## City Council Discusses Zoning At Special Meeting

The Abernathy City Council met in a special meeting Thursday, September 9 at 7 p.m. in the City Hall meeting room to discuss a zoning ordinance for Abernathy.

Steve Fanning, a zoning consultant from Denton, was present at the meeting to discuss plans for a local zoning ordinance. The purpose of the meeting was to find out why the Council feels there is a need for zoning.

Earlier in the day, Fanning and city manager Rod Ellis drove around Abernathy and Fanning examined the area to see what zoning problems would have to be encountered and the overall zoning prospects for Abernathy.

Fanning pointed out the benefits of acquiring a zoning ordinance for Abernathy. Fanning stated four major benefits attributed to having a zoning ordinance. They are:

1. Zoning restricts single housing family units from commercial intrusion.

2. Zoning gives a city control over timing of and quality of developments.

3. Zoning provides economic stability to land zoned for commercial purposes.

4. Zoning provides overall community stability and direction in growth. Otherwise, there would be no control and the city would have an irregular pattern of growth combining commercial with residential housing units.

Fanning also pointed out that the greatest economic advantage, is that it protects businesses. For instance, it is to the business man's advantage to be able to control signs in the business district with a sign ordinance.

### Problems With Zoning

Fanning stated that the greatest fear of zoning ordinances, is that people do not want to be told what they can or cannot do with their property. He also stated that there is a fear of the unknown...many people are not educated about zoning and zoning laws and do not realize how zoning can be

beneficial to a community.

Problems that could arise locally from a zoning ordinance were also pointed out by Fanning. After seeing the town earlier in the day, Fanning could foresee problems with commercial trucks being parked in residential areas, stripped and junk vehicles in yards, and wrecking yards within the city limits.

Fanning pointed out that problems can arise when zoning for mobile homes and apartments stating, "it is usually very hard to decide where to put them."

Another problem is zoning for quality. "It is hard to set property management standards that everyone will cooperate with and abide by," Fanning said.

Zoning laws that are not followed are enforced by the city with small municipal fines or, if stricter measures have to be taken, they are filed in the district court.

### Zoning Committee

A planning and zoning commission would either be appointed by the City Council, or the City Council would become the zoning committee if an ordinance is passed. If there is a separate zoning committee other than the City Council, then they would make proposals to the City Council. The City Council would always have the last say and make the decisions. They can either accept or neglect any proposal made by the Planning and Zoning Commission.

The local planning and zoning commission would set their own zoning standards. There are no set standards for each city that draws up a zoning ordinance. Whatever standards the City Council sets will form the ordinance. The City Council will also decide if exceptions will be made after the guidelines are set up by the zoning commission if special requests are made by locals who own property.

Fanning was very positive about

Abernathy's prospects of having a zoning ordinance. He stated that the "town is pretty clean as far as land use goes and it is laid out very well for zoning." He ended by stating that Abernathy definitely needs a zoning ordinance.

### Airport Job Changes

The Council authorized three job changes at the Abernathy Airport where the runway is presently being re-done. Striping, which would cost \$3 thousand, and has been deleted from the original job order. Added to the job will be \$9 hundred more to seal coat the short road to the airport on the east side, and \$5 hundred to seal coat the plane fueling area. The Council Approved these job changes.

It was also brought to the attention of the Council that 75 percent of the

airport project will be paid for by the Federal Aeronautics Commission.

### Discount For Early Tax Payment

The Council authorized discounts for early payments of property taxes which is conditional on getting the City tax roll from the appraisal district. The discounts would be 3 percent in October, 2 percent in November and 1 percent if you pay your taxes in December. Thus far the City has not received a tax roll and cannot set a tax rate until they do. Then the discounts can go into affect.

### Public Hearing On Proposed Budget

A public hearing on the proposed 1982-83 City budget will be held Tuesday, September 28 at 7:30 p.m. City Manager Rod Ellis has projected that the tax rate will remain 45 cents per \$100 valuation.

## Don's Sav-A-Lot Sold To Lawrence Grocery Chain

Don's Sav-A-Lot, located at 1411 Avenue D, was recently sold by owner Don Maddin of Hale Center, to the Lawrence Grocery store chain headquartered at Sweetwater, Texas.

The new owners of the store are Terry, Jerry and Jack Lawrence. These three brothers know the grocery business as their family has been involved in the grocery business for the past 53 years.

The Lawrence brothers now have 17 grocery stores after adding the Abernathy store and purchasing the Sav-A-Lot at Petersburg from Maddin also.

Other grocery stores in the area owned by the Lawrence brothers are at Slaton and Denver City. The rest of the stores are farther south.

Supervisor of the local store will be Gerald Elder. Elder announced that John Kiddo will be transferred here from the Piggly Wiggly grocery store at Denver City to manage the store in Abernathy.

Elder also announced that the store will eventually be remodeled and re-merchandised. Tobacco products will also be added at the store.

## Student Council Blood Drive Monday

Abernathy High School Student Council is sponsoring a blood drive Monday, September 20 at the Abernathy Community Center from 5 p.m. to 9 p.m.

Students seventeen and eighteen years of age may participate with parental permission. This is one of several community projects the Student Council will sponsor.

Come and support the student council this Monday.

## Olton Upsets Abernathy 19-8

The Olton Mustangs upset the Abernathy Antelopes Friday night at Olton winning 19-8 and handing the Lopes their first loss of the season. The Antelopes were plagued with fumbles, penalties and interceptions and Olton was out to break an 11 game losing streak.

### First Half

Olton took the opening kick-off and was stopped quickly on their first attempt at a drive. Abernathy coughed up the ball even faster with a fumble on their third offensive play. The Lopes stopped Olton again. The Antelopes couldn't get anything going offensively in their next two possessions.

The last time the Lopes had the ball in the first quarter, they got off a bad punt that went only 13 yards. Olton got the ball on the Lope 30 yard line ran to the 19 yard line in the next 4 plays and the first quarter ended.

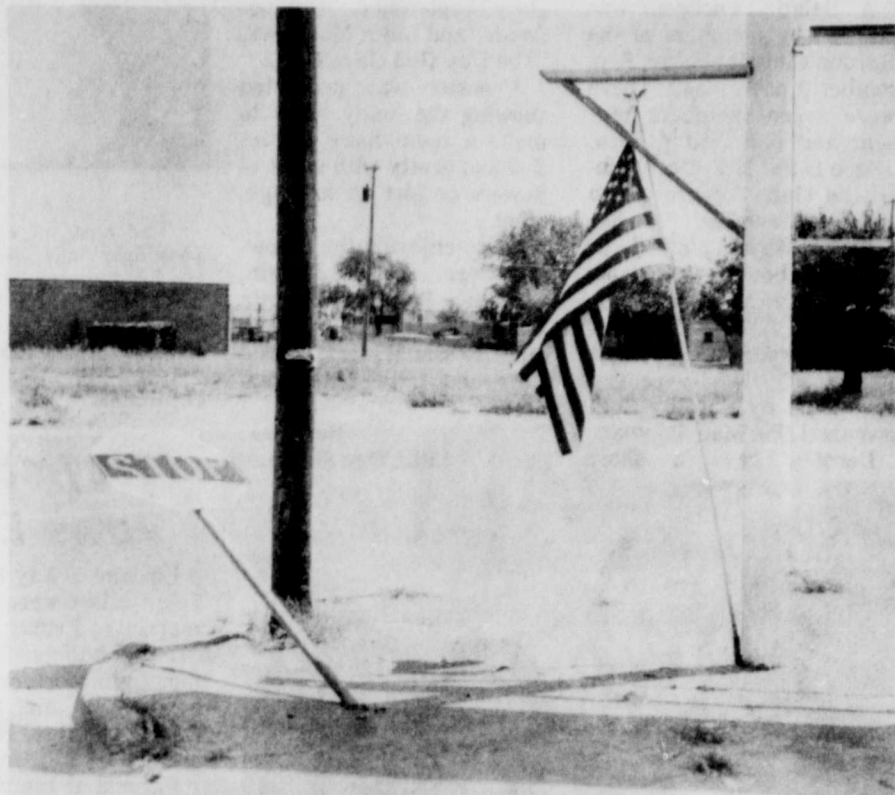

The Lopes held Olton on the 19 and then took over. Again the Lopes Couldn't get a drive going and were forced to punt. Olton got good field position on the Lopes 39 yard line. Six

## Sunshine Group Meets Sept. 16

The Sunshine Group will meet at 11 a.m. Thursday, September 16 for a program and lunch will follow at 12 noon. Clayton Enger will have the program at 11 a.m. Everyone is invited to come and have fellowship with the Sunshine Group.

NOT A VERY PATRIOTIC thing to do. This stop sign was rammed with a vehicle on the Piggly Wiggly (Sav-A-Lot) corner. Several signs around town have been ran over or bumped lately. The flag in the picture symbolizes labor day. The City will have their work cut out for them repairing all the signs that were vandalized. We wonder if those responsible for tearing up the signs realize that it is their tax dollars that are used to repair them? (Review Photo)

## Antelopes To Take On Highly Touted Owls

The Abernathy Antelopes will take on the Hale Center Owls at Hale Center at 8 p.m. Friday night. Hale Center has been ranked by the Top-o-Texas Football Magazine as the number one team in the Panhandle over 36 other 2-A teams in six districts. The Owls have also been ranked at the top statewide in 2-A competition.

But the Owls had a good team last year when they came to Abernathy and were shut out 24-0. The Antelopes were one of the only two teams that handed Hale Center a loss last year.

Hale Center has seven starters back from last year. Leading the Owl's running attack will be Joe Davis, a 6-0, 190 pound senior running back who gained 1,400 yards last season.

The quarterbacking chores handled by Kurt Ashmore, a 5-10, 170-pound junior. With Davis in the backfield, he shouldn't have to go to the air. But if he does, Troy Johnson, a 5-10, 145 pound senior end, should be one of his primary receivers.

The Hale Center defense is in good hands, led by all-state lineman David Pardo, a 5-10, 210-pound tackling machine. Pardo is the only one of three allstate performers returning from last season's powerful club.

Hale Center tied with New Deal last week 14 to 14. New Deal also has a very good team this year. Hale Center defeated Olton 33-0 in their first game and presently has a record of 1-1-0. Abernathy is 1-1.

## Booster Club Promotes Players With Posters

The Abernathy Athletic Booster Club is promoting each player on the Abernathy Antelope Football team by selling pictures-posters to local businesses and families to be put on display.

The Booster Club also has a portrait package of each varsity player available for parents or family members who wish to purchase them. They include an 8 x 10 of the individual player, 8 x 10 of the team, two 4 x 5's of the individual and eight individual player wallet size pictures. The portrait packages are \$15. For more information contact Richard DuBose or Betty Smith.

Those businesses promoting the Lopes by buying posters with the player on them were: DuBose Insurance, City Gin, Junes Country Kitchen, Pinson's Pharmacy, Sanders Auto, Joe Thompson Implement, Consumers Fuel, Plains Grain, Coop Grain, Abernathy Weekly Review, Wolf Irrigation, Abernathy Body Works, Nelson Automotive, Newton Radio and T.V., Dairy Queen, Henry's Texaco, Don's Chevrolet, Mrs. Thomas Vecchio, Donna Powell, Peacock Shamrock, Pay-N-Save, Abernathy First State Bank and Struve's Dept. Store.

These picture posters can be seen at these businesses on display. The Booster Club will be meeting every Monday at 7 p.m. in the school cafeteria. Everyone is encouraged to attend and let the Lopes know that they have your support.

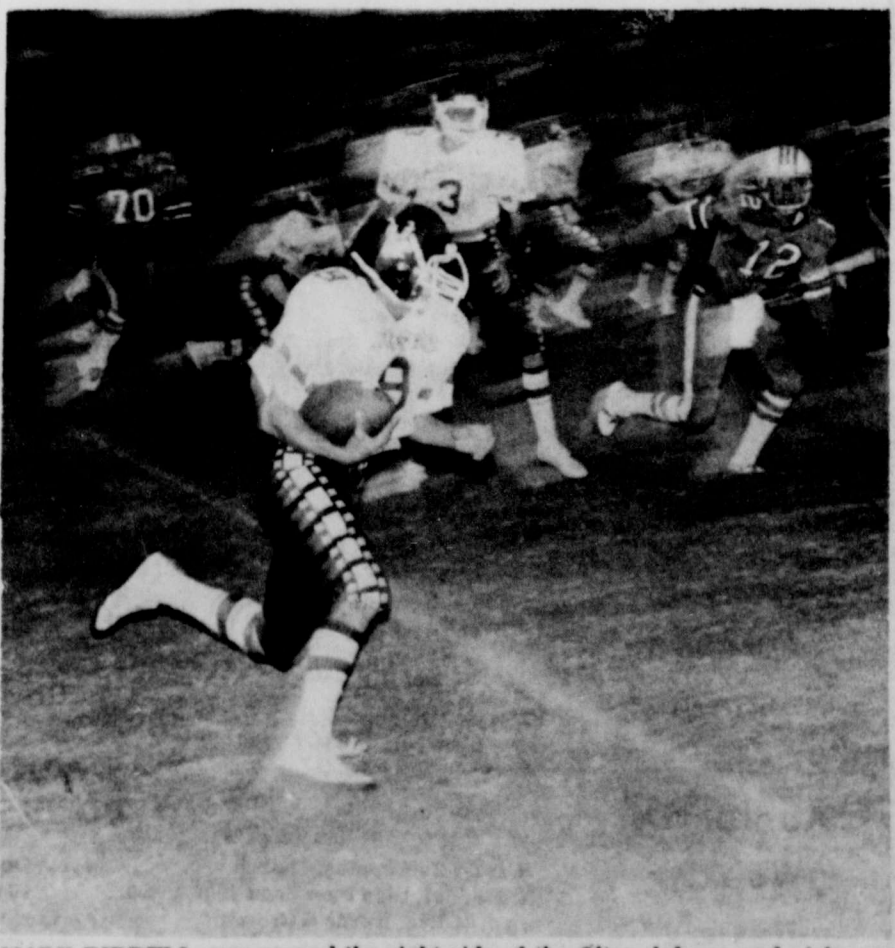

## County Line To Have Flea Market

The County Line Community Club will have a Flea Market Friday and Saturday Oct. 1 and 2 from 9 to 6 each day in order to pay their \$900 gas bill. The men were mowing around the building and broke a gas leak and this

flea market is to pay this bill. The County Line Club House is located 10 miles west of Abernathy.

Booths and spaces will be \$10. There will also be a bakery sale. Donations of clothes, household goods, furniture, appliances and bakery goods will be accepted. Call one of the following numbers if you need something picked up: Pam Connell, 757-2209; Audrey McGuire 757-2124; Mary Lynn Rice, 757-2223 or Faye Ann Nelson, 757-2120.

Tuesday and Wednesday, September 28 and 29, the Club House will be open to accept items.

MARK RIDDELL goes around the right side of the Olton defense and picks up several yards in Friday night's game. Olton upset the Lopes 19-8. (Review Photo by Mike Bean)

### IS AGRICULTURE THE NATION'S LEADING EMPLOYER?

According to Cecil Smith, head of the farm management department of Georgia Extension Service, around 22 million people work in some phase of agriculture from seed to sale. Farming itself used 3.7 million workers, which adds up to as many as the combined payrolls of transportation, the steel industry and the automobile industry.

It required the services of 15 to 16 million people to store, transport, process and merchandise the output of the nation's farms. That includes meat packing, ice cream making, baking, frozen food plants, cotton mills and finishing plants.

Another three million people provide seeds, fertilizers and other supplies for production and family living. These add up to one out of every five jobs in private enterprise.

The number of farmers had dwindled, but each is more efficient, says Smith. "American farmers today produce over 76 percent more crop output on the same number of acres than did their fathers. One farmworker now supplies enough food and fiber for 78 people.

Only 10 years ago, the farmworker was producing enough for 47. Because of the farmer's efficient output, we can enjoy a satisfying quantity and variety of food."

However, farmers feel the pinch of inflation along with the rest of the country's consumers. They spend about \$131 billion for goods and services to produce crops and livestock. That includes machinery, fuel, seed, fertilizer, 360 million pounds of rubber, electricity and steel for trucks, machinery, fences and building materials. Says Smith, "In the past 10 years, wage rates for farmworkers have gone up 123 percent and tractors and self-propelled machinery cost 178 percent more.

Overall, the average cost of commodities, interest, taxes and farm wage rates have climbed 153 percent in the last 10 years." Total farm income has climbed as well because of greater production, not because the prices per lb., bushel, peck, dozen, or head has climbed that much.

### FROM THE MAYES PATCH...

You can't lose weight simply by talking about it. You must keep your mouth shut.

THESE WERE CONTRIBUTED from "Have A Nice Day" which is a small pamphlet that promotes optimism with positive articles. It was given to me by Faye Ann Nelson.

It took only about fifty years for movies to go from silent to unspeakable.

Tolerance is sometimes a matter that the other fellow may be right after all.

There are about 490,000 words in the English language, plus another 300,000 technical terms - more than in any other language on earth.

Purdue University researchers estimate, however, that about 730,000 of those words are seldom, if ever, used.

A GOSSIP IS A person who will never tell a lie when the truth will do more damage.

AN ELDERLY WOMAN on her afternoon stroll noticed a small boy trying to reach a doorbell. She walked over, rang the bell for the lad and asked, "What now, young man?"

The boy looked up at her in amazement and shouted, "Run like heck!" before he turned and fled.

THE RICH TEXAS, celebrating his 40th wedding anniversary came home and told his wife he was thinking about buying her a full-length mink coat. "I don't want a mink coat," she grumbled.

"Well, I also saw this beautiful diamond bracelet at Neiman-Marcus," he responded. "I don't want a bracelet," she snapped.

"Well, how about a new Rolls Royce?"

She said, "I don't want a car." "Well, what do you want?" he asked. "I want a divorce," replied his wife. The husband thought for a moment and said, "I wasn't planning on spending that much."

## City Garden Club Meets

A Salad Luncheon was enjoyed by members of the Garden Club Thursday, September 9 at 12 noon. There were seven members present and one visitor, Mrs. Jessie Duty. Mrs. Duty joined the club. We are all so happy to have her.

Bessie Waters handed out the year books. The books are pretty and well prepared.

The program, "House Beautiful", was arranged and given by Dorothy Boggus and Lillie Mae Shipman. Dorothy gave a short

story, "Outdoor South" and Lillie Mae gave, "The Day God Gave Us".

A poster was presented showing the many ways to make a room more attractive and pretty with a pot of flowers or just an arrangement.

Those enjoying the fellowship were: Blanche Coggin, Dorothy Boggus, Juanita Bell, Vera Pope, Cora Shuman, Bessie Waters, Jessie Duty and Lillie Mae Shipman.

## Hobby Club Meets

The cost of a retreaded passenger car tire is 50 to 70 percent of the cost of a new tire. Truck retread savings are greater. In 1981, this meant more than \$2 billion in savings to consumers.

The Abernathy Hobby Club met September 2 for their regular meeting after the summer vacation. Maureen Hamilton and Dorothy Boggus were

hostesses. Each member brought a covered dish which was served to the following: Martha Benn, Wynell Pope, Wilma Pope, Minnie Northcutt, Frances Howard, Nadine Rogers, Vera Vaughn, Maureen Hamilton, Glenna Davis, Dyvena Davis, Minnie V. Presley, Dorothy Boggus, Juanita Bell and Ona Masarang.

Nadine Rogers and Dyvena Davis brought the program. They had on display many beautiful things.

The next meeting will be October 7. If you have high blood pressure, taking your medication daily is vital.

## Wayman-Miles Wedding Vows Exchanged Sept. 3

Lindsey Wayman and Steve Miles were united in marriage Friday, September 3 in Lubbock. The ceremony was performed in the home of Mr. and Mrs. W.D. Davis. The Rev. Ron Moore of Lubbock officiated.

Parents of the couple are Mrs. H.W. Fears of Lubbock and Mr. and Mrs. Charles

Miles of Lubbock. The bride is employed by Medical Diagnostic Laboratories in Lubbock, and the bridegroom is the agent for Farmers Insurance Group in Abernathy.

The couple enjoyed a short honeymoon in Big Spring and plans to move to Abernathy within a month.

## Brewer-Johnson Wedding Vows Exchanged July 23

Chele Belinda Johnson became the bride of Richard Temple Brewer on July 23, in the home of Mr. and Mrs. Joe Olsen.

Rev. David H. Cox and T. R. Smallwood performed the

double ring formal ceremony at eight o'clock in the evening.

The house was beautifully decorated with daisies and mums.

## Payne-Monroe Married In Lubbock Aug. 28

Miss Tanga Kay Payne became the bride of Jimmy Don Monroe in a 3 p.m. ceremony, August 28 in Asbury United Methodist Church in Lubbock. Rev. Hardin Atkins officiated.

Parents of the couple are Mr. and Mrs. Ebb Payne of Abernathy and Mr. and Mrs. J.L. Monroe of Lubbock.

Given in marriage by her father, the bride wore a traditional gown of white rachelle lace over poly-organza accented with pearls. The bodice featured a Queen Anne neckline of rachelle lace trimmed in organza ruffle flounce, with a sweetheart underbodice trimmed in pearls. The full lace bishop sleeves were softly gathered into lace Queen Anne cuff trimmed in organza lace. The Empire waistline featured a smooth a-line skirt cascading into a bustle front and back of lace flounces and organza flounces forming as chapel length train. The camelot headpiece of rachelle lace accented with pearls featured a full length lace veil trimmed in illusion.

The bride carried a bouquet of peach and white silk roses and carnations. Attendants were Tami Sandlin, matron of honor and Jeanna Barnes serves as bridesmaid. The bridal attendants were attired in peach dresses with spaghetti straps with a sheer chiffon cape. They carried white lace fans with peach silk

roses and satin ribbons and wore matching flowers in their hair.

Michael Sandlin served as best man, and Wayne DeBusk served as groomsmen. Serving as ushers were Steve Riggs and Cody Payne. The groom wore a white long-tailed tuxedo. The groomsmen were attired in spiced wellington tuxedos.

Christy Riggs served as flower girl, Cory Hudson was ring bearer and Shirley Hatcher registered guests. Angela Payne and Jimmy Payne were candlelighters.

Immediately following the ceremony, the couple solemnized their vows by lighting a unity candle. The wedding selections sang by Sue Bounds and accompanied by Gayla Gregg were: "For Baby" and "The Lord's Prayer".

Following the ceremony, guests went into the church

parlor for the reception. Serving at the bride's table was Kathy Payne and Jodene Payne.

The bride's table was covered with a white lace tablecloth and adorned by a centerpiece made of peach, apricot and white silk flowers. The bride's cake was a three-tiered heart-shaped cake with cascading peach and apricot roses. The bride's keepsake top was a peach satin bell encircled with flowers and lace.

The groom's table was covered with a white lace tablecloth, with a center piece of peach and spiced daisies. Serving at the groom's cake, which was shaped as an open bible, was Dolly DeBusk, and Sandy Riggs served coffee from a silver coffee service.

After a wedding trip to San Antonio, the couple will make their home in Lubbock.

## A Good Neighbor

A teacher of the Law came up and tried to trap Jesus. "Teacher," he asked, "what must I do to receive eternal life?"

Jesus answered him, "What do the Scriptures say? How do you interpret them?"

The man answered, "Love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind, and Love your neighbor as you love yourself."

"You are right," Jesus replied, "do this and you will live."

But the teacher of the Law

wanted to justify himself, so he asked Jesus, "Who is my neighbor?"

Jesus answered, "There was once a man who was going down from Jerusalem to Jericho when robbers attacked him, stripped him, and beat him up, leaving him half dead. It so happened that a priest was going down that road; but when he saw the man, he walked on by on the other side. In the same way a Levite also came there, went over and

looked at the man, and then walked on by on the other side. But a Samaritan who was traveling that way came upon the man, and when he saw him, his heart was filled with pity. He went over to him, poured oil and wine on his wounds and bandaged them; then he put the man on his own animal and took him to an inn, where he took care of him. The next day he took out two silver coins and gave them to the innkeeper. 'Take care

of him,' he told the innkeeper, 'and when I come back this way, I will pay you whatever else you spend on him.'

And Jesus concluded, "In your opinion, which one of these three acted like a neighbor toward the man attacked by the robbers?"

The teacher of the Law answered, "The one who was kind to him."

Jesus replied, "You go then, and do the same."

## Adkissons Have Sept. Display At Abernathy Library

The exhibit in the Abernathy Public Library for September is entitled "School Days" and is compliments of Gid and Marie Adkisson.

The exhibit consists of interesting mementos from the days when Mr. Adkisson was a student in Abernathy High School through his election as superintendent of

Abernathy Schools. The display includes his high school transcript and his senior annual.

Mrs. Adkisson's home-making books, reports, and report cards of the Adkisson children can also be seen. There are a few books from the Esther Williams Collection that were furnished by the library.

The Abernathy Public Library would like to take thanks to Gid and Marie Adkisson for the many con-

tributions they have made to this community. They are indeed two very special people and we are very pleased to have them as our friends and educators.

## Abernathy Ministers' Association Meeting Held Monday

The Abernathy Ministers' Association met Monday morning, September 13th, at the First Baptist Church. Ministers present were Ken Horn, Lloyd Riddles, Ross-well Brunner, Joe Rodriguez and Scott Wells.

The first order of business was to elect new officers of the 1982-83 year. Those elected were: Ken Horn-President, Tommie Beck-Vice President/Treasurer and Scott Wells-Secretary. With these men as officers, the Ministers' Association

will meet on the second Monday of each month. The next meeting will be October 11th at 10 a.m. at Northside Baptist Church.

Other business included preparations for the upcoming City-Wide Thanksgiving Service which will be November 21st at the First United Methodist Church. Ken Horn will be bringing

the message and everyone is encouraged to attend. Details of the service will be publicized at a later date.

Also discussed were the Ministers' Association funds and how they are spent in helping others. A fellow-

Coralie Cox, a resident of this area for the past thirteen years, has been employed by the Hale County Farm Bureau to serve as a field representative for the Abernathy area.

She has completed special insurance schools in Waco to prepare herself for the challenges expected in the insurance business, and is now contacting people in this area.

Coralie was formerly employed by the Abernathy Schools as a science and health teacher and coach. She was reared on a farm

and graduated from high school at Adrain, Texas, in the panhandle. She attended Abilene Christian University, the University of Texas at El Paso, and received her degrees from Texas Tech University.

Coralie's husband, Walter (Speck), is a farmer in the community, is a former Agriculture teacher here,

and is presently serving on the school board. They have one son, Cody, who is four years old.

Coralie is interested in community, church and school functions, and is hopeful she can fulfill a beneficial role in the community. The Cox's reside at 1010 16th Street.

## Alice Rivera Assigned To Missouri Mission

Mrs. Mario (Flora) Lopez and children Marcos, Missy and Marcy, left last week on a trip to California to attend the religious orders of Miss Alice Rivera into the nunhood.

Miss Rivera will be assigned to the mission at

St. Louis Missouri for the next two years, in which time she will be considered a Catholic nun.

Accompanying Mrs. Lopez on the trip, were her parents Mr. and Mrs. Raymond Rivera and family of Post.

## Plainview Community Concert Welcomes New Members

**ONLY GAZEBO IN TOWN** as far as we know is located at the Doug Chapman residence, 1215 3rd street. Pictured is Chapman standing by the gazebo he recently completed in his back yard. He obtained his design for the gazebo from one he saw in the magazine "Southern Living". He was inspired when he saw several of these gazebos all the way from New Orleans to Florida when he was in that part of the country. It is 8 by 8 feet at the base and 16 feet high. He built the entire gazebo by himself and it took one month at a cost of \$500 to build it. (Review Photo)

## Extension Homemaker Recreation

### Workshop Wednesday

The Recreation Committee of the Extension Homemaker Council will hold its annual Recreation Workshop Wednesday, September 22, at the Ag Center, beginning at 9 a.m. states Ms. Wymon Mayes, County Extension Agent.

Several new crafts have been lined up to be taught, and we believe everyone will benefit from spending the entire day, states Mrs.

Mayes. Lunch will be available for \$2.50 per person.

Demonstrations and instructions will be given for a new "finish as you go" quilt pattern, grapevine wreaths, punjabi weaving, padded picture frames, cloth strawberries and wreaths, coupon books and casserole carryall.

A demonstration on Stained Glass will be given by Betty Gouldy beginning at

11:30 and on monogramming at 10:30 a.m. by Lynda Fogerson of Silverton.

There is no charge for the Workshop, states Mrs. Mayes, but each one attending will furnish their own supplies.

**FOLLOW SIMPLE** washer and dryer "do's and don'ts" for efficiency, longer equipment lifecycles and your own personal safety, advises Alma Fonseca, a clothing specialist with the Texas Agricultural Extension Service.

Key guidelines include these: keep lint filters clean, use only suggested laundry clean aids, follow manufacturer recommendations, don't overload and don't reach into the washer or dryer until it stops.

Electricity is a product that must be manufactured. To help our customers understand the process of generating electricity, we offer tours of our power plants. Tour guides conduct business and civic organizations, clubs, school classes and other groups through these plants, discussing equipment and the production process according to the ages and interests of tour participants. Contact your SPS manager to arrange for your tour of a power plant.

Susan McKissack, Plant Clerk, Harrington Station.

SPS has a Speakers Bureau. Our specialists are available to present programs on such topics as using energy wisely or how electricity is made from coal. These programs, designed to inform our customers about electric energy and related subjects, are available at no charge for schools, clubs or other organizations. Many programs include special demonstrations, slide shows or films. Your local SPS manager can suggest a speaker for your next meeting.

Randy Eminger, Consumer Services Representative, Lubbock.

You and SPS are partners in energy management. SPS does its part by operating its power plants as efficiently as possible and by planning now for future demands for electricity. You do your part when you use electricity wisely. Remembering to switch off lights and appliances when not in use can help keep down your electric bills. Insulating your home or using energy-efficient appliances, like the heat pump, can help too. Working together to manage electricity benefits us all.

Ralph Sanchez, Engineering Estimator, Roswell.

**A LETTER LASTS A LIFETIME:** In an editorial on December 9, 1981, the Kansas City, Mo. Press Dispatch defended the First-Class Mail 20-cent rate saying: "For 20 cents you can propose marriage interstate. You can apply for college. You can receive word that you've gotten a new job. You can avoid going down to the public service company or the IRS, and pay by mail. And you can write a letter to the

editor protesting the postal rate hike. "The mail remains a system so magnificently simple that all subsequent communications systems have only duplicated its functions, at a higher speed, and at a vastly higher expense. "As Americans face personal budget deficits, the ax may fall on long distance phone calls. Reach out and write someone. At 20 cents a letter that lasts a lifetime,

the mail remains the most permanent and fulfilling means of personal communications."

The perils of being misquoted are rampant in our society of fast mass communications. But the late Sam Levensen in his book, *A Time For Innocence*, said he knew a teacher who used a good old-fashioned note to protect herself from being misquoted by her pupils.

On the first day of school she would send this message home with each child:

"Dear Mrs. (Name): If you promise not to believe everything that your child says happens in class, I promise not to believe everything that he/she says happens at home. Yours truly..."

We in the Postal Service say you can protect yourself from being misquoted: "To say it right, write."

My mother and I exchange weekly telephone calls by habit of long standing. But what she likes best is a letter, and I don't blame her. We all do. She is overjoyed when I write her a letter, send her a news clipping, unusual recipe, short poem, better yet, a little check. You have this to consider: nothing said on the telephone can become immortal, or, at the least treasured. I say, because it is today, "don't reach for the telephone, reach for pen and paper and WRITE..."

## TRANSITION

### Tom Ellis

Services for Tom Ellis, 74, of Ralls were at 3:30 p.m. Monday in Missionary Baptist Church in Paducah with the Rev. Ed Scarborough of Lubbock and the Rev. Emmitt Atry, pastor, officiating.

Burial was in Garden of Memories Cemetery in Paducah under direction of Carter-Adams Funeral Home of Ralls.

He died at 2 a.m. Sunday in the Crosbyton Clinic after a lengthy illness.

He was a Seymour native. He married Dovie Sandlin June 19, 1933, in Childress and moved to Ralls in December 1965 from Seagraves. He was a retired carpenter.

Survivors include his wife; six daughters, Mrs. Dayne Piper of Paducah, Mrs. Alfred Rainwater of Lorenzo, Mrs. Joe Birdwell of Lubbock, Mrs. Jimmy Mason of Post, Mrs. Benny Butler of Miami and Mrs. Ben Grundy of Matador; three sons, Otis of Floydada, Truman of Shallowater and Garvis of Gainsville; 30 grandchildren; and 11 great-grandchildren. Grandsons served as pallbearers.

### Thomas Brewster

Services for Thomas A. Brewster, 86, of Abernathy were at 2 p.m. Saturday at

First Baptist Church of Abernathy with the Rev. Lloyd Riddles, pastor, officiating.

Burial was in Abernathy Cemetery under the direction of Chambers Funeral Home of Abernathy.

Brewster died at 5:30 p.m. Thursday in West Texas Hospital after a lengthy illness.

He was born in Georgetown. In 1931 he moved from Abilene to Cotton Center and had lived in Abernathy since 1949. He married Eulalah Fain on March 26, 1922, in Caps.

He was a retired farmer, a deacon in the Baptist Church and a veteran of World War I.

Survivors include his wife; three daughters, Mrs. Henry Rieff of Cotton Center and Mrs. Lindy Neis and Mrs. Lenoy Stallings, both of Abernathy; a sister, Mrs. Herman Adams of Merkel; a brother, A.J. of Bryan, 12 grandchildren; and three great-grandchildren.

Grandsons served as pallbearers.

### Lakeview Locals

By Mrs. Norman Matthews

Mrs. E.E. Senter was the featured speaker for Wednesday night services at Lakeview Methodist Church. A.B. Colwell, and his son

Quinton of Lubbock, hosted a birthday dinner honoring Mrs. Dwain Bristow and Mrs. Quinton Colwell last Sunday in Lubbock. Other guests were Dwain Bristow, Quinton's family and Rev. and Mrs. Johnnie Williams of Lubbock.

Dr. Glenn Harrison, of Plainview, was dinner guest Sunday in the home of his mother, Mrs. S.M. Harrison. Durwood Amonett, of Oklahoma City, visited the Glenn Amonett's during the weekend.

Mr. and Mrs. Dub Bryington visited in the home of Mr. and Mrs. H.N. Meadors Thursday.

Tammie Collins and her sister, Mrs. Steve Spain of Olton, visited their grand mother Eleanor Collins in Abilene last week.

Mr. and Mrs. Glenn Amonett accompanied her parents, Mr. and Mrs. Harry Sinclair of Plainview, and they visited relatives in Stamford.

Mrs. E.G. Magahan visited in Claytonville Sunday in the home of her son and family, Lewis Magahan.

Mr. and Mrs. A.G. Barnwell visited Sunday in Lubbock in the home of their son and family, Mr. and Mrs. Cliff Barnwell. They attended the football game their grandson played in. His name is Allen.

## THIS AND THAT

BY HELEN WADE

Mrs. Sam Wade, Biff Wade, Mr. and Mrs. Leo Kitchens and Mr. and Mrs. Houston Smith of Abernathy attended the Smith Reunion over the Labor Day Weekend in Roscoe.

There were a few more folks out than last year to attend this reunion.

Houston and Beth Smith also visited in Eastland with Mrs. Smith's mother, after the reunion, before returning to Abernathy.

Omer and I attended the 63rd annual Federal Land Bank Meeting last Thursday night at McClung Student Center on Wayland Baptist Campus in Plainview.

We were entertained by Rev. Harold Elliott, who is presently chaplain for the Arlington Police Department.

Rev. Elliott is a noted after dinner speaker and has entertained at banquets and conventions since 1968. Portraying the character, Levi Littleton, he has shared his humor throughout the United States, England and France. As Levi Littleton, he depicts a fun-loving old man who has one reason for existing, to bring a bit of laughter into the lives of others. I especially enjoyed his performance on the "Saturday Night Bath In A

Galvanized Tub."

There was a big turnout for the annual meeting. "There were more people than expected," said Mr. Jerry Oswalt of Abernathy, who is a director of the Federal Land Bank Association.

We had a delicious meal served by the students at Wayland cafeteria. The new student center, which includes the cafeteria, is a very beautiful. It is almost finished, but they still lacked some of the sidewalks and a few other things being through with the student center.

Those attending from Abernathy were: Mr. and Mrs. Speck Cox, Mr. and Mrs. Ed Horsford, Mr. and Mrs. Jerry Oswalt and Omer and I.

Mrs. Ollie Selke celebrated her birthday Wednesday night, Sept. 1 with her family.

Those attending were her daughter, Maxine Courtney and husband; her son, Glendon and Alice Selke of Abernathy; her son, Sherlan and daughter-in-law Gwen and their daughter, Becky of Lubbock; and two nieces, Blanche Tucker and Viola Peel, also of Lubbock.

Cake and Ice Cream was served and a good time was had by everyone.

Mr. and Mrs. Otis Reynolds of Henderson, and great-great granddaughter Candi, visited in the home of Mr. and Mrs. Henry Chastin of Abernathy last Wednesday.

## Evans Reunion Held Sept. 5

The children and grandchildren of the late Z.L. and Bert Evans met at the community center Sunday, September 5, with 65 in attendance.

Those attending from out-of-town were: Merle, Glenn, Doug, Monty, Sue, Britt, and Kyla Boozer of Hereford, Texas; Mike, Chris, Jonathan, and Keely Hogan of New Mexico; Charles, Eugenia, Lee and Courtne

Evans of Garland, Texas; Tommy and Mack Evans, Garland Boozer, Sr., Jimmy, Jay and Jan Watson of Hurlwood, Texas; Kevin Anthony of Idalou; Jan Spruce, R.F. Evans, Ruth Evans, Roger, Marcia and Christi Evans, Marlene, Stephanie, and Jennifer Spurrier, Alicia Ward, Mike, Donna and Amy Brazell, Andrew and Ian Hagan, Carlton, Phyllis, Sandra,

Mike and Melissa Peters all of Lubbock; Phil and Betty Bales of Oklahoma City; Richard Norma, Dewayne, Lisa and Lori Burt, Terry Tubbs, Steve, Christene,

Crystal and Nicole Green all of Anton; Edward and Jewell Evans, Alton Evans, Stan and Carla Graham, Garland Jr., Carol, Bradley and Courtney Boozer, Kay Medlock all of Shallowater.

## Shallowater Study Club Meets

The Shallowater Study Club met in the home of Mrs. Dorene DuLaney September 7.

Mrs. Opal Rice, Vice-President presided over the meeting. Mrs. Allie Ireland was welcomed as the club's newest member. Guests were Mrs. Candy Lapaglia,

daughter of Mrs. Gloria Grawunder; and Mrs. Norman Heinen.

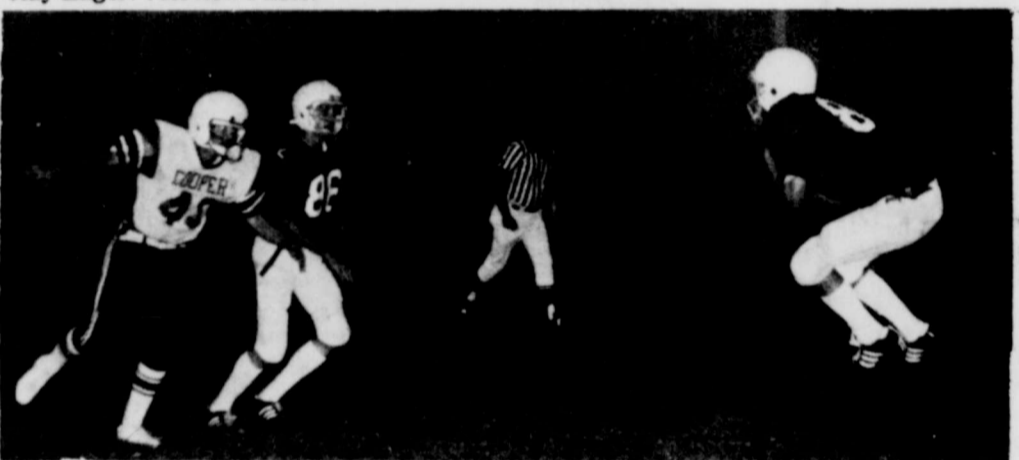

Mrs. Sally Sinclair gave an interesting program on the topic, "Time", with emphasis on "Time in Literature." Mrs. Norman Heinen, special guest, concluded the days program

with a demonstration on the "Art of Making a Christmas Angel" with the use of paper-mache and fabric-mache.

Refreshment were provided and served by the hostesses for the meeting, Mrs. Dorene DuLaney and Mrs. Allie Ireland.

## Abernathy "Jaws Of Life" Used To Free Victims Of Wreck Near Petersburg

Two Petersburg residents were killed and three others were seriously injured in a two-vehicle accident Friday afternoon involving a butane truck that ruptured but did not ignite south of Petersburg in Lubbock County.

Victims pronounced dead at the scene by Idalou Justice of the Peace Earl Yarbrough were Margarita Ybarra, 28, and her 2-year-old son, Fabrian. Yarbrough ruled the deaths accidental.

Admitted at Methodist Hospital were Leslie Over-

street, 73, of Petersburg, who was listed in extremely critical condition; Pablo Ybarra Jr., 32, of Petersburg; and Paul Ybarra III, 5, also reported in extremely critical condition.

According to Department of Public Safety Trooper Earl Petropoulos, the 4:50 p.m. collision occurred at FM 789 and FM 1063, six miles south of Petersburg. The butane truck, driven by Overstreet, was eastbound on FM 1063, while the Ybarra's sedan was headed south on FM 789 when the vehicles collided.

For about 45 minutes, traffic and observers were kept about a quarter of a mile from the truck while the flammable gas was siphoned out. During that time, Emergency Medical Services personnel were

## Middle School Student Council Campaigning Began This Week

Students at Shallowater Middle School began campaigning this week for Student Council officers. Poster and campaign buttons announced each candidate's qualifications and showed a great deal of creativity. Campaign speeches will be given during an assembly Wednesday morning.

Candidates must have a high grade average, be recommended by a member of the Middle School faculty, and must have declared his or her intention to run for office by filing an application last spring.

The Student Council president must be an eighth grader. Both candidates running for this office have previous experience on the council. They are Mike Aldes and Damon Holder.

The vice-president must be a seventh grade student. This year the race will be wide open with six candidates trying for the office. Vice presidential candidates are Tammy Elliott, Nathan Gutschke, Cameron Hopson, Leigh McKinney, James Pair and Stacy Rudder.

The office of secretary may be held by either a seventh or eighth grader. This year's secretary is sure to be named Masten since sisters Carole and Ellen are the only two candidates.

The treasurer may also be either a seventh or eighth grader. In contention for this office are Scott Cortenoir, Clay Enger, Johnna Pointer and Amy Stephenson.

All candidates have worked hard and should be congratulated on their efforts.

## Madry Completes Air Force Basic Training

Airman Michael G. Madry, son of Jesse A. and Betty F. Madry of Shallowater, has been assigned to Lowry Air Force Base, Colo. after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force. The airman will now re-

ceive specialized instruction in the munitions and weapons maintenance field. He is a 1980 graduate of Shallowater High School.

## Senior Spotlight: Kevin Rinehart and Tere Bartlett

**Kevin Rinehart**  
Kevin Rinehart, age 17, is one of this week's Senior Spotlight students. He is the son of Mr. and Mrs. Donnie Rinehart.

Kevin is an easy going, fun-loving friend to all he meets. He is well known and popular at Shallowater High School. He plays in the band and is in many of the band's specials and solos that include the trumpet. He won a position in the Texas International Lions Club Band.

His hobbies are sailboat-ing, tennis, and fencing. He enjoys playing instruments other than the trumpet, such as guitar and piano.

The music Kevin usually listens to is contemporary rock, but he enjoys a little of everything, country and western and pop.

Without hesitation, his favorite subject is band, steak and potatoes top the list of favorite foods, and his favorite television show is M\*A\*S\*H.

He likes Shallowater High and says his Senior year is

going a bit fast. "I still would like to get out on my own," commented Rinehart.

### Tere Bartlett

Mr. and Mrs. Arnold Bartlett's daughter, Miss Tere Bartlett, is the second Senior Spotlight this week. Tere has an overall good attitude toward life, school and people.

17-year-old Tere likes most people and subjects in school. She is a cheerleader for Shallowater High and "made it through the Miss Teen Pageant." She is presently attending Robert Spence School of modeling.

Her hobbies are swimming, modeling, and cooking. She listens mainly to rock, but also enjoys other types of music.

Her plans for the future are to get a job, an apartment, and hopefully do some modeling. She would like to make modeling a full-time occupation. She likes Shallowater but would very much like to get out on her own.

She likes watching "Fall Guy", and eating steak and strawberry cheesecake. She loved "Rocky III."

## 1982 Mustang Football Captains Selected

Five fighting Mustangs have been honored with the title of football captains. These young men, all seniors, will be leading the football team through the 1982 football season. The captains are Tim Short #65, Stuart Smith #38, Rod Burgett #12, Craig Coners #50, and Truitt Garland #33.

The members of the mustang team vote for the players they want as captains. The most important

responsibility given to team captains is strong positive leadership. They have to set good examples for all of the other players. They make sure everyone is fired up and excited for all their games.

Tim and Rod said, "We are honored to be chosen as captains. We are really looking forward to the season because we fell that we are going far!"

## Shallowater 4th Graders Have Foreign Food Luncheon

The fourth grade classes of Mrs. Blumer and Mrs. Long held a foreign food luncheon this past Friday.

The fourth grades have new Social Study Books this year. The first unit in the book is about how America is a nation of immigrants. The children have been

studying where their ancestors came from and their different backgrounds.

Each child's parents were asked to send a food from their background, so the children could sample the variety of foods.

They had foods from Germany, America, China, Nor-

way, Philippines and Costa Rica. They have no one from China in the classes, but one mother enjoys fixing Chinese food.

One fourth grade class did not have the luncheon this past week but will have one this Friday.

## Senior Pictures Made Last Tuesday

The seniors began their yearly duties Tuesday when they had their senior pictures made. Photographers representing Blunk Studio's of Oklahoma set up a "studio" on stage in the auditorium and made senior portraits on location.

In the past, seniors have made appointments with a studio in Lubbock for their pictures. This year, to save the seniors and the annual staff a last minute rush, plans were made for a professional photographer to come to the school.

There were mixed emotions concerning this new occurrence. Many seniors felt that the pictures would not be satisfactory. However, after the pictures were made, there were confident smiles and great signs of relief.

# Lions Battle Owls To 14-14 Tie

In recent years, when New Deal and Hale Center played football against each other, it was to determine who would represent the district in the playoffs. In 1982, however, the two teams are in different districts, but that doesn't mean that they have any less respect for each other. That was the case last Friday night when the Lions and Owls did battle and the game ended in a nail-biting and heart-pounding, 14-14 tie.

### First Half

The Hale Center Owls, ranked 5th in the state by the Associated Press, dodged a bullet the first time New Deal got the ball. The Lions moved the ball very well against a powerful Owl defense and on a fourth down play, Lion quarter-

back Craig Harrington hit slobback Steve Johnson with an apparent touchdown pass, but Johnson was ruled out of bounds. The Owls took the ball over on downs. Hale Center scored on a 75 yard pass and run play with quarterback Kurt Ashmore connecting with end, Vincent Johnson for the touchdown. The try for a 2 point conversion failed. The score at the end of 1st quarter was Hale Center 6, New Deal 0.

In the 2nd quarter, both teams battled each other gallantly, until the Lions finally put a drive together and scored on a 4 yard run by Henry Ramirez. Ramirez could have given the Lions the lead but his kick was wide to the right. Score at the end of the first half was Hale Center 6, New Deal 6.

### Second Half

In the 3rd quarter, there was plenty of action between the 20 yard lines, but no team could score. Late in the quarter, however, thanks to several costly penalties against the Lions aggressive defense, which helped the Owls move down the field, Hale Center full-back J.R. Compton scored on a 2 yard run. Joe Davis ran the 2 point conversion across and the score at the end of the 3rd quarter was Hale Center 14, New Deal 6.

In the 4th quarter, the New Deal offense got in gear and roared into the end zone on a 1 yard run by fullback Robert Jackson. Quarterback Craig Harrington passed to brother Mark Harrington for the 2 point conversion. The score was deadlocked 14-14. Hale

Center received the kickoff and started a drive of its own, only to bog down and attempt a field goal. The field goal try was wide left. The Lions then took the ball and started moving toward their goal line. The drive ended after a fourth down pass fell incomplete. The game ended with the final score-Hale Center 14, New Deal 14.

Ken Richardson recovered a fumble.

Craig Harrington intercepted 2 passes.

Mark Harrington punted 2 times for a 47 yard average.

Leading Rusher for New Deal was Henry Ramirez, with 134 yards in 18 carries.

Leading Rusher for Hale Center was Joe Davis with 86 yards in 17 carries.

The film series is open to everyone, and a nursery will be provided. Please come join us!

### JV Brings Home Victory

We would like to congratulate New Deal's Junior Varsity on their 16 to 8 victory over the Hale Center Owls last Thursday night at

Hale Center. Our 7th and 8th grade teams played controlled scrimmages with the 7th grade winning 2-0. Our 8 grade lost to Hale Center.

**Strake Talk**  
 SMALL BUSINESS— A RESOURCE WE MUST PROTECT  
 You can look around the square of any Texas town and see the backbone of the state economy—and of the national economy. It's small business and it provides half of all jobs. By the current state definition there are 260,000 in our state—that's 97% of all Texas businesses. The small businessman and woman not only provide jobs and pay taxes, their independent tradition also helps explain the enduring quality of our democratic form of government.  
 The state of Texas recognizes the importance of small business and has programs to help it. But we can do better. For one thing, we can abolish the sales tax on utility bills which now falls basically on small business owners. Large manufacturing and processing firms don't have to pay the tax, but the grocer, retailer and florist do. It is not fair.  
 My opponent opposed doing away with this tax in the last session of the legislature. The tax will bring in an estimated \$220 million in 1984-85. But when you compare that with the extra \$5.1 billion the legislature will have to spend during that time, I feel we can do without the tax and the revenue it will bring. And, as Lt. Governor, I would support its repeal.  
 I would also support putting into effect recommendations of the small business task force initiated by the Governor. Two of these recommendations are especially appealing. One is to help small business borrow money at better rates. Most small businesses which fail do so because they are under-capitalized. To help that situation, franchise tax money would be deposited in participating banks, which would, in turn, make loans at lower rates to small businesses.  
 The other recommendation is that we form a group of small business development centers at colleges and universities statewide. Money for the centers would come from the U.S. Small Business Administration, the state and participating schools. The centers would provide training, counseling and other help to small business owners so that they could be more competitive in the marketplace.

**Getting Used To Bifocals**

If you can move your eyes, you won't have any problem getting used to bifocals. The eyeglasses have to be properly fitted so they are centered in front of your eyes. The rest is up to you.  
 Your eyes will move up to use the vision correction in the upper part of the lens. That's for looking at objects beyond your reading distance, depending on your vision problem. Your eyes move down naturally when you're reading to make use of the lower part of the lens.  
 Walking up or down stairs may be a problem at first. You have to look down to see where you're going. You may find it easier to use the upper part of your lens. All you have to do is bend your chin down a bit. The same goes when you're stepping off a curb. It just takes a little practice.  
 Bifocals are convenient to use. You don't have to change glasses for different kinds of viewing. But if you'd rather have two sets of glasses, you have that option, too.

**PUBLIC NOTICE**  
 BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS  
 GENERAL ELECTION NOVEMBER 2, 1982

**PROPOSITION NO. 3 ON THE BALLOT**

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

**PROPOSITION NO. 4 ON THE BALLOT**

House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment authorizing the Legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

**PROPOSITION NO. 5 ON THE BALLOT**

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

**PROPOSITION NO. 6 ON THE BALLOT**

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

## JV Lopes Crush Olton 30-0

The Junior Varsity Lopes won their second game of the season over Olton 30-0 last Thursday night at 6:30 p.m. at Antelope stadium. The first touchdown of the game came on a 1 yard run by running back Billy Rowe. Donnie Williamson made the second and third touchdowns with two 1 yard runs putting the Lopes ahead 18-0.

The fourth touchdown was a 23 yard pass play as John Barraza caught a pass from quarterback Donnie Williamson to put the Lopes way on top 24-0. Donnie Williamson made his third touchdown of the game on a 2 yard run and the game ended with the JV Lopes 30 and Olton 0. The defense played a tremendous game but not

allowing Olton to score the entire game. The defense held Olton to 28 yards rushing and 96 yards passing for a total of 124 yards offensively. The defense also forced Olton to fumble 4 times. Abernathy's offense produced 172 yards rushing and 79 passing for a total of 251 yards offensively. The Lopes had 15 first downs to Olton's 5.

The JV Lopes had 5 penalties for 50 yards and Olton 2 penalties for 15 yards. Leading rushers for the Lopes were Billy Rowe with 25 rushes for 115 yards and Kevin Lester 10 carries for 30 yards. The JV Lopes will play Hale Center today at Antelope Field.

### 7th & 8th Scrimmage Olton

The Abernathy 7th and 8th grade football teams scrimmaged Olton last Thursday night at Olton.

The number of touchdowns made was not kept for either game, but the 7th and 8th football team coaches stated that both teams did very well.

The 7th and 8th grade teams will play Hale Center today with the seventh grade beginning at 4:30
