### Antelopes Lose Another Close-One Muleshoe 18--Lopes 13

The Abernathy Antelopes football team lost another close game this week to the Muleshoe Mules by a score of 13-18. The second loss in the past two weeks leaves the Lopes with a 3-2 record going into district play.

The Muleshoe-Lope game proved to be another defensive battle, but the Mules put more points on the board before the clock ran out.

The game statistics pointed to Muleshoe having a slight edge. They rushed for 273 yards to the Lopes 157, and in

total yards the Muleshoe had 320 to the Lopes 286. Muleshoe also boasted 13 first downs to Abernathy's 7. The Lopes also made several costly mistakes.

#### First Half Action

After being stopped on their first possession, the Lopes were forced to punt and the Mules put together their drive which ended on the Lope 12 yard line. The Mules attempted an 18 yard kick, but were unsuccessful in their attempt to score the first three points.

The Lopes were stopped again on their next offensive effort and a punt followed. The Lopes kicked from deep in their own territory and the Mules began their second drive from the Lope 43 yard line.

The Mules put together a rush that couldn't be stopped on this drive, and five plays later, they were on the Lope six yard line. The six yards needed came on the next play and the Mules went ahead 6-0, after a missed PAT attempt.

The Lopes had their problems in the second quarter, having to punt on their first two possessions and losing the ball on a third. The Mules weren't doing any better as the Lope defense got tough.

There would be enough time before the half for the Lopes to put together a final drive and put some points on the board.

The Mules were forced to punt from deep within their own territory. The Lopes began their next drive on the Mule 41 yard line.

The coaches decided it was time to pull out the passing game as seconds were ticking away before the half. With less than one minute to go, Riley connected with Cannon on a 44 yard pass play which took the Lopes down to the Mule 15 yard line.

The Mules got tough and prevented the Lopes from connecting with three consecutive passes on the next three downs. It was 4th down and 15 needed for a touchdown with six seconds left in the first half. On fourth down, Riley threw to his favorite receiver, Rodney Cannon, who pulled a high pass down from over the heads of two defenders. The half ended after Ruiz made the PAT. The score was 7-6.

#### Second Half

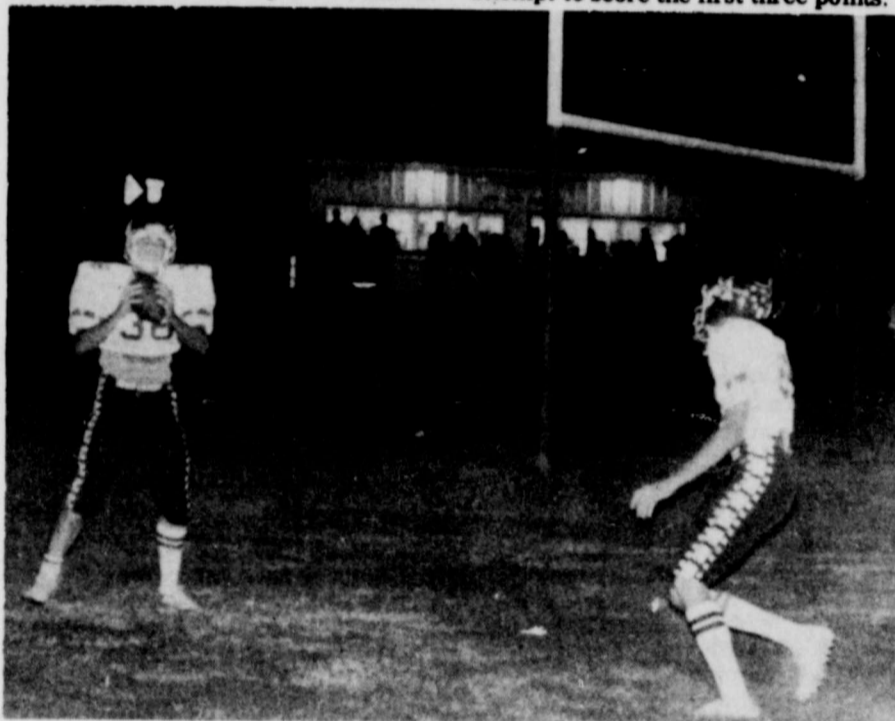

An intercepted pass and a fumble in the third quarter severely hindered the Lopes hopes of putting together a successful drive. The Lopes lost the ball twice due to these mistakes and were forced to punt on another possession. The Mules did little offensively and the score remained 7-6 by the end of the quarter.

The most action of the entire game came in the fourth quarter as both teams put points on the board. Cannon intercepted a pass in the Mules first possession of the fourth quarter. Four plays later, John Ruiz broke through the middle of the Mule defensive formation and scampered 61 yards for a Lope touchdown. The PAT attempt was no good and the Lopes went ahead 13-6.

The Lopes were penalized on the kick due to a penalty received after the touchdown and were forced to kick from their 25 yard line. The Mules regained the ball in Lope territory after the kick. They then put together a touchdown drive gaining 38 yards in seven plays to put them within reach of the Lopes 13-12. The Mules went for two points after the TD, but the Lopes stopped them and the Lopes remained ahead by one.

The one point lead didn't last long. The Lopes were driving up field to the 50 yard line when they fumbled. The Mules recovered the ball on the Lope 48 and took over from there with 1:33 left in the game. The Mules quickly raced down field with a 25 yard pass play, followed by 10 and 11 yard runs which ended in a touchdown. The Mules led 13-18.

With 52 seconds left on the clock, the Lopes had time for one final effort to score. The attempt ended three plays later when a Riley pass was intercepted. The game ended 13-18 in favor of the Mules.

RODNEY CANNON caught this 15 yard pass with six seconds on the clock before the half and the Antelopes went ahead 7-6, but the game would end 13-18. (Review Photo by Doyle Albrecht)

STEVE OSWALT brought in the first trailer of cotton Monday, September 28 from the Vineyard Estate, 5 miles west and 1 mile north of Abernathy, and City Gin baled it for him upon arrival. Oswalt harvested four acres, which produced one bale per acre. The four bales averaged 490 pounds with a turnout of 19%, Oswalt planted these four acres the 10th of May. It wasn't pre-watered and Oswalt only had to irrigate it one time. (Review Photo)

### School Tax Rate Increased

The tax rate for property owners in the Abernathy School District was set Monday night at 49 cents per \$100 valuation. This is a 1 1/2 percent increase over last year's rate of 47 cents per \$100 valuation.

It had been previously estimated that the tax rate would need to be increased 2 1/2 cents to cover the 1981-82 budget, but the 1 1/2 percent increase turned out to be a more accurate figure to suffice for this year's budget.

The assessed tax role for this District is valued at over \$501 million, 13 million of which is personal property. There has been an \$11 million decrease in the tax roll this past year. Last year the District was valued at around 512 million. Personal property has doubled since last year though.

Due to a National oil glut this year, the District has suffered a \$37 million decrease in oil value since last year. There is a surplus of oil and smaller amounts have been produced, since there are no places left to store it.

**Selection of Appraisal District**  
The board was confronted with selecting the Lubbock or the Hale County Appraisal District, or both. The board members unanimously agreed to continue with the Hale County Appraisal District for this year.

Billy Harrison was again nominated to serve on the Board of Directors of the Tax Appraisal District.

**Transfers Accepted**  
Seven transfer students were accepted and are listed as follows: Robert Gholson, third grade from New Deal; Deona Gholson, first grade from New Deal; Lupe Uribe, sixth grade from Cotton Center; Monica Uribe, fourth grade from Cotton Center; Joseph Uribe, second grade from Cotton Center; Anton Gereau, tenth grade Lubbock; and Larry Gereau, the eighth grade from Lubbock.

**Bus Routes Feasibility Study**  
Dr. Webb suggested that the bus routes be investigated in order to initiate the most economically feasible bus system.

It was stated that one bus was only picking up 5 students every morning and another was always packed full. The study would involve investigating this matter to see if it is necessary to decrease the bus fleet or to re-route buses to accommodate the school and student body as efficiently as possible.

Extra curricular mileage on school buses was also discussed. It was decided that anyone using a bus for anything other than their daily school functions would be charged 84 cents per mile to use it.

**Other Business**  
The board discussed the possibility of having a Jr Rodeo Association in Abernathy Schools. The board was confronted with this idea at a previous meeting.

Due to a law that was recently passed, it is mandatory for schools to consider probationary status to be used with new school personnel. The matter was discussed and the board will vote on this in November.

FTA overnight trips were okayed. Insurance bids will be accepted for boiler and floater policies and a notice will be given for businesses interested in giving a bid.

Enrollment is down 50 students from last year and the total number of students is 966.

The lunchroom report revealed that 619 students were eating lunch each day at school and 96 were there for breakfast. Two-thirds of the students are eating in the cafeteria. The meeting adjourned.

### Christmas Bazaar November 21

The 2nd annual Christmas Bazaar will be November 21 at the Community Room in Abernathy.

Everyone is urged to participate in the bazaar this year. Those interested should call Jane Murray 298-4291, Diana Phillips 328-5367, or Betty Neve 298-2984 by October 15th.

This year booth fees will be \$20. It was reported by the Bazaar Committee that there will probably be a greater turn-out for this year's bazaar than last year.

### Chamber To Establish IOOF Cemetery Fund

The Abernathy Chamber of Commerce met Thursday morning and President Charles Bowen brought up several items of discussion.

It was decided that the Chamber would make improvements to the IOOF Cemetery located to the northwest of Abernathy. The cemetery has not been maintained properly and through the years has become deteriorated to some extent.

The Chamber proposed to set up an IOOF Cemetery fund at the First State Bank. The account will be open to all who wish to donate to this worthy cause. The Chamber will get the fund off to a good start by donating \$100.

IOOF stands for the Independent Order of Odd Fellows. IOOF Cemetery was started in 1913 and Benefield was the first man buried there. The area was designated as a cemetery when Mr. Murl, an Odd Fellow Charter Member, donated three acres for the cemetery. It was later named the IOOF Cemetery in honor of the local IOOF chapter.

Years later, more space was needed as the cemetery expanded. Chris Benn donated the next two acres. And most recently, in 1979, Owen Benn made four more acres available to be purchased.

The Chamber was confronted recently about providing the booths for the Christmas Arts and Crafts Bazaar to be held in Abernathy in November.

The Chamber agreed to purchase the materials needed to build the booths. The VEH department at Abernathy Schools will construct the booths from the building material provided by the Chamber. Jim Crites of the VEH Department, will administer the project.

Charles Bowen is sending a survey to every Chamber member to find out when members would like to meet. There have been complaints that 7 a.m. Thursday is too early for the Chamber meeting. The surveys suggest meeting at noon Thursday or continue meeting Thursday morning at 7 a.m., but breakfast could be included if members are willing to bring their own and volunteers would prepare it at the Meeting.

Bowen, along with several other locals, questioned why Abernathy had been left off of the sign located on I-27 just out of Lubbock. The sign mentions New Deal, Plainview and Amarillo and depicts how many miles they are from Lubbock. Abernathy is not even mentioned.

tioned on the sign, therefore Bowen confronted the Highway Department about this matter.

The Highway Department claimed that it was just an oversight and that they would look into the matter. Bowen also wrote to Pete Laney and Kent Hance and asked them to investigate why Abernathy is not acknowledged on I-27 leaving Lubbock.

This item was discussed and the meeting adjourned.

### Aldridge Optimistic About District

Head football coach Larry Aldridge is optimistic about the future performances of the Antelopes and thinks they have a good shot at winning district.

The Lopes have lost their last two games to tough teams, but Aldridge is not worried about their performance. Aldridge stated that mistakes cost them the Muleshoe game. "We hope to eliminate these mistakes and costly

penalties by district," Aldridge said. "As for district, I wouldn't trade this team for any of the others in this district. We have the potential to win and we will if we don't beat ourselves," Aldridge ended.

The Lopes do not have a game this week, but district play will begin October 16 with Idalou here.

The Junior Varsity and Freshmen teams will play Idalou again at Idalou this Thursday at 5 p.m. The 7th and 8th grades will play Idalou here Thursday.

### Fulton And Attebury Selected To All-Region Choir

The All-region Choir Tryouts for Abernathy and other area schools were held Saturday, October 3, at Estacado High School in Lubbock. Approximately 400 students tried out for the All-Region Choir from Class A to Class AAAAA.

Students from Abernathy High School who tried out were Dee Ann Attebury, Jon Mark Fulton, (Seniors), Mandy Thompson, Angie Attebury, and Donna Burgess, (Juniors). Don Barron had planned to enter, but became ill and completely lost his voice by Saturday morning.

After the judging was completed, Dee Ann Attebury made the All-Region

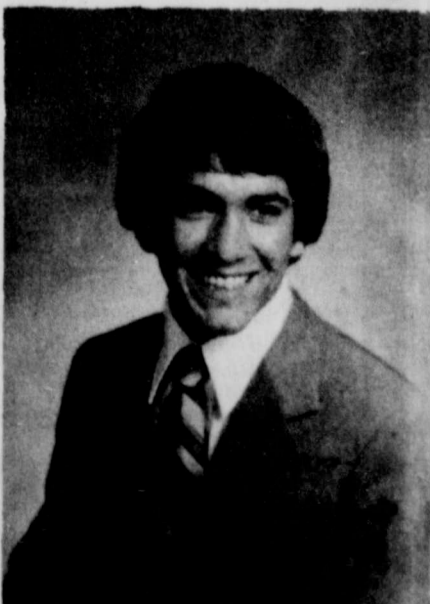

Choir as a 1st Soprano and Jon Mark Fulton made it as a 1st Tenor. Dee Ann and Jon Mark will compete November 7, at which time the top four students in each section will move on to the area choir tryouts.

Dee Ann and Jon Mark will also participate in the Region 16-All Region Choir Clinic and Concert at Monterey High School in Lubbock, December 11 and 12.

Abernathy students were assisted by Mrs. Dovie Barron in learning their music—privately and occasionally as a group. During the tryouts, the students were judged using a point system. For accuracy of rhythm—25 points; voice

quality—25 points; musicianship—40 points; sight reading—20 points. All of the students did very well considering the stiff competition, and for the first time in nine years, Abernathy High School had students try out for the All-Region Choir.

Rae Ann Foster of Levelland, granddaughter of Mrs. Artie Oswalt of Abernathy, was one of the students who made the All-region Choir.

EVERYONE NEEDS TO LAUGH at one time or another just to relieve every-day tension that can build up after a long and hard day. We at the Review want to keep people laughing.

Since the Review does not have a comic page, we want to encourage everyone to send in their favorite joke. The jokes will be printed in the Review every week and it is hoped that everyone will keep sending them in as they hear a good one.

Sounds pretty easy, right! Well it is if you can find a "G" rated joke to send us. I've heard quite a few jokes lately that might not be printable. Heard some over New Deal way and a few right here in town two doors to the South of the Review.

Remember to write some jokes down and send them in and we'll get this thing started. You might even want to call your joke in. There is one requirement, the joke must be funny. So come on, make us laugh.

What A Terrible Week For Football. This was a rough week for football fans if you follow the Antelopes, Raiders and

the Cowboys. I sat through all three losses, the Antelopes heartbreaker Friday night, the 23-24 loss to A&M Saturday night, and the Cowboys 17-20 loss to the Cards Sunday. It was enough to make me want to ban football for a month.

The Antelopes get a two-week break. Everyone who has been wanting to take their family away for the weekend should get it out of their system this weekend, so they can be back the following weekend to support the Lopes.

A PROFESSOR AT THE UCLA Medical School asked his students this question: "Here is the family history: The father has syphilis, the mother has TB. They already have four children. The first is blind. The second had died. The third is deaf. The fourth has TB. The mother is pregnant. The parents are willing to have an abortion if you decide they should. What do you think?" Most of the students decided on abortion. "Congratulations," said Professor Agnew. "You have just murdered Beethoven."

## Young Homemakers Meeting Oct. 12th

The Abernathy Chapter of the Young Homemakers of Texas will meet Monday, October 12th, at 7:00 p.m. in the high school homemaking department.

The program will be presented by Billie Sue Sherrod, past State President of the Young Homemakers of Texas. She will talk about YHT and how chapters throughout the state work to make their homes and families better.

Members are asked to bring their favorite salad to share with the group for the evening meal. Bread and beverages will be provided. All members and prospective new members are encouraged to bring a friend with them to the meeting.

Babysitters will be provided at no charge by the Future Homemakers. For more information call Marilyn Stone at 298-2563 or 298-2187.

## Booster Club Meeting

The Booster Club met Monday September 28th at 7:00 p.m. in the cafeteria.

The film of the Abernathy-Roosevelt game was viewed. George Riddell gave a report on the band. They marched in the Fair Parade Monday, September 28, and won 3rd place.

A short business meeting was held and boosters voted to sell bells at football games. Everyone was asked

to be sure to get their bells to ring.

New members are Mr. and Mrs. Joe Thompson, Ed Horsford and Ruth Fulton.

Members present were Mr. and Mrs. Lonnie Cannon, Jim Mills, Don McKenzie, Dan Cuevas, Sandra Moss, Gloria Ross, Randy Miller, George Riddell, Billy Smyers, Max Martin and Kay Knight.

## ADA To Meet Monday

The Greater Lubbock Chapter of the American Diabetes Association will have its monthly meeting Monday, October 12, 7:30 p.m., at the Texas Tech Medical School, Room 5A-100.

Guest speaker will be Robert Bloom, M.D., Dermatologist.

Meetings are open to the public, and all diabetics and those interested in the disease are encouraged to attend and to find out how they can help in the ongoing campaign to teach diabetes survival.

For more information call 792-0675 or 763-3900.

## "Wheels For Life" Sponsors Sought

Riders for the October 10 St. Jude Children's Research Hospital Wheels for Life Bike-a-thon are asking New Deal citizens to back their efforts by pledging a contribution for each mile they ride.

"The money our riders earn will help continue St. Jude's life-saving study of childhood cancer that has become so important to children all over the world," said Bike-a-thon chairman Jose Luis Gonzalez.

"We'll be showing that we care about children by helping this cause," Mr. Gonzalez said. "Please support your rider with a generous pledge, and then help them get the funds to us as soon as the rider is over."

"Each rider will be given a lap card when they register at New Deal School October 10," Mr. Gonzalez said. "Every time they ride

through the end of the ride, we'll check and sign it to show that the rider earned what the sponsor pledged." Riders will then return to the sponsors to collect the pledge.

"We'll also be giving them a hospital bracelet which will say 'I'm riding for

On a budget--and want to stick to it?"

Before going into any store, plan and write down the purchases you want to make, and try to stay within your list, suggests Linda McCormack, a family resource management specialist.

McCormack is on the home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System.

## Revival At Assembly Of God Church Oct. 11-14

Lord, how are they increased that trouble me! Many are they that rise up against me.

Many there be which say of my soul, There is no help for him in God. Selah.

But thou, O Lord, art a shield for me; my glory, and the lifter of mine head.

I cried unto the Lord with my voice, and he heard me out of his holy hill. Selah.

I laid me down and slept; I awakened; for the Lord sustained me.

I will not be afraid of ten thousands of people, that have set themselves against me round about.

Arise, O Lord; save me, O my God: for thou hast smitten all mine enemies upon the cheek bone; thou has broken the teeth of the ungodly.

Salvation belongeth unto the Lord: thy blessing is upon thy people. Selah. *Psalms 3*

## Benson-Richerson Wedding Aug. 25

Sylvia Joyce (Joy) Benson, daughter of Mr. and Mrs. Dean Benson of Lubbock, and William Lee Richerson, son of Mr. and Mrs. Truman Richerson of Abernathy, were married August 25th in Plains, Texas by Rev. Ken Horn of Northside Baptist Church of Abernathy.

Lee is employed by Verna Oil Rig of Levelland and Joy is employed by the Locksmith, (Mr. Tom's), in Lubbock on 50th Street.

The couple are residing in the country near Abernathy.

## Tea Honors Ramona Martin

Ramona Martin, bride-elect of Stephen Lynn Phillips, was honored with a tea September 30th in the home of Mrs. Forrest Roan in Austin.

Out of town guests attending were Carol Totty Littlefield, of Houston, Mother of the Groom, Helen Totty maternal grandmother, Winnie Phillips paternal grandmother Diane Phillips, all of Abernathy and Doris Phillips and daughter of Houston. Diane Rossen of Houston came with Carol Littlefield.

Those To Remember

Mr. L.T. Nix is in Methodist Hospital; Mrs. A.B. Forbes, Mrs. Lillie Stout and Mr. H.H. Oliver are in Hi-Plains Hospital at Hale Center.

### Talk Of The Town

Mrs. Modena Wright of Richmond, California, is visiting here in the home of her sister, Mrs. Alvin Hardin.

Mr. and Mrs. Mark Havens of Canyon visited here last weekend with his parents, Mr. and Mrs. Richard Havens.

The Abernathy Hobby Club met Thursday September 1st in the City Hall Club Room. The enjoyable afternoon meeting was attended by: Vera Vaughn, Glenna Downs, Minnie Northcutt, Francis Howard, Ona Maserang, Dorothea Boggus, Wilma Pope, Dyvena Davis, Wynelle Pope, Juanita Bell, and Ruby Benn.

Get well cards were sent to Ollie Selke and Theo Vineyard and to former member Ruby Knox.

Dorothea Boggus, hostess, served everyone a delicious plate of cookies, chips and punch or coffee.

After the business meeting, Ruby Benn and Francis Howard displayed their craft work. Ruby displayed a

lovely cross-stitched table cloth and several embroidered cup towels.

Francis showed her pretty crocheted carnations, a poodle tissue cover, house shoes, a puppy sewing notions holder, a Humpty Dumpty bank, a cute clown, 2 snow men, 3 small blanket babies, and one large one

a mama bear with her baby, a door stop poodle, pot holders in several designs, little girls winter caps and a tiny baby in a basket.

Francis also crocheted a red and black Texas Tech afghan for her grandson, Roger, and a Christmas tree,

and 2 casserole carriers. A stuffed clown and an apron that changes into a sun bonnet was also displayed by Francis.

The next meeting will be a work day at 10:00 a.m. November 5th. Each member is urged to bring her work and a sack lunch.

lace, of Lubbock, is the great-grandparent.

Mr. and Mrs. Sylvester Torres, of 111 Ave. E Abernathy, are proud to announce the birth of their baby girl, Marcella Torres, weighing 7 pounds and 7 ounces.

Marcella was born September 29 in Hi-Plains Hospital at Hale Center. She was 20 1/4 inches long at birth.

Mr. and Mrs. Randy Myatt are the proud parents of a baby girl, Alicia Beth, born Thursday, October 1, in Methodist Hospital. She weighed 9 lbs. and 11 ozs.

Grandparents are Mr. and Mrs. Floyd Myatt of Abernathy and Mr. and Mrs. C.U. McGuire of Paris.

### Talk Of The Town

Junia Speer, accompanied by her guest Thelma McLaugh, went to Arlington this past weekend. Junia won the free trip sponsored by Dons Chevrolet of Abernathy.

Junia and Thelma spent Friday, Saturday and Sunday at Arlington and enjoyed a Texas Ranger baseball game Saturday. The Rangers lost to the California Angels 9-2, but the trip was enjoyed regardless.

They stayed at the Roadway Inn in Arlington and dined at several nice places while there.

Pecos Valley Diamonds, Glade Rocks with Nodule Centers, Crystal from Bursum Ranch, Sea Green Glass from the top of the Royal Gorge and Pikes Peak, White Coral from Haiti, Marble from Hitler's Fireplace, Rose Rock from Norma, Oklahoma, Heart of Stone, Perfected Wood, Shell Fossil and Fossil Rock, and Lava.

One may hear Tella Walker relate his hobby in a deep moral sense as he says, "As I search for rocks in hills and valleys, on the mountains and by the sea, I ask myself as the saint long ago asked, "What is it that is calling on the mountain by the sea? Is it God? And he is calling ever calling unto me..."

As one talks about the exhibit, he too may become an enthusiast for rock collecting. If anyone needs help in getting started or making progress as an amateur lapidist, Mr. Walker will be willing to be of service.

Come by the library and view the exhibit during the month of October.

## Tella Walker Rock Exhibit On Display

As a hobby, Tella Walker has been collecting rocks for 20 years from his travels, friends, and relatives. Since his retirement as a teacher in the Abernathy Public Schools, he has more time to polish many of his rocks and to visit with his friends.

Mr. Walker served in World War II in Germany. He has worked out a philosophy of life that is reflected in his hobby. It deals with an appreciation of the

beautiful, patience, the love of nature, and the importance of following instructions. One learns to share ideas and knowledge in the exchange of special rocks. This has helped to build friendships, acquaint one with success and failure, and one lives with an expectancy that the next rock will be the "perfect" one of most value.

Those viewing this exhibit will observe many unusual rocks: Apache Tear Drops,

## Leon-Gist Engagement Announced

Mr. and Mrs. Billy Gist announce the engagement and approaching marriage of their daughter, Cherise, to Carroll Leon, son of Mr. and Mrs. W.T. Leon of Petersburg.

The couple will be married December 26th at the First United Methodist Church in

Abernathy. Cherise is a 1981 graduate of Abernathy High School and attended Texas Tech.

Carroll is a 1980 graduate of Petersburg High School and attended Angelo State. He is currently engaged in farming.

## Struve's Trip Continues

By Arno Struve  
Not far from Turfan are the ruins of an ancient city that was made entirely of mud. It too had been on the silk road and played an important part in the east-west trade. It was a large town and there is enough of the old mud-wall remains to visualize what a place it must have been. In its heyday it was a Buddhist city but was destroyed eventually by Moslem invaders. The Moslems deemed it their duty to destroy the religions of the infidel. The Moslems would destroy or disfigure the faces of the Buddhas and the faces of all pictures.

In the Turfan area there were caves hollowed out of some sandstone cliffs and in the cliffs monks had carved figures of Buddha by the thousands. When the Moslems conquered the area they defaced all the figures but otherwise left them untouched.

At one time there is said to have been a thousand caves at this location. We were able to go into about a dozen of them. They are closely guarded now to keep vandals and thieves out.

China has historical/archaeological riches. They will eventually bring thousands of tourists to their country and these travelers will bring much needed foreign exchange for trade.

One of the ladies in our group suffered a personal indignity at this place when she went back to one of the caves alone where she wished to purchase a cap that had been offered for sale. Of course she got out of there as quickly as possible. She told the group all about it later so that all would be forewarned of the possibilities. This was the only untoward happening that we know anything about.

We traveled three times by train. The train windows were very dirty. I got out of the train at a stop and cleaned our window in order to improve our pictures. We went across a portion of the Gobi desert. Wherever there was water there was agriculture. Postage stamp size fields on the mountainside were common. Every possible inch is cultivated.

People use for their needs whatever is available. Most

houses were constructed of mud. This is not adobe brick construction as far as we could tell but formed dirt and water. The construction was good; the walls seemed to be straight and true. It is common everywhere in China for the houses to be within compounds surrounded by walls. These compound walls are of mud, too. It would be hard to imagine the prevalence of walls everywhere we want.

We couldn't understand the function of very massive walls apparently dividing property. Ornate doorways allow passage through these various kinds of walls. The mud walls are in the west where building material is limited to that material. Further east most of the walls like this are built of brick.

It seemed to us that this would be a tremendous waste of resources that might be used for housing people instead of the non-productive walls. I guess there were times in the past when people had to protect themselves and these walls assisted in the protection.

The subject of walls brings to mind the Great Wall. We visited a restored portion about 40 miles from the capital at a place called Badaling. Badaling is in a valley and the wall extends up the mountains on each side of the valley. Few visit

to climb both sides.

We were told that the eastern section was the easiest to climb so most people climb that portion walking along the top of the wall. The wall "faces" the north, that is, was built to repel invaders from the north. The rim of the north side is notched (castellated) so that defenders could be protected while firing arrows and spears at any attacker.

The wall is 21.5 feet wide at the base, 18 feet wide at the top and 21.5 feet high. There were Battlements at regular intervals used as signal towers. Sometimes the upward slant of the wall going up the mountainside is so steep that steps are built into the top of the wall. Usually, though, the slant is gradual (sloped so that the climber can walk the incline comfortably but it is definitely a long climb.

Having gone to the top of the east side and returned to the valley I thought I might follow Shelley up the western side. When I reached the top of the western section Shelley had not been encountered.

Learning later that she had opted not to climb this portion for very good reasons.

Struve's trip to continue next week.

## Abernathy Participants Place At South Plains Fair

Abernathy breeders dominated the Dorset lamb division at the South Plains Fair this past week with Mandy Kelly Exhibiting the champion ram and Judah Dorsets showing the champion ewe.

In the pair yearling ewes division of Dorsets, Judah Dorsets placed first. In the pair ewe lambs division, Mandy Kelly placed 2nd, and in the Senior ewe lamb division of Southdowns, Beth Windham placed first. Showing market lambs were Mandy Kelly, Tanya Gist, Rodney Cannon, Ricky Powell, Mark Bell and Terri Gist.

## Tony Gereau To Provide Local Phone Service

Anton R. "Tony" Gereau is the new telephone "man about town", J.H. Davis, division manager for General Telephone, has announced.

Tony is responsible for installation and maintenance of the communication facilities for General Telephone customers in Abernathy.

Tony is a native of Rapid River, Michigan, having finished High School there in 1960. He attended Bay de Noc college in Michigan, was

in the Air Force for 10 years and worked for various communication and general firms before joining General Telephone in August of this year.

Tony is married and he and his wife, Ellen, have two children, Tony II, age 15 and Larry, age 13. His hobbies are bowling, hunting, fishing, camping and biking.

Tony replaces Wayne Arthur who is retiring. The Gereaus are at home at 911 Ave. H in Abernathy.

## BBB Alerts Public To Solicitors

Consumers and businesses are urged to use caution when being approached by

individuals soliciting for donations that will be used to assist the Special Olympics program.

The Better Business Bureau has been advised by Missy Dyer, Area 17 Coordinator for the Texas Special Olympics, that one and perhaps two groups are soliciting in the name of Special Olympics without the approval of Special Olympics Organization.

One group is, via telephone, soliciting funds for tickets to a Special Olympic bowling tournament which, according to Ms. Dyer, is non-existent. Later this year, however; there will be such a tournament, but there is no charge for tickets.

Anyone having information on these solicitations, please let the Better Business Bureau office know as soon as possible. Call 763-0459.

**Plains Pest Management Report**

Two meetings have been scheduled to discuss field storage of cotton and harvest aid chemicals. The meetings have been scheduled for 9:30 a.m. on Thursday, Oct. 8th at the American Legion Hall in Hale Center, Texas and 2:30 p.m. on the same day at the Chamber of Commerce Meeting Room in Plainview, Texas. All persons interested are invited to attend.

Last week we mentioned the use of light applications of defoliant on rank cotton to take off a few of the top leaves. After talking with Dr. Supak very little is known about what reduced rates would be acceptable. Under some conditions defoliant at low rates still have a potential for excessive defoliation. If this happens to immature cotton reduction in yield and grade may occur.

We hope to look at several rates which a few growers in the area are going to apply. Hopefully this will provide inside into this practice for future years.

Board members heard two reports describing efforts to increase U.S. cotton exports.

Dan Miller, Marianna, Ark., producer and Board

chairman of Cotton Council International, said that in July and August the organization had sent trade teams to China, Japan, Korea, and six other Far East countries that account for 80 percent U.S. cotton exports.

He also reported that CCI, the overseas of the Council: (1) will conduct an orientation tour of the Belt in November for foreign mill executives, (2) has launched a cooperative market development program for U.S. cotton in Indonesia, and (3) is exploring opportunities for direct cooperative promotion of U.S. made cotton textiles in certain foreign countries.

David C. Hull, Washington, D.C., CCI executive director, reported that Council President Frank M. Mitchener, Jr., at the invitation of Agriculture Secretary John Block, will participate October 9-21 in a special overseas mission to expand exports.

Discussions will be held with key officials in Japan, Korea, and China. These countries accounted for 61 percent of U.S. cotton exports over the past two seasons, Hull explained.

Armyworm outbreaks have been reported on small grains from several locations in the state. Several species of armyworms attack small grains. Armyworm outbreaks are generally favored by cool, damp weather and their larvae are attracted to green, lush growing small grains. As their name suggests, armyworms may attack small grain fields in large numbers, devouring all plant foliage in their path.

In taller, more mature small grains, armyworms may feed below the crop canopy causing extensive damage before being detected. Periodic inspections of wheat fields should be made in the fall and spring. Early detection is very important because small larvae are more easily controlled with insecticides. Where 4 to 5 larvae per square foot occur and seedling stand loss and foliage loss on older plants are occurring, control measures are recommended.

Insecticides applied by aerial or ground methods will effectively control most species of armyworms. Application rates should be sufficient to penetrate the crop canopy. Baits impregnated with pesticides also have been effective in controlling armyworms.

Greenbugs, the same aphids which damage sorghum, also attack small grains. Greenbugs develop in large numbers on small grains and can cause economic losses. During the winter infested fields may have yellow spots preceding the appearance of small dead areas.

Later, Greenbug may increase and spread throughout the field. Greenbug damage can be increased during periods of moisture stress in midwinter and cool springs. Greenbug damage is often confused with moisture stress or nitrogen deficiency.

Greenbugs reproduce rapidly at temperatures below 55 degrees and 95 degrees F. natural enemies of Greenbugs reproduce slowly

when temperatures drop below 65 degrees F. Therefore in cool weather Greenbugs can reproduce and spread, with little control from natural enemies.

Greenbugs can be scouted for by counting the number on a linear foot of row in five locations per each 20 acres of land. Counts should be made during the warmest portion of the day when Greenbugs are most likely to be on the above ground plant parts.

It can be difficult to decide when to treat for Greenbugs. Irrigated wheat can withstand larger populations than dryland. Other factors such as numbers and distribution of Greenbugs, growth stage and vigor of plants, temperature and beneficials present should also be considered.

Occasionally Greenbug populations of 25 to 50 per foot of drill row in very young, small grain plants may warrant treatment.

**COTTON TODAY**  
NATIONAL COTTON COUNCIL SERVICE

**EXPORT PROSPECTS APPEAR GOOD:** Prospects appear good for the U.S. to increase its share of world cotton exports during the 1981-82 season, the National Cotton Council Board of Directors heard recently.

Council Economist Gaylon B. Booker told the Board that a U.S. "export level somewhat above seven million bales seems a reasonable expectation."

Booker reported that foreign cotton stocks are low in relations to expected use.

"This season's beginning stocks represent 31 percent of expected consumption. That compares with stocks at 47 percent of consumption in 1975 and an average of 35 percent over the past 10 years," he explained.

Another factor, Booker said, is that the price of U.S. cotton is more competitive, both in absolute terms and in relation to prices of other growths, than it's been in

quite a while.

Booker pointed out that availability determines to a significant degree the size of the U.S. export market.

He added, "Our share of the world's exportable supply is projected sharply upward in 1981 on the assumption that our crop will be a large one and there will be little change in the exportable supply of other

nations."

Earlier Booker reported that the U.S. Department of Agriculture expects the U.S. crop to total 15.5 million bales, the largest in 28 years.

USDA estimates cotton use by U.S. mills will total 6.2 million bales this season, up 300,000 bales from the previous seasons.

What's job sharing, and how does it work?

Job-sharing couples professionally share less than two full-time equivalent positions, says Diane Welch, a family life education specialist.

They are emerging as members of the clergy, journalists, teachers, social workers and people in ad-

ministrative fields, she says.

Job-sharing couples in general strive to achieve a balance between work and family while they still retain sufficient time for leisure, the specialist explains.

Welch is on the home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System.

## REVIEW SPORTS

### 7th Lopes Win First

The 7th grade Lopes won their first game this week against Idalou by a score of 12-6. The 7th grade now has a 1-2 record.

One of the touchdowns came in the second quarter when Irlbeck completed a 12 yard pass to Chuck Thompson.

The 7th Lopes will play "Nature is stronger than Idalou here Thursday night. Irish Proverb rearing."

### Freshmen Demolished By Idalou

The Freshmen Antelopes were defeated 6-44 this past Thursday by Idalou at Antelope field. Sammy Galloway scored the one touchdown with a 32 yard run, but the two point conversion attempt was no good. The Freshmen Lopes will have another chance to defeat Idalou this Thursday. They will play at Idalou beginning at 5 p.m.

### JV Defeats Idalou 20-12

The Antelope JV team won their game against Idalou last Thursday night by a score of 20-12. Mark Riddell ran into the end zone from two yards out

to make the first touchdown, but the extra point kick was no good.

Bryan Smith ran four yards for the second touchdown and the extra point was good. The JV Lopes went ahead.

Idalou scored two touchdowns to make the score more even, but both of their extra point tries failed.

The final touchdown of the game came when Gilbert Comacho ran into the end zone from 35 yards out after a punt had been blocked. The PAT was good and the game ended with the Lopes 20-12 in favor of the Lopes.

The JV Lopes will play Idalou again this week at Idalou.

### 8th Lopes Undefeated

The 8th grade Lopes won their third straight game this past Thursday over Idalou by a score of 20-14. Their record now stands at 3 wins and 0 losses.

Billy Cooper made two of the touchdowns and Martin Flores ran for two extra points. A Mansanales pass to Dan Evans made the third touchdown.

The 8th Lopes will play Idalou here Thursday night.

## New Deal Teen-Ager Dies After Beating

Lubbock's homicide rate has risen by one with the death Thursday of a 17-year-old New Deal youth who was beaten on the head with a vehicle jack handle Sept. 26 one-half mile north of Yellowhouse Canyon Road, according to police.

Dionisio Chabes Flores Jr. died at 5:30 p.m. Thursday at Lubbock General Hospital after being in critical condition for almost five days, authorities said.

Justice of the Peace Charles Smith ruled the death a homicide, the city's 28th of the year.

A 21-year-old Lubbock man, Paul Seiz of 4714 Auburn St., was charged Monday with attempted murder, for which a \$25,000 bond was set, but he has been charged with murder as a result of Flores' death, authorities said.

Flores was found about 4 a.m. Saturday near a lake north of the road, lying unconscious and bleeding from two deep head wounds next to a 1973 green Chevrolet El Camino, police said.

A witness told investigators that Seiz, who remains in Lubbock County Jail, had gone to the Fiesta Club Sept. 25, where he met Flores. Authorities said Seiz later asked Flores to drive home, but the men drove to the location north of the canyon road.

Reports indicated Seiz told police the victim started cursing at him and that Flores reached for something in his pocket. The defendant then struck the victim with the jack handle during the struggle.

At first, investigators were unable to identify the victim because he did not have any identification in his clothing and none was found at the scene. However, a check on the license plate of the El Camino indicated it belonged to a Tahoka resident. His wife and other members of Flores' family live in Tahoka.

Services for Flores are pending with White Funeral Home of Tahoka.

The Lubbock native was employed at the Coca-Cola Bottling Co. He married Juanita Blanco June 26, 1981, in Tahoka. He was a

Survivors include his wife; his mother, Eusebia Flores of Lubbock; his father, Dionisio Flores Sr. of Tahoka; two sisters, Juanita Pena of Wilson and Teresa Flores of Tahoka; and three brothers, Barnaby, Juan and Cornelio, all of Tahoka.--AJ

### Eddins Move To Colorado

Mr. and Mrs. Robert Eddins, Jr. and children are moving from this area to Del Norte, Colorado.

Eddins, a former employee of the A&M experiment station southeast of New Deal, has an apple orchard that made a bumper crop this year. The Eddins home is about a mile west of Farmers Depot. Eddins plans to grow asparagus at Del Norte.

Mrs. Eddins and the children are at Del Norte, where the children entered school at the beginning of this term. They formerly attended Abernathy schools. Eddin will join his family after he attends to business here.

Gas heating saves \$226 per year!  
Compared to the heat pump, gas heating can save you \$226 per year on your utility bills. So if you hear that a heat pump is "more economical", remember, that is comparing it to other electric heating... not to gas! No other heating system even comes close to gas for economy. At Energas, we are committed to help you get the most for your heating dollar. Gas heating, combined with good conservation practices, saves energy, too.

# 'A Glance At The Past'

BY BUFORD F. DAVENPORT

1981: Mr. and Mrs. Lavern Cope of Sandy, Utah, visited the BFD's in Abernathy Thursday, October 1, which was their 25th Wedding Anniversary. They were en route home from Oklahoma City. He is technician for the FAA at Salt Lake City airport, and had made one of his frequent visits to the FAA training facility in Oklahoma City. A technician is not an air traffic controller, he explained. He said the Oklahoma City facility is crowded with persons training to be air traffic controllers to replace those that went out on strike earlier this year.

The Lavern Copes visited in the home of his brother and wife, Mr. and Mrs. Lynn Cope, at Ralls. The Lynn Copes and Lavern are former Abernathians. Lynn and Lavern are sons of the late Mr. and Mrs. Alvin Cope, early day Abernathy residents.

From The Abernathy Weekly Review dated September 25, 1941:

L.M. Rankin, Abernathy, who is commissioner of Hale County precinct 3, attended the West Texas County Judges and Commissioners Association meeting at Mineral Wells. Hale County Judge Frank Day was elected president of the organization.

J.J. Vineyard returned from a brief stay in Hot Springs, New Mexico.

J.J. Pearce of Amarillo visited in the home of his mother, Mrs. W.H. Pearce, and his brother, G.C. Pearce.

Attending a meeting of the Baptist Sunday School T.E.L. Class in the home of Mrs. J.C. Turner were Mmes. M.L. Seay, J.L. Hood, J.L. McDaniel, Walter Cotton, J.W. Pool, and S.H. Lebow.

Swarms of grasshoppers filled the air in this area Wednesday.

Mrs. George Ragland, Mrs. R.A. McAlister, Helen Richter and Nell Rayburn

were hostesses during a bridal shower in the Ragland home Sunday afternoon for Mrs. Herbert King of Hobbs, N.M. She was Miss Gertrude Richter before her recent marriage. She is a daughter of Mr. and Mrs. W.A. Richter of Abernathy.

Sheep and cattle are being brought to this area for feeding and pasture.

The National Defense Program is allotting paper bags available to grocery stores. Please cooperate with your grocer by using as few sacks as possible.

Aubrey Anderson, son of Mr. and Mrs. Harvey Anderson, is attending Texas Tech. Henry Vineyard returned to Fort Benning, Georgia, after visiting here with his parents, Mr. and Mrs. J.J. Vineyard.

Lubbockites boosting the annual Panhandle South Plains Fair, are to visit Abernathy.

Marriage rites were read September 14 in Clovis, N.M., for Mrs. Cecilia Nisbet and Joe Henry Harris, both of Plainview. She is a daughter of Mr. and Mrs. Tom Struve.

Abernathy Future Farmers of America elected these officers in a meeting September, 22, 1941:

President, Joe Nix; vice president, Paul Bryant; secretary, Andy Holt; treasurer, Jack Lee; reporter, Virgil Phillips; farm Watch dog, Otis Pope; parliamentarian, Hilbert Rantz; song leader, Glen Orval Thodes. Members of the FFA executive committee: John Paul Johnson, Calvin Johnson and Sherrill Fuchs. Program committee: Joe Nix, Andy Holt, Jesse Robertson, J.W. Smith and Douglas Vineyard.

H.O. Pettitt and W.A. Harral were in Hot Springs, N.M., this week.

In the September, 1941, football game between Abernathy and Hale Center, the Owls defeated the Antelopes, 12 to 7.

From The Abernathy Weekly Review dated October 16, 1941:

MONROE: W.O. Fortenberry said he had harvested 50,000 pounds of blackeyed peas before the recent rains and, that he believes the remainder of his large acreage would be too badly damaged by mildew and other troubles to be worth harvesting. Fortenberry also said his pinto bean crop was hard hit by the rains.

The Morning Star Sunday School class of the Baptist Church had a social in the O. Rutledge home. LaVerne Rutledge and Katherine Gilliland were co-hostesses for the event.

BIRTHS: Mr. and Mrs. Lynn Cope of Monroe are parents of a 7 pound 15 ounce son born October 9. He was named Gary Lynn. Mr. and Mrs. M.M. Holbert are parents of a son born Oct. 14. He weighed 7 pounds 15 ounces.

Boyd Griffith, who is employing about 18 men in harvesting the bumper feed crop on his place west of town, started a housing project to care for the families of some of the men. On a plot a quarter of a mile east of his residence, he built a 3-room house, moved three houses to that location, and constructed a room on one.

Sally Wagborne, Betty Alice Lovelace and Bobbie Lou Reid were selected as mascots for the pep squad.

The Hale County Singing Convention was held at Lakeview.

Junior Price of Fort Ord, California, arrived here for a 30-day visit with his parents, Mr. and Mrs. Dewey Price. He and his mother visited in Dallas last week.

Fred Benefield of Lakeview delivered the first bale of 1941 cotton received by J.J. Caudie Gin in Abernathy. (1981: what was the J.J. Caudie gin now is Hygrade Gin, owned by a number of local farmers)

Mrs. Kermit Mitchell was elected president and Mrs. J.A. Lutrick vice president of the Lakeview Methodist W.S.C.S.

Private Travis E. Lutrick and Miss Ophelia Dunson were married by a Petersburg minister in his home. The bride is a daughter of
