Smith Cited At Landmark Ceremony

Landmark Realtors recently presented Jim Bob Smith with an achievement award for his accomplishments this past year at a ceremony held in Lubbock.

Jim Bob Smith was recognized as "Rookie of the Year" for his outstanding

accomplishments during his first year in the real estate profession.

Smith is a life-long resident of West Texas, attended Texas Tech from 1951 to 1956 and was the owner and manager of Smith's Thriftway Supermarket in Aber-

nath from 1956 to 1979. He has been very active in civic and community affairs and was voted Outstanding Citizen of Abernathy in 1965.

He joined Landmark Realtors in the latter part of 1980. He is married, and has three children.

Girl Scouts Visit Camp Rio Blanco

Girl Scout troop 15 left Friday morning, February 26th, for Camp Rio Blanco, near Crosbyton. They stayed in Bridwell Lodge.

The girls learned how to tie different kinds of knots, knife safety, and tail signs. Friday the scouts put on different skits about safety and watched a film about the National Scout Center

West in Oregon.

Saturday, some of the older girls went on a trail hike and planned a "Scout's Own" for the younger scouts. After these two events, the girl scouts packed and returned to Abernathy about 4 p.m. Satur-

day. Saturday, March 6th, the Girl Scouts had their Fair in Lubbock, which was during Girl Scout Week. Juliet Low founded the Girl Scouts of America in 1912. The girl scouts celebrated their 70th birthday.

Troop 15 had a booth with leather work. They displayed some leather on which

Hobby Club Meeting

Due to bad weather, the Hobby Club canceled its February 4th Meeting.

The Abernathy Hobby Club met March 4th in the City Hall for their regular meeting.

Jennie Slough and Dorothy Boggs were in charge of the program. Dorothy was absent, but Jennie had an interesting program and showed many beautiful things. She showed a handmade fabric picture frame, three paintings, (one of the "6666" ranch house near Dickens), 2 crochet pot holders, 2 baby quilts of a horse and a duck, blocks of a fisherman and a doggie in a window, a plaque "Fruits of the Spirit", what not shelf

pictures were burned. The girls stamped initials and pictures on leather to be used as bookmarkers.

Methodist Church News

The First Methodist Church was the scene for the meeting of the Great Society Extension Homemakers Association February 8th with the Assistant County Agent, Melissa Robinson, in charge of the program.

Maybell Glass called the meeting to order with prayer. The roll was answered to "My Favorite Magazine".

The agent demonstrated all the new gadgets on the market today to help home seamstress garments look

Brewsters To Be Honored On 60th Wedding Anniversary

Mr. and Mrs. Albert Brewster, of 1211 Avenue F, will be honored with a Sixtieth Wedding Anniversary reception from 2:30 until 4:00, March 21. The reception will be in Fellowship Hall in the First Baptist Church.

The couple's three daughters and their husbands will be hosts and hostesses. They are Mr. and Mrs. Henry

Rieff of Cotton Center, and Mr. and Mrs. Linda Neis and Mr. and Mrs. Lenoy Stallings of Abernathy.

Both were raised at Caps, Texas. Brewster served during World War I in France. She taught school for four years.

The former Lalah Fain and Brewster were married in Caps, Texas, at the home of the bride's parents March

26, 1922. The couple lived in the Caps community until 1931, at that time they moved to Cotton Center where they were engaged in farming. After retirement, they moved to Abernathy in 1949.

They are members of the First Baptist Church. They have 12 grandchildren and 2 great grandchildren.

Young Homemakers Learn About Energy Saving Appliances

The Abernathy Chapter of Young Homemakers of Texas met Monday, March 8, in the high school home-making department.

The program, "Energy Saving Small Appliances", was presented by Christy Waters, Home Economist for Southwestern Public Service. Miss Waters demonstrated the use of the electric blender, skillet and

food processor and emphasized the importance of energy conservation.

Teresa Jackson, YHT President, conducted the business portion of the meeting. A sundae party, to be given in honor of the senior girls and to introduce them to Young Homemakers, was discussed.

YHT is an organization for young people who are inter-

ested in improving home and family life in their own home and the community. Anyone interested in learning more about Young Homemakers is invited to attend the next meeting Monday, April 12.

For more information contact Marilyn Stone at the high school home-making department.

T.E.L. Class Meeting

The T.E.L. Sunday School Class of the First Baptist Church met in regular session March 12th with Mrs. Eunice O'Neill.

No program had been planned since this meeting was to be a surprise farewell party for Mrs. Slater. She will be moving to Plainview

Garden Club Meeting

The City Garden Club met Thursday, March 11, in the Community Club Room. President Mrs. Mel Boggus called the meeting to order promptly at 3:00 p.m. Mrs. Rogers and Mrs. Downs led the group in reading the club collect.

After a short business session, Mrs. Boggus turned the meeting to Mrs. Shuman and Mrs. Waters, who gave a most interesting and informative program and demonstration on "What's New In Pot Plants". The beautiful prayer plant was on display. Everyone was impressed with its loveliness.

Members attending were: Mrs. Elmer Ahrens, Mrs. M.M. Bell, Mrs. Mel Boggus, Mrs. Floyd Shipman, Mrs. J.O. Pope, Mrs. Cora Shuman, Mrs. Bessie Waters, Mrs. Frances Howard and the hostesses Mrs. N.M. Rogers and Mrs. Harland Downs.

SPS employees pioneered development of a fabric filter for large-scale steam generators which is a more effective pollution-control device than traditional control equipment. The fabric filter also costs less to operate and has become so successful that representatives of electric utilities from around the world come to see the filter in operation at Amarillo's Harrington Station.

Car accidents, storms, or fires can knock down electrical wires. If you see a fallen wire, don't go near it or touch it—it may still have electricity running through it. And don't touch a person or object that comes into contact with a wire. Contact with a live wire can result in serious injuries. Contact Southwestern Public Service to report a fallen electrical wire.

Bill Mullins, Safety and Claims Specialist, Lubbock.

Good lighting is a deterrent to crime. Outside lights that illuminate all sides of your home should be kept on even when you are at home, and at least one room of your home should be lighted when you are away for the evening. If you have a detached garage, make sure the area between it and your home is lighted. Light—for seeing, safety, and protection—is available at the touch of a switch, and SPS' Consumer Services Department can provide more information on the type of lighting best suited to your needs.

Middle School Students Perform

Students at Shallowwater Middle School displayed their talent at an assembly March 12.

The show, sponsored by the Middle School Student Council, featured students from grades 5 through 8 and included a variety of acts ranging from gymnastics to magic.

Wendy Wester, a fifth grade student, opened the program with a song entitled, "Germes, My Invisible Dog". Penny Delcambre and Darla Ellis, also 5th graders, performed gymnastic routines. Fifth grade twirlers were Shelly Sheehan, Shannon Forrester, Christy Witcher, and Sherry Schuman.

Robb Johnston, ably as-

sisted by the "man from the audience", Ronnie Barron, performed a magic act. Robb and Ronnie are both 7th grade students.

Members of the sixth grade band, Leigh McKinney, Tammy Elliott, Johanna Pointer, Carol Masten, Dee Dee Moore, and LaDonna Lamb, performed "Crusaders" and "A Touch of Rock".

Piano pieces ranging from popular to classical were presented by Ellen Masten, 7th grade, Lorie Jarnigan, 6th grade, Mimi Lupton and Bobby Jarnigan, both 8th graders.

M.C. for the program was Traca Ellis who is president of the Student Council.

The first use of the term "Old Glory" to designate the US flag was made by a New England seaman, William Driver. Before setting sail for the Orient in 1831, he had the flag unfurled and said, "I name this Old Glory!" The term caught on during the Civil War.

Motor Homes No Longer Considered

State Comptroller Bob Bullock has good news for mobile home dwellers—their homes are no longer considered motor vehicles under Texas tax law.

Motor Vehicles

considered motor vehicle sales tax since 1941," Bullock said. "The last legislature changed that law and

since March 1, we will no longer collect motor vehicle taxes on these homes."

buy a mobile home will obtain a "document of title" from the Texas Department of Labor and Standards instead of registering it as a motor vehicle and obtaining a "certificate of title" from

the Department of Highways and Public Transportation.

The new law basically defines a mobile home as a structure providing at least 320 square feet of living area.

"This means travel trailers will still be taxed as motor vehicles and portable buildings will still be taxed under the sales tax law," Bullock said.

"There will still be a tax on mobile homes which will be collected by the manufacturer," Bullock explained. "During the first year the new law is in effect, the rate will be 4.225 percent of the manufacturer's selling price. After September 1, 1983, the rate drops to 3.25 percent."

"And, there's a use tax provision in the new law," he continued. "This means that anyone who buys a mobile home from out-of-state dealer is responsible for paying the tax—which will be administered by the Comptroller's Office."

LEADERSHIP THAT IS PROGRESSIVE AND AGGRESSIVE

JUDGE CHARLES E. SMITH

ELECT

CHARLES E. SMITH COUNTY JUDGE LUBBOCK COUNTY

Dear Mr. and Mrs. Public,

When a candidate asks for your support, his responsibility should be to tell you how he sees the problems. I feel that our country faces two primary problems, poor management and diminished pride in our local government.

We've seen one example after another of mismanagement in the County Judge's office. We've seen allocated funds frittered away in the past few years on a costly and sub-standard new jail. We've seen our tax base stagnate in the midst of an ever-growing population. It's time for a change. The efficient management of the income generated from within our county has a profound effect on the funding of our public works, as well as our overall tax base. I am committed to prudent management and public trust.

Texans are used to giving the best and getting the best. We like leaders who symbolize the leadership the South Plains offers in so many business and professional areas. We have been leaderless in the County Judge's office since 1965. It's time for a change. Under my administration we can look forward to a country government that's concerned with the needs of all, not just a few. A government that operates efficiently and effectively. We have the desire and the knowledge to achieve these goals. All we lack is executive leadership with vision and compassion and ability to direct us. That leadership can only come through change. That change can only come about with your support. I ask your support of me, and my goals, in this coming election for County Judge.

Sincerely,
Charles E. Smith

Local 4-H'ers Place At El Paso, San Antonio And Houston Shows

Hale County 4-H'ers have represented the county well at the last three stock shows this season, according to Tom Conerly, county extension agent in agriculture.

At the Southwestern International Livestock Show-El Paso, February 5-13, Lisa Pettit exhibited the 11th place heavy weight cross barrow.

Next the San Antonio Livestock Exposition-San Antonio, February 11-19. In the steer show, Lonnie Howard, Abernathy, exhibited the 2nd place light weight Chianina and the 8th place middle weight Limosine. D'Ana Howard had the 7th place heavy weight Limosine. William Hancock, Plainview, and Joan Davis, Abernathy, also exhibited

steers. Linda Smith had the 15th place heavy cross barrow at San Antonio. Douglas and Stephanie McKennon also showed barrows.

Steven Reese exhibited 2 lambs and Linda Smith exhibited 1.

Also attending were Mr. Gary Harrell and Jeff Harrell, Halfway, Mr. Jimmy Davis, Mr. and Mrs. C.P. Smith, Mr. and Mrs. Richard Howard and Ollie Liner, county extension agent.

At the more recent Houston Livestock Show, March 1-5, Lonnie Howard had the 7th place middle weight Limosine and Clifton Pinnell, Plainview had the 12th place middle weight Maine-Anjou.

Stephanie McKennon, Petersurg had the 18th place light cross barrow and Mark Dodson, Plainview had the 19th place heavy weight cross barrow at Houston.

Others exhibiting animals at Houston were Brent Hamilton, John Hamilton, Mandy Igo, Robert Igo, Colbie Pinnell, Jeff Harrell, Jennifer Harrell, Christy Harrell, David Pinkerton, Linda Smith and D'Ana Howard with steers.

Linda Smith also exhibited a barrow along with Mandy Kelley and Beth Windham of Abernathy.

Lisa Pettit, Amy Pettit and Linda Smith exhibited lambs.

Also attending the show were parents, leaders and Ollie Liner, county extension agent.

There were over 6,000 animals exhibited at Houston this year. This combined with the world record prices paid for the top animals made the competition tough.

The Grand Champion Steer sold for \$127,000 with the Reserve Grand Champion bringing \$60,000. The Grand Champion Lamb sold for \$63,000 and the Reserve Grand Champion Lamb sold for \$36,500. The Grand Champion Barrow brought \$41,000 with the Reserve bringing \$27,000.

Fire Dept. Controls Grass Fire

Abernathy firemen put out a grass fire near the Owen Benn residence last Monday, March 8 at approximately 3:30.

The fire was headed for a barn 100 yards from the Benn residence when firemen arrived to wet it down. Farm equipment was also located in the same field as the grass fire.

Mr. and Mrs. Benn kept the fire under control until firemen arrived.

COTTON TALKS
FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, March 5, 1982

Officials of Plains Cotton Growers, Inc., Lubbock, have fixed April 21 as the date for the 25-county cotton producer organization's annual meeting, to be held in the Lubbock Memorial Civic Center. The exact time of the meeting will be announced later.

According to PCG Executive Vice President Donald Johnson, central topic of the meeting will be the classing of cotton by instruments, referred to in the industry as "HVI," the acronym for High Volume Instrumentation. "Interest in HVI among producers, textile manufacturers and cotton merchandisers is growing by leaps and bounds," Johnson notes, "which we think makes it a very timely topic for our annual membership meeting."

HVI discussion among High Plains producers in recent months, Johnson continues, has been stimulated further by widespread dissatisfaction with manual classing results on much of the 1981 crop. "And one of the issues to be faced at our meeting is whether HVI can be expected to answer all or any of the complaints producers have against traditional classing methods."

Speakers for the annual PCG gathering have not been named, but are being chosen to address all aspects of HVI.

Plans call for an official of the U. S. Department of Agriculture's Agricultural Marketing Service, which is responsible for cotton classing operations, to discuss USDA's position with regard to converting classing offices to HVI, including possible sources of funds to cover the cost of such conversion.

Also on the program, Johnson says, will be a speaker from a textile mill where cotton is being evaluated by instruments as a means to improve the predictability of end product quality.

A growing number of mills are using instruments and are pleased with the results, Johnson points out, which is an indication that making instrument data available to mills before they buy their cotton could be a valuable marketing tool for producers.

"However there is always the question of whether the market pricing system will properly reward producers for providing additional quality information," he says, "and this is another concern we will be asking our speakers to address."

In fact, Johnson concludes, we expect to get speakers who will focus on all of the advantages and possible disadvantages producers might expect from HVI.

POLYESTER'S FUTURE is beginning to look even more easy-care, says Ann Vanderpoorten, a clothing specialist.

An improved soil-release finish for polyester will reduce the amount of spot removal needed for oily soil, she says.

This new finish also will make spot and stain removal easier when it is necessary, the specialist adds.

Shallowater Co-op Gin Meeting

Members of the Shallowater Cooperative Gin have been called to meet at 7:00 p.m., Tuesday, March 23, 1982 at the Shallowater Community Club House.

The staff of American Cotton Growers will report on the operations of the pool and denim mill and answer any questions that you may have.

Both pool and non pool members are asked to attend as this meeting is important to all gin members.

COTTON TODAY
A NATIONAL COTTON COUNCIL SERVICE

KOREANS TO TOUR COTTON BELT: A delegation led by Hui-Sung Lee, the new president of the Spinners and Weavers Association of Korea, is now touring the U.S. Cotton Belt. Stops include Memphis, Tenn., Galveston, Texas; Washington, D.C.; and Fresno and Bakersfield, Calif.

Korea presently is a market for approximately 1.5 million bales of U.S. cotton. The tour was arranged through Cotton Council International in cooperation with the American Cotton Shippers Association and AMCOT.

EXPORT SHIPMENTS UP: Cotton export shipments were heavy during the week ended February 25, totaling 217,300 running bales. New sales of 84,500 bales were reported, but cancellations of 37,100 reduced the week's net sales to the lowest of the current marketing year.

Major buyers were Japan, 9,800 bales; Taiwan, 8,600; Greece, 6,400; and Thailand, 5,200. Total commitments for the season now

stands at 6,173,200, compared with 5,353,200 at this time last year, the National Cotton Council reports.

EXPORT REVOLVING FUND URGED: The House Agriculture Committee has recommended that \$500 million to \$1 billion for the export revolving fund be added to the U.S. Department of Agriculture's 1983 budget.

While specifically authorized in the 1981 farm bill, the funding was not included in the Administration's budget proposal. National Cotton Council delegates urged the organization to work for such funding at its recent annual meeting.

COTTON ENTERS LOAN: The U.S. Department of Agriculture reports that 359,617 running bales of 1981-82 crop cotton entered the Commodity Credit Corporation loan program during the week ended February 24. Loans were repaid on 54,846 bales, leaving 4,833,185 still under loan. A total of 5,354,853 bales have entered program so far this season.

New Deal Students Place At El Paso

New Deal students showed swine in the Southwestern International Livestock Show in El Paso this year.

Steven Cooper's Hampshire won 1st place in the lightweight class. Cooper also showed the 8th place lightweight Duroc. Brandon Holmes' heavyweight Hampshire was 4th in his class.

In the Crossbreed division,

Steve Johnson showed the 16th place lightweight Cross, and Nathan Shannon showed the 18th place heavyweight Cross.

New Deal Students Win Tejano's Honors At SPC

Tejano's Day is celebrated annually at South Plains Junior College at Levelland. The festivities were held Friday, March 5.

New Deal was represented by Maribel Gonzales and Louisa Otero, in the queen's contest, and Mary Zamora in the oratorical contest.

From 10:30 to 11:30 the festivities included seminars and tours of the college. At 1:30, Dr. Frank Gonzales, Director of the Bilingualism Department at Texas Tech, spoke on career opportunities for bilingualists. This was followed by the oratorical, talent, and queen's contests. The day concluded with the

announcement of the winners of the oratorical and talent contests and the crowning of the Tejano's Day Queen.

Louisa Otero, a junior at New Deal High School, won

first place in the Miss Tejano's Queens Pageant. She received a \$100 scholarship from South Plains College.

In the oratory competition, Mary Zamora, a senior

at New Deal High School, received second place on her speech entitled, "Bilingualism and Careers."

Congratulations to these students for their outstanding achievements!

Of Public Interest...

January 29, 1982, General Telephone Company filed for a rate increase with the Public Utilities Commission in Austin. General Telephone is asking the Public Utilities Commission to approve an increase of \$110 Million per year in increased revenues.

The requested increase would affect Texas Cities served by General Telephone. According to a recent report by the Texas Municipal League, the requested

increase is approximately 24% over current rates, notwithstanding having received increases from three other cases during 1981 amounting to approximately \$14 million per year.

The Texas Municipal League reported that in the 1981 rate case just concluded, 75 cities joined together to present a joint effort against General's request. As a result, the company's requested increase was reduced from \$45.3 mil-

lion to \$2 million per year.

February 11th, representatives from several cities served by General Telephone met in Irving to discuss what collective action, if any, should be taken by Texas Cities to avoid or reduce the amount of requested rate increase. The unanimous opinion of all the Cities present was to present a consolidated case before the Public Utilities Commission on behalf of the Texas Cities.

To coordinate the Cities' efforts a steering committee was selected composed of Mayor Ralph Blodgett of Spearman, Chairman and Mayor Beverly Heinrich of Webster, Vice Chairman.

The steering committee decided to hire the firm of Touche Ross and Company to work as the Cities' rate consultants. Don Butler of Austin will act as Attorney for the Committee.

General Telephone Company's rate filing information packet is available in City Hall for those persons interested.

"A GLANCE AT THE PAST"

By Buford F. Davenport

From The Abernathy Weekly Review dated June 30, 1966:

July 1, 1966, the beginning date for the nationwide Medicare program, is almost here, Mance King, officer-in-charge of the Plainview Social Security office, reminded persons 65 years of age and older.

Wolf & Sons, who operate an irrigation service and supply firm in Abernathy, have purchased the drilling and well service equipment of Glenn Pettit.

Clifford Medlin is a new, full-time barber at A.D. Helms' Barber Shop. He is a son of the Rev. Bryan Medlin, and is a grandson of Mrs. W.M. Medlin of Abernathy.

Miss Barbara Jane Patterson became the bride of Jerry Allen Brown in a ceremony conducted at 7 p.m. Friday, June 24, 1966, in Abernathy Church of the Nazarene, with the Rev. Charles Kirby officiating. The bride is a daughter of Mr. and Mrs. R.C. Patterson, Jr., and the groom's parents are Mr. and Mrs. Robert Brown.

Double ring vows were read in First Christian Church, Lubbock, for Miss Nita Jo Dorrell and Charles William Burns at 7 p.m. June 25, 1966. Officiating minister was the Rev. Dr. Dudley Strain, pastor of the church. The bride is the daughter of Mr. and Mrs. Layton H. Dorrell of Abernathy, and the bridegroom is the son of Mr. and Mrs. J.W. Burns of Tatum, N.M.

The Abernathy Future Homemakers of America met June 25, 1966, in the homemaking department at AHS Diana Moore was announced as Girl-of-the-Month for April. Kathy Kerr was presented as Girl-of-the-Month for May.

From The Abernathy Weekly Review dated July 28, 1966:

Eight Hale County 4-H members attended the District II Electric Camp at Scott Able in New Mexico. Included in the group were three Abernathy 4-H members: Donna Huffaker, Terri Sinclair and Kerby Spruiell.

Joe Thompson, president of the Abernathy Chamber of Commerce, is one of a select group of West Texas leaders who will meet August 4, 1966, at Lytle Shores Lake near Abilene to explore West Texas Growth Potentials.

Three Hale County students will spend five days at Baylor University, Waco, in August, 1966, as area representatives to the Farm Bureau Youth Seminar. Jean Ann Cannon, Hale Center, Hoyle Curtis, Petersburg, and Kerby Spruiell, Abernathy, were chosen May 17 by a panel of judges to participate in the educational event.

BIRTHS: Mr. and Mrs. Mac Allen Houston are parents of son, Randy Lane, born July 20, 1966. Grandparents are Mr. and Mrs. Elgin Evans, and Mr. and Mrs. E.A. (Billy) Houston, all of Abernathy. Mr. and Mrs. Pat O'Neil of Nacagoches are parents of a daughter born July 12, 1966. She is the granddaughter of Mr. and Mrs. Austin O'Neil and Mr. and Mrs. Eugene Davidson of Abernathy.

Sue Enger was attending Cheerleader School at Texas Tech, Lubbock.

Steve Monk, who was stationed at Lackland Air Force Base, San Antonio, met his parents, Mr. & Mrs. M.M. Monk, at their cabin on Lake Thomas.

From The Abernathy Weekly Review dated

January 1, 1942:

A committee composed of L.M. Rankin, F.W. Struve, O. Rutledge, George Ragland, Rev. J. Frank Nix, Ray Pinson and R.M. Hardesty was named to select a captain, first and second lieutenants for Abernathy's Home Defense Guard.

Miss Betty King, daughter of Mrs. H.N. King of Lubbock, and Wayland Edwards, son of Mr. and Mrs. Troy Edwards of the Monroe Community, were married in Clovis, N.M., December 19, 1941.

Miss Unita Beaty, daughter of Mrs. W.C. Beaty of Monroe, and Ludwig Rieken, son of Mr. and Mrs. R. Rieken, Monroe Community, were married Saturday, Dec. 27, 1941, in the home of the Rev. W.G. Loesel, pastor of the Redeemer Lutheran Church, Lubbock.

Married men are now eligible to take military flight training. Prior to this time, Jan. 1942, men who were married were not allowed to enlist for Army Air Corps training.

Local men and women from 18 years of age up are urged to register for Civilian Defense Saturday, Jan. 3, 1942, at Reid Chevrolet in Abernathy.

BORN TO: Mr. and Mrs. R.S. Veazey, a daughter, Dec. 22, 1941; Mr. and Mrs. Bill Jack Ingram, a son, Morris Jack, Dec. 22, 1941; Mr. and Mrs. Henry Habbinga, a son, Dec. 29, 1941; Mr. and Mrs. Ray Thompson, Ajo, Ariz., a daughter, Dec. 6, 1941, grandparents, Mr. and Mrs. E.G. Thompson of Abernathy.

Approximately \$36,420.11 was paid for 142,000 pounds of wool sold from the wool pool in Abernathy. Buyer was Henry S. Horkenheimer and Company of Boston, Mass. Also, a car of wool was shipped from the pool here early in December, 1941, to the French Worsted Company mills in Rhode Island. It totaled 26,026 pounds and brought \$6,506.50. The pool was formed here by sheep raisers from a wide Plains area. About 168,026 pounds of wool was sold, bringing in a total of \$42,926.61.

Abernathy's three gins had turned out 5,897 bales of cotton from the 1941 crop, according to reports Tuesday, Dec. 30.

William Elmer Connell, a son of Mr. and Mrs. W.E. Connell of County Line, was a member of the first class of aviation cadets to enter the Air Corps Replacement Training Center (Air Crew) at Kelly Field, San Antonio, since the entrance of the United States into World War II.

Oscar Holbert was stationed at Salinas Army Air Base in California. Fred Riley of Ruidoso, N.M., spent Christmas with his mother, Mrs. K.O. Riley. R.B. Smith and family visited in Peacock Christmas Day.

Cullen Duty of Camp Bowie visited here in the home of his brother, John Duty, and family.

Lakeview Philosopher Says The IRS Has A Man Who Can Solve Nation's Economic Woes

Editor's note: The Lakeview Philosopher on his Johnson grass farm explores the nation's economic problems some more this week, sort of.

Dear Editor: There's a man working for the Internal Revenue Service in Washington who can solve the nation's economic woes.

Some big stores brought him a problem about the IRS rule that says a store, when it winds up with a lot of merchandise that won't sell, can donate it to "needy infants" and deduct the full cost of the stuff from its income tax.

But, they pointed out, stores frequently have un-sold merchandise that won't fit an infant. For example, a batch of unpopular size 12 shoes or women's dresses that have gone out of style.

NO problem, the IRS man said. From now on an infant is anybody not over 21 years of age. Fair enough, the stores said.

That's the man we need to solve our economic problems. As everybody knows, the size of the Federal deficit is a scary thing. But if that IRS man can raise the age of an infant, why can't he by the same method lower the

size of the deficit, now calculated at \$92 billion?

All he'd have to do is rub out one little zero at the tailend. The deficit then, instead of being \$92,000,000,000 would be \$9,200,000,000 and everybody knows we could live with one no bigger than that, a mere \$9.2 billion. In fact, he could round it off to an even \$9 billion, on the grounds that decimal points always have been confusing.

And there are other possibilities. If he can rub out a zero, certainly he can add one. For example, just add a zero to a \$1 bill and automatically it becomes a \$10 bill.

It wouldn't be necessary to print up a new batch. Just declare the \$1 ones now in circulation are automatically upped to \$10. Doesn't the post office get by with declaring a stamp with no price printed on it is worth whatever it says it wants it to be, in the current case 20 cents?

Inclosed are three \$1 bills amounting to \$30. Please renew my subscription and mail me a check for the difference.

Yours faithfully, J. A.

LETTERS TO THE EDITOR

Dear Editor:

We were pleased to hear from home that the school board election has brought so many good people forward to run. Successful democracy requires that good people present themselves as candidates.

The next step is for the rest of us to get out and support the candidates of our choice. We would like to see the biggest turnout ever in appreciation for all these good candidates.

Minnie and I have been traveling around Texas seeing kindfoks, friends and Beautiful Texas. (Yes, even in the winter.)

We'll be home in time to vote.

Yours very truly Arno Struve

INSIGHT INTO EYESIGHT
 Van Moore, O. D.
 DOCTOR OF OPTOMETRY

Detecting Baby's Vision Problem

There isn't much a baby can see clearly when he's first born. He doesn't have the ability yet to focus quickly or accurately. It takes a while before he learns how to use both eyes to see well. In the beginning each eye acts independently of the other. As time goes on, if baby still doesn't seem to be seeing well, he should have an eye examination. There are certain telltale signs a parent can watch for. Does your child find it difficult to pick up small objects? When he reaches for a toy, does he miss it completely? And when he starts to walk and hustle around the house, do you often see him stumbling over things that he should have seen and avoided?

There are other signs to look for. Check to see if he is using both eyes to focus on an object. If he tilts his head to look at something or squints or closes one eye to look closely at something, there may be a vision problem. An eye examination is the only way you can be sure.

 In the interest of better vision from the office of:

Dear Editor:

The following is a poem written by Randi Chapman, a fifth grader at Abernathy Elementary. It deserves to be shared with the readers of the Abernathy Review.

David Sharp

My Country

What my country means to me,
 Freedom for everyone I see.
 For the crippled boy who cannot walk,
 And the deaf girl who cannot talk.

Freedom is ours to seek,
 No matter what language we speak.
 At the bottom of the Statue of Liberty,
 Emma Lazarus wrote that poetry.
 In her words the lesson is true.
 All immigrants are welcome to the red, white, and blue.

When at Boston they threw the tea,
 Into the large and deep blue sea.
