarterly meeting. The doctors said further delay could jeopardize the department and urged the men to study the list of health department services. The council tabled the request until further study.

PINSON PLACE PLAT

Developers James Pope and Max Kester presented a preliminary plat for Phase I of Pinson Place Addition. The council previously agreed to participate in 75% of water and sewer improvements for the addition and to annex the area as development is complete.

City Engineer Clayton Yager said the area faces a drainage problem because it is so extremely flat. The Virgil Phillips Addition had the same trouble but could drain its area east to the highway. Pinson Place must drain north with a little going to 16th St.

Engineering standards require certain grade slopes on streets and all lots must be raised above curb level. Yager said the addition needs streets running east and west to help with drainage instead of the long north south dead end one as proposed.

Several people present mentioned highway department efforts to dispose of dirt left over from highway construction. They said Abernathy School System has arranged to get some of the dirt and suggested the city and developers might look into the possibility of getting some to build up the land.

Mayor Thompson said the developer and city engineer need to work out a plan for draining the whole addition making sure the drainage will not cause additional problems for neighborhoods that already get standing water. The city has street maintenance problems now because of that. He and the council want the whole area filled at the same time rather than lot by lot as construction takes place.

The council approved the preliminary plat, Phase I with the understanding that the developer and city engineer work out drainage problems in the city's best interest.

AIRPORT IMPROVEMENTS

Max Crowell, operator of Abernathy Municipal Airport, presented plans for improvements to the airport. He will supply the labor and the city will pay for materials.

Crowell plans an addition to the main hangar including two 4x8 restrooms, an 8x20 office, an 8x10 parts area, and a 20x24 work area. The materials he planned to use cost \$2,347.50. Council members were impressed with the low figures but told him to get what he needs to make the addition look nice. They also said they will hire help for him if his volunteer help isn't enough.

He plans to install a rotating beacon and make runway light operational. Crowell said many pilots need to use the runways at night. This work will cost \$656. He also needs partitions in the T-hangars which will cost \$175.

One pilot has a plane too tall for the T-hangars and wants to build his own. Crowell also brought up the question of who owns various fuel tanks at the airport. Nobody seems to know.

The council decided, after discussion, that any hangars, fuel tanks, or other facilities should belong to the city. The airport operator will then lease them to pilots. If special

they asked to see the advertised beef, the butcher showed them old meat that was fat, unattractive, perhaps even moldy and rank-smelling. Then they were shown attractive beef and pressed to buy it at much higher prices. I got hooked by one of these fly-by-night outfits in Lubbock a lot of years ago. We ended up giving the last of the beef away. It had a certain "whang" that indicated it was imported. After that, for a while, we bought quarters and halves from a local farmer, which was very satisfactory as to quality and taste. I suggest that you know the person or firm from which you buy bulk meat. Your best bet is buying from local individuals or from local food stores that provide this service.

facilities are needed, the operator will build them, the cost will be subtracted from his lease, and the facility will be leased to whoever needs it.

Crowell said both Bob Kruger and Reagan Brown flew into Abernathy Airport recently when they had engagements in Lubbock.

WATER SUPPLY

On the recommendation of City Engineer Clayton Yager, the council okayed work on water supply lines not previously planned. The work cost falls within the water supply improvement budget, allows the city to take advantage of an unexpected good price on pipe, and will be done by contractors already hired.

Shop plans for the new water tank have been corrected by the engineer and returned to Universal Tank Co. It should be erected in December or January.

DELINQUENT TAXES

The City of Abernathy's delinquent taxes since 1950 or 55 amount to \$20,000. To prevent future large sums, the council voted to start a program to collect delinquent real and personal property taxes and to clear the books of delinquent water and sewer bills for 1978 that are uncollectable (the people have moved).

It also voted to retain Bowlingler, Segars, and Moss to audit city accounts. This same firm did the job last year.

EMS PAY

Abernathy's Emergency Medical Service asked the council to clear up a misunderstanding about whether the council intended to pay EMTs \$100 per month for working a complete shift or the same amount regardless of how much they work.

The council said the pay should be for full shifts and when an EMT must ask another to take his or her shift, the stand-in should receive pay accordingly.

SECTION 8 HOUSING

Councilmen reported on citizen response concerning the proposed rent subsidy program. The South Plains Community Action survey isn't complete yet but other comments are not favorable. Two people who spoke to Councilman Toler were violently opposed. A major concern seems to be that outsiders will move into Abernathy to take advantage of the housing if ever available.

The council decided, after discussion, not to get into the Section 8 Rent Subsidy Program at this time and if it becomes necessary in the future, to handle it through a local housing authority.

MEETING PLACE

The men again discussed the community meeting place problem. Councilman Toler suggested the old fire station be renovated for small meetings. Others pointed out that it is promised to scouts for meetings and storing stuff and has no bathroom facilities.

They talked about the

CHILDS-SKIPPER REPEAT VOWS IN A DOUBLE RING CEREMONY

Kris Childs, daughter of Roy B. Childs, Sr. of Grand Prairie, Texas, and Mark Skipper, son of Mr. and Mrs. Billy Skipper of Abernathy were married at Calvary Baptist Church in Abilene.

Murry Brewer of Lubbock officiated at the double ring ceremony.

The bride was given in marriage by her father. She wore a formal gown of white lace, with a front panel of chiffon accented with a lace bordered mantilla veil which formed a chapel train.

Connie Hensley of Abilene was matron of honor and bridesmaids were Linda Johnston of Abilene and Patricia Childs of Irving, nieces of the bride. They wore floor length gowns of dusty rose.

Steve Skipper of Lubbock, served his brother as best man. Larry Moore and Randy Phillips were groomsmen.

Mark Smith and Travis Knight seated guests. Bobbie Miller of Grandview, and Mrs. Travis Knight provided wedding music.

The bride is a graduate of Abilene High School and has attended Abilene Christian University and Hardin Simmons University. She is employed by Sears Roebuck and Co.

The bridegroom graduated from Abernathy High School and attended Hardin Simmons University. He is also employed at Sears, Roebuck and Co.

The couple will reside in Abilene.

RICK PRESLEY, ELVIS IMITATOR, IN CONCERT AT SCHOOL FRIDAY

If you love Elvis, you'll love Rick Presley who will perform here in Abernathy Friday, September 15 at 10:30 AM at the school auditorium.

Rick Presley, a nationally known entertainer and Elvis Presley imitator, just finished tours with Eddie Fisher and Ray Price. He also tours with Tammy Wynette and other stars. People pay \$20 per ticket to see those shows.

The Abernathy performance, for high school and junior high students and townspeople, will cost only

\$1.50. Tickets should be purchased ahead of time at school offices. Get your kids to buy your ticket when they buy theirs.

Mitch LeMoine, Abernathy High School Principal, arranged for the performance because of the great job Presley did at Waco area high schools. When Presley is engaged for a school performance, he often "makes a day of it", having lunch with students, attending pep rallies, and generally giving and having a good time.

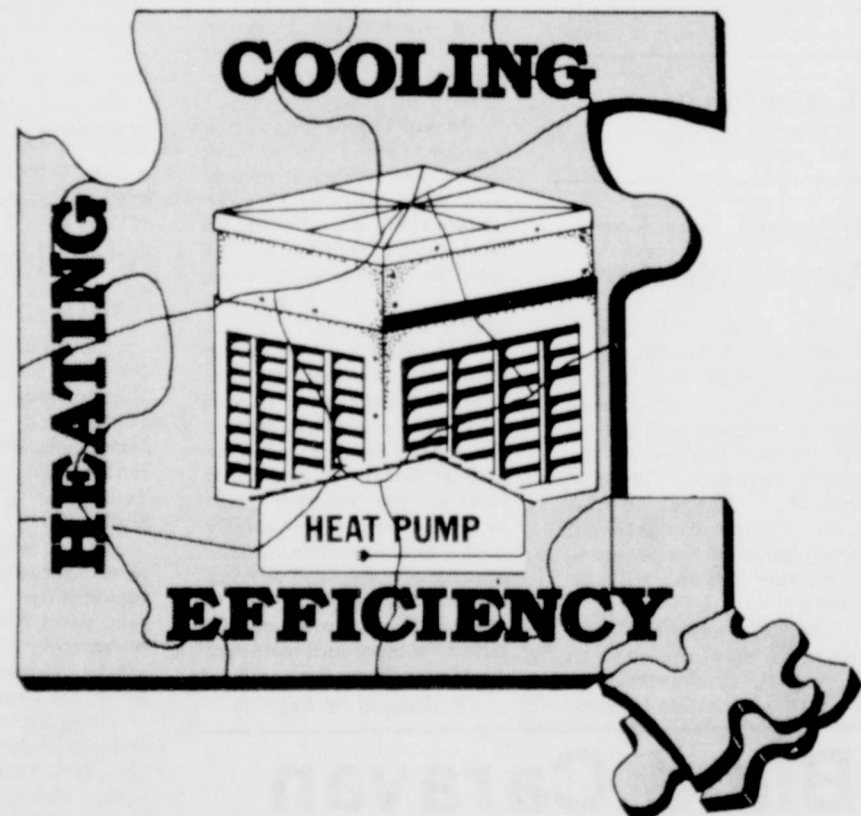

LeMoine said he's a great entertainer and urges Abernathy people to see the show.

ADULT EDUCATION CLASSES BEGIN SEPT. 14:

CHAMBER of COMMERCE--Speaker was Coach Larry Aldridge, head coach of the AHS Antelopes. Aldridge was giving an account of the Lopes's to the 30 ladies and gentlemen present at the regular monthly C of C meeting held at the Dairy Queen last Thursday morning.

CITY'S GOOD WATER SUPPLY STORY TO BE TOLD BY LOCAL C. of C.

Thirty members and guests turned out at 7 a. m. September 7 at the Dairy Queen for the monthly Chamber of Commerce meeting.

President Don Heath called the meeting to order and Leland Phillips opened the meeting with prayer. Larry Fields introduced his guests, Coach Larry Aldridge and Coach Delbert Dearing.

Heath, ask if there was any old business that needed to be discussed and Randy Peoples said, "that the Chamber members had discussed in the past about the telephone service in Abernathy and some of the 'gripes'.

Heath thanked everyone for all their hard work done for the July 4th celebration. Rev. Tommie Beck, pastor of the First United Church is a new chamber member.

Chamber secretary Chris Waters read a letter of resignation from Annie Phillips, who has been the city hostess for the chamber for the past eight years. Her resignation will be effective October 1, 1978.

Billy Gist was appointed by the president to be the chairman for the Christmas committee.

Following the business meeting Larry Fields introduced the program speaker, Coach Aldridge. Aldridge said, "he respects Petersburg as being one of the best class A teams in the state, he said, they are big, quick and aggressive.

Coach Aldridge made the statement, "that in his fourteen years of coaching this year's team has the best attitude and they were in good condition when they reported for the workouts and have worked hard."

Heath, appointed a committee of four, Y. F. Snodgrass, Hoppy Toler, Larry Fields and Jim Bob Smith to do some research on that committee since we advise Abemathy.

The chamber meets the first Thursday of each month at 7 a. m. at the Dairy Queen, for breakfast, fellowship, business and a program.

ATTEND FUNERAL SERVICE FOR TRAVIS LUTRICK: Mr. and Mrs. Gene Matthews of the Lakeview community and Mrs. N. Matthews of Petersburg attended funeral services in Cleburne and the burial in Godley for Travis Lutrick, Monday.

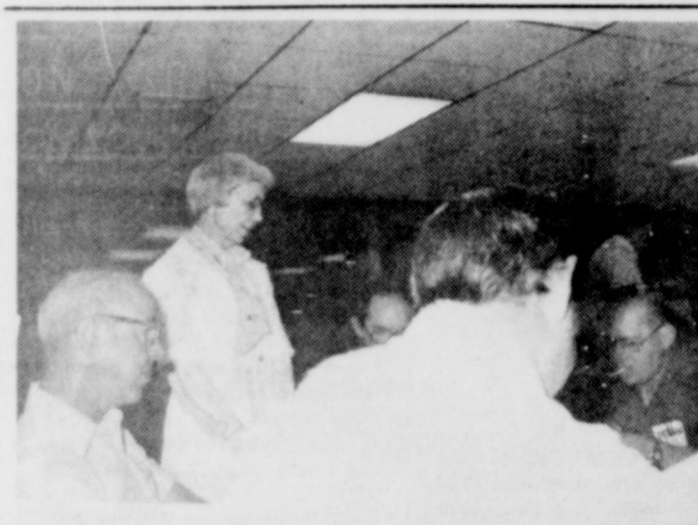

TRAVIS LUTRICK DIES FRIDAY

Travis Eskel Lutrick, 58, of Godley, near Cleburne, died Friday in the Scott & White Hospital in Temple. A former local resident, he was the son of a pioneer Lakeview-Abemathy family, Robert A. Lutrick of Abemathy and the late Mrs. Robert A. Lutrick.

Funeral rites for Travis were conducted Monday in the Crocier-Pearson Funeral Home Chapel in Cleburne. Burial followed in the Godley Cemetery.

A native of Hale County, Lutrick was a graduate of Abemathy High School. He was an army field artillery veteran of World War II. He married Opal Dunsin in Petersburg Oct. 10, 1941. They moved to Johnson County from Petersburg.

He is survived by his wife; two sons, Pat of Fort Worth and Mike of Cleburne; two sisters, Ruth Auge of Belen, N. M., and Pauline Stone of Abemathy; a brother, Sidney of Phoenix, Ariz.; his father, R. A. Lutrick of Abemathy; and three grandchildren.

Annie Phillips-- resigns as City Hostess for the local Chamber of Commerce after eight years of service. Mrs. Phillips is shown as she spoke to the C of C members last Thursday's meeting.

News Briets. GUEST IN MRS. BREWERS HOME: Guests in the home of Mrs. Erma Brewer last week-end were Mr. and Mrs. George Brewer of Austin; Mrs. Dora Ashton of Artesia, New Mexico; Mittie Henbre of Plainview; Mr. and Mrs. Ricky Brewer of Lake Ransom; Mr. and Mrs. Larry Brewer and Rev. and Mrs. Murray Brewer of Lubbock. Former Abemathian Mrs. Ruby Parks of Lubbock is scheduled to leave this weekend for Easton, Maryland, to visit her son-in-law and daughter, Mr. and Mrs. Tommie Harrison, and their daughter and children.

Rays of Hope. Pat Stanton. "HOW TO STAY FREE" There are many ways that we can open our lives to oppressing spirits of the devil. Because of this truth, let me suggest scripture ways to keep yourself in total freedom.

Love is the greatest protection that you can have. As your heart stays full of love for God and for others, you will leave no room for spirits of bitterness, hatred, greed, etc. Matt. 5:44. Love your enemies, bless them that curse you, do good to them which despitefully use you, and persecute you. Col. 3:14. Above all these things put on love, which is the bond of perfectness. Then we as believers, get out of the realm of love, we open our spirit, soul and body to the tricks of the devil. God is love and God's kingdom is one of love. The devil is hate and his kingdom shows forth in areas of hate and hurt. We must daily have an attitude and a response of forgiveness if we want to steer clear of the enemy, Satan. Mark 11:25. When ye stand praying, forgive if ye have ought against any; that your Father also which is in heaven may forgive you your trespasses. A true believer can daily stand free from demonic influence if the teaching of James 4:7 is applied. "Submit yourselves therefore to God. Resist the devil and he will flee from you."

Let me encourage you to recognize that there is a wicked, super-natural enemy that is out to destroy families, churches, and individual lives. I Peter 5:8-9, "Be sober, be vigilant; because your adversary the devil as a roaring lion, walketh about seeking whom he may devour. Whom resist steadfast in the faith." VISITORS: Visitors last weekend in the home of Mrs. S. M. Harrison were her daughter and son-in-law, Mr. and Mrs. Preston Mitchell and their son Paul of Albuquerque, New Mexico. The Mitchells were here also to attend a reception for art exhibitors who have their work on display at the First Federal Savings located at First Federal Plaza 1300 Broadway in Lubbock. Paul has some of his art work on exhibit there.

For thus saith the Lord God; Behold, I, even I, will both search my sheep, and seek them out. Ezekiel 34:11. WORD of GOD

WORD of GOD

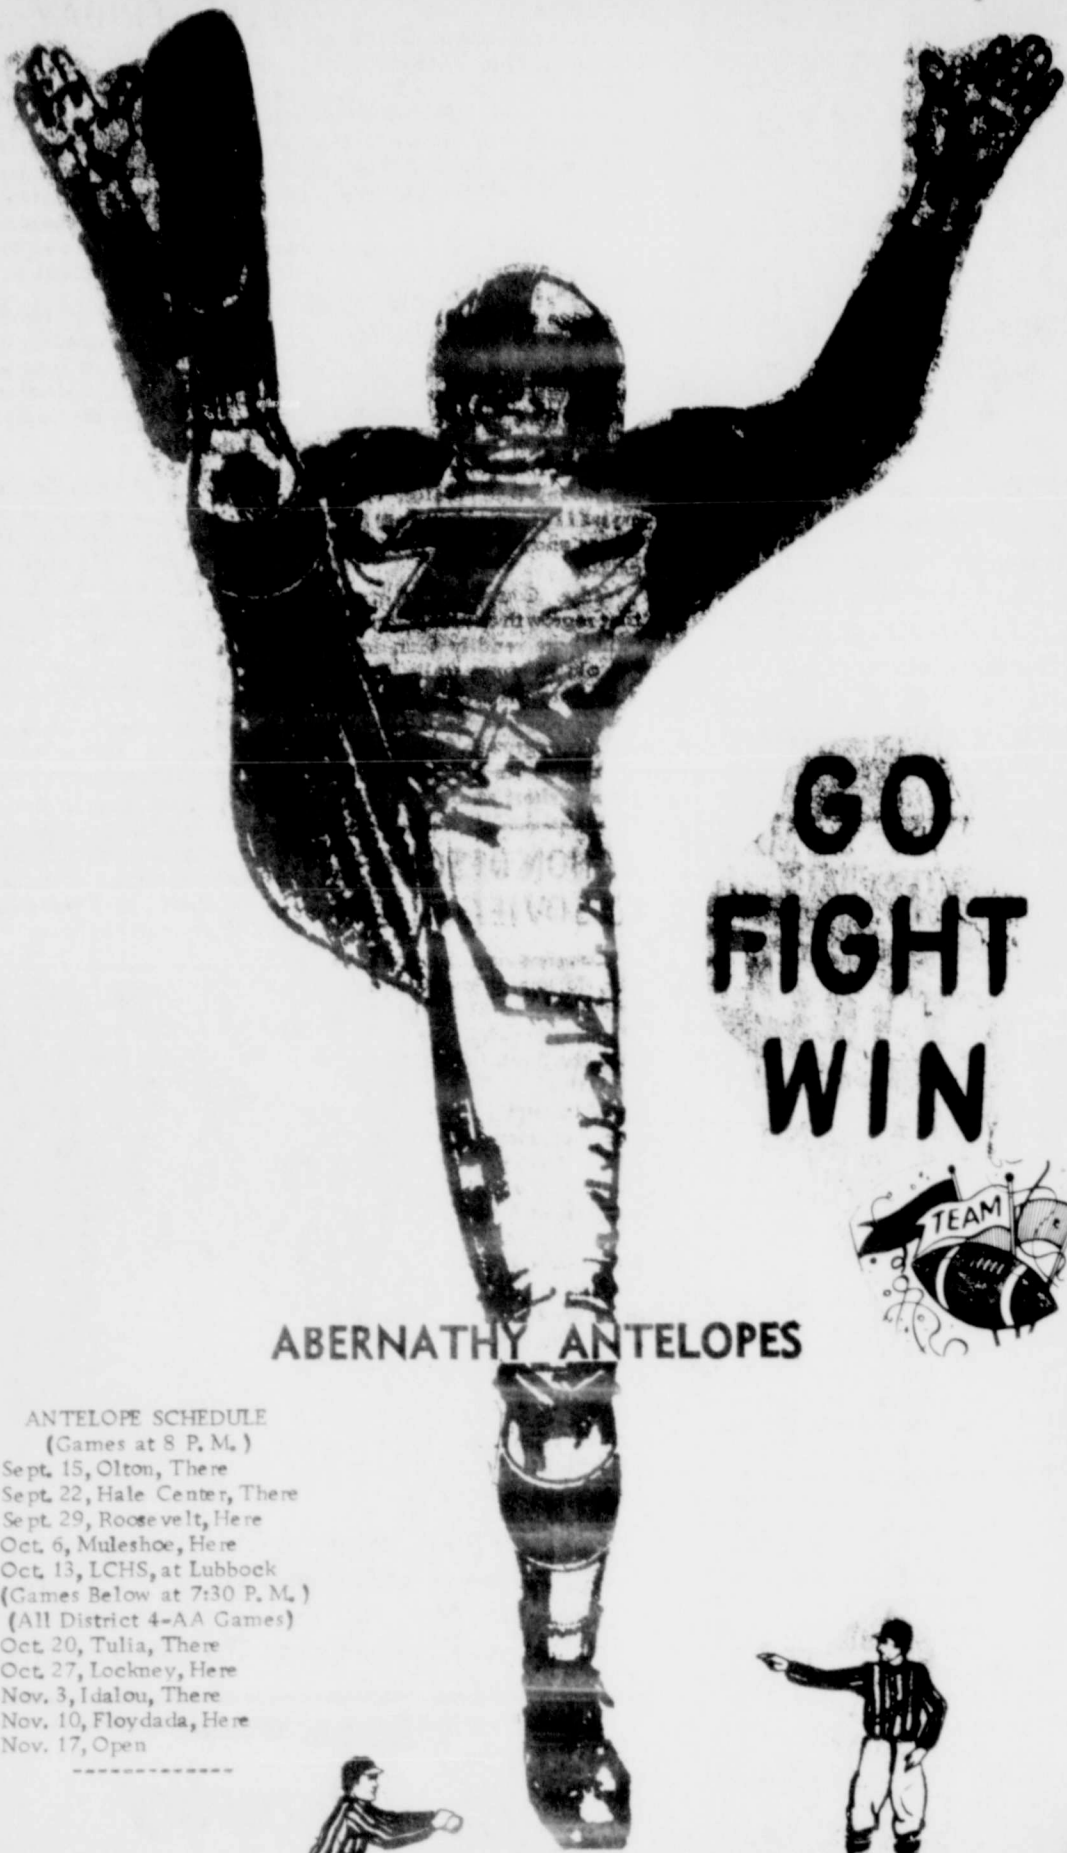

He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust. Surely he shall deliver thee from the snare of the fowler, and from the noisome pestilence.

He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler. Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday.

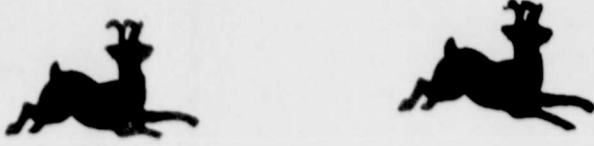

A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee. Psalm 91:1-7. WORD of GOD

defensive line and managed to complete only 3 of 9 passes for 35 yards, one a two-yard loss which he caught after the ball was batted into the air by on-rushing line man Lance Horsford. Two plays later Ken Sanders batted the ball back over Juarez' head as he attempted a pass. To add to this humiliation, the Lopes intercepted Juarez twice, once by Joe Barrera and once by Scott Morrison. Barrera returned the ball 24 yards up field, while Morrison's interception was a diving catch.

Speedster Barrera threw a key downfield block to spring McCune on his 89-yard TD run. Tight end Dean McGuire caught two passes, one off the arm of Heath and one from Cuevas.

It would be hard to single out any one player on defense, as it was a team effort which stopped the Buffaloes. Gang tackling prevailed and the "men in the trenches" continually fought off would-be blockers to nail the ball carrier. Petersburg was forced to punt 5 times, and on one occasion the Lopes held the Buffs inside the 5 yard line

on four consecutive plays. And, the Buffaloes were down 7-28 with less than 30 seconds to play when they scored their last TD.

The home-town fans got a thrill from the word go as Ken Sanders almost broke loose for a TD on the opening kickoff, returning the ball 50 yards before being knocked down by the last man between him and the goal line. A few plays later the Lopes had to settle for a field goal attempt, which was short.

After an exchange of punts, the Buffs were in business on the Lopes' 46 yard line, and from that point drove the distance in 12 plays for the initial score of the game. Jones hit through the middle of the line for the final two yards and the score, and Juarez kicked the extra point.

Dunn returned the ensuing kickoff from the 18 to the 33, but the Lopes fumbled on the first play from scrimmage and Jones recovered for Petersburg. Two plays later the Buffaloes returned the favor when Eric Harkey and David Kennedy popped the ball carrier, jarring him loose from the ball, then fell on the loose ball.

Taking over on their own 33, the Lopes moved up field to Petersburg's 30 yard line before the Buffs took over on downs. From there the visitors began what appeared to be another scoring drive. Jones and Phillips moved the ball to the Antelopes' 36 on 6 carries, then Phillips broke through the line for 31 yards before being hauled down by Barrera on the 5. Jones picked up 3 on the next play, then Sanders shot through to nail Jones for no gain on second down. Jones tried the left side of the line on 3rd down and barely gained a yard, then hit a solid wall of Antelope on his fourth down attempt.

Taking over on their own 2-foot-line, the Lopes moved out to the 11 on three plays, then McCune did his thing, bursting through the middle of the line, swung to his right picking up a key block by Barrera, then out-distanced the other pursuers on his 89-yard TD scamper. Cuevas kicked his first of four extra points, and the score was tied at 7-7, with just over four minutes left in the half.

After returning the second half kickoff to the 29, and aided by a 15 yard penalty against Abernathy, the Buffs moved to the Lopes' 24 yard marker where McCune recovered a Petersburg miscue. On the first play from scrimmage, the Antelope back hit through the middle, shook off a couple of would-be tacklers and raced 76 yards for his second TD.

Following the ensuing kickoff, the Lopes defense forced the visitors to punt from their own 10 yard line, and Barrera returned the kick from the 47 to the 28. A 15 yard clipping penalty from the 39 (point of infraction) and a 5 yard loss, moved the Lopes back to the Abernathy 41. From there they picked up 3 first downs but bogged down and tried their second unsuccessful field goal attempt.

The Buffs moved out to their 45 before Barrera's interception and runback which set the stage for McCune's 31-yard TD run and a 21-7 lead.

Following an exchange of punts, Morrison put the Lopes back in business with an interception on Petersburg's 42. From there the Lopes put on a sustained drive with Lindsey carrying on 5 of the 8 plays, and going the final 2 1/2 yards for the Lopes' fourth and final TD, giving them a 28-7 cushion.

With 3 1/2 minutes remaining, the visitors began their final scoring march from their 29. They got off a couple of 20-plus yard runs then a 12 yarder, but had to use 5 plays and a short penalty against Abernathy to go the final 14 yards for the score. Juarez' EP try was wide. Score: Abernathy 28, Petersburg 13.

Abernathy was penalized 11 times for 92 1/2 yards, and Petersburg received 53 yards on 7 penalties.

"TO PLAY OLTON!" The Lopes will travel to Olton Friday night for their first road game of the season. The Mustangs are also 1-0, blanking Farwell 6-0 last Friday night on two field goals by Brad Allcorn. Tailback Allcorn and Charles Brown are the big offensive guns. The Mustangs' defense allowed Farwell only 71 yards on the ground and 11 passing.

Ford Discusses Transmissions

Following is a statement by Herbert L. Misch, vice president-Environmental and Safety Engineering, Ford Motor Company:

Ford Motor Company is expanding its intensive study of the performance of automatic transmissions installed in its passenger cars and light trucks.

Since last fall, the Company has been cooperating with the National Highway Traffic Safety Administration (NHTSA) in the agency's inquiries into reports of inadvertent slippage from the "park" to the "reverse" positions in some transmissions while the engine is running.

To date the Company has not been able to verify that such slippage actually occurs when the shift lever has been properly engaged in "park," nor have we been able to identify any design reason for such slippage. Nonetheless, if there is such a problem, the Company is determined to locate it and correct it.

Ford will substantially widen the scope of its investigations, and will continue to provide information to NHTSA as well as to evaluate data supplied by that agency in a concentrated effort to resolve the question.

Effective Monday, September 11, Ford Motor Company will:

1. Establish toll-free "hot-line" numbers in five major metropolitan centers -- Detroit, New York, Atlanta, Kansas City and San Francisco -- and invite telephone calls during the following 30 days from any owner of a Ford Motor Company product equipped with an automatic transmission who thinks he or she may recently have experienced a problem involving a transmission slipping out of the "park" gear.

2. Investigate every call using a procedure on preliminary telephone questioning, mail questionnaires and physical inspections, when needed. Teams of trained Company technical personnel will be available to examine vehicles for the purpose of learning as much as we can about the circumstances surrounding each case that appears to warrant in-depth investigation.

3. Arrange for similar procedures to be available to people outside the five test cities who call a local Ford office elsewhere in the United States.

We urge all owners of Ford Motor Company products, who think they may be able to help us in this investigation, to take advantage of the procedure established for interviews and possible inspection of their vehicles.

KING DAVID AND QUEEN ROSI

St. Isidore Youngsters Participate In Fiesta De Colores In Lubbock

Rosi Lopez and David Lopez are King and Queen of St. Isidore Catholic Church. And represented St. Isidore at the Fiesta De Colores Sunday, Sept. 3. Rosi is the daughter of Joe and Carmen Lopez and David is the son of Felipe and Maria Lopez all of Abernathy. The Fiesta De Colores is an annual event held each year.

It started in 1965 when Father Antonio Gonzales was made spiritual director of the Curillo movement for the diocese of Amarillo. The children who represent their parishes raise funds by making bingo suppers, cake sales, selling tamales and making dances. Some make \$300.00 and some have made as much as \$20,000 each year. To which half of what is made goes to the Renewal Center and as results, the beautiful Christian Renewal was built. The Renewal Center is used for retreats such as Cusillo, Jomadas, searches, Turtle weekends, and a lot of other meetings. It is used by the diocese for a lot of other activities, as well as other dominations activities.

Miguel and Gabriel Guillen members of St. Isidore Catholic Church participated at the Fiesta De Colores Sunday, Sept. 3. Miguel and Gabriel were among 14 children who danced three different kinds of Aztec dances. These dances are of how the Aztec Indians worshiped the God, and represent our heritage. Miguel and Gabriel also participated in the dance during mass.

The Fiesta De Colores is sponsored by the Christian Renewal Center in Lubbock.

NAZARENE NEWS

(Editor's Note: The following is from the Sept. 6 newsletter from Abernathy Church of the Nazarene, Rev. Rossell P. Brunner, Pastor.)

S. S. CONTEST
Sept. 24 thru Oct. 29 will be our fall Sunday School contest. Abernathy has not participated in very many contests. We need to participate in this one and PLAN on having an increase in attendance during Sept. and Oct. There is no reason that Abernathy can not grow.

MISSION CONVENTION
Oct. 27-29, 1978 we will have a three day Missionary Convention with Rev. Lee Eby as the missionary speaker. We always enjoy the meetings with our missionaries. They are an outstanding group of workers. It will be an honor to have Lee Eby as a missionary in our Church.

FALL REVIVAL
The board has asked the pastor to hold the fall revival. The singers will be Rev. and Mrs. Richard Wycoff and family, who are the pastorage family at Fort Worth Westridge. The date for the Fall Revival is November 7-12. Pray now for our workers. We need revival.

METHODIST NEWS

The U. M. Y. members and sponsors went to Olton last Sunday night where our youth had charge of the evening worship services at First United Methodist Church there. Rev. Olen Cosby is the pastor at the Olton Church.

Following the worship service the Olton people served supper and a good fellowship time.

Those going and taking part in the worship service were: Beverly and Ronnie Taylor, Shanna and Shelley Toler, Doyle Albrecht, Eric Todd, Heida Whalen and Jill and Lori Havens. Sponsors were Mr. and Mrs. James Taylor, Mr. and Mrs. Hoppy Toler and Sharmin and Mr. and Mrs. Richard Havens and Kara.

There is a new Sunday School class for young married couples, career age, and college age adults at the FUMC, being taught by Colleen Beck. It is called the "Spares and Pairs" class. They will have a Sunday school party this Saturday evening. They will meet at the church at 7:15 p.m.

The UMY meet at the youth fellowship hall each Wednesday evening at 7 p.m. for Bible study. On Saturday nights at 8 p.m. they meet at the fellowship hall for "FRIP Time". This stands for "Fellowship, Recreation, Intersession and Praise." We would like to invite any youth to attend that would be interested in a good time.

Methodist Women

United Methodist Women met at the church Monday, September 11, at 10 AM, to begin a new study "Vision at Patmos" by two young Cuban preachers, Catherine and Luis Gonzalez.

Mrs. L. A. Suttle opened the meeting with prayer by Mrs. Harold Davis. Mrs. Oma Toler led the group in singing with Mrs. Suttle accompanying. Mrs. Hilburn Barrick brought the first lesson on Revelation.

A luncheon was held following the meeting in fellowship hall at 12 noon. Mrs. Barrick offered the closing prayer.

- Bake in small muffin pans, or loaf at 350 degrees.

LETTER:
The following letter is from former Abernathian, Mrs. Patsy Cunningham, who now resides in Denton, Texas.
Dear Friends,
I am enclosing my check for a years subscription for The Review. I was in Abernathy in August, and enjoyed visiting a lot of Friends, but didn't get to see a lot of them.
I am enclosing a recipe that I like very much. If you can use it, I will be glad for you.
Sincerely,
Patsy V. Cunningham

SEVEN LOCAL ARTISTS TO DISPLAY WORK AT ACADEMIC CENTER

Paintings of seven Abernathy artists will be displayed in Academic Center through the month of September. Abernathy schools invite local people to come anytime during the week to see the works of Marilyn Todd, Waunice Newton, George Ridell, Wilma Newton, Angela Pope, Eunice Major, and Georgia Bartlett.

Other local artists are welcome to bring paintings for display to Academic Center or to Georgia Bartlett, Abernathy High School Instructor, in the art. The Academic Center is a show place for student art work throughout the school year. However, classes have just begun and students have nothing finished yet. The Academic Center takes this opportunity to display high quality work for the enjoyment of townspeople as well as students.

Georgia Bartlett teaches art classes at Village Crafts in South Plains Mall, Lubbock, in addition to her work with Abernathy schools. She has paintings in galleries in Dallas and Alamogordo, N.M., as well as the Elegante Gallery in Odessa, the Garland Lott Gallery in Mainview, and The Frame Gallery in Lubbock. As school art instructor, she works in all media but privately paints with oils. She began painting six years ago and does florals almost exclusively.

Angela Pope also shows, judges, sells, and teaches art. She has been painting for three years and specializes in landscapes and florals.

Her work is in oils, Buler's Gallery in Lubbock displays her paintings and she places work in Plainview and Midland-Odessa art shows.

Waunice Newton is a hobbyist who occasionally does paintings on commission. Her work is in oils and she prefers landscapes but does some still life. She has been painting for five years. She took several years instruction in Wichita Falls but works on her own now.

Wilma Newton is also a hobbyist. She does landscapes in oils. She started painting four years ago, studying with Jean Green in Olton and with Georgia Bartlett.

Marilyn Todd is a professional artist working on her doctorate in higher education at Texas Tech. She uses all media and is busy now with paintings commissioned by Furs cafeterias. She will have several landscapes and paintings of homes in the Academic Center showing.

George Ridell is Band Director of Abernathy Schools. His paintings are acrylics used in transparent water color style. He said he lacks the patience one needs in painting with oils. He has done no painting at all the last three or four years. He formerly used the hobby as therapy to get his mind off work he didn't enjoy. He did sell his paintings.

Since coming to Abernathy, however, he has been too busy and too happy to work to take painting as an outlet.

Eunice Major started to painting 19 years ago. She

GRANDSON'S ART WORK ON DISPLAY AT LUBBOCK FIRM

A grandson of Mrs. S. M. Harrison is one of the artist whose work is currently being featured at a show in Lubbock. Paul Mitchell of Albuquerque is one of the New Mexico professional artists exhibiting at First Federal Plaza. The show is hung in the lobby of the First Federal Savings and Loan and is called, "The Lubbock Symphony Benefit Art Exhibit." It will be open to the public until Sept. 27.

Paul, and his parents, Mr. and Mrs. Preston Mitchell, were here this past weekend to attend the opening reception on Friday night.

Paul's works in the show are predominantly pastel and pencil drawings. He also has works currently showing in the Fine Arts Gallery at the State Fair of New Mexico.

WORD of GOD

I will be his father, and he shall be my son. If he commit iniquity, I will chasten him with the rod of men, and with the stripes of the children of men.

AHS, PHS Bands Combine For Halftime Show

(by Eric Todd) Friday night, the AHS marching band and the Petersburg band combined shows for the traditional first game half-time. Petersburg was given a pre-game reception hosted by the Antelopes band. On the field, the Buffaloes led their twirlers in "Star Wars" while the Lopes countered with "Big and Easy, Baby" a fast moving jazz number for the AHS twirlers. Shana Toler, Gay Hobgood, Cindy Gragg and Gerri Booth, both bands played together for "Corrina, Corrina" a tune familiar with most parents. The Antelopes wrapped the show with the Fight Song. In the stands, the band played an array of songs ranging from "The Horse", to a song for the twirlers "Make Me Smile". Tammy Shafer was chosen best marcher while Band Director George Riddell was chosen most spirited.

Fire Department MD Drive Report

Abemathy's firemen gave up their holiday and many gave up a night's sleep standing by telephones and collecting money for muscular dystrophy. Abemathy's contribution to the drive was \$1,554.41. Firemen's wives and other people brought food and snacks to the fire station to keep the men going. Abemathy kids also worked throughout the holiday collecting money for the drive. A final accounting of our firemen's efforts showed \$508.09 cash carried to Lubbock to put in the fish bowl, \$423.32 cash and checks in our fish bowl at Abemathy, and \$623 in pledges. Ray Sanders, V. A. Dodson, and J.L. Miller, Jr. served on the fire department M.D. Telethon Committee which planned and led the local drive. The following is a letter from the fire department to Abemathy people. FIRE DEPARTMENT THANKS

WORD of GOD

Herein is our love made perfect, that we may have boldness in the day of judgement: because as he is, so are we in this world. There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love.

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

"The Tax Relief Amendment" (H.J.R. 1) H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation. Authority where the property tax is imposed. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

AVISO PUBLICO UN RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL 7 DE NOVIEMBRE DE 1978

LA ENMIENDA PARA ALIVIO DE IMPUESTOS (H.J.R. 1) H.J.R. 1 propone una enmienda a la constitucion de Texas permitiendo a la legislatura que exente propiedad personal intangible, requieriendo que la legislatura exente ciertos articulos caseros y efectos particulares; y permitiendo a la legislatura que exente todo o parte de la propiedad personal del hogar seguro, de la imposicion de impuestos estatales y locales sobre propiedad. La enmienda requiere a la legislatura que disponga la imposicion de impuestos sobre tierras agrarias y rancheras basada en su capacidad productiva en vez de su valor de mercado y permite a la legislatura que disponga la imposicion de impuestos a bosques de madera basada en su capacidad productiva. La enmienda permite a los gobiernos locales que extiendan la exencion actual de no menos de \$3,000 del hogar seguro residencial para personas de 65 años a más de edad para incluir ciertas personas incapacitadas. La enmienda concede una exencion de \$5,000 en el valor de mercado del hogar seguro residencial en los impuestos para escuelas públicas sobre propiedad. Autoriza a la legislatura que conceda una exencion adicional de los impuestos para escuelas públicas sobre propiedad de una cantidad que no exceda \$10,000 del valor de mercado de hogares seguros residenciales de personas 65 años o más de edad y ciertas personas incapacitadas. Si la persona de 65 años o más de edad es elegible para esta exencion la cantidad total de los impuestos para escuelas públicas sobre el hogar seguro de aquella persona no puede incrementarse. La enmienda previene que gobiernos locales incrementen los impuestos sobre propiedad a menos que el cuerpo administrativo provea aviso público y lleve a cabo una audiencia pública. La enmienda requiere a la legislatura que disponga por ley que cada propietario reciba aviso de la revaluación de su propiedad y la cantidad de incremento en sus impuestos. La enmienda limita las apropiaciones de los ingresos de impuestos estatales en una cantidad que no exceda la tasa de crecimiento económico estatal que se anticipa, con la legislatura autorizada para conceder exenciones de emergencia. La enmienda prohíbe la valuación de propiedad inmueble a través del estado para los fines de impuestos sobre propiedad. Se requiere que la ejecución de

tan bonos para la reconstrucción o adquisición de facilidades (terrenos, equipos y mejoras) con la intención de desarrollar oportunidades de empleo. Estos bonos se pagarán solamente de los ingresos de la venta o arriendo de estas facilidades. Gobierno local debe determinar que la construcción o adquisición de tales facilidades es necesaria para desarrollar oportunidades de empleo. La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional para disponer que la legislatura puede permitir que las subdivisiones políticas emitan bonos de ingresos, para desarrollar oportunidades de empleo para sus ciudadanos." NO. 3 (S.J.R. 44) S.J.R. 44 propone una enmienda a la constitución de Texas que permitiría que la legislatura autorice a ciudades y pueblos la emisión de bonos de impuestos incrementados para financiar el desarrollo de áreas deterioradas. Solamente se pagarán los bonos de los ingresos de los incrementos en impuestos municipales. No pagos se pueden hacer de los ingresos de impuestos municipales, servicios públicos u otros servicios. La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional que da a la legislatura el poder de autorizar a ciudades y pueblos para expedir bonos para financiar el desarrollo de áreas deterioradas y prohibir cualquier ciudad o pueblo de conceder su dinero a prestar su crédito para tales fines." NO. 4 (S.J.R. 53) S.J.R. 53 propone una enmienda a la constitución de Texas para permitir que la legislatura exente de la imposición de impuestos, aparatos para energía o de viento. La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional autorizando a la legislatura para exentar de impuestos aparatos de energía solar o de viento." NO. 5 (H.J.R. 37) H.J.R. 37 propone una enmienda a la constitución de Texas para conceder competencia exclusiva a jueces de paz en causas civiles cuando la cantidad en controversia no excede \$200, a menos que la legislatura conceda competencia exclusiva a otra corte. La enmienda concede a jueces de paz competencia concurrente con cortes de condado cuando la cantidad en controversia sea entre \$200 y \$500, a menos que la legislatura conceda a la corte de condado competencia exclusiva. La enmienda también concede a jueces de paz

bonds would be payable solely from the revenue from the sale or lease of these facilities. The building or acquisition of such facilities must be determined by the local government to be necessary to develop employment opportunities. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases." NUMBER SIX (S.J.R. 45) S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case." NUMBER SEVEN (S.J.R. 48) S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund." NUMBER EIGHT (H.J.R. 42) H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or otherwise indebtedness or otherwise lend its credit to engage in fire-fighting activities and to issue bonds or otherwise lend its credit to support such activities. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or to issue bonds or otherwise lend their credit for fire-fighting purposes."

"GOD IS TRULY EVERYWHERE" ACCOUNT OF TRIP TAKEN TO MANY LOVELY STATES

Mr. and Mrs. M. M. Bell and Mr. and Mrs. Jack Christian of Lubbock, left the Bell home in Abernathy, July 18th and headed north in their trailer homes. They spent the first night in Trinidad, Colo., and the 19th in a K.O.A. camp in Laramie Wyo. They saw a large herd of deer between Laramie and Rawlins, Wyo. We could see Big Elk Mountain with snow on it as we traveled interstate 80.

The scenic route between Shoshoni and Thermopolis, Wyo. is glorious. Wind River Canyon, with the Wind River winding along the side and the red rocks in the background was the most beautiful and restful drive of the trip. We stayed in Bridger, Montana. We had a pretty scenic drive along the Missouri River, into Great Falls, Montana. We attended the West Side Methodist Church in Great Falls.

We spent one night in Shelby, Montana. The high-ways of Montana are among America's finest and have been designed to allow the traveler to enjoy all the scenery. Our next stop was in West Glacier, Montana. We toured the Glacier National Park, and took a boat cruise on Lake McDonald. This was July 25. When we entered this McDonald Lodge building, there in the lobby was a high decorated Christmas tree, and a fire in the fireplace. We ate lunch here and when they seated us they wished us a Merry Christmas. That was Christmas Day for all the employees, which were university students. A young man played both the organ and piano, he played "Whispering Hope" for us and he also played Christmas carols. It was a lovely

It's Later Than You Think'

A True Story--Author Unknown
This isn't a dream, nor is it just a poem, it is a story of real life - "A Man and His Son."

I've laid awake nights, boy, worrying about you. Worked my fingers to the bone and told you all about Christ. I love you son, don't you ever forget, and I need you now and then to give me a lift. Your singing is good, boy. God was good to you; but just remember son, he gave me my gifts too.

By singing to God, I'll praise him on high, He is there when I need Him, I don't have to stand by.

When you play the organ, and I begin to sing, the light shines from Heaven and oh, the joy it brings. You could help me a lot son, don't wait to late. Thank God for your talent and use it for his grace.

I'm a child of God, my light it shines. I don't have to tell people I'm a christian, it shines in my eyes. I need you son, and I need you now. I grew up here boy! This is my home town. Don't you want to help your old dad, "it's later than you think".

Play for me son - I want to sing and tell all the world what living for Christ is all about. I love my family - they are precious to my soul but remember son "Heaven is my Goal".

Local Girls Are Invited to Join Scout Organization

The first three weeks of September has been designated for organization of Girl Scout troops in the eighteen county area of Caprock Girl Scout Council, according to Mrs. Buster Owens, president of the council.

Invitations to join Girl Scouts will be issued to girls, first through twelfth grades in Abernathy Public Schools on September 8-16, Mrs. James G. Taylor has announced.

Girls Scouting offers girls and adults a multi-faced "World of Adventure" with activities centered in five areas and an emphasis on service to others. Awareness of self, relationship to others, development of values and service are brought about in small groups utilizing self-government and girl-adult partnership.

Caprock Girl Scout Council, with headquarters at 2567-74th Street in Lubbock, served more than 6,000 girls this past year. Events offered to girls included a Brownie Come-Along, Junior Jump-Off and Junior Olympics, Cadette style show and heritage trip to the state capitol in Austin, Tex. to Wyoming National Center West and international travel to Cuernavaca Mexico for Senior girls. Day camping, troop camping and resident camping as well as year-round backpack program was carried out. The council owns two campsites, Camp Rio Blanco at Crosbyton and Camp Haynes located nearilverton.

Girl Scouts welcome girls of all ages without regard to race, creed or national origin. The \$2.00 registration fee provides for accident insurance for girl and adult members. Weekly dues range from five cents up. Uniforms and books are optional. Contact Mrs. James Taylor, 298-4048 before 8:30 a.m. after 4:00 p.m. or Caprock Council for additional information.

MAHAGAN IS ON PACIFIC DUTY

September 11-Navy Seaman Apprentice Arthur R. Mahagan Jr., son of Evelyn Land Arthur R. Mahagan Sr. of 1216 12 St., Abernathy, Tex., recently participated in exercise "Fleetex 2-78" in the Eastern Pacific Ocean.

He is assigned to the frigate USS Bradley, homeported in San Diego.

The 12-day "Fleetex 2-78" involved more than 14,000 personnel, 36 ships and 250 aircraft from Great Britain, Canada, New Zealand and the United States. Designed to provide essential combined training in naval warfare operations, this exercise took place off the Washington, Oregon and southern California coasts. Missile firings were conducted at the Pacific Missile Test Center, Point Mugu, Calif.

"Fleetex 2-78" was under overall command of Vice Admiral Samuel L. Gravely Jr., USN, commander of the U. S. Third Fleet. Major at-sea commands included Rear Admiral R. E. Kirksey, USN, Commander, Carrier Group Three; Rear Admiral W. H. Rowden, USN, Commander, Cruiser/Destroyer Group Three and Rear Admiral R. R. Squires, Royal Navy, flag officer of the First Flotilla.

Mahagan joined the Navy in January 1977.

PWIA FILES NEW LAWSUIT

AUSTIN-----The Texas Department of Water Resources has been served with notice of a lawsuit filed by Plains Weather Improvement Association, Plainview, over the refusal of the Texas Water Commission to grant PWIA a permit for weather modification work.

The dispute appears to center on the election held last November in Hale County on the proposed weather modification work.

PWIA contends improper procedures were used in that election, and that the Texas Water Commission therefore should not have given any effect to the election.

TWC held the election left it without jurisdiction in the matter.

Assistant Attorney General Doug Caroom says the Department of Water Resources has until Sept. 25 to file an answer in the lawsuit, which was filed in 126th District Court here.

Austin attorney Bob Gibbins brought the lawsuit on behalf of PWIA, but was out of town and could not be reached for comment.

IOTA TAU MEETS IN HALE CENTER

The Iota Tau Chapter of Delta Kappa Gamma, an honor sorority for women teachers, held the first meeting of the 1978-79 season in the Hale Center First Methodist Fellowship Hall. A supper was served by the Hale Center members at 6:30 p.m. The buffet supper was followed by a musical program under the direction of Alma Ruth Patterson and Bettie Hardin.

Sandra Williams, the president, called the business meeting to order. New committees were announced and plans were formulated for co-hosting the Regional meeting to be held in Plainview on Saturday, Sept. 16th.

Members attending from Abernathy were Alma Ruth Patterson, Bettie Hardin, Mary Rose Bowen, Ruth Adams, Jan Montgomery, Kathryn Newton, Amelia Ray, Louise Samsel, Marian Struve, Peggy Tooker, Patsy Tucker, Barbara Webb, and Wanda LaMoine.

Thou shalt not covet thy neighbor's house, thou shalt not covet thy neighbor's wife, nor his manservant, nor his maidervant, nor his ox, nor his ass, nor any thing that is thy neighbor's.

WORD of GOD

Palm 135:1-7
Praise ye the Lord. Praise ye the name of the Lord; praise him, O ye servants of the Lord.

Ye that stand in the house of the Lord, in the courts of the house of our God,

Praise the Lord; for the Lord is good; sing praises unto his name; for it is pleasant.

For the Lord hath chosen Jacob unto himself, and Is'ra-el for his peculiar treasure.

For I know that the Lord is great, and that our Lord is above all gods.

Whatsoever the Lord pleased, that did he in heaven, and in earth, in the seas, and all deep places.

He causeth the vapors to ascend from the ends of the earth; he maketh lightnings for the rain; he bringeth the wind out of his treasures.

Average Hale motorist to face \$4 hike

AUSTIN — If there is a such thing as an "average" Hale County motorist, he will face a \$4 increase in auto premium rates.

That amounts to a change of 1.6 percent. The new rates take effect November 1, and are the first statewide change in auto premiums in two years.

The change was included in the decision of the State Insurance Board to approve a 3.2 percent average statewide increase in private passenger auto rates.

In establishing such rates, an "average" motorist is defined as driving a 1978 medium priced Ford, Chevrolet or Plymouth, not for businesses, and with no male operators under the age of 25.

WORD of GOD

And Simon Peter answered and said, Thou art the Christ, the Son of the living God.

And Jesus answered and said unto him, Blessed art thou, Simon Bar-jona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven.

And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.

Matthew 16:16-18

NOTICE
Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for residential and commercial type, small industrial and large gas air conditioning and/or electric generating gas service customers in the rural environs of the 63 cities and towns on its West Texas Distribution System, effective upon the date and to the extent that such rates are finally approved for the said cities and towns. It is anticipated that the new rates will result in a 1.7% increase in Pioneer's gross revenues on its West Texas Distribution System. The increase in Pioneer's aggregate revenues will not constitute a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S.

A Statement of Intent to change said rates was filed with the Railroad Commission of Texas about August 18, 1978, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.
