1958 Football Team To Be Honored At Homecoming

Antelopes--past and present--plan to celebrate Homecoming in a big way Friday, October 12. Activities begin with a bonfire Thursday and continue next day with a downtown pep rally. Other Friday events include a car decorating contest, the game with Lubbock Christian High School that night, and the presentation of Homecoming royalty and crowning of the Homecoming Queen at half time.

The AHS student body elected Dutchess Angie Attebury, Cindy Turner, and Darla McGuire. Queen candidates were elected Tuesday. Pictures of the royal party in the next issue of The Weekly Review.

A pre-game reception at the Antelope Inn will honor the 1958 AHS football team, the last Antelope squad to win district. The 1958 bi-district game--Antelopes vs Dimmitt--was one of the most exciting games ever played on the South Plains. According to observers, the lead changed hands several times in the fourth quarter with never more than a touchdown difference in the score. The game was so memorable that films of it were featured at a convent-

ion in Amarillo as recently as two years ago. The Lopes' biggest disappointment of that exciting season was losing the regional game to a team they had already beaten.

Royal James coached the 1958 Antelopes. Earl Carter, now business manager of Abernathy Schools, was assistant coach. Team members included some of today's leading citizens in Abernathy: Richard DuBose, Pat Attebury, Jimmy Gragg, Harold Thompson, Jerry Gist, Jimmy Dye, Carroll Powell of Boys Ranch, Charles Evans of Hale Center, Scott Moonenham (deceased), Jimmy Nelson, Aubrey Smith of Olton, John Brown of Lubbock, Gerald Watson of Amarillo, Danny Miller of Euless, Lane Tannehill of Post, Johnny and Donnie Adams of Arlington, Ronald Barrick of Cushing, Oklahoma, Mike Ritchey.

Larry Florence, Neal Humphrey of Arlington, Kenneth Turner of Lubbock, Roy Smitherman, Jackie Habbinga, Raymond Smith, Stanley Davis (deceased), Smith Evans, Keith Beard of Lubbock, Leo Kiker, and managers Jimmy Herring of Katy, Donald Hanes, and Stan James.

FCA Selling Mums For Homecoming

HOMECOMING, OCT. 12th: The FCA Girls of AHS are selling mums for the Friday, October 12 homecoming game. Sales began Monday, October 1st and will end Wednesday, October 10th. These girls have two different sizes this year and they also are selling boutineers for the guys and children's flowers.

Help support the FCA by buying MUMS for that special girl, lady, boy, man or child to wear to the homecoming game October 12 between the Antelopes and LCHS.

See their ad in this edition of The Review for kinds and prices.

Antelopes Travel To Muleshoe Friday

Coach Larry Aldridge's AHS Antelopes will travel some 60 miles Friday, Oct. 5, to Muleshoe, to do battle with the strong MHS Mules in a game that starts at 8 p.m.

The Antelopes went to Roosevelt last Friday night and came home with a 21-7 grid victory. The AHS Antelopes now have a 3-0-1 record for the season.

How other District 4-AA teams fared last Friday night: Lockney lost to Littlefield, 14-42; Idaloua beat Olton, 14-0; Idaloua beat Lorenzo, 42-12; Tulia beat Spearman, 20 to 18.

South Underpass To Be Closed To Traffic Oct. 9

SOUTH UNDERPASS TO BE CLOSED TO TRAFFIC
The State Department of Highways and Public Transportation announces that on Tuesday, October 9, 1979, the underpass of Interstate 27 at FM 597 will be closed to traffic while the Contractor is reconstructing the surface of the bridge. The Avenue D underpass of Interstate 27 on the North side of Abernathy will be opened at this time.

Fred Kveton Speaks For Class At T. T. U.

LUBBOCK--Abernathy's own Fred Kveton was the visiting speaker at a beginning Czech class at Texas Tech last week. The 82 year old great grandfather spoke on his Czech heritage to students learning his native language.

Among those in attendance were three of Kveton's granddaughters; one is enrolled in the course.

Kveton first came to Texas in 1908 at the age of 11, after a three week trip that started in Bremen, Germany and ended in San Angelo, Texas. He has since become a widely known West Texan who has assumed leadership roles in agricultural and civic activities and organizations throughout the area.

He served in both World Wars and received the Purple Heart for being wounded in action in France. He has six children, 20 grandchildren, and two great-grandchildren.

For only \$3.00 for adults and \$2.00 children, eleven and under you will be served delicious German Sausage, potato salad, red beans, homemade rolls, fresh garden vegetables, applesauce cake, tea or coffee.

Tickets are available at the door of the high school cafeteria which is located just east of the football stadium.

Muleshoe DECA students, parents and training sponsors would like to invite you to join them Friday night.

Roger Lindsey Fund Established

A fund to aid Roger Lindsey's expenses incurred at Health Sciences Hospital has been established at First State Bank. Roger has had surgery twice, plus hospital bills.

He has no hospitalization to cover the motorcycle accident. Friends are encouraged and urged to make donations in his behalf at the First State Bank or call Charles Bowen or David Sharp who will serve as administrators of the fund.

'Lopes Bomb Roosevelt 21-7 In Last Half of Game

The AHS Antelopes fought to a 0-0 standoff during the first half of the football game at Roosevelt last Friday night. The similarities ended at that point as the Lopes came back during the second half a completely different ball club and pounded out a 21-7 victory.

Runningback Sylvester Dunn picked up 175 yards on 38 carries and scored on runs of 2 and 62 yards in leading the Antelopes to the win. The other Antelope TD came on a 1 yard plunge by Kenneth Sanders, who carried 12 times for 29 yards. Tight end Willie Betts kicked all three extra points. Others picking up a yardage for Abernathy included Mike Flores with 5 carries for 33 yards, Tony Cox with 2 for 12, and Kenneth Moss with 5 yards on 1 carry. Quarterback Tony Heath had a minus 15 yards on 4 carries and hit on only 2 of 13 passes for 24 yards. His passing wasn't all that bad, however, as receivers just couldn't find the handle. The two receptions were by end Dean McGuire.

Roosevelt's lone score came on a 5 yard pass from quarterback Rex Beck to wide receiver Johnny Adkins. Junior Vasquez kicked the extra point, which at that point knotted the score at 7-7.

AHS punter Joey Garcia again did a fine job punting, getting off four for a 39 yard average. The first quarter was strictly a sparring affair, feeling out each others weaknesses. The Lopes punted twice and the Eagles three times, then late in the initial period Heath had his first of two passes intercepted... the second

was during the first possession during the second quarter. Following the latter interception from their own 39, the Eagles put together a strong offensive drive which the Lopes stopped on their own 3 yard line. On their first play they were penalized halfway to the goal line. Heath carried out to the 2, then on next play McGuire made his first of two receptions and carried out to the 14 for a first down. The Lopes moved on out to the 33 before having to punt. As the first half ended, the Lopes were defending their own territory at the 16 yard line, where Roosevelt set up a fake field goal and ran an end sweep. However, the Lopes were ready, and threw the ball carrier for a 7 yard loss.

The Lopes moved the second half kickoff out to the 26, then methodically marched down field with Dunn and Sanders carrying the mail. With a first down just outside the 10, the Lopes began running into trouble, and after a series of three penalties, (2 against the Eagles and one against Abernathy), the Lopes drive fizzled out at the 4. Then on first down, Eagle back Junior Vasquez fumbled and Abernathy recovered on the 7. Sanders picked up 5 yards off tackle, then Dunn slanted in for the score. Betts added the PAT.

Roosevelt took the ensuing kickoff, and they too put together a sustained drive. Starting from their own 19, the Eagles moved the distance in 14 plays, capping the drive with a 5-yard TD toss. Vasquez added the point after to tie the score at 7-7.

The Lopes moved out to their own 41 following the ensuing kickoff, then

punted to the Eagles. Again the Eagles ran only 1 play, fumbled, and again the Lopes recovered, this time on the Eagles' 25, with time for only 1 play before the third quarter ended.

The Lopes couldn't push this one across the goal line, though, and Roosevelt took over momentarily, running only 3 plays then punting. Vasquez got a bad snap, and hurried his kick only to see the ball go off the side of his foot for 4-yard punt.

Starting from the Eagles 31, the Lopes weren't to be denied this time and went the distance in 7 plays, with Sanders going the final yard for the TD. Betts kicked was again good, and Abernathy was ahead 14-7.

Following the ensuing kickoff, the Eagles ran only three plays before being forced to punt. Taking over on their own 33, the Lopes began their third scoring trip. Mike Flores picked up five yards, then Dunn burst through the middle of the line on a draw, skirted past the secondary and raced 62 yards for the final TD. Betts added finishing touch for a 21-7 score.

The Lopes defense again held following the kickoff, and Abernathy took over on the Eagles 45. Again the Lopes moved downfield, and aided by a 17-yard run by Flores, the Lopes were on the Eagles 12 when the final whistle blew.

The Antelopes, now 3-0-1, will travel to Muleshoe this Friday to take on the ever-strong Mules. Game time is set for 8 p.m.

AHS FFA NEWS

This article is the first of many covering FFA students and FFA members. The members and their projects are very important to FFA. It is our philosophy that a good show program should be the result of a good production program. Several FFA members are actively involved in producing and marketing, swine, sheep, cattle, cotton, soybeans, rabbits, pigeons and chickens.

Van Riley, who is currently serving as president of FFA, and also holding down a district office, is one of the leading swine producers in the chapter. Van has been involved with pigs since his early days of 4-H. Last March he purchased a Duroc boar and 3 Duroc gilts and one Cross Breed gilt. Today he has over 35 pigs which are doing very well. Van says his main reason for raising pigs is "I always liked 'em."

In the future Van plans to attend Texas Tech and major in an agriculture-related field.

The New Deal Lions ended their non-conference competition for the year last Friday night with a smashing victory over Sundown, 42-0.

The Lions will open District 4-H conference play at 7:30 p.m. Friday, Oct. 5, when Lorenzo comes to New Deal.

Hale County Grand Jury Indicts Joe Valderas On Three Counts in Webb Case

Among 21 indictments returned by the Hale County Grand Jury, in session in Plainview Sept. 20, were three counts against Joe Valderas, 18, of Abernathy, in the Webb case.

The indictment counts against Valderas are aggravated murder and attempted rape. Victim was Mrs. Delwin Webb of Abernathy.

Valderas is accused of abducting Mrs. Webb, who had gone to the school tennis courts to turn off the light in the early hours of Monday night, Sept. 10, and taking her to a point west of Abernathy where the other two charges were attempted. The man reportedly beat her about the head and

shoulder areas and left her for dead by the side of the road. Valderas has been in Health Sciences Center in Lubbock undergoing treatment after apparently drinking a cupful of poison at his home about noon Sept. 11, officers said. Bond was set at \$100,000 by 64th District Judge John T. Boyd.

Mrs. Webb, who had been badly beaten with a shovel waited until her assailant had left the scene in her car, walked a long distance to the home of close friends in town. Her husband, friends and police were searching for her. She was taken to Methodist Hospital, Lubbock, and placed in the intensive care unit, and later moved to a patient room where she remained for several days. Mrs. Webb had attended a meeting at the school before the chain of events took place on Sept. 10.

Mrs. Webb is now at home after the hospital treatment of her injuries.

Heat Loss Pictures Available At City Hall

The heat your house loses is visible on pictures at City Hall. The pictures, called thermograms, were taken at 4 AM February 1 by a Texas Instruments plane carrying an RS 300 series infrared scanner.

From an altitude of 1600 feet, the device measured infrared radiation from homes and buildings on the ground. The resulting pictures indicate the amount of heat or energy loss. It also photographed 42 other cities in the West Texas area with a \$38,400 grant to South Plains Council of Governments from the governor's Department of Energy Conservation.

City Manager Rod Ellis invites everyone interested in seeing the thermograms of Abernathy to contact him or the ladies in the City Hall office during office hours. They'll try to help you locate your house in the picture. They can devote more time to you between 8 and 10 AM.

Ellis said the thermograms are most interesting. The process doesn't work, however, on metal roofed structures such as mobile homes and some commercial buildings. Water or many trees around buildings with conventional roofs makes interpretation of the thermograms difficult.

He said 4 AM was the best time for the infrared scanner flights because the temperature was below 40 degrees, the heat absorbed during the day had already been emitted, and the energy escaping from the houses was regular internal heat.

A dark roof in the thermogram indicates either an unheated area, such as a garage, or a well-insulated area that is retaining heat. A light roof indicates escaping energy--and wasted money.

Abernathy City Council voted to buy the thermograms to aid interested citizens in planning energy and money saving measures for their homes this winter.

Masons Meet Here Oct. 11

A stated meeting of Abernathy Lodge No. 1142 A. F. & A. M. will be held Thursday, Oct. 11, starting at 7:30 p.m. (changing to fall/winter opening schedule).

Clay Pettit, Worshipful Master, urges all local members to be present and invites visiting Masons to attend.

Cooperatives Good For All Americans

COLLEGE STATION-- Farmed-owned and controlled cooperatives play a key role in making the family farm the highly productive system it has become.

During October, which is "Cooperative Month," special recognition will be given to cooperatives for their roles in economic progress of this state and nation, points out Johnny Feagan, economist in organization with the Texas Agricultural Extension Service, Texas A&M University System.

According to Feagan, Texas boasts more than 440 cooperatives that serve some 133,000 members. These cooperatives are doing a business volume of almost \$1.7 billion annually.

Nationally, some 50 million Americans belong to about 40,000 cooperatives.

"Cooperatives in Texas range from farmer-owned grain, elevators and compresses to marketing, supply and credit organizations," explains Feagan. "Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens."

According to Feagan, cooperatives make it possible for family farmers to receive more dependable markets for their products and more dependable and lower cost supplies for their farm input. They also benefit consumers by taking the lead in furnishing quality products, in developing better packaging, and in using more efficient distribution methods, all of which help hold down prices of food and fiber products.

"Cooperatives evolved from the early American spirit of working together to survive. They were organized to compete with economic forces which threatened the economic existence of individuals.

Today, cooperatives enable Americans to work together to help themselves," says the economist.

Cooperatives are large and small and are located in towns, cities and in the country. Wherever they are and whatever their size, they are busy serving members, their communities and the public, contends Feagan.

LUBBOCK---Collecting ants is not everyone's hobby, but for researchers at Texas Tech University, who have one of the world's largest collections of ant specimens, it is an extremely important exercise.

Entomologists at the Lubbock institution are studying the imported red fire ant, an agricultural and health threat, and the ant collection serves as a resource base for knowledge.

The collection, according to the researchers, will help in understanding the adaptive powers of all ants in West Texas. Then researchers can focus on the possibility of future establish-

ment of one specific variety, the red imported fire ant.

The fire ant mounds are as hard as cement, and farm equipment, being driven against them unexpectedly, can be damaged. The health problem is serious for people who are sensitive to the ant's venom, as bites could be fatal.

The ant is moving westward at a rate of about 20 to 30 miles per year along a front from Dallas to Uvalde. Dr. Darryl P. Sanders, Texas Tech entomologist, is concerned that it could reach West Texas in the next decade.

but that depends on how well the ant can adapt to the dry and cold environment in West Texas and the Panhandle. Sub-zero temperatures have prevented the northward movement of the ant, and research during the next 12 months will attempt to determine the effect of hot and dry environments.

Going to UT/Austin Apply for 1980-81 Housing In Oct.

AUSTIN, Texas (Spl.)--Students interested in attending The University of Texas during the 1980-81 academic year are urged to apply early for space in University housing.

Applications will be accepted beginning Oct. 1. Priority drawing for housing will begin Nov. 1.

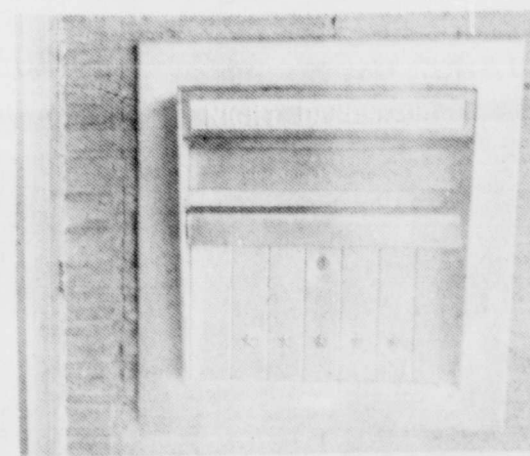

The University operates five residence halls for women; five for men; one, Jester Center, which houses both men and women, and 12 cooperative houses for women. In addition, apartments and mobile homes spaces are available for married students at UT.

A student may apply for housing before being accepted at the University. A confirmed room reservation, however, should not be interpreted that admission has been granted.

More information and applications forms may be obtained from the Division of Housing and Food Service, UT Station, P.O. Box 7666, Austin, Texas 78712.

Wedding Solemnized

MRS. PAUL ROBERT HERCHMAN, JR.
NEE DONNA DODD

Miss Donna Dodd, daughter of Mr. and Mrs. Joe E. Dodd of Miami, Florida, and Paul Robert Herchman, Jr., son of Mr. and Mrs. Paul Robert Herchman, Sr., of Abernathy, exchanged wedding vows in a candlelight service in the First United Methodist Church of Eules at 8:00 p. m. Saturday, September 22. The double ring ceremony was officiated by Reverend Hiram Johnson.

The marriage ceremony was performed with the Lord's Prayer being played in solo on the trumpet by Rick Bell of Lubbock.

The bride, given in marriage by her father, wore a candlelight gown of accented pleated chiffon. Lace and pearls accented the bodice and bottom of the gown. She wore a lace and pearl cap with a cathedral length veil trimmed

with miniature pearls. Serving as matron of honor was Dianne Dodd Tacker. Bridesmaids were Kelly Evans, Kay Evans, Toni Van Wye, Angela Swindle, and Tracy Stoder all of Irving, and Tina Wiley of Dallas, and Cindy Watson of Lubbock.

The best man was the groom's father, Paul Robert Herchman, Sr., with Gus Watson, Glen Finley, Ricky Leaverton, Robert Jones, Gary Patton, Marc Johnson, and Tye Horn, all of Lubbock as groomsmen.

Jennifer Patton of Lubbock was the flower girl and ring bearer was Adam Helfman of Irving.

The ushers were Gary Grinnell of Houston, Jim Dyer, and Paul Tacker of Irving, Kim Kidd of Tyler, Craig Sears and Bart Tacker of Ft. Worth, and Hal Applegate of Lubbock.

Following the wedding ceremony, the guests attended a reception which was held at the Holiday Inn. Serving at the reception were: Robin Zetsche of Friona, Sherry Stringer of Irving, Nancy Thompson of The Colony, and Delamie Clanton of Midlothian.

After a wedding trip to Ruidoso, N.M., the couple will be at home in Lubbock.

1935 Study Club Meets Here

The 1935 Study Club met on September 27, in the home of Mrs. E. A. Houston. Mrs. Hilburn Barrick and Mrs. Owen Benn had the program. They had a guest speaker, Mrs. Wynon Mayes, County Extension Agent, Home Economist.

Mrs. Mayes talked about public speaking and many people in this area have heard her speak at banquets, clubs, etc. She pointed out many do's and don'ts for public speaking, and then had each one give a mini speech.

The following members were present: Mmes. Hilburn Barrick, Owen Benn, Ralph Davis, Vester Embry, Ercell Givens, Jack Hackler, John Hale, E. A. Houston, Jack Jackson, Frank Lovelace, Glenn McDonald, J. C. Mills, Arno Struve, Cal Tucker, and H. E. Williams.

The next meeting will be in the home of Mrs. Arno Struve on October 11.

THOT: A man may suffer without sinning, but he cannot sin without suffering.

Church of Christ News

The meeting at the Church of Christ will begin at the Sunday morning worship services with Brother Tex Williams teaching. There will be a salad supper following the evening services on Sunday and the meeting will continue through Wednesday night.

The Children's Bible Hour on Sunday evenings is being written and taught by Dad and Ann Hannel, along with other couples who will assist them. The Hannels are very well qualified to teach in this area and they have had a lot of experience working with children. They are also teachers in the Abernathy school system.

The L. C. C. Chorus was in charge of the Sunday evening services. After a short devotional the chorus sang several songs. They were invited to stay for refreshments in Fellowship Hall following the service.

(EDITOR'S Note: Mrs. Charles Wilson provided the following newspaper clipping which concerns two former Abernathians, who are AHS graduates. They are Pat O'Neil and his wife, Dee Ann, daughter of former Abernathians Mr. and Mrs. Eugene Davidson, now of Tucson, Ariz.)

Dee Ann O'Neil, a Picayune, Mississippi, resident for the past six years has been named community editor of the Item, Ed Darling, publisher, announced today.

O'Neil is the wife of Pat O'Neil, a remote sensing specialist for the U.S. Geological Survey at NSTL, and the mother of three children, David, Rebecca and Mark.

As community editor, O'Neil will coordinate coverage of the Item's award-winning People section, handling assignments on local club meetings, food ideas, home improvement tips, fashion, wedding and engagements, personality profiles and area correspondents.

"Dee Ann is a most welcome addition to our staff," Darling said in making the announcement, "and we look forward to her contributions to the paper and our community. Her enthusiasm is contagious and her organizational abilities will do much to broaden the scope of our coverage in a most important area."

A native of Abernathy, she attended Stephen F. Austin State University in Nacogdoches. In Picayune, she is an active member of the Church of Christ where she teaches bible class.

Leach Sisters Meet Statler Bros. at Fair

Becky and Anita Leach had an experience to remember for a long time.

They were invited back stage after the Statler Bros. Show Monday night at the South Plains Fair. They met and visited with each of the singers, Harold, Don, Lou and Phil. They also met Barbara Mandrell.

Phil is a cousin of Becky and Anita's aunt, Brenda Richards, also of Abernathy.

All of the singers were so nice, they posed for pictures and visited. They are really nice people. They leave you with the feeling you've always known them. They are truly entertainers on and off the stage.

A man on a streetcorner the Living Psalms declare, "The Lord is King." But is He your King? Years ago there was a great Youth Conference in Liverpool. Students came from all over the world. Something prevented the delegates from the Christian University of Japan from coming, and they promised to send a cable. When it arrived it consisted of only three words: "Make Jesus King." In some lives He is only over the threshold. In others He is on the throne. Where is Jesus in your life? "Make Jesus King!"

4H'ERS

The 4-H Club has done a great job in preparing our young people for the future. The boys and girls, young men and women between the ages of 9 and 19, are taught to respect their environment, work to better their community and become self-reliant and responsible individuals. By taking an active role in the 4-H experi-

ence, they're having fun as they do important work across the nation ... from anti-pollution projects in the cities ... to livestock and agricultural projects on the farms. They're working for tomorrow ... let's proudly salute them today! Keep up the great work, 4-H'ers!

Miss Lopez and David Rios Marry Here

MRS. DAVID RIOS/nee JANIE LOPEZ

Janie Lopez became the bride of David Rios in a double ring ceremony Saturday, September 29 at 1 PM in St. Isidore Catholic Church, Rev. Glen Rosendale, pastor of St. Theresa's Catholic Church in Hale Center officiated. Eddy Lopez and Michael Cortez were altar boys.

Parents of the couple are Mr. and Mrs. Louis Lopez, Sr. of 911 West 5th, Abernathy, and Mrs. Maria Rios of Lubbock.

Oney Avalos and Jr. Avalos, with Noel Torrez from Carlisle, provided wedding music, accompanied by Louis Lopez Jr., brother of the bride, who sang "Carino".

Escorted to the altar and given in marriage by her parents, the bride wore the traditional gown of white Guiana knit. The moulded bodice featured a high neckline with a cluny lace collar, outlined with a cluny lace ruffle. The empire waistline was defined in lace, swept to back fullness, and featured a double flounced hemline and train.

To complete the ensemble, she wore a matching illusion veil, caught to a lace covered pearl-beaded capulet. The

veil was designed and made by the bride's sister, Mrs. Reyes Trevino.

Mrs. Patsy Perez, sister of the bride, served as matron of honor. Maid of honor was Miss Olga Trevino, niece of the bride. Bridesmaids were Mary Guajardo, sister of the bride, from Lubbock; Carmen Lopez, sister-in-law of the bride; and Lydia Luera and Ester Leal of Lubbock. Damas were nieces of the bride, Miss Rachel Lopez and Miss Mary Helen Trevino, both of Abernathy; Ana and Diana Avalos and Esmeralda Torrez all of Carlisle.

Victor Rios served his brother as best man. Groomsmen were Frank Perez and Isabel Guajardo, brothers-in-law of the bride; Joe Lopez, brother of the bride; and Alfredo Luera and Mario Leal from Lubbock; Jo Ann Guajardo, five year old niece of the bride, was flower girl. Ushers were Joey Lopez and Lupe Avalos, both nephews of the bride.

A reception followed in the parish hall. Helping serve were Mrs. Maria Ramirez, Mrs. Rebecca Barrera, Mrs. Connie Torrez, Mrs. Minnie Avalos, Mrs. Alma Lopez, Mrs. Frances Lopez, Mrs. Margaret Olivias,

and Mrs. Reyes Trevino. Following wedding trip, the newlyweds will make their home in Lubbock.

EDITORIAL

(By Vicki Havens)
What do you think about when you hear that this is the 1979 International Year of the Child? Do you think maybe it's to help abused children or hungry children in some other countries? How much do you know what it is really all about?

I knew very little about it, but I had heard and read enough to know that it may sound good but, that it isn't. I had been thinking that I would check into getting some information about the 1979 International Year of the Child and early last week a lady brought in two articles on the subject. I have been reading them and it is a subject I strongly feel like the christian community needs to get educated about and see what is going on.

I would like to just share a few things that I have read and later on I hope after more study on this we will have some articles to help us all understand more about it.

What it boils down to is the fact that the federal government is trying to get control of our children.

What would you think of if America's children were given the right to sue their parents for being forced to attend church, as that would interfere with their "rights".

Or should children be given the "right" to receive the minimum wage for performing such ordinary household chores as cleaning their rooms, taking out the trash or washing the dishes?

What do you think about children having the "right" to choose their own parents if they didn't happen to get along with their real parent?

As one of the authors stated in his article, these proposals seem to be part of a futuristic nightmare as predicted in Aldous Huxley's "Brave New World" or George Orwell's 1984. He also said, "their implementation is closer than most realize. These "children's rights laws" could become a reality under the United Nations programs, the International Year of the Child, if this program is carried out by the Carter Administration and all signs indicate that it will be.

The writers also said, that radical anti-family forces are hurling an all-out assault on the American family and the traditional family structure which God has ordained for the well-being of individuals and for the strength of society. They have been working ardously for years to promote an international conference on children and families that would help to promote their destructive goals of abortion, government-supervised family planning, legalization of homosexual marriage, including having children by adoption or artificial insemination, an "Equal Rights Amendment" for children and government takeover of all responsibilities concerning children.

Their dream moves closer to fulfillment with President Carter's designation of 1979 as the International Year of the Child, with UNICEF as the agency placed in charge for implementation.

In order to enforce this program, Carter has

appointed a 25-member National IYC Commission to be chaired by Jean Young, wife of former UN Ambassador Andrew Young. The Commission is composed of four liberal congressmen and a number of private individuals, all with records as activists in liberal causes.

In addition, a White House Conference on Children is slated for 1980 and one on families for 1981. If they follow the pattern of previous conferences, participants will not debate whether or not the federal government should rear children; they will merely discuss how the government is to do so.

The writer said, that there already is an incessant public service announcements for the news media, they will feature speakers such as Henry Fonda, Lillian Hellman, Arthur Miller and Hollywood personalities. IYC television spots using NFL players will be run during Monday Night Football.

In addition, a commemorative postage stamp has been introduced and in May a national UNICEF telethon will raise funds for their biased programs.

All of these are intended to create public support for congressional passage of bills which would Sovietize American culture by taking control of children away from parents and putting them into the hands of an all-powerful bureaucracy.

As I read these two articles I just wish everyone of you could read them also. I am going to give the address for the little book. It would be well worth your time and money to order one and read it and then do your part in stopping this. This little book also tells what You Can Do.

Send \$1.00 to C. C. A., Box 90, Glendale, California 91209. If you would like to order 2-99 copies you can order them for 75 cents each. When ordering refer to number 501. The name of the book is 1979 International Year of the Child by W. S. McBirnie, Ph. D.

I hope all of you will keep this in mind and will not just take my word for this but, will investigate the true meaning of this 1979 International Year of the Child.

You would probably be shocked if you knew some of the NGO's (non-government organizations) that are helping these goals to be accomplished. I think we should become aware and stop backing them. These are mentioned in this booklet.

I have never been one to back ERA and my thoughts on it have been ones that the women of this nation are fighting right along with the evil one of this would be cause it goes in such opposite direction of what God tells us in His Bible. The home and family is

built by Him, and the government is trying to tear the family unit apart. I believe that if we as christians will get into the Word of God and really know what the family is built on and pray and do our part in this battle there will be a victory but, we can't just sit around and say well someone else will do their part. It takes us all working together for good.

I plan to send for a book and do some letter writing and talk to some of the non-government organizations here in our own community about why they back this. I hope you will do the same.

Thanks to the lady that brought the books in for us to study.
Vicki

God will not look you over for medals, degrees or diplomas, but for scars.

ACT Assessment Program

The 1979-80 school year is just beginning, but juniors and seniors at Abernathy and other high schools across the country are already facing some big decisions.

One of the decisions is what to do after graduation -- whether to go on to school, to get a job, or try to do both.

Playing an important role in the students' post-secondary education and career planning will be guidance counselors, parents, friends, and a national service called the ACT Assessment Program. Designed to provide guidance information for education and career

planning, the widely used program is recommended for use by student applicants at more than 2,700 colleges and universities.

Abernathy students will have five opportunities during the 1979-80 school year to make use of the national program, which consists of four tests and a two-part questionnaire. Students complete the questionnaire at home as part of the registration process, and then take the battery of tests at area test centers on any of five weekend-national test dates, explained Charles Bowen, Director of Guidance.

The five 1979-80

national test dates and the corresponding registration periods are:

- TEST DATE**
 October 20, 1979
 December 8, 1979
 February 16, 1980
 April 12, 1980
 June 14, 1980
REGISTRATION PERIOD
 August 8-September 21
 October 8-November 18
 November 26-January 18
 February 4-March 14
 March 24-May 16

It takes students about three hours to complete the ACT Assessment's four exams covering subject areas of English, math, social studies, and natural sciences. On any of the test dates, most local students will take the tests at Lubbock Christian or Texas Tech.

Bowen said the test scores provide an assessment of general educational development and the questionnaire section information focuses on academic and non-academic accomplishments and interests, as well as career and educational plans. For the fifth consecutive year, the basic student fee for using the ACT Assessment Program is \$7.50.

In addition to being used by students and their high school counselors, information provided by the ACT Assessment is also used by colleges for academic advising, admissions counseling, course sectioning and placement, student services, and institutional research. Students' ACT Assessment reports are sent to only those

colleges specifically designated by the respective students.

One of several educational services provided by The American College Testing Program (ACT), the ACT Assessment Program is used each year by more than 900,000 students as part of their education and career planning.

"Night Visitor" Upsets "Watch Dogs"

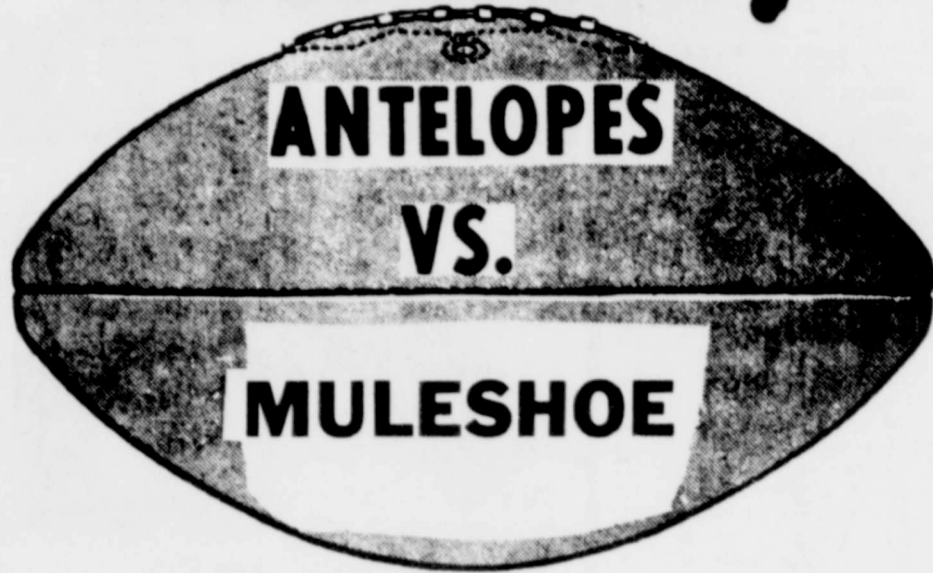

(By Vicki Havens)
 Living in the country has been a very interesting experience, to say the least. We love the peace and quiet and the beautiful sunrise and sunsets and the many other benefits of country living.

It really is usually very quiet, but, Monday morning at 4:15 our dogs began barking and were really trying to get us up. Richard jumped out of bed and went to the front door and at a distance he saw something and I heard him say they are barking at a cat. He opened the door to chase it away and when he stepped out the door the little animal ran up the sidewalk and it was a little black pig. When it got up to the porch our "four city dogs" ran around it barking loudly, it scared the pig and it turned around and backed up to the porch and Richard reached down and picked it up and when it started squealing two of the dogs ran and another one ran around behind Richard and jumped up on

his back, and I don't know where the fourth one went. I heard Richard laughing and I jumped out of bed and ran to see what was going on and there he stood with the pig in his hand. He sent me for his boots and put them on and put the pig in the trailer. Monday a.m. after I got to work I had a call from two women that lives close to us and I asked the first one if she knew anyone around us had pigs and she said, "no but, God does meet our needs". The next neighbor called me to place an ad and I ask her if she knew anyone around us has pigs and she said, "no but, God does answer prayers". The thought had already crossed my mind because it is time to get pigs for projects and He does say He

will meet our every need.
 If you have lost a little baby solid black pig around the County Line area, you can call 757-2208 or call me at The Review 298-2039.
BRIEF:
 Firemen were called to a cotton burr pile fire a mile east of town about 3:05 p.m., Sept. 27. The fire siren sounded several times the afternoon of Oct. 1, during testing of the unit.
 Jill Havens, freshman student at West Texas State University, Canyon, visited her family. Mr. and Mrs. Richard Havens and children here last weekend. Her family took her to Canyon Sunday, and visited Mr. and Mrs. Mark Havens, also WTSU students.

Student Council Is Hard at Work

It all began on September 3, 1979 when the Abernathy High School Student Council for 1979-80 held their annual "lock-in". Ideas and events were put in an outline for the upcoming year. Leadership activities were also brought up. Many of the events discussed were, homecoming, special days and campus improvement.

At their next meeting events for homecoming were discussed, and special committees assigned. Among these activities are the downtown pep rally, making of the float for the homecoming queen and her court, and handling the election of the queen.

Another for the council projects is a reception honoring the last football team to win district. This team, 1958-59, will be honored before the homecoming game.

Members of this year's student council are: President - Jody Smyers, Vice-President - Shane Cunningham, Secretary - Cindy Stillwell, Reporter - Lance Horsford and Historian - Patsy Davis.

There are also four representatives from each class. These people make up the student government. I believe they will do, and have already done, a good job. Reporter - Lance Horsford

Ann Kveton Is Nurse Student At W. T. S. U.

WTSU-Eighty-one West Texas State University junior nursing students received traditional recognition Sept. 21 in the convocation ceremonies.

One Participant from Abernathy was Ann Kveton of Rt. 2.

The convocation is the awarding of caps to the nursing students to recognize the completion of the first level of nursing school.

Women nursing students were awarded the traditional nursing caps, and men students received bars to wear on the lapels of the uniforms.

Upon reaching the senior level, women will receive a stripe for their caps, and men will receive an additional bar.

Ann, a daughter of Mr. and Mrs. John Kveton, is a graduate of New Deal High School.

(Story written especially for the Weekly Review by Marcie Bridges of WTSU.)

CONGRATULATIONS to Abernathian Joe Connell, C. L. U., and to former Abernathian Ted Wayne Watts, who made the life insurance industry's prestigious Million Dollar Round Table for 1979. Connell's company is Great National Life, and Watts, now of Lubbock, represents Great Southern Life.

GASP PROTESTS NOMINATION

President Jimmy Carter's nomination of Hugh Cadden to the Commodity Futures Trading Commission (CFTC) has been protested by GSPA Executive Director Elbert Harp. In a telegram to the President, Harp said, "Grain Sorghum Producers Association asks that a bona fide farmer be appointed to the Commodity Futures Trading Commission."

The regulations that are developed by the Commission have such a dramatic influence upon farm income, stated Harp, "that a person familiar with the problems of farmers should be appointed instead of legal or regulatory specialists."

Hugh Cadden is an attorney and has been special assistant to CFTC Chairman James Stone. His appointment must be approved by the Senate Agriculture Committee.
