

Antelopes To Host Number 1 Ranked Dimmitt In District Opener

The Abernathy Antelopes will be put to their biggest test of the year when they challenge the Dimmitt Bobcats this Friday night in their first district game of the season.

The Dimmitt Bobcats have been ranked number one in the class 3-A State poll released by the Texas Association of Basketball Coaches recently.

The Bobcats, now 19-0, are ranked

number 1. Corpus Christi West OSO (13-1) is ranked number 2, followed by number 3 Diboll, now 11-4.

Other teams making the top 10 in Class AAA boys were: Center (12-3), No. 4; Rice (10-3), No. 5; Splendora (13-2) No. 6; Brownsboro (11-0), No. 7; Boerne, No. 8; Columbus (12-2), No. 9; and Graham (13-1), No. 10.

Dimmitt also is ranked No. 1 in the Forth Worth Star Telegram's school-

boy basketball poll. Diboll grabbed the No. 2 spot and Center No. 3.

Thus far this year, Dimmitt has won the Plainview Tournament, Reese Tournament and the Caprock Tournament. They have beat some good teams this year such as Hereford, Plainview, Canyon, Levelland, Brownfield, Wichita Falls, Lubbock Coronado, Lubbock High and Morton - three times.

Last year Dimmitt won first place in their district, won Regional and went on to win the State title. They defeated Abernathy by 4 points at

Regional last year.

This year in the pre-season poll by TABC, the Bobcats were picked to win the District 3-A race, with Abernathy running a close second. Littlefield was picked third. The TABC also picks Dimmitt and Abernathy as "neck and neck" favorites in the Region I rankings. Kermit is also listed as a possible contender for the title.

The Lopes may surprise Dimmitt and the Texas Association of Basketball Coaches when they take on the Bobcats this Friday night.

ABERNATHY WEEKLY REVIEW

25¢

"IN THE PALM OF THE PLAINS" Volume 62, Vol. 9 THURSDAY, JANUARY 13, 1983. [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

City Council Approves 1982 Financial Statement, Tends To Other Business

The Abernathy City Council met Monday at 7:30 p.m. for the January Council meeting at the small meeting room at City Hall. They approved the City's 1982 financial statement and acted on several other important business items.

Mayor Pete Thompson called the meeting to order and the minutes of the December meeting were reviewed and approved.

All school board members were in attendance along with six visitors.

Financial Statement Approved

Jack Moss of Abernathy, and Carol Holley of Lubbock, representatives of Bolinger, Segars, Gilbert and Moss CPA in Lubbock, brought the City's 1982 financial statement.

The council examined the statement. The working capital fund has improved since last year as more money was available in the general fund.

Revenues were up in several areas. Franchise taxes were up approximately \$6 thousand, interest income has improved \$3 thousand, and insurance proceeds netted the City \$12 thousand.

Expenditures were less this year in

several areas compared to last year. Non-departmental expenditures were down \$28 thousand, sanitation costs were down \$7 thousand, and the police department used \$20 thousand less because it no longer employs two full time dispatchers. The dispatch telephone line to Plainview takes care of all the night calls now.

Abernathy used less water in 1982. City Manager Rod Ellis stated that the early rains and great amount of moisture received this year caused locals to water less.

"Overall, the City has held expenditures in line and is financially stronger this year than last year," Ellis stated.

He also added that we need to be in good financial standing going into 1983 saying "1983 could be hard on the City." Already this year, extra funds are going to have to be transferred to the city street fund for paving, following the hard winter storm that tore-up the streets.

The financial statement was approved and the Council moved on to other items on the agenda.

Other Business

The Council heard a request by Luis

Ortiz for the City to install asphalt paving on East 14th Street between Texas Avenue and Jerome Street. Ortiz was present to discuss the matter with the Council. Members of the Council decided that the City would not be able to afford to pave this street and that streets paved in Abernathy are usually paid for by the person or persons who live on that street, not by the city. Ortiz also pointed out that there needs to be a stop sign installed at 14th and Jerome because trucks seldom stop at the intersection, making it dangerous. The Council agreed to have this investigated and will have a stop sign installed if the intersection warrants one.

The Council approved a group life and health insurance policy with Blue Cross-Blue Shield. Each of the 11 City employees on the plan will be insured for \$5 thousand. The City will pay for half of the insurance premium and City employees will pay the other half.

City Engineering firm Parkhill, Smith and Cooper Inc., has requested that the City allow their company to take care of miscellaneous engineering services required by the city in 1983. The Council approved this request. The Council discussed a request by

OMNI TV Corp. to assign Abernathy Cable Television franchise to STAR CATV Investment Corp. STAR CATV wishes to purchase the cable franchise in the 11 towns handled by Panhandle Cablevision. Idalou, Dusty Rhodes, an OMNI representative, Don Mancsell, a STAR CATV representative, and Stan Whitefield, manager of Abernathy Cable, were present to discuss the matter. The Council approved the transfer of Abernathy Cable to STAR CATV.

City Manager Rod Ellis brought up the water sales report for the last three years. The report revealed that the City has sold \$5 thousand less in water this year than last year.

The Council approved the demolition of the small City-owned building located on the northwest corner of the City square. This was the original city office a long time ago. It will be torn down when a contractor is found to do it.

The final action was to approve a cost-of-living pay increase for Municipal Judge Morris Stevens. His salary was increased \$50 a month. The Meeting adjourned.

Meeting To Organize

Junior Basketball Program Jan. 20

There will be a meeting to organize this year's junior basketball season Thursday January 20 at 7:30 p.m. in City Hall. If you are interested in your child's Junior Basketball Program, please attend. It will not be necessary for the players to be present at this meeting.

Annuals Go On Sale

Abernathy School annuals will be on sale for only \$6 until the end of the semester, January 14 (tomorrow). After Friday, the cost of the Antelope yearbook will go up to \$6.50.

They may be purchased in the Junior High and Elementary Principal's offices or in the High School library.

Federal Excise Tax On Telephone Bill Increased

The federal excise tax on monthly telephone bills will increase during 1983 from 1 percent to 3 percent as the result of legislation passed by Congress in August 1982 to obtain new tax revenues.

The tax applies to local and long-distance service. The tax legislation states the 3 percent tax will be collected for three years with elimination in 1986.

An excise tax on telephone service was first imposed by Congress during World War I as a "temporary" measure, according to the U.S. Independent Telephone Association. Although repealed briefly after the

ANTELOPES AND LADY LOPES accept their medals Saturday night at the end of the Abernathy Tourney. In the top photo, Superintendent Gid Adkisson presents the Antelopes with first place awards. In the bottom photo, Lady Lopes after receiving their second place medals. (Review Photos)

Lady Lopes Win First District Game

The Lady Lopes won their first District game Tuesday at Friona. They defeated the Friona fems handily 61-44.

The game was intense the entire first half as Friona out-scored the Lopes fems 6-4 in the first quarter. The Lady Lopes came back to tie the game 16-16 at halftime.

The Lopes rallied in the third quarter scoring 24 points to Friona's 20 to go ahead by 4 points, 40-36. They went on to extend their lead by out-scoring Friona again in the fourth quarter, 21-8 and the Lopes fems won 61-44.

Coach Larry Steele stated that the key to winning the game was more concentration and better accuracy in

the second half. Vicky McKenzie and Stacey Kelley were the leading scorers with 15 points each. ReGina Powell had 12.

Lady Lopes Challenge Dimmitt

In their second District game, the Lady Lopes will play Dimmitt this Friday at 6:30 p.m.

The Dimmitt fems have a 7-10 record on the year and they are 1-0 in District. They defeated Muleshoe 43-37 Tuesday night.

Coach Larry Steele stated that he is confident about the outcome of the game. He also stated that the toughest teams the Lopes fems will play in District are Littlefield, then Tulia.

Citizens Asked To Report Chug Holes To City

The freezing and melting of snow runoff has taken its toll on the asphalt streets in Abernathy.

Chug holes are formed in pavement when water gets into pavement cracks, expands on freezing, and breaks up the pavement.

City Manager Rod Ellis urges everyone to report all pavement chug holes to the city offices. A list of these reported pavement failures will be kept, and the repairs will be made as soon as weather and scheduling permits.

Coming Events

Thursday, Jan. 13...Chamber of Commerce to meet at 7 a.m. at City Hall small meeting room.

Friday, Jan. 14...Antelopes and Lady Lopes take on Dimmitt here.

Sunday, Jan. 16...St. Isidore Mission begins.

Monday, Jan. 17...Young Homemakers to meet and have supper.

Tuesday, Jan. 18...Antelopes and Lady Lopes play Tulia here.

Thursday, Jan. 20...Sunshine Group meets at 11 a.m., dinner at 12 noon.

Friday, Jan. 21...Antelopes and Lady Lopes play Muleshoe there.

ON THE COUNTY LINE

BY KEITH TOOLEY

ONE OF THE MOST thoughtful and caring persons I know, is local Hal Howard. Whenever someone's in need of something, or donations are being taken for a worthy cause, Hal is either helping to collect for it or taking charge of the collections by himself.

Those of you who read the papers might remember an incident which occurred three weeks ago about an infant who was refused treatment because his parents could not afford the hospital bills-the premature born child almost died because he did not get immediate care. No hospitals would accept him. Well, Hal Howard ran an ad in the paper last week asking everyone to match his \$20, which he sent to this infant.

I was reading the other day where \$9 thousand has been donated to the parents to pay the hospital bills. The money was sent to the parents of the child by concerned citizens such as Hal.

Hal, you have a big heart and you are a great asset to this community and your fellow man. Keep up the good work.

A MAN RUSHED into a drug store and asked for something to stop hiccups. The druggist thought for a moment, poured a glass of water, and threw it in the man's face. "Why did you do that? The man angrily responded.

"Well, you don't have the hiccups now do you?"

"No, you fool!" shouted the customer. "But my wife out in the car still has!"

other causes, which were not listed above, such as the sale of agricultural commodities, Christmas retail sales, second money started coming back to the local financial institutions from brokers and money market funds, and farmers have been receiving governmental payments, both in the form of disaster payments and deficiency payments.

All six banks in the county reported deposit increases from both last quarter and a year ago.

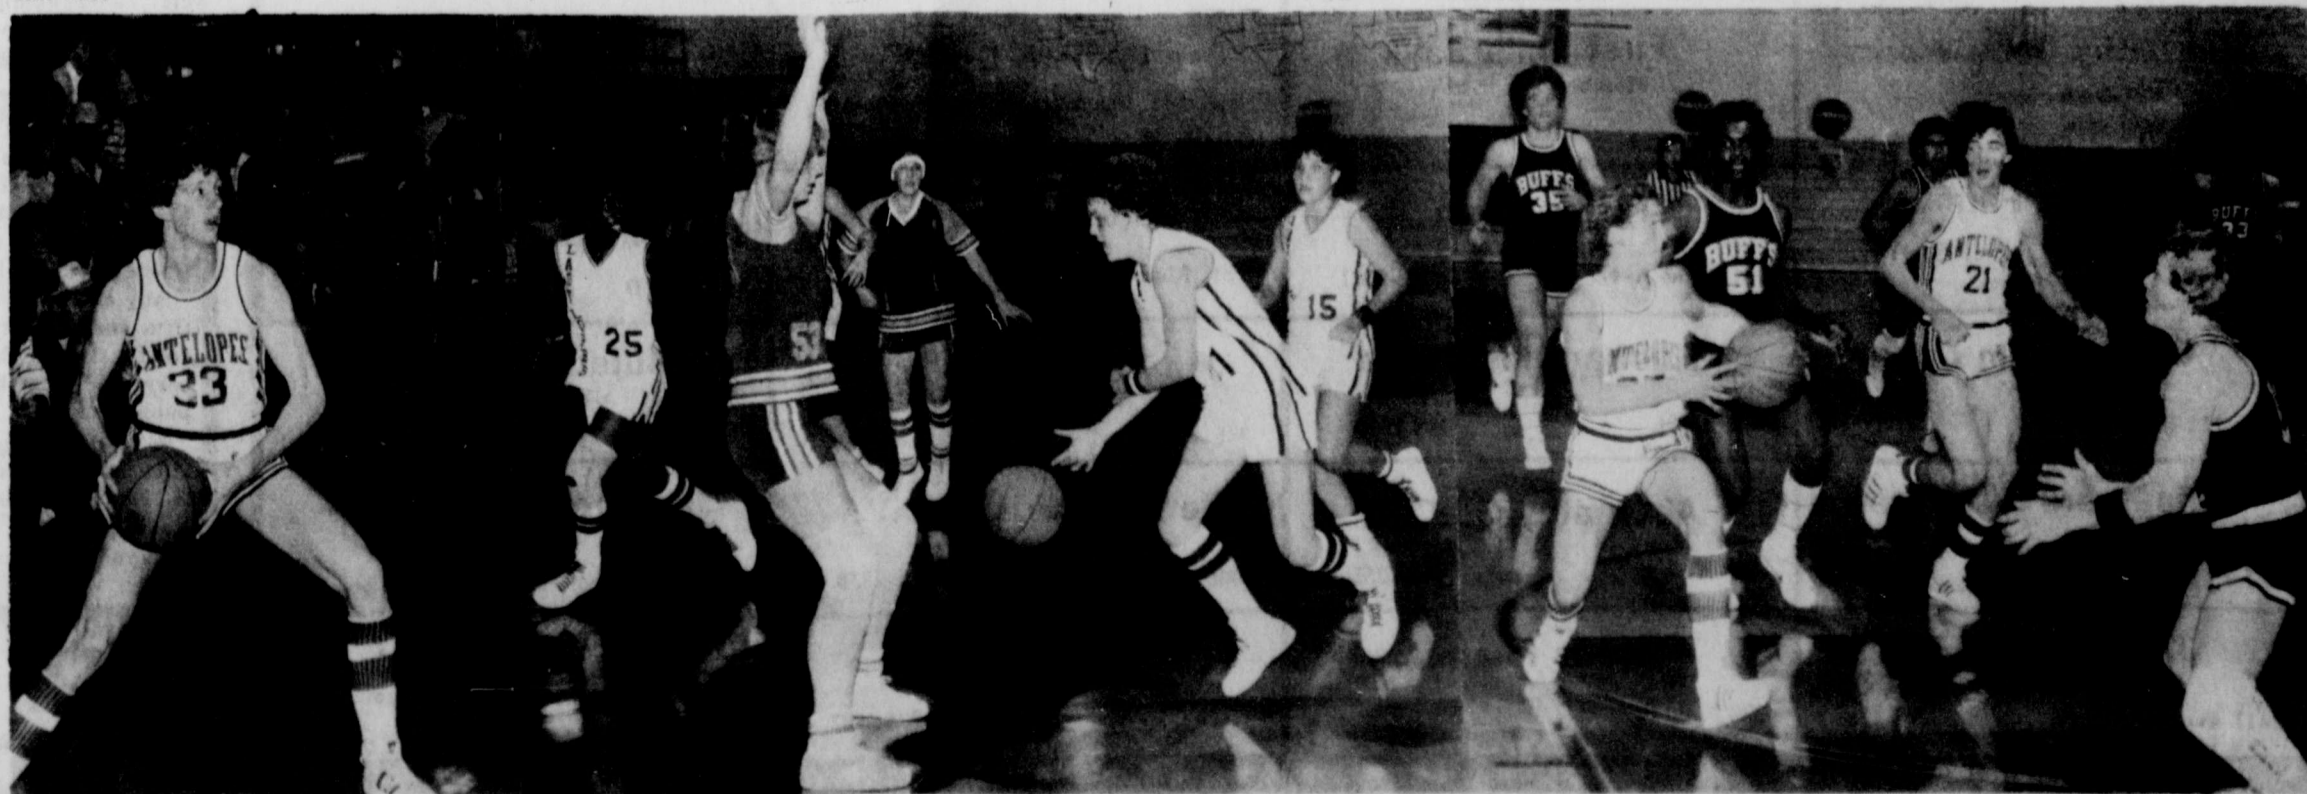

To admit you're wrong just means you're wiser today than you were yesterday.

To err is human...but to really foul things up, it takes a computer.

NOT LONG AGO in a small Texas Panhandle town, the editor of the newspaper printed a picture of a deserted farmhouse in a desolate, sand-swept field, then offered a prize for the best 100 word essay on the disastrous effects of land erosion. A bright Indian lad from Oklahoma bagged the trophy with this graphic description:

"Picture show white man crazy. Cut down trees. Make too big teepee. Plow hill. Water wash. Wind blow soil. Grass gone. Door gone. Squaw gone. Whole place gone to hell. No pig. No corn. No pony."

"Indian no plow land. Keep grass. Buffalo eat grass. Indian eat buffalo. Hide make plenty big teepee. Make moccasin. All time Indian eat. No work. No hitch-hike. No ask relief. No build dam. No give damn. White man heap crazy."

ACTION FROM THE ABERNATHY TOURNEY...Pictured at the right in the first photo is Brian Smith, in the second photo is Vicky McKenzie and ReGina Powell against New Deal, and in the third photo is Cletus Irlbeck and Ed Teal against Petersburg. (Review Photos)

Antelopes First, Lady Lopes Second In Local Tourney

JANUARY CLEARANCE SALE

Starting Friday
January 14th

917 Ave. D Abernathy

The Abernathy Antelopes placed first by defeating Cooper Saturday night in the Abernathy Invitational Tourney. The Lady Lopes placed second behind Hale Center.

The tourney was held from Thursday through Saturday last week and a lot of good games were played during the three days.

Antelopes Win First Place

The Abernathy Antelopes faced the Petersburg Buffaloes in the first round played last Thursday. The Lopes polished-off Petersburg easily 93-50.

It was the Lopes all the way. They out-scored Petersburg 24-10 in the first quarter and 24-12 in the second quarter to lead 48-22 at halftime.

The Lopes continued to apply pressure on offense and defense in the second half. They added another 25 points while holding Petersburg to only 11 in the third

quarter to lead 73-33. The unstoppable Lopes eased up on Petersburg in the fourth quarter by adding another 20 points while allowing the Buff's 17, to win 93-50.

Larry Perkins scored an incredible 28 points, followed by Sammy Galloway with 21, Ed Teal 18 and Cletus Irlbeck 16.

Lopes Crush Owls 75-44

In the second round, the Lopes crushed the Hale Center Owls in a one-sided match-up 75-44.

The Lopes dominated the entire game scoring 19 points in the first quarter while allowing Hale Center only 5. Again in the second quarter, the Lopes prevailed scoring 18 more points to

lead 37-17 at halftime.

With a 20 point lead going into the third quarter, the Lopes remembered a football game earlier this year and tacked on another 22 points to the Owls' 11 to lead 59-28.

The Lopes added another 16 points in the fourth quarter to win 75-44.

Leading scorers in this game for the Lopes were Larry Perkins with 20, Cletus Irlbeck 16, Sammy Galloway 13 and Ed Teal 10.

Lopes Defeat Cooper In Finals

In the final game of the tourney on Saturday, the Lopes easily defeated Cooper 72-46 to win the championship.

No team in the tourney

could come close to the Lopes and the Lopes held a huge lead in this final performance.

It started with the Lopes scoring 20 points in the first quarter to Cooper's 10. The Lopes out-scored Cooper again in the second quarter 13-5 to lead 33-15 at halftime.

The third quarter was the biggest one for the Lopes as they exploded to score 28 points while holding Cooper to 14. They added 11 more in the final period to win the championship 72-46.

Larry Perkins was again the leading scorer with 18 points followed close behind by Ed Teal with 17. Cletus Irlbeck and Sammy Galloway each had 12 points.

Perkins was the leading scorer making 66 points in the three games.

The Lopes improved their season record to 15-6, the six losses coming to much larger 4-A and 5-A teams.

The Lopes will play Dimmitt this Friday night for their first District Game.

best quarter yet in the final period scoring 24 points while allowing the Lady Lions only 4 to win 67-29.

Vicky McKenzie was the leading scorer with 19 followed by Regina Powell with 13 and Kathie Ellis 12.

Lady Lopes Edge Ralls 52-51

The Lady Lopes did not have as easy a time in winning their second game as they had their first. They edged the Ralls fems by 1 point, 52-51 in the second round Friday.

This was the Lope fems biggest test of the tourney thus far. The Ralls fems have a winning 17-2 record, the 2 losses coming from the Lady Lopes, and this was one of them.

It all started with Ralls taking the lead in the first quarter 18-12. But the Lope fems bounced back to out-score Ralls in the second quarter 18-3 and at halftime the Lope fems trailed by 1 point, 30-31.

The Lope fems played a strong third quarter. They scored 12 points, while holding Ralls to 8, to lead 42-39.

In the final period, Ralls scored 12 points to the Lope's 10 to come within 1 point of the lead. But time ran out on the Ralls fems and the Lady Lopes advance to the finals, 52-51.

Lope Fems Lose To Hale Center In Finals

The Lope fems lost to Hale Center in the finals 28-44 to take second place in the tourney.

It was the third time around for these two teams and the third time for the Owlettes to come out on top.

In the first quarter the Owlettes took the lead 10-2. They added 8 more in the second while the Lope fems scored 12. Abernathy trailed by only 4 points, 14-18 at halftime.

Hale Center increased their lead in the third and fourth quarters to win 44-28.

Vicky McKenzie was the leading scorer with 8 points followed by Kathie Ellis and Regina Powell, both with 6 points.

The Lady Lopes will play Dimmitt for their second District game this Friday night.

Lady Lopes Win Second Place

The Lady Lopes won second place in the Abernathy Invitational Tourney. Hale Center defeated them in the finals to capture first place.

The Hale Center jinx on Abernathy worked again as the Owlettes are about the only team that has defeated the Lady Lopes this year.

The Lady Lopes have an impressive 14-4 record on the year, losing only to Hale Center three times and Nazareth once.

Lady Lopes Defeat New Deal

In the first round played Thursday, the Lady Lopes won easily over the New Deal Lady Lions 67-29.

The Lope fems controlled the game all the way as they jumped out in the lead the first quarter 18-6.

The added another 11 points in the second quarter to lead 29-13 at halftime.

The Lope fems held a comfortable 16 point lead going into the third quarter, but again they were able to out-score the Lady Lions 14-12 to lead 43-25.

The Lope fems were not finished. They had their

Jr. High Student Council Attends Convention

The AJH Student Council accompanied the High School Student Council to the TASC District V Convention in Levelland January 5. The purpose of this convention was to elect District V officers and discuss the Student Council. The four new officers elected to District V were Abernathy, President; Cooper, Vice President; Denver City, Secretary and Littlefield, Parliamentarian.

Other events were a lecture by Mr. Smith and Mr. Mayberry from Denver City, music by a rock band from Brownfield High School, and lectures on Student Council projects pertaining to energy conservation, safety and alcohol abuse prevention.

The five Jr. High Student Council Officers attending were: Laura Phillips, president; Ray Garza, vice-presi-

dent; Helen Kester, secretary; Rose Williford, treasurer; and Jared Knight, reporter and the entire High School Student Council.

In this reporter's view point, this convention was well worth the student council's time and was very beneficial to both councils. By Jared Knight, Reporter.

"Acquaintance: A degree of friendship called slight when its object is poor and obscure, and intimate when he is rich and famous."
Ambrose Bierce

ATTEND THE CHURCH OF YOUR CHOICE

"One Day At A Time"

H.B. Coggin
Methodist, Retired

Day at a Time."

That must have been what the Psalmist was thinking when he wrote, "This is the day which the Lord hath made; we will rejoice and be glad in it." (Psalms 118:24) Each day is a day which the Lord has made and we should rejoice and be glad, in every day that comes and goes.

We need to ask ourselves whether we are rejoicing more or less as the days go by. God surely expects us to regard each day as a gift

which comes from his hands.

We seem to be prone to let thoughts of things of less importance crowd the Lord out of our minds. There are days when we are prone to feel guilty, or useless, or feel selfpity; but God does not give such feelings to us. God does not give a spirit of fear. He gives a spirit of love, power, and sound mind; and such gifts should produce gladness, gratitude, and rejoicing.

I like the words of the

Psalmist, recorded in Psalms 90: 1-2, "Lord, Thou hast been our dwelling place throughout all generations, before the mountains were formed, or you brought forth the earth and the world. From everlasting to everlasting thou art God."

When we remember things like that, they should help us to rejoice and be glad every day; for each day is a day which the Lord has made, and he gives us only one day at a time.

Farmers Facing Another Poor Year

Agriculture is at a crossroads due to large supplies and low prices, and farmers have few options to improve their situations in 1983.

"Just how long farmers can hang on financially is the big question," says Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System. "Right now many are scraping the bottom of the barrel as far as their financial resources are concerned--thanks to three consecutive years of poor prices. And they can't last much longer. Only those who are virtually debt-free will be able to make it."

Returns to assets of debt-free farmers will average in the range of minus 3 to minus 7 percent in 1982, says Anderson, while returns to farmers with a heavy debt load will be a negative

14 to 18 percent. "With that kind of figures, it's easy to see that farmers must depend less on debt financing," he adds.

Farmers generally are victims of overproduction in recent years coupled with a major slowdown in farm exports and domestic demand. This has led to growing stockpiles of most crops. Present farm programs designed to reduce these stockpiles have been a flop, points out Anderson. So farmers and farm policymakers must soon decide whether or not to do something about the increasingly critical farm dilemma.

"Among options are mandatory production control and possible marketing quotas to bring supplies in line with effective demand," notes the economist. "Strong supply manage-

ment likely will improve current low farm income in a couple of years. With voluntary programs, it will take much longer."

Regarding the dilemma of farmers, Anderson offers a number of observations:

1. For 1982 net U.S. farm income is projected at \$19 billion, down from \$25 billion in 1981. Cash receipts will be about equal to farm expenditures this year, so virtually all net income will come from government payments and non-money income. Income could improve some in 1983 depending on what direction farm programs take.

2. Farmland markets are expected to remain sluggish. In some areas of the U.S. and Texas, land prices likely will decline.

3. Farm exports are facing major setbacks. No noticeable progress has

been made in trade negotiations with major U.S. Foreign market countries such as the European Common Market, Japan, Mainland China or Russia. When economic conditions are bad, countries want to export more and import less. A big setback to Texas cotton growers is that China intends to grow more cotton and import less from the U.S.

4. Although credit is available, farmers have difficulty in qualifying unless they still have adequate collateral. Debt restructuring will continue. Loan delinquencies, foreclosures and bankruptcies will be up although leaders seldom benefit from liquidating a borrower.

Washington." Dr. Knutson works very closely with the Secretary of Agriculture, Mr. John Block and serves on the Agriculture Policy Committee for International Trade.

Liner states that lunch will be served at 12:00 for those attending the meeting provided by the Hale County State Bank, Plainview and the Plainview Co-op Compress, Inc. and that this should be one of the best mornings that a farmer could spend during the year due to the financial and economic situation of the farmers and businessmen.

Method Demonstration Workshop And Roundup Day Jan. 15

If you are interested in learning what a method demonstration is, the mechanics of writing one and how to prepare it for a county, district or state contest, then the Method Demonstration Workshop and Roundup Information Day is for you!

All parents, leaders, 4-H'ers and prospective 4-H families are invited to attend this workshop on Saturday, January 15 at the Hale County Ag Center from 10:00 - 3:00 p.m. with a one-hour lunch break.

4-H Roundup Contests include method demonstrations illustrated talks, Share The Fun and Public Speaking as well as judging contests and rifle.

Resource persons will be on hand leading sessions on the various events and roundup information will be given. 4-H'ers will have the opportunity to sign up for contest categories at the workshop.

Each club is urged to have representation at the event. The club having the most representation will be awarded a prize. Points will be awarded to clubs: 1 point for each 4-H'er and 5 points for each parent and leader in attendance.

4-H and 4-H Roundup Contests are available to all youth between the ages of 9 and 19. For more information, call the County Extension Office, 293-8481 (271).

SAFETY IS A CONSIDERATION when buying children's toys this holiday season. An estimated 13,000 children under the age of 15 were treated in hospital emergency rooms for toy-related accidents in 1981, announces Dr. Mary Ann Shirer, health education specialist with the Texas Agricultural Extension Service, Texas A&M University System. A child's age should be used to determine which toy to buy, since manufacturers are required to place age recommendations and precautionary labels on toys.

COTTON TALKS
FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, January 7, 1983

Santa Clause has come and gone, to some extent at least quieting the palpitating hearts of children, both young and old, anxious to sample the delights of the nation's most glorious holiday.

But the air of anticipation in agriculture has not abated as farmers and farm-related businessmen await removal of wrappers from a payment in kind (PIK) package promised by Agriculture Secretary John Block.

Indications at this writing are that the program announcement will come from President Reagan either January 10 or 11 when he addresses the American Farm Bureau Federation in Dallas. How many of the program details will be given at that

Area Farmers Invited To Hale 4-H Auction Jan. 18

All area farmers are invited to attend the 1983 Hale County 4-H Agricultural Products Auction beginning at 12:45 p.m., January 18 at the Hale County Agriculture Center in Plainview, according to Tom Conerly, County Extension Agent-Agriculture.

Various farm products will be auctioned including herbicides, pesticides, corn seed, sorghum seed, cotton seed, and soybean seed and animal feeds from a large number of companies. Last year there were bargains on all items sold and the total

sales of these items were less than 50 percent of retail costs. Some bargains should be available in this year's auction.

All proceeds from the auction are used for the 4-H Exchange Program. The 4-H Exchange Program allows Hale County 4-H'ers to learn how other people live in different areas of the country. The County 4-H'ers host 4-H'ers from another state for seven to ten days during the summer, teaching them about life in 4-H in Hale County.

Soil Fertility Meeting Jan. 18

Tuesday, January 18, the 36th Annual Soil Fertility Meeting will be held in the Hale County Agriculture Center in Plainview, according to Ollie Linder, County Extension Agent and general chairman of the program. The theme for the Soil Fertility meeting this year is "Topics of Concern for 1983".

The program is sponsored by the Hale County Extension Service Program Building Committee, S.M. True, Jr., Chairman; with the Hale County State Bank and Plainview Co-op Compress, Inc. cooperating. Walter "Spec" Cox, Abernathy farmer, will serve as Master of Ceremonies.

The program will begin at 9:00 a.m. at which time

there will be the election of the Hale County Noxious Weed District Directors; recognition of the Outstanding Conservation Farmer and recognition of Hale County Extension farm demonstrators.

A panel discussion on "Irrigation Costs for 1983" will be presented by the Utility Companies serving Hale County.

"Need for Changing Cropping Patterns" will be the topic of Dr. Bruce Maunder, Vice President, Agronomic Research, DeKalb, of Lubbock.

Dr. Robert Berry, Plant Pathologist, Texas Agricultural Extension Service, Lubbock, will speak on "Possible Aids in Combating Seedlings Disease".

Charles Ikard, Agronomist, Corn Specialist, Pioneer Hi-Bred International, Ind. Plainview, will speak on "Ways to Produce Economical Yields of Corn on Least Amount of Water".

"Economic Ways and Means of Handling Weeds on Diverted Acres (Chemical and Cultural Practices)" will be discussed by Dr. James Supak, Agronomist-Cotton, Texas Agricultural Extension Service, Lubbock.

To end the program by 12:00, Dr. Ronald Knutson, Economist-Marketing and Policy Specialist, Texas Agricultural Extension Service, College Station, will talk on "Latest Developments of Payment in Kind Program and Other Latest Developments in Agriculture in

End-of-model rebates up to \$5,900

Closeout savings on the last 40 Series John Deere tractors... plus a bonus for financing without waiver

Don't miss out... take advantage of this cash rebate program before 40 Series tractors, 40- to 228-hp, are sold out.

Get a cash rebate (first dollar column below) direct from John Deere in addition to our good deal on the 2WD or 4WD tractor of your choice. These tractors carry a 1981 sticker price, so we're offering rebates and discounts from prices already competitively low.

There's more. During January, 1983, pay cash for your new tractor, finance it where you choose, or finance it with John Deere without waiver* and you'll collect the

JV Boys Compete At Three Tourneys

The Shallowater boys JV basketball team has played 12 games this year. They have a record of 7 wins and 5 losses. Some of these games weren't covered in the newspaper due to our boys long football season. So I would like to take this opportunity to recap the games and bring you up to date.

The first game of the season, the JV boys played LCHS and took the win 39-37. Leading scorers were Medlock with 15 and Willborn with 9.

The JV was in the Idalou tournament for the next three games. They played LCHS and fell to defeat 68-49. Leading scorers were Medlock with 24 and Davis with 10. In the second game of the tournament, the JV boys won 44-36 over Cooper. Leading scorers were Medlock with 21 and Davis with 13. In the final game of the tournament, Shallowater fell to defeat to Friendship 43-41. Leading scorers were Medlock with 18 and Davis with 10.

Shallowater met Lorenzo Dec. 7 and won 52-49. Leading scorers were Cobb with 28 and Sportsman with 7.

On Dec. 14, the JV boys played in Lorenzo tournament and lost their opening game 70-48. Leading scorers were Sportsman with 10 and Cowart with 8. In the second game of the

tournament the JV boys won over Smyer 62-14. Leading scorers were Silvas with 10, and Willborn, Sportsman and Maldonado each with 8. The final game of the tournament and the consolation place was won by the JV boys as they beat Lorenzo 60-51. Leading scorers were Cobb with 22 and Silvas with 9.

Dec. 31 Shallowater played Ralls there and won by one point 49-48. Leading scorers were Alvarado with 14 and Sportsman with 10.

The last three games the JV has played were in the Littlefield tournament.

The first game they played was against Lorenzo, where the JV won 78-61.

In the first period of play, the Mustangs took a big lead as they scored 21 points to Lorenzo's 12. Lorenzo came alive in the second quarter and out-scored the Mustangs 22-19, but the Mustangs still had the halftime lead of 40-34.

Again in the third quarter, Lorenzo out-scored the Mustangs 15-14, but the Mustangs still had the lead 63-50.

The Mustangs came out fighting in the fourth to score 24 points to Lorenzo's 11, winning the game 78-61.

Leading scorers were Cobb with 24 and Johnston with 14.

In the second game of the tournament, Shallowater fell to defeat to Littlefield 49-66.

Littlefield outscored Shallowater all four quarters and held the lead throughout the game.

The first period ended with Littlefield on top 14-11. In the second quarter, Littlefield scored 26 points to Shallowater's 14 and led at halftime 40-25.

The last two periods were no different as Littlefield lead 51 to 36 in the third, and took the win 66-49.

Leading scorers were Cobb with 11 and Alvarado with 10.

In the final game of the tournament Shallowater again fell to defeat to

Dimmitt 50-40.

In the opening period the Mustangs lead 14-6. Even though Dimmitt out-scored the Mustangs in the second period, but the Mustangs still had the halftime lead of 22-20.

Dimmitt came out fighting in the third and took the lead from the Mustangs 32-28. The Mustangs fought hard in the fourth but couldn't ever get the lead back as they fell to Dimmitt 50-40.

Leading scorers were Cobb with 11 and Sportsman with 8.

JV Girls Win Third At Littlefield Tourney

The Shallowater JV girls played their first game against Muleshoe December 14. The girls won 38-28. Leading scorers were Rader with 14 and Durham with 8.

Dec. 20, the JV girls played Lorenzo and fell to defeat 53-35. Leading scorers were Witcher with 14 and Duenz with 6.

Jan. 4, the JV girls played Ralls and lost by one point 37-36. Leading scorers were Deavors with 22 and Rader with 3.

The next three games the JV girls played were in the Littlefield Tournament.

In the first game of the tournament, Shallowater beat Lorenzo 36-34. Shallowater took the lead

in the first quarter 10-6. In the second period the Fillies scored 12 points and took a 10 point halftime lead of 22-12.

Both teams fought hard in the third period, but the Fillies came out on top again 28-18.

In the fourth quarter, Lorenzo scored 16 points to Shallowater's 8, but it wasn't enough as the Fillies won 36-34.

Leading scorers were Rader with 16 and Deavors with 6.

In the second game of the tournament, the Fillies fell to defeat to Littlefield 37-25.

Littlefield opened the game on top out-scoring Shallowater 9-6. In the

Woodrow New Math And Physical Science Teacher

Mrs. Woodrow, Shallowater's new math and Physical Science teacher, has several goals for her classes. Though the goals are basically the same as the other teachers', like teaching the basics, she enjoys teaching by labs instead of lectures.

It's not as boring for the students and she would rather demonstrate the way things are in a lab. This way the students know the material better.

Though she has never taught Physical Science, she enjoys it, but her major is in

Shallowater News

Local And County Stock Shows To Be Held Soon

The Shallowater FFA will be holding its annual stock show January 15, which is Saturday.

All students who are in Agricultural classes are urged to enter. The show is sponsored by the Shallowater FFA Booster Club.

There will also be several Ag students attending the county stock show the 16th through the 19th. Among the people going are Craig Conners, Alan Bownds and Greg Mitchell. By David Stalter.

Student Council Members Attend Seminar At SPC

Wednesday, January 5, the Shallowater High School student council went to the Texan dome at South Plains College in Levelland. Student council members, representing schools from around the area, gathered for the seminar.

The head coach and the vice-principal from Denver Muleshoe's 7, to take the

halftime lead. The Fillies came out determined to win as they added 21 points to their score in the last two quarters to Muleshoe's 14, giving the Fillies a 37-24 victory.

Leading scorers were Durham with 8, Witcher and Haralson shared 6 a piece.

BIRTHS

Congratulations to Bill and Sharon Montis on the birth of a son, James Christopher. Tipping the scales at 7 lbs and 6 ozs, and 21 1/2 inches long, he was born Jan. 4, 1983 at 11:43 a.m. at Lubbock General Hospital. He was welcomed home by his proud big sister Kristy.

Paymaster

When winter comes, the temperature isn't the only thing that goes down. So does the nutritional level of your pasture grass.

Your cattle need extra help then. So let them graze on ACCO's range—a hard working line of supplemental feeds that cover the range from quality to economy.

Like 20% Paymaster or 21% Breeder Range Cubes. These are low fiber, highly digestible, high energy cubes especially adaptable for supplemental winter feeding. They're packed with phosphorus, trace minerals and vitamins A, D and E.

They contain 20,000 units of vitamin A in every pound. And they're available with either natural or equivalent protein.

So let ACCO feeds give your herd a hand this winter. If you've got the cattle, we've got the range.

TRANSITION

Kathleen Ramsey

Memorial services for Kathleen Colvard Ramsey, 87, of Shallowater were at 4 p.m. Saturday in First United Methodist Church with the Rev. James Willborn, pastor, officiating.

Funeral services were Monday at 2 p.m. in First United Methodist Church in Gorman with the Rev. Raymond McCartney, pastor, officiating.

Burial was in Gorman-New Cemetery under direction of Edwards Funeral Home of Rowden.

She died in her home at 2:41 a.m. Friday. The death was ruled natural causes by Justice of the Peace Dardie Williams.

She had been a Shallowater resident since 1941, moving here from Ralls. Her husband, E.O. Ramsey, died Nov. 19, 1966.

She was a member of the First United Methodist Church in Shallowater.

Survivors include a son, Oliver of Lubbock, two daughters, Gloria of Shallowater and Barbara Watson of Littleton, Colo.; a brother, Max Colvard of Wichita Falls; two sisters, Mrs. D.W. Stewart and Ann C. Adams both of Cleburne; four grandchildren; and a great-grandson.

New Deal Competes At Abernathy Tourney

Both New Deal varsity teams participated in the Abernathy Tournament this past weekend with both the Lions and Lady Lions winning seventh place. The results of each game are as follows:

Floydada 69, Lions 52

The Lions could not get things going until the fourth quarter and by then Floydada had the ball game sewn up. The Lions could not generate much offense and fell behind by 13 points in the first half. The third quarter was not any better for the Lions as Floydada out-scored them 25-8. The Lions out-scored Floydada 24-11 in the fourth quarter. Leading scorers for the Lions were Steve Johnson with 12 points and Craig Harrington with 11 points.

Abernathy 67, Lady Lions 29

Leading scorer was Linda Conner with 10 points.

Ralls 65, Lions 48

For the second day in a row, the Lions offense couldn't get untacked and fell to a good Ralls team 65-48. The first quarter was a see-saw affair with Ralls on top 15-13. Then the Lions hit a cold spell in the second quarter and fell behind by 10 points at the half.

Ralls out-scored the Lions

36-29 in the second half to clinch the victory. Leading scorers were Craig Harrington with 14 points and Steve Johnson with 11 points.

Floydada 33, Lady Lions 15

Leading scorer was Quinetta Ballenger with 6 points.

Lions 52, Petersburg 48

For the second time in five days, the Lions played Petersburg and prevailed by the score of 52-48.

Petersburg jumped out to a quick 15-12 lead in the first quarter, but in the second quarter, Craig Harrington, for the Lions, got a hot shooting hand and connected on 4 out of 6 shots and had 11 of his 15 points in the second quarter.

Abernathy And New Deal Win Tumbling Meet

The Abernathy and New Deal Tumbling Teams competed in the Debbie Maine's Invitational Tumbling Meet in Lubbock December 11.

Abernathy and New Deal, combined with Hale Center and New Home, won the 1st place trophy. These teams are all coached by Robin Walker of Lubbock.

The children were placed in groups of six, according to age and ability. Each child received a ribbon and

first place winners were awarded trophies.

Abernathy winners included the following:

1st place: Krista Bryant, Cody Cox, Mandy Hall, Mandy Ratcliff, Ressa Schapp and Sunshine Shadden.

2nd place: David Carver and Tonya Myatt.

3rd place: Tana Cox, Toni Evans, Kara Havens, Melody McLaugh, Elise Prather, Marci Ryan, Erika Stark and Jody Steele.

4th place: Leisha Elliott, Kelly Guerrant, Lori Perez, Prim Ryan, Jennifer Shannon and Amy Steele.

5th place: Neal Elliott, Gracie Hernandez and Shannon Peeples.

New Deal winners included the following:

1st place: K'dee Dunn, Miranda Dunn, Melody Edwards, Kristie Hardin, John Kennedy, Michelle Langwell, Brenda Leaf, Amanda

Junior High And Freshman Teams On The Move

Thursday night, the Junior High and Freshman boys hosted Petersburg while the Junior High girls went to Petersburg. The results of each game were as follows:

7th boys: Lions 32, Petersburg 17. Leading scorer - Shane Boyd - 11 points.

7th girls: Lady Lions 10, Petersburg 6.

8th boys: Petersburg 47, Lions 15. Leading scorer - Chris Bishop - 8 points.

8th girls: Lady Lions 19, Petersburg 11.

9th boys: Petersburg 57, Lions 28. Leading scorer - Fabian Ortiz - 15 points.

The 7th grade boys participated in the Christ The

King tournament this past week and still remain undefeated for the season at 7-0.

In the opening game, the 7th grade Lions beat host team Christ The King 43-8 as Toby Howell and Shane Boyd scored 11 and 10 points respectively.

In the second game, Toby Howell and Alfredo Ramirez scored 12 and 10 points respectively as the young Lions won 39-20.

In the championship bracket, the Lions disposed of Shallowater 39-25 behind

the scoring of Toby Howell with 16 points and Shane Boyd with 13 points.

Lions and Lady Lions Defeat Petersburg

Tuesday night, the Petersburg Buffaloes came to the Lion's den and were sent home with only one victory, coming in the JV girls game.

In the varsity games, Michele Thiel, Lynda Conner, and Christy Turner had 19, 10 and 10 points respectively. As the Lady Lions routed the Petersburg girls 57-35.

In the Boys game Craig Harrington led all scorers with 20 points as the Lions won over Petersburg 63-61. Other leading scorers for the lions were Steve Jerden with 14 points and Steve Johnson and Robert Jackson each with 10 points.

"SPEC members have saved over \$6,000,000 since 1975."

Over the past few years, the cost of almost everything has doubled, even tripled in some cases. And that includes the wholesale cost of electricity.

But at South Plains Electric Cooperative, we're happy to report our member owners have saved over \$6,000,000.00 with the wholesale power contract negotiated by management in 1972.

What this means is that while SPEC members were saving money, their counterparts in the cities and towns with municipal electric companies were spending more money to run their homes and do their work.

Electricity makes life easier, safer and more comfortable. And it's still a bargain...at South Plains Electric Cooperative, bringing you the "Economic Facts of Light."

This and That

By Helen Wade

After all the ice and snow, it was truly good to see the sunshine this past week.

Mr. and Mrs. M.M. Bell had a beautiful Christmas with all the children, grand-

children, great-grandchildren and guests, coming by on Christmas Day. There were twenty-three people enjoying the wonderful christian fellowship with delicious food, games and taking pictures. The best picture was of the great-

grandbabies unwrapping their gifts and unwrapping everyone else's they could get. "It was another lovely day for us to cherish," Mrs. Bell said.

Mr. and Mrs. M.M. Bell attended a beautiful birthday social honoring Mrs. Flora Stanford Saturday, January 8 in the United Methodist Church in Dimmitt.

Flora is the wife of the late Rev. E. Lee Stanford,

who pastored the Methodist Church in Abernathy in the early fifties.

Mrs. Bell said, "Flora is just as sweet and pretty as ever, on her 80th birthday." The Bells enjoyed the afternoon very much and thought it was a lovely party.

Mr. and Mrs. Ivan Ruffin flew to El Paso Friday to see their son, Charles, and flew back Sunday.

High School Student Council Elected President Of District V

The Abernathy High School Student Council attended the 1983 District Elections January 5 at Levelland. The elections were held at the Texan Dome and many area schools attended this

rally. Abernathy ran for the position of District President.

Last year the Student Council served as Parliamentarian, this year they served as Vice-president and next year they will serve as District President. The Abernathy Student Council has show great

leadership by serving on the district level. It is a hard job, but well worth it.

Bob Pettit Promoted

Hallibuton Services announced the following promotions and transfers: The

Oilfield services division promoted R.F. Nash from Assistant Manager of the Houston Division, to Manager of the Southern Gulf Division of the Middle East Region in Bahrain. He succeeds R.C. (Bob) Pettit, who has moved to Singapore as manager of the Southeast Asia Division.

Bob is the son of Mr. and Mrs. Hugh Pettit of Abernathy.

INSIGHT INTO EYESIGHT

David R. Gibson, O.D. DOCTOR OF OPTOMETRY

Concave Or Convex Lenses?

Do you know why your glasses are shaped the way they are? If the lens curves inward, this is a concave lens. It pushes the focused rays of light backward to the retina to correct for nearsightedness. If you didn't have those glasses, your eyes would be focusing too soon, causing your vision to blur.

If the lens curves outward, it's a convex lens. This is designed to push the focused rays of light forward to the retina, correcting for farsightedness. Without these glasses, your eyes would focus too late also causing blurred vision.

For people with astigmatism (two

points of focus instead of one), the lens will be either concave or convex, depending on the kind of astigmatism. It can be either farsighted or nearsighted.

If the problem is presbyopia (the inability to use the nearfocusing muscles), the lens will be convex, just as it is for the farsighted person.

Whatever the shape of lens needed, it has to be carefully prescribed to give good results.

Local Weaver And Basket Maker

Displays Crafts At Library

Redgie Knight, local weaver and basket maker, currently is displaying her crafts at the Abernathy City-County Library.

Redgie has been weaving for a number of years. She recently became interested in basket making and she has taught herself the art of coiled basketry.

Coiled basketry is a craft that was used by the American Indian. There are two important parts, the warp and the weft. The

warp is a firm foundation strand. Materials most frequently used for the warp are bunches of pine needles, straw or rope. The weft is the more flexible strand which is bound or woven around the warp. Raffia, palmetto, or strips of cornhusks are most commonly used. Indians also used feathers, shells and beads for decorations.

Everyone is encouraged to come and view the interesting exhibit on display through the month of January.

Partners map progress.

Lewis and Clark were men of destiny who challenged over 2,000 miles of trackless wilderness west of the Mississippi. Captain Meriweather Lewis, army officer and frontiersman, chose the artist and mapmaker Lieutenant William Clark for his partner. From 1803 to 1806 the two young men combined their skills and talents to search for a northwest passage to the Pacific Ocean.

As partners, Lewis and Clark provided detailed maps and valuable scientific journals which later encouraged rapid settlement and development of the West.

Today there is a new frontier to challenge — an energy frontier. You and Southwestern Public Service Company are partners like Lewis and Clark. Partners working together making energy decisions to make a difference. For instance, when you install a High-Efficiency Add-On Heat Pump in your home, you and SPS work together to better manage electricity. And when electricity is efficiently managed, it makes the difference.

Together, Lewis and Clark charted the maps that made the difference which helped win the West. Together, you and SPS can work as partners, charting progress for a new frontier in electricity management.

You and SPS, partners managing electricity, make the difference.

SOUTHWESTERN PUBLIC SERVICE COMPANY
