ABERNATHY C of C PLANS BIG FOURTH

(By Vicki Havens)
The Chamber of Commerce headed up by president Bill Scott have been working on the activities for the annual 4th of July celebration for Abernathy.

The Chamber of Commerce gives the local citizens and surrounding neighbors a special invitation to take part in this special day.

On July 3rd at 7 p. m. the Young Homemakers will be sponsoring a Miss Cinderella-Girl Pageant in the high school auditorium. There will be four age groups competing for titles, crowns and talent awards. The winners of this pageant will be riding in the 11 a. m. parade on July 4th. Then at 12:30 p. m. on July 4th the winners of the pageant will present their talent for the public in the Fire Hall before the Old Fiddlers Contest gets underway at 1 p. m.

July 4th at 9 a. m. the events of the day will get underway when Chamber president Scott gets the turtle race underway and the frog jump going. There will be prizes awarded for the prettiest turtle and frog. So everyone be on the lookout for a turtle and frog for this event.

There will also be a sack race headed up by Dale Thickett for three age groups, 4 to 12 years, 13-19 and 20-100 just north of the post office.

If horseshoe pitching is more your thing go south of the jail and see Jim Thomas and Jesse Morrison who will be in charge of this event.

Bill Gist will be handling the Egg Toss which has been one of the popular events of former July 4th activities. Ages for this will be from 1-16-50¢ a team and 17-100-\$1.00 a team.

There should be something for everyone to enjoy so join the fun and fellowship.

At 11 a. m. Ruwayne Struve-parade chairman will have all the entries lined up and the parade will begin in front of the school.

Robert Garvin and Coot Evans are parade marshals. They report that Becky Albers the National Queen of America Association of Sheriff Poses and Riding Clubs will be riding her horse in the parade. Becky is a 1978 AHS graduate and is a daughter of Betty Albers of Abernathy.

Tommie Lane and Janice McKenzie announce that at this time there have been six floats entered in the parade. They are Girl Scouts, 4-H Club, F.F.A., Abernathy Young Farmers, Classroom Teachers and the Music Club. There will be cash prizes for the first three winners. First place will be \$175.79, second place will be \$150.79 and third place will be \$125.79.

Others taking part in the parade will be the AHS High School Band, and also there will be a band made up of AHS Exes that were band members. (There was a story in the last edition of The Review and another one in this edition for more information.)

There will be the Abernathy Riding Club and area clubs have been invited to ride in the parade. All you children, youngsters and (any age) are invited to decorate your bikes and join in the parade. There will be cash prizes for the three winners. So line up and join in.

Following the parade at 11:45 a. m. there will be a flag raising ceremony in front of the city hall.

At 12 noon there will be a Bar-B-Q meal served at the fire station also.

All of the places for booths under the canopy have already been spoken for reports Tommie Lane and Janice McKenzie. The Abernathy Baseball Assoc-

ation will serve ice cream; Methodist Youth will have tea, lemonade, brownies and cookies; County Line Club will have food and drinks and will also have a drawing for a quilt they have made. (They also had a story in last week's Review). The Boy Scouts will have the coke stand; the Brownies will be selling snow cones; the Girl Scouts will have their annual cake and pie auction; the Music Club will sell ice cream over on the northeast corner of the post office and the Eastern Star will have their baked goods and homemade items set up in front of the post office. They will also cook pancakes from 7 till 9:30 a. m. July 4th in the Masonic Hall, at 709 Ave. E and the Booster Club will have a hamburger stand. It looks like everyone should be able to come out and find nearly anything they want to eat, play, watch and visit with friends. The Church of Christ will have a booth with literature. Not to forget that the Lions Club will have their famous dunking board. This may be the coolest place during the days activities.

There has been alot of hard work and time spent in planning this day for everyone to enjoy so please make plans now to come to Abernathy and spend the July 4th holiday.

Phil Grindstaff is the chairman in charge of getting everything set up on the city square and he needs all the help he can get from the chamber members and local citizens. If you are willing to help be at the city square late Tuesday afternoon (July 3rd) and pitch in. They have to move chairs from the local churches and get the booths and alot of jobs to join in and help get ready for the Fourth.

Ruby Booth and Ruedell Hill report that there will be a street dance on July 4th at 9 p. m. at 12:30 a. m. somewhere around the city square. "Sweet Country" of Lubbock will provide the music for the dance.

There will be a \$1.00 charge for the dance both for those dancing and those just watching. Any of the money that is left over from paying the band will go to the Ex-Students Association. There was a large crowd last year and the ladies reported that there was alot of request for the dance again this year.

See the schedule of the Chamber of Commerce sponsored events of the day on the front page and decide what will interest you the most and join in the celebration.

Band Information For July 4th

Members of the AHS Antelope Band and recent exes will march in the local July 4th Celebration parade. The band will practice on Tuesday evening, July 3, from 7:30 to 10 at the band hall.

The band will play "Emperata" in the parade which starts at 11 AM, and will combine with the "Blast From The Past" band to play the "Star Spangled Banner" at the flag raising ceremony at 11:45 in front of City Hall. The band uniform will be maroon tee-shirt and blue jeans.

If you are wanting to participate, please be at the rehearsal.

GOLF TOURNAMENT STARTS HERE JUNE 30

A partnership golf tournament is to begin Saturday morning at Abernathy Country Club.

Good Civic Building Bid Cheers Council

The bid accepted by Abernathy City Council for construction of the Community Civic Building and Community Library was \$48,500,29 LESS than the estimated cost of the project. The council considered bids from seven contractors at a special meeting Thursday, June 21 at 4 PM.

Ed Lampe submitted the low bid of \$148,018. The original estimate was \$201,499,71 and the city voted a bond issue for \$250,000.

Lampe agreed to finish the project 200 days after contract signing, the shortest time limit proposed by any of the bidders. Other contractors who submitted bids were Bundoek Construction Co., Mike Klein Construction Co., Lee Lewis, Pharr Construction Co., Teinert & Son, and C. B. Thompson Construction.

"It was a great bid for the building," said City Manager Larry Fields. "It also helped out our architect and engineering fees."

When the project was planned, the city chose to pay the architect 9 1/2% of the contract instead of paying a flat fee. Since the project will cost less than expected, the 9 1/2% will also amount to less.

When asked to what he attributed the surprisingly good bid, Fields replied, "I think the whole thing was timing. Contractors are in a slow period and we rushed to get the project on this spring's ballot, hoping to attract lots of bids."

"Another reason," he said, "is that because of the timing, the contractor has mostly good building months and will be working on the inside by winter."

Fields said the whole project has gone amazingly well from the beginning and added, "It's a good and happy note on which to end my stay in Abernathy."

Fields and his family will move to Graham the end of next week. The present city manager of Graham will retire in a few months and Fields will take over his responsibilities.

Bluebonnet Quilt On Display At Struve Dry Goods

There will be a drawing July 4th for the beautiful quilt displayed in the west window of Struve Dry Goods, next to Pinson Pharmacy. The Bluebonnet Quilting Club of Abernathy makes a quilt annually to be given away at the Fourth of July celebration.

Tickets for the drawing are \$1 each and are available at Struve Dry Goods or Bluebonnet Quilting Club members. Proceeds from the tickets benefit the Abernathy Cemetery Fund, which pays for upkeep of the cemetery.

This year's quilt has multi-color flowers with yellow centers, blue lining, yellow binding, and blue stitching. Mrs. Oma Toler says the club members think it's the prettiest quilt they have ever done.

David Thomas Injured In Farm Accident

David Thomas, who farms west/northwest of Abernathy, sustained major damage to his right arm one day last week in a farm-related accident involving the power lift mechanism of a tractor. He underwent about four hours of surgery at Health Sciences Center Hospital in Lubbock to repair the arm damage. David is the son of Mr. and Mrs. Harold Thomas.

KYM THOMPSON "MISS WAYLAND" HONORED AT RECEPTION JUNE 26

Plainview, Special-Kym Thompson, Miss Wayland 1979, daughter of Mr. and Mrs. J. Pete Thompson, Abernathy, was honored with a public reception and style show on Tuesday evening at 6:30 p. m. in Harrel Memorial Auditorium on the Wayland campus.

The reception was a good luck send-off prior to her departure for Fort Worth where she will compete in the Miss Texas Pageant next week. Hostesses included Penny Wellborn Golden, Miss Wayland 1977, Donnette Williams Keltz, Miss Wayland 1976 and Babs Tatum Lombard, Miss Wayland of 1973.

Miss Thompson modeled her Miss Texas Pageant wardrobe which was provided in large measure by Plainview merchants. The business community provided the dark haired beauty with more than \$2000 worth of goods and services.

In addition to wardrobe items provided by Plainview firms, Miss Thompson modeled her competition gown which was designed and made especially for her by an El Paso fashion house. She also performed the gymnastics routine with which she will compete in the talent portion of the Miss Texas Pageant in Fort Worth, July 4-7.

Miss Thompson met the last Miss Plainview, Cathie Moore who represented the city in the Miss Texas Pageant in July of 1970, when she recently returned to town. Miss Moore has recently joined the staff of Wayland as administrative assistant for the Hawaii program.

Miss Moore and Miss Thompson found that they had many things in common since both are gymnasts. Miss Moore did a routine on the uneven parallel bars and Miss Thompson will perform a jazz-gymnastics floor exercise.

In discussing the state pageant then and now, Miss Moore pointed out that her reign came during the time

when there were very few who tried a second time for the state crown. Miss Thompson will face some 13 young women who are trying for the second and third time for the coveted title.

The Miss Plainview Pageant was the first for Miss Moore who later competed in the first Miss Wayland College Pageant and in her hometown pageant, Hobbs, New Mexico.

Miss Thompson is a veteran pageant contestant and last year was first runner-up in Miss South Plains USA and was a runner-up in the Miss Wheatheart of the Nation Pageant.

Miss Thompson will leave for the Miss Texas Pageant tomorrow, June 29 and will return on July 8 following the televised finals on July 7.

During the Tuesday evening reception, Miss Thompson modeled for and paid tribute to the 30 businesses who have supported her in the pageant.

Dresses have been provided by Sears, The Dixie Shop, Place Around the Corner, Jacques, Dargans, Masson, Penney's, Skibels and The Bridal Shop. Panties were given by Kristie, Seas and Anthonys. The Yardstick provided material, Pattern, and notions for a gown.

Businesses who have given shois include Mars and Son, Gabriels, and Haydens. Jewelry contributions include Paynes, Zales, Evalenes Imports, Vanderpoels, Margarets, W-G Pharmacy and Penneys. Cosmetics and toiletries have been given by Hollands, West Pharmacy, Merle Norman Studio and Mrs. A. P. Dalton for Mary Kay. Kaki's has provided lingerie, Cleveland Athletics has given sportswear. Photographs of Miss Thompson have been provided by Don Dixon at Don's Photography and hairstyling has been done by Paula Ybarr at Hair Elite.

E.E.R.? I never worried about it until I found out what it meant.

When I discovered that an air conditioner with an Energy Efficiency Ratio (E.E.R.) of 10 was twice as efficient as one with a rating of 5, it got my attention. Because with electric power at its present price and likely to go higher in the years ahead, twice as much cooling for my money makes real sense.

So shop for the higher E.E.R. rating when you buy any appliance and compare prices. Just remember that a higher E.E.R. means less electric energy required. And conservation of power is the only sure way to save on your electric bill.

Notes and Comments... by Buford F. Davenport

NGC--I heard this story about one of Abernathy's Methodist Ministers. I didn't take notes, so I'll give it to you as I remember it: From Amarillo, he went to a nearby town to do an evening service at a church whose pastor was away. In a hurry to get home, the minister lead-footed up to near 85 miles per hour (in the days before the 55 limit). The DPS man didn't take kindly to the pastor's speeding. The Trooper's first question to the minister was "do you have a license to fly?" "Yes, sir, I have," the minister replied as he produced his pilot's license for the officer. "Well, I asked for it," the Trooper said. The minister didn't get a speeding ticket, but was admonished to "hold it down."

NGC--Big things are going on in the relatively small telephone exchange building at the West end of 10th St. ... about \$300,000 big. Official information is expected sometime in the next two months from General Telephone Company of the Southwest. It will concern new, modern long distance telephone equipment. It is supposed to eliminate one step in distance dialing, the telephone operator coming on first and asking your telephone number. When you call long distance, the first voice you hear should be coming over the phone at the number you dial. However, the very necessary person, the telephone operator, will be available to assist when needed. As I understand the upcoming improvement, your long distance calls will be recorded automatically as to time talked and toll charge. This should eliminate the practice of someone making a long distance call and giving your number to the operator and it coming out on your bill. Earlier this year, General Telephone Company made available to its customers the new touch phone. Now, you can choose between push button, or you may keep your conventional dial system. If you want to change from dial to push button, call the telephone company business office. The phone number is on page two of your directory.

NGC--Update on Abernathy's contribution to the entertainment world: Mrs. Emma Toler was informed last week that her grandson, Jay Johnson, was to board a ship in New York City June 26, bound for Santo Domingo. He will be in a movie that is to be made on the trip. It will be shown on paid television. In the meantime, Jay's wife will be involved in the entertainment profession halfway around the world, in Australia, for about a month. Upon his return from Santo Domingo, Jay will do some work in connection with his entertainment career in New York. Jay is a son of former Abernathians Mr. and Mrs. Noel Johnson of Richardson.

NGC--Clyde Hodges, who was one of several hundred men in the Armed Forces from Abernathy during World War II, last week sent a message to me. It was his thanks to me for sending The Abernathy Weekly Review to him without charge during the time he was in the Armed Forces during the WW-II years. The person who brought the message to me said that Clyde, now residing in Plainview, expressed his appreciation and told how much he had enjoyed reading The Review. His thanks must go to several persons involved in the sending of

The Review to servicemen. Shortly after FDR and Congress declared that a state war existed, in December 1941, there was an Abernathy Community meeting with a large attendance in what is now the old gym at the local school. At that meeting, J. C. Hurst, owner of The Review at that time, announced that The Abernathy Weekly Review would be sent free of charge to all men in service for the duration they were in the Armed Forces. Mr. and Mrs. Hurst, both now deceased, deserve any thanks that have been expressed by the men in service who received The Review. At that time, I was editor of the Hurst's Abernathy Weekly Review and was receiving a salary. Not receiving money for efforts were the former Ruby Joe Merritt, Abernathy Motor Co. and manager of the firm at that time, J. W. Harris, Ruby Joe, with Mr. Harris' consent, volunteered her service to type the addresses on the mailing wrappers to send the Review to the servicemen. She typed several hundred mailing wrappers each week in addition to her duties as bookkeeper at Abernathy Motor Co. They deserve thanks for their part in sending The Review to our men in service. Also, my brother and sisters made a moneyless contribution to the project of sending The Review to servicemen. That was back in the days when The Review was folded by hand, and they helped fold papers going to servicemen as well as being distributed locally. They did their share in the project.

FIREWORKS Caution Urged

Fireworks stands that have begun business along roadides in Texas this year should be a reminder not that July Fourth is near, but also that fireworks badly injured at least 6,139 people in America last year. That statistic includes 1,207 serious eye injuries. Most resulted to some degree in permanent vision loss or impairment. Texas Society To Prevent Blindness (TSPB) spokesman Bobby Williams said, "Most accidents--about 60 per cent--occurred to children younger than 15. In one Texas accident, the child was merely a bystander not using the fireworks that damaged his eye, the TSPB Eye Safety chairman added.

Venessa Shropshire—Steven Langston Exchange Wedding Vows In New Deal

Vanessa Deanne Shropshire became the bride of Steven DeWayne Langston in a double ring ceremony June 23 at 4:30 p. m. in the First Baptist Church in New Deal.

The bride is the daughter of Mr. and Mrs. John Shropshire of New Deal and the bridegroom is the son of Mrs. Mildred Langston of Lubbock and Mr. Otto L. Langston of La Junta, Colo.

The Rev. Jimmy McGuire performed the ceremony before an archway entwined with greenery and centered with wedding bells. Flanking the archway were tapered candleabra, which held royal blue candles. Baskets of gladiolus, centered before an altar rail with greenery and miniature candles, completed the setting.

Mrs. Sandra Gowens played wedding music and accompanied Mrs. Yvonne Griffith as she sang "Hawaiian Love Song." To conclude the ceremony, the couple joined together in lighting the unity candle.

Given in marriage by her father, the bride wore an A-line gown of polyester organza over taffeta with the skirt curving to a sweeping chapel train. Venice lace and seed pearls

enhanced the bodice, fashioned with a scooped neckline edged in lace and sprinkled with clustered pearls which also accented the full sheer sleeves. Her finger tip veil was nylon illusion on a headpiece that framed the face. The bridal gown was complimented by the bride's bouquet of royal blue and white silk roses and baby's breath atop a white lace-covered Bible.

Attending her cousin as matron of honor, Mrs. Juanita Henderson of New Deal wore a floor-length empire-waisted dress of royal blue and carried a bouquet of assorted blue silk flowers.

Tiffany Shropshire and Gina Bullenger, cousins of the bride, served as flower girls wearing identical dresses of white nylon with blue flowers and trimmed with blue satin ribbon.

Rolan Eager of Lubbock was best man. Ushers were Kerry Shropshire, brother of the bride, and Monty Shropshire, cousin of the bride, both of New Deal.

The fellowship hall of the church was the scene of the reception following the ceremony. The bridal table featured a white lace cloth overlaying royal blue which was draped at each corner

COUPLES RETURN FROM EUROPEAN TRIP

Mr. and Mrs. Charles Wilson and Mr. and Mrs. Billy Houston returned home on June 23 after a 15 day tour in Europe. The couples joined an American Express Tour of 35 people from all over the United States and began their trip at the Lubbock International Airport on June 8, flew to Dallas, and from there to Paris, France where they joined with the other tour members. One third of the tour members were from Texas.

Originally Mrs. Wilson's sister asked the Wilsons to accompany her on a trip to England to visit a niece who is attending Cambridge University in England. They decided they would enjoy a tour which would cover more of Europe and made plans to go with the Houston's.

Dot Wilson reported "we saw so much in that time, so many beautiful places and things, now that we are at home it all seems like a dream." It was a wonderful trip and a once in a lifetime experience. They were fortunate in having a very good tour guide during the entire trip and everything went off exceptionally smooth. The weather was beautiful during the tour with rather chilly weather in the Alps and it did rain one day.

Dot seemed most enthused about visiting all the historic places in Paris, France, the "City of Light". While there they visited Les Invalides with Napoleon's tomb, the beautiful Gothic Cathedral of Notre Dame, the Eiffel Tower, Luxembourg Gardens on the Left Bank, the Place de la Concorde, the Place de la Bastille, and many other sites of interest.

From Paris they traveled by American Express bus through Lusanne, Switzerland, Lucerne, and through the small country of Liechtenstein. They went on through Austria into the Bavarian Alps to Garmisch, Germany, and at Strasbourg boarded a ship for a three day cruise on the Rhine River which ended at Rotterdam, Holland.

This seemed to Dot to be one of the highlights of the entire trip, very relaxing, beautiful scenery all the way, and the most delicious foods served formally in elegant settings. All meals were served in courses throughout the entire trip and the food was good everywhere. She said they didn't have a bad meal at anytime on the trip. All the meals were served very attractively and the deserts were fabulous.

There were two other tour groups which joined them on the cruise on the Rhine River. One from Australia and the other

from Germany. The tour group from Germany was a three month tour and had recently toured America.

The only trouble they encountered on their trip was the difficulty with the exchange of money in each of the different countries. Dot and Katherine left that chore up to Charles and Billy and let them try to figure it out! They did report that the American dollar value is not great over there.

The tour was very enjoyable to all with the exception of an eight hour layover in Dallas on their return trip home—Dot said "that about tired us all out".

A few of the other interesting places they saw were Danube River; Mt. Pilatus in the Alps; the Aare River; Gstaad, Switzerland; Garmisch, Oberammergau, Strasbourg, Munich, Stuttgart, Heidelberg, Cologne, and Dusseldorf in Germany; Rotterdam and Amsterdam in Holland; London, England and the Black Forest Region.

The Wilson's daughter Jan (Mrs. Bob Jackson) and son Brian of Richardson came home with them to spend a week.

Larry Fields is shown as he finishes up some of his last few days as City Manager for Abernathy. He is surrounded by co-workers at City Hall. L. to R. Morris Stevens, Terry Kitchen and Otella Clement. Fields will be moving to Graham to be their City Manager. (See story on front page)

A Tribute To Fathers

To fathers all over the world, no matter what his church, his race, or his creed, who goes to Sunday School, and church with his children, teaching them to know, and to love God, and that God loves them, for God so loved the world, that he gave his only begotten Son, that whosoever believes in him shall not perish, but have everlasting life. John 3:16 the love verse, and the key verse in the Bible, and in First Corinthians the 13th chapter, the love chapter, and the key chapter in the Bible. God tells us to abide in faith, hope, and charity, these three, but the greatest of these is love, without love we are nothing, for God is love. First John 4:8. He is saying to his children do not give into discouragement, self-pity and anger try again, be loving and cheerful, have faith and trust in the Lord, and that prayer is most important.

A man alone in a field, making the field ready for spring planting, is closer to God than he might realize. The field didn't "just happen". The earth didn't "just happen". The fruit tree laden with beautiful blossoms, didn't choose to bloom just to look pretty. There is a miracle embedded in each blade of grass, and in each lovely flower. All about us is the unmistakable evidence of creation by a Master Hand.

Genesis 1:1, In the beginning God created the heaven and the earth. God Himself has made it clear that healing will come to our land only when we, His people, turn to Him. Second Chronicles 7:14, If my people who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways then will I hear from heaven, and will forgive their sin, and will heal their land. And in Isaiah 9:6, For unto us a child is born, unto us a son is given; and the government shall be upon his shoulder; and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.

"I believe that Jesus will come back before our government is completely corrupted. I know that immorality is world wide, but I believe in God's word, and I believe in prayer, and the more we are obedient and serve God's purposes the sooner our nation will see a spiritual renewal."

May we always be hungry for God's Word so all our days may be growing days. Juanita Bell

Mitchell of Marshalls Creek, Penn., and Mr. and Mrs. Bill Mitchell of Fairfax, Va.

Friends of the family are invited to attend the reception this evening (Thursday) from 7 to 9 o'clock. No gifts, please.

Mrs. Mitchell moved from Lubbock to Abernathy in 1959. Her husband died in 1964.

SUNSHINE GROUP HAS MEETING

The Sunshine Group met Thursday, June 23 in city hall club room. Program started at 11:00 with our theme song, "You Are My Sunshine". After Mrs. Toler said the opening prayer, happy birthday was sung for three birthdays, two songs, "An Unclouded Day", and "Leaning on the Everlasting Arm". Minutes of last meeting were read and approved.

Mrs. Dot von Struve started her program with "Stand by Me". Then her "Tops" club took over, telling us how we can lose weight on 1000 calories a day, they also have contests and games to make it interesting.

There were ten members present and they sang several of their "Tops" songs. Then Marvin Toler played the piano. The whole program was enjoyed by everyone. The "Tops" sang a closing song and Bro. Sharp closed with prayer. Forty were present. They were: Floyd Shipman, Dot von Struve, Dixie Pittman, Ollie Selke, Mrs. Talbot, Robert Luttrek, Ruth Luttrek Auge, Elizabeth Harrison, Oma Toler, HB Coggin, H.L. Ankenman, Jim H. On Mission Trip To Wyoming

A First Baptist Church bus and van load of young people and sponsors left Abernathy early Saturday morning on a trip to Douglas, Wyoming. The group is holding a week of Vacation Bible School at the First Southern Baptist Church there and sponsors youth services and fellowships in the evenings. The group includes the PraSingers (the youth choir), Remembrance (a smaller musical group), and the junior high puppet team.

The group spent Saturday night at a church camp in Colorado Springs, Colorado and got to Douglas Sunday in time to be a part of evening worship service at the church. The boys and sponsors stay in the church basement. The girls and their sponsors divide into small groups to stay in private homes. They will leave Douglas Friday afternoon and be back home Saturday night.

Those going are: Jana Presley, Conny Wolf, DI Ann Allen, Cindy Stillwell, Valerie Moss, Kella Odom, Ranae McKinney, Carrie Smyers, Dee Ann Attebury, Mandy Thompson, Gregg Newton, Bryan Scott, Brad Bowen, Jon Mark Fulton, Wade Henderson, Lori Pope, Samantha Hill, Billinda Scott, Kent Mankins, Sammy Wolf, Daren Knox, June Odom, Richard and Lynda Thomas, Scott Mankins, Jason Thomas, Pam and Mike O'Donnell, Patsy Tucker, Sandra Moss, Pete and Edith Gregg, Blane Neis, and Danny Newton.

Mike O'Donnell, leader of the group, reported by phone Monday they had 90 kids in Vacation Bible School that morning and a packed auditorium for services the night before.

This is the second time the Abernathy church representatives have made the mission trip. Last summer they were well received and asked to return this year. The church in Douglas tripled its membership in the meantime.

The pastor and his wife are an older couple who have spent their years in ministry starting new churches in pioneer areas. They had thought of retiring but decided to put their efforts into one more church and arrived at Douglas last year just before the Abernathy group.

Douglas is a boom town, the site of the world's largest coal and uranium mine. Most people there live in mobile homes. The population this year is 15,000, up from 10,000 this time last year.

Benn/Burruss In Training Session

Clyde Benn and Darrell Burruss, both of Abernathy, were among thirty Federal Crop Insurance Corporation (FCIC) employees from across the South Plains who recently participated in a training session in Abilene to prepare for the 1979 crop year.

The group took part in a review of loss adjustment procedures for cotton, grain sorghum and wheat, as well as general field operations. They also received information on changes in the 1980 wheat program and will be available to explain the new program to all interested producers. One new feature involves three levels of coverage which, when combined with three price elections, provides producers with nine coverage options.

An agency of the U.S. Department of Agriculture, FCIC provides all-risk protection on all major crops. Coverage is based on the long-time average yield of each farm. Anyone wishing additional information should contact the local Federal Crop Insurance Office at 1205 Texas Avenue, Room 214, Lubbock, Texas 79401, telephone 806/762-7677.

SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

A diner said to a waiter, "Look here. I ordered chicken pie, and there's no chicken in this pie."

"Well," he replied, "we also serve cottage cheese, and there's no cottage in it."

And sometimes I am afraid that Christ is not in many of our so-called Christians and Christian churches.

Look at the word CHRISTIAN. If you take CHRIST out of CHRISTIAN you have I-A-N. Without Christ, I-A-N signifies I Am Nothing.

Yes, you can have cottage cheese without a cottage, horse radish without a horse, and chicken pie without a chicken. But you cannot be a Christian without Christ.

St. John wrote in the Gospel that bears his name, "But as many as received Him, to them gave He power to become the children of God, even to them that believe on His name."

Dr. Luke wrote in the book of Acts, "Neither is there salvation in any other; for there is no other name under heaven given among men, whereby we must be saved."

Many people try to embrace Christianity without embracing Christ. But that is impossible. Receive Christ and you will become a Christian.

AHS Band (C. W. Beene, Director -1930)

ABERNATHY HAS HAD A BAND SINCE 1923

The Abernathy Band has been the pride of the city since it was formed in 1923. There has not been a super bowl or news event or even a president to rival it. We, in the city are known in at least five states for the band. The band has done us proud!

The first bands in Abernathy were "City" bands and if you can, please think of the poor director. He had to travel from city to city bringing together people that had worked hard all day. Then there was music. The first band director for Abernathy was TOM CULLUM.

MEMBERS:
C. O. Anderson
Lamar McKenzie
W. A. Richter
Arthur Struve
Marvin Struve
Arno Struve
Rudolph Struve
Beauford Haynes
Clyde Thomas
Carl Hudgins
J. B. Hudgins
Virgil Zeman
Shelton Hardin
Ed Crow
Roy Anderson
H. E. Anderson
Anton Zeman
E. L. Kelly

And four other members that were from Crosbyton. In 1925 C. W. BEENE became director. Now this is where the band of Abernathy found a place on the map. In 1926 the band went to Amarillo for the West Texas Chamber of Commerce Convention. They were handsome in their overalls and blue shirts with straw hats. The band grew as the next few years went past. Just think, they were in blue

pants, white shirts and ties! In 1930 Mr. Beene took three of the bandsmen to the National Contest in Elkhart, Indiana as soloists. He took them in his car and the expense money was raised by concerts and the Chamber of Commerce. ---score for Abernathy---
1st Place.... Elton Been
"Trumpet"
2nd Place.... Phillip Sterrett
"Bass"
4th Place.... Edwin Crow
"Baritone"

These were all in class "C" bandmen.

There is one point here --Arno Struve had gone to New York to join the Army Band for a year. That was in July and Rudolph Struve left in September for the same band. However, C. W. Beene left in 1930 and Rudolph Struve was a short term director in that year just before he left for New York.

Now the band has grown to 31 members. MARGARET THOMPSON (MRS. A. J. SCHROETER) took charge of Mr. Beene's band whose members were:
Marvin Struve
Been
Troyce Stambaugh
Elton Been
Bernice Hagen
Fannie Mae Conn
Vivian Crow
Phillip Sterrett
Arthur Struve
Charles Edwin Crow
Lilly Marie Fuchs
Victor Struve
Leon Ramsey
Loren Nels
Laveren Kelly
Beauford Haynes
Earnest Nels
Rudolph Struve
Lloyd Hagen

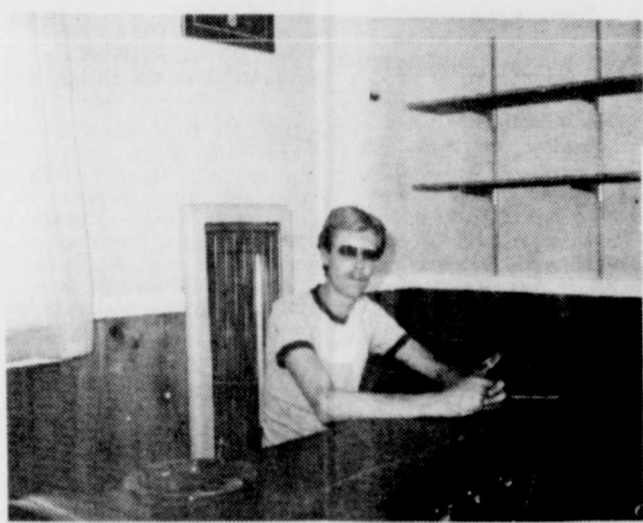

Gertrude Richter
Ana Mana Struve
Lucille Hagen
Marie Wilson
Clarence Ramsey
Charlet Lindsey
Troy Stambaugh
Garland Nystel
Shelton Hardin
Alvin Hardin

And one unknown member thought to be from Crosbyton. Well... Tickets are hard to sell and instruments are hard to buy for a while! Come 1948 the Abernathy Schools hired CLYDE HAYDEN. Now we grow up in the eyes of the southwest! We have a school band--- talent--- youth that are hungry for expression--- and an award for the city.

Clyde put a foundation down based on marching bands. We have the public eye! We give the sports spirit--- We make people feel good and pleased! Clyde was tempted by private business and left the polish of the band to D. W. (DUB) CRAIN, 1952. "Dub" picked up the "stick" and filed off the rough edges. The next year the highest honor a band could receive "Sweep-Stakes"---1st place in all three of the competition areas---marching, sight-reading, and concert.
