

Athletes Honored At All Sports Banquet

The Abernathy All-Sports banquet was held Monday night at 7:00 in the school cafeteria. Athletes who participated in football, track, tennis, golf, cross country and basketball were given awards and recognized for this

year's performance.

The theme of the banquet was "Circus of the Champions" and after this successful year, the theme proved worthy. Ramona Irlbeck was selected as the

outstanding female athlete of the year and Russell Windham was voted the outstanding male athlete of the year.

Ramona competed in two events at State this year and eleven State events

during her four years at Abernathy High. Russell went to Regional in four events after breaking several area and local track records earlier in the season.

Winning the Fighting Heart award for the girls was Shelly Toler because of her relentless effort and achievements in basketball. For the boys, David Myatt won the Fighting Heart award due to his performance and spirit on the football field. Both of these athletes were given these awards for their individual effort as well as team support above and beyond the call of duty.

The boy's Sports Sweetheart for this year was Darla McGuire and the girls selected Russell Windham for the Sports Beau.

Coaches gave awards to the most valuable players in all the sports categories as well as to participants in each sport. Then the coaches were awarded gag gifts as well as a serious gift which was a certificate to the Road House.

Pep club members were recognized for the support they gave the athletes all year and cheerleader director Mae Johnston was acknowledged for her contributions to the cheerleaders and to the school. The cheerleaders were also honored.

The banquet ended with the varsity cheerleaders holding letters which spelled Antelopes, each letter representing team spirit, honesty, truth, and other qualities exemplified by Abernathy athletes.

The school song was sung by candlelight and the banquet adjourned.

City Discusses Sewer Facility And Seal-Coating

The Abernathy City Council discussed sewage problems and seal-coating city streets at Monday night's meeting.

There will be a public hearing June 25 at 5:00 p.m. to discuss the Environmental Protection Agency sewer treatment facility plan to be adopted by the city.

By E.P.A. standards, the present sewer system doesn't meet the requirements necessary to protect Abernathy's environment. This is due to sewage tanks installed in the 1950s that are now too old to adequately treat sewage before it is drained on the surface.

The E.P.A. is also concerned that sewage may permeate the surface and get into the ground water supply.

Replacement value for the two concrete sewage tanks is estimated to cost \$336,000. 85% of this amount can be funded by the federal government. The other 15% will be by the City.

Seal-Coating Streets

The next order of business was to discuss seal-coating several Abernathy streets.

Several bids had been submitted to the council from paving contractors in Lubbock, Plainview, Hereford, Aspermont and Snyder.

The low bid was accepted with Grimmitt Brothers, Inc., of Snyder. The bid was for \$22,353 which will cover over 45 thousand square yards of city streets. Broken down the cost will amount to 49 cents a square foot to seal-coat Abernathy streets.

Seal-coating involves spraying a layer of gravel over a layer of asphalt. The streets were prepared for seal-coating as patch-work has been done this past year.

The following streets were selected to be seal-coated at this time: North Drive from Ave. C to the service road, Ave. C from 7th to 8th street, 3rd street from Ave. D to C to E, 11th from Ave. C to the service road, Mainstreet from Ave. C to service road, 16th street from Ave. D to Ave. L, and Ave. L from 16th to 15th street.

Other streets selected were: Ave. H from 16th to end of Phillips Addition, Ave. H from 12th to 15th street and 9th to 10th street, 12th street from Ave. H to Ave. D, Ave. E from 10th to 13th street, Ave. C from 11th to 12th and 12th street from Ave. C to the service road.

The council then discussed the city operating budget for next year. This year's budget will expire September 30.

Jaws Of Life, Parade Subjects Of Chamber Meeting

The Abernathy Chamber of Commerce met Thursday morning to discuss several items of public interest, but mainly that of acquiring "jaws of life" rescue equipment.

A fund has been established at the First State Bank and only \$130 has been collected to date. Therefore, it was decided that a fund raising committee would be established.

Dan Ward, Joe Lovelace, and J.B. Smith will make up the fund raising committee. These three committee members will be collecting money for a "jaws of life" around town or donations can be called in.

Cost of the Equipment

James Conn was present at the meeting to talk about his experience with "jaws" equipment and inform members of the versatility of this equipment.

James explained that a "jaws of life" could be used to free people from their cars after an accident, as well as provide a fire fighting tool, battering ram, a lifting tool, as well as many other purposes.

"The spreader attachment is strong enough to lift the side of a house, cut axles into in minutes and will take apart a steering column in 45 seconds," Conn said. Conn is employed by Southwestern Public Service of Abernathy.

The cost of "jaws of life" equipment can range anywhere from \$7 thousand to \$15 thousand, depending on the amount of additional attachments acquired. Presently, city officials Pete Thompson and Rod Ellis are seeking assistance from the Lubbock County Commissioners Court in hopes of acquiring additional funding for the project.

"If acquired, local firemen could be trained to use the "jaws" equipment and would be available to handle rescue operations," Conn said. "Jaws equipment can be put into operation 1 1/2 minutes after arrival on a rescue scene," Conn added.

Possible EMS School

Richard DuBose suggested the possible forming of a local EMS school to train more EMS people to handle

emergency medical calls.

DuBose stated that there is a need for more trained people and the present EMS squad has an overabundance of calls in comparison to the number of locally trained people. The proposal was accepted by Chamber members and it was decided that DuBose would investigate the possibility of acquiring an EMS school for Abernathy.

Fourth Of July Parade

The Chamber then discussed the up-coming Fourth of July celebration and parade held in Abernathy each year. July 4th is on a Saturday this year and the parade will begin at 10:30.

President Charles Bowen named Dale Thickston the coordinator of events. Robert Garvin and Coot Evans were selected as the Parade Marshalls.

Other committee heads named were Leland Phillips - trophy committee, Keith Tooley - publicity committee, David Pinson - the M.C. - and Hoppy Toler - contest and games committee.

Tommye Lane and Janis McKenzie were selected to the booth committee.

This committee handles booth entries. This year it was decided by chamber members that the chamber would receive a 10% commission of profit made from booths. This 10% commission will help the chamber to provide funds to pay for the celebration.

"The theme of the Fourth of July celebration will be agriculture oriented," Bowen said. "In order for the celebration to be a success, all chamber members will need to get involved," Bowen said.

Prizes will be awarded to winners of various events and contests to be held. Other activities and committees selected for the 4th will be announced in the Review at a later date.

Other Business

The total cost of the Chamber banquet amounted to \$1,719. Chamber ticket sales amounted to \$1,505. Total cost of the banquet above ticket sales was \$214.

George Mahon sent a letter of appreciation to the Chamber for honoring him at the banquet.

Ramona Irlbeck Wins State Title

Ramona Irlbeck won first place at the state tennis meet this past weekend after easily defeating three opponents.

In the state quarterfinals Ramona crushed a player from Springtown by a score of 6-2, 6-0. This win put her in the semifinals and one match away from competing for the state title.

The semifinal match was a repeat of her earlier match in the tournament. Ramona easily defeated an opponent from Goliad, by the same score 6-2, 6-0. This win put her in the state final match against Kelly Kniffen of Whitehouse.

Again Ramona overpowered the almost contender from Whitehouse by

score of 6-1, 6-2 to win the state 3A title in girl's tennis.

3rd In The 1600 Meter

Ramona also competed in the 1600 meter race at the state track meet. She won 3rd place in this event with her best time ever of 5:18.3. Sherri Painter, last year's champ, won first place with a time of 5:05. Second place went to a runner from North Powderly Lamar.

This year's events marked Ramona's 11th performance at the state level in tennis, basketball, cross country, and

track.

When asked about her accomplishments, Ramona stated that she was happy with her performance this year. "I hope my accomplishments this year and past years will provide a good foundation to a successful college career," Ramona said.

Ramona hopes to continue playing basketball competitively in college. "Tennis and track will be for fun, I'm setting my goals in basketball," Ramona added.

Rice, Hamilton Elected Directors

Buddy Rice and J.W. Hamilton were elected directors of County Line Co-op Gin during the annual meeting of stockholders held earlier this month at the Shallowater Clubhouse. They follow Tommy Myatt and Charles Coats whose terms expired this year.

Holdover directors are Roger Pettiet, Y.F. Snodgrass and Leroy Grawunder. Ike Bennett has been manager for the past four years.

These 26 honor students carried messages to representatives across the floor during a congressional meeting.

Local representative Pete Laney makes it possible for the Abernathy students to participate as page-boys one day each year. Abernathy's National Honor society is the only NHS group in the state allowed to partici-

Windham Injured In Preliminaries

Russell Windham was recently injured in the preliminaries of the regional track meet held in Lubbock two weeks ago. A competitor in four regional events, Windham ended up with a severely pulled hamstring and on crutches the following Saturday.

Windham had already acquired the best time in the 110 meter hurdles before pulling his hamstring muscle. The sad event happened when Wind-

ham was about to jump over the last hurdle in the 330 meter intermediates. He was 15 yards ahead and in first place when the muscle locked down.

With this injury received in the preliminaries, he was not able to compete in the long jump, 110 meter hurdles or on the mile relay team. Windham had great potential to be a state qualifier if he hadn't been injured.

On The County Line

By: Keith Tooley

Have you ever wondered what differentiates a Democrat from a Republican or vice versa? I know a lot of Democrats and Republicans that are just alike and good friends with each other.

Is the difference reflected only once every four years around voting time? According to the reporter below, the differences stem to several other personal areas. Consider these differences:

"Democrats buy most of the books that have been banned somewhere... Republicans form censorship committees and read them as a group. Republicans consume three-fourths of all the rutabaga produced in this country... The remainder is thrown out. Republicans usually wear hats and almost always clean their paint brushes. Democrats give their worn-out clothes to those less fortunate... Republicans wear theirs.

Republicans employ exterminators... Democrats step on the bugs. Democrats name their children after currently popular sports figures, politicians and entertainers. Republican children are named after their parents or grandparents, according to where the money is.

"Democrats keep trying to cut down on smoking but are not successful... Neither are Republicans. Republicans tend to keep their shades down, although seldom is any reason why they should... Democrats ought to, but don't. Republicans study the financial pages of the newspaper... Democrats put them in the bottom of the bird cage.

"Most of the stuff alongside the road has been thrown out of car windows by Democrats. Republicans raise dahlias, Dalmatians and eyebrows... Democrats

raise kids, Airedales and taxes. Democrats eat the fish they catch... Republicans hang them on the wall.

"Republican boys date Democrat girls... They plan to marry Republican girls but feel they're entitled to a little fun first. Democrats make up plans and then do something else... Republicans follow the same plans their grandfathers made. Republicans sleep in twin beds... some even in separate rooms... That is why there are more Democrats." (From the Congressional Record.)

Well, it's finally over, Tech finals were this week and this semester officially ended for me Monday.

The first summer session doesn't start for three weeks. Therefore, I will be a full-time reporter for these three weeks.

OK, ask me "how" to take pictures and cover stories. I have no excuse now, such as, "I've got to study for a test." Don't believe me if I use this one. Or, "I won't be in the office, I have class at that time." Hogwash! Look for me at home, or asleep in the back of the office.

This is the time to let me know about interesting happenings and people here in Abernathy. All the famous people in the world are not going to be on "That's Regrettable" or "Unreal People".

Abernathy is full of talented and famous people. We have state winners in basketball and tennis, Boston marathon runners, movie stars and just plain ole people like myself. And then you have people like Cal Tucker. Everyone has something to contribute to our community and country. Let's tell people about you in the Review.

Chris Wilson and Tracy Bradley

The first police force in America consisted of a "Rattle Watch" of eight men, established in the colony of New Amsterdam in 1658.

Bradleys Announce Engagement

Mr. and Mrs. Carroll Bradley announce the engagement and approaching marriage of their daughter, Tracy Elaine, to Christopher Steven Wilson, son of Mr. and Mrs. Ernest Wilson of Abernathy. The couple plans to be married June 12 at the home of the bride. Tracy is a senior at Abernathy High School. Chris is a 1979 graduate of Abernathy High School and employed at 66 Butane and Fertilizer.

Hobby Club News

A delicious salad luncheon was enjoyed by the Hobby Club members Thursday, May 7, 1981. Minnie V. Presley and Glenna Downs, hostesses, decorated the table with flowers and cute little dolls with crocheted dresses.

strawberry pick hanging on it was shown, along with a pair of red crocheted house slippers, a braided towel rack and a cat made of a wash cloth and a bar of soap.

Wilma presented a key holder with a crewel picture, three small Christmas pictures done in Russian punchwork, a punchwork rose picture done with braided thread, two pictures of little Holly Hobby girls in string art and a textured wall hanging.

Those present were Glenna Downs, Vera Vaughn, Dyvena Davis, Ona Mae Maserang, Ollie Selke, Wynelle Pope, Minnie V. Presley, Francis Howard, Minnie Northcutt, Theo Vineyard, Juanita Bell and Wilma Pope.

Joel Webster and Becky Albers

Albers, Webster Engagement

Mrs. William B. Albers announces the engagement and approaching marriage of her daughter, Becky, to Joel Webster, son of Captain and Mrs. Dean E. Webster USN (Ret.) Corpus Christi, Texas.

The couple plan to be married July 25 in St. Pius X Church, Corpus Christi.

Becky is a graduate of Abernathy High School. She has been attending Blinn Jr. College of Bryan, Texas and

will attend Texas A&M, fall of 1981 as Business, Animal Science Major.

Joel graduated from Richard King High School of Corpus Christi. He has an associate degree in geology from Del Mar Jr. College of Corpus Christi. He is seeking a Petroleum Engineering degree from Texas A&M. He is employed as a production tester by Fesco, Inc., a petroleum engineering company.

Calls To Celebrate Wedding Anniversary

Mr. and Mrs. Calvin Call of 1501 Warwick, Garland, Texas, will be honored with a 45th wedding anniversary luncheon and reception the weekend of May 23 and 24 in Abernathy.

Hostesses will be Mr. and Mrs. Mike Carman, Cal Terry and Jeannie Lamb.

Mr. Call married the former Lucretia Neece January 13, 1936 at Weatherford, Texas. They had lived in Weatherford, Monday and Lubbock before moving to Garland in 1978. Call worked as a painter

and paper hanger and Mrs. Call worked as a saleslady at T.G.Y.

The Calls have four children, Clifford of Lubbock, Bobby and Darrell of Garland and Aretia Carman of Abernathy, 16 grandchildren and four great-grandchildren.

WORD of GOD

What shall be the sign?

Mark 13:4

And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;

And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs; when she is shaken of a mighty wind.

And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.

And the kings of the earth, and the great men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains;

And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb;

For the great day of his wrath is come; and who shall be able to stand?

Revelations 6:12-17

For those who ask the Lord for wisdom:

But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be entreated, full of mercy and good fruits, without partiality, and without hypocrisy.

"IT'S A BIG JOB..."

Slowing down the rising costs of anything these days. Even your electricity.

You've got someone working on it for you in the Southwest. Southwestern Public Service is using Wyoming coal to make electricity in its new power plants. Because some of the old plants run on fuel that just plain costs too much.

Electricity could cost a lot more than it does. But thank goodness it doesn't — because of coal.

Summer Camp For Girl Scouts

For many households the distribution of grade cards and the closing of school doors upon another year signify preparation time for summer camp. Girl Scouts in the Lubbock area, summer camp often means a one or two week stay at Caprock Girl Scout Council's Camp Rio Blanco. Rio Blanco, a 118 acre area of canyon land with White River flowing through it, is located 5 miles east of Crosbyton on Highway 82.

The camp will be the site of an Open House Sunday, May 17, 2-5p.m. for prospective campers, their families and other friends of Girl Scouting.

The impressive Bridwell Lodge with its spacious dining hall, the new unit buildings, crafthouse, tent, cabin and wagon units, along with other areas, will be open for inspection. Many members of the 1981 camp staff headed by Camp Director Sharon Washburn will be present to answer questions about the camp.

The Girl Scouts opens its summer program June 7 with Troop Camp sessions for 4th, 5th, and 6th grade girls. One week and two week sessions for girls 4th through 12th grades will begin June 14. Brownie Overnights are being offered for 1st and 2nd graders during June and July for girls who earned "Cookie Camperships" during the annual Girl Scout Cookie Sale held earlier in the year. Non-Scouts are also invited to attend camp sessions.

For further information on the Girl Scout camp program, call the Caprock Council Office, 745-2855.

Cub Scout Field Day

Pushmobiles, olympic games and high flying kites will highlight the Second Annual Chaparral District Cub Scout Field Day, Saturday, May 9. Cub Scouts from across Lubbock county will converge at Furr's Family Center at Quaker and Loop 289 for the day-long events.

The pushmobile derby will start at 9:00 a.m. The Scouts will race over a hundred yard course in this eight boy relay. Following the derby, Cub Scouts will be able to compete in a five event Olympics. A lunch break will give the boys a chance to regain their strength for the kite flying contest.

Trophies, medals and certificates will be awarded to event winners. A grand prize trophy will be presented to the overall winning Cub Pack. Last year's champion was Bayless School PTA Cub Scout Pack 157.

The general chairman for the field day is Sol Thomas. The pushmobile chairman is Bernie Gradel, olympics chief is Dick Lindenmire and Frank Butterfield is heading up the kite events.

The field day is open to viewing by the public.

FHA Installs New Officers

The Abernathy Future Homemakers of America installed the 1981-82 officers April 27 in the Gold Auditorium. Following the installation, FHA members and parents had a covered dish supper in the Homemaking Department.

New officers installed were: President - Tammy Lloyd; 1st Vice President - Donna Burgess; 2nd Vice President - Sandra Duran; 3rd Vice President - Melissa Moore; 4th Vice President - Barbara Alvarado; 5th Vice President - Sarah Miller; Secretary - Kathy Valdez; Treasurer - Rachel Lopez; Historian - Lori Pope and Parliamentarian - Annette Ponder.

Recognized for outstanding work in FHA were: Ranae McKinney, Tammy Lloyd, Lori Pope and Kathy Valdez. Honorary memberships were presented to the following well-deserving parents: Wanda McKinney, Pat Ponder and Jeanie Lloyd.

FHA STATE CONVENTION San Antonio, Texas, was the site for the 1981 FHA State Convention. The convention took place April 30 and May 1.

Abernathy FHA was represented by Ranae McKinney, Diana Benton,

Carol Benton, Donna Burgess, Tammy Lloyd, Kathy Valdez, and sponsors Marilyn Stone and Glenda Wheat. The theme of the convention was "Putting It All Together". Members attended general sessions, interest workshops, and toured many historical places.

Locals Attend Rebekah Meeting

A salad supper highlighted the first official visit of Wava Barrick, district deputy president, to the Plainview Rebekah Lodge No. 309 when they met Thursday.

Oleta Alexander, noble grand, presided and four guests from Abernathy Lodge No. 170 were introduced. They were: Wava Barrick, Betty Johnson, Helen Totty and Hazel Toler. Members were reminded of

the invitation from Floydada Rebekah Lodge to attend "Friendship Night" May 12.

Ms. Barrick conducted an informative school of instruction and Betty Johnson, lodge deputy of Abernathy, gave the president's program. The noble grand's song, "How Great Thou Art" was sung by the group.

Hostesses for the meeting were Emma Echols, Esta Zimmerman, Winnie Mills, and Elizabeth Morgan.

Girl Scouts Leader Workshop

The Phillips farm, east of Abernathy, was the site of an adult training held May 3 from 2-5p.m.

Diana Phillips and Marsha Sanders gave demonstrations on basic outdoor skills such as firebuilding and safety, various cooking procedures, flag ceremonies, and setting up a camp home.

The purpose of the workshop was to assist leaders in planning for safe outdoor camping activities for their troops and units at Yate'He Day Camp.

Leaders attending were: Donna Ryan, Redgie Knight, Linda Sharp, June Odom, Carolyn Hearn, Mary Lena Smith, Marsha Sanders and Diana Phillips.

Havens Honored At Graduation Party

Lori Havens and Kim Havens, seniors from Abernathy High School and Tahoka High School were honored with a graduation party May 10 in the home of their cousins, Mr. and Mrs. Bruce Anderson in Lubbock.

Other hostesses for the event were Mrs. J.A. Havens and Mrs. Elda Whiteside, aunts of the girls.

Others attending were: Mr. and Mrs. Orville Havens and two guests of Kim's of Tahoka, Cindy Havens, J.A. Havens, Lynda Schliesser and Mrs. Essie Rogers of

Lubbock, Mr. and Mrs. Buford Davenport, Mr. and Mrs. Richard Havens, Jill, Gordon and Kara, Lisa Garza and Mark and Brenda Havens of Canyon.

Susan Sanders Graduates

Susan Sanders graduated from South Plains College Friday, May 8, at 10a.m. She is a daughter of Mr. and Mrs. Ray Sanders.

Susan maintained honors on the Dean's Honor List throughout the year. She was a member of Phi Theta Kappa at South Plains.

Fruit Tree Meeting

There will be a meeting held on pecans and fruit tree production on Monday, May 18 in the Centennial Room of the Hale County State Bank in Plainview beginning at 2:00 p.m.

Ollie Liner, County Agent, stated this meeting is for anyone who has one tree or one hundred trees of pecans, peaches, apricots, apples, pears or any kind of fruit tree.

Liner stated that subjects to be covered would be new varieties of peaches and pecans, pruning, insect control, establishing a new tree and irrigation. Dr. George McEachern, Horticulturist for the Texas A&M Extension Service, College Station, will be on hand to conduct the session.

Liner encourages all people with fruit trees and pecan trees to attend this educational meeting which should last about one and one-half hours.

An acre, 43,560 square feet, originally was the area a yoke of oxen could plow in a day.

In the United States each day, approximately 5,000 people turn 65.

COTTON TODAY
A NATIONAL COTTON COUNCIL SERVICE

REAGAN SCORES: The House handed the President a major victory as the Gramm-Latta amendment was approved by a vote of 253-176. The measure sets revenue and spending targets for fiscal year 1982 and was seen as a critical first test of the Administration's economic recovery program. Sixty-three democrats joined with all 190 House Republicans in support of the measure. Lawmakers from the entire Cotton Belt, with the exception of only 30 House members, supported the President's proposal.

NEW POST FOR USDA: The Senate Agriculture Committee has voted to create a sixth USDA assistant secretary position with the understanding that he would be in charge of agricultural research and extension work. Technically, the Secretary of Agriculture could use the position as he sees fit, but it is known that Committee Chairman Sen. Jesse Helms (R-N.C.) wanted to emphasize research and extension supervision. The Administration opposed the move, but Assistant Secretary Bill Lesher was quoted as saying that USDA officials did not feel strongly about it.

MAID WOVES ASIA: Maid of Cotton Karie Ross has visited six important Asian markets to spotlight U.S. cotton. Among highlights

was a reception in her honor attended by 300 top mill executives in Japan, fashion shows that drew 6,000 in Korea, appearances on top-rated TV and radio shows in Hong Kong, a promotion at Shui Hing department store in Singapore which increased sales by an estimated 50 percent, and a photo feature in a leading fashion magazine in Thailand. Her visit to Mainland China got widespread coverage in the U.S. as a result of a national wire-service report on UPI. The Maid will visit Italy and Spain before returning to the U.S. at the end of May.

TORNADOS

If one struck, would you know what to do?

Tornados respect no geographic boundaries. Over the last five years 4,245 tornados have touched down in 46 different states. While they can occur anytime, March through August are considered the "danger" months. State Farm Fire and Casualty, a major home insurer, offers the following suggestions to help you get ready for the coming tornado season:

GETTING PREPARED

- Know how to get emergency weather information in your community and know what it means.
 - A National Weather Service "tornado watch" means conditions are right for tornados to form.
 - A "tornado warning" means a tornado has been sighted, take cover.
 - Most communities use sirens or horns to warn of a tornado sighting; know what your system is and what it means.

- Plan and practice what your family will do in case of a tornado.
 - Have a prearranged place in your home (basement if you have one or interior room or under stairway if you don't) to go for shelter.
 - If you're in a mobile home, get out. If a shelter is available, go to it. If not, lie in a ditch or other depression.
 - If you're in a car, get out. Lie in a ditch or other low area.

- Be sure you have the right kind of insurance and enough of it to cover all damage a tornado could do.
 - Make an inventory of everything in your house and keep it in a safe place away from home (like a safe deposit box). It will be a great help in speeding payment for your losses.

IF IT HAPPENS

- Cooperate fully with law enforcement and disaster service officials. Check your local news media for instructions and information on emergency services available.

- Notify your insurance agent of your loss as soon as possible. He can advise you what to do next.

- Stay with your property to guard against vandalism or looting until law enforcement agencies organize protection.
 - Protect against additional damage, board up broken windows or holes in the walls or roof, cover or otherwise protect furnishings from further damage by rain or wind. If necessary, have utilities turned off to prevent damage from explosion or fire.

- Don't be rushed into signing repair contracts. Fly-by-night repairmen often prey on tornado victims. Be sure you know with whom you're dealing. Your insurance agent or adjuster should be able to help, or ask your Better Business Bureau or friends or relatives to recommend someone.

- Keep receipts for all repairs and additional living expenses. Most homeowners insurance contracts will reimburse these costs, casualty losses exceeding \$100 that aren't reimbursed are generally tax deductible.

COTTON TALKS
FROM PLAINS COTTON GROWERS, INC.

The Senate Committee on Agriculture April 30 substantially completed its markup of the cotton section of a 1981 farm bill, adopting in the process one provision that could cost High Plains cotton producers millions and millions of dollars over the 1982-85 life of the bill.

An amendment offered by Senator Howell Heflin (D-Ala.) would mandate that micronaire discounts beginning in 1982 be calculated on a one-to-one basis, giving equal weight to the previous year's loan schedule discounts and the August-March average of discounts quoted in the nine spot markets.

"Such a procedure," says Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, "would have a drastic effect on the loan values of our cotton; it is not justifiable in the mind of any reasonable person, and this organization will fight it every step of the way through Congress with every means at our command."

If micronaire discounts this year are figured on a one-to-one basis, which is still a possibility, the lowest "mike" category, 2.6 and below, will be 365 points (3.65 cents per pound) greater than if the five-to-one formula advocated by PCG is used. Discounts on cotton miking 2.7 to 2.9 would be 265 points higher; 3.0 to 3.2 would be hurt another 160 points, and the 3.3 and 3.4 mike discount would be 75 points higher.

"Should the Plains in 1981 produce another crop like 1979, when over 90 percent of the crop fell below 3.5 mike," Johnson figures, "the loss of loan value to the 25-county area would run from \$30 million to \$50 million, depending on the size of the crop."

It should be made clear, Johnson adds, that the Heflin amendment before becoming law has to clear the House Agriculture Committee, Conference Committee and Senate and House floors at least, and even could run into trouble in the House Ways and Means and/or Appropriations Committees.

PCG understands at this juncture that other sections of the Senate Committee bill generally follow the bill introduced by Senator Thad Cochran (R-Miss.).

If that assumption is correct, major provisions include (1) retention of the target price system with changes in the formula for its calculation, (2) a 55-cent per pound minimum loan floor, (3) elimination of disaster payments from 1982

John Pearson Receives ARCS Scholarship

John Pearson, son of Mr. and Mrs. Thomas Pearson of Abernathy, was one of 21 selected students from Texas Tech University and Lubbock Christian College who were recently awarded scholarships by the ARCS. ARCS stands for Achievement Rewards for College Scientists Foundation. The awards were presented at a luncheon at the Lubbock Women's Club.

The prestigious ARCS scholarships are given to young people who show exceptional promise and ability in fields relating to science and engineering. The local organization in Lubbock, part of a national foundation, raises funds for the scholarships through the annual ARCS auction. Pearson is majoring in math and minoring in computer science at Tech.

Future Teachers Teach

The annual Student Teaching Day was Tuesday, April 28. Some FTA members took full responsibility for their respective classes throughout the day. The members observed a half day before the date set for teaching. The teacher informed the FTA student teacher of the lesson plans before the actual teaching day. FTA members who participated in student teaching

included: Carol Benton, Jill Blalock, Brad Bowen, Tina Covey, Cindy Fitzgerald, Sherry Martin, Ranae McKinney, Mandy Melton, Christy Ortiz, Gilda Ortiz, Sandy Ortiz, Yolanda Ortiz, Shannon Pettit, Rhonda Royal, Mendy Tennell, and Kelly Thompson. (Taken from the Antelope Outlook)

Award John Hill When fishermen meet

John Hill, a student of Texas A&M University, was awarded the Michael Szabuniewicz Award by the University's College of Veterinary Medicine. This award is presented to a second-year veterinary student who has displayed outstanding interest and ability in the field of veterinary physiology and pharmacology. John Hill maintained a 4.0 grade point average and has become an accomplished veterinary medical student. John attended Texas Tech before transferring to Texas A&M. He is the son of Mr. and Mrs. Ted Hill of Abernathy.

Wet washcloths kept in plastic bags in the freezer are good for soothing minor burns, and can numb the skin around splinters to make removal less painful.

Elementary Programs Enliven Spring

First grade students presented "A Mexican Fiesta", April 10, under the direction

of Mrs. Ruth Fulton. "Jesusita De Chihuahua", "La Raspa", and "La Cucaracha" were the musical selections to which the children moved rhythmically during the performance. The performance was entirely in Spanish. The children reacted positively when they first found out the program would be in Spanish. One first grade philosopher enthusiastically commented, "If our parents don't understand it, it's their tough luck."

April 17, the fourth grade class presented a patriotic program dedicated to our country. The participants researched and wrote their own parts based on actual historical happenings and personages. April 24, second grade students presented their own version of "Mary Poppins". "All three programs were excellent. Each year the programs seem to get better and better", commented Mr. Gid Adkisson, elementary principal, after the fourth grade performance. All elementary programs will be presented this spring due to the auditorium being in use during the remodeling of the band hall this past winter. (Taken from the Antelope Outlook)

Enjoy that bacon in moderation

HOUSTON, TX. — Have you ever wondered what gives ham or bacon that tasty, cured flavor? Nitrates or nitrites, forms of salt, have been used for years to preserve food and add extra flavor.
But studies have shown that when nitrates and nitrites combine with certain other compounds in food, they can form nitrosamines, substances which have caused cancer in laboratory animals.

Should you give up smoked foods completely?
"Not if you enjoy them," says Dr. Guy R. Newell, director of cancer prevention programs at The University of Texas M. D. Anderson Hospital and Tumor Institute. "About 95 percent of nitrates come from naturally ingested foods, and nitrates, per se, have not been shown to cause cancer."

News And Comments

By Buford Davenport

With this week's look-back to Abernathy's history, we reluctantly leave the year 1927. I have enjoyed this segment, but it's time to move on. We'll begin with the 1930's and 1940's. This segment is made possible by Mr. and Mrs. A.E. Goebel. When they moved from here to Amarillo a few years ago, they donated quite a collection of old Reviews to us.

We end the 1927 report with a look at this area's economy, which then, as now, depended on cotton for its main cash crop, followed by wheat. In addition to furnishing cash, wheat also played an important role in providing food. Meat animals grazed the wheat as did the dairy cows, and wheat was traded to the local mill for Texas Beauty flour for baking.

Also, corn was traded to the mill for corn meal. Corn also was fed to meat animals that provided food for the table. Chickens, gardens and orchards also furnished food for the farmers and their families.

The food they grew and consumed at home was fresh, tasted better and was not full of additives and preservatives as we now have.

Indeed, those were the "good old days" in many ways...in food and fellowship, especially. They visited in their neighbors' homes. The boob tube, television, has been one factor in cutting down on that wonderful practice.

The farmers were not worried about energy to power their farm operations. Work stock, horses and mules, pulled the farm implements, and they drew their energy from feed stuff grown on the farm.

1925 Directory
H-E-L-L-O Central...a telephone greeting from out of the past...in this instance from 1925. Then there was a "central"...now called a telephone operator.

J.M. Flanagan of Houston mailed a 1925 Abernathy telephone directory to Wayne Arthur, General Telephone's man in Abernathy. We made copies of the directory and Wayne sent the original 1925 directory to General's telephone museum in San Angelo.

There were several display advertisements, fore-runners of the current yellow pages. Advertisers in the 1925 telephone directory included City Drug Store, Zeman Auto Co., Ford dealership, Abernathy Mill & Elevator, Texas Flour, Harral Motor Co., Farmers Coal & Grain Co., Higginbotham-Bartlett Co., Abernathy Oil Co., Dr. J.B. McBride, R.M. Hardesty General Merchandise, Crow's Filling Station, Ragland Bros. Furniture Co., Pinson Pharmacy, E.E. (Dutch) Crow Tailor & Barber Shop, Plains Grain Co., J.C. Woodriddle Lumber Co.,

Inc., and Ragland Bros. Insurance.

There were 105 listings in the 1925 directory...for town and rural telephones. The current year telephone directory has 1091 listings in the Abernathy exchange; 143 in the County Line rural exchange and 132 in the Hollandville rural exchange, for a total of 1,366, and this is 1,261 more than in the 1925 directory.

In 1925, rural lines were built and maintained by the telephone subscribers. Each ring and long rings in various combinations: i.e.,

Lakeview Locals

By Mrs. Norman Matthews
(Reporter For Lakeview News Since 1945)

The United Methodist Women met Tuesday afternoon, May 5th in the home of Mrs. E. E. Senter. The meeting opened with the group singing "Faith of our Mothers" and prayer by Mrs. Senter. Mrs. Oleta Gilmore, president, presided at the business session. Mrs. N. Matthews read the minutes of the last meeting and Mrs. Lawrence Amerson brought the devotional. Mrs. J. L. Johnson was in charge of the Mother's Day program which was given by Mrs. Florence Jackson, Mrs. H. B. Coggin and Mrs. Oleta Gilmore. The meeting was dismissed by Mrs. Coggin.

The hostess served refreshments to Mesdames S. M. Harrison, Elinor Collins, J. L. Johnson, N. Matthews, Oleta Gilmore, Lawrence Amerson, Florence Jackson and H. B. Coggin. Mr. and Mrs. Jerry Wienke of Petersburg attended the mid-week services at Lakeview Church, Wednesday night, April 29. Jerry was the featured speaker for the services. Mr. and Mrs. Don Enger, Clay and Cam of Shallowater attended the services also. Don was in charge of the singing group who rendered a number of quartets.

Mrs. Louise Childs of Wichita Falls spent the weekend with her aunt, Mrs. S. M. Harrison. Visitors in the home of Mr. and Mrs. Glen Amonett Sunday and several days this week were Mr. and Mrs. Harry Sinclair and Mrs. Bertha

the Gid B. Adkisson farm was on line 4, and was one short ring and one long ring, and the W.I. Adkisson farm could be reached on line 4 with 2 long rings and 2 short rings. The "rings" were produced by the telephone box's magneto that was activated by a small hand crank.

There were several telephone subscribers on each of the numbered rural lines. Ed Lutrick, whose current telephone is 328-5392 Hollandville exchange, had this number in 1925: 1 short 1 long following by another short ring on rural line number 8. In addition to the rural party lines there were some in town, too.

Sinclair of Plainview, Mr. and Mrs. James Fulton, Jason and Becky of Houston, Mr. and Mrs. Steve Thomas and Kyle of Lubbock and Carl Amonett of Nacadoches. Mrs. E. G. Mahagan visited her son and family, Mr. and Mrs. Melvin Mahagan in Hale Center and her sister, Mrs. J. E. Bolton in Plainview, Sunday.

Mrs. N. Matthews and Gene visited in the home of Mr. and Mrs. Lee Cowart at Afton, Okla., last week. Mrs. Matthews and Mrs. Cowart visited relatives in Mohawk and Kemp and also a sister-in-law, Mrs. G. E. Holcomb and Mr. and Mrs. Gary Holcomb Jr. and family in Bogalusa, La. Mrs. Matthews returned home Monday.

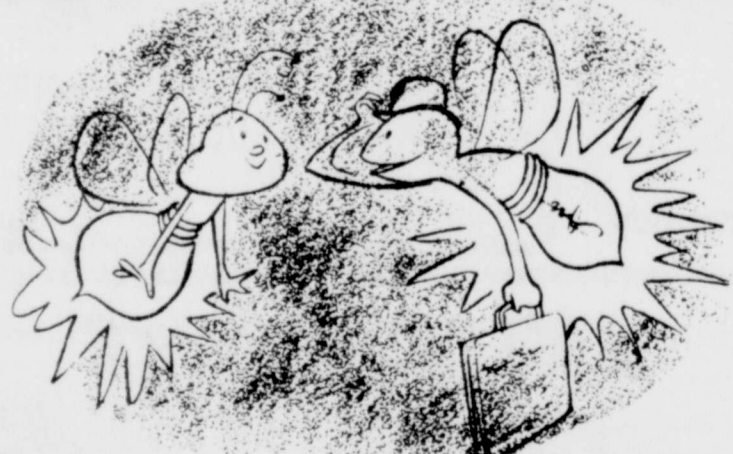

Miss Reita Smith and Mrs. Mertice Castleberry who have spent the winter in Sunny Meade, Calif., returned home Thursday, of last week and visitors in the Smith home this week and during the weekend were Mr. and Mrs. Charles Ray Melton and children of Lubbock, Mrs. J. R. Fitzgerald of Floydada, Mr. and Mrs. Lewis Waddell of Amarillo, and Modena Dewitt of El Derado, Okla.

Mr. and Mrs. Jerry Steward, Mellinda, Mellany and Jerry of Lubbock visited her mother, Mrs. N. J. Fred and L. C. Tuesday night.

Mr. and Mrs. Robert Montgomery of Littlefield visited in the home of Mr. and Mrs. J. C. Montgomery, Sunday.

Obituaries

Catharine Peel

Funeral services were held for Catharine L. Peel, 67, Wednesday, May 13 at 2 p.m. in The First United Methodist Church.

The Rev. Tommie Beck, pastor, and Rev. HB Coggin, pastor of Lakeview Methodist Church, officiated.

Burial was in the Abernathy Cemetery under direction of Chambers Funeral Home.

She died at 4 p.m. Monday, May 11, in Lubbock's Methodist Hospital following a brief illness.

She moved to Abernathy from Crosbyton in 1937. She was in the drug store business 14 years and was asso-

ciated with a local machine and welding shop 20 years. She was a Methodist.

Survivors include a son, Frank Roberts of Aurora, Colo.; two daughters, Linda Gragg of Abernathy and Jane Huckaby of Lubbock; three sisters, Alice Selke of Abernathy, Maxine Eason of Fort Worth and Mary Arrington of Vernon; a brother, Don Liles of Fort Worth; and four grandchildren.

Pallbearers were: Washie Hardin, Jim Ned Gragg, Ercell Givens, Joe Dolph Adkisson, Steve Jackson and Paul Harrell.

Grady Manley

Services for Grady L. Manley, 64, of Hereford were at 2 p.m. Wednesday in Temple Baptist Church in Hereford with the Rev. J.L. Bozeman, pastor, officiating assisted by the Rev. Buster Griggs of Avenue Baptist Church.

He died Monday evening in St. Anthony's Hospital in Amarillo following a lengthy illness.

The Kemp native moved to Hereford 20 years ago from Abernathy, where he lived for 18 years. He married Bennie Graham Nov. 14, 1936, in Lubbock. He was a mill operator.

Survivors include his wife; a son, Troy of Nocona; two daughters, Frankie Mills of Abernathy and Linda Moseley of Amarillo; two brothers, G.W. of Abernathy and John Henry of Santa Anna, Calif.; two sisters, Elizabeth Smith of Fort Worth and Frances Carpenter of California; three grandchildren; and a great-grandchild.

Doug Finley

Services for Doug Finley, 28, of Lubbock, were at 2 p.m. Friday, May 8, in Franklin-Bartley Chapel with the Rev. Sam Estes of Cumberland Presbyterian Church officiating. Burial was in Resthaven

Memorial Park under direction of Franklin-Bartley Funeral Home.

Finley died May 5 in Muleshoe from an electrical shock he suffered while working on one of the City of Lubbock water wells in the Muleshoe area. Justice of the Peace Tana Holmes of Muleshoe ruled the death accidental.

Finley was born in Pecos and moved to Lubbock in November 1960 from Muskogee, Okla. He married Wyndy Leighton Dec. 31, 1977, in Lubbock. He was a pump installer for High Plains Drilling Co. in Abernathy.

Survivors include his wife;

two daughters, April and Jennifer, both of the home; and his parents, Mr. and Mrs. E.C. Finley of Lubbock. Pallbearers were Phillip Walker, Jim Muir, John Nobles, Glen Garnett, Chris Brock and Mike Sissons.

Wade Kelly

Services for Wade Kelly, 84, of Abernathy were at 2 p.m. Monday in First Baptist Church in Abernathy with the Rev. Lloyd Riddles, pastor, officiating.

Burial was in Resthaven Memorial Park in Lubbock under direction of Chambers Funeral Home in Abernathy.

Kelly died at 11:30 p.m. Friday at his residence. Jus-

tice of the Peace Jean Marr ruled the death due to a heart attack.

The Alexander native married Bertha Scarborough April 20, 1931. He moved to the Lubbock area in 1940 and to Happy Union two years ago. He was a trucker and was a veteran of World War I. He was a Methodist.

Survivors include his wife; four sons, Jimmy of Abernathy, Jack of LaCross, Wis., Thomas of Plainview and Wade of Hale Center; a daughter, Mrs. Jerry Bomar of Lubbock; a sister, Mrs. Lorene Key of Fort Worth; 13 grandchildren; and eight great-grandchildren.

Superstition has it that if your ears ring, tingle, burn or itch, someone is talking about you.
