

Sunshine Group Meets

Thirty-one members of the Sunshine Group met Thursday the 19th, and as usual, had a wonderful program, great fellowship and lot of food and fun.

dent, opened the meeting by asking Hilburn Barrick for the opening prayer. Minutes were read by Vera Pope and approved. The Happy Birthday song was sung to Martha Phillips & Hilburn.

Mrs. Dixie Pittman is still out, so Floyd led the singing. Dixie, we sure are missing you, hurry back. Betty Reynolds played the piano. Everyone seemed to enjoy the songs Betty and Floyd picked. We have all sung them so many times. "Hand In Hand With Jesus", "Victory In Jesus," "I'll Fly Away" and "Precious Memories", as someone remarked, "You can't go wrong with these songs."

Reita Smith had charge of the program. Her guests were Rev. and Mrs. Ken Horn, pastor of Northside Baptist Church. They were a little late, so we sang another song, then Bill Pope got uneasy about ages and informed us all he wasn't as old as Floyd. It came out that Bill wasn't old at all, nor Floyd nor Hilburn. Guess we don't have any old folks. Ken and Jan came in smiling with a refreshing and happy greeting to us all. The group has always loved having Ken and now that Jan has joined him it's so much better. They sang a

medley of songs. Jan sang a solo, "You Gave Me Love." Ken sang a solo, "Give Them All To Jesus." They sang a special song for Dixie, "A Savior is Waiting."

Ken brought us a wonderful message. He made us all feel so good telling us how great we are. Thanks Reita for a good program with Ken and Jan.

A bountiful dinner was served to the group. So glad Hilburn and Wava joined us for the day. Come back folks!

Yeager-Moore Wedding Vows Exchanged Aug. 14

The celebration of praise and joy was shared with double ring vows being exchanged by Debra Yeager, of Tyler, and Donald Shane Moore, of Alice, son of Mr. and Mrs. Donald L. Moore of Corpus Christi. The candle-light ceremony was held at 7:30 p.m. in Saint Lukes Methodist Church, Corpus Christi, Saturday, August 14. Officiating the ceremony was the Reverend H.B. Lear of Corpus Christi.

Saint Lukes Methodist Church features a cancel window given in honor of Otha Clyde Bonham. The window is a portrayal in stained and mosaic glass of the first verse of the nineteenth Psalm: "The heavens are telling the glory of God; and the firmament proclaims his handiwork."

Given in marriage by her father and mother, Mr. and Mrs. Joey Yeager of Tyler, the bride wore a floor-length gown of white silken chiffon over satin accented with French Alecon lace. The gown featured an all over lace bodice appliqued with re-embroidered lace, creating a dimensional effect. The Queen Ann neckline outlined in the re-embroidered lace was highlighted with

seed pearls. The chiffon-over-satin skirt fell to the floor; in the front, stopped by a flowing arrangement of Alecon lace touched by seed pearls, the back drifting into a chapel train. The brides matching floor length head dress was covered in the Alecon lace sprinkled with organza flower petals.

Becky Yeager of Tyler, sister of the bride, served as the maid of honor. Denise Moore of Corpus Christi, sister of the groom, served as bridesmaid. The blue batise dresses featured a bodice with off-the-shoulder ruffle trimmed with lace and ribbon. The skirt was accented with another ruffle of lace and ribbon touched with a bow to reveal the ruffles of the underskirt.

Serving as best man was Cris Garrett of Corpus Christi. The groomsmen Gary McCoslin of Corpus Christi. They wore Blue Burk tuxes. The groom was dressed in a white tux. The ushers were Darrell and Dale Boyce of Lubbock. Both are cousins of the groom.

Kristie Yeager of Arlington, cousin of the bride, carried the ring pillow made with love by Esta Boyce of Odessa, grandmother of the

groom. Joel Yeager of Tyler, brother of the bride and Lori Jackson of Corpus Christi lit the candles, while Broeck Jackson, of Corpus Christi, was the flower girl.

Guests were registered by Jill Dibble of Corpus Christi. Special music was performed by Dortha Bennett of Odessa accompanied by Dr. James Watt of Corpus Christi. Dortha Bennett sang "We've Only Just Begun", "The Wedding Song" and "The Lord's Prayer". Other music in the ceremony was select hymns of praise.

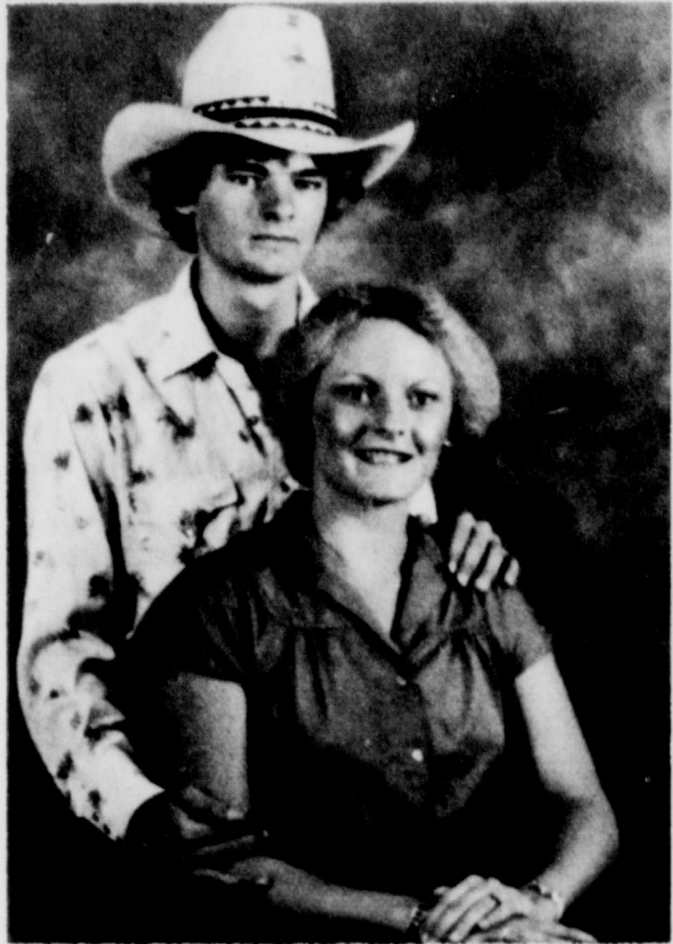

A reception followed the ceremony in the Church Parlor. Presiding at the Bride's table were Sarah Dibble of Corpus Christi and Samantha Davidson of Odessa. The cake featured a fountain and was topped with a special Bride and

Groom Bell. The beautiful cake was designed by Laura Tunches of Corpus Christi. Wedding cookies were made by Sarah Merdes of Corpus Christi. At the grooms table was Kristi Evers of Midland. The chocolate Groom's cake featured a Truck conquering the Padre Sand dunes.

The bride is the granddaughter of Mr. and Mrs. J.W. Kike of Stamford, the late Joe W. Yeager and Lucille Yeager of Granbury. The groom is the grandson of Pat Baile of Dason, La. and Esta Boyce of Odessa and the great-grandson of the late Irene Ellis of Odessa.

The brides going away was a white ioleit prairie dress trimmed in yellow ribbon. After a wedding trip to New Orleans, La., the couple will reside in Alice.

The lovely garden rehearsal dinner, honoring the couple was given August 13, by Mr. and Mrs. Paul Dibble of Corpus Christi.

ATTEND THE CHURCH OF YOUR CHOICE

24 Hours A Day?

Scott Wells
Minister of Music & Youth
First Baptist Church

Being a Christian (or Christ-like) is easy when we are in church, but our Christianity should not be just on Sundays or an occasional Wednesday night. Being a Christian is a full-time, 24 hour-a-day job. This means at work, at school, everywhere, people should see a difference in us. We should stick out in a crowd.

Jesus said in Matthew 5:14, "You are the light of the world. A city set on a hill cannot be hidden." If we are shining as we should be, we cannot blend into a crowd, or be hidden. People should see God in us all the time, as a city on a hill is seen all the time.

Standing out in a crowd also carries a big responsibility for the Christian. In Matthew 5:16 Jesus tells us, "Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven." Notice carefully that men should see your good works, and these works should glorify God, and not ourselves. As 1 Corinthians 10:31 reminds us, "...Whatever you do, do all to the glory of God."

This next week I urge you to be in church when you should be (Hebrews 10:25), but also when you leave the church building, remember...let your light shine...24 hours a day.

Flores-Duran Wedding Vows Exchanged Aug. 14

Abernathy Church of Christ was the site for a 2 p.m. double ring ceremony Saturday, August 14 uniting Dolores Flores and Rudy Duran. The Rev. Condy Billingsley officiated.

Parents of the couple are Mr. and Mrs. Mike Flores, Sr., and Mr. and Mrs. R.M. Duran all of Abernathy.

Given in marriage by her father, the bride wore a formal gown of chantilly lace. Fashioned with a Queen Ann neckline, the bodice was lavishly trimmed with seed pearls. Long full sleeves complimented the natural waistline. The skirt was traditionally styled with multiple tiers of ruffled lace sweeping gracefully into a chapel length

train. For her headpiece the bride chose a picture hat overlaid with chantilly lace. A drape of illusion was attached to it and cascaded at the back. The bride also wore a set of pearl earrings and necklace, as something new; a blue bow in the bridal bouquet and an apricot garter; and a lace handkerchief as something borrowed; a petticoat-hoop for something old. She had two pennies, minted in the year of the couples' birth, in her shoe.

Elizabeth Flores, served her sister as maid-of-honor. Bridesmaids were: Kathy Esquibel, the groom's sister of Idalou; Margie Narranjo, also sister of the groom, of

Lubbock; Olga Flores, the bride's sister-in-law, of Abernathy; Linda Duran, the groom's sister-in-law of Abernathy; Becky Flores, cousin of the bride from Port Lavaca. Sandy Ortiz, another cousin of the bride and Melissa Cantu, both of Abernathy, served as Jr. bridesmaids.

The maid of honor wore a white soft silk long dress, with a bodice cape. The bridesmaids dresses were identical to the maid of honor except for the color. They wore dresses of soft apricot and carried bouquets of apricot roses.

The bride's cousin, Vickie Ortiz, of Abernathy was flower girl. Samuel Esquibel, the groom's nephew, of Idalou, served as ring bearer.

Tommy Duran of California, and brother of the groom, was best man. Groomsmen were: Roy Esquibel of Idalou; Larry Narranjo of Lubbock; Mike Flores, Jr. of Abernathy; Ralph Duran of Abernathy; Ronnie Duran of Dallas; Ray Ortiz, and Daniel Lopez both of Abernathy.

Serving as ushers were: Charlie Ortiz, of Abernathy and Bobby Flores of Port Lavaca, cousins of the bride.

Isabel Ortiz, cousin of the bride, registered guests and handed out rice bags.

The reception was held in the fellowship hall following the ceremony. The bride's table was decorated with a white lace table cloth, apricot napkins and a crystal

punch bowl. The centerpiece with amature bride and groom figurine, surrounded by an apricot arch; in the background the newlywed's names in apricot lettering.

The three-tiered wedding cake accented with apricot roses was served to the guests. Serving at the bride's table were Anita Lipps from Long Beach, California and Sally and Rhonda Ramirez from Riverside, Calif.; also Juanita Flores of Abernathy.

Out-of-town guests included Mr. and Mrs. Andrew Cadena, the groom's grandparents, from Lubbock, and Ramona Cadena, the groom's aunt; Mr. and Mrs. Robert Charez and Irma; Mr. and Mrs. T.F. Cadena; Mr. and Mrs. Loy Moya and family; Mrs. Gloria Trevino, all of Lubbock; Anita Lipps from Long Beach, Calif., Sally, Ronnie and Rhoda Ramirez of Riverside, Calif.; Silvia Cadena of Phoenix, Arizona and Mr. and Mrs. Steve Cadena and family from Lubbock; Mr.

Rohan-Richerson Wedding Vows Exchanged Aug. 14

Julie Rohan and Roy Richerson exchanged vows in a 4 p.m. ceremony Saturday, August 14 at the County Line Baptist Church. The Rev. Danny Jackson officiated.

Parents of the couple are Mr. and Mrs. John Kveton and Mr. and Mrs. Truman

Richerson of Abernathy.

The couple met while Julie, an exchange student from Australia, was attending New Deal High School.

Honor attendants were Marsha Colvin, and Lee Richerson. Jarryd Richerson was ring bearer.

The bride wore an original wedding dress from Australia. It was a long white satin

dress with a lace overlay, featuring long lace butterfly sleeves and a sweetheart neckline.

The groom and his attendants wore brown tuxedos.

A reception followed the wedding at the home of the bride's parents, Mr. and Mrs. John Kveton.

The couple plans to reside in Lubbock.

THIS AND THAT

BY HELEN WADE

Ralph and Myrna Davis, and Myrna's sister, Helen Gough, went to Fort Worth and was there August 6, 7, and 8.

They went to the Founders Day at the Eastern Star Home in Arlington. They all visited relatives

and friends while they were gone. *****

Mr. and Mrs. Earnest Hemphill, Jr. and daughter Barbara of Abernathy, left the last of July and went to Paducah, Kentucky to visit their other daughter, Mrs. Joe (Martha) Peck and husband.

They were gone about a week and had a very enjoyable trip. Mrs. Hemphill told me it was very pretty up there this time of year. It had rained a lot and everything was pretty and green. *****

Mr. and Mrs. Robert Kemp and daughter, Kim and Robert's Mother, Vessie Kemp, left Abernathy August 6 and went to Las Vegas, Nevada to visit Mr. and Mrs. Jake Cozart and family.

Mrs. Cozart is Mrs. Kemp's daughter and Robert's sister, Linda. Linda was born in Abernathy and lived here til she married, then she lived in Hale Center until they moved to Las Vegas 13 years ago. Mr. and Mrs. Cozart

have two children. Their daughter is married and has two children. Linda's son is going to college in Phoenix, Arizona.

Robert, Debbie, Kim and Mrs. Kemp had a wonderful trip and returned home Sunday 15th. *****

Mr. and Mrs. Ernest Durrett of Abernathy, visited in Branson, Missouri this week.

Mrs. Pauline Durrett went with them to Pottsboro, Texas to visit her aunt. *****

Mr. and Mrs. Pete Gregg attended the Prescott Reunion in Chickasaw, Oklahoma last week. They were gone five days.

All four sisters got to come to the reunion. Mrs. Christine Higgs, Mrs. Gregg's sister from Pueblo, Colorado came home with her to Abernathy and visited awhile with them. *****

Bro. Russell Brunner and wife are visiting in Florida for two weeks. Their daughter, Pauline, and

grandson, Jonathan, of Bethany, Oklahoma went with them.

They will come back by Fort Worth and visit their son Dan Brunner.

Bro. Murray Brewer will be preaching both Sunday morning and evening services while Bro. Brunner is gone. Bro. Brewer will be preaching two Sundays August 22 and August 29 at the First Church of the Nazarene in Abernathy. *****

Florene and R.C. Patterson, Jr. of Abernathy and

Martha Hall of Petersburg went to Mustang, Oklahoma and they took Joshon and Jerod Miller home last week. The Miller boys had been visiting their grandparents, Mr. and Mrs. W.G. Spruiell.

Florene, R.C. and Martha went on to Tulsa and got some nice peaches at a peach orchard there. R.C. said it had rained some at Tulsa.

They came back by Oklahoma City and visited Lajuana and Barbara, their

daughters. They were gone four days. *****

Mr. and Mrs. Larry Wade and Roger of Clarendon, and Mrs. Ron (Janet) Morgan of Dimmitt, spent Friday night and Saturday with us.

Larry, Sheila and Roger and Omer and I went to Lamesa over the weekend to my family reunion. The crowd was a little smaller this year, but the thirty-one who came enjoyed seeing if we all looked one year older and we had two new additions-both boys since last year.

My nephew's grandson, Jason, sang "Elvira" to all of us. He is only five years old and did real well. *****

Among those visiting in the Reita Smith Home last weekend were: J.E. Miller of Sunnymeade California; Mrs. E.E. COTTON TODAY
A NATIONAL COTTON GROWERS NEWSLETTER

COTTON TALKS
FROM PLAINS COTTON GROWERS, INC.

CORN
A few fields in the area have reached the full dent stage. Most fields are now in hard dough approaching dents.

Spider mites continue to plague many corn fields. Control has been variable between fields and within fields. Even on the same plant, control has ranged from 40 to 99 percent. Where control has been less than 80 percent, the mites have moved up the plant with increasing damage. There are few beneficials remaining to keep mite populations from exploding. Some fields have required retreatment to hold mites in check. Economic damage has not been observed when infestations exceed threshold levels after the dent stage is reached. Fields which are now in the beginning dent stage will need to be protected for 12 more days when full dent should be achieved.

Southwestern corn borer (swcb) laying continued this week. Eggs from fields scouted on Aug. 11 indicated that 5 percent freshly laid (white), 28 percent were 2-5 days old (red line) and 67 percent were hatched. This hopefully indicates that southwestern corn borer egg laying is on the decline.

SWCB emerging (Aug. 12) could reach maturity in 25 days. At that time they begin to girdle plants. Lodging from these larvae could occur around Sept. 15th. Mid-August treatment for swcb could be justified if a grower expects to harvest late (Oct. 1) or has a late maturity corn.

COTTON

Full size bolls have been found in a few fields and many have reached the peak bloom stage.

Bollworm egg laying in cotton began last week. Egg counts have ranged from 0-40,000 per acre and small worm counts have ranged from 0-16,000 per acre. Most fields have had very small worms found in them during the past week. Beneficials are numerous in some fields and light in others. If beneficials are sufficient they can have a great impact on egg and small larvae populations. When small larvae populations reach the 3,500 to 8,000 per acre range and key predators are averaging 2 per worm, a microbial insecticide may be considered. Microbials currently labeled for use are Bacillus thuringiensis (Bactospeine, Bactur, Dipel, SOK-B.

t., and Thuricide) and Heliothis nuclear polyhedrosis virus (Elcar). The microbials do not harm the beneficials, thus leaving them to assist in control bollworms. Ovicides such as chlordimeform (Fundal and Galecron) and methomyl (Lannate and Nudrin) have been used successfully with microbials when egg counts are high (15-20,000 per acre).

When key predator numbers are low and expected to have little impact on control, other pesticides may be selected. Also if most larvae are exceeding 1/4 to 3/8 inch in size or bollworm numbers are excessive, other pesticide alternatives should be considered.

Scouting procedures and pesticides suggested for bollworm control are covered on pages 14-16 of the "Cotton Insect Guide, B-1209" mailed along with the June 10th newsletter.

Cabbage loopers and yellow-striped armyworms are also infesting cotton at this time. The loopers will feed on the foliage giving the plants a ragged appearance. No looper infestations have been observed which would justify treatment. Yellow-striped armyworms will feed on foliage, blooms, square and small bolls. The damage they cause is less than that caused by the cotton bollworm. There is no established economic threshold for the pest in cotton.

SORGHUM

Sorghum is in all stages from pre-boot to grain fill. Growers with fields still in the bloom stage should continue to scout for sorghum midge. The best time to scout for the pest is in the morning (8-10:00 a.m.) A

plastic bag may be placed over the head to be sampled and the midge will fly up off the head and can be seen inside the plastic bag.

Generally as grain begins to fill headworm (corn earworm or fall armyworm) infestations will increase. When populations exceed an average of two small larvae per head in maturing grain sorghum, control measures should be implemented.

Spider mites are also being found in a few sorghum fields. Mitecides suggested for control appear on page 16 of the sorghum guide, "B-1220" mailed with the June 23rd newsletter.

ASA Launches A Program To Sell Soybean Oil

The American Soybean Association (ASA) has launched a major campaign to boost soybean income through soybean oil sales.

"We're drowning in a sea of surplus soybean oil," ASA President Charles Hamon said in a letter to ASA members. "A 1-cent a pound change in soybean oil prices changes soybean prices as much as 32 cents a bushel. During the past year alone, the drop in soybean oil prices has reduced soybean prices about 80 cents a bushel."

"U.S. farmers are suffering from the devastating effects of high production costs - especially interest rates - and low prices. While the association can't directly affect the negative impact of interest rates and other external factors, we can help reduce the high surplus of soybeans and soybean products."

Hamon, a Kansas farmer, said ASA has launched a three-pronged campaign:

* A research and education program to expand the use of soybean oil as a crop oil in the formulation of agricultural chemicals and as a replacement for water as a carrier for agricultural and forest chemicals. If this acreage was sprayed using soybean oil, Hamon said these uses could consume as much as one billion pounds of soybean oil yearly. (The surplus currently amounts to about 1.5 billion pounds.)

* A world effort to expand consumption of soybean oil. This includes specific projects in Asia, Latin America and Europe designed to expand effort doubled Germany's consumption of soybean cooking oils. The campaign also includes an extension education and promotion program to expand European consumption of full fat soybean livestock feed which would reduce the oil surplus. The feeding program, which involves using crushed soybeans as a replacement for soybean meal, could increase soybean oil consumption in Europe 10 times to two billion pounds.

* A national program to increase the industrial use of soybean oil. ASA has contacted major U.S. companies encouraging them to replace petroleum oil with

SOYBEANS
Ollie Liner, county extension agent, reported that Hale County has an estimated 165,000 acres of soybeans. Since cotton acreage is down, bollworms may be forced to seek an alternate host such as soybeans. Soybeans should be scouted for this pest up to pod maturity. The podworm (corn earworm or cotton bollworm) should be treated when populations exceed an average of 30 per 30 feet of row.

For additional information call: office 293-8481, ext. 273 or 274 or mobile phone-293-6114 or home phone-296-6939.

soybean oil in chemical formulations. In addition, the association is encouraging the use of soybean oil, or perhaps soybean lecithin, as a dust suppressant in grain handling. This could use another 500 million to 1 billion pounds of soybean oils yearly.

"Unlike my father's generation, today's farmers are involved in an internationally-oriented agriculture," Hamon said. "Increasing sales represents one way farmers can help themselves. There are no instant solutions to this farm depression. But, we believe our actions will position soybeans for a speedy recovery by building a foundation to boost soybean profits."

ACREAGE REDUCTION PROGRAM URGED: The Producer Steering Committee of the National Cotton Council has passed a resolution urging continuation of the acreage reduction program for the 1983 cotton crop.

The objective would be to achieve carryover of not more than 3.5-4 million bales as rapidly as practicable.

The resolution recommended that the Secretary of Agriculture use all tools at his disposal to achieve the objective. USDA was urged to intensify its efforts to expand markets by a greater use of PL-480, CCC credits, and Export-Import Bank loans.

The group also requested that the previously authorized export revolving fund be adequately funded.

DATE SET FOR WEEVIL REFERENDUM: Cotton grower referendums on launching a boll weevil eradication program in North and South Carolina are set tentatively for January, 1983, the Joint Technical Coordinating Committee has announced.

Holding of referendums in 1983 is subject to federal appropriations for part of cost. Producers, National Cotton Council, and others are urging federal cost share of 30 percent.

COTTON EXPORT SALES REPORTED: Exports of upland cotton for the 1981-82 marketing year ended July 31 totaled 6,251,500 running bales.

The National Cotton Council reports the major buyers were Japan, 1,567,600 bales; South Korea, 1,343,900; China, 831,100; and Taiwan, 744,800.

"Last week's 11.1 million bale production estimate for 1982 appears to fully support our call for a beefed-up cotton acreage reduction program in 1983," says Donald Johnson, Executive President of Plains Cotton Growers, Inc., Lubbock.

"The August 11 U. S. Department of Agriculture production estimate together with current cotton offtake projections, if they prove accurate, will leave us with a carryover of about 5.6 million bales at the end of the current marketing year," Johnson adds, "and that size carryover almost certainly guarantees depressed market prices for next year's crop unless there are prospects for substantially reduced production in 1983."

PCG's recommendations to USDA on 1983 crop program provisions were developed before USDA's August crop report. Among other things, the 25-county High Plains producer organization is calling on the Department to announce for 1983 a 15 percent voluntary acreage reduction plus an additional 10 percent paid acreage diversion.

"The fact that burdensome supplies are expected in spite of the huge cotton losses suffered this year in the Southwest," PCG says in its comment, "emphasizes the need for an acreage reduction program significantly more effective than was the simple voluntary reduction program in effect for 1982." Without the Texas and Oklahoma losses, PCG points out, "we easily could be looking at a 1982 crop carryover of eight million bales or more-something we cannot afford and something we dare not risk in 1983."

The minimum cotton loan rate and target price for 1983 is 55 cents and 76 cents per pound, respectively, levels PCG contends fall far short of meeting producer needs. There is a provision of the law that gives the Secretary of Agriculture authority to set the target price above the legal minimum when justified by production cost increases. PCG is urging the Secretary to use that authority to raise the target price in 1983, and urges the Administration's full support for new legislation that will permit future loan rates more in line with the cost of production.

GET A WRITTEN ESTIMATE for your automobile repair work, suggests Bonnie Piernot, family resource management specialist with the Texas Agricultural Extension Service, Texas A&M University System. Even though no law requires written estimates for vehicle repair, most reputable mechanics or car dealers provide one. If they don't, you can request one. Also ask the mechanic to call you if the work will cost more than the estimate says by 10 percent.

USDA Moves To Improve Accountability In School Lunch Applications

To ensure that only eligible children get free and reduced price meals, parents will be required to provide social security numbers on applications for free

and reduced price meals, the U.S. Department of Agriculture announced today. The ruling implements provisions of the omnibus

budget reconciliation act of 1981, which requires that applicants include the social security number of all household members or an indication that none is avail-

able. In accordance with the privacy act of 1974, all state agencies and local school food authorities will be required to disclose how the social security numbers will be used and by what authority the information is required, in addition, the individuals must be informed that the disclosure is required in order for the application to be considered.

Prior to the reconciliation act, applications for free and reduced price meals required only family size and income information. The change in the application procedures has been initiated in order to improve the integrity of the school feeding programs," assistant secretary Mary C. Jarratt said. "We are very concerned about the potential abuse that can be caused if parents misreport their incomes on free and reduced price meal applications," she added.

To implement the revised application procedures in the beginning of the 1982-83 school year, the regulations will be published interim final. This means they are effective upon publication, but, USDA will accept comments on the procedures in order to make any necessary changes. Comments should be sent by December 31 to Stanley Garrett, Branch Chief, Policy and pro development branch, FNS, 3101 Park Center Dr., Alexandria, Va., 22302.

Proposed regulations were published on May 25. Public comments were considered in formulating the final regulations, Jarratt said.

LETTER TO PARENTS

Dear Parent or Guardian:

The Abernathy School serves nutritious meals every school day. Students may buy lunch for \$.60 and breakfast for \$.25.

Children from families whose income is at or below the level shown on the attached scale are eligible for either free meals or reduced-price meals priced at \$.20 for lunch and \$.10 for breakfast.

To apply for free or reduced-price meals, please fill out this application as soon as possible, sign it, and return it to the school. Please answer all questions on the form. An application which does not contain complete information on household members and income cannot be used by the school. If information is missing, your child will be denied the meal benefits. Call your school if you need help with the form.

COMPLETE APPLICATION: For an application to be complete, you must provide: the total household income, the names of all household members, social security numbers of all household members 21 years or older or state that a household member does not have one, and the signature of an adult household member.

VERIFICATION: The information on the application may be checked by the school or other officials at any time during the year.

REPORTING CHANGES: If your child is approved for meal benefits, you must tell the school when your household income increases by more than \$50 per month (\$600 per year) or when your household size decreases.

You may apply for benefits at any time during the school year. If you are not eligible now, but have a decrease in household income, become unemployed, or have an increase in family size, fill out an application at that time.

FOSTER CHILDREN: In certain cases, foster children are eligible for these benefits. If you have foster children living with you and wish to apply for free or reduced-price benefits for them, please tell the school.

NONDISCRIMINATION: Children who get meal benefits are treated the same way as children who pay for meals. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age or handicap.

FAIR HEARING: If you do not agree with the school's decision on your application or the result of verification, you may wish to discuss it with the school. You also have a right to a fair hearing. This can be done by calling or writing the following officials: Mr. David Sharp, Elementary Principal; Mr. Frank Bartlett, Junior High Principal; Mr. Mitch LeMoine, High School Principal.

505 7th Street, Abernathy, Texas, 79311 or phone 298-2563.

If you have any questions or need help in filling out the application form, please contact us. You will be notified of the approval or denial of this application.

II. INCOME: You need the following facts to fill in your income information below.

CURRENT INCOME: We need the income received by all members of your household last month to figure your income for this year. But, if you have household members for whom last month's income was much higher or lower than usual, please list that person's expected income for this year (12 months starting from last month). For example, self-employed people like farmers and migrant workers should list yearly income.

TYPES OF INCOME: Include money received from welfare, unemployment, child support, alimony, strike benefits, social security, pensions, retirement and disability payments; earnings from self-employment (including farming), salary, wages and commissions; and other cash income received or withdrawn from any source which is available for payment of a child's meal. DO NOT INCLUDE FOOD STAMP BENEFITS.

(A) INCOME: List the total income received by all household members by type as shown in the example, before such deductions as taxes and social security. For each type of income show the amount received and how often it is received.

Norman-Clark United In Marriage At Dumas

At a Saturday evening ceremony in the First Street Church of Christ, Dumas, Norman and Roddy Brent Clark. Rev. Kenny Bayles read the double ring exchange of vows.

The bride is the daughter of Mr. and Mrs. John Norman of Dumas. Mr. and Mrs. Wayne Clark of Dumas, are the bridegroom's parents.

John Norman gave his daughter in marriage. She chose a formal gown of ivory organza, designed with an empire bodice and sweetheart neckline, accented with lace appliques. The gowns' skirt was in an A-line silhouette with a wide border of lace embroidery. A lace flounce extended around the hemline of the skirt and chapel-length train. The brides walking length veil of ivory illusion fell mantilla - style from a headpiece. A candlelight

lace-ribbed fan with candlelight rust and brown flowers was carried by the bride.

Attending the bride was Miss Carla Wyrick, maid of honor; Mrs. John Pendleton, Matron of Honor; and Miss Angie Clark, sister of the groom, bridesmaid.

The bridesmaids wore long candlelight taffeta dresses with a candlelight and pastel floral print overlay. They carried candlelight fans with pastel silk flowers.

Dena Ford was the flower girl. She wore a long dress made of yellow taffeta.

Cousins of the groom were his attendants, with Gordon Clark serving as best man and Mike Clark of Amarillo and James Lee Simpson of Maple, groomsmen. Jeff Ford was the ring bearer.

Seating the guests were Brad Clark, Eric Clark, cousins of the groom; Jay Rounsaville of Dalhart, the

bride's uncle; and Stanley Norman, brother of the bride. All the men wore brown tuxedos.

Candles were lit by Carla Heiskell of Dalhart, cousin of the bride, and Chris and Melanin Northcutt. Denise Norman registered guests at the wedding.

Mother of the bride wore a floor-length brown crepe dress with a yellow rose corsage. Mother of the groom wore a yellow crepe floor-length dress with a yellow rose corsage also.

Wedding music was offered by Ginger Winsett, Eddie Cox, Warren McNeil, Denise Whitlow, Laura German, Tom and Cherise Bayse, Belinda Busby, Robert Hinds, Kent Rhodes and Darla Criswell.

A reception was given in the fellowship hall after the wedding. Large ferns on fern stands decorated the reception room. The brides table was covered with a yellow swagged tablecloth tied with brown bows. The four tiered wedding cake had candlelight icing and a staircase of candles and fresh brown and yellow flowers spiraled around it. Yellow roses in a crystal dish formed the centerpiece. The appointments were silver and crystal.

The grooms table was draped with a brown linen cloth with a candlelight overlay. Cheese and fresh fruit were served from gold appointments.

After a wedding trip to Colorado Springs, the couple will reside in Shallowater at 109 Ave. J. They are students at LCC. The groom is the grandson of Emma Lou Rice.

Special guests from Shallowater at the wedding were: Mr. and Mrs. Doyce

Brinkley and Emma Lou Rice.

Mr. and Mrs. Wayne Clark were hosts for the rehearsal dinner Friday evening.

WORD of GOD

Be ye not as the horse, or as the mule, which have no understanding; whose mouth must be held in with bit and bridle, lest they come near unto thee.

Many sorrows shall be to the wicked; but he that trusteth in the Lord, mercy shall compass him about.

Be glad in the Lord, and rejoice, ye righteous; and shout for joy, all ye that are upright in heart.

Steve Jones Outstanding Young Farmer Of The Year

The New Deal area is proud to be the home of the state's Outstanding Young Farmer of the year, Steve Jones. Steve was honored this winter with the Texas Jaycees' Outstanding Young Farmer award for his part in building and managing the diversified program. Steve's father, Charles has lived and farmed in the New Deal area most of his life and was joined by Steve nine years ago. A 1971 graduate of New Deal High School, Steve also serves on the New Deal Independent School's board

of trustees. He is also a member of the New Deal Young Farmers, and New Deal's chapter of the Lions Club. Steve also serves as Vice President on the Lubbock County Farm Bureau.

After accepting his state award in January in Austin, he and his wife, Patti, attended the National Young Farmers contest in February at Owensboro, Kentucky.

The Joneses have two sons, Chad, 7 who is in the second grade at ND Elementary and Casey, who was two years old in May.

Steve's wife, Patti, is this year's President of the ND Young Homemakers and says she stays pretty busy being a homemaker and taking care of the boys.

As The Texas Young Farmer of the year, Steve served on a panel of discussion in early spring to discuss the problems of the West Texas farmer with Agriculture Secretary John Block.

Jones' association on the panel of discussion with Jim Stewart of KFYO radio has gained the Jones family a summer visitor from Australia. A young farmer himself, Gordon Brownhill of Quirindi NSW Australia has come to America for the purpose of learning more about agriculture.

Brownhill, 21 years old and a friend have driven over 12,000 miles in America, starting in California and coming across to Texas going up into Nebraska, then across to Indiana and back up to Vancouver, Canada where Brownhill's companion left to go back to Australia.

Brownhill has been with Steve and Patti Jones since June and will return to Australia sometime in mid-September.

His observance of the diking system in California "was very impressive", he says, "and is something I feel I can take back home."

The reasons, he says, "for choosing the states I did to

visit in the US was because of contacts I had in each of these states."

Brownhill is the oldest of four children where in Australia he works with his father who owns 12,000 acres of land. The Brownhills farm 4,000 acres of their land growing crops such as wheat, sunflowers, grain sorghum, barley and oats. 8,000 acres is ranch land where the family runs about 2,000 head of cattle and 1,000 head of sheep.

While visiting the US, Brownhill has also visited and learned about the Chicago Board of Trade, the John Deere Plant, the Steiger Tractor Plant, Valley Irrigation, and the Dinim Factory in Littlefield.

He also commented that he's also seen the Red Raider!

"Gordon," while staying with the Joneses, "has been treated like one of the family," says Patti Jones. She commented that her family goes on with normal activities. They recently took Gordon on a water skiing trip, where he broke a rib while riding an inner tube. "You wouldn't believe the things we have learned from each other," says Mrs. Jones, "it's been a pleasure having him here with us!"

Gordon, we wish you lots of luck back in Australia, and hope your stay in the United States is a memorable one.

School Hires New Principals

The New Deal school board members met Monday night, August 9 to hire elementary, Jr. high and high school principals.

Mr. Madding left our elementary Jr. high position and our high school position was vacated by Alan Gambelin, who is now superintendent of schools here. Mrs. Nancy Cooper was hired as elementary and junior high school principal. Mrs. Cooper is the first woman hired as principal in the New Deal ISD. Mrs. Cooper says, "I feel this is an honor." She was graduated from Colorado High School in Colorado City, and received both her BS and Masters Degree from Texas Tech University.

Before coming to New Deal, Mrs. Cooper taught in Colorado City schools. She has also taught in New Deal Independent Schools and for the past five years she has been High School Counselor and supervisor of federal programs. Her husband, Mickey, is a stock farmer in the New Deal area. They have two sons, Steven who is a 7th grader at New Deal, and Chris who is a 4th grader.

They are members of New Deal's Methodist Church. Mrs. Cooper, we wish you lots of luck and congratulations on being New Deal's first woman principal!

We have a newcomer for our High School Principal, Robert John Coers, who has come to New Deal from Lubbock Cooper, which is in Woodrow. Mr. Coers (Bob) was a 1962 graduate of Abilene High School. He received his BS Degree at Abilene Christian College and has done his graduate work at Abilene Christian, Angelo State, McMurray and Texas Tech University. Mr. Coers has spent his years coaching varsity football at Fabens, Ballinger and Gainesville, where he served 7 years as Athletic Director and Head Coach and he's proud to say, "Where in 1974 and 1976 my teams went and played for the state championship!" He was also Athletic Director at Archer City and has coached at Dunbar High School in Lubbock and coached the Texas All Stars in the All Bowl Classic in 1977 in Wichita Falls.

Coers and his wife Linda, live in Lubbock and have two children, Laura, 13 years and Lance, who is 6 years old. Mrs. Coers teaches Remedial Reading at Lubbock Cooper.

Mr. Coers says one of the reasons he had decided to go into Administration at New Deal is, "he had satisfied his appetite in athletics and felt he wanted to broaden his work with public schools." Coers said he had heard excellent remarks about New Deal's student body and faculty. He says he's heard praises of the faculty from the administration as well as from faculty members regarding other faculty members. "My association with them so far has been great," says Mr. Coers.

Don't Forget...The New Deal Lions will host a scrimmage with the Lockney Longhorns tonight! The Junior Varsity team will start at 6 p.m. followed by the varsity team. Everyone come on out and get that seat warm for another exciting year of New Deal Lions football!

For Those Interested President of New Deal's Athletic Booster Club this year is Travis Rector and Secretary is Veda Voyles. President of New Deal's Band Boosters this year is Charles (Buddy) Ballenger. Secretary of the Band is Bonnie Dever and Vice-president is Linda Williams. For information regarding meetings or memberships, contact anyone of these people.

Varsity Cheerleaders Attend Camp

New Deal's Varsity cheerleaders had an exciting visit to SMU in Dallas June 14-18. While attending this camp, the girls showed their talent by receiving two superior blue ribbons, two excellent red ribbons, and one outstanding white ribbon. The squad showed much excitement and spirit

by bringing home the NCA Spirit Stick. This year's varsity cheerleaders are: Head-Tege Stephenson, Sr., Louisa Otero, Sr., Kathy Jones, Sr., Sheryl Mathis, Jr., Angie Taylor, Jr., and Shanna Teeter, Jr.

This year's camp sponsor was Miss Cheryl Rogers of Abernathy. The yearly sponsor is Mrs. Carolyn Hill of New Deal. There will be pep rallies on game Fridays at 2:30 p.m. in the High School Gym. Let's support our cheerleaders and help them cheer our Lions all the way!

Good Luck Lions!

Notice You might check the elementary school on registration day for the new band calendars. They will probably be set up somewhere close to the principal's office.

*OUR 2XT ELECTRICALLY OPERATED AUXILIARY TRANSMISSION SHIFTS AND REACTS THE SAME AS A 2-SPEED AXLE ON MUCH LARGER TRUCKS

FOR MANY YEARS, ONE OF THE LARGEST MANUFACTURERS OF FARM EQUIPMENT HAS KNOWN AND DEMONSTRATED THAT THE SIZE OF THE ENGINE IS NOT THE SOLUTION TO A PULLING PROBLEM. IT IS PROPER GEARING. FOR EXAMPLE: A SMALL TRACTOR HAS MUCH MORE PULLING POWER THAN ANY ORDINARY VEHICLE - THIS IS THE DIRECT RESULT OF PROPER GEAR RATIOS.

THE DOUBLE TORQUE 2XT AUXILIARY TRANSMISSION PLACED BETWEEN THE BELL HOUSING AND YOUR EXISTING 4 SPEED TRANSMISSION SPLITS EACH GEAR, GIVING YOU 4 ADDITIONAL GEARS. THE PUSH-PULL SWITCH MOUNTED ON YOUR FLOOR SHIFT LEVER ELECTRICALLY CHANGES THE 2XT FROM HIGH RANGE TO LOW RANGE, THUS ENABLING YOU TO CHOOSE THE TORQUE NEEDED FOR THE JOB AT HAND.

WITH THE ADDITIONAL 4 FORWARD SPEEDS GIVEN YOU WITH THE NEW 2XT, YOU WILL EXPERIENCE LESS ENGINE MAINTENANCE, LESS DOWN TIME AND LESS ENGINE WEAR, WHILE STILL HAVING ALL THE POWER YOU NEED AND MORE. IF ALL THIS WEREN'T ENOUGH, YOUR 8TH GEAR NOW ACTS AS AN OVERDRIVE, THEREBY DRAMATICALLY INCREASING YOUR FUEL ECONOMY.

Strake Talk

CHANGING ATTITUDES ABOUT DWI

Few things in this country have changed as much during the past few years as public attitudes on drunk drivers. It is a change we can all be thankful for.

Most of that change, in my opinion, can be attributed to the organization of Mothers Against Drunk Drivers (MADD), and the attendant publicity and editorial support they have received from our newspapers. They have succeeded, where others have failed, in drawing attention to the tragedy that has claimed the lives of thousands of Texans.

It was not long ago, for instance, when some public officials who ought to lead by example were openly contemptuous of our laws against driving while drunk. Much of this problem started nine years ago when my opponent became Lt. Governor and helped pass the law reducing the legal drinking age from twenty-one to eighteen years of age. Now Mr.

Hobby, feeling the heat of irate parents and loved ones, and perhaps personal remorse, has said he favors tougher drunk driving laws—another switch from a previous position.

Political promises, however, are easily made. If a politician can't get excited about an issue of this magnitude in nine years, it seems unlikely that he would get excited and pursue corrective legislation in another four years.

So I hope the Mothers Against Drunk Drivers will stick to their guns, and I hope they continue getting support from the people of our state. Their efforts to put an end to this carnage on our highways has my support, and I hope it has yours.

Of one thing we can be reasonably sure: Starting next year we will have a new Lt. Governor, and that will make it easier. If you have thoughts on this subject, please write me at 1213 W. 34th, Austin, 78705.

INSIGHT INTO EYESIGHT

J. DAVIS ARMISTEAD, O.D.
DOCTOR OF OPTOMETRY

Can You "Overuse" Eyes?

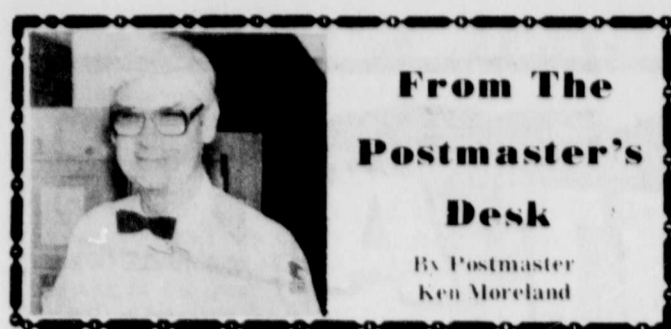

Can you harm your eyes by using them too much? The answer is "No". Eyes don't wear out. You do not damage the eyes by excessive use even though there is discomfort from strain or fatigue.

There are elderly persons who have little else to do but read or watch television, but who deny themselves such pleasures in order to "save" their eyes for fear they will "wear them out" and lose their sight. They are frightened by the symptoms of eye strain which are normal with excessive use and which cause discomfort but no physical damage.

The eyes are made to be used at all ages. With rare exceptions, you need have no qualms about using your eyes as much as you wish. As long as your eyes are open they are working. They won't deteriorate from use, no matter how much they get. Barring accident or disease, the eyes will last a lifetime. If you do get eyestrain or fatigue, it is probably not from visual overactivity but rather that you do not have the proper corrective lenses.

From The Postmaster's Desk

By Postmaster Ken Moreland

One of the biggest causes of delayed mail, if not the biggest, is improperly addressed mail: wrong name, wrong street address, wrong box number, wrong city and wrong Zip code.

Mail improperly addressed is also costly; costly to customers, sender and receiver. Because of delay it is costly to the Postal Service in many hours used to search for correct address-

es. Here are some simple mailing rules to use.

The name and address on mail must be written clearly and legibly on one side only.

The address must include the name and the street and number; or post office box number, or general delivery; or rural or highway contract route designation and box number.

All mail should bear the

name and address of the actual sender to enable the Postal Service to return it (if returnable) when it is undeliverable. Mail bearing the same return and delivery address, or window mail with no address and a preprinted return address (obviously that of the intended addressee), without any postage, is considered to bear no return address and will be sent to "dead letter" offices.

Mail that must bear a return address is: Second-class mail in envelopes or wrappers; fourth-class mail (parcels); first-class zone rated (priority mail) mail of any class, when its return is desired; registered mail; insured mail; COD mail, and mail matter bearing company permit imprimis.

Mail should be specifically addressed to the place where the post office is to deliver it. Mail bearing both street address and post office box number will be distributed for delivery in accordance with the address shown on the line immediately preceding the city and state of destination. Examples of the proper arrangement of addresses are posted in the post office.

Peggy Tooker To Attend Delta Kappa Gamma Workshop

Some 200 members of Area XI, Alpha State of Delta Kappa Gamma Society International, will participate in a biennial training session workshop to be hosted by Iota Eta Chapter, Farmer County, August 28, (Saturday), in Friona High School.

Registration is scheduled at 8:30. Lynn Roberts of Farwell, president will conduct the business session beginning at 9 a.m.

Highlight of the day will be the luncheon with Ruth Williams of Austin, Alpha State president, as keynote speaker Luncheon reservations must be received prior to registration by Faye Reeve, 1606 West 10th, Friona.

Mrs. Williams retired school principal is the author of "Proudly She Serves". A graduate of Texas A&I in Kingsville, she has a masters from the University of Texas and has done work on her PhD. She will be assisted by Area XI coordinator, Peggy

Tooker of Abernathy, Circulation Librarian at Texas Tech, University.

Delta Kappa Gamma Society International is a society that honors key women teachers. Membership is gained by invitation.

One of the purposes of the Society is to endow scholarships. Fifty-two were granted in the past year in the amount of \$49,000.00. Twelve of the fifty-two were for work toward completion of doctoral studies. The monies are obtained from twenty-four different foundations and are available yearly.

Three Area members are recipients of scholarships this year. Also fifteen Foreign Fellowships were granted by Delta Kappa

Gamma International. Another purpose is to inform members of current economic, social, political and educational issues so they may become intelligent functioning members.

Ruud's newest unit can... Cut your cooling bill significantly

Ruud* builds a new series of air conditioning units that earn up to a 12.3 Seasonal Energy Efficiency Rating (SEER). * If the unit in your home is ten years old, chances are it operates at an efficiency level of approximately seven. That means you can cut your cooling bill significantly this summer if you replace your old unit with a new Ruud unit. Call your Ruud dealer. Replace your old, less efficient unit instead of repairing it. You could cut your cooling bill noticeably.

*Tests performed in accordance with procedures of the U.S. Department of Energy.
