

Campaign Tour Leads Bentsen To Abernathy

Senator Lloyd Bentsen stopped in Abernathy for approximately 30 minutes Thursday while on his campaign tour through the panhandle.

A Dallas news team came to Abernathy to film the event, which took place at the Abernathy Weekly Review. At the Review Bentsen allowed a short interview.

Bentsen was asked about the most important topic facing residents of this area, the farming situation.

Bentsen, who was born and raised on a farm, stated that the Department of Agriculture has \$600 million in

economic emergency loan funds on reserve to be released to farmers. These funds would be used to help farmers as credit and loans.

"There is little hope that these funds will be released in the near future," Bentsen said. He also stated that farmers should be given a years moratorium on foreclosures due to the prices last year.

Bentsen also stated that the European market is hurting American farmers. "U.S. farmers are competing against the European Government, which is subsidizing \$40 billion to their

farmers," Bentsen said. The U.S. Government is only subsidizing \$3 billion to farmers.

The U.S. Government is presently filing a suit against European Govts. to stop them from subsidizing their farmers to the extent they are. If the U.S. wins, European Govts. could not sell subsidies at low prices, which Bentsen says is taking away our foreign market.

As for the water situation in this area, Bentsen stated that there will be no relief to the water problem until the federal budget is more in balance. He

also stated that the water situation is more important than oil is in this area.

Concerning the federal budget, Bentsen stated that Reagan is overly optimistic about balancing the budget. "Reagan predicts the federal budget will be around \$92 billion, but even if he gets the budget cuts and tax increases he wants, the budget will still exceed \$100 billion by next year."

On the subject of interest rates, Bentsen stated that he doesn't see them going down much. "If interest rates decrease, it will only be a moderate decrease that we will see by

the end of the year," Bentsen said.

"Big business can pass on the interest rates, but small business cannot," he said. "The interest rates are what put us in this deep recession."

"One way to bring down the interest rates, Bentsen said, is to reduce the national deficit, which could be substantially higher than the \$91.5 billion projected by President Reagan."

After leaving Abernathy, Bentsen, accompanied by his wife and several other aides, traveled to Plainview, Tulia and Hereford. Before reaching Abernathy, he had been to Levelland and Lubbock.

Antelopes Tie For Fourth At Track Meet Here

The Abernathy Antelopes tied for fourth place in the Abernathy Invitational Track Meet held in Abernathy Saturday.

The Antelopes tied with Post, both teams having 44 points. Winning first place was Frenship with 98 points, second was Roosevelt with 69, and third Slaton with 67 points.

In fifth place was Tulia with 43 points, Littlefield 42½, Idalou seventh with 28½, Olton eighth with 28, ninth Cooper with 16 and in tenth place was Dimmitt with 8 points.

Placing second in the 1600 meter run, was John Ruiz with a time of 4:38.76. Gordon Havens placed fifth in the 3200 meter run.

In the 110 meter hurdles, Alan Pettit came in third with a time of 15.62. Pettit won fifth place in the 300 intermediate hurdles.

John Ruiz won another second place in the 800 meter dash with a time of 1:59.42.

The 1600 meter relay team, of Chester Cooper, Harold Miller, Brain Smith and Joe Max Garza, placed

sixth. In the field events, Randy Houston won second in the pole vault competition with a vault of 12 feet and Alan Pettit won second in the high jump with a jump of 5 feet, 10 inches.

Division I

Fourteen teams participated in Division I of the Abernathy Invitational Meet.

Motley County won first place with 80 points and New Deal was second with 79. Other teams and their places are as follows:

3. Amherst, 77; 4. Lorenzo, 75; 5. Petersburg, 47; 6. Hart, 33; 7. Crosbyton, 22; 10. Anton, 20; 11. Union, 14; 12. Kalls, 10; 13. Lubbock Christian, 8; 14. O'Donnell, 4.

Chamber Banquet Tonight

The annual Abernathy Chamber of Commerce banquet will take place tonight at the Community Center. The theme of the banquet is "Abernathy, A Good Place To Live."

Approximately 250-300 people are

expected to attend the banquet this year which will begin at 7:30 p.m.

Rep. Kent Hance will be the guest speaker. Dinner will be served and musical entertainment will be provided by the Country Cousins. Master of

ceremonies will be Y.F. Snodgrass.

Abernathy locals in attendance will witness the presentation of the "Citizen of the Year" and "Farm Family of the Year" awards.

Rep. Kent Hance To Speak

Tickets were still available Wednesday morning and there may still be some left Thursday morning. Those interested should contact Chris Waters at the Methodist Church.

Baseball Sign-Up Tuesday

Interested youth, ages 7 to 14 years, will need to sign-up for the summer baseball season at the Gold Auditorium Tuesday, April 20 at 7 p.m.

Parents should accompany their children to this meeting and sign a release form allowing their child to participate. They should also bring their child's birth certificate.

Council Increases EMS Ambulance Fee

The Abernathy City Council met Monday night at 7:30 to discuss and act on a long list of items on the agenda. All council members were present.

The council increased the Emergency Medical Service ambulance fee to \$100 from \$75 a trip. The use of oxygen will remain at \$7.50. They also discussed the possibility of acquiring more EMS equipment, such as a defibrillator.

Election Results Certified

The Council reviewed the ballots and results of the City election and certified the winners.

Aldermen Jerry Givens, Charles Nelson and Harold Stillwell stood, raised their right hands and took the oath of office while Otelia Clements read the contents of the oath to load.

Mayor Pete Thompson was also reinstated as Mayor of Abernathy as all council members approved Thompson to the position.

Sewer Treatment Facility

Clayton Yeager, City Engineer, was present to discuss the sewer treatment facility and progress that has been made on this project.

Yeager and City Manager Rod Ellis went to Austin recently to get permission from the Texas Dept. of Water Resources to acquire the land necessary to treat and dispose of city sewage.

The city of Abernathy will be allowed to purchase 170 acres near the present treatment site, if this land can be acquired.

Total construction costs for the new sewer treatment facility are estimated at one million, three hundred thousand dollars.

The sewer treatment facility project has been in the making for the past three years.

Meals On Wheels

Robert Hernandez, of Central Plains Community Action in Plainview, was present to discuss the Meals on Wheels program.

The program was carried out locally by the Abernathy Neighborhood Center until the Center was closed recently due to no funding.

Hernandez asked that the City of Abernathy contribute \$700 to Meals on Wheels. His goal is to raise \$20 thousand from contributions by Hale Govt. bodies.

Hernandez asked the Hale County Commissioners Court to provide \$10 thousand, Plainview \$7,500 and Hale Center 1,800, the amount depending on the number of elderly in each area. Abernathy's share would be \$700.

If the money is raised, the Meals on Wheels program would be continued in Abernathy. Meals on Wheels is a program that involves free meals

being delivered to the elderly who are not able to leave their homes.

this matter.

Girl Scout

The Council agreed to let the girl scouts use City facilities for summer day camp. The local girl scouts requested the use of the grounds behind City Hall and the large meeting room.

Day camp will be held June 7-11 from 9-2 p.m. each day. 60 girls and 20 adults will participate in the camp.

GTE Court Case

Abernathy will participate in the court case against General Telephone's rate increase.

Abernathy will join 57 other communities under the guidance of the Texas Municipal League in fighting this proposed rate increase. The proposed rate increase is \$110 million. It will cost the City \$450 to help pay for lawyers and rate consultants. It was passed by a unanimous vote.

SPS Rate Increase

The council decided to extend the time for the Southwest Public Service rate increase another 120 days.

Presently, Abernathy is joining approximately 75 other cities in asking that SPS be examined to see if there is a need for a rate increase.

The Council passed the resolution giving Abernathy 120 more days before the increase will go into effect, which is at least a 12 percent increase across the board if it does.

Franchise Fee

The City of Abernathy receives a 2 percent franchise fee from Southwest Public Service each quarter based on gross sales.

Amarillo is getting a 3 percent rebate and paying the same rates as Abernathy citizens. Therefore Abernathy should receive a 3 percent rebate too. Rod Ellis will investigate

Masons Meet Tonight

Abernathy Lodge #1142 A.F. & A.M. Masons will have a called meeting Thursday, April 15, at 8:00 p.m. The meeting is for work on Entered Degree of Masonry.

Mosquito Spraying Charges

The Council authorized the City to charge for mosquito spraying to go into effect May and continue through October.

The City will be spraying once a month for mosquitos and residences will be charged \$1.25 extra each month for this service. The charge will be added to utility bills issued by the City each month for water and sewage.

The City manager was also authorized to take bids for mosquito aerial spraying.

Airport Zoning Requirement

The Abernathy Municipal Airport is required to have hazard zoning. An ordinance was passed which creates a joint Hale-Lubbock County zoning board.

Councilmen appointed Larry Lutrick and James Pope to serve on the zoning board. They also selected Speck Cox and Marvin Stephens as alternates.

School Sewer Line

The Council discussed the sewer line under Junior High that backs up from time to time. After research by the City engineer, it was decided that the sewer line could be re-routed, but at the schools cost.

Green Thumbs

The Council discussed a proposal from Daryl Hale concerning the Green Thumb project in Abernathy. Green Thumb workers will be paid for their labor through this program. Any materials they need to work with will have to be purchased by the City.

The City has some painting that needs to be done and the Council agreed to allow local Green Thumb workers to work on some City projects. The meeting adjourned.

Sunshine Group To Meet

The Sunshine Group will have their regular meeting and program Thursday, April 15.

Rev. Tommie Beck will give the program at 11 a.m. following by the cover-dish luncheon at 12 noon. Everyone is invited to attend.

Basketball Camp

Abernathy basketball coaches Carl Irlbeck and Larry Steele announced that everyone interested in summer basketball camp should contact them.

Boys basketball camp will be June 7-11 and girls June 14-18. There is no age limit for the camp.

KENT HANCE, Representative of the 19th Congressional District, will be the guest speaker at the Chamber of Commerce banquet tonight at 7:30 p.m. (Review Photo)

ON THE COUNTY LINE

BY: KETH TOOLEY

WHEN I WORKED at a wilderness park, about 45 miles below Houston, I became accustomed to the tremendous humidity and heat of that area of Texas. The humidity was 95% or better each day and it would get up to at least 100 degrees the majority of the time.

This was not what made me miserable while I worked in that park two summers ago. Another element of nature weighed heavier on the list of unfavorables.

It wasn't the snakes, alligators, poisonous spiders, poison ivy or other creatures and plants in the park, but something much smaller, the fire ant.

How could a small little ant cause any harm? Very easily if it is a fire ant. There was seldom a day I went into the park that I didn't get bit by a fire ant.

In south Texas, they are all over the place, and in this wilderness park, they could not be avoided.

The first time I discovered the little monsters was a memorable occasion. I was planting a nature sign in the park and looked down and found my leg covered with them.

The bites are no fun. They cause sores that last weeks and they can make you miserable.

They build huge mounds, some of which were 15 feet across and several feet high. There were several in the parks.

The heavy rains received last year improved the breeding habits of the ants and contributed to an increase in infestations.

Fire ants are moving north in Texas at the rate of 36 miles a year. Presently, 107 counties are infested. 75 of these are infested to the point of carrying out a fire ant control campaign.

It is serious business in south Texas. The ants can't be killed. Every time a chemical is invented that will kill the ants, the next generation becomes immune to it.

Once when we went camping in the park, I couldn't even avoid the ants in a hammock. They climbed the tree and walked down the string holding the

hammock to get at me. They were in the cooler, all of our packs and even in the canoe, which we partially pulled on shore.

If fire ants make it up this far, forget about having any more Sunday picnics. Anteaters might even become very popular pets.

THE RUNOFF ELECTION between Don McKenzie and Gale Davis will be Saturday, April 24. Somehow we received the wrong information and in last weeks paper stated that the election would be held May 1. Be sure to vote April 24.

FOR THOSE TO WHOM IT MAY CONCERN, which should be everyone, the absentee voting deadline for the May 1st Democratic-Republican primary is April 27. It started the 12 of April. Absentee voting for the school run-off election began April 12.

HERE ARE SOME FACTS about alcoholism that the Texas Medical Association has researched.

According to the TMA, about 3.5 million teenagers in the United States are alcoholics. Three of every four teenagers drink, and one out of five gets drunk at least once a month.

Alcohol is involved in 60 to 70 percent of teen deaths resulting from accidents and suicides, which statistics show are the two leading causes of death in youths.

Alcohol simultaneously increases aggression or risk-taking while it decreases motor skills. Most frequently the teenager victim is driving while intoxicated or is killed by an intoxicated driver.

The majority of youths who get in trouble with the law have committed the illegal act while under the influence of alcohol.

I guess we can conclude from this research that extensive drinking can cause a number of problems. These problems are evident even in the small town of Abernathy.

THE ABERNATHY INVANTIONAL TRACK MEET was held Saturday in Abernathy. In the top photo is John Ruiz who placed second in the 800 meter run and the 1600 meter run. In the middle photo is Randy Houston who just received his medal for second place in the pole vault. And on the bottom is Tony Gereau running in the 3200 meter run. (Review Photos by Jay Harrison)

WEEKLY DEVOTIONAL

If there is ever going to be a spiritual awakening in America or in the world, it will surely have to start with Christian people committing themselves to the doing of God's will.

We have the prescription for a great revival of Christian religion, but the question is, Do we want to have that prescription filled?

In Isa. 40:3-5 and Luke 3:3-6 we have the prescription: "Prepare ye the way of the Lord, make his paths straight, pull down the high places, fill in the low places, straighten out the crooked places, smooth out the rough places, and make straight in the desert a highway for our Lord."

That is the prescription it still needs filling. There are too many crooked places in modern society, too many rough places.

Junior Ashmore, a starter at Kilgore Junior College for the past two years, has become the first recruit signed

for the 1982-83 basketball campaign by Wayland Baptist University head coach Ron Mayberry.

Ashmore, a native of near-by Hale Center, was one of the top high school athletes to come out of the South Plains area of Texas in 1980 after averaging 26 points a game as a senior. He was a three-time All-District selection, landing All-Region and All-State honors as a senior.

The six foot, two Ashmore, who was the Player of the Year on the All-South Plains team in 1980, participated in both the Texas Coaches All-Star and Texas-Oklahoma All-Star games before signing with Kilgore JC. In addition, he was a two-year regional qualifier in tennis during his high school career.

At Kilgore, Ashmore averaged 10 points per contest for his two years there and was named Who's Who by the Physical Education Department faculty.

He is the son of Mr. and Mrs. C.D. Ashmore of Hale Center.

"We're tickled to death to

have Junior join our program," said Mayberry, who recently completed his second year as head coach of the Pioneers. "I was impressed by the maturity he gained between his senior year and now, and I definitely think he will help us out next season."

Ashmore is the grandson of O.R. Ashmore of Shallowater. Plainview Daily Herald.

is Tracy Jo Price. She works in the South Plains Mall at Brands Western World. Her responsibilities as an employee include selling, stocking, and cleaning.

During her four years at Shallowater High, she has

played tennis two years, basketball one year, and has participated in DECA activities for three years. Some of her hobbies include riding horses, water skiing, fishing, rodeos and raising animals.

Shallowater Gin Stockholders' Meeting Saturday

Stockholders of the Shallowater Cooperative Gin have been called to meet at 2 p.m. Saturday, April 17, at the Shallowater Community

Club House, according to an announcement from Board President Doyce Middlebrook. The gin has completed its 47th year of operation with a total for the

season of 16,084 bales ginned and 7797 tons of cottonseed marketed.

Business to be conducted includes: Annual Audit Report, Reports from Regional Cooperatives, Election of three directors; term of W.R. Lupton, Doyce Middlebrook and M.J. Williams expire, any other business

meeting opened with group singing and prayer by Mrs. N. Matthews.

Mrs. J. L. Johnson was in charge of the business session in the absence of the president, Mrs. Oletha Gilmore. Mrs. E. E. Senter brought the devotional using scripture from the first chapter of Acts. The minutes were read by Merle Enger and were then approved.

Mrs. Johnson was in charge of the Easter program which was given by Mrs. Coggin, Mrs. Harrison, Mrs. Amerson and Mrs. Enger.

The meeting was closed with prayer by Mrs. Johnson. The hostess served refreshments to Mesdames Coggin, Amerson, Matthews, Johnson, Harrison, Enger and Senter. Montgomery returned home Friday from Oklahoma City where they had visited their daughter and son-in-law, Mr. and Mrs. Gordon West the past two weeks.

Rev. and Mrs. H. B. Coggin visited her brother and family, Mr. and Mrs. Bill Keith in Lubbock, Monday of last week. Mrs. Keith and Mrs. Coggin visited relatives in Odessa, Tuesday.

OUR PEOPLE MAKE THE DIFFERENCE

At First State Bank, people like Jane Blackburn make the difference. A graduate of Muleshoe High School, Jane was employed at Muleshoe State Bank for three and a half years before the family moved to Shallowater. She has been with First State Bank since January, 1973, and was elected Assistant Cashier in 1979.

Jane's husband, Bobby, a salesman for McCarty-Curtis, Inc., in Lubbock, serves on the Shallowater School Board, and their daughter, Dana, 16, and son, Joe Bob, 12, are students in Shallowater Schools. The Blackburns are members of First United Methodist Church in Shallowater, and Jane serves as treasurer of the Wesleyan Service Guild. She enjoys activities with children in church and school, and is a big supporter of the Shallowater Mustangs.

Whaley-Hill Engagement Announced

Mr. and Mrs. H.L. Whaley, of Shallowater, are pleased to announce the engagement and approaching marriage of their daughter, Mary Alice Whaley, to Clent R. Hill, son of Mr. and Mrs. C.R. Hill also of Shallowater.

Vows will be exchanged

April 17 at 10 a.m. at the Broadway Church of Christ in Lubbock.

Mary Alice attended Shallowater schools and is attending Texas Tech School of Nursing.

Clent also attended Shallowater schools and is currently in business with his

father.

The couple were honored with a miscellaneous shower given at Mrs. C.R. Hill's residence, Saturday April 3 at 4 p.m. Approximately 50 guests were registered by Mrs. Richard Cleveland. Cake and punch were served.

The bride will be presented by her father, Mr. H.L. Whaley. Sylvia Perez, Mary Alice's best friend, will be maid of honor. Monte Anderson, Clent's best friend, will be the best man.

The bridesmaids will be Mary's two sisters, (Jacqueline M. and Amy M. Whaley) and Clent's three sisters (Tonya, Yvette and Tylen Hill).

A reception in the church hall will follow the ceremony.

Moore's Win At South Plains Cake Show

Freida Moore, of Shallowater, won three ribbons recently in the 5th Annual South Plains Cake Show held April 1, 2, and 3rd in Lubbock.

The competition consisted of cakes from the South Plains area, Big Springs, Abilene, and as far south as San Antonio.

Freida won first place in the Intermediate Division for her "John 11:25" Cake. Her "Raiders of the Lost Ark" cake, with the full length figure of Harrison Ford, brought her two ribbons. A first place ribbon for the Special Occasion Category and 2nd place in the whole Division.

Freida is a self-taught decorator and has been decorating for the past 3 years. She does cake decorating from her home in Shallowater.

Freida and her family have lived in Shallowater the past 3 years.

Chris Moore Wins 2nd Place
Chris Moore won 2nd Place in the 5th Annual South Plains Regional Cake Show held April 1, 2 and 3rd.

Chris won his 2nd Place ribbon in the Junior Division, 6-9 year old category.

He attends the second grade at Shallowater Elementary.

Greaves To Lead Mental Illness Fundraising Drive

Mrs. Becky Greaves, of Lubbock, will lead Bellingranger workers in a fundraising drive during May, Mental Health Month. Mrs. Greaves will be calling on others in the community to assist with the organization and working of the drive. All citizens are calling upon to aid in this drive to benefit the fight against mental illness and for the improved care for the mentally ill.

"Proceeds will benefit the Mental Health Association in Texas," said Virginia Barlow, state President of the voluntary citizens' association.

As a non-governmental agency, the association can and does speak for the consumer - the person who needs professional help for an emotional disturbance. Mental illness is America's most costly health problem - in excess of 40 billion dollars annually. More than

ACREAGE REDUCTION SIGN-UP REPORTED: USDA said 35.4 percent of upland cotton acreage base had been signed to participate in acreage reduction program as of March 26. Producers must sign by April 16 to be eligible, but may withdraw later, the National Cotton Council reports.

CREASES: The U.S. Department of Agriculture reports that 1981-82 crop cotton under CCC loan decreased by a net of 20,782 running bales during the week ended March 24. While new entries totaled 79,960, loans were repaid on 100,742 bales. The latest transaction left loans outstanding on 5,076,769 bales. In addition, 122,836 bales of 1980 crop cotton remained under the loan after repayments on 1,229.

EXPORT SHIPMENTS CONTINUE: Cotton export shipments for the week

ended March 25 totaled 150,800 running bales to bring total commitments to 6,323,400 bales, compared with 5,620,500 a year ago. New sales of 48,000 bales for the 1982-83 marketing year were 9,300 bales.

SPRING BOARD MEETING SET: The National Cotton Council Board of Directors will hold its spring meeting May 4-5 at the Hilton Hotel, Fresno, Calif.

Recovery Methods Used To Extract Oil And Water

A technique long used to extend the life of an oil field may be able to prolong the life of the Ogallala Aquifer.

Secondary recovery methods, which have squeezed additional barrels of oil from old fields, are being applied to test water wells and the results are being reviewed by Texas Tech University civil engineers.

Texas Tech Civil Engineering Professor B.J. Claborn said conventional pumping techniques in both oil and water wells only extract approximately a fourth of the liquid in an underground formation. The remainder of the liquid is held by capillarity, or surface tension, among the grains of sand in the aquifer.

Oil companies have for years pumped water or air into the ground to break the bonds of capillarity and to herd the crude oil toward a well where it can be recovered. A. Wayne Wyatt, general manager of the High Plains Underground Water

Conservation District No. 1, which is overseeing the project, originated the idea of secondary water recovery.

"Everyone's first reaction," Claborn said, "was to laugh. But the more everybody thought about it, the more we began to say 'Why not?' I don't think any of us are totally convinced it is going to work, but we hope it will."

By summer's end, Claborn said some answers on the feasibility should be known because of information being gathered at a 140 foot deep test well near Slaton. Analysis of the old well has shown that in each cubic foot of sand from the aquifer 60 percent of the space is occupied by the sand itself, 30 percent by water and 10 percent by air.

After an oil well is drilled, normal production methods will bring to the surface about 25 percent of the oil. Another 25 percent is retrievable with secondary recovery techniques, Claborn

said.

"We are discovering we have done about the same thing in our water wells—recovered only a fraction of what is down there," Claborn said.

But Claborn cautioned that this preliminary finding is based on only one well. From other reports, Claborn indicated that the amount of water remaining in an old well may vary widely depending on the well's location and the characteristics of the aquifer.

One prerequisite for employing secondary water recovery is some type of "cap" over the aquifer, Claborn said. The cap is a formation through which air or water will not readily pass. When air is pumped under great pressure into a well, the water is forced to move away from the air source between the cap and the impervious bedrock. In this way water can be pushed toward another well.

that is being tested. "We will have a much better idea about air injection before the summer is over," Claborn said. "We should know if it is technically feasible and, if not, why."

MAID LAUNCHES OVERSEAS TOUR: Maid of Cotton Jann Carl is now on a

world-wide tour to tell U.S. cotton's story to export customers.

During a six-week period, she will take part in activities to increase use of products made from U.S. cotton and meet with key textile executives and government officials.

Economic Problems Facing Area Farmers To Be Discussed At Meeting

Meeting introducing a new approach concerning the economic problems facing area farmers will be held next week in Amarillo and Lubbock.

Billed as farmer-businessman session, the Amarillo meeting is set for 7:30 p.m. Monday, April 12, in the Amarillo Civic Center and will be keynoted by U.S. Rep. Jack Hightower. The Lubbock program, also at 7:30 p.m. on Tuesday, April 13, in Lubbock Municipal Auditorium, will feature U.S. Rep. Kent Hance.

Other speakers for the program will be Richard H. White, vice president of Martin Haley Co., of Washington, D.C., and Marvin Meek of Plainview, national chairman of the

American Agriculture Movement.

The programs are to review the current economic problems facing area farmers and ranchers and to introduce a plan for the formation of a Political Action Committee (PAC) to seek positive legislation for Rural America. The forma-

LEGAL NOTICES

NOTICE OF TAX EXEMPTIONS AND PRODUCTIVITY LAND VALUATION

A \$5,000 exemption from school taxes is available to all persons who owned and resided in their residence homesteads on Jan. 1 of this year. In addition, any person who is 65 years of age or older or who is disabled can be exempted an additional \$10,000 of market value for school tax purposes.

In 1982 only, homeowners who were 65 years of age or older on Jan. 1, 1979, and failed to receive their school district exemptions in 1979, may apply to have their school taxes frozen at the 1979 amount of application is made during the filing period of Jan. 1, 1982 through April 30, 1982. No refunds of taxes paid may be given for 1979, 1980 or 1981.

Persons owning farm or ranch land may, upon applying and meeting certain criteria, qualify to have their land valued according to its productive value instead of its market value.

Individuals who own implements of farming and ranching on Jan. 1, 1982 may upon proper application qualify for a partial exemption of those implements from taxation.

Disabled veterans who can show proof of disability, and make application, may be granted a partial exemption in the county, school and city jurisdiction in which the property is located.

All exemptions and productivity valuation applications must by law be applied for by April 30, 1982.

Persons making a false application are subject to a fine and or imprisonment.

Applications and forms are available from the Hale County Appraisal District, 302 W. 8th, Plainview, or may write to the Hale County Appraisal District at Box 29 Plainview. Phone 293-4226.

ADVERTISEMENT FOR BIDS FOR STREET IMPROVEMENTS CITY OF ABERNATHY, TEXAS

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable Mayor and City Council of Abernathy, Texas, will be received by the office of Parkhill, Smith & Cooper, Inc., 4010 Avenue R, Lubbock, Texas, until 2:00 p.m., May 7, 1982, for furnishing all necessary materials, machinery, equipment superintendence and labor for cleaning and seal coating certain streets for the City of Abernathy, Texas, consisting of approximately 46,900 square yards of "Seal Coating", including other incidental items of work as called for in the specifications.

Bidders must submit a Cashier's Check or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of THE CITY OF ABERNATHY, TEXAS, in an amount not less than five percent (5%) of the largest possible bid submitted as a guaranty that the bidder will enter into a contract and executive bonds and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The successful bidder will be required to furnish a Performance Bond and a Payment Bond, each in the amount of the contract, written by a responsible Surety Company, authorized to do business in the State of Texas, and satisfactory to the Owner.

All lump sum and unit prices must be stated in both script and figures. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. The Owner reserves the right to reject any or all bids, to waive formalities, and to accept the bid which seems most advantageous to the City's interests.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done.

Payment for the work performed on this project will be paid for in cash by the City of Abernathy, Texas.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 91, Chapter 45, (Article No. 5159A Civil Statutes of 1925) concerning the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Information for Bidders, proposal forms, plans and specifications are on file at the offices of the City Manager, Abernathy, Texas, and Parkhill, Smith & Cooper, Inc., Engineers-Architects-Planners, 4010 Avenue R, Lubbock, Texas, 79412.

Copies of the plans and specifications and contract documents may be secured from Parkhill, Smith & Cooper, Inc., Engineers-Architects-Planners, 4010 Avenue R, Lubbock, Texas 79412.

Attention Shallowater Residents
Ordinance No. 185
Pertaining to: Trash Storage and Collection
Effective: 9-15-75

BE IT ORDAINED BY THE CITY COUNCIL for the City of Shallowater, Texas, by its Mayor and Aldermen:

SECTION 1: Hereafter all property owners are hereby required to store or place trash and other rubbish in the large rectangular shaped City owned trash and garbage containers placed in the alleys and throughout the city by the City of Shallowater. No other trash containers shall be placed in any alley or street in the City of Shallowater. It shall be deemed a violation of this ordinance to place trash, rubbish, or other items intended to be picked up by the trash collector in alleys or near trash pick-up stations without the same being placed in the above mentioned containers.

SECTION 2: No person shall place dirt, heavy building materials, rocks, or any other heavy objects in to the above described trash containers.

SECTION 3: Any violation of this ordinance shall be deemed to be and the same is hereby declared to be a misdemeanor offense and subject to a fine of not less than One Dollar (\$1.00) or more than Twenty-five Dollars (\$25.00).

SECTION 4: If any property owner fails to place trash or garbage in the above described trash containers and the city trash collector is required to pick up said trash or rubbish outside of said containers, then an extra charge of not less than One Dollar (\$1.00) nor more than Five Dollars (\$5.00) for each occurrence shall be made and added to the property owner's regular bill for trash hauling services. The amount of such extra charge shall be determined by the Mayor of

Unlike most other businesses, electric utilities like SPS require large investments in plants and equipment. For example, for each \$1 in annual revenues, the Company has more than \$2 invested in plants, equipment and other assets necessary for providing electric service. This investment plus a fair return (profit) is recovered through revenues received from customers over the useful life of the property.

Kurt Shaughnessy, Accounting Coordinator, Amarillo.

In regions with relatively mild winters, an investment in six inches of ceiling insulation will pay for itself in fuel savings in only one year. In the heating season, adequate insulation in the ceiling can save up to 20% on your fuel bill. During summer months, this insulation will help retain the cool air generated by your home's air conditioning system.

Bob Spradling, Consumer Services Representative, Roswell.

Our customers' electric bills are lower because SPS sells the byproducts created by the burning of coal. Flyash, the powder-like substance given off during combustion, is sold as a construction material. The ash is sold under contract directly from the plant, with transportation costs paid by the buyer. Profit from the sale of the ash is applied to the Company's fuel costs. This saves our customers money, since fuel costs are passed to customers in the form of adjustments to their monthly bills.

Ronnie Blythe, Envirochemical Coordinator, Harrington Station, Amarillo.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

'Shorty' Jordan

Services for L.J. "Shorty" Jordan, 75, of Abernathy were at 2 p.m. Tuesday in First Baptist Church in Abernathy with the Rev. Lloyd Riddles, pastor, officiating, assisted by the Rev. Murry Brewer and the Rev. Kenneth Horn.

Burial was in Petersburg Cemetery in Petersburg under direction of Chambers Funeral Home of Abernathy.

Jordan died at his home Sunday morning from an apparent heart attack. Justice of the Peace Jeanne Marr ruled the death was by natural causes.

Jordan was born in Runkles County and grew up in Hamilton County before moving to the Abernathy Area in 1943. He was a heavy equipment operator for Hale County.

Survivors include his wife, Emily; three sons, Dwayne and R.D., both of San Angelo, and A.L. of Odessa, three daughters, Mrs. Paul (Janette) Hunt of Houston, Mrs. Bob (Earlene) Flippin of Amarillo and Mrs. Melvin (Carlene) Loveall of

meeting, W.H. Brown was manager. Brown also was Abernathy's mayor.

Rites were held for Mrs. J.E. Hardin's father, J.M. Osborn, 73, who died at the Hardin home after an illness.

Vic said the rumor that "Pretty Boy" Floyd, the Oklahoma bandit, was seen in Abernathy proved untrue. A stranger hit Abernathy telling what great things he was going to do in oil drilling in Hale County.

He just happened to be short of ready cash, so some local men let him have some money. The next day he was gone with the \$7.50 locals gave him. (This old gag was staged in Lubbock a few months ago with much greater loss than the \$7.50 that left here. The story was in The Avalanche Journal.)

Five double-deck freight cars of sheep, approximately 1400, were shipped from here to Kansas City Friday by nine area sheep raisers. Those having sheep in the shipment by Santa Fe from Abernathy were R. Rieken, Isaac Holmes, Fritz Fuchs, Will Murray, Walter Harp, G.G. Gilliland, John Heggi, Frank Bledsoe and G.E. White.

Lillie Lloyd Jackson entertained with a birthday party in her home Tuesday night. Refreshments were served to Joe and Ruthie Apperson, Moody Jackson, Clifton Roark, Olin Reed, Geneva Davenport and Kathleen Carr.

Mr. and Mrs. G.D. Sanders were hosts at a dinner party in their home at Tuco Thursday night. Guests were Fred Bennett of Stamford, Odie Echols and family and Henry Shipp of Lubbock, and Mildred Elkins.

Miss Floyce Apperson was one of about 50 models appearing in the style show held in connection with the market week program in Lubbock.

afternoon at Colonial Care Center after a brief illness.

He was born on Sept. 19, 1896, in Jackson County, Fla., and moved to the Lubbock area in 1935. He established Williams Auto Repairs, and later worked as an auto mechanic in the area until his retirement. He was a member of Trinity Church.

He served in the Army during World War I.

In 1925, in Canyon, he married Marie Wyatt Dulaney. She died in 1963.

Survivors include a son, Noel Jr., of Lubbock; a sister, Mrs. George (Gladys) Eastwood of Tabin, N.M.; two grandchildren and two great-grandchildren.

Ruby I. McGrew

Services for Ruby I. McGrew, 67, of Anton were at 2 p.m. Saturday at First Baptist Church of Anton with the Rev. Syl Moore, pastor, officiating.

Burial was in Anton Cemetery under direction of Hammons Funeral Home of Littlefield.

Mrs. McGrew died at 12:30 a.m. Thursday at her home. Justice of the Peace Dorothy Conkin ruled that the death was by natural causes.

The Blue Ridge native had lived in Anton the past 50 years. She married Wilmer McGrew October 11, 1931, in Anton. He died in 1978.

Survivors include four daughters, Doris Moore of Lubbock, Della Oakley of Shallowater and Beverly Hardin and Brenda Nichols, both of Anton; four sons, Floyd of Lubbock, Marion of Austin, Oren of Abilene and Keith of Littlefield; six sisters, Lillie, Marnell Cundiff, and Cleo Burt, all of Anton, Laura Marie Cooper of Chandler, Nadine Watkins of Bridgeport and Francis Davis of Denton; four brothers, Bill Cundiff of Anton, Oneal Cundiff of Springtown, Jack Cundiff of Aubrey and O.M. Cundiff of Chandler; 17 grandchildren; and two great-grandchildren.

Saria Gardner

Saria (Sally) Gardner, 92, of Abernathy died Wednesday morning at her home of natural causes.

Services were at 4 p.m. Friday in First United Methodist Church with the Rev. Tommy Beck, pastor, officiating, assisted by the Rev. HB Coggin, pastor of Lakeview United Methodist Church. Burial was in Abernathy cemetery by Chambers Funeral Home.

Mrs. Gardner was a native of Hood County who came to Abernathy in 1935 from Capitan, N.M. She owned and operated a dry goods store until 1952. Mrs. Gardner was a charge member of the City Garden Club and a Methodist.

Survivors are two nieces, June Robertson of Abernathy and Christeen Coleman of Lubbock.

Services for Noel E. Williams, 85, of Route 1 in Shallowater were at 10 a.m. Wednesday in Rest Lawn Chapel at Wolforth with Dr. Ralph Grant officiating.

Burial was in Riverside Cemetery in Wichita Falls under direction of Rest Lawn Funeral Home.

Williams died Monday

Rosie Honeycutt

Graveside services for Rosie Honeycutt, 77, of Abernathy, were Friday at 3 p.m. at Abernathy Cemetery with Associate Elder Jerry McClenagan, minister of Christian Church of God in Amarillo, officiating.

Burial followed under direction of Chambers Funeral Home in Abernathy.

Mrs. Honeycutt died at

7:15 p.m. Wednesday in Lubbock after a lengthy illness.

She was a native of Panola County and moved to Abernathy in 1955. She was a member of Bethel Baptist Church of Abernathy.

Survivors include a daughter, Ann Stewart of Abernathy; four grandchildren; and eight great-grandchildren.

At General Telephone We're Not Simply Talking About Service Improvements We're Making Them In Abernathy

At General Telephone, better service isn't just a goal, it's a solid commitment. General Telephone spent over 354 million dollars in 1981 on capital expenditure projects (i.e. new electronic switches, expanded cable projects and modernization), and GTE will spend over 410 million dollars in 1982 to provide you the best telecommunications available.

For you, as a valued customer, this investment in service improvement is working as shown below. General Telephone is working hard to continually provide you with the best of service.

The Texas Public Utility Commission (PUC) has established certain standards in public hearings, and our service results are listed against those standards.

	Texas PUC Standards	Most Current Figure
% customer calls answered promptly business office/repair service	90	99.6
% service order commitments met as promised	90	100
* % local calls completed on 1st try	98	100
* % direct dialed long distance calls completed on 1st try	95	98.7
% out of service trouble cleared within 8 working hours	90	96.6

* These results based on electronic testing.

Soft Contacts And Heavy Sports

It was the final set of the tennis match. Sally was hot, nervous and tired. Her glasses kept fogging and slipping down. How she envied her opponent who did not have to contend with this problem. What Sally did not know was that her opponent was wearing glasses. Not the visible spectacles - rather, soft contact lenses.

No matter what your sport, good vision is essential. And since many individuals have less than perfect vision, some form of corrective lenses are called for. Eyeglasses are a common solution - but not for everyone.

If this is your case, consider soft contact lenses. They're soft and pliable which means they won't pop out - even during the most rugged activities. They're comfortable right from the start. Every day more and more athletic eyeglass wearers are enjoying the new freedom and confidence that comes from converting to soft contact lenses. Whatever your sport, soft contact lenses will help you see better, play better and look better.

What Others Say About State Representative FOSTER WHALEY Democrat

THE WELLINGTON (Texas) LEADER
Thursday, April 1, 1982

Foster Whaley
State Representative Foster Whaley deserves re-election to another term.

Whaley has served four years in the legislature and now has appointments on the important appropriations committee and is vice chairman of the constitutional amendments committee.

He's also one of only a handful of representatives that finances his campaign without donations from special interest groups outside his home district.

And Whaley and his wife both work full time at the job. (We're getting a bargain for our money.)

But perhaps Whaley has served his constituents best in helping them with day-to-day problems involving state government.

An example: A couple of years ago four Wellington women, whose ages were 72 to 85, had been denied eligibility for continued nursing assistance. They were about to be forced to leave the nursing home because they could not make payments. The nursing home contacted Whaley and he drove to Wellington and interviewed the four women. Then he got on the phone and talked to Jack Blanton, executive director of the Texas Department of Human Resources. Whaley explained the situation and the ruling was reversed.

That kind of interest in matters small and large makes Whaley a good representative for our district.
