## Chamber Discusses Banquet, Future Projects

The Abernathy Chamber of Commerce met Thursday morning at the City Hall meeting room with 23 present.

Breakfast was prepared by Spec Cox, Lorin Prather and Richard DuBose.

Chamber officers were nominated at the January meeting and were accepted at this meeting. They are: Dr. John Hale, President; Arno Struve, Vice-President; Chris Waters, Secretary; and Directors Henry Rieff, Diana Phillips, Bill Elliott and Charles Hobgood.

The Chamber Banquet was discussed. Chamber President Charles Bowen stressed how important it is for everyone in the community to be thinking of those who should be nominated for "Citizen of the Year" and "Farm Family of the Year". The date of the banquet is April 15.

Bowen also stated that Rep. Kent

Hance has confirmed that he will speak at the banquet. 300 tickets will be printed to be sold for the banquet at \$7 apiece.

Bowen will meet with the directors to decide what the theme of the banquet will be. Bowen mentioned the possibility of it being, "Abernathy...A Good Place To Live."

The IOOF Cemetery fund has received donations of \$438. The Chamber wants to encourage anyone who wants to contribute to this fund to do so at the First State Bank. The money will be used to improve the cemetery.

The Chamber discussed the prospects of having a fund raising project. A committee has been organized to research a good project.

Brochures depicting the highlights of Abernathy were discussed. The old brochures need to be updated with new pictures and information. A committee

will decide what improvements need to be made before a new brochure is printed. The brochure is a public service of Southwestern Public Service, who will put the brochure together.

In the past, the Chamber has purchased trophies for the Abernathy Project Show. Members agreed to get them again this year and Leland Phillips will order them.

The Chamber received a letter of appreciation from Head Football Coach Larry Aldridge. Aldridge thanked the Chamber for promoting and helping with the Abernathy Basketball Tourney.

The March breakfast preparers will be Arno Struve, R.R. Struve and Jane Murray. Richard Boyles, Diana Phillips and Carl Irlbeck will cook breakfast at the April meeting.

## Hale Jury Indicts 14 On Drug Charges

By Buddy Baker  
A-J Correspondent

**PLAINVIEW**—Some 34 indictments alleging possession and delivery of marijuana and LSD were issued here Friday against 14 persons in a special session of the Hale County Grand Jury.

The indictments stemmed from a seven-month undercover investigation by Hale County sheriff's deputies, resulting in the arrests of four persons Thursday night and the seizure of 17 pounds of marijuana.

Those persons charged were accused of crimes ranging from delivery of a controlled substance and delivery of marijuana to possession of marijuana. Capt. Mansel Gilmer of the sheriff's

department, who directed the investigation, characterized those charged as "local dealers." In the course of the investigation, he said up to 100 "hits" of LSD had been bought from a dealer at one time.

Four of those indicted, Maria Garcia, 27, and Ramona Telles, 37, both of Plainview, and Marcos Martinez Rodriguez, 38, and Tony Rodriguez, 34, both of Abernathy, were arrested Thursday night in an alley behind a downtown lounge as undercover agents attempted to buy 10 pounds of marijuana for \$2,750.

Deputies found seven more pounds of marijuana and "other narcotic paraphernalia" at the residence of one of the

Abernathy men Friday morning, Gilmer said.

Also seized in the Thursday night arrests were a 9-mm semi-automatic pistol and a 1976 station wagon in which the drug was hidden, he said.

During the investigation, Gilmer said he posed as a "rich dude from Lubbock" and that the investigation had netted eight arrests for stolen property and narcotics during the past few months before the indictments.

He said the investigation was begun July 15, 1981, but was unrelated to another drug investigation stemming from the seizure of more than 600 pounds of marijuana at the Abernathy Municipal Airport in April 1981. That

investigation resulted in the indictments of nine persons on organized crime charges.

Those indicted include Sylvia Estrada, 18, two counts of delivery of controlled substance and one count of delivery of marijuana, total bonds of \$60,000; Rudy Gomez, 18, three counts of delivery of controlled substance, \$75,000 in bonds; Miss Garica, one count of delivery of controlled substance and two for delivery of marijuana, \$85,000 in bonds; Mario Guerra, 24, one count of delivery of controlled substance and four of delivery of marijuana, \$80,000 in bonds; and Miss Telles, three counts of delivery of marijuana, \$30,000 in

bonds.

She also was indicted under the name of Ramona Diaz Bueno on one count of marijuana with an additional bond of \$45,000.

Others indicted include Ovidio Longoria, 24, three counts of delivery of marijuana, \$60,000 in bonds; Paul Maldonado, 17, three counts of delivery of marijuana, \$40,000 in bonds; Mary Hearne, 26, two counts of delivery of controlled substance, \$20,000 in bonds; Marcos Rodriguez, one count of possession of marijuana, \$45,000 in bonds; and Tony Rodriguez, one count of possession of marijuana, \$45,000 in bonds.

All those indicted, except for Marcos and Tony Rodriguez, are from Plainview.

Others indicted but not yet arrested are David Aguirre, two counts of delivery of controlled substance, \$50,000 in bonds; Ernest Guerra, one count of delivery of marijuana, \$10,000 in bonds; and Oscar Bueno, three counts of delivery of marijuana, \$60,000 in bonds.

All bonds were set by 242nd District Court Judge Marvin Marshall.

## Antelopes And Lady Lopes Win Second

**Antelopes and Lady Lopes**  
The Abernathy Antelopes and Lady Lopes won their second game of round two in District play at Idalou Friday night.

The victories left both Abernathy teams undefeated with records of 7-0. They won the first round of District 3-3A play and are 2-0 in the second round.

### Lady Lopes

The Lady Lopes crushed Idalou 51-38 in the first game.

The first quarter was a defensive battle that ended in a tie 8-8. The Lady Lopes took the scoring initiative in the second quarter scoring 15 more points to lead at intermission 23-17.

The Lady Lopes could not relax with a 6 point lead going into the third. They continued to apply pressure scoring 11 points to Idalou's 12.

Going into the fourth quarter, the Lady Lopes held a thin 34-29 lead. They rallied in the fourth to score 17 more points and allowed Idalou only 9 to win 51-38.

Vicky McKenzie was the leading scorer with 14 points, followed by Regina Powell with 11. McKenzie was 100% accurate on free throws hitting 6 of 6 attempts.

Last Tuesday the Lady Lopes defeated Lockney 55-54. This was their second victory over the tough Lockney fens this year and once again the Lady Lopes won by 1 point.

With 16 seconds left in the fourth quarter, Regina Powell made a lay-up

## Game Of Round Two

to put the Lady Lopes on top. Lockney had a chance to score with 3 seconds left, but missed the goal.

Vicky McKenzie scored 20 points and made 8 of 8 free throw attempts. Margaret Cooper scored 9 points.

### Antelopes

The Abernathy Antelopes defeated Idalou for the second time Friday night 62-46 to win the second game of round two.

The fourth quarter was the decisive factor of this game with the lead exchanging hands up to the later portion of the fourth quarter.

The Antelopes started out on top scoring 15 points in the first quarter to lead 15-12. Idalou came back in the second to score 19 points to Abernathy's 13 and led at halftime 31-28 over the Lopes.

Idalou continued to control the game in the third quarter adding 11 points while allowing the Lopes only 8. Idalou led by 6 going into the fourth quarter.

The Lopes exploded in the fourth improving their accuracy and shooting percentage two-fold by scoring 26 points while holding Idalou to 14. The Lopes came from 6 behind to win by 6 points, 62-56.

The Antelopes edged Lockney 54-49 here last Tuesday night.

The Lopes scored 18 points in the first quarter and 10 in the second to lead 28-26 at intermission. They scored

another 12 points in the third and 14 in the fourth to win 54-49. The Lopes controlled the lead throughout the game.

Leading scorers were Rodney Cannon with 14 and Malcolm Dunn 10.

### Coaches' Comments

Head boys basketball coach Carl Irlbeck is confident that the Lopes can win District. "Our team has the potential to win District, but they must be prepared for every game," Irlbeck said.

The Lopes must win the next two games to win the second half of District, but they lost the first of these two games Tuesday night to Tulia.

Irlbeck stated that Tulia is the second best team in this district followed by Childress. "Childress is hot and cold, making their performance unpredictable," Irlbeck said. The Lopes will host Childress Friday night.

The Lopes have good age and experience with 5 seniors this year, 2 juniors, 2 sophomores and 1 freshman. Chester Cooper will not play the remaining games due to a cracked ankle he received during football season.

## ON THE COUNTY LINE

BY: KEITH TOOLEY

I HEARD A FELLOW down the street say that a recession is when someone you know goes out of business and a depression occurs when you go out of business.

EVERYTHING CONSISTENTLY GETS HIGHER, and operating a newspaper is like any other business...the costs of operation continue to climb. In our case, postage and printing costs are forcing us to make some financial adjustments, namely increasing the price of the Review from 20 cents an issue to 25 cents.

We are one of the few newspapers that still charges only 20 cents a copy. Increasing the price to 25 will not work any financial miracles for us, but it will help pay for the gas to deliver the papers each week.

TWO REASONS why some people don't mind their own business are (1) no mind, (2) no business!

QUESTIONS—"I've never seen such a boy for asking questions," cried the father impatiently to his young son. "I wonder what would have happened if I had asked as many questions when I was your age?"

"Maybe," suggested the lad, "you'd be able to answer some of my questions now."

"YOU MAKE A SMALL down payment," the door-to-door salesman said, "and then you make no payments for six months."

"Who told you about us?" the lady of the house demanded.

## Third Quarter Sales For Hale And Lubbock

State Comptroller Bob Bullock reported Monday that gross sales in Texas for the third quarter of 1981, July, August and September, totaled more than \$80 billion.

Third quarter sales this year passed 1980 third quarter sales by \$14.3 billion, Bullock said.

Bullock's report details gross sales, all sales made by Texas businesses, as well as those subject to sales and use tax.

The Comptroller said the sales tax analysis for July, August and Septem-

ber of this year shows 267,647 reporting outlets compared to 246,262 reporting outlets in the third quarter of last year.

First, second and third quarter sales in Texas for 1981 now total \$228.1 billion.

Third quarter sales in 1981 for Hale County were \$106 million recorded by 730 reporting outlets. Third quarter sales for Lubbock County were \$918 million as recorded by 3,970 reporting outlets.

In 1 John 2:9 it reads, "If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness." So all we have to do, according to God, is confess our sins and accept his forgiveness. Then we can go on and be free from any "guilt" complex. ## "TOMI" Offers Latest Crop And Livestock Information

"TOMI", (Telephone Outlook and Market Information), offers the latest crop and livestock information to keep Hale County producers "in the know."

During February, TOMI messages will deal with grain stocks, the dairy and cotton situations, the new farm bill, cattle on feed, livestock slaughter analysis, planting prospects, and buying meat at truck sales.

Information about these items is available by dialing 713-845-TOMI, points out Ollie Liner, county agent

with the Texas Agricultural Extension Service, Texas A&M University System. The telephone system operates seven days a week, 24 hours a day.

Messages are prepared by Extension Service economists, using the latest available information.

Information is updated on a regular basis and the February schedule is as follows, Feb. 9-11: The Farm Bill, Ron Knutson, Feb. 12-15: Jan 1 Cattle on Feed Report, Ed Uvacek Feb. 16-18: Cotton Situa-

tion, Carl Anderson. Feb. 19-22: Planting Prospects, Roland Smith. Feb. 23-25: Livestock Slaughter Analysis, Ed Uvacek. Feb. 26-Mar. 1: Buying Meat at Truck Sales, Dick

Edwards. TOMI was initiated by the Extension Service to provide up-to-date commodity and related information designed to help producers with planning and management, says Liner.

**COTTON TALKS**  
FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, January 29, 1982

Assuming cotton prices don't improve this year, what will be the target price deficiency payment on the 1982 crop?

This is a question being heard repeatedly at the offices of Plains Cotton Growers, Inc., Lubbock, as High Plains cotton producers approach the zero hour for planting decisions. The answer of course is fraught with "ifs."

The target price concept, which mandates that producers be paid the difference between a specified target and the calendar year average price paid for cotton to all U.S. farmers, was first written into the Farm Act of 1973. It was retained in the 1977 law and continues in effect through 1985 as a part of the Food and Agriculture Act of 1981.

No price deficiency payments were made through 1980, leading producers generally to discount the significance of the target price mechanism.

But a universal bumper crop and weak demand in 1981 drove the U. S. average cotton price below the 70.87-cent 1981 target and producers are now

awaiting a payment of six to eight cents per pound times their projected yields. An announcement of the exact payment rate, plus some 1982 cotton program details, is expected from USDA only a few hours after the deadline for this writing.

With the prospect of this payment, says PCG Executive Vice President Donald Johnson, "farmers now realize that the target price provision of the law is a vital factor in wise management decisions."

In answer to the 1982 deficiency payment question, Johnson points out that if cotton prices throughout the year remained at the 53 to 54 cent level recorded in December of 1981, the 1982 payment would be 17 or 18 cents per pound, the difference between the annual average price and the 71-cent 1982 target. "However," he adds, "the loan rate this year will be about 57 cents per pound, up from last year's 52.5 cents, so the 1982 payment cannot be above 14 cents. And if market prices move above the loan, as is reasonable to expect, the payment rate of course will be smaller."

In deciding between cotton and alternate crops, Johnson continues, the producer's concern is total expected return on cotton, not just the size of the deficiency payment. "And the total return will equal the price he receives for his crop in the market plus any payment that may be made."

It follows that the producer who produces an above or below quality crop, or a yield above or below his projected yield, can expect a return proportionately higher or lower.

Target prices in the new law are set at 76 cents in 1983, 81 cents in 1984 and 86 cents in 1985.

## Students To Attend Houston Show

Eighteen FFA members from Abernathy will be participating in the 1982 Houston Livestock Show and Rodeo, February 20-March 7. With more than 29,000 expected livestock entries, the Golden Anniversary of the Houston Show will once again be the largest livestock show in the world.

Abernathy participants are: Mark Bell, lambs; Ross Bradley, barrow; Rodney Cannon, barrow; David Davis, barrow; Ronald Harrell, barrow; Shawn Knight, barrow; Collins Miller, barrow; Kenneth Moss, barrow; Regina Powell, lambs; Ricky Powell, lambs, barrow; Rowdy Powell, lambs; Max Riley, barrow; Bobby Ross, barrow; Holly Shafer, barrow; Brian Smith, barrow; Susan Stone,

The Houston Show also provides an opportunity for exhibitors to participate in some of the toughest of showing competition after a year's worth of preparation for their animals. This year's show once again promises to be profitable for them, as open show and junior exhibitors will vie for more than a half a million dollars in prize monies and premium auction prices above market value.

Houston, the fastest growing city in the nation, brings western heritage to life when it once again hosts this two week extravaganza. Livestock show dates are February 20-March 7, and rodeo dates are February 24-March 7.

Written By Juanita Bell  
Mr. and Mrs. M.M. Bell and Mr. and Mrs. Jack Christian left Abernathy Monday, October 5th, and headed north with their trailer homes.  
We had lunch in Amarillo and spent the night in a camp near Oklahoma City.  
Tuesday night we stayed in a KOA site in Little Rock, Arkansas. Wednesday we traveled on north and stopped between Memphis and Nashville, Tennessee for the night. "The earth has such glorious scenes to see near and far."  
We began to notice some change in the color of the trees, we stopped at this point just to be still and know that God was near and to praise Him & thank Him for all the beauty that he created.  
We took the so called scenic million dollar a mile highway between Nashville, Tennessee and Asheville, North Carolina, it was breath taking it was so lovely driving around the edge of the smoky mountains. It was the most beautiful drive that we have ever made.

We stayed in Wingray Family Campground that night in the heart of the Smokey Mountains in North Carolina.  
The next morning we traveled twenty two miles to Asheville, North Carolina where we toured the famous Biltmore House and gardens. This is an European estate of Immenbeauty, George Vanderbilt, grandson of Commodore Vanderbilt and his architect, Richard Morris Hunt, patterned the Biltmore House after a great Chateau de Loire Valley in France. It was completed in 1885. It took one thousand workers five years to build in its halls and galleries where Mr. Vanderbilt placed art treasures gathered in his European travels. This house is filled with wonderful works of art legendary scenes portrayed across giant tapestries. In every room there were fresh cut flowers and plants from the estate's greenhouse and gardens. You see a set that belonged to Napoleon Bonaparte. We saw the twelve apostles in solid ivory displayed inside a glass case

near the large fireplace. Portraits by Sargent and Boldini and other famous artists. My favorite among them was the Blue Boy.  
The furnishings inside the Biltmore House were richly ornated eighteenth century furnishings from Spain and Italy and many other pieces of timeless value. All around this grand country home Frederick law Olmsted designer of New York Central Park laid out acres of formal gardens and miles of landscaped roadways. As you stroll through the gardens you will find from the time of its' earliest Spring tulips, through summer roses and fall chrysanthemums, Biltmore Estate blossoms with color. The four acre walled garden has been called the finest English garden in America. Along the shoulders of the Arboretums paths and walkway you will find wild Azaleas that form one of the most complete collections in the world. Milton and I have been there in the summer and in the fall, it is a beautiful place to see anytime of the year. It's a look of life

the way the Vanderbilts knew it; a time of horse drawn carriages and steamer trunks. A time when gentlemen would retire to the smoking room after dinner and a time when guests of the family would arrive by train from New York City for a holiday in the mountains. The Biltmore House and gardens is located on US 25 three blocks north of exit 50 or 50 B on I-40 in Asheville, North Carolina. The estate is open from 9:00 a.m. to 5:00 p.m. daily year round except Thanksgiving, Christmas and New Year.  
We traveled on East 28 into South Carolina where we spent Friday night under the tall pine trees in Gaffney, South Carolina.  
Saturday, we arrived in Heritage USA, Jim Bakker's PTL (Praise The Lord Program). We went to the Heritage School of Students program that night in the Village Church. Sunday morning and Sunday night we attended the worship service in the Heritage Village Church where Jim Bakker is pastor. Monday morning we

went to the broadcasting service in the church, we heard Jim Bakker and his wife, Tammy Faye, sing & praise the Lord for all their blessings. We attended four of the broadcasting programs in the church. Tammy Faye was the soloist on the Monday morning worship service. Her newest album is "The Lord Is On My Side", she is also the author of two best selling books, "Run To The Roar" and "I Gotta Be Me". She has sold over a million records of my favorite song that she sings so much on TV. We are blessed, we are blessed, we don't deserve it, but we are blessed, how true this song is. Jim Bakker PTL president and pastor of Heritage Village Church is a native of Muskegon, Michigan. Rev. Bakker and his wife were traveling evangelists until 1966, when they saw his vision for a christian talk show fulfilled. In 1974 the Bakkers moved to Charlotte, North Carolina, and the PTL Club was born. Through their efforts and the dedication and support of PTL partners and friends the PTL Club and Heritage USA are realities today and are used to spread the gospel of Jesus Christ around

## W-2 Forms Should Have Been Received By Feb. 1

Persons who have not received their Forms W-2, "Wage and Tax Statements," from their employers, must still file their tax returns by April 15, the Internal Revenue Service advises.

To avoid delay in receiving the W-2, persons should furnish their employers with a current address. If employees do not receive the statement, they should first contact their employer. After February 15, the employee should ask for help by calling the IRS office listed in the telephone directory.

The IRS reminds taxpayers that they must have

a W-2 form from every employer they worked for during the year. Even if an employee is unable to get a W-2 before the filing deadline of April 15, a timely return must be filed. Report all income and attach a

**No One Escapes Presbyopia**

The word "presbyopia" is Greek in origin and means "Old man's eyes". Presbyopia comes to all of us if we live long enough. It's part of the process of aging.

Presbyopia is a condition that exists when vision at reading distances becomes difficult and blurry due to a gradual decrease in the focusing ability of the lens of the eye. Presbyopia usually occurs between 40 and 45 years of age and often appears to come on suddenly. It is characterized by a need to hold reading matter farther away ("If my arm was only longer"), better close vision with brighter light, and symptoms of eyestrain and headaches.

Presbyopia is a normal aging process and, as of today, cannot be prevented. However, properly prescribed reading glasses or bifocals will correct for the progressive loss in near-focusing power and make reading at normal distances clear, sharp and comfortable.

If you are having difficulty reading printed matter, don't put off an eye examination. It's a simple procedure and can make reading and close vision work a pleasure again instead of a strain.
