The new cable television company in Abernathy is continuing to sign-up residents for a free one-month trial in September. And, a special drawing will be held the first week in September for those who sign-up, with the grand prize a new, 19-inch color TV, it was announced by Margie Morrison, office manager.

Mrs. Morrison says there has been a slight change in the sign-up procedure. "People signing-up for our free trial in September will not have to pay any money in advance, "she explained.

reception from 2:30 to 6 PM on Saturday, August 4th will honor Mr. and Mrs. J. P. Young on the occasion of their 50th wedding anniversary. The setting for the celebration will be the Abernathy Church of Christ, which L.P. and his father, the late M. M. Young, he lped build over 50 years ago.

J. P. and the former Miss Lizzie Buske were married August 3, 1929 in the home of her parents, the late Mr. and Mrs. C. F. Buske of Abemathy. They are parents of one son and one daughter, Dwayne Young of Brenham, and Kay (Caffey) Williamson of Abernathy. The honored couple has seven grandchildren and three great-grandchildren. Hosting the event will be Mr. and Mrs. Dwayne Young, Mrs. Williamson, and granddaughters and grand-

sons, Mrs. Gwen (Caffey) Smith, Mrs. Chris (Caffey) Smith, Mrs. Darlene (Caffey) May, Miss Rendi Young, Jennifer Williamson, Phil Miss Rendi Young, Caffey, and Jay Young. J. P. moved to Abernathy with his parents, the late Mr. and Mrs. M. M. Young, in 1925. They purchased land just west of the town section where the new water tower now stands.

The Buskes moved to the plains in 1916 and farmed

west of Abernathy near the Caldwell Community for several years. Then they purchased the hotel in Abernathy, which became their home until it was demolished in 1935. When Texas Tech was established, Mr.Buske gave the first bale of cotton.

J. P. and Lizzie lived in the rural areas near Abernathy after their marriage until 1943, then moved to Little field. They continued farming until 1946 when, due to J. P. 's health, they sold their farm and moved to Carlsbad, New Mexico, purchasing the Moline Implement Company.

They resided there until 1957. when they dissolved their business and purchased a ranch in Mancas, Colcrado, The beautiful country became home for them and all their family for several years.

In 1972, the Youngs retired and moved back to Abernathy, purchasing the Dwayne Taylor home just north of the Abernathy city limits. They now live happily in this home and want to extend the warmest welcome to all of their dear . friends through the years to come and meet their family and let their family know their friends.

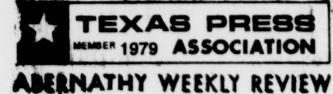

Father Clifton Corcoran, recently retired pastor of St. hospital, Father Corcoran Isidore Catholic Church, is will be at St. Joseph's Retirement Home in Pannow allowed to have visitors in his room, No. 318, at St. handle. He served as pastor Mary of the Plains Hospital, of both Petersburg and Abe-Lubbock. He has been serrnathy churches since the

Electric meters are easily read from right to left as you look at the meter. If the pointer on a dial is between two numbers, write down the smaller number. When the pointer is directly on a number such as one (1) (see center dial above) then read it as 1 if the pointer on the next dial immediately to the right has passed zero (0). However, read it as zero (0) if the pointer on that dial to the right has not reached zero.

The dials above read (from left to right): 9-3-1-1-5. If, however, the pointer on the second dial from the right above was between 9 and zero then the center dial would read as a zero.

# The Choice Is Yours . . .

# HERITAGE TILE IS BEAUTIFUL !

Heritage is made in two styles - a flat tile and a shallow bar design. Heritage's rich colors are formulated to look best where it counts - on the roof! There is a Heritage style and color to suit any building or create any desired effect.

# HERITAGE TILE IS DURABLE !

Heritage has a life probability to match or exceed the structure it protects. It will not burn or rot. It is resistant to sun, rain, hail, rodents, and termites. Heritage starts strong and gets stronger.

# HERITAGE TILE IS AFFORDABLE !

Because Heritage is mass-produced, its initial cost is competitive with any good quality roof. Its long life and freedom from maintenance expense make it one of the best buys in building materials today.

STRUVES'REUNION HELD AT LAKE On Sunday July 15th the Struve family held a reunion at Lake Mackenzie. The event was planned and brought to fruition by Carroll and Karen Bradley and was hosted by the Hoppy Tolers and Arno Struyes. The young folks of the clan enjoyed ski-ing at the allday meeting. A mountain of food disappeared as the cousins visited. In the afternoon plans were made for future picnics. It was agreed to have the gathering on the second Sunday in July every other year. The next one being planned for 1981 ... It had been eight year since the last one had been held. Barry Kirkland was busy all day gathering genealogical information and displaying the beginnings of charts he is preparing showing the current descendants of Amand Strave as well as his antecedents going back to the 18th century. Amand Struve came to Texas with his father and family in 1848. Guests were also present who had had special relationships with the family over the years.
