Antelopes Hosts LCHS For AHS Homecoming

Friday, Oct. 12, is Homecoming at Abernathy High School, and one of the highlights of the event will be the football game between the AHS Antelopes and Lubbock Christian High School, starting at 8 p.m. Last Friday night, the AHS Antelopes battled the powerful Muleshoe Mules to a 20/20 tie on their home grounds. The Antelopes' season record is 3-0-2. How other District 4-AA teams fared last Friday night: Tulia lost to Dimmitt, 3-6; Floydada lost to Littlefield, 21-31; Dalou blanked Olton, 40-0; Lockney downed Seymour, 10-6.

The tilt with LCHS will end the non-conference portion of the AHS Antelopes' 1979 Football Season. Tulia will come to Abernathy October 19, for the Antelopes' first District 4-AA conference game of the season. The AHS-Tulia game here Oct. 19 will start at 7:30 p.m.

Activities begin with a bonfire Thursday and continue next day with a downtown pep rally. Other Friday events include a car decorating contest, the game with Lubbock Christian High School that night, and the presentation of Homecoming royalty and crowning of the Homecoming Queen at half time.

A pre-game reception at the Antelope Inn will honor the 1958 AHS football team, the last Antelope squad to win district. The 1958 bi-district Basketball Team. Cathy Garcia's interests include cheerleading, FHA, FFA, FTA, FCA, Science Club, track, basketball, and cross country. Her junior year she was a Regional Qualifier in the Mile Relay, was a member of the State Cross Country Team, and received Honorable Mention on the All-District Basketball Team.

Carrie Lee Lutrick is a member of FCA, FHA, Drama Club, National Honor Society, basketball team, track team, cross country team, Student Council, and 4-H Club. She was FHA Representative her freshman year. As a sophomore she was 'Who's Who in Drivers' Training and a member of the All-District Basketball Team. During her junior year she was Class Secretary, Basketball Captain, Student Council Representative, National Honor Society Secretary, a member of the All-District Basketball Team and a member of the State Champion Cross Country Team. This year she is Class Secretary, Student Council Representative, National Honor Society Vice-President and FCA Treasurer.

Jo Ann Stone is involved in cheerleading, FCA, FHA, FTA, Drama Club, FFA, 4-H Club, Student Council, Annual Staff, and the Methodist Church Choir. She is a member of the basketball, cross country, and track teams. Her freshman year she was 4-H Princess and placed third in State competition in the mile run. She was Class Secretary as a freshman and sophomore. In her junior year she was FFA Sweetheart, Drama Club Reporter, Student Council Secretary, a member of the State Cross Country Team and a cast member in the junior play.

Warning Sounded On SS Imposters

Social Security officials in the Lubbock office had a page one story in the Lubbock Avalanche-Journal Monday warning that imposters claiming to be SS representatives are bilking people in a three-state area, Texas, Oklahoma and New Mexico. The story outlined numerous methods used by the con artists to obtain money and valuables.

A call to The Review Monday morning indicated that the "SS" racketeers tried to zero in on a local lady. She received a telephone call Thursday, Oct. 4, from a woman wanting to come to her home and discuss the possibility of getting her Social Security benefits raised. The local lady told her that her son was her advisor and he would not be back in town until Friday. The caller was insistent that the matter be attended to on that very day (Thursday). The local lady refused to see her that day. Friday came and went ... and no SS representative came to the home here.

A similar call was received by an Abernathy family Tuesday night.

The A/J story said the cons use the "come to your home" bit to steal money and or valuables, or to "case" the home for a future burglary attempt.

The safest rule is to do your Social Security business in the Lubbock office or the Plainview office, or with the Social Security representative who is at the Abernathy city hall on the third Tuesday of each month from 9:30 a.m. to 11:30 a.m.

1980 Model Cars To Show Here

The 1980 model automobiles and pickups will go on public display in the showrooms of local dealers this week.

Official showing schedules are: Thursday, Oct. 11, the 1980 Chevrolets on display at Don's Chevrolet, Inc., in Abernathy; Friday, Oct. 12, the 1980 Ford and Mercury automobiles on display at Abernathy Motor Co.

Traffic Detour On I-27 North

Starting last Thursday, all traffic on I-27 (US 87) was detoured to the newly constructed West Frontage Road in the vicinity of FM Highway 54, approximately two miles north of Abernathy. The temporary routing is necessary in order to provide for the construction of header banks at the FM 54 interchange. This work is being done as a part of the construction of IH 27 from just north of Abernathy to 1.0 Mile South of FM 37 East in Hale County.

'Lopes Battle Mules To Tough 20-20 Deadlock

The Antelopes of Coach Larry Aldridge traveled to Muleshoe last Friday with one thought in mind... to play ball. And it was a mighty impressive performance against the strong Mules who have been beaten only once this season.

The two teams battled to a 20-20 deadlock, with the Antelopes coming from behind to tie the score three times during the evening. The Mules scored first when big runningback Mike Northcutt scooted 93 yards in the first quarter for the initial score. The Mules added the PAT and led 7-0. In the second quarter, Antelope quarterback Tony Heath scored his first of two TDs, going in from a yard out. With Willie Betts' extra point kick true, the score was knotted at 7-7. Still in the second quarter, the Mules went ahead again when Zeke Pecina ran 45 yards for a TD, and with the extra point, briefly held a 14-7 lead. Then Antelope runningback Sylvester Dunn, who had 144 yards on 19 carries,

HERMAN LAMBERT

Herman Lambert Ends 17 Year Career As Postmaster At Abernathy, October 5

(By Jacquelyn Smyers) Herman Lambert ended a 17 year career as Abernathy's postmaster last Friday. No successor has been named and a Lubbock postal service official will be "officer in charge" until a decision is made.

Lambert enjoyed working at the post office all these years but he is diabetic and, for health reasons, decided to quit since he has reached retirement age.

"I'll probably be in Abernathy the rest of my life," he said. "We like it here and don't see any reason to leave now."

Lambert, a Roscoe native, moved here in 1936. He and his wife, Mary Will, raised their four boys here. They operated a cafe in a building behind the bank where the bank parking lot is now.

In April 1944, Lambert left to serve in the Navy on a ship that hauled bombs and supplies across the North Atlantic. Playing hide and

seek with submarines didn't bother him nearly so much as the seasickness. He was sick every trip, found it impossible to eat meals, and existed on an occasional candy bar. He used to lie on his bunk wedged in a non-roll position by life preservers and other gear to get a little relief. His ship was lucky and sustained no hits by torpedoes but he saw many munition supply ships that did.

His navy service ended in October 1945 and he came back to Abernathy and his family. For the next ten years, he and Mary Will operated the cleaning shop which is now City Cleaners on Ave. D. The heat and steam that goes with the cleaning business proved bad for his health so when the postmaster position opened up, Lambert decided to try something different. It was a challenge to him and became the most rewarding of his careers.

LAKEVIEW GIN GETS '79 BALE

Gene Collins, manager of Lakeview Gin on FM 400 just south of the FM 54/400 intersection, reported that the plant processed its first bale of 1979 cotton Wednesday morning, Oct. 3. Jimmy Marr of Petersburg brought the 3,300 pounds of seed cotton to the Lakeview Gin. It had been stripped from an acre and a half of land. The bale of lint weighed 610 pounds, and the seed weighed 1,000 pounds. Turnout was 18 1/2%, Collins reported.

broke a couple of tackles and scored on a 32 yard scamper. Betts again added the PAT, and the scoreboard read 14-14.

The Mules went ahead again in the third stanza when Northcutt bulled his way into the end zone from a yard out. But again, in the final quarter, the Lopes tied it up when Heath capped a drive with a 4-yard scoring dash. And the score stood... 20-20, as the final extra point tries for both teams failed.

Quarterback Heath completed 5 of 10 passes, hitting Dean McGuire on three tosses for 38 yards, completing one pass to end Bobby Gough for 7 yards, and hitting wide receiver Joey Garcia on a 14 yard toss. He had one pass intercepted. Heath also added 62 yards rushing, carrying the mail 11 times during the evening. Kenneth Sanders carried 7 times for 46 yards, and Mike Flores had 5 total yards.

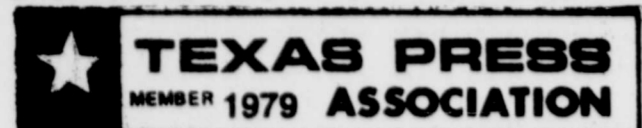

The Antelopes, who now have a 3-0-2 non-loss-tie record, had a total of

316 yards to Muleshoe's 395. The Lopes defense allowed the Mules to complete on one of 4 passes, and intercepted two Mule aeriels. The Lopes had 19 first downs to the Mules' 21.

Coach Aldridge had high praise for the Antelopes, pointing to the defensive efforts. "We gave up a lot of yards but we hit real well," Aldridge stated. He then added that the Lopes had their best offensive performance of the year. "I feel like we have finally started improving the way we have wanted to improve all along. Our offensive linemen just did a great job coming off the ball."

The AHS head mentor added that he felt that Tony Heath and Sylvester Dunn had their best game of the year. Heath also got credit for the Big Hit on defense.

The Antelopes will host the Lubbock Christian High School team during Homecoming activities here Friday night. Game time is set for 8 p.m. This will be the final non-conference game of the season.

Lubbock Station Manager In Charge At Post Office Here

(By Jacquelyn Smyers)
 The officer in charge of Abernathy Post Office until a new postmaster is named is Lonnie Awtry, station manager of Freedom Station (Post Office) in Lubbock. Former Abernathy postmaster Herman Lambert retired last week.

It can take as long as six months for a new postmaster to be chosen. The position vacancy is publicized, applications taken and screened, applicants investigated and narrowed down to five which go before the promotions board in Memphis, Tennessee.

The board recommends a candidate but the postmaster general of the United States makes the final decision. The policy is usually to give the job to a hometown person if one is qualified.

Awtry appreciates the challenge of the temporary duty in Abernathy. He has 56 people working under him at Freedom Station and supervised 72 for five years as manager of Lubbock's Murry Hill Station. He says the Abernathy responsibility entails more paperwork and decisions. The experience will be valuable to his career.

"I'll try to do everything I can for the city of Abernathy," said Awtry. "We'll try to take care of the people's needs--which is what the job is all about."

Joe Don Rindi and Kayla Lovelace underwent tonsillectomy operations in Methodist Hospital, Lubbock, one day last week. They are the children of Mr. and Mrs. Gary Lovelace of Abernathy.

Calvin Jordan Named Director Of Olton Bank

(From The Olton Enterprise dated Sept. 23, 1979)
 Dale Cary, president of Olton State Bank, announces the election Tuesday, Sept. 11 of Cal Jordan, Clovis, N. M., as member of the Board of Directors for the local bank.

"We are very excited about having a man of his experience and background. He will be valuable help in serving our community," Cary said.

A native of Grayson County Jordan was reared in Fieldton. As a young man, he worked ten years in the John Deere Implement firm in Abernathy. He later operated an implement firm in Sudan. Ten years ago he moved to Clovis, where he operates the John Deere dealership. He is also owner of Cal Jordan Ford and Mercury Inc., in Littlefield.

Jordan is a member of the Masonic Order, Oddfellows Lodge, and is a veteran of World War II, having spent two and one-half years in the China-Burma-India theatre. He is a member of Parkland Baptist Church of Clovis. He and his wife are parents of one daughter, Renay, a junior student at Texas Tech University.

Gary continued, "With his business expertise, and the fact that he has long been associated with Lamb County, he is well aware of what we are doing here in Olton."

Abernathy Artist In Plainview Arts & Crafts Festival

Abernathy resident Morris Stevens will be participating in the Running Water Draw Arts and Crafts Festival in Plainview beginning Friday, October 12. Stevens is a woodworker who makes small items of furniture especially for children, and plant stands, and shelves. This is his first year to enter the Plainview event.

The Festival is now in its fifth year. Sponsored by Plainview Rotary and Llano Estacado Museum, the Festival is a fund-raising event for both groups. Artists from seven states, including New Mexico, Arizona, Colorado, Oklahoma, Missouri, Ohio, and Texas will be on hand. All work must be hand-made, and artists submit their work to a jury before it is accepted.

For this year's Festival, art forms range from woodwork, pottery, clockmaking, drawing, and needle crafts. Since the items are hand-made, each is unique. Many people use the Festival to do their Christmas shopping, since they can purchase unusual items.

The Festival is open to the public from 10:00 a.m. to 9:00 p.m. on Friday and Saturday, October 12-13 and from noon to 5:00 p.m. on Sunday the 14th. It is held in the Hale County Ag Center in Plainview. Admission is \$1.00 for adults and \$.25 for children under 12.

You will keep in perfect peace him whose mind is steadfast, because he trusts in You. (Isaiah 26:3 NIV)

HERMAN LAMBERT RETIRES AS POSTMASTER (cont' from page 1)

The post office, at that time was where Hoppy's Shop is today. It moved to the present building June 1, 1964. Through the years he has worked with Herbert Hardin, Jack Hackler, J.D. Webb, Wendell Tooker, Royce Shires, Gerald Grimsley, Gean Nunn, and Lorrin Blalock. There are seven employees now.

Postmaster Lambert saw drastic changes in post office work. The biggest was the advent of city delivery in 1968. The number of box holders dropped from 832 (plus many on general delivery) to 312. Mail delivery became infinitely more difficult, and he got buried in paper work.

Even though residents wanted home delivery, Lambert thinks the post office is still the busiest place in town.

"People think selling stamps is a penny-ante business," he said, "but \$100,000 worth of stamps are sold here each year."

"The postmaster job is quite a responsibility," he went on. "And retirement will be like a ton of bricks lifted, but I will miss it. The part of the job he enjoyed most was meeting and getting to know people."

Post office patrons are likely to miss Lambert's trademark--his ever present cigar. He smoked them throughout all his careers--the post office, cleaners shop, and the cafe. His wife is allergic to them so he can't smoke them at home or in the car with her and made up for it at work.

Lambert has no plans other than taking it easy for awhile. He has no hobbies, doesn't fish, hunt, or play golf but, "I'll do something," he said, "I don't know what but I can't just sit down."

He had lots of reports and paperwork to finish even after his official retirement day October 5. His co-workers plan to take he and Mary Will out to dinner for a small celebration.

A Mason, Lambert has served as Worshipful Master of Abernathy Lodge No. 1142 A.F. & A.M. He is a member of Abernathy First Baptist Church.

Becky Pearson Is Cheerleader

After tryouts in front of the AHS student body, senior Becky Pearson was elected cheerleader, filling a vacancy created when Donna Dawson transferred to another school.

Becky is the daughter of Thom and Juanita Pearson. She moved here with her family from Falls in November last year. She has four brothers.

Becky is a drummer in the Antelope band, fourth vice-president in Future Homemakers of America, and a member of Future Teachers of America.

Future Farmers Involved In LCC Sheep Program

In our continuing coverage of FFA members and their project programs, this week we feature Don Stone, Terry Motley, Rick Houston, and Ricky Powell. This past summer, the Animal Science Department of Lubbock Christian College initiated a program to promote the sheep industry in West Texas and at the same time, provide a way for young people to get a start in the sheep business. This is a part of LCC's Blueprint Expansion Program. LCC has been very successful the past few years with flocks of Finewool, Hampshire, and Dorset. They presently have a ewe flock of 350 Dorset and Hampshire ewes. Their Finewool ewes have been dispersed to numerous vocational agriculture students participating in this growth project.

Dave Kurly, LCC Shepherd, has allowed each student to receive 15 to 20 selected Rambouillet ewes. The new shepherd keeps his ewes for two years and gets all of the wool produced and half of the lamb crop. Registered Rambouillet bucks are also furnished by LCC in order to keep the participants' investment to feed and labor. If, at the end of the two year period, the participant plans to attend LCC, he is allowed to keep the ewes two more years. If not, he passes the ewes along to some other member in the chapter. The Abernathy chapter at present time has received 65 ewes. Rick, Don, Terry, Ricky, and their parents are all excited and pleased about the program and are looking forward to lambing next March.

County Line Baptist To Begin Revival

Bro. Riley Hamilton, pastor of the County Line Baptist Church announces that they will have a revival beginning Sunday, October 14 through the 19. If you need transportation or further information call 757-2134.

Shower Saturday To Honor Bride-Elect

A bridal shower honoring Miss Darla Leatherwood, bride-elect of Gary Stone, is scheduled for Saturday, Oct. 13, from 10 to 11 o'clock in the morning. The shower will be at the home of Mrs. A. C. Harris, Jr., 311 Ave. E., Abernathy. Hostesses with Mrs. Harris will be Mmes. Bobby Thompson, L. A. Johnson, Herman Lambert, Hugh Hill, H. C. Thornton, Roy Lee Knight, W. C. Bryant, Harold Thomas, S. W. Royal, Delwin Webb, Pete Knox, Derl McGuire, Joe Dean Smith, Harold Stillwell, and Duston Pierce.

Consumer Education Class Learns Market Techniques

Mrs. Marilyn Stone's, third period, Consumer Education class has been studying consumer choice which is the driving force of our market economy. The class spent one and one half weeks in developing, advertising, and selling a product to the consumer. The purpose of the project was to develop awareness of the importance of the consumer in the marketplace. Because of our free choice system, consumers determine what, how and sometimes for how much products are sold. The class formed corporations to develop, research, advertise, and market a soap product. Each class member was a part of one of the four corporations, they were:

Suds, Inc. - Mickey Sansom, Robert Castilleja, Anita Porter Queen-Terry Luera, Bobby Gough, Brenda Wilson Wingdurhard, Inc. - Gary Wingfield, Tommy Duran, Michael Hardin The Affiliated Incorporated Conglomerate of Soap Distributors of West Texas - Sam Dominguez, Vance Morrison, Roy Rodriguez Each member was in charge of one department in the corporation and had to work within a budget. The Market Research Dept. was responsible for a consumer survey and its analysis. The Product Research and Development Dept. was responsible for deciding what type of product to develop and sell. Hobby Club Meets Oct. 4

Abernathy Hobby Club met October 4 in the City Club Room. The meeting was called to order by President Thelma McLaugh. The minutes were read by Sue McAlister, Secretary-Treasurer. There were 17 members and one visitor present. Those attending were Ruby Benn, Theo Vineyard, Vera Vaughn, Minnie V. Presley, Minnie Northcutt, Duffy Wiggins, Glenna Downs, Francis Howard, June Speer, Nell Pope, Lois Shropshire, Buena Linecum, Dorothy Boggus, Frona Mae Shadden, Ruby Knox, Wilma Poe, Sue McAlister, and Thelma McLaugh.

After roll call, the program was turned over to Dorothy Boggus, Francis Howard, and Buena Linecum. Dorothy showed a gingham dog and calico cat. Francis showed stuffed animals, a dust mitt from yarn, a white macrame purse, crocheted pot lifters, a crocheted lap robe, a broomstick lace afghan, a navao afghan, shell stitch afghan, and rippled afghan. Buena showed crocheted tissue covers, framed quilted wall hanging, white macrame owl, bread dough art, woven sofa pillow, yarn cat, telephone index made from a small window shutter, Christmas pixies made of felt, small rocking chair made of clothes pins, miniature cotton trailer, a plaque with Jesus carved on it, a centerpiece of one dozen crocheted roses, hot dish mat, and a man's handkerchief made into a shirt to pretty up a Christmas package. Hostesses for the day were Ruby Benn, Theo Vineyard, and Ruby Knox. Reporter-Vera Vaughn

4-H Provides Learning Experiences

The 4-H program provides youth between the ages of 9 and 19 in Texas and throughout the nation an opportunity to make the most out of life and to become responsible citizens and leaders. In essence, 4-H provides "expanding horizons," the theme of this year's National 4-H Week, Oct. 7-13, points out Dr. John T. Pelham, state 4-H and youth leader with the Texas Agricultural Extension Service. The Extension Service, a part of the Texas A&M University System, is the parent organization of 4-H. 4-H provides a wide range of 'real-life' experiences for youth in a 'learning-by-doing' environment," explains Pelham. "This helps them become productive, self-directed and contributing members of society."

More than 137,000 boys and girls are enrolled in 4-H in Texas, with the national enrollment totaling some 5.2 million. There are some 2,000 organized 4-H clubs in the state and almost 1,100 special interest groups. "A vital cog in a successful 4-H program are volunteer leaders," notes Pelham. "Texas boasts some 16,200 adult leaders and more than 6,300 junior and teen leaders who give direction to specific project areas and assist 4-H members with special events and activities." As far as 4-H projects are concerned, Texas youth are engaged in a wide range of programs that are providing meaningful learning experiences. By far the most popular project is foods and nutrition, which is attracting more than 36,400 youth. Electric projects rank second at more than 14,370. The horse and pony project is attracting the third highest enrollment with more than 11,500, while clothing and textiles is running a close third with an enrollment of more than 11,200. Following in the top 10 listing of project enrollments are safety, creative crafts, beef, home gardens, sheep and swine. "With the emergence of new project areas, special interest groups and 'self-directed' programs, 4-H is reaching boys and girls from every cultural, economic and social background and is opening doors to a lifetime of personal growth and fulfillment."

METHODIST CHURCH NEWS

Plainview District Superintendent Weldon Butler of Plainview was here last Sunday evening for the 6 p.m. worship service to present a devotional and conduct the quarterly church conference. The U.M. Y. and J. M. Y. had a hamburger cook out at the home of Mr. and Mrs. Burt Montgomery following the evening service. Sunday, October 14 is Laymen's Day Sunday. The church lay leader, Richard Havens announces that the lay speaker for the morning worship service will be Bill Caffey of Comanche. Caffey is a former Abernathy resident and former lay leader of the local Methodist Church. Also there will be special music presented by laywomen and laymen. For the evening service there will be a sandwich supper in the fellowship hall at 6 p.m., followed by two guest speakers, Melody Wong and Melissa Smith, daughters of a Baptist Missionary who served and is at present serving in Venezuela. They will present slides also. The United Methodist Women met for their monthly meeting Monday at 10:30 a.m. in the church parlor for their studies of the parables of Jesus. They had a covered dish luncheon at noon. Engers Return From Europe Trip Mr. and Mrs. Clayton Enger spent two weeks touring Norway, Sweden, and Denmark and report they had a wonderful time. They promised to describe their trip in more detail for the next issue of The Weekly Review. Enger's grandparents came from Norway.

SEEDS FROM THE SOWER
By Michael A. Guido, Metter, Georgia

The Marines were carrying heavy equipment, and the going was rough. Just when they thought they had to give up, the Drill Instructor shouted, "When you think you can't take another step, take one anyway." That is what St. Paul did. He worked harder than any other follower of our Lord, had been in jail more often for preaching the Gospel, and had been whipped times without number. He faced death again and again. Five times the Jews gave him their terrible thirtynine lashes. Three times the Roman soldiers beat him with rods. Once he was stoned. Three times he was shipwrecked. Once he spent twenty-four hours in the open sea. He faced grave dangers from mobs in the cities, from death in the deserts, and in the stormy seas. He lived constantly with weariness and pain. Just when he felt he could not take another step, he took one anyway. What was the secret? He said, "I can do all things through Christ who strengthens me." Strength is yours for the taking. It is in the Son of God. Take Him, and He will enable you to do everything he asks you to with His strength and power.

ABERNATHY WEEKLY REVIEW

ATTEND THE CHURCH OF YOUR CHOICE THIS SUNDAY

Struve Suggests

At Abernathy Chamber of Commerce's October 4 meeting, Rudolph Struve proposed that citizens get involved in burglary prevention in both rural and town areas. He said too many irrigation motors and tractors are being stripped and homes burglarized. He suggests that people: Take notice of any vehicle that looks the least bit suspicious parked beside country roads. Write down the kind of vehicle (automobile, pickup, truck), and color, license number, time of day, and day of the year. EXAMPLE: Dark green Buick, license number ADJ 456,

Citizen Aid In

time-10 AM, August 15, 1979. Call 298-2545, the police number, and give the information to the person who answers. Innocent people will not be hurt in any way but, should the vehicle belong to a guilty person, the law will be able to more easily apprehend the culprits. People whose property being moved out of homes in town or in the country--and do not know it is a legal move--should report the house location, description of the vehicle involved, time of day and day of year to the same number, 298-2545. Innocent people should

Burglary Prevention

be glad of the security and guilty ones will be quickly apprehended. The safety suggestions also caution all women to lock their cars and, when getting into their car, to check the front and back seat areas for unauthorized passengers. Struve said these three measures should work right along with Abernathy's proposed Crime Line program. They may forestall burglaries of homes in town or in the country and provide safety for women. **Welcome Exes** For Home coming

For Those Without Hope:

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16

ND Lions Win Over Lorenzo

NEW DEAL (Special)--The New Deal Lions jumped out to a 14-0 lead then hung on to a 14-6 victory over Lorenzo in the opening District 4-A game for both teams. New Deal drew first blood in the second quarter as Billy Thiel blasted over from 1 yard out. The PAT attempt missed its mark. After intermission, the Lions, who raised their season record to 4-1, clicked on an 80-yard drive with Ricky Smith going the final 14 yards on an option play for the touchdown. Smith then hit halfback Tony Howell for the 2-point conversion pass. Lorenzo finally got on the scoreboard in the third period as the Hornets drove 70 yards, capped by a 1-yard dive by fullback Pinky Landin. The PAT try failed. New Deal had numerous other chances to score as the Lions drove 85 yards to the Lorenzo 3 late in the fourth quarter, but failed to push the ball across the goal. In the first quarter, New Deal was stopped on three scoring drives--twice by penalties and once by a fumble. Martin Adams was the top rusher for the Lions with 110 yards on 25 carries. New Deal rushed for 277 yards to Lorenzo's 160.

Lorenzo fell to 1-4 for the season. The New Deal Lions go to Ralls Friday, Oct. 12, for a District 4-A game that will start at 7:30 p.m. **CAN YOU REMEMBER?** When the law meant justice, and you felt a shiver of awe at sight of a policeman? When you weren't embarrassed to say that this is the best country in the world? When America was a land filled with brave, proud, confident, hard-working people?

LETTER: To the Abernathy Weekly Review: As we have reflected on the past eighteen years, we realize how fortunate we were to have been a part of the Abernathy community and school system. The opportunity and experience gained from working in the Abernathy school system has certainly made our transition into school administration much easier. Abernathy has been an important part of our lives for many years, and to the people of Abernathy we are grateful. Jerry & Donna Adams Rt. 1, Box 62D-61 Tuscola, Tx. 79562

FOR 2¢...

I can do a great many things with power from the rural electric cooperative to lighten my load, brighten my day and keep me within my budget. I use power a hundred different ways. Here are some examples of what 2 cents will buy from my electric cooperative. And when I think about the higher cost of electricity I'm impressed all over.

NEWS FROM THE CHURCH OF CHRIST

Robin Wright, son of Mr. and Mrs. Dan Wright, brought an excellent lesson for our Devotional Service Wednesday night. Robin is in his senior year at L. C. C.

Our meeting, conducted by Bro. Tex Williams, began Sunday with good attendance. Record crowd met for the salad supper, following Sunday night service, and good food and fellowship was enjoyed by all.

Several teenagers knocked on doors Saturday inviting others to the meeting. Those named were: Jesse Kemp, David Myatt, Albert and Ray Ortiz, Kayla Newton, and Keith Robertson. Their efforts were greatly appreciated along with the help of several adults.

An outing for the teenagers is being planned for Oct. 20. Bro. Ernest Johnson, one of our ministers, will give details at a later date.

There will be a Congregational Devotional following services Sunday evening for all who can attend.

4-H's Exhibits Place In PSP Fair

Seven Hale County 4-H's participated in the South Plains Fair in Lubbock, according to David Box, County Extension Agent.

D'Ana Howard of the Abernathy 4-H Club exhibited the fifth place medium heavy cross steer. Lonnie Howard, also of the Abernathy 4-H Club exhibited the sixth place heavy weight cross steer.

Box stated that Jason Stroud of the Plainview 4-H Club placed seventh with his heavy weight Angus steer.

Other entries in the Fair were John Young from the Halfway 4-H exhibiting a barrow.

Brett Cybert from the Plainview 4-H Club exhibited two medium wool lambs.

Dan Evans and Layton Johnson from the Abernathy 4-H Club also exhibited lambs at the Fair, stated Box.

Your word is a lamp to my feet and a light for my path. (Psalm 119: 105 NIV)

Friendships, Changes Success Is Theme Of County Line Meeting

"Friendship, Changes and Success" was the theme for the October 4th noon meeting of the County Line Club. This meeting was to honor the past presidents and new members.

The meeting was opened with prayer and lunch was served.

Following the meal, president Sally Barrick introduced the guest speaker Mrs. Clara Parish from Ralls, who presented a very inspiring program of readings on changes, friendships and success.

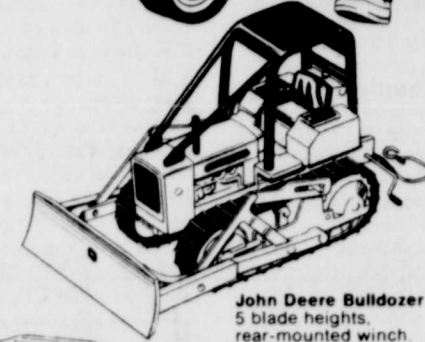

Following the program Sally presented a thank you gift to Mrs. Parish. The president called Sharon Coffee to the front to present her a plaque that read "Past President Of The County Line Club 78" and had a poem on friendship. Mrs. Coffee and her husband Robert will be leaving the County Line community to move to Georgia soon. Next the new member, Vicki Havens, was called to the front and was presented a wall plaque with "Welcome Vicki" on it. Sharon Turner and her new son Jeffery Allen who is two weeks old were presented with a gift, of a wall plaque with Jeffery's name and birth date on it and a baby on the front.

Following the presentations, the group went to the home of Mrs. Jack Connell to see her new addition of rooms where she has her "doll collection" and ceramic shop. Mrs. Connell has about 800 dolls on display as well as ceramic pieces she has painted and other crafts she has made. It was a very interesting tour.

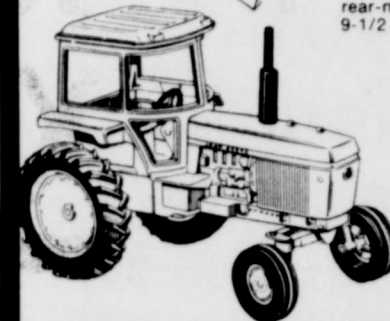

Those present for the meeting were: Sharon Turner, Dee Moralez, Juanita Bell, Sally Barrick, Sharon Coffee, Bobbie Embry, Pam Connell, Vicki Havens, Nettie Parrish, and two guests, Clara Parish of Ralls and Thelma Wesley.

Ragland Family Reunion Held Here

The Old Ragland home, now occupied by Sook (Ragland) Moreland, was the scene Sept. 30, of a reunion of the descendants of a pioneer couple, the late Mr. and Mrs. W. H. Ragland, who settled in the Lakeview/Abernathy area before there was a Lakeview or an Abernathy.

The descendants and their families and others attending the Ragland reunion, hosted by Mrs. Moreland, were:

Mr. and Mrs. Russell Kelly, Mr. and Mrs. Rusty Kelly and Christie, Mrs. Betsy Barbee and Lou and Steve, all from Knoxville, Tenn.; George and Welcome Ragland of Lubbock; Mrs. Harry Ragland and Veldean Harrison of Plainview; Mr. and Mrs. Ralph Boyd of Petersburg; Vivian Ragland of Mesquite; Mr. and Mrs. Ray Blue of Lubbock, and the following all of Abernathy: Mr. and Mrs. Robbie Heath, Mr. and Mrs. Don Heath, Tony and Terry, Mr. and Mrs. Bob Heath and Mark and Mr. and Mrs. Jake Meester.

A host of friends came by during the day to visit.

Revival Set At Baptist Church

Everyone is invited to a revival beginning Wednesday, October 10 and lasting through Sunday, October 14, at Abernathy First Baptist Church.

Evangelist is Delbert Serratt of South Georgia Street Baptist Church in Amarillo. Leading the singing will be Darrell Dick of Coker Hill Baptist Church in Dallas.

Services will be at noon and at 7:30 p. m. Lunch will be served before the noon services which will end in time for students to return to school before class resumes.

Friday evening service will be held at 8:45 and dismissed before the Homecoming ballgame begins.

Wednesday night is Sunday School Night. Sunday School classes will meet for prayer 15 minutes before services begin. Junior high students will have a sandwich supper in the Fellowship Hall beginning at 6:30 Wednesday.

Thursday night will be Deacon Night with all deacons having contacted their flocks.

Saturday is "Old-Fashioned Day". Supper will be served from 6 p. m. until the service begins. People will be dressed in old-fashioned clothes such as long dresses, bonnets, overalls, etc. An old-fashioned supper of chicken, beans, ham, and cornbread will be served. Everyone is invited to come whether dressed old-fashioned or modern.

Sunday night is Youth Night with Junior high students having a Sloppy Joe supper before services and high school students having one after services.

Delbert Serratt, who will be leading the revival, was graduated from Wayland Baptist College and from Golden Gate Baptist Seminary in California.

ORGANIZATIONS ON THE MOVE

(From the Antelope Outlook)

The boy's FCA met September 18. Officers for the upcoming year are as follows: Dana Fluid, president; Scott Morrison, vice-president; Don Stone, secretary; Tony Heath, treasurer; Vance Morrison, reporter.

"This organization is an important club and an added attraction to AHS this year. There has been an enthusiastic turn-out so far and we encourage others who wish to join to contact an FCA officer," stated senior member, Vance Morrison.

The FFA had their first meeting of the year on Wednesday, September 12, during activity period in the Gold Auditorium.

President Van Riley presided over the meeting which was opened by the traditional opening ceremony common to all FFA meetings.

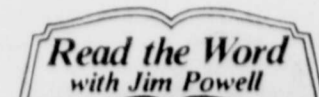

The club discussed having a Beauty The Campus Committee and challenging other organizations to keep the campus beautiful.

Other items of business included nominations of FFA Sweetheart and Plovergirl, selection of committees, information on club projects, sale of jackets for \$20.50 apiece and caps for \$4.00 apiece, news about the Fair Stock Show and agriculture exhibits, and details about upcoming work on Leadership Contests.

Club dues should be paid by the second meeting. Mr. Kelley and Mr. Booth announced that the chapter has show lambs for sale.

The FFA met on Wednesday, September 12, at 8:45 a. m. in Mrs. LeMoine's room.

Weldon Patterson presided over the meeting. A sign-up sheet was passed around so members could sign up for offices. The officer elections will be conducted at an ice cream supper to be held October 2. District meetings, state meetings, and point requirements were discussed by Weldon Patterson, Mrs. Gough, and Mrs. LeMoine.

It's as Natural as Eating and Sleeping

To television and movie director Richard Bennett, studying the Bible is as natural and important a part of human life as eating and sleeping.

"From Bible study, I get supplement, pleasure, rest and sustenance," he explains. "I think Bible study is as necessary as exercise, breathing, eating and sleeping."

Bennett, who has directed such TV shows as "The Waltons," "Barnaby Jones" and "Emergency," studies every morning as well as any time he has an opportunity during the day, but he says he can point to no single scripture as a favorite.

"The Word of God is alive today, and my needs change everyday," he explains. "So, I keep discovering new things that are my favorites."

"What's really amazing is to re-read a scripture that you have read for years and have it come a-

live to you to speak to a particular situation."

Bennet may not single out a favorite scripture, but he does closely identify with the Apostle Peter.

"He was stubborn and very human," he says. I think that describes me. I need all the patience that our Lord has. I am stubborn and thick-headed at times, and I make mistakes, but I can identify with Peter because he was strong, he had faith and the Lord did all the work."

He explains that God's work through Peter is an example of what He can do through anyone who will give Him the chance by studying the Bible.

"I challenge anyone to try reading the Bible and not notice the change—not experience the love of God—that comes from that small effort on our part," Bennett says.

Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come! (II Corinthians 5:17 NIV)

MARGARET CLEMENTS, JAMES ANDERSON
...engagement announced...

Couple Reveals Marriage Plans

Mrs. Frank H. Clements of 802 NW 7th St., Andrews and Mr. James W. Anderson of Lubbock announce the engagement and forthcoming marriage of their children, Margaret Rose Clements and James Robert Anderson. Miss Clements, daughter of the late Frank H. Clements, and Mr. Anderson will be wed on the seventeenth of November, 1979, in First Baptist Church, Andrews.

Miss Clements resides in Austin where she is presently employed as a consultant in the Division of Bilingual Education, Texas Education Agency. She graduated from Andrews High School in 1968. She received The Bachelor of Arts Degree from Texas Tech University in 1971 and her Master of Arts Degree from The University

of Kentucky, Lexington, in 1975.

Mr. Anderson was graduated from Monterrey High School in Lubbock in 1969. He received The Bachelor of Science Degree from Texas Tech University in 1973 and the Master of Landscape Architecture degree from The University of Illinois at Urbana-Champaign in 1975. He is a registered landscape architect working for Laguna Hills Landscape Contractors in Austin.

The couple plan to make their home in Austin.

Miss Clements was employed for several years by the Abernathy School District in the bilingual education department.

I have been crucified with Christ and I no longer live, but Christ lives in me. The life I live in the body, I live by faith in the Son of God, who loved me and gave Himself for me. (Galatians 2:20 NIV)

You will keep in perfect peace him whose mind is steadfast, because he trusts in You. (Isaiah 26:3 NIV)

Police Dispatcher Suggests Crime Prevention Steps

Willie Ruth Bradley, our police dispatcher, knows all about crime in Abernathy. She also notices that local people are quite careless sometimes in protecting themselves against harm. She pointed out the following safety measures which are easy, inexpensive, and only common sense.

It's the job of our police to catch criminals but it's our job to protect ourselves from crime in the first place. If you leave children at home alone, instruct them that when someone calls on the phone and asks "Is your Mother or Father home?" to tell the caller that they are busy at the present or unable to come to the phone at the time but you will have them call back as soon as they get through with what they are doing. (Never let anyone know you are at home alone.)

A small investment of a timer will turn lights on in your house when you aren't there and turn it off also, either at the same time or you can set them on variable time. Also leave a radio or the TV on while you are gone, along with a light on indoors.

If you are a widow or a lady living alone, have your telephone listed by your husband's name or just your initials. Never have it listed under Miss or Mrs.

When you have your doors open in the summer or spring to let in fresh air, always keep screen doors locked, even if you are in the house. Too many people can just walk in.

Don't let salesmen or salespersons indoors unless they can properly identify themselves and have permits to go door to door. Also it would be wise to have someone with you, even a neighbor if possible. If not, DON'T LET THEM IN. There are too many con artists working these days. Report any such incident to the police immediately.

Safety chain locks can be broken easily, I suppose, but not if you keep your foot behind the door ready to slam the door shut in case someone tries to get in. At least it gives you a little added protection. And a good idea is not to install the lock horizontally but at an angle, to prevent someone from slipping their hand in and sliding it open. It is harder to slide if installed at an angle.

S/F Fund Drive Nets \$607.95

Dear Editor: The breath of Life Campaign slogan for 1979 was "If you knew what we know about cystic fibrosis, you'd do anything to help." Millions of American children, including those with cystic fibrosis, know what it's like to live with a life-threatening disease. They struggle for breath every day. They must hope that research and improved medical care will continue to extend their lives.

On behalf of lung-damaged children throughout the United States, the Cystic Fibrosis Foundation extends sincere thanks to the many members of this community who did "everything" to help in the reath of Life Campaign.

The dedicated volunteers in this community generously donated their time to the door-to-door march and raised a final tally of \$607.95. Their contribution is beyond measure. Their efforts will help to support Cystic Fibrosis Centers throughout the United States specializing in the diagnosis, treatment and referral of children with CF and other lung-damaging diseases.

To the contributors in this community, we send heartfelt thanks. Their hard earned dollars will provide much needed funds for research to find a control or cure for cystic fibrosis, a leading genetic killer of children.

With its widespread influence, the mass media in this community have taught more people what we know about lung-damaging diseases in children. Providing an invaluable public service, the newspapers, radio and television stations have alerted parents to the signs of children's lung-damaging disease and to the importance of diagnosis and comprehensive treatment.

Yes, the Lone Star Chapter of the Cystic Fibrosis Foundation knows that lung diseases kill more children in this country than any other disease except cancer. Yet, we have hope. Through the humanitarian efforts of volunteers, contributors and the media, we may one day realize a future in which children no longer suffer from cystic fibrosis or any other lung-damaging disease. When that day arrives, the residents of Abernathy will have helped to make it possible.

CPR Training Averts Near Tragedy Here

(By Billie Rantz)
That old familiar saying "practice what you preach" (or teach-as the case may be) was put to the test on Monday evening, October 1 about 6:30 by Abernathy High School faculty member Betty Cagle when she very promptly and efficiently applied the Heimlich Maneuver of first aid for choking victims to Ed Tarver when he became choked at the Dairy Queen.

Mr. Tarver, who was at the Dairy Queen with family members, the Halfords and Ingrams, apparently began choking when a piece of food became lodged in his throat. Others present thought he might be suffering a heart attack but Mrs. Halford, believing he was choking, attempted to use the Heimlich Maneuver to help him. She said, "I had read of this method of first aid several times but had never practiced or tried it and did not apply pressure in the right place."

Betty Cagle, who was there with friends, realized quickly what was happening to him and immediately went over and said, "I believe I know what to do." She applied pressure, using the method she had learned and has been teaching to her students, and the food was dislodged from his throat. She did indeed know what to do, and had the presence of mind to act calmly and swiftly to put this knowledge to use.

Betty Cagle said, "I have been teaching it, and after having an occasion arise and having the actual experience of using this technique, I realize even more surely that it is a very necessary and vital procedure to teach to our students. To help them to be aware of the importance of learning the Heimlich Maneuver and being prepared and feeling confident that they can use it in an emergency like this."

Mrs. Halford said "it happened so suddenly that although I knew there was a way and method to help someone choking I was a little excited and didn't know how to apply pressure right." She also said all of the family really appreciated Betty Cagle and were so glad she was there. "She just jumped up and 'Johnny on the Spot' said 'I think I know what to do.' One of the things Betty told them later was is a person who is living alone should choke on food they could press very hard against the back of a chair and this might help to dislodge food from their throat."

Vernell Childress, manager of the Dairy Queen, was in another part of the building during this episode and emergency first aid had already been administered to Mr. Tarver before she was informed of what had happened. Mrs. Childress has completed the Basic Life Support Course of the American Heart Association and also keeps up to date in First Aid to the Injured. These are quite extensive courses but she believes very worthwhile, having had to use the Heimlich Maneuver on a young girl who was choking on bread and knowing that it is effective.

Mrs. Childress said "I am so thankful Betty Cagle was on the spot and had the training and was competent to use it. She averted what could have easily been a tragedy." She believes it would be very good if every eating establishment had one employee on the premises who has had this training and could use it in a life saving situation.

Betty teaches all the Health classes in Abernathy High School and is also a basketball coach. She devotes 6 weeks of each Health class to teaching Cardiopulmonary Resuscitation (CPR) of which the Heimlich Maneuver is a part along with artificial respiration and first aid for bleeding, poisoning, and choking. Betty has taught here for five years and was assisted by the local EMS personnel in the presentation of this course the first 2 years it was taught. She is to be commended for her quick thinking and assurance of how to handle emergencies.

Several of the persons who were present at the Dairy Queen on Monday night have contacted our office and suggested that we mention in the paper that another course offered to the public in CPR would be well received. When this class was taught several years ago there were 12 to 15 people who took the course, and it is a needed service and more people would like to participate in it. It would benefit everyone to have this knowledge, and feel prepared to use it should the occasion arise.

4-H Community Club Meeting

The Abernathy Community 4-H Club met Tuesday October 2 in the First United Methodist Church. The meeting was called to order by vice-president Alan Pettit. The American Pledge was read by Lisa Pettit. Ross Bradley lead the 4-H Pledge and motto. The inspiration was given by Joan Davis. The roll was called by secretary Patsy Davis. Those present answered by what size shoe you wear. The minutes were read and approved. Reports were given on the foods and nutrition projects. Betty Pettit gave the report on rock polishing. The new projects that were discussed were leathercrafts and rock polishing. Recreation was held and then the meeting was adjourned. Reporter-Vicky McKenzie

Great Society E. H. A. Meets

The Great Society Extension Homemakers Association met October 1 at Community Center with 21 present for the program presented by the Asst. County Extension Agent, Mrs. Naomi Wheeler.

Maybell Glass opened the meeting with prayer and roll call was answered "The last time I lost my purse". Mrs. Naomi Wheeler's program was on making purses. She demonstrated how easily and cheaply one may have many attractive and modish purses. Her emphasizes were placed on (1) how easily and quickly it can be made, (2) how cheaply it may be made not over \$3 and (3) how easily it is to clean and take care. She reminded the members that one should clean out ones purses once a week-it will help the purse to last longer and hold its appearance.

Three new members were acquired by the club, Angie Martinez, Vivian Chacon and Gloria Jean Applegate.

Four visitors were present, Alta Echols, Jennie Slough, Fay Williams and Mary Ann Pace.

The next meeting will be October 22 at 1:30 at the Community Center. Mrs. L. A. Suttle will present the program on Frozen Meals. The material to be used will be furnished and compiled by Wynon Mayes, the County Agent. Mrs. Suttle will give demonstration on the canape tray using-chicken, ham, cheese recipes.

Those present were: Angie Martinez, Vivian Chacon, Gloria Jean Applegate, Juanita Brantley, Helen Sifuentes, Alice Ramos, Elodia Marez, Olean Mathis, Alice Pace, Imogene Suttle, Fay Williams, Jennie Slough, Alta Echols, Charlotte Robinson, Mae S. Parson, Naomi Wheeler, Rosie Honeycutt, Mary Ann Pace, Ramona Betancur and Maude Britton.

\$251,800 in scholarships valued at \$500 to \$1,000 each will be awarded at the 58th National 4-H Congress in Chicago Nov. 25-29.
