### STILL HAVE A CHANCE TO SHARE DISTRICT TITLE

## 'Lopes Blast Whirlwinds 36-0 In Season Finale

The AHS Antelopes closed out their regular season last Friday night at Floydada, completely annihilating the Whirlwinds, 36-0. It was the first time the Antelopes had beaten the Winds since 1967, and the win this year still gives the Lopes a possible chance at a share of the District 4-AA title... provided the Lockney Longhorns beat the Idalou Wildcats this Friday night.

The Lopes finished the season with a 7-1-2 record, with 3-1 in District 4-AA competition. Idalou is currently 3-0 in conference play, the only team to beat Abernathy this year.

The Lopes continually blasted through Floydada's defense, racking up a total of 592 yards, 448 on the ground and 144 through the air, while the Lopes' stingy defense allowed the Winds a mere 166 total yards.

The leading rusher for the Antelopes was Sylvester Dunn, who carried 18 times for 238 yards and two TDs, while teammate Kenneth Sanders added an even 100 yards on 14 rushes, and quarterback Tony Heath accounted for 176 yards, 32 rushing and 144 through the air, as he completed 7 of 19 passes. Others adding yardage for the Lopes included Mig Flores with 52 yards, Tony Cox with 20, and Kenneth Moss with 10. Dean McGuire, who had 3 catches for 58 yards and 1 touchdown, carried once but lost 4 yards.

With Dunn's 238 yards last Friday night, it pushed his season total to 1112 yards. Sanders had a season total of 479. Heath 206, Flores 163, Roger Lindsey 141, Cox 65, and Moss 27.

Concerning the game last Friday night, Abernathy head coach Larry Aldridge told Plainview Herald reporter Jerry Low, "I think controlling the line of scrimmage was the key to the game. Our passing and running game just clicked." He added, "Our kids played with a purpose. It's been a long time since we've beaten Floydada, and this was our best game of the year."

There was never any doubt as to who was in control, as the Lopes dominated the entire contest. After holding the Winds and forcing them to punt on their first possession, the Lopes took over on their own 31 and began their first of several scoring drives. The Lopes picked up four first downs in 8 plays, then went the final 23 yards on a Heath-to-McGuire pass. Betts added the extra point to give the Antelopes a 7-0 lead.

Following the ensuing kickoff, the Winds managed to get to the Abernathy 35 yard line before the tough Antelope defense stopped them cold on a fourth-and-three situation. It took the Lopes only 11 plays to cover the distance, with Heath going the final yard for the score. Again Betts added the

PAT to make it 14-0.

The Winds made only one other threat before halftime, moving to the Abernathy 29 where the ball again went over on downs. The Lopes quickly marched to the Floydada 5 for a first-and-goal. From that point it took four plays to score, with Heath again going in from a yard out.

Abernathy started off the second half like they ended the first. Dunn and Sanders carried for 18 and 17 yards, respectively, then Dunn hobbled a pitchout, but picked up the ball in full stride and sailed down the sideline 47 yards for a TD. The point-after attempt failed, but Abernathy was ahead 26-0.

Very early in the final stanza, the Lopes struck again, this time when Dunn rambled 46 yards for the score, with Victor Dees adding the PAT for a 33-0 margin. Then less than 7 minutes later Betts put the icing on the cake with a 25-yard field goal, making the final score 36-0.

The Whirlwinds had three drives stopped in the second half by interceptions, two by Dean McGuire and one by Willie Betts.

### Seniors To Perform "Too Many Dates" Friday, Nov. 16

The Senior Class of Abernathy High School will present "Too Many Dates" in a 1-30 matinee performance and an 8 PM evening performance Friday, November 16. Matinee admission is 50¢; tickets for the evening performance are \$2.

In "Too Many Dates", the main character, lively lovely Louanne Miller (played by Kim Grant) is battling her way out of another boyfriend (Blane Neils). When he leaves, she finds herself without "social security" for the next evening's party.

The trouble begins when Louanne allows herself to be talked into having a blind date--by her three girl friends, each of whom is having difficulties with boys. Louanne has promised to "sit" with the neighbors' infant the same evening the girls have scheduled the blind date.

Louanne's father (Gene McDonald) angrily reminds her that he met her mother (Tammie Conway) on a blind date. Taking advantage of this amusing rift, Louanne charms Mr. Miller into pinch-hitting as babysitter.

The unexpected result of this mistake involves the entire community and the hysterical young parents of the infant. To top it all, not one but three dates appear for Louanne. One of them turns out to be the ex-boyfriend himself. In the midst of the growing hubbub, the girls find time to rehearse a sketch titled "If Girls Behaved As Boys On Dates".

There's lots of fun in store for you at this year's senior play. Don't miss it.

### Sunshine Group Meets Nov. 15th.

Abernathy's Sunshine Group will hold its monthly luncheon meeting Thursday, Nov. 15 at the city hall club room. The meeting begins at 11 a.m. All members and prospective members are urged to attend.

### DIVISION ONE RATING IS EARNED BY ANTELOPE BAND

The Abernathy High Band ended another marching season this year by performing at the UIL marching contest at Jones Stadium in Lubbock on November 7. The band won first division, the band performed for three judges: Harris Brinson of Angelo State University, Lynn Low of Mexia and Mike Marsh of Fort Stockton. The routine performed was learned through the previous nine weeks of football season.

The band received first divisions from each judge and, therefore, was awarded the coveted first division marching trophy presented by the University Interscholastic League.

This year's marching performance was presented in a new marching band style which is termed "Corps-Style". Corps-style bands do all the things done by more traditional bands; however, more consideration is made to involve the audience in the performance.

The band drills are designed to reflect the intention of the music played. In the eyes of the student marching in a corps style band, it is much more interesting and fun. In the eyes of a band director teaching corps style,

it is much more difficult. Entertainment being a major factor in a corps style show, the AHS Band was very fortunate to have as responsive an audience to perform for as the Abernathy crowd. The band plans to continue with this style of performance in future years, and is looking forward to performing again next year.

By earning a first division in regional marching contest, the Antelope band was able to break a seven year "jinx", in that the past seven winners of class AA competition in the South Plains Fair Parade have all won 2nd divisions in UIL marching. The Antelope Band won class AA competition in the parade this year also.

In addition to marching band competition, the twirlers in the band entered UIL Twirling Contest. Two girls, Sherri Bridges and Becky Leach, won 1st divisions in solo twirling, and qualified for the State Contest in June. Other girls who entered were Margaret Cooper and Delia Dominguez in solo twirling, and a twirling trio by Sherri Bridges, Margaret Cooper and Ginger Gough.

**Happenings From G. S. Troop 189**

Our first year of Cadettes has been a very busy one. We started in September with a back pack training session and an Interior Design Workshop. We learned flower arranging, quilting, and other aspects of Interior Decorating. Our troop is currently working on our Interior Decorating badge.

On October 19, our Cadette troop and the sixth grade troop went to Carlsbad, New Mexico. We toured the New Cave, the big room of Carlsbad Caverns, a museum at White's City, and the Living Desert in Carlsbad. It was definitely a fun trip!

Laura Waits was the only girl from our troop to attend the backpack trip to Camp Haynes, but she was accompanied by her father, David Waits. They are looking forward to the next trip in January.

November 3 was another important day on our calendar. We attended a style show and brunch at the Koko Palace. Two girls from each Cadette troop were chosen to model and the clothes were furnished by Marcus of Lubbock. Our models were Anita Spieker and Laura Waits. It was an opportunity to see some of the fall fashions and the upcoming Spring fashions.

There are more exciting things coming up for us in the coming year. We will keep you informed of our "happenings". Sharon Spieker

He was a member of the AHS mile relay team which, in the 1950's, set a state record which stood for 20 years. Inspired by friend Cunningham, he took up the sport again only two or three months ago.

**ND LIONS BEAT SPUR 56 TO 0**

NEW DEAL (Special)--New Deal clinched the championship of District 4-A here Friday night with a 56-0 tramping of the Spur Bulldogs.

The win put New Deal at 5-0 in district play, and 8-1 for the year, while Spur dropped to 0-6 and 1-8-1.

Seven different backs scored for the winners, who ran their second string at the hapless Bulldogs in the second and fourth quarters.

New Deal finished with 18 first downs, 352 yards rushing, and 52 yards passing to four first downs for Spur, 74 yards rushing and zero passing.

Eight different players scored touchdowns for the district-champion Lions.

Halfback Martin Adams plunged 1 yard for the game's first score in the first quarter, while L. K. Bradley added a 7-yard TD run and Mike Markey a 34-yard TD scamper later in the same quarter.

Paul Williams went 14 yards to paydirt in the second quarter to give New Deal a 29-0 halftime edge.

In the third period, Ricky Smith went 14 yards to score, followed by a 2-yard plunge by Tony Howell. New Deal closed out the scoring with a 15-yard TD run by Billy Thiel and a 53-yard sprint by Tanh Ho in the final stanza.

A pat on the back is only a few vertebrae removed from a kick in the pants but it's miles ahead in results.

A cynic is one who knows the price of everything and the value of nothing.

**TOPS PENALTY INSPIRES POEM**

Our Abernathy TOPS 1019 is going right along. We have a penalty box and if we gain in pounds, we have to draw a penalty slip so that is what happened to me. Mine was to write a poem.

Now poetry is not exactly my line but this is what I came up with---  
Once upon a time I was pretty heavy,  
I just ate and ate until I developed a big belly.  
Along came a gang who organized TOPS,  
I learned to count calories but still drink my pops.  
I lost all the pounds needed to become a KOPS.  
So now I am leaner and flatter in spots.  
Guess who wrote this?

**SEEDS FROM THE SOWER**  
By Michael A. Guido, Metter, Georgia

When Captain James Cook, the famous British navigator sailed around the world, he always took with him seeds of beautiful flowers found in lovely English gardens. As his ship touched the shores and he disembarked, he sowed his seeds, leaving beautiful reminders of England growing everywhere he went. Wherever there is a human being, there is an opportunity for a kind word or deed. Every time you leave home, and everywhere you go, take with you seeds of love, joy, peace, kindness, goodness, and gentleness. Sow them in the office, at the plant, in the class-

rooms, along the highways, in the market places and with the patients. Sow them at every opportunity. Not all of us can be wealthy. Not everyone can be educated. Not everyone can be witty. But all of us can be kind. It is your privilege and mine to sow the seeds of kindness. This requires no college education or seminary training. And it is greatly needed. Wise sayings often fall on barren ground, but kindness is never cast aside. So sow seeds of kindness, and leave reminders of heaven growing everywhere you go.

MRS. ROBERT HAROLD CARTER  
(nee JANNA GAIL HAMILTON)

## Wedding Solemnized

The First Baptist Church in Abernathy was the scene for the Saturday evening November 10 ceremony which united in marriage Miss Janna Gail Hamilton and Robert Harold Carter. The double ring ceremony was performed by the pastor, Rev. Lloyd Riddles.

Parents of the couple are Mr. and Mrs. J. W. Hamilton of Abernathy and Mr. and Mrs. Harold Carter of Tyler.

The altar was decorated with a double candleabra arch with white tapered candles entwined with greenery. Candle trees on either side of the altar with tapered candles and flowers completed the scene.

Mrs. Debbie Hamilton of Irving and Mrs. Crystal Hamilton, sisters-in-law of the bride, presided at the bridal book as the guests arrived. Mrs. Thana Parker of Kermit and Mrs. Leah Morris of Tyler provided wedding music and Mrs. Parker accompanied Mrs. Morris, the vocalist, who sang "Someday Somewhere", "The Wedding Song", and "The Lord's Prayer".

The bride, given in marriage by her father, came to the altar in a formal length gown of white chiffon. The bodice, fashioned with a Queen Anne neckline, was outlined with scalloped Alencon lace. Alencon lace embroidered with seed pearls adorned the bodice. Long full sleeves cuffed with lace completed the look.

The full circular skirt swept gracefully into a chapel train. A full three tiered fingertip veil trimmed in Alencon lace complemented the gown.

For something old and blue, the bride carried a handkerchief given to her by her late grandmother, Mrs. J. W. Hamilton, Sr. A sixpence given to her by Mrs. Kathy Wainscott was placed in her shoe by her father for good luck.

Mrs. Elaine Lott, sister of the bride, was matron of honor. Bridesmaids were Angela Sneed of Lubbock and Mrs. Susan Moore of Sulphur Springs. The attendants wore formal length dresses in the bride's chosen

color, royal wine. The dresses were fashioned with blouson bodices and accordion pleated skirts. Each attendant carried a nosegay of wine carnations and baby's breath.

Melvin Carter of Tyler, uncle of the groom, served as best man. Groomsmen were David Lott of Lubbock and Glen Davis of Tyler. Guests were seated by Johnny Hamilton of Irving and Ronnie Hamilton, brother of the bride. Micah Riley and Rusty Hamilton served as flower girl and ringbearer.

A reception followed in the fellowship hall. The tables were covered with sheer floor length cloths with silver and crystal appointments. Guests were served by Diane Davis of Tyler, Leigh Harkey of Petersburg, Cindy Phillips of Beeville, Becky Lutrick of Abernathy, Twana Showalter of Lubbock, and Patty Vanstony of Abilene, cousins of the bride.

Assisting with the hospitalities were Mimes, Carl Barton, Ralph Davis, Donald Huffaker, John Harkey, J. L. Irish, Lewis Lutrick, Gale Montgomery, Joe Oswald, Darrell Stephens, and Delwin Webb, Missy and Jody Sherman distributed rice bags to the guests.

The bride is a graduate of Abernathy High School and attended Tyler Junior College and Texas Tech University. The groom graduated from Robert Lee High School and Texas A&M University.

After a wedding trip to Las Vegas, Nevada, the couple will be at home in Tyler.

A rehearsal dinner at Hilton Inn in Lubbock on Friday evening, November 9, was hosted by the groom's parents. Guests were members of the wedding party and Mrs. Shirley Riddles, Mr. and Mrs. C. H. Hooper of Irving, Bobby Smith of Fairview, Oklahoma, Mr. and Mrs. George Meeks of Tyler, grandparents of the groom; Mrs. Diane Davis of Tyler; Mr. and Mrs. Clark Riley; Mrs. Marion Carlton of Weatherford; Betty Clay of Tyler; and Wes Hamilton of Irving.

You can call a man a gentlemen when he shows respect for folks who can be of no possible use to him.

### AHS CLASS OF '27 HOLDS REUNION:

(By Arno Struve)  
The 50th anniversary meeting of the Abernathy High School graduating class of 1929 was held at the home of Burnie and Alvin Hardin on Saturday night November 10th from 6 P.M. until about 9 P.M. Weather kept some who were expected from attending. Present were: Mr. and Mrs. Howard Brown, Mr. and Mrs. Frank Eddleman, Mr. and Mrs. Arno Struve, Mr. and Mrs. Garland Nystel, Mr. and Mrs. Hayden Pearce, Mr. and Mrs. Owen Benn, Floyd Shaw, Foster Watson, Anna Manna Struve Durham, Thelma Williams Adkisson, and Vance Carlisle Moon. Special guests were Mr. and Mrs. Andy Reid. Mrs. Reid taught this particular class all during their four years of high school.

Women members of the class and wives of the men members prepared a salad supper which was served in the patio room where tables had been decorated in class colors, pink and white. During the meal there was much reminiscing about school days in the latter twenties. It was lots of fun then and it was pleasant to remember.

Later in the evening a circle of chairs was made and each class member told about his life since graduating in 1929. After all the class had spoken Mrs. Reid was called on for her comments. She complimented the class by saying she was pleased with how we had turned out, much to her surprise. She was happy to have been a part of our lives and said it gave her much satisfaction to have had a part in the success of each one. Mrs. Reid received a standing ovation.

Non-class members who came during the evening were Mr. and Mrs. Jodolph Adkisson, Mr. and Mrs. Rudolph Struve, Theo Struve Davis and Mr. and Mrs. Shelton Hardin. We were disappointed that other acquaintances of the twenties who live here didn't come to visit with us.

Four members of the class unable to come were: Berniece Oliver Estridge, Tonie Goeth Barker, Annie Johnston and Fred Johnston. Sadly we missed those class members who had passed on: Ray Thompson, Cecil Shirley and J. K. Jackson.

The class decided to meet again in 1980 on the first Saturday in September.

### Burglar Arrested At E. J. Pope Home

Mr. and Mrs. E. J. Pope, who live north of town, had an unwelcome early morning visitor Thursday, November 8. The intruder banged on the door of their home and camper to see if anyone was there but the Pops didn't answer or turn on lights. They looked out and watched the man at his break-in efforts and called the sheriff's department. Deputy Dayton Marr arrived shortly after and apprehended the man. The suspect is from Plainview.

### VOCATIONAL HOMEMAKING TEACHERS ATTEND AREA I CONFERENCE

Abernathy teachers, Jan Montgomery, Marilyn Stone, and Glenda Wheat, attended the Area I, In-Service Conference for Vocational Homemaking Teachers November 2 and 3. The conference, held at Plainview High School, was attended by about 200 teachers from Area I.

Those in attendance, Friday, November 2, gained new knowledge for teaching nutrition through a program presented by the National Dairy Council. Saturday morning, November 3, teachers attended concurrent interest sessions on topics such as "Program Interpretation Through Radio and Television", "Reaching Out to Senior Adults in Your Community", "Alcoholism: A Family Problem", and more. Saturday afternoon, Mrs. Ima Dora Haile, Area I Homemaking Consultant, presented an update of coming activities for the Future Homemakers and the Young Homemakers.

"Collecting Substantiating Evidence" was the topic of the session presented by Dr. Camille Bell, Department Chairperson for Home Economics Education at Texas Tech University. Vocational homemaking programs in Texas and nine other states are being evaluated to determine if federal funding for these programs should be continued. Collecting evidence to substantiate the positive and necessary work being done by vocational homemaking and consumer education is most important. Dr. Bell provided suggestions for collecting these evidences. Vocational homemaking teachers in Area I and across the state attend In-Service conferences periodically to keep them up to date on new teaching techniques, new areas of study and legislation affecting vocational homemaking and consumer education.

LETTER TO ANTELOPE COACHES

Dear Coaches,

There are several things that I would like to say to you in an attempt to express my feelings at the end of a rather important football season in my own life--the one that marks the end of my son's high school football career.

First, I want to say that there is no doubt in my mind that this year's Abernathy Antelopes are far and away the best team in this district; that they are, in fact, as fine a collection of athletic talent in one place at one time as any school could ever hope to muster. We are terribly, achingly, proud of the way that they have represented our community on the playing field this year.

I may not be your typical football fan; I expect that Vince Lombardi would have had little use for me. But, as much as I love winning, I do not believe it to be the only criteria in evaluating a football team, a coaching staff, or a football season. Don't misunderstand me; I've gloried in this year's victories, I've boasted about our successes to everyone who'd listen. But there are other things that I'll remember just as long as I'll remember the win-loss record: the sight of an Antelope helping a player from the opposing team up off the field--after the Antelope has just knocked him down; the sight of the Antelopes in a critical moment standing together holding hands and drawing strength from each other as they prepared for the next play; the encouragement the team members showed to one of their own after he had made a good (or maybe not-so-good) play; the absolute tenacity with which the Antelopes played until the final buzzer--not infrequently pulling some end-of-the-game stunts that dazzled the fans and won the game; the sight of an injured player on crutches, flying up and down the sidelines, shouting encouragement and advice to his teammates on the field; the Antelopes on the field after the game, shaking the hands of their opponents. These memories and many others embody the courage, sportsmanship, and spirit that will

stand these young men in good stead all the days of their lives. And these are the concepts that you, as coaches, are largely responsible for having instilled in them.

Since in my lifetime I have seen coaches of quite another type. I have been aware all along of just how grateful I should be for the fact that my son has had the privilege of playing football under the direction of men of character and integrity. I want you to know that I appreciate the fact that with you, the boys' welfare came first; you were not willing to sacrifice your players in a win-at-any-cost philosophy. Thank you for teaching them that good sportsmanship is one mark of a real man. Thank you for building their confidence, so that when the chips were really down, they believed that they could do great things--and they often did. And thank you for helping to make playing football so much fun for them. Why take part in athletic competition if it isn't fun?

Finally, I'd like to say this--I'm glad I don't have to make this choice, but if I had to choose, I'd rather had my son play under the direction of coaches like Larry Aldridge, Carl Irbeck, Delbert Dearing, Ray Ater, Scooter Cassler, (and former Abernathy coaches Darrell Selke and Jerry Beasley) and never have won a game, than to have played under that other kind of coach I mentioned and have won 'em all. Congratulations on a job well done.

Sincerely,  
Malena Gough

(Job 42:11-14) Reconciliation with friends is dear to the heart of God.  
(III John 1:15) Is there some friend whom I have not greeted in a long time?

(Ps. 88:14-19) Today I will be a friend to someone who has no friends.  
Oct. 12-(Prov. 17:9) A true friend can overlook mistakes.  
(Luke 11:5-6) Am I willing to be inconvenienced for my friends?
