

GTE Opens Local Office At Newton Radio And T.V.

The advantages of a local telephone company business office will be available in Abernathy beginning July 21, 1982.

Jim Davis, division manager for General Telephone, said the company will open a local service agency at Newton Radio & Television, 306 Main.

"The local service agency will have all the advantages of a business office, allowing customers to call billing or service personnel direct," Davis said. "In addition, customers will be able to save money by taking advantage of services offered through the service agency such as picking up phones

which can be taken home and plugged into GTE phone Mart jacks or returning phones when discontinuing service."

Davis said customers can use the service agency to:

- * Pay their telephone bill.
- * View a display and/or catalog to order telephone instruments.
- * Call the billing center concerning billing questions.
- * Call the business office direct to install, add or discontinue service, or for other service needs.

In addition, customers can use the service agency to:

- * Have telephone instruments tested to determine if they require repair.
- * Bring phones for minor repairs. Phones can be replaced if major repairs are necessary.
- * Return phones when discontinuing service to avoid the charge to have the company send an employee to pick up the phone, or the cost of purchasing the phone.
- * Pick up phones, take the phones home and plug them into GTE Phone Mart jacks to avoid the premise visit charge.
- * Purchase miscellaneous equipment, including GTE Phone Mart jacks to avoid the jack charge and premise visit charge that applies if the company makes the installation.

Davis said, "The local service agency gives customers a convenient location to allow them to take advantage of the cost-saving service available which allows customers to participate in the maintenance of their service."

"As deregulation of the industry continues, there will be more and more changes to recover the costs of services from customers receiving the benefit of the service and the new service agency will give customers a convenient way to save and conduct business.

"Purchase house wiring to do the wiring or repair of bad wiring to save the wiring charge and premise visit charge if the company does the work.

LOCATION OF GTE OFFICE beginning next week will be Newton Radio and T.V. at 306 Main Street, Abernathy. (Review Photo)

"IN THE PALM OF THE PLAINS" VOLUME 61 NO. 35 THURSDAY, JULY 15, 1982 [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

School Board Discusses Budget And Other Business At Two Meetings

The Abernathy School Board met two times this past week to discuss several important items of business.

A special meeting was held Thursday, July 8 at 7:30 a.m. Bud Rhodes gave the invocation and the meeting proceeded.

The board discussed the 1982-83 proposed budget. Abernathy I.S.D. has proposed a budget of \$2,966,990, of which \$639,160 is estimated will be state funded and the other \$2,327,830 will be funded locally.

There was an overall 5 percent increase in the budget, which was mainly due to a state mandated 6.2 percent increase in the instruction payroll. The Abernathy I.S.D. is only 6/10ths of 1 percent in debt, which is very good, considering that school districts can go into debt up to 15 percent under state law.

The tax rate was also discussed. It is estimated that the tax rate will have to be increased from 49 cents per \$100 valuation to approximately 55 cents or 56 cents per \$100 valuation. The proposed increase is due to a 1/2 million dollar revenue loss on the tax levy largely due to a decline in value of mineral properties from the Anton-Irish field. Every time the tax rate is raised 1 percent, \$39 thousand is added to the budget through taxes. So far, the Hale County Appraisal District has not issued the Abernathy I.S.D. a notice of the tax role.

Settlement on Track

Recently, the school has tried to reach an agreement with Jake Deil Contractors for fixing the track the way it should have been fixed in the first place.

School complaints started when it

was discovered that the track did not drain water well. Therefore, the school will not pay the contractors the \$19 thousand left of what they owe until the track is fixed correctly.

A proposed settlement was discussed in which Jake Deil Contractors agreed to fill in the low places, re-surface the entire track and line it, if the school would split the cost. The schools cost is estimated at \$3 thousand. The board accepted this proposal at the Monday meeting.

Monday School Board Meeting

The school board met for the regular monthly meeting Monday night at 8 p.m. to discuss several important items.

High School Handbook

High School Principal Mitch LeMoine presented the proposals for changes that need to be made in the High School handbook. Highlighting the changes will be a notation on the cover of the handbook recognizing Abernathy Student Council since they were voted an outstanding student council by the Texas Student Council Association.

LeMoine pointed out several other changes and school board members suggested a few of their own, such as taking the subjective matter out of the "public display of affection will be restricted" clause, and adding a section to the handbook informing students of school policy dealing with drug and alcohol abuse usage on campus.

Education Service Center Commitment

Every year the school pays \$2 per

student to the Education Service Center to help purchase educational films. The board agreed to continue this program with the center.

Title I Change in Criteria

The board discussed changing criteria for students who are eligible to receive Title I program services. At the present, students who enter Abernathy Schools have to be behind in their studies at least 1 year before they qualify for these services. The change in criteria suggested, was to make the eligibility requirement that students have to be at least five months behind in their studies to be allowed Title I services. This will make more students eligible for the services, and before they get too far behind in their studies.

Sick Leave For Secretaries

School secretaries have been inquiring about the possibility of being able to accumulate their unused sick leave from year to year rather than it being dropped each year. They also suggested that the board consider the possibility that the accumulated unused sick leave be reimbursed to them upon retirement. No action was taken.

Fleet Insurance

The board agreed to notify local insurance companies about submitting bids for school fleet insurance. Notices of the schools request for fleet insurance bids will be mailed to all the

local insurance agencies.

Student Insurance

Abernathy School secures a school insurance policy each year for students who wish to purchase insurance for their protection while participating in school events. The school participates in this program to obtain athletic insurance. The school pays an additional insurance premium of \$50 for each varsity level player on the football team. This is the only premium paid by the school. The board authorized the school to continue this insurance.

Continuation of Adult Education Classes

The board agreed to continue the Adult Basic Education Classes sponsored by the school, following a discussion with Charles Bowen.

The program is administered through Plainview Adult Education program at no cost to Abernathy Schools. Bowen stated that some of the classes suggested by the Plainview Program did not cover all the needs of local citizens. Therefore, he suggested that the school budget a small amount for different adult education programs outside of the Plainview program. The board agreed to continue the classes.

Employment of Personnel

The board agreed to hire Lezie Thompson as a third grade teacher and

ON THE COUNTY LINE

BY KEITH TOOLEY

YOU CAN GET A Chamber of Commerce sponsored bumper sticker that says "Abernathy a good place to live!" at the City office. These are good looking bumper stickers and if everyone gets one for their car, it will be a good display of town pride. They are only 50 cents a piece.

WE HAVE REVISED our "Letter to the Editor" column in order to encourage readers to comment on issues of local, regional, state, national or international interest.

In the past, we have not accepted letters that were not signed at the end. Under our new policy, name, phone number and address must be included but will be withheld upon request.

Therefore, if you have something to say and you want everyone to hear it, but you want your name withheld at the bottom, then write us. If the name address and phone number are not included on the envelope or inside the letter, we will not print the letter. We must at least be able to verify that you wrote the letter.

We hope that this new policy will encourage comments about how you feel about everything taking place around you.

ONE THING ABOUT BEING in poor physical shape is that you don't have to exert yourself to stay that way.

A NICKEL GOES a long way these days. You can carry it around for days and days before finding something it will buy.

INTERESTING ONE LINERS, authors unknown:

-Americans used to shout, "Give me liberty!" Now they just leave off the last word.

-It's hard to realize that the whole American Revolution started over just ONE tax.

-When all is said and nothing done, a committee meeting is over.

-It is said that the federal budget can be balanced. We prefer the word "is".

-What this country needs is a cheap substitute for money, and it may get it.

-All of us work for the government.

The trick is to get paid for it.

-A sure way to keep crime from paying is to let the government run it.

-Regarding trade relations, some folks would like to.

-After an election speech, the audience draws its own confusions.

-On any proposed Congressional tax reduction, never do so many wait so long for so little.

LIBERAL CONGRESSMEN in Washington have attempted to label many of the proposed tax cuts as "helping the rich at the expense of the poor."

Internal Revenue Service figures indicate otherwise.

The top 10 percent of income earners in this country paid more than half of the total take on individual income taxes.

Those who had incomes to put them in the top 50 percent of tax-filers paid a whopping 93 percent of the total personal income taxes.

That leaves, of course, half of the taxpayers carrying only 7 percent of the burden.

The Abernathy City Council met Monday night at 7:30 to discuss several important items of business on the agenda.

Mayor Pete Thompson called the meeting to order and the council approved the minutes of the June meeting.

Motor Grader

Tom Johnston, a representative for Yellowhouse Machinery of Lubbock, was present to discuss John Deere Motor Graders with the council. The motor grader presently owned by the City is broken down and the City could use a new one.

Johnston stated that Yellowhouse has a motor grader they would sell for \$85 thousand dollars. The council decided that they would examine their priorities before taking any action on purchasing a motor grader.

EMS Training Classes

The council approved the EMS training classes that will begin July 27. There is a list of 18 possible trainees for the EMT classes. Don Nickson, of Lorenzo, will instruct the classes.

Flood Plain Regulations

The council discussed flood plain management regulations. They instructed City Manager Rod Ellis to prepare an ordinance that will restrict growth in designated flood plain areas of Abernathy.

Local flood plain management regulations have to be drawn up before Abernathy can qualify for National Flood Insurance, which would make federal flood insurance available to locals. A map was designed in 1974 that depicts the flood plain areas in Abernathy. There is a copy of it at the City office.

Planning And Zoning Proposals

City planning and zoning proposals were discussed. The council considered two proposals for professional assistance in the development of a land use map and zoning ordinance for the city

City Council Discusses Planning And Zoning Proposals

to adopt. They examined planning and zoning proposals from two professional planners: Samuel Wise and Associates of Richardson, and Steve Fanning of Denton.

The council instructed Rod Ellis to contact Steve Fanning to come discuss what zoning he would suggest for Abernathy.

Roof Damages

Damages to City owned roofs were discussed. Hail damage caused \$18 thousand in insured damages to city buildings. The city hall building and library will have to be completely re-roofed.

The council discussed the Southwestern Public Service franchise fee percentage that is given to Abernathy, as compared to other towns in the area.

New Police Officer

The Abernathy Police Department has a new police officer, John Castro. John Castro, of Lubbock, replaced Randy Tennyson about a month ago. Tennyson replaced Taffy Naron, who resigned about two months ago.

On the back row is Regina Powell, Gordon Havens, Trey Stone, Alan Pettit, Mary O'Neil and FFA advisor Scotty Windham. (Review Photo)

Crump-Settle Wedding Vows Exchanged July 3

Double ring vows were exchanged by Kandy Crump and Randall H. Settle in a candlelight ceremony at 7:30 p.m. in St. Luke's United Methodist Church, Lubbock, Texas on Saturday, July 3. Officiating the ceremony was the Reverend Bill Couch of the Lakeridge United Methodist Church, Lubbock.

Parents of the newlywed couple are Mr. and Mrs. Billy C. Jones of Lubbock and Mr. and Mrs. Grady Loyd of Seagraves and the late Elton Settle.

Given in marriage by her father and mother, the bride wore a French Renaissance gown of ivory silk chiffon and French Alecon lace. The gown, designed by "Priscilla of Boston", featured an allover lace bodice appliqué in silk organza flower petals creating a dimensional effect. The sweetheart neckline was outlined in the flowers, and the long Callilly sleeves were caught together with the flower-petals. The full chiffon skirt

fell in layers of deep folds with the fullness at the back drifting into a chapel train. She wore a matching picture hat of petal-edged chiffon forming the brim, with the crown completely covered in the Alecon lace sprinkled with organza flower petals. A nosagay of silk forget-me-nots was tied on the right side.

In following the bridal tradition, the bride wore a string of pearls as something old, a diamond pendant as something new, her dress and hat as something borrowed, and her garter as something blue.

Tami Buxkemper of Lubbock, sister of the bride, served as the maid of honor, and her other attendants were Jimmaleene Miller of Wolfforth and Cathy Thomas of Lubbock. They were gowned in soft chiffon apricot floral print dresses which draped with layers of handkerchief hemlines. Sheer matching capes covered the spaghetti strap bodices to accent the hem-

line skirts.

Serving as best man was Jim Miller of Wolfforth. Groomsmen were Rusty Field, of St. James, Minnesota and Terry Cordes of Meade, Kansas. They wore tan tuxes with the ascot ties. The groom was dressed in an ivory tux and ivory ascot tie. The ushers were Gary Hess of Wichita, Kansas, Willie Musick of Liberal, Kansas, Billy Jones of Lubbock, brother of the bride, and Ron Loyd of Lubbock, brother of the groom.

Krista Crump, daughter of the bride, was the flower girl. She wore a floor length apricot empire style dress. The skirt was full of soft folds with a ruffle at the bottom. The neckline and puff sleeves were also hemmed with ruffles. A large sash and bow put the finishing touches to the dress. Guests were registered by Charlotte Godlove, of Lubbock.

Special music was performed by Dita Keese and Donna Swaringen both of Lubbock, who sang "Dave's Prayer", "Whither Thou Goest", "The New 23rd", "Surround Me with Love", and "Endless Love". "Tumpet Voluntary" and the "Lord's Prayer" were performed on the trumpet by Jim Green, also of Lubbock.

A reception followed the ceremony in the fellowship hall of the church. Presiding at the bride's table were Joette Kimbal and Donna Fuller, both of Lubbock. At the groom's table was Deneice Reichle of Lubbock.

The bride's going away dress was an apricot prairie skirt with matching blouse. After a wedding trip to Cancun, Mexico, the couple will reside in Lubbock.

The bride is a 1975 graduate of Cooper High School. She is employed at Tusha Buildings, Inc. as a computer operator. The groom is a 1972 graduate of Abernathy High School and a 1977 graduate of Fort Hays State University in Kansas. He is employed with Acme Brick Company.

A rehearsal dinner preceded the wedding on Friday, July 2, at the Gridrion

Mrs. Randall H. Settle

Brooks Reunion Held Saturday

Descendants of William Riley Brooks, held a reunion at the Abernathy Community Center Saturday, July 10.

Those attending were Leonard and Lorraine Brooks, Peralta, New Mexico; Johnynn (Cloud) Fox, Lodi, California and sons Dane and Brad; Fred and Jean Brooks, Disney, Oklahoma; Hazel Fredrick, Holdenville, Oklahoma; Glenn and Ervadine Ellis, Belen New Mexico; Leona Mae Arnn, Torc New Mexico; T.M. and Gladys Brooks, Irving; Howard and Annie Brooks, Sperry, Oklahoma; Wayne and Linda Brooks and son Damon, Jenks, Oklahoma; Oliver Brooks, Sperry, Oklahoma; Frank and Jackie Sue (Brooks) Lisenby, New Home; Nonie Earl and June Brooks, Los Lunas, New Mexico; Buster

and Ginger York, San Angelo; Betty June (Brooks) Tate, sons Rick and Tommy, Carrollton; Waunita (Brooks) Cloud, Scio, Oregon; Jim and Pearl Sowers, Sudan N.M.; Sandra Barr and daughter Kerri, Pampa; Larry and Daphne Sowers and daughter Suzanne, Hereford; Trio and Janie Phelan, Shamrock; Roger, Kameron and Jeffery Chicaine, Lynn Harry, Sue (Cloud) White, Kelly White all of San Antonio) Richard and Susan Brooks, Irving; Dennis Lisenby and friends, New Home; and Brookie (Cloud) Harry, Will Ella (Brooks) Ball, Frank and Pauline (Brooks) Keough, Brit Cloud, Danny Lisenby, Steve Lisenby Family all of Lubbock.

Family members attending from Abernathy were Johnny and Claudine (Cloud) Skipper, David and Marilou Skipper and son Joshua, Leah Skipper and LaDawn Skipper.

Mr. and Mrs. JinNed Gragg, Pat Warren and son Trey, and her father Howard Brown of Plainview, called on the family in the afternoon.

Family members that were unable to attend, but telephoned, were Evelyn (Brooks) Pipkin of San Angelo and Edna (Brooks) Gloor, Weslaco.

A noon meal was served by H & H Caterers of Abernathy. A very good time was had by all. Plans are being made for a reunion next year.

Flores-Duran Engagement Announced

Mr. and Mrs. Mike Flores, Sr. of Abernathy announce the engagement and approaching marriage of their daughter, Dolores, to Rudy

Duran, son of Mr. and Mrs. R.M. Duran of Abernathy.

The couple will be married in an afternoon ceremony Saturday, August 14, at 2 p.m. at the Church of

Christ in Abernathy. Miss Flores is a 1982 graduate of Abernathy High School. The prospective groom attended Abernathy High School.

Rudy Duran and Dolores Flores

Yeager-Moore To Wed In August

Mr. and Mrs. Jody Yeager of Tyler, announce the engagement and approaching marriage of their daughter, Debra to Donald Shane Moore of Alice, son of Mr. and Mrs. Donald L. Moore of Corpus Christi.

The couple plans an August 14th wedding at St. Lukes Methodist Church, Corpus Christi.

The bride-elect is a 1982 graduate of Robert E. Lee High School, Tyler and is attending Del Mar College,

Corpus Christi. Debra is the granddaughter of Lucille Yeager of Granbury and Mr. and Mrs. Jack Kiker of Stamford.

The future bridegroom is a 1981 graduate of King High School of Corpus Christi and is employed by Patterson Rental Tools of Alice. Shane is the grandson of Pat Bailey of Duson, La. and Esta Boyce of Odessa and the great-grandson of Irene Ellis of Odessa.

Reception For The Brunners To Be Held Sunday

Abernathy First Church of the Nazarene is having a reception for Pastor and Mrs. R.P. Brunner July 18 from 7:30 - 9:30 p.m. Rev. Brunner has been the pastor of the church for the last six years, exceeding the term of service of all the former pastors. He also completes twenty years in the ministry.

Pastor and Mrs. Brunner began their ministry in Marquette, Michigan July 19, 1962. One year later they accepted the pastorate at Baraboo, Wisconsin. After serving 4½ years, they moved to Jonesville, Wisconsin. They served there until moving to Burleson, Texas in December of 1971. They accepted the pastorate at Abernathy and began in 1976.

Pastor and Mrs. Brunner are the parents of four children. Daniel, a paramedic in Fort Worth, he is married to Donna Clower; Elizabeth, married to Rick Schaap, and employed by an Insurance Agency in Lubbock; Pauline, a Junior at Bethany

Nazarene College in Oklahoma City; and Jonathan, a 7th grader. They have one grandchild, Mark, the 8

month old son of Daniel and Donna. The public is invited to attend the reception.

Rev. and Mrs. R.P. Brunner

Myatt-Howard Wedding Announced

Mr. and Mrs. Gwin Myatt are happy to announce the marriage of their daughter, Sharla, to Mr. Jim Howard,

son of Mr. and Mrs. Ken Howard of Albuquerque, New Mexico.

The couple reside in Lubbock where Jim is employed at Housouer Printing and Mailing, Inc. Sharla teaches first grade in Post Elementary School.

Restaurant in Lubbock. The grooms parents served as hosts.

"There is nothing makes a man suspect more than to know little."

Francis Bacon

Teeters Celebrate 38th Wedding Anniversary

Mr. and Mrs. T.N. Teeter, Jr. celebrated their 38th wedding anniversary Thursday, July 8.

The couple was married in 1944 at Russellville, Arkansas. They moved to Lubbock

in 1955 and six months later to Abernathy, where they have resided since. Mr. and Mrs. Teeter have six children and ten grandchildren.

No Jamaica This Year At St. Isidore

St. Isidore Catholic Church parishioners will not be holding their annual Jamaica this July, as it has been their annual event for the past number of years.

The church council voted not to hold a Jamaica this year, due to the fact that everything is sky-high and in the long run would not leave much profit.

In place of the Annual Jamaica, (which was held on the third Sunday in July), the council voted to have a Mexican Dinner, which will be served from 11:45 a.m. to 5 p.m. Sunday, July 18 at St. Isidore Parish Hall. Prices per plate will be

\$3.50 adults and \$2.50 child's plate.

The menu will include tamale, taco enchiladas, fried beans, spanish rice and tossed salad and a dessert. Your choice of coffee or tea. Tamales will also be sold by the dozen.

Everyone is invited to come and enjoy the delicious food that will be prepared.

South Plains Electric Cooperative, Inc. 762-0406

ATTEND ABERNATHY HOUSES OF WORSHIP

Weekly Devotional

Maps of the sixteenth and seventeenth centuries show an excellent outlines of Eastern North America, Mexico and South America. Knowing nothing of the interior, they wrote across the Northern part of our country, TIERRAS DE NINCUN PROVE CHO.

Hendrick Van Loon said this means, "Land that is not of the slightest possible value to anybody." This immense potential for hydro-

electric power-unbelievable rich mineral deposits-vast acres of productive farm land that feed a nation and still has much to export, meant nothing to these early cartographers.

Is it possible that we make worse mistakes than they? Do we casually glance at people made in the image of God and for who Christ died and decide that they would be of no use to the Lord and His church? If our first look

does not find them interesting, do we forget them and go our way?

When we pass by any individual without taking into account the value of his soul, our mistake is tragic. Remember--no man made in the image of our God is PERSONAS DE NINCUN PROVECHO--persons of no earthly use.

Space Capers To End Soon
 "Space Capers", the summer reading program at Abernathy City-County Library, will end Friday, August 20. The 132 children enrolled in the program must finish their reading club goals by then and may pick up their certificates on that day.

Summer Movies
 The summer movies at the library also end this month. The films for Friday, July 16 are:
 "Country Coyote Goes to Hollywood", "Astronauts", "It's So Nice to Have a Wolf Around the House", and "Papa Penguin's Home Movies".
 Films for Friday, July 23 are: "Recorded Live", "Mickey's Trailer", and "Run Appaloosa Run".

Paperback Parade
 The library has a fresh batch of paperback books for 4th through 7th grade age kids. These 16 books, called "Paperback Parade", are exchanged regularly for fresh titles through the West Texas Library System.
 Local big kids evidently

haven't discovered this source of entertainment as the books aren't checked out very often. When your between-agers get bored with kid stuff play but can't participate in teen activities, mention the Paperback Parade available at the library. It's especially for them.

Present titles are: "First Ride", "Ida Early Comes Over the Mountain", "Elmo Doolin and the Search for the Golden Mouse", "Lisa and Lottie", "Advice From the Superstars", "Waiting for Johnny Miracle", "Two Loves for Jenny", "Blind Outlaw", "Three Billygoats Gruff", "Christmas in Noisy Village", "The Talking Fable Mystery", "Grandpaw and Me", "In Danger", "Save the Day", "Robot Visits School", and "Abominable Snowman".

New Display
 Pharmacist David Pinson loaned the library his collection of antique pharmaceutical supplies for a fascinating display this month and next. Look for an interview with David in the next issue of The Abernathy Weekly Review.

THIS AND THAT
 BY HELEN WADE

Mr. and Mrs. Ronal Stillwell and Miss Becky Dorn of Dallas, spent the holiday with his parents, Mr. and Mrs. Bob Stillwell of Abernathy.

Those visiting in the Reita Smith home were: Mrs. Sarah Fitzgerald of Floydada; Mrs. Murlie Castleberry of Sunnymead, California; and Mrs. Jim Vincurek of El Cajon, Calif.; Mr. and Mrs. Charles Ray Melton and children of Lubbock; Mrs. Bea Patrick and son Robert of Amarillo; Mr. and Mrs. Pete Rogers of Shallowater; Mr. and Mrs. Loyd Hoefler of Kress; and Mr. and Mrs. E.E. Odum of Miami, Florida.

Mrs. Skip (Gloria) Berry and daughters, Tammy and Brandy, of Ft. Walton Beach, Florida, spent several days visiting in the home of her parents, Mr. and Mrs. Sam Wade of Abernathy.

Mr. and Mrs. W.G. Spruiell spent the weekend in Lamesa visiting Mr. and Mrs. Herbert Strawn. Mr. Strawn is Mrs. Spruiell's father.

Mrs. Linda Carey and sons, Scott and Steven of Portland, Oregon, spent several days with her mother, Mrs. Eula Bee Kitchens of Abernathy. Mrs. Kitchens had surgery two weeks ago and is home and recovering. She is getting along fine.

We welcome newcomers Boyd and Annie Reeves to Abernathy. They are the parents of Joe Reeves of Abernathy. They reside at 1311 Ave. H in Abernathy.

Mr. and Mrs. R.L. Parsons had a good deed done for them last week. Their nephews, Glenn and Margaret Parsons of Glen Rose and their girls Clarica and Errin, came and visited them. Also Glenn's brother, another nephew, Craig Parsons of Arlington, came too.

The nephews took off the old roof on Robert's house and got started putting on a new roof. The neighbors of the Parson's have been helping too. They were able to finish about 1/4 of the roof while in Abernathy.

Mrs. R.L. Parson told me "Abernathians are the best people in the world." They help raise their nephews and sure enjoyed the return help of these boys.

 By Postmaster Ken Moreland

'Cents Off' Coupons Cost Money When Redeemed In Fraudulent Scheme

Manufacturers have arranged for the distribution of "cents off" coupons as an incentive for consumers to purchase products. A "cents off" coupon is an offer by a manufacturer to reimburse a retailer for giving a discount to a consumer on the purchase of a specific product. The retailer may elect to redeem the coupons through a clearinghouse or directly with the manufacturer for face value plus a handling fee.

Manufacturers currently distribute in excess of 80 billion coupons annually, with approximately 3 1/2 billion of these coupons being redeemed. It is estimated that the volume of coupons may reach 150 billion, having an average value of 23 cents each by 1985. Industry sources estimate that of all coupons redeemed in any particular year, on the average, 20 percent are misredeemed, needlessly costing consumers millions of dollars.

* Commercial coupon clearinghouses "padding" legitimate retail shipments, and/or submitting coupons under fictitious store names.
 * Newspaper dealers, delivery personnel and newsprint salvage operators selling unused newspapers or coupon inserts, at a reduced rate, to others for fraudulent redemption.
 * Charitable groups collecting coupons for a worthy

cause and selling them for a percentage of the face value.
 * Retail check-out personnel mixing coupons with those cashed in by shoppers and removing from the cash registers an amount equivalent to the face value of the coupons.

Hale 4-H'ers Return From California Exchange Trip

Hale County 4-H Exchange Trip with 4-H'ers from San Joaquin County in California states Melissa Long, county Extension Agent with the Texas Agricultural Extension Service. Participants toured the Carlsbad Caverns, took in an afternoon of fun at Sea World in San Diego, visited the San Diego Zoo and spent a day at Disneyland. The chartered bus arrived in Stockton, California to find host families for each 4-H'er sponsor. Hale County 4-H'ers spent four days with their hosts and were entertained with a day at the beach at Santa Cruz, sight-seeing in Sacramento, San Francisco, Yosemite and other points of interest. Members of the trip visited the Grand Canyon on the

return trip home. The 4-H Exchange program is one of the many opportunities available to 4-H'ers in Hale County. 4-H families participated in many fund raising activities in order for the group to travel to California. 4-H'ers attending were: Steve Reese, Paul Young, Jeff Harrell, Lonnie Howard, Trey Stone, William Hancock, Danny Castleberry, Ricky Clark, Jim Bob Carver, Clifton Pinnell, Paul Gloyna, Bart Binns, KaLyn Laney, Mandy Igo, Brenda Cannon, Marie Hooper, Cindy Burnett, Christi Harrell, D'Ana Howard, Tina Covey, Donna Stout, Leslie Miller, Amy Pettit, Susan Stone, Tanya Tyer, LaDonyce Castleberry, Donna Cummings, Alicea Logan, Dinah Neve, Rhonda Nivens, Cheri Nivens and Melisa Nivens. Also attending were Mr. & Mrs. Don Clark, Mrs. Donna Burnett, Mrs. Cynthia Pinnell, Mr. and Mrs. Ollie Liner and Melissa Long.

4-H and FFA swine exhibitors along with their parents and leaders as well as swine breeders are invited to a Swine Evaluation Clinic July 19-20 at the Gillespie County Fairgrounds in Fredericksburg. Discussions will center on swine selection, facilities, nutrition and feeding management, health, training and showing as well as on the nutritional aspects and nutrition concerning pork.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

EMERGENCY COUNCIL BEING FORMED: National Cotton Council President Ed Breihan has invited representatives of all farm organizations, financing institutions, and others in the storm-stricken areas of West Texas, Oklahoma, and New Mexico to join together in a special Agriculture Emergency Coordinating Council. The new group will establish and maintain contact with government leaders at local, state, and federal levels to coordinate help for area farmers and farm-based businesses. Meanwhile, a USDA task force which Secretary John Block sent to the region at

the request of the Cotton Council president has returned to Washington. Its report is expected to be a factor in Block's decision on whether to utilize the 1981 farm law provision that authorizes him to make disaster payments to farmers under certain conditions. Breihan has strongly urged the payments, pointing out that the situation fully meets the conditions. **USDA TO PAY EXTENDED LOAN CHARGES:** ASCS Administrator Everett Rank has notified the National Cotton Council that USDA will pay receiving charges and accrued storage for all cotton on which price-supported loans are

extended. Payment will begin on the date the loan is extended. Previously warehousemen did not receive storage charges until cotton was re-deemed or forfeited. The Council requested USDA's action in support of the warehouse industry which was facing the necessity of increasing its charges because of acute cash flow problems resulting from storing loan cotton over long periods of time. Council President Ed Breihan said USDA's action should be helpful to the entire industry, averting increased costs to producers and lessening the possibility of CCC taking ownership of cotton in storage. **EXPORT SHIPMENTS STEADY:** Cotton exports

totalled 118,300 running bales during the week ended June 24, bringing accumulated shipments to 5,765,500. Net new sales for 1981-82 delivery were reported at 11,300 running bales and for 1982-83 at 119,200. **4-H'ERS GOING TO WASHINGTON—**Some 80 Texas 4-H members will travel to Washington, D.C., July 18-24 for the National 4-H Citizenship Short Course and Heritage Tour. The group leaves July 14 to tour several historical sites and attend the World's Fair. The 4-H'ers will join some 5,000 others from across the nation who will be taking part in the week-long sessions throughout the summer. The 4-H'ers will study individual citizenship

responsibilities, our national heritage and system of government, says a 4-H and youth specialist with the Texas Agricultural Extension Service, Texas A&M University System. They will spend a day on Capitol Hill to meet with members of Congress and see government in action. The youth also will visit historical and cultural sites.

Pest Management Report

Corn
 Corn is tassel and silking in many fields; others are rapidly approaching this stage. Western corn rootworm (WCR) beetles were first observed on June 28 in the Edmonson area. During the past week (July 2-8) large numbers of WCR beetles have emerged. The beetles are about 1/4" in length with long antennae. They are usually a yellow color with 3 black stripes down the back. Because of the existence of two subspecies in the area other color variations exist ranging from beetles which are completely yellow to ones almost completely black.

Fields in which corn has followed corn have the highest WCR populations. Infestations have been averaging from 1 per 20 plants to 6 per plant. These numbers could increase as more beetles emerge. Does not mean that adult WCR will not be a problem. The beetles can migrate from fields which are not tassel or having finished silking to fields that are tassel and silking. **Life Cycle:** The WCR usually begins to emerge from the ground June 15 to July 10 in our area. The adults feed on leaves, tassels and silks. Beetles mate soon after emergence and begin depositing eggs about 10 days later. Each female can lay an average of 1,023 eggs during its life. The females generally lay 12 eggs per day. The eggs are deposited in the soil over an 85 day period. The WCR overwinters in the egg stage and start to hatch around mid-May. If corn is planted in the same field again the larvae will feed on the roots. With high larval populations root pruning may be extensive causing plants to become moisture stressed easily. Also since brace roots are destroyed strong winds can blow the corn over which results in the typical "goose neck" appearance associated with rootworm damage. The larvae feed on the roots for 27 to 40 days. After this they pupate in the soil. After 5 to 10 days, the adult beetle emerges to start cycle again.

corn ear should inspect silks for egg laying. **Cotton**
 On third to half grown squares can be found in several fields. As square densities increased, so have cotton fleahoppers. Counts of fleahopper adults and nymphs have been extremely variable ranging from very light to extremely heavy (2-180/100 plants). Most fields are in a range of 5-30/100 plants. Square set usually recommended when 25-30 per 100 terminals are found combined with less than 75 percent square set.

All time highs were set in 1981 for cotton acreage planted, acres harvested and bales produced in the 25 counties represented by Lubbock-based Plains Cotton Growers, Inc. But low prices blocked benefits that producers might otherwise have enjoyed. In 1982 records of another kind are toppling. The largest acreage destroyed by a single hail storm occurred on Friday, June 18, when something like 500,000 acres were battered almost beyond recognition and certainly beyond recovery. Losses before and after that debacle, the result of other hail storms, wind, disease and flooding, have now brought the area's total loss to another single-year record of perhaps 2.5 million acres or more. That's over 62 percent of the estimated four million acres planted, and the previous record acreage abandonment for an entire season on the Plains was 17.3 percent in 1974. And without a drastic change in weather patterns and substantial outside financial help, at least two other records are in danger of falling this year. The estimated 1.5 million cotton acres left standing will have to yield an average of almost 320 pounds per acre if the High Plains is to gin one million bales of cotton this fall, a figure the area has not failed to exceed since 1950, before the full development of irrigation on the Plains. And a 320 pound yield from a crop alone two to four weeks behind schedule and none too healthy, without a quick reversal in Mother Nature's lack of cooperation, is far from certain. "In fact," notes PCG Executive Vice President Donald Johnson, "some experienced crop observers are talking in terms of around 250 pounds per acre." But the saddest part of all, Johnson notes, is that unless Washington intervenes quickly and dramatically, a record number of farmers in 1983 will be seeking another means to sustain their families. "We are doing all we know to do to convince the Secretary of Agriculture that implementation of the emergency disaster provisions of the 1981 farm law is an absolute must; that payment of existing FmHA loans should not be demanded until producers have a chance to recover from this crisis; that new, low interest emergency loans should be made available, and that every other avenue to providing assistance should be explored and utilized to the fullest." Even with all this help, spokesmen for financial institutions say many farmers will be unable to continue next year. But without help some say almost half may be out of business.

Southwestern corn borers (SWCB) were sampled from a field in the Kress area on July 7. The larval distribution was 3.6 percent 1st instar, 25 percent 2nd, 17.8 percent 3rd, 25 percent 4th and 28.6 - 5th. Thirty six percent of the larvae collected in this field had entered the stalk. No pupae were found on this date. Light trap collections of corn earworms have increased greatly during the past three days (July 6-8). Growers concerned with earworm infestations in the

County Line Chit Chats

By Faye Ann Nelson

We want to welcome Mr. and Mrs. Ken Sims, and son Chris, back to the County Line Community. Mrs. Sims is the former Ann Hudson, daughter of Mr. and Mrs. Check Hudson.

Have you heard about the NFD...Stands for National Federation for Decency. The NFD is a citizens organization promoting the Biblical Ethic of decency in the American Society with primary emphasis on television. The NFD seeks constructive television pro-

gramming. By that, we mean programming which adds to man's cultural, social, mental, emotional and spiritual heritage in an informative and entertaining manner and which does not appeal to nor exploit man's prurient nature.

Editor, Donald E. Wildmon Box 1398, Tupelo, Miss. 38801 The paper is \$10 per year for individuals or \$1 per family per year if ordered by a church group.

If you don't write the sponsors or call them toll free, don't complain about televi-

sion.

Don't you think it is time we took a stand and cleaned up the television shows. It seems that RCA and NBC help promote pornography via advertising in playboy magazine. The RCA and NBC shows are anti-christian. You can read the details in the June Issue of NFD Informer. Makes me wish I had not bought an RCA television. The editor advises us not to buy any RCA products or use any Hertz rental cars and trucks, or trade with CIT. Financial corp. and coronet carpets. We plead for the sake of America's Children...our future generation.

Mr. and Mrs. Raymond

Davis had their children home for the holidays: Mr. and Mrs. H.R. Prather and children, Justin and Lindsey, Mr. Luke and Raymond Lee of Midland, Mr. and Mrs. Cullen Davis of Petersburg.

Mr. Jon Horne spent the weekend in Denton with his sister Donna. He and friends went to Six Flags while there.

Mr. and Mrs. Ray Blackwell of Midland, surprised us over the weekend by coming from Midland for a visit. We had not seen each other since 1965. He is with ASC office and has been to Vernon, Odessa, O'Donnell and Pecos. They retired in Midland. Mrs. Blackwell is employed by the Midland schools as a first grade teacher.

We extend our sympathy to the Hood Family. They lost two brothers in two weeks. The County Line Community was very close to the Hood Family.

We are sorry to hear that Mrs. Leota Clark is back in the hospital (Highland) again. She is to have

therapy on her leg that was hurt when the Butane Tank fell on it at her home in Anton. We wish her a speedy recovery.

A surprise housewarming and morning coffee was given to Mrs. Ken Sims of County Line. Mr. and Mrs. Sims have moved back to the County Line Community after being gone for about nine years. They moved in the Check Hudson home in County Line and remodeled it.

A group of her neighbors surprised her with a 10 a.m. coffee. One neighbor told her that she would be over to borrow her lawn mower so she would be home. She had the lawn mower out in the yard when we all drove up. She looked kinda funny when we all came in and hollered "surprise". Gifts were brought for the house. (Will give the list of hostesses next week). Our friends and neighbors are going to get so they don't believe us since we have to make up so many stories to get them to stay home for a surprise. Guess who will be next???

WHY BUY A GAS GRILL NOW?

Now is a great time to buy a new gas grill. Choose from 7 quality models... save a big 20%... and take the heat out of your kitchen, too.

You'll really enjoy the convenience of cooking out with a natural gas fired grill... love the flavor of outdoor cooking without the mess of charcoal or the hassle of LP tanks.

Order your gas grill from any Energas employee now and make the most of summer.

PATIO KITCHEN

PK grills provide the convenience of natural gas fired barbecuing... have heavy top and bottom aluminum castings and H-shaped stainless steel burners for years of long wear... and exclusive Range Rock briquettes with controlled porosity for even heat and less flare-up.

PK DELTA 1
Single burner model with 270 sq. in. chromed steel cooking grid.

ONLY \$6.85 PER MONTH*

List price	\$155.00
Less 20%	\$124.00
Plus installation	\$124.00
5% sales tax	\$7.00
†CASH PRICE	\$203.70
†BUDGET PRICE*	\$248.60

Budget terms: no down payment, \$6.85 per month for 36 months.

PK REGENT 1
Dual burner and controls let you use one-half or all of burner. 325 sq. in. cast iron cooking grid, plus 120 sq. in. chromed steel step-up grid for warming.

ONLY \$8.91 PER MONTH*

List price	\$228.00
Less 20%	\$182.40
Plus installation	\$182.40
5% sales tax	\$12.62
†CASH PRICE	\$265.02
†BUDGET PRICE*	\$320.76

Budget terms: no down payment, \$8.91 per month for 36 months.

JACUZZI

Jacuzzi cast aluminum grills feature Char-Brown enamel finish, rust-resistant porcelainized cast iron cooking grids, and cast iron and nickel alloy burners.

JET CHEF 4020
Two individually controlled burners in this top of the line grill with 375 sq. in. cooking grid plus 110 sq. in. raised warming rack, accurate sealed temperature gauge, and all-weather shelf.

ONLY \$13.63 PER MONTH*

List price	\$395.00
Less 20%	\$316.00
Plus installation	\$316.00
5% sales tax	\$19.30
†CASH PRICE	\$405.30
†BUDGET PRICE*	\$490.68

Budget terms: no down payment, \$13.63 per month for 36 months.

DUCANE

Ducane cast aluminum grills feature top-ported stainless steel burners, which last longer and save gas... porcelainized steel cooking grids... and a unique coal grate designed to prevent flare-ups and grease collection at the bottom of the firebox. Some models have Rotis-A-Grate, a separate vertical burner for rotissing from behind the meat.

CHALLENGER 800
Single burner model with 310 sq. in. cooking surface.

ONLY \$8.57 PER MONTH*

List price	\$216.00
Less 20%	\$172.80
Plus installation	\$172.80
5% sales tax	\$12.14
†CASH PRICE	\$254.94
†BUDGET PRICE*	\$308.52

Budget terms: no down payment, \$8.57 per month for 36 months.

CHALLENGER 1500
Dual burners, dual controls — one for each side, which saves gas when you don't need to use the total cooking surface of 405 sq. in.

ONLY \$12.27 PER MONTH*

MORE SCENES FROM THE FOURTH OF JULY CELEBRATION. [REVIEW PHOTO]

Lakeview Reunion July 31

The Lakeview Reunion is set for Saturday, July 31 in the Community Center at Petersburg.

It has been two years since the reunion has been held. The Lakeview Reunion was not held in 1981.

Everyone should make plans to be in attendance this year. Bring food and drinks for the family and everyone will feast and visit and renew old friendships at the reunion.

Grant Reunion

The Grant Reunion will be held Sunday, July 18 in Amarillo at the 26th Club.

Friends and relatives are invited to attend.

JOINTLY FINANCED WEDDINGS are becoming popular—with bride's and groom's families sharing the costs more than in the past, says Cindy Wilson, a family life education specialist.

Scouts Learn About Function Of City Council

Boy Scout Troop 515 met at the First Methodist Church for their regular troop meeting Monday July 6.

The guest speaker was Bill Ireland who spoke to the troop about the responsibilities and duties of the City Council. This was for their citizenship skill award.

Also the two new assistant scoutmasters were introduced to the troop. J.O. Thompson and Mackie Buck will assist Scoutmaster Larry Day with the troop.

The boys will be having a membership drive in order to get new members in the club. The patrol will receive their patrol flag if they get

five new members.

The boys will also be selling fire extinguishers in the near future as a money making project.

The Boy Scout meetings will be on Tuesdays beginning July 13. Anyone interested in joining the troop can contact Bill Ireland at 832-4525 or Tommy Powe at 832-4788.

Shallowater Teachers Attend Workshop On Disruptive Behavior

Five Shallowater teachers attended a workshop last week on dealing with disruptive behavior in the classroom. Hartsell Hawes presented two workshops this summer at the Education Service Center in Lubbock.

Attending the workshop were Joni Kitchens, Sandra White, Kippy Broderson, Mary Barnes, and Keitha Hopson.

The workshop stressed

teacher personality and self evaluation as well as learning more about human behavior. Hawes pointed out that effective parents and teachers have clearly defined rules and plans of action when those rules are broken.

Hawes has been a coach, a principal, counselor, classroom teacher, and declares himself to be a "recovering chauvinist"

Tracy Cobb Named To All Star Team

Tracy Cobb was selected as an All-Star Player to participate as a member of one of the Lubbock Colt League Teams in this year's Regional Tournament.

The host city of Lubbock will have two teams playing in the tournament with teams from Amarillo, El Paso, and a team representing Oklahoma. The tournament will be played July 20 thru July 25 in Lubbock at Lowrey Field.

The team that Tracy plays on will play the first game July 20 starting at 7 p.m. They will play the team from Oklahoma. The second game of the night will be a match between the other Lubbock team and Amarillo.

The Colt League Program in Lubbock consists of players of the ages of 15 and 16. Each team in the league plays a schedule of 15 games, starting in late May and ending the first week of

July. This year's program included approximately 84 players on six teams, many of the players are members of the Monterey and Coronado Varsity and Jr. Varsity baseball teams.

Treasure Island Golf More Fun Than Picking Cotton

By Richard Hopson
The Treasure Island Golf Course has been around for years, but at one time the little white balls that this reporter chased on it were

cotton bolls. Hand picked cotton is history, but Treasure Island golf is here to stay.

Some people call this course a "pitch and putt"

course and others call it a "par 3", but on the course you will see golfers of all ages and abilities having a good time on this well maintained course.

The course is open to all players from 7:30 a.m. until 9 p.m. Mavis Miller is Treasure Island manager. Because of the many local golfers who play there, it is sometimes referred to as the Shallowater Country Club.

The club has just about everything including a pro shop, driving range, cart and club rentals; then the snack bar awaits you at the

SECOND GRADE TWIRLERS show what they learned from instructors Ami Sides and Sharla Carson. Carolyn Darden presented her students in the dance segment of Friday's recital. (Review Photo)

end of a great round, (or possibly a bad round). The club has a senior citizen rate and a Ladies Association

Some of the Shallowater youngsters are participating in the summer Junior Program.

Many people are contributing together through a group known as World Vision, a Christian, non-denominational humanitarian organization. It works in and through communities, giving people the help they need. For a free leaflet on how it can help you help others, write for "Opening the Way for a Miracle," World Vision, Box O, Pasadena, Calif. 91109.

Prenatal Classes Offered To Local Expectant Parents

Prenatal classes are again being offered by Central Plains MHMR Center to expectant parents in the Abernathy area.

Jointly sponsored with Junior Service League of Plainview, the next series will be held on August 3-10-17-24, from 7 p.m. until 8:45 p.m. in the Recreation Room of the Center's Complex at 2601 Dimmitt Road. Charlotte Adams, R.N. with Central Plains Regional Hospital, and Sandi Miller, special projects technician at the Center, will be instructors for this course. Films to be shown are "Prenatal Development", "New-

born", and "Infancy". Discussion topics will include the physiological aspects of pregnancy, emotional health during pregnancy, labor and birth process, and family development tasks.

A tour of Central Plains Regional Hospital's Obstetrics Unit is also planned. Registration fee is \$25.00 per family (One or both parents). For more information, call (806) 296-2726, Ext. 79.

Anderton Attends Retail Show

Norman Anderton, Shallowater Prescription Shoppe, recently attended the first FoxMeyer Buying and Retail Operations Show in Dallas.

The show, hosted by FoxMeyer, one of the nation's largest wholesale drug companies, was held at the Lowes Anatole Hotel and the Dallas Market Center.

Over 6,000 items were displayed by the 462 manufacturers and vendors who joined representatives from over 1,100 independent retail drug stores in the three-day meeting.

Highlight of the meeting was a special presentation featuring Roger Staubach, formerly with the Dallas Cowboys.

Birthday Greetings

Casey Lusk, Rudy Perez, Wilma Grissom, Melissa Cox, Angie Harrison, Kyle Black, Debra Farris, Shaun Cody, Wilma Eubanks, Patricia Cannon, Tory Arnold, Marla Cottenoir, Doyle Greenway, Jake Powell, Lezlea Lollar, Judge Menton, Jr., Clifford Conner, Tim Johnson and Charla Claude.

New Arrivals

Mr. and Mrs. Terry Funk are the proud parents of a new daughter who was born July 1, at 8:43 a.m. She weighed 7 pounds 11 ounces and was 20 3/4 inches long. Amy Alison has a brother, Christopher Ashley.

WORD of GOD

Fulfillment (New Testament)

The book of the generation of Jesus Christ, the son of David, the son of Abraham.
Matthew 1:1

And Jesse begat David the king;

From Matthew 1:6

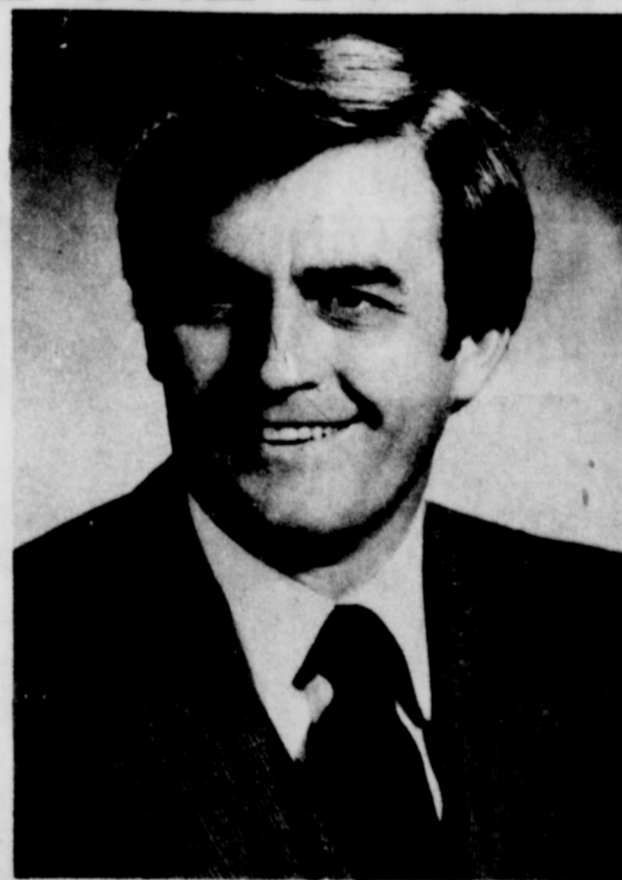

So all the generations from Abraham to David are fourteen generations; and from David

until the carrying away into Babylon are fourteen generations; and from the carrying away into Babylon unto Christ are fourteen generations.
Matthew 1:17

OUR PEOPLE MAKE THE DIFFERENCE

People like Bob Greenhill, Director of First State Bank. Bob is president of Texas, New Mexico and Oklahoma Coaches, Inc., where he began in 1963 as an auditor. In 1967 he moved to Cessna Air Craft as a zone controller for Lubbock, Wichita, Kansas, and Morristown, New Jersey, and stayed there until 1970 when he returned to TNM&O as an assistant controller, vice president-assistant general manager and then his current position as the chief executive officer.

The New Deal native graduated from Texas Tech University in 1963, where he received a bachelor's degree in business administration. He is a member and chairman of the Texas Motor Transportation Association and a past director of the New Mexico Motor Carrier's Association. He is also a member of the National Bus Traffic Association, Inc., and the American Bus Association. Bob is a member of the Caprock American Business Club and Southwest Lubbock Rotary. He is also a member and president of the Fellowship of Christian Athletes and is chairman of the administrative board of Oakwood United Methodist Church.

Bob and his wife, Barbara, have three children.

Bob, successful in his field, brings to First State Bank knowledge and an unique understanding of the needs of our customers.

At First State Bank, professional businessmen like Bob Greenhill make the difference.

"A GLANCE AT THE PAST"

By Helen Wade

From The Abernathy Weekly Review Dated Sept. 23, 1965:

Richard Montgomery, son of Mr. and Mrs. L.G. Montgomery, was selected as Vocational Agriculture student of the month. Richard has a strong agriculture program. He has livestock and crop projects. Richard has exhibited these at the fairs throughout the state. He was on the livestock judging team that went to state last year. He has many other leadership activities such as the chapter conducting team & chairman on committee of work.

L.L. Duckett, manager, announced that City Gin turned out its first bale of 1965 cotton Thursday. Roy Matthews, who farms east of Abernathy, brought in 2,000 pounds of seed cotton, which turned out 625 pound bale of lint and 980 pounds of seed. Turn-out percentage was 31.25, Duckett said. The bale was ginned free of charge and Matthews was paid the usual first-bale premium of 50 cents per pound for lint and a premium price for seed. The bale graded middling 31-32 and 4.8 mic.

At the September FHA monthly meeting, Mrs. Claudine Skipper, past president of the Abernathy Young Homemakers Chapter, presented Miss Jo Ann Lovelace, daughter of Mr. and Mrs. Joe Lovelace, a YH Little Sister for the year September 1965-August 1966. Jo Ann and Mrs. Edith Almond were guests, along with other Little Sisters and Advisors from Area I, for a luncheon at the Caison House in Hereford, September 11. Reported by Barbara Scott YH reporter.

Kathy Kerr, daughter of Mr. and Mrs. Morris Kerr, was selected as plowgirl. She will assist Jan Wilson in any way possible. Kathy, a sophomore, is a majorette in the Abernathy High School band. She is an officer in the FFA and she was princess at the Homecoming her freshman year.

Abernathy Antelopes arose the victors in a "battle of the undefeated" against the Hale Center Owls in Antelope Stadium Friday, September 17. Frustrated throughout the night by penalties, the Lopes weathered long Hale Center drives engineered by Owl QB Don Townsen to win 20-18. Lane Wade was once again the big gun for the Lopes, but Pat Hale handled the scoring chores this week as he crossed the goal line four times: (One was nullified by a penalty.) However, Wade added the winning margin, as he slid over for the extras after Hale's first TD.

From The Abernathy Weekly Review Dated Sept. 11, 1958:

Abernathy is indeed fortunate in having Tuco power station and the Shamrock plant located here. Another industrial project, comparable to these two in value to the community, was started here Monday! Construction opened this week on the huge plant of Western Warehouse Company. To be one of the most modern cotton warehouse plants in Texas, Western Warehouse Company is located on a 66 acre site two miles north and one-half east of Abernathy. The site purchased from Virgil Rhodes, is east of the Santa Fe Railroad.

A few years ago, the Review carried a story on Abernathy's Clyde E. Rhodes, Sr., entering Texas Technological College as a freshman music student. A retired farmer, a grandfather and over sixty years of age, Mr. Rhodes had an uphill battle to gain entrance to Texas Tech as a regular student. Mr. Rhodes' case was taken up by his instructors, who secured the "regular student" status for him.

Mr. Rhodes devotes about 100 hours per month practicing at the piano and organ. He memorized all musical selections assigned him at school. The 64 year-old Abernathian has completed five semesters at Texas Tech, and has earned the respect of his instructors, as evidenced in the following letter we received from one of them: We teachers at Texas Tech are mighty proud of Clyde Rhodes. He was one of my organ

students for almost three years and he was truly my most industrious student as well. He was well-liked by the teachers and pupils, both for his love of life and his love of music. Mr. Rhodes was a challenge to all music students.

He is the only student who memorized all of his pieces. Mr. Rhodes also helped me.

He gave me much useful advice and many wonderful insights about life. He is a wonderful person and all of you who are his relatives and friends, can be truly proud of him. Sincerely, Helen Taylor. (This is only part of the letter she wrote.)

From The Abernathy Weekly Review Dated Oct. 16, 1941:

Lakeview is to be host Sunday to an all-day meeting of county singers when the Hale County Singing Convention is held there. Everyone is invited to attend and bring baskets of

food for lunch on the grounds at noon.

Showing at the Rita Theatre is "Million Dollar Baby", starring Priscilla Lane, Jeffrey Lynn and Ronald Reagan. Last day is Thursday, Oct. 16 and price is 28 cents for adults and 10 cents for kiddies.

Ten boys were initiated as Future Farmers Monday night, October 13. The boys got a big kick out of the initiation. The following were initiated: Joe Nix, Virgil Phillips, Jesse Robertson, Jack Lee, John Paul Johnson, Paul Bryant, Andy

Holt, Sherrill Fuchs, Hilbert Rantz and Douglas Vineyard.

Advertised from Struve's Mercantile are: gas, kerosene and coal, heaters, gas and kerosene ranges, cotton scales, cotton and feed forks, knee pads, gloves, sacks and duck binder twine and binder parts. You can make arrangements to keep your meat in a frozen food locker. Also advertised are: dress materials, new patterns, work clothes, dress and work shoes, overshoes, and rain coats, all kinds of groceries and hot barbeque

everyday. Miss Evelyn Stallings and her journalism class are publishing a weekly school paper, "The Antler," first edition of which came off the mimeograph last week. Staff members are: Inez Bryant, editor-in-chief, Melva Vineyard, assistant editor; managing editors, Jean Barnard and Jo Dean Pharr; news editors, Athalea Bryant and Odessa Robertson; sports editor, Lavern Cope; humor editor, Bobbie Williams; feature editor, Nita Beth Lutrick. Subscription price is 25 cents quarterly.

BIRTHS

Mr. and Mrs. Ron and Lisa Presley are the proud parents of a son, Aaron Bennett, born Monday, July 12 at 2:50 p.m. He weighed 6 pounds 5 ounces and was 20 inches long at birth. Grandparents are Mr. and Mrs. Don Presley of Abernathy and Mr. and Mrs. Deryl Bennett of Littlefield. Great-grandparents are Mr. and Mrs. Larry Deering and Mr. and Mrs. R.D. Presley all of Abernathy. Great-

grandmother is Mrs. M.D. Gamble of Slaton.

SHOPPERS, FOR THE BEST "per pound" buys, select fruits and vegetables that have only a small of waste, advises Dr. Dymple Cooksey, a food and nutrition specialist with the Texas Agricultural Extension Service. For example, broccoli has less waste than artichokes, so "per pound," broccoli is a much better buy, the specialist explains.

10 YEAR NO SWEAT WARRANTY

If Air Conditioning doesn't have it here it probably doesn't have it.

Gas Air Conditioning Has It!

No other air conditioner has a warranty like a gas air conditioner because no other air conditioner is built like a gas air conditioner.

Gas air conditioning has fewer moving parts and no compressor to wear out or break down. This means less wear and tear and lower maintenance costs.

That's why gas air conditioning is so dependable and why it has a warranty that's twice as long as other types of units... a full 10 years!

Find out more about the air conditioning that's backed by the best warranty available. Call Energas today for a free cooling survey and cost estimate. There's no obligation.

Remember, all air conditioning was not created equal. And we have the paper to prove it!

Manufacturer's limited warranty covers all defects in materials and workmanship on the sealed refrigeration unit for ten years from the date of installation of the air conditioner when it is installed in a single family residence. All other parts are warranted for one year from date of installation.

ENERGAS

Trey Stone and Mark Bell

Stone And Bell Attend Leadership Conference

Approximately 150 FFA members attended the Area I Leadership Conference at Clarendon College on June 17-19. The conference was led by the area and state officers. The students received instruction and practical experience in public speaking, motivation, job interview and other leadership activi-

ties. The conference was highlighted by a banquet on Friday night. The banquet speaker was Dr. Jerry Stockton, Head, Agricultural Education, Texas Tech University. Among those attending from the Abernathy FFA Chapter were Trey Stone and Mark Bell.

TRANSITION

C.W. Nall, Jr.

Services for C.W. Nall Jr., 59, of 3406 39th St. were at 4 p.m. Monday at Redeemer Lutheran Church with the Rev. Francis Mennenga officiating.

Burial was in Resthaven Memorial Park under direction of Franklin Bartley Funeral Directors.

Nall was found dead at his home at 4 p.m. Friday. Judge Wayne LeCory ruled that the death was by natural causes.

Nall was born in Concho County and moved to Lubbock from Melvin in 1945. He married Garnette Heggen on Oct. 18, 1946, in Abernathy.

He was a first lieutenant in the U.S. Army Air Corps during World War II. He graduated at Texas

Tech University in 1949 and went to work for the State Highway Department and Public Transportation in the Lubbock and Lamesa area. He was a member of the Lubbock Rotary Club.

He was a member of Redeemer Lutheran Church.

Survivors include his wife; a son, Dr. Brent Nall of Clovis; a daughter, Connye Kuratko of Lubbock; his mother, Mrs. C.W. Nall Sr. of Austin; two brothers, Douglas of Austin and Carl of Houston; and three grandchildren.

The family suggest memorials to the Open Heart Association of Lubbock.

Earl C. Hood

Services for Earl C. Hood, 70, of 6402 Hartford were at 4 p.m. Thursday at Franklin-Bartley Funeral Home Chapel with the Rev. Cecil Tune, a retired Lubbock Methodist minister, officiating.

Burial was in Resthaven Memorial Park under direction of Franklin-Bartley Funeral Home.

Hood died at 9:50 a.m. Tuesday at St. Mary's Hospital after a lengthy illness.

The native of Eastland moved to Lubbock in 1919. He married Jerry Carlton on Nov. 24, 1934, in Clovis, N.M. She died in March 1977.

Hood was a 32nd Degree Mason. He was a member of the Methodist Church.

Survivors include a daughter, Pamela Rucker of Lubbock; a son, Tommy of Houston; a sister, Mrs. E.R. Merrell of Shallowater; two sisters, Aubrey A. and Bernice, both of Lubbock; and four grandchildren.

Nephews were pallbearers. The family suggests memorials to the American Heart Fund and the American Cancer Society.

J. B. Seale

Services for J.B. "Brad" Seale Sr., 80, of Plainview were at 2 p.m. Monday at the chapel in the First United Methodist Church in Plainview with Dr. R.L. Kirk, pastor, officiating and the Rev. David Ray assisting.

Burial was in the Abernathy Cemetery under direction of Wood-Dunning

Funeral Directors. He died at 11:55 p.m. Thursday in the Central Plains Regional Hospital after a brief illness.

A native of Lampasas, he moved to Abernathy in 1923 where he was mechanic and owner of the Ford agency. In 1943 he moved to Lockney and opened the Seale Drive-In. After moving to Plainview in 1966, he sold the theatre and operated the Plainview Bowling Alley until 1973.

He married Dovie Marie Watts on Nov. 17, 1924. She preceded him in death July 22, 1980.

Seale was a member of the First United Methodist Church and the Senior Citizens Center.

He is survived by a son, J.B. Seale Jr., of Kansas City, Mo.; a daughter, Mrs. Harry (Velma) Reeves of Tulsa; a brother, Orville of Enid, Okla.; and three grandchildren.

Funeral Directors. She taught school 5 years prior to her marriage.

Zeman died in August 1962, and Mrs. Zeman moved from Abernathy to Abilene in 1975. She was a member of the First United Methodist Church of Abernathy. She belonged to the Blue Bonnet Quilting Club in Abernathy for several years.

Survivors include one son, Virgil of Pecos; three daughters, Vera Martinson of Wheeler, Wis., Fern Aune and Blanche Cook, both of Abilene; 14 grandchildren; and numerous great-grandchildren and great-great-grandchildren.

Pallbearers were Alan Zeman, Hopsy Toler, Cal Tucker, Owen Benn, Shelton Hardin and Alvir Hardin. Honorary pallbearers were D.Z. Ward, Rudolph Struve, Jake Meester, Andy Reid, Herbert Hardin and David Pinson.

Ida Zeman

Services for Ida May Zeman, 103, of Abilene and formerly of Abernathy, were held at 3:30 p.m. Sunday at First United Methodist Church in Abernathy.

The Rev. Marshall Rhew, retired Methodist minister, officiated, assisted by the Rev. Tommie Beck, minister of the church. Burial was in Abernathy Cemetery under the direction of Chambers Funeral Home.

Mrs. Zeman died at 6:45 a.m. Friday in Hendrick Medical Center in Abilene.

She was born Dec. 10, 1878, in Melrose, Wis., and married Anton Zeman Dec. 18, 1901. The couple moved to Abernathy from Wisconsin in 1921.

Survivors include his wife, Martha; three sons, Mark of Seagraves, Mack of Lubbock and Michael of Petersburg; three brothers, L.M. Jr. of Bryan, W.D. of Frederick, Okla., and Gerald of Abernathy; two sisters, Florine Patterson of Abernathy and Bobbie Jane Attebury of Tulsa, Okla.; and two grandchildren.

Ida Zeman

Curtis Hall

Services for Curtis R. Hall, 62, of Petersburg were at 3 p.m. Friday at First United Methodist Church in Petersburg, with the Rev. Jerry Kunkel, pastor, officiating. The Rev. Murry Brewer of Midland will assist.

Burial was in Petersburg Cemetery under the direction of Chambers Funeral Home.

Hall died at 7 p.m. Wednesday at Central Plains Regional Hospital in Plainview after a brief illness.

The Brinkman, Okla., native moved to Abernathy in 1925. He had lived in Petersburg since 1959. He owned and operated Hall's Welding. He was a veteran of World War II.

Survivors include his wife, Martha; three sons, Mark of Seagraves, Mack of Lubbock and Michael of Petersburg; three brothers, L.M. Jr. of Bryan, W.D. of Frederick, Okla., and Gerald of Abernathy; two sisters, Florine Patterson of Abernathy and Bobbie Jane Attebury of Tulsa, Okla.; and two grandchildren.

A. C. Harris, Sr.

Services for A.C. Harris Sr., 80, of Abernathy were at 2 p.m. Sunday at the Abernathy Church of Christ with Condy Billingsley officiating, assisted by Glenn Reagan.

Burial followed in the Abernathy Cemetery under the direction of Chambers Funeral Home in Abernathy.

He died Friday in the High-Plains Hospital in Hale Center after a brief illness.

A native of Tecumseh, Okla., he moved to Cotton Center in 1941 where he farmed northwest of Abernathy. He married Elizabeth Cook on Nov. 29, 1924. He was a veteran of World War I and member of the Church of Christ.

Survivors include his wife; two sons, Johnnie of Dallas and A.C. Jr. of Abernathy; two daughters, Maxine Weeks of Rialto, Calif., and Gerry Mosely of Mena, Ark.; three sisters, Beatrice Hidcox, Lucille Parker, and Mary Jones all of Tecumseh, Okla.; 12 grandchildren; and 11 great-grandchildren.

L.E. Condray

Services for L.E. "Les" Condray, 70, of 5206 8th St. were at 4 p.m. Tuesday at the Redbud Baptist Church with the Rev. Bill Lacy, pastor, officiating.

Burial was in City of Lubbock Cemetery under direction of Rix Funeral Directors.

Condray was found dead at his home Tuesday morning. Judge L.J. Blalock ruled the death was of natural causes.

The native of Waxahachie was raised in Wills Point and moved to Lubbock in 1932. He married Bertha L. Stevens on Nov. 6, 1935 in Lubbock.

He was a retired clerk for the Santa Fe Railway for 32 years before retiring in 1974. He was a member of the Brotherhood of Railway Clerks and Redbud Baptist Church.

Survivors include his wife; a son, Mickey Eugene

of Lubbock; a daughter, Jodie French of Tucson, Ariz.; three brothers, R.L. of Fredericksburg, Clint of Abernathy, and Kenneth of Plainview; two sisters, Lucille Killgo of Eules, Ann Payne of Bowie; and three granddaughters.

Pallbearers were Jake Faulkner, Tom Bourland, Jim Bulen, and Al White.

Mabel Smith

Services for Mabel Smith, 81, of 4403 74th St. were at 11 a.m. Tuesday at Resthaven Chapel with the Rev. Eugene Buchanan officiating.

Burial was in Resthaven Memorial Park under direction of Resthaven Funeral Home.

She died at 9:45 a.m. Sunday at Quaker Villa Nursing Home after a lengthy illness.

She moved to West Texas in 1938 and to Lubbock in 1959. She was born in Noah, Ga.

She was a member of First Baptist Church in Smyer.

Survivors include six daughters, Bea Miles of Arlington, Juanita Overstreet of Oklahoma City, Dorothy Hicks of Wylie, Catherine Crane of Pontotoc, Miss., Donnie Clark of Lubbock and Polly Hobgood of New Deal; two sons, Curtis of Hurst and Marshall of Midwest City, Okla.; 26 grandchildren; and 25 great-grandchildren.

MOST FALLS FOR OLDER ADULTS occur between the bed and bath, so "think safety" in these areas, advises Dr. Peggy Owens, a housing and home furnishings specialist with the Texas Agricultural Extension Service.

Safety features that help avoid falls include grab bars and non-skid surfaces in the tub or shower.

A broken air conditioner can be the best thing that ever happened to your household budget.

Your air conditioner breaks down. You have several choices. Repair. Replace. Buy a whole new system. All major investments. Southwestern Public Service Company suggests that you consider a more efficient alternative.

Consider the electric add-on heat pump. The add-on heat pump is a very special air conditioner that works with your present furnace. Besides cooling your home in the summer, it helps heat your home in the winter.

You can save money. Because the heat pump is one of the most efficient ways to heat and cool, you can save money. Call us to see what your savings can be.

Together, we can save more than money. The add-on heat pump is one more example of how you can work with us as a partner to help manage electricity more effectively. Together, we can make a difference.

You and SPS, partners managing electricity, make the difference.
