New Computer Teaching Aid

Starting within the next few weeks, students in Elementary and Secondary schools will be using a computer to help learn basic math, reading, and language skills. This new technique, called Computer Assisted Instruction (CAI), is an important step forward in helping teachers provide individualized instruction for each student. The new Computer Instructional System maintains records on students' skills levels and automatically presents practice lessons in math, reading, and language courses geared to each student's individual ability. The system and courses are provided by Computer Curriculum Corporation, who has pioneered this classroom teaching aid over the last 10 years and has systems in use at over 500 schools across the country.

The Computer Instructional System used at Abernathy has 12 terminals. Six are located in the Intermediate bldg. for Elementary students and 6 are in the Academic Center for Jr. High and High School students. Charles Bowen, in charge of the program, said, "The use of computer-assisted instruction will help our teachers give more personalized practice lessons and guidance to individual students. The new system will help it can dramatically help raise students scores on standard achievement tests. Equally important, students find computer-assisted instruction an enjoyable experience. It is almost like a game and they become engrossed in developing their skills." The new CAI System will also be available for persons enrolled in the Adult Education classes at night. The new computer-assisted technique, and the students' enthusiasm for using it, combine to help students increase their learning speed and achievement. An open house is planned during Texas Public School week so parents and members of the community can see how the new system will be used.

Heavenly Deception To Be Shown At F. B. C.

Bro. Lloyd Riddles, pastor of the First Baptist Church, announces that the film "Heavenly Deception" a true story will be shown at their church, Sunday, November 9 at 7 a. m. and invites the public to attend. At last, here is a motion picture that takes a serious dramatic look at the cults and specifically Reverend Sun Myung Moon's Unification Church!

Based on a Tyndale House book, "Heavenly Deception" is the true story of Chris Elkins. He was the typical "All American" boy -- a senior in college; on dean's honor list; president of his fraternity. He could have been the boy next door. He could have been your best friend. He could have been your son. He could have been... you.

"Heavenly Deception" is the story of Chris Elkins' journey from the college campus to the White House. Although raised in a Christian family and attending church regularly, Chris never grew in his faith. He still had questions. Then one day in college, Chris met a man -- someone who seemed to have the answers. A man who directed him to a church of love, care, and concern: A church of Unification. Chris became a "Monnie". But it wasn't long before he sensed something wrong -- a sort of deception -- a "Heavenly Deception" where the end justified the means. A standard that was promoted and encouraged within the Unification Church -- from the kids selling flowers on the street all the way to the highest echelon.

In twelve years of producing over thirty Christian films, Evangelical Films has never offered a film with more impact on parents and young people!

"Heavenly Deception" is a major motion picture. It promises to move audiences from apathy to action!

Remember this time and date and plan to attend.

LOPE'S BEAT LOCKNEY

The AHS Antelopes ran their season record to 5-3 last Friday night by defeating the upstart Lockney Longhorns, 13-6. In the process they gained outright second place in the District 3-AAA race, by retaining a 2-1 mark, while only Childress at this time has a better record. Childress still ranked No. 1 in the state, has an 8-0 mark. Idalou, the only team in the district to beat Abernathy, lost to Childress and then last week tied Floydada, 0-0. Floydada had previously been beaten by Childress, and both Idalou and Floydada are now 1-1 in District 3-AAA ratings.

The Antelopes and Floydada will tangle Friday night at Floydada in a 7:30 p. m. encounter. If the Lopes win Friday night and could beat the Childress Bobcats the following week, they could represent the district in bi-district play.

WHIP LOCKNEY In whipping Lockney last Friday night, the Lopes amassed a total of 339 yards, 195 on the ground and 144 via air, while holding the Longhorns to 272 yards rushing and allowed only 1 pass completion for 14 yards.

Abernathy runningback Sylvester Dunn was again the leading rusher with 115 yards on 18 carries, including a 69 yard scoring romp, and pushed his season total to 901 yards. Quarterback Max Riley had 53 yards on 11 carries and fullback Russell Windham had 27 yards on 5 trips and was on the receiving end of a 62-yard Riley scoring pass. Riley completed 4 of 8 passes for 144 yards, with Windham being the recipient of 3 of them, totaling 126 yards.

The only category won by the Longhorns was in first downs, 13 to 11. Dunn punted 6 times for a 36.5 average, the longest going 61 yards. Lockney also punted 6 times. The Lopes received 6 penalties for 27 yards, while the Horns were penalized 6 times for 45 yards.

With 2:39 remaining in the first quarter, Dunn wiggled through the defensive line then outdistanced his pursuers to the goal line 69 yards away to start the scoring for the night. Dee's extra point attempt was off to the left, but the 6 point lead stood until late in the second period.

Lockney came back with just 1:20 remaining in the half on a 64-yard run by quarterback John Cummings. The point-after attempt failed, and the teams were deadlocked, 6-6 at halftime.

The Lopes went ahead on their first possession of the second half. After one running play netted only a yard, Riley rifled a pass right over the middle to Windham who never broke stride as he took the past over his shoulder and raced the remaining distance for a 62 yard scoring bomb. This time Dee's PAT kick was perfect, and Abernathy carried this 13-6 advantage till game's end.

The Lopes looked sharp at times during the contest, then at times seemed to lack some of the enthusiasm they showed in the previous game. The defense was only as good as it had to be, but that was good enough to

keep the Horns from scoring except on one occasion. Rick Houston, Darrick Stallings, Cody Connell, Stacey Mills, Tony Cox and Russell Windham had their usual good game and showed good defensive pursuit. Others playing good defense included Alan Pettit, David Myatt, Victor Dees, Juan Gonzales, Kenneth Moss, Don Stone, David Davis, James Pace and others.

The Lopes took the opening kickoff but could muster only 5 yards on 3 plays and Dunn got off his 61 yard punt to the Lockney 5. At that point, Cox and Connell stopped outstanding runningback Junior McDonald for no gain, then quarterback Cummings kept around left end for 10 yards and a first down. Houston nailed McDonald for a yard loss, then a fumble and another no-gainer brought up 4th and 11 and McCormick got off a 30 yard punt.

Taking over on the Lockney 44, Riley made a beautiful fake to Dunn, then ran around right end for a 19 yard pick up. However, the Lopes lacked a couple of yards making another first down on 4 more tries and Lockney took possession on their own 19.

McDonald picked up 11 yards on first down before being nailed by Dees, Connell, Dees and Windham collaborated to bring McDonald down after a 3 yard gain on the next play, then with good pursuit, Houston and Moss brought him down on the next play after another 3 yard pick up. But on 3rd down, McDonald fumbled, recovered his own fumble and was hit a 6 yard loss by Stallings, and Lockney punted to the Abernathy 31.

At that point, Dunn did his thing, going right up the middle for a 61 yard TD run. On the kickoff, Dees put the ball in the end zone and from the 20 yard line the Horns put together a drive that reached as deep as the Abernathy 4. However, the Lopes rose to the occasion, and eventually took over on their own 7.

After an exchange of punts the Lopes took possession again, this time on their own 9 yard line. Riley, Dunn and Windham moved the ball out to the 33, then Riley hit Windham with a pass good for 39 yards. On the next play, Riley connected on a 20 yard toss to Bobby Ross, putting the ball just 8 yards away from paydirt. But 2 running plays and an incomplete pass netted nothing, and Dees tried a field goal which went awry.

Taking over on their own 20, Lockney cranked up and went the distance for their only score of the night, with Cummings going the final 64 yards on an end sweep.

The Horns took the 2nd half kickoff and returned it to the 27. Aided by a 15 yard penalty against the Lopes, Lockney moved across midfield and to the Abernathy 37 before being stopped cold by the Lopes. Taking over on their own 38, Dunn gained a yard, then Riley and Windham teamed up for their spectacular scoring strike.

The ensuing kickoff was (con't on page 2)

Son Injured In Accident

LUBBOCK -- Mike Scott Windham, 20, of 2101 Raleigh Ave., No. 12, was in satisfactory condition late Sunday at Methodist Hospital with injuries suffered about 6 p. m. Friday in a four-vehicle collision at Brownfield Highway and Indiana Avenue. Windham is the son of Mr. and Mrs. Scotty Windham of Abernathy. Scotty, Abernathy's FFA teacher, moved here from Seagraves.

Veterans' Day Breakfast Set November 11th

All Veterans are invited to a Veterans' Day breakfast starting at 6 a. m. Tuesday, Nov. 11, at Abernathy's Barton-Hood American Legion Hall. The Legion Hall is on 15th Street and it is one block east of Avenue D.

Legion officials emphasized that the breakfast is for all Veterans, and they do not have to be a member of the local Legion Post to attend. Serving starts at 6 a. m. and will continue as long as Veterans are coming in for breakfast.

New Officers For Jaycee-Ettes

The Abernathy Jaycee-ettes met October 26 at Melinda Jackson's home to elect officers and plan activities for the coming months. The new officers are: Melinda Jackson, president; vice-president, Kathy Hill; secretary, Cindy Robinson; treasurer, Patty Carver, state director, Raylene Watson and reporter, Mary Lane.

The Jaycee-ettes are planning a bake sale Saturday, November 8 at Pay-N-Save from 9 to 5.

The next meeting will be November 6 at 7:30 p. m. at the city hall club room. All ladies around the ages of 18 to 35 are encouraged to visit and join this organization. Reporter, Mary Lane

Big Arts & Crafts Bazaar

Abernathy Arts and Crafts, a new organization, will be having a bazaar, November 22, at the Community Center. This bazaar will be for all local people and is supported by the community.

If you have any hand made items, please come and rent a booth or table, which will be decorated for Christmas. The deadline for entering is November 15.

All interested parties contact Dianna Phillips, 328-5367, Betty Neve 757-2183, or Jane Murray 298-4291. Everyone is welcome.

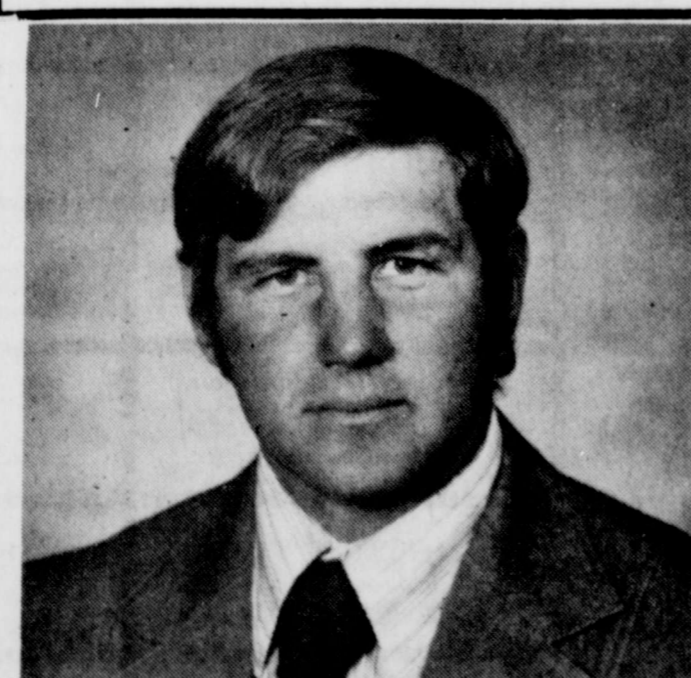

Mr. and Mrs. James W. Davis have moved to the new home recently completed for them in the Pinson Place addition of Northwest Abernathy. Their son, Jimmie and Gale, and their children are moving from a farm northwest of Abernathy to the house they vacated south of town.

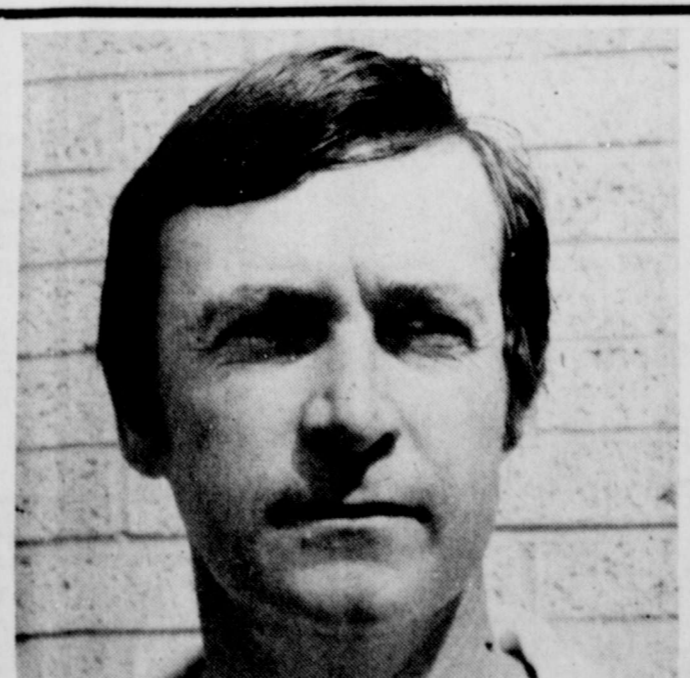

TED BEARD has been a manager for the 'Lopes this season. Ted, a freshman, also plans to participate in football next year, and will be participating in golf, track, basketball, and tennis this year. He is also working on UIL Oral Reading. He is the son of Mr. and Mrs. Billy Beard.

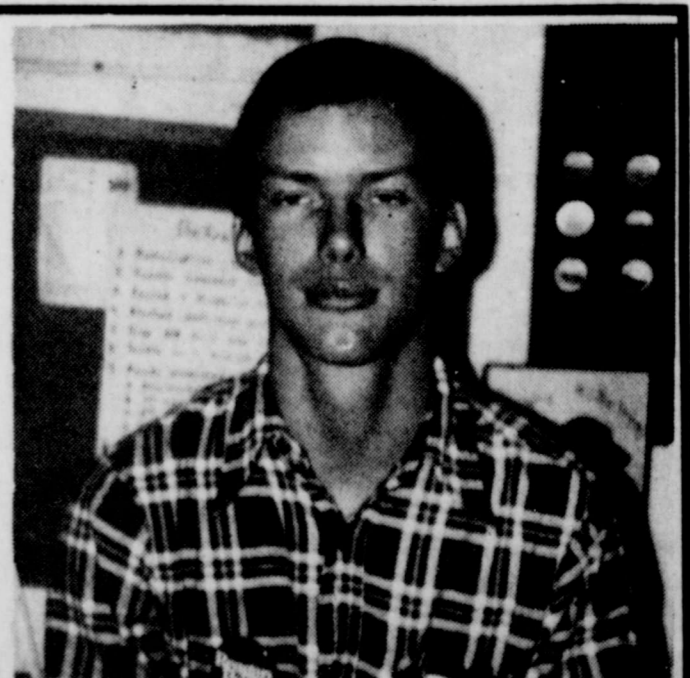

CARL IRLBECK graduated from Happy High School in 1977. He graduated from Clarendon Junior College and West Texas State University with a major in PE and Master's in Math. He coached at Nazareth for three years and Clarendon for six before coming here, where he has spent the last ten years. He coaches varsity basketball and tennis, and coached the Freshman football team. He and his wife Arlene have four children; Ramona, 17; Cletus, 15; Everett, 11; and Bruce, 9.

DELBERT DEARING graduated from Fredericksburg High, and from Ranger Junior College and McMurry with a major in PE and a minor in History. Coach Dearing is beginning his seventh year here. He coaches JV Athletics, Varsity Track and is an assistant Varsity football and basketball coach. He also teaches Driver's Education at AHS. He and his wife Kaye Lynn have a son, Matthew, 2.

RAY ATER graduated from Idalou High School, then from Tarleton State University with a major in PE, a minor in biology and a Master's in Education. He coached at Graham for two years and Stephenville for five before coming here. Coach Ater, now in his fourth year here, coaches the offensive line and defensive back on the Antelope team, and also coaches 7th, 8th, and JV Athletics. He and his wife Marilyn have two children; Charis, 9; and Annie, 6.

JOHN RODRIGUEZ is beginning his first year as a coach at Abernathy. After graduating from Olton High School, he attended Lubbock Christian College, where he received a degree in secondary education in 1979. He coached for one year at Eldorado before coming here. He coaches Junior High Athletics, is a scout for the varsity Lopes, and teaches math at AHS. Welcome to Abernathy, Coach R!

returned to the 30, then McDonald managed only 2 yards before being hit hard by Pace, Connell and Alan Nels. Two more runs gained enough for a first down, but on the next series the Lopes held, and Lockney was forced to punt. Aided by a 23 yard pass to Windham, the Lopes moved to midfield before being forced to punt. McDonald took the kick on his own 15 and returned it to the 35 before being knocked out of bounds by Don Stone.

With 2 runs of 26 and 22 yards by McCormick and a penalty against Lockney, the Horns had a first and 10 at the Abernathy 23. McDonald made 5, then was stopped for no gain by Connell. An incomplete pass and 2 penalties against Lockney moved the ball back to the 38 where Abernathy took possession.

The Lopes picked up a couple of first downs and moved across midfield to the 45. Riley attempted to pass, but lost 5 yards instead, then 2 plays later appeared to have a 1st down on a pass to Rodney Cannon, but the play was nullified by a

penalty and Abernathy was forced to punt. McDonald took the kick on his own 20 but retreated and was rushed hard by Pace, Nlyatt and Sanson and ended up on his own 4 yard line. Davis and Windham stopped Cummings after a 3 yard gain, then Davis broke up a pass attempt. Another pass fell incomplete and Lockney punted to the Abernathy 44.

With 2:40 left on the clock, the Lopes were determined to keep the ball till game's end. Dunn picked up 6 yards, then on the next play Riley faked a pitch out, pulled the ball in, picked up a good block from Pettit and scampered 20 yards to the Lockney 30. From there Riley handled the ball three more times to run out the clock.

WORD OF GOD

And there are differences of administrations, but the same Lord.

And there are diversities of operations, but it is the same God which worketh all in all.

But the manifestation of the Spirit is given to every man to profit withal.

For to one is given by the Spirit the word of wisdom; to another the word of knowledge by the same Spirit;

To another faith by the same Spirit; to another the gifts of healing by the same Spirit;

What the mind can perceive the hand can achieve.

Abernathy's JV Beat Undefeated Floydada

The Abernathy junior varsity defeated the previously unbeaten Floydada JV unit 18-12 here last Thursday evening. The visitors scored first on a 9 yard run late in the first quarter, but Abernathy countered on their next possession, with Malcolm Dunn getting the honors on a 38 yard scamper to tie the score at 6-6.

Floydada took the ensuing kickoff and marched 63 yards to go ahead 12-6. Abernathy appeared to be on the move again just before halftime, but a pass interception stopped the Lopes at the Floydada 32.

Abernathy tied the score at 12-12 early in the second half, taking the kickoff and driving 59 yards for the score. The scoring play covered 43 yards as quarterback Mark Riddell tossed a quick pass to left end Cleus Irlbeck who made a good catch-and-run-play for the TD.

Dunn put the game on ice for the Lopes early in the 4th quarter on an 80 yard run. All extra point attempts failed.

The local JV and freshman teams will travel to Childress today (Thursday) for their final game of the season.

In other games last Thursday, the local freshman lost to the visiting Floydada team, 14-6, but showed a lot of hustle and determination.

The local 7th and 8th grade teams traveled to Floydada, with the 7th grade winning 26-8 and the 8th graders losing 25-8.

BRIEF:
 Mrs. Oma Tolter returned home Sunday following a two week visit in Richardson with her daughter and son-in-law, Mr. and Mrs. Noel Johnson and with grandchildren.

LASAGNA WITH A DIFFERENCE
 1 lb. ground beef
 1/2 med. onion, chopped
 1 clove of garlic, minced
 2 tsp. oregano
 1 tsp. salt
 2-8oz. cans tomato sauce
 3/4 cup water
 1-4oz. package wide noodles
 1/4 cup cottage cheese
 1/4 cup Parmesan cheese
 2 Tbsp. (about) milk

Saute ground beef in skillet until brown; drain off fat. Add onion and garlic; cook until tender. Stir in seasonings, tomato sauce and water; add noodles. Simmer, covered, for about 15 minutes or until noodles are tender, stirring occasionally. Add more water, if needed. Mix remaining ingredients together in a small bowl; drop by spoonfuls onto ground beef mixture. Simmer, covered, for 2 or 3 minutes or until cheese mixture is heated through. Yield: 6 servings.

CHICKEN SPAGHETTI
 1-3lb. chicken
 2 Tbsp. butter
 1/2 cup chopped green peppers
 1 small jar pimiento
 1 cup chopped celery
 1 small can mushrooms
 1 can tomato sauce
 1 tsp. salt
 1 tsp. chili powder
 1 lb. spaghetti, cooked

Cook chicken in boiling, salted water to cover until tender. Remove chicken from broth, reserving broth. Remove chicken from bone. Melt butter in heavy saucepan. Add peppers, pimiento, celery and mushrooms; sauce until tender. Add tomato sauce and seasonings; simmer for 15 minutes. Add 2 cups chicken broth and simmer for 30 minutes longer. Add spaghetti and chicken; cover. Simmer for 30 minutes longer. Stir occasionally to prevent sticking to bottom of pan. Cheese may be sprinkled over chicken mixture after placing in serving dish.

It's True.

"We installed the heat pump in our church over two years ago. The heat pump system has been very economical for us and they are able to keep our facilities much cleaner than we really expected. The statements concerning heat pumps being economical and clean have certainly proven to be true. Another feature that I like is that a heat pump can be used both summer and winter without anything being changed other than a flip of the switch. Because of our experience with the heat pumps in our church facilities, I've installed the heat pump system in my personal home."

SEEDS FROM THE SOWER
 By Michael A. Guido, Metter, Georgia

Fifteen years ago John Caldwell left Australia to sail around the world. He got only halfway—to the Grenadine Islands. Yielding to their charms, he started a resort there.

There are many who set out to do the will of the Lord. But on the way they are tempted to enjoy the pleasures of sin or to begin a business, and they give up the Lord.

That is what Demas did. He started out to live and die with Paul. He suffered a little for the Saviour. But he got tired of it. He wanted comfort, not a self-indulgence, not self-control. So he quit.

It must have been with tears that Paul wrote in 2 Timothy 4:10, "Demas hath forsaken me, having loved this present world."

Over his vacant niche in the Apostolic Hall of Fame could be carved the word: "Deserter!"

It does not cost you anything to become a Christian. But it costs you everything to be a Christian. Go on with the Lord at any cost. Give up everything for the Lord, but do not give up the Lord for anything.

Friends Gather For Meal, Visiting

A group of people gathered at the 924 Steak House Saturday night, to eat and visit. This group of friends have scattered in the past few years and have not had a visit together for a number of years and some of them were in Abernathy for the weekend and did some calling and they got together and had a great time catching up on their families and past experiences together. Those attending were: Irma and Jack Brownlow of Humble, Joy and E. M. Jones of Dimmitt, Bill and Bonnie Moore of Deming, N. M., Bobbie and Delbert Nunn of Lubbock, Billie and Hilbert Rantz, Dorothy and David Pinson, Dean and Donald Huffaker, Maudie Jones, Louise Burnett, Thelma and H. R. Wesley, Frances and Robert Garvin all of Abernathy. Following the meal some of the group went to the Hilbert Rantz home for more visiting.

Petersburg Church Sets Bazaar Nov. 8

The First United Methodist Church of Petersburg is having a Bazaar at the Fellowship Hall on November 8th from 10:00 A.M. until 4:00 P.M.

There will be handmade items such as Quilts, knitted and crocheted throws and afghans, and clothing. Also, home canned fruits, pickles, vegetables, jellies and jams will be for sale.

A raffle will be held for a very unusual antique quilt. Tickets will be for sale at any time and also at the Bazaar. For further information call the Church Office between 8 and 12 A.M. 667-3391. You do not have to be present to win.

A Silent Auction also will be held on a beautiful painting by Ginger Ellison whose works are widely known.

Starving Artist Sale Scheduled

Local artists and others from Texas, New Mexico, and Oklahoma will be offering their artwork for sale December 12-14, 1980, at the National Guard Armory. The location is 2901 Fourth Street, Lubbock, Texas. The sale will feature ceramics, oil paintings, watercolors, jewelry sculpture, dough art, and many other forms of art.

The annual sale sponsored by the Lubbock Jaycee-ettes will be Friday, December 12, and Saturday, December 13, from 10:00 A.M. until 8:00 P.M. Sunday, December 14, the time will be 12:00 noon until 5:00 P.M.

All proceeds from the sale are donated to various charities. Last year's charities included Lubbock Child Abuse Center, Lubbock Crime Line, and St. Jude's Children's Hospital.

Mastercard and Visa will be accepted. For more information contact: Linda Jones-792-7528; Cindy Ferguson-795-5937; Judy Campbell-797-7351.

Lubbock Arts Festival Seeks International Food

On May 1, 2, and 3 the Lubbock Arts Festival will include more than just paintings and music. It will provide many fine examples of the international art of cooking. In preparation for the 1981 "Celebration of the Arts," the Lubbock Arts Festival is seeking applications from area non-profit groups which wish to operate money-raising ethnic and regional food concessions at this year's event.

Concession applications may be obtained by writing the Lubbock Arts Festival at P.O. Box 561, Lubbock, Texas 79408 or by calling 763-4666.

The increasingly-prestigious festival drew 75,000 people in 1980, thereby making it one of the largest indoor arts festivals in the Southwest. It is jointly sponsored by the Lubbock Cultural Affairs Council and Civic Lubbock, Inc.

For further information, call Carl Hill (763-4666).

Arts & Crafts Show Set In Littlefield

The Littlefield Band Boosters are sponsoring an Arts and Crafts Show, Saturday and Sunday, November 22nd and 23rd, at the Lamb County Ag and Community Center in Littlefield, from 9:00 A.M. until 6:00 P.M. on Saturday, and from 1:00 P.M. until 5:00 P.M. on Sunday.

Booths may be rented for \$25.00, and the deadline for booth reservation is Saturday, November 15th. Booth fees must be paid for at the time of reservation.

Snack bar and baked goods are reserved by the Band Boosters.

For booth reservation or information, contact Janie Raney at 385-5528 or Littlefield Band Boosters, Post Office Box 1254, Littlefield, Texas 79339.

Library News

"BOOKS ALIVE" THEME FOR NOVEMBER AT LIBRARY. Books are alive at the Abernathy Public Library throughout the month of November. The Library takes pleasure in introducing November as children's month.

The Children's Book Council has set the week of November 17-23 as official Children's Book Week. The Children's Book Council is the official sponsor of this annual observance established in 1919 to encourage children to read and enjoy books.

All children are encouraged to visit the library during November and discover how books are alive (Parents come, too)

Plan Ahead For Christmas Gift-Giving

Plan ahead for Christmas gift-giving to save time, money and frustration, advised Bonnie Piernot, a family resource management specialist.

First, decide how much money to spend, and resolve to stay within that limit, she says.

Mrs. Piernot is with the Texas Agricultural Extension Service, The Texas A&M University System.

After setting a spending limit, use the following money-saving tips to reduce gift expenses:

Take advantage of sales and specials to buy gifts, buy at bargain prices whenever possible.

Use imagination in choosing gifts. Try new types of stores and items.

For example, instead of one large present, consider several small, related gift items, or combine purchases with homemade items.

Make your own gifts if you sew, bake, paint or are skilled in other crafts. These may mean more to the receiver than a bought item.

Buy Christmas cards, supplies and decorations for the following year during after-season markdowns have gone into effect.

When the family or group is large, consider drawing names instead of buying gifts for everyone.

Set aside a place at home for storing gift items and wrapping supplies.

Be realistic in the amount of money you budget for special occasions. Spend only what you can afford. Substitute money with time, effort and skills.

Make gift-giving a joyful experience for the giver and receiver. Don't kill the pleasure by wrecking the family budget, the specialist continues.

Ask the following questions: How many friends and relatives should you remember them--by present, card or party?

How much money is available to spend? How much money should you spend on each person?

Do you have to spend money at all?

"The silliest of all people are those who do foolish things to show off." Vaunergues

County 4-H Food Show Set Nov. 8

4-H'ers will match foods-and-nutrition expertise against each other in the Hale County 4-H Food Show November 8.

Approximately 50 youth will compete in senior and junior divisions, according to Melissa Roberson, County Extension agent.

Immediately following an awards program at 1:00 p.m., entries will be on display for viewing and tasting from 1:30-2:00 p.m. at the Hale County Agriculture Center in Plainview.

Senior-division entrants are ages 14-19, while junior-division youth are ages 9-13. For the contest, each 4-H entrant will compete in one of four classes, including main dish, side dish, breads and desserts, or snacks and beverages.

Because the foods and nutrition program focuses on nutrition, each contestant will have to demonstrate what she or he knows about nutrition, meal planning, food buying and meal service, as well as preparation techniques.

The Hale County 4-H Club will host the County Food Show this year. Hale County 4-H Food Show is sponsored by the Texas Agricultural Extension Service, The Texas A&M System and The Morrison Milling Company of Denton, Texas.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

Hale Ranks High In Crop Receipts

AUSTIN--Hale County ranked second in Texas crop cash receipts for 1979 with \$110 million, Agriculture Commissioner Reagan V. Brown has reported.

Hale was also fourth within the state with government payments of \$8.9 million and among the top ten counties with its total crops and livestock receipts of \$165.9 million. Crops, livestock and payments increased the total receipts to \$174.8 million.

Brown said, "It's counties like Hale that made it possible for Texas to become number two in the nation in agriculture."

Texas Crop and Livestock Reporting Service has recently published detailed information on cash receipts of all counties. The booklet, 1979 Texas Agricultural Cash Receipts Statistics, is available from the Texas Department of Agriculture.

Nearly counties were also ranked among the top 10 counties.

Gaines County ranked fifth in the state with \$8.6 million in government pay-

ments and was among the top ten counties with \$68 million crop receipts.

Lubbock County had \$72 million for crop receipts; \$112.5 million for total crops and livestock receipts; and \$5.9 million for government payments. Crops, livestock and government payments increased Lubbock's total to \$118.5 million.

Lamb County had \$67.7 million for crop receipts; \$132 million for total crop and livestock receipts; and \$9 million for government payments. Crops, livestock and government payments increased Lamb's total to \$141.5 million.

Dawson County had \$64 million for crop receipts. Hockley County received the highest amount of government payments with \$10 million with Floyd County was second with \$9.6 million.

Terry County received \$6 million in government payments.

Apology For Crossing Blockage

Jerry Phillips, agent here for the Santa Fe Railway Co., wants to apologize for the inconvenience that occurred at noon on October 14, when two trains met at Abernathy and had the crossings blocked for 50 minutes. Reason for this was that both trains were too long for the siding tracks in Abernathy, and had to set out some of their train in order to pass. These orders come from the train dispatcher in Amarillo, and sometimes miss-figure the length of these trains while up and down the line they are picking up freight cars. All of these trains run on train orders and have to abide by them. Also, I would like to express that when one train is going one way that doesn't mean that the next track is clear in the other direction, so, look both ways before proceeding after one train has passed. Winter will soon be here, and vehicles will be traveling with windows up and possibly the radio playing. It's pretty hard to hear these trains before it is to late. So, let's make it a safe winter...look both ways for trains. Thank You, JERRY PHILLIPS

Just Sharing

With fall in the air and this being the first part of November people I have been talking to are beginning to think about Christmas. It has been real interesting that many are busy making their Christmas gifts. A lot of homemade decorations are also in the making. I know some ladies that have been making some very pretty Christmas tree ornaments. It is always a lot of fun and brings a great pleasure when you can make something for friends and family. It seems a little more personal also.

I was interested several months ago when I was talking to some young people about their ideal about Christmas and one young lady said, she felt Christmas is getting out of hand and is too commercial. She felt like people are losing the true spirit of the Christmas season. She said, that she feels like it would be nice for families to get together and really put love back into Christmas. Her ideal was that it is a time that families should gather together and be thankful for the blessings that God has given us. We sometimes tend to get so caught up in the buying or making of gifts that we forget the best gift of all and that is the gift of God's Son Jesus Christ. This young lady said, she would like for her family to just be together and sit down and share with one another the way they feel about one another and express their love and thankfulness for each other and to read the Christmas story from the Bible. I think this shows that our young people are on the right track and we have a lot of young people that would really like to receive a gift of love from their family.

In this day when everyone is so busy trying to make a living and in all the other outside activities maybe parents don't give their families all the time and attention they really need and want. For some people it is easy to just buy their children everything they need and really what they want most is a little of their parents time.

I am looking forward to Thanksgiving and Christmas is a busy time for everyone but, it is a blessing to be able to get together with family and friends and share together. Let's keep the true meaning in Thanksgiving and Christmas and be thankful to God for all the blessings we have.

ADVERTISEMENT FOR BIDS FOR INSURANCE COVERAGE CITY OF ABERNATHY, TEXAS

Sealed bids addressed to the Honorable Mayor and City Council of Abernathy, Texas, will be received at the office of the City Manager at the Abernathy City Hall, 811 Avenue D, Abernathy, Texas, until 5:00 P. M., on December 8, 1980, for offers to provide the City with described Insurance Coverages and Services. All Bids will be publicly opened and read by the City Council at its regular meeting, December 8, 1980, at 7:30 P. M., in the City Hall Building.

Each bidder must deposit with his bid a cashier's check payable to the City of Abernathy, Texas for the amount of one hundred dollars (\$100.00). In the event a bid is accepted and the bidder fails to complete the transaction without legal excuse, the deposit will be forfeited to the City of Abernathy, Texas as the agreed liquidated damages. Any deposit by a bidder whose bid is not accepted will be returned to the bidder. Bids without the required deposit will not be considered.

The City has attempted to provide sufficient rating information in the bid packet. However, the City will not be responsible for errors or omissions with regard to the rating information provided. The Bidders are expected to inspect the risks to be insured and to inform themselves of the terms and provisions of the Bid Specifications.

In case of ambiguity or lack of clarity in starting the prices in the bids, the City Council reserves the right to consider the most advantageous proposal thereof, or to reject the bid. The City Council reserves the right to reject any or all bids, to waive formalities, and to accept the bid which seems most advantageous to the City's interest.

Bid packets, including proposal forms, specifications and rating information may be secured from the office of the City Manager, 811 Avenue D, Abernathy, Texas.

All Bids shall be clearly marked: SEALED BID TO MAYOR AND CITY COUNCIL--TO PROVIDE INSURANCE COVERAGES AND SERVICES, DECEMBER 8, 1980.

HOW ANIMAL PROGRAMS DEVELOP YOUNG PEOPLE

(by Brad Bowen)

The following article is a reprint from the October 1980 (Volume 53, Number 4) Agricultural Education Magazine. The writers, Wylie C. Tallafiero and Charles W. Casada, are Vocational Agriculture teachers at Scurry-Rosser High School in Scurry, Texas.

HOW ANIMAL PROGRAMS DEVELOP YOUNG PEOPLE

A changing set of values and circumstances constantly affects the teacher of vocational agriculture. We have been faced by fund problems, parental attitudes, turnover among teachers, state and federal government regulations, and new programs. One force that has remained steady has been the use of livestock as a motivational tool. Students need more motivation now than ever before. Many times students need only a small boost to start them on the road to success. The use of livestock in teaching can serve this any many other purposes.

Students who work hard at training, feeding, cleaning, and using T.L.C. (tender, loving care) on their show animals will have a carry-over value in other phases of their school and home life. For many, an animal may be the very first thing that is really theirs to possess. They must see to all of its needs. It is easier to accept challenges and responsibilities in life if they have had practice meeting them head-on. Showing and caring for animals gives them this edge.

We like for students to start off, struggle, experience some failure, and then put forth extra effort and win as a result of their diligence. Winning is not everything. All the events that lead up to winning make for a teaching program. It has been said, "The mark of a good teacher is when students do not know when they are being taught." Teachers can use animal science to teach without the students knowing it. Some of the techniques and values they learn on trips to select animals and to participate in livestock shows are not realized until later in their lives.

SELLING PARENTS ON THE PROGRAM

Parents may question the value of a show program and the expenses involved in purchasing good animals, feed, and other necessities. Our approach is to convince parents that a busy young person will be more likely to stay out of trouble. There are many different environments, people, and situations encountered as students participate in livestock showing. With proper supervision and guidance by the teachers, students can learn to make wise decisions as they meet challenges and temptations. We try not to

sell our program as a money-maker, but as a way to guide and teach young people.

CHOOSING PROJECTS

We believe that students should be able to choose their own type of project. Students need assistance in choosing the kind and breed of animal. By specializing or having one or two breeds among FFA chapter members, students can become very competitive. Establishing rapport with a breed opens doors for our students. They can often buy higher quality animals for less money. This brings added pressure on the teacher as breeders expect to see that the best possible job is done with the top animals from their herds. Students, through close contact, establish themselves with these people. This, in turn, leads to much needed help later in their lives.

ACADEMIC REQUIREMENTS

We strongly recommend some sort of grading system and requirements for students to meet in order to be eligible to participate in livestock shows. A student who cannot pass in school surely cannot pass if he or she is out of school on a trip. We must be sure that our program is compatible with the total school program, rather than fighting local school requirements.

RULES

Teachers must be firm and fair and take no excuses for wrong doing. Rules about drinking, smoking, dress, grooming, and neatness may be needed. We can teach values to students in our program.

WINNING AND LOSING

Most people can win graciously. Losing graciously is a real test of character. Our program is designed to build character, values, and responsibility. We learn more from losing than we do from winning. When we see our students pull for each other, then we know they will be the type of people the world must have to survive.

to be a teacher.

DEVELOPING DECISION-MAKING SKILLS

Raising show animals teaches students to make decisions and how to plan ahead and budget time. If students can learn to think, the teacher's job is justified. It teaches them to decide when and what to feed. It teaches how to be in charge and totally responsible. The old used up cliches of building character and responsibility through our animals programs are true.

DEVELOPING MONEY-MANAGEMENT SKILLS

We have developed a supportive relationship with a local bank. Many of our students have borrowed their first money and established their credit rating through our animal program. In 35 years, we have never had a student fail to pay off a livestock loan. Meeting people in obtaining a loan and paying it off are valuable experiences for youngsters. Every part of a show program can be used to teach important skills and values.

DEVELOPING A COOPERATIVE SPIRIT

Our youngsters help each other. They help current and future students. This has established a tradition of cooperation.

PROBLEMS AND REWARDS

It is important to realize that teachers involved in animal programs may encounter problems. Administrators may fail to understand the programs. It is essential that the program be fully explained to them and that they be informed of all field trips, results, and methods. Fellow teachers in the school need to understand the program. This helps when students need to be away from classes. Parents need to understand and be kept informed on program activities, especially if they are to be supportive.

Rewards teachers get as a result of a show program include:

1. Seeing students excel and do more than they thought they could.
2. Improving community ranching programs and the quality of livestock.
3. Seeing students cope with new environments and situations.
4. Getting students developed financially so they can continue their education beyond high school.
5. Seeing students develop pride in themselves as they win honors and awards.

Is it worth the effort? Based on our experiences with hundreds of youngsters over the last several years, we answer this question with an enthusiastic "yes!"

These Pioneer® brand corn hybrids do well in our area.

This hybrid really showed up well under tough, 1980 conditions. 3184 — This hybrid really showed up well under tough, 1980 conditions. And it has proven itself to be a top performer in good years, too. Our farmer customers like 3184 for its dependability. It can wait for water when other hybrids can't. And it adjusts ear size and kernel depth to make the most of growing conditions. 3184 shows good resistance to head smut and MDMV, too. If you could plant only one, it ought to be 3184. But since you don't have to, we recommend it as a companion to Pioneer hybrids 3195, 3183 and 3311.

3311 — Our customers who grew this hybrid in 1980 were so pleased with their results, they can't wait to see what it will produce in a good year! Despite hot, dry conditions that stole yields from most corn hybrids, 3311 came through with some of the highest yields and best overall performance we've ever seen. And it demonstrated its exceptional disease resistance including protection against head smut and MDMV.

We're eager for all of our customers to plant some of this hybrid and see for themselves what all the excitement is about.

Let's get together.

WORD OF GOD

The Way of Love

Though I speak with the tongues of men and of angels, and have not charity, I am become as sounding brass, or a tinkling cymbal.

And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that could remove mountains, and have not charity, I am nothing.

And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing.

Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up.
