Lions Club Having Seafood And Steak Sale

The Abernathy Lions Club is sponsoring a Truckload Seafood and Steak Sale which goes into effect today. (Thursday). Top quality seafood and steak can be purchased from the Lions at reduced bulk prices. Look in this edition of the Review for the seafood and steak order forms which are inserted in this weeks paper which are distributed locally through the mail and on the newstands. Be sure and get your order in now, whether you enjoy seafood and steak or not, as the money made from this project will be donated to the Chamber to be put in the Chamber's fund to move the Santa Fe Depot. This is the first time the Lions have had a money making project of this nature. The Lions are taking the first step in raising funds that will go toward getting the depot moved to Chamber of Commerce Park.

Disregard the notice on the order forms that says preorders must be returned by November 5th. This deadline has been extended to November 12. Food ordered will be delivered Wednesday, November 17 and locals may pick up their orders from the Alaska-Imperial Food Truck, which will be parked at the City Hall Parking lot from 10 a.m. to 6 p.m. that Wednesday.

Send in your steak and seafood orders to Ken Moreland at P.O. Box 9, Abernathy, or Keith Tooley at Drawer D Abernathy. For more information, call Ken Moreland at 298-4111 or 298-2420. If you don't want to mail them, bring them to the Abernathy Weekly Review and we will see that your order gets in.

Veterans Breakfast

Attention all Veterans! There will be a Veterans Breakfast November 11 from 6 a.m. until whenever in the American Legion Hall. The breakfast is sponsored by the Barton-Hood Post No. 500. Veterans of

all wars are welcome to the breakfast.

Quilt Raffle Tickets

Tickets for the Abernathy Arts and Crafts Association quilt raffle are available and can be obtained at Pinson's Pharmacy and Struve's Department Store. For more information contact Jane Murray.

Abernathy Votes Democratic In Most Races

Abernathy must favor the Democratic Party as the Democrats led in most of the races this election. Of the 644 people who voted locally in the general election, 244 voted a straight Democratic ticket, while only 21 voted a straight Republican ticket. The other 399 voted a split ticket. The race having the most local interest, was the Justice of the Peace race involving Incumbent Jeanne Marr and Shirley Groce. Locally, Marr garnered the most votes getting 494 to Shirley's 114. But Groce got the most votes in the precinct having 896 to Marr's 712 to win.

Harrison Accepts President's Endowed Scholarship With A & M University

Jay Harrison recently received a letter from Texas A&M University, College Station, offering him a President's Endowed Scholarship of \$8 thousand to be paid in stipends of \$2 thousand per year over four years of undergraduate work. The scholarship will go into effect in September 1983 as Harrison has accepted the offer, which is one of the most prestigious and largest scholarships given.

Attract students of your academic caliber to join the many superior students already enrolled at Texas A&M. As a President's Endowed Scholar, Jay will become a member of the Texas A&M University Society of Fellows now being initiated. This organization will be made up of fellow academic scholarship recipients and other high-achieving students on the A&M campus. He will also be eligible to participate in the University Honors Program.

At Abernathy High School Jay Harrison is a member and officer of the National Honor Society Chapter. He has been named "Who's Who" in academic achievement awards for three years in English, math, science, and history. Jay has been class reporter for two years, a member of the Junior Class Play, an officer and member of the Science Club, Future Teachers of America, and Future Farmers of America, where he participated as a member of the Chapter Conducting and Dairy Products Judging Teams. Jay has been very much involved in University Interscholastic League literary events for the past three years. He has placed second in State competition for the past two years in Calculator Applications. Jay was a Regional and State Qualifier in Number Sense for two years and a State Qualifier in the Science Contest

work in football, basketball and other sports at Abernathy High School. He has been the team trainer and statistician in football and basketball for the past three years. This responsibility has taken him to two State Champion Basketball tournaments-girls and boys. He has also attended the Cramer Products and Alert Services Athletic Training Workshops in 1980 and again in 1982. Jay is an active member of the First United Methodist Church in Abernathy and he has been involved in many United Methodist Youth projects through the years. He is the son of Mr. and Mrs. Billie Harrison. Just recently, Student Advisor Charles Bowen announced that Jay is being commended in the 1983 National Merit Scholarship Program. Letters of Commendation will be presented to Jay, who placed among the top five percent of the participants in the twenty-eight nationwide competition. A spokesman for National Merit Scholarship Corporation, which conducts the merit Program, stated, "To rank among the top 50,000 performers in a competition that includes over one million participants is an outstanding attainment, deserving of public recognition. We sincerely hope that the academically able young men and women who are commended in the Merit Program will diligently pursue their higher education opportunities and career goals. The nation will benefit by the full development of their talents." The students being commended this month, who are now beginning their final year of high school, entered the 1983 Merit Scholarship competition by taking the qualifying test in 1981. Commended participants scored high, but slightly below students in their respective states who qualified as Merit Program Semifinalists. Only the 15,000 Semifinalists, who were announced in a national news release on September 16, will receive further consideration for about 5,000 Merit Scholarships to be awarded next spring.

A GROUP OF HUNTERS spent a week at a hunting lodge and came away with a record number of birds, thanks to the expert senses of a tireless dog named "Salesman." The next year, they returned to the lodge and requested the same dog. "He won't be any help to you this time," replied the trainer. "What happened?" asked one hunter. "Was he hurt?" "No. Some guy came here and called him 'Sales Manager' all week. Now all he does is sit right here and bark!"

TO MAKE A LONG story short, there's nothing like having the boss walk in in the middle of it.

THERE WAS THIS MAN who received a "second notice" from the tax bureau that his tax was overdue. The letter threatened suit if the man did not pay up at once.

The fellow got the money together hastily and rushed to the tax office. "I would have paid earlier, but I honestly didn't receive your first notice," he told them.

"Oh," replied the clerk, "we've run out of first notices, and besides, we find that the second notices are a lot more effective."

AND SPEAKING OF things coming across our desk...

It comes from who-knows-where, but we've run across more than a couple of people who swear by it. It's called "Planting by the Bottom." "Old almanacs advised farmers to drop their trousers and sit bare-bottomed on the ground. If it was warm enough for em, it was warm enough to germinate seed. Not recommended for city farmers."

TECH WILL BE ON THE ROAD this week as they will travel to Fort Worth to play the TCU Horned Frogs. After seeing the Tech-Texas game, it is evident that Tech does not have an explosive offense. They just couldn't put any points on the board. They will have to this weekend as the Frogs can score. They are tough this year and are winning some big games. Thus far they have defeated Utah State 24-9, Rice 24-16, Baylor 38-14, and they have lost to Kansas 19-30, SMU by the close margin of 13-16, Arkansas 0-35, Mississippi 9-27 and barely lost to Houston 27-31. Tech will have to play a good game to defeat TCU.

Abernathy Cross Country Teams Sweep District

The Abernathy High School Cross Country Teams swept District last week with an outstanding performance by all four cross country teams. Abernathy, competing against some of the toughest teams in this area, was crowned the varsity girls cross country champion, won second place in the

varsity boys competition, and the boys and girls Junior Varsity teams both placed first. The District meet was held at Mae-Simmons Park, Lubbock last Tuesday, November 26.

The varsity girls cross country team, winning first in District, is made

Pet Vaccination Clinic Saturday

The Abernathy Young Homemakers of Texas will be sponsoring a Pet Vaccination Clinic Saturday, November 6 from 9 a.m. to 1 p.m. The Clinic will be at the Fire Hall. Dr. Susan Cosby, from Idalou, will be handling all the shots. Prices are: DHLP \$9.00; Parvo \$7.00; Rabies \$6.00; and Cat Distemper \$12.00. If your animal needs shots, this will be a perfect time to have it done. Dr. Cosby will also go to homes to give

the shots. If interested, call Shari Connell at 298-2563.

The Young Homemakers will have their regular meeting Monday, November 8, at 7 p.m. in the High School Homemaking Department. Lori Green, of Merle Norman Cosmetics, will be the guest speaker. All members are encouraged to attend. Anyone between the ages of 18 and 35, who would like to become a member, should attend this meeting.

Young Farmers Meet

The Abernathy Young Farmers will meet Monday morning, November 8 at 8:15 a.m. in the Abernathy High School Ag Building. A program is not definite as of yet, but discussion of turkey sales for the Christmas Holidays will take place. Everyone between the ages of 18 and 35 are welcome to come. Coffee and donuts will be served.

This Week

- Friday, Nov. 5...Pep rally at 3:15 at the gym; Antelopes play Dimmitt here 7:30; today is the average Plains frost date.
- Monday, Nov. 8...City Council Meets at 7:30 p.m.
- Thursday, Nov. 11...Veterans Day-Bank and Savings and Loan will be closed.

Perkins, Mike Givens, Tony Ortiz, Ed Teal, Gilbert Blanco, Cletus Irlbeck, Tony Rodriguez and Roger Gragg.

The varsity girls and boys cross country teams will advance to the Regional Cross Country meet to be held this Saturday, November 6 at Mae-Simmons Park, Lubbock. The same location of the District meet. The meet will begin at 9:20 a.m. Saturday, and everyone is encouraged to attend and cheer for Abernathy's Cross Country Teams.

Even though the Junior Varsity girls and boys teams won first in District, there is no Regional Tournament for them. Cross Country Coaches Phyllis Jones and Larry Steele are very proud of the Cross Country teams as they have competed this year with some of the best teams in the region and several larger schools, at meets and at District this year.

Via's To Display Their Wood Crafts At Bazaar

Walter and Gui Via are among the many people who will be displaying their skills and talents at the third annual Arts and Crafts Bazaar Saturday, November 20 at the Abernathy Community Center.

Walter Via specializes in woodwork and designs his own creations. Walter has always had an interest in

woodwork, painting and drawings, but only recently has he had the time to pursue and develop his talents. Walter designs many "one of a kind" Western theme carvings and small wood items that he will have displayed at the Arts and Crafts Festival. He has built his own woodwork shop and does

work on consignment. Gui works with Walter in finishing many of the hand-crafted wood items. Gui also pursues talents of her own such as needlework. She often designs her own needlework. Gui is also quite famous for her cinnamon rolls, which she will have available at the Abernathy Arts and Crafts Festival.

GUI AND WALTER VIA will have their wood crafts on display at the Abernathy Arts & Crafts Bazaar coming up Saturday, November 20. Walter carves and cuts the wood figures and Gui decorates and paints them. (Review Photo)

Abernathy Ministers' Association Plans Community Thanksgiving Service

The Abernathy Ministers' Association met Monday, November 1st at the first Baptist Church. Those present were Ken Horn, Lloyd Riddles, Tommie Beck, Roswell Brunner and Scott Wells.

The main topic of discussion was the planning of the Community Thanksgiving Service. This will take place

Sunday night, November 21st at 7 p.m. at the First United Methodist Church. There will be singing, preaching and good fellowship, and everyone is encouraged to attend.

Ken Horn, pastor of Northside Baptist Church, will bring the message, and Scott Wells, Minister of Music and Youth at First Baptist Church, will lead the singing. There will be a community choir which will bring special music. The community choir will meet and rehearse at 4:45 Sunday afternoon, November 14th at the First Baptist Church, and then again at 6 p.m. Sunday, November 21st at

the First United Methodist Church. Everyone interested in singing is invited to come and be a part of this choir.

There will also be a table set up at the Thanksgiving Service for you to bring canned goods, or any type of staple foods for the programs to help the needy, which the Ministers' Association is involved in. Your help will be greatly appreciated.

The Ministers' Association urges each of you to come and worship and give thanks as a community Sunday evening, November 21st, at 7 p.m. at the First United Methodist Church.

"Shoestrings"

Shoestrings are good when they're fried potatoes, and they're useful for tying your shoes; but when that's the kind of support received from the State Budget for the institutions-public libraries-that contribute greatly to our educations, widen our horizons and broaden our goals, they're rather slim.

Texas ranks 28th among all the states in per capita support. This year the State of Texas is spending what a package of mints cost for each citizen for library support-31 cents. This represents 5 percent of the total operating expense of public libraries.

Each citizen is urged to write your Representative and members of the Legislative Budget Board (Who make recommendations to the legislature for adopting a budget). Ask him to support funding of \$1.50 per capita. If approved, state funding would then represent 25 percent of Public Library budgets.

Support your lifelong friend-the library-and held make that shoestring more substantial.

Life Changing Words

Bro. HB Coggin

In the Gospel according to St. Luke, 22:42, we find the prayer which Jesus prayed in the Garden of Gethsemane. "Father, If Thou be willing, remove this cup from me; Nevertheless not my will but thine be done." The last phrase of the prayer is made up of life changing words, which express to us the total commitment of Jesus to doing the will of God the Father. That kind of commitment changes the life of anyone who so commits

himself or herself to God and to the doing of God's will.

Some people may ask, "How can we know God's will regarding our lives?" Jesus said, "Whoever will do his will shall know of the teachings, whether they be of God." So, first of all we must make it our will to do God's will. We must think and study and pray to know God's will, for the purpose of doing his will; then, only He makes His will known to us. When we so commit

ourselves to God and to the doing of His will, our lives are changed.

This is the greatest adventure open to us and God's word challenges us to make this adventure, through faith in Him and in His son, Jesus Christ.

1935 Study Club Meets

The 1935 Study Club met in the home of Mrs. Ralph Davis, north of Abernathy, Thursday afternoon, October 28 for a Regular And Guest Day Meeting.

Members and their guests were entertained and enlightened by the guest speaker Mrs. Warren (Barbara) Walker. She spoke about her experiences in the country of Turkey. She has made ten trips with her family, over a period of years, to this country, teaching English, writing books and making tapes about the customs of the people there.

Many of these are available in the Texas Tech Library, where she maintains an office. Some of her eighteen children's books were on display at the club meeting.

A delicious refreshment plate was served during the "Socials and Questions, Answer" hour.

Those attending were: Mesdames, Ralph Davis, J.C. Mills, Jack Jackson, Robert McAlister, Frank Lovelace, Robert Carter, Arno Struve, Cal Tucker, Hilburn Barrick, Lee Echols, John Hale, and Jack Hackler. Guests attending were: Mesdames, C.M. Neighbors, Frank Warlick of Lubbock; Clyde Bennett,

Clayton Enger, H.F. Gregg, Floyd Shipman, Doyle Oswald, Buford Davenport, Urcel Moreland, Horace Davis, Robert Totty, L.A. Suttle, Herman Lambert, James Davis, Harold Davis, Wendell Tooker, Helen Gough, Miss Audrey Waddell, Mr. Ralph Davis, Mr. Arno Struve all of Abernathy and Mrs. Henry Von Struve.

The guest speaker Mrs. Walker of Lubbock was also a guest.

Littlefield Continues Winning Ways 53-0

The Littlefield Wildcats continued their winning ways Friday night by defeating the Abernathy Antelopes 53-0.

Littlefield remains undefeated in District with a 4-0 record and an overall record of 8-1, losing only to the top ranked team in the state, Post.

Littlefield has clinched first place in this district with the win over Abernathy. Abernathy falls to 1-8 overall and 0-4 in District.

The Lopes got the ball first and were stopped immediately. Gilbert Camacho kicked a 27 yard punt and Littlefield put together their first drive of the game. The drive was highlighted by a 15 yard run and a 22 yard pass. From the 11 yard

line, Littlefield ran into the end zone on the next play and jumped ahead 6-0. The PAT attempt failed.

The Lopes got the ball and put together an impressive drive. It started on their own 21 yard line. Runs by Harold Miller, Billy Cooper and Jamie Mansanales took the ball to the 45 yard line. Then, Mansanales connected with Allen Lester on a 9 yard pass play. Harold Miller ran for 6 more, Lester caught a 1 yard pass, but the tough Littlefield defense stiffened at this point and would not allow the Lopes to go past Littlefield's 41 yard line.

Camacho kicked a 30 yard punt, and much to everyone's surprise, Littlefield's number 25 ran it back 89

yards for a touchdown. The PAT was good and Littlefield led 13-0 at the end of the first quarter.

The Lopes were stopped on their next possession. Camacho kicked a 37 yard punt. Littlefield put together a 67 yard scoring drive from their own 33. The drive was highlighted by a 54 yard run by number 25 for Littlefield. They jumped ahead 19-0.

Littlefield scored 2 more times before the half, making the score 33-0 at halftime. They stopped Abernathy on four drives during the second quarter, once on a Lope fumble.

In the third quarter, the Lopes put together a drive that took them to Littlefield's 19 yard line, but that is as far as the Lopes could

penetrate the tough Littlefield line.

The Lopes never gave up and came back within scoring range again in the fourth quarter to Little-

field line.

touchdowns in the second half to win 53-0. The Lopes will host Dimmitt Friday night for their final game of the season here at 7:30.

Littlefield JV Shuts Out Abernathy JV

The Littlefield JV team shut out the Lope JV team last Thursday night 20-0.

The JV Lopes were not far behind Littlefield when the statistics are observed. For instance, the JV Lopes had 123 yards rushing and 88 passing for a total of 211 yards offensively. Littlefield had 272 yards rushing, but only 33 passing for a total of 305 yards offensively. The JV Lopes just had trouble putting any points on the board.

The JV Lopes made 14 first downs to Littlefield's 19. Both teams lost 1 fumble a piece.

The Lopes played a clean game having only 2 penalties for 20 yards to Littlefield's 5 penalties for 30 yards.

In the punting department, Mike Torrez averaged 31 yards per punt. Shad Kelley intercepted a Littlefield pass for the Lope defense.

Offensively for the Lopes,

the leading rusher was Billy Rowe with 12 carries for 58 yards and Kevin Lester 12 carries for 49 yards.

Quarterback Kelley Hill completed 7 of 12 passes for 88 yards. Randal Stillwell caught 4 passes for 57 yards. Stevie Barrera caught 1 pass for 11 yards and John Barraza 1 pass for 11 yards as well.

The JV Lopes will play their final game of the season with Dimmitt at Dimmitt following the Freshman game Thursday.

FTA Members Attend Workshop

The Abernathy Future Teachers of America club will be attending the FTA annual District Workshop in Plainview, Thursday,

November 4. The convention is held each year, and is attended by many FTA clubs from the area. At this meeting,

various workshops are held for the FTA students to attend and the District officers are also elected at this convention.

Former Abernathian Editor For Publishing Company

Former Abernathian, Barbara H. Pope, formerly Maudie Herral, is the Editor for ABC-Clio Publishing Company in Santa Barbara, California.

Part of Barbara's job involves public relations for the company. She mails out cards to everyone in the nation who might be interested in the Volumes. The

Below, is an example of the cards she sends out after editing each publication for her company:

8TH GRADE ADVANCED STUDY STUDENTS have an audiovisual program at the Lions Club last Tuesday. The program featured a live news cast interrupted by students doing commercials on T.V. Those giving the program were front row left to right: Barbie Watson, Sandy Garcia and Helen Kester, back row, left to right: Jerry Morgan, Sarah Hannell, Anita Salinas, Laura Phillips, Kevin Galloway and Gary Grisham. (Review Photo)

IT'S A SPECIAL PLEASURE to announce the publication in a few weeks of Volume 2 of ABC-Clio's *Historical Periodicals Directory*. Our editorial staff has put a lot of care into this project, because we wanted the second volume in our five-volume series to be as accurate and as easy to use as Volume 1. We're confident we've achieved these goals. With over 4,000 titles representing 21 countries, Volume 2 covers most of Europe (West, North, Central and South) as thoroughly as Volume 1 covers the U.S. and Canada. Like its predecessor, this work will be a valuable research tool for scholars, teachers and social scientists, plus, of course, librarians in all types of institutions and positions. We're proud of this new publication. Let me know how you feel about it, won't you?

Barbara H. Pope

Barbara H. Pope
Editor, *Historical Periodicals Directory*, Volume 2

Barbara is a 1954 graduate of Abernathy High School. She then acquired a B.A. degree at Texas Christian University in Fort Worth. Later, she acquired a Masters Degree in Library

Science at the University of Hawaii while living in Honolulu.

Mrs. Pope's husband, Dr. Fred E. Pope, is an M.D. practicing psychiatry in Santa Barbara.

The Popes have a 21 year old son, Stuart Rowell Toman. They are also grandparents as Toman has a son.

Barbara is the daughter of Mr. and Mrs. Paul Herral of Abernathy.

Freshman Lopes Lose To Littlefield

The Freshman Lopes lost to Littlefield last Thursday night there 0-16. It was not an offensively explosive game for the Freshman Lopes as they accumulated 9 yards passing and 96 rushing for a total of 105 yards offensive-

ly. Littlefield generated only 3 yards passing, but gained 192 yards on the ground for 195 yards total offense. The Freshman Lopes made 4 first downs to Littlefield's 9. The Lopes averaged 37 yards per punt. Leading rusher for the 9th

Lopes was Joseph Ruiz with 15 carries for 67 yards and Robert Goodman, 8 carries for 32 yards.

The Freshman Lopes will have their final game of the season Thursday with Dimmitt at Dimmitt.

Area Homemaking Teachers Inservice Conference Held

The Area 1 Homemaking Teachers met for an Inservice Conference Saturday, October 23rd at Tulia High School. Attending from Abernathy were Mrs. Jan Montgomery, CVAE-Homemaking teacher and Mrs. Marilyn Stone, Consumer and Homemaking teacher. The morning session in-

cluded an address from Mrs. Patricia Lindley, Occupational Education Specialist, TEA Austin, on "What's New With State Board Priorities." Mrs. Ima Haille, Vocational Home Economics Education, TEA Plainview, spoke on "What's New In Program Development." The highlight of the afternoon ses-

sion was a panel of area teachers speaking on "Teaching for Future Performance."

Mrs. Marilyn Stone, a member of the Area 1 Advisory Council, worked in the morning at registration and awarded "Endurance Prizes" at the end of the afternoon session.

Two Local Teachers Attend Workshop

Snow covered mountains with foot hills and trees seem to overshadow the cabin below, and a beautiful crystal lake runs beside it. No, this is not a fantasy; it's a painting by Lee K. Parkinson and artist from Utah. Mrs. Wanda LeMoine, English teacher, and Mrs.

Georgia Bartlett, Art teacher attended an art workshop in Kermit, Texas.

This workshop was for those interested in art and wanting to improve their skills. The instructor for the workshop was Lee K. Parkinson, one of the United States' greatest Western artists.

Mrs. LeMoine was fascinated by Mr. Parkinson's work and said, "I wouldn't have missed the workshop for the world!"

Mrs. Bartlett, just as enthusiastic about the workshop, said, "Mr. Parkinson is one of the finest teachers that I have ever been able to study under." (From Antelope Outlook)

Jr. High Student Council Holds Class Officer Election

The Jr. High Student Council held the class officers election October 24 for the 6-8 grades. For each grade, a president and secretary was selected to serve a school year term.

Isabel Ortiz, daughter of Mr. and Mrs. Ray Ortiz, was elected for the sixth grade as President. Isabel is active in band, student council and tennis. Some of the ideas presented by Isabel for Student Council was selling T-shirts and punk rock day. The reason she says she wanted to be in student council is to bring up school spirit.

The office of secretary is going to be held by two students because of a tie. The two electees are Paula Sanders, daughter of Mr. and Mrs. Clarence Sanders, and Mary Vecchio, daughter of Mr. and Mrs. Thomas Vecchio.

Paula is active in band and student council. Paula's ideas, pertaining to student council, were shade day, and dress day. Paula wants to show more school spirit, make up new events, and to be in student council for the fun.

Mary engages in such activities as band student council and piano. She suggests the student council should have a M-N-Match Day. Mary wanted to be in student council because she wanted to be a part of the school, show spirit and have fun.

Joe Lucero, Jr., son of Mr. and Mrs. Joe Lucero, is president of the eighth grade. Band, student council and athletics are some of the activities Joe takes part in. Kid Day and Clown Around Day are some projects he suggests Joe wants to be a part of student council because it's fun and he likes it.

The secretary is Elizabeth Waits, daughter of Mr. and Mrs. David Waits. Elizabeth is involved in student council, Girl Scouts, basketball and twirling. She also enjoys swimming, drawing, and painting. Hat Day is a project Elizabeth suggests to the student council. Elizabeth is in student council because it's fun and she enjoys it.

In the eighth grade, Gina Salinas, daughter of Mr. and Mrs. Gilbert Salinas, was elected to the council. Gina is in basketball, student council and band. Gina says she wants to see more special days and she says she really enjoys student council.

The class is not school affiliated. "All the money comes out of the students pockets or mine. The concert will really cost a lot," she said. "But, I am really excited about the year ahead. Dr. Hinds, the head of the music department at LCC, may come in the spring to critique the class." (From Antelope Outlook.)

Students Progress In New Choral Class

Unknown to many people, a select group of students attend a new choral class each Thursday morning at eight o'clock in Mrs. Ruth Fulton's music room in the Intermediate Building. Mrs. Dovie Barron, private piano and voice teacher, conducts the class with the help of Mrs. Fulton, elementary school music teacher.

"I am very pleasantly surprised," said Mrs. Fulton, "at how well the students are doing." At present approximately 45 students are working on several songs which they will present in a Christmas concert.

Abernathy Bandmen Strive To Excel

Maroon plumes worn by bandmen during halftime performances at football games indicate special honors awarded to individuals in the band.

The AHS band has selected a number of bandmen for special awards each week this year. Each week, three members are chosen to be recognized for their efforts. The awards are marcher of the week, player of the week, and Most Spirited.

These awards are to serve as personal incentives for bandmen. Fellow bandmen show recognition for exceptional efforts. Band director, George Riddell,

explained, "Students who are aware of these goals are going to know what their performance should be."

Each week, bandmen nominate and vote for the band members that they think deserve to be recognized.

Those chosen for Most Spirited thus far are the Drum Majors and George Riddell, the band director.

Those who received Marcher of the Week are Ricky Rodriguez and John Vandygriff. Elected for Player of the Week was Patrick Lewis. Patrick Lewis was chosen Player of the Week two weeks in a row. (From Antelope Outlook)

7th And 8th Lose

The 7th and 8th grade Lopes lost to Littlefield last Thursday night at Antelope Field.

In the 7th Lope game, Littlefield scored first in the third quarter on a 2 yard run. The extra points attempt was good and Littlefield led 8-0.

This was the only score of the game as it was hard for either team to score against the other.

7th Lope Coach John Rodriguez praised his team saying that "this was the team's best defensive effort of the year".

Rodriguez also praised the performance of Randy Konstantakos, who had an outstanding game defensively. Rob Givens gave a gutsy performance on both offense and defense. Irvin Dunn and DeWayne Young ran tough. Ricky May had some big defensive plays,

and Flint Bigham had a good game overall.

The 8th Lopes didn't fare as well as the 7th, losing 22-0.

Littlefield scored their first touchdown in the first quarter on a 5 yard run.

The point after was good, which made the score 8-0. Littlefield scored again in the 2nd quarter on a 63 yard run. The point after failed.

Littlefield scored in the 3rd quarter on a 2 yard run. The PAT was good, making the score 22-0.

Coach Rodriguez praised the performance of Rowdy Powell, who ran well. Terry York had his best game of the year.

Phrod Sanders and Everett Irbeck had big games on defense. Robert Castro had several key plays at defensive end, and Travis Morgan had a good game at nose guard.

Joan Davis Participates In 4-H Home Environment Project

Joan Davis, senior 4-H'er from Abernathy, is one of the many youth statewide who participates in the home environment 4-H project. Joan has refinished furniture, decorated her bedroom and has made many plant hangers, wall hangings and other decorative items to use in her home.

Joan has learned that one can create the illusion of spaciousness as well as turn wasted space into creative space in a home. Some of the helpful hints she has learned from the national 4-H home environment program are:

*Choose furniture that serves more than one purpose. Cluster items such as

TV, stereo, bookshelves and storage cabinets in a wall unit.

*Use compartmentalized storage to maximize usable capacity of storage areas or closets. Use baskets or similar containers to store magazines or sewing supplies.

*If bedroom space is limited, omit use of head

and foot boards. Instead use bolsters or cover flat slabs of foam and hang by straps from a decorative, wall-mounted curtain rod.

*Use wall-mounted lamps or fixtures suspended from a ceiling to free table space for other items.

*Group compatible houseplants in one area of a room. Put some on stands

to free floor space for other items.

Color also plays a part in changing the appearance of rooms and furnishings. With creative decorating, you can blend unsightly objects so they almost disappear and make a focal point of interest for furniture groupings.

This and That

By Helen Wade

Fall is my favorite time of the year. The mornings are crisp and cool and the afternoons usually warm up. I enjoy seeing the beautiful leaves on some of the trees. The oak trees are very colorful this time of year.

I was reading in Sunday's AJ about current footwear. This year's current footwear for women is designed for comfort and style. Shoe designers and manufacturers are taking heed of women's desire for comfortable footwear. Heels are smaller and sturdier this season and the all-purpose boot is both stylish and functional.

What has developed around the nation is the

two-pairs-a-day shoe wardrobe, one set for the office, and another pair for getting to work and back.

Heel heights will be from 1 to 2 inches. For spring look for pastel lavender and white, beige and white and pale yellow patent.

Dan Ward's brother, William Ward and his wife, Merle of Austin, visited with Dan this weekend.

Mr. and Mrs. Eddie Williams were gone about one week on vacation. They went to Bridgeport and visited Fay's sister and her husband, Mr. and Mrs. Willie Watkins.

They traveled to Denison and saw two of Fay's other sisters Mrs. Don Edwards

Doctors

I would like to be a doctor when I grow up. I think doctors are very important. There are both men and women doctors. There are some nice doctors and bad ones. Dr. Gregory, of Abernathy, is my doctor. He is very nice.

United Methodist Women Meet

The United Methodist Women of Shallowater met Monday evening, October 25th, for a regular meeting. The president, Mrs. Tommy Powe, presided.

Mrs. Bobby Blackburn led the opening prayer. Each member read a bible passage containing the word "song".

Following the business meeting, the group enjoyed participation in a sing-along led by Mrs. James McMenamy and Mrs. C.E.

Pair. Many favorites were sung with some history or interesting fact revealed concerning some of the hymns. "Thou Art Worthy" was sung as a benediction.

Mrs. Robert Chandler was hostess. Eleven members attended.

The Next meeting has been changed to November 15.

TOPS Club Meets

There were seven members at the TOPS Club Meeting and there was a weight loss of 3 lbs. Melba Adams was Weekly Best Loser.

There was a tie between Melba Adams and LaRue Ows for Monthly Best Loser. Each lady had a weight loss of 6 1/2 lbs. and

both of them will receive a gift. See, ladies! TOPS does help a person lose weight.

Lupton Re-Elected District 10 Trustee At TASA/TASB Annual Convention

Nearly 6,000 persons attended the 1982 joint annual convention of the Texas Association of School Boards and the Texas Association of School Administrators held in San Antonio October 2-4.

Total attendance included 3,500 board members and administrators from 700 school districts around the state.

Representing Shallowater I.S.D. was Kathee Lupton.

Participants heard addresses by Gov. Bill Clements, Lt. Gov. Bill Hobby and their political opponents in the November general election, Attorney General Mark White and former Secretary of State George W. Strake, Jr.

At the annual meeting of the TASB

Delegate Assembly, delegates elected Julianan Cowden, of Alvarado, to succeed Dr. Floyd Myers of Clear Creek at TASB president. Also elected were President - Elect Oscar Hernandez of San Antonio; First Vice-President John Quisenberry of Ector County; Second Vice-President Harris Hill of Garland; and Secretary Treasurer Billy Willig of San Angelo.

Kathee Lupton, District 10 Trustee for the Texas Association of School Boards, from Shallowater, was re-elected to serve as District 10 Trustee for a three year term. Mrs. Lupton currently serves on the Legislative Committee, Resolutions and By-laws Committee and the Property Casualty Insurance Committee.

The Delegate Assembly adopted 35

of 62 resolutions, including resolutions for a sales tax to supplement property tax revenue, resolutions for amendment of the Term Contract Nonrenewal Act, and a resolution supporting an alternative method of entering the teaching profession by allowing school districts to develop teacher internships.

Delegates also approved the 1983 TASB Legislative Program which calls for increased support for the Foundation School Program by at least \$2 billion, with one-half of the new monies to go to salaries. The program also calls for simplification of the truth-in-taxation computation, opposes collective bargaining and arbitration rights for public school employees state-mandated financial disclosure requirements for local school board members.

In other convention activity, the Texas Association of School Administrators presented its annual "Outstanding School Board of Texas" award for 1982 to Corpus Christi I.S.D. Other Texas Honor School Boards for 1982 are Lovejoy, Muleshoe and Ysleta.

Debate Team Wins Third At Coronado Debate Tourney

Last Friday and Saturday, Coronado High School, in Lubbock, held their annual Speech and Debate tournament bringing approximately twenty debate teams from all areas of Texas. Shallowater's debate team, of Stacey Williams and Michael Wester, brought home

a third place trophy, even though most of these schools were classified at 5 A in district competition. The first and second place winners were San Angelo Central High and Odessa High, respectively. Both of these schools were classified as 5A schools and they were

the only schools that could even attempt to defeat Shallowater's outstanding debate team. Stacey and Mike are looking forward to upcoming tournaments and intend to improve with each one. Their motto for the year shows the obvious confidence they both share.

Senior Spotlight...Renea Elliott and Bayward Baker

Seventeen years ago in Lubbock, Ronnie and Peggy Elliott became the proud parents of a bouncing baby girl. They named her Joslyn Renea. Over the years Renea has grown up and developed her own style and personality.

Renea enjoys karate and meeting people. Almost any type of music goes over well with Renea, though she doesn't like "easy listening." Chinese and Italian foods rate top on Renea's list as does the movie "Conan the Barbarian". She also likes to watch "Night Rider" on TV. As Renea is really interested in body-building, it is only suitable that P.E. is her favorite subject.

Renea considers herself to have a "fairly bright personality." She believes that "getting this far" is one of her greatest accomplishments. Though Renea considers her senior year to be boring, she is looking forward to "living a long and happy life with the person I love" in the future.

ward to "living a long and happy life with the person I love" in the future.

Also in the limelight this week is senior Bayward Baker.

Bayward made his entrance in the world September 10, 1964. He is the son of Mr. and Mrs. Bayward C. and Kay Baker.

In his spare time, Bayward likes to do mechanical work and welding. Ag Mechanics just happens to be his favorite subject. He also likes to watch "Stuntmen" on TV. "The Gambler" topped the charts on

his movie list. Bayward is a rocker, FMX being his favorite station. He loves to eat pizza and steak.

When asked about his accomplishments, Bayward said, "I made it to a senior. I do what is right and not wrong." He thinks his senior year is great because it's his last in high school. Bayward plans to get a steady job in Colorado and build a home in the mountains. By Debi Dirickson

WORD of GOD

Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.

But his delight is in the law of the Lord; and in his law doth he meditate day and night.

And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.

The ungodly are not so: but are like the chaff which the wind driveth away.

Therefore the ungodly shall not stand in the judgement, nor sinners in the congregation of the righteous.

For the Lord knoweth the way of the righteous; but the way of the ungodly shall perish.

Lions Maul Plains Cowboys 44-0

Last year, when the Plains Cowboys came to New Deal, the game was delayed for more than half an hour due to a power problem with the stadium lights. The game finally got under way with only the visitors side lights on; however, full power was restored shortly thereafter. The game delay must have hurt the Lions and helped the Cowboys as they went on to defeat the Lions, 21-0.

Last Friday night, Cowboys paid another visit to Faubion Memorial Field and it wasn't long that they were probably wishing the lights would go out again. In the first quarter, the Cowboys problems started from the opening kickoff. When the Lions kicked off, the Plains receiver couldn't find the handle on the ball and when he finally did, he had no place to go as the Lion defenders swarmed all over him. The Cowboys were unable to move the ball and had to punt. The Lions moved the ball steadily down field to the 1 yd. line. From there, fullback Robert Jackson, behind the hard charging offensive line, ran across for the first New Deal points. Donnie Bradley kicked the PAT and the score was New Deal - 7, Plains - 0.

On the next kickoff, Plains couldn't control the ball again and had to start deep in Lion territory. The Cowboys could not move the ball against the New Deal defense and had to punt, but the ball was snapped over the punters head into the end zone, where Lion defensive end Ken Richardson recovered the football for another New Deal score. The PAT attempt was no good and the score at the end of the first quarter was,

New Deal - 13, Plains - 0.

In the second quarter, things didn't get any better for the Cowboys. Each time the Lions kicked off, the Cowboys had trouble getting a good handle on the ball. The Lions offense held the Cowboys defense every possession in the first half. The Lions continued to move the ball offensively with Robert Jackson and Steve Jerden running, and the passing and running of QB Craig Harrington. Robert Lee Villegas, filling in for the injured Henry Ramirez, did his share of the ball carrying also and he did score the next touchdown on a 2 yard run. The Lions 2 point conversion try failed and the Lions led, 19-0. The score remained the same for much of the second quarter until late when the Lions had moved once again into Cowboy territory.

New Deal had moved to the Cowboy 22 yard line and called time out with just 1 second showing on the clock. The Lions ran up to the line of scrimmage, QB Harrington dropped back and fired a pass to Nathan Shannon for the touchdown. Shannon's catch was spectacular, to say the least, as he had to stretch his whole body and arms out while dragging his tip toes into bounds to make the catch. There was no way a defender could have stopped the catch without interfering with the receiver. The Lions PAT attempt was no good and the halftime score was, New Deal - 25, Plains - 0.

In the third quarter, the Lions defense continued to stifle the Plains offense. On the other hand, Lions offense stopped itself with penalties. New Deal did manage

one score with Craig Harrington running several yards for the score. The PAT try again failed. The Lions were up 31-0 at the end of the third quarter. In the fourth quarter, the night mare for the Cowboys continued. The Lions moved the ball time and time again against a tired bunch of Plains Cowboys. The Lions next score came on a 43 yard pass and run play from QB Harrington to his brother Mark. The PAT this time was good as Robert Jackson did the job. The score was 38-0.

The penalties continued to slow the Lions as the second team was on the field, but the penalties, nor the Plains defense, could keep the Lions out of the end zone. The Lions final score came on a 1 yard plunge by Donnie Bradley. The PAT was blocked and the final score was, New Deal - 44, Plains - 0.

The victory upped the Lions season record to 8-0-1 and 4-0-0 in district play. The loss for Plains dropped their season record to 6-3-0 and 2-2-0 in district competition. The Lions next opponent will be the Shallowater Mustangs. The Mustangs will bring a 8-1-0 season record and a 4-0-0 district record into the contest. The game winner will be the district champion of District 6-AA. Both teams, however, will be in the play-off picture.

This undoubtedly will be the biggest game of the year for both teams. This game, between New Deal and Shallowater since the 1980 year, has developed into a bitter rivalry between the two teams. The 1980 year marked the first time the Mustangs had ever beaten the Lions in football.

That score was 10-8.

That loss was the only defeat for the Lions, but it was a district game and New Deal was knocked out of the playoffs with a 9-1-0 record.

In 1981, the Lions were

defeated once again by the Mustangs by a score of 16-13. The Lions will give it their all this Friday night and try to break that 2 game losing streak against the Mustangs.

Carnival Enjoyed By All

Saturday, October 30, New Deal's Band Boosters sponsored a Carnival on the High School tennis courts and cafeteria. A good time was had by all and was certainly a lot safer than

taking the little ones Trick or Treating.

"How To Play Football"

Some of Miss Lusk's kindergarten students from New Deal Elementary would like to share their ideas on "how to play football".

Tody Watson: Bend down. You're suppose to say "hike". Football players have to put their feet the right way. They tell secrets.

Chris Sterling: You have to have a bat and football and lots of people with big shelves to sit on. And a big building, too. You run.

Jeremy Ward: You kick

the football and you catch it and throw it to peoples. Then push them down.

Mike Minnick: Sometimes they knock down people and sometimes they don't. Football is good to play. Sometimes they are rough. New Deal is rough. Football is the most important thing.

Michael Brown: You throw the football to any person you want to, then you throw it to somebody else, then you throw it to the coach.

Bon Fire Thursday

There will be a bon fire for New Deal's Varsity game with Shallowater, Thursday, November 4 immediately following the 7th, 8th and JV games. The bon fire will be at the Interstate Gin, south of New Deal on Hwy. 87. Everyone is invited

L.S. Chen Joins Delegation Of 200 To China

L.S. Chen, of 712 13th Street Abernathy, accompanied a delegation of 200 Americans who travelled to China.

The trip was in recognition of the 10th anniversary of Chinese-American relations and communication, which was initiated in 1972 by President Richard Nixon.

China in hopes of improving relations with the people of China. The trip also commemorated the beginning of U.S. China relations.

Chen was the only Chinese-American who accompanied the delegation. The other 199 members were of American descent.

While in China, L.S. Chen visited relatives he had not seen since leaving China 34 years ago. This was his first time to return to his original homeland in 34 years.

Chen stated that "I felt emotions that I had never

felt before in my life as I visited with relatives and classmates that I thought I would never see again. It

was an extremely emotional time for me and those who are dear to me in China." Chen also went to Hong-Kong, Zurich, Switzerland, New York, and Knoxville, Tennessee on this trip.

The Chens are presently making plans to move to Lubbock.

VITA...Your Help Is Needed

Would you like to help people and receive training in preparing basic individual Federal income tax returns, too?

The Volunteer Income Tax Assistance (VITA) Program of Internal Revenue Service may be what you're looking for. VITA is a program designed to help lower income, elderly, handicapped and non-English speaking individuals in preparation of their tax returns. Volunteers will re-

ceive a two to five day IRS training session on the preparation of Form 1040A and basic Form 1040. If you are interested, and can spend two hours or more a week on VITA from approximately January 1st through April 15th, please contact David Flores VITA Coordinator for the Lubbock area at 806-762-7424.

Jim Brown scored an unmatched 126 touchdowns in his football career.
