

Lockney Man Injured In Train-Truck Collision

A Lockney man was injured when the truck he was driving collided with a train at the intersection of Texas Street and the railroad track in Abernathy Monday morning.

Sidney Howard Ray, 25, of Lockney, was headed east when crossing the tracks to pick up some soybean seed at Coop Grain. He didn't see the train coming until he got on the tracks. At that point, he floored the truck to try to avoid the train, but it was too late to get the entire truck trailer across the tracks.

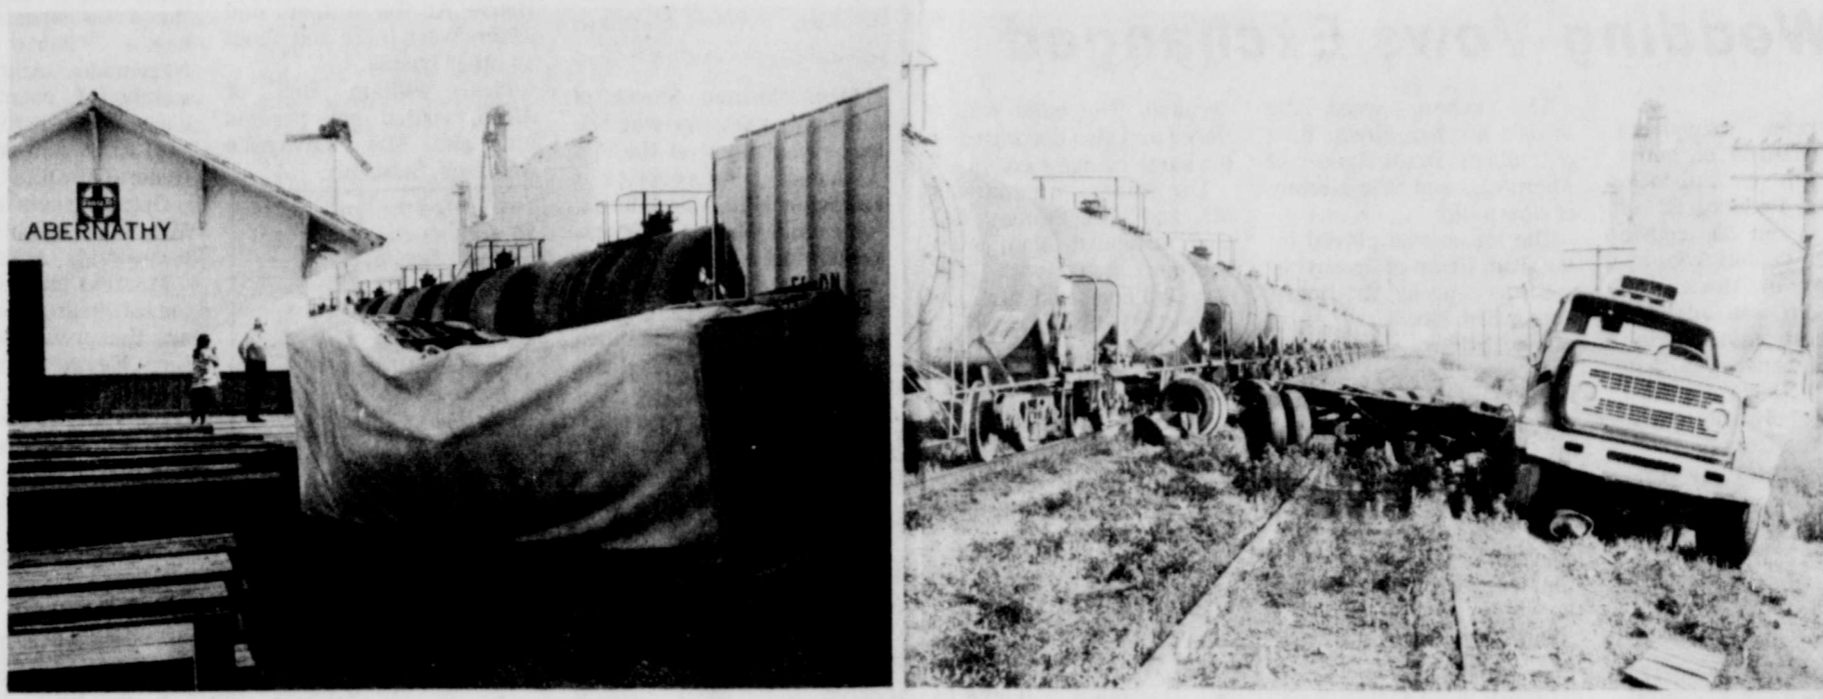

The train hit the trailer of the truck going 49 miles per hour. The impact of the collision separated the trailer from the cab of the truck. The cab ended up on the east side of the tracks and the trailer on the west side.

The cab was battered, but Ray was able to get out and get away from the cab, which was leaking diesel at a fast rate with the engine still running.

He was taken to Lubbock General where he was treated for a cut knee, bruises and lacerations from the wreck. Ray stayed in the hospital over night for observation and was released Tuesday.

A man who talked to Ray following the accident stated that Ray said several times "I'm glad to be here" and expressed his thanks for even being alive.

Police Chief Raymond Naron issued Ray a ticket for failing to yield right-of-way to a train.

TRAIN TRUCK COLLISION at the intersection of Texas Street and the railroad tracks near Coop Grain. In the left photo, is the trailer of the truck, which was separated from the cab by the train and left on the west side of the tracks. In the right photo, is the cab and part of the trailer hitch that was separated and left on the east side of the tracks. (Review Photo)

First Day Of School Aug. 30

Classes for the 1982-83 school year will begin August 30 at Abernathy Schools.

Registration for the 1982-83 school year for grades K thru 5th will be Thursday, August 26 from 9:30 a.m. to 12:00 noon in the Elementary building. Students who will be enrolling in Abernathy Elementary School for the first time will need to bring their birth certificate and shot records.

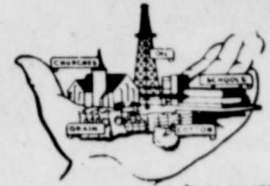

New students registering for the 6, 7, and 8th grades, (those not attending Abernathy School at the end of the 1981-82 school year), may enroll from 9 a.m. to 4 p.m., except at noon, in the principal's office.

High School students who are new or who did not pre-register, can do so any time before school starts.

ABERNATHY WEEKLY REVIEW

25¢

"IN THE PALM OF THE PLAINS" VOLUME 61 NO. 39 THURSDAY, AUGUST 12, 1982 [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

School Board Accepts Milk, Gas And Fleet Bids

The Abernathy School Board met Monday night at 8 p.m. to discuss bids, resignations and other important items on the agenda.

All members were present, except for Bud Rhodes. The invocation was given by Thomas Pettit and the minutes of the July meeting were approved.

Student Handbook Changes

High School Principal Mitch LeMoine was present to discuss changes and additions to the student handbook. A statement prohibiting the use of drugs and alcohol on school premises was added to the school handbook. It was also brought to the attention of the board that there was a need for a statement saying that lockers belong to the Abernathy School District. Therefore, lockers can be searched by school officials if there is a need to and there won't be any problems with students claiming that the school has no right to search them. These additions to the handbook were approved.

A board member stated that there was another sentence in the handbook

he would like to change. The sentence reads "Public display of affection will be restricted". The board agreed to his recommendation that the phrase be changed to "Public display of affection will not be allowed".

Milk Bid Accepted

A milk bid was accepted with Bell following an examination of two bids submitted to the board by Bell and Borden. The bid submitted by Bell was .25 cent cheaper on lowfat chocolate milk and 1 cent cheaper on lowfat milk. Both companies had homogenized milk, 1/2 pint, priced at 16.5 cents a carton.

Gasoline Bids

Gasoline bids given by Consumers Fuel and Sixty Six Butane and Fertilizer were examined. The board accepted the bid given by Sixty Six Butane and Fertilizer for \$1.12 per gallon, plus any increase or decrease.

Fleet Policy Bids

Fleet policy bids were accepted last month and were submitted to the board

by two firms, Hubbard Insurance and Hale County Farm Bureau of Plainview. The bid given by Hubbard Insurance Agency for \$4053 was accepted over the bid given by Farm Bureau for \$5064.

Secretaries Sick Leave

School Secretaries were granted five days sick leave and they will be allowed to accumulate up to 60 sick leave days. When eligible to retire, considering that a teacher has fulfilled school requirements to retire, she will be reimbursed for her accumulated sick leave days at \$20 a day for the first 20 days, and \$10 a day for all other days up to the maximum of 60

sick leave days allowed.

Resignations

The board went into executive session to discuss personnel changes. Jimmy Thomas resigned as an elementary teacher. Jane Murray will be moved to this position and will teach the third grade.

Resignations were accepted for Vivian Davis, Carolyn Croslin, Melissa Long and Janabeth Spradling all from the Honda program at Hale Center.

Rene Wells was hired to teach kindergarten.

Other Business

The board approved three stock shows for the 1982-83 school year. Abernathy students will be allowed to participate in the Dallas Stock Show in October, San Antonio in February and Houston in February.

Thursday, August 19 was set as the date for a public hearing on the proposed 1982-83 school budget.

Cotton Council Officials Answer Farmers Queries

EDITOR'S NOTE: The following article was taken from the Paducah Post. A meeting was held in Paducah last week concerning disaster payments for farmers whose crop prospects have been wiped out by the weather this year. Representatives from the National Cotton Council, U.S. Department of Agriculture, attended the meeting to answer questions farmers might have.

The following were some of the questions most asked by farmers, and the answers provided by the Council.

1. Who is eligible for disaster payments? Disaster payments will be paid only to producers signed up and participating in the reduced acreage programs.
2. Is there a limitation on disaster payments? There is a \$100,000 limitation for combined Cotton/wheat and feed grain disaster payments. In addition to the disaster limitation, there is a \$50,000 limitation on the deficiency payments.
3. Where will checks be written? Checks will be written at the local ASCS office.
4. Can the producer decide not to

carry his crop thru to harvest - plow it up and file for total disaster payment? Yes, if the producer does not think his crop is worth carrying thru to harvest, then he should go to the ASCS office and file Form 574 showing zero production & receive the disaster payment.

5. How does producer get paid? Producer must go to ASCS office and have his acreage certified if he has not already done so and at the same time file a Form 574.

6. When does producer get his disaster payment? On any acreage that has been totally lost, then he will be paid as soon as the ASCS office can process the paper. If there is no totally lost acreage, then the disaster payment will be figured after 1982-83 production figures are known.

7. Can producer receive disaster payment on a portion of his total planted acreage? Yes, if a farm has any totally destroyed acreage, then the producer can file and get paid on the acreage. The acreage which is carried thru to harvest will have the disaster payment figured after final production is known.

8. Does producer get both disaster and deficiency payments? Yes, but any pounds figured at the disaster rate will be deducted before figuring the deficiency payments.

9. What is status of saved acres? The producer must wait till final production figures are in before any disaster payment can be calculated.

10. Will feed grains be eligible for support? If the farm has a feed grain base and the producer signed up to participate in the feed grain acre reduction program and the total acreage now planted does not exceed that allotted under the program, then the feed grain produced is eligible for the government loan.

11. Are soybeans eligible for the loan? Yes, for there is no acreage reduction program for soybeans.

12. Can acreage which could not be planted be eligible for disaster payment? Yes, there is a prevented planted program and for cotton, the payment rate is 20.5 cent/lb. Check with your ASCS office for details.

Chamber Discusses Santa Fe Depot

The Abernathy Chamber of Commerce met Thursday, August 5 at 7 a.m. for breakfast and to discuss several important items of business.

Condy Billingsley and Cliff Newton prepared breakfast for 19 chamber members and one guest, Hilda Cannon.

Minutes of the July meeting were discussed. The Chamber will sponsor the EMT class, which started recently with nine students attending. The Chamber agreed to sponsor Patrick Lewis' trip to Camp Soroptimist at a cost of \$175. The Lions Club will pay the other \$175 for his trip. Also at the July meeting, the Chamber agreed to give the IOOF Lodge the \$438 in the Abernathy Cemetery Improvement Fund.

The minutes of the July meeting were approved and the finance report was discussed.

Sunshine Group

Thursday, August 19 is the next meeting of the Sunshine Group at the Community Center. The program is at 11 a.m. Bro. Ken Horn and wife have charge of this program. They both sing and play and will have an interesting program.

Lunch is at 12 noon. Everyone is invited to come

The Chamber received a letter from the Texas Railroad Commission which stated that the Commission had given Santa Fe Railway Company permission to close the depot here.

Santa Fe now has three options for the depot: (1) tear it down and remove it, (2) put it up for bids, or (3) donate it to Abernathy.

Therefore, Chamber members Keith Tooley and Arno Struve will write letters to Santa Fe stating that Abernathy would like to have the depot and that the Chamber will preserve and conserve the building in its present state.

A committee was named to research how the depot could best be utilized, where it could be moved to, how moving the depot could be financed, applicable tax breaks, etc. Those named to this committee are Ruth Fulton, Diana Phillips, Hilda Cannon, Rod Ellis and Hoppy Toler.

The Chamber decided that the proposed use will be to preserve the building as it is to be possibly used as a meeting place for groups such as the boy scouts and other groups.

The Chamber will wait for a decision by Santa Fe on whether to grant Abernathy the depot, before making extensive plans for the use of the building.

Another committee was named to research the popularity of the 4th of July celebration held each July. Not as many people stayed to eat dinner this year and the Chamber is wondering if the celebration was up to their expectations. The committee will ask locals how they feel about the celebration and what events they would like to see take place for the 4th of July. On this committee is Keith Tooley, Betty Neve, Diana Phillips and Dale Thickstun.

The Chamber sponsored bumper stickers "Abernathy A Good Place To Live", are not selling as well as the Chamber had originally planned. 22 bumper stickers have been sold so far.

The community brochures will be ready soon, as there was a delay following a decision by the Chamber on whether to have them printed or not.

The souvenir bags will be delivered to the Chamber soon. These are trash bags that will be given away free, by the Chamber, to guests who visit here.

Chamber President John Hale will name those on the breakfast committee for the September meeting.

Diana Phillips stated that the Chamber needs to start thinking about the Octoberfest Celebration now and start planning for it. The meeting adjourned.

Call Helen Wade and she will put all of your interesting personal news items in her "This and That" column. Help us include all YOUR newsworthy events with a phone call to the Review...298-2033.

A 10-YEAR-OLD protested vigorously when his mother asked him to take his younger sister with him when he went fishing.

"The last time I took her with me," he said, "I didn't catch a single fish." "Well," his mother said, "I'll talk to her. I promise you, this time she won't make any noise." "It wasn't noise, Mom," the boy said. "She ate all the bait."

FOOD FOR THOUGHT...No matter what may be your lot in life, build something on it.

Life bores only when it has no purpose.

The thoughts we think, the acts we perform, the motives we follow, shape our faces.

Those who wish to sing always find a song...Swedish Proverb.

Borrowed

THERE WAS SOME GOOD ADVISE given to an Ann Landers writer recently in her column. The person writing to her was concerned about a person in the family who smoked and chewed tobacco. They were wondering just how hazardous these two practices are to the human body.

Ann answered the letter with the following information...Dr. Wyngaarden sent me the results of recent studies. And here are the facts gleaned from those studies and consultation with a physician at the Portes Cancer Prevention Center in Chicago.

Tobacco that is smoked is the main cause of cancer deaths in America. While chewing tobacco is somewhat less lethal than smoking it, it is far from harmless. It is, in fact, one of the major factors in cancer of the tongue, gum and cheeks.

This isn't advice given by Ann Landers, but two specialists who have studied the causes of cancer most of their lives. I don't hold anything against smokers or chewers, but I do think it is necessary every once in a while to remind loved ones that these two practices can cause the much dreaded and fatal disease...Cancer.

Cunningham Wins Race

Bobby Cunningham won first place in a 5 mile road race sponsored by the Nichols Health-Fitness Center and Plainview Athletics.

The 42-year-old Abernathian averaged 5 minutes 56 seconds per mile in posting a winning time of 29:39, despite the upper-80 degree temperature.

Cunningham defeated 19 other runners in the race held at Plainview Tuesday, August 3. He out-ran runners from Plainview, Lubbock, Amarillo and Tulia. He was way ahead of the whole bunch defeating even the second place winner by over 1 minute.

Bird-Stark Wedding Vows Exchanged

Wedding vows were exchanged by Eunice Karen Bird and Mr. Aaron Stark at 6 p.m. Friday, August 6 at the First Baptist Church in Lorenzo. The officiating minister was Dr. Fred Meeks, current pastor of the First Baptist Church of Plainview.

The parents of the bride are Mr. and Mrs. Herschel Bird of Lorenzo and Mr. and Mrs. E.W. (Joe) Harkey of

New Deal.

The brides attendants were her matron of honor Teresa Cain of Lubbock, Mrs. Rene Pendergraft of Abernathy, and her cousin Miss Dawn Waldorf from Albuquerque, New Mexico.

The groom was attended by his best man, Brian Malone of Andrews, Jim Fritzier of New Deal, and Neal Stark of Abernathy, brother of the Groom.

The ushers were the bride's brother, Kevin Bird of Lubbock, Brent Harkey of Abernathy and Eric Harkey of Abernathy.

The music was played by Mr. Tom Brian of Crosbyton and was sung by Mr. Barry Cantor of Lubbock.

The brides dress was fashioned by her cousin, Mrs. Robert Silvers of Albuquerque, New Mexico. It was made of satin with a lace bodice that had seed pearls outlining the high waist with gibson girl style sleeves. It had an attached mini-train with lace around the edges.

The flowers for the wedding were made of silk and arranged in the colors of the rainbow-blue, pink and

Snodgrass Reunion Held At Lake Whitney

The last Friday of July, Mrs. H.G. Preston joined two of her brothers, Hugh Snodgrass of Dallas and Weldon Snodgrass and their families, at the party house of Rocky Creek Lodge at Lake Whitney.

Two of her sons, Grady and Norman and their fami-

lies were also present.

Sunday, the Preston families drove to Arlington and went to "Six Flags" the following Monday.

Lakeview Locals

By Mrs. Norman Matthews

Mrs. Norman Stover of Lawton, Oklahoma was the featured speaker at the last Wednesday nights service at Lakeview Methodist Church. Mr. and Mrs. J.C. Montgomery of Lakeview, attended Sunday service at the First Assembly of God in Lubbock. They had lunch there and then had a fellowship for one hour.

Mrs. N.J. Fred spent the weekend in Lubbock with relatives.

Mrs. Oleta Gilmore and

Mrs. Preston also visited Mrs. Grady Box while in Arlington. Mrs. Box had traveled to Scandinavia with Mrs. Preston in June.

Mrs. Norman Stover attended the Driver Family Reunion Sunday, August 8 in Lubbock in the Mahon Party House. All the brothers and sisters were there and about 30 other people.

Mrs. William Bell of Afton, visited her parents Mr. and Mrs. Lawrence Amerson, Saturday.

Lyndon B. Johnson was the first President to be sworn into office on an airplane.

Mr. and Mrs. Albert Ambrose of Abernathy are the proud parents of a baby boy, Alberto Niccolo Naccarato Ambrose. He weighed 7 pounds and 12 ounces. He was born August 1 at 5:18 a.m. in Lubbock General Hospital.

Grandparents are Mr. and Mrs. T.N. Teeter, Sr. of Russellville, Arkansas.

Mr. and Mrs. Brent Newton of Beardstown, Illinois are the proud parents of a son, Kevin Terrace, born August 6. He weighed 7 pounds and 15 ounces.

Grandparents are Cliff and Wilma Newton of Abernathy.

Mr. and Mrs. Mike Carter of Shallowater, are proud to announce the birth of a son weighing 11 pounds 4 ounces at 4:41 p.m. Monday, August 2 in Methodist Hospital.

Mr. and Mrs. Billy Robinson of Abernathy, announced the birth of a son weighing 7 pounds 15 1/2 ounces at 12:23 p.m. Monday, August 2 in Methodist Hospital.

Congratulations to Mr. and Mrs. Frank Rippetoe of Abernathy on the birth of a daughter weighing 4 pounds 15 ounces at 8:21 a.m. Tuesday in Methodist Hospital.

Irises take their name from Iris, the Greek goddess of the rainbow.

Mrs. Aaron Stark

Rohan-Richerson Engagement Announced

Mr. and Mrs. John E. Kveton are pleased to announce the engagement of their daughter, Julie Rohan, to Roy Richerson, eldest son

of Mr. and Mrs. Truman E. Richerson.

The couple will be married August 14 at the County Line Baptist Church.

This and That

By Helen Wade

Terry Poage of Midland, spent several days with her grandparents, Mr. and Mrs. O.B. Pope, and visited her great-grandmother, Mrs. Alice Cook, while she was in Abernathy.

Louisiana, attended the Snyder Reunion in Lubbock Sunday, August 1 at Precinct House #1.

About 55 kinfolk came out for the day of eating and visiting.

Chad Douglas of Abernathy, flew to Richardson to visit Noel and Wilma Johnson. He visited with them a week and returned last week to Abernathy.

Bro. R.C. Hester of Idalou, will be the guest speaker at the Brotherhood Breakfast Saturday morning at County Line Baptist Church.

Mr. and Mrs. Melvin Johnson, Chad and Nita Douglas of Abernathy and Mrs. Sandra Clayton of Ruston,

Jerod Miller of Mustang, Okla. spent last week with his grandparents Mr and

CLASS OF 67 REUNION which was held July 3, had a large turn-out and everyone enjoyed hamburgers and homemade ice cream. Weekly Devotional

Rev. Matthew F. D'Souza

"If you want to avoid judgement, stop passing judgement. Your verdict on others will be the verdict passed on you. The measure with which you measure will be used to measure you" (Matt. 7: 1,2).

What does lead people to judge others rashly? It is usually due to the fact that people interpret the intentions, words and deeds of others wrongly. For example, when we see a

person who is truly humble, we may be inclined to conclude that he is weak or cowardly. When we see one who is truly devout in the practice of his religion, we may be tempted to conclude that he is a hypocrite.

Our words and actions are extensions of our thoughts. As our hearts is, so are our judgements. And there is nothing more common or more natural than to measure others by ourselves.

Bradley-Pearson Wedding Vows Exchanged Aug. 7

Miss Vicki Jenee Bradley and David Wayne Pearson exchanged wedding vows August 7 in First Baptist Church of O'Donnell at 7:00 p.m. Calvin Partain of Crestview Baptist Church of Farmington, New Mexico performed the double ring ceremony.

Parents of the bride are Mr. and Mrs. James Sprules of New Deal and Jim Bradley of Houston. Parents of the groom are Mr. and Mrs. Kenneth W. Pearson of O'Donnell.

Given in marriage by her father, the bride wore a white wedding gown of organza. The dress had a scoop neckline and shepherd sleeves which were trimmed in matching lace and crystal pleating. The front center skirt was fully pleated and bordered in re-embroidered chantilly lace. The side and back skirt was all over chantilly lace which extended into a full chapel train. The chapel length mantilla was bordered in matching

lace. The organist, Terri Phillips, was from Lubbock and the soloist Larry Duncan from Tahoka.

Matron of Honor was the bride's sister, Sherry Burgess of Amarillo. Bridesmaids were: Tonya Blankenship, the bride's sister of New Deal; Eleanor Rains of Lubbock; WyDonna Stephenson of New Deal and Julie Evatt of Lubbock.

The Matron of Honor and bridesmaid's dresses were light apricot. The dresses were a Southern Bell type, off the shoulders with a sash at the waist. In their hair they wore a halo type caplet with ribbons down the nap of the neck.

The groom's niece, Katie Duncan of Tahoka, was flower girl. The candlelighters were: Steve Bradley, brother of the bride, of Abernathy; and Brent Jones, cousin of the bride, of Lubbock; and Bill Burgess was ring bearer, nephew of the bride, of Amarillo.

Jimmy Popnoe of O'Donnell was best man. Groomsmen were: Tracy Evatt, Berwin Rains, Tommy Harris, all of Lubbock and David Blair of Artesia, New Mexico.

Those serving as ushers were: Olan Howard, O'Donnell; Mike Haney, Lubbock; Jody Moore, Houston and Tony Whitehead of Fort Worth.

The male attendants and groom attire wore a traditional gray classic stroller. They wore stiped pants with a black band tie and white shirt with a winged collar.

The bride's cake was a three layer with wedding bells on the top and had peach colored roses on the cake and the groom's cake was a chocolate with German chocolate inside.

The reception was held in Fellowship Hall of First Baptist Church of O'Donnell.

The bride is employed by Greem Tree Acceptance, Inc. She is a graduate of New Deal High School and attended Texas Tech.

The groom is a graduate of O'Donnell High School and Texas Tech. He is employed by Pearson and Son Farming.

The rehearsal party was in the Fellowship Hall of the church.

The bridesmaid luncheon was at Tara Restaurant in Lubbock.

After a wedding trip to Lake Tahoe, the couple will make their residence in Lubbock.

Mrs. David Wayne Pearson

Former Abernathian Killed In Wreck

Mrs. Janita Oswalt, 37, of Graham was killed in an auto accident in Fort Worth, Sunday. Her son, Chris, was at Fort Worth Hospital in ICU Tuesday, and was in very critical condition. Chris is the grandson of Mrs. L.Q. Oswalt of Abernathy. They lived here last year and Chris went to Abernathy Jr. High last year.

It was later found out that Chris died at the hospital. More information on this accident will follow in next weeks edition of the Review.

This was a car-pickup truck accident Sunday that killed five people and five other persons were injured in the accident on Interstate 20 about 5 p.m. The Department of Public Safety said a pickup slammed into the rear of the car.

New Deal News

by Sharla Attebury

Happy Birthday this week: Terri Williams, Sheryl Rieken, Willard Abercrombie, Ricky Connors, Tony Galbraith, Angie Taylor, Jean Fairman and Joyce Markham.

Happy Anniversary this week: Mr. and Mrs. Fred Hale, Mr. and Mrs. Reiner Obenhaus, and Mr. and Mrs. Raymond Sherman.

SCHOOL REGISTRATION The New Deal School registration will be Wednesday, August 25. The registration time for different grades follows: 9th grade--2:30 to 4:00 p.m. 10th grade--1 to 2:30 p.m. 11th grade--10 to 11:30 a.m. 12th grade--8 to 10 a.m.

School will start Thursday, August 26 with classes starting at 8:30 a.m. Get ready kids, that time is almost here again!

ATTENTION LION FOOTBALL FANS Football season is just around the corner and that means New Deal Lions football. There will be an intrasquad football game, Saturday, August 14, starting at 10:30 a.m.

On August 19 (Thursday) the Lions will host a scrimmage with the Hart Longhorns starting at 6 p.m. The J.V. Teams start the action following the scrim-

mage. The Athletic Boosters are sponsoring an ice cream and sandwich social for all New Deal athletes and parents.

On August 26 (Thursday) the Lions will host the Lockney Longhorns in another scrimmage, with the JV teams starting play at 6 p.m. For more information about the social after the Hart Scrimmage, or the Booster Club, contact Veda Voyles at 746-5443.

Everyone is invited and encouraged to attend all scrimmages and regular season football games. Support the Lions with all your might and the Lions will reward you with a football team you'll be proud of! Go Lions-We Love You!

New Deal Volunteer Fire Department News New Deal was represented by three volunteers at the Brayton Fireman Training Field July 25 thru 30 at College Station. The fireman school is operated by Texas A&M University. Terry Martin who is Fire Chief with New Deal's volunteer fire department, attended the Firefighting III course, which involves fire ground strategies and tactics.

Randy Teeter, Assistant Chief, and Rick Pledger attended the Firefighting I course, which is combined operations. This is fighting structure fires, learning pump operations, ladders, hose evolutions, hose loads, protective clothing, breathing apparatuses, sprinklers, and portable extinguishers.

With the many dangers of fires, these men took their time and expense to take the week-long course for the purpose of teaching our other firemen and letting people know how serious this business is.

Abernathy Cheerleaders Attend Cheerleader Camp

The cheerleaders from Abernathy High School in Abernathy were among more than 258 participants in the 1982 Big Country Cheerleader Camp held on the campus of Hardin-Simmons University in Abilene June 14-18.

The five-day camp was conducted by Southwest Camps of Cisco, with Mr.

Cathey Grimsley

Graveside services for Cathey Ann Grimsley, 18, of Abernathy were at 10 a.m. Friday in the Abernathy Cemetery with the Rev. Lloyd Riddles of the First Baptist Church of Abernathy officiating.

Burial was under direction of Chambers Funeral Home of Abernathy.

Miss Grimsley died at her home Thursday morning after a long illness.

She was born in Lubbock and was a lifelong resident of Abernathy. Survivors include her parents, Mr. and Mrs. Larry Grimsley of Abernathy; four brothers, Billy, Jerry, Bobby and Mike, all of Abernathy; her maternal grandmother, Mrs. A.L. Stone of Abernathy; and a paternal grandmother, Pearl Grimsley of Abernathy.

Alleyene Smith

Services for Alleyene Smith, 66, of Rt. 2 Abernathy, were at 1 p.m. Tuesday at Lone Star Baptist Church in Hale Center with

Their knowledge is for the fireman's own protection as well as ours. The volunteer fire department has recently purchased a 1978 GMC, 1 ton, 4 wheel heavy duty.

New Deal's Volunteer Fire Department officers consist of six men: Terry Martin, Chief; Randy Teeter, Assistant Chief; C.L. (Red) Phillips, Secretary-treasurer; Rick Pledger, training officer; Basil Agnew, President and Duane Markham, Vice-president. Other volunteer firefighters are: Marvin Kelly, Bennett Massey, JC (Corky) Teeter, Bryan Taylor, Jeff Parrish, Jim Roberds, Ray West, Larry Stephenson and Alvin Stofel.

Howard Steer Places First At Fredricksburg

July 29, 30, 31 five 4-H club members and their parents from Hale County participated in the Garretson Show Steer Fitting School, Garretson Market Steer Show and Garretson Prospect Show at Fredricksburg.

There were 764 head of steers exhibited. 4-H member Lonnie Howard, Abernathy, placed fourth in the middle weight class in the Market Steer Show. Lonnie also placed first in the middle weight Chianina Class in the Prospect Show. D'Ana Howard, also of Abernathy, placed sixth in the heavy weight Maine Anjou Class in the Prospect Show.

Brent Hamilton, Plainview, placed tenth in the heavy weight Charolais Class in the Prospect Show.

Eris Ritchie as camp director. Instructional staff and program were supplied by the National Cheerleaders Association.

The cheerleaders were taught new cheers, chants, stunts, and spirit ideas from a six-member NCA staff headed up by Liz Kiper, former head cheerleader of the University of Oklahoma.

Also attending Friday afternoon and Saturday were Mr. and Mrs. Charles Dodson and daughter Pepper, and County Extension Agent Ollie Liner.

THE VARSITY CHEERLEADERS received two superior ribbons and one outstanding as well as a spirit stick at Cheerleader Camp recently. Pictured are from top to bottom are: Terri Gist, Susan Stone, Mendy Tennell, Jackie Riddell, Regina Powell and Kellye DuBose on the bottom.

TRANSITION

the Rev. John Boyd, pastor, officiating. Burial followed in Hale Center Cemetery.

She died at 12:05 p.m. Friday at High Plains Hospital in Hale Center after a brief illness.

She was born in Wynne-wood Okla., and had lived in the Hale Center area for 27 years. She married Norris Smith on Dec. 26, 1966 in Littlefield.

She was a member of Lone Star Baptist Church, where she had served as Worthy Matron of the Eastern Star and President of Baptist Missions. She was a member of Herald Court 126.

Survivors include her husband, three sons, Montey of Lubbock and Stacey and Lacy of Abernathy; a grandson, Wayne Brewster; a daughter, Karen of Oklahoma City, Okla.; and two other grandchildren.

Merton Infant

Graveside services for the infant son of Mr. and Mrs. Stephen Merton of Lubbock, were at 3 p.m. Monday at Resthaven Memorial Park with the Rev. Clifton Igo, pastor of Second Baptist Church of Lamesa, officiating.

Burial was under direction of Resthaven Funeral Home.

The boy was stillborn Sunday morning at Community Hospital in Lubbock.

Survivors include his parents, Mr. and Mrs. Frank Merton of Lubbock

and Mr. and Mrs. Fidel Lare of Shallowater.

Joy Wise

Services for Joy Wise, 72, of Denver City were at 10:30 a.m. Thursday at the Church of Christ in Denver City with Tommy Allison, minister, officiating.

Burial was in Denver City Memorial Park under direction of Singleton Funeral Home.

Mrs. Wise died at 2:15 a.m. Tuesday in Yoakum County Hospital after a sudden illness.

She had been a resident of Denver City for 35 years after moving from Phoenix, Ariz. She married John Wise April 4, 1966, in Hollis, Okla.

Survivors include her husband; a daughter, Mona Dell Ham of Denver City; three sisters, Jewel Henry of Pine, Ariz., Fay Agnew of New Deal and Von Ligouri of Lubbock; four brothers, Jimmy Clark and Harold Phoenix and Burt of Tollison Ariz.; Three grandchildren; and a great-grandchild.

Janie Darnell

Services for Janie Darnell, 39 of Arlington were held this week. Mrs. Darnell died Sunday after a lengthy illness. Darnell was born in Arlington, July 20, 1943. She attended school in Haskell.

She is survived by her husband John; a son, Jeff, of the home; her parents, Mr. and Mrs. J.H. Joutet of Shallowater; a brother John Joutet, of Old Glory; a sister Cindy Rackler of Shallowater; and her grandmother, Macy Lucas of Vernon.

Reagan's Decision On LTA Severe Blow To U. S. Grain Producers

The United States missed a prime opportunity to negotiate a favorable long term grain agreement with Russia this year, according to Elbert Harp, Executive Director of Grain Sorghum Producers Association. President Reagan decided to block negotiations of another long term grain agreement with the Soviets at this time because of their involvement in the martial law crackdown in Poland.

"The 1982 Soviet grain crop is the smallest in recent years," Harp said. "It has suffered severe damage because of adverse weather conditions throughout much of the grain producing area. Russian imports of grain may exceed 40 million metric tons during the next year."

"It is always easier to negotiate favorable trading arrangements when the buyer is in desperate need," Harp continued. "If Russia has better crop conditions

next year, it will not be nearly as easy to negotiate a favorable long term trading contract."

"After the Carter embargo of 1980, the Soviets turned to other nations with the potential for grain production, enabling those nations to develop production capabilities and seriously compete with U.S. producers. President Reagan's decision has, in effect, done the same thing. These nations: Argentina, Australia, Canada, France and others, now have the assurance of a Soviet market for their grain. They will press for maximum production to take advantage of that market."

"A long term agreement of grain sales to the Soviet Union would alleviate the pressures of burdensome surplus on the U.S. grain market. U.S. farmers are currently selling their grain at prices far below the cost of producing them. U.S. 1982

crop estimates indicate that this surplus will grow even larger this year. At the same time, U.S. grain producers' traditional and potential markets have been

handed to their competitors. The future of U.S. grain producers has once more been used as a tool for international politics," Harp said.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

JAPANESE COOK WITH COTTON: A drive to increase the use of cooking oil produced from U.S. grown cottonseed is now under way in Japan.

The initial activities include seminars for restaurant chefs and trade magazine ads stressing benefits of cottonseed oil in cooking.

In the first three of nine scheduled seminars, 357 chefs representing 157 restaurants attended. The initial advertising push included five full color pages in trade publications. Each features a chef, his kitchen or restaurant, and a Japanese meal cooked in cottonseed oil.

The project is supported by funds from the U.S. Department of Agriculture, the

National Cottonseed Products Association, and the Japan Cottonseed Crushers Association.

Cotton Council International, overseas arm of the National Cotton Council, assisted in launching the project.

COTTON IN LOAN DECLINES: Cotton in the Commodity Credit Corporation loan program declined by a net 107,356 running bales during the week ended July 21 as 172 new entries were reported along with repayments on 107,328.

Loans remain outstanding on 3,801,420 of 6,081,420 bales that have entered the program in the 1981-82 season, according to the National Cotton Council.

Cal Farley's Boys Ranch Rodeo Sept. 5 And 6

One of the most popular Labor Day events of the Texas Panhandle will be held on September 5 and 6.

This is the nationally-famous Cal Farley's Boys Ranch Rodeo with two performances scheduled in the Ranch's Rodeo Arena at that time. Ranch officials

expect approximately ten thousand people to attend the afternoon performances that will begin at 2:30 each day.

Nearly four hundred boys between the ages of five and eighteen are now at the Ranch and all will have some part in the rodeo.

About 250 will be contestants, competing for the best times on bareback broncs, bulls, steers, calves and even stick horses. The boys will ride under R.C.A. rules on professional rodeo animals. Riding clubs from area communities will appear in the Grand Entry.

An added feature will be barbecue beef plates for \$3.00 and the boys will also be operating other concessions. Reserve box seat tickets are now on sale and can be obtained for only \$3.50 by

calling 806-372-2341 or by going by the Boys Ranch office at 600 West 11th Street in Amarillo. General admission tickets for \$2.50 may be purchased at the office or at the rodeo arena.

Should Cotton Be Watered?

Several questions have been coming to the county agents office lately in regard to watering cotton. County Agent Ollie Liner states that he has been in contact with cotton specialist Dr. James Supak; weather meteorologist Oliver Newton and irrigation specialist Leon New in regard to this question.

In the agent's opinion as well as these people, cotton that was squaring a week or 10 days ago should not have any water; that this cotton should be allowed to stress some and the farmers take what he can get from this late cotton without watering and throwing it into a vegetative stage. Cotton that has been blooming for two weeks or maybe more, something that could be called close to normal cotton if there is any, could be irri-

gated probably every other row and make sure that the irrigation is complete by the middle of August.

Liner stated that cotton blooming on the 5th to 10th

of August should make an open boll in 60 days. Cotton blooming later than that takes longer for an open boll.

Cool nights and high

humidity in September causes prolonged development of cotton fibers. Not knowing the weather but knowing the age and condition of this year's crop, cotton people state that water will throw late cotton into a vegetative stage.

Strake Talk

FREE SPEECH AND THE A.C.L.U.

On May 20, 1982, U.S. District Judge John Singleton ruled that the children in Aldine schools, outside Houston, could no longer include a phrase praising God in their school song.

That made the American Civil Liberties Union (ACLU) very happy. They had been party to the suit, claiming that the song violated constitutional provisions of separation of church and state.

On July 3rd, the Supreme Court ruled that states can indeed ban the distribution of child pornography. That made ACLU very unhappy. One of their spokesmen was quoted in the press as complaining this violated the constitutional provisions of free speech.

If this all seems strange to you, perhaps it is because it is strange. The ACLU is constantly worried about the "free speech" rights of pornographers, but seemingly is on the other side of the fence when the question turns on the free speech rights of school children. One cannot escape the conclusion that the ACLU would defend the "right" of school children to distribute smut, but they would deny them the right to sing the praises of God.

And if you ever wonder where the ACLU gets the money to pursue its goals, consider this: a lot of rich people in high places give them a lot of money. Our current Lieutenant Governor Hobby, for example, held a fund raiser for them in his Houston home that raised some \$60,000. He is very proud of his efforts in this regard, defending it repeatedly while out on the campaign trail seeking reelection. That is one of the many areas where he and I are in disagreement. I think there are far worthier organizations for Texans to champion. I would appreciate hearing your thoughts. Just write me at 1213 W. 34th, Austin, Texas 78705.

Extension Service Sponsoring Soybean Yield Contest

The Texas Agricultural Extension Service in cooperation with the Texas Soybean Association and Elanco Products Company is once again sponsoring a Soybean Yield Contest, announced Ollie Liner, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

According to Liner, the contest is designed as an educational tool to stimulate interest in soybean production. Benefits include the development of worthwhile cultural information, cooperation within the industry to increase production efficiency, and recognition of individuals who achieve superior yields.

All producers interested in entering the contest must do so by September 1, points out the county agent. Entry forms and contest rules are available at the county Extension office.

Each entrant must grow at least 50 acres of soybeans and designate at least 5 acres in one block to be harvested. There may be only one entry per entire farm operation and contestants must be at least 18 years of age. Measuring of the land, harvesting and weighing of the soybeans must be supervised by a three-man County Soybean Contest Committee.

Area awards will be presented to the top three soybean growers in the Irrigated Areas, Northeast Texas and the Coastal Prairie. The state champion will then be selected from among the nine area winners. Winners will receive appropriate plaques along with various amount of Treflan or Surf-lan, depending on their placings. The state champion will receive a trip for he and his wife to Mexico.

Producers who enter the contest and produce 60 or 70

bushels of soybeans per acre will be presented certificates of membership in the Texas 60 Bushel Soybean Club or the Texas 70 Bushel Soybean Club, respectively, adds Liner.

ELECTRIC LEARNERS Eight Hale County 4-H'ers spent five days last week (July 19-23) in the New Mexico mountains, learning about electricity. Southwestern Public Service Company was host and teacher at the Scott Able 4-H Camp near Cloudcroft for groups from 18 Texas counties. This was the 20th year for the project. Instructor Randy Eminger, SPS consumer service representative in Lubbock, explained meter reading to (front row, left to right) Alecia Logan, D'Ana Howard and Tanya Tyer. (back row) Jim Bob Carver, Clifton Pinnell, Paul Barton, Ricky Clark and Tom Conerly, county agent.

Appraisal District To Meet

The Directors of the Hale County Appraisal District will meet at the Central Appraisal Office, 302 W. 8th, Plainview, Thursday, August 19, at 8 p.m. for the purpose of discussing those matters which affect the administrative, business, and personnel operations of the Hale County Appraisal District.

This meeting is open to the public, and the minutes will become a part of the public records of the Hale County Appraisal District.

Shallowater Boy Scouts News

Boy Scout Troop 515 met last Tuesday evening for their regular troop meeting. Skill awards were given to Brian Cole for completing his swimming skill award, and Kevin Gravett for completing his swimming and citizenship awards.

Fire extinguishers are in and the scouts are contacting the members of the community for purchases. The extinguishers are \$5 each and are small enough to be used in the car, boat,

trailer, home, or business. Anyone who has not been contacted and would like to purchase an extinguisher, please contact Tommy Powe, Bill Ireland, or Kathy Gravett.

Plans have been made for a campout for this coming weekend at White River Lake. The scouts will be working on their boating, skiing and fishing skill awards. This will be an enjoyable weekend for the scouts.

Saturday, August 7, the scouts and their families went to Lubbock for a night of putt-putt. There were about twenty-four who attended and played putt-putt. It was an evening enjoyed by all.

Anyone with a donation of camping equipment or any used scout clothing, please call Tommy Powe at 832-4788 or Bill Ireland at 832-4525.

Any boy interested in joining the boy scouts, please

call either Tommy, Bill, or any of the boy scouts.

HAPPY BIRTHDAY
Happy Birthday to the following Shallowater locals: Malcom Fuentes, Pat Porter, Jack Williams, Amy Cody, Chuck Collins, Rev. Rodney Howell, Jennifer Flores, David Tyree, Melissa Seale, Gary Dempsey, Louise Taylor, Bill Price, Stephanie Rackler, Dianne Lawrence, and Wayne Adkinson.

BIRTHS

Marvin and Candy Powe of Amarillo, are the proud parents of a son, Treavor Hoyt, born Wednesday, July 28 at 7:56 a.m. He weighed 6 lbs. 11 ozs. and was 18 inches long at birth. He has a brother, Landon, to welcome him home.

Proud Grandparents are Mr. and Mrs. Hoyt Russell of Paducah, and Mr. and Mrs. Bill Jernigan of Lubbock.

Great-grandparents are Mr. and Mrs. Alfred Allen of Paducah, and Mrs. Elsie Russell of Sulphur Springs, Mrs. C.M. Thomas of Shallowater, and Mrs. Pearley Powe Bearden of Lubbock.

A daughter was born to Mr. and Mrs. Lyn Fannon of Borger Monday, August 2. Monica Lynn is the granddaughter of Mr. and Mrs.

Clint Fannon of Shallowater, and the niece of Kathy Gravett.

HAPPY ANNIVERSARY
Happy Anniversary to the following Shallowater locals: Mr. and Mrs. John

Young, Mr. and Mrs. Kenneth Grissom, Mr. and Mrs. Ronald Johnston, and Mr. and Mrs. Johnny Johnson.

Boyd Group Leader At TACS Workshop In Austin

Cheryl McIntire Boyd, Kindergarten teacher at Shallowater Elementary, recently was a group leader at the annual Texas Association of Community Schools Summer Workshop in Austin. Mrs. Boyd was the leader of the Kindergarten section of the workshop and the only West Texan to be a guest speaker and leader.

Mrs. Boyd is a 1974 graduate of Texas Tech and currently a graduate student. She has taught eight years, seven in Kindergarten. Mrs. Boyd has been with the Shallowater ISD 2

years. She is a member of the Texas Association of Community Schools and Association of Texas Professional Educators.

WORD of GOD

Blessed be the Lord, because he hath heard the voice of my supplications.

The Lord is my strength and my shield; my heart trusted in him, and I am helped: therefore my heart greatly

rejoiceth; and with my song will I praise him.

The Lord is their strength, and he is the saving strength of his anointed.

Save thy people, and bless thine inheritance:

feed them also, and lift them up for ever.

County Line Chit Chats

By Faye Ann Nelson

The Shaw Reunion was held at Buffalo Lake the week of July 23 - 25. Mr. and Mrs. Chester Pierce and Mr. and Mrs. Hayden Pierce of Abernathy were hostesses with Mr. and Mrs. Freddie Shaw of County Line. They reported that 30 attended.

Mr. and Mrs. G.W. Nelson attended church in Shallowater Sunday then picked up Wayland's aunt, Mrs. Vera Shaw, in Lubbock (John Knox Village), and spent the afternoon with Mr. and Mrs. Leo White in Littlefield. Mrs. White is Mr. Nelson's sister.

We are getting to be regular weekly visitors to the swimming pool at John Knox Village. Enjoying the swimming and pizza party last week was my great niece Holly Shafer, and great nephew Pecos Shaffer, Cindy, Deena and Lori Moralez. Then this week, we took Kathy Valdez, Deena and Lori Moralez.

The kids are teaching themselves to swim, and are doing real good. I just go for the fun and exercise, as I think I will never learn to swim. I don't like water in my nose and eyes and ears. Though we could let the neighbor kids enjoy swimming before school starts next month.

London Trip Continued (Conclusion)

The guided tours to different countries is a boom to the economy of those countries as they depend on Americans to come in and spend a lot of money.

You can't help but think of "Here lived representatives of my ancestry" while traveling in England. Our forefathers left this environment and set up a new and different country in America. We are still these people's descendants, but yet they live so different from us. Where they are represents how they have adjusted to changing times right where their ancestors lived hundreds and thousands of years ago.

However, in some districts, they are abreast of the best we have. They get new medication on the market way ahead of us. Often at the risk of a lot of suffering and sometimes death. Their engineers can do as well as ours, but their production line thinkers are way back in certain lines.

As I think back I remember how primitive those countries over there once were. Now they are following right in America's footsteps and getting more modern. Colonel Sanders fried chicken, Wimpy's, McDonalds and Texas Burgers. You can see the new mixed with the old as they open up a stand among the old old buildings and modernize it. It is changing so fast.

We returned from Wales and had three days left in London so, since we had seen most of London, we went to a travel agency and asked about three day trips to France, or Holland. We were advised that France doesn't exactly care for Americans, so we decided on Holland. We signed up and was told to catch a train to the coast of England Thursday and the ship would leave at 10 a.m.

That British railway did not stop til we got to Harwich, England. We got off and the boat was there waiting. I think the name of it was Parstone Quay. We rode it all day and met hundreds of people. One couple from Africa invited us to come and visit them.

We arrived in Amsterdam about 5 p.m., started to take a taxi, and the taxi man told us our hotel was one

block from us. We walked and observed the buildings and people hurrying and scurrying around here and there. We got up the next morning and signed up for a Lindberg tour and visited the wooden shoe factory, cheese factory and saw the farms.

Amsterdam is one of Europe's most attractive cities with something for everyone. A city of canals, narrow winding streets and ancient buildings, and by

day or night, always interesting, we stayed in the "hotel terminus" which included continental breakfast.

While in Holland, we were awed by the beautiful fields of flowers, such as poppies & tulips. The Europeans love flowers and you can see men in the streets with bundles of them and they are for sale everywhere.

I think the man on the bus said in Holland it was a tradition that the men bring their wives flowers each Friday. (nice Gesture). I was amazed at the shiny windows and the lace curtains in each home or flat. The guides said that they wash those windows every week and wash the white curtains

each week. They are immaculate housekeepers and pull the shades and drapes back each morning to show the lace curtains. They said they could buy them in the stores, but most of the women make them.

There are many narrow buildings in Holland, and the country is trying very hard to overcome a housing problem in Amsterdam. On the boat tour of Holland, they showed us so many many families living in houseboats along the canals, other interesting highlights of the tour of Holland included the shoe factory, cheese factory, statuesque windmills.

There are not many left now because they are not

used to pump the water. They have modern irrigation systems for their farms. We left Saturday for London coming back on the ship and got in about 8 p.m. We went straight to the hotel and got up early Sunday morning to catch a taxi to the train station and rode the train out to Heathrow Airport and caught the plane home. Getting on the plane at 11 a.m., and sitting in our front yard at 5:30 p.m.

We look back and feel very lucky to have had the opportunity to see another country, meet all types of people, learn their ways of communication and their customs. We hope to get to go back someday and see

Former Abernathian Recipient Of "Supplier Of The Month" Award

E-Systems Greenville Division has named J.T. Turner, Inc., of Greenville as Supplier of the Month for May.

Terry Turner, owner and president of J.T. Turner, Inc., received the award from Randy Green, manager of Procurement Capital Improvements at the Greenville Division.

The supplier was cited for having completed the

other countries we missed.

foundation subcontract for a new hangar ahead of schedule.

This accomplishment was especially noteworthy in view of the inclement weather experienced this spring. Terry Turner provided suggestions which achieved the improved schedule as well as savings in cost.

The Materiel Department of the Greenville Division makes this award to recognize vendors, suppliers and subcontractors whose per-

formance has been exemplary.

Turner is a A.H.S. graduate and the son of Mr. and Mrs. Lou Turner Joer, and the late Ellis Turner. He and his wife, Lisa, and two daughters, live at #7 Nob Hill, Greenville, Texas.

A good dinner in thirteenth century China could consist of some 150 separate dishes.

NEWS OF LIBRARIES

Readable Facts & Figures
If you wanted to take a book out of the library back in 1731, the best...and only place...to be was Philadelphia. That city had the first circulating library in the United States.

Up-to-date information about public relations heads of major corporations is available in a handy book.

Today, there are tens of thousands of libraries across the nation, with more than 200,000 librarians. Nowadays, tens of millions of Americans use our libraries...many of which contain millions of books.

Among the users are students, the elderly, job hunters and the everyday brand of reader. While many of the books are for reading pleasure, many, too, are quite helpful. Books that help job hunters or businessmen who want clients, for example, are those like O'Dwyer's Directory of Corporate Communications, 1982 Edition. It lists 2,600 major companies, including all those ranked by Forbes and Fortune and all NYSE-listed companies.
The directory has the right names, the right titles, the right telephone numbers and the right addresses of public relations executives you may need to reach for any reason.

A good way to find this handy book is to call around at the libraries nearest you to see if they have it.

A broken air conditioner can be the best thing

that ever happened to your household budget.

Your air conditioner breaks down. You have several choices. Repair. Replace. Buy a whole new system. All major investments. Southwestern Public Service Company suggests that you consider a more efficient alternative.

Consider the electric add-on heat pump. The add-on heat pump is a very special air conditioner that works with your present furnace. Besides cooling your home in the summer, it helps heat your home in the winter.

You can save money. Because the heat pump is one of the most efficient ways to heat and cool, you can save money. Call us to see what your savings can be.

Together, we can save more than money. The add-on heat pump is one more example of how you can work with us as a partner to help manage electricity more effectively. Together, we can make a difference.

You and SPS, partners managing electricity, make the difference.

INSIGHT INTO EYESIGHT

J. DAVIS ARMISTEAD, O.D.
DOCTOR OF OPTOMETRY

Contacts And The Natural Look

Millions of people wear contact lenses today. Contact lenses correct vision problems, in most cases better than glasses do. But they have the advantage of giving a face a "natural" look. Unless you tell them, others would never know you're wearing corrective lenses.

They do require more care than glasses. And, like glasses, they should be prescribed and fitted by a professional. Because they float on the tears over the eye, however, extra care must be taken in keeping them clean and germ-free.

Your eye specialist will show you how contact lenses should be applied and removed. This must be done carefully and hygienically.

Both your eyes and your contact lenses should be checked periodically by your optometrist.

If you follow these rules, contact lenses will serve your corrective vision needs even better than glasses. Contact lenses give more natural vision (especially peripheral) because they are closer to the eye (in fact, in "contact" with the cornea) while glasses must be worn about a half inch away from it.

In the interest of better vision from the office of:

Pettit Named Smallwood Scholar At South Plains College

Alan Pettit of Abernathy has been named to receive South Plains College's most prestigious scholarship award. Pettit has been named a Smallwood Scholar for 1982-83 and has been awarded a \$2,000 stipend which will be dispensed over four consecutive fall and spring semesters in the amount of \$500

per semester. The awards, made possible through a bequest from John L. and Vergie Belle Smallwood, are presented annually to reward students who have demonstrated outstanding academic and leadership qualities. "Smallwood Scholars are unique students who can be expected to complete a col-

lege experience successfully," said Dr. Marvin Baker, SPC president. "They have the ability to offer dynamic leadership while on the South Plains College campus." Pettit is the son of Mr. and Mrs. Thomas J. Pettit of Abernathy. While at Abernathy High, he was active in the Fellowship of Christian

Athletes and the FFA. Students receiving the scholarship award were nominated by officials at their respective schools, and graduated in the upper 50 percent of their high school class. All in all, 43 outstanding high school graduates from the South Plains area have been named to receive the award.

Lovelace Promoted To Senior Vice President

William Y. Rice, Chairman of the Board and Bruce C. Morris, President of Town North National Bank, announced the promotion of David W. Lovelace to Senior Vice President. Mr. Lovelace joined Town North National Bank in March of 1982 as vice president and

senior lending officer. Prior to joining Town North National Bank, Lovelace served as vice president in commercial loans for the Interfirst Bank, Addison and the Corsicana National Bank. A graduate of Texas Tech University, Lovelace has also served as an assis-

tant national bank examiner for the Comptroller of the Currency and as a banking officer for the Lubbock National Bank.

Mr. Lovelace is a native of Abernathy and is the son of Mr. and Mrs. Joe B. Lovelace of Abernathy.

David W. Lovelace

Ortiz Named To LCC Dean's List

Ray Ortiz, a Freshman Pre-med major at Lubbock Christian College, was among 146 students who were named to the Dean's List for the spring 1982 semester.

It took at least a 3.50 grade point average to make the Dean's List and Mr. Ortiz compiled a 3.78 grade point average for 19 hours.

The son of Mr. and Mrs. Ray Ortiz, Sr. has a composite 3.40 grade point average for 37 hours of college work.

Of the students who compiled at least a 3.50 grade point average to make the Dean's List, 36.3 percent, or 53 made a perfect 4.00 grade point average.

nature to feel that your

sweet, loveable, domesticated pet is harmless, but the facts say otherwise. Dogs are territorial by nature and can be fiercely loyal to an owner and his or her property. That is precisely why dogs are used by military forces, police and security forces and by millions of our citizens hoping to protect their homes and property.

So, as we enter into these "Dog Days of Summer," we're appealing to all dog owners to help us protect your pets, your letter carriers and yourselves from the horrible costs of dog bites.

The procedure is a simple one. We ask that you keep your pet in a securely-fenced area, tethered in an area or other wide isolated from your mailbox and the areas your carrier uses for access to your property. I don't think that's too much to ask.

I think, in fact, it's part of being a good neighbor. And it's certainly part of being a good dog owner.

I hope you will think about that responsibility in the days ahead and help us to keep our local carriers free of the danger of dog bites.

You see, I don't have much of a sense of humor when it comes to 5,700 of my fellow postal workers being bitten by dogs. More especially when 75 percent of the Abernathy carriers were bitten this year.

I think it's a Doggone shame!

SS Rep. Coming

The Social Security representative, Janet Jelen from the Plainview Social Security office will be working in the City Hall in Abernathy from 9:30 to 11:30 a.m. Tuesday, August 17. Teleservice will save you time, energy and money! To file a claim for Social Security or Supplemental Security Income payments see the representative at the time and place listed or call collect, 806-293-4371. For assistance with other social security matters or Medicare call toll free 1-800-392-1603.

EMS MEMBERS help 25-year-old Sidney Howard Ray, of Lockney, onto a stretcher and prepare him to be taken to Lubbock General in the ambulance, following the train-truck collision near Coop Grain Monday. (Review Photo)

From The Postmaster's Desk

By Postmaster Ken Moreland

Biting dogs are a problem throughout the year. However, during the warmer days of summer, more doors are open, more pets are outside, and the frequency of dog bites increases.

How serious is this problem? Last year a letter

carrier in California died from complications resulting from a dog bite. Many others were disfigured, partially or permanently disabled. Nearly 10 percent of all injuries suffered by postal employees are dog bites. The cost of these attacks is estimated in excess of \$1 million.

I suggest to you that if I were reporting that nearly 6,000 Americans had contracted a new strain of flu virus, every news media in America would be reporting an outbreak of nearly-epidemic proportions.

I would hope that those of you that own dogs will realize you are the key person responsible for the control of your pet. I realize that it's human

is air conditioning

If you're worried about your old air conditioning system keeping your family cool next summer, think of Ruud instead.

No matter how large or small your home is, we have a Ruud Air Conditioning System that will do the job. And if inside space is a problem, we have self-contained models that work from outside your house. And we have different sized models to meet a variety of cooling requirements.

When you think of air conditioning, think of us. Ruud is air conditioning. Call us soon for a free estimate.
