HOME OF THE STATE CHAMPS  
Antelopes 1980 Lady Lopes 1981  
VOLUME 60 NO. 48 [Serving Hale, Lubbock Counties] THURSDAY, OCTOBER 1, 1981 U.S.P.S. NO. 093-340

## Antelopes Edged In Defensive Battle 9-6

The Abernathy Antelopes were defeated Friday night by the Roosevelt Eagles in a game that could be classified as the Antelopes defensive battle of the year, a battle which they would lose 6-9.

The Antelopes produced the offense in the first half gaining 143 yards on the ground and 14 passing to only 69 yards for Roosevelt. The Lopes had 9 first downs after the first half and penetrated the 20 yard line two times without scoring against the tough Eagle defense. Roosevelt only produced 3 first downs and never penetrated the Lopes 20 yard line in the first half.

The first time the Lopes possessed the ball in the first quarter, they put together an impressive drive that took them to the Eagle 11 yard line. But 14 yards were lost in the next two plays

and a pass missed the third.

The Lopes held the Eagles in their second drive and Roosevelt was forced to punt. The Antelopes second possession, they put together another decent offensive drive down to the Eagles 7 yard line, only to be stopped again. On fourth down the Lopes chose to kick for three extra points, but due to a missed kick, the Lopes failed in their attempt to put the first score on the board.

The Antelopes defense put on an awesome display of defensive strength to stop the Eagles from scoring in the first half and it ended 0-0.

### Second Half

The Eagle secondary completely demolished the Lopes passing game in the second half and the Lopes were forced to gain yardage on the ground.

The first score came in the Eagles first possession of the second half. A drive highlighted by an 18 yard half-back pass and a 16 yard run into the Lopes end zone made the score 7-0.

The Lopes were stopped in their next drive, but Kenneth Moss recovered an Eagle fumble the next time the Eagles had the ball.

The fumble was at the Eagle 31 yard line. The Lopes took over and after an 18 yard pass interference call, they were on the Eagle 2 yard line. Two plays later Max Riley rushed 1 yard for a touchdown.

The score was 6-7 and again Abernathy was faced with the problem of not having a kicking game. The Lopes went for two points, but only to fail in their kicking attempt and the Lopes would remain one point behind the Eagles.

The Lopes then kicked to the Eagles and after several successful runs, including a 20 yard run, the Eagles were down to the Lopes 24 yard line and threatening to score. But the Lopes defense put an abrupt stop to this drive and received the ball after fourth down.

The Lopes would possess the ball two more times in the game, but excluding a nine yard pass to Cannon, little offense could be generated. Time ran out for the Lopes in the final minutes of the game. They were forced to take a safety in order to get relief from being pushed deep into their own territory.

After the Lopes final punt, the Eagles ran out the clock on their next possession and the game would end 6-9.

RODNEY CANNON is pictured making one of the few pass receptions Friday night at the Roosevelt stadium. The Eagles won the defensive contest 9-6. (Review Photo by Doyle Albrecht)

## Antelopes Take On Muleshoe Friday

The Antelopes will take on the Muleshoe Mules this Friday night at Muleshoe and the game will begin at 8 p.m.

Varsity football coach Larry Aldridge stated that Muleshoe will be the toughest team the Antelopes have had to face this year. "They are extremely quick both offensively and defensive-

ly" Aldridge stated.

Muleshoe holds a record of 2 wins and 2 losses thus far in the season.

The Antelopes JV and Freshmen teams will play Muleshoe at the Antelope Field at 5 p.m. today. The 7th and 8th grade teams will play against Idalou at Idalou today at 5 p.m.

## Adult Computer Program Classes Underway

Computer-assisted program classes will be held at Abernathy High School Monday and Thursday nights. Sessions

will be held these nights from 7-8 p.m.

At a Monday night session, Mrs. Jerry Boyles, Proctor for Computer-

Assisted Instruction, explained the computer-assisted program offered at Abernathy High School.

This program consists of basic programming and computer literacy on three different types of computers—Terminals, which are connected to a central computer system at the Lubbock Educational Service Center, the Apple, and the "Pet" Commodore, which are micro-computers.

Mrs. Boyles also told the group that individuals move through the computer courses at their own pace, and that computer programming is a very personalized and individualized course.

Mrs. Boyles informed the group that Abernathy Schools have recently purchased several of the "Pet" Commodore computers, which have excellent software (computer courses) for the public schools.

Dr. Lyndell Hutcherson from the Carrollton-Farmers Branch School Dis-

trict is assisting Abernathy Schools in setting up the "Pet" Commodore Computer Program. Dr. Hutcherson is experienced in the Computer Programming and Technology Field, and has complimented Abernathy as having one of the best computer school programs in the state of Texas.

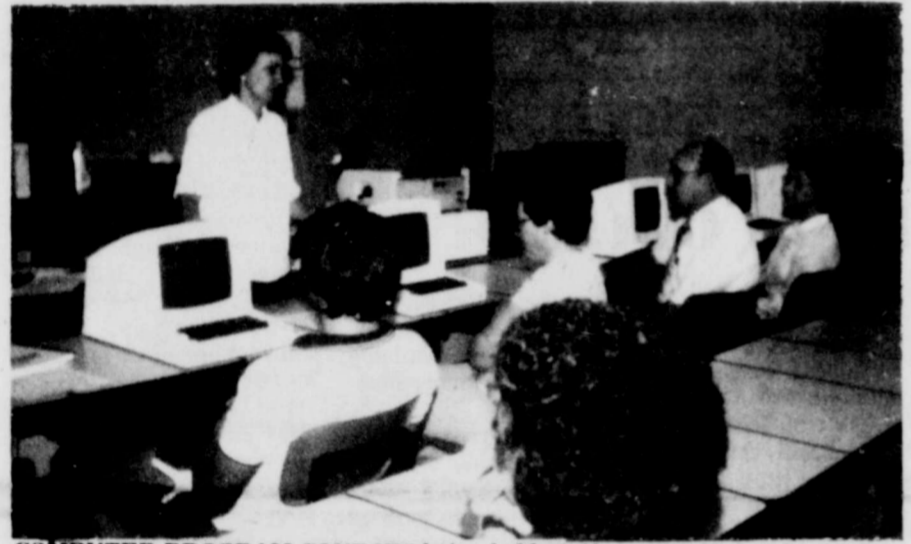

Individuals attending the Monday night computer session were Diana Phillips, Betty Neve, Clara Harp, Elbert Harp, Yvonne Evans, Cody Connell, Brenda Sanders, Nancy Schaap, Nancy Allen, Ann Hacker, Kathrine Hemphill, Jettie Hall, Marsha Sanders, Mary Rose Bowen, Sharon Ester, Dan Ryan, Floyd Galloway, Annette Johnson, Carl Johnson, Velma Neill, Cherylene Vandygriff, Rodolf Cardenas, Leonardo P. Cortez, Keith Ellis, Susie Ellis, Marie Fowler, Richard Davalos, Jean Cranford, and Linta Salazar.

## Crowell One Of 13 Re-Indicted

Max Crowell, 38, of Route 1 Abernathy, was one of the 13 people originally indicted by the grand jury in June in connection with the seizure of over 600 pounds of marijuana, worth \$310 thousand, at the Abernathy Municipal Airport April 4.

Crowell, along with 12 others, was charged in a sealed indictment this August. The new indictment, which was released this past Thursday, charges the individuals allegedly involved in the incident under a single count in order to try all of them at the same time.

A pre-trial hearing in the case was scheduled for September 23 in the 242nd District Court. The trial is expected to begin October 12.

COMPUTER PROGRAM COURSES being held at Abernathy High School every Monday and Thursday nights. There are two classes each night both made up of 12 people. They are held from 7-8 and 8-9. Pictured is instructor Mrs. Jerry Boyles and class members Cody Connell, Yvonne Evans, Elbert Harp and Clara Harp.

## Williams Trial Declared A Mistrial

Six jurors deliberated four hours last Wednesday and couldn't reach an unanimous decision on whether Ex-Abernathy Police Chief Jimmy Williams is guilty or innocent of sexual mistreatment charges.

The trial stems from an event which allegedly took place March 2 in Abernathy. Williams was accused of compelling a 20 year old woman to submit to deviate sexual mistreatment and compelling a 21 year old woman to

disrobe before him.

The two women told the three-man, three-woman jury that the 34 year old Williams committed this act the night of March 2 when he allegedly came to their mobile home. Williams testified that he was checking out a report of a prowler elsewhere in the city at the time he was accused of being with the women.

The two misdemeanor charges were filed by the Criminal District Attor-

ney's Office in Lubbock March 20. The Class A misdemeanor is punishable by up to a year in jail and a \$2 thousand fine.

The jury became deadlocked when five of the jurors decided Williams was innocent and one juror thought him guilty. The verdict must be a unanimous vote of either innocent or guilty.

It was not known at press time if Williams would be tried again.

## Money Needed To Complete Museum Fence

Construction on the Hale County Agricultural Museum, located southwest of Hale Center, was begun recently. The museum is located in the vicinity of where the drive-in theatre used to be outside of Hale Center.

Rudolph Struve has been appointed to the Board of Directors of the museum. Struve stated that the land for the museum has been acquired, but money is needed to complete a chain-link fence on the property.

A ten foot section of fence will be needed to complete the fence and the amount needed is \$100.

Donators to this worthy cause will be recognized. All donations will be listed on a roster board to be placed at the site. Donations do not have to be limited to \$100 as funds will be needed for several museum projects.

Old farm implements will be needed for the museum after construction has been completed. Artifacts can also be put in the museum on loan, meaning the owner can keep his title to the property he donates.

This museum may prove to be an interesting project for the citizens of Abernathy as well as the other com-

munities in Hale County. It will benefit Abernathy as a source of knowledge of our farming heritage. It is hoped that this project will draw the support and interest of Abernathy citizens.

## Ever See An Antelope Skin A Mule?

An Editorial By Jack Moss  
Booster Club President

That's what's going to take place at Muleshoe Friday night! Abernathy will be represented by the finest young people in the country when the football team led by six of the prettiest cheerleaders to be found anywhere takes the field.

At halftime you will be entertained by one of the finest 3A Bands in the state led by their classy drum majors and pretty majorettes. These are just the young people performing on the field; the stands will be full of more just like them cheering them on.

All of these young people have worked very hard to perfect their various tasks. If you think playing football is not hard work, go by one of the workouts some afternoon. Incidentally before the team starts to work on Monday afternoon, the coaches, have already spent most of their week-end studying films, and making their plans for this week's game. If you think that sometimes they don't tackle or make a play like they should, challenge one of them to a wrestling match and get an idea of the strength they compete against.

If you think that marching in the band is not hard work, then learn to play an instrument and march and count all at the same time. Or learn to twirl a baton and do a rhythmic routine at the same time.

If you think cheerleading isn't hard work, try (in addition to sign painting and goodness knows what else), to learn to sit down on the ground with your legs pointing in opposite directions.

The Lopes are coming off a disappointing loss last week, and they are going to be out for Mule skins Friday night. These young people don't just belong to their Moms and Dads; they belong to the whole community. They are our pride and joy. Let's all go help them skin a mule and let them know we're behind them!

Jack Moss,  
Booster Club President

CARRIE SMYERS was selected as this year's Homecoming Queen and is pictured here wearing the Queen's Crown and a bouquet of roses presented to her. Carrie was escorted by Chris Hearn. (Photo Courtesy of Franklin Dooley)

## Area Showers Unpopular

Storm clouds brought rain showers to the Abernathy area this past week. Abernathy received 40 inch rain Thursday and 51 inch Friday.

The thunderstorms spurred some small hail to fall in different fields over this entire area.

New Deal reported hail covering a small area four miles northwest of this town. Mrs. Clayton Teeter, stated that the hail stripped cotton on some of the New Deal farms.

Abernathy and New Deal received some of the heaviest rainfall last week. The moisture has delayed the harvesting of corn and grain sorghum. Cotton development has also been set back by the moisture and cool weather.

Total rain for the month of September amounted to 1.84 inches.

Masonic Lodge To Meet  
The Abernathy Masonic Lodge AM and FM 1142 will have their regular meeting October 8th at 7:30 p.m.

Members are urged to make a note of this meeting slated for next Thursday.

## Rebates Up For Abernathy

State Comptroller Bob Bullock Monday said 750 Texas cities received \$40.9 million in city sales tax rebates for September.

The September payments push the city's rebates for this year to \$480.3 million, up 14.7 percent over yearly payments to date during 1980.

Abernathy's check this month is for \$2,927 bringing the city's 1981 total to \$39,771 up 13.96 percent over 1980.

## Great Society Homemakers

The Great Society Homemakers Association held its first meeting of the season at Abernathy Neighborhood Center Sept. 21st with seven members present and four guests.

Maybell Glass, president, opened the meeting with prayer and the reading of a poem.

Roll call was answered to "How I Save Money." Wymon Mayes, County Extension Agent, brought a program on cost of Credit. She asked how many women

## Meeting

bought on credit. She reminded members that you use credit when you borrow 1/2 cup sugar from a neighbor. You are using this person's assets.

She gave about eight questions one should ask one's self before buying on a credit. Some of these questions are: Will the item last longer than the payment? Can I meet this payment plus all other monthly

expense? Is this item worth the added cost?

Maybell Glass and Imogene Suttle, earlier in the day, attended a council meeting at the Plainview Ag Building. Those present were: Romona Betancur, Imogene Suttle, Maybell Glass, Alice Pace, Juanita Brantly, Juanita L. Dominguez, Lupe Macio, Eldia Marez, Nora Garcia, and guests were: Sylvia Dominguez and son, Steven, Irene Acosta and Nokemi Santos.

## Grimsley Family Reunion Sept. 19 And 20

Those attending the annual Grimsley family reunion at the Haskell Country Club September 19th and 20th were: Mr. & Mrs. Bill Grimsley of Knox City, Mr. & Mrs. Rusty Grimsley, Wes and Kim of Seymour, Mr. & Mrs. Bob Grimsley, Debbie and Robert of Graham, Mr. & Mrs. David Phillips, Amber and Mindy of Graham, Mr. & Mrs. Clois Thomas of Haskell, Gary Thomas & Rita Campbell of Haskell, Mrs.

Teresa Hudspeth and Amy, of Rochester, Mr. & Mrs. Fritz Buerger of Haskell, Mrs. Diane Pittman and Erie of Lubbock, Mr. & Mrs. Bobby Grimsley, Mr. & Mrs. Larry Grimsley, Cathy, Mike, Jerry and Billy all of Abernathy, Tammy Shaffer, Millisa Hagstrom, Mrs. Pearl & Gerald Grimsley all of Abernathy.

The event celebrated the birthday of Mrs. Pearl Grimsley, the Mother,

grandmother or great-grandmother of most of those present.

## 1935 Study Club Meeting

Mrs. Vester Embry, of 2528 71st Street Lubbock, was hostess to ten members of the 1935 Study Club, Thursday September 24th at 3:00 p.m. The club continued their study for the year, "Understanding China." Mrs. Jack Hackler brought a most interesting program entitled, "This is the China I Saw." A discussion of Chinese food was next on the program.

Refreshments were served to the following members: Mrs. J.C. Mills, Mrs. Lee Echols, Mrs. John Hale, Mrs. E.A. Houston, Mrs. Robert McAlister, Mrs. Arno Struve, Mrs. Robert Carter, Mrs. Glenn McDonald, Mrs. Jack Hackler, Mrs. Ralph Davis.

The next meeting will be October 8th in the home of Mrs. Hilburn Barrick. The program title is "Peking, the City They Call Red China's Showcase."

# Society and Features

## Johnsons To Be Honored On 50th Wedding Anniversary

Mr. and Mrs. J.L. "Cotton" Johnson will be honored with a 50th wedding Anniversary Reception, Sunday, October 4th, from 2 to 4 p.m. at their home in Abernathy.

The Couple's children will host the reception. They are

Mr. and Mrs. Lynn Shadden of Abernathy and Mr. and Mrs. Houston Powell of Beeville.

The former Felicia Brodbeck and Mr. Johnson were married October 3, 1931 at Carter, Oklahoma.

The Couple has two grand-

daughters, Vicki Lynn Shadden attending Tarleton State University and Kelle Powell attending West Texas

State University. All friends of the couple are invited to attend.

Mr. and Mrs. J.L. "Cotton" Johnson

## South Plains Junior Miss Program Nov. 14

A great adventure for outstanding high school senior girls on the South Plains is underway. Plans were announced by Brenda Becknell for the first annual South Plains Junior Miss Program, which will be held November 14, 1981, at 7:00 p.m. at Evans Junior High in Lubbock. The program is a project of the Metro City Chapter of the American Business Women's Association of Lubbock.

The local competition is part of a nationwide pro-

gram to honor and reward leading high school girls for achievement in scholastics, creative talents, self-development, and community betterment. Thousands of dollars in scholarships will be awarded to winners.

Local girls can enter if they are seniors from ages 16-18. They must reside within 50-mile radius of Lubbock.

The winner will be the South Plains Junior Miss and will compete in the state Junior Miss Program held in New Braunfels in January. Deadline for entering is October 10.

Applications may be obtained through the high schools, local department stores, and Metro City ABWA members. Further information may be obtained by calling Brenda Becknell, 797-8134 or Arla Adams, 747-3201. America's Junior Miss is sponsored nationally by Clairol, Coca-Cola USA, Kodak, Kraft and Simplicity.

"Experience is in the fingers and head. The heart is inexperienced."  
Henry David Thoreau

## Methodist Youth Enjoy Game Night

The Sr. High youth met Sunday night September 27th after church, in the home of Mr. and Mrs. Richard DuBose. This was a game night and refreshments were served. Thirteen youths attended and everyone seemed to have a good time.

Sunday night, October 4th at (7:00 p.m.) there will be another fellowship for the Sr.

High youths in the home of Mr. and Mrs. Richard DuBose.

There were eleven Jr. High youths present after church at 7:00 p.m. at the Methodist Church with Jerry & Jeannie Johnson for the regular meeting Sunday night, September 28th. A week ago this group went on a hayride. Those sponsoring the hayride were Johnnie &

Liz Spradling, Joe & Jack Oxford and Jerry & Jeannie Johnson. Twenty-nine youth were present for the hayride.

Jr. High youths are welcome to come and meet with us every Sunday night after church at 7:00 p.m. with Jerry and Jeannie Johnson at the church.

## Parsons Reunion Held At Brownwood Park

A reunion of the Parsons family was held September 25th thru 27th at Brownwood State Park in Brownwood.

Those attending were Mr. and Mrs. R.L. Parsons of Abernathy, Trixie Tomlinson and Mr. and Mrs. George Owens of Newcastle, Mr. and Mrs. Raymond Parsons and Mark from San Antonio, Mr. and Mrs. Jack Parsons from San Angelo, Vannoy Par-

sons, Glenn Ray and Margaret Parsons and children, Tina Parsons, all from Arlington, Mr. and Mrs. Mearl Parsons from Seabrook.

Several cousins and aunts also attended and they are Mr. and Mrs. Haskell,

Threadgill Cleburne, Bob and Dessie Knott from Midland, Novie and Shorty Ware from Blackwell, Norb Kill-

donk from Brownwood, Hal Howard from Abernathy came by. All reported having a good time.

## "Wheels For Life" Bike-A-Thon Oct. 10

Bike-a-thon chairman, Jose Luis Gonzalez, today asked Abernathy and New Deal residents to participate in the St. Jude Children's Research Hospital "Wheels-for-Life" Bike-a-thon, October 10.

Volunteer workers and riders are needed for the Bike-a-thon to raise funds for the world-famous research center and its battle against childhood cancer and the other catastrophic childhood diseases.

Jose Luis Gonzalez said this year's ride is being dedicated to Terry, a leukemia patient at St. Jude.

"By riding for Terry, we'll really be helping all stricken children since research is the only way these illnesses can be conquered," Mr. Gonzalez said. "We're looking for people who will contribute some of their time and energy to help children live. We really need bike riders, since they are the ones who can make this Bike-a-thon successful."

In the Bike-a-thon, riders enlist sponsors who donate a sum for each mile completed. Riders who raise \$25 will receive a St. Jude T-shirt, and those raising \$74 will receive a jacket," said

Mr. Gonzalez. "We also have prizes for other riders." Sponsor forms are available at New Deal Superintendent's office.

"You can put your muscles to work for a child's life at this 'Bike-a-thon,'" Mr. Gonzalez said. "we need every bike and every rider."

Interested persons can contact Jose Luis Gonzalez, Box 72, New Deal, Texas 79350, or call 746-6739.

St. Jude Hospital was founded by entertainer Danny Thomas, and operates primarily from public contributions.

**WEEKLY DEVOTIONAL**  
Man has a sense of insufficiency. He looks for someone or something he can rely on—someone or something that can supply what is missing in him. He needs someone or something to give him assurance and security. He needs someone or something to take away his feelings of loneliness. Man desires to be happy. He looks for someone or something to fulfill him. Man needs a purpose for his life and his activities. He searches for someone or something to make his life worth living.

Many people look for these things in the wrong place and, as a consequence, never find what they are looking for. This accounts for many of the problems of man. He relies on things that are very shaky and thus loses the ground from under his feet. Such a man is "like the foolish man who built his house on sandy ground. The rains fell, the torrents came, the winds blew and lashed against his house. It collapsed under all this and was completely ruined" (Mt. 8: 26, 27).

## Forces Joining To Control "Hard To Control" Weeds

The Hale County Noxious Weed Control District and the County Extension Office are joining forces to inform farmers on controlling 'hard to control' weeds with fall applications of herbicides. These two organizations are working together and pointing out some of the ways and means that these weeds could be controlled and this should be done with a fall application.

On Lakeweed or Woolly-leaf Bursage, Roundup applied in the fall of the year at the rate of 1/3 gallon/acre plus one quart Banvel per acre plus Ag 98 surfactant

has given upwards to 85% control of the weed the following season when applied in the fall and when the weeds are in a good growing condition and in a mature stage.

Bindweed which is very difficult to control unless you are growing wheat as a crop that you can work on the bindweed in the summer. As a spot spray treatment, Roundup is effective on this weed when applied in a mature stage and in a good growing condition in the fall. Also if the spot could be marked a soil sterilant treatment used in spot treatments

work well in controlling bindweed and can be put out during the winter if the location of the bindweed patch is known, however, the soil is non-productive for a period of 2 to 3 years.

Whiteweed or Silverleaf Nightshade, some farmers are spot spraying Roundup and with Ag 98 surfactant to the whiteweed in a mature stage (berries present) and having at least two weeks before a freeze occurs, gives 95 percent control.

Blueweed control may be obtained from 80 percent to 90 percent control, in the mature stage when Roundup

is applied plus Ag 98 surfactant.

County Agent Ollie Liner and Weed Control Supervisor Grady Reeves state that the above recommendations, which have been obtained from Dr. John Abernathy, Research Scientist working in weed control at the Texas Agricultural Experiment Station in Lubbock, works well when applied in the fall at least two weeks before frost.

They also state that additional information can be secured at their office for the asking or a telephone call.

The Liberty Bell was cast in England in 1752 for the Pennsylvania Statehouse.

## COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

It now appears it may be possible to avoid most of the threat to West Texas cotton producers posed by the "Heflin amendment" to the cotton section of the 1981 Senate Committee farm bill, according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock.

The amendment would have required the Secretary of Agriculture in future years to compute grade, staple and micronaire (mike) discounts on a one-

to-one average of the previous year's loan discounts and recent spot market quotations. Such a requirement, Johnson says, would greatly increase loan program discounts on much of the cotton grown on the High Plains and would adversely affect market prices as well.

The Senate passed the Heflin amendment late Thursday night, but according to the office of Senator Lloyd Bentsen (D-TX), it also unanimously approved another amendment introduced by John Tower (R-TX) and co-sponsored by Bentsen which effectively restores USDA's flexibility in setting loan discounts.

proposed by the Committee would have distorted the market for all short staple cotton, most of which is produced on the High Plains of Texas, and I am pleased at the Senate's action."

Johnson, too, was pleased by the Senate's action, but went on to say "We still have to convince the Secretary that both current and Heflin-proposed discount-setting procedures are discriminating against our cotton qualities—so we still have our work cut out for us."

Micronaire, grade and staple discount quotations from many of the quotations committees outside Texas often are at odds with market prices being paid and received in West Texas, Johnson contends, and therefore should either be corrected or eliminated from loan schedule discount calculation.

The disparity between some quotes and market prices, he points out, can be clearly seen in any recent "Daily Spot Quotations" report. On September 14, for example, Memphis, Tennessee quoted discounts on Strict Low Middling Spot 31/32nds staple (43-31), 2.6 and below mike, that, when applied to the base price brings the physical price on that quality to over seven cents below its loan value.

"And what producer," Johnson asks, "would sell his cotton for \$35.00 a bale less than he can get in the non-recourse loan?"

## COTTON TODAY

NCC PRESIDENT GETS INVITATION: National Cotton Council President Frank M. Mitchener, Jr., has accepted an invitation by Agriculture Secretary John Block to participate in an overseas mission. Purpose of the trip, set for Oct. 9-21, is to review overall agricultural export policy with officials in Japan, Korea, and the Peoples Republic of China.

A discussion of textile mill need for credit to buy U.S. cotton is expected to be on the agenda in Korea. In addition to Secretary Block and other USDA officials, the group will include representatives of U.S. Feed Grains Council, American Soybean Assn., and U.S. Wheat Associates.

COTTONSEED TO GET PUSHED: A National Cottonseed Products Association trade team will visit Japan, the Peoples Republic of China, Korea, and Hong Kong Sept. 18-Oct. 9 to promote cottonseed oil in the Far East.

## Plains Pest Management Report

**Wheat**  
 Many growers will be planting or have already planted wheat. Several problems can occur in our area during wheat planting time. One problem can be that of

herbicide carryover. If one is going to plant wheat in an area that is likely to have a herbicide carryover then a simple test should be performed before planting. First gather soil samples

from several locations where there might be herbicide carryover that could damage wheat. Next gather soil from an area that has not had any herbicides applied in several years or has had herbicides applied which do not damage wheat. Plant wheat seed in the soils, water and place in sunlight. After the seed emerges, one can compare the wheat planted on the suspect soil with the seedling on the control soil.

Another problem is stand reduction by white grubs. White grubs are the larval stage of the May and June beetles. Damage to plants results from larvae feeding on roots, which can kill small seedling or stunt and increase susceptibility to drought conditions on larger plants. As cool temperatures occur in the fall, white grubs migrate deep into the soil to overwinter. In many instances stand reduction can be circumvented by delayed planting.

Seed and soil-borne diseases are also a problem encountered by area growers. Extension Plant Pathologist, Dr. Robert Berry, recom-

mends the use of fungicides as a seed treatment. Seed treatments are like an insurance policy which could prevent considerable economic loss. Seed can be treated by commercial seed treaters or used in the drill box during planting. See attached chart for a list of fungicides suggested for the control of wheat diseases.

When buying potatoes, avoid those with a green color. This is known as "sunburn" and can be caused by too much exposure to either sun or store lights.

**Cotton**  
 During the past four years growers have shown an increased interest in the use of harvest aid chemicals. Delaying cotton harvest after the crop is ready can result in lower grades, shorter staple and possible losses in yield. In early maturing or dryland fields, harvest aid chemicals may be used to prepare a crop for timely harvest. Growers should be aware of improper use of these chemicals. In some instances growers have applied harvest aid chemicals hoping to speed up maturity of the crop.

This is just the opposite of what is true, since all fiber development stops when leaves are removed from the plant. There may be some instances where a grower might put on a very light application of defoliant on rank cotton to take off a few of the top leaves in order that sunlight and air can penetrate the plant canopy.

Harvest aid chemicals are classified into two types: defoliants and desiccants. Defoliants are chemicals which cause the leaves to shed but do not usually kill the entire plant. Desiccants kill plant tissue by causing a rapid loss of water. Leaves killed by desiccants usually remain attached to plants because of the rapid manner in which they are killed. Desiccants (paraquat and arsenic acid) are preferred in this area since cotton is stripper harvested.

Before defoliants are applied 65% of more of the bolls should be open and before applying desiccants 80% or more of the bolls should be open. At these stages the remaining unopened bolls are mature enough to open later.

For additional information on desiccants and defoliants call or come by the County Extension Office for a Cotton Defoliation Guide L-145.

The Motorcycle Safety Foundation recommends that you use a two-second following distance whatever vehicle you operate. Here's an easy way to determine if there are two seconds between you and the vehicle ahead.

Pick a reference point up ahead—a signpost or overpass will do.

When the rear of the vehicle you are following passes the point, start counting off two seconds.

If you pass the reference point before two seconds are up, you're following too closely: drop back.

Using a two-second following distance is a good habit to learn. You will be able to see potential problems up ahead more easily and others will see you better.

## Judge Marshall To Rule On Marijuana Evidence

District Judge Marvin Marshall is expected to rule within a week on whether to allow a search warrant used to seize 31 boxes of marijuana in April to be used as evidence in the October trial of 13 persons indicted for organized crime.

Marshall made the announcement following a testimony from Abernathy and Hale County officers during a four-hour pretrial hearing Wednesday afternoon in 242nd District Court.

During the hearing, defense attorneys for five of the accused sought to have Marshall rule the warrant

inadmissible. They said testimony by Capt. Mansel Gilmer, the Hale County deputy who obtained the warrant, indicated that it had been issued by Justice of the Peace Jeanne Marr on the basis of second-hand information from Sheriff Charles Tue.

However, District Attorney Richard Moore argued that Gilmer's testimony showed that the deputy also had based the application for a warrant on information supplied by Deputy Dayton Marr, who had been present at the time a van contain-

ing the marijuana had been seized.

Mrs. Marr testified during the hearing that if Tue's name had not been on the application as a "credible, truthful and trustworthy" person, she would not have issued the warrant. "All elements for probable cause for a warrant were issued and included in the warrant," Marr said.

Testimony indicated that Tue, who did appear at the hearing, was en route to the scene at the time of the incident from Lubbock and learned details of the incident only from deputies.

Marshall asked both defense and prosecution to submit briefs on the issue. He said he would rule on the motion by Wednesday.

Should Marshall rule the search warrant inadmissible, Moore said afterward he would be barred from introducing the marijuana during the trial. "I don't think it would exclude conspiracy. It would make it much, much more circumstantial," he said.

**JURY SELECTION** in the trial is expected to begin Oct. 12.

The marijuana, with an estimated value of \$310,000, was seized by deputies the night of April 4 after they stopped a van leaving the Abernathy Municipal Airport about 10 p.m. The driver of the van, Warren August Mack, 37, of Lubbock, was arrested at the scene and charged with felony possession of marijuana with intent to distribute.

Since that incident, the Hale County grand jury has indicted Mack and 12 other persons on organized crime charges, alleging that they conspired to distribute the marijuana after purchasing it in Mexico and flying it to Abernathy.

Marshall overruled another defense motion to quash the indictments, but he ruled in favor of other defense motions requiring Moore to furnish them with names and addresses of potential witnesses and to let them examine physical evidence.

**MANDY KELLY** with her Reserve Champion in the Other Breeds division at the Floyd County Fair livestock show.

**MATTHEW KELLY** with his Reserve Champion Southdown at the Floyd County Fair.

**THE ABERNATHY ANTELOPE BAND** performed in the Panhandle South Plains Fair Parade Monday morning at 10 a.m. The band marched in the parade with 48 other bands from schools all over the panhandle area. In competition, Abernathy came in third out of the 10 other 3-A bands entered in the contest. Freshness won first place, Denver City second and Abernathy was third. Pictured from left to right carrying the parade banner was: Mandy Tennell, Jill Blalock, Angie Garcia, Melissa Thompson, Margaret Cooper, Lori Pope, Kelly Thompson and Susan Stone.

## FTA Plans Year's Activities

Future Teachers of America officers met August 27 to plan events for the 1981-82 school year. Some of the activities planned for this year are the traditional spirit boxes, teacher appreciation, and the district convention.

At the first FTA meeting members discussed the district planning workshop, this year's calendar, and the spirit boxes for the football team.

Spirit boxes are made by members of the FTA to give

spirit to the football players at Homecoming. The boxes are filled with homemade goodies.

Members also discussed the point sheets. Points are given to members of the club for certain things they do that are associated with the FTA. All of the points are then added and the four highest point scorers are given a chance to go to the state convention, which will be held in Houston next February.

## FIRST AID FACTS

### 1-2-3's of Home Medical Care

A few moments of planning can prepare any member of the household to tend to minor daily emergencies that require first aid treatment.

First, check your medicine cabinet. Is it adequately stocked with Band-Aids in assorted sizes, gauze pads, rolled gauze, and adhesive tape?

Show all family members where these dressings are stored, making sure that every item is visible, so no one has to hunt for things when there is no time to spare. You may also want to clip this article and tape it to the inside of your medicine cabinet for reference.

Always cleanse all minor wounds with mild soap and water. Remember to wash your own hands first to prevent germs from entering the cut or abrasion. Then, treat with a first aid cream or topical antibiotic for further protection.

To prevent contamination and to absorb fluids leaking from the wound, cover with a gauze dressing. First, fold the gauze in place and secure with a first aid tape. If the wound is small, use a

Band-Aid. Covering a wound also protects against injury.

First aid experts caution that deep wounds or serious burns require immediate medical attention. Take the victim to the doctor's office as quickly as possible. If you cannot reach your doctor or you have no family physician, take the patient to the closest emergency room for treatment.

Any time the skin is broken due to an injury, tetanus may result. So check with your physician to see if a booster is needed. Children's inoculations are usually up to date, but adults somehow feel that they are not vulnerable and this leaves them open to dangerous illness. Parents should keep records of all inoculations, yes, including their own and provide for booster shots whenever necessary.

After the accident, keep the wound clean, change dressings frequently and check for signs of infection: hot, painful reddening around the injured area, swelling, chills or fever.

## REVIEW SPORTS

### Freshmen Football

Freshmen game with Lockney was 13-0 in Abernathy's favor. Danny Britter caught a pass from Sammy Galloway and ran 55 yards for a touchdown. Sammy also made a 20 yard run good for another touchdown and Robert Smith's kick was good making the score 13-0.

Abernathy freshmen won 27-8 against Roosevelt. They came from behind in the 3rd and 4th quarters to win. Ross Bennett, on a pass, scored one touchdown, Sammy Galloway made two touchdowns, and Harold Miller made the other touchdowns and 2 points PAT.

### 7th Grade Football

The 7th grade scrimmage with Olton was 1-1. Abernathy beat Hale Center 14 to 0 in their second game. Chuck Thompson and Isaac Barraza each had one touchdown. Roosevelt beat Abernathy 28-14 with Gary Grisham and Rowdy Powell each scoring one touchdown.

Abernathy had 14 first downs to Roosevelt's 6.

The JV Lopes also defeated Olton 27-0 earlier this year.

### 8th Grade Football

The Abernathy 8th grade team won over Hale Center 40-20 with Billy Cooper making two touchdowns and Jamie Mansanales making a touchdown on a pass from Martin Flores. Joseph Ruiz made two touchdowns and Martin Flores had one touchdown. Ruiz and Jamie both made PAT's.

Abernathy defeated Roosevelt 16-0 with Ruiz and Cooper both making a touchdown. Billy Cooper scored on a safety and Flores made a PAT.

### Band Mag. Sales

The Abernathy Band is having their annual magazine sale. Sales started Tuesday September 29th and will continue until October 13th.

### CAR CARE

Summertime bugs on your windshield bug you? To keep it clean, not only the wipers, but the washer as well, must be in good operating condition. The Reader's Digest Complete Car Care Manual—480 pages of do-it-yourself repair and maintenance tips—offers a step-by-step procedure to check out poorly or inoperative windshield washers.

## "Be A Volunteer" Editorial:

By Billie A. Thomas

Volunteer work in a nursing home is very rewarding. There are never enough volunteers to meet the demand. There are many types of volunteers: visitors that talk and visit with residents, persons that will read to residents, those that will take residents out for a short wheelchair ride outside the building, people who will drink coffee and juice with residents, or persons that just enjoy being with people.

Special programs such as film strips, travel logs, devotionals, musical programs, children's programs and others are special treats for residents.

Church groups, school groups, clubs, and different organizations often choose a nursing home as a project and plan weekly or monthly visits.

Several persons from Abernathy are volunteers for High Plains Life Care in Lubbock. I'm taking this opportunity to thank them for jobs well done. They give willingly of their time and talents. The residents thoroughly enjoy their visits and we, the staff, truly appreciate their efforts.

Marvin and Thelma Stephens entertain with piano and organ music, and Marvin sings for us. They helped with the Christmas Party last year.

Arno Struve shows films and provides a travel log. He has been doing this for almost two years.

Rev. H.B. Coggin had a monthly church service for almost three years. He and Mrs. Coggin also provided communion for Good Friday Services.

Mrs. Francis Garvin serves on the visitation committee for the home on a weekly basis.

Mr. and Mrs. O.Q. Kelly entertained with music and dancing and the residents loved them.

Mrs. Gwen Raley plays the piano and helps with a Sing-A-Long each month. She helps with special programs such as St. Patrick's Day.

Music groups from the High School and some clubs have provided music, singing, and entertainment.

If you are interested in becoming a volunteer or know someone that can help, please contact: Billie Thomas at home 757-2247 or at the office 793-1111.

Anyway you might assist will be most welcome, and your reward will be gratifying.

Consider making someone happy and making their days more pleasant. Give me a call.

# Class Of 1972 Homecoming Reunion A Success

Homecoming weekend was the setting for a 10-year class reunion for the Abernathy High School Class of 1972. Several of the members of the class of '72 felt the reunion should be held in the fall at Abernathy's homecoming instead of during the summer.

The activities began on Friday evening, September 18, with many of the class of '72 attending the homecoming football game to see the Antelopes soundly defeat the Hale Center Owls 24-0. Following the game, a reception was held at the home of Mr. and Mrs. J.L. Irish.

Saturday, September 19, a reception was held at the Abernathy High School vocational Building at 11:00 a.m. This reception gave the classmates an opportunity to show-off their children.

Several parents of the class of '72 were also in attendance at this reception. Mrs. L.G. Montgomery and Mrs. J.L. Irish, parents of class members Susan Montgomery Breitling and Kathy Irish Wainscott, served as hostesses for the reception.

Saturday evening from six until midnight, a casual dinner party was held in Lubbock at the Ballroom of the Hilton Inn. Conversation, remembrances, dinner and a program were on the schedule that evening.

Members of the class of 1972 in attendance at all or some of the reunion activities were: Kay Barton Heep, Mr. and Mrs. Tim (Diane Harbin) Fowler, Mr. and Mrs. David Davenport, Mr. and Mrs. Robert (Jana Hamilton) Carter, Mr. and Mrs. Boyd (Cecilia Hardin)

McCarnish, Dr. and Mrs. Daryl Harp, Mr. and Mrs. Johnny Hemphill, Mr. and Mrs. Tim Hill, Mr. and Mrs. Thomas (Kathy Irish) Wainscott, Mr. and Mrs. Mike (Zandra Johnson) Luttrell, Mr. and Mrs. Boyd Knight, David Lovelace, Mr. and Mrs. Audie (Kathe McClelland) Corning, Mr. and Mrs. Jackie McGaugh, Janie Manzanales, Laurice Mason, Mr. and Mrs. Mike (Susan Montgomery) Brietling, Mr. and Mrs. Jackie (Debbie Murray) Stone, Mr. and Mrs. Mike Nelson, Cindy Oswalt Phillips, Mr. and Mrs. Dory (Margaret Flores) Perez, Mr. and Mrs. Wayne (Leigh Riley) Harkey, Mr. and Mrs. Bobby Rogers, Ruwayne Struve, Mr. and Mrs. Mike (Debra Teakell) Crowder, Mr. and Mrs. Bobby (Linda Villegas) Cuevas, Mr. and

Mrs. Morris Wilkes, Larry Sanders, Lane Harrison. During the program Saturday evening, a class meeting was conducted and everyone in attendance voted to hold some type of reunion again in the summer of 1982.

Although the class did graduate from Abernathy High School in May 1972, the formal 10 year reunion was

held in the fall of 1981, ten years since the class members were seniors at Abernathy High. The summer reunion in 1982 will be an opportunity for those unable to attend the fall meeting to attend a class get-together. The reunion committee organizers included Kay Barton Heep, Cindy Oswalt Phillips, Morris Wilkes and Kathy Irish Wainscott.

## Booster Club Chili Supper A Success

The Abernathy Booster Club met September 21st in the school cafeteria. There was a good crowd of coaches, football players and booster members. The film of the Abernathy-Hale Center game was viewed and enjoyed by all.

George Riddell gave a report on the band. They will march in the Fair Parade Monday, September 28th and go to contest in November. The band is looking good and we are PROUD OF YOU.

The Chili Supper was a great success and we would like to thank everyone for their attendance and a special thanks to Pay-N-Save for the Chili meat, Sav-A-Lot for the beans, Joe Lovelace for cooking stew, Max Martin for cooking the chili and Hilda Cannon for cooking the beans.

We would like to also thank

Joe and Lois Ann Lovelace, Don and Janice McKenzie, Bill and Katherine Houston, and Jack and Sandra Moss and many others for their work in making the supper a success.

New members are Mr. & Mrs. Lindell Myatt, Randy Peeples, Lewis Lutrick, Billy Skipper, Ken Mooreland, Jim Carver, Randy Miller, Carroll Miller, and Jesse Morrison.

Members present were: Mr. and Mrs. Lonnie Cannon, Mac Houston, Don McKenzie, Thomas Pettit, Bill Houston, Rola B. Covey, Bobbie Miller, Sandra Moss, Dan Cuevas, Gloria Ross, Carol Bradley, Billie DuBose, Donna Powell, Max Martin and Kay Knight.

The Booster Club meets every Monday night in the cafeteria at 7:00 p.m. and we would like to invite you to come.

## Science Club Dragon Wins Second In Float Contest

The Science Club decorated Jay Harrison's Toyota with a fierce dragon which read "Devour On Owls" which won 2nd place. This dragon was made out of black trash bags, had paper teeth, and collapsible wings. A fishing string was used to make the head and wings work. In the dragon's mouth was an owl.

President of the Science

Club is Jimmy Salitros, Vice President is Jay Harrison, and Jon Mark Fulton is Secretary. They all worked with Robert Brantley, Fran Salitros, Mandy Thompson, and Ryn Dunn to construct this monster at the Fulton residence.

Several ex-students and others dropped by to see what was going on and to lend a helping hand.

### WINNERS OF THE CAR DECORATING CONTEST (Individual Class)

- 1st Place: Mark Riddell and Roger Gragg
- 2nd Place: Collins Miller and Timmy Cox
- 3rd Place: Kelly Thompson

### WINNERS OF THE CLUB DIVISION

- 1st Place: FFA
- 2nd Place: Science
- 3rd Place: FTA

Winner of the Spirit chain was the Freshmen Class. The Junior Class won the Hall Decorating contest.

## Lakeview Locals

By Mrs. Norman Matthews (Reporter For Lakeview News Since 1945)

Mrs. James Davis of Abernathy was the featured speaker at the mid-week services at Lakeview Church, Wednesday night, September 16th.

Mr. and Mrs. Henry Scarborough returned home last week from Tyler where they had been visiting their son and family, Mr. and Mrs. David Scarborough.

Mr. and Mrs. Dwain Bristow spent several days this week at their cabin at Possum Kingdom Lake. Their son Kevin and his wife, Shirley of Houston met them there for a vacation.

Tonya, small daughter of Mr. and Mrs. Neal Barnwell who was a patient in Methodist Hospital last week is at home and is much improved.

Mr. and Mrs. J. C. Montgomery visited in Levelland with Mrs. L. D.

Sinclair and daughter and Mrs. Kathy Montgomery and daughter in Littlefield during the weekend.

James Holcomb of Lubbock visited in the home of Mrs. N. Matthews Saturday. He is improving satisfactorily at the home of his daughter, Mrs. Leo Baker following heart surgery August 17th in St. Mary's Hospital.

Mrs. Elenor Collins visited her sister and brother-in-law, Mr. and Mrs. D. Garner at Idalou, early this week.

Mrs. Gene Collins spent several days last week at their cabin at White River Lake.

Mrs. N. J. Fred was honoree on her birthday Sunday with a dinner in the home of her daughter, Mrs. N. A. Malone in Lubbock Sunday. All of her children and grandchildren, also a sister, Mrs. Stephens were able to attend and help her enjoy it.

HOMEcoming PICTURES are, from the top, the first place winner of the float contest was the FFA department with their idea of what an "Owl Perch" is suppose to look like. Second photo from the top is the dragon created by the school Science Department. Third photo from the top is the new "Antelope Field" sign hung just before the homecoming game against Hale Center. Fourth photo from the top is the second place winners of the car decorating contest. This 1977 Peterbilt truck, decorated by Collins Miller and Timmy Cox, displayed a banner which read, "Runover The Owls." (Review Photos)

ACTION FROM THE ANTELOPE ROOSEVELT GAME. In the top photo, Malcolm Dunn out-runs two Eagles. The second photo, Alan Pettit drags down an Eagle halfback while number 16 Kenneth Moss and others come to help. The third photo the coaches signal for a time-out in the final minutes of the game, but time ran out too soon for the Lopes. And in the bottom photo, cheerleaders attempt to get the players fired-up. (Review Photos by Doyle Albrecht)

ELEMENTARY SCHOOL STUDENTS made posters prior to the Abernathy-Hale Center homecoming game and hung them on Ruth Fulton's fence just south of the elementary building. (Review Photo)

## Elementary Students Make Homecoming Posters

Mrs. Ruth Fulton's fence seemed like a good place for students to place the posters they made prior to the Abernathy-Hale Center Homecoming Game. "We had a large number of students to

participate in this event and all the students enjoyed it and we want to thank each one for their part in this contest," Ruth said. Following is a list of the winners in the poster

- contest: 1st place "Hang The Owls" Bruce Irlbeck, Todd Cagle, Able Barrera and Kirk Heard.
- 2nd Place "Sail On To A Victory" Daun Tennell, Jennifer Thomas, Anita Perez and Stephanie Sanders.
- 3rd Place "Roast The Owls" Irma Cooper, Debra Wesley, Ashley Kester, Denise Normand, Tracy Lloyd and Sue Rowan.
- 4th Place "Antelope Pride" Jennifer Vega, Isabel Ortiz, Lupe Garcia and Flida Woods.
- 5th Place "Super Antelopes" Blaine Cox.

## Meetings To Feature Cotton And Ginning Specialists

Hale County has about 300,000 acres of cotton this year, according to County Agent Ollie Liner. The quality and yield of the cotton is going to depend on the kind of weather that we have from now until harvest time. However, some of the fields are extra lush and green and at the proper time may can use a light application of defoliant a little early to get some top leaves and let air and sunlight into the plant, according to Liner. Some of the cotton on Grayland may mature rather fast and farmers might could use a dessicant on this to some advantage.

County Agent Liner, working with Lee Dent, Manager of the Hale Center Chamber of Commerce, has scheduled a meeting to be held in Hale Center at the American Legion Hall beginning at 9:30 a.m. on Thursday,

October 8. Liner is also scheduling a meeting, working with the Agriculture Committee of the Plainview Chamber of Commerce, to be held on October 8th also, beginning at 2:30 p.m. at the Chamber of Commerce meeting room. Liner invites all farmers and interested business people to attend these educational meetings.

Appearing on the programs will be Dr. James Supak, Cotton Specialist, Texas Agricultural Extension Service at Lubbock, who will discuss various aspects of using defoliants and dessicants on cotton.

Also appearing on the program will be Elston K. Grubaugh, Area Extension Agricultural Engineer-Mechanization specialist with the Texas Agricultural Extension Service, headquartered in Lubbock. He

will discuss stripper harvesting, moisture of cotton for proper harvest and modules.

Roy E. Childers, Agricultural Engineer-Cotton Ginning and Mechanization Specialist, Texas Agricultural Extension Service at Lubbock, will be on hand to discuss how harvesting and ginning for better grade and quality fit into the overall cotton harvesting program.

Also, Dr. Bob Mayfield, Federal Extension Cotton Gin Specialist from Memphis, Tennessee will make brief remarks about cotton situation across the south and will field questions from the audience.

with 9,728 deaths. The death toll from accidents was 7,785. Together, the four leading causes were responsible for 7 out of every 10 deaths in 1980.

The remainder of the 10 leading causes of death included:

5. Bronchitis, Emphysema, Asthma and Allied Conditions — 2,910;
6. Pneumonia and Influenza — 2,580;
7. Homicide — 2,428;
8. Diabetes Mellitus — 1,862;
9. Suicide — 1,786; and
10. Certain Causes Originating in the Perinatal Period — 1,676.

Other important causes of death were: Atherosclerosis — 1,653; Chronic Liver Disease and Cirrhosis — 1,472; and Nephritis, Nephrotic Syndrome, and Nephrosis — 1,060.

## Lakeview Locals

By Mrs. Norman Matthews (Reporter For Lakeview News Since 1945)

Mrs. N. J. Fred has been in Lubbock several days this week with her sister, Mrs. Inez Stephenson who is a patient in Methodist Hospital.

Mr. and Mrs. J. C. Montgomery visited her sister, Mrs. Clara Desmond and Mrs. Winnie Brown in Hale Center Nursing Home Sunday. Mrs. Bill Biddy and daughters, Staci and Sabrena of Lubbock were guests in the home of her parents, Mr. and Mrs. Montgomery, Sunday. Rev. and Mrs. H. B. Coggin spent Sunday in Lubbock. He preached at John Knox Village Home at the morning services.

Mrs. William Mayo of Afton visited her parents, Mr. and Mrs. Lawrence Amerson, Saturday. Mr. and Mrs. Douglas Colwell of Wichita Falls spent the weekend with his brother, A. B. Colwell. They also visited his niece and nephew, Mr. and Mrs. Dwan Bristow.

United Methodist Women met Tuesday afternoon, Sept. 8th at 2:00 in the home of Mrs. H. B. Coggin. The meeting opened with prayer by Mrs. Clayton Enger. The president, Mrs. Oleta Gilmore presided at the business session. Mrs. Lawrence Amerson brought the devotional using scriptures from the 91st Psalms. Mrs. N. Matthews, secretary, read the minutes of the last

meeting. Mrs. J. L. Johnson was in charge of the program. Mrs. Coggin read a poem and Mrs. Gilmore gave a message on "Faith". Mrs. Senter gave a message on "Patience", and Mrs. Enger gave a message entitled "What is my Ministry to others". Mrs. Coggin closed the meeting

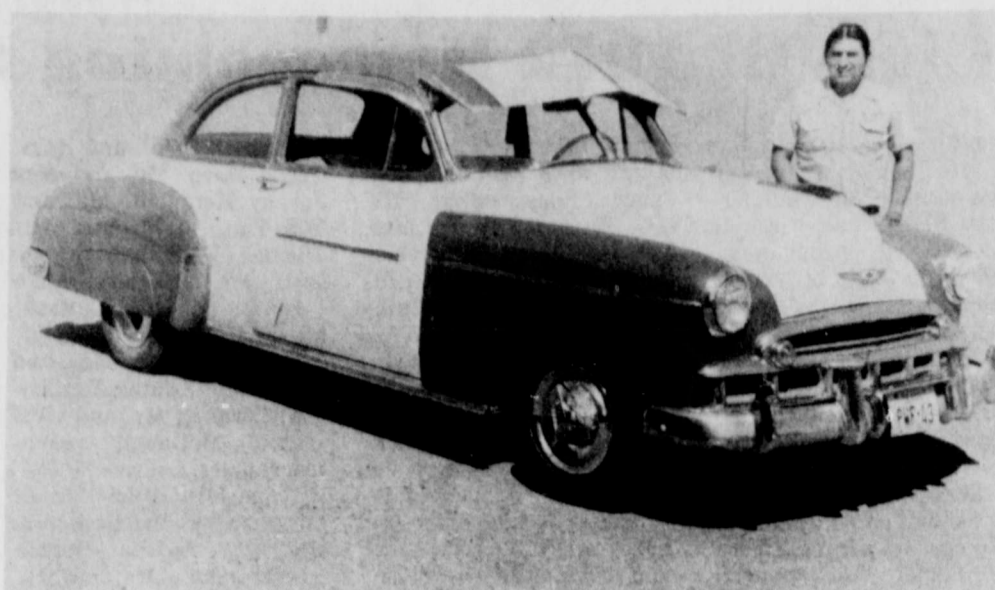

with prayer. Refreshments were served to those mentioned along with Mrs. Elinor Collins, and Mrs. Florence Jackson.

Mrs. Leo Baker and her father, James Holcomb of Lubbock visited in the home of Mrs. N. Matthews, Saturday afternoon.

Mrs. S. M. Harrison attended funeral services Thursday for her brother-in-law, J. T. Day, 91, who died Tuesday following a lengthy illness. Services were held at First Baptist Church at Randalet, Okla. Burial was in Burk Burnett Cemetery.

Mrs. Morea Lean of Lubbock was dinner guest in the home of Mr. and Mrs. Gene Collins, Monday.

Terri and Gena Gilmore of Lubbock spent the weekend with their grandparents, Mr. and Mrs. H. C. Barnwell. Mrs. W. A. Goldston of Littlefield spent last week with her sister, Mrs. E. G. Mahagan. Tonya, small daughter

REMEMBER WHEN THIS CAR WAS POPULAR? Ovidio Ramirez is pictured with a 1949 Chevy he obtained recently. The car is almost in mint condition and can be seen around town. (Review Photo)

## Accent On Health

Texas Department of Health Robert Bernstein, M.D., Commissioner

Deaths rose to a record number during 1980 but the Texas death rate decreased, State Health Commissioner Dr. Robert Bernstein reported Friday.

The total of 108,018 deaths to Texas residents

was the highest ever, but the rate of 7.6 per 1,000 population actually is a decrease from the 1979 rate of 7.8, said Dr. Bernstein. These figures are contained in the new 1980 Texas Vital Statistics report.

The number one cause of death was heart disease with 37,581 fatalities. This was followed by cancer, which accounted for 21,164 deaths, and was followed by cerebrovascular disease

### THE LAKEVIEW PHILOSOPHER

Inflation: Too much greed grabbing?

**Editor's note** The Lakeview Philosopher on his Johnson grass farm takes a look at inflation this week sort of.

Dear Editor I was listening to an economic expert on TV discussing inflation. "Inflation," he said, "is caused by too many dollars chasing too few goods."

I got to thinking about that. If it's true, how do I go about getting some of

those dollars to chase a few of my calves? There are plenty of cattle in this country and they're selling at pre-inflation prices, yet nobody seems to want to sic his surplus dollars on 'em. Car dealers and home builders with their surpluses are, I suspect, wondering why some of those dollars don't get after them.

One trouble with inflation is that there's not enough of

it to go around. A farmer, faced with sky-high prices on everything he buys, can try, you might think, to offset that by raising the price of what he sells. But when he tries nobody pays any attention to him. Somebody else has already hogged all the inflation in that area.

It seems to me we ought to have either less inflation or have what we've got

Dental floss makes excellent material for trussing poultry, especially for barbecue grilling. The floss does not burn and is very strong.

more evenly distributed. Then there are those who say inflation is caused by too much greed grabbing while the grabbing's good.

Too many dollars chasing too few goods may cause inflation in some areas, but the real problem for a lot of people is that, after they get through paying their bills, they have too few dollars to chase after much of anything.

There's one way to meet this head-on. If you're manufacturing cars for example and find that a lot of people faint when they find out what a new one costs, the thing to do is raise the price still more and concentrate on the people who're going to buy one regardless.

This won't work with farming and ranching. Or school teaching either.

### SCHOOL LUNCH MENU

#### Breakfast Menu

October 5-9  
Monday  
Orange Juice  
Cheese Toast  
½Pt. Milk

Tuesday  
Pineapple Juice  
Cinnamon Toast  
½Pt. Milk

Wednesday  
Apple Juice  
Sausage & Biscuits  
½Pt. Milk

Thursday  
Grape Juice  
Oatmeal  
½Pt. Milk

Friday  
Orange Juice  
Rice W/ Raisins  
½Pt. Milk

#### Lunchroom Menu

October 5-9  
Monday  
Pizza  
Tossed Salad

Corn  
Fruit Pudding  
½Pt. Milk

Tuesday  
Pinto Bean Casserole  
Tomato Relish  
French Fries  
Corn Bread  
Pears  
½Pt. Milk

Wednesday  
Western Burgers  
Lettuce  
W/ Thousand Island  
Buttered Squash  
Ginger Bread  
½Pt. Milk

Thursday  
Spaghetti & Meat Sauce  
Carrot-Pineapple-Raisin Salad  
Green Beans  
French Bread  
Fruit Gelatin  
½Pt. Milk

Friday  
Hamburgers  
Lettuce-Tomato-Pickles  
Tater Tots  
Peanut Butter Cookies  
½Pt. Milk

# 'A Glance At The Past'

BY BUFORD F. DAVENPORT

When oldies about my age were in public school, teachers and parents alike gave us a bad time about counting on your fingers. How times have changed! Now, they call counting on your fingers a fancy name: "Chisanbop" and it is taught in public schools, and teachers take special training to instruct their students. It is more sophisticated and complicated than using fingers and thumbs counting to ten... (1981)

From The Abernathy Weekly Review dated September 18, 1941:

Members of the New Deal Lions 1941 football squad included: Fred Exum, manager, Jack Beatty, Joe Oldham, Edsel Paden, Gerriell Lyda, Weldon Ritchey, Rodney Goebel, Marvin Looney, Glenn Anderson, Melvin Yancey, Jack Hamilton, Kenneth Kidd, Floyd Cloud, Jr., George Wilkinson, R.G. McNeely, W.G. Walkup, Henry Clay Struve, George Kveton, Billy Jernigan, Raymond Pearce, Eugene Kovar, Winfred Medlock, Jim I Watkins and Roy Glenn Cannon.

W.O. Fortenberry began harvest of 1,000 acres of blackeyed peas. Also to be harvested are 200 acres of pinto beans. He planted them in search of another money crop for farmers of this area.

Among Monroe residents who were enrolled at Texas Tech: John Neil Harrell, Warren Haddock, Brooks Speer, Betty Jo Campbell, Lucy and Billy Harvey and Cleo Paden.

Mrs. W.V. Norman returned from a visit in Rogers, Ark.

Many Monroe area farmers were digging trench silos in preparation for feed harvest.

Mr. and Mrs. Lynn Cope moved from Abernathy to Monroe. He was instructor for the New Deal national defense class. Lynn also had charge of the school buses at New Deal.

The New Deal High School Senior Class had 26 members in Sept. 1941:

Inez Baze, Wayne Bowles, Wilford Bufile, Carnez Burress, Mary Sue Campbell, Fred Exum, Marie Gardner, Kenneth Goebel, Frances Hobgood, Bessie Mae Ingram, Hazel and Jo Evelyn James, Billy Jernigan, Sidney Knox, Marvin Looney, Gerriell Lyda, June McDonald, Maurine McNeely, Genevieve Nesbitt, Nell Norman, Joe Oldham, Edsel Paden, Ruth Helen Rieken, Wilma Stokes, Roberta Stringer and Melvin Yancey.

Thirty-eight first grade students were enrolled at New Deal School in Sept. 1941:

Wilma Lois Agnew, Wanda B. Arrant, Wanda June Attebury, Jimmie George Bartlett, Nelda Vaughn

Buchanan, Delorius Christi, Josephine Cloud, Willie Darrel Cox, Albert Wayne Crabtree, Nerita Cross, Patsy Ann Hamilton, Charles Dale Harrell, Donald Wayne Hobgood, Patsy Pearl Holbert, Allen Ray Hood, Alfred Deen Jackson, Robert Allen Jeffcoat, Elah Faye Kidd, Ann Jane Legg, Mary Ann Looney, Minerva Lopez, Mando Lopez, Donavan McCaughan, Virginia Sue Nicholson, Reiner Lester Obenhaus, Cecile Parr, Donald Franklin Paxton, Harrol Lovd Pearce, Joan Perrin, James Ollie Pugh, Chester Rozell, Edward Lee Scarbrough, Johnny Shropshire, Billy Wayne Sisk, Verna Lee Stephens, Kenneth Wayne Trusty, Alan Turner and Wendell Gilbert Woods.

Abernathy, 1941: J.H. Webb visited his parents, Mr. and Mrs. C.P. Webb, here before being transferred from Chanute Field, Illinois, to Mitchell Field, New York.

Lt. Gorman Webb in Marine Corps officer training at Quantico, Virginia, visited his parents, Mr. and Mrs. John D. Webb.

Joe Seale bought A.L. Vaughn's store at County Line.

G.C. Pope bought 34 head of cattle, including 26 from E.J. Pope Sr.

Mr. and Mrs. H. Habbinga, who were residents of the Abernathy area about 32 years, have moved to Dallas to make their home. They have two daughters in Dallas, Mrs. J.P. McCombs and Lese Habbinga, (now Mrs. Beauford Haynes).

Abernathy National Farm Loan Association stockholders, in their annual meeting at Rita theatre, elected Herman Schulz and W.A. Waters to serve on the board of directors with Chris Bann, E.G. Thompson and G.G. Gilliland. G.G.G. was named president of the board with Schulz as vice president. W.A. (Bill) Richter remains as secretary-treasurer. John Lewis Harral, Erceell Givens and Andy Reid were named members of the loan committee.

The 1942 Fords and Chevrolets are to go on display here next week.

Plans are underway at First Baptist Church to break all attendance records during the Sunday School promotion program to be held October 5.

C.E. Newsome of Sulphur, Okla., plans to move his grocery stock to Abernathy and open a store here.

The sky was filled with grasshoppers and other insects Tuesday. Some of the hoppers settled to earth, causing some fear that they would damage crops.

The Abernathy High School Senior Class had 42

members in Sept. 1941:

James Anderson, Roy Baker, Jean Barnard, Jackie Sue Brooks, Athalea Bryant, Lavern Cope, Jack Cox, Norma Ruth Crow, Wilene Crow, Morgan Douthit, Ernest Durrett, Gladys Elkins, Avalea Ruchs, Janis Garrett, Merle Goebel, Marilyn Homesley, Henry Houpt, Eloise Koonce, Joe Lovelace, Gene Lutrick, Raymond Lutrick, Charlie Neel McCoy, Jim Miller, Kora Jo Neis, Hazel Nivens, Tinie Pettit, Virginia Pierce, Marjorie Ruth Price, Marie Reagan, Virgil Rhodes, Joe Richerson, Odessa Robertson, Buddie Rice, Ruth Schaffer, Mildred Schoor, Glenn Selke, Billy Shipman, Douglas Vineyard, Melva Vineyard and Dollie Williamson.

J.C. Turner & Son Grocery & Market advertisement: 46 oz. pineapple juice, 23 cents; five bars soap, 19 cents; cutrite, 5 1/2 cents; napkins, 5 1/2 cents; matches, 6 boxes, 23 cents; corn flakes, regular box, 7 1/2 cents; lemons, dozen, 15 cents; oranges, dozen, 15 cents; steak, 27 cents pound; sausage 15 cents pound; sliced bacon, pound, 29 cents; bananas 10 cents pound.

## New Deal School Board Votes To Combine School And City Tax Offices

The New Deal School Board met in a regular meeting September 14. Those present were Raymond Bufile, Henry Atkinson, Verlin Anglin, Robert Hughes, Wendell Attebury, Carroll Teeter, Perry Looney, Principal Gambin and Superintendent Flood.

Verlin Anglin opened the meeting with a prayer.

President Bufile approved the minutes of the special meeting of June 29, regular meeting of August 10, special meeting of August 24, and August 31.

Superintendent Flood reviewed the general operation, federal funds and tax collection.

A motion was made by Verlin Anglin to pay August bills and it carried.

The board discussed Senate bill 341 pertaining to teachers term contracts. Policies are to be drawn up for approval.

The New Deal City Council was present to discuss combining the City and School tax offices.

A motion was made by Wendell Attebury to combine the New Deal I.S.D. and City of New Deal tax office as of September 14. It was seconded by Robert Hughes and carried.

A motion was made by Henry Atkinson to employ C.O. Gregory at state schedule plus bonus for the balance of the 1981-82 school year, effective 9-8-81. It carried 7-0 and the meeting adjourned.

## New Deal ISD Tax Rate Increased

Tax rate for property owners in the New Deal School District was set recently at 96 cents per \$100 Valuation, a 6 cent increase over last year.

The proposed budget for the New Deal Independent School District was passed recently. The budget is for the 1981-82 school year and was submitted to the Review. Funds allocated for each school expense category are listed below.

	Local	Federal
Total Instruction	554,432	171,347
Total Instructional Resources	21,557	1,800
Total School Administration	68,107	
Guidance and Counseling	8,516	
Health Services	4,320	8,400
Transportation	58,500	
CO-Curricular Activities	36,950	
General Administration	114,366	1,200
Debt Service	79,755	
Maintenance	133,700	5,281
Indirect Cost		
Total Budget for 1981-1982	1,080,203	187,028
	Total 1,267,231	

Total Income State and Local	678,682
Total Proposed Budget	1,080,203
Balance Needed From Local	401,251
State Funds	49,500
Local Funds	49,500
Tax Base	43,508,320
Less Disc. plus 1%	42,824,812
I. & S. .11 x 42,824,812	47,107
M. & O. .85 x 42,824,812	364,010
	411,117

Total 96 cents per \$100 Valuation

## Struve's Trip To China Continues

By Arno Struve

The commune system in China is a method of bringing decision making closer to work and everyday life. The communes we saw had their own medical set-up, (even a big hospital in one instance), their own schools and in some cases had varied industries in addition to their main business.

For instance, a farm commune manufactured window blinds. Each commune is free to take on a project of production that will take up the labor slack. Children go to kindergarten when young, in order to free the mothers to work. And the women DO work! In the fields and everywhere.

We visited a couple of large manufacturing plants that had the commune system as their framework of operation. A petrochemical plant had 30,000 workers. Pay at this plant ran from \$44/month for the cheapest labor, up to \$300/month for the best paid technicians. So we saw that pure communism didn't exist. Obviously

they have discovered that pure communism won't work.

A farm commune manufactured farm tools as a sideline. They had made their own threshing machine run by an electric motor. It had no shaker-screens but merely used an air blast to separate the wheat from the chaff. The chaff was then winnowed by hand to get any grain that might have been blown over.

Incidentally, we saw one combine, a small one, in operation in a wheat field. All the other fields had people cutting the grain by hand and tying it into bundles using straw as the binding "twine". We also saw people all over a wheatfield that had been harvested, gleaming what they could from the ground.

Commune workers own their own homes, if they want to, but they build them themselves on land that they cannot own. Often when a couple marries, the fellow commune workers will assist them in building their home.

The man of the house, in one of the homes we visited, made the furniture in the house and it was beautifully done. The tools he used were so primitive that we could hardly believe it possible for him to make what he did. He even had pretty wood-inlay pictures in some of the cabinet doors.

When we visited any commune, university, school, bomb shelter, temple, monastery, or special area, we were given a briefing. These briefings were most often not brief! The language problem took much extra time and we always had many questions to ask; these questions often were so new to the briefers that the questions had to be explained to them. Capitalist's questions were outside their usual line of thought.

We were always served tea at these briefings, if it could be called tea. Their tea consisted of hot water with two or three little tea leaves floating around in it. We learned that the old saying, "All the tea in China" didn't have much meaning for us anymore.

The most remote area we visited, was the Turfan depression, which is over 500 feet below sea-level. It is completely surrounded by high mountains, which still had some snow on them when we were there in June. The snow run-off provides irrigation water for the agriculture in the region. Turfan is famous for its grapes and wine. We only saw green grapes growing in beautiful arbors. The bunches were huge.

In one of these arbors we were entertained by a singing and dancing group. The entertainers were the workers at the motel where we stayed, but nonetheless their performance was totally professional and held us captivated during the whole show. We judged the performers to be a family group because their features were so much alike. We saw several performances such as this in several places, and all were exceptionally well done.

Turfan was on the ancient "silk road" that carried caravans of trade from Asia

to the west. So it is an old place. Struve trip to continue next week.

## Texas Tech Honor Roll Students

More than 2,300 students at Texas Tech University qualified for the deans' honor rolls in the six colleges during the second term of the 1981 summer session.

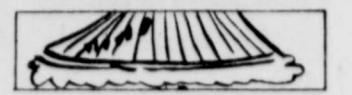

They include the following students from Abernathy: Anita Bradley of Box 574, Kelly Henderson of 509 Phillips Blvd., Kenneth Horn of Box 790, Jimmy Jackson of 802 5th, Jane Kveton of Rt. 2., Gordon Masten of Rt. 2., Janis Myatt of 1309 Ave. E., Kanice Newton of Rt. 2., Danniell Nunn of 1109 1st, Charla Phillips of Box 308, Vicki Shadden of Rt. 2., Cynthia Stillwell of 411 2nd Place and Leslie Thompson of 502 Phillips.

Editors note--list may not

be complete since many students who live out of town list Lubbock as their official address.

To qualify for a dean's honor roll a student must have a grade point average of 3.0 or more on a 4.0 scale and must have taken at least six semester hours of work.

Texas Tech has an enrollment of more than 23,000 in six colleges: Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics.

The small metal hoop that supports a lampshade is known as a "harp."

ASSISTANT MANAGER GRADUATES: Raul Cano, J., (left) assistant manager of the Allsup's store at 512 Ave. D in Abernathy, receives his diploma from Gary Whittington, instructor, for fulfilling the requirements of the Allsup's Assistant Store Manager Training Course. The class, held at the company's home offices in Clovis, New Mexico, is a requirement for all Allsup's Assistant Managers. According to Whittington, "The training covers proper food handling, cooked food procedures, store cleanliness and maintenance as well as public relations. Ultimately, we provide customers with a professional who can better serve them, while at the same time preparing the employee for future advancement."

## Dudley C. Towns

Services for Dudley Carl Towns, 83, of Lubbock were at 2:30 p.m. Wednesday, September 23 at Primitive Baptist Church with Elder Afton P. Richards and Elder G.H. Crain officiating.

Burial was in Resthaven Memorial Park under direction of Rix Funeral Home.

Towns died at 12:02 a.m. Tuesday September 22, in Methodist Hospital after a lengthy illness.

He was born in Bienville, La., and moved to Lubbock in 1962. He married Clara Pillow in Quanah in 1962. He was a deacon of Primitive Baptist Church.

Survivors include his wife; two daughters, Mrs. Ray D. Rice of Abernathy and Mrs. Troy Fuller of Plainview; two sons, Carl H. Towns of Lakewood, Calif., and Lee Towns of Lubbock; five sisters, Annie Chester and Viola Core, both of Sudan, Beulah Neeley of Del City, Okla., Mrs. Home Hall of Oklahoma City and Mrs. Arthur Galloway of Lynnwood, Calif. nine grandchildren; and five great-grandchildren.

Funeral services were held at 10:00 a.m. Wednesday, September 23, at the Methodist Church in Lubbock by Pastor Robert B. Blyden. Burial was in Resthaven Memorial Park.

Alan Johnson and Stan Branam.
