VOLUME 61 NO. 33 (Serving Hale, Lubbock Counties) THURSDAY, JULY 1, 1982 U.S.P.S. NO. 003-340

4th Of July Celebration And Parade Saturday

The Chamber of Commerce sponsored 4th of July celebration and parade will take place this Saturday in downtown Abernathy.

A fun-filled day of events has been planned by several chamber committees. There will be games, contests and events for the entire family to enjoy all day Saturday.

Eastern Star Breakfast
The day will begin with the annual Eastern Star Country breakfast at the Masonic Lodge Hall from 6:30 a.m. to 9:30 a.m. The lodge hall is located at 715 Avenue E.

Bacon, ham, sausage, eggs, gravy, hot biscuits, cantaloupe, coffee and milk will be served. Everyone is invited for breakfast.

Contests
From 9 a.m. to 10 a.m. the frog jumping contest, turtle race and frisbee throwing contest will be held in front of City Hall. The horseshoe pitching contest will also begin at 9 a.m. and continue to 12 noon.

Parade
Those in the parade will gather in front of the school and the parade will begin at 10:30 a.m.

Floater to be in the parade include: Class of 1957, FFA and Young Farmers, Class of 1967, Music Club, People's Movement Organization, Struve's Department Store and the Arts and Crafts Association.

Members of the baseball teams will ride in the parade and the Abernathy High School band will play and march through the streets. The Church of Christ "Joy Bus" will be in the parade as well as many other business sponsored and individually sponsored vehicles. Youngsters will decorate their bikes and ride together in the parade.

Other Events
The pie throwing event will be held at 11 a.m. followed by the flag raising ceremony at 11:15 a.m.

The class of 1957 will have their reunion at 11 a.m. Kid's craft corner will be held from 11 a.m. to 2 p.m. in front of the Post Office.

The egg toss and water balloon toss will be held at 11:20 a.m. Everyone will enjoy a barbecue lunch prepared by H and H Catering of Abernathy from 11:30 to 1 p.m. It will cost \$5 per person.

At 1 p.m. the parade float and riding club winners will be announced.

The girl scout cake and pie auction will be held in the city meeting room from 1:15 to 1:30 p.m. followed by the Chamber of Commerce rifle drawing at 1:30 p.m.

Entertainment
Musical entertainment will be provided by the following groups, if they are able to make it: Attibury Band, Marvin Stephens, Schaap Brothers,

Jill Blalock and various quartets. The musical entertainment will begin at 1:35 and will continue all afternoon.

The class of 1967 reunion will be held at 6:30 p.m. at the city meeting room.

Booths
There will be many booths at this year's celebration including: Lions Club dunking board, girl scout troop 15 will have a snow cone booth; Abernathy girl scouts will have a coke and stuffed potatoes booth; the library will sell bismarks (a pastry) at their booth; the Baseball Association will have homemade ice cream; Booster Club - popcorn and lemonade; Methodist Youth - pony rides (they will also take pictures of people on the ponies); Music Club - sun tea and homemade ice cream; Abernathy girl scout troop 306 - face painting and balloons; Bethel Baptist youth - frito pie and baked items; Arts and Crafts Association booth; People's Movement - baked goods, hot dogs and watermelon; Assembly of God Church - donuts, fried pies, cookies, tea, kool aid, and coffee; Mount Olivias Church - Spanish food and Abernathy Boy Scouts - Pepsi Cola.

In the evening, a non-Chamber of Commerce sponsored street dance will be held at the Fire Hall from 9 p.m. to 1 a.m. The dance will cost \$3 per person.

Struve's Celebrates 70th Anniversary

Struve's Department Store is celebrating its 70th anniversary. Struve's opened its doors in 1912 and has continued in the same family hands for the past 70 years.

In recognition of their 70th anniversary, Struve's Department Store has a surprise for all parade watchers at the 4th of July celebration Saturday. Weather permitting, gift certificates worth \$5 each, for a total of \$350, will be dropped from a plane to be flown by Bert Pinson.

The parade begins at 10:30 and the gift certificates will be dropped between 10:15 and 10:30. Gift certificates will be easy to spot as they will have colored streamers attached to them.

THE ABERNATHY CHAMBER OF COMMERCE has high hopes that Santa Fe Railroad Company will grant the local depot to Abernathy. Under Santa Fe policy, the structure has to remain where it is for a period of one year after it has been closed. When a year has passed, the depot will either be removed by Santa Fe or given to Abernathy. (REVIEW PHOTO)

Abernathy Riding Club To Celebrate 30th Anniversary

The Abernathy Riding Club will celebrate its 30th anniversary this year as it was organized in 1952. The club will be riding in the July 3 parade and is host to other area riding clubs who will also participate.

The Abernathy Riding Club has not been the largest riding club in the area, but it has always tried to maintain family oriented activities and fun for all ages.

This year club members will miss

Robert (Pop) Garvin, but Will Calfin, Pop's great-grandson from Lubbock, will ride in the parade in honor of Pop. An empty saddle will be placed on Pop Garvin's horse in honor of Garvin. His horse will lead the club in the parade, since Garvin had been Parade Marshal for the 4th celebration for many years. M.D. Evans is Parade Marshal this year.

Everyone is invited to come ride any time with the Abernathy Riding Club.

ON THE COUNTY LINE

BY: KEITH TOOLEY

MEMBERS OF THE Class of 1967 will have a float in the parade Saturday and all 1967 ex-students should meet at the school by 10 a.m. They can find the float there Saturday and there will be room for all class members to ride on it in the parade.

EVERYONE SHOULD PLAN on attending the July 4th celebration and parade to be held in Abernathy Saturday. Many fun events have been scheduled by members of the Chamber of Commerce and the celebration of our independence should prove to be an enjoyable day in Abernathy.

DEPARTMENT OF PUBLIC SAFETY has estimated that as many as 47 persons could die in traffic accidents during this July 4th weekend in Texas alone. Be careful and make sure you are not one of the unlucky 47.

DPS statistics show that 63 persons were killed during the last 4th of July holiday and 25 of those fatalities resulted from accidents in which driving while intoxicated was a factor. Look out for those drunk drivers this weekend.

WORDS OF WISDOM
"Money talks, but today's dollar doesn't have cents enough to say very much." — Wynon Mayes

INNOCENT DUE TO INSANITY ... of course Hinkley was insane when he shot President Reagan. Anyone who tries to kill another person has got to be insane. But that is no excuse for what Hinkley did.

I agree that he definitely needs help and should be put in a mental institution. Leave him in there for however long it takes him to regain his sanity, then explain to him why he will have to spend the next 30 or 40 years in prison after he knows what he is in there for.

If they put him in prison immediately, he might not even know he is being punished, since he is mentally incompetent. Hinkley needs to be reformed to a state of mind where he can understand what he did wrong ... then be punished for it with a long jail term ... make that a long, long jail term ... I don't think he would make a great neighbor.

Hance Seeks Aid For Ravaged Farmers

U.S. Rep. Kent Hance, D-Texas, joined with fellow Texas Congressmen Charles Stenholm and Jack Hightower in asking Secretary of Agriculture John Block to restore federal disaster programs for hail-ravaged farmers on the High Plains.

In the letter, the three Texas Democrats noted that recent hail damage ran as high as 75 percent in some counties.

"To compound the losses suffered from natural disaster, most of these farmers either have no crop insurance or an inadequate amount of coverage due to the high cost of the greater yield coverage and other transitional problems," wrote Hance. "Time has dealt a further blow to the farmer since it is now too late for the cotton farmers to replant and must now plant grain sorghum or soybeans, neither of which have a base yield established or will be eligible for any program benefits."

AHS Band And Exes Needed For Parade

Abernathy High School Band members and exes will once again be needed to march in the 4th of July parade.

Present, past and future members of the high school band are urged to come be a part of this event.

The band will practice for the parade Friday evening at 7:30 p.m. for about one hour, and also at 9 a.m. Saturday morning before the parade at 10:30.

Those who will need an instrument for the parade should contact George Riddell at 298-2258.

Farmers Forced To Replant Again

Abernathy area farmers were forced to replant their crops once again as rough wet weather continued to pelt young cotton fields last week. The rains destroyed most of what was left of the crop that had survived previous storms.

Many farmers are replanting for the second, third or even fourth times. It was predicted that 80% of the farmers in this area will have to replant something on their farms. Most farmers are purchasing grain sorghum and soybean seed, since it is too late to replant cotton. One grain elevator reported that a little cotton is still being replanted even though it is late in the season.

It was estimated that 70% of the wheat crop has been destroyed by the wet conditions lately. Before the storm, a local grain elevator had received loads that registered 20 bushels on dryland and 40-60 bushels on irrigated. The elevators expect to get some wheat this week, but what might have been a good wheat crop, will not be harvested. The present price for wheat is \$3.35 a bushel.

Farmers have lost anywhere from \$25 to \$70 an acre, depending on if

CAR ON FIRE ... the pictured station wagon, driven by Gilda Ramos, caught on fire at approximately 8 a.m. Monday morning on the east 87 service road. Pictured are Abernathy firemen extinguishing the blaze under the hood. (REVIEW PHOTO by Manny Martinez)

Class Of 1957 Reunion Sunday

The Abernathy High School graduating class of 1957 will have its 25 year reunion this weekend. Members of the class, parents, teachers, and

friends are invited to come visit Sunday afternoon, July 4, at the home of Mr. and Mrs. Jimmie Davis.

THIS COTTON PLANT SURVIVED THE STORMS, BUT IT WILL NOT LIVE TO BE HARVESTED.

TOTAL FOR MONTH			3.87

Rebates Improve As Year Continues

State Comptroller Bob Bullock Monday sent checks totaling \$35.5 million to 966 Texas cities as their share of the one-percent city sales tax for June.

"These monthly rebates are keeping ahead of last year's payments," Bullock said. "With 1982 half over, they are nearly 14 percent higher than the amount we had paid by this time last year."

Many of the towns in this area are showing at least slight drops in sales from a year ago.

Abernathy will receive a check for \$2,470 this month. This brings Abernathy's total for 1982 to \$22,726, down 16.86 percent from last year.

Hale Center will be rebated \$708 for June making their total \$14,484, up 3.99 percent from last year.

Lockney will receive \$1,949 making their total for 1982 \$20,445, off 1.47 percent.

Petersburg showed one of the biggest decreases receiving no payment this month making their total \$9,350, a 27.67 decrease compared to 1981.

Floydada will receive \$4,242, bringing their total to \$45,404, up 4.12 percent.

Tulia will be rebated \$5,572 making their total payments \$58,353, down 6.82 percent.

Olton will receive \$974, bringing

their 1982 total to \$20,961, down 4.78 percent.

The city and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

Griffin Receives Degree

Sharla is a 1981 graduate of Abernathy High School.

Manning-Reeves Engagement Announced

Mr. and Mrs. Curtis Manning of Brownwood, announce the engagement and approaching marriage of their daughter, Bridgett, to Robby Reeves of Abernathy. Robby is the son of Dorothy and Charles Harris of Early, Texas and Raymond Reeves of Dumas. He is the grandson of Harold

and Isabell Davis of Abernathy.

The wedding will take place July 2 at 8 p.m. at 2401 Monticello in Brownwood.

Following the wedding, Robby and Bridgett will live on Route 2, Abernathy, and he will farm.

Bridgett Manning

BIRTHS

Mr. and Mrs. Arnulfo Sonny Dominguez are proud to announce the birth of their daughter, Stacey Lynda Dominguez, June 16 at Hi-Plains Hospital in Hale Center.

She weighed 9 pounds 2 1/2 ounces and was 22 1/2 inches long at birth.

Mike and Jan Skipper are the proud parents of a daughter, Michele Lyn, born June 27 in Wilmington, Delaware. She weighed 7 pounds and 1 ounce. The parents are serving in Africa and returned home to have the baby.

Grandparents are Mr. and Mrs. Billy F. Skipper of Abernathy.

Mike, Jan and Michele will be coming to Abernathy in August to visit his parents before returning to Africa.

Those To Remember

Bill Houston is in St. Mary's Hospital.

Mrs. J.W. McReynolds in Methodist Hospital.

Grace Sharp in Methodist Hospital.

Barbara Teakell in Methodist Hospital.

Billy Skipper is home after surgery last Thursday and he is doing fine.

Mr. Hugh Pettit will have hip surgery this week.

First Baptist Has Reception For The Riddles

The First Baptist Church had a reception for Rev. Lloyd and Mrs. Riddles Sunday night, June 27 after church services. The reception was held in fellowship hall in recognition of their 3rd anniversary.

Edna Skipper, Joyce Connell and Charlotte Carter made preparations for the reception.

The Young people had a part in the church service and Scott Wells, song leader, sang at the reception.

Kathie Ellis and Rita Williford performed a comedy skit. A pounding and love offering was presented to the Riddles.

Society

Housewarming For Marsha And Jerry Sanders

Mr. and Mrs. Jerry Sanders have recently moved to their new home on 1st Street.

Saturday night at 7 p.m., a group of their friends gave them a housewarming. Hostesses for this event were: Don and Jeannie Lloyd, Dean and Jan Wesley, Brother Ken and Jan Horn,

Eldon and Ruby Benton, Donnie and Carolyn Hearn, Jim and Karen Thomas and Bob and Nadine Rogers.

Thirty-five people attended and enjoyed the fellowship. Cookies and punch were served.

A gift of cookware and an electric can opener was given to the Sanders.

Rhonda Hunt Honored With Bridal Shower

Rhonda Hunt, bride-elect of Mike Baker, was honored with a bridal shower Saturday, June 26, in the home of Mrs. Jimmie Davis. Hostesses for the occasion were

Mrs. Lewis Lutrick, Jack Lane, C.C. Williams, Billy Shipman, Ben Appleton, Harold McCune, Charles Hobgood, Coy Phillips, A.L. Stone, and Jimmy Davis.

Georgia Bartlett Demonstrates Painting Techniques At Portland

Mrs. Georgia Bartlett returned to Abernathy Monday from Portland, Oregon. Georgia was the guest of the publisher of her book "Fancy Flowers" where she demonstrated her painting techniques to other

authors and artists. She left Abernathy last Wednesday and flew to Portland.

Georgia will be going to Memphis, Tennessee in August for a similar program.

TAKE CARE OF ZIP-PERS on clothing to prolong their usefulness, says Alma Fonseca, clothing specialist with the Texas Agricultural Extension Service.

Always close zippers after use—and before washing—to prevent misalignment.

For balky zippers, try rubbing with beeswax, candle-wax or zipper lubricant.

Repair frayed tape edges promptly—look for fraying at the top or bottom of zippers where they meet the garment fabric, Fonseca says.

The U.S. Army adopted olive-drab for winter service uniforms in 1902.

The Leaning Tower of Pisa has tipped an additional foot in the last century.

Abernathians Attend Southern Baptist Convention At New Orleans

Mr. and Mrs. Ken Horn and Mr. and Mrs. Lloyd Riddles attended the Southern Baptist Convention in New Orleans, Louisiana, June 14, 15 and 16.

Mr. and Mrs. Lloyd Riddles, and their son Corey, left June 11 for

Wichita Falls and spent two days with Lloyd's mother and father, Elmer and Bertha Riddles. Wichita Falls is home to Lloyd and Shirley as they were both raised there.

Mrs. Riddles has a brother in Wichita Falls, William

Sampson, and she talked to him on the phone while they were there.

The Riddles and Corey came back by way of San Antonio and Austin. They toured the capitol and saw the Alamo while they were there.

Great Society Homemakers Meet

The Great Society Homemakers Association met at the Abernathy Methodist Church to view the film, "Acquiring Excellence."

Mrs. L.A. Suttle led the group in discussion of the film. The lesson was on citizenship. Dan Rather, CBS commentator, interviewed Jesse Jackson on

this film. Jesse told Dan that church, home and school must work together to help children acquire excellence. We must recognize that we have duties, rights and privileges and equal attention should be given to each.

The Abernathy Public Library furnished the film.

Mrs. Suttle was hostess for the meeting. She served a French Torte and coffee.

This is the last meeting until September 21. Those attending were: Alice Pace, Eloise Marcz, Juanita Brantley, Maybell Glass and Imogene Suttle.

Visitors In The Home Of The Bell's

Guests in the home of Mr. and Mrs. M.M. Bell were their grandchildren, Mr. and Mrs. Lee McCall of Odessa last weekend.

Richard Riley Pillans, great-grandson of Mr. and Mrs. Bell, spent last week with them and attended Vacation Bible School held in the United Methodist Church.

Mrs. Bell says she wishes to thank each and every one that helped in anyway with

the church school as it was a lovely experience for Richard. She expressed

special love and appreciation to Nancy Craig, Mike and Jodie Schaaap.

ATTEND ABERNATHY HOUSES OF WORSHIP

Weekly Devotional

"See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven:

Whose voice then shook the earth: but now he hath promised, saying, Yet once more I shake not the earth only, but also heaven.

And this word, Yet more, signifieth the removing of those things that are shaken, as of things that are made that those things which cannot be shaken may remain."

Hebrews 12: 25-27

We may not notice it all the time, but change is always going on around us. In a bright and happy experience, we say, "I wish this moment could last forever." It cannot! We say when things all seem to be going our way, "I hope this never changes." It will! Almost always when we say such things we are thinking of something pleasant and familiar. We are creatures of habit. We all like to move amidst familiar surroundings, among people we know and understand. When some sudden shift forces us into

new circumstances or requirements, we bristle and we complain. The new and the strange irritates us, unsettles us, leaves us feeling nervous and apprehensive.

Many things in our life may be shaken, and the testing of many souls may be seen in many conditions. Health can be shaken, for we watch the decline and disappearance of our friends around us. Prosperity can be shaken, as we have observed people flourish for a while and then come upon hard times. Popularity and influence, no matter how

broad it is, can be shaken, for we have seen popularity one day then completely forgotten the next.

While virtually everything we as earthly can name may be shaken, the Lord does not change. To Him sin is always sin. His mercy is from everlasting to everlasting. He regards no "statute of limitations". Jesus has said, "to him that cometh to me I will in no wise cast out." Jesus is the Foundation, the Rock that can never be shaken or moved.

Pest Management Report

Cotton
Rains and hail continue to vex the cotton crop. Major hail losses were reported east and south of Hart. Cotton is looking a little better than last week, but plant growth has been slow. Plant height has been stunted by seedling disease, wet weather blight (Ascochyta), thrips and cool temperatures. Many fields are now in a stage where a few plants in the field can be found with pinhead size squares. The most squares found on a single plant has been four. Plants with nine and ten nodes are still only 4 to 6 inches tall. Thrip populations are

variable ranging from 0 to 14 per plant, with most fields averaging 2 to 5 per plant. Damage from thrips was reduced compared to previous weeks. The new leaves in the terminal area show little effects from the thrips such as leaf curl and blackening of the terminal bud. Fields should be scouted for fleahoppers, as cotton begins to square. Fleahopper adults are about 1/8" long and pale green in color with four dark spots on the posterior of the forewings. The immature stages of the fleahoppers are called nymphs. The nymphs look

very similar to the adults except they are smaller and wingless. Both the adult and nymph fleahoppers have needle-like mouthparts which they use to pierce plant tissue and suck sap. Fleahoppers are generally found in the terminal of the cotton plant where tender plant tissue is located. Since the terminal is where square initiation takes place, the fleahopper can cause excessive damage to pinhead size squares. When small squares are damaged they turn black or yellow and fall from the plant. In a year like this it is very important to set early squares, so

fields should be monitored closely for this pest.

Corn
Recent rains have kept corn growing at a rapid rate. Corn earworm whorl feeding can be found in all fields, but it is nothing to be alarmed about. Spider mites have been reported along field margins next to wheat. Southwestern corn borer (SWCB) activity is light to nonexistent in most fields. Scouts observed freshly laid eggs as late as Friday. Eighty SWCB adults were collected in one light trap in the Edmonson area for the period of 6-16-82 to 6-22-82. The range of larval maturity based on 63 larvae collected from one field on 6-18-82 was 22 percent 1st instar, 60 percent 2nd instar, and 17 percent third instar.

Grass stains can sometimes be removed from clothing with just a few drops of rubbing alcohol.

LUBBOCK, Friday, June 25, 1982

An urgent telegram from Lubbock-based Plains Cotton Growers, Inc. to Secretary of Agriculture John Block tells the sad story.

Asking that appropriate action be taken immediately, the wire advised the Secretary that "Hail, rain, wind and cold temperatures have destroyed an estimated 1.5 million acres of High Plains cotton," and that such "unprecedented losses and the pre-existing financial plight of producers clearly justify activating the disaster payment program authorized in . . . the 1981 farm law."

Copies of the telegram went to 22 representatives, Texas Senators and to House Agriculture Committee Chairman Kika de la Garza.

Putting the disaster program into effect would mean more and possibly quicker income on lost crops and crops not planted because of insufficient moisture, and also would provide additional income on weather-damaged crops yielding less than 75 percent of the farm's payment yield.

Without the disaster program the farmers who planted cotton, whether or not it is harvested, could expect target price payments of from 10 cents to 13.92 cents per pound times the farm's payment yield, the actual payment rate depending on the average price paid to all U. S. farmers for all cotton during the 1982 calendar year.

Disaster provisions of the 1981 farm law under a given set of circumstances permits the Secretary to pay producers who were never able to plant or whose cotton has been destroyed 23.67 cents per pound times 75 percent of the farm's established payment yield. This payment could be made as soon as calculated, and the same farmers later would be eligible for the target price deficiency payment times the other 25 percent of their payment yield.

Crops carried to harvest under the disaster program would be eligible for 23.67-cent per pound payment times the difference between actual yield and 75 percent of the payment yield, plus the deficiency payment rate on that portion of the payment yield not receiving a disaster payment.

"Secretary Block has agreed to send one or more department officials to see for themselves the sorry state of our crops," notes PCG Executive Vice President Donald Johnson. "And, thanks to the National Cotton Council we have the full support of every segment of the industry, so we are encouraged that the Secretary may be persuaded to use his authority to give us as much relief as possible within the limits of the law."

On other fronts, emergency federal loans are being sought for farmers through the FMHA and by way of asking the President to designate the High and Rolling Plains as disaster areas.

"Relief from all these sources and more is going to be necessary to forestall economic convulsions more severe than any ever seen before in the agricultural sector," Johnson said, "and we can only hope that federal officials will recognize this fact and act accordingly."

Roger Ray Attends Golf School

Roger Ray, son of Mr. and Mrs. Wayne Ray of Abernathy, has just completed a two-week course with Jessie Haddock Golf School at Wake Forest University in Winston Salem, North Carolina. He returned home Saturday, June 26.

Roger is a senior at Abernathy High School. He

met people from all over the United States and France. There were forty enrolled in the golf school and Roger finished fourth in the school.

Roger Ray

DO FAMILY AFFAIRS affect work output?

Conditions that affect the stability of American families do have an impact on family members' work productivity, says Diane Welch, a family life education specialist

Farm Crisis Act Defeat A Disaster

WACO, TX, June 23, 1982
The Reagan Administration and the Congress sent notice to the American farmer they are willing to pull the life preserver away from a drowning man by failing to pass the Farm Crisis Act," charged Mike Moeller, President of the Texas Farmers Union.

The Farm Crisis Act, designed and supported by a bipartisan coalition in Congress, would have increased currently depressed commodity prices while reducing supplies of grains and cotton. However, the measure failed to pass the House Agriculture Committee last week in a 21 - 21 tie vote which saw several of the Republican co-sponsors of the bill against the legislation.

"Farmers are suffering more in 1982 than they have in any year since the Great Depression, that is well documented," noted Moeller. He commended Congressmen Tom Daschle (D-S.D.) and Kent Hance (D-Tx) for sponsoring the bill and the other members who joined with them in the emergency legislation. The bill was opposed by the Reagan Administration and Agriculture Secretary John Block

who personally appeared at the hearings to testify against the Farm Crisis Act.

The proposed legislation would have given wheat, cotton, rice and feed grain farmers the option through a national referendum to take acreage out of production and subsequently raise the price of their commodity. The Congressional Budget Office estimated the program would have actually saved about \$900 million in storage and price support payments over the next four years.

"The Reagan Administration talks about reducing supplies and increasing prices for farmers, but when we come up with a plan to do just that and actually save the government money, they oppose the measure," Moeller said. "They are going to have to come up with some alternative plan to the Farm Crisis Act if they expect family farmers to remain in business over the next few years."

The agriculture industry, along with other basic industries such as housing and automobiles, are going to have to improve if the nation is ever going to arouse from the economic doldrums. "Otherwise, without rectify-

ing legislation, we can look forward to another harvest of red ink this year and more family farmers going out of business in record numbers," Moeller concluded.

BANKER VIEWS FARM CREDIT SITUATION: A senior vice president of Crocker National Bank, San Francisco, told participants at the recent National Cotton Outlook Conference the federal government's financing in agriculture is likely to be scaled down while steady deregulation of the banking industry could permit increased credit for the farm sector.

Wayne E. Loucks stated, "While deregulation of banking may result in higher cost of funds at any point in the business and credit cycle, at least it will allow bank to obtain money even under the tightest conditions and make that available to borrowers.

"To get real interest rates down," he added, "will require a steadier monetary policy. A sizable reduction in the federal deficit is most important."

The conference was sponsored by the Cotton Foundation in cooperation with the National Cotton Council.

Loucks also noted that farm credit over the past two years has been reduced. He said that when farm credit was growing steadily at the end of the last decade banks and federal agencies equally shared the market. In 1981, banks and other private sector lenders accounted for only 21 percent of the market.

Loucks expects a recovery in interest rates in the second half of the year, based mainly on improvement in the consumer sector. He

cautioned that, even under the best circumstances, the decline in interest rates would be slow and irregular to a probable 14 percent by the end of the summer, but then rise to around 15 or 15.5 percent by year-end.

THE MONTFORDS

(Mindy, John T., John R., Debbie, Melonie)

Happy Independence Day!

I would like to take this opportunity to wish you a safe and happy July 4th holiday and to thank you for electing me your Democratic nominee for the Texas State Senate, District 28.

Let me encourage you to take time during this important holiday to reconsider the valuable freedoms we enjoy in these United States and here in West Texas. I would also challenge you to join with me in seeking to establish a strong effective voice in the State Senate for the people of West Texas.

Sincerely,

John T. Montford

Hamersley Assumes Lions Leadership

The Shallowater Lions Club installed new officers June 25. Special guest for the evening was Billy Fisher, past district governor of district 2T2 and present Director of the Crippled Children's Camp at Kerrville.

Officers installed for the coming year by Fisher were: Lion Boss, J.W. Hamersley; 1st vice-president, Barry Randolph; 2nd vice-president, Billy Jungman; 3rd vice-president, Gary Ivey; directors, Carey Gooch and Bill Burgett; tail twister, Doug Rowden; Lion Tamer, Arlice Wittie; treasurer, Joe Randolph; secretary, Dick Kohler.

Also present were the Lions Club princess Sunshine Saunders and her parents Mr. and Mrs. Shelby Saunders.

Providing entertainment for the evening were Don and Nancy White of Lubbock. The Whites are well known local entertainers who played a little of everything from country to rock and roll. They will be appearing at the Elk's Lodge July 17 and are available to play private parties.

The seriousness of the occasion was frequently overshadowed by the well-known shenanigans of the Lions. Several door prizes were given and

most people who have attended Lions Club meetings before accepted them a little hesitantly. This time however, no rubber snakes jumped out of boxes as has happened in the past.

The lovely centerpiece, which was won by Matt Luttrell, was provided by the new Shallowater Flower and Gift Shoppe.

The meal was catered by Hill Top Bar-B-Que. Most of the Lions did their best to see that no food was wasted.

Outgoing president Mike Luttrell expressed his appreciation to his fellow Lions and his wish for continued success by the club.

(MUSEUM cont. from p. 1)

and volunteered the use of new equipment for the opening to provide contrast between old and new.

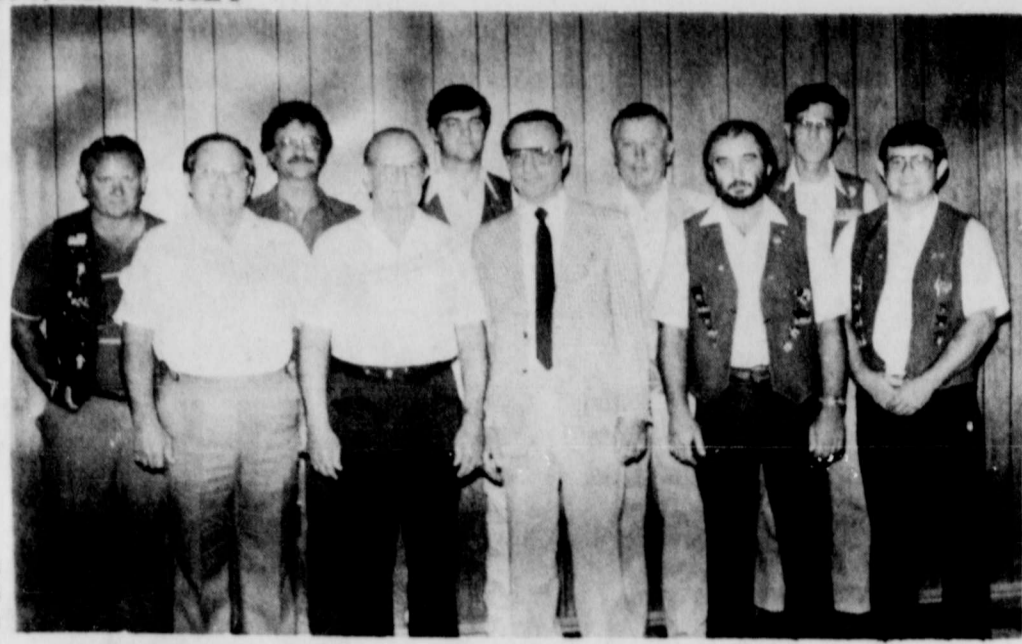

Since the dedication and opening of the Lubbock County Museum on June 6, 1976, thousands of farmers and city dwellers and their families have come to Shallowater to look and marvel at the scores of tools and implements of our agricultural past, brought together for a permanent outdoor display located west of Shallowater Park. These same people have also enjoyed specu-

lating the use of various pieces of farm equipment in the Museum's storage lot north of FM 1294 about two blocks east of the Santa Fe Railroad.

In addition, to maintain the museum display and storage areas in Shallowater the County is collecting a wide variety of printed materials and photographs for a farm equipment archives; and the Museum is continuing its effort to secure donations for additional selected pieces of machinery in the area of the Southwest.

lating the use of various pieces of farm equipment in the Museum's storage lot north of FM 1294 about two blocks east of the Santa Fe Railroad.

THE LIONS CLUB recently installed new officers for the coming year. Back Row: Doug Rowden, Billy Jungman, Barry Randolph, J.W. Hamersley, Dick Kohler. Front: Ray Howell, Carey Gooch, Billy Fisher, Gary Ivey, and Arlice Wittie. (REVIEW PHOTO)

Trojans And Parents Enjoy Cookout

A good time was had by the kids of the Trojan Minor League baseball team and their parents Saturday, at the Community Center. Eating was preceded by an enjoyable baseball game of team vs. parents.

Unofficially, the team had five wins and no losses during the season, but as Coach Owens said, "That was secondary to the good sportsmanship displayed by team members throughout the league. Fun and team spirit was the main ingredient stressed to the kids."

Parents and the kids attending were the Wilsons and Jay, the Valverdes and son, Jr., Glenn Perry and Brandon, Michael Mann and family, the Powes and Kelly, Leslie Sherman and parents, the Scates and their son, Bobby, along with Frank and LaRue Owens and son, Vince.

LaRue presented each of the kids with a ceramic baseball glove as a token for the work displayed and enjoyment provided by team members. Carolyn Mann baked and decorated a beautiful cake in recognition of the kids. Coach Owens said, "Attaway parents! Our greatest asset is our kids. Let's do it again next year."

Grimes-Boyer Engagement

Mr. and Mrs. Bert Grimes announce the engagement and approaching marriage of their daughter Debra Ann to Mr. Rodney Lynn Boyer.

Rodney is the son of Mr. and Mrs. Garry H. Boyer of Fritch. Debbie is a graduate of New Home High School and Texas Tech University. She is teaching home economics at Canyon Junior High, Canyon.

Rodney is a graduate of

Sanford Fritch High School, attended Texas Tech University and is a graduate of West Texas State in Industrial Arts Education. He is presently working in Amarillo for Santa Fe Energy Company as a Drafting Technician.

The couple is planning a July 31 wedding at 2 p.m. in the First United Methodist Church in Canyon. All friends of the couple are invited to the ceremony.

fast. Chuck then stayed to help with the highlight of the trip, the compass reading treasure hunt. First the two patrols had to decipher their directions, which were written in Morse Code, then follow the compass reading to find the five ribbons, color-coded for each patrol. After 1 1/2 hours of fun and frustration, the Panther patrol won the contest.

After lunch was served at noon, the camp was broken up, and the troop hiked back to town, and arrived at the church by 1:30 p.m. After spending the first weekend evening in several weeks under stars with no rain, we felt sprinkles of rain about 2 p.m. Saturday, just 1/2 hour after the trip was completed.

The boys were all ready for another overnight trip just as soon as they could convince their leaders to say "yes" again.

As many as 90 couples of social weaver birds, who live in Africa, may join together to build a huge community nest a bird version of the modern apartment house.

Shallowater Boy Scouts Camp Out

Shallowater boy scout Troop #515 met at the First Methodist Church at 6 p.m. Friday, for an overnight campout at the Crump pasture west of town. The following five boys participated in the activities: Brian Cole, senior patrol leader; Hawks patrol leader, Tommy Hoy and member Paul Aylesworth; and Panther patrol leader Kevin Gravett and member Scott Thompson.

The activity began with a hike from the church to the pasture with Scoutmaster Larry Dav. As they hiked down the highway with full back-packs and their scout banner waving proudly in the breeze, numerous truckers sounded their salutes. J.O. Thompson, assistant

scout master joined the group at the pasture with the heavy gear.

By 9 p.m., the tent was up, camp was set, the fire was ablaze, and the potatoes were cooking the coals below. Some thought that a 10 p.m. supper was a little late, but all agreed that dishes at 10:30 p.m. were impossible. However, after achieving the impossible, all were participants in the ghost stories before bedtime.

Apparently it was the anticipation of camp coffee that drew the crowd in the morning, because by 8 a.m. Tommy Powe, committee chairman, along with Chuck Hoy and Fred Cole, committee members were there to join the troop for break-

HAPPY BIRTHDAY LICHELE

Debra Ann Grimes And Rodney Lynn

OUR PEOPLE MAKE THE DIFFERENCE

People like Dr. Victor Igal. Dr. Igal has been a physician since 1958 when he graduated from Tulane Medical School in New Orleans, Louisiana. Dr. Igal is more than a physician - he is a businessman and farmer. He managed the IBM Farm in Hereford, Texas which included 2400 acres of irrigated land and 2,200 head of cattle from 1968 to 1975. He has other farming and oil interests, and stays current in all phases of business.

Dr. Igal is one of the founders of University Hospital in Lubbock, which is now known as South Park Hospital.

Dr. Igal and his wife, Edith, have two daughters and a son and he has been a very popular addition to our Board of Directors.

Come get acquainted with Victor and you will know why we say our people make the difference.

WORD of GOD

For those who want peace:

Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth

in thee.

Isaiah 26:3

My son, despise not the chastening of the Lord; neither be weary of his correction:

For whom the Lord loveth he correcteth; even as a father the son in whom he delighteth.

Proverbs 3:11, 12

DODGERS — Back Row: Jimmy Lamb, Joe Johnston, Gary Evans, Bryan Hunt, Ben Johnston, Lynn Harrist. Middle Row: Nathan Gutschke, Jimmy Womack, Scott Hurley, Rene Contreras. Front Row: Grayson Harrist, Stacy Scoggins, Arther Contreras.

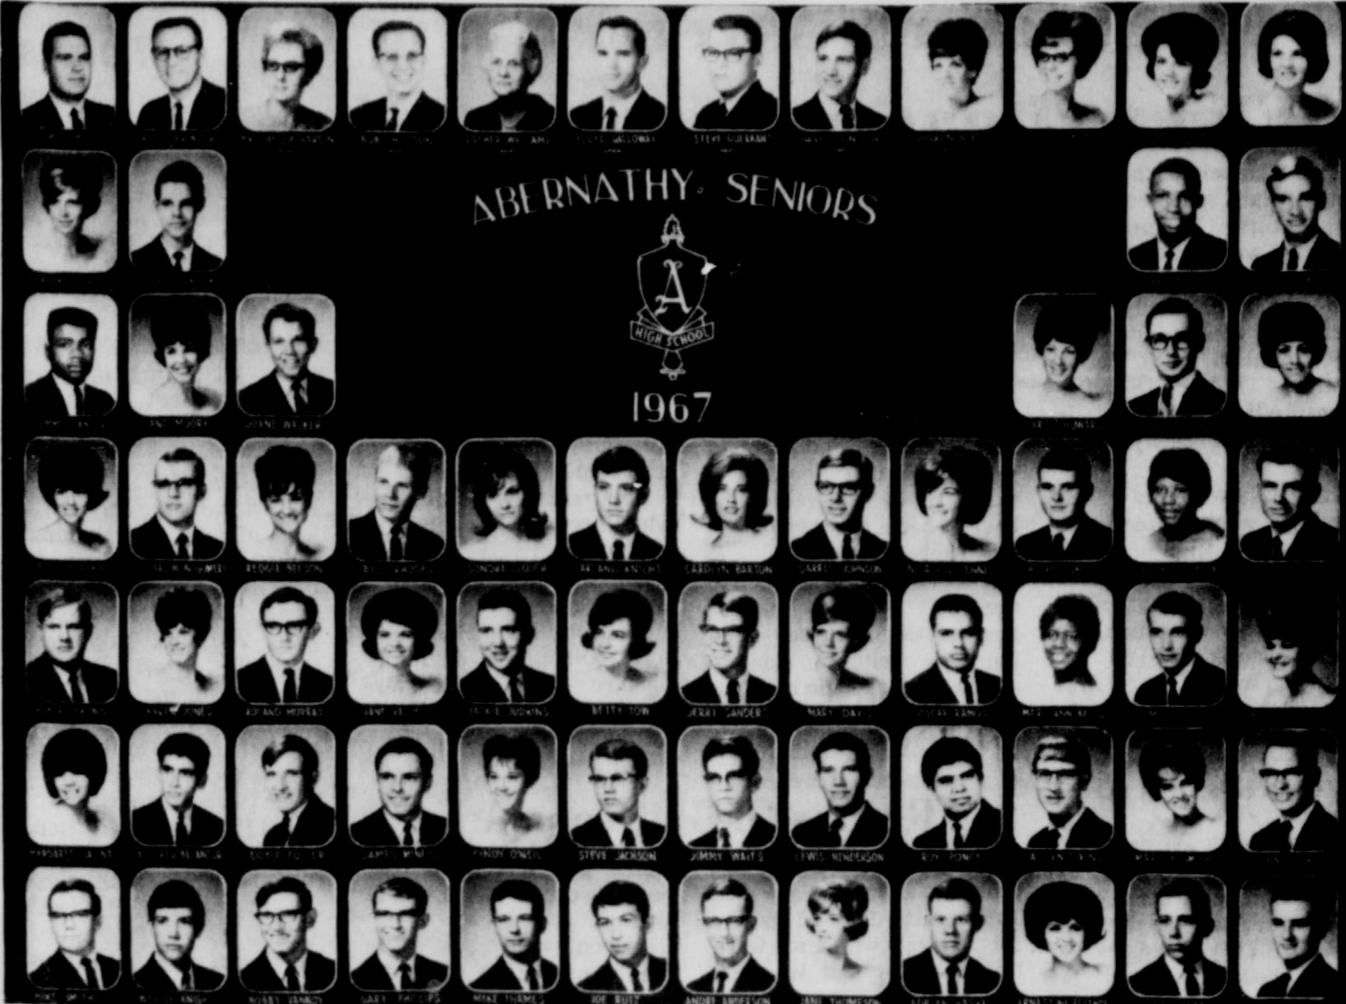

to stay home the day before I left and I said "of course" I gotta pack.

Saturday morning, June 5, I was fooling around putting in last minute things in my suitcase and the doorbell rang. Dee Moralez, and daughters Deena and Lori were at the door. Dee had called and said she wanted to use my typewriter before they left. She sat down and I thought to myself she did not bring anything to type, and also her mother was with her, Mrs. Molly Valdez. I said, "The typewriter is ready." She said well, I called my sis Kathy and told her to type for me and she will be over in a minute.

The doorbell rang again and in came Mrs. Mayna Davis and her daughter-in-law Jackie Davis who was visiting here from Dallas. I thought "something was in the air" by then and I turned to Dee and Molly and said, "What are you all up to?" They kinda grinned. Here came Mary Lynn Rice and Jeri Floyd with coffee cake and coffee and Mayna and Jackie had some donuts and here came Fauncine Horne. So it turned out to be a farewell party for me ... gee, I was elated, but I lived over it.

Bobbie Embry gave me a diary to keep, Mary Lynn brought the cosmetic bag and Jeri filled it with cosmetics in tiny plastic bottles to carry in my bag easily without breaking. She also made a map England, Scotland and Wales with Alaska and Hawaii attached to show all the places I had been or would be by the time I returned home ... Fauncine Horne had a book for me to give to the people in Wales that we were to visit showing and telling "How Texans Talk." (I gave it to them and they got a bang out of it) (I could not understand their talk either.)

Mayna and Jackie Davis gave me a rain coat and galoshes (how did they know it rained all the time in England?) then in came Coatna with gold earrings for my pierced ears to wear in England so I would not have to change them every day as gold will go with all

"WELCOME CLASS OF 1967" to the Reunion Saturday night at 6:30

colors. We have coffee and coffee cake and donuts and they all gave me a farewell with a big hug and to "have fun." I still say I could not live without friends and especially the County Line bunch ... they are the best. Dee and Molly brought a t-shirt with Texas map. Eloy and Dee Moralez would not let us park our car at the airport ... they insisted that we let them take us Sunday morning. So we arrived at the airport at 11:30 and checked baggage, caught the 1:10 a.m. plane for Dallas and got in Dallas at 2:00 p.m. and ate lunch in the Ft. Worth-Dallas airport. On the plane from Lubbock to Dallas we met a couple by the name of Mr. and Mrs. Jerry Lott from Post, Texas and they were on their way to Africa to see and observe the new grazing methods. They are ranchers and farmers in Post. That is the best part of travelling is meeting new people and talking to them. --to be continued

Moisture For Brush Control — Mesquite and other brush can best be controlled with liquid herbicides in spring and early summer when soil moisture is favorable and the brush is making rapid growth. Mesquite is best controlled after the leaves have fully extended and have turned from light to dark green, notes a range brush and weed control specialist with the Texas Agricultural Extension Service.

County Line Chit Chats

By Faye Ann Nelson

While in Arizona two years ago, we stopped for lunch in this cafe just across the line from California. We hadn't been there but a few minutes when we saw these two big tour buses pull up and all of these English people piled out to eat lunch.

We had a table for four and a couple came by and I said, "you can sit here," as there were no more seats. Naturally we got to talking and they said that they were from South Wales, England. We were told that they had taken this tour and got on it in London and would not stop until they landed in San Francisco, California. They said they were so tired. Their first bus tour was that morning, after they had landed at 2 a.m. early that morning, and so they did not get much sleep and were suffering from "jet lag." We visited and talked and exchanged addresses.

We have been corresponding for two years.

In nearly every monthly letter, they would invite us over to see England and to stay with them in Wales. We never ever thought we would go that far to see someone. But one day Wayland read their letter and he said, "Let's go to England." I was shocked. I did not think he really meant it, but he started planning.

We wne to Gene Linn Travel Agency and he fised us right up with a tour for two weeks. We started getting our passports in March, as it takes quite a while to get them. I applied at the Post Office and they did not take my birth certificate, so we went on to the Federal Building and they took it without question. Don't know why.

We had plans to go visit our friends in Yuma, Arizona so we flew out to Phoenix and took a bus to

Yuma, Ariz. We stayed a week with them and then rode the bus back to Phoenix where we spent the night. We caught the plane back to Lubbock from there.

When we got home, our passports were here so we started planning the big tour to London. We took the "go as you please" tour. That way if you get up and want to take a tour on a bus, boat, train or plane, you do it on your own. I was kinda' scared at the thought of doing things on my own in a big city of 18,000,000 people. But you play it by ear and people are so helpful that you need have no fear.

I am always the one in County Line who pulls the surprise get together but I think I have some competition now. The community gals really did surprise me ... Saturday morning with a going away party. I told them I was coming back. They nearly caught me in my P.J.'s and I had to dash in bedroom and make a quick change to my jeans and shirt. I knew they all kept asking me what day I was leaving and was I going

FFA Students Attend Farm Electrification Workshop

Two members of the Abernathy High School chapter of Future Farmers of America were among the 82 FFA boys—and one FFA girl—who successfully completed a course in farm electrification at a Southwestern Public Service-sponsored workshop in Amarillo, Wednesday (June 16).

Lane Nelson and Scott Wesley, accompanied by Abernathy High School vocational agriculture teacher Jim Crites, attended the three-day workshop, the 20th sponsored by SPS.

This was the first SPS-FFA workshop ever in which a girl was a student. She was Kathy Karber, a Booker, Texas, high school senior.

The students learned how to wire buildings, how to build and use electric controls, or how to build electric motors. They also were taught how electricity is made, and first aid and safety tips.

Five students were selected by the workshop faculty as winners of trips to the National FFA convention in Kansas City, Mo., in November. SPS will pay the students' expenses. The top students were Max Hector of Frenship High School, Dennis Stuart of Mobeetie High School, Kelly Kunka of Follett High School, David Abell of Ralls High School, and Kynan Sturgess of Dumas High School.

Berl Springer, Chairman of the SPS Board of Directors and Chief Executive Officer of the Company, presented awards Wednesday to the five trip winners and to the other students who successfully completed the workshop.

The students came from 42 Texas communities, from Guthrie, Okla., and Clovis, Roswell, and Tucumcari, N.M. Workshop administrators were assisted by three students: FFA Area One president Tom McDonald of Texline, and Area One vice presidents Bret Whitten of Bovina and

Patrock Railsback of Idalou. Five vocational teachers paid by SPS taught the three courses. They were assisted by 21 adult FFA advisors and by SPS personnel.

The "Farm Wiring" course emphasized safe and efficient wiring of two- and three-way switches, proper wire splicing, and how to make a meter loop. The skills can be used in homes, barns, sheds, or other places electricity is needed.

Students in the "Electric Controls" course learned how to tie in three- and four-way switches, how to set up photoelectric cells for automatic lighting, and how to set up two- and three-pole

relays. The "Farm Motors" course taught students how to operate, repair and build small electric motors.

Tuesday afternoon the students toured SPS's Harrington Station, a giant coal-fired power plant at Amarillo which has a generating capacity of 1,122,000 kilowatts.

Southwestern Public Service primarily provides electric utility service to a population of more than 1 million in a 45,000-square-mile area of the Panhandle and south plains of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle, and southwestern Kansas.

Results Of Golf Tourney

The Abernathy Country Club had a Jack & Jill Golf Tournament June 26 and 27. 1st place winners were Dana Bryant and Waymon

Jones; and 2nd place winners were Wayne and Sherry Ray.

Sixteen people played in the tournament.

Events Slated At Country Club

The Abernathy Country Club will have a fun-filled holiday July 3. At 4 p.m., there will be a Florida Scramble, swim races, ladies long-drive contest,

ladies putting contest and a school-age putting contest.

After all these events, a hamburger supper will be served.

This and That

By Helen Wade

As we approach the July 4th holiday, I am thinking back to a July 4th several years ago. This holiday has a double meaning to my family. It is not only the birth of our country, but also the birthday of our daughter, Janet.

Mr. and Mrs. Bob Pettit, and daughters Kay Lynn and Melissa of Manama, Bahrein, are visiting his parents, Mr. and Mrs. Hugh Pettit of Abernathy. Mrs. Margaret Bilbrey of Carlsbad, New Mexico, was in the home of Mr. and Mrs. Hugh Pettit last weekend. Mrs. Bob (Elaine) Pettit is a her daughter and she came to visit all of them.

Bob Pettit works for Halliburton Oil Company in Bahrein; this is a small island off the coast of Saudi Arabia. Mr. and Mrs. Bob Pettit are AHS graduates. Mrs. Elaine Pettit will be here most of the summer.

Mr. Hugh Pettit will have hip surgery at St. Mary's Hospital this week. It is good his son and family could be here with him at this time. We wish Mr. Pettit a speedy recovery on his surgery.

Dorette Davis visited her parents, Mr. and Mrs. Otis Davis of Rt. 2, Abernathy, last week. Dorette is band director of the Jr. High and High School Band at Charlotte. Charlotte is located close to San Antonio.

Mr. and Mrs. R.C. Paterson were in Oklahoma City last week to visit with their two daughters, Barbara Brown and La Juana Grindstaff and their families. Their son Ladell Patterson, came from Florida to be with his family.

Ladell is a missionary in Jamaica, from the local Church of the Nazarene. He is on a two-week leave and has been in Arcadia, Florida. He will be preaching both morning and evening services July 4 at the Church of the Nazarene in Abernathy.

Recently I read about making skirts out of bandanas. It reminded me of when I was a teenager, all the girls wanted a victory skirt or a broomstick skirt. The victory skirt was made

ROOFING TAKING PLACE at a rapid pace in Abernathy following a storm which destroyed roofs in Abernathy a month ago. Pictured are roofers working on the Abernathy Medical Clinic roof. (REVIEW PHOTO)

of colorful scraps and made in gores. Each gore was made like a string quilt and at the bottom of the skirt was a row of wide rick-rack around the bottom of the skirt. They were very colorful and pretty. By saving material, you were helping the war effort and thus the victory and that is why the skirt was so named:

The broomstick skirt was

made from lots of material and gathered on a wide three or four inch band. The skirt was tied around a broomstick in several places, which were left tied this way for several hours. After you untied the skirt, lots of tiny pleats were formed. This skirt wasn't for everyone to wear, it depended on your figure.

India's Taj Mahal, one of the world's most beautiful buildings, took 20 years to build.

Alcohol-Drug Abuse Awareness

Seminar July 7 And 8

An Alcohol and Drug Abuse Awareness Seminar will be held at the First Baptist Church, Abernathy July 7th and 8th, beginning at 8 p.m. each evening.

The purpose of this seminar is to teach both youth and adults the ill effects of drug and alcohol abuse, the

warning signs or symptoms of users, and what can be done to help families overcome these problems.

Wednesday evening, July 7th, Dr. Bob Pinder, Professor in the Psychology Department at Texas Tech, will be speaking on recognizing the problems and how to deal with them. Thursday evening Bob S., from Al-

coholics Anonymous, will be sharing some of his experiences with alcohol abuse and the help he has received and given in working with people in this area.

This seminar will be a valuable learning experience for everyone. All youth and adults of Abernathy are encouraged to attend.

The Alamo, which you may remember, was so called because it stood in a grove of cotton-wood trees, called Alamo in Spanish.

did you know?

At Southwestern Public Service Company, we keep our customers in mind when selecting the type of fuel to use in our electric generating stations. That is why we chose coal as the fuel for our newest power plants. Coal meets the tests of availability, technical and economical feasibility, reliability, environmental standards, and is in line with national energy policies.

Morris Rantz, Fuel Administration Manager, Amarillo.

The economy affects utility companies just as it does all of us. Despite their regulated status, utilities still face the problems of inflation, high interest rates, and soaring fuel costs. And regulation does not guarantee that a company will make a profit. Instead, regulators establish a "ceiling" or maximum amount of profit which a utility may make, a profit level which few utilities are able to reach because of the expenses involved in providing reliable electric service.

Jo Barnes, Chief Clerk, Levelland.

Using major electric appliances during "off-peak" hours can help keep down the cost of electric service. Certain times of day, usually between 5 p.m. and 7 p.m., are "peak" hours, when SPS' full generating capacity must be used to meet customer demands. Using your appliances during "off-peak" hours can help balance the load on these facilities and allow SPS to deliver your electricity in the most economical way.

Connie Moyers, Consumer Services Representative, Clovis.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

SPS
 SOUTHWESTERN PUBLIC SERVICE COMPANY
 930 1

YOUR TELEPHONE SERVICE - A REAL BARGAIN

All things considered, talking is a real bargain. The chart below shows how your telephone costs compare against other goods and services you use daily.
 (figures based on data gathered from U.S. Bureau of Labor Statistics from October 1976 to October 1981)

INSURANCE	123.2%
GAS & ELECTRICITY	85.5%
HOME OWNERSHIP	80.1%
ENTERTAINMENT COMMODITIES	81.0%
MEDICAL CARE	81.4%
FOOD	69.5%
NEW CAR	58.4%
TELEPHONE**	22%
CONSUMER PRICE INDEX	81.5%

* Away from home
 ** Basic local service in OTSW's Texas exchanges

Frequently, the convenience of the telephone is taken for granted. For instance, a few things you use your phone for:

1. Shop ahead, save gas.
2. Make appointments (doctor, sales calls, lawyer, preacher)
3. Emergencies (police, fire, ambulance)
4. Talking with loved ones in other towns
5. Conducting business via long distance, save on travel cost
6. Calling scout troop, civic club, little league team, etc.
7. Visit with a friend across town.

Talk is cheap and also a real bargain. For a true picture, divide your basic local service rate by the days in the month. For just pennies a day, excluding long distance and special services, you have your town at your fingertips.

General Telephone GTE
 "YOUR TELEPHONE SERVICE - A REAL BARGAIN"

"A GLANCE AT THE PAST"

By Helen Wade

FROM THE ABERNATHY WEEKLY REVIEW DATED NOVEMBER 11, 1943:

Abernathy meets their quota in National War Fund Drive of \$1,500. This fund was just started last week and \$1,000 had been turned in and the other members of the committee have been receiving.

The local committee, headed by Supt. W.V. Swinburn, is composed by O.O. Newton, H.E. McClain, Frank Beauchamp, J.F. Nix, C.I. Rhodes, W.V. Halford, Fred Kveton, Mrs. A.B. Myatt, Mr. and Mrs. T.E. Lutrick, Mr. and Mrs. D.O. Williams, Roy McLaughlin, Mr. and Mrs. Walter Harp, Mrs. Henry Scarborough, J.W. Harris, E.G. Thompson, Andy Reid, George Ragland, Ernell Givens and N.C. Hix. Local citizens who have not contributed to this worthy cause, may do so by contacting any of the committeemen.

Hale County can assist in the national emergency that exists in the shortage of paper. The 17 army trucks and 47 soldiers from Amarillo Army air field, stationed at Hale Center to round up scrap material, will turn their attention next Monday to hauling salvaged paper from all of the schools in the county to the city auditorium in Plainview, from where it will be shipped to paper mills for

reclaiming. Families not having children in school may turn their paper over to a neighboring school student or may bring the paper to their local newspaper office, for the army trucks to pick up.

Five hundred tons of rusty, idle scrap metal, lying around on farms and vacant lots in Hale County cities, are now on their way to the steel mills of the nation through efforts of a special scrap metal detail of 47 men from Amarillo Army Air Field, now stationed in Hale County. More than 15 railroad carloads have been gathered in all parts of the county under leadership of Lt. Clyde Hendrickson. He says his crew has received the best cooperation and gathered the biggest tonnage of scrap in Hale County. They gathered more in Hale County than any of the ten Panhandle counties they had worked in previously.

"Two Senoritas from Chicago," featuring Jinx Falkenberg and Joan Davis, is the merchants free show at the Rita theatre Saturday afternoon. Local merchants sponsor the free show as a trades day feature. The first show is at 2 p.m., the second at 3:20 and the third at about 4:40. (This brings back old times. I remember very well Omer and I going to several of these free shows, which they still had

in 1947 when we married. I don't remember when the free show was discontinued.)

FROM THE ABERNATHY WEEKLY REVIEW DATED DECEMBER 7, 1972:

A measured three-acre plot on the Cecil Amerson farm east of Abernathy, produced 13,000 pounds of grain sorghum for each of the three acres, a total of 39,180 pounds from three acres. This could be a record production for grain sorghum on the South Plains An agri-business magazine staffman interviewed the Amersons and took pictures.

Mr. and Mrs. Ray Sanders earned a trip to the Canary Islands. The Sanders are owners and operators of Sanders Auto Supply in South Abernathy. They observed their 25th Wedding Anniversary November 25. The trip they won, for sales of products from one of their suppliers, was considered, by them, as an extension of their anniversary celebration. They left here Nov. 28, and returned home Sunday, December 2.

The Antelopes have won the tournament. The Antelopes defeated the Anton Bulldogs by a score of 87-45. Kent Snodgrass was leading scorer with 16 points. Dick Rogers followed with 15. Ruben Dominguez had 10. Thursday, November 30, Abernathy traveled to Plainview and defeated the Dimmitt Bobcats 67-65. Dick Rogers had 21, Ray Martin 19, and Joe Evans connected with 14. Ante-

lopes defeated the Tulia Hornets 81-77. This gave the Antelopes the championship trophy in the small school division. Dick Rogers and Ray Martin were named to the all-tournament team.

Miss Angelia Conner and Mr. Steve Skipper were married in a double ring ceremony at 4 p.m. Saturday, December 2, in the First Baptist Church. Murry Brewer, pastor of the church, officiated the ceremony. Mr. and Mrs. Wendell Conner of Haskell, and Mr. and Mrs. Billy Skipper of Abernathy are parents of the couple.

Friends of Mr. and Mrs. G.W. Manley are sponsoring an Open House Thursday, December 7, from 2 p.m. to 4 p.m. at 415 North Drive in Abernathy, where they recently moved from a farm near County Line.

FROM THE ABERNATHY WEEKLY REVIEW DATED MAY 3, 1962:

Two New Deal High School track men will represent New Deal at the Class B district event from Region 1 at the State Track Meet in Austin. They are Jimmy Barrington, a junior, and Randy Peeples, a freshman.

The Abernathy FFA livestock judging team, James Waters, Kenneth Reedy and Charles Wisdom, along with their FFA advisor Jerry Adams will travel to Texas A&M College Saturday to compete in state judging meet. The local lads took eighth place in the Area I contest last Saturday and won the right to advance to the state meet. Two other Abernathy judging teams were entered in the Texas Tech event, but failed to place among the top 10 teams in Area I. The team members were: Land Judging - Johnny Ballew, Frederick Benn, Randy Evans and Joe Rex Thames, Dairy Cattle Judging - Bill Dickey, Richard Slough and Jackie Kitchell.

Mike Skipper places second in Regional Spelling Bee and narrowly missed the winner's trip to Washington, D.C. Mike, son of Mr. and Mrs. Billy Skipper, advanced to the Regional Spelling Bee by winning the Hale County Spelling title March 23 in Plainview. This was his second year to compete in the Regional meet, sponsored by the Amarillo Globe-News. For winning second place in the Amarillo event, Mike was awarded a 24-volume set of Encyclopedia Britannica.

Abernathy Lions Club members recently selected, as their candidate for the Lions Club Queen of District 2, Elaine Bilbrey, Abernathy junior. She will attend the contest along with other queen candidates from the South Plains area. The District Convention will be held in Lamesa this weekend, May 4-5. She is a twirler in the AHS Antelope Band, is a member of the National Honor Society and is FFA Sweetheart.

According to a recent survey, the top selling soup in American restaurants is vegetable soup.

New Deal News

by Sharla Attebury

The New Deal Independence Day Celebration will be held Saturday, July 3. The festivities start with the parade at 2 p.m. on Main Street in New Deal. The parade will start at the New Deal Post Office with a flag raising ceremony, and will end at the New Deal Elementary School.

Several booths will be placed on the school grounds for an afternoon of activities and a barbecue supper from 5:30 until 8 p.m. To top off the day, there will be a street dance on the City Hall parking lot at 9 p.m. with Jimmy Blakely, of War Horse Band, providing the music entertainment.

Tickets for the barbecue supper are adults \$3.50 and children, 12 and under, \$2.00. The admission for the dance is \$5 and tickets may be purchased at the gate. Tickets for both the supper and dance can be purchased for only \$8.

We invite everyone to come and enjoy the fun!

New Deal Lions Club To Raffle Remington

The New Deal Lions Club will raffle a Remington 12 gauge, model 870, Pump Shotgun with modified choke and ribbed vent - 28 barrel, at the July 3 barbecue.

Tickets for the raffle are \$2 and can be purchased from any Lions Club member or at Farmer's Depot at FM 1294 and North University. The shotgun will be on display there also. You need not be present to win.

New Deal Band Boosters

The New Deal Band Boosters are sponsoring a 16 team co-ed softball tournament July 2 thru July 4th. The entry fee is \$65 and team managers may contact Jackie Nicholson, 746-6384, Linda Williams,

746-5005, or Charles Balenger, 746-5429 no later than 6 p.m. June 30.

Trophies will go to teams placing first, second and third. The South Plains Umpires Association will be officiating.

Free Clinic For Women and Teenagers

The City of Lubbock Health Department is sponsoring a free clinic for pregnant women and teenagers. This clinic will also give child checkups (newborn to 6 years) and will give immunizations for all ages and pregnancy tests. This clinic is held every Wednesday from 9 a.m. to 12 p.m. at the Queen of Apostles Catholic Church in New Deal.

For appointments call: 762-6411 ext. 2935. Walk-ins are welcomed. All services are free and if the clinic is not used, the county will remove it from New Deal. All persons needing any of these services are urged to come by.

1972 Class of New Deal High School Reunion

The 1972 graduating class of New Deal High School had their 10 year class reunion July 12th at KN Klapp Party House in Lubbock. The registration was held from 10 a.m. to 11:30 a.m. with class members and their families bringing old pictures and annuals to reminisce their years in school.

The luncheon was catered and the afternoon was spent in getting to know each other all over again and letting the little ones meet - sometimes for the first time.

On the night of the 12th, the adults met at South Park Inn for a barbecue dinner and a meeting to decide the most changed and least changed males and females. The most changed male was Jim Smith and female was Jimalene (Cooley) Miller.

The least changed was James Sanders and Debbie Webb. Sharlyn (Bardwell) Poe had the most children with two and one due in October. A few teachers were also present with Elsa Villa coming the farthest distance from El Paso.

Hospital News
Helen Sharp was admitted to Methodist Hospital June 24 for a few days for more treatment.

HELP OUT IN WATER CONSERVATION-use every drop that comes out of your faucet, says Linda McCormack, a family resource management specialist.

While you're waiting for water to get hot, catch otherwise wasted water in a bucket for plants or to wash vegetables with, she advises.

McCormack is on the home economics staff

TRANSITION

Dolores Cantu

Services for Dolores Cantu, 85, of Abernathy were at 10 a.m. Monday at Primera Iglesia Bautista at 301 N. Sherman with the Rev. Joe Torres officiating, assisted by the Rev. Joe Rodriguez.

Burial was in Peaceful Gardens Cemetery under direction of Henderson-Singleton Funeral Home.

Mrs. Cantu died Friday at Methodist Hospital.

She was born in Mexico. She was a member of Mexican Baptist Church of Abernathy. Survivors include three daughters, Eustacia Soliz and Tiodera Lira, both of Lubbock, and Juanita Ramos of Abernathy; a son, Mike Sr. of Lubbock; 38 grandchildren; 78 great-grandchildren; and 17 great-great-grandchildren. Grandsons served as pallbearers.

Patsy Hernandez

"Watch The Sky On The 4th Of July"

GIFT CERTIFICATES TO BE DROPPED BY PLANE

Watch the sky on the 4th of July. Struve's Department Store has a surprise for all parade watchers. Weather permitting, gift certificates worth \$5 for a total of \$350 will be dropped by a plane built and flown by Bert Pinson.

The parade begins at 10:30 and the gift certificates will be dropped between 10:15 and 10:30. The 4th of July is not the only special occasion for these goodies. Struve's is celebrating its 70th anniversary. Struve's opened its doors in 1912 and has continued in the same family hands for 70 years.

The gift certificates are valid only on cash purchases. This is Struve's way of saying thank you for your patronage for 70 years. Gift certificates will be easy to spot because they will have a colored streamer on them.
