Rodney Cannon	3 for 36 yds.		
Malcolm Dunn	2 for 33 yds.		
Randy Houston	2 for 18 yds.		
Allan Lester	1 for 6 yds.		

# Antelopes Crush Mustangs 33-0

The Abernathy Antelopes gained 440 yards rushing and passing Friday night to easily crush the Olton Mustangs by a score of 33-0.

It was no contest Friday as the Antelopes scored on their first possession when quarterback Max Riley connected with Rodney Cannon for a 15 yard pass play. The Mustangs had been stopped on their first possession. The Antelopes led 7-0.

Olton got their second chance of the first quarter and put together an impressive drive. The Lopes stopped the drive at mid-field and forced the Mustangs to punt.

In the next drive, Riley found Malcolm Dunn on a pass play which resulted in a 35 yard gain. Two plays later Ronnie Taylor got loose around the side and ran 43 yards for the second touchdown. Johnny Ruiz made both PAT's good and the Lopes went ahead 14-0.

**Second Quarter**  
Olton started the second quarter and

## Homecoming Bout Antelopes To Clash With Owls

Abernathy will celebrate homecoming this weekend and the Antelopes will face the aggressive Hale Center Owls here Friday night.

This should prove to be an exciting match-up as both teams are 2-0 at this point in the season and both teams having beat Olton by almost the same score.

Hale Center has outscored their opponents 77-0 in their first two games and Abernathy has outscored their opponents 46-6.

The Junior Varsity and Freshman teams will play Hale Center at Hale Center Thursday night at 5 p.m. The 7th and 8th grade teams will begin play here at 5 p.m. Thursday.

The Antelopes ended their first drive abruptly. The Antelopes were stopped even faster on their next drive when Olton capitalized on a Lope fumble. But Olton failed to produce any offense again.

The next drive the Antelopes scored when Riley pitched to Kenneth Moss for a 14 yard touchdown. The PAT was good and the Antelopes had a commanding 21-0 lead. And the first half

would end with this score.

**Third Quarter**

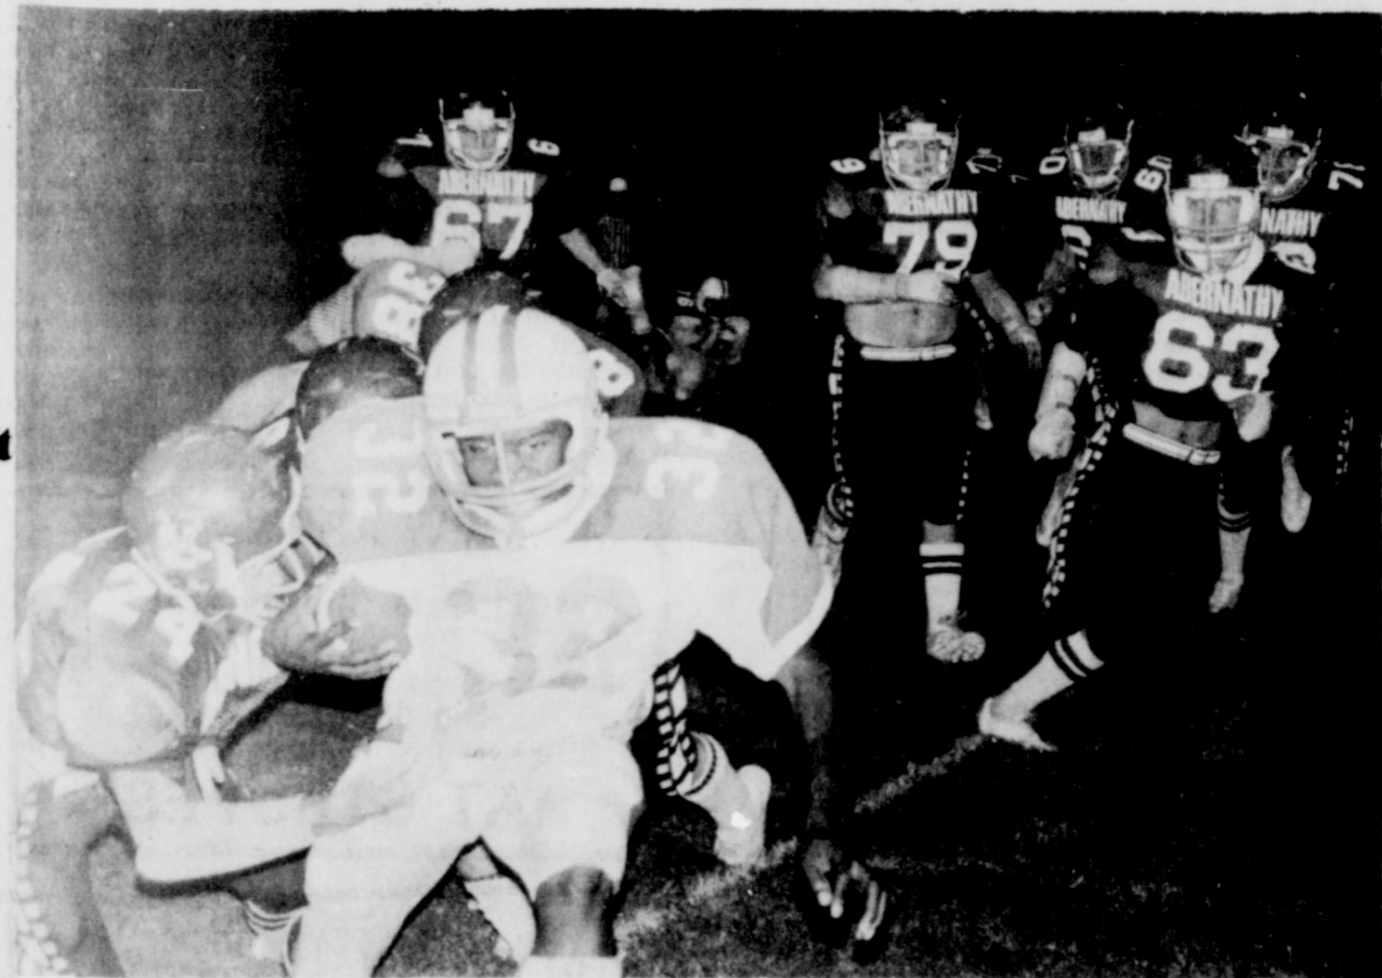

The Antelopes were determined to make the second half exciting too. They could not be stopped in their first drive and quickly scored on a 48 yard run by Malcolm Dunn in the first 1 minute and 44 seconds of the second half. The Lopes increased their winning margin to 27-0.

Olton put together a decent drive,

but not good enough in their next attempt.

**Fourth Quarter**

The fourth quarter was a carbon copy of the third quarter. The Lopes scored another touchdown in their first possession on a 16 yard run by Kenneth Moss. Abernathy would not score again and the Mustangs would not even penetrate the Lope 30 yard line the remainder of the game. The game ended at 33-0.

ANTELOPES TRAP A MUSTANG and there is nowhere to go as several Abernathy defense players move in. Making the tackle is Bobby Ross, 24, and Rodney Cannon, 38. Coming up from the back is Alan Neis, 67, Bryan Stallings, 79, Rick Houston, 60, David Davis, 63, and Charles Chambers, 78. (Review Photo by Doyle Albrecht)

## St. Isidore Parsonage Completed

A newly constructed parsonage was recently completed next to St. Isidore Church located on the South edge of town past Sanders Auto.

Construction began July 15 by Murray Construction Company of Lubbock. The total cost of the new parsonage is \$22,000 and it is 1,110 square feet.

The new rectory will be the home of Matthew F. D'Souza and family. D'Souza is the pastor of St. Isidore Church.

Rectory will be Sunday September 20th, by His Excellency the Most Rev. L.T. Matthiesen, bishop of diocese of Amarillo, before the 9:00 a.m. Mass.

Deacon George Rhoads of St. John Newmann Parish, Lubbock, and Fr. D'Souza will assist the bishop. There will probably be a few Madres Capuchinas Mexicanas from Amarillo also present for the function and the morning Mass.

The Guadalupanas will be hosting a reception for all parishioners after the Mass.

**Parsonage To Be Blessed**  
The Blessing of St. Isidore's New

ST. ISIDORE CHURCH PARSONAGE was recently completed and is located next to the church. The newly constructed parsonage will be the home for the Rev. Matthew F. D'Souza and family. (Review Photo)

## Drug Bust Draws Several Complaints

A local police officer was accused of using threatening and abusive language to two juveniles and a male adult during a drug bust earlier this month. The issue was investigated and discussed Monday night at the City Council meeting with 32 visitors present who voiced complaints about all three officers of the Abernathy Police Department.

The entire issue is the result of a drug bust September 6 at approximately 1 a.m. when police officers Taffy Naron and Jack Taylor became suspicious of a car in the Burger Hut parking lot, according to Abernathy police officers.

The car was stopped and officers searched it after spotting a bong, (tobacco smoking device), in the vehicle, officers said.

Two 17 year old white males and a 26 year old white adult were immediately arrested and transported to the Lubbock County Jail, police officers said.

All three were charged with two offenses: possessing narcotic para-

phernalia, a Class A Misdemeanor, and possession of marijuana, a class B Misdemeanor. Bond was posted and all three were released from jail, officers stated.

**Written Complaint**

Recently, the City of Abernathy received a written complaint from the 26 year old that was arrested in the bust. He complained that officer Taffy Naron had used abusive language toward him during the arrest and threatened him.

The complaint was brought to the attention of the City Council and approximately 32 people came to the City Council meeting Monday night to protest Officer Naron's arrest tactics.

Mayor Pete Thompson read the laws aloud to all present concerning open and closed council meetings involving city employees. It was declared that the two officers involved in the arrests and the three arrested would give their

testimony to the council, individually.

Everyone was asked to leave the room and the council began questioning everyone involved in the incident. The investigation lasted three hours, from 7:30 to 10:30, and the council had a short meeting among themselves following the testimony.

**Discussion Session**

Everyone was re-admitted to the meeting room and Mayor Pete Thompson stated that the council had heard the testimony from both sides. Thompson stated that the council had heard two conflicting stories and that one of the two parties was not being totally truthful with their testimony.

"In view of the evidence against officer Naron," Thompson said, "there is no proof that she is guilty and therefore no action will be taken against her."

Thompson stated that police officers have been informed that they are to uphold and conduct themselves in a

professional manner at all times. Thompson also said police officers are hired to enforce the law and the council will stand behind them if they are equal to all in enforcing the law.

An open discussion session then followed between the council and the 32 people with complaints against all three police officers, but mainly against Taffy Naron.

Temper flared as concerned visitors spoke at random and added their personal complaints about Abernathy Police Officers.

**Other Business**

Before adjourning, the council okayed the date of September 28 for a Public Hearing on the 1981-82 operating budget. It will begin at 7 p.m.

The council also agreed to hold a Public Hearing on the Energy Rate Increase September 28 at 7:30 p.m. This hearing will follow the operating budget hearing.

## Lanehart Wins First Place In Writing Contest

Mr. David Lanehart, American and World History teacher at Abernathy High School, received notification from Westerners International that his paper "Fort Sumner Indian Peace Commission, 1867," was awarded first place in the 1980 Westerners International contest.

Mr. Lanehart submitted his paper to the Lubbock Chapter of Westerners International. This organization is affiliated with the Western Historical Association, and its members are amateur historians. Westerners International has chapters around the world, and it's primary function is to study and

promote interest in Western history.

October 17, Mr. Lanehart will travel to San Antonio to receive his award at the Western History Association Conference. It is a cash award from the Philip Danielson Endowment to Westerners.

A graduate of Pampa High School, Mr. Lanehart received his B.A. in history from Angelo State University, San Angelo, Texas, and his M.A. in history from Texas Tech University. One of his favorite hobbies is backpacking, having done this extensively in Canada and New Mexico.

## Busy Weekend For Abernathy Police

It was a busy weekend for the Abernathy Police Department as 16 arrests were made Friday, Saturday and Sunday.

All arrests made were Class C Misdemeanors and are listed as follows: 12 public intoxication arrest, 2 arrests for minor consumption of an alcoholic beverage, 1 making alcohol available to a minor, 8 consuming alcohol after hours, and 2 arrests for disorderly conduct, according to police officers.

## Chili Supper Friday

The Abernathy Booster Club will sponsor a chili supper in the Agriculture Building from 5:00 p.m. to 7:00 p.m. before the Abernathy-Hale Center football game Friday evening.

All persons planning to attend the game, including Hale Center fans, are welcome to attend.

The Abernathy Booster Club would like to have you as a member! If you would like to help support the ANTELOPES, please contact one of the following: Jack Moss, Mack Houston, Kay Knight or Don McKenzie. Dues are \$5.00 per year.

## Homecoming Queen To Be Announced, Events Slated

The 1981 Homecoming Queen will be announced at Friday night's game against Hale Center, during the half-time events.

The 1981 nominations for AHS Homecoming queen and their escorts are: Cindy Turner, who will be escorted by Don Barron, Jill Blalock, and her escort, Terry Beard, Kelly Thompson, and her escort Tim Cox, and Carrie Smyers, with her escort Chris Hearn.

The 1981 Homecoming dutchesses for this year are: Freshman D'Ana Howard. Her escort is Ross Bennett. Sophomore dutchess is Terry Gist and her escort is Bryan Smith. Junior dutchess is Susan Stone and her escort will be Roger Gragg.

This week the high school has been up in spirit with daily activities. Each class is in competition for decorating the halls, sponsored by the Student Council, and will be judged Today at 8:30.

There is also a spirit chain contest among each class to see who can make the longest chain. The student council is selling chain links to the student body, each class with different colors, and each class links their color together and

the winner will be announced Friday during the pep-rally.

The Student Council is also sponsoring a Car Bash. The car will represent Hale Center. The cost will be: 2 hits-25 cents, 5 hits-50 cents, and 12 hits-\$1.00. The car will be located north of the football field Thursday at noon and Thursday night at the bon fire.

The Student Council will also be decorating golf carts this week. The carts will be driven by the queen's escort Friday night around the track.

The cheerleaders will sponsor a bon fire Thursday night. This will take place north of the football field. Everyone is invited.

Each day this week the Student Council Sponsored a special day to dress. Monday was "Sock it to em" day and everyone wore wild socks. Tuesday-"Lopes under cover" and the students dressed like spies. Wednesday-"Lopes spirit shines bright" and sunshades were worn. Thursday-"Hats off to the Lopes", and the student body wore crazy hats.

The cheerleaders and parents will be sponsoring a dance at the Fire Hall after the football game Friday night.

## Homecoming Mums On Sale

The Fellowship of Christian Athletes, (FCA), is selling homecoming mums for the Abernathy-Hale Center game this Friday night.

The mums are priced as follows: For the Super-\$25, Deluxe-\$17.50, Fancy-\$12.50, Standard-\$8.50, Childs mum-\$5.50, boutonniere-\$4, and gar-

ters-\$6. The money raised from the mum sale will be used in a future community service project. This past year, the FCA donated \$500 towards the purchase of a Jaws tool.

The mums can be ordered from any FCA member.

OVERPASS ACCIDENT occurred Monday afternoon when a man driving this Ford blazer ran into the back right wheel of a road-grater travelling south on I-27. The man apparently did not see the retainer on the other side as he went over the overpass in the New Deal city limits. The man was severely injured. The front left axle and wheel can be seen in the fore-ground on the railing. (Review Photo)

## Plains Pest Management Report

**COTTON**  
Bollworm activity has been on the decrease for most areas. High egg counts continue to be observed in the Edmonson-Kress areas.

In most cases egg lays have failed to develop into damaging bollworm populations.

As reported in last weeks newsletter eggs were collected from various fields. These eggs were collected on August 31, September 1, and September 3. White and brown eggs were placed in small cages for observation.

Based on 63 white and brown eggs caged, 65% have turned black indicating parasitism, 29% have hatched to small worms, 3% remain brown and 3% have shriveled. Most parasitized eggs collected on August 31 have now had small parasitic wasp emerge of the Trichogramma genus.

Eggs collected from several fields in Kress area have approached an 84% level of parasitism. Environmental conditions such as mild temperatures, high humidity and cloudy days coupled with very high egg densities in the terminal area of the plant have been optimum for these Trichogramma parasites.

Growers should continue to watch late planted fields for bollworms since cool temperatures have greatly slowed boll development.

**CORN**  
Ramins from September 4th through the 7th stopped corn harvest. A few growers attempted to get back into fields on Wednesday.

A review of a portion of the southwestern corn borer biology might be useful at this time. The southwestern corn borer overwinters as a full

grown larva in the base or apex of the root.

As the larva prepares for overwintering it tunnels back up the stalk to a level of 1-12 inches and at this location it cuts a ring around the inside of stalk leaving only thin layer of tissue to support the stalk.

After this the larva returns to the base of the root to finish preparing a hibernaculum (overwintering cell). When the stalk dries down it becomes brittle and the wind can lead to harvesting difficulties and yield losses.

When a field approaches a

point of 35% lodged, growers should make a special effort to harvest that grain as soon as possible. Lodging counts during the past week have ranged from 1-60%, but have generally averaged 10-15%.

### CROPS TOUR

The Texas Agricultural Experiment Station's Annual Field Day was cancelled last Tuesday because of rain. It was rescheduled for September 16th from 1-5 p.m. at the Texas A&M University Research and Extension Center north of Lubbock and south of New Deal on the east side of Hwy. 87.

**COTTON TODAY**  
A NATIONAL COTTON COUNCIL SERVICE

**NCC OPPOSES QUOTA HIKE:** The National Cotton Council has strongly urged Administration officials to oppose any increase in the quota on imports of raw cotton from Mexico. The proposal to raise the current quota from 18,507 bales to 200,000 reportedly has been under consideration by officials of the U.S. Department of Agriculture and the Department of Commerce since Mexico's president, Jose Lopez Protillo, met with President Ronald Reagan in June. Mexico's request was made public only this week.

The issue is expected to be brought up again by Mexican Commerce Secretary Jorge de la Vega at a meeting September 21-22 with Commerce Secretary Malcolm Baldrige and Special Trade Representative Bill Brock in Mexico City.

Council President Frank M. Mitchener, Jr., wired Agriculture Secretary John R. Block and warned that deficiency payments to cotton producers could be triggered unless the Administration quickly rejects Mexico's request. He pointed out that the August price received by farmers (\$7.8¢) was below cotton's \$0.87¢ target price.

The current quota level of 18,507 bales, written into Section 22 of the Agriculture Adjustment Act of 1933, has remained unchanged since the early 1940's. It can be changed by the resident on a recommendation of the Secretary of Agriculture and the International Trade Commission, after public hearings to determine whether a new quota level would disrupt the U.S. cotton program.

**COUNCIL DIRECTORS MEET:** Topics ranging from clean air to taxes are on the agenda for the National Cotton Council's fall Board meeting September 17 at the Peabody Hotel in Memphis, Tenn. J.S. Francis, Jr., chairman of the industrywide task force on clean air, will outline the latest developments in that area.

Other reports will cover cotton's supply and market outlook, cotton dust, packaging standards, foreign operations, tax law, and Washington activities.

A highlight of the session will be special recognition of surviving members and advisors of the Committee on Organization, who met at the Peabody 43 years ago to form the Council. Board Chairman Herman Propst of Anson, Texas, will preside.

**YIELDS COULD CUT GROWERS' COST:** An expert Beltwide improvement in 1981 cotton yields points to the strong possibility of a lower per-pound production cost, National Cotton Council economists say.

The U.S. Department of Agriculture has projected that cotton's per-acre cost would rise 16 percent over 1980, but if yields average 517 pounds per planted acre as currently expected, the per-pound production cost—after adjustment for seed value—would run around 65 cents, excluding returns to land and management. This would be about 13 cents below the figure in 1980, when yields were poor.

**SYNTHETIC FIBERS ARE HEAT SENSITIVE, SO SET THE IRON ON "low,"** suggests Nancy Brown, a clothing specialist.

Since these fibers are "thermoplastic" and easily can be melted or "heat-set," use a light press cloth to prevent problems, she says.

If you don't use a press cloth and the iron begins to stick, lift it immediately—that's the first sign it's too hot, the specialist adds.

SHOP ABERNATHY FIRST—SAVE TIME GAS AND MONEY

**COTTON TALKS**  
FROM PLAINS COTTON GROWERS, INC.

"Getting anything through Congress and past the President's desk this year that might lead to increased government expenditure—as the Bible says about the rich man getting into heaven—is about as easy as squeezing a camel through the eye of a needle."

That's what Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, told ginners and guests at the 1981 annual meeting of Plains Ginners' Association September 12. He was referring to PCG's inability to get greater producer price protection into the 1981 farm bill now under consideration in

Congress. PCG's legislative policy, adopted by the organization's 50-man Board last January, calls for a higher cotton loan level, retention of the disaster program, authority for paid acreage diversion and other provisions to shield producers against unavoidable crop losses and severe price pressures "such as those we are seeing right now," Johnson said.

"But all these measures would involve the possibility of additional cost to the government, and with the current Administration's determination to cut the budget no matter who it hurts, I

feel no real need to apologize for our failure to get these policies into the new bill."

The Senate Agriculture Committee bill expected to reach the floor in the week of September 14, Johnson explained, would set the minimum cotton loan at 55 cents, continue the current loan-setting formula through 1985 and for all practical purposes eliminate the disaster program. It would set target prices for 1982 at 71 cents per pound (about the same as this year), at 76 cents for 1983, 83 cents for 1984 and at 89 cents for the 1985 crop.

These price support levels are woefully inadequate, but chances for improvement at best are not very good, Johnson told the group.

Consequently, he continued, PCG is exerting its major efforts toward either eliminating or at least minimizing the effects of another Senate provision known as the "Heflin Amendment."

That provision, introduced and pushed by Senator Howell Heflin of Alabama, would remove all flexibility from USDA's procedures in setting grade, staple and micronaire discounts in each year's loan schedule.

## Farming Safety Guidelines To Follow At Harvest Time

During the last several years Hale County has had a number of serious and minor accidents at harvest time according to Ollie Line, County Agent.

With a bumper crop this year, harvesting and storing operations are in full swing. With all the hustle and bustle, it's easy to overlook safety precautions which are essential to an accident-free harvest season.

Liner, county agent with the Texas Agricultural Extension Service, Texas A&M University System, gives these safety pointers for grain operations:

- \* Read and follow operating, maintenance and safety recommendations in instruction manuals.
- \* Keep equipment in good working order.
- \* Make sure all workers are properly trained and com-

petent.

- \* Adjust your speed to ground and visibility conditions. Avoid obstacles, ditches, steep hills and other hazards that could cause overruns. Wear your safety belt when driving ROPS-equipped tractors. Watch your business at all times. When you feel tired, stop for rest and refreshments to restore energy.
- \* Keep shields in place when operating.
- \* Keep children off of and away from equipment.
- \* Stay clear of moving parts. Always turn off the power before unlogging, adjusting or servicing machinery.
- \* Make certain portable elevators are stable. Lower them before moving, being especially wary of overhead power lines.
- \* Enter a grain storage bin only after all unloading

equipment has been deactivated to prevent grain "drowning."

\* Keep children away from bins—they are a dangerous playground.

\* If grain should bridge, break it down from outside the bin with a pole. Enter such a bin only with a lifeline attached and someone standing by to help you out in case of a cave-in.

## Mayor Declares C. F. "Kiss Your Baby" Day

Mayor Pete has declared Monday, September 21, as "KISS YOUR BABY" DAY in Abernathy by signing an official proclamation today.

"KISS YOUR BABY" Day will be held as part of national Cystic Fibrosis Week and the local CF Breath of Life Campaign.

Stressing the need for greater public health education in Abernathy, the Mayor said that "KISS YOUR BABY" Day is designed to help parents recognize the symptoms of CF in their children.

designed to foster early diagnosis and treatment which extends and improves the lives of all lung-damaged children.

The Lone Star Chapter is one of over 100 CF Chapters in the United States conducting fund appeals to support the CF Foundation's programs of research, care and education.

"We are asking residents of Abernathy to give as generously as they can when

a Breath of Life Campaign volunteer calls on them," says Thompson.

"Through contributions to this Campaign, we will see a day in which CF no longer takes a life every eight hours.

The Abernathy 4-H Club members will be going door-to-door during the week of September 21-26, to collect money for the Cystic Fibrosis Breath of Life Campaign.

### Wayland Baptist Offers Aerobic Exercise Class

Wayland Baptist University will hold an aerobic exercise class in Abernathy, if at least 25 people sign up for the class.

It will be held one afternoon each week for 13 weeks at a cost of \$40.00 per person.

Tentative time for the

class is 4:30 to 6:30 on Tuesday afternoons beginning September 22nd, at the Community Room.

If you are interested in taking the class, contact Terry Kitchens at 298-2459 or LaVerne Pope at 298-4019 after 4:00 by Friday, September 18th.

## JV And Freshman Teams Defeat Olton

The signs of CF include; recurrent wheezing, persistent coughing with excessive mucus, pneumonia more than once, excessive appetite with poor weight gain and clubbing (enlargement of fingertips). CF signs also include a salty taste of the skin, persistent bulky diarrhea and nasal polyps.

The Mayor joins the Lone Star Chapter of the CF Foundation in urging everyone "KISS YOUR BABY" and watch for the signs of CF in all children.

The Foundation also conducts nationwide professional and educational programs

The JV Antelopes overpowered the Olton Mustang JV team by a score of 27-6 in Olton last Thursday night.

The Lopes gained a total of 340 yards to Olton's 96. Abernathy rushed 41 times for 243 yards to Olton's 24 rushes for only 31 yards. In the first down department,

the JV Lopes made 13 compared to Olton's 7.

Quarterback Brian Smith completed 4 of 9 passes for 197 yards. He was intercepted one time.

Chester Cooper carried the ball 15 times for 125 yards. Roger Ray caught 2 passes for 59 yards.

### Rodriguez Stationed In Okinawa

Marine Pfc. Roy R. Rodriguez, son of Mr. and Mrs. Francisco Rodriguez of 308 Sixth, Abernathy, has reported for duty with the 3rd Marine Division, on

Okinawa.

A 1980 graduate of Abernathy High School, he joined the Marine corps in August 1980.

## Arts And Crafts Christmas Bazaar

Preparations are underway for the 2nd Annual Arts and Crafts Christmas Bazaar to be held at the Abernathy Community Center, November 21st. Anyone wishing to participate should contact Jane Murray at 298-4291, Diana Phillips at 328-5367 or Betty Neve at 298-2984, after 5:00 p.m. by October 15th.

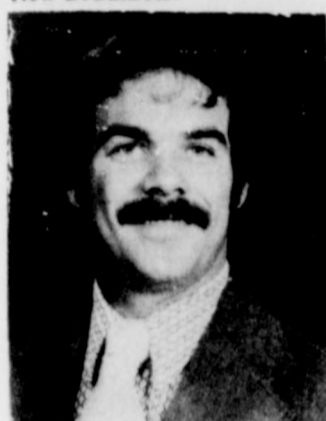

The show is open to anyone in Abernathy or the surrounding area who would like to display their arts and crafts. We are looking for a bigger and better bazaar this year and welcome everyone to attend.

### Dane Vickers Accepts Coaching Job

Mr. Dane Vickers, son of Louise Vickers and the late Gene Vickers, recently accepted the position of Jr. High Football Coach at New Braunfels. Dane will also be Jr. High Tennis Coach and Assistant Varsity Basketball Coach and Science teacher for 7th grade.

He received his B.S. Degree in Physical Education at Southwest Texas State University in San Marcos. He is a 1973 graduate of

Abernathy High School. Dane and his wife Stacy have made their home in New Braunfels.

NOT A TOUCHDOWN. Malcolm Dunn, 22, is driven out-of-bounds by three Olton defense players. Antelopes on the side-line watch from the back. (Review Photo by Doyle Albrecht)

Dear Editor:

As I understand it, there's a lot of squabbling going on among the OPEC leaders because they can't agree on how much to stick the rest of the world for oil.

Some want to charge \$32 a barrel, some \$42, and some would go even higher, on the principle that the world can't get along without the stuff and let's get the money while the getting's good.

As a result consumption has dropped, a glut has developed, and importers aren't grabbing oil at whatever price some OPEC country demands. As a further result OPEC leaders are squabbling among themselves because some members who need more money to buy fighter planes and Rolls Royces won't hold the line, on the grounds that if you can't get \$42 a barrel, take \$32, since it costs only about 25 cents a barrel to get it out of the

ground and nothing to put it there in the first place, I'd be happy to sell a calf for \$32 a barrel if it cost only 25 cents to produce.

What this demonstrates once more is that human nature, regardless of what country it operates in, hasn't been abolished.

Expecting 13 OPEC leaders to stick together forever on the price of oil is like expecting the U.S. Congress to always vote unanimously, or 13 farmers to agree on anything, or all members of a family to always see eye to eye, or a newly wed Hollywood couple to live happily ever after.

Yours faithfully,  
J.A.

An old toothbrush can loosen sticky dirt on the kitchen can opener.

### Lakeview Locals

MRS. NORMAN MATTHEWS

Mr. and Mrs. Glen Amonett spent the week end at Gustine, Texas visiting relatives. They returned home Monday afternoon.

Mrs. E. G. Mahagan visited in Plainview Monday in the home of Mrs. Jella Bolton.

Mr. and Mrs. Norman Staves of Lawton, Okla., and Mr. and Mrs. Travis

Gilmore of Post visited Mrs. Oleta Gilmore during the weekend.

Mr. and Mrs. Alan Mahagan and children of Hale Center visited his mother, Mrs. E. G. Mahagan, Sunday.

Boyce Lynn of Abilene and Tammie Collins of Lubbock spent the week end in the home of Mr. and Mrs. Gene Collins and Mrs. Elenor Collins.

Arthur Mahagan of Abernathy visited in the home of Mr. and Mrs. H. C. Barnwell, Sunday.

Mrs. N. J. Fred spent the week end in Lubbock with her children, Mr. and Mrs. N. A. Malone and Mrs. Steward and family.

## Hale Homemakers Enjoy "Treasures And Trivia Tour"

The first Treasures and Trivia Tours, sponsored by Hale County Extension Service was a huge success, stated Mrs. Wynon Mayes, County Extension Agent.

Some 60 homemakers from Idalou, Tulia, Abernathy, Floydada, Hale Center, Kress, Edmonson, Lubbock, Slaton, New Deal, Aiken and Plainview were involved in the Treasures and Trivia Tour which started at 9:30 a.m. at Moore's

Antiques and Collectables in Plainview and ended at the Wooden Tub in Lubbock.

Other antique shops visited during the day included: The Emporium, Fullingim's in Petersburg, Littlefield's in Cone, Parker's, Smith Hardware and the Ice House in Ralls, Hastings's in Idalou, Windmill and Cottage Antiques in Lubbock.

The group stopped for lunch at the Ice House in Ralls, and the main interest

of the day was in using primitives and collectables in decorating. Ideas gained ranged from making a coffee table from a chicken coop to napkin holders from stirrups.

Another interesting object was one of the first canning jars made from clay which was sealed with wax and half-gallon jar which was from the 1890 era.

## Monday First Young Homemakers Meeting

The first meeting of the year for the Abernathy Chapter of Young Homemakers of Texas will be Monday, September 21, at 7:30 in the High School Homemaking department. All members and prospective members are invited to attend.

Following the program, business will be conducted and refreshments will be served. A door prize will also be awarded.

The purpose of the Young Homemakers organization is to provide creative oportuni-

ties for people in maintaining effective personal, family, and community life. Anyone who is not enrolled in high school or under age 35

may join as an active member. Those over 35 may become associate members. For more information contact Marilyn Stone at 298-2563 or 298-2187.

## HAPPY BIRTHDAY

Sept. 19, 1931-Sept. 19, 1981

AN OPEN LETTER TO J.C.B.  
Dear J.C.B.

Reaching 50 years old is not so bad. When you consider what you've got. But if you started with nothing and still you've got nothing, reaching 50 is not so hot.

But when you consider everything that you have it should cause you to shout with glee. After all is said and done, You've got a daughter and son and above all you still have me.

So be happy each morning when you open your eyes. Drink down another glass of tang. Just thank the Good Lord you've made it thus far. To be a member of the over-the-hill gang.

HAPPY BIRTHDAY J.C.B. LOVE, T.T.B. AND THE KIDS

## BIRTHS

Mr. and Mrs. Joe G. Olivias are the proud parents of a baby girl, born September 3rd at Hi-Plains Hospital in Hale Center.

She weighed 7 lbs. 19 1/4 ozs, and is 18 1/2 inches long. Her Name is Mary Alice.

**CARD OF THANKS**

To our many wonderful friends we wish to express our gracious "Thank You" for first of all; your prayers and thoughts, love and concern, while I (Boyd) was in the hospital and now at home. Your visits, cards, flowers, gifts, and calls have been a great inspiration to us.  
May God Bless Each of You, Boyd & Charlie Mae Griffith (46-1tp)

We would like to Thank all those that sent cards and flowers while my wife was in the hospital. But most of all for your remembrance in prayer.  
May God Bless You, Martha & Joel Perez (46-1tp)

**BEEF CATTLE CROSS-BREEDING**

Benefits of crossbreeding are hybrid vigor, favorable breed combinations and complementarity, says a beef cattle specialist with the Texas Agricultural Extension Service, Texas A&M University System. Performance of crossbred cattle must exceed the best purebred or else crossing serves little purpose. Favorable breed combinations increase the frequency of desired traits even if there is no hybrid vigor. Complementarity deals not only with matching desired features of breeds, but also with getting rid of or reducing undesirable traits.

**PUBLIC NOTICE**  
Public Notice  
A Public Hearing will be held by and before the City Council on the 28th day of September, at 7:00 p.m. in the meeting room of City Hall for all persons interested in the City's operating budget for the 1981-1982 fiscal year. At said time and place all such persons shall have the right to appear and be heard.  
The City's operating budget for fiscal Year 1981-1982 includes the expenditure of General Revenue Sharing Funds to be received by the City during Entitlement Period 13 (October 1, 1981 to September 30, 1982). It is estimated that the City will receive \$19,001 in General Revenue Sharing Funds during the above entitlement period and all of these Revenue Sharing Funds have been budgeted for general Street Maintenance. All persons have a right to provide written and oral comments on the entire budget and ask questions concerning the relationship of revenue sharing to the rest of the budget.  
A copy of the entire operating budget proposed for adoption will be available for inspection by interested persons in the City Offices prior to the Public hearing. You are asked to contact the City Manager if you have questions concerning the city's Proposed Operating Budget.  
By order of the Abernathy City Council, this 14th day of September, 1981.  
J. Pete Thompson Mayor

**PUBLIC NOTICE**  
The City of Abernathy, Texas hereby notifies the Energas Company, all interested parties, and all members of the public that it will, pursuant to Article 1446c, Section 43c, Texas Revised Statutes, enter on a hearing commencing at 7:30 p.m. on the 28th day of September, 1981, to consider evidence with respect to the application of the rate increase filed by Energas with the City on July 31, 1981.  
Done this 14th Day of September, 1981.  
City of Abernathy, Texas

# "A Glance At The Past"

BY BUFORD F. DAVENPORT

From The Abernathy Weekly Review dated August 21, 1941:  
After ten years as janitor at County Line School, and one year at Abernathy Schools, Abbie Stanhope this week goes to Shallowater School, where he will be in charge of the buildings and campus. He plans to move his house to his new place of employment.

August 28, 1941 Review:  
C.C. Shipman announced that the local Church of Christ has named O.O.O. Newton as minister for the Church. (I believe the O's are Oscar Ozro Ott).

Teachers and students of Abernathy and New Deal Schools were preparing for the opening of a new school term. R. Lee Snider was superintendent at Abernathy and A.L. Faubion was superintendent of school at New Deal.

Harlow Iverson, Edgar Struve and Mutt Brown were driving R.E.A. electric wiring at Stanton.

Mr. and Mrs. Carl Hudgens were here from Houston to visit his mother, Mrs. F.G. Hudgens, and her father, J.B. Collier.  
Clyde Hodges, who was being transferred from Chanute Field, Illinois to the 48th Bomb Squadron at Tucson, Arizona, visited here with his parents, Mr. and Mrs. J.A. Hodges.

Mr. and Mrs. Otto Curry and daughter were visiting her parents in Beaumont. (1981 comment: a former Tuco plant employee, Otto, a lot of years ago, moved to Louisiana and was employed by a pipeline company. Later, he was employed by the Monroe, La., Municipal Electric power plant.

In the recent past, Otto retired from that job. A few months ago, Otto was pressed into service by the pipeline company, and he and Mrs. Curry were in temporary residence at Baton Rouge, La.

Back to 1941:  
Farmers of this area are planning to dig a number of trench silos in which to store the good feed crops.

Rev. and Mrs. Loyd

Barnett of Monte Vista, Colorado, visited here in the home of her parents, Mr. and Mrs. Gid B. Adkisson, Sr.

BIRTH-A 7 pound 5 ounce son was born August 22 to Mr. and Mrs. James Atcherson of Lubbock. He is the grandson of Mr. and Mrs. R. Heggen of Abernathy.

Local clubs plan to start the new season in September. The Junior Study Club will meet Mrs. Hoyt Thornon Sept. 2. The As You Like It Club will meet with Mrs. A.B. Myatt Sept. 4. The Art Study Group will meet Sept. 9, with Mrs. Philip Sterrett as hostess and Mrs. Jack Brown as program leader. Mrs. J.W. Harris will be hostess to the 1935 Study Club Sept. 11.

Irvan Rhodes, formerly employed at Abernathy Motor Co., is working in an airplane factory at San Diego, California. He is staying with Dewey Smith and Gene Willis, also works in the airplane factory.

Mrs. Jack Hackler, home economics teacher in AHS, attended a home economics meeting in Dallas.

The Lakeview School, located three miles north and six miles east of Abernathy, will open for a new term Monday, F.H. Copeland is the new principal. Other teachers are Mrs. Copeland and Mrs. Verna Humber.

Mr. and Mrs. Ernest Cotton returned from a vacation in New Mexico and Colorado. Mrs. Walt Cotton and daughters, who visited several weeks in Cortez, Colorado, returned with them.

An advertisement placed in The Review by Santa Fe urged vacationers to ride the Santa Fe passenger trains to Grand Canyon, Carlsbad Caverns, Yosemite, Indian detours and California.

(1981 comment: Abernathy had two passenger trains each way, north and south, every day. If you missed the dispatch at the local post office, you could take it to the depot and mail it to the mail car, which was a part of the passenger train).

The Hale County tax rate was set by the Commissioner's Court at 53 cents

per hundred dollars valuation. It was the same rate as used by Hale County in 1940. Rudolph Struve and Chas. Schuler of Petersburg, were in Big Spring on business Wednesday.

About 25 new members were added to the Monroe Baptist Church during a 12 day revival conducted there by the Rev. Jeff Welch of Lubbock. Sixteen were baptized in a service at Lubbock's Central Baptist Church Sunday afternoon. The Rev. Mr. Welch was pastor of Central Baptist Church.

Reports said Rev. W.A. Amerson was to preach at the Lakeview Methodist Church Sunday at both worship services. A son of Mr. and Mrs. A.G. Amerson, W.A. was graduated from Abernathy High School and Texas Tech College (later changed to University). He was to receive a Doctor of Divinity degree from Asbury College, at Wilmore, Kentucky, in 1942.

From J.C. Turner's Cash Grocery & Market advertisement: peanut butter, quart, 25 cents; 48 pounds of flour, \$1.55; Karo syrup, 5 pounds, 34 cents; Crisco, 3 pounds, 59 cents; Rainbow bleach, quart, 10 cents.

- Tuesday Meat Loaf W/ Catcup Mashed Potatoes Spinach Cheese Rolls White Cake W/ Chocolate

# Struve's Trip To China

Struve's Trip Continues... By Arno Struve

We eventually wound up in far west China, an area inhabited by few ethnic Chinese. The cities we visited in the far west were Urumxi and Turfan.

The ethnic group called Uigurs are predominate there. They are entirely different from the Han Chinese and are largely Moslems. These people, were exceptionally friendly and curious about the strange people from far places.

As everywhere else when our bus stopped, a large crowd would gather to see the peculiar foreigners. They were as uninhibited about looking us over as we were in gaping at them. And they were always friendly.

Though the economic sys-

tem is communistic, the Chinese are practical enough to permit the farmers to have a little land of their own on which they can produce and have available for sale at "free markets" all kinds of produce. Sometimes the official markets are almost abandoned but the "free markets" are always thriving places.

Unlike the Soviet system where all decisions are centrally made, the Chinese system is much more diverse. A commune elects its manager and leaders who make the business decisions, and contract with the central government. The elections are held every two years.

We saw one manager who had served as commune boss for 27 years. He was most capable it appeared to us. If I understand correctly this system is one of the things that the Polish trade unions want. It would result in greater efficiency and production in my opinion.

I might interpose strongly at this point that I would never care to live under a socialist system. There is too little freedom of choice; too little chance for personal decision-making and inventive originality. We found several times that our movements were stymied and in need of decision but nobody could make a move until higher authority was consulted.

For instance, once we were confronted with high water in the mountains and we Americans soon saw that we'd have to give up and go back to the city where we

were staying, but the guides didn't make the decision until one of them walked in the rain several miles back to a telephone to get instructions.

It was obvious to us that going forward didn't make any sense because we'd already been long delayed and our arrival at best would have been so late that it would make the trip completely useless. I spoke up so often urging returning to our hotel that our guide, David Ownby, asked me to be quiet: in other words shut-up.

At last we did turn around and traveled a mountain road back to the city with the bus lights turned off most of the time. We thought it a bit scary. The hotel had supper waiting for us that night and even the Chinese food looked good. A telephone call up the road had initiated the preparation of the meal. The warmth and comfort of the room were particularly welcome that night.

Another time, our bus driver refused to take a Chinese student to a hospital. The student had fallen on some rocks in the mountains and for a while the doctor, who was traveling with us, couldn't even find a pulse.

Our bus took him back part way toward the military base we had passed on our way into the mountains.

The bus-driver said that his bus was "not for that purpose" and forced the Chinese with us to transfer the student to a different vehicle for further transportation even though the boy was in shock and in danger of not surviving.

Apparently the driver dared not take it upon himself to make the decision to get the boy to medical attention. This also gave us an inkling that we Americans had more concern about the welfare of the accident victim that did the Chinese. We had used various coats to cover the lad to keep him warm. My raincoat was impressed for a pillow. When they gave it back to me I had to take it to the mountain stream and wash the blood out of it.

I have written to one of the other Chinese students who visited with us (in English of course), to find out if the boy survived. The English speaker was studying English at Xinjiang University; he had given us his address before the accident requesting that we write to him.

Struve Trip To Continue Next Week.

## Ethel Abernathy

Services for Ethel Abernathy, 93, of 2621 32nd St. were at 2 p.m. Saturday in Ford Memorial Chapel with the Rev. J.T. Bolding, a retired Baptist minister, officiating.

Burial followed in Resthaven Memorial Park under direction of Sanders Funeral Home.

She died Friday afternoon in Highland Hospital after a long illness.

Mrs. Abernathy was a native of Alabama. She moved to Lubbock from Floydada 41 years ago. She was preceded in death by her husband, Robert, in 1972.

She was a member of First Baptist Church.

Survivors include a son, Judson of San Antonio; a daughter, Chlotilde of Abernathy; two grandchildren, and three great-grandchildren.

ANNETTE JOHNSON AND HAL HOWARD answered phones set up at the Abernathy Fire Department during the Jerry Lewis Muscular Dystrophy Telethon last Monday. Donations and pledges were called-in to volunteers at the Fire Department. (Review Photo)

# TRANSITION

## W. C. Webster

Services for W.C. "Chuck" Webster of Abernathy, were at 2 p.m. Friday at Abernathy Church of Christ with Condy Billingsley, minister, officiating.

Burial was at Abernathy Cemetery under direction of Chambers Funeral Home of Abernathy.

Webster died Wednesday, September 9, at High Plains Hospital after a brief illness.

Webster was a native of Gainesville and moved to the New Deal area in 1928. He was a veteran of World War II serving in the Army Air Forces. Webster had lived in Abernathy for the past 23 years.

Survivors include two sisters, Ada Jennings of Abernathy and Elma Perryman of Ardmore, Okla.; and a brother, Demp of New Deal.

They moved to Colorado Springs soon after Mr. Hardesty retired. In 1970 they moved into the Medalion Retirement Residence in Colorado Springs where Mrs. Hardesty still resides.

Mr. Hardesty's father and mother, R.M. Hardesty and Effie, were pioneers of Abernathy. The family came to Abernathy from Johnson County in a covered wagon.

R.M. Hardesty established the first Dry Goods Store in Abernathy which later became the hardware store. He established other businesses and owned farm lands here.

Edwin is survived by two brothers: James M. Hardesty of Bernardsville, New Jersey, and Wesley Hardesty of Friona, Texas. Two brothers, Aubrey, and Rudd, and one sister, Anne, preceded Edwin in death.

## Ed Heath

Services for Ed Heath, 86, of Abernathy were at 2 p.m. Monday at First Baptist Church with the Rev. Lloyd Riddles, pastor, officiating.

Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

Heath died Friday in West Texas Hospital in Lubbock after a lengthy illness.

Heath was born in Kentucky. He married Mary Stogner in Frost, Dec. 18, 1923. He had lived in Abernathy for 57 years. He was a member of Odd Fellows 809 in Abernathy and was an Odd Fellow for 50 years. He was named Odd Fellow of the Year in 1978.

Survivors include his wife; a son, Gene of Abernathy; two daughters, Fay Fritz of Miami, Fla., and Mildred Franklin of Stanton; four sisters, Katie Owen of Abernathy, Thelma Hincke of Frost, Mattie Wade of Hillsboro and Iva Davis of Yazoo, Mis.; two brothers, Robby Heath of Abernathy and Clovis Heath of Rim Forest, Calif.; five grandchildren; and three great-grandchildren.

## Judy Bills

Judy Fern Bills, 35, a life-long Stephenville resident, died at 5:45 a.m. Saturday at Medical Plaza Hospital in Forth Worth after a long illness.

Services were held Monday at 2:00 p.m. in Stephenville Funeral Home Chapel. Payne Hattox, a Church of Christ minister, officiated.

Mrs. Bills was born January 25, 1946 in Dallas. She married Buddy Bills October 1, 1960 in Stephenville. She was co-owner and operator of Stephenville Floral for many years.

She is survived by her husband, two sons Toby and Tommy of Stephenville, and one daughter Mrs. Billy Voorhies, her grandmother and stepfather Mildred and Dexter Williams also of Stephenville, two grandchildren Cody and Cory Voorhies and several aunts and uncles, including Winnie Phillips of Abernathy and Gary Phillips, a cousin.

## C. Edwin Hardesty

C. Edwin Hardesty died of a heart attack in a Colorado Springs Medical Center August 30.

Mr. Hardesty was born in Johnson County, Texas, September 14, 1897. He came to Abernathy in 1909 and lived here until his retirement from Southwestern Public Service at the Tuco plant in 1962.

He was married to Mary Jerene Hooks July 30, 1924, in Oklahoma City. Mrs. Hardesty taught school in Abernathy until her retirement in 1960.
