MRS. ZEMAN CELEBRATED 100TH BIRTHDAY DECEMBER 10

Mrs. Anton Zeman celebrated her 100th birthday Dec. 10th in the home of Mr. and Mrs. Alan E. Aune of Abilene, Texas. Her four children were with her. They are Vera Martinson, Wheeler, Wisc.; Virgil Zeman, Pecos, Texas; Fern Aune & Blanche Cook of Abilene.

Five generations were together for this event: Mrs. Ida Zeman, the honoree; her oldest daughter Vera Martinson; her oldest daughter Halene Stillman; her oldest daughter, Linda Matthews, and Linda's sons Brian and Scott. The range in age is from Scott 3 months to Mrs. Zeman's 100 years.

In addition to Vera, others coming from Wisc. were Mr. and Mrs. Harold Glaser, Ridgeland; Mr. and Mrs. Gordon Stillman, Rapid, Wisc.; Mr. and Mrs. Terrance Matthews and sons, Franksville. Other relatives included Mr. and Mrs. Alan Ray Zeman and Mrs. V. J. Zeman, Pecos; and Alan E. Aune.

Mrs. Zeman received many telephone congratula-

tions from friends and relatives. Also treasured by Mrs. Zeman are many, many cards, letters, flowers and other gifts.

Over Thanksgiving two of her nieces from Melrose, Wisc., came to visit. They are Mrs. Freda Mc. Corison and Mrs. Vergie Zeman.

The birthday festivities will extend into the Christmas Holidays when two of her granddaughters will arrive with their families. They are Fern's daughters: Hilda and Calvin Rawweller and son Bill of Westbury, New York and Donna Carlson and daughter Lynn and Karen of Saratoga, Calif.

Mrs. Zeman continues to enjoy many things. She sees well, so ready, crochets, and plays a keen game of dominoes. She is truly a remarkable lady.

Winners Dec. 23 In Local Drawings

Santa Claus, in the form of two local business places, was good to four local residents in separate drawings Saturday, Dec. 23.

Vicki Blevins, 1208 Ave. C, was winner of a television set given by Cynthia's Gift Shop, 914 Ave. D. She is a granddaughter of Mrs. Marie Campbell. Drawing Vicki's name was Kathy Hawkins, who resides on a Lubbock Rural Route in this area.

There were three winners in drawings at Donnie Mauldin's Don's Exxon Service Station, 1701 Ave. D. Drawing the names was the Mauldins' 3-year-old grandson, Brandon Lee Martin of New Deal. Winners were Bryan Stewart, an AM/FM radio; Melinda Honford, a B/W television set; Bill Scott, local manager for Southwestern Public Service Co., a color television set.

Both businesses, Cynthia's Gift Shop and Don's Exxon, opened here recently.

(To satisfy postal regulations, The Review must add this: "No purchase was required to sign up for the prizes and those whose names were drawn did not have to be present to win.")

Unmerry Christmas For Five In Wreck

Five people went to the hospital Christmas Day as a result of a two-car wreck at the intersection of FM 597 with the Lubbock highway. This is the third accident in a week at highway intersections with city streets.

Local drivers must keep in mind that the service roads are now THE HIGHWAY and will be for some time. As on any major highway, the traffic is high speed and not prepared to stop. Drivers trying to cross or pull onto the highway (former service roads) must be cautious and use good timing and judgement.

Oil Mill Has Annual Meeting

Members attending the annual meeting of Plains Cooperative Oil Mill were extremely pleased with Manager Edward Breihan's report to the membership. He reported net earnings of \$11,339,008 from the processing and marketing of the 439,301 tons of 1977 crop cottonseed receipts. The final crush, completed on November 26th, reflects a seed price of \$110.02 per ton on the 1977 crop. Of this price, PCOM members received \$9.65 per ton in cash, \$11.81 in equity credits, and \$5.56 was applied to dormant plant expenses and prior years' corporate losses.

Breihan stated that, "Member equity in the mill increased by \$6,990,302 from the past season's crop and is now back to a respectable \$12,500,000." He continued, "Working capital is reasonably adequate, almost all fringe problems are gone, and a new \$10,000,000 solvent plant construction problem is underway, with expected completion in November, 1979." He paid tribute to the 87 gins and 14 elevators, working with dedicated employees, for their cooperation and support. Breihan added, "This report reflects the degree of financial stability to which this mill has returned to just three short years."

Other special reports presented to the meeting included a report by President Joe Rankin and a slide presentation on the AIC National Institute of Cooperative Education by Teddy and Vicki Smithson, a young farm couple from Dimmitt, whom the mill sponsored to the National Institute.

Holiday Death Rate Is Expected To Be Higher

AUSTIN--The director of the Texas Department of Public Safety today warned that the upcoming Christmas and New Year holiday periods could be the deadliest in recent years.

Colonel Wilson E. Speir said that while traffic deaths statewide have been running about eight per cent over last year, death counts for the 1978 July 4th and Labor Day holiday weekends ran 40 to 45 per cent over 1977.

Based on these trends, Speir estimated that 44 persons will die in Texas traffic during the Christmas weekend from 6 p.m. Friday, December 22, through midnight Monday, December 25. He said another 35 deaths are likely in the New Year period from 6 p.m. Friday, December 29, through midnight Monday, January 1.

At the end of preliminary holiday counts last year, 34 deaths were reported in the Christmas period and 30 during the New Year holidays.

Speir said all available DPS troopers will be on duty, and they and local officers will be working to keep traffic moving safely.

"I have asked our personnel to place special emphasis on removing drunks and reckless drivers from the streets and highways," the DPS director added.

"We will continue to work with the news media to keep motorists posted on unusual traffic conditions, and to advise them on where and why serious holiday accidents are occurring," Speir said.

He noted that if present trends continue through the end of December, the state's traffic death toll will reach or exceed 4,000 for the first time in history. A record 3,698 persons died in Texas traffic during 1977.

Blackeyed "Beans" For New Year's Day

COLLEGE STATION---Prepare blackeyed "beans" for a traditional New Year's feast.

That's correct, this ever-popular New Year's dish is not really a pea--it's a bean, a food and nutrition specialist, Marilyn Harard, says.

But, tradition dictates that blackeyed peas are known as peas--and will probably continue to be called peas.

Whether pea or bean, no New Year's day celebration would seem right without them, the specialist points out.

Miss Haggard is with the Texas Agricultural Extension Service, The Texas A&M University System.

PREPARATION

When preparing black-eyed peas, soak the peas before cooking to reduce cooking time.

First, boil them in water for two minutes, remove from the heat and soak for one hour.

Now, they're ready to cook.

Or, to soak the peas overnight, start with the two-minute boil--the brief boil will keep them from souring and help prevent hard skins.

Then, leave the peas to soak until the next day.

SEASONING

Season with one teaspoon salt for each cup of dry peas, the specialist continues.

Salt pork and bacon are old standbys for seasoning, but chopped ham or smoked turkey left from the Christmas celebration are great also.

Add pepper, garlic and

Barbecue Blackeyes

one-garlic in small amounts--one-fourth teaspoon per pound of dry peas--to enhance flavor.

SLOW COOKING

In the slow cooker, soak the peas overnight, then cook the soaked beans in water on "high" for two to two and one-half hours.

Reduce control setting to "low", add seasonings and meat and cook for eight to 10 hours.

For less watery peas, use less water, she recommends.

For a change of pace, try Barbecue Blackeyes.

BARBECUE BLACKEYES

4 slices bacon
1 large onion, chopped
3 cups drained cooked or canned black-eyed beans
1 cup bean liquid
1/4 cup of your favorite barbecue sauce
1 teaspoon prepared mustard
1/2 cup diced green pepper
1 cup coarsely crushed potato chips

Cook bacon crisp in skillet or saucepan. Remove bacon.

In the hot fat, cook onion until thoroughly heated.

Add beans, liquid, barbecue sauce and mustard, mixing lightly. Simmer 15 minutes adding more liquid if needed.

Just before serving, stir in green pepper and potato chips and heat a minute or two longer.

Serve topped with bacon. Makes four big servings.

FRIED BLACKEYED PEAS

Fry a slice onion, slowly in fat until lightly browned.

Add leftover blackeyed peas, and fry until hot and tasty.

4-H Council Has Meeting

The Hale County 4-H Council met last Saturday morning, December 9, at 10:00 a.m. in the Agriculture Center Conference Room, states Assistant County Extension Agent-Naomi Wheeler. Sixteen members from five clubs were present.

Tanya Tyer, secretary of the council, presided over the meeting in the absence of President Kevin Igo who was "ANCPY RED" in Lubbock that morning. (And congratulations to Kevin and the whole Plainview Bulldog team on a fine season!)

The Pledge to the American Flag was led by Cindy Davis of Abernathy, followed by the 4-H Motto and Pledge led by Kevin Stout of Hale Center.

Hale Center, Petersburg, and Halfway representatives reported on seeing the film "John Baker's Last Race". Jim Bob Carver of Cotton Center reported on their Christmas Party and plans to paint trash barrels for the Stock Show and for Cotton Center merchants. Looks like Cotton Center is off to a roaring start for the new year.

County Wide Recreation plans were finalized by the delegates present. All 4-H'ers, leaders, and parents in Hale County are encouraged to attend this function, December 16, 7:30 p.m. at the Ag Center. Assignments were made to the clubs to bring refreshments. These were Cotton Center-hot chocolate, Halfway-popcorn, Hale Center and Plainview and Abernathy-cookies, Petersburg-punch and ice, Edmonson-spiced tea. Club members will also bring card games and dominoes.

The Adult Leader Party planned for that night, December 9, was canceled because of the Plainview game, pheasant season, etc. which caused the response to be low. Kevin Stout suggested a new date be set in February.

Tanya Tyer adjourned the meeting at 11:10 a.m. All council delegates are reminded that their next regular council meeting will be held on Saturday, February 10, 1979 with the location to be announced at a later date!

These announcements should be of interest to all area 4-H'ers:

- 4-H'ers interested in the rifle team should begin calling the Extension Office to sign up. This project will be led by Gene Latham and Ron Ainsworth.
- Electric Camp will be held July 16-20. Any Senior 4-H'ers are eligible to attend and eight can go from Hale County this year, so be thinking about this and get your name turned in.
- Any 4-H'ers who are seniors in High School should check with Naomi at the Extension Office to see what scholarships may be available to them.
- All club reporters are

reminded that they should promptly turn in their club news to the Extension Office. Also, Doyle Patten of KKYN radio will soon be leading a media project "So You're a Publicity Officer" to all club reporters and other interested 4-H'ers. Call Naomi for more details.

Six surrounding counties had their agents and leaders in attendance at the Method Demonstration Workshop led by Martha Couch, Area 4-H and Youth Specialist, on Tuesday, December 12, from 9:00-12:00 noon at the Ag Center.

Those present got tips on preparing and presenting demonstrations and illustrated talks. All 4-H'ers should start deciding on a topic or idea and check with your leader or the Extension Office to help you work on your method demonstration.

A Petersburg 4-H'er, James Martin, presented his illustrated talk on grain sorghum vs. cotton. He did a fine job, and those present got to see a "live" presentation.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic levels, race, color, sex, religion, or national origin.

When Santa Claus came to town, December 21 his first stop was in front of the City Hall. Santa arrived via Abernathy Fire truck at 10:30 a.m. to talk to the children and give them a "bag of goodies". The reactions were varied. Some of the children were over joyed at seeing Santa, some were not so sure, and some shed a few tears until they saw Santa was kind and gentle and had a sack of goodies for them.

Pictured from L. to R. Santa is shown holding Christopher, infant son of Mr. and Mrs. Sylvester Torrez, center shows Hale Co. Deputy Sheriff Dayton Marr helping Santa with the sacks for the children; last but not least is Santa talking to Misty, 2 daughter of Mr. and Mrs. Johnny Spradling.

JOY OF SHARING

After working for years on a light bulb, Thomas Edison finally made his first. He was so happy. Handing it to his lab boy, he said, "Take it downstairs, and we will turn it on."

Nervous with excitement, he fell down and broke the bulb! But the way to come back is to go on. And Thomas Edison went on to make the second bulb. When he finished it, he trusted the same young man, saying, "Take it downstairs, and we will turn it on!"

Have you made a mess of things? You do not have to stay the way you are--ashamed of yourself and a shame to others. Your character can be changed. You can become a new person. Your life can be beautiful.

The Lord will not give up on you. To Him your problem is a possibility in disguise. Your sickness is an opportunity for healing. Your sin is an opportunity for forgiveness. Your defeat is an opportunity for victory.

He will erase your past and empower you for the present. Your age is immaterial. No matter how deep your rut or how long you have been in it. The Lord is able to change you--if you will put yourself into His hands.

The crux of the matter is your will. Will you give yourself to the Lord and let Him give you a new life, a new start and a new success for this new year?

News From The Antelope Outlook

MRS. PHILLIPS BECOMES SECRETARY IN ELEMENTARY: Mrs. Martha Phillips is the new elementary secretary. She started her new job October 30.

Although her position is new, she is not new to the school. Mrs. Phillips has worked in the Abernathy school system for about one year as a substitute teacher.

Mrs. Phillips is replacing Mrs. Durett. Mrs. Durett retired from being with the Abernathy school system for twelve and one-half years.

JUNIORS PURCHASE RINGS:

The junior students are breaking open their piggy banks once again. Gene Bates, representing the Star Engraving Company, stopped by December 6 to prepare the eleventh graders for the sacrifice. The price of class rings has gone up considerably since last year. That is to be expected when dealing with gold though.

The company came out with a new metal called Starium. This is a metal composed of nickel, stainless steel, and other nonprecious material. Costing almost \$40 less than yellow gold, this metal will probably be the choice of many.

Plams 79:13

Profiles and Things

by don watkins

My "bos" constantly harasses me about my putting things off. As far as I'm concerned, it's a little unfair. Just because a few dozen do lists lie around doesn't mean that I'm not going to finish the projects. After all, if I didn't intend to I wouldn't keep writing additional lists to stow on top of the old ones.

Take, for example, my unfinished chopping block table. It is an understatement to say the Mrs. has mentioned it of late.

"When are you going to finish my table?" she asks. "Oh, in a couple of days."

"You said that last month." "Look, you know it wasn't last month."

"You're right," she says sarcastically. "It was several months ago."

"Now you're getting picky," I tell her. "Besides, I can't do everything at once. I still have the rocking chair to finish."

"Yes, I know," she replies. "You began stripping that chair summer before last."

"Gad, what a memory you've got."

"One of us has to have or nothing would ever get done around here."

"Okay, okay," I say in an effort to end the conversation. "I'll get to the chopping block tomorrow."

As she leaves the room, I breathe a sigh of relief. I silently admit she has a small point, but we men know how women are prone to exaggerate. Anyway, who wants to be out in a cold garage while the Cowboy are doing their thing.

At the instant I settle back in the chair to relax, her strident voice yells from the kitchen.

"And if, (emphatically) you do happen to finish the table, you might replace the tile you promised weeks ago."

"Wh' t' tile?" I yell back. "The tile over the bathtub, that's what tile," she shouts. "And if the man of

the house (sardonically) completes that little job, he might make the benches for the dining room table I've been asking for for months."

I glance toward the kitchen and WHISPER, "Woman, you've gone too far."

And she has. My male pride has been severely damaged and my feelings hurt. Now, I'm really gonna start procrastinating--that is, if I can ever get around to it.

"AROUND TOWN"

Mr. and Mrs. Kenneth Evans and Susan spent the Christmas holidays in DeKalb with their parents, Mr. and Mrs. Raymond Evans.

Mr. and Mrs. L. S. Chen flew to California for the wedding of their daughter Doris Mingsee to Dr. James Jun-shou Peng.

Martha Benn of Norwalk, Conn., is visiting her mother, Mrs. Chris Benn, and other relatives here during the holidays.

The Loyd Hancock family of Wichita Falls visited here in the Millard Hancock and A. N. McMillister, Jr., homes during the holidays.

The daughter of Mr. and Mrs. Hugh Pettit, Melinda, of Hollywood, Calif., is visiting here during the holidays.

Henry Bryant of Lodie, Calif., has returned home following a visit here with his mother, Mrs. W. M. Bryant.

Mrs. Helen Tucker and son Lee of Chillicothe were here Saturday to see their daughter and sister, Miss Patsy Tucker. They all went to Brownfield to spend Christmas with another son and his family, Mr. and Mrs. Ray Tucker and Chris.

MRS. JAMES NEAL DRACHENBERG

Godwin-Drachenberg Exchange Vows Dec.23

Susan Kay Godwin and James Neal Drachenberg were united in marriage Saturday, December 23rd, 1978 in the Redeemer Lutheran Church, Lubbock with Pastor James R. Haner officiating.

The bride is the daughter of Truman D Godwin of Abernathy, and the bridegroom is the son of Mr. and Mrs. W. A. Drachenberg of Smyer.

Given in marriage by her father, the bride wore a Queen Anne dress of white quina knit. It had long bishop sleeves of chiffon gathered to wide cuffs bordered with scalloped lace and accented with pearl buttons and loop closures, and the skirt drifted into a chapel train.

She wore a matching lace camelot caplet which fell to mid-length.

Johnny Drachenberg, brother of the bridegroom, served as best man. The groomsmen were Skip Alexander, and Raymond Drachenberg, also a brother of the bridegroom. The ushers were Bob Druce of Lubbock, and Freddie Drachenberg, cousin of the bridegroom.

Matron of honor was Mrs. Bob Druce of Lubbock. Mrs.

Silas Besse of Lubbock, sister of the bride, and Amy Pickett of Post were bridesmaids. Special music was provided by Mrs. Bill Hardin of Floydada with Barry Watts of Lubbock and Mona Dean of Floydada presenting the vocal selections.

Guests were registered by June Sanderson of Abernathy, and following the ceremony there was a reception at the church.

Susan is a former Lubbock resident and a 1978 graduate of Texas Tech University with a Bachelor of Science degree in Microbiology. James is a student at Texas Tech majoring in Agricultural Engineering.

After a wedding trip to New Orleans, Louisiana, the couple will reside in Smyer.

BRIEF:

Mrs. Lola Griffin of Lubbock had Christmas Eve dinner with Mr. and Mrs. Buford Davenport and Mr. Mrs. Richard Havens and family in the Davenport home.
