"Peacemaker" To Present Concert On City Square Saturday Night

The City Square will be filled with music, skits and fun Saturday night, June 12 as the group "Peacemaker" presents a special concert.

"Peacemaker" was formed in the latter part of 1980. Since then, they have been singing and playing for several different organizations throughout the Lubbock area. The

Saturday night street concert will be the groups' second of this type. The City of Lamesa hosted a street concert with "Peacemaker" last summer.

"Joint Heirs," a high school ensemble from Lubbock, under the direction of Scott Beard, will also participate in the concert. "The Almost Out of Time Players" will present comedy

with a message in some of their skits during the evening also. This group is from Lubbock and consists primarily of Texas Tech students.

The concert will begin at 7 p.m. Everyone is invited. Bring a friend and come prepared to enjoy the evening. No admission will be charged. Start the summer off right with "Peacemaker".

"PEACEMAKER" will present a concert on the Abernathy City Square Saturday night. They will be joined by the ensemble "Joint Heirs" and "The Almost Out of Time Players". Members of "Peacemaker" are pictured, from left to right, Tom Woodruff, Gregg Wright, Tom Walters and Michele Woodruff.

Juvenile Vandals Caught

Three juveniles were arrested in connection with the vandalism of two school buses and a van, according to Abernathy Police Chief Raymond Naron.

Two twelve year olds and one ten year old, all Mexican-American males, were charged with breaking out the windows in two school buses and a school van June 6. An eye witness to the act of vandalism turned the

names of the three juveniles to Abernathy Police officers the next day, Naron said.

Damages amounted to approximately \$2,000 and parents of the juveniles will pay for the damages, Naron ended.

Man Threatens Family

Abernathy Police Chief Raymond Naron received a call May 4 from a family who was being threatened by a

man standing in front of their house with a gun.

Naron arrested the man at 303 Ave. F and he was charged with carrying an unlawful weapon, according to Naron.

Fina Burglarized

The Fina Service Station was burglarized May 16. 30 cartons of cigarettes worth \$180 and \$25 in cash was taken in the burglary.

Chief Naron said that the burglars entered through a window they broke on the south side of the building.

Teacher Assaulted

A 20 year old white male was charged for assaulting a white female.

The assault occurred May 3 when the young man asked for a ride to town with the woman, who was travelling on Highway 54 at the time, according to Naron.

A Man Lived By The Side Of The Road ...And Sold Hot Dogs

He was hard of hearing, so he had no radio or television.

He had trouble with his eyes, so he had no newspaper.

But he sold good hot dogs.

He put up a sign on the highway, telling how good they were. He stood by the side of the road and cried, "Buy a hot dog, mister." And people bought.

He increased his meat and bun orders and he bought a bigger stove to take care of his trade.

He got his son home from college to help him. But then something happened.

His son said, "Father, haven't you been listening to the radio? There's a big depression on. The International situation is terrible, and the Domestic situation is even worse."

Whereupon the father thought, "Well my son has been to college. He listens to the radio, watches television, and reads the papers, so he ought to know."

So, the father cut back on quality... reduced service, took down his advertising signs, and no longer bothered to stand on the highway to sell hot dogs.

His hot dog sales fell almost overnight.

"You were right, son," the father said to the boy. "We are certainly in the middle of a great depression."

ON THE COUNTY LINE

BY: KEITH TOOLEY

EVERYONE HAS A SOLUTION for solving the world's problem...but it is their own problems they have trouble solving. (copied)

LOST ON A BACK ROAD in Alabama, a motorist asked the way to Montgomery.

An old farmer, sitting on a fence, looked down the road, scratched his head, and gave explicit directions.

Half an hour later, after following the farmer's directions carefully, the motorist found himself back at the starting point. The farmer was still sitting on the fence, in placid contemplation of the landscape.

"Hey, what's the idea?" the motorist demanded indignantly. "I did just what you told me, and look where I wound up?"

"Wal, young feller," the farmer explained, "I didn't aim to waste my time tellin' you how to git to Montgomery till I found out if you could follow simple directions."

A FARMER CAME into Amarillo last Saturday night and he asked how much a hamburger was. The waiter said \$1.50. The farmer leaned over to his wife and whispered, "Bessie, do you realize we've got a cow at home worth \$65,000."

A SURGEON WAS discussing a case with a class of medical students.

"The muscle in the patient's right leg has contracted until it is shorter than the muscle in his left leg. Therefore, he limps."

Pointing to one of the students, he asked, "What would you do in such a circumstance?"

"I'd limp too," the student said.

FOR THOSE WHO are taking the present economic conditions to the extremes, here is an article taken from the Crosbyton Review that holds a special message which might even hit home...

Gamblin Named New Deal I.S.D. Superintendent

A.D. Gamblin was named Superintendent of New Deal I.S.D. by the New Deal Board of Trustees May 28. Mr. Gamblin has been with the New Deal school system since 1969. For six years, he was Elementary principal and has served as High School principal from 1976 to the present time.

Mr. Gamblin attended Rankin Public Schools, where he graduated second in his class in 1952.

From 1954 to 1956, he served in the U.S. Army, working with radar/electronics.

After attending San Angelo Junior College for one year, Mr. Gamblin transferred to Sul Ross State University at Alpine, Texas, where he earned a Bachelor of Science Degree with a Math major. In 1970, he received a Masters Degree in Education from Texas Tech University. He received Administrative Certification through advanced work at Texas Tech University.

A veteran of twenty-two years in education, Mr. Gamblin formally taught at Sanderson High School, Sanderson, Texas, Atkins Junior High School in Lubbock, and from 1962 to 1966 taught in Ilo, Peru, South

America, where he also acted as assistant director of the school.

His wife, Velma, is a teacher in the Lubbock School System. They have two children, DeAuna of Dallas, and Brent of New Deal.

A.D. Gamblin

Masons Meet Tonight

Abernathy Mason Lodge number 1142 AM and FM will have a stated meeting June 10, (tonight) at 8:30 p.m. at the Lodge Hall.

Everyone is invited to attend this meeting.

There are approximately 152 members in Lodge 1142 and 80 live in the Abernathy area.

Sunshine Group

The Sunshine group will have their regular monthly luncheon and program Thursday, June 17 at 11 a.m. in the Abernathy Community Center. Everyone is invited to come enjoy the program and have lunch.

School Board Votes To Purchase Vehicles

The Abernathy School Board met Monday night at 8 p.m. to discuss and act on several important items of business. Minutes of the May meeting were approved before the board moved on to the first item on the agenda.

Vehicles Purchased

School board members voted to purchase four new vehicles for Abernathy Schools.

For the Vocational Agriculture Department, the board decided to purchase two GMC 1982 crew cab pickups from McGavoc of Plainview, for \$11,996 each.

For the drivers education class, they chose to purchase a 1982 Bonneville for \$8,588 and for school administrative personnel, the board selected a 1982 Grand Prix for \$8,430. Both of these vehicles were also purchased from McGavoc. Four other car dealers also submitted bids to the school.

Block Grant Money To ESC

The board voted to allocate \$3,000 of the block grant money the school will receive to the Education Service Center.

This money will be given to ESC who will use it to purchase educational films that will be available for Abernathy Schools to view in the future.

Adult Education Class

Continuation of the adult education classes was discussed, but no action was taken. This item will be discussed at the July meeting.

The board discussed changing the criteria necessary for students to qualify for Title I services, but no action was taken.

Computers Discussed

Abernathy Schools are presently renting computer terminals and service lines from the Education Service Center at a cost of \$37,000 a year.

The possibility of purchasing these terminals and lines rather than renting them each year was discussed. No action was taken.

Insurance Bids

The board agreed to call for insurance bids on buildings that were damaged in the recent hail storm. After damages have been appraised, bids will be called for with a notice in the Weekly Review.

Other Business

Driver training classes have not started because no car to train students is available, (until Monday

night).

Eight transfer students from New Deal were accepted.

Fiscal Auditors were appointed for 1981-82 Bollinger-Seegers-Gilbert and Moss were once again appointed.

Extended insurance coverage was discussed, but no action was taken.

The July School Board meeting was set for July 12.

The School is working on several summer projects through the CETA program which is providing jobs for two work crews under Scooter Cassler and Hugh Smith.

The board heard a hail damage report that revealed that \$59,000 damage was done to Abernathy Schools in the storm. The roofs on the academic center and both gymnasiums will have to be replaced. Many other school roofs will have to be repaired.

Resignations

The board accepted the resignation of Elaine Fortune, who is moving to Boys Ranch. She taught the third grade.

Carmalitta Barnett, of Olton, resigned from her position here in the Special Education program.

Cindy Robinson resigned as a High School English teacher.

Gail Stanton was hired as an elementary teacher. She has taught at Abernathy Schools before.

Emily Ratcliff's status was changed from Title program reading to teach in a regular reading class. Change of status was also discussed for Title teachers Gui Via and Marie Riddell, but no action was taken.

Irrigation Farmers To Face 10% Gas Increase

Irrigation customers served by the West Texas System of Energas Company, are being notified that a 10 percent rate increase will be put into effect July 1, company officials said today.

Area farmers use natural gas to fuel engines used to pump water wells for farm irrigation.

Letters explaining the rate change have been mailed to all affected customers. The area involved from the central Panhandle to south of Odessa.

It has been three years since we last raised the irrigation rate," Charles K. Vaughan, Energas president, said. "In December, 1981, the general service rate for customers on the West System increased by 10.6 percent replacing a

rate that had been in effect for nearly three years."

The new irrigation rate is identical to the West Texas System general service rate through the first 50,000 cubic feet of monthly gas usage. Additional volumes will be at rates that are lower in price than the general service rate.

Vaughan said Energas historically has provided service for irrigation purposes at or below the general service rate in effect in communities it serves in the surrounding area.

"We are confident that the new rate is quite favorable as compared to the prices charged by other gas companies and by alternate energy suppliers for irrigation purposes," Vaughan wrote in his letter notifying customers of the increase.

Lubbock Girl Dies In Accident

An 8-year-old Lubbock girl was killed Sunday night in a one-vehicle accident three miles south of Abernathy on Interstate 27.

Joann Ortiz of 4317 42nd St. died at the scene when a Ford van driven by her father, Joe Angel Ortiz, 27, rolled twice after the man reportedly lost control of the van shortly after 9:30 p.m., according to a Department of

Public Safety spokesman.

Justice of the Peace Dardie Williamson of Shallowater was taken to the accident scene by DPS troopers and ruled the death accidental.

Ortiz and his wife Mary, 32, were both listed in satisfactory condition this morning at Lubbock General Hospital. Two other daughters, Sissy, 5, and Angie, 9, were treated at the hospital and released. Avalanche J

SERVICE ROAD COLLISION...which occurred last Tuesday at 3:50 p.m. at the intersection of Main Street and the West Service Road. In the top photo is the car that ran into Jesse Morrison. On the right, Charles Bowen treats the driver Barry Arwine of Lubbock, who was thought to be in shock. In the bottom photo, Abernathy EMS put Jesse Morrison, of 311 First Place Abernathy, on a stretcher and prepared him for the ambulance. Both men were taken to Methodist Hospital. Morrison was still in Methodist Tuesday and being treated for a sore back and neck. (Review Photo)

Rhonda Hunt And Mike Baker

Engagements

Hunt-Baker Engagement Announced

Mr. and Mrs. Guy Bartlett are proud to announce the engagement of their daughter, Rhonda Hunt, to Mike Baker, son of Mr. and Mrs. Jack Baker of Lamar, Colorado.

The couple plans to be married July 24 in Lamar. Mike is a 1978 graduate of

Lamar High School and is part-owner of Lewis Sprinkler in Canyon.

Rhonda is a 1979 graduate of Abernathy High School and attended West Texas State University. She is presently employed at Sakowitz in Amarillo.

Adams-Davenport Engagement Announced

Mr. and Mrs. Tommy Adams, of Rt. 1 of Lubbock, announce the engagement of their daughter Bonnie, to Ken Davenport, son of Mr. and Mrs. Curtis Davenport of Tuscola.

A July 10 wedding is planned in St. Luke's Methodist Church in Lubbock.

Miss Adams is a graduate of Roosevelt High School and is a senior Fashion Merchandising Major at Texas Tech.

Ken graduated from Abernathy High School and graduated from Texas Tech in May with a degree in Agricultural Education. They will reside in Abilene.

Ken Davenport And Bonnie Adams

Ricky Burton And Tanya Williams

Williams-Burton Engagement

Mr. and Mrs. David Williams of New Deal, announce the engagement and approaching marriage of their daughter, Tanya, to Ricky Burton, son of Mr.

and Mrs. Edsel Speer of Rt. 2 Lubbock and William M. Burton of Olton.

The couple plans an outdoor wedding August 7 at the home of the bride.

Vecera-Manley Engagement Announced

Mr. and Mrs. Travis Vecera, of Crowell, announce the engagement of their daughter, Anita Beth, to Mark Alan Manley, son of Mr. and Mrs. Leon Manley of Stephenville.

The bride-elect is a 1977 honor graduate of Crowell High School and will graduate from West Texas State University in August

with a BBA degree in Administrative Services.

Manley graduated from Stephenville High School in 1978 as an honor student and graduate from WTSU in May with a BS degree in Math and Physical Education.

The wedding is planned for June 12 in the First

Couple Sets September Wedding

Announcing the engagement of their daughter, Donna Kay Tooley to David Keith Tooley of Abernathy, are Mr. and Mrs. B.C. "Skip" Tumlinson of Slaton. Tooley is the son of Mr. and Mrs. Wendell Tooley of Tulia.

Miss Tumlinson is a 1980 graduate of Slaton High School. Tooley graduated

from Floydada High School in 1977 and will complete his B.S. degree at Texas Tech University in August. He is presently the editor of the Abernathy Weekly Review.

Miss Tumlinson and Tooley plan to marry September 3 at 6:30 p.m. in Slaton First Baptist Church.

David Keith Tooley And Donna Kay Tumlinson

Those To Remember

Ina Robison is in Methodist Hospital.

Myrna Davis is in West Texas Hospital.

Jesse Morrison is in Methodist Hospital. Cheryl Thompson was dismissed from St. Mary's Hospital.

Mrs. J.W. McReynolds has been dismissed from the hospital and is home.

Wesley Webb is in Methodist Hospital. Lloyd Edwards and Chris Wilson both have been dismissed from Methodist

Hospital.

Alma Wilson was admitted to Hale Center Hospital Monday and had surgery Tuesday.

BIRTHS

Mr. and Mrs. Robert Parks of Abernathy, are proud to announce the birth of a son weighing 10 pounds at 6:55 p.m. Saturday, May 29 in Methodist Hospital, Lubbock.

Payne-Monroe Set August Wedding

Mr. and Mrs. Ebb Payne of Abernathy, announce the engagement and approaching marriage of their daughter, Tanga Kay, to Jimmy Don Monroe, son of Mr. and Mrs. J.L. Monroe, of Lubbock.

The couple plan an August 28 wedding at Asbury

United Methodist Church in Lubbock.

Tanga is a 1979 graduate from Abernathy High School, and Jimmy is a 1975 graduate from Monterey High School in Lubbock and a 1981 graduate from Texas Tech University.

Jimmy Don Monroe And Tanga Kay Payne

County Line VBS June 14

Vacation Bible School will be June 14 thru June 18 at County Line Baptist Church from 9 to 11:30 a.m.

Pastor, Danny Jackson, invites children in the community to attend. Ages for VBS is 2-18 years.

Martin Kennedy is the director of the VBS this year. "Learning of Jesus Christ" is the theme of the school.

Friday there will be a picnic with a sack lunch and a horny toad race. 1st and 2nd places in the race will receive a prize.

Commencement is Sunday night June 20 at 6:00 p.m.

Grandparents are Mrs. Kathryn Raymond, of Abernathy, and Mr. Richard Raymond, of Spur, and Mr. and Mrs. Weldon Blount, of Hale Center.

New Arrivals

Shane and Kathy Blount, of Hale Center, are proud

parents of a son, Bradley James, born May 17 at 12:52 p.m. at Methodist Hospital in Lubbock. He weighed 8 lbs. and 10 ozs.

WORD of GOD

What shall be the sign?

Mark 13:4

And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;

And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.

And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.

And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains;

And said to the mountains and rocks,

Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:

For the great day of his wrath is come; and who shall be able to stand?

Revelations 6:12-17

Jesus said Repent!

Remember therefore how thou hast received and heard, and hold fast, and

repent. If therefore thou shalt not watch, I will come on thee as a thief, and thou shalt not know what hour I will come upon thee.

Revelations 3:3

And that he was buried, and that he rose again the third day according to the Scriptures;

Texas Wheat Industry Unites Behind Promotion Plan

Grain elevator operators throughout the State of Texas will be deducting 1/2 cent per bushel from all farmer deliveries of wheat beginning with the 1982 harvest.

The voluntary "Implied Consent" amassed funds will be expended at the direction of the initiating organizations to strengthen the market demand, price and producers income for all classes of wheat in the State, according to a joint an-

ouncement made by Presidents of supporting organizations: Carrol Chaloupka, Dalhart, Texas Farm Bureau; Mike Moeller, Austin, Texas Farmers Union; Wiley Tabor, Quanah, Texas Wheat Producers Association; and W.H. (Diz) Ansel, Rosenberg, Texas Grain and Feed Association. The new "Texas Wheat Promotion Plan" will be administered by the farmer-elected Texas Wheat Producers Board, through its professional and technical staff headquartered in Amarillo, according to W.R. Moore, Jr., Munday, TWPB Chairman.

The dynamic change in wheat production and marketing within the State make such a bold self-help effort mandatory if any semblance of profit is to be maintainable, the Ag-leaders say. They point to the fact that just ten years ago, in 1971, Texas ranked sixteenth among the states in production with only 31 million bushels. In 1981 it had leaped to third place nationally with 183 million bushels. During the same time, the acres planted in Texas jumped from 3.5 to 7.8 million while the harvested acres leaped from 1.6 to 6.6 million.

This dynamic change in wheat production upped the producers' value of the crop and their spending power in

taxes, goods, services and production inputs from \$70 million to over \$700 million. Even though during the same period, the farm price of wheat increased 172 percent, the big disappointment to farmers throughout the State is that demand has not been strong enough to overcome the increased production costs and strengthen farm prices to a profitable level.

Wheat production and marketing has also been dynamic in its shift within the State. In 1971, 85 percent of all wheat in Texas was produced in a 34 county North Texas, Panhandle-Plains area. Today at least 55 percent is produced outside that former traditional area.

Wheat use in the United States during the past ten years, and in the foreseeable future, has been static in action and virtually unchanging. All the dynamics in wheat production—putting idle acres back into production, absorbing increased yields from research and technical advances, expansion into new areas, and all the price increase from \$1.34 per bushel since 1971—has been made possible by increased exports. U.S. wheat exports go not only to big customers like Japan, China, the Soviet Union and Mexico—but to over 90

countries throughout the world. Exports reduce carryover stocks and help strengthen farm prices.

Wheat producers nationally work for export expansion through their boards and commissions with self-assessment programs ranging from 1/2 cent to 2 cents per bushel in the individual states. Their efforts are channeled through one producer-supported organization—U.S. Wheat Associates. It maintains a Washington, D.C. headquarters and twelve overseas offices administering on-going programs and activities throughout the world wheat markets. The Foreign Agricultural Service of USDA conducts its only overseas market promotion programs through producer-cooperator groups such as U.S. Wheat Associates. The traditional 34 county wheat area of Texas, acting through the Texas Wheat Producers Board, has been a partial supporting member of U.S. Wheat Associates for ten years and is closely identified with the export expansion that has taken place—600 million bu. to 1.75 billion bu. between 1971-82.

"Increased support of U.S. Wheat Associates export market development, transportation studies, and other activities that might

LUBBOCK, Friday, June 4, 1982

Lubbock-based Plains Cotton Growers, Inc. June 3 conveyed its "strong feeling of gratitude" to this area's congressmen and other co-sponsors of the Farm Crisis Act of 1982.

As part of the organization's statement filed for House Agriculture Committee hearings on the bill, PCG told the congressmen "Your efforts to secure changes in the Food and Agriculture Act of 1981 indicates a true understanding of the dire situation that exists in our industry and your sincere desire to

enhance the value of wheat production and marketing in the States are the kind of projects that will be recommended to the directors of the Texas Wheat Promotion Plan", according to Bill Nelson, Amarillo, Executive Vice President and Administrator of TWPB.

"The current rust and powdery mildew outbreak in the East and Central areas, the continuing greenbug, mite and worm problems in the Rolling Plains and the statewide freight rate study already being considered, are examples of immediate needs in enhancing wheat profit potential," Nelson pointed out. "The level of and extent to which these can be carried out will depend on the level of interest and support of the producers and the elevator operators in making this state-wide

effort of 1/2 cent per bushel voluntary program effective in generating funds," the joint announcement of the organizations' Presidents indicated.

It was also pointed out that while individual member-developed policies support this unified voluntary self-help program, this joint effort in no way affects the separate approach to other farm policy issues of these groups.

Posters will be placed by the Texas Grain and Feed Association at each wheat receiving location in the State indicating that the 1/2 cents deduction will be made unless producers request exemption prior to settlement. Procedures in the 34-county traditional wheat area operating under provisions of the Texas Commodity Referendum Law since 1971 will not be affected by the new program, other than have the assurance that now producers in the remainder of the State will have an opportunity to participate.

do something about it, both of which are greatly appreciated."

The PCG statement went on to say "The Farm Crisis Act has the potential to provide at least a measure of relief to the farmers of this area and of the nation who find themselves in deep financial trouble, and we commend the House Agriculture Committee for giving it due consideration."

Hearings on the bill were originally scheduled on May 25, but were postponed at the last minute because Secretary of Agriculture John Block, a key witness, could not appear. However a few witnesses already en route to Washington when the postponement was announced were heard, with only four of the committee's members present. The hearings were reset for June 8, then moved to June 9, presumably because of conflicts with budget deliberations.

Recognizing that provisions of the bill as now written most likely will be changed before being reported for House consideration, PCG asked the committee to consider incorporating into the bill five major points in PCG's current legislative policy. Those five points are:

A loan price at a minimum of 65 percent of parity;
Reinstatement of the disaster section of the 1973 Farm Act;

Elimination of payment limitations;
Target prices figured on a cost-per-acre basis as opposed to the present cost-per-pound calculation, and Continued authority for the Secretary of Agriculture to restrict the planting of specific crops and to offer paid acreage diversion when cotton is in excess supply.

In its present form the bill would offer cotton producers a 20-cent per pound payment for an additional five percent acreage reduction in 1982, and advocates a nationwide, multi-crop producer referendum in July on a 15 percent set-aside for 1983, 1984, and 1985. If the referendum carried, producers of cotton who complied with its provisions would receive a 10 percent increase in the loan, while those not complying would lose eligibility for all farm programs for three years.

Should the referendum fail, the Secretary would be required to institute a 15 percent voluntary acreage reduction program in any year following a July 31 cotton carryover of 4.2 million bales or more. Compliance with the layout program would get the producer a 10 percent increase in the loan rate, and he could gain a 20 percent loan increase by diverting 25 percent of his acreage.

Lakeview Philosopher Says TV Networks Tickled To Get Out Of Salvador And On To Falkland

Editor's note: The Lakeview Philosopher on his Johnson grass farm has been forced to learn something new about geography.

Dear editor:
I don't know about others but I had managed to make it this far in life without ever having heard of the Falkland Islands.

Such ignorance wasn't something I was losing sleep over, as there must be thousands of islands scattered around in the oceans of the world most people haven't heard of. And if a man is going to be ignorant of something, tiny islands are about as good as anything else.

The reason I am now aware of the Falklands is that the world is too thoroughly televised.
As I understand it, Argentina has been arguing for 150 years that the islands belonged to her, not the British, although England has been in charge of the place. So, after debating for a century and a half Argentine, with what might be called Congressional speed, decided finally to take over the territory and make everybody there speak Spanish instead of Cockney, not to mention drill for the oil

that may lie under the ocean floor nearby.

So the TV networks, tickled pink to get rid of the El Salvador story, which they couldn't make heads or tails of anyway, leaped on the Falkland Islands. A place with only 1,800 people and 600,000 sheep is a lot more photograpical.

It makes a person wonder, if Argentina hadn't charged on to the island, what would the three networks have lead off their evening news shows with that day and for days thereafter? For one thing, I still wouldn't have heard of the place.

At this writing, there's no telling what will happen. Forty-six British ships are steaming toward the Falklands 8,000 miles away and eventually will get there, if the mortgage holders don't foreclose and call them back to port. All wars are waged on credit and most nations are already over-extended. People who finance via taxes, ships, submarines, airplanes and nuclear bombs are reluctant to see their investments risked in combat.

Yours faithfully,
J. A.

Abernathy 4-H's Headed For State Roundup Project Show And Congress

Hale County will be well represented at Texas A&M University June 8-10 at the 1982 State 4-H Roundup Project Show and Congress. The county's 4-H members will be among some 2,000 from across Texas taking part in a host of activities.

Participating in the State Project Show will be Landony Castleberry, Alicea

Logan will attend 4-H Congress. 4-H teams qualifying for state in method demonstration contest will also attend state 4-H Congress. They are: Paul Young and Christi Harrell, Linda Smith and Mark Ebeling, Lonnie and D'Ana Howard, Lonnie and Marie Hooper, Donna Stout and Carla Bontke, Kalyn Laney and

Tanya Tyer.

The County Entomology team attending will be Patsy Davis, Joan Davis, Vicky McKenzie and Dinah Neve. Activities will get under way with the State 4-H Food Show on June 8 followed by 39 Roundup contests and the Project Show on June 9. State 4-H Congress also begins June 9 and continues

through the next day.

The opening assembly for Roundup will begin at 7 p.m. June 8 with the recognition of 72 outstanding 4-H members who will receive scholarships totaling \$350,000. Five long-time supporters of the 4-H program also will be recognized with special awards from the Texas 4-H Foundation.

A special luncheon on June 9 will recognize 29 outstanding 4-H adult volunteer leaders from across the state who will receive special plaques from the Texas 4-H Foundation.

The program for Texas 4-H Congress will feature a look at various career fields and opportunities.

4-H'ers competing in the

State Food Show and Roundup contests must qualify by winning in county and district competition. The State Project Show is open to all 4-H youth who are interested in preparing exhibits about particular project areas in which they have excelled. Congress is a leadership event for senior 4-H members (14 to 19 years of age) that annually addresses certain key issues.

4-H Programs are open to all persons between the ages of 9 and 19 regardless of socio-economic level, race, color, sex, or national origin. For more information, contact the county Extension Office at 293-8481, Ext. 271.

Hale County Wheat Field Day June 17

The Hale County Wheat Field Day has been scheduled for Thursday, June 17, to begin at 9:30 a.m., according to Billy E. Warrick, county Extension agent. The tour will assemble at Coffey Seed Company, 2106 South Date, (f.m. road 400), at 9:15.

This year's field day includes a tour of an irrigated wheat fertility demonstration, a summer fallowed dryland wheat variety test,

and an irrigated wheat variety test. The tour will be completed by 11:45 a.m.

Dale Pennington, Extension Soil Chemist-Lubbock, will be talking on fertility practices in wheat, and Frank Petr, Extension Agronomist-Amarillo, will be talking on wheat varieties as well as weed control in wheat and summer tilled acreage.

The Feed Grains and Other Crops Committee, the

host of the Wheat Field Day, encourages all producers and businessmen to make their plans to attend.

This Field Day is open to people of all ages, regardless of socio-economic level, race, color, sex, religion, or national origin.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

COTTON TRADE TEAMS SET FOR SALES MISSIONS
Cotton Council International (CCI) and USDA's Foreign Agricultural Service have announced a series of U.S. trade teams that will sponsor this summer to promote overseas purchases of American cotton.

The teams will call on textile executives, cotton traders, and government officials in 11 countries of Asia and Europe.

Target nations and Korea, Japan, China, Hong Kong, Thailand, The Philippines, Taiwan, Indonesia, Greece, Switzerland, and Germany, which are the best prospects for current and future sales of U.S. cotton.

Many of the trade team members are cotton growers, and there are also cotton merchants, representatives of cooperatives, and USDA and CCI staff members.

PRODUCERS ADOPT LIST CHANGES IN CROP INSURANCE PROGRAM
The National Cotton Council's Producer Steering Committee (PSC) will recommend changes in the federal crop insurance program, it announced at its regular spring meeting.

Committee chairman John S. (Duke) Barr, III, of Oak Ridge, La., plans to present 11 specific recommendations May 20 to the Senate Agriculture Committee.

Secretary of Agriculture John Block has expressed concern about the program, since only 11 percent of the nation's cotton growers

Shari Simmons On SWOSU Honor Roll

Southwestern Oklahoma State University has announced both the President's and Dean's Honor Rolls for the 1982 spring semester.

A grade of "A" in 15 semester hours of work taken during that time results in the student being named to the President's List. There are 150 students

participated last year.

In its meeting, the PSC heard a series of reports from Council staff members and specialists of USDA.

COTTON 'HANGING IN'
MAN-MADE FIBERS—A recent article in a national chemical magazine quoted a manufacturer of synthetic fibers as saying the use of cotton in clothing has bottomed out unless the man-made fiber industry can "do something about it." He singled out polyester producers and said they have been trying to do something about cotton for years, but "progress has been slow."

that have accomplished this. Many others are on the Dean's List after completing 15 semester hours with a grade point average of 3.0 ("B") or higher, with no grade lower than a "C".

Named to the spring semester list was Shari Simmons, a graduate of Abernathy High School.

WATER ON ROAD—Heavy rains caused flooding of an access road west of Shallowater. (Review Photo)

Bradys Celebrate Golden Wedding Anniversary

The builders class of the United Methodist Church of Shallowater, hosted a reception Sunday afternoon, June 6, from 3 until 4:30 p.m. honoring Mr. and Mrs. V.T. Brady on their fiftieth Wedding Anniversary.

Mr. and Mrs. Brady were married in Clovis, June 5, 1932. Mrs. Brady was the former Blanche Popplewell of Lubbock. Mrs. Brady is the Sunday School teacher of the Builders class of the United Methodist Church.

The reception was held in Fellowship Hall of the United Methodist Church. The serving table was covered with a floor-length

linen cloth, which featured a three-tiered white cake topped by white roses gilded in a gold tinge.

The center piece was a bouquet of handmade silk roses in yellow and gold tones accented with greenery. The center piece was the gift to the honorees from the hostesses.

A crystal punch bowl held the golden fruit punch to carry out the motif. Crystal appointments held the gold mints and nuts. White napkins, with gold printing, accented the serving table. The register book was gold with white printing. About 150 friends regis-

tered.

Members of the house party was the Builders Sunday School class consisting of Mr. and Mrs. M.J. Williams, Mr. and Mrs. Berlin Haught, Mr. and Mrs. A.C. Henderson, Mr. and Mrs. Wayland Nelson, Mr. and Mrs. Gale Ballard, Mr. and Mrs. G.W. Gates, Jr., Mr. & Mrs. Russell Saunders, Mr. & Mrs. James Mcmenamy,

Mr. and Mrs. Werner Tegge-man, and Medames, Ozelle Chestnut, Mona Bates, Mickey Langston, Ester Lusk, Myrtle Cofer, Gracie Lee Woodruff and Pat Isbell.

CALL DISPUTED—Fireman Ron Williamson disputes a call made by umpire Ronny Lusk. The man with the gun reportedly won the argument, according to reliable sources. (Review Photo)

Teachers Attend Workshop

Shallowater teachers sat on the other side of the desk this week as they attended workshops held at the Education Service Center.

Teachers were fulfilling either state or local requirements to return to the class-

room to be brought up to date on methods of teaching reading, math and other subjects. The workshops are offered each year to help teachers keep abreast of developments or as refreshment courses in a variety of

areas.

Attending the course, "An Approach to Secondary Reading Development," were Virginia Hohertz, Mary Barnes, and Keitha Hopson.

Family Holds Annual Luncheon

Mix Gibson of Idalou had the annual family luncheon in her home Wednesday, June 2.

Those attending were sisters Pat Isbell of Shallowater; Georgia Wilbanks, Maxine Johnson of Lubbock; and brother Jim Ham also of Lubbock. A longtime friend of the family, Florence Ballard of Shallowater was special guest.

Chicken casserole, green beans, corn on the cob, tossed salad, and strawberry parfait was served. A good time was had by all.

Talk Of The Town
Carolyn Clark & daughter Angie, of Dumas, visited in the home of Paula Middlebrook Thursday, June 3.

Letter To The Editor

Dear Sir:

Our neighbors should be commended for their special kindness on the night last week the tornado warning signal was heard. Dale and Sally Jackson opened their shelter to friends and neigh-

bors. Richard Hopson, our next door neighbor, risked his safety to help us get to the shelter.

Seven years ago we retired and moved to Shallowater. If we were asked "Why Shallowater?" we'd gladly say our great neighbors and we strive to be good neighbors, too.

Joe & Johnnie Woosley

Booster Club To

Purchase Whirlpool

The Shallowater Athletic Club announced that they will purchase a new whirlpool for the athletic dressing rooms which are now being renovated and enlarged. Parents of all athletes in

grades seven through 12 are encouraged to attend the first meeting of the Booster Club next August. New officers will be elected and plans for the coming year will be made at that time.

STORE LEFTOVERS IMMEDIATELY after eating, and certainly don't leave them at room temperature more than two hours, cautions May K. Sweeten, a food and nutrition specialist with the Texas Agricultural Extension Service.

TO REMOVE ODORS in a microwave, boil one cup of water and several tablespoons of lemon juice in the oven for five to seven minutes, suggests Bonnie Piernot, a family resource management specialist with the Texas Agricultural Extension Service.

FLYING PLANK Pictured above is a Flying Plank built by Van White. It is a wing configuration with a snow mobile engine.

Shallowater Lions And Firemen Open New Field

The Lions Club softball field was officially opened last Saturday. The score of the first round of play was sophomores 1, Lions 0. The field still has a lot of work to be done and at present is housing a community of gophers who think they own the field.

The game was moved to the Little League park and play began in earnest. The score was tight through the first inning during which Lion Arlice Wittie hit the first home run of the day. After that the fire department had trouble keeping up with the Lions paced by Lion Boss Mike Luttrell who literally had wings on his cap.

At one point City Marshall Elmer Hall, who was playing for the fire dept. but is also a Lion, was accused of actually playing for the Lions for deliberately missing plays at first base. He naturally denied the accusation by saying the he was just a sorry first baseman.

The coach of the Fire Dept., fiery David Teague, hotly disputed several calls made by Umpire Ronny Lusk. However, since Lusk was also on duty as city patrolman, Teague didn't win any arguments.

The last batter of the day was Justice of the Peace Dardie Williamson. She popped up in the infield, but no Lion was dumb enough to

catch the ball and pinch runner Sandra Cody advanced to first base. Fireman Dunk Williamson was awarded the official game bubblegum wrapper. It was an enjoyable afternoon with a lot of good-natured fun. The Lions would like to express their appreciation to the Firemen for their participation.

County Line Chit Chats

By Faye Ann Nelson

We did it again! We decided to give Mary Lynn Rice a house warming surprise and shower. We all gathered at the Rice home at ten o'clock Saturday morning, May 29. She looked so funny and said "What are you all doing?"

We took Strudel, made by Faucine Horne, and hot tea and coffee. Each one took gifts. Present for the surprise were Frances Hudson, Faye Ann Nelson, Faucine Horne and Jeri Floyd.

I wonder if this will be very different. We will visit Mr. and Mrs. John King of South Wales. We met them on a tour and have been corresponding for about a year and a half.

They invited us over to see their country. Mr. King is a retired policeman in Tredgar Qwent, Wales, England. We will visit in London, England one week and then tour Wales, and Scotland. I will write a detailed story on return.

Ken and Ann Sims and son have moved back to County Line. We are so glad to welcome them to our community. Ann is the former Ann Hudson.

Mr. and Mrs. G.W. Nelson visited with Mr. and Mrs. Valton Brady of Shallowater. They invited us for a going away luncheon at Big-ham's Smokehouse and Bar-beque Wednesday noon.

Here we go over the Atlantic Ocean. We flew over the Pacific Ocean in 1979, so

Mr. and Mrs. Mike Valdez, Jr. and children Eric

and Gabe, visited his parents Mr. and Mrs. Mike Valdez Sr., over the Memorial Day Holidays. They reside in San Antonio.

Mr. and Mrs. Noble Rice were surprised on Memorial Day when her brother Clifford Cox, of Midland, drove in for a visit.

Miss Donna Horne of Denton returned home Tuesday, June 1, after spending a week with her parents, Mr. and Mrs. Olen Horne and brother John. Donna is a piano teacher in Dallas and attends N.T.S.T.C. in Denton.

The County Line Community wishes to express their deepest sympathy to Doyce Newton in the loss of his brother Boots Newton of Anton.

Nearly everyone lost windows in their homes

from their rain and hail. Suffering hail damage to their homes were Mr. and Mrs. Eloy Moralez, Mr. and Mrs. Marvin Floyd, Mr. and Mrs. A.H. Allen, Mr. and Mrs. E.O. Stolle, Mr. and Mrs. O.D. Sanders, Mr. and Mrs. David L. Sanders, Mr. and Mrs. Raymond Davis, Mr. and Mrs. Check Hudson, and Mr. and Mrs. Noble Rice.

It knocked out the storm windows as well as the inside windows. That was the biggest hail I have ever seen. Some were as large as a softball. Sounded like an elephant on the roof of our house. Nearly everyone has roof damage too. We have to take the good with the bad.

The rain was fine if we hadn't had hail. The cotton was growing so pretty and it was gone in a few minutes. All the farmers are replanting around County Line. See Ya Next Week.

TRANSITION

Maria Madera

Services for Maria Madera, 48, of Worthington, Minn., and formerly of Lubbock were at 3 p.m. Tuesday at Sanders Memorial Chapel with Jimmy Gallegos, Jehovah's Witnesses minister, officiating.

Burial was in City of Lubbock Cemetery under direction of Sanders Funeral Home.

Mrs. Madera died at 4 p.m. Friday at Sioux Valley Hospital in Sioux Falls, S.D. She moved to Worthington in 1969. She was a Jehovah's Witness.

Survivors include her husband, Felix; a daughter, Ruby Thorson of Worthington; a son, Adrian of Lubbock; her father, Martin Trevino of Lubbock; five sisters, Josie Zapata, Tona Mendoza and Rosa Martinez, all of Lubbock, Tomasa Ruiz of Shallowater and Delfina Sanchez of Salinas, Calif.; and three brothers, Jesus Trevino of Abilene, and Max Trevino and Dolores Trevino, both of Lubbock.

Addie Robertson

Services for Addie M. Robertson, 88, of Abernathy were at 2 p.m. Sunday at First United Methodist Church with the Rev. Tommy Beck, pastor, officiating.

Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

Mrs. Robertson died Thursday morning in Methodist Hospital after a brief illness.

She was born in Gurdon, Ark., and married Finis

Robertson on Dec. 25, 1916, in Comanche. She moved to Abernathy in 1917. She was a seamstress. She was a Methodist.

Survivors include a son, Dwight of Lubbock; two brothers, Neal Cheatham of Wichita Falls and Edward Cheatham of Comanche; and two grandchildren.

Joe Eaker

Services for Joe Eaker, 71, of O'Donnell were at 4 p.m. Saturday at First Baptist Church of O'Donnell with the Rev. Don Blackman, pastor, and the Rev. John Johns, a Lubbock minister, officiating.

Burial was in Tahoka Cemetery under direction of White Funeral Home of Tahoka.

Eaker died at 2:30 a.m. Thursday in Methodist Hospital in Lubbock after a lengthy illness.

The Brady native attended school in Coleman and moved to Lynn County in 1931 from Nocona. He married Allie Ruth Brewer Oct. 29, 1932, in Tahoka. He was a retired farmer and a member of the Lunsford class at First Baptist Church.

Survivors include his wife; a daughter, Carlene Dorman of Abernathy; four sisters, Willie Dillard and Hallie Davis, both of Nocona, Lennie Ruffer of Houston and Erma Sherrill of Rising Star; three brothers, John of Ira, Melvin of La Pryor and Holly of Cisco; two grandchildren; and a great-grandchild.

Pallbearers were Tommy Woodlam, Harold Mires, Wayne Vandivere, Wendell Edwards, Jerry D. Franklin and Danny Brewer.

Melissa Webb Graduates With Highest Honors

Melissa Webb, a 1978 graduate of AHS, has graduated from the University of Texas School of Communications with highest honors. Her major field of study was Journalism-Public Relations.

She was a member of Phi Kappa Phi Honor Society, Kappa Tau Alpha national journalism scholarship society, Alpha Lambda Delta honor society, and was a College Scholar Presidential Scholarship finalist.

Other activities included volunteer work with minority children at the Baptist Community Center, public relations work for the Texas Society for Autistic Citizens, college yearbook staff, Angel Flight member and participation in intramural sports.

Part-time jobs during her college years included those of sergeant-at-arms for the

Texas House of Representatives and public relations intern for the Texas Association of School Boards.

After a month's World Encounters study tour of Europe, Melissa will enter Baylor University School of Law on a tuition scholarship.

Melissa Webb

IF YOU'RE ON A sodium-restricted diet, read processed food labels for sodium compounds and salt content, advises Mary K. Sweeten, a food and nutrition specialist with the Texas Agricultural

Extension Service. Pickled products, such as pickles or relishes, are high in sodium. Spices, such as garlic and celery have salt added, she notes.

THE TEAM "SPIRIT 82" took 1st place in the Wolfpack Tournament in Lubbock last weekend. They were undefeated and in the finals defeated the Lubbock Spurs 7 to 6. Pictured from left to right is: Andy Lopez, Onez Avalos, Danny Lopez, Frank Perez, Frankie Mendoza, Manuel Martinez, Lupe Cevalos, Danny Cuevas, Smiley Lopez, Rudy Paris, Sonny Flores, Ricky Flores and Big John Martinez. On the back row, holding the team trophy, is Coach Richard Lopez. (Review Photo by Manny Martinez.)

10 YEAR NO SWEAT WARRANTY

If Air Conditioning doesn't have it here it probably doesn't have it.

Gas Air Conditioning Has It!

No other air conditioner has a warranty like a gas air conditioner because no other air conditioner is built like a gas air conditioner.

Gas air conditioning has fewer moving parts and no compressor to wear out or break down. This means less wear and tear and lower maintenance costs.

That's why gas air conditioning is so dependable and why it has a warranty that's twice as long as other types of units... a full 10 years!

Find out more about the air conditioning that's backed by the best warranty available. Call Energas today for a free cooling survey and cost estimate. There's no obligation.

Remember, all air conditioning was not created equal. And we have the paper to prove it!

ENERGAS

Manufacturer's limited warranty covers all defects in materials and workmanship on the sealed refrigeration unit for ten years from the date of installation of the air conditioner when it is installed in a single family residence. All other parts are warranted for one year from date of installation.

Yate'he Day Camp Being Held

If you have seen smoke behind the City Hall this week, don't worry. It's just Yate'he Day Camp in full swing. Each day from 9 a.m. until 2 p.m., girls and adults meet for a day of activities. Each unit will be working on different community projects during the week. Activities include hikes, swimming and cook-outs. Thursday night they will have a "Dad and Me Campfire." This is where the scouts will return with Dad's at 7:30 to 8:30 p.m. for a fun-filled hour.

Friday, June 11, the camp will be open to the public from 10 a.m. to 11 a.m. Each scout will be awarded a badge or patch Friday and at that time the camp will close for another year.

Staff this year includes: Lelloine Waits, Sharon Shadden and Jan Myatt, brownie leaders; Reggie Knight and Karen Davis, 4th grade leaders; Diana Phillips and Diane Peoples 5th and 6th grade leaders; Virginia Shuey, 7th grade leaders; Carmen Lopez led the papoose unit. June Odom and Wanda McKinney led the boys unit.

In headquarters, is Jeanie Lloyd as business manager, Rhetta Riley as nurse, Jan Wesley as refreshment chairman, Roger Gragg and Micah Griffin as lifeguards. Donna Ryan and Marsha Sanders are Directors. 76 Girls and Adults attended this girl scout camp.

Four-fifths of the people of Texas live in urban areas. Half of those are located in the metropolitan areas of Dallas-Fort Worth, Houston and San Antonio.

Wolfs To Celebrate 25th Wedding Anniversary

Mr. and Mrs. Ralph Wolf will celebrate their 25th Wedding Anniversary Sunday, June 13, with a reception hosted by their children, Mr. and Mrs. Kelly Mills and Connye and Sam

Wolf, all of Abernathy. The reception will be held from 2 to 4 p.m. in Fellowship Hall of First Baptist Church in Abernathy.

Mr. Wolf and the former Alice Graham were married June 9, 1957 at First Baptist Church in Abernathy. They have one grandson, Tanner Mills. Friends and relatives are cordially invited to come by and visit with the couple.

Mr. and Mrs. Ralph W. Wolf

This and That

By Helen Wade

Max and Delayne Thoma-son have bought their first home. They bought the former Carrol Turpin house on Ave. E. It is a three bedroom and two bath house.

spending a week with his parents Mr. and Mrs. Dick Wade of Abernathy.

Those visiting in the Reita Smith home over the week-end were: Mrs. Modell Hewelett of Eldorado, Oklahoma; Mr. and Mrs. Charles Melton and son of Lubbock; John Sutton of England; Mark Teehee of Arkansas; Bobby Rogers of Shallowater; Ron Keecher of Lubbock; Mr. and Mrs. Audie Noland of Lockney; Susan Fitzgerald of Canyon; and Mrs. Sarah Fitzgerald of Floydada.

Mr. and Mrs. Rod Ellis left May 21 for New York City. They visited Mrs. Ellis's mother, Rachel Parness of Woodhaven, New York. From there they went to Washington, D.C. and spent several days. Their 13 month-old daughter, Lesley, accompanied them on their trip.

In Washington, they toured the White House, Capitol Hill, the Supreme Court building, Arlington National Cemetery, the Smithsonian Institute and saw all the National Monuments. They missed the cherry blossoms but Mr. Ellis stated, "It was certainly beautiful with all the pretty flowers and if one has never been to Washing-

ton, D.C. I recommend they go."

New York City is really five cities in itself, Manhattan, Queens, the Bronx, Staten Island and Brooklyn, which they also toured. New York City has 7 1/2 million people, but Mr. Ellis stated, "We were glad to get back to Abernathy." They returned home June 1.

Mrs. Aldean Pullen of Farmington, New Mexico, and Mrs. Florence Daniels of Olton cousins of Omer and Sam, visited Mr. and Mrs. Sam Wade on their way to Lubbock last Thursday morning and came back by our house and visited with Omer and I on their way back to Olton.

I had lunch with three of my sisters from Lamesa last week in Lubbock. We try to have lunch and shop together three or four times a year and I always enjoy it. This wasn't a planned trip,

one of my sisters broke her glasses and needed to come. So on the spur of the moment, we all got together and had a fun day.

I went with a person to visit with an eighty-six year old lady who is bedfast in Plainview last week. We went hoping to visit her and bring a little sunshine into her day. She was such a cheerful person we were the ones that got the blessing

that day. Mr. and Mrs. Lane Wade and family of Richmond are visiting his parents, Mr. and Mrs. Sam Wade of Abernathy and her mother Mrs. Eloise Phillips in Lubbock.

Mrs. Boyer, of Graham, spent a few days last week with her daughter and family, Mr. and Mrs. L.G. Montgomery. She came for Doyle's graduation.

Carrie is the only Abernathian in this year's group. The others are from Lockney, Lorenzo, Plainview, Lubbock, Slaton, Kress, Floydada, and Littlefield. Group leaders are school teachers from Plainview, Lorenzo, and Lubbock. Participants are recommended to teacher/leaders by school counselors in the area. They must be outgoing and able to adapt well and tactfully handle new situations. Interested students are interviewed, and carefully screened before acceptance into the program. Host families in the countries to be visited face a similar qualifying procedure before their acceptance. The West Texas group will fly to Washington, D.C. June 20 and join other student ambassador groups at George Washington University for two days of briefings by the Educational Travel Institute (which handles the ambassador program) and the U.S. State Department. Then the groups leave for their separate destinations. Some go to the Scandinavian countries, some to southern European countries, and some even to the Orient. The West Texas group will return July 21.

Carrie is a 1982 graduate of Abernathy High School. She is the daughter of Billy and Jacquelyn Smyers, 1604 Ave. J. She will have her 18th birthday in Berlin.

Carrie Smyers To Visit Europe As Student Ambassador

Carrie Smyers will spend a month in Europe this summer as a participant in the People-to-People High School Student Ambassadors program. She will be "adopted" for stays of four days and five nights with three families in England, West Germany and The Netherlands.

She will travel to these countries with a group of 26 high school students and

four teacher/leaders from this area. The group will also visit Leipzig, East Germany and Paris, France.

Each student ambassador group visits a communist country. Carrie's group was scheduled for a stay in Poland but the trouble there this year made the change to East Germany necessary.

Student ambassadors are expected to demonstrate the

finer qualities of life in the United States and are chosen for their ability to project an honest image of our country abroad. They must pay their own way, be willing to follow the rules of the program, and participate in pre-trip briefings and study projects to prepare themselves.

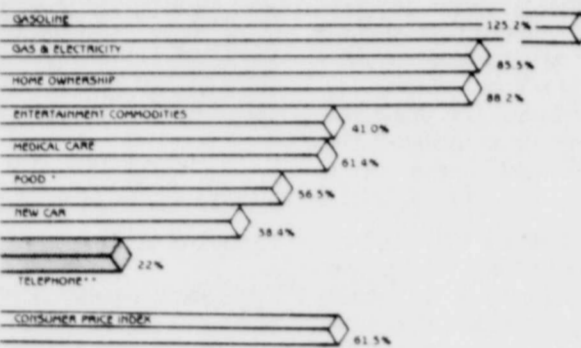

The student ambassadors program is a result of the People-to-People Interna-

tional Crusade, initiated by President Eisenhower in 1956, to promote international understanding and friendships. At the end of his second term of office, People-to-People International was organized to carry on the goal of "World Peace through World Contact". Susan Eisenhower, the President's granddaughter, is honorary president of the student am-

YOUR TELEPHONE SERVICE - A REAL BARGAIN

All things considered, talking is a real bargain. The chart below shows how your telephone costs compare against other goods and services you use daily.

(Figures based on data gathered from U.S. Bureau of Labor Statistics from October 1976 to October 1981.)

*Away from home
**Basic local service in 015W's Texas exchanges

Frequently, the convenience of the telephone is taken for granted.

For instance, a few things you use your phone for:

1. Shop ahead, save gas.
2. Make appointments (doctor, sales calls, lawyer, preacher).
3. Emergencies (police, fire, ambulance).
4. Talking with loved ones in other towns.
5. Conducting business via long distance, save on travel cost.
6. Calling scout troop, civic club, little league team, etc.
7. Visit with a friend across town.

Talk is cheap and also a real bargain. For a true picture, divide your basic local service rate by the days in the month. For just pennies a day, excluding long distance and special services, you have your town at your fingertips.

General Telephone **GTE**

"YOUR TELEPHONE SERVICE - A REAL BARGAIN"

At times like these, we realize that the cheapest is not always the best!

We hope that all of our insured claims have been worked to your satisfaction and if we have accidentally overlooked someone please contact our office so that we may process it as soon as possible.

did you know?

Southwestern Public Service Company is part of the Southwest Power Pool, a voluntary group of power suppliers. Membership in this pool increases the reliability of SPS' electric service, since such membership allows transfer of power from another utility system to ours if necessary. Power pools are guided by many checks and balances, and are regularly reviewed by the Federal Energy Regulatory Commission (FERC).

SPS is planning for your future energy demands. Because it takes many years to finance and construct a power plant, SPS' long-term forecasters begin planning 15 to 20 years before the plant will be needed. Through "load forecasting," SPS can predict how much electricity our customers will require in the future. If our forecast is too high, we could build expensive plants prematurely. If it is too low, we might not have enough energy to go around. SPS takes its forecasting responsibility seriously, to bring you reliable electric service next week, next year, and into the next decade.

Buildup of indoor pollutants may present a serious health risk, since people spend more than 85% of their time indoors. Indoor pollutants can be found in some furniture cleaners, office machinery, fireplaces and building materials. SPS encourages our customers to insulate their homes, yet they should be aware that an airtight home requires daily airing, particularly during winter months or on cleaning days, when household cleaners that may contain dangerous chemicals are used.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

'A GLANCE AT THE PAST' By Helen Wade

From The Abernathy Weekly Review Dated December 17, 1959:

The Antelopes of Coach Wayne Preston got off to a slow start in the final game of their tournament against Kress Saturday night, but behind the combined efforts of the entire team, they came through with a 40 to 24 victory. Behind the 13 point scoring effort of big Larry Florence and the leadership and rebounding of team captain Phil Guinn, the Antelopes led 12-7 at the end of the first quarter, 24-14 at halftime, and 31-18 at the end of the third stanza. Neal Humphrey, Harold Thompson, Jerry Givens and John Kiker also turned in fine performances. Reserves saw considerable action during the last quarter when Keith Beard, Mike Titchey, Wilton Manley, Jack Ingram and William Smith took over.

Specials at Struve's Grocery for Friday and Saturday are baby food, Heinz glass 12 cents; Mrs. Tucker's shortening, 3 lbs. 69 cents; Karo Syrup, pint white 25 cents; tuna, chicken of sea 33 cents; coca colas or Dr. Peppers, 6 king 29 cents; pork roast lb 35 cents; flour, our value, 5 lbs. 29 cents.

City Secretary Lawrence Carter reports a total of \$1,324,049.00 in building permits issue in 1959, to

December 10. Initial work on the school construction project accounts for a large portion of the above figure. Residential construction has been above average this year, with some 40 new houses built here, or moved in. The Virgil Phillips Addition, in which Commuter Homes started development about mid-year, account for twelve new residences. Other developments in the Virgil Phillips Addition is a new church, Northside Baptist Mission, costing in excess of \$30,000. A parsonage for that church, a 3-bedroom brick veneer, is under construction, with Cecil McCurdy Lumber Company as contractor.

From The Abernathy Weekly Review Dated March 14, 1974:

The longest, driest spell since 1911 on the Plains was broken by rain Saturday night and Sunday morning. The rain was general over the Abernathy area, with farmers reporting from an inch and one-half to two inches. The only crop suffering from the dry weather was winter wheat. There is speculation as to whether the rain will revive wheat that was sown on dry land. In areas where there is irrigation the watered wheat looks good.

Barbara Williams of 1206 13th Street, Abernathy was on the Honor Roll List at

Texas Woman's University at Denton.

A son born March 4 to Mr. and Mrs. Ronnie Hamilton, was named Russell Keith. He weighed 7 pounds and 7 1/2 ounces.

Barbara Bowen, AHS FFA representative, was elected the FFA Princess for the Southwest Junior Livestock Show in Lubbock this week. Princess of the show was Kim Forbis of Afton. Barbara is a daughter of Mr. and Mrs. Charles R. Bowen.

From The Abernathy Weekly Review Dated October 5, 1967:

Mrs. Ruth Fulton's name was drawn for the bicycle given away by Struve's Hardware Saturday. Mrs. Fulton's young son, Jon Mark, mounted the bike.

AHS Homecoming Queen candidates are Kathy Kerr, senior queen candidate and Annette Adkisson, junior queen candidate will be crowned at the Homecoming Friday October 5 at 2:30 p.m. Friday's coronation will be highlighted by the first formal appearance of the 1967-68 AHS stage band.

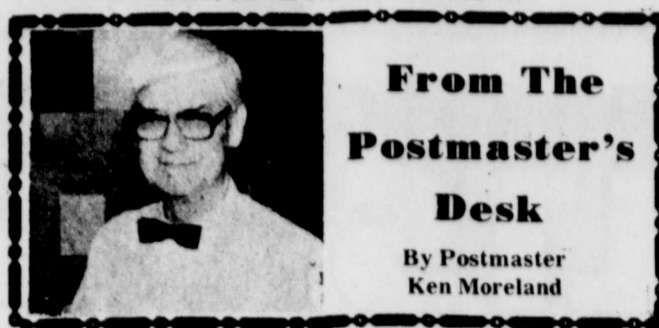

Ray Haney of New Deal Gin Co. reported that Glenn McKinney produced the first bale of 1967 cotton ginned there. McKinney, who farms three miles north of New Deal, brought the new crop cotton in September 28. He had 2,260 pounds of seed cotton, which produced 594 pounds of lint and 950 pounds of seed for the 26.28 percent turnout.

PFC. Jerry Arthur has returned to William Beaumont Hospital, Fort Bliss, El Paso, following a visit with his parents, Mr. and Mrs. Wayne Arthur. He is to undergo surgery in the next few weeks.

At the bi-monthly meeting of the Panhandle City Managers Association held Thursday in Plainview, Tulia City Manager Jim McAlister was elected director to represent this region at the state level. There are six regions in the state, and region I encompasses the 48 counties in the Lubbock-Amarillo metropolitan area. Jim is a son of Mr. and Mrs. Robert A. McAlister, Abernathy.

From The Abernathy Weekly Review Dated May 22, 1969:

Cindy Teaff, daughter of Mr. and Mrs. Archie B. Teaff, is valedictorian of the Abernathy Junior High School graduating class. Her grade average for the 7th and 8th grades is 94.8. Gregg Barton is salutatorian, he is the son of Mr. and Mrs. Jackie P. Barton. His grade average for the 7th and 8th grade is 91.075. Mail Theft Prevention

Theft of mail is a violation of Title 18, United States Code, Section 1708, which carries a maximum penalty of five years imprisonment and/or a \$2,000 fine. Unfortunately, criminals pay little attention to the consequence of their immediate actions. The Postal Inspection Service is attempting to prevent theft of mail from all sources by informing and educating as many elements

of society as possible. The United States Postal Service is a principle victim, but the ultimate victim is a business or individual who depends on mail for their livelihood and existence. The loss of a social security or retirement check addressed to an elderly or retired person can have devastating emotional and financial significance. Mail is most vulnerable at the point of delivery. An extra effort should be made by mail recipients to know their carrier's schedule and make every effort to be at home to personally accept delivery of valuable mail. Retirement and social security checks are delivered on a fixed schedule which is known by the addressee and criminals as well.

Y.F. Snodgrass, Abernathy Young Farmer President presented the Young Farmer awards of Greenhand award to David Davenport and Outstanding Chapter Farmer Award to Burt Montgomery. FFA members receiving Scholarship Awards for their outstanding scholastics in all of their high school courses, Mr. Curtis Davenport presented awards to Mark Harrison, Vo. Ag. II, David Davenport, Vo. Ag. I, Smitty Covey, Senior and Larry Turner, Vo. Ag. III.

From The Abernathy Weekly Review Dated September 8, 1960:

Dr. Kenneth Gregory, City Health Officer, reported that over 2,200 polio vaccination had been administered here during the past year free of charge. Dr. Gregory reported this is the last year the National Polio Foundation will support the free administering of the polio vaccine.

The Board of Education members are: Loren J. West, president, Ralph Davis, vicepresident; Joe Lovelace, secretary; and Marvin Floyd, Billie Harrison, Hugh Pettit and W.D. Sanders. Noel Johnson, Superintendent of Abernathy Public School, Earl Carter, business manager and tax assessor, Gid B. Adkisson, Jr., junior high principal; Jerry Moorhead, elementary principal; and Judy Stracener, administrative secretary.

City Water rates go up. The rates are to be as follows: \$3.00 minimum on the first 3,000 gallons; 50 cents per 1,000 on the next 2,000 gallons, 35 per 1,000 on the next 5,000 gallons, 25 cents per 1,000 all over 10,000 gallons.

Specials from Marvin Struve Grocery for September 9 and 10 are: Bananas 12 1/2 cents a lb. crackers supreme 1 lb. 26 cents; pork and beans Van Camp, 13 cents; Gladioli flour 5 lbs. 39 cents; beef roast, chuck or arm, 53 cents lb.; Hi-C orange drink, 46 oz. 29 cents; salad dressing Miricle Whip qt. 49 cents and Crisco 3 lb. 79 cents.

From The Abernathy Weekly Review Dated November 30, 1961:

Mr. and Mrs. Andy Reid, Dirk Engel and Jim McAlister were in Colorado Springs, Colorado during the Thanksgiving holidays to visit the Reids' son, Jim, who is attending school there.

Peggy Evans, daughter of Mr. and Mrs. M.D. Evans of Rt. 2 Abernathy, has been elected vice-president of the newly organized Alpha Epsilon Chi social club at Lubbock Christian College. Peggy, a 1961 graduate of Abernathy High School, participated in band, FHA, NHS and was varsity basketball manager.

Abernathy gained a new citizen Wednesday of last week when Mr. and Mrs. A.L. Stone, Jr. adopted a baby daughter. She is named Mary JoAnn, and was born November 15, and weighed 7 pounds and 5 1/2 ounces.

First Baptist Church of Shallowater was the scene of vows at 4 p.m. Thursday for Miss Doris Jean McKeown and A.C. Harris, Jr. The Rev. Ed Jackson officiated at the double ring ceremony. Parents of the couple are Mr. and Mrs. Wade McKeown and Mr. and Mrs. A.C. Harris of Abernathy.

Holly Shafer To Compete In Rodeo Finals

The Tri-State High School Rodeo Finals will be held in Amarillo from June 10 to 12 at the Fair Park Coliseum.

Holly Shafer of Abernathy will be competing in the goat tying and breakaway events. Holly is the daughter of Mr. and Mrs. Donnie Shafer of Rt. 1 Shallowater, she is a student in Abernathy High School.

High school rodeo is an athletic event which requires discipline just as any other athletic event. However, it has not been recognized by very many sports people as an event that is of interest to Panhandle citizens.

Your interest will be appreciated.

The finals will require some \$40,000 to conduct and are supported by many of the businesses in your area. We owe them many thanks for their continued support.

Performances start at 8 p.m. Thursday, June 10 and Friday June 11. Saturday's events start at 2 p.m. and at 8 p.m. Admission in advance is Adults \$3 and children \$2. At the gate the admission will be adults \$3.50 and children \$2.50.

SS Rep. Coming June 15

The Social Security representative, Janet Jelen from the Planview Social Security office will be working in the City Hall in Abernathy from 9:30 to 11:30 a.m., Tuesday, June 15. Teleservice will save you

time, energy and money! To file a claim for Social Security or Supplemental Security Income payments see the representative at the time and place listed or call collect, 806-293-4371.

ERNEST NEIS puts in long hours at the Abernathy Cemetery after recent heavy rains caused approximately 25 graves to sink. Pictured is Neis moving dirt and preparing it to be used to fill the graves. Ernest puts in many hours of hard work each week in maintaining the cemetery and rains have kept him extra busy this spring. (Review Photo)

mail, potential mail thieves will not be given the opportunity to make you a victim.

If you have information regarding the theft of mail, contact your local Postal Inspector or Postmaster.

MORE THAN 98 PERCENT of American homes have television sets, including some that don't have indoor toilet facilities, says Cindy Wilson, a family life education specialist with the Texas Agricultural Extension Service.

Let The Rapid Roof System **STRETCH** Your Roofing Dollars

Save time and energy with RAPID ROOF®
Conklin's RAPID ROOF is the elastic roofing system made to weatherproof a variety of roof decking substrates. The lightweight, yet rugged RAPID ROOF membrane is many times lighter than conventional built-in roofing. And, deck irregularities that might pose problems for seamless membranes are overcome with the RAPID ROOF monolithic system.

Over new or remedial roofing, the lower installation costs of RAPID ROOF allow you to invest in quality materials, not expensive labor. You'll also get superior heat-reflectivity in natural white or choose from a variety of SHOW-KOTE™ decorative cover tints.

The RAPID ROOF system... your shield against the elements. Interested? Write or phone today.
