HAPPY THANKSGIVING

Local Businesses Express Thanks In This Edition Of Review

In this edition of The Review a number of local merchants have placed expressions of their thanks to you their customers. These are some very lovely messages with these Thanksgiving ads and we hope you will read each one and stop during this busy season and realize how much we all have to be thankful for.

Thanksgiving truly is a time to stop and really take account of the many many blessings that God bestows on us daily.

We appreciate our readers and our merchants that make it possible for us to have a newspaper.

It is our prayer that each of you will have a very Happy Thanksgiving.

When I feel that way I have to admit that the reason I feel that way is because I am the one who has turned away and maybe I have done something that is not pleasing to God. Maybe I have let some resentment, unforgiveness, jealous feelings, said something that I should have said, or a number of other things that have separated me from a right relationship to the Father but, I am so thankful that I John 1:9 tells us that, "If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. I am thankful for this promise."

We are all human and we make mistakes and we confess and He forgives us. As we stop to think on this wonderful time of year let us all give God the glory, honor and praise He so rightly deserves. I have found out that when I am thankful and giving praise and glory to God that my problem are not so heavy, I know that there is power in praise to the Father.

1 Thessalonians 5:18 says, "In every thing give thanks for this is the will of God in Christ Jesus concerning you. It is God's will that we give thanks in every thing. Maybe not all things seem good but, we can be thankful that we are not alone in the dark days but, He is always with us."

What are some of the daily blessings that the LORD loadeth us with daily? When we awake from a night rest, we should be thankful that He has let us wake up to another day and that we know that He is with us to lead us and care for us. We should say thanks to Him for watching over us during the night time, and ask Him to be with us throughout the day.

I have heard people say "I just don't feel God is near me." I know that at times

JUST SHARING:
 (By Vicki Havens)

As we approach this Thanksgiving Season we need to pause and think on all the blessings the Lord has given us. It is a time to recognize that all good things in life come from God the Father who loved us so much that He sent His beloved Son Jesus Christ into this world to save us from our sins, to forgive us, love us and teach us the way to have an abundant life here on earth. John 10:10 tells us that, "The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life and that they might have it more abundantly. The thief is satan. I think it is very evident in our world today that satan is running rampant to do everything he can to do all he can to destroy us in one way or another but, we can be thankful that the last part of this verse says that Jesus came to give us life more abundantly. Sometimes we think our abundant life here is in material goods but, there is no material thing that really satisfies us for any length of time. The only thing that is everlasting to us is a personal relationship with Jesus Christ, knowing without a doubt that He is always with us because the word of God promises us that when we are born again, filled with the Holy Spirit that Jesus will never forsake us or leave us. Heb. 13:6 Gen. 28:15; Duet. 31:6-8; Josh. 1:5; Ps. 37:25 and 1 Chr. 28:20. These promises are for us and we need to come to the reality that God is with us in all situations, even if we do not feel that He is there. We are not to go by our feeling but, by our faith in the Lord Jesus Christ.

This life on earth is not an easy one, we are all tempted, tried and tested everyday but, with the help of Jesus we can stand these circumstances. We cannot do it alone. Phil. 4:13 says, "I can do all things through Christ which strengtheneth me. He is our strength."

Psalm 68:19 tells us "Blessed be the LORD, who daily loadeth us with benefits, even the God of our salvation. This verse says to me that our walk with the LORD is a daily thing, not a one time coming to Jesus and being saved but, a real relationship just as we have with family and friends. Jesus is our Friend and He wants us to fellowship with Him daily and receive all the blessings He has for us.

What are some of the daily blessings that the LORD loadeth us with daily? When we awake from a night rest, we should be thankful that He has let us wake up to another day and that we know that He is with us to lead us and care for us. We should say thanks to Him for watching over us during the night time, and ask Him to be with us throughout the day.

Christmas Concert Set Here Dec. 2nd.

Once again this year the Abernathy Music Club will sponsor "A Night of Christmas Music" at the First United Methodist Church, Dec. 2nd at 7:00 p.m. The music for this special Holiday event will be provided by members of the various churches of our community. You are invited to share this night of music and a time of fellowship following in the Fellowship room of the church. It has been suggested that those attending bring canned goods for the Community Pantry. MARK YOUR CALENDAR NOW so you don't miss this community endeavor to commemorate Christmas together.

Local Business Picture Is 7% Brighter Than '78

Abernathy's business picture is 7% brighter in 1979 than it was to the same date in 1978, according to a report on city sales taxes by State Comptroller Bob Bullock. The report shows that the City of Abernathy received \$2,928,69 in sales taxes for the month ending Oct. 25, 1979. This compares with \$2,327,40 for the same period in 1978. Total of Abernathy sales taxes received in 1979 to Oct. 25, is \$37,271,01, compared with \$34,652,60 received to Oct. 25 in 1978.

County Line Co-op Gin Installs Unique Hydraulic Filter

A unique hydraulic filter and pump for recirculating and re-filtering hydraulic and gearbox oil has been installed at the County Line Co-op Gins. The unit was developed and is manufactured by Lubbock Hydraulics Co., Inc. Tommy Thompson, owner of the firm, says the invention cuts the oil usage of cotton gins in half and prolongs equipment life. A filter prevents dirt, lint and dust from clogging suction strainers on pumps, Thompson says. This, he says, prevents expensive pump breakdowns. Thompson says a warning light tells when to exchange the filter. Split shell construction permits easy cleaning and cartridge replacement, he says. The unit at County Line is the only one in a gin operation in the country. Gins normally have to change oil once a year, Thompson says. With the filter, he says, they only have to do it every other year. The County Line gin, managed by Ike Bennett, has universal density press pumps which hold 800 to 1,200 gallons and flat bale press pumps which hold 250 to 300 gallons.

Idalou, Muleshoe To Meet In Bi-District

The Muleshoe Mules, football Championship winners in District 3-AA, and the Idalou Wildcats, Champions in District 4-AA, will meet in a Bi-District game at 2 p.m. Friday, Nov. 23, in Bulldog Stadium in Plainview. Idalou has an 8-2 season record. The two losses were to Muleshoe, early in the season, 15 to 21, and to Lockney, 13 to 15, in their last game of the regular season Friday night, Nov. 16. Idalou won District 4-AA games from Floydada, 25-14; Abernathy, 26-9; Tulia, 36-14, and lost a 4-AA game to Lockney, 13-15. Muleshoe has an 8-1-1 season record. The Mules' tie game was with Abernathy, 20-20. The other 4-AA game the night of Nov. 16, was Floydada, 18, Tulia, 14.

AISD Board Accepts Track Bids; Approves Health Policy

Quite a few people visited Abernathy School Board's November 5 meeting. Several were members of the Parental Advisory Committee who had never attended a school board meeting. One observer was an administration intern from Texas Tech. The others represented companies bidding on school construction projects. The meeting was opened with prayer by Bro. Renay Rice and then a treasurer report was given by Bro. Rice, association treasurer. Mrs. L. S. Wilson gave a report on community action of the food pantry and clothes closet maintained to help people. The board accepted the bid of Jack Diehl Co. of Hereford on construction of an all-weather track. Cyclone Fence of Lubbock on fencing around the new track and for the west and north sides of the football field. Goen Irrigation of Olton on a drainage system around the track, and Monterrey Construction Co. of Lubbock on a drive and fence between the Academic Center and the Vocational Building. Total cost of all project bids, including dirt work and retaining wall, is \$174,400. The board also approved electrical specifications for the tennis courts and called for bids on December 3. The board approved a health policy drawn along guidelines recommended by the Texas Education Association and the state Department of Health. It spells out immunization requirements for students, steps to be followed for readmittance to school after illness, and responsibilities of the school nurse. Summarized, the nurse's duties are to conduct tests for hearing and visual defects, notify parents of sick children, and consult with parents about health problems. OTHER ACTIONS: The board also accepted the school financial statement (audit) of September 1, 1978 to August 31, 1979 as presented by Orland Gilbert of the Bolinger, Segars, Gilbert, Moss and Company accounting firm. Employed Cindy Robinson as a Title I teacher in Junior High. She is a graduate of the University of New Mexico with a major in English. Authorized the requisition of a 53 passenger bus for the 1980-81 school year and granted permission to advertise for bids to sell a used bus. Certified the \$184,052,774 tax roll for 1979-80. VOCATIONAL ED & OTHER REPORTS: The board heard a report on the school's vocational training program. AISD offers vocational home economics, education for the handicapped, food preparation and sewing, ranch and farm maintenance, production agriculture, power mechanics, upholstery and drapery making. Another report showed enrollment 28 students below the same date last year. Present enrollment is 1089 with 520 in elementary school, 244 in junior high, and 325 in high school. The cafeteria report showed 133 average daily participation in the school breakfast program and 680 in the lunch program. The board also heard reports on the new UIL realignment making District 3-AA include Abernathy, Childress, Floydada, Idalou, Lockney, and Tulia. Dr. Webb said inclusion of Childress makes more sense than it seems since Abernathy is closer to them than the farthest town they used to play. The board also decided to reopen the subject of a proposed bond election.

TRACK & TENNIS COURT BIDS

The board accepted the bid of Jack Diehl Co. of Hereford on construction of an all-weather track. Cyclone Fence of Lubbock on fencing around the new track and for the west and north sides of the football field. Goen Irrigation of Olton on a drainage system around the track, and Monterrey Construction Co. of Lubbock on a drive and fence between the Academic Center and the Vocational Building. Total cost of all project bids, including dirt work and retaining wall, is \$174,400. The board also approved electrical specifications for the tennis courts and called for bids on December 3.

Junior Basketball Group Names A Slate of Officers

Abernathy Junior Basketball Association elected Cheryl (Mrs. Harold) Thompson president of the group at the first meeting of the season Tuesday night, November 13. Other officers chosen for the year are Louise Thomason, secretary; Jerry Johnson, boys president; Keith Ellis, boys player agent; Penny Pierce, girls president; and Betty Pettit, girls player agent. The association also elected three new board members---Sharon Kester, Kay Knight, and Robert Pope. These people will serve two years on the board. Hoppy Toler and Jan Wesley, elected last year, have another year to serve. Jerry Johnson and Penny Pierce were chosen to represent Abernathy in the West Texas Junior Basketball Association.

Ministerial Association Holds Meeting

The Ministerial Association met on Tuesday, November 13 in Halford Hall of the Nazarene Church with six members present. Coffee and donuts were served by the host church. The meeting was opened with prayer by Bro. Renay Rice and then a treasurer report was given by Bro. Rice, association treasurer. Mrs. L. S. Wilson gave a report on community action of the food pantry and clothes closet maintained to help people. The next meeting will be December 4th at 10 a.m. at the Christian Center Assembly of God. Those present were: Rev. Rossell Brunner, Rev. Jose Rodriguez, Rev. Lloyd Riddles, Rev. Renay Rice, Mrs. L. S. Wilson and Rev. Tommie Beck.

Postmaster Offers Tips On Priority Mail On Packages

One of the lesser known, but very effective package delivery services offered by the U.S. Postal Service is Priority Mail, according to OIC Lonnie Awtry. "When you send a package by Priority Mail, it is separated from the regular parcel mail stream and treated as First-Class Mail," said OIC Awtry. "If the destination is nearby, the package receives expedited surface transportation. For all other places in the U.S., Priority Mail packages go by air," he said. As a result, more than 35 percent of Priority Mail packages are delivered the next day, and over 90 percent are delivered within three days. OIC Awtry explained that the cost for a small package is not much more than Parcel Post and about one-third the cost of overnight services. For example, a one-pound package sent from New York to Los Angeles costs only \$2.25. A five-pound package mailed coast-to-coast costs only \$4.50. Another advantage, says OIC Awtry, is that Priority Mail delivers packages everywhere in the United States unlike competitive parcel services which cannot deliver to every address in the country. Through international agreements with over 160 countries, packages can be delivered anywhere in the world that mail is delivered. Packages for foreign countries must specify "Air", however. A wide variety of options such as insurance, C.O.D. and Special Delivery are available for use with Priority Mail. The postmaster urged package mailers to specify Priority Mail the next time they have packages that need prompt delivery, but don't justify the high cost of overnight service. "Of course, if you have a package that has to get there overnight, then Express Mail is probably your answer," the officer-in-charge pointed out. "And if cost is the major consideration, then the best buy is Parcel Post, especially for heavier packages going long distances."

HAPPY THANKSGIVING -- Count your many blessings! Name them one by one.

Antelopes' Statistics For Football Season

Antelopes' Statistics For Football Season

Jay Harrison, a freshman in AHS, has done a good job keeping the statistics for the Antelopes during the football season. This is his report for Lopes. THANKSGIVING GREETINGS

As we gather around the holiday table with our loved ones, let us be truly thankful for our many blessings. We pray that our nation may continue to be fruitful and that each home may be blessed with abundance.

A-I Liquidators

It's easy to see where many of our priorities are.

The children of today are looking to us for ways they can prepare for their own style of life . . . families . . . and job opportunities.

To help, we'll need more electricity. It's true, electricity will play a big role toward helping expand the job market to include these adults of tomorrow.

The modern use of electricity has contributed to a better educational system to prepare our young people for the new experiences yet to come.

Almost 10 years ago, the folks at Southwestern Public Service wanted to make sure there was enough electricity to keep today's wage earner working. They decided that the fuel used in their power plants should be coal because, coal would be more abundant and cheaper to use than the conventional fuel . . . natural gas.

Now, Southwestern Public Service has a new coal plant in operation and more on the way. Yes, coal plants will help stabilize fuel costs while providing a long-term, reliable, energy source to provide electricity.

It's good to be able to tell someone what they can depend on.

Service that SHINES

Storms, accidents on the lines, or lightning may cause an occasional interruption of electric service in urban as well as rural areas. But when it happens on the electric cooperative lines, radio controlled service people are on their way in seconds. With no traffic jams or signal lights, the cooperative service people can speed to the trouble spot and restore service. The member-owned electric cooperative was first to serve their rural areas. They're still first in service.

Lubbock Drops SW Jr. Livestock Show

The Lubbock Chamber of Commerce announced today that the Southwest Junior Livestock Show would not be held in 1980 and subsequent years. It has been deleted from the program of the Chamber and will be replaced by other programs of support of the livestock industry and of youth activities in the West Texas area. These activities will include "know how" seminars on livestock production, individual work with local 4-H and FFA Chapters and a greater participation of the Chamber in local West Texas county stock show activities beginning in January, 1980. It was the feeling that the Southwest Junior Livestock Show in some respects was a duplication of effort insofar as stock shows are concerned. Funds were difficult to raise to support it and more good could be done for the livestock industry and youth activities programs by realigning the Chamber's emphasis.

New Deal FFA Officers Meet

New Deal FFA officers had a breakfast meeting at Eldorado Friday, Nov. 9th at 7:00 a.m. Mr. Bufe and Mr. Martin were guests. Parents and members banquet date was set for April 8, 1980. The District Banquet will be held Nov. 20th at South Plains College in Levelland. Tickets are \$3.25. Candidates for honorary Chapter Farmer will be selected. Awards were handed out at the meeting Monday night, Nov. 12th. The members selected were Mark Henning, Lane Blanchard, Jaunita Abercrombie, Darrell Bufe, John Kveton, Kevin Martin, and Phillip Jones.

SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

One day I visited a home and a parakeet came to the arm of my chair. He looked me over and said like a person, "I'm a Christian. Are you?"

Suddenly a cat came into the room and the parakeet hurried to its cage. Then it acted like a bird, because it was a bird.

There are many people who profess Christianity with their lips, but they do not always keep on showing it with their lives.

Have you ever wondered why, after people have been taught hymns and prayers and Bible verses, and acting like Christians, when a temptation comes,

they revert to their old ways?

They have been taught the mannerisms of religion without having experienced the miracle of regeneration. They have been charmed, but not changed; convicted, but not converted.

When someone becomes a Christian he becomes a brand new person. He is not the same any more. He has begun a wonderful new life.

Wouldn't you like a new heart and a new power over your old habits? Then turn from your sins to the Saviour.

SAUSAGE CON QUESO

2 lb. pork sausage 1/4 C. picante sauce
1 lb. processed cheese Milk to thin sauce

Roll sausage into 3/4-inch balls. Broil until done. (The sausage balls can be made ahead of time and frozen for later use.) Place sausage balls in casserole dish. Melt cheese over very low heat. Stir in picante sauce. More or less picante can be added according to the amount of hotness desired. It is sometimes desirable to thin the sauce with milk. Pour sauce over balls, being sure all sides are coated. May be served with toothpicks as hors d'oeuvres. Makes about 64 sausage balls.

BARTON SON RETURNS FROM YEAR ON KIBBUTZ

Steve Barton, son of Mr. and Mrs. Jackie Barton, is scheduled to return home this week from the country of Israel after spending a year with Project Kibbutz. Project Kibbutz is headed by Art Carlson in Tulsa, Okla. Young people from many countries commit themselves to serve as volunteers on a kibbutz for one year, and as they work and associate closely with the kibbutz members, their work witness and Christian lifestyle have a definite impact throughout the entire kibbutz. It soon becomes apparent to the kibbutz members that there is something different about this group, and they begin to ask why they came to Israel and what it means to be a Christian. During the last 35 years Jewish immigrants from 60 countries arriving in Israel with no friends, money, or jobs formed the community living known as kibbutz.

Here with determination, purpose, and unity these families banded together to become self-sustaining settlements. The kibbutz movement contributed greatly to Israel's survival as a nation. The kibbutzim are basically agriculture; crops of cotton, corn and wheat, orchards of apples, peaches, pears, citrus fruits, avocados, bananas, dairy herds, chicken, and turkeys. Most have a factory, guest house or restaurant for additional income. Because there is more work to be done on a kibbutz than the members themselves can easily handle, they invite young people from all over the world to assist the work as volunteers. These volunteers have opportunities to work closely with the members in the fields, orchards, chicken houses, laundry, etc. and have all their needs met by the kibbutz. Steve worked in a cultured marble factory examining the marble for flaws, repairing the flaws, and preparing for shipping. He worked in the orange and grapefruit orchards and a guest house dining room, and the cotton fields. Each volunteer is assigned kibbutz parents and are often invited into their homes. Steve lived on Kibbutz Gvaram near Ashkelon and Tviyat Anavim near Jerusalem and so he had opportunity to have 2 adopted families. There are 5 kibbutz in Israel where Project Kibbutz have from 12 to 15 Christian young people in each community to 250 to 500 Israeli. There are other volunteers, most of whom are not Christians, but young people who are wandering around the world searching for life's meaning. Young Christian people in Project Kibbutz from Lubbock are Milton Odom, Linda and Celia Looney, Julie Johnson, and John Cherry from Crosbyton, a girl from New Deal and a young man from Brownfield.

themselves last of all, truly a position that all of us should achieve. Mark 10:44-45: Whosoever of you will be chiefest shall be servant of all. For even the Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many. Psalm 122:6: Pray for the peace for Jerusalem: they shall prosper that love thee.

But these are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name.

ND Lions Take 4-A Grid Crown With Unblemished Record

CROSBYTON (Special)—The New Deal Lions, who clinched the District 4-A championship last week, scored on their first and third possessions of the game to begin a 49-0 slaughter over the Crosbyton Chiefs. The Lions, 9-1 for the season and undefeated in district play, combat the Kress Kangaroos for the district championship. The Chiefs are 6-4 for the season and 3-3 in district.

On Crosbyton's first possession, fullback Tony Howell ran over from 2 yards out with 6:38 left in the opening period, capping a lengthy 11-play, 74-yard drive. Halfback Martin Adams kicked the extra point. With 10:27 left in the second quarter, Adams leaped over from the 1-yard line and then kicked the PAT. About five minutes later, Lion end Russell Nichols snatched a 9-yard

TD pass from quarterback Ricky Smith. Adams kicked. After New Deal recovered a Chief fumble, Smith was on target with a 15-yard scoring pass to halfback Billy Thiel with only 15 seconds left before the half. Adams again was good on his kick.

The Lions mustered only 7 points in the third quarter which came with 3:03 showing on the clock when Smith scored on a 1-yard quarterback sneak, followed by an Adams boot.

Lion second-team quarterback Keith Venable contributed to the rout when he rifled a 4-yard TD pass to Adams with 6:38 showing in the final period. Adams got the extra point.

With 2:54 left in the game, reserve halfback Paul Williams gave the Chiefs their last touchdown on a 10-yard gallop, followed by an Adams kick.

The Lions were good for 22 first downs, and 332 yards rushing, compared to

Are Bollworms Eating Your Profits?

Call Palmer.

Palmer can help stop him from eating up your profits. When is the best time to treat your cotton for bollworm? Which chemical should you use and how often should it be applied? For the answers call Palmer and Associates, Independent Entomologist, they can assure you maximum return for each dollar spent, by: FIRST—Regularly scheduled field monitoring procedures by trained entomologist will establish the most economical point to initiate control measures. SECOND—Since Palmer is not connected with any chemical sale organization, they independently analyze each chemical on the market and choose the

ones best suited for each job. THIRD—Routine monitoring throughout the season assures good control. For example: This year through careful monitoring, 42% of the acres under Palmer control was judged not to need treatment at all. Average cost per acre treated and untreated was only \$7.15. This resulted in an average net return on treated fields of \$18.79 per acre. Don't let bollworms damage your cotton again next year. Call Palmer and Associates today and put the bollworm problem behind you. They can show you case histories of how they have helped farmers in your area control bollworms and increase their net income.

Cyclist Badge, Halloween Party Highlight Troop #15 Activities

The fourth grade Junior Girl Scouts have had a very busy fall. At the beginning of the school year the 14 girls divided into two patrols. The Green Bonnet patrol elected Geneva Aragon as patrol leader and Kristi Attaway as treasurer. The patrol decided to work on the Girl Scout Drawing and Painting Badge. The girls experimented with string painting, sponge painting, water colors and crayon etchings. They created bookcovers for their handbooks and made invitations to the Girl Scout Hobo Go held in September. The girls also made invitations for a Halloween Party.

The Pedal Pusher patrol chose Donna Stallings as patrol leader and Elizabeth Waits as treasurer. These girls decided to work on the Girl Scout Cyclist Badge. The girls learned bicycle safety rules and how to spot check their own bicycles for problems including changing flat tires and checking the spokes and seat and handle bars for correct positions. The girls also practiced several weeks in riding as a group in traffic. The culmination of the badge was a bicycle hike to a spot about four miles west of town. The girls carried food and gear in backpacks and bicycle baskets and had a weiner roast.

The troop also planned songs and games to share with other Abernathy Girl Scouts at their annual Hobo Go held at the Tuco site this fall. The girls dressed as hobos and brought picnic suppers for their families. Games were played and after supper, Troop 15 built a bon fire and enjoyed singing around it.

The troop planned a Halloween Party and invited the second grade Brownies to join them. Special Halloween cookies were made and decorated by the fourth grade scouts. Also a special spookhouse was designed by the girls as entertainment for their guests.

Spider Woman, Donna Stallings, and her clown, Elizabeth Waits invited their guests to visit in Spider Woman's house and visit her pets and friends. Kristi Attaway as Dracula and Angela McCraw as Mrs. Dracula greeted the spook house visitors. Mrs. Witch, Kristy Venable, invited the visitors to have tea with her and sample her "goodies".

Mummy, Rosi Lopez, startled visitors from her ancient tomb. Evelyn and Rita Miller helped guide guests through the tunnel of terror and Darla Upchurch as a spook helped them. Geneva Aragon, Tammy Annis and Stephanie Evans scared visitors with screams and balloons. Ghost, Susan Rodriguez and Marty

Mejorado helped the visitors to the spook house leave with the warning to keep silent about all they had seen. A wonderful, scary, time was had by all.

Troop 189, seventh grade Cadette Girl Scouts, helped lead songs and games. Then refreshments were enjoyed by all.

Abernathy Plays Host To Gathering Of County Elected Officials

The City of Abernathy hosted a quarterly meeting of county elected officials Thursday night, November 8. Twenty-nine men responsible for county and area city

operations came to dinner at the 924 Steakhouse and the informal meeting afterwards.

All Hale County commissioners and councilmen from Petersburg, Hale Center, Edmonson, Plainview, and Abernathy, and two Abernathy school board members attended. Hale County Judge Bill Hollars spoke to the group after a welcome and comments by Abernathy Mayor Pete Thompson, who was in charge of the evening.

Mayor Thompson presented a citation of appreciation of the late County Judge Henry Heck which the officials all signed. Judge Heck died last July. The citation will be presented to his widow, Mrs. Grace Heck. There was no formal agenda but discussion subjects included the new tax appraisal district and board, the economic development program administered by South Plains Association of Governments, and utility franchise renewals in Hale Center and Abernathy. Midland Carpenter of Plainview, who is also president of SPAG, presented information about the economic development program.

Plainview City Councilmen Tom Almon, who was recently elected to the Hale County Tax Appraisal District Board of Directors, reported on indications that Southwestern Public Service Co. is preparing another rate hike. He said the Panhandle Regional Planning Commission is going to ask all area communities to join together in an audit of SPSC, share the cost, and find out whether or not a rate increase is justified.

City representatives were urged to write Congressman Kent Hance and ask him to try to maintain the federal revenue sharing program. The county commissioners plan to host the elected officials' get-together next quarter. The group began meeting, at Mayor Thompson's suggestion, four years ago when lack of communication resulted in a misunderstanding between county and city officials. The quarterly meetings to discuss common problems and share ideas seem to promote cooperation and better understanding between governing bodies in the area.

We are thankful indeed for our blessings (and THOU art among them)
