Lady Lopes District Champions

The Lady Lopes defeated Tulia Tuesday night and Childress Friday night to win the District 3-3A Championship.

The Lady Lopes easily defeated Tulia 64-31 last Tuesday night. Leading scorers for the Lady Lopes were Ramona Irlbeck with 19 and Darla McGuire 15.

"It was no surprise to the Abernathy girls that they would win district after defeating Lockney almost 3 weeks ago," coach Larry Steele said. Lockney won district in 1979 and 1980. Beating Lockney was the clincher since the Lady Lopes have been beat by Lockney in the past for the district title.

Childress didn't put up much of a fight in Friday night's game bowing to the Lady Lopes 64-37. Leading scorers in this game were Ramona Irlbeck with

21 points followed by Lori Oswalt and Dana Fondy with 9 points each.

Lady Lopes To Play Bi-District Game At Levelland

The Lady Lopes now advance to Bi-District play against the Slaton Tigerettes. The match-up will be played at the Levelland High School Gym Monday, Feb. 23, at 7:30 p.m.

The Slaton Tigerettes are 10-0 in district and hold an overall record of 30 wins and 3 losses. The Lady Lopes are ranked 3rd in state by the High School Girls Coaches Association. Their overall record is 30 wins and 2 losses. The Lady Lopes have a 10-0 perfect district record.

"Slaton has a good team, but we will definitely beat them if we play well,"

coach Larry Steele said. "The Slaton Tigerettes have been the state champs for the past 3 years in a row. They have a great deal of tradition and experience behind them," Steele stated.

The Lady Lopes will play Clarendon Thursday night at 6:30 p.m. in a practice match game. Clarendon is the champion of their district in 2A. They

will play Sanford-Fritch for their bi-district game.

New Deal Lady Lions To Play In Antelope Gym

The New Deal Lady Lions will play Hale Center immediately following the Abernathy-Clarendon game. They will be playing for their 2A District title and the winner will advance to bi-district.

Antelopes Defeat Tulia, Lose To Childress

The Abernathy Antelopes defeated Tulia last Tuesday night and were possibly one step away from representing our district. That step to be taken was to defeat Childress. The fact that the game was at Childress apparently held considerable relevance as to what the outcome of the Antelopes season would be.

Tuesday night the Antelopes defeated Tulia in a must-win game 53-41. The score speaks for itself, but the Antelopes won't be representing our district.

Leading scorers in this game were Joey Garcia with 24 and Roger Pinson 10. Tulia was the only team to beat the

Antelopes in the first round, thus winning the first round by defeating Childress also.

Childress and Tulia will play for district 3-3A representation. This is due to Abernathy's loss to Childress Friday night 45-47. Under the conditions played in it would have been difficult for any team to defeat Childress that night.

It has been a successful season for the Antelopes. They started off slow prior to district, but they came back strong in district to end up with a record of 8-2. They finished their season against Floydada here Tuesday night.

Students Financial Aid Benefits Parents And Students

Student financial aid benefits students as well as parents. Upon graduation from high school, students wishing to attend college may be eligible to acquire financial aid. This added revenue source could be the turning point for families or students who could not previously afford college expenses.

Parents having senior students who plan to attend a post-secondary educational institution during the 1981-82 school year can apply for financial aid as soon as they have filed their 1980 Income Tax. The forms can be picked up at school in the office of Charles Bowen.

Mrs. Snodgrass and Mr. Bowen will be available to help parents fill out the forms. As is the case with most financial assistance, the adjusted gross income figure usually determines whether or not a student is eligible to receive aid.

Financial aid has helped millions of students continue their education. If you think you need aid, your chances of getting it are best if you apply in the right way at the right time.

Kent Hance Schedules Meeting In Plainview Today

U.S. Rep. Kent Hance has scheduled a public Town Hall Meeting in Plainview for 7:00 p.m. at the Edgemere Elementary School Cafeteria.

The Congressman will discuss many of the issues confronting Congress and the people before opening up the meeting for questions from the public.

"I have found that these Town Hall meetings are one of my best sources for finding out the feelings of the people of the 19th Congressional District," said Hance. "Also, it has given the people the opportunity to relate their problems and concerns to someone who has access to the facilities to aid them."

"I also have discovered that some of

the answers to legislative problems have come in some fashion or another, through the opinions and suggestions of people who attend these meetings."

This will mark the second consecutive session of Congress that Congressman Hance has scheduled Town Hall meetings across his West Texas District. During the last session of Congress, Hance held at least two open meetings in each of the 17 counties in his District in an attempt to stay in close contact with the grass roots of his constituency.

The public is invited and encouraged to attend and participate.

Juvenile Cut In Fight, Three Arrested

POLICE CHIEF JIMMY WILLIAMS points to the living room window where a shotgun was found directly inside. The window was broken during a fight that took place inside. (Review Photo)

An Abernathy juvenile was cut in several places last Monday night, February 9, at 8:40 p.m., in a small house at 114 E. 14th Street. Also found in the house were three other men who were eventually arrested and charged for various offenses, police chief Jimmy Williams said.

Porfilio Gurrero, a 25 year old Mexican American male, was taken into custody and has been charged with attempted murder, evading arrest, terroristic threats, and disorderly conduct. Gurrero cut a 15 year old juvenile in several places with an unknown object, Williams said.

Others arrested were Larry Gurrero, a 21 year old Mexican American male, charged with evading arrest, disorderly conduct, and terroristic threats, and Fernando Barrera, a 26 year old Mexican alien, has been charged with felony re-entry. A felony re-entry is when an alien has been deported as an undesirable but re-enters America. This is a federal charge, Williams said.

It all started last Monday night when police officer Frank Harper was informed that a kid was being cut up bad.

Officer Harper, Chief Williams and Deputy Sheriff of Hale County Dayton Marr, arrived at the scene and observed a juvenile who had been cut with an unknown object, Williams said. He had been cut on the forearms, the nose and there was a large cut on the left side of his head, Williams said.

Deputy Tommy Thompson and Lupe Canales, of Hale County, and D.P.S. officer Jim Warren arrived at the scene to help in the arrests.

Officers heard the back door slam before entering the house. Williams, Marr and Harper surrounded the house to find Larry Gurrero hiding behind a car. Gurrero tried to evade them but was taken into custody at gun point, Williams said.

Four people were found inside the house, an 18 year old female and three males. Fernando Barrera and Porfilio Gurrero Jr. were found inside the house. Porfilio was found last lying behind a couch, Williams said.

A Mexican American boy and girl, also found in the house, were taken into custody and released after questioning, Williams said.

According to chief Williams there had been a fight in the living room between Porfilio and the juvenile. The room was in total disorder and a window had been broken out. Directly inside the window, a shotgun was found with blood stains on it, Williams said.

No connection has been made between the shotgun and the incident. The object used to cut the juvenile boy has not been found as of yet, Williams said.

POLICE WARNING TO BIKERS

Parents who have purchased motorcycles for their children should have the bike and their children licensed to drive them, police chief Jimmy Williams said.

Children not licensed to drive on public roads are a hazard to local citizens as well as dangerous to the community, Williams said. There have been numerous complaints about young cyclists, therefore parents will be cited for permitting an unlicensed driver to operate a motor vehicle on public roads.

Williams also added that those who are not licensed should drive in designated areas where they have been given permission to drive, off public roads.

On The County Line

BY KEITH TOOLEY

Congrats Lady Lopes

Congratulations to the Lady Lopes on a fine performance Friday night and in winning the district championship. We hope to see them go all the way to state this year.

The Antelopes came so close, but lost a heart-breaker Friday night. There will not be a repeat of last year's performance. The Antelopes were impressive all year and did prove to be one of the top teams in this entire area. Congratulations to coach Irlbeck and the Antelopes on a fine season.

Last week we played Tulia, my old man's team, and this week the girls will play Slaton, my brother's team. Tuesday night we defeated Floydada, my home town for 13 years. It seems like every time the Antelopes play an area town, it somehow touches home.

What Errors?

Yes, there have been some errors in the paper lately and everyone loves to find them. I haven't seen a paper yet that can evade simple typographical errors or misplaced names here and there.

Some people just read the paper to see how many mistakes they can find. I look at other area newspapers every week looking for errors in them so I won't feel alone.

There are those who like to think they were the first to find the misplaced vowel or misspelled word. It's a natural human reaction. We like to see others make a mistake every once in a while just to make us feel better when we make one.

What I'm getting around to, is that the seats of David Pinson and Richard Howard will be up for grabs on the school board, not Bob Riley's as printed in an earlier edition of the Review. Also, Ray Ortiz and Darrick Stallings were left off of the senior honor roll list printed earlier.

Short Hoe Handle Outlawed!
There is legislation presently being proposed relating to Texas agricultural laborers' use of hoes that have short handles. If enacted by the legislature of the State of Texas, use of certain hoes will be prohibited.

Section I of this proposal states that an employer of agricultural laborers may not (1) provide an employee with a hoe that has a handle less than five feet in length in performing agricultural labor; or (2) require an employee to use a hoe that has a handle less than five feet in length in performing agricultural labor.

Section II of this proposed act states that an employee who is injured as a result of an employer's action in violation of Section I of this act may sue the employer for damages or for temporary or permanent injunctive relief.

And under Section III, an employer who violates Section I of this act commits an offense of a Class C misdemeanor.

Surely an act of this nature will not be passed by the Texas legislature. How many cotton choppers do you know that can keep their hoe handles at regulation size for any period of time? Farmers will either go broke buying new hoes or by being sued for damages.

Firemen Honor Wives, Receive Service Awards

The Abernathy Volunteer Fire Department honored their wives on Valentine's Day with a delicious steak dinner.

Normally this social event is held prior to Thanksgiving, but due to the heavy snow November 2, it was rescheduled for February 14th.

Service awards were given to Carl Johnson, Craig Schaap, Tom Conway, and Wayne Lamb for five years of service.

honor of Rookie of The Year.

The Abernathy Fire Department has 35 volunteer members. Tommy Overstreet is President, Wayne Lamb is Vice President, Charles Bowen is Secretary/Treasurer.

Abernathy has perhaps the best volunteer department in the state, considering the size of the town and surrounding territory that it protects.

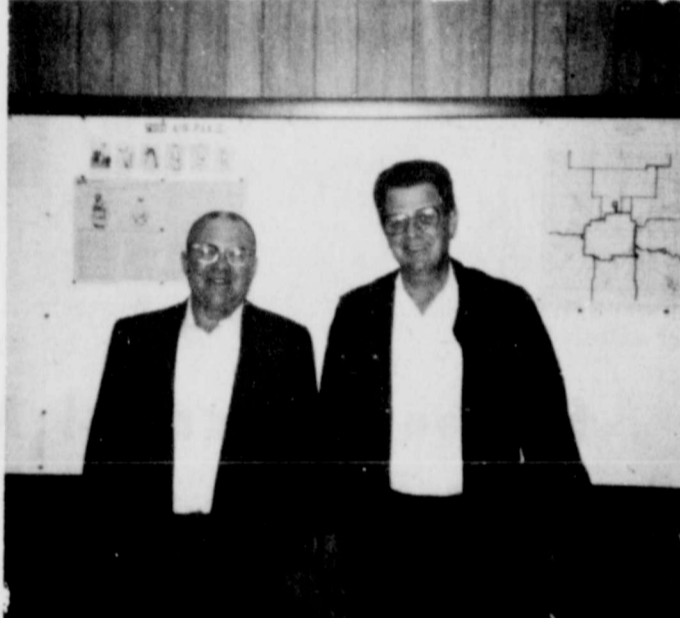

5 YEAR SERVICE PINS - awarded to, left to right, Carl Johnson, Craig Schaap, Tom Conway and Wayne Lamb of the Abernathy Volunteer Fire Department.

FIREMAN OF THE YEAR award was presented to Oliver Shadden by Chief Fireman Jim Bob Smith.

ROOKIE FIREMAN OF THE YEAR award went to Ken Hendrix and was presented to him by Chief Smith.

20 YEAR SERVICE PINS - Ray Sanders and Jim Bob Smith were given pins for 20 years of service to the fire department.

7th Boy and Girl Yearlings Win

Abernathy's boys and girls yearling basketball teams made an impressive showing at the Shallowater 7th grade tournament Jan. 29, 30, and 31.

Adding to their victories the boys placed two, Billy Cooper and Jamie Mansanales, on the "All Tournament" team and Phobe Dunn was selected to the girls "All Tournament" squad.

Thursday's action put the boys from Abernathy against the New Deal Lions. The yearlings defeated New Deal 32 to 15.

The second round had the yearling team meeting Post. Their strong offense and defense proved too much for the Post team.

Saturday night the young Antelopes met with the host Shallowater Mustangs. The home court advantage wasn't enough to stop the yearlings.

They were leading after the first jump and maintained a commanding lead throughout the game with a 34 to 20 victory over the Mustangs.

Coach John Rodriguez praised the team saying, "Hard work and applying basic fundamentals won this tournament."

This young squad has respect for their coaches knowledge as well as respect for their opponents ability.

The young lady yearlings also came through with three victories to polish off another tournament. Meeting New Deal in their first game the yearling girls came up with a decisive victory over the Cub Lionesses 36 to 26.

Friday Abernathy girls took on the Post team. The defense of the young yearlings held Post to only 9 points, while totaling 31 points on Abernathy's side of the scoreboard.

Saturday's championship game also put the girls against the host, Shallowater team, with the home court advantage.

This was a hard fought battle with the final minutes deciding the outcome. A brief time-out saw the young girls losing the game in the last 2 minutes, but with encouragement from Coach Cheryl Edwards and their will to win, the girl yearlings pulled ahead to a first place victory for Abernathy 24, to Shallowater's 19.

The two young teams are learning and developing their skills for later years. There is a wide-spread opinion that both the boys and the girls are to be watched for future achievements, for they will be carrying on the winning Antelope tradition.

Hale County Water Well Depths Measured

The High Plains Under-ground Water Conservation District has completed its annual program of measuring depth to water levels in the 27 wells in Hale County. These wells are part of a larger network of more than 900 observation wells scattered throughout the District's 15-county service area.

Dan Seale was able to complete 26 measurements of "static" water levels in irrigation wells and tag them with the District's red identification sticker for owner information.

"I visited with several irrigators in the field who wanted to know what their water's doing," said Dan. "We have the initial results for the County, but tabulated data on the entire observation network readings is not expected to be complete until mid-year."

Hale County's 1980-81 depth-to-water table below surface minimum reading was at 85.6 feet, and the maximum level read was at 211.91 feet. This year's average change in decline in the county was 3.29 feet, which compares with a 1979-80 county reading of +1.40 feet. Comparing the rate of change calculated this year for these wells shows a minimum decline change of 0.52 feet and a maximum decline change of 8.39 feet.

The Water District keeps a record of annual decline and rate of change going back to 1962. The data is used for making projections of decline rate, for determining the amount of water left in storage, and as a basis for the income-tax depletion allowance claims on landowner's tax returns.

Grain Sorghum Conference Feb. 25-27

Lubbock, Texas will be the scene of one of the most detailed grain sorghum conferences ever held. The Twelfth Biennial Grain Sorghum Research and Utilization Conference will be held at the Lubbock Hilton Inn from February 25-27, 1981. Registration will begin at 7:30 a.m. on the morning of Wednesday, February 25.

There will be over eighty specialists covering almost every aspect of sorghum production and utilization. Reports on the latest research that has been completed will be reviewed. Also to be included is the research that is currently underway, and the new problems that have recently been discovered where researchers should direct their attention.

Mr. Jim Myrick, Latin American Director of the U.S. Feed Grains Council, will review the worldwide progress in sorghum exports. He will discuss the problems facing sorghum exports and the outlook for the Eighties. Mr. Myrick is stationed in Mexico City. He has worked for the U.S. Feed Grains Council in Washington, D.C. helping with the worldwide development of U.S. feed grain sales. His speech will be Wednesday morning.

The first session on Wednesday, February 25, will be a general session which is designed for the general public, farmers, and press. Each session chairman will summarize, introduce briefly, and explain the work that will be covered in more detail during his respective program.

The various specialty sessions will be as follows: Wednesday afternoon (25th) - Grain Sorghum Chemistry and Nutrition; Wednesday

night (27th) - Grain Sorghum Physiology; Thursday morning (26th) - Grain Sorghum Pathology and Grain Sorghum Cultural & Mgmt. Practices; Thursday afternoon - Entomological Developments in Sorghum; Friday morning (27th) - Grain Sorghum Breeding & Genetics. Conference adjourns at noon Friday.

On Thursday night, 7 p.m., an awards banquet will be held honoring Dr. Hugh Doggett. Dr. Doggett is recognized as making out-

standing progress in grain sorghum development worldwide.

There will be a small registration fee charged to defray the cost of the Convention. For more information, contact Grain Sorghum Producers Association at 763-4425.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

Mississippi cotton producer Frank M. Mitchener, Jr., was named president of the National Cotton Council at the Council's annual meeting in Atlanta. He has been Council treasurer for the past two years. Mitchener succeeds Herman A. Propst, Anson, Tex., producer who is now NCC board chairman. Replacing Mitchener as treasurer is Lloyd Cline, Lamesa, Tex., producer. Re-elected as a vice president was Gerald B. Brewer,

Fresno, Calif., cottonseed crusher.

PROPT SPEAKS: Strong support for a market-oriented farm program was voiced by National Cotton Council Board Chairman Herman Propst in an address before the Council's annual meeting. Propst said, "We can either choose a cotton program that allows producers the freedom to respond to market signals in making their planting decisions, or

we can choose one that puts planting decisions in the hands of government and lets government determine our acreage and our market price."

WEILER RENAMED: Carl Weiler, Laveen, Ariz., was re-elected chairman of the National Cotton Council's Producer Steering Committee during the Council's 43rd annual meeting at Atlanta. Sam Leake, Newellton, La., was named vice chairman and Frank B. Jones, Lamesa, Tex., secretary.

BLOCK HITS RULES: Newly confirmed Agriculture Secretary John Block told National Cotton Council delegates that excessive government spending is "Number One on the President's hit list." He said Administration economies will affect every department of government with across-the-board cuts, even though some program reductions may be opposed by those who "want cuts in someone else's area." Among costly USDA agencies and programs Block singled out as targets for economies were the Farmers Home Administration, Rural Electrification Administration, and food stamps. The secretary also said President Reagan's Administration has targeted "senseless regulations" as a prime area for change.

COTTON TALKS
FROM PLAINS COTTON GROWERS, INC.

Officials of Plains Cotton Growers, Inc., Lubbock are reminding cotton producers that the difference that has always existed between the Federal minimum wage for agriculture and non-agriculture has vanished. As of January 1 this year the minimum wage for agricultural employees advanced from \$3.10 per hour to the new high of \$3.35 the same as industrial workers.

Agriculture does, however, still enjoy its overtime exemption, and the minimum still does not apply to smaller farm enterprises.

An agricultural employer is subject to the minimum wage during all of 1981 if during any one calendar quarter of 1980 he used more than 500 man days of agricultural labor. Those who used less than 500 man days in all quarters of 1980 are

exempt from the minimum wage in 1981.

A "man day" is defined by the U.S. Department of Labor (USDL) as any day during which an employee performs agricultural labor for not less than one hour.

Although ginning employees are normally classified as agricultural labor, cotton gins operate under a different set of rules. Cotton gins are entitled to a 14 work-week period during which employees must receive overtime pay only for employment in excess of 10 hours in a day and 48 hours in a workweek. During the remainder of the year, ginning employees must be paid overtime for hours worked in excess of 40 per week.

A workweek, according to the USDL, is any period of seven consecutive days in which an individual has been engaged in any agricultural labor on one or more days, provided he worked at least one hour on some day during that period.

Farmers should also keep in mind, PCG points out, that the social security tax rate as of January 1 increased from 6.13 percent to 6.65 percent. Under current law the rate will rise to 6.7 percent for 1982 through 1984 then escalate to 7.05

Hale Cotton Producers To Elect Directors

Hale County cotton producers and agribusinessmen will elect a Businessman Director to Plains Cotton Growers, Inc. at a 7:30 p.m. meeting on Tuesday, February 24 in the Conference Room of the Agriculture Building, Plainview.

Announcement of the election comes from Henry Kveton of Petersburg, Hale County Producer Director to the 25-county cotton organization, and A.L. Higgins of Plainview, current Businessman Director. Each of the counties has two directors, one a businessman and the other a cotton producer. They are elected on alternate years for two-year

terms. Each is eligible for re-election every second year. All producers and busi-

nessmen are invited to the meeting. However, under PCG By-Laws, only current dues-paying members of PCG will be eligible to be elected a director or to vote in the election. This provision of the by-laws will be fully explained at the meeting.

A PCG staff member will conduct the election, give a review of current and planned PCG activities and answer questions about the organization and its objectives.

The written language with the smallest surviving literature is Kamassian. All that remains of the early Russian language is a 24-line lament.

Although it may have a minimal impact on its cotton producer and agribusiness members, PCG also notes that the minimum wage and overtime requirements in 1981 apply to domestic service employees such as maids, cooks, gardeners, yardmen and oven babysitters if they are employed on a regular basis.

Producers Request Re-opening of Grain

Grain Sorghum Producers Association has requested Agriculture Secretary Block to re-open the Reserve for grain sorghum. G.S.P.A. executive director, Elbert Harp, told Secretary Block, "The drastic decline in market prices over the last two weeks make it imperative that farmers be given the opportunity immediately to use the Reserve."

All sorghum that was placed in the Reserve last year has been called. That grain has to be redeemed by February 12, 1981.

Harp pointed out to Secretary Block that "current regulations allow re-entry (into the Reserve) when the average market price drops

below the call level." The average price has been below the call level since before Christmas.

U.S.D.A. has been reluctant to reinstate the Reserve on sorghum until a wider margin exists between the call level and the average market price, and prior to the deadline on the call that is currently in existence. Harp pointed out the margin has now widened to the point that immediate action is necessary.

Farmers do not have to pay the costs of storage and interest on grain that is in Reserve. Harp believes this action would help stabilize and strengthen grain prices.

Smith New District Director For FICI

Edward R. "Ross" Smith of Seymour is the new District Director for the Federal Crop Insurance Corporation.

A native Texan, Ross will supervise all phases of FICI operations in Baylor, Childress, Cottle, Foard, Hale, Haskell, Hardeman, Knox, Stonewall, Throckmorton, Wichita and Wilbarger counties.

"The FICI program has been available in this area for many years, but it continues to become more valuable. With costs rising in the area, crop insurance is the only guarantee of financial security a producer can get," noted Smith. "In this area, the program

is available to anyone who has a share in a crop of cotton, grain sorghum or wheat. An added bonus this year is the premium subsidy now available," the director continued.

Smith, a 14-year veteran of FICI, previously served as district director in McCook, Nebraska. He also served as a crop insurance supervisor, review team member and fieldperson in the Lubbock-Amarillo area. He and his wife Virginia have a son and daughter-in-law in Lubbock, a son, daughter-in-law and grandson in Austin and a son attending the University of Texas Medical School at Galveston.

Lady Lions Face Hale Center In Playoffs Tonight

By Jo Nell Hudson
The district 4AA Championship will be on the line this Thursday night in Abernathy when the New Deal girls face Hale Center.

The Lady Lions were winners of the first half of the round robin while the Owlettes won the second half. On Tuesday, Feb. 10,

the Lady Lions easily defeated Spur 90-41 and last Friday night the score was Shallowater 23, New Deal 77.

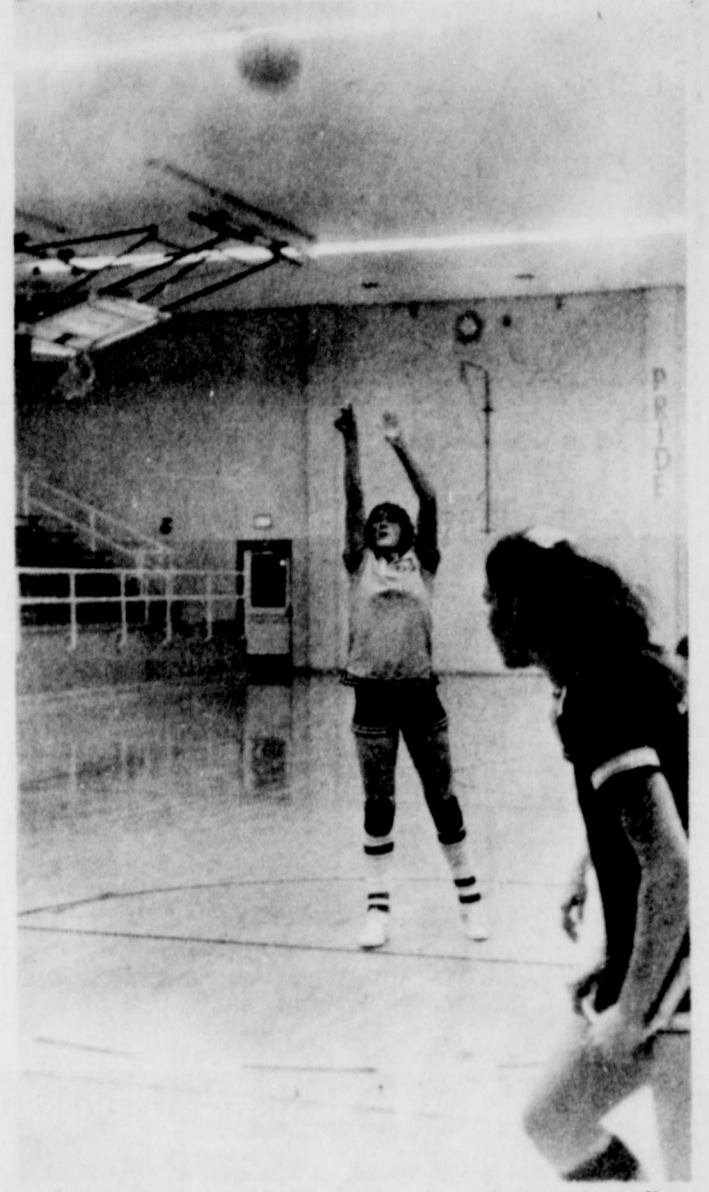

The girls must now face Hale Center for the fourth time to decide the district championship. The Lions have beaten Hale Center twice, but were defeated the third time by a score of

33-32. Leading scorers for the team continue to be Melissa Mayo and Vickie Teal. Against Spur Melissa scored 33 points and Vickie 28. In the Shallowater game, Melissa lead with 22 points, followed by Vickie with 21.

Game time Thursday night is set for 8 p.m.

T.E.L. Meeting Held At Pool Home

The T.E.L. Sunday School Class of the First Baptist Church met February 13, in the home of Mrs. Hallie Pool. Mrs. Price opened the program with a prayer by Mrs. Sagesar. After a short business meeting they began showing some old and new valentines, reminiscing days gone by, sharing some happy and some sad memories. Mrs. Grimsley gave the history and the myth of the first valentine's. Mrs. Higginbotham brought the Bible Quiz. It didn't take long to find out how much we had forgotten! Mrs. Pool served refresh-

ments of coffee, pink lemonade, snack crackers and red cake. Members present were: Eunice O'Neill, Emma Sagesar, Olga Higginbotham, Evie Miller, Martha Phillips,

Lizzie Lebow, Alice Price, Fanny Mae Bruce, Pearl Grimsley and two visitors, Vertie Stambaugh and Bernell Drye. The March meeting will be with Mrs. Sagesar.

Bridal Shower For Kelli Strickland

A bridal shower honoring Miss Kelli Strickland, bride elect of Tim Myatt, will be Saturday from 2:30-4:00 p.m. at the home of Mrs. Joe Oswalt, 412 Second Place, Abernathy. Hostesses will be Mrs.

Charles Lambert, Mrs. Coy Phillips, Mrs. Ed Horsford, Mrs. Donald Tullis, Mrs. L.A. Johnson, Mrs. Johnny Skipper, Mrs. Jerry Oswalt, Mrs. Spec Cox, Mrs. W.T. Settle and Mrs. Joe Oswalt.

DiAnn Allen, Don Stone Exchange Marriage Vows

Miss DiAnn Allen, daughter of Mr. and Mrs. Dorman Allen of Abernathy and Don Stone, son of Mr. and Mrs. A.L. Stone Jr. of Abernathy, exchanged marriage vows at seven o'clock p.m. Friday, January 30, 1981 at the First Baptist Church with the Reverend Tommie Beck, pastor of the First United Methodist Church, reading a double ring ceremony.

Greenery, palms, blue carnations and white mums decorated the altar, with a Unity Candle ceremony presented by the couple, and witnessed by family and friends.

Patsy Tucker accompanied Don Moore with organ music, "The Wedding Song", "If", "That's The Way", and "The Lord's Prayer" as benediction. Mrs. Johnny Hemphill of

Abernathy, sister of the bride, witnessed as matron of honor.

Mr. Trey Stone, brother of the groom, witnessed as the best man.

Ushers were Johnny Hemphill, brother-in-law of the bride, and Roddy Shipman, brother-in-law of the groom.

Mrs. Ricky Davidson of Levelland, sister of the bride, was registrar.

The bride wore her mother's wedding dress of an ivory chantilly-type lace and nylon tulle over satin. It is designed with sheer yoke outlined with applique lace. The voluminous skirt is made of nylon tulle to which a full lace yoke is applied on elaborate pattern at the hip line.

She wore a veil of silk illusion joined to a tiara

embroidered with rhinestone and seed pearls. The bride carried her white Bible topped with a cascade of ivory silk roses.

After the wedding, a reception was held for the couple in the home of Mr. and Mrs. Harlow Neis, grandparents of the bride. Serving in the house-party were Mrs. Roddy Shipman and Susan Stone, sisters of the groom.

Following the reception, the couple left for a trip to New Mexico. They will reside on a farm at Abernathy, where the bridegroom will farm.

Other special guests attending the ceremony were Mr. and Mrs. A.H. Allen, grandparents of the bride, Mrs. A.L. Stone Sr., grandmother of the groom, Joshua Hemphill, Ricky Davidson, Mrs. Linda Moore and Melissa and Reverend and Mrs. Lloyd Kiddle.

Donna Webb President of Newly Formed CanStates

In Tulsa, Oklahoma, a group of U.S. and Canadian oil men and women have formed CanStates Energy, Inc., a Tulsa-based firm engaged in the storage and trading of natural gas liquids.

The announcement was made by Donna Webb, president and one of the principals in the new energy firm. Donna is the daughter of Mr. and Mrs. J.D. Webb of Abernathy.

Other principals in CanStates include: R. James Stillings, Chairman of Tulsa-based Stillings Petroleum Corporation, Gordon S. Rankin, General Partner and Ray Shannon, Partner in Stillings Canada Petroleum Company.

Webb was with Sun Oil in Tulsa for 11 years, and recently resigned as Mana-

ger of Refinery and Marketing Supply to join CanStates. She is a graduate of Texas Tech University, and completed the Program for Management Development (PMD) at the Harvard Business School in 1978.

According to Webb, the initial project of the new firm will be a joint venture to develop underground storage and terminal facilities.

The new underground storage complex is scheduled to be operational by mid-1982, and will receive, store, and ship fractionated natural gas liquids, including propane, normal butane and isobutane. The ability to handle raw mix gas liquids will be added at a later date.

Capacity of the new complex is expected to be 5 million barrels by 1986. The facility will be served by pipeline, truck and railroad tank cars for both incoming and outgoing shipments.

CanStates, an Oklahoma corporation, has offices in the Philtower building in Tulsa.

home on Monday, we walked around and looked at the beach.

We were talking to some couple from Washington, D.C. He was a CPA and she was a lawyer (she said she was in Lubbock for the school segregation suit). Anyway, he was wading along the beach and we stood and talked to them and he would reach down in the trash that would wash up on the shore and every time he would open his hand he would have a dollar bill in it.

We started looking but he could spot them every time. He stood there until he had five one dollar bills. He said he and his wife come over every year and last year he found ten dollar bills. He said the surfers and swimmers go out and have their money belts or clips and they loose it and it floats back to the beach.

You have got to know how to look as all I saw was grass and leaves and trash. I was lucky to win the trip so I can't be lucky all the time.

While on the beach Mike Douglas was filming a show and he said it would be shown on Feb. 16 in Lubbock so I raised my hand and waved real big "Texas like" and will look to see if I can spot myself. I had one streak of bad luck. I lost my camera, either on the plane or in the Los Angeles airport. I had just put new film in it so I did not loose my pictures that I had taken.

Now to wind up the trip, Sunday morning we got ready to go to church and it was raining and so the hotel announced that church services would be held on the 20th floor of the hotel.

So we got dressed and went down since we were on the 22nd floor. He said they usually held it on the beach where everyone brings a beachmat.

Obituaries

W.W. Fry

Funeral services were held Monday, February 16, for W.W. Fry, 70, of Littlefield, in Parkway Baptist Church with the Rev. Clarence Tedder, pastor, officiating, assisted by Rev. Kenneth Horn of Abernathy.

Burial was in Littlefield Memorial Park under the direction of Hammons Funeral Home.

He died at 8:20 a.m. Saturday, February 14 in Knight's Rest Home in Littlefield following a lengthy illness.

The Clay County native moved to Littlefield 30 years ago from Henrietta. He married Evelyn Powers in 1929 in Henrietta. He was a retired school teacher and a deacon of the Parkview Baptist Church.

Survivors include his wife; a daughter, Mrs. N.C. Horn of Littlefield; two sons, Rev. Norman of Friendswood and Frank of Houston, Tx.; one sister, four brothers, 10 grandchildren and four great-grandchildren.

He was the grandfather of Rev. Kenneth Horn, pastor of Northside Baptist Church in Abernathy.

Hawaii each year, as well as the twenty thousand residents.

Books and tapes were available on the table as you go in by Bob Turnbull. The minister and his wife introduced each couple and each one was from a different state.

Then we had a social hour in which you could meet the couples individually. It is very interesting to talk with people from the different states. This was the wonderful way in which to wind up our free trip.

Worship the Lord! O come, let us worship and bow down; let us kneel before the Lord our maker. Psalms 95:6

Ben Taliaferro

Services for Ben M. Taliaferro, 94, of Ropesville were at 10 a.m. Saturday in the Franklin-Bartley Chapel with Oscar Batten, pastor of the Ropesville Church of Christ, officiating.

Burial was in Resthaven Memorial Park under direction of Franklin-Bartley Funeral Home.

Taliaferro died at 6:45 a.m. Thursday at a Lubbock nursing home after a lengthy illness.

The Atlanta, Ga., native was a retired custodian for Ford Motor Co. He moved to Lubbock from Del Rio in 1953 and moved to Ropesville in 1960.

He married Emma Glenn in 1910 in Oliver Springs. She died in May 1980.

Survivors include a daughter, Bonnie Sosebee of Ropesville; a son, Lloyd of San Antonio; six grandchildren; 13 great-grandchildren; and three great-great-grandchildren.

The Taliaferros resided in Abernathy before moving to Del Rio. He operated a service station here.

Masonic Meetings

Two Masonic meetings have been scheduled at Abernathy Lodge No. 1142 A.F.&A.M. this month.

Masons, their families and friends are invited to an open meeting at 7 p.m. Saturday, Feb. 21. A Washington's Birthday observance program is planned. Cherry pie and ice cream will be served following the program.

Slated for 7 p.m. Saturday, Feb. 28, is a called, closed meeting for the purpose of initiating a candidate for the E.A. Degree.

Don Presley, Worshipful Master, urges attendance at the open meeting Feb. 21, and the closed meeting for Masons Feb. 28.

The LORD'S unfailing love and mercy still continue. (Lamentations 3:22)
