"IN THE PALM OF THE PLAINS"

VOLUME 61 NO. 31

(Serving Hale, Lubbock Counties)

THURSDAY, JUNE 17, 1982

U.S.P.S. NO. 003-340

Abernathy Wetter This Year

Abernathy is a wetter town this year than it has been in the past several years at this time.

Several heavy thunderstorms have struck this area the past two months dropping approximately six inches of rain. Abernathy has already received 2.28 inches of rain for June alone.

The total amount of rain for Abernathy from January through June 15 of

1982 amounts to 9.85 inches.

If the current wet trend continues, this may be a record-breaking year for moisture. Past records show that in 1976 Abernathy received 16.95 inches for the entire year. In 1977-15.66 inches, 1978-17.26 inches, 1979-23 inches, 1980-16.57 inches and in 1981-20.15 inches.

City Council Accepts Airport Improvement Bid

The Abernathy City Council met Monday at 7:30 p.m. to discuss and act on several important business items on the agenda.

All members of the council were present along with four visitors. Minutes of the May meeting were approved.

Airport Bid Selected

The council awarded the construction contract for airport runway 17-35 to Lubbock Asphalt Products, Inc. who submitted the lowest bid of \$144,932. Bids for Abernathy Airport improvements were also submitted by Jake Diel Dirt and Paving, Inc. for \$147,964, and Kerr Construction Company for \$221,343 both of Lubbock. Engineers for the City of Abernathy had estimated improvement costs at \$163,590.

Improvements will be made to the airport runway 17-35, the taxiway and parking apron. The runway will be patched and seal coated and the taxiway and parking apron will be completely reconstructed.

The State Aeronautics Commission will pay 75 percent of the improvements, \$108,750, and Abernathy will pay 25 percent, or \$36,250.

Construction on the improvements will begin the first week of July and it should take six to eight weeks to complete.

Flood Insurance Program

Wayne Boggs, a representative from the Texas Department of Water Resources, was present to discuss the National Flood Insurance Program.

Under this federal program, cities who comply make it possible for households to purchase flood insurance. The insurance is funded mostly by the federal government for towns who wish to be financially protected from floods. If the program is accepted by the City, local home owners will be able to purchase flood insurance at 40 cents per \$100 valuation. The maximum you can be insured for flooding under this program is \$35 thousand.

The council decided to research the low-lying areas of Abernathy to see if there is a need to provide this service to the people of Abernathy. Drainage specialists will also be contacted.

Police Department

Abernathy Police Department opera-

ting procedures were discussed and a letter was presented to the council. The letter was from an attorney representing citizens that are unhappy with the alleged way they were treated when arrested by Abernathy Police officers. The letter demanded that three Abernathy Police Officers be forced to resign. The letter was discussed, but no action was taken by the council.

SPS Rate Increase Approved

After deliberating over every possible alternative, members of the city council reluctantly accepted the 9 percent Southwestern Public Service rate increase. Council members also talked about how unfair it was for other area towns, such as Amarillo, to be getting a 3 percent franchise fee. Abernathy only gets a 2 percent franchise fee.

SPS representative Bill Scott was present to answer any question. He pointed out that Seagraves, Anton,

Hale Center and Plainview had rejected the increase, but named several other towns that had complied with it, many of which are getting the 3 percent franchise fee.

Other Business

The council accepted a request for a street light to be placed in the vicinity of Avenue F and North Drive.

An ordinance was passed prohibiting the city from employing relatives of people presently employed as Department Heads by the city.

The council authorized the city engineer to proceed with the wastewater permit application.

The city made reservations for members of the council to attend the Texas Municipal League Conference to be held in October.

A zoning ordinance for Abernathy was also discussed briefly before the meeting adjourned.

Chamber Discusses 4th Of July Celebration

The Abernathy Chamber of Commerce met Friday morning at 7 a.m. to make plans for the 4th of July celebration in Abernathy.

Committees gave their reports and the chamber started organizing events for the celebration.

Thus far, musical entertainment will be provided by the Schaap Brothers and the Attebury Boys.

Five floats have registered for the parade: FFA float, Arts and Crafts Association, Class of 1957, Class of 1967 and the Abernathy Music Club will have floats.

Three riding clubs will ride in the parade: Lamb County Sheriff's Posse, Lubbock Rangers Jr. Riding Club and the Abernathy Riding Club.

A 12-gauge Remington pump shotgun will be raffled off by the chamber with \$1 donation raffle tickets.

Lunch will be sponsored by the Chamber and catered by H and H Catering Service of Abernathy.

There will be a pie throwing booth, Lions dunking board, Booster Club booth, girl scouts pie and cake auction and others.

It was thought that members of the Eastern Star will have their annual

breakfast.

Games planned for the days' events are: egg toss, frog race, turtle race, balloon toss and horseshoe contest. A contest for best decorated bicycles in the parade, will also be held.

Many other activities are being planned at this time and anyone interested in participating in the parade with a booth, float or event should contact a chamber committee member.

Time To Sign-Up For 4th Of July Parade

It is time to sign up for the 4th of July parade. The Abernathy Chamber of Commerce would like to invite everyone to participate...businesses, clubs and individuals.

Anyone interested in being or participating in the parade should contact Tomnye Lane or Janice McKenzie at First Federal by calling 298-2516. The deadline for entry is June 25.

The parade will assemble around the school square and will begin at 10:30 a.m. July 4.

Junior PGA Golf Tourney Results

Abernathy Country Club hosted the Junior PGA Golf Tournament Monday. Thirty-three young men played in the tournaments. Results are as follows:

Age 16, 17 and 18-1st Kevin Bass, 76, Spur; 2nd Ted Beard, 79, Abernathy; 3rd Swift Fletcher, 81, Canyon. Ages 14 and 15-1st Matt Edwards, 86, Lubbock; 2nd Kevin McAlpin, 87, Canyon; 3rd Jamey Dixon, 88, Canyon. Ages 12 and 13-1st Blane Mayberry, 85, Plainview; 2nd Freddie Marvaolep, 85, Idalou; 3rd Jimmy Dawson, 96, Canyon.

Larry Klafka from Denver City was Pro Host for the tournament.

Get Dirty Cars Off Of The Streets!

The First United Methodist youth have determined that driving dirty cars can be hazardous to your health and an eyesore to the citizens of Abernathy. Therefore, they will clean them up, inside and out, at the Methodist Church parking lot Saturday, June 19 from 10 a.m. to 6 p.m.

Donations will be taken by the youth for the work they do on your car.

Selective Service Releases State Registration Data

The Selective Service System today released updated statistics showing the compliance rates for registration of young men both at the national and state level. These statistics include the total results of the grace period registration granted by President Reagan and reflect registration as of March 31, 1982.

At the national level, there is a 93 percent compliance with registration for all age groups-men born in 1960, 61, 62, 63, and the first 3 months of 1964.

Montana leads the nation with a compliance rate of 97.5 percent. At the median level are states like Texas and Indiana both at 91 percent. California

has the lowest compliance rate in the nation at 83.4 percent. Other examples-New York 86 percent, Ohio 95 percent, Illinois 88 percent, Florida 94 percent.

By law, young men are required to register with Selective Service as they reach their 18th birthday-either 30 days before or after it. The registration requirement applies to all men born in 1960 and later years. Failure to register is a felony, carrying a maximum penalty of \$10,000 and/or five years in prison.

Later this month, Selective Service will cross-reference the computer tapes containing the names of men who have registered against Social Security

files to identify those who have not registered. Those failing to register will be reported to the Justice Department of possible prosecution.

Paul D. Aikin, the Selective Service State Director of Texas, is urging those who have not already registered to go to the Post Office at once and do so. "It's an easy process-all a young man must do is fill out a simple form which asks only for his name, address, telephone number, social security number and date of birth. He should take some form of identification with him, to show the postal clerk when he signs the registration form. Late registrations are being accepted."

Coaches And Fathers Game

The coaches of the Little Park and Big Park will play the little boys fathers in a baseball game Saturday at 8 p.m.

The unusual game is being played to raise money for the baseball organization. Everyone is invited out to enjoy the game.

Locals, Beware Of Roofers!

It has been brought to the attention of the Abernathy Weekly Review, that some roofers are claiming that a certain paint will seal-off leaks in roofs.

According to a reliable source, the aluminum paint will wash off with water.

Those who are approached by

roofers claiming this should contact Abernathy Police Chief Raymond Naron.

It was also stated that a roofing company said that you can't install your own roof because it has to be done by a roofing company. This is also an untrue statement.

ON THE COUNTY LINE

BY: KEITH TOOLEY

LAST WILL AND TESTAMENT.

My overdraft at the bank will go to my wife, she will explain it.

My equity in my automobile to my daughter, she will then have to go to work and keep up the payments and buy gas and oil.

Give my goodwill to the supply house, they took some awful chances on me, and are entitled to something.

My equipment goes to the Junk Man, he's had his eye on it for several years.

I want six of my creditors for pallbearers, they have carried me for so long, they might as well finish the job.

A GENTLEMAN desirous of obtaining a parrot that could speak two languages kept searching for several months. One day the operator of the local pet shop called him and said that he had just such a parrot. On arriving at the pet shop, the operator informed the prospective customer that the parrot spoke not two languages, but five. He was delighted. So he said, "Just send the cage and the parrot to my home. My wife will be there to receive it."

When the purchaser arrived at home at 6:00 that evening, he asked his wife, "What is for dinner?" "You should ask," she replied. "You sent it home this afternoon."

"Do you mean to tell me, dear, that you cooked the parrot that I sent home? The one I've been searching for for such a long time? And did you know that the parrot could speak not only two languages, but five?" "Why, then," asked his wife, "didn't he speak up?"

ADOLESCENCE is a period of rapid change. While a child is between the ages of 12 and 17, a parent may age as much as 20 years.

SHOP OWNERS BEWARE...A front page story in the Floyd County Hesperian titled "Chamber hyped the goods" was a real eye-opener for us. Over in Floydada, the Chamber of Commerce manager and assistants ripped off merchants there of over \$3,000 worth of goods in 3 1/2 hours without getting caught.

What's even more interesting is that these merchants were notified earlier and each gave their permission for the shoplifting attempt. Each alerted their clerks that shoplifters would be working the area.

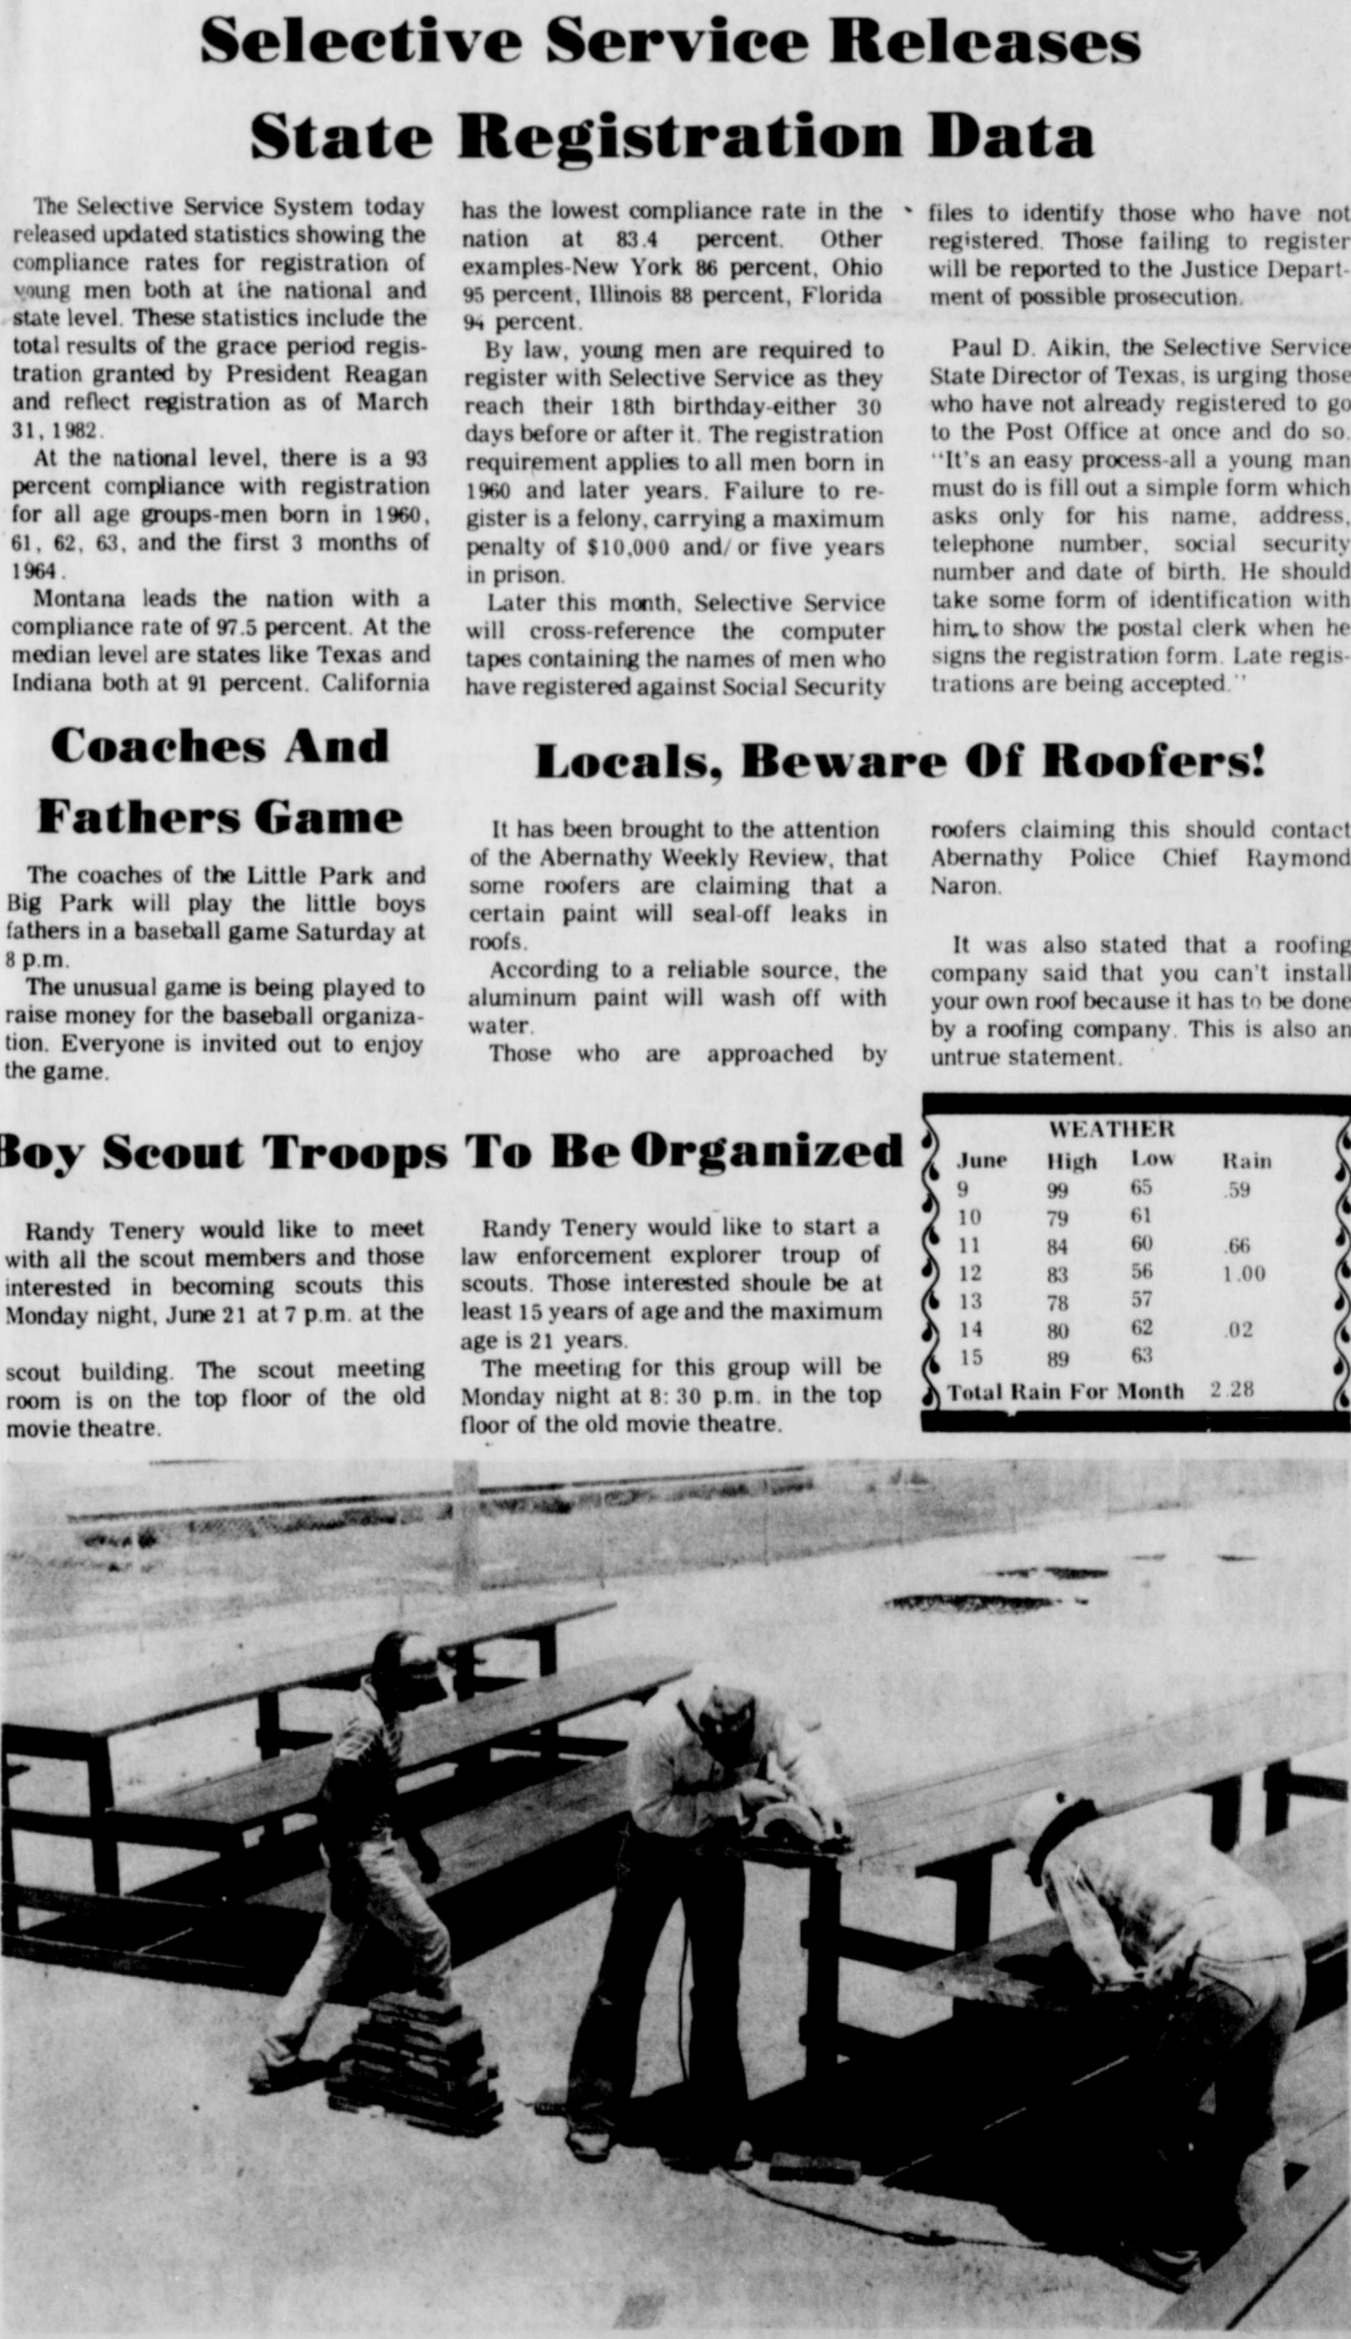

The shoplifters spree was conducted in conjunction with a shoplifting seminar sponsored by the Chamber. After the shoplifting program held on a Thursday night, all the goods taken from local merchants were unveiled for the merchants to reclaim for their businesses.

And it wasn't just small items that were taken. The shoplifting team made away with a bolt of material, a three foot boxed air filter, two electric lawn mowers and two automobile tires.

Points emphasized in the session were that a retail theft is committed every five seconds in the country and that these thefts cost each American \$150 year. "Awareness is the key, threat of being caught seems to be the only deterrent for such people and an alert public is the best defense against crime," according to the report.

HEAVY RAINS, over 2 1/2 inches last week, caused many areas in and around Abernathy to flood. Pictured is a playa lake east of Abernathy. The top of a fence can be seen in the background. (Review Photo)

SUMMER PROJECTS at Abernathy Schools are being carried out through the CETA program. Pictured are one of the summer crews working on the Outdoor Learning Center on the southeast corner of Abernathy Schools. (Review Photo)

Hunter-Webster Engagement Announced

Mr. and Mrs. John T. Hunter of Shallowater, announce the engagement of their daughter, Jeanyne Elayne, to Ashley Blake Wester, son of Mr. and Mrs.

Edward H. Wester of Floydada. The couple will be married July 31 in Westmont Christian Church in Lubbock.

Miss Hunter was graduated from Shallowater High School and Texas Tech University. Wester was graduated from Floydada High School and attended Tech.

Ashley Blake Wester and Jeanyne Elayne Hunter

OES Installs New Officers

The O.E.S. met June 1st and installed the following officers for the ensuing year: Worthy Matron, Barbara Teakell; Worthy Patron, Herman Lambert; Associate Matron, Rudell Hill; Associate Patron, Buford Conn; Secretary, Eloise Barton; Treasurer, Mary W. Lambert; Conductress, Peggy Tooker; Associate Conductress, Bille Ann Thomas; Chaplin, Susan Bigham; Marshall, Dorothea Deering; Organist, Betty Reynard; Ada, Bessie Waters; Ruth, Pauline Stone; Esther, Mildred Tannehill; Martha, Gladys Cox; Marietta Bartlett; Worder, Teresa Jackson and Sentinel, Steve Jackson.

Cranfill-Riddles Wedding Vows Exchanged June 5

The more love is shared the more quickly it grows. With this thought in mind Linda Cranfill became the bride of Lloyd. Wayne Riddles at 4 p.m. June 5.

The couple was united in marriage in the back yard of the groom's parents at 1112 2nd Street in Abernathy. The Rev. Lloyd Riddles, father of the groom, united the couple in marriage.

The bride was attired in a lavender and white prairie style, street-length dress by Gunne Sax. It was styled with a lace-up bodice and a victorian neckline. She also wore Taupe dress western boots. She carried a silk bouquet of white symbidium orchids, carnations, stephanotis, white cushion mums, and butterflies with orchid and white ribbon on a lace background.

The groom was attired in a black western suit and boots. Best man was the groom's brother, Kevin Riddles of Abernathy.

The double-ring ceremony was preceded by piano selections by Scott Wells, the Music and Youth director at First Baptist Church, and two selections, "If" and "We've only Just Begun", sung by the groom and accompanied by Mr. Wells and the groom's brother, Kevin on the bass guitar.

The couple was united in marriage beneath a trellis archway decorated with greenery, ribbons and white doves beneath a natural archway of Fruitless Mulberry trees.

A reception followed. The wedding party included the bride's sister, Mrs. Elaine Cranninger of Lovington, New Mexico, guest registrar and her daughter Shana in the house party. The groom's sister, Mrs. Renea Rippetoe, of Abernathy was also in the house party.

The bride is the adopted daughter of Mr. Dalton Ross and the late Mrs. Rose of Brownfield. She is the secretary for Carothers Construction Company of Lubbock.

The groom is the son of Rev. and Mrs. Lloyd E. Riddles of Abernathy. He is a driver for Tex Pak-Mistletoe of Lubbock.

The couple will reside in Abernathy at 306 Ave. F. Out-of-town guests included Mr. and Mrs. Donald Rose of Tyler; Mr. and Mrs. Sam Mills, James, John and Jason of Seminole; and Mrs. Elaine Graninger, Shana and Dewane of Lovington, New Mexico.

Young Homemakers Hold Last Meeting

The Abernathy Young Homemakers had their last meeting of the year Saturday, June 12th in the home of Mrs. Marie Adkisson.

YHT members and other guests learned some of Marie's cooking secrets. She presented a program on money saving meal preparation. The group learned how to make their own chicken strips and steak fingers.

A special treat was how to make fresh cream of spinach and cream of asparagus soup. Everyone also got to taste Marie's famous cornbread.

Young Homemakers will meet again in September with a program on canning and freezing. For more information contact Marilyn Stone at the high school.

Class Of 1957 To Hold Reunion July 4th

Some members of the AHS Class of 1957 will meet in the home of Mrs. Jimmie (Gale) Davis this Sunday afternoon to make plans for their class reunion of July 4. The class plans to have a float in the parade.

They will meet in the home of Mr. and Mrs. Jimmy Davis for their 25th anniversary of graduation celebration Sunday, July 4. Two of the class members of this class are ministers, and one or both of them will have a short message before the barbeque dinner at the Davis home Sunday July 4.

Those who know the mailing addresses of anyone in the class of 1957, please call Gale Davis at 298-2169.

Those To Remember

Wesley Webb is in Methodist Hospital.

Mrs. Grace Sharp is in Methodist Hospital.

Jesse Morrison is still in Methodist Hospital.

Mrs. H.L. Leatherwood is in the CCU at St. Mary's Hospital in Lubbock.

Summer Homemaking Class Offered

A Summer Homemaking class at Abernathy High School is getting underway at this time.

Students attending the class will learn how to make soft pretzels, learn stir-fry cooking, and preparation of natural foods. Other activities include leather craft, bread dough art, soup making and needle crafts. Individual sewing projects will also be included in the activities.

The class meets from 9-12 a.m. weekdays in the High School Homemaking Dept. There is no charge for the class and most supplies are furnished, students may

come for one day or every day if they choose. June 25th will be the last day of class. High school students who are looking for something to do this summer are urged to come and get involved. For more information call Marilyn Stone from 9-4 at 298-2563.

Weekly Devotional

God's Loving Care
 "Answer me, O Lord for thy loving kindness is good; according to thy greatness of thy compassion, turn to me and do not hide thy face from thy servant, for I am in distress; answer me quickly".
 Psalms 69: 16, 17.

King David learned to call on the Lord whenever he came into a hopeless situation and God never failed to take care of him. To understand God's character in this, a story is told of a man who was very fond of hunting. He lived in a part of the country where the woods were filled with wild deer. One morning, while walking across his field, he heard the sounds of his dogs in the distance! When he turned where the sounds were coming, he saw a baby fawn

running before his dogs. The fawn looked very weary. Its tongue was hanging out. Its sides were covered with foam. The little fawn had just enough strength to run a little further and it finally fell down at the feet of the hunter. Looking up, with its great liquid eyes, in a pleading manner, it seemed to say, "Oh, sir, please help me!"
 The hunter filled with compassion couldn't refuse. He came to the rescue of the helpless creature and fought away the dogs. He said afterwards, "I felt that all the dogs in the countryside

could not capture the baby fawn after it, in its weakness, had appealed to me for help!"

If a hunter would come to the aid of one of God's little creatures, surely God will deliver His children who come to Him for help in time of trouble and danger.

This is what King David learned about the same loving care of God. We only need come to Him in our time of need. For He will never cast us aside.

Tax Incentives For Farmers Investing In Conservation

Farmers investing in soil and water conservations now get additional tax incentives.

A recent announcement by Secretary of Agriculture John Block indicates that farmers receiving payments made for conservation practices approved under the Agricultural Conservation Program (ACP) after Sept. 30, 1979, can exclude them, under certain conditions, from their gross income for federal income tax purposes.

"This will affect landowners who don't qualify for special tax treatment of soil and water conservation expenses and farmers for whom these expenses are high relative to their gross income," points out Dr. Wayne Hayenga, economist in management with the Texas Agricultural Extension Service, Texas A&M University System.

Previously, farmers were allowed to treat as current deductions certain expenditures for soil or water conservation or the prevention of erosion that would otherwise be capitalized. As capitalized expenditures, they would be added to the cost of other basis of the land and deducted for tax purposes as depreciation or according to the new accelerated cost recovery system.

To take soil and water conservation expenses as current deductions, the taxpayer must cultivate, operate or manage a farm for profit, either as an owner or tenant, notes Hayenga. For an owner receiving farm rental, the rent must be based on farm production.

"Someone receiving cash rent not based on production does not qualify unless he participates materially in the farm's operation or management," says the economist.

Also, the total deduction of capital expenditures for soil and water conservation in any tax year is limited to 25 percent of the gross income for farming during that year.

In the past ACP payments received as incentive for soil and water conservation practices were included in income but were offset by the allowable deductions for these expenditures up to the 25 percent limitation, if the farmer qualified.

"Now, landowners need to include only those payments that are for expenses they can deduct in the current tax year," Hayenga explains.

Farmers receiving ACP payments for expenses exceeding 25 percent of their gross farm income can now

exclude them from their income.

Also, those individuals who don't qualify as farmers and are not allowed to report these expenses as current deductions can exclude ACP payments from their income.

However, before such payments can be excluded, certain other conditions must be met, says the economist. For example, the IRS must find that the payments do not substantially increase annual income from the property involved. And no deduction, depreciation or investment credit may be claimed for any expenditure made with excluded ACP payments.

"A landowner who disposes

of property that was acquired, improved or otherwise modified with money excluded from income under these rules must treat all or part of any gain the disposition as ordinary income," adds Hayenga.

The decision to exclude all or part of any ACP payments from gross income must be made no later than the tax filing deadline including extensions.

Since these tax regulations are rather complex, Hayenga advises farmers and landowners to seek advice from a tax consultant.

Further information is available from the Internal Revenue Service and the Agricultural Stabilization and Conservation Service.

Hale County 4-H Horse Club Practices

Members of the Hale County 4-H Horse Club met last Thursday at the Hale Center Arena to practice showing at halter and doing correct reining patterns.

A business meeting was conducted following the practice session with Jim Bob Carver, president, presiding. Refreshments were furnished by Clifton Pinnell, vice president, and Colbie Pinnell, reporter.

The next practice session for the 4-H Horse Club will be June 17 at 7 p.m. at the Hale Center Arena. The Hale County 4-H Horse Show will be held June 19.

Those wishing to join the horse club should contact either Tom Conerly or Billy Warrick at the Hale County Extension Office, 293-8481.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Official figures just released by the Texas Crop and Livestock Reporting Service (TCLRS) show 1981 cotton production from the 25 High Plains counties represented by Plains Cotton Growers, Inc., Lubbock, at a record 3,522,000 bales of 480 pounds net weight.

The 1981 crop year total was almost 1.5 million bales above the 2,053,000 bales produced in 1980 and over 300,000 more bales than the previous record of 3,215,400 grown in 1977.

Planted acreage according to TCLRS was 4,644,900, also a new record, barely surpassing the old high of 4,627,000 acres seeded in 1980. But after about 13.5 percent of the crop was lost to drought and other adverse weather in 1980, only 4,002,000 acres were harvested. This sharply contrasts with the 3.7 percent abandonment seen in 1981, which left 4,473,500 acres for harvest, another all-time high for PCG territory.

Yield per harvested acre came to 377.9 pounds in 1981, compared to the 246.2 pounds harvested in 1980, but still far below the 513.2 pounds recorded in 1965. Yield per harvested acre in the 25 High Plains counties for the 10 years 1971 through 1980 has averaged 379.8 pounds.

Gaines County's 339,000 bales led the area in production. Second place in total production was taken by Lubbock County (275,400), with Dawson and Terry Counties tied for third at 270,600 bales each. County leaders in pounds per acre in 1981 were Farmer (505), Castro (497), Howard (473).

Interesting to note is the comparison between these

official figures and the final estimate of an unofficial industry committee, issued early in December of last year. The committee estimated planted acreage at 4,627,000, harvested acreage at 4,477,200, yield per acre at 375.7 pounds and total production at 3,504,000.

The chart below shows 1981 planted and harvested acres, yield per harvested acre and total production in 480-pound net weight bales for each of the 25 PCG counties.

The first commercial comb factory in what is now the US was opened by Enoch Noyes of West Newbury, Mass., in 1759. The combs were made from animal horns, flattened out.

of the section, which is to allow a family business to continue after the death of the principal owner.

"Together with two consecutive years when cotton farmers generally lost money, and very uncertain prospects for a significant recovery in 1982-83, the 20 percent interest rate presents heirs with an almost insurmountable cash flow problem," the Council stated.

The Council pointed out that sale of enough land to pay off the tax was not a feasible alternative if a farm is to stay in business. Few if any sales could be made today for cash, and sale of enough land to pay off the tax with a down payment on land would usually mean sale of the whole farm.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

COTTON USE INCREASES: Use of cotton by domestic textile mills rose significantly in April to a seasonally adjusted annual rate of almost 5.5 million bales, according to the National Cotton Council.

In addition, the March rate was revised upward to 5.2 million bales from 5.0 million previously estimated. Cotton use in April was about 10 percent above that in January, but still 6 percent below a year-ago level.

Cotton's share of total mill fiber consumption in April is estimated to be 26.0 percent, the highest since October, 1981. This raises cotton's share for the first months of 1982 to 25.4 percent, compared with 23.9 percent for the same period last year.

On cotton system spindles, its share increased to 61.8 percent in April, the highest since September, 1980, and 3.1 percentage points above its share in January, 1982.

ESTATE TAX LAW CHANGES URGED: The National Cotton Council has asked Congress to lower interest rates on deferred estate tax payments under a section of the tax law.

Estates consisting mainly

of farms or other family businesses may elect to extend tax payments over 15 years, paying interest at prime rate on the unpaid balance.

In its testimony, the Council pointed out the 20 percent interest rate in effect for 1982 defeats the purpose

Says Three Wars At The Same Time Shows Poor Program Scheduling

Editor's note: The Lakeview Philosopher on his Johnson grass farm comes up with an idea for the United Nations, he claims.

Dear editor:
Up to now the United Nations hasn't had any luck preventing wars. It passes resolutions against them but nobody pays any attention.

There's an area however where it might function better. Instead of trying to prevent wars it could try scheduling them.

Like it is, Iran and Iraq were doing very well on TV with their war until the Mideast flared up and took away their ratings. Then the Falkland Islands came along and took away the Mideast's ratings.

Have you considered what a predicament there'd be if a fourth war broke out and here we are with only three networks? A war without TV coverage is hardly worth fighting, yet networks can cover just so many at one time.

Here's where the UN comes in. It should schedule wars. Assign numbers to countries mad at each other and make them wait their turn. Start a war out of turn and you get no TV coverage.

Also, you've got to remember a network's evening news program lasts only 30 minutes. It's impossible to cover three wars in that span of time and leave room for wrecks, floods, tornadoes, Congress, State Legislatures and other disasters.

Therefore ABC, CBS and NBC ought to get together and divide up the wars. One take Iran-Iraq, another take the Mideast, and another the Falkland Islands.

Like it is, with all three trying to cover three wars at once, no telling how much domestic news they have to leave out. Congress could vote itself another raise and you'd never see it on your TV screen.

Yours faithfully,
J. A.

Local FFA'ers Attend State Leadership Conference

Regina Powell and Mr. Gerald Kelley, FFA Advisor, along with six other area FFA officers, attended the State FFA Leadership Conference at Trinidad, Texas June 6-8.

The Conference was conducted by the Texas FFA

State Officers. The purpose of this conference was to develop leadership skills and improve communication abilities.

Two Local FFA Boys Attended Workshop June 14, 15 and 16, Lane

Nelson and Scott Wesley, local FFA members, attended the Southwestern Public Service Electric Workshop in Amarillo.

They learned farm and home wiring, basic electric motor design and maintenance.

ATTENDING THE STATE FFA STATE LEADERSHIP CONFERENCE was FFA Advisor Gerald Kelley and FFA student Regina Powell June 6-8 at Trinidad.

Partnership Golf This Weekend

Abernathy Country Club will have its annual Men's Spring Partnership Golf Tournament Saturday and Sunday. Everyone is invited to come out and play.

There will be a free barbeque meal for players and one guest. Tickets for the

meal may also be purchased at the door for \$5 a plate for non-players.

Call Lera Beard at 328-5261 for more information concerning the tournament. Everyone is also invited to come out and visit.

THE HIGH COST of clothing doesn't always ensure quality, warns Alma Fonseca, a clothing specialist with the Texas Agricultural Extension Service.

Price of garments more or less depends on:

- o quality of fabric,
- o quality of workmanship,
- o number of design and construction details,
- o amount and quality of trim used,
- o brand name or designer label, and
- o prestige of store selling the garment.

The past year he has been coach at New Braunfels.

Dana Vickers New Coach At Port Arthur

Dana Vickers has accepted the position as head basketball coach at Port Arthur Bishop Byrne High School and he will also be the offensive coordinator in

football. Dana is a 1973 graduate of Abernathy High School and a graduate of Southwest Texas University in San Marcos.

ABERNATHY WEEKLY REVIEW 298-2033

Elegant Stationery in every price range. Trained Consultants to help with any problems, plus a large selection of accessories.

Celebration by Taine Corp

First Performance Of "Texas" June 16

June 16, at 8:30 p.m. eighty singers and dancers will burst upon the stage, and Palo Duro Canyon's Pioneer Amphitheatre will embrace the sound, light, merriment and public spirit that is "Texas". This year's gala opener will honor pioneer farm families that took root in the panhandle around the turn of the century.

Farm descendants representing at least twelve area counties have made arrangements to be on hand. The Golden Spread CowBells and the Associated Milk Producers will host a reception for them at 7:30. George Lokey, President of the Texas Panhandle Heritage Foundation, will celebrate the unflagging energy faith of these farmers, the panhandle's own pioneers.

All members of the audience will be tempted by Sutphen's barbeque dinner,

and will be included in the warm Texas-style welcome extended by the "Texas" hospitality crew. Souvenirs and snacks await those who visit the concession stand. A souvenir program featuring the art of George Marks will furnish a memento of the evening.

But the show itself is the big moment. For the seventeenth season, a long rider will wind his way up the narrow trail so that he can answer the bugle call, and "Texas" will be launched for another year. Singing, dancing, thunder, lighting, romance, and drama will all be present.

All this and more is at "Texas". Advance reservations are strongly recommended, particularly on weekends. For information, write "Texas", Box 268, Canyon, Texas, 79015 or call 806-655-2181.

Lakeview Locals

By Mrs. Norman Matthews

Rev. and Mrs. H. B. Coggin and their granddaughter, Carole Lea Coggin of Lubbock returned home early this week from Humbolt, Neb., where they had been visiting their son and family, Rev. and Mrs. Morris Coggin.

Mr. and Mrs. Gene Collins spent last week in Socorro, N.M. with her parents, Mr. and Mrs. John Couch and other relatives. They returned home Saturday night.

Mrs. J. L. Johnson was the featured speaker at the mid-week services at Lakeview church Wednesday night, June 3rd. After the services a social hour was held in the Fellowship Hall honoring Mr. Colwell on his 88th birthday by his children, Mr. and Mrs. Dwain Bristow, Mr. and Mrs. Quinton Colwell, Kim and Reane. Birthday cake and punch were served.

Mr. and Mrs. Clayton Enger attended the annual Sorley family reunion in Plainview, Sunday.

Tammie Collins and

Mrs. Elenor Collins visited in Olton, Saturday in the home of her sister and brother-in-law, Mr. and Mrs. Steve Spain.

Dr. and Mrs. Joe Horn of Plainview attended services at Lakeview Church, Sunday. He delivered the 11 o'clock hour message and brought an inspiring message.

Mrs. N. J. Fred visited relatives in Morton, Sunday and attended a birthday celebration for her brother-in-law, L. G. Fred on his 82nd birthday.

Mr. and Mrs. Gene Collins who had been visiting their parents, Mr. and Mrs. H. N. Meadows and Mrs. Winnie Brown the past two weeks returned to their home in Union City, Calif., Saturday.

Mr. and Mrs. J. C. Montgomery visited her sister, Mrs. Clara Desmond in Hale Center Nursing Home, Saturday.

Mrs. E. G. Mahagan visited in Hale Center Sunday with her son and family, Mr. and Mrs. Melvin Mahagan.

Some people say we're coming to the best time of the year!

Backyard picnics, barbecues, vacations and outdoor fun are upon us, and you can stretch your shopping dollars by shopping locally. No matter where you roam, be sure to shop at home before you go.

Why pay inflated resort area prices? Local stores have everything you need for your season in the sun from warm weather wear, pools, bikes, foods and so much more.

By shopping locally, you'll also have more time for summer fun. So whether you travel far or stay right near home, you'll find local stores have the right selections and prices on all your needs.

No need to roam... the best shopping's here at home!

Immunization Requirements For Abernathy Elementary And Secondary Schools

For several years, state laws have required all students to be immunized against certain diseases before entering school.

Students entering school next fall must have on file, or bring to school, medical certification certifying that they have received the required immunizations. Students will not be allowed to enroll without this certification.

The following are the legal requirements for students entering school next fall.

Section 2.09 of the Texas Education Code requires

that all children entering Texas elementary or secondary schools must have been immunized against certain diseases. The following is a list of required immunizations:

(A) Children less than five years of age enrolled in pre-school programs: Three doses of oral polio. Three doses of DTP vaccines. One dose each of measles, rubella and mumps vaccine.

(B) Children enrolled in kindergarten through grade five: At least three doses of oral polio vaccine with the provision that one dose must

have been received after age 4. At least three doses of DTP but one dose must have been received after age 4. All students must have received measles vaccine after age 1 or provide a history of measles illness. Mumps vaccine is required for all students through seven years of age.

(C) Students in grade six through twelve: All students must have received at least three doses of oral polio vaccine provided one or more doses has been received after age 4. All students must have received

at least three doses of DTP with at least one dose having been received after age 4.

Effective September 1, 1982, students 15 years of age, and all students enrolled in the sixth grade, will be required to have received measles vaccine on or after their first birthday or provide a history of measles illness. On September the first of each year thereafter, students one year older or one grade higher must meet these requirements.

Rubella vaccine is required for students through age 11. (Not after the 12th

birthday) Tetanus-diphtheria (TD) boosters are required every 10 years. In addition to these required immunizations, the law requires that each student must have on

file, or furnish, an official birth certificate from the Health Department. Baptismal records, or birth registration cards (Blue cards) are no longer acceptable.

ASSISTANT MANAGER GRADUATES. Anita Castellon, (left) assistant manager of the Allsup's store at 512 Avenue D in Abernathy, receives her diploma from Lloyd Smith, instructor, for fulfilling the requirements of the Allsup's Assistant Store Manager Training Course. The class, held at the company's home offices in Clovis, New Mexico, is a requirement for all Allsup's Assistant Managers. According to Smith, "The training covers proper food handling, cooked food procedures, store cleanliness and maintenance as well as public relations. Ultimately, we provide customers with a professional who can better serve them, while at the same time preparing the employee for future advancement."

THE SWEET SHOPPE opened on Avenue D three weeks ago across from 924 Steak House. Pictured is owner and manager Sue Pumroy and helper Lori Batchelor. (Review Photo)

Survivors include her husband; four sons, Gary Don Tiner and Billy Max Tiner, both of Midland, Larry Boyd Tiner of Dallas and Timothy Craig Tiner of Crosbyton; two daughters, Cindy Skidmore of Shallowater and P.K. Harmon of Lubbock; four stepdaughters, Tammy Lee of Lubbock, Rhonda Sue Taylor of Sugarland, Norma Kay Sue of Ralls and Brenda Joyce Coppage of Crosbyton; a stepson, Terry Glen of Crosbyton; her mother, Lois Cooper of Roaring Springs; a sister, Juanita Bowen of Meridian, Miss., a brother, Clyde E. Smith of Sedona, Ariz.; eight grandchildren; and five stepgrandchildren.

Pallbearers were Travis Copeland, Billy Bob Wright, Eugene Cornelius, Dee Cash, Ross Cash, and Jay Burgess.

Survivors include her husband; four sons, Gary Don Tiner and Billy Max Tiner, both of Midland, Larry Boyd Tiner of Dallas and Timothy Craig Tiner of Crosbyton; two daughters, Cindy Skidmore of Shallowater and P.K. WHEN FERMENTING A pickled product, use a crock-ware pot or a plastic bucket which is intended for food, cautions Mary K. Sweeten, a food and nutrition specialist with the Texas Agricultural Extension Service.

Never use a garbage or other plastic bucket not intended for food use.

Howards Win First At 4-H Roundup

College Station - Plainview area 4-H members placed in the top 10 in 17 method demonstration categories during the State 4-H Roundup, Tuesday and Wednesday.

Members from the six-county area logged four first place finishes, two second place and two third place. Hale County had three of the first place finishes and two of the second.

Taking first place for breed cattle business junior symposium were Lonnie and D'Ana Howard of Route 2, Abernathy. The brother-sister combination also had the reserve grand and grand champion steer, respectively, at this spring's Plainview Stock Show.

If you're the lucky owner of a cast iron skillet, after washing and towel drying, place it in a warm oven to complete drying. Moisture is its worst enemy.

H AND H CATERING SERVICE is another one of the new businesses that has opened recently in Abernathy. Pictured are owners A.C. Harris and Tim Hill with the homemade smoker they constructed. (Review Photo)

TRANSITION

Mary Murrah

Services for Mary Goble Murrah, 34, formerly of Lubbock, were at 2 p.m. Thursday at Yoakum Memory Chapel in Purcell. Officiating was the Rev. Don Chambers, a Baptist minister from Guyton, Okla.

Burial was in Lexington Cemetery in Lexington, Okla., under direction of Yoakum Funeral Home.

Mrs. Murrah was dead on arrival at 1:45 p.m. Monday at Purcell Municipal Hospital. She died from an accidental electrical shock at a family-owned horse barn.

She was reared in the Lubbock area and attended Texas Tech University. Prior to her marriage, she was a Baptist, a member of the Oklahoma Paint Horse Association and the American Paint Horse Association.

Survivors include her husband, Charles; a stepson, Philip Murrah of Lawton, Okla.; her mother, Mozelle Goble of Lubbock; her father, C.L. Goble of Blossom; three brothers, J.C., Larry and Lynn Goble,

all of Lubbock; and her maternal grandmother, Mrs. Ellis Martin of Lubbock.

Murrah was a 1966 graduate of Abernathy High School.

Ann Adams

Services for Ann Adams, 74, of 5507 12th Street Lubbock, were at 3 p.m. Thursday in Bowman Chapel of First United Methodist Church with Dr. Sam Nader, pastor, officiating.

Burial was in Resthaven Memorial Park under direction of Sanders Funeral Home.

She died Monday night at Sherwood Health Care after a lengthy illness.

The Erie, Kan., native had lived in Lubbock since 1930 after graduating from St. Anthony Hospital School of Nursing in Denver, Colo., in 1928. She married Charles L. Adams in March 1941. He died in 1964. She was a Methodist.

Survivors include a son, Larry Clay Adams of Crested Butte, Colo.; three brothers, Clay Knight of Lubbock, David Knight of Fullerton, Calif.; and Joe

Knight of Farmington, N.M.; three sisters, Mrs. J.N. Burnett of Morton, Mrs. B.C. Coats of Shallowater and Mrs. R.G. Christiansen of Cleveland, Ohio.

The family suggests memorials to the First United Methodist Church elevator fund.

Ethel Martin

Services for Ethel E. Martin, 87, of Hacienda Heights, Calif., and formerly of Motley County were at 11 a.m. Monday at Matador Church of Christ with E.E. McDonough of Plainview officiating.

Burial was in East Mound Cemetery in Matador under direction of Seigler Funeral Home of Matador.

Mrs. Martin died Tuesday in Queen of the Valley Hospital in West Covina, Calif., after a lengthy illness.

She was born in Wise County and moved to Motley County as a child. She married L.O. Martin in 1913 in Motley County. He died in 1961.

She was a member of the Church of Christ.

Survivors include two sons, Wright of Afton and Harold of Hacienda Heights, Calif.; three daughters, Ruth Barrett of Porterville, Calif., Georgia Rose of

Ruidoso Downs, N.M., and Alice Faye McDonough of Plainview; two brothers, Delmer Calvert of Muleshoe and Roy Calvert of Abernathy; a sister, Alma Purdy of Littlefield; 39 grandchildren; 54 great-grandchildren; and several great-great-grandchildren.

Grandsons served as pallbearers.

Mina St. Clair

Services for Mina Julia St. Clair, 50, of Crosbyton were at 1 p.m. Monday at First Baptist Church of Crosbyton with the Rev. Randy Butler, associate pastor, officiating.

Burial was in Resthaven Cemetery in Lubbock under direction of Adams Funeral Home of Crosbyton.

Mrs. St. Clair died at 4:49 a.m. Saturday at her home after a lengthy illness. She had been under a doctor's care.

She was born Aug. 13, 1931, in Dickens County and married Glen Earl "Skinny" St. Clair Feb. 4, 1976, in Lubbock. She had lived in Crosbyton since her marriage in 1976, having moved from Lubbock.

She was a former supervisor for Litton Inc. in Lubbock. She was a member of Flint Avenue Baptist Church of Lubbock.

Ethel Harral

Graveside services for Ethel Florence Harral of Fayetteville, Ark., were at 2 p.m. Saturday in Abernathy Cemetery with the Rev. Ken Horn, pastor of Northside Baptist Church of Abernathy, officiating.

Burial was under direction of Chambers Funeral Home of Abernathy.

Mrs. Harral died Tuesday in Washington Medical Center in Fayetteville after an illness.

The Whitehead, Okla., native married W.D. Harral in Hale Center. He managed several lumber yards in the South Plains area before retiring in 1953 and moving from Snyder to Fayetteville. Harral died April 14, 1977, in Fayetteville.

Survivors include a son, Max of Fayetteville, Ark.; a brother, O.O. Crow of Lubbock; and two sisters, Mrs. Henry Harral of Tulsa and Mrs. C.D. Damron of Wellington.

Henry Moore

Services for Henry Dave Moore, 70, of 3416 48th St. in Lubbock were at 2 p.m. Monday at Lemons Funeral Home Memorial Chapel in Plainview with the Rev. L.W. Baker of Idalou United Methodist Church officiating.

Burial was in Plainview Cemetery under direction of Lemons Funeral Home.

Moore died at 11 a.m. Saturday in Central Plains Regional Hospital in Plainview after an illness.

He was a native of Brownstown, Ark., and moved to Hale County in 1948 from Ford County. He married Edna McClain Oct. 16, 1965. He moved to Lubbock nine years ago after retiring from United Farms in Plainview. He was a Baptist.

Survivors include his wife; two daughters, Mary Frances Porter of Aurora, Calif., and Sue Herrington of Plainview; a stepdaughter, Ruth Faulks of Plainview; two stepsons, James Barnett Peterson of Omaha, Neb., and Kenneth G. Peterson Jr.

Local Girl Preparing As SPS Rep.

Teresa Stewart, daughter of Ann and Wilson Stewart of Abernathy, is in Austin attending a Southwestern Bell Telephone Co. training school in preparation for her job with that company as service representative.

Teresa is a 1977 graduate of AHS and a December 1981 graduate of Texas Tech. She is one of the few black AHS graduates to earn a college degree according to a family member. Her major was Advertising with a Marketing minor.

Since graduating from Tech last December, Teresa found the job market competition as tough as news reports say it is. She accepted her service representative position (a public relations job) with Southwestern as a "foot in the door" with the company. She hopes to switch to communications consultant, with Southwestern, a job more in her field.

Southwestern's Austin training school is a six to nine week course. When she

finishes there, Teresa will undergo more training on the job in Lubbock with the possibility of relocating later.

Teresa was discouraged to discover that after the struggle to get through college with the help of grants and work study programs, she faced more struggle in finding a career opening. She persisted however and has good advice for college students and young job seekers of any race because of her experience.

TO BRIGHTEN ALUMINUM utensils, place this solution in them: two tablespoons cream of tartar for each quart of water they hold. Boil five to 10 minutes, says Bonnie Piernot, family resource management specialist with the Texas Agricultural Extension Service.

Originally, facial tissues were to be used as filters for gas masks during WWI.

This and That

By Helen Wade

Mrs. Jan Isbell, Dery and Deglen from Colleyville visited in the home of Max and Delayne Thomason from Thursday til Sunday afternoon. This is Delayne's mother, sister and brother.

R.C. and Mrs. Hester of Amarillo will be moving back to their house in Idalou this month. Hester is a former pastor here and he is retiring from the ministry and will be moving back in this area. I talked with them on the phone and they were looking forward to moving back as they know a lot of people here and in Lubbock. Congratulations to them and may they enjoy their retirement.

Speck Cox did a superb job as master of ceremonies at the 42 annual Co-op Grain Stockholders Meeting held last Tuesday night in the Community Club room. He brought a lot of wit and humor to the program. A large crowd listened to Marvin Stephens play dinner music at the organ and everyone seemed to enjoy the music.

Omer and I were in Abernathy Friday morning and driving near the school. It was good to see Bro. Ross-wel Brunner taking a walk. He was walking at a fast pace when we observed him.

The directors wives and Mrs. Majors decorated the tables with a western atmosphere. On top of the white tablecloth were red and blue bandannas and several small red lanterns which burned real kerosene at each table. The speakers table was also decorated and had a large arrangement of greenery with blue and red bandannas around the arrangement. The tables were very colorful.

Mr. and Mrs. Otis Davis, of Rt. 2 Abernathy, met their daughter, Dorette, of Charlotte at a cafeteria in Lubbock Friday night and ate supper with her. Dorette was with a group from First Baptist Church in Charlotte who had been to Glorieta all week and were coming back through Lubbock on their way home.

The two incumbent directors, Ronnie Hamilton and Wendell Barrick were re-elected as directors.

Rev. and Mrs. HB Coggin left Thursday June 3 and visited their son, Morris and family in Humboldt, Nebraska. Morris is pastor of the Methodist Church there. They went for Morris and his wife's 25th Wedding Anniversary.

Agri-Industries showed a musical film about some of their latest techniques in helping farmers move their grain products and marketing systems set up.

There was a large crowd at the reception. He has been pastor in Humboldt for the last two years.

A lot of nice door prizes were given in a drawing. A supper of fish and chicken was served, along with Marvin Stephens music made for an enjoyable evening.

The Coggin's have another son who recently moved from Plainview, he was

Paul Stanford Named To Sandia's

Board Of Directors

EDITOR'S NOTE: The following article was published in "Sandia Lab News" Albuquerque, New Mexico. The article is about a former resident of this area known by many locals.

Sandia's Board of Directors has named Paul Stanford as Comptroller 3200, succeeding Charles Barncord who is retiring. Paul will assume his new position on June 1.

He joined the Labs in 1959 as an auditor. From 1965-69, he headed several divisions in the accounting and auditing department, including special analysis, plant accounting, and construction audit. He was promoted to manager of the Auditing

Department in 1969 and, since 1975, has been manager of Budget and Financial Planning Department 3240.

Paul earned his BBA in accounting from Texas Tech University. He is a member of the board of directors and treasurer of the Albuquerque Child Guidance Center, past director of the National Association of Accountants, and a member of the American Institute of Internal Auditors. Before coming to Sandia, Paul was an auditor for the DoD at Sandia Base. He served six years as Financial Accounting Offi-

cer while a member of the NM Air National Guard.

Paul's dad was a former pastor of the First United Methodist Church in Abernathy, (Rev. E. Lee Stanford).

Though Paul was a graduate of Dimmitt High School, he attended Texas Tech when his folks resided in Abernathy. His father is deceased; his mother, Mrs. Flora Stanford, resides in Dimmitt.

Paul's wife, the former Betty Alice Lovelace, was a graduate of Abernathy High School, Texas Tech University and the University of New Mexico. She is currently a Special Education Teacher at Albuquerque Public Schools.

Betty and Paul, and children Jon and Jena, reside at 1121 Cuatro Cerras Drive, S.E. Albuquerque, New Mexico.

Betty Alice is a sister of Joe Lovelace of Abernathy and the daughter of Mrs. Edith Lovelace of Lubbock.

PAUL STANFORD (3200)

manager of Furr's Cafeteria there and accepted the manager of the Furr's Cafeteria in Bartsville, Okla.

Rudolph, Marian and Fritz attended the Richter family reunion in Marble Falls. They left Friday and returned Sunday.

I attended my first farm sale last week and it may be my last one. Lots of farmers had come to see how things were selling and maybe pick up a bargain.

We drove down a narrow lane about 1/2 mile or more by a lake and it had rained recently and there wasn't

room to get by all the pickups. The auctioneer asked people to keep the road open, but he gave up.

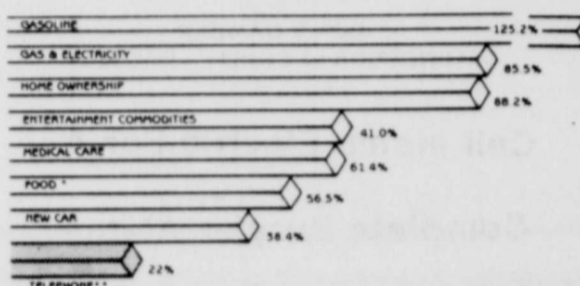

One thing I will never understand is how you know when to bid by what the auctioneer is saying.

The worst part was the confusion at the end of the sale, we had to wait 1 1/2 or 2 hours to get our trailer loaded...and finally we were on our way home.

YOUR TELEPHONE SERVICE - A REAL BARGAIN

All things considered, talking is a real bargain. The chart below shows how your telephone costs compare against other goods and services you use daily.

(Figures based on data gathered from U.S. Bureau of Labor Statistics from October 1976 to October 1981.)

*Away from home
**Basic local service in GTE's Texas exchanges

Frequently, the convenience of the telephone is taken for granted.

For instance, a few things you use your phone for:

1. Shop ahead, save gas
2. Make appointments (doctor, sales calls, lawyer, preacher)
3. Emergencies (police, fire, ambulance)
4. Talking with loved ones in other towns
5. Conducting business via long distance, save on travel cost
6. Calling scout troop, civic club, little league team, etc.
7. Visit with a friend across town

Talk is cheap and also a real bargain. For a true picture, divide your basic local service rate by the days in the month. For just pennies a day, excluding long distance and special services, you have your town at your fingertips.

Thompsons Honored On 59th Wedding Anniversary

Mr. and Mrs. Lewis F. Thompson were honored on the occasion of their "59th" wedding anniversary with a buffet dinner and family fellowship recently, in the couple's daughter and son-in-law's home, Sharon and Bob Thomas of Cotton Center.

The couple were married May 11th, 1923 in Olton by the Rev. R.R. Gilbreath. Mrs. Thompson is the former Miss Alice Brown. They have lived at Cotton Center since moving from Plainview in 1933.

Pink lace table cloths covered the dinner tables with multi-colored floral arrangements. Wine candles with "olden day" wedding figurines were used at each table.

The buffet dinner was served by the couple's two daughters, Davene Sageser and Sharon Thomas and grandchildren. The dinner menu consisted of Shisk-K-Bobs--and all the trimmings, a white anniversary cake, decorated with multi-colored floral flowers, and inscribed "Happy 59th Anniversary", and Home-made Ice Cream.

Those present were the honored couple, Alice and Lewis Thompson, Davene and Jack Sageser and Nancy Ann, Sharla and Bob Heath, Raynie and Chris Sageser, Tammy and Gary Booth, Kip and Robin Thomas, and the hostess and host, Sharon and Bob Thomas.

58 Methodist Appointments Announced

Two top administrative posts were filled and two new district superintendents were named for the Northwest Texas Annual Conference of the United Methodist Church Thursday during the announcement of appointments at the Conference's annual meeting in Amarillo.

A total of 58 new appointments were announced during the first day of the three-day meeting, which is being held at Polk Street United Methodist Church.

Douglas Wofford was named as the new director of the Annual Conference Council on Ministries. He has served the last four years as director of the Conference Council on Professional Ministries in New Mexico.

Stever Rogers, who was the pastor at Morton UMC, was appointed as associate director of the NWT Council on Ministries.

David Hamblin, who served as district superintendent of the Big Spring District for the past two years, was appointed to lead the Lubbock District. He succeeds William R. Fleming, who was appointed as pastor of one of the Conference's major churches, St. Paul UMC of Abilene.

Rex Mauldin, the pastor of San Jacinto UMC in Amarillo for the past six years, succeeds Hamblin as the Big Spring District superintendent.

Other major appointments announced were: Marvin

James to First UMC of Hereford, Jarrell Sharp to St. Luke's UMC of Midland, Robert D. Ford to Snyder UMC, Glen Harrington to First UMC of Brownfield, Richard Whitman to First UMC of Pampa, Merriel Abbott to San Jacinto UMC of Amarillo, and Alvis Cooley to Seymour-Vera UMC.

Plainview District Cotton Center-Spade-Jim Hawthorne, a parttime lay pastor, is the new pastor at Cotton Center-Spade UMC.

Matador-Roaring Springs-Eddie Marcum is the new pastor at Matador-Roaring Springs UMC. He recently completed his studies at Asbury Theological Seminary in Wilmore, Ky. and will be ordained Saturday morning at the Northwest Texas Annual Conference meeting in Amarillo. He succeeds Mark Gibbens-Rickman, who was at the church two years and becomes an associate pastor at St. John's UMC in Lubbock.

He was already the pastor at Spade UMC, but takes over the Cotton Center church, from Eugene Crane, a lay pastor who was there one year.

Dimmitt-W. Vernon O'Kelly is the new pastor at Dimmitt UMC. He comes from Panhandle UMC, where he served seven years. He succeeds Howard Quiett, who was at the church four years and becomes pastor at Denver City UMC.

AARP-NART Provides Community Services Activities

The American Association of Retired Persons and the National Association of Retired Teachers is a National organization to provide meaningful community service activities. It also offers members opportunities for self appraisal & assistance

in planning life styles designed to attain maximum self-realizations and enrichment.

As a group it gives older Americans an opportunity to help foster continued growth and the development of self-respect, self-confidence and

usefulness. The goals of prolonging and improving the mental, physical, and spiritual wellbeing of older Americans is the purpose, objectives and ideals of AARP-NART. The national motto is "To Serve, Not to be Served".

The Shallowater Chapter 2962 of AARP-NART met on June 17, 1977 in the Community Club House with 26 interested persons in attendance and formed the local chapter. Mr. D.R. Medley was chosen president, Floyce Preston Vice President, June Stokes secretary and Oleta Sandlin treasurer. The above officers and the following people made up the board of directors: C.M. McCain, L.A. Jones, and H.L. Gentry.

Since that time the following have served as President: Floyce Preston, Kenneth Horn, Granville Igo, Corene McAuley and at the present Mrs. Lorene Dinwiddie is serving as chapter president. Other officers have been Marye Casey, Virginia Arnold, Opal Rice and O.O. Williams. Serving on the board of directors have been Arlie Arnold, George Rice, Granville Igo and Leslie Reeves.

Some of the community projects have been fruit baskets for our shut-ins in hospitals in Lubbock and making a Merry Christmas for seven children this past Christmas. The programs have been varied and informative. There are also fun programs where the members pit their skills in 42.

Mrs. Floyce Preston procured a flag that was flown over the Capitol on March 15, 1978 through George Mahon, Texas 19th District House of Representatives, Congress of the United States. The flag is used with pride since it was flown in our name on that date.

At present, the group meets on the first Friday of each month at 11:30 in the Community Clubhouse for a covered dish luncheon. Many interesting programs are planned for the near future. All interested persons retired or not, that are over 55 are invited to come as a guest. For further information call Opal Rice 832-4398.

Fire Department Expresses Appreciation

We would like to take this opportunity to thank the citizens of Shallowater and the surrounding areas for making our Bluegrass-Country Music Jamboree such a success. We would like to apologize for some of the bands not showing up due to unforeseen circumstances.

A special thanks to Mr. Jim Black of Station KFYO and Mr. Wayne LeCroy, Lubbock Justice of the Peace for acting as Masters of Ceremonies. Our thanks go to the Shallowater Lions Club, the school and Ag Shop for their help in sponsoring this event. To the firemen and their wives who worked many extra hours to make

Class Of 1972 Reunion Planned

The Shallowater High School Class of 1972 will hold its ten year reunion on July 3.

There will be a picnic from 11 a.m. to 1 p.m. behind the old superintendent's house on the school grounds. Organizers ask that you bring your families and sack lunches.

That night there will be a dinner and a party at the Commander's Room behind Southern Seas Restaurant at the South Loop 289 and Indiana Ave from 7 until 11.

There will be a charge of \$23 per couple or \$11.50 per person. Please call Lana Hunter 794-6032 or drop her a note at 5207 92nd, Lubbock, 79424 as soon as possible. You may also call Susan Cowart at 792-9971.

JD. YOUNG, Shallowater Civil Defense Director, keeps in contact with the National Weather Service in Lubbock. Young says that everyone should watch the weather themselves and know what the tornado signal is. Young is one of many volunteer spotters when bad weather approaches.

this program possible, a "well done". And a very special thank you to the entertainers and sound technicians for making all this possible.

Shallowater Fire Dept.

Troop 515 To Go Camping

Boy Scout Troop 515 has scheduled a hiking and camping trip for this Friday and Saturday. The boys will meet at the First Methodist Church at 6 p.m. and will hike out of town for an overnight of camping and fun. They will return to the church by 2 p.m. Saturday.

The troop met last Thursday night, June 10, to prepare for the awards ceremony and family night Monday. There will be a change in leadership at that time, and several boys will receive badges.

Scout Master Hugh Hill and his son, John, will be moving from Shallowater in the next week.

Anyone interested in joining the Boy Scouts, may call Tommy Powe at 832-4788.

TROJANS sponsored by Shallowater Insurance are (back row) Ron Miller, Mike Medina, and Frank Owens. (Third row) Jason McDonald, Leslie Sherman, Clint White, Vince Shumake, Jay Willson, and John Adams. (Second row) is Shawn Springer, Shane Bigham, Bobby Scates, Kelly Powe, Michael Mann, and Brandon Perry. (Front row) is Jr. Valverde, and Jeremy Salazar.

Vacation Bible School First Baptist Church Holds

The 1982 VBS at First Baptist Church, Shallowater was held June 7-11 from 9-12 a.m. using the theme "Spread A Little Sunshine".

The 277 enrollment set a new record: Mon. 218, Tues. 232, Wed. 241, Thurs. 233 and Fri. 236.

There were nine decisions in the decision service held for the 4th, 5th and 6th grade students Friday morning.

This year, Lon Chaffin, the Music and Youth director, made a picture of the entire school to be used on the Bible School diplomas. He also made the "worlds largest popsicle", and served it to the entire school Friday morning.

The petting zoo this year was the best ever. Dalton Potter again did a fantastic job. He was assisted by John M. Young, Celeste Potter and Shelly Martin. The boys and girls certainly enjoyed the huge, white turkey gobbler, the lambs, the baby goats, chickens, geese, rabbits, pigs, quail, cats, dogs, calf and all the rest.

The Puppeteers have worked hard this year. Linda Burgett did her usual excellent job with them. Rod Burgett, Glenn Kersey, Dawn DuLaney, Sharisse Burgett, Angie Medlock, Greg Cowart, Mark Davis, Lance Foerster, Trenton Chandler, Trey Medlock, Brian Cole, LaRail Wilson, Bobby Jarnigan and Anna Masten presented an excellent show each day.

This year the church has had the largest group of youth workers ever. They worked in the department until the last hour each day. Then, at that time, they went to their own group time. This was led by JoAnn Pointer. JoAnn did a super job in this department. She

topped off the week with a grilled hot dog lunch and swim party at the home of the Neff Prestons.

"Chief" Stella Anglin, Christine Johnson, Iva DuLaney, provide punch and coffee all week. There was a workers lounge set up in fellowship hall so that the teachers could rest their feet, compare notes, and just visit while the super youth workers watched over the children as they played and had their refreshments.

This is all the pay that the adult workers get, except for the knowledge of knowing that they are witnessing for Christ in Shallowater.

The workers in this year's VBS are: Supt. Dorene DuLaney; Principal-Bro. Walter Goodnight (Pastor); Song Leader-Lon Chaffin; Pianist-Nelda Lusk; Gen. Asst. Rod Burgett; Assoc. Supt., Sec. and Puppet Chief Linda Burgett; Church Sec.-Susan Chaffin; Bus Driver-Glenn Kersey and Van Driver-Rod Burgett.

Department workers were:

Nursery I-Dora Potter, Supt., Robin Hohenberger, Denise Hamersley and Cheryl Potter.

Nursery II-Patsy Bohn, Supt. Lerail Wilson, Rhonda Spivey, Veronica Oliver and

Christi Dopson.

Beginner I-Jana Kennedy, Supt. Olene Smith, Jewel Stanton, Melba Adams, Mary Boyd, Bryan Cole, Mark Davis and Glenn Kersey.

Beginner III-Debbie Martin, Supt. Bobbie Ellis, Eura Wages, Virginia Terry, Traca Ellis, Sarah Graham, Anna Masten and Stormy Durham.

First Grade-Marian Johnson, Supt. Donna Bownds, Faye Oldham, Ellen Masten, Jessica Christian, Angie

Medlock and Patricia Cannon.

Second Grade-June Wilson, Supt. Jan Sherman, Sarah Masten, Joyce Olmstead, Mildred Gooch, Iva DuLaney and Dessie Redwine, Tonya Armes, Denise Adams and Mark Davis.

Third Grade-Amy Sides, Supt. Joni Kitchens, Lesa Stone, Kathy Terrell, Dawn DuLaney, Trey Medlock, Greg Cowart and David Young.

Fourth Grade-Beverly Greenway, Supt. Ellen Howard, UnaVee Oldham, Vicky Boyd, Cindy Greaves, Sharisse Burgett, Kim Lohler and Lance Foerster.

Fifth and Sixth Grade-Fayrene Craddock, Supt. Cecilia Adams, Kay Pair, Sarah Masten, Randall Reams, Mike Ables, Trenton Chandler and Trey Booser.

Kreger Named Airman Of The Month

Airman First Class Tammy Kreger was named Airman of the Month by the Commander of the 2149 Communications Squadron. Air Kreger will now compete for Airman of the Month for the entire base.

Kreger was one of two who were nominated to run for the honor. Both candidates appeared before a

board of three senior non-commissioned officers and were asked 10 questions, eight on the subject of Air Force history and two on current events.

She will be presented a pen set and certificate at the June Commander's Call. Kreger will also receive special parking privileges.

Tammy is a graduate of Shallowater High School and South Plains College. She is the daughter of Mr. and Mrs. Beaver of Shallowater. Tammy and her husband Michael are both stationed at F.E. Warren Air Force

Base in Cheyenne, Wyoming.

Tammy Kreger

Plains Pest Management Report

During past weeks, severe thunderstorms have brought rain, high winds and hail. Large acreages of cotton were hailed out. Most growers finished replanting by June 5th. Much of the hail damaged corn is beginning to recover.

five per plant, control may be justified. The following chemicals are suggested for control.

- Insecticide-Concentrate per acre
- Azinophosmethyl 1r (Guthion R 2 lb.) 1/2 pt.
- Carbaryl (Sevin R 80% WP) 10 oz.
- Dicofenophos (Bidrin R 8 lb.) 0.8-1.6 fl. oz.
- Dimethoate (Cygon 4.0 lb.) 3.52 fl. oz.
- (DeFend 2.67 lb.) 1/2 pt.
- (Rebelate 2.67 lb.) 1/2 pt.
- Toxaphene (6 lb.) 1-1 1/2 pt.
- Acephate (Orthene R 75 SP) 2-4 oz.

Cotton
The cotton growth stage ranges from just emerging to the four leaf stage for most fields. The cotton plants are growing slowly. Seedling disease, wet weather blight, and hail are taking their toll.

Plants in this situation are much more susceptible to thrips damage since leaf surface area is small and plant growth static. Most fields are experiencing some level of thrips infestation ranging from light to heavy. The heavier thrips populations this year can probably be attributed to increased acreages of wheat planted in the area. As the wheat matures the thrips move to other host plants planted in the area. As the wheat matures the thrips move to other host plants (cotton.)

Thrips damage can be recognized by silverying of the lower leaf surface, followed by wilted, deformed or blackened leaves or the buds completely rolled up. If this type of damage is observed and thrips average two to

Field scouts have reported false chinch bugs moving out of wheat and pasture areas into cotton. These bugs move across the field in large numbers. At times they have been known to damage or kill 30 to 40 rows of seedling cotton along these field margins. Parathion or methyl parathion at the 1 pint rate should provide adequate control along these field margins.

Corn

Corn is now 18 to 36 inches tall. Some fields were severely damaged by hail earlier this week and it was too early to tell if they were going to recover.

Corn earworms have been laying eggs on the leaves and whorl feeding by larvae

can be easily found.

Southwestern corn burers (SWCB) began emerging during the first week of June. The first adults were collected in light traps from 6-4-82 to 6-6-82. Samples of SWCB's collected from stubble on June 5 indicated 76% were in the pupal stage, 12% had emerged and 12% were larvae. Based on all pupae collected 44% had emerged by 6-10-82. Scouting should be continued during the next week for egg masses and larval leaf feeding by the SWCB. Treatment for 1st generation SWCB can rarely be justified, but if infestations exceed the 10% level, control may be needed.

Growers should also watch for spider mites moving from wheat into corn. Spider mite infestations generally start on the southwest side of the field, but may occur on any side adjacent to wheat.

Sorghum

Greenbugs have been found feeding on seedling sorghum. Small clusters of 4 to 5 greenbugs are being found on the leaves. If visible damage occurs, such as yellowing of the leaves on plants from emergence to 6 inches tall, control may be justified. Again scout locations next to wheat since this is where greenbugs overwinter.

Roundup of major Texas tornadoes

Here is a roundup of major tornadoes in Texas from 1893 to the present:

- April 28, 1893, in Cisco, Eastland County; 23 killed, 93 injured; damage \$400,000.
- May 15, 1896, in Sherman, Grayson County; Justin, Denton County; Gribble Springs, Cooke County; 76 killed; damage \$225,000.
- May 1, 1898, in Mobeetie, Wheeler County; Four killed, several injured; damage \$35,000.
- May 18, 1902, in Goliad, Goliad County, much of the city destroyed; 114 killed, more than 230 injured; damage \$50,000. One of two worst tornadoes in state history.
- May 6, 1907, north of Sulphur Springs, Hopkins County; 5 killed, 19 injured.
- Many 13, 1908, in Linden, Cass County. Four killed; 7 injured; damage \$75,000.
- March 23, 1909, in Slidell, Wise County; 11 killed, 10 injured; damage \$30,000.
- May 30, 1909, in Zephyr, Brown County; 28 killed, many injured; damage \$90,000.
- April 9, 1919, in Leonard, Ector, Ravenna in Fannin County; 20 killed, 45 injured; damage \$125,000.
- April 9, 1919, in Henderson, Van Zandt, Wood, Kemp, Red River Counties; 42 killed, 150 injured; damage \$450,000.
- April 13, 1921, in Melissa, Collin County and Petty, Lamar County; Melissa was practically destroyed; 12 killed, 80 injured; damage \$500,000.
- April 15, 1921, in Wood, Cass, Bowie Counties; 10 killed, 50 injured; damage \$85,000.
- April 8, 1922, in Rowena, Runnels County; 7 killed, 52 injured; damage \$55,000.
- April 8, 1922, in Oplin, Callahan County; 5 killed, 30 injured; damage \$15,000.
- May 4, 1922, in Austin, Travis County; 12 killed, 50 injured; damage \$500,000.
- May 14, 1923, in Howard and Mitchell Counties; 23 killed, 100 injured; damage \$50,000.
- April 12, 1927, in Edwards, Real, Uvalde Counties; 74 killed, 205 injured; damage \$1,230,000.
- May 9, 1927, in Garland, Dallas County; 11 killed; damage \$100,000.
- May 9, 1927, in Collin County; Wolfe City, Hunt County, and Tigertown, Lamar County; 28 killed, more than 200 injured; damage \$900,000.
- Jan. 4, 1929, in near Bay City, Matagorda County; 5 killed, 14 injured.
- April 24, 1929, in Slocum, Anderson County; 7 killed, 20 injured; damage \$200,000.
- May 6, 1930, in Bynum, Irene and Mertens in Hill County; Ennis, Ellis County; Frost, Navarro County; 41 killed; damage \$2.1 million.
- May 6, 1930, in Kenedy and Runge, Karnes County; Nordehim, DeWitt County; 36 killed, 34 injured; damage \$127,000.
- March 30, 1933, in Angelina, Nacogdoches and San Augustine Counties; 10 killed, 56 injured; damage \$200,000.
- April 25, 1933, near Texarkana, Bowie County; 5 killed, 38 injured; damage \$14,000.
- May 10, 1933, near Brownwood, Brown County; 4 killed, 7 injured; damage \$250,000.
- July 30, 1933, Dallas, Dallas County; 5 killed, 30 injured; damage \$500,000.
- June 10, 1938, in Clyde, Callahan County; 14 killed, 9 injured; damage \$85,000.
- April 28, 1942, in Crowell, Foard County; 11 killed, 250 injured; damage \$1.5 million.
- May 10, 1943, in Laird Hill, Rusk County; Kilgore, Gregg County; 4 killed, 25 injured; damage \$1 million.
- Jan. 4, 1946, near Lufkin, Angelina County; and Nacogdoches, Nacogdoches County; 13 killed, 250 injured; damage \$2.05 million.
- Jan. 4, 1946, in Palestine, Anderson County; 15 killed, 60 injured; damage \$500,000.
- May 18, 1946, in Clay, Montague and Denton Counties; 4 killed; damage \$112,000.
- April 9, 1947, in White Deer, Carson County; Glazier, Hemphill County; Higgins, Lipscombe County; 68 killed, 201 injured; damage \$1.55 million. Glazier was completely destroyed. One of the largest tornadoes on record.
- May 3, 1948, in McKinney, Collin County; 3 killed, 43 injured; damage \$2 million.
- May 15, 1949, in Amarillo and vicinity; 6 killed, 83 injured; damage \$5.3 million.
- March 13, 1953, in Jud and O'Brien, Haskell County; Knox City, Knox County; 17 killed, 25 injured; damage \$600,000.
- May 11, 1953, near San Angelo, Tom Green County; 11 killed, 159 injured; damage \$3.24 million.
- May 11, 1953, in Waco, McLennan County; 114 killed, 597 injured; damage \$41.1 million. One of two most disastrous tornadoes ever, 150 homes destroyed, 900 homes damaged, 185 other buildings destroyed, 500 other buildings damaged.
- April 2, 1957, in Dallas, Dallas County; 10 killed, 200 injured; damage \$4 million.
- May 15, 1957, in Silverton, Briscoe County; 21 killed, 80 injured; damage \$500,000.
- March 31, 1959, in Vaughn and Bynum, Hill County; 6 killed, 31 injured; Vaughn almost completely destroyed.
- April 3, 1964, in Wichita Falls, Wichita County; 7 killed, 111 injured; damage \$15 million.
- June 2, 1965, in Hale Center, Hale County; 4 killed, 76 injured; damage \$8 million.
- April 18, 1970, near Clarendon, Donley County; 17 killed, 42 injured; damage \$2.1 million.
- May 11, 1970, in Lubbock, Lubbock County; 26 killed, 500 injured; damage \$135 million. The second costliest tornado in Texas history. 15 square miles, almost 25 percent of the city of Lubbock suffered damage.
- April 10, 1979, in Wichita Falls, Wichita County; 45 killed, 500 injured; damage \$250 million.
- April 8, 1980, in Round Rock, Travis County; 1 killed, 7 injured.
- May 13, 1981, in Emberson, Lamar County; 30 injured; damage \$2 million. Ninety percent of Emberson was destroyed.
- April 2, 1982, in Paris, Lamar County.

Girl Scouts make move

By STEVE BENNETT Staff Writer

The Girl Scouts of America moved into the new, \$10-million Edith Macy Conference Center on Chappaqua Road in Briarcliff Manor Saturday. The national training center for Girl Scout administrators, managers and group leaders will swing into full operation May 12 when 75 GSA executive directors from across the nation arrive for a four-day management meeting, said Martha Benn, director of the center.

A formal dedication is scheduled for May 21. The main building of the complex includes offices, auditorium, kitchen, dining room, conference rooms and a recreation center. There will also be an outdoor swimming pool. The three residential buildings will be ready May 12, Benn said, in time for the meeting of executive directors.

Constructed of cedar planking, the buildings feature low, sloping roofs and numerous large, square windows along the front, facing south. Inside, the effect is somewhat like a large ski chalet, with unobstructed views of the high cedar ceiling. Chimneys, constructed of stone taken from the building site, are located in the common room and two other rooms in the main building.

An auditorium, situated off the common room, has a projection booth and 100 seats equipped with microphones. A screen can be pulled down to fill an opening between the auditorium and the common room, and people in the common room may watch the film — although it would be "backwards" — at the same time as the auditorium audience, Ms. Benn said.

Large, gray-green tubes, approximately four feet in diameter, run the length of the ceiling in each room and provide heating and ventilation.

Martha Benn stands in front of Macy Conference Center

The kitchen has stainless-steel sinks and counters and is equipped with a storage room and freezers.

The east wall of the dining room is composed almost entirely of windows, affording diners a view of the Great Hall, a stone building erected in 1926 and fronted with floor-to-ceiling windows surrounded by hand-hewn wooden frames and pillars.

Landscaping plans for the grounds below the dining room call for a series of small ponds leading to a waterfall shaded by trees, Ms. Benn said. A flagstone terrace is under construction next to the proposed waterfall.

The interior east entryway, featuring both stairs and an extended ramp for the wheel-chair bound, will be bordered with

small shrubs or trees and other plants. The main building and three residential buildings are connected by walk-

ways sheltered by cedar canopies. The residential buildings are named Fleischmann "North," "South" and "West," after the Max E. Fleischmann Foundation, which donated money to build the center, according to Benn.

A resource center — made up of library, audio visual room, and dark-room — is included in the building.

The 50-person staff will begin training at the center Monday, Benn said. Approximately 12,000 people are expected to attend courses at the center each year.

Martha Benn is the sister of Owen Benn, the daughter of Mrs. Chris Benn and the sister of Clyde Benn, all of Abernathy.

NO, IT WASN'T PLANTED THERE...a bird, (sparrow), made his home under the hood of a Ford Fiesta owned by an Abernathy resident. Somehow the sparrow squeezed through the engine components to the front corner of the car, where a nest was assembled. Upon completion of the nest, the sparrow laid an egg, which can be seen in the middle of the nest. The nest is still under the hood for those who live by the phrase "seeing is believing". (Review Photo)

From The Abernathy Weekly Review Dated October 14, 1965:

In closing, it saddened me to read of the accidental electrical shock of Mary Goble Murrah of Purcell, Oklahoma. I remember her very well. As I was going

over old Reviews, I came across her picture and the following about her:

Mary Goble, will represent the Plainview Rodeo Association in the 1965 Miss Rodeo Texas Contest on October 20 and 21, 1965. The contest will be in conjunc-

tion with the State Fair of Texas and Dallas. The contestants must be entered by a rodeo association or college rodeo association. She must be a resident of Texas, and 17 to 24 years of age as of Sept. 1, 1965. Mary is a student at Abernathy High School.

Hints for HOMEMAKERS

Information To Help You

Buying milk in a Gallon 2-pak package can keep it fresher than buying that same amount in a gallon jug. Although the trend for some years has been towards purchasing milk in economy-size gallon jugs, consumers have been unhappy with unwieldy sizes and problems of keeping such a large amount fresh.

Now come answers to these problems in the form of the convenient gallon 2-pak, two paper half gallon cartons held together by a neat and handy carrying handle and sold as a gallon package.

There's another plus: when each carton is empty, just flatten it out and toss it in the garbage for easy disposal.

A real advantage for homemakers.

The big difference is size. Once home, the 2-pak easily separates into two cartons. They are much easier to

"A GLANCE AT THE PAST"

By Helen Wade

From The Abernathy Weekly Review Dated Nov. 12, 1959:

Among those to report in Plainview Nov. 16 on a jury panel in 64th District Court are N.M. Rogers, Virgil Rhodes and Dan Ward.

Congressman Mahon speaks on economy of our country at community gathering in Abernathy. Rev. Darrell Moore, of the Nazarene Church, sang a special song and then H.L. Howard read a scripture and prayed. Next on the program was a male quartet from the Lakeview Methodist Church. Leon Hokett led a male quartet from the Baptist Church in a song. Andy Reid introduced the speaker of the evening, who was Congressman Mahon. He spoke on the general economy, the farm program, government spending, interest on the national debt and national defense. Mahon also stated that only eleven percent of the population is engaged in agricul-

ture. Linda Schreier, daughter of Mr. and Mrs. W.K. Schreier of Abernathy, and a student at Eastern New Mexico University, Portales, is a member of the ENMU orchestra, which presented a concert there Sunday afternoon.

Pvt. Gene Stephens, on Army duty at William Beaumont Army Hospital, El Paso, visited his parents, Mr. and Mrs. Ralph Stephens, here last week-end.

Specials at Struve's Gro. Department Friday and Saturday Nov. 13 and 14: Clorox qt. size 17 cents, Duncan Hines devil food cake mix 29 cents, Vanity toilet paper 4 roll pkg. 25 cents; Sun Spun Catsup 12 oz. 15 cents; and Pinkney's pure pork sausage 49 cents.

Ruth Torres, daughter of Mr. and Mrs. Torres of Plainview and formerly of Abernathy, will serve as editor of the Traveler, the Wayland Baptist College

yearbook. A 1967 graduate of Abernathy High School, Miss Torres is seeking a Bachelor of Arts degree with a major in elementary education and a minor of music, from Wayland Baptist College.

The enrollment at Abernathy public schools hit an all-time high for the "end of the first month of school." Enrollment in September by having 1,101 students enrolled in the local system. That number was 84 more students than were enrolled at the same period in 1968.

From The Abernathy Weekly Review Dated February 11, 1960:

All-Stater Diann Owen flipped in two points with eight seconds remaining in the ball game to give Abernathy a thrilling come-from-behind 46-45 triumph over Duncanville. It was their third consecutive Hardin-Simmons Girls Basketball Tournament Championship, in Rose Field House, Abilene, Saturday night.

Abernathy and Wylie met in their first game of the tourney Thursday night, with Abernathy emerging with a 70-38 victory. Neida Sanders led the Abernathy team to victory, netting 29 points. Diann Owen flipped in 23 points, while Linda Shipman scored 10, Evelyn Dye 2, Barbara Turner 2, and guard Lesa Habbinga added 4. Jan Exum also saw action at the forward position.

Elbert Harp, local farmer and Secretary of the Grain Sorghum Producers Association, is to leave here Sunday for New Orleans, Louisiana, where he will remain about two days making preparation for a flight to South America. He will be gone approximately one month.

Reports said prices for lots in Abernathy's IOOF Cemetery were increased by action taken recently by the IOOF Lodge. Lots formerly selling for \$10 were raised to \$25 and the former \$15 lots now are \$50.

Mr. and Mrs. Jack Barton of Abernathy, enjoyed a visit January 31, to Sarasota Jungle Gardens during their recent vacation on the Sun Coast of Florida. They mingled with flamingos and other exotic wildfowl roaming freely amid Florida's finest scenery.

From The Abernathy Weekly Review Dated April 19, 1962:
Miss Angela Presley, immediate past-president of

the local chapter of Future Homemakers of America, has made an outstanding achievement in FHA work. She is to receive the FHA State Degree next weekend in Dallas. Miss Presley is a junior student at AHS, is active in other school activities as well as FHA work. Miss Presley, along with the newly-elected FHA president, Mary Anna Williams, and high point girl Cristie Givens, will be accompanied by Mrs. Don Drummond, Abernathy home economics teacher and FHA advisor, and Mr. and Mrs. Presley, when they attend the State FHA Meeting in Dallas April 27-29.

The Abernathy Independent School District board of trustees at the April 9 board meeting, set the amount of "increment salary" on a local basis at \$216 per teacher per year. In order to qualify for the \$216 a teacher must have at least six hours of college credit within the five-year period prior to Sept. 1, 1962.

James Nelson, son of Mr. and Mrs. Clarence Nelson of Abernathy, is listed on the Dean's Honor Roll at Abilene Christian College.

From The Abernathy Weekly Review Dated May 24, 1962:

W.C. Clement writes song, "I Knew The Hour", is the name of the song which was recently released on a Ronnie Record, published by Winslow Music Company of New York, and distributed by Paragon Production, Inc. Words and melody for the song were written and furnished by W.C. Clement, Abernathy barber. W.C. wrote the words to the song about two years ago, then later "re-worked it a little." He stated that he could hear in his mind how the words and melody should sound, so he sang the song to his daughter, Connye, a freshman student at Wayland Baptist College, Plainview. Connye then recorded the song on tape, and they worked on the melody from there. The Clements then went to Lubbock where the words and melody were put on record, with Connye again doing the singing. The Crown Music Co. recorded it and a fine job of singing is done by Ben Tate. Two hundred and fifty records were cut and twenty-five were sent to W.C. W.C. had previously had two songs recorded, but indicated they were not of the same quality

as the one recently released. Mrs. Clement also has musical talents on both the piano and organ.

Dirk Engel is the first Foreign Exchange Student to receive a diploma from Abernathy High School. The young man is from Sweinfurt, West Germany. He will participate in graduation exercises here Friday night with other members of the AHS senior class of 1962.

Gene Linn, farm director for KCBT TV, Channel 11, Lubbock was in Abernathy about two weeks ago to film a program for presentation on TV, announced Jerry Adams, Abernathy vocational agriculture instructor and FFA advisor. The TV presentation, which will be shown at 7:05 a.m. Friday, May 25, will feature the local vocational agriculture facilities, and some of the FFA projects of local students. It has been pointed out that the vocational ag department of Abernathy Schools is one of the best in the West Texas area.

Monroe G. Abernathy, 93, died Monday at his home in Lubbock. He was instrumental in securing the Santa Fe Railroad extension from Plainview to Lubbock in the 1900's, and the towns of Abernathy and Monroe were named for him.

Monroe later became New Deal after the school stating population is 2491 was erected by the State Highway Department on the freeway through town.

Larry Deering, nine year old son of Mr. and Mrs. L.G. Deering was given three red foxes by Sam Williams, a local farmer. The sly little creatures were found by Sam and his son Harold, in an irrigation pipe on their farm. Larry mentioned wanting to start a zoo. "I think I could get a couple of snakes and a rat or two." And last week he was on a "horned toad expedition" with some of his friends.

"Whoever makes the fewest persons uneasy is the best bred in the company."
Jonathan Swift

Local Students On Tech Dean's Honor Roll

Editor's Note: This list may not be complete because many students list Lubbock as their official mailing address. Consequently, many are listed with the Lubbock honor students.

More than 2,200 students at Texas Tech University qualified for the deans' honor rolls in the university's six colleges during the 1982 spring semester.

Students making the honor roll included the following from Abernathy: Kelly L. Henderson, 509 Phillips Blvd.; Jane G. Kveton, Route 2; Lesa G. Lemoine, 811 3rd; Jimmy L. McKenzie, 1613 Ave. G; Kanice E. Newton, Route 2; Wesley W. Riley, 1611 Ave. E; Jona B. Ross; Darrick L. Stallings, 509 2nd Place; and Shana S. Toler, 611 10th.

To qualify for a dean's honor roll, a student must

have a grade point average of 3.5 or more on a 4.0 scale and must have taken 12 hours or more of classes.

Texas Tech has an enrollment of almost 23,000

students in six colleges: Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics.

There was one boy who decided the house would look better, were it not for the little side porch rooftop. So down it came along with the boy. But he was not hurt. I told them I would serve cold drinks at their break and asked when would this be. One blonde fellow replied, "every thirty minutes!"

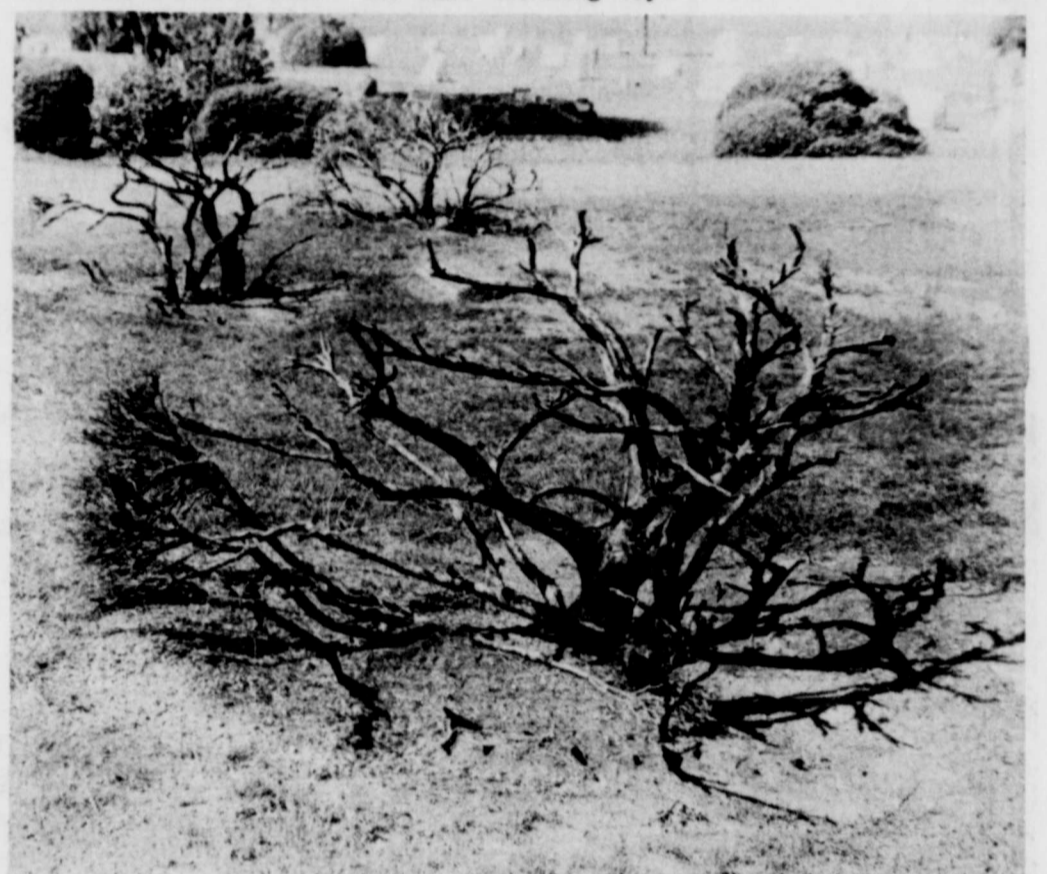

This group comprises a part of our football team and if they continue working as if they have been, they should certainly be in good shape by fall. Abernathy can look forward to having a good football season!

Mrs. Joel Bray

Letter To The Editor

Dear Mr. Tooley:
Who says that America's young people are shiftless, lazy and generally indigent? This past week a group of our local boys and their coach put a new roof on my house and garage. They really put out the work and I am highly pleased with the results.

The boys seemed to enjoy working together in spite of the sun's scorching rays.

\$140 REWARD BEING OFFERED for information leading to the arrest of the person or persons responsible for vandalizing trees and bushes at the Abernathy Cemetery. Pictured are bushes that were burned. (Review Photo)

Let The Rapid Roof System **STRETCH** Your Roofing Dollars

Save time and energy with RAPID ROOF®
Conklin's RAPID ROOF® is the elastomeric roofing system made to weatherproof a variety of roof decking substrates. The lightweight, yet rugged RAPID ROOF® membrane is many times lighter than conventional built-in roofing. And, deck irregularities that might pose problems for sealed membranes are overcome with the RAPID ROOF® monolithic system.

Over new or remedial roofing, the lower installation costs of RAPID ROOF® allow you to invest in quality materials, not expensive labor. You'll also get superior heat reflectivity in natural white or choose from a variety of SHOW-NOTE™ decorative cover tiles.

The RAPID ROOF® system your shield against the elements. Interested? Write or phone today.
