FIRST BALE OF COTTON GINNED AT CITY GIN: For Farmer Loren West. Shown L. to R. are Eugene Crumpler, City Gin Manager, ginner, Maximino Rivera and Loren West.

Loren West Brings 1979 Cotton To City Gin Here

Eugene Crumpler, manager of City Gin of Abernathy reported that Loren West brought in the first bale of cotton this year and it was ginned on Thursday, October 11. The 410 lb. bale was stripped on Loren West home place west of town. It was dry land cotton planted the 10th of May. It turned out 840 lb. seed out of 2500 lb. of seed cotton. West received a \$50.00 bonus and free ginning for bringing in the first bale of cotton in Abernathy for the season.

Graciela Quinonez Receives Booster Club Scholarship

The Booster Club Scholarship committee has announced that Graciela Quinonez has been awarded the Booster Club Scholarship for the 1979 fall semester. Graciela was an outstanding student while in the Abernathy Schools and is a 1977 graduate. She has completed 4 semesters at Texas Tech University with a grade point average of 3.88 and is majoring in family relations. She lives in Horn Hall on the University campus and is the daughter of Mr. and Mrs. Aureliano Quinonez of Abernathy. Any students wishing to apply for the scholarship for the spring semester should contact a member of the Booster Club Scholarship committee and submit their application by December 1, 1979.

AHS CLASS OF '29 SETS GOLDEN YEAR REUNION NOV. 10

(By Arno Struve) The graduating class of Abernathy High School-1929 is planning a reunion on the tenth of November 1979 at the home of A. W. and Burnie Hardin. A salad supper is being arranged. All surviving members of the class have either been contacted by telephone or in person all but one of which have expressed a determination to be present. Distance is the discouraging factor for the one who isn't planning to come but perhaps a little encouragement will overcome this obstacle. Edith Reid was one of our class sponsors during our high school years and is planning to attend. While we were in high school Julia Beth Newell passed away and after graduation over the years we lost J. K. Jackson, Ray Thompson and Cecil Shirley. We are very fortunate to have a majority of the class still living on the South Plains with only three residing out of state. The class was particularly active and close knit during the senior year and we remember that time together with a fondness we can never forget. There will always be a special bond of affection among those classmates as long as we live.

1958 Antelopes Honored At Homecoming Events

Eleven members of the Bi-District Champions football team from AHS and two coaches were honored with a reception and were introduced on the field during pre-game activities here last Friday evening. Those present included former Antelopes Pat Atterbury, Keith Beard, Richard DuBose, Charles Evans, Jerry Glat, Jimmy Gregg, Carroll Powell, Aubrey Smith, Raymond Smith, Harold Thompson, and Gerald Watson, and coaches Royal James of Amarillo and Earl Carter of Abernathy.

During the reception, which was sponsored by the AHS Student Council, those present enjoyed the film of their game against Olton. Also they were shown microfilms of newspapers from 1956 through the 70s, and all the trophies won that year in all sports were on display. Preparations for the reception and other halftime activities were begun about three weeks previous, according to Student Council sponsors, Mrs. Bitsy Aldridge and David Sharp. All in all the various committees included 21 Student Council members and 10 or 12 teachers, they commented. Four or five different committees were comprised by members of the Student Council, and other committees included: Reception Committee for the Class of 1958; Coronation Committee; Flowers and Crown Committee; Car Judging Committee; Pep Rally Committee; and Faculty Homecoming Committee, chaired by Mrs. Bettie Hardin.

Other pre-game activities included a Parachute Routine by the Peppers, the newly formed Pep Club, and the announcing of the winners of Car Decorating Contest. Various winners included: Raul Cano, Individual winner, \$10 prize. Clubs and Organizations -- Publications, 1st Place; Boys Fellowship of Christian Athletes, 2nd Place; and CVAE, 3rd Place. High School principal Mitch LeMoine announced the pre-game activities, while halftime activities were announced by Band Director George Riddell. The Halftime show included the presentation of Duchesses and Princesses and the crowning of Miss Jo Ann Stone as Homecoming Queen for 1979.

Duchesses and their escorts included: Angie Atterbury and Tom Conway; Cindy Turner and Todd Knight; and Darla McGuire and Tim Presley. Princesses Tammie Conway was escorted by Jeff Oswalt, Cathy Garcia was escorted by Ralph Flores; Carrie Lee Luttrick was escorted by Blane Neis, and Jo Ann Stone was escorted by Van Riley. Crown Bearer was Miss Bridgett Sharp, escorted by Jason Hobgood. Presentation of the Crown and flowers was by Student Council president, Jody Smyers. Miss Stone also received an autographed football from the 1979 Antelope football team. Prior to the presentation of the Homecoming Court, the AHS Marching Band entered the field to "Emperata". At the close of the song, the twirlers were featured in a routine to "The Horse". Marchers of the Week for the previous three weeks were introduced. They included Christine Garza, Pauline Brunner and James Pate. Players of the Week were Blane Neis, Gene McDonald, Hector Ramos, Brian Evans, and Grady Shuey. Most spotted for the week were Mr. Riddell, the Tuba section and Richard Mitchell.

BRIEF: Abernathy EMS ambulance took Terry Motley Hi-Plains Hospital, Center, Oct. 2, and Kelly Nixon to a Plainview hospital on Oct. 4.

'Lopes Ramble Past LCHS Eagles 44-25 In Homecoming Bout Here

The AHS Antelopes put on a show for the Homecoming crowd last Friday, and at the end of a long evening, sent the hometown fans home boasting a 44-25 victory over the Lubbock Christian High School Eagles. It was the 4th win of the year for Coach Larry Aldridge and staff's charges, against no losses and two ties. The 'Lopes ran and passed for 350 yards for the night while holding the LCHS boys to only 46 yards rushing. However, the Antelope pass defense had some holes in it, and the Eagles completed 15 of 33 passes for another 262 yards while suffering three interceptions.

Antelope Quarterback Tony Heath completed 7 of 18 passes for 133 yards and 2 touchdowns and threw only 1 interception. In addition to throwing TD strikes to Willie Betts and Kenneth Sanders, Heath ran for 2 TDs himself on runs of 8 and 1 yards. The other Antelope scores came on runs of 46 yards by Sylvester Dunn, and 6 yard run by halfback Tony Cox. Betts kicked 5 extra points. Victor Dees kicked one, and the Lopes added 2 points by sacking the LCHS quarterback behind the goal line.

Halfback Dunn had 127 yards rushing on 14 carries as the leading rusher, while Sanders was close behind with 2 catches for 59 yards and 38 yards rushing on 7 carries for a total of 97 yards. Heath carried the ball 9 times for a 20 yard total, while others helping to carry the mail included Scott Morrison, Mike Flores, Tony Cox and Kenneth Moss. Tight end Dean McGuire snagged 3 passes for 56 yards and Joey Garcia grabbed one for 12 yards.

The visitors' scores came on passes of 27 and 23 yards and runs of 4 and 1 yard. They kicked only 1 extra point as the Antelopes blocked the other 3.

The 'Lopes put up a good defensive effort against the drive. The Lopes blocked the extra point attempt and held a narrow 7-6 edge. Kenneth Moss took the ensuing kickoff on his own 12 and almost broke loose as he moved out to the 43 before being brought down. At that point the Lopes bogged down, and Garcia got off a 33 yard punt to the visitors 23. The Eagles couldn't move either, and on 4th down their punter received a bad snap and a pile-up resulted at the 10 yard line. Dunn hit off-tackle for 2 yards, then Heath carried around right end for the score. Again Betts' kick was true, and Abernathy was out front 14-6.

The Eagles brought the kick out to the 31 and marched to the Abernathy 31 before attempting a field goal on a 4th and 8 situation. The kick was short and Abernathy took possession at that point. Heath attempted to pass but was rushed and lost 7 yards, but on the next play he hit McGuire with an aerial, and the versatile tight end carried out to the visitors 37, but a 15 yard penalty from the point of foul during the play moved the ball back to the Lopes 47. A pass fell incomplete, then McGuire took another aerial but fumbled as he was hit and Abernathy recovered for a 13 yard gain. Then Dunn was again given the ball on a draw and picked up 24 yards for a first down at the Eagles' 16. Flores carried around end

for 7 yards, then Heath kept for 3 more and another first at the 6. It was easy going on the next play as Heath made an excellent fake for a run up the middle, then tossed a pass into the arms of Willie Betts in the end zone to make the score 20-6. Betts then calmly added the extra point.

With only 23 seconds left in the first half, the Lopes tried an on-side kick, but failed to recover the ball. They did get it back on the first play, however, when Heath intercepted on the Antelope 36 and ran it back to the visitors' 41, but the Lopes had time for only 3 plays before halftime.

During halftime activities, Miss Jo Ann Stone, daughter of Mr. and Mrs. A. L. Stone, Jr., was crowned Homecoming Queen. Abernathy again kicked off to the Eagles to open the 2nd half, and the visitors marched downfield to the Abernathy 17. An interference call against Abernathy put the ball on the 4, from which point Tim Williams scored on an off-tackle flant. The extra point kick was partially blocked, and Abernathy led 21-12. The Lopes couldn't move following the kickoff, and punted to the visitors' 34. Aided by a 38 yard pass and another pass interference call against Abernathy, the Eagles had a first down on the Lopes' 16. Dees nailed the QB for a yard loss, then after a penalty moved them back to the 25. Manis took the snap and just lobbed the ball toward the end zone as his left end Shawn Williams ran under it for a TD. Williams then kicked the extra point barefooted, and the Lopes were out front by only 2 points, 21-19. (cont. page 4)

CITY COUNCIL REPORT

Abernathy City Council expressed disappointment at its October 8 meeting that there was no co-operation between Abernathy School Board and city officials in deciding on a nominee for the board of directors of the newly established Hale County Tax Appraisal District. At its October meeting, without consulting city officials, the school board voted to nominate school board president Billie Harrison. The council was under the impression it was to be a cooperative effort since it will take the combined votes of both the city and school to elect one director to the board which will be responsible for all taxation in the county. The city officials felt strongly that Abernathy does need a representative on the tax board but that the nominee should not be a member of either the city council or the school board. The council wants the public to know its feelings about the nomination and expressed hope that the city and school board can cooperate in the future on any issues that concern the city. The city can't very well nominate anyone now because it would divide the vote and make it unlikely that a representative from the Abernathy area could be

elect to the tax board. The votes are allotted to the amount of taxes they impose. It takes 834 votes to elect one director to the board. Plainview Independent School District has enough votes (834) to elect one director (with some votes left over). Hale County, with 1086 has enough to elect one director (with some votes left over). Abernathy ISD has 705 votes; the City of Plainview has 700. The City of Abernathy ranks eighth in a list of eleven taxing groups in number of votes.

PINSON PLACE There was no opposition to annexation of Pinson Place into the city limits in a public hearing at the council meeting. Residents of the new addition presented a petition requesting annexation at the September council meeting. The council will meet October 19 at 4:30 PM to consider an annexation ordinance which, if approved, will make Pinson Place part of the city.

CONTRACT MODIFICATION The council voted to add changes amounting to \$1095 to its contract with Ed Lampy Construction Co. The changes include addition of a fire exit, a sloped

OCTOBER IS CO-OP MONTH

Agriculture Commissioner Reagan Brown, right, and Texas Federation of Cooperatives' Bruno Schroeder look over Governor Bill Clements' Proclamation declaring October as Cooperative Month in Texas.

OCTOBER IS FARMER COOPERATIVE MONTH COMMISSIONER REAGAN BROWN NAMED HONORARY STATE CHAIRMAN

Throughout the nation the month of October is annually proclaimed and recognized as "FARMER COOPERATIVE MONTH". Texas' Governor Bill Clements, in his official proclamation, urged the people of Texas to give special recognition to the constructive and responsible role of agricultural cooperatives in the economic progress of our State.

The Texas Federation of Cooperatives has named Reagan V. Brown, Texas Commissioner of Agriculture, as Texas' Honorary Chairman for Farmer Cooperative Month.

Farmer-owned and controlled cooperatives play a key role in making the family farm the highly productive and efficient system it has become. Food is still one of our biggest bargains. The citizens of the U.S. spend an average of just 18.9% of their disposable income for food, contrasted by 30% by England and Japan, 55% in Russia and almost 85% in many Asiatic and African nations.

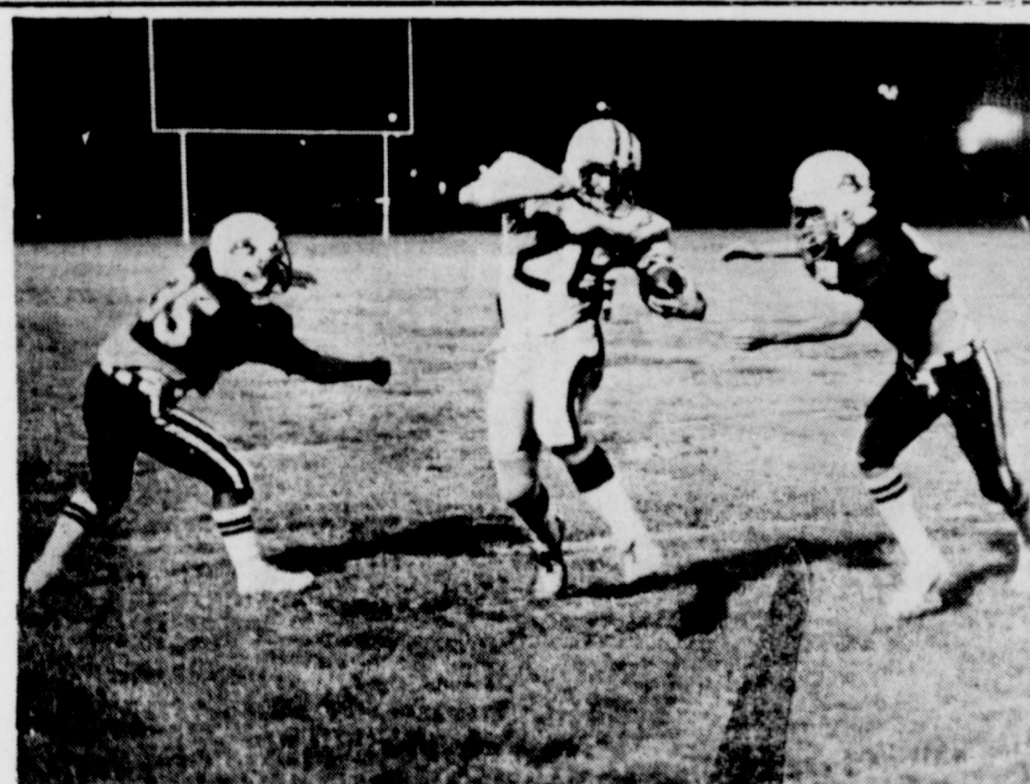

In Texas, there are 450 farmer-owned cooperatives that process and market commodities, purchase farm supplies and equipment and provide services necessary to conduct an efficient and progressive agricultural industry for approximately 125,000 member-patrons. This past year these cooperatives had a business volume exceeding \$2-billion. Farmer cooperatives are large and small and are located in towns, cities and in the country. Wherever they are and whatever their size, they are busy serving members, their communities and the general public.

Antelopes To Open District 4-AA Play Here Against Tulia

Head Football Coach Larry Aldridge and his staff will take the AHS Antelopes into the District 4-AA conference battles beginning at 7:30 p.m. Friday, Oct. 19, when the Tulia Hornets come to Abernathy. And, on other Friday nights of the current season, the Antelopes will meet the other 4-AA foes, Lockney there, Idalou here and Floydada there.

The Antelopes won the Homecoming game last Friday night defeating Lubbock Christian High School, 44-24. How other 4-AA teams fared last Friday night: Tulia lost to Childress, 0-35; Lockney beat Dimmitt, 26-18; Idalou lost to Muleshoe, 15-21; Floydada downed Wellington, 21-12.

REMEMBER: The Antelope-Tulia game here Friday, Oct. 19, will start at 7:30 p.m. The rest of the games this season also will start at 7:30 p.m.

CLOSE QUARTERS--Two JAntelopes, Mike Flores, 35, and Dana Fied, 55, close in on Lubbock Christian High School running back Tim Williams in action last Friday night before a Homecoming crowd at Antelope Field. The Antelopes won the contest 44-25. (Photo by Lonnie Howard)

City Sales Tax Receipts Higher Than Last Year

Business is 6% better in Abernathy this year than at the same time in 1978. A report from the State Comptroller's office in Austin shows that Abernathy's sales tax receipts for 1979, were a total of \$34,342.32 to Sept. 27, 1979. Sales tax total for 1978, to Sept. 27 of that year, was \$32,325.20.

Sunshine Group To Meet Thursday

The monthly meeting of Abernathy's Sunshine Group will be held Thursday, Oct. 18, starting at 11 a.m. The luncheon and program will be in the city hall club-room. All members are urged to be present, and prospective members are welcome.

Photographer Due Here October 31

An experienced photographer from Shugart Studios, Inc., of Levelland will be at Pinson Pharmacy in Abernathy during business hours Wednesday, October 31. Persons of all ages, from babies to grandparents, may have color photos taken at Pinson's that day. See Shugart's two advertisements in this issue of The Review. One of the ads is a valuable coupon. It is in the left hand top corner of the back page to make it convenient to clip and take along to Pinson's Oct. 31.

ATTEND WEDDING: Rev. and Mrs. HB Goggin attended the wedding of their niece's daughter, in Lubbock at the Second Baptist Church Saturday night. Jeannie Fuel daughter of Mr. and Mrs. Ross Fuel, became the bride of Gary R. Galloway. His parents live in Idalou.

HAZARDS HAUNT HALLOWEEN

In recent years Halloween has been scarier for adults than children. Children can imagine a world of spooks and goblins. Adults must face the very real threats of poisoned candy, vehicle accidents, dangerous costumes and other hazards endangering children. Seeking ways to avoid these problems and decrease vandalism, parents increasingly are steering their children toward organized activities such as school carnivals and parties.

Such efforts have been at least partially successful -- or maybe children simply are forbidden to go out on Halloween. In any case, the number of trick-or-treaters in many places has declined dramatically.

Yet Halloween is too well established to die out completely. Since people probably will continue celebrating it in some form or other, here are some tips from the Texas Medical Association (TMA) to cut down on Halloween hazards.

Giving balloons, pencils, coins or other small, inexpensive items probably will please children as much as receiving candy. Some inedible treats may even be cheaper than candy and will not be wasted by parents who throw away treats that might be poisoned.

Adults can decrease the possibility of poisoning by giving only treats in their original wrappers that could not be poisoned and then re-wrapped. Parents should use the same standards when inspecting treats. Parents also should throw away fruit and other treats that could be injected with dangerous substances because they easily could overlook the pinhole a needle would make.

Costumes are another responsibility parents have. They should avoid costume masks that could slip and block a child's vision or breathing. Painting a child's face with cosmetics, grease paint or burned cork can be a good substitute.

The costume itself should be light-colored to help motorists spot children, flame resistant and not so loose or long it could trip a child or catch on obstacles. Costumes also should not include sharp objects, torches or candles.

Adults can improve safety by putting reflective tape or luminous paint on costumes and objects children carry.

NEW OIC AT ABERNATHY

Lubbock Sectional Center Manager/Postmaster Elmer J. Reed, Jr., announced today that effective October 6, 1979, Mr. Lonnie R. Awrey was appointed Officer-in-Charge at Abernathy.

Mr. Awrey is 46 years of age, has 21 years of service, and is a native of Texas, moving from White Deer to Lubbock. He began his postal career in 1958 at Ellwood Station in Lubbock, as a mail carrier.

His experience includes carrier technician, supervisor and station manager.

Mr. Awrey attended Frank Phillips Junior College, where he earned a B.S. Degree in Chemical Engineering. He also attended Texas Tech University. His hobbies include bowling and church work.

Awrey is married, and he and his wife and children reside in Carlisle. They are members of the Carlisle Baptist Church.

Mr. Awrey will serve as OIC until a new postmaster is selected for Abernathy.

ON YOUR PAYROLL

Congressman Kent Hance, 19th District, Longworth Office Building, Room 1039, Washington, D. C. 20510.

U. S. Senator Lloyd Bentsen, Russell Senate Office Building, Room 240, Washington, D. C. 20510.

U. S. Senator John Tower, Old Senate Building, Room 142, Washington, D. C. 20510.

IN THE LEGISLATURE: State Rep. Pete Laney, State Capitol, Austin, Texas 78767.

State Senator Ray Farabee, 30th District, State Capitol, Austin, Texas 78767.

State Senator E. L. Short, 28th District (including Lubbock County), State Capitol, Austin, Texas 78767. (Hale County is included in Senator Farabee's District.)

People can make their property safer and cut down on vandalism several ways. For instance, keep the property well lighted and put away hoses, lawn furniture and garbage cans. If possible, put cars in the garage and lock them. Bring pets inside to protect them and children from each other.

Simple preparations such as these can help both children and adults survive the season, TMA says.

New Deal Man's Brother Dies

SLATON--Services for Jim Bartlett, 43, of Slaton were held Thursday in Englands Chapel with Rev. J. T. Bolding of Lubbock and the Rev. Herb Cavenner, officiating.

Burial was in Southland Cemetery under the direction of Englands Funeral Service.

Bartlett died at 10 p.m. Oct. 8, at Shannon Hospital in San Angelo. He had been hospitalized for two weeks.

He was born in Lynn County. Survivors include his mother, Mrs. W. H. (Mamie) Bartlett of Slaton; two brothers, Otis of Carlsbad, N. M. and Billie Joe of New Deal; and three sisters, Mildred Bartley of Muleshoe, Helen Rhoads of Slaton and Doris Baugh of Eustis, Fla.

J. W. HARRIS DIES TUESDAY

Former Abernathian J. Wesley Harris died at 6:55 a.m. Tuesday at the High Plains Life Care Retirement Center in Lubbock. He had lived here until about three years ago when he and Mrs. Harris moved to John Knox Village in Lubbock.

Services were pending with Chambers Funeral Home here when The Review went to press.

Mr. Harris moved here from Seminole and served as manager of Abernathy Motor Company for a number of years before his retirement.

In addition to his wife, others surviving include a daughter, Sue Sterling, and three grandchildren.

CITY COUNCIL DISAPPOINTED IN SCHOOL BOARD'S LACK OF CO-OPERATION

(Con't from page 1)

entrance way for handicapped people, and glass in the vestibule.

FUEL & INSURANCE
The council decided to buy fuel for city vehicles at the pump instead of by storage tank load as in the past. City Manager Rod Ellis said it's a more efficient method of keeping track of fuel use.

The council voted to add hazard insurance on the new water tower to the current insurance contract.

HEARING & UPDATE
No one was present for the appeal hearing on condemnation of the remains of the restaurant south of the Dairy Queen.

Ellis brought the council up to date on the Environmental Protection Agency sewer grant application.

DOG PROBLEM
James Conn complained about unleashed dogs in his neighborhood and said he thinks some people are shooting dogs in town. The council stressed that it is the responsibility of the police department to enforce all city laws and instructed the city manager to see that the department is more stringent in enforcing animal control laws.

The police have the authority to issue tickets to owners of loose dogs. People having problems with stray animals should call City Hall in the daytime and the police department at night. The police dispatcher can contact officers or the part time animal control officer.

INVITATION
City Manager Rod Ellis said he and the council want to encourage citizen participation in council meetings and that visitors are welcome to sit in on all or part of the sessions.

It is council policy that anyone who wants to attend council meetings is welcome whether they have business on the agenda or not. The council can't take action on items not on the agenda but can listen to anything citizens have to say and put the matter on the agenda of the next meeting should action be required.

Rites Saturday For Roy Evans

Services for Roy Evans, 59, longtime resident of the County Line/Abernathy area, were held Saturday at Franklin-Bartley Funeral Home in Lubbock with the Rev. Wayne Perry, chaplain of Highland Hospital, Lubbock, officiating.

Burial was in Abernathy Cemetery under the direction of Franklin-Bartley Funeral Home.

Evans was dead at 10:15 p.m. Thursday, Oct. 11, on arrival at Methodist Hospital, Lubbock, after suffering an apparent heart attack at his home in Abernathy. He was taken to the hospital by Abernathy EMS ambulance. He and Eria Hudson of County Line were married Nov. 15, 1941, in Anton. They farmed in the County Line community for many years before going to Nevada, California and Oklahoma where they resided for a few years. They returned to Abernathy about seven years ago. Roy was employed as an implement truck driver for a local firm from Nov. 1975, until the time of his death.

Roy was a veteran of Armed Forces duty during World War II.

Survivors include his wife; three daughters, Margie Layton of Dallas, Glenda Ziegler of Irving and Jerri Percival of Lubbock; three brothers, Harvey of Eakly, Okla., Edward of Henton and Warren of Kerns; and five grandchildren.

Burials were Preston Amerson, Jesse Duran, Tim Hill, Bob Klatt, Harold Thompson and Jack Watts.

THREE NEW EMTS JOIN LOCAL EMS

Three Abernathy school faculty members have completed their Emergency Medical Service training after training all summer and are now qualified Emergency Medical Technicians, and active members of the local EMS. They are Gay Hale, Mary Rose Bowen, and Jimmy Thomas.

Jimmy is a longtime resident of Abernathy and graduated from Abernathy High School in 1975. He is a teacher for the third grade. His wife works for a physician in Plainview.

Gay Hale, of Floydada, is married to Steve Hale who is a law student at Texas Tech University. She teaches Title I math in Elementary school.

Mary Rose teaches reading in Jr. High School, and is the wife of Charles Bowen, director of Guidance and Counseling and Federal Programs for the school system. In taking this training she is following in the footsteps of her daughters. Barbara is a nurse in the Cardiac Care Unit at Methodist Hospital, and Brenda is a nurse in Surgical Intensive Care at Methodist Hospital.

A son, Brad is a student in Abernathy High School and son, Buddy, is a freshman at Texas Tech.

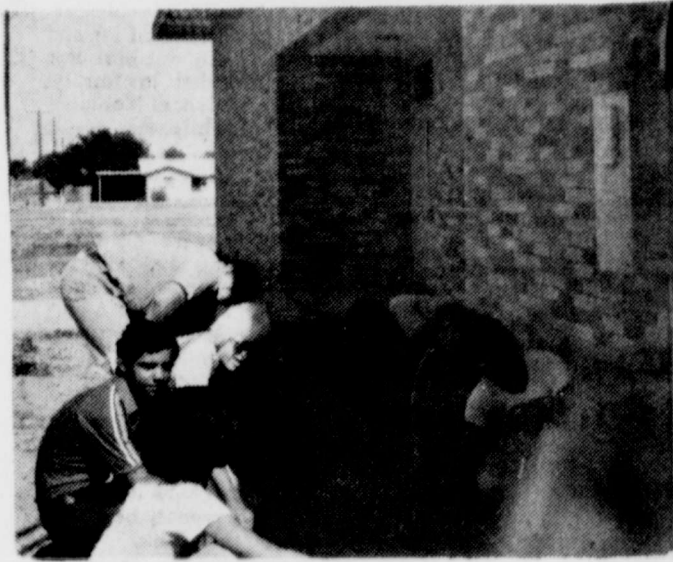

Mary Rose tells us this training for EMT was "the hardest training I have ever gone through." "The training took a lot of work to master, and unlike anything else I have ever studied for, it took much more than just time--some things get easier as you study them, but this did not, and I think it has made me more understanding of some of my students when they have a hard time

learning". She thought the training would be very beneficial to her in the future as a teacher. She finds the whole experience very exciting and rewarding. "When the beeper goes off --and you never know if the call will be a minor incident or something very serious," Mary Rose also says she wishes she could have had this training and knowledge when her children were small.

Abernathy now has four complete crews and really needs two more crews. The present EMT's are on call one week out of every four and on back-up call another week. There are only two weeks of the month when they are entirely free of responsibility and this can create problems when trying to plan an out of town trip. They have to arrange for another member to fill in for them. With two more crews on active duty there would be more free time for all members. Mrs. Bowen states that it is really no problem to her to be an EMT and that she does enjoy it.

CAN YOU REMEMBER?

When a boy was a boy, and dressed like one?
When a girl was a girl and dressed like one?
When the poor were too proud to take charity?
When the minister actually preached the Gospel?
When the clerks and repairmen tried to please you?

HIGHER PRICES

IN 1979--Fed cattle prices should stay well above year-ago levels most of 1979, says a livestock marketing specialist with the Texas Agricultural Extension Service. Choice 900 to 1,000-pound feed steers should average \$56 to \$58 during the first quarter of 1979, up as much as \$12 from a year ago. Second quarter prices should average \$57 to \$59, up \$2 to \$3 from last year. And third quarter prices should average \$60 to \$62, up \$6 to \$8 from the third quarter of 1978.

Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.

CITY GARDEN CLUB MEETING

The City Garden Club met Thursday October 11, in the community club room. Mrs. L. S. Wilson, president called the meeting to order promptly at 3 p.m. Each member present crossed hands and had a moment of silent prayer in memory of Dorothy Shipman before they repeated the club collect in unison. The club collect is repeated at each meeting.

THE CLUB COLLECT
"To Thee, dear Lord, who created every flower, tree and shrub we give thanks. May we tend these rich blessings with care, and each day may we learn to appreciate beauty in Thee, in nature, and in our fellowman. As the flowers lift their faces to the sun, may we lift our hearts to Thee in praise and in thanksgiving."

After a short business session the meeting was turned to Mrs. J. O. Pope who had charge of the program which was an old and antique things. Each member brought something that they treasure very much from the past. It was such a beautiful and interesting display of many lovely antiques, which dated as far back as the Civil War.

A new member, Mrs. Florence Jackson, was welcomed into the club. Others attending were: Mmes. Elmer Ahrens, M. M. Bell, Mel Boggus, HB Coggin, Harland Downs, J. M. Gardner, S. M. Harrison, Ed Heath, J. O. Pope, Dewey Price, N. M. Rogers, Bessie Waters, L. S. Wilson, Frances Howard, Florence Jackson, Nell Drye, and the hostesses Mrs. T. A. Brewster, and Mrs. Cora Shuman.

The next regular meeting will be a Thanksgiving party on November 8 for our husbands in the home of Mr. and Mrs. N. M. Rogers at 6:30 P. M. Mrs. M. M. Bell-Reporter

BIRTHDAY SUPPER

Mr. and Mrs. Dan Johnson had his uncle and aunt, Mr. and Mrs. Quinton Williams of Hobbs, N. M., as weekend guests. They also had a birthday supper in their home Saturday night for their daughter, Betty Cox of Muleshoe. Others present were Mrs. Cox's husband and children, David and Donnie and Crystal, Billy and Lera Beard and sons, Terry, Timmy and Ted and Dan's brother George Johnson of Cotton Center.

Additions At City Hall Looking Good

City Manager Rod Ellis took a review reporter on tour of the community room addition to City Hall and the renovation project which will turn the old fire station into a library. Both projects are looking good and city officials expect them to be finished by the first of the year or soon after, barring unforeseen complications.

Construction workers are building inside walls in the community meeting area. The roof is complete as are the outside walls except for brick. The external brick will also be used on the lower third of the interior walls.

The meeting room is BIG. It won't be plain vanilla either. Ceiling construction includes a dropped decorative border which should give the impression of a coffered ceiling. It will hide recessed lights from the main area.

Former city manager Larry Fields worked long and hard coordinating plans for the facilities and the bond election to finance them. The projects are now Rod Ellis's responsibility and he suggested several ideas.

Plans now are to knock out the back wall of a storage room in the future library to make a back fire exit and gain access to a stairway leading to an unused apartment above the old fire station.

The apartment was for many years the home of Nannie Bell Ritchey, city librarian and police dispatcher. She retired and moved away and her duties are handled now by non live-in personnel. Ellis said the apartment could be used in the future as a community crafts and art workshop or storage area.

Ellis and the library committee decided to add a sloped entrance into the library for wheelchairs, since the law now requires access to all public buildings by handicapped people. It also seemed like a good idea to install glass in a brick wall in the entry so the librarian on duty can see who is entering the building.

Go see what's going on. You'll like it.

But whoso hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil.

Nazarene Missionary Society Report

The Nazarene Missionary Society met October 10. Greta Shipman led us in a song "Jesus Saves". Billie Jean Spruiell president, gave a very inspirational devotion. Marian Brunner gave emphasis on Mission Awards, we have three goals, 1. reading the books, six in all, 2. membership and general budget.

R. C. Patterson presented the prayer chart and gave some interesting news about answered prayers.

Our pastor Roswell Brunner led in prayer for the needs of the people in foreign lands. The lesson was presented by Alma Ruth Patterson. Our study superintendent was very good on New Guinea.

We dismissed with prayer. Refreshments were served.

But his delight is in the law of the Lord; and in his law doth he meditate day and night.

And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.

METHODIST CHURCH NEWS

The United Methodist Women held their monthly meeting Monday, October 8 at 10:30 a. m. in the church parlor with Mrs. Lee Echols presiding. The invocation was asked by Mrs. Horace Davis.

Mrs. L. A. Suttle brought the lesson on the parables of Jesus beginning with the 12th chapter of Matthew. Mrs. Jim Sharp closed the meeting with prayer. A covered dish luncheon was served in fellowship hall. Members attending were Mmes. Harold Davis, M. M. Bell, H. R. Wesley, Jim Sharp, Horace Davis, L. A. Suttle and Lee Echols.

ANTELOPE WIN CONTINUED FROM PAGE 1

This was too close for comfort, so the Antelopes got busy. Sanders returned the kickoff to the 30. He then took a 15 yard pass from Heath out to the 45. Heath kept for 11 to put the ball on the Eagles' 45. With only 17 seconds left in the third period, Heath dropped back and again hit Sanders who picked up a good block from Scott Morrison and went in for the score. Betts added the PAT to make it 28-19.

The Lopes picked up another 2 points on a safety after the ensuing kickoff. The Eagles had returned the kick to the 30, but a 15 yard penalty moved them back to their own 15. Then a 5

yard penalty, an incomplete pass, and another 5 yard penalty put the ball on the 5 yard line. At that point, Victor Dees and Shane Cunningham and others in the Antelope line smothered the quarterback in the end zone, and the score read 30-19, Abernathy.

LCHS kicked off from the 20, and Sanders took the ball on his own 17 and returned it to the 49. Then behind good up-front blocking, he and Heath and Dunn carried to the Eagles' 1 yard line, with Heath then sneaking over up the middle. Betts' extra point then made it 37-19.

On the first play following the kickoff, Morrison

intercepted an LCHS pass on the 40 and returned it to the Eagles' 15. A penalty against LCHS moved the ball half the distance to the goal line, then halfback Tony Cox went the final 4 yards for the score. Dees kicked the extra point this time, and Abernathy was out front 44-19.

Less than a minute later, Morrison got his second interception, but the Eagles got the ball back 2 plays later on a fumble recovery at the Abernathy 31. The Eagles started their final scoring drive and again were aided by an interference call against the Lopes at the 2 yard line. Steve Sikes went the final yard for the TD, but Sanders blocked the extra point attempt to make

For twelve weeks before the race, Bobby maintained a running schedule of eight miles on Wednesday, 14 miles on Thursdays, resting Fridays, and 20 to 28 miles on Saturdays. He rested for three days before the marathon.

Bobby diets strictly but four days before the race, he began to eat lots of rice, baked potatoes (with butter and sour cream), spaghetti (no sauce), and macaroni and cheese. For the 40 hours previous to the race he ate no meat. The morning of the race, he had only an order of toast.

Every three miles during the marathon, runners were furnished water and juices to drink.

Bobby said after 15 miles he developed a painful blister on his foot. After the race, it was an hour before he could breathe normally again.

Did he fall into an exhausted sleep for the rest

of the day? Nope. He had to keep moving for at least an hour to keep his circulation going. Then Sunday morning, he ran eight miles to work out the soreness.

Has he had enough? Nope. He has entered a West Texas Running Club race---only nine miles---at Brownfield next Saturday and will run another marathon at Dallas December 1.

Couples Return From Cruise To Nassau

Mr. and Mrs. Ray Sanders, and Mr. and Mrs. Joe Blair of Petersburg were on an ocean cruise to Nassau the last of September. They flew to Ft. Lauderdale, Florida and traveled by bus to Port Everglade where they boarded the cruise ship Cunard Countess, which is a sister ship to the Queen Elizabeth. The ship is British owned.

The "Love Boat" accommodated around 700 passengers and had 10 decks. Mrs. Sanders reported it was the most enjoyable and relaxing trip she had ever been on, with beautiful weather, smooth all the way, and something to do all the time. One of the interesting events on board was an arts and crafts show which they enjoyed.

They stopped over at Freeport in the Bahamas before continuing on to Nassau during the 10 day cruise. The couples flew back to the States from Nassau.

GSPA Opposes Proposed Requirement

USDA is considering a new regulation which Grain Sorghum Producers Association believes would be very detrimental to future participation in farm programs. The proposed rule would require that farmers be approved by the Soil Conservation Service prior to their participation in government programs such as the feed grain set aside and price support program.

GSPA supports good conservation practices. However, to attach such requirements with the complications and red tape inherent in such a plan, to the price support programs would destroy the producer's interest in participation. Production control programs are essential to maintaining a balance in supply and demand. It is important to have as many farmers as possible in the program for it to work effectively.

GSPA encourages all of its members and other farm organizations to work with their congressmen and USDA officials to see that this cumbersome provision is not added to future price support programs.

By Michael A. Guido, Metter, Georgia

The army was holding maneuvers in Texas near the Davis Mountains when one of the boys came drifting into camp. Slightly bruised and cut up, he was taken to the commanding officer.

"What nerve," he shouted, "coming down into my camp in a parachute." "I didn't come down in a parachute, sir," said the soldier. "I went up in a tent."

"But I didn't see the wind!" barked the officer. "Neither did I," answered the boy. "But I felt it."

In the Bible wind is an emblem of the Holy Spirit, and Psalm 147:18 states, "He causeth His wind to blow."

One day our Lord said, "The wind blows where it likes, you can hear the sound of it but you have no idea where it comes from and where it goes. Nor can you tell how a man is born by the wind of the Spirit."

This troubled Dr. Jowett, so he asked a sailor, "Can you explain the wind?" "No, sir," he replied, "but I can hoist a sail."

While we cannot explain the Holy Spirit, we can be empowered by Him. Hoist the sails of faith by obedience and He will bear you from victory to victory!

Cooperative Month October 1979

**COOPERATIVES
ARE PEOPLE!**

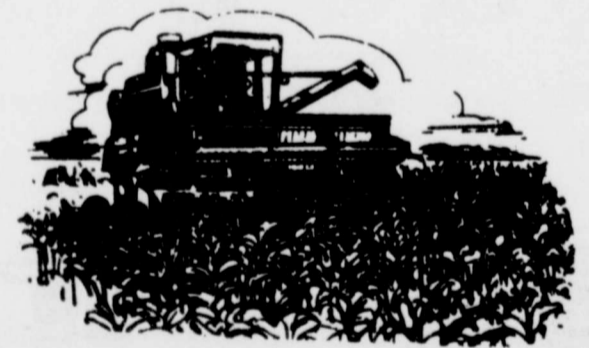

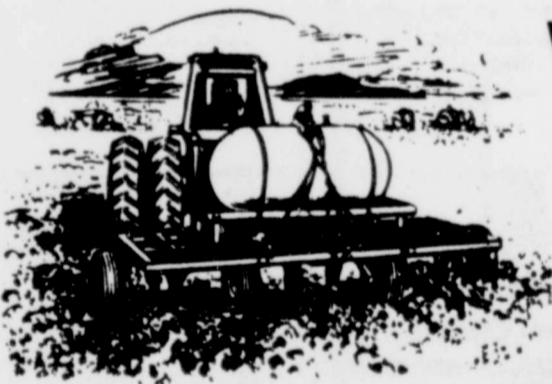

All kinds of people belong to cooperatives. More than 23 million American families are members of one kind of co-op or another. They have joined together to provide themselves with all kinds of goods and services.

Through cooperatives, people market farm products and buy farm supplies, fuel oils, gasoline, and even groceries.

Other Cooperatives provide their members with credit, health care, electricity and telephone service. Still others provide housing, insurance and other services.

Whatever the human need, people can fill it themselves through cooperatives.

MERLE AND CLAYTON ENGER RETURN FROM TOUR OF EUROPEAN COUNTRIES

(By Merle Enger)
 On Sept. 16, Clayton and I and six others making this trip left Lubbock International Airport at 9:30 a.m. for Dallas, New York and Copenhagen, Denmark. We arrived there at 6:30 a.m. their time which is 6 hours ahead of ours so we lost a night's sleep. We had the rest of the day free so after a 3 hour nap, we were up and shopping for the rest of our days were full in Denmark. We were met at the airport by our guide from Sweden who with our Danish bus driver would be with us the next 13 days. We kept the same bus which was transferred with us on large ferries from island to island and country to country. The next morning we toured the city seeing several palaces including the King's Palace, City Hall Square and the famous Little Mermaid in the harbor. We toured an open air museum similar to our Ranching Heritage Center at Tech with old farm implements and buildings.
 The next day we went over by ferry to Sweden where we visited a local farm family where they raised hogs. We were also invited to see their beautiful two story home and beautiful gardens. We toured the beautiful countryside and the world famous storyteller Hans Christian Andersen and his museum which was very interesting. His home is surrounded by lovely little houses and cobblestone streets which are centuries old. Since this was a farm tour, we visited several dairy farms, hog farms, and chicken farms. In Denmark, the homes and barns are all built together, huge barns since the winters are so severe the cattle has to be sheltered all winter. That afternoon we enjoyed a 3 hour cruise to Sweden. Since this was our first real cruise, we thoroughly enjoyed this. It was a huge ship. We ate on board and arrived at our guides hometown of Gothenburg. After he gave us a brief tour of the city, we continued on to the famous resort hotel Stenungsbaden which overlooks the North Sea and a most beautiful view.
 On Saturday, we drove over into Norway. We visited an agricultural university which emphasized in beef and dairy cattle research which is very important to Norway since only 3% of their total land area is termed farmland. Arrived in Oslo for the night. We went sightseeing Sunday morning which included the Royal Palace, the Town Hall, the harbor and Vigeland Sculpture Park which was a sight to behold and included a bust of Abraham Lincoln as a surprise for us Americans. In the afternoon we visited the Viking Ship Museum along with two other museums and the Holmenkollen Ski Jump which had a beautiful overview of the city.
 On Monday we saw the most beautiful scenery I have ever seen and I have been told, it is the most beautiful in the world and our guide said there was none other like it in the world. It was the fjord country, mountains, water and waterfalls everywhere. I've never seen so many beautiful waterfalls. Clayton just kept making pictures. Stayed in another beautiful hotel on the water that night.
 The next day we went to Lofthus, the capital of Norway, largest fruit growing district where we visited in apple and pear orchards.
 On Wednesday morning, we caught another ferry to Kvanndal. We then wound through the mountains on a scary bus ride and then descended the steep mountain to Gudvangen. Another beautiful cruise took us to

Laerdal and on to Brogrund where we visited the famous Stone Church built in the 15th century.
 Thursday morning we continued on through the ever changing countryside and crossed the border back into Sweden in later afternoon where we spent the night in Karlstad. On Friday we visited another cattle farm and home and then on to lunch with our advisor who has a summerhome on the lake. On to Stockholm for the night.
 We toured this beautiful city in the morning visiting City Hall and famous Gold Room where the yearly Nobel Prize Award festivities take place, the old town with cobbled streets, Stockholms Cathedral and another museum. This evening was free for shopping. Had a farewell dinner at Brenda Tomten Restaurant.
 After breakfast on Sunday we were taken to the airport where we said goodbye to our guide and on to New York and Dallas where we missed the last plane to Lubbock because of a weather delay in New York. They put us up for the night and paid for our breakfast and we came home first class getting here on Monday at 2 p.m.
 It was a most wonderful trip. Clayton's biggest disappointment was that he did not have a chance to look up some of his very distant relatives but we did come within 25 miles of where his grandparents lived.
 We encountered snow twice--once on a narrow pass high in the mountains where everyone got out and had a snowball fight and once overnight. The bus was covered the next morning with about an inch. It was cold all the time and rainy many of the days at first.
 I must tell you about the beds and food. Our cover was a thick down comforter which we did not know whether to get under or sleep on top of. The mattress was a thin pad over box springs. very good but the cover was too much most of time. The food Clayton loved but I did not care for it that much. We had smorgasbord nearly 3 times a day--at least 25 or 30 different foods but breakfast was something else. Salami, cheese, fish, boiled eggs and dry cereal. No bread except for breakfast and then cold sliced bread or hard rolls very little sweets, some puddings with very little sugar and ice cream sometimes. Coffee after your meal. No fried foods and very few vegetables--potatoes which they grow a lot of and English peas.
 I forgot to mention that we were joined in Copenhagen by 17 people from Wisconsin who were with us all the way. They were very nice people and we made a lot of new friends. We had a lot of fun with them. They were mostly dairy farmers and it was interesting to exchange farming ideas.
 The crops that were grown over there was mostly oats, barley and potatoes. It was really cattle country. We visited the King's barn and cattle barn in Sweden which everyone can't visit. Our guide happened to know the manager of the farm.
 We visited four real old and beautiful churches. One was built in the 1100's another in the 1300's and another in 1500's and all but one are still in use. The people there are 98% Lutheran and the churches are state owned. Television is state owned also, no commercials--mostly educational programs. One thing that impressed me was the cleanliness of the countries--especially Denmark. And their yards were so beautiful with flowers and so well manicured. Very neat--not a weed anywhere.
 Everything is subsidized by the government. Schools and hospitals are free. No poor people. They build homes for their elderly. Taxes are about 50% of their incomes. Sales tax is 20%. Everything is about twice as high as here or more. Coffee was \$1.50 a cup. Gas was \$3.00 a gallon in Denmark and \$2.00 in Sweden. Most people could speak English especially the young people as they are required to take it in school.
 It was a wonderful trip and I'm glad we went but I'm still glad we live in America and was glad to be back in Abernathy.
 Total mileage about 11,000.

1935 STUDY CLUB REPORT

The 1935 Study Club met in the home of Mrs. Arno Struve who also presented our program in keeping with our theme for the year of "sharing our interests". Mrs. Struve showed several articles of china painting which is one of her hobbies. Another interest she shares with her husband is travel. A few years ago Mr. and Mrs. Struve and granddaughter, Shanna Toler, made a trip to South America and visited in the home of a family in Brazil for 11 days. They even attended a wedding while there. Mrs. Struve showed slides of this visit which were lovely and everyone enjoyed seeing them.
 Those members present were: Mmes. Hilburn Barrick, Owen Benn, Lee Echols, Jack Hatcher, Erroll Givens, Glenn McDonald, H. E. Williams, J. C. Mills, Cal Tucker and the hostess, Mrs. Arno Struve.

I WILL bless the LORD at all times; his praise shall continually be in my mouth. Ps. 34:1

Grain Board Elects Four

Texas Grain Sorghum Producers Board announced today the election of four candidates seeking positions on the Board. They will serve a six-year term. Named to the Board are Dennis Anthony, of Friona, who received 332 votes; John Gilbreath of Hart, 341 votes; Steve Lee of Hale Center, 298 votes; and Albert Scheele of Lockney, 292 votes.

There were 398 votes cast. Sixteen write-in candidates were received. A maximum of two votes were received for any one of the write-in candidates. The four directors, one of whom was an incumbent, were chosen by fellow grain sorghum producers in the 29-county TGSPB area.

The canvassing committee members were Lubbock County Judge Rodrick Shaw, Randy Upshaw, Lubbock County agent; Bob Gray, Texas Department of Agriculture assistant marketing director; and Elbert Harp, Executive Director of TGSPB.

Texas Grain Sorghum Producers Board works to solve production problems, develop new markets for sorghum and provide information on grain marketing.
